(a) The department shall pursue an administrative 5.16 disqualification, if the child care provider is accused of committing an intentional program 5.17 5.18 violation, in lieu of a criminal action when it has not been pursued. Intentional program violations include intentionally making false or misleading statements; intentionally 5.19 misrepresenting, concealing, or withholding facts; and repeatedly and intentionally violating 5.20 program regulations under chapters 119B and 245E. Intent may be proven by demonstrating 5.21 a pattern of conduct that violates program rules under chapters 119B and 245E. 5.22

(b) To initiate an administrative disqualification, the commissioner must mail send 5.23 written notice by certified mail using a signature-verified confirmed delivery method to the 5.24 provider against whom the action is being taken. 6.12	(f) The hearing is subject to the requirements of sections 256.045 and 256.0451. The
6.13	human services judge may combine a fair hearing and administrative disqualification hearing
6.14	into a single hearing if the factual issues arise out of the same or related circumstances and
6.15	the provider receives prior notice that the hearings will be combined.
6.16	(g) A provider found to have committed an intentional program violation and is
6.17	administratively disqualified shall must be disqualified, for a period of three years for the

6.27	Subd. 7. Licensing moratorium. (a) The commissioner shall not issue an initial license

as introduced

9555.6265, under this chapter for a physical location that will not be the primary residence 7.1 of the license holder for the entire period of licensure. If a child foster residence setting that 7.2 7.3 was previously exempt from the licensing moratorium under this paragraph has its Family First Prevention Services Act certification rescinded under section 245A.25, subdivision 9, 7.4 or if a family child foster care home or family adult foster care home license is issued during 7.5 this moratorium, and the license holder changes the license holder's primary residence away 7.6 from the physical location of the foster care license, the commissioner shall revoke the 7.7 license according to section 245A.07. The commissioner shall not issue an initial license 7.8 for a community residential setting licensed under chapter 245D. When approving an 7.9 exception under this paragraph, the commissioner shall consider the resource need 7.10 determination process in paragraph (h), the availability of foster care licensed beds in the 7.11 geographic area in which the licensee seeks to operate, the results of a person's choices 7.12 during their annual assessment and service plan review, and the recommendation of the 7.13 local county board. The determination by the commissioner is final and not subject to appeal. 7.14 Exceptions to the moratorium include: 7.15

(1) a license for a person in a foster care setting that is not the primary residence of the
license holder and where at least 80 percent of the residents are 55 years of age or older;

(2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or
community residential setting licenses replacing adult foster care licenses in existence on
December 31, 2013, and determined to be needed by the commissioner under paragraph
(b);

(3) new foster care licenses or community residential setting licenses determined to be
needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,
or regional treatment center; restructuring of state-operated services that limits the capacity
of state-operated facilities; or allowing movement to the community for people who no
longer require the level of care provided in state-operated facilities as provided under section
256B.092, subdivision 13, or 256B.49, subdivision 24;

(4) new foster care licenses or community residential setting licenses determined to be
needed by the commissioner under paragraph (b) for persons requiring hospital-level care;
or

(5) new foster care licenses or community residential setting licenses for people receiving
customized living or 24-hour customized living services under the brain injury or community
access for disability inclusion waiver plans under section 256B.49 or elderly waiver plan
under chapter 256S and residing in the customized living setting for which a license is

required. A customized living service provider subject to this exception may rebut the
presumption that a license is required by seeking a reconsideration of the commissioner's
determination. The commissioner's disposition of a request for reconsideration is final and
not subject to appeal under chapter 14. The exception is available until December 31, 2023.

8.5 This exception is available when:

(i) the person's customized living services are provided in a customized living service
setting serving four or fewer people in a single-family home operational on or before June
30, 2021. Operational is defined in section 256B.49, subdivision 28;

(ii) the person's case manager provided the person with information about the choice of
service, service provider, and location of service, including in the person's home, to help
the person make an informed choice; and

8.12 (iii) the person's services provided in the licensed foster care or community residential
8.13 setting are less than or equal to the cost of the person's services delivered in the customized
8.14 living setting as determined by the lead agency.

(b) The commissioner shall determine the need for newly licensed foster care homes or
community residential settings as defined under this subdivision. As part of the determination,
the commissioner shall consider the availability of foster care capacity in the area in which
the licensee seeks to operate, and the recommendation of the local county board. The
determination by the commissioner must be final. A determination of need is not required
for a change in ownership at the same address.

