COMMUNITY SUPPORTS

Section 1. Minnesota Statutes 2016, section 144A.351, subdivision 1, is amended to read: Subdivision 1. Report requirements. The commissioners of health and human services, with the cooperation of counties and in consultation with stakeholders, including persons who need or are using long-term care services and supports, lead agencies, regional entities, senior, disability, and mental health organization representatives, service providers, and community members shall prepare a report to the legislature by August 15, 2013, and biennially thereafter, regarding the status of the full range of long-term care services and supports for the elderly and children and adults with disabilities and mental illnesses in Minnesota. Any amounts appropriated for this report are available in either year of the biennium. The report shall address:

(1) demographics and need for long-term care services and supports in Minnesota;
(2) summary of county and regional reports on long-term care gaps, surpluses, imbalances, and corrective action plans;
(3) status of long-term care services and related mental health services, housing options, and supports by county and region including:
   (i) changes in availability of the range of long-term care services and housing options;
   (ii) access problems, including access to the least restrictive and most integrated services and settings, regarding long-term care services; and
   (iii) comparative measures of long-term care services availability, including serving people in their home areas near family, and changes over time; and

May 8, 2017
(4) recommendations regarding goals for the future of long-term care services and supports, policy and fiscal changes, and resource development and transition needs.

Sec. 2. Minnesota Statutes 2016, section 245D.03, subdivision 1, is amended to read:

Subdivision 1. Applicability. (a) The commissioner shall regulate the provision of home and community-based services to persons with disabilities and persons age 65 and older pursuant to this chapter. The licensing standards in this chapter govern the provision of basic support services and intensive support services.

(b) Basic support services provide the level of assistance, supervision, and care that is necessary to ensure the health and welfare of the person and do not include services that are specifically directed toward the training, treatment, habilitation, or rehabilitation of the person. Basic support services include:

(1) in-home and out-of-home respite care services as defined in section 245A.02, subdivision 15, and under the brain injury, community alternative care, community access for disability inclusion, developmental disability, and elderly waiver plans, excluding out-of-home respite care provided to children in a family child foster care home licensed under Minnesota Rules, parts 2960.3000 to 2960.3100, when the child foster care license holder complies with the requirements under section 245D.06, subdivisions 5, 6, 7, and 8, or successor provisions; and section 245D.061 or successor provisions, which must be stipulated in the statement of intended use required under Minnesota Rules, part 2960.3000, subpart 4;

(2) adult companion services as defined under the brain injury, community access for disability inclusion, and elderly waiver plans, excluding adult companion services provided under the Corporation for National and Community Services Senior Companion Program established under the Domestic Volunteer Service Act of 1973, Public Law 98-288;

(3) personal support as defined under the developmental disability waiver plan;

(4) 24-hour emergency assistance, personal emergency response as defined under the community access for disability inclusion and developmental disability waiver plans;

(5) night supervision services as defined under the brain injury waiver plan; and

(6) homemaker services as defined under the community access for disability inclusion, brain injury, community alternative care, developmental disability, and elderly waiver plans, excluding providers licensed by the Department of Health under chapter 144A and those providers providing cleaning services only; and
5.1 (7) individual community living support under section 256B.0915, subdivision 3j.

5.2 (c) Intensive support services provide assistance, supervision, and care that is necessary to ensure the health and welfare of the person and services specifically directed toward the training, habilitation, or rehabilitation of the person. Intensive support services include:

5.5 (1) intervention services, including:

5.6 (i) behavioral support services as defined under the brain injury and community access for disability inclusion waiver plans;

5.8 (ii) in-home or out-of-home crisis respite services as defined under the developmental disability waiver plan; and

5.10 (iii) specialist services as defined under the current developmental disability waiver plan;

5.12 (2) in-home support services, including:

5.13 (i) in-home family support and supported living services as defined under the developmental disability waiver plan;

5.15 (ii) independent living services training as defined under the brain injury and community access for disability inclusion waiver plans; and

5.17 (iii) semi-independent living services; and

5.18 (iv) individualized home supports services as defined under the brain injury, community alternative care, and community access for disability inclusion waiver plans;

5.20 (3) residential supports and services, including:

5.21 (i) supported living services as defined under the developmental disability waiver plan provided in a family or corporate child foster care residence, a family adult foster care residence, a community residential setting, or a supervised living facility;

5.24 (ii) foster care services as defined in the brain injury, community alternative care, and community access for disability inclusion waiver plans provided in a family or corporate child foster care residence, a family adult foster care residence, or a community residential setting; and

5.28 (iii) residential services provided to more than four persons with developmental disabilities in a supervised living facility, including ICFs/DD;

5.30 (4) day services, including:

5.31 (i) structured day services as defined under the brain injury waiver plan;
(ii) day training and habilitation services under sections 252.41 to 252.46, and as defined under the developmental disability waiver plan; and

(iii) prevocational services as defined under the brain injury and community access for disability inclusion waiver plans; and

(5) supported employment as defined under the brain injury, developmental disability, and community access for disability inclusion waiver plans employment exploration services as defined under the brain injury, community alternative care, community access for disability inclusion, and developmental disability waiver plans;

(6) employment development services as defined under the brain injury, community alternative care, community access for disability inclusion, and developmental disability waiver plans; and

(7) employment support services as defined under the brain injury, community alternative care, community access for disability inclusion, and developmental disability waiver plans.

