Sec. 2. Minnesota Statutes 2010, section 256B.057, subdivision 9, is amended to read:

Subd. 9. **Employed persons with disabilities.** (a) Medical assistance may be paid for a person who is employed and who:

(b) After the month of enrollment, a person enrolled in medical assistance under this subdivision who:

(1) is temporarily unable to work and without receipt of earned income due to a medical condition, as verified by a physician, may retain eligibility for up to four calendar months; or

(2) effective January 1, 2004, loses employment for reasons not attributable to the enrollee, may retain eligibility for up to four consecutive months after the month of job loss. To receive a four-month extension, enrollees must verify the medical condition or provide notification of job loss. All other eligibility requirements must be met and the enrollee must pay all calculated premium costs for continued eligibility.

(c) For purposes of determining eligibility under this subdivision, a person's assets must not exceed \$20,000, excluding:

(1) all assets excluded under section 256B.056;

(2) retirement accounts, including individual accounts, 401(k) plans, 403(b) plans, Keogh plans, and pension plans; and

(3) medical expense accounts set up through the person's employer.

(d)(1) Effective January 1, 2004, for purposes of eligibility, there will be a \$65 earned income disregard. To be eligible, a person applying for medical assistance under this subdivision must have earned income above the disregard level.

(2) Effective January 1, 2004, to be considered earned income, Medicare, Social Security, and applicable state and federal income taxes must be withheld. To be eligible, a person must document earned income tax withholding.

(e)(1) A person whose earned and unearned income is equal to or greater than 100 percent of federal poverty guidelines for the applicable family size must pay a premium to be eligible for medical assistance under this subdivision. The premium shall be based on the person's gross earned and unearned income and the applicable family size using a sliding fee scale established by the commissioner, which begins at one percent of income at 100 percent of the federal poverty guidelines and increases to 7.5 percent of income for those with incomes at or above 300 percent of the federal poverty guidelines. Annual adjustments in the premium schedule based upon changes in the federal poverty guidelines shall be effective for premiums due in July of each year.

(2) Effective January 1, 2004, all enrollees must pay a premium to be eligible for medical assistance under this subdivision. An enrollee shall pay the greater of a \$35 premium or the premium calculated in clause (1).

(3) Effective November 1, 2003, all enrollees who receive unearned income must pay one-half of one percent of unearned income in addition to the premium amount.

(4) Effective November 1, 2003, for enrollees whose income does not exceed 200 percent of the federal poverty guidelines and who are also enrolled in Medicare, the

commissioner must reimburse the enrollee for Medicare Part B premiums under section 256B.0625, subdivision 15, paragraph (a).

(5) Increases in benefits under title II of the Social Security Act shall not be counted as income for purposes of this subdivision until July 1 of each year.

(f) A person's eligibility and premium shall be determined by the local county agency. Premiums must be paid to the commissioner. All premiums are dedicated to the commissioner.

(g) Any required premium shall be determined at application and redetermined at the enrollee's six-month income review or when a change in income or household size is reported. Enrollees must report any change in income or household size within ten days of when the change occurs. A decreased premium resulting from a reported change in income or household size shall be effective the first day of the next available billing month after the change is reported. Except for changes occurring from annual cost-of-living increases, a change resulting in an increased premium shall not affect the premium amount until the next six-month review.

(h) Premium payment is due upon notification from the commissioner of the premium amount required. Premiums may be paid in installments at the discretion of the commissioner.

(i) Nonpayment of the premium shall result in denial or termination of medical assistance unless the person demonstrates good cause for nonpayment. Good cause exists if the requirements specified in Minnesota Rules, part 9506.0040, subpart 7, items B to D, are met. Except when an installment agreement is accepted by the commissioner, all persons disenrolled for nonpayment of a premium must pay any past due premiums as well as current premiums due prior to being reenrolled. Nonpayment shall include payment with a returned, refused, or dishonored instrument. The commissioner may require a guaranteed form of payment as the only means to replace a returned, refused, or dishonored instrument.

(j) The commissioner shall notify enrollees annually beginning at least 24 months before the person's 65th birthday of the medical assistance eligibility rules affecting income, assets, and treatment of a spouse's income and assets that will be applied upon reaching age 65.