(c) When an adult resident served by the program moves out of a foster home that is not
the primary residence of the license holder according to section 256B.49, subdivision 15,
paragraph (f), or the adult community residential setting, the county shall immediately
inform the Department of Human Services Licensing Division. The department may decrease
the statewide licensed capacity for adult foster care settings.

(d) Residential settings that would otherwise be subject to the decreased license capacity
established in paragraph (c) shall must be exempt if the license holder's beds are occupied
by residents whose primary diagnosis is mental illness and the license holder is certified
under the requirements in subdivision 6a or section 245D.33.

(e) A resource need determination process, managed at the state level, using the available
data required by section 144A.351, and other data and information shall must be used to
determine where the reduced capacity determined under section 256B.493 will be
implemented. The commissioner shall consult with the stakeholders described in section
144A.351, and employ a variety of methods to improve the state's capacity to meet the

9.1 informed decisions of those people who want to move out of corporate foster care or
9.2 community residential settings, long-term service needs within budgetary limits, including
9.3 seeking proposals from service providers or lead agencies to change service type, capacity,
9.4 or location to improve services, increase the independence of residents, and better meet
9.5 needs identified by the long-term services and supports reports and statewide data and
9.6 information.

(f) At the time of application and reapplication for licensure, the applicant and the license 9.7 holder that are subject to the moratorium or an exclusion established in paragraph (a) are 9.8 required to inform the commissioner whether the physical location where the foster care 9.9 will be provided is or will be the primary residence of the license holder for the entire period 9.10 of licensure. If the primary residence of the applicant or license holder changes, the applicant 9.11 or license holder must notify the commissioner immediately. The commissioner shall print 9.12 on the foster care license certificate whether or not the physical location is the primary 9.13 residence of the license holder. 9.14

9.15 (g) License holders of foster care homes identified under paragraph (f) that are not the
9.16 primary residence of the license holder and that also provide services in the foster care home
9.17 that are covered by a federally approved home and community-based services waiver, as
9.18 authorized under chapter 256S or section 256B.092 or 256B.49, must inform the human
9.19 services licensing division that the license holder provides or intends to provide these
9.20 waiver-funded services.

9.21 (h) The commissioner may adjust capacity to address needs identified in section
9.22 144A.351. Under this authority, the commissioner may approve new licensed settings or
9.23 delicense existing settings. Delicensing of settings will be accomplished through a process
9.24 identified in section 256B.493.

(i) The commissioner must notify a license holder when its corporate foster care or 9.25 9.26 community residential setting licensed beds are reduced under this section. The notice of reduction of licensed beds must be in writing and delivered to the license holder by certified 9.27 mail or personal service. The notice must state why the licensed beds are reduced and must 9.28 inform the license holder of its right to request reconsideration by the commissioner. The 9.29 license holder's request for reconsideration must be in writing. If mailed, the request for 9.30 reconsideration must be postmarked and sent to the commissioner within 20 calendar days 9.31 after the license holder's receipt of the notice of reduction of licensed beds. If a request for 9.32 reconsideration is made by personal service, it must be received by the commissioner within 9.33 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds. 9.34

(j) The commissioner shall not issue an initial license for children's residential treatment 10.1 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter 10.2 for a program that Centers for Medicare and Medicaid Services would consider an institution 10.3 for mental diseases. Facilities that serve only private pay clients are exempt from the 10.4 moratorium described in this paragraph. The commissioner has the authority to manage 10.5 existing statewide capacity for children's residential treatment services subject to the 10.6 moratorium under this paragraph and may issue an initial license for such facilities if the 10.7 10.8 initial license would not increase the statewide capacity for children's residential treatment services subject to the moratorium under this paragraph. 10.9

10.10 Sec. 2. Minnesota Statutes 2022, section 256N.22, subdivision 10, is amended to read:

10.11 Subd. 10. Assigning a successor relative custodian for a child's Northstar kinship 10.12 assistance. (a) In the event of the death or incapacity of the relative custodian, eligibility 10.13 for Northstar kinship assistance and title IV-E assistance, if applicable, is not affected if the 10.14 relative custodian is replaced by a successor named in the Northstar kinship assistance 10.15 benefit agreement. Northstar kinship assistance shall <u>must</u> be paid to a named successor 10.16 who is not the child's legal parent, biological parent or stepparent, or other adult living in 10.17 the home of the legal parent, biological parent, or stepparent.