EFFECTIVE DATE. (a) The amendment to paragraphs (b) and (c), clause (2), is effective the day following final enactment.

(b) The amendments to paragraph (c), clauses (5) to (7), are effective upon federal approval. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 3. Minnesota Statutes 2016, section 252.41, subdivision 3, is amended to read:

Subd. 3. Day training and habilitation services for adults with developmental disabilities. (a) "Day training and habilitation services for adults with developmental disabilities" means services that:

(1) include supervision, training, assistance, and supported employment, center-based work-related activities, or other community-integrated activities designed and implemented in accordance with the individual service and individual habilitation plans required under Minnesota Rules, parts 9525.0004 to 9525.0036, to help an adult reach and maintain the highest possible level of independence, productivity, and integration into the community; and

(2) are provided by a vendor licensed under sections 245A.01 to 245A.16 and 252.28, subdivision 2, to provide day training and habilitation services.

(b) Day training and habilitation services reimbursable under this section do not include special education and related services as defined in the Education of the Individuals with
Disabilities Act, United States Code, title 20, chapter 33, section 1401, clauses (6) and (17), or vocational services funded under section 110 of the Rehabilitation Act of 1973, United States Code, title 29, section 720, as amended.

(c) Day training and habilitation services do not include employment exploration, employment development, or employment support services as defined in the home and community-based services waivers for people with disabilities authorized under sections 256B.092 and 256B.49.

EFFECTIVE DATE. This section is effective upon federal approval. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 4. [256.477] SELF-ADVOCACY GRANTS.

(a) The commissioner shall make available a grant for the purposes of establishing and maintaining a statewide self-advocacy network for persons with intellectual and developmental disabilities. The self-advocacy network shall:

(1) ensure that persons with intellectual and developmental disabilities are informed of their rights in employment, housing, transportation, voting, government policy, and other issues pertinent to the intellectual and developmental disability community;

(2) provide public education and awareness of the civil and human rights issues persons with intellectual and developmental disabilities face;

(3) provide funds, technical assistance, and other resources for self-advocacy groups across the state; and

(4) organize systems of communications to facilitate an exchange of information between self-advocacy groups.

(b) An organization receiving a grant under paragraph (a) must be an organization governed by people with intellectual and developmental disabilities that administers a statewide network of disability groups in order to maintain and promote self-advocacy services and supports for persons with intellectual and developmental disabilities throughout the state.

Sec. 5. Minnesota Statutes 2016, section 256B.0625, subdivision 6a, is amended to read:

Subd. 6a. Home health services. Home health services are those services specified in Minnesota Rules, part 9505.0295 and sections 256B.0651 and 256B.0653. Medical assistance covers home health services at a recipient's home residence or in the community where
normal life activities take the recipient. Medical assistance does not cover home health
services for residents of a hospital, nursing facility, or intermediate care facility, unless the
commissioner of human services has authorized skilled nurse visits for less than 90 days
for a resident at an intermediate care facility for persons with developmental disabilities,
to prevent an admission to a hospital or nursing facility or unless a resident who is otherwise
eligible is on leave from the facility and the facility either pays for the home health services
or forgoes the facility per diem for the leave days that home health services are used. Home
health services must be provided by a Medicare certified home health agency. All nursing
and home health aide services must be provided according to sections 256B.0651 to
256B.0653.

Sec. 6. Minnesota Statutes 2016, section 256B.0625, subdivision 31, is amended to read:

Subd. 31. Medical supplies and equipment. (a) Medical assistance covers medical
supplies and equipment. Separate payment outside of the facility's payment rate shall be
made for wheelchairs and wheelchair accessories for recipients who are residents of
intermediate care facilities for the developmentally disabled. Reimbursement for wheelchairs
and wheelchair accessories for ICF/DD recipients shall be subject to the same conditions
and limitations as coverage for recipients who do not reside in institutions. A wheelchair
purchased outside of the facility's payment rate is the property of the recipient.

(b) Vendors of durable medical equipment, prosthetics, orthotics, or medical supplies
must enroll as a Medicare provider.

