7.21 body of any health maintenance organization which is a ~~nonprofit~~ corporation may include

In an effort to achieve the stated purposes of sections 62D.01 to 62D.30, ~~in order to safeguard the underlying nonprofit status of health maintenance organizations;~~ and to ensure that the payment of health maintenance organization money to major participating entities results in a corresponding benefit to the health maintenance organization and its enrollees, when determining whether an organization has incurred an unreasonable expense in relation to a major participating entity, due consideration shall be given to, in addition to any other appropriate factors, whether the officers and trustees of the health maintenance organization have acted with good faith and in the best interests of the health maintenance organization in entering into, and performing under, a contract under which the health maintenance organization has incurred an expense. The commissioner has standing to sue, on behalf of a health maintenance organization, officers or trustees of the health maintenance organization who have breached their fiduciary duty in entering into and performing such contracts.

9.5 Sec. 7. Minnesota Statutes 2016, section 62L.12, subdivision 2, is amended to read:

9.6 Subd. 2. **Exceptions.** (a) A health carrier may renew individual conversion policies to  
9.7 eligible employees otherwise eligible for conversion coverage under section 62D.104 as a  
9.8 result of leaving a health maintenance organization's service area.

9.9 (b) A health carrier may renew individual conversion policies to eligible employees  
9.10 otherwise eligible for conversion coverage as a result of the expiration of any continuation  
9.11 of group coverage required under sections 62A.146, 62A.17, 62A.21, 62C.142, 62D.101,  
9.12 and 62D.105.

9.13 (c) A health carrier may renew conversion policies to eligible employees.

9.14 (d) A health carrier may sell, issue, or renew individual continuation policies to eligible  
9.15 employees as required.

9.16 (e) A health carrier may sell, issue, or renew individual health plans if the coverage is  
9.17 appropriate due to an unexpired preexisting condition limitation or exclusion applicable to  
9.18 the person under the employer's group health plan or due to the person's need for health  
9.19 care services not covered under the employer's group health plan.

9.20 (f) A health carrier may sell, issue, or renew an individual health plan, if the individual  
9.21 has elected to buy the individual health plan not as part of a general plan to substitute  
9.22 individual health plans for a group health plan nor as a result of any violation of subdivision  
9.23 3 or 4.

9.24 (g) A health carrier may sell, issue, or renew an individual health plan if coverage  
9.25 provided by the employer is determined to be unaffordable under the provisions of the  
9.26 Affordable Care Act as defined in section 62A.011, subdivision 1a.

9.27 (h) Nothing in this subdivision relieves a health carrier of any obligation to provide  
9.28 continuation or conversion coverage otherwise required under federal or state law.

9.29 (i) Nothing in this chapter restricts the offer, sale, issuance, or renewal of coverage issued  
9.30 as a supplement to Medicare under sections 62A.3099 to 62A.44, or policies or contracts  
9.31 that supplement Medicare issued by health maintenance organizations, or those contracts

governed by sections 1833, 1851 to 1859, 1860D, or 1876 of the federal Social Security Act, United States Code, title 42, section 1395 et seq., as amended.

(j) Nothing in this chapter restricts the offer, sale, issuance, or renewal of individual health plans necessary to comply with a court order.

(k) A health carrier may offer, issue, sell, or renew an individual health plan to persons eligible for an employer group health plan, if the individual health plan is a high deductible health plan for use in connection with an existing health savings account, in compliance with the Internal Revenue Code, section 223. In that situation, the same or a different health carrier may offer, issue, sell, or renew a group health plan to cover the other eligible employees in the group.

(l) A health carrier may offer, sell, issue, or renew an individual health plan to one or more employees of a small employer if the individual health plan is marketed directly to all employees of the small employer and the small employer does not contribute directly or indirectly to the premiums or facilitate the administration of the individual health plan. The requirement to market an individual health plan to all employees does not require the health carrier to offer or issue an individual health plan to any employee. For purposes of this paragraph, an employer is not contributing to the premiums or facilitating the administration of the individual health plan if the employer does not contribute to the premium and merely collects the premiums from an employee's wages or salary through payroll deductions and submits payment for the premiums of one or more employees in a lump sum to the health carrier. Except for coverage under section 62A.65, subdivision 5, paragraph (b), at the request of an employee, the health carrier may bill the employer for the premiums payable by the employee, provided that the employer is not liable for payment except from payroll deductions for that purpose. If an employer is submitting payments under this paragraph, the health carrier shall provide a cancellation notice directly to the primary insured at least ten days prior to termination of coverage for nonpayment of premium. Individual coverage under this paragraph may be offered only if the small employer has not provided coverage under section 62L.03 to the employees within the past 12 months.