10.18 (b) In order to receive Northstar kinship assistance, a named successor must:

10.19 (1) meet the background study requirements in subdivision 4;

(2) renegotiate the agreement consistent with section 256N.25, subdivision 2, including
cooperating with an assessment under section 256N.24;

(3) be ordered by the court to be the child's legal relative custodian in a modification
proceeding under section 260C.521, subdivision 2; and

The caregiver may request a reassessment if at least six months have elapsed since any previous assessment or reassessment. For an eligible 11.22 foster child, a foster parent may request reassessment in less than six months with written 11.23 documentation that there have been significant changes in the child's needs that necessitate 11.24 an earlier reassessment. 11.25

subdivision 3, paragraph (b).

(c) If the reassessment cannot be completed within 30 days of the caregiver's request,

financially and legally responsible agencies' records of the transaction, consistent with the

maintain records of the transaction. Caregivers must have access to the financially responsible
agency's records of the transaction and the child-placing agency's records of the transaction,
consistent with the retention schedule for the payments.

- 12.26 (e) If a foster youth aged 18 to 21 years old is placed in an unlicensed supervised
- 12.27 independent living setting, payments must be made directly to the youth or to a vendor if

- 12.32 make the payments to a vendor.

emergency removal of the child under this section, or filed with the petition if the petition
is a review of a voluntary placement under section 260C.141, subdivision 2.

(b) (c) Upon the filing of the child protective services plan under section 260E.26 or 14.24 out-of-home placement plan which that has been developed jointly with the parent and in 14.25 14.26 consultation with others as required under section 260C.212, subdivision 1, the court may approve implementation of the plan by the responsible social services agency based on the 14.27 allegations contained in the petition and any evaluations, examinations, or assessments 14.28 conducted under subdivision 1, paragraph (1) (m). The parent may ask the court to 15.6 modify the plan to require different or additional services requested by the parent, but which 15.7 15.8 the agency refused to provide. The court may approve the plan as presented by the agency or may modify the plan to require services requested by the parent. The court's approval 15.9 shall must be based on the content of the petition. 15.10

15.11 (d) (e) Unless the parent agrees to comply with the terms of the <u>child protective services</u> 15.12 <u>plan or out-of-home placement plan</u>, the court may not order a parent to comply with the 15.13 provisions of the plan until the court finds the child is in need of protection or services and 15.14 orders disposition under section 260C.201, subdivision 1. However, the court may find that 15.15 the responsible social services agency has made reasonable efforts for reunification if the 15.16 agency makes efforts to implement the terms of an the child protective services plan or 15.17 out-of-home placement plan approved under this section.

15.18 Sec. 10. Minnesota Statutes 2022, section 260C.201, subdivision 1, is amended to read:

agency or child-placing agency in the home of a parent of the child under conditions
prescribed by the court directed to the correction of the child's need for protection or services:

(i) the court may order the child into the home of a parent who does not otherwise have
legal custody of the child, however, an order under this section does not confer legal custody
on that parent;

(ii) if the court orders the child into the home of a father who is not adjudicated, the
father must cooperate with paternity establishment proceedings regarding the child in the
appropriate jurisdiction as one of the conditions prescribed by the court for the child to
continue in the father's home; and

(iii) the court may order the child into the home of a noncustodial parent with conditions
and may also order both the noncustodial and the custodial parent to comply with the
requirements of a case plan under subdivision 2; or

16.4 (2) transfer legal custody to one of the following:

16.5 (i) a child-placing agency; or

(ii) the responsible social services agency. In making a foster care placement of a child
whose custody has been transferred under this subdivision, the agency shall make an
individualized determination of how the placement is in the child's best interests using the
placement consideration order for relatives and the best interest factors in section 260C.212,
subdivision 2, and may include a child colocated with a parent in a licensed residential
family-based substance use disorder treatment program under section 260C.190; or

(3) order a trial home visit without modifying the transfer of legal custody to the
responsible social services agency under clause (2). Trial home visit means the child is
returned to the care of the parent or guardian from whom the child was removed for a period
not to exceed six months. During the period of the trial home visit, the responsible social
services agency:

(i) shall continue to have legal custody of the child, which means that the agency may

agency deems necessary and appropriate;

16.20 (ii) shall continue to have the ability to access information under section 260C.208;

(v) shall advise the court and parties within three days of the termination of the trial
home visit when a visit is terminated by the responsible social services agency without a
court order; and