(c) When necessary to ensure access to durable medical equipment, prosthetics, orthotics,
or medical supplies, the commissioner may exempt a vendor from the Medicare enrollment
requirement if:

(1) the vendor supplies only one type of durable medical equipment, prosthetic, orthotic,
or medical supply;

(2) the vendor serves ten or fewer medical assistance recipients per year;

(3) the commissioner finds that other vendors are not available to provide same or similar
durable medical equipment, prosthetics, orthotics, or medical supplies; and

(4) the vendor complies with all screening requirements in this chapter and Code of
Federal Regulations, title 42, part 455. The commissioner may also exempt a vendor from
the Medicare enrollment requirement if the vendor is accredited by a Centers for Medicare
and Medicaid Services approved national accreditation organization as complying with the
Medicare program's supplier and quality standards and the vendor serves primarily pediatric patients.

(d) Durable medical equipment means a device or equipment that:

1. can withstand repeated use;
2. is generally not useful in the absence of an illness, injury, or disability; and
3. is provided to correct or accommodate a physiological disorder or physical condition or is generally used primarily for a medical purpose.

(e) Electronic tablets may be considered durable medical equipment if the electronic tablet will be used as an augmentative and alternative communication system as defined under subdivision 31a, paragraph (a). To be covered by medical assistance, the device must be locked in order to prevent use not related to communication.

(f) Notwithstanding the requirement in paragraph (e) that an electronic tablet must be locked to prevent use not as an augmentative communication device, a recipient of waiver services may use an electronic tablet for a use not related to communication when the recipient has been authorized under the waiver to receive one or more additional applications that can be loaded onto the electronic tablet, such that allowing the additional use prevents the purchase of a separate electronic tablet with waiver funds.

(g) An order or prescription for medical supplies, equipment, or appliances must meet the requirements in Code of Federal Regulations, title 42, part 470.

Sec. 7. Minnesota Statutes 2016, section 256B.0653, subdivision 2, is amended to read:

Subd. 2. Definitions. For the purposes of this section, the following terms have the meanings given.

(a) "Assessment" means an evaluation of the recipient's medical need for home health agency services by a registered nurse or appropriate therapist that is conducted within 30 days of a request.

(b) "Home care therapies" means occupational, physical, and respiratory therapy and speech-language pathology services provided in the home by a Medicare certified home health agency.

(c) "Home health agency services" means services delivered in the recipient's home residence, except as specified in section 256B.0625, by a home health agency to a recipient with medical needs due to illness, disability, or physical conditions in settings permitted under section 256B.0625, subdivision 6a.
(d) "Home health aide" means an employee of a home health agency who completes medically oriented tasks written in the plan of care for a recipient.

(e) "Home health agency" means a home care provider agency that is Medicare-certified.

(f) "Occupational therapy services" mean the services defined in Minnesota Rules, part 9505.0390.

(g) "Physical therapy services" mean the services defined in Minnesota Rules, part 9505.0390.

(h) "Respiratory therapy services" mean the services defined in chapter 147C.

(i) "Speech-language pathology services" mean the services defined in Minnesota Rules, part 9505.0390.

(j) "Skilled nurse visit" means a professional nursing visit to complete nursing tasks required due to a recipient's medical condition that can only be safely provided by a professional nurse to restore and maintain optimal health.

(k) "Store-and-forward technology" means telehomecare services that do not occur in real time via synchronous transmissions such as diabetic and vital sign monitoring.

(l) "Telehomecare" means the use of telecommunications technology via live, two-way interactive audiovisual technology which may be augmented by store-and-forward technology.

(m) "Telehomecare skilled nurse visit" means a visit by a professional nurse to deliver a skilled nurse visit to a recipient located at a site other than the site where the nurse is located and is used in combination with face-to-face skilled nurse visits to adequately meet the recipient's needs.

Sec. 8. Minnesota Statutes 2016, section 256B.0653, subdivision 3, is amended to read:

Subd. 3. Home health aide visits. (a) Home health aide visits must be provided by a certified home health aide using a written plan of care that is updated in compliance with Medicare regulations. A home health aide shall provide hands-on personal care, perform simple procedures as an extension of therapy or nursing services, and assist in instrumental activities of daily living as defined in section 256B.0659, including assuring that the person gets to medical appointments if identified in the written plan of care. Home health aide visits must may be provided in the recipient's home or in the community where normal life activities take the recipient.
(b) All home health aide visits must have authorization under section 256B.0652. The commissioner shall limit home health aide visits to no more than one visit per day per recipient.

(c) Home health aides must be supervised by a registered nurse or an appropriate therapist when providing services that are an extension of therapy.

Sec. 9. Minnesota Statutes 2016, section 256B.0653, subdivision 4, is amended to read:

Subd. 4. Skilled nurse visit services. (a) Skilled nurse visit services must be provided by a registered nurse or a licensed practical nurse under the supervision of a registered nurse, according to the written plan of care and accepted standards of medical and nursing practice documented in a plan of care that is reviewed and approved by the ordering physician at least once every 60 days. All skilled nurse visits must be medically necessary and provided in the recipient's home residence or in the community where normal life activities take the recipient, except as allowed under section 256B.0625, subdivision 6a.