(m) A health carrier may offer, sell, issue, or renew an individual health plan to one or more employees of a small employer if the small employer, eligible employee, and individual health plan are in compliance with the 21st Century Cures Act, Public Law 114-255.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 8. **[62Q.175] COUNTY-BASED PURCHASING PLAN DEMONSTRATION PROJECT.**

**Subdivision 1. Establishment.** The commissioner of health, in consultation with the commissioner of commerce, shall establish a demonstration project to allow county-based purchasing plans organized under section 256B.692, to sell health insurance coverage in the individual and group health insurance markets.

**Subd. 2. Application.** A county-based purchasing plan electing to participate in this demonstration project shall apply to the commissioner for approval on a form developed by the commissioner. The application shall include at least the following:

(1) a statement identifying the geographic area or areas the project is designed to serve;

(2) a description of the proposed project, including a statement projecting a schedule of the costs and benefits for the enrollee;

(3) reference to the applicable sections of Minnesota Statutes and Department of Health or Department of Commerce rules for which waivers are requested;

(4) evidence that the application of the requirements of applicable Minnesota Statutes and Department of Health and Department of Commerce rules would, unless waived, prohibit the operation of the project;

(5) current financial risk-bearing capability of the county-based purchasing plan, and if full financial risk statutory requirements under chapter 62A or 62D are requested to be waived, evidence that another arrangement is available for the assumption of full financial risk or stop loss coverage for the service area proposed;

(6) a description of how the proposed individual market insurance products will meet all federal qualified health plan requirements or identify the need for any federal waivers from those requirements; and

(7) other information the commissioner may reasonably require.

**Subd. 3. Consideration of application.** The commissioner shall approve the application or refer it back to the county-based purchasing plan for further information within 60 days of receipt of the application from the county-based purchasing plan. If the application is referred back to the county-based purchasing plan, the commissioner shall provide technical assistance to the county-based purchasing plan to ensure the application meets approval.

**Subd. 4. Approval rescission.** The commissioner may rescind approval for a project if the commissioner makes any findings with respect to the project for which it has not been

12.1 granted a specific exemption, or if the commissioner finds that the project's operation is  
12.2 contrary to the information contained in the approved application.

12.3 **Sec. 9. TRANSITION OF CARE COVERAGE FOR CALENDAR YEAR 2017;**  
12.4 **INVOLUNTARY TERMINATION OF COVERAGE.**

12.5 **Subdivision 1. Definitions.** (a) For purposes of this section, the following terms have  
12.6 the meanings given.

12.7 (b) "Enrollee" has the meaning given in Minnesota Statutes, section 62Q.01, subdivision  
12.8 2b.

12.22 and who enrolls in a new health plan in the individual market for all or a portion of calendar

12.24 **Subd. 3. Change in health plans; transition of care coverage.** (a) If an enrollee satisfies  
12.25 the criteria in subdivision 2, the enrollee's new health plan company must provide, upon  
12.26 request of the enrollee or the enrollee's health care provider, authorization to receive services

- 13.6 (v) a disabling or chronic condition that is in an acute phase; or
- 13.7 (2) for the rest of the enrollee's life if a physician certifies that the enrollee has an expected
- 13.8 lifetime of 180 days or less.
- 13.9 (b) For all requests for authorization under this subdivision, the health plan company
- 13.10 must grant the request for authorization unless the enrollee does not meet the criteria in
- 13.11 paragraph (a) or subdivision 2.
- 13.12 (c) The commissioner of Minnesota Management and Budget must reimburse the
- 13.13 enrollee's new health plan company for costs attributed to services authorized under this
- 13.14 subdivision. Costs eligible for reimbursement under this paragraph are the difference between
- 13.15 the health plan company's reimbursement rate for in-network providers for a service
- 13.16 authorized under this subdivision and its rate for out-of-network providers for the service.
- 13.17 The health plan company must seek reimbursement from the commissioner for costs
- 13.18 attributed to services authorized under this subdivision, in a form and manner mutually
- 13.19 agreed upon by the commissioner and the affected health plan companies. Total state
- 13.20 reimbursements to health plan companies under this paragraph are subject to the limits of
- 13.21 the available appropriation. In the event that funding for reimbursements to health plan
- 13.22 companies is not sufficient to fully reimburse health plan companies for the costs attributed
- 13.23 to services authorized under this subdivision, health plan companies must continue to cover
- 13.24 services authorized under this subdivision.
- 13.25 Subd. 4. **Limitations.** (a) Subdivision 3 applies only if the enrollee's health care provider
- 13.26 agrees to:
- 13.27 (1) accept as payment in full the lesser of:
- 13.28 (i) the health plan company's reimbursement rate for in-network providers for the same
- 13.29 or similar service; or
- 13.30 (ii) the provider's regular fee for that service;
- 13.31 (2) request authorization for services in the form and manner specified by the enrollee's
- 13.32 new health plan company; and

14.1 (3) provide the enrollee's new health plan company with all necessary medical information  
14.2 related to the care provided to the enrollee.