(vi) shall prepare a report for the court when the trial home visit is terminated whether by the agency or court order that describes the child's circumstances during the trial home visit and recommends appropriate orders, if any, for the court to enter to provide for the child's safety and stability. In the event a trial home visit is terminated by the agency by removing the child to foster care without prior court order or authorization, the court shall conduct a hearing within ten days of receiving notice of the termination of the trial home

visit by the agency and shall order disposition under this subdivision or commence
permanency proceedings under sections 260C.503 to 260C.515. The time period for the
hearing may be extended by the court for good cause shown and if it is in the best interests
of the child as long as the total time the child spends in foster care without a permanency
hearing does not exceed 12 months; or

(4) if the child has been adjudicated as a child in need of protection or services because 17.6 the child is in need of special services or care to treat or ameliorate a physical or mental 17.7 17.8 disability or emotional disturbance as defined in section 245.4871, subdivision 15, the court may order the child's parent, guardian, or custodian to provide it. The court may order the 17.9 child's health plan company to provide mental health services to the child. Section 62Q.535 17.10 applies to an order for mental health services directed to the child's health plan company. 17.11 If the health plan, parent, guardian, or custodian fails or is unable to provide this treatment 17.12 or care, the court may order it provided. Absent specific written findings by the court that 17.13 the child's disability is the result of abuse or neglect by the child's parent or guardian, the 17.14 court shall not transfer legal custody of the child for the purpose of obtaining special 17.15 treatment or care solely because the parent is unable to provide the treatment or care. If the 17.16 court's order for mental health treatment is based on a diagnosis made by a treatment 17.17 professional, the court may order that the diagnosing professional not provide the treatment 17.18 to the child if it finds that such an order is in the child's best interests; or. 17.19

(5) if the court believes that the child has sufficient maturity and judgment and that it is
in the best interests of the child, the court may order a child 16 years old or older to be
allowed to live independently, either alone or with others as approved by the court under
supervision the court considers appropriate, if the county board, after consultation with the
court, has specifically authorized this dispositional alternative for a child.

(b) If the child was adjudicated in need of protection or services because the child is a
runaway or habitual truant, the court may order any of the following dispositions in addition
to or as alternatives to the dispositions authorized under paragraph (a):

17.28 (1) counsel the child or the child's parents, guardian, or custodian;

(2) place the child under the supervision of a probation officer or other suitable person

 fine in a manner that will not impose undue financial hardship upon the child;

18.8 (5) require the child to participate in a community service project;

(6) order the child to undergo a chemical dependency evaluation and, if warranted by
the evaluation, order participation by the child in a drug awareness program or an inpatient
or outpatient chemical dependency treatment program;

(7) if the court believes that it is in the best interests of the child or of public safety that 18.12 the child's driver's license or instruction permit be canceled, the court may order the 18.13 commissioner of public safety to cancel the child's license or permit for any period up to 18.14 the child's 18th birthday. If the child does not have a driver's license or permit, the court 18.15 may order a denial of driving privileges for any period up to the child's 18th birthday. The 18.16 court shall forward an order issued under this clause to the commissioner, who shall cancel 18.17 the license or permit or deny driving privileges without a hearing for the period specified 18.18 by the court. At any time before the expiration of the period of cancellation or denial, the 18.19 court may, for good cause, order the commissioner of public safety to allow the child to 18.20 apply for a license or permit, and the commissioner shall so authorize; 18.21

To the extent practicable, the court shall enter a disposition order the same day it makes a finding that a child is in need of protection or services or neglected and in foster care, but in no event more than 15 days after the finding unless the court finds that the best interests of the child will be served by granting a delay. If the child was under eight years of age at the time the petition was filed, the disposition order must be entered within ten days of the finding and the court may not grant a delay unless good cause is shown and the court finds the best interests of the child will be served by the delay.

(c) If a child who is 14 years of age or older is adjudicated in need of protection or
services because the child is a habitual truant and truancy procedures involving the child
were previously dealt with by a school attendance review board or county attorney mediation
program under section 260A.06 or 260A.07, the court shall order a cancellation or denial
of driving privileges under paragraph (b), clause (7), for any period up to the child's 18th
birthday.

(d) In the case of a child adjudicated in need of protection or services because the child
has committed domestic abuse and been ordered excluded from the child's parent's home,
the court shall dismiss jurisdiction if the court, at any time, finds the parent is able or willing
to provide an alternative safe living arrangement for the child, as defined in Laws 1997,
chapter 239, article 10, section 2.