(b) Skilled nurse visits include face-to-face and telehomecare visits with a limit of up to two visits per day per recipient. All visits must be based on assessed needs.

(c) Telehomecare skilled nurse visits are allowed when the recipient's health status can be accurately measured and assessed without a need for a face-to-face, hands-on encounter. All telehomecare skilled nurse visits must have authorization and are paid at the same allowable rates as face-to-face skilled nurse visits.

(d) The provision of telehomecare must be made via live, two-way interactive audiovisual technology and may be augmented by utilizing store-and-forward technologies. Individually identifiable patient data obtained through real-time or store-and-forward technology must be maintained as health records according to sections 144.291 to 144.298. If the video is used for research, training, or other purposes unrelated to the care of the patient, the identity of the patient must be concealed.

(e) Authorization for skilled nurse visits must be completed under section 256B.0652. A total of nine face-to-face skilled nurse visits per calendar year do not require authorization. All telehomecare skilled nurse visits require authorization.
Sec. 10. Minnesota Statutes 2016, section 256B.0653, subdivision 5, is amended to read:

Subd. 5. Home care therapies. (a) Home care therapies include the following: physical therapy, occupational therapy, respiratory therapy, and speech and language pathology therapy services.

(b) Home care therapies must be:

(1) provided in the recipient's residence or in the community where normal life activities take the recipient after it has been determined the recipient is unable to access outpatient therapy;

(2) prescribed, ordered, or referred by a physician and documented in a plan of care and reviewed, according to Minnesota Rules, part 9505.0390;

(3) assessed by an appropriate therapist; and

(4) provided by a Medicare-certified home health agency enrolled as a Medicaid provider agency.

(c) Restorative and specialized maintenance therapies must be provided according to Minnesota Rules, part 9505.0390. Physical and occupational therapy assistants may be used as allowed under Minnesota Rules, part 9505.0390, subpart 1, item B.

(d) For both physical and occupational therapies, the therapist and the therapist's assistant may not both bill for services provided to a recipient on the same day.

Sec. 11. Minnesota Statutes 2016, section 256B.0653, subdivision 6, is amended to read:

Subd. 6. Noncovered home health agency services. The following are not eligible for payment under medical assistance as a home health agency service:

(1) telehomecare skilled nurses services that is communication between the home care nurse and recipient that consists solely of a telephone conversation, facsimile, electronic mail, or a consultation between two health care practitioners;

(2) the following skilled nurse visits:

(i) for the purpose of monitoring medication compliance with an established medication program for a recipient;

(ii) administering or assisting with medication administration, including injections, prefilling syringes for injections, or oral medication setup of an adult recipient, when, as determined and documented by the registered nurse, the need can be met by an available
pharmacy or the recipient or a family member is physically and mentally able to self-administer or prefill a medication;

(iii) services done for the sole purpose of supervision of the home health aide or personal care assistant;

(iv) services done for the sole purpose to train other home health agency workers;

(v) services done for the sole purpose of blood samples or lab draw when the recipient is able to access these services outside the home; and

(vi) Medicare evaluation or administrative nursing visits required by Medicare;

(3) home health aide visits when the following activities are the sole purpose for the visit: companionship, socialization, household tasks, transportation, and education; and

(4) home care therapies provided in other settings such as a clinic, day program, or as an inpatient or when the recipient can access therapy outside of the recipient's residence; and

(5) home health agency services without qualifying documentation of a face-to-face encounter as specified in subdivision 7.

Sec. 12. Minnesota Statutes 2016, section 256B.0653, is amended by adding a subdivision to read:

Subd. 7. Face-to-face encounter. (a) A face-to-face encounter by a qualifying provider must be completed for all home health services regardless of the need for prior authorization, except when providing a one-time perinatal visit by skilled nursing. The face-to-face encounter may occur through telemedicine as defined in section 256B.0625, subdivision 3b. The encounter must be related to the primary reason the recipient requires home health services and must occur within the 90 days before or the 30 days after the start of services. The face-to-face encounter may be conducted by one of the following practitioners, licensed in Minnesota:

(1) a physician;

(2) a nurse practitioner or clinical nurse specialist;

(3) a certified nurse midwife; or

(4) a physician assistant.

(b) The allowed nonphysician practitioner, as described in this subdivision, performing the face-to-face encounter must communicate the clinical findings of that face-to-face encounter.
encounter to the ordering physician. Those clinical findings must be incorporated into a
written or electronic document included in the recipient's medical record. To assure clinical
correlation between the face-to-face encounter and the associated home health services, the
physician responsible for ordering the services must:

(1) document that the face-to-face encounter, which is related to the primary reason the
recipient requires home health services, occurred within the required time period; and

(2) indicate the practitioner who conducted the encounter and the date of the encounter.

(c) For home health services requiring authorization, including prior authorization, home
health agencies must retain the qualifying documentation of a face-to-face encounter as part
of the recipient health service record, and submit the qualifying documentation to the
commissioner or the commissioner's designee upon request.