14.3 (b) Nothing in this section requires a health plan company to provide coverage for a  
14.4 health care service or treatment that is not covered under the enrollee's health plan.

14.5 Subd. 5. **Request for authorization.** The enrollee's health plan company may require  
14.6 medical records and other supporting documentation to be submitted with a request for  
14.7 authorization made under subdivision 3. If authorization is denied, the health plan company  
14.8 must explain the criteria used to make its decision on the request for authorization and must  
14.9 explain the enrollee's right to appeal the decision. If an enrollee chooses to appeal a denial,  
14.10 the enrollee must appeal the denial within five business days of the date on which the enrollee  
14.11 receives the denial. If authorization is granted, the health plan company must provide the  
14.12 enrollee, within five business days of granting the authorization, with an explanation of  
14.13 how transition of care will be provided.

14.14 **EFFECTIVE DATE.** This section is effective for health plans issued after December  
14.15 31, 2016, and before March 2, 2017, and that are in effect for all or a portion of calendar  
14.16 year 2017. This section expires June 30, 2018.

14.17 Sec. 10. **COSTS RELATED TO IMPLEMENTATION OF THIS ACT.**

14.18 A state agency that incurs administrative costs to implement one or more provisions in  
14.19 this act and does not receive an appropriation for administrative costs in section 12 or article  
14.20 1, section 6, must implement the act within the limits of existing appropriations.

14.21 Sec. 11. **APPROPRIATION; COVERAGE FOR TRANSITION OF CARE.**

14.22 \$15,000,000 in fiscal year 2017 is appropriated from the general fund to the commissioner  
14.23 of Minnesota Management and Budget to reimburse health plan companies for costs attributed  
14.24 to coverage of transition of care services under section 10. No more than three percent of  
14.25 this appropriation is available to the commissioner for administrative costs. This is a onetime  
14.26 appropriation and is available until June 30, 2021.

14.27 **EFFECTIVE DATE.** This section is effective the day following final enactment.

14.28 Sec. 12. **REPEALER.**

Sec. 2. **[62E.22] DUTIES OF COMMISSIONER.**

In the implementation and operation of the Minnesota premium security plan, established under section 62E.23, the commissioner shall require eligible health carriers to calculate the premium amount the eligible health carrier would have charged for the applicable plan year had the Minnesota premium security plan not been established, and submit this information as part of the rate filing.

Sec. 3. **[62E.23] MINNESOTA PREMIUM SECURITY PLAN.**

Subdivision 1. **The Minnesota premium security plan as state-based reinsurance.**  
The association is Minnesota's reinsurance entity to administer the state-based reinsurance program, referred to throughout this chapter as the Minnesota premium security plan. The Minnesota premium security plan shall be designed to protect consumers by mitigating the impact of high-risk individuals on rates in the individual market.

Subd. 2. **Minnesota premium security plan parameters.** (a) The board shall propose to the commissioner the Minnesota premium security plan payment parameters for the next plan year by January 15 of the calendar year prior to the applicable plan year. In developing the proposed payment parameters, the board shall consider the anticipated impact to premiums. The commissioner shall approve the payment parameters no later than 14 calendar days following the board proposal. In developing the proposed payment parameters for plan years 2019 and after, the board may develop methods to account for variations in costs within the Minnesota premium security plan.

(b) For plan year 2018, the Minnesota premium security plan parameters, including the attachment point, reinsurance cap, and coinsurance rate, shall be established within the parameters of the appropriated funds as follows:

(1) the attachment point is set at \$70,000;

(2) the reinsurance cap is set at \$250,000; and

(3) the coinsurance rate is set at 50 percent.

(c) All eligible health carriers receiving Minnesota premium security plan payments must apply the Minnesota premium security plan's parameters established under paragraph (a) or paragraph (b) of this section, as applicable, when calculating reinsurance payments.

