- (c) The local welfare agency shall begin an immediate investigation at any time when the local welfare agency is responding with a family assessment and the local welfare agency determines that there is reason to believe that sexual abuse, substantial child endangerment, or a serious threat to the child's safety exists.
- (d) The local welfare agency may conduct a family assessment for reports that do not allege sexual abuse, except as indicated in paragraph (f), or substantial child endangerment. In determining that a family assessment is appropriate, the local welfare agency may consider issues of child safety, parental cooperation, and the need for an immediate response.