Sec. 13. Minnesota Statutes 2016, section 256B.0659, subdivision 1, is amended to read:

EFFECTIVE DATE. This section is effective July 1, 2018.

Sec. 14. Minnesota Statutes 2016, section 256B.0659, subdivision 2, is amended to read:

Subd. 2. Personal care assistance services; covered services. (a) The personal care assistance services eligible for payment include services and supports furnished to an individual, as needed, to assist in:

(1) activities of daily living;

(2) health-related procedures and tasks;

(3) observation and redirection of behaviors; and

(4) instrumental activities of daily living.

(b) Activities of daily living include the following covered services:

(1) dressing, including assistance with choosing, application, and changing of clothing and application of special appliances, wraps, or clothing;

(2) grooming, including assistance with basic hair care, oral care, shaving, applying cosmetics and deodorant, and care of eyeglasses and hearing aids. Nail care is included, except for recipients who are diabetic or have poor circulation;

(3) bathing, including assistance with basic personal hygiene and skin care;

(4) eating, including assistance with hand washing and application of orthotics required for eating, transfers, and feeding;

(5) transfers, including assistance with transferring the recipient from one seating or reclining area to another;
mobility, including assistance with ambulation, including use of a wheelchair.

Mobility does not include providing transportation for a recipient;

positioning, including assistance with positioning or turning a recipient for necessary care and comfort; and

toileting, including assistance with helping recipient with bowel or bladder elimination and care including transfers, mobility, positioning, feminine hygiene, use of toileting equipment or supplies, cleansing the perineal area, inspection of the skin, and adjusting clothing.

(c) Health-related procedures and tasks include the following covered services:

(1) range of motion and passive exercise to maintain a recipient's strength and muscle functioning;

(2) assistance with self-administered medication as defined by this section, including reminders to take medication, bringing medication to the recipient, and assistance with opening medication under the direction of the recipient or responsible party, including medications given through a nebulizer;

(3) interventions for seizure disorders, including monitoring and observation; and

(4) other activities considered within the scope of the personal care service and meeting the definition of health-related procedures and tasks under this section.

(d) A personal care assistant may provide health-related procedures and tasks associated with the complex health-related needs of a recipient if the procedures and tasks meet the definition of health-related procedures and tasks under this section and the personal care assistant is trained by a qualified professional and demonstrates competency to safely complete the procedures and tasks. Delegation of health-related procedures and tasks and all training must be documented in the personal care assistance care plan and the recipient's and personal care assistant's files. A personal care assistant must not determine the medication dose or time for medication.

(e) Effective January 1, 2010, for a personal care assistant to provide the health-related procedures and tasks of tracheostomy suctioning and services to recipients on ventilator support there must be:

(1) delegation and training by a registered nurse, certified or licensed respiratory therapist, or a physician;

(2) utilization of clean rather than sterile procedure;
(3) specialized training about the health-related procedures and tasks and equipment, including ventilator operation and maintenance;

(4) individualized training regarding the needs of the recipient; and

(5) supervision by a qualified professional who is a registered nurse.

(f) Effective January 1, 2010, a personal care assistant may observe and redirect the recipient for episodes where there is a need for redirection due to behaviors. Training of the personal care assistant must occur based on the needs of the recipient, the personal care assistance care plan, and any other support services provided.

(g) Instrumental activities of daily living under subdivision 1, paragraph (i).

EFFECTIVE DATE. This section is effective July 1, 2018.

Sec. 15. Minnesota Statutes 2016, section 256B.0659, subdivision 11, is amended to read:

Subd. 11. Personal care assistant; requirements. (a) A personal care assistant must meet the following requirements:

(1) be at least 18 years of age with the exception of persons who are 16 or 17 years of age with these additional requirements:

   (i) supervision by a qualified professional every 60 days; and

   (ii) employment by only one personal care assistance provider agency responsible for compliance with current labor laws;

(2) be employed by a personal care assistance provider agency;

(3) enroll with the department as a personal care assistant after clearing a background study. Except as provided in subdivision 11a, before a personal care assistant provides services, the personal care assistance provider agency must initiate a background study on the personal care assistant under chapter 245C, and the personal care assistance provider agency must have received a notice from the commissioner that the personal care assistant is:

   (i) not disqualified under section 245C.14; or

   (ii) is disqualified, but the personal care assistant has received a set aside of the disqualification under section 245C.22;

(4) be able to effectively communicate with the recipient and personal care assistance provider agency;
(5) be able to provide covered personal care assistance services according to the recipient's personal care assistance care plan, respond appropriately to recipient needs, and report changes in the recipient's condition to the supervising qualified professional or physician;

(6) not be a consumer of personal care assistance services;

(7) maintain daily written records including, but not limited to, time sheets under subdivision 12;