**Subd. 3. Payments under the Minnesota premium security plan.** (a) Each Minnesota premium security plan payment must be calculated with respect to an eligible health carrier's incurred claims costs for an individual enrollee's covered benefits in the applicable plan year. If such claim costs do not exceed the attachment point, payment will be zero dollars. If such claim costs exceed the attachment point, payment will be calculated as the product of the coinsurance rate multiplied by the lesser of:

(1) such claims costs minus the attachment point; or

(2) the reinsurance cap minus the attachment point.

(b) The board must ensure that the payments made to eligible health carriers must not exceed the eligible health carrier's total paid amount for any eligible claim. For purposes of this paragraph, total paid amount of an eligible claim means the amount paid by the eligible health carrier based upon the allowed amount less any deductible, coinsurance, or co-payment, as of the time the data is submitted or made accessible under subdivision 4, paragraph (a), clause (1), of this section.

**Subd. 4. Requests for Minnesota premium security plan payments.** (a) An eligible health carrier may make a request for payment when the eligible health carrier's claims costs for an enrollee meet the criteria for payment under subdivision 2 and meet the requirements of this subdivision:

(1) to be eligible for Minnesota premium security plan payments, an eligible health carrier must provide to the association access to the data within the dedicated data environment established by the eligible health carrier under the federal Risk Adjustment Program. Eligible health carriers must submit an attestation to the board asserting entity compliance with the dedicated data environments, data requirements, establishment and usage of masked enrollee identification numbers, and data submission deadlines; and

(2) an eligible health carrier must provide the required access under clause (1) for the applicable plan year by April 30 of the year following the end of the applicable plan year.

(b) An eligible health carrier must make requests for payment in accordance with the requirements established by the board.

(c) An eligible health carrier must maintain documents and records, whether paper, electronic, or in other media, sufficient to substantiate the requests for Minnesota premium security plan payments made pursuant to this section for a period of at least ten years, and must make those documents and records available upon request from the state or its designee for purposes of verification, investigation, audit, or other review of Minnesota premium security plan payment requests.

(d) The association or its designee may audit an eligible health carrier to assess its compliance with the requirements of section 62E.23. The eligible health carrier must ensure that its relevant contracts, subcontractors, or agents cooperate with any audit under this section. If an audit results in a proposed finding of material weakness or significant deficiency with respect to compliance with any requirement under section 62E.23, the eligible health carrier may provide response to the draft audit report within 30 calendar days. Within 30 calendar days of the issuance of the final audit report, the eligible health carrier must complete the following:

(1) provide a written corrective action plan to the association for approval if the final audit results in a finding of material weakness or significant deficiency with respect to compliance with any requirement under section 62E.23;

(2) implement that plan; and

(3) provide to the association written documentation of the corrective actions once taken.

**Subd. 5. Notification of Minnesota premium security plan payments.** (a) For each applicable plan year, the association must notify eligible health carriers annually of Minnesota premium security plan payments, if applicable, to be made for the applicable plan year no later than June 30 of the year following the applicable plan year.

(b) An eligible health carrier may follow the appeals procedure under section 62E.10, subdivision 2a.

(c) For each applicable plan year, the board must provide to each eligible health carrier the calculation of total Minnesota premium security plan payment requests on a quarterly basis during the applicable plan year.

19.1 Subd. 6. Disbursement of Minnesota premium security plan payments. The  
19.2 association must:

19.3 (1) collect or access data required to determine Minnesota premium security plan  
19.4 payments from an eligible health carrier according to the data requirements under subdivision  
19.5 5; and

19.6 (2) make Minnesota premium security plan payments to the eligible health carrier after  
19.7 receiving a valid claim for payment from that eligible health carrier by August 15 of the  
19.8 year following the applicable plan year.

19.9 Subd. 7. Allocation of costs of the Minnesota premium security plan. Each contributing  
19.10 member of the association shall share in the costs of the Minnesota premium security plan,  
19.11 including security plan payments, and operating and administrative expenses incurred or  
19.12 estimated to be incurred by the association incident to the plan. Contributing members shall  
19.13 share in the costs in an amount equal to the ratio of the contributing member's total accident  
19.14 and health insurance premium, received from or on behalf of Minnesota residents as divided  
19.15 by the total accident and health insurance premium, received by all contributing members  
19.16 from or on behalf of Minnesota residents, as determined by the commissioner. Payments  
19.17 made by the state to a contributing member for medical assistance or MinnesotaCare services  
19.18 according to chapters 256 and 256B shall be excluded when determining a contributing  
19.19 member's total premium.