(e) When a parent has complied with a case plan ordered under subdivision 6 and the
child is in the care of the parent, the court may order the responsible social services agency
to monitor the parent's continued ability to maintain the child safely in the home under such
terms and conditions as the court determines appropriate under the circumstances.

22.12	(5) the child's history and past experience;
22.13	(6) the child's religious and cultural needs;

(11) for an Indian child, the best interests of an Indian child as defined in section 260.755,
subdivision 2a.

When placing a child in foster care or in a permanent placement based on an individualized determination of the child's needs, the agency must not use one factor in this paragraph to the exclusion of all others, and the agency shall consider that the factors in paragraph (b) may be interrelated.

(c) Placement of a child cannot be delayed or denied based on race, color, or nationalorigin of the foster parent or the child.

(d) Siblings should be placed together for foster care and adoption at the earliest possible
time unless it is documented that a joint placement would be contrary to the safety or
well-being of any of the siblings or unless it is not possible after reasonable efforts by the

responsible social services agency. In cases where siblings cannot be placed together, the
agency is required to provide frequent visitation or other ongoing interaction between
siblings unless the agency documents that the interaction would be contrary to the safety
or well-being of any of the siblings.

23.5 (e) Except for emergency placement as provided for in section 245A.035, The following requirements must be satisfied before the approval of a foster or adoptive placement in a 23.6 related or unrelated home: (1) a completed background study under section 245C.08; and 23.7 23.8 (2) a completed review of the written home study required under section 260C.215, subdivision 4, clause (5), or 260C.611, to assess the capacity of the prospective foster or 23.9 adoptive parent to ensure the placement will meet the needs of the individual child. For 23.10 adoptive placements in a related or unrelated home, the home must meet the requirements 23.11 of section 260C.611. 23.12

(f) The agency must determine whether colocation with a parent who is receiving services
in a licensed residential family-based substance use disorder treatment program is in the
child's best interests according to paragraph (b) and include that determination in the child's
case plan under subdivision 1. The agency may consider additional factors not identified
in paragraph (b). The agency's determination must be documented in the child's case plan
before the child is colocated with a parent.

(g) The agency must establish a juvenile treatment screening team under section 260C.157
to determine whether it is necessary and appropriate to recommend placing a child in a
qualified residential treatment program, as defined in section 260C.007, subdivision 26d.

23.22 (h) A child in foster care must not be placed in an unlicensed emergency relative
23.23 placement under section 245A.035 or licensed family foster home when the responsible
23.24 social service agency is aware that a prospective foster parent, license applicant, license
23.25 holder, or adult household member has a permanent disqualification under section 245C.15,
23.26 subdivision 4a, paragraphs (a) and (b).

23.27 Sec. 14. Minnesota Statutes 2022, section 260C.301, subdivision 1, is amended to read:
23.28 Subdivision 1. Voluntary and involuntary. The juvenile court may upon petition,
23.29 terminate all rights of a parent to a child:

(a) with the written consent of a parent who for good cause desires to terminate parentalrights; or

23.32 (b) if it finds that one or more of the following conditions exist:

23.33 (1) that the parent has abandoned the child;

Article 2 Sec. 14.

(2) that the parent has substantially, continuously, or repeatedly refused or neglected to
comply with the duties imposed upon that parent by the parent and child relationship,
including but not limited to providing the child with necessary food, clothing, shelter,
education, and other care and control necessary for the child's physical, mental, or emotional
health and development, if the parent is physically and financially able, and either reasonable
efforts by the social services agency have failed to correct the conditions that formed the
basis of the petition or reasonable efforts would be futile and therefore unreasonable;

24.8 (3) that a parent has been ordered to contribute to the support of the child or financially
aid in the child's birth and has continuously failed to do so without good cause. This clause
shall not be construed to state a grounds for termination of parental rights of a noncustodial
parent if that parent has not been ordered to or cannot financially contribute to the support
of the child or aid in the child's birth;

(4) (3) that a parent is palpably unfit to be a party to the parent and child relationship 24.13 because of a consistent pattern of specific conduct before the child or of specific conditions 24.14 directly relating to the parent and child relationship either of which are determined by the 24.15 court to be of a duration or nature that renders the parent unable, for the reasonably 24.16 foreseeable future, to care appropriately for the ongoing physical, mental, or emotional 24.17 needs of the child. It is presumed that a parent is palpably unfit to be a party to the parent 24.18 and child relationship upon a showing that the parent's parental rights to one or more other 24.19 children were involuntarily terminated or that the parent's custodial rights to another child 24.20 have been involuntarily transferred to a relative under Minnesota Statutes 2010, section 24.21 260C.201, subdivision 11, paragraph (e), clause (1), section 260C.515, subdivision 4, or a 24.22 similar law of another jurisdiction; 24.23