(8) effective January 1, 2010, complete standardized training as determined by the commissioner before completing enrollment. The training must be available in languages other than English and to those who need accommodations due to disabilities. Personal care assistant training must include successful completion of the following training components: basic first aid, vulnerable adult, child maltreatment, OSHA universal precautions, basic roles and responsibilities of personal care assistants including information about assistance with lifting and transfers for recipients, emergency preparedness, orientation to positive behavioral practices, fraud issues, and completion of time sheets. Upon completion of the training components, the personal care assistant must demonstrate the competency to provide assistance to recipients;

(9) complete training and orientation on the needs of the recipient; and

(10) be limited to providing and being paid for up to 275 hours per month of personal care assistance services regardless of the number of recipients being served or the number of personal care assistance provider agencies enrolled with. The number of hours worked per day shall not be disallowed by the department unless in violation of the law.

(b) A legal guardian may be a personal care assistant if the guardian is not being paid for the guardian services and meets the criteria for personal care assistants in paragraph (a).

(c) Persons who do not qualify as a personal care assistant include parents, stepparents, and legal guardians of minors; spouses; paid legal guardians of adults; family foster care providers, except as otherwise allowed in section 256B.0625, subdivision 19a; and staff of a residential setting.

(d) A personal care assistant is qualified to provide complex personal care assistance services as defined in subdivision 1, paragraph (e), if the personal care assistant:

(1) provides services according to the care plan in subdivision 7 to an individual described in subdivision 1, paragraph (e), clause (1); and

(2) satisfies the current requirements of Medicare for training and competency or competency evaluation of home health aides or nursing assistants, as provided by Code of
Federal Regulations, title 42, section 483.151 or 484.36, or alternative, comparable, state-approved training and competency requirements.

**EFFECTIVE DATE.** This section is effective July 1, 2018.

Sec. 16. Minnesota Statutes 2016, section 256B.0659, is amended by adding a subdivision to read:

Subd. 17a. **Rate for complex personal care assistance services.** The rate paid to a provider for complex personal care assistance services shall be 110 percent of the rate paid for personal care assistance services.

**EFFECTIVE DATE.** This section is effective July 1, 2018.

Sec. 17. Minnesota Statutes 2016, section 256B.0659, subdivision 21, is amended to read:

Subd. 21. **Requirements for provider enrollment of personal care assistance provider agencies.** (a) All personal care assistance provider agencies must provide, at the time of enrollment, reenrollment, and revalidation as a personal care assistance provider agency in a format determined by the commissioner, information and documentation that includes, but is not limited to, the following:

1. the personal care assistance provider agency's current contact information including address, telephone number, and e-mail address;

2. proof of surety bond coverage. Upon new enrollment, or if the provider's Medicaid revenue in the previous calendar year is up to and including $300,000, the provider agency must purchase a surety bond of $50,000. If the Medicaid revenue in the previous year is over $300,000, the provider agency must purchase a surety bond of $100,000. The surety bond must be in a form approved by the commissioner, must be renewed annually, and must allow for recovery of costs and fees in pursuing a claim on the bond;

3. proof of fidelity bond coverage in the amount of $20,000;

4. proof of workers' compensation insurance coverage;

5. proof of liability insurance;

6. a description of the personal care assistance provider agency's organization identifying the names of all owners, managing employees, staff, board of directors, and the affiliations of the directors, owners, or staff to other service providers;

7. a copy of the personal care assistance provider agency's written policies and procedures including: hiring of employees; training requirements; service delivery; and
employee and consumer safety including process for notification and resolution of consumer

grievances, identification and prevention of communicable diseases, and employee

misconduct;

(8) copies of all other forms the personal care assistance provider agency uses in the
course of daily business including, but not limited to:

(i) a copy of the personal care assistance provider agency's time sheet if the time sheet
varies from the standard time sheet for personal care assistance services approved by the
commissioner, and a letter requesting approval of the personal care assistance provider
agency's nonstandard time sheet;

(ii) the personal care assistance provider agency's template for the personal care assistance
care plan; and

(iii) the personal care assistance provider agency's template for the written agreement
in subdivision 20 for recipients using the personal care assistance choice option, if applicable;

(9) a list of all training and classes that the personal care assistance provider agency
requires of its staff providing personal care assistance services;

(10) documentation that the personal care assistance provider agency and staff have
successfully completed all the training required by this section, including the requirements
under subdivision 11, paragraph (d), if complex personal care assistance services are provided
and submitted for payment;

(11) documentation of the agency's marketing practices;

(12) disclosure of ownership, leasing, or management of all residential properties that
is used or could be used for providing home care services;

(13) documentation that the agency will use the following percentages of revenue
generated from the medical assistance rate paid for personal care assistance services for
employee personal care assistant wages and benefits: 72.5 percent of revenue in the personal
care assistance choice option and 72.5 percent of revenue from other personal care assistance
providers. The revenue generated by the qualified professional and the reasonable costs
associated with the qualified professional shall not be used in making this calculation; and

(14) effective May 15, 2010, documentation that the agency does not burden recipients'
free exercise of their right to choose service providers by requiring personal care assistants
to sign an agreement not to work with any particular personal care assistance recipient or
for another personal care assistance provider agency after leaving the agency and that the
agency is not taking action on any such agreements or requirements regardless of the date signed.

