(3) any other product that contains cannabis concentrate.

(h) "Minnesota Tribal governments" means the following federally recognized Indian Tribes located in Minnesota:

(1) Bois Forte Band;

(2) Fond Du Lac Band;

(1) the cultivation of ~~medical~~ cannabis flower, and the extraction, processing, or manufacture of medical cannabis and artificially derived cannabinoid products, extracts, or concentrates;

(e) Without limiting any immunity or exemption that may apply under federal law, the following acts, when performed by a Minnesota Tribal government, a Tribal medical cannabis business licensed by such Tribal government, or an employee of such Tribal government or Tribal medical cannabis business, regardless of whether the Minnesota Tribal government issuing such license has compacted with the state under this section, do not constitute a criminal or civil offense under state law: purchase, sale, receipt, or delivery (including delivery that involves transit through the state, outside a reservation), of ~~medical~~ cannabis flower; cannabis seed; and medical cannabis products from or to another Minnesota Tribal government or cannabis business licensed by such government.

(f) Notwithstanding any other provision of law, a state-licensed cannabis testing facility may provide cannabis testing services to a Tribal medical cannabis business, and the possession or transport of cannabis flower or cannabis products for such purpose by a Tribal cannabis business shall not constitute a criminal or civil offense under state law.

(a) The Department of Health shall enforce the provisions of Minnesota Statutes, section 151.72, and all rules, orders, stipulation agreements, settlements, compliance agreements, and registrations related to that section adopted or issued by the Office of Medical Cannabis or the Department of Health pursuant to the Health Enforcement Consolidation Act of 1993 contained in Minnesota Statutes, sections 144.989 to 144.993, and the authority to embargo products described in paragraph (b). The commissioner of health may assign enforcement responsibilities to the Office of Medical Cannabis.

(b) Whenever a duly authorized agent of the Department of Health finds or has probable cause to believe that any product is being sold in violation of the provisions of Minnesota Statutes, section 151.72, the agent shall affix thereto an appropriate marking, giving notice that the article is, or is suspected of being in violation of Minnesota Statutes, section 151.72, has been embargoed, and warning that it is unlawful for any person to remove or dispose of the embargoed article by sale or otherwise without permission from the agent or the court. When an agent of the Department of Health has embargoed an article, the Department of Health shall, within 30 days, petition the district court in whose jurisdiction the article is embargoed for an order of condemnation. When an embargoed article is not so found by the agent, the agent shall remove the marking. If the court finds that an embargoed article is being sold in violation of the provisions of Minnesota Statutes, section 151.72, the article shall be destroyed at the expense of the claimant thereof, who shall also pay all court costs and fees, storage, and other proper expenses. If the violation can be corrected by proper labeling or processing of the article, or by filing the proper documents with the court, the court, after the costs, fees, and expenses have been paid and a sufficient bond has been executed, may order that the article be delivered to the claimant for labeling, processing, or filing under supervision of an agent of the board. The expense of the supervision shall be paid by the claimant. The bond shall be returned to the claimant on the representation to the court by the board that the article is no longer in violation of this chapter and that the expenses of supervision have been paid.

(c) The enforcement authority under paragraphs (a) and (b) shall transfer to the Office of Cannabis Management at any such time that the powers and duties of the Department of Health with respect to the medical cannabis program under Minnesota Statutes, sections 152.22 to 152.37, are transferred to the Office of Cannabis Management. The director of the Office of Cannabis Management may assign enforcement responsibilities to the Division of Medical Cannabis.