24.24 (5) (4) that following the child's placement out of the home, reasonable efforts, under
24.25 the direction of the court, have failed to correct the conditions leading to the child's
24.26 placement. It is presumed that reasonable efforts under this clause have failed upon a showing
24.27 that:

(i) a child has resided out of the parental home under court order for a cumulative period
of 12 months within the preceding 22 months. In the case of a child under age eight at the
time the petition was filed alleging the child to be in need of protection or services, the
presumption arises when the child has resided out of the parental home under court order
for six months unless the parent has maintained regular contact with the child and the parent
is complying with the out-of-home placement plan;

(ii) the court has approved the out-of-home placement plan required under section 25.1 260C.212 and filed with the court under section 260C.178; 25.2 (iii) conditions leading to the out-of-home placement have not been corrected. It is 25.3 presumed that conditions leading to a child's out-of-home placement have not been corrected 25.4 upon a showing that the parent or parents have not substantially complied with the court's 25.5 orders and a reasonable case plan; and 25.6 (iv) reasonable efforts have been made by the social services agency to rehabilitate the 25.7 parent and reunite the family. 25.8 This clause does not prohibit the termination of parental rights prior to one year, or in 25.9 the case of a child under age eight, prior to six months after a child has been placed out of 25.10 the home. 25.11 It is also presumed that reasonable efforts have failed under this clause upon a showing 25.12 that: 25.13 (A) the parent has been diagnosed as chemically dependent by a professional certified 25.14 to make the diagnosis; 25.15 (B) the parent has been required by a case plan to participate in a chemical dependency 25.16 treatment program; 25.17 (C) the treatment programs offered to the parent were culturally, linguistically, and 25.18 clinically appropriate; 25.19

25.20 (D) the parent has either failed two or more times to successfully complete a treatment 25.21 program or has refused at two or more separate meetings with a caseworker to participate 25.22 in a treatment program; and

25.23 (E) the parent continues to abuse chemicals.

(6) (5) that a child has experienced egregious harm in the parent's care which that is of a nature, duration, or chronicity that indicates a lack of regard for the child's well-being, such that a reasonable person would believe it contrary to the best interest of the child or of any child to be in the parent's care;

(7) (6) that in the case of a child born to a mother who was not married to the child's father when the child was conceived nor when the child was born the person is not entitled to notice of an adoption hearing under section 259.49 and the person has not registered with the fathers' adoption registry under section 259.52;

25.32 (8)(7) that the child is neglected and in foster care; or

(9) (8) that the parent has been convicted of a crime listed in section 260.012, paragraph 26.1 (g), clauses (1) to (5). 26.2 In an action involving an American Indian child, sections 260.751 to 260.835 and the 26.3 Indian Child Welfare Act, United States Code, title 25, sections 1901 to 1923, control to 26.4 the extent that the provisions of this section are inconsistent with those laws. 26.5 Sec. 15. Minnesota Statutes 2022, section 260C.515, subdivision 4, is amended to read: 26.6 Subd. 4. Transfer of permanent legal and physical custody to relative. (a) The court 26.7 may order a transfer of permanent legal and physical custody to: 26.8 (1) a parent. The court must find that the parent understands a transfer of permanent 26.9 legal and physical custody includes permanent, ongoing responsibility for the protection, 26.10 education, care, and control of the child and decision making on behalf of the child until 26.11 adulthood; or 26.12 26.13 (2) a fit and willing relative in the best interests of the child according to the following requirements: in paragraph (b). 26.14 26.15 (1) (b) An order for transfer of permanent legal and physical custody to a relative shall must only be made after the court has reviewed the suitability of the prospective legal and 26.16 physical custodian;, including a summary of information obtained from required background 26.17 studies under section 245C.33 or 260C.209, if the court finds the permanency disposition 26.18 to be in the child's best interests. 26.19 26.20 (2) In transferring permanent legal and physical custody to a relative, the juvenile court shall follow the standards applicable under this chapter and chapter 260, and the procedures 26.21 in the Minnesota Rules of Juvenile Protection Procedure; The court must issue written 26.22 findings that include the following: 26.23 (1) the prospective legal and physical custodian understands that: 26.24 (3) (i) a transfer of permanent legal and physical custody includes permanent, ongoing 26.25 responsibility for the protection, education, care, and control of the child and decision 26.26 making on behalf of the child until adulthood; and 26.27 (4) (ii) a permanent legal and physical custodian may shall not return a child to the 26.28 permanent care of a parent from whom the court removed custody without the court's 26.29 approval and without notice to the responsible social services agency; 26.30