(b) Personal care assistance provider agencies shall provide the information specified in paragraph (a) to the commissioner at the time the personal care assistance provider agency enrolls as a vendor or upon request from the commissioner. The commissioner shall collect the information specified in paragraph (a) from all personal care assistance providers beginning July 1, 2009.

c) All personal care assistance provider agencies shall require all employees in management and supervisory positions and owners of the agency who are active in the day-to-day management and operations of the agency to complete mandatory training as determined by the commissioner before enrollment of the agency as a provider. Employees in management and supervisory positions and owners who are active in the day-to-day operations of an agency who have completed the required training as an employee with a personal care assistance provider agency do not need to repeat the required training if they are hired by another agency, if they have completed the training within the past three years. By September 1, 2010, the required training must be available with meaningful access according to title VI of the Civil Rights Act and federal regulations adopted under that law or any guidance from the United States Health and Human Services Department. The required training must be available online or by electronic remote connection. The required training must provide for competency testing. Personal care assistance provider agency billing staff shall complete training about personal care assistance program financial management. This training is effective July 1, 2009. Any personal care assistance provider agency enrolled before that date shall, if it has not already, complete the provider training within 18 months of July 1, 2009. Any new owners or employees in management and supervisory positions involved in the day-to-day operations are required to complete mandatory training as a requisite of working for the agency. Personal care assistance provider agencies certified for participation in Medicare as home health agencies are exempt from the training required in this subdivision. When available, Medicare-certified home health agency owners, supervisors, or managers must successfully complete the competency test.

Sec. 18. Minnesota Statutes 2016, section 256B.0911, subdivision 1a, is amended to read:

Subd. 1a. Definitions. For purposes of this section, the following definitions apply:

(a) Until additional requirements apply under paragraph (b), "long-term care consultation services" means:
(1) intake for and access to assistance in identifying services needed to maintain an
individual in the most inclusive environment;

(2) providing recommendations for and referrals to cost-effective community services
that are available to the individual;

(3) development of an individual's person-centered community support plan;

(4) providing information regarding eligibility for Minnesota health care programs;

(5) face-to-face long-term care consultation assessments, which may be completed in a
hospital, nursing facility, intermediate care facility for persons with developmental disabilities
(ICF/DDs), regional treatment centers, or the person's current or planned residence;

(6) determination of home and community-based waiver and other service eligibility as
required under sections 256B.0913, 256B.0915, and 256B.49, including level of care
determination for individuals who need an institutional level of care as determined under
subdivision 4e, based on assessment and community support plan development, appropriate
referrals to obtain necessary diagnostic information, and including an eligibility determination
for consumer-directed community supports;

(7) providing recommendations for institutional placement when there are no
cost-effective community services available;

(8) providing access to assistance to transition people back to community settings after
institutional admission; and

(9) providing information about competitive employment, with or without supports, for
school-age youth and working-age adults and referrals to the Disability Linkage Line and
Disability Benefits 101 to ensure that an informed choice about competitive employment
can be made. For the purposes of this subdivision, "competitive employment" means work
in the competitive labor market that is performed on a full-time or part-time basis in an
integrated setting, and for which an individual is compensated at or above the minimum
wage, but not less than the customary wage and level of benefits paid by the employer for
the same or similar work performed by individuals without disabilities.

(b) Upon statewide implementation of lead agency requirements in subdivisions 2b, 2c,
and 3a, "long-term care consultation services" also means:

(1) service eligibility determination for state plan home care services identified in:

(i) section 256B.0625, subdivisions 7, 19a, and 19c;

(ii) consumer support grants under section 256.476; or
(iii) section 256B.85;

(2) notwithstanding provisions in Minnesota Rules, parts 9525.0004 to 9525.0024, determination of eligibility for case management services available under sections 256B.0621, subdivision 2, paragraph (4), and 256B.0924 and Minnesota Rules, part 9525.0016;

(3) determination of institutional level of care, home and community-based service waiver, and other service eligibility as required under section 256B.092, determination of eligibility for family support grants under section 252.32, semi-independent living services under section 252.275, and day training and habilitation services under section 256B.092; and

(4) obtaining necessary diagnostic information to determine eligibility under clauses (2) and (3).

(c) "Long-term care options counseling" means the services provided by the linkage lines as mandated by sections 256.01, subdivision 24, and 256.975, subdivision 7, and also includes telephone assistance and follow up once a long-term care consultation assessment has been completed.

(d) "Minnesota health care programs" means the medical assistance program under this chapter and the alternative care program under section 256B.0913.

