3.5 Sec. 3. Minnesota Statutes 2018, section 205.07, subdivision 1, is amended to read:

3.6 Subdivision 1. **Date of election.** The municipal general election in each city shall be  
3.7 held on the first Tuesday after the first Monday in November in every even-numbered year.  
3.8 Notwithstanding any provision of law to the contrary and subject to the provisions of this  
3.9 section, the governing body of a city may, by ordinance passed at a regular meeting held at  
3.10 least 180 calendar days before the first day to file for candidacy in the next municipal  
3.11 election, decide to hold the election on the first Tuesday after the first Monday in November  
3.12 in either an even- or odd-numbered year. A city may hold elections in either the  
3.13 even-numbered year or the odd-numbered year, but not both. When a city changes its  
3.14 elections from one year to another, and does not provide for the expiration of terms by  
3.15 ordinance, the term of an incumbent expiring at a time when no municipal election is held  
3.16 in the months immediately prior to expiration is extended until the date for taking office  
3.17 following the next scheduled municipal election. If the change results in having three council  
3.18 members to be elected at a succeeding election, the two individuals receiving the highest  
3.19 vote shall serve for terms of four years and the individual receiving the third highest number  
3.20 of votes shall serve for a term of two years. To provide an orderly transition to the odd or  
3.21 even year election plan, the governing body of the city may adopt supplementary ordinances  
3.22 regulating initial elections and officers to be chosen at the elections and shortening or  
3.23 lengthening the terms of incumbents and those elected at the initial election. The term of  
3.24 office for the mayor may be either two or four years. The term of office of council members  
3.25 ~~is~~ may be either two or four years. Whenever the time of the municipal election is changed,  
3.26 the city clerk immediately shall notify in writing the county auditor and secretary of state  
3.27 of the change of date. Thereafter the municipal general election shall be held on the first  
3.28 Tuesday after the first Monday in November in each odd-numbered or even-numbered year  
3.29 until the ordinance is revoked and notification of the change is made. A municipal general  
3.30 election scheduled to be held in an odd-numbered year may be postponed for inclement  
3.31 weather as provided in section 205.105.

3.32 Sec. 4. Minnesota Statutes 2018, section 205.07, subdivision 1a, is amended to read:

3.33 Subd. 1a. **City council members; expiration of terms.** The terms of all city council  
3.34 members of charter cities expire on the first Monday in January of the year in which they

4.1 expire, unless otherwise provided in section 205.84, subdivision 1. All officers of charter  
4.2 cities chosen and qualified shall hold office until their successors qualify.

4.3 Sec. 5. Minnesota Statutes 2018, section 205.84, subdivision 1, is amended to read:

4.4 Subdivision 1. **General provisions.** (a) In a city electing council members by wards,  
4.5 wards shall be as equal in population as practicable and each ward shall be composed of  
4.6 compact, contiguous territory. Each council member shall be a resident of the ward for  
4.7 which elected, but, except as otherwise provided by paragraph (b), a change in ward  
4.8 boundaries does not disqualify a council member from serving for the remainder of a term.

4.9 (b) Notwithstanding any home rule charter provision to the contrary, in a city of the first  
4.10 class where council members are elected by ward to serve for four years to terms that are  
4.11 not staggered, if the population of any ward changes by five percent or more when comparing  
4.12 the population from the two most recent censuses, all council members must be elected to  
4.13 new terms at the first municipal general election after ward boundaries are redefined under  
4.14 subdivision 2; provided, however, that ~~if no municipal general election would otherwise~~  
4.15 ~~occur in the year ending in "2" or the year ending in "3," a municipal general election must~~  
4.16 ~~be held in one of those years.~~ a municipal general or special election must be held as follows:

4.17 (1) in the year ending in one based on ward boundaries that were redistricted in the same  
4.18 year ending in one;

4.19 (2) in the year ending in two; or

4.20 (3) in the year ending in three.

4.21 If an election is required to be held in the year ending in two or in the year ending in  
4.22 three under this section, the council member term immediately after that election may end  
4.23 at the same time that the term would have ended absent that election.