28.21 Sec. 16. Minnesota Statutes 2022, section 260C.607, subdivision 1, is amended to read:

Subdivision 1. **Review hearings.** (a) The court shall conduct a review of the responsible social services agency's reasonable efforts to finalize adoption for any child under the guardianship of the commissioner and of the progress of the case toward adoption at least every 90 days after the court issues an order that the commissioner is the guardian of the child.

(b) The review of progress toward adoption shall continue notwithstanding that an appealis made of the order for guardianship or termination of parental rights.

(c) The agency's reasonable efforts to finalize the adoption must continue during the
pendency of the appeal <u>under paragraph (b) or subdivision 6, paragraph (h),</u> and all progress

appeal is pending.

29.1 Sec. 17. Minnesota Statutes 2022, section 260C.607, subdivision 6, is amended to read:

- Subd. 6. Motion and hearing to order adoptive placement. (a) At any time after the district court orders the child under the guardianship of the commissioner of human services, but not later than 30 days after receiving notice required under section 260C.613, subdivision 1, paragraph (c), that the agency has made an adoptive placement, a relative or the child's foster parent may file a motion for an order for adoptive placement of a child who is under the guardianship of the commissioner if the relative or the child's foster parent:
- (1) has an adoption home study under section 259.41 or 260C.611 approving the relative 29.8 or foster parent for adoption. If the relative or foster parent does not have an adoption home 29.9 study, an affidavit attesting to efforts to complete an adoption home study may be filed with 29.10 the motion instead. The affidavit must be signed by the relative or foster parent and the 29.11 responsible social services agency or licensed child-placing agency completing the adoption 29.12 home study. The relative or foster parent must also have been a resident of Minnesota for 29.13 at least six months before filing the motion; the court may waive the residency requirement 29.14 for the moving party if there is a reasonable basis to do so; or 29.15
- (2) is not a resident of Minnesota, but has an approved adoption home study by an agency
 licensed or approved to complete an adoption home study in the state of the individual's
 residence and the study is filed with the motion for adoptive placement. If the relative or
 foster parent does not have an adoption home study in the relative or foster parent's state
 of residence, an affidavit attesting to efforts to complete an adoption home study may be
 filed with the motion instead. The affidavit must be signed by the relative or foster parent
 and the agency completing the adoption home study.
- (b) The motion shall must be filed with the court conducting reviews of the child's
 progress toward adoption under this section. The motion and supporting documents must
 make a prima facie showing that the agency has been unreasonable in failing to make the
 requested adoptive placement. The motion must be served according to the requirements
 for motions under the Minnesota Rules of Juvenile Protection Procedure and shall must be
 made on all individuals and entities listed in subdivision 2.
- (c) If the motion and supporting documents do not make a prima facie showing for the
 court to determine whether the agency has been unreasonable in failing to make the requested
 adoptive placement, the court shall dismiss the motion. If the court determines a prima facie
 basis is made, the court shall set the matter for evidentiary hearing.
- (d) At the evidentiary hearing, the responsible social services agency shall proceed first
 with evidence about the reason for not making the adoptive placement proposed by the

moving party. When the agency presents evidence regarding the child's current relationship
with the identified adoptive placement resource, the court must consider the agency's efforts
to support the child's relationship with the moving party consistent with section 260C.221.
The moving party then has the burden of proving by a preponderance of the evidence that
the agency has been unreasonable in failing to make the adoptive placement.

30.6 (e) The court shall review and enter findings regarding whether the agency, in making30.7 an adoptive placement decision for the child:

30.8 (1) considered relatives for adoptive placement in the order specified under section
30.9 260C.212, subdivision 2, paragraph (a); and

30.10 (2) assessed how the identified adoptive placement resource and the moving party are
30.11 each able to meet the child's current and future needs, based on an individualized
30.12 determination of the child's needs, as required under sections 260C.212, subdivision 2, and
30.13 260C.613, subdivision 1, paragraph (b).