19.20 Subd. 8. Member assessments. The association shall make an annual determination of  
19.21 each contributing member's liability for costs of the Minnesota premium security plan under  
19.22 subdivision 7, and may make an annual fiscal year-end assessment. The association may  
19.23 also, subject to the approval of the commissioner, provide for interim assessments against  
19.24 the contributing members whose aggregate assessments comprised a minimum of 90 percent  
19.25 of the most recent prior annual assessment, in the event that the association deems that  
19.26 methodology to be the most administratively efficient and cost-effective means of assessment,  
19.27 and as may be necessary to assure the financial capability of the association in meeting the  
19.28 incurred costs of the Minnesota premium security plan and operating and administrative  
19.29 expenses. Payment of an assessment shall be due within 30 days of receipt by a contributing  
19.30 member of a written notice of a fiscal year end or interim assessment. A contributing member  
19.31 that ceases to do accident and health insurance business within the state shall remain liable  
19.32 for assessments through the calendar year during which accident and health insurance  
19.33 business ceased.

20.1 Subd. 9. **Reserve surplus.** The association must use any monetary reserves of the  
20.2 association to offset costs of the Minnesota premium security plan.

20.3 Subd. 10. **Data.** Government data of the association under this section are private data  
20.4 on individuals or nonpublic data, as defined under section 13.02, subdivision 9 or 12.

20.5 **Sec. 4. [62E.24] ACCOUNTING, REPORTING, AND AUDITING.**

20.6 Subdivision 1. **Accounting requirements.** The board must ensure that it keeps an

20.11 (3) all administrative expenses incurred for the Minnesota premium security plan; and

20.12 (4) all assessments made for security plan costs.

20.13 Subd. 2. **Summary report.** The board must submit to the commissioner and make public  
20.14 a report on the Minnesota premium security plan operations for each plan year by November  
20.15 1 following the applicable year or 60 calendar days following the last disbursement of  
20.16 Minnesota premium security plan payments for the applicable plan year.

20.17 Subd. 3. **Audits.** The commissioner or designee may conduct a financial or programmatic  
20.18 audit of the Minnesota premium security plan to assess its compliance with the requirements.  
20.19 The board must ensure that it and any relevant contractors, subcontractors, or agents  
20.20 cooperate with any audit. The Minnesota premium security plan is subject to audit by the  
20.21 legislative auditor.

20.22 Subd. 4. **Independent external audit.** The board must engage an independent qualified  
20.23 auditing entity to perform a financial and programmatic audit for each plan year of the  
20.24 Minnesota premium security plan in accordance with Generally Accepted Auditing Standards  
20.25 (GAAS). The board must:

20.26 (1) provide to the commissioner the results of the audit, in the manner and time frame  
20.27 to be specified by the commissioner;

20.28 (2) identify to the commissioner any material weakness or significant deficiency identified  
20.29 in the audit, and address in writing to the commissioner how the board intends to correct  
20.30 any such material weakness or significant deficiency; and

21.1 (3) make public a summary of the results of the audit, including any material weakness  
21.2 or significant deficiency and how the board intends to correct the material weakness or  
21.3 significant deficiency.

21.4 Subd. 5. **Action on audit findings.** If an audit results in a finding of material weakness  
21.5 or significant deficiency with respect to compliance with any requirement under this act,  
21.6 the commissioner of commerce must ensure the board:

21.7 (1) within 60 calendar days of the issuance of the final audit report, provides a written  
21.8 corrective action plan to the commissioner for approval;

21.9 (2) implements that plan; and

21.10 (3) provides to the commissioner written documentation of the corrective actions once  
21.11 taken.

21.12 Sec. 5. **STATE INNOVATION WAIVER.**

21.13 Subdivision 1. **Authority to submit a waiver application.** The commissioner of  
21.14 commerce is directed to apply to the United States Secretary of Health and Human Services  
21.15 under United States Code, title 42, section 18052, for a waiver of applicable provisions of  
21.16 the Affordable Care Act with respect to health insurance coverage in the state for a plan  
21.17 year beginning on or after January 1, 2018, for the sole purpose of implementing the  
21.18 Minnesota premium security plan in a manner that maximizes federal funding for Minnesota.  
21.19 The Minnesota premium security board shall implement a state plan for meeting the waiver  
21.20 requirements in a manner consistent with state and federal law, and as approved by the  
21.21 United States Secretary of Health and Human Services. The commissioner is directed to

21.24 premium security plan did not exist; and

21.25 (2) federal funding for MinnesotaCare, as Minnesota's basic health program, continues  
21.26 to be based on the market premium and cost-sharing levels before the impact of reinsurance  
21.27 under the premium security plan, established under Minnesota Statutes, section 62E.23.

21.28 Subd. 2. **Consultation.** In developing the waiver application, the commissioner shall