30.14 (f) At the conclusion of the evidentiary hearing, if the court finds that the agency has
30.15 been unreasonable in failing to make the adoptive placement and that the moving party is
30.16 the most suitable adoptive home to meet the child's needs using the factors in section
30.17 260C.212, subdivision 2, paragraph (b), the court may:

30.18 (1) order the responsible social services agency to make an adoptive placement in the30.19 home of the moving party if the moving party has an approved adoption home study; or

(2) order the responsible social services agency to place the child in the home of the 30.20 moving party upon approval of an adoption home study. The agency must promote and 30.21 support the child's ongoing visitation and contact with the moving party until the child is 30.22 placed in the moving party's home. The agency must provide an update to the court after 30.23 90 days, including progress and any barriers encountered. If the moving party does not have 30.24 an approved adoption home study within 180 days, the moving party and the agency must 30.25 inform the court of any barriers to obtaining the approved adoption home study during a 30.26 review hearing under this section. If the court finds that the moving party is unable to obtain 30.27 an approved adoption home study, the court must dismiss the order for adoptive placement 30.28 under this subdivision and order the agency to continue making reasonable efforts to finalize 30.29 the adoption of the child as required under section 260C.605. 30.30

30.31 (g) If, in order to ensure that a timely adoption may occur, the court orders the responsible
30.32 social services agency to make an adoptive placement under this subdivision, the agency
30.33 shall:

- (1) make reasonable efforts to obtain a fully executed adoption placement agreement, 31.1 including assisting the moving party with the adoption home study process; 31.2
- (2) work with the moving party regarding eligibility for adoption assistance as required 31.3 under chapter 256N; and 31.4
- 31.5 (3) if the moving party is not a resident of Minnesota, timely refer the matter for approval of the adoptive placement through the Interstate Compact on the Placement of Children. 31.6

31.7 (h) Denial or granting of a motion for an order for adoptive placement after an evidentiary hearing is an order which that may be appealed by the responsible social services agency, 31.8 the moving party, the child, when age ten or over, the child's guardian ad litem, and any 31.9 individual who had a fully executed adoption placement agreement regarding the child at 31.10 the time the motion was filed if the court's order has the effect of terminating the adoption 31.11 placement agreement. An appeal shall must be conducted according to the requirements of 31.12 the Rules of Juvenile Protection Procedure. Pursuant to subdivision 1, paragraph (c), the 31.13 court shall not finalize an adoption while an appeal is pending. 31.14

Sec. 18. Minnesota Statutes 2022, section 260C.611, is amended to read: 31.15

31.16

260C.611 ADOPTION STUDY REQUIRED.

(a) An adoption study under section 259.41 approving placement of the child in the 31.17 home of the prospective adoptive parent shall must be completed before placing any child 31.18 31.19 under the guardianship of the commissioner in a home for adoption. If a prospective adoptive parent has a current child foster care license under chapter 245A and is seeking to adopt a 31.20 foster child who is placed in the prospective adoptive parent's home and is under the 31.21 guardianship of the commissioner according to section 260C.325, subdivision 1, the child 31.22 foster care home study meets the requirements of this section for an approved adoption 31.23 home study if: 31.24

(2) the background studies on each prospective adoptive parent and all required household 31.29 members were completed according to section 245C.33; 31.30

(3) the commissioner has not issued, within the last three years, a sanction on the license 31.31 under section 245A.07 or an order of a conditional license under section 245A.06 within 31.32 the last three years, or the commissioner has determined it to be in the child's best interests 31.33

to allow the child foster care home study to meet requirements of an approved adoption
 home study upon review of the legally responsible agency's adoptive placement decision;
 and

32.4 (4) the legally responsible agency determines that the individual needs of the child are
32.5 being met by the prospective adoptive parent through an assessment under section 256N.24,
32.6 subdivision 2, or a documented placement decision consistent with section 260C.212,
32.7 subdivision 2.

(b) If a prospective adoptive parent has previously held a foster care license or adoptive
home study, any update necessary to the foster care license, or updated or new adoptive
home study, if not completed by the licensing authority responsible for the previous license
or home study, shall include collateral information from the previous licensing or approving
agency, if available.

32.13 Sec. 19. Minnesota Statutes 2022, section 260C.613, subdivision 1, is amended to read:

(b) The responsible social services agency shall use an individualized determination of
the child's current and future needs, pursuant to section 260C.212, subdivision 2, paragraph
(b), to determine the most suitable adopting parent for the child in the child's best interests.
The responsible social services agency must consider adoptive placement of the child with

32.24 (c) The responsible social services agency shall notify the court and parties entitled to