(e) "Lead agencies" means counties administering or tribes and health plans under contract with the commissioner to administer long-term care consultation assessment and support planning services.

(f) "Person-centered planning" is a process that includes the active participation of a person in the planning of the person's services, including in making meaningful and informed choices about the person's own goals, talents, and objectives, as well as making meaningful and informed choices about the services the person receives. For the purposes of this section, "informed choice" means a voluntary choice of services by a person from all available service options based on accurate and complete information concerning all available service options and concerning the person's own preferences, abilities, goals, and objectives. In order for a person to make an informed choice, all available options must be developed and presented to the person to empower the person to make decisions.

Sec. 19. Minnesota Statutes 2016, section 256B.0911, subdivision 2b, is amended to read:

Subd. 2b. MnCHOICES certified assessors. (a) Each lead agency shall use certified assessors who have completed MnCHOICES training and the certification processes determined by the commissioner in subdivision 2c. Certified assessors shall demonstrate
best practices in assessment and support planning including person-centered planning and principles that must ensure consistency and equitable access to services statewide. A lead agency may choose, according to departmental policies, to contract with a qualified, certified assessor to conduct assessments and reassessments on behalf of the lead agency. Certified assessors must use person-centered planning principles to conduct an interview that identifies what is important to the person, the person's needs for supports, health and safety concerns, and the person's abilities, interests, and goals.

Certified assessors are responsible for:

1. ensuring persons are offered objective, unbiased access to resources;
2. ensuring persons have the needed information to support informed choice, including where and how they choose to live and the opportunity to pursue desired employment;
3. determining level of care and eligibility for long-term services and supports;
4. using the information gathered from the interview to develop a person-centered community support plan that reflects identified needs and support options within the context of values, interests, and goals important to the person; and
5. providing the person with a community support plan that summarizes the person's assessment findings, support options, and agreed-upon next steps.

(b) MnCHOICES certified assessors are persons with a minimum of a bachelor's degree in social work, nursing with a public health nursing certificate, or other closely related field with at least one year of home and community-based experience, or a registered nurse with at least two years of home and community-based experience who has received training and certification specific to assessment and consultation for long-term care services in the state.

Sec. 20. Minnesota Statutes 2016, section 256B.0911, is amended by adding a subdivision to read:

Subd. 3f. Long-term care reassessments and community support plan updates.

Face-to-face reassessments must be conducted annually or as required by federal and state laws and rules. Reassessments build upon all previous assessments conducted and include a review of needs and services to identify any changes. Reassessments provide information to support the person's informed choice and opportunities to express choice regarding activities that contribute to quality of life, as well as information and opportunity to identify goals related to desired employment, community activities, and preferred living environment. Reassessments allow for a review of the current support plan's effectiveness, monitoring of
services, and the development of an updated person-centered community support plan. Reassessments verify continued eligibility or offer alternatives as warranted and provide an opportunity for quality assurance of service delivery.

Sec. 21. Minnesota Statutes 2016, section 256B.0911, subdivision 4d, is amended to read:

Subd. 4d. Preadmission screening of individuals under 65 years of age. (a) It is the policy of the state of Minnesota to ensure that individuals with disabilities or chronic illness are served in the most integrated setting appropriate to their needs and have the necessary information to make informed choices about home and community-based service options.

(b) Individuals under 65 years of age who are admitted to a Medicaid-certified nursing facility must be screened prior to admission according to the requirements outlined in section 256.975, subdivisions 7a to 7c. This shall be provided by the Senior LinkAge Line as required under section 256.975, subdivision 7.

(c) Individuals under 65 years of age who are admitted to nursing facilities with only a telephone screening must receive a face-to-face assessment from the long-term care consultation team member of the county in which the facility is located or from the recipient's county case manager within 40 calendar days of admission the timeline established by the commissioner, based on review of data.

(d) At the face-to-face assessment, the long-term care consultation team member or county case manager must perform the activities required under subdivision 3b.

(e) For individuals under 21 years of age, a screening interview which recommends nursing facility admission must be face-to-face and approved by the commissioner before the individual is admitted to the nursing facility.

(f) In the event that an individual under 65 years of age is admitted to a nursing facility on an emergency basis, the Senior LinkAge Line must be notified of the admission on the next working day, and a face-to-face assessment as described in paragraph (c) must be conducted within 40 calendar days of admission the timeline established by the commissioner, based on review of data.

(g) At the face-to-face assessment, the long-term care consultation team member or the case manager must present information about home and community-based options, including consumer-directed options, so the individual can make informed choices. If the individual chooses home and community-based services, the long-term care consultation team member or case manager must complete a written relocation plan within 20 working days of the visit. The plan shall describe the services needed to move out of the facility and a time line
for the move which is designed to ensure a smooth transition to the individual's home and
community.

(h) An individual under 65 years of age residing in a nursing facility shall receive a
face-to-face assessment at least every 12 months to review the person's service choices and
available alternatives unless the individual indicates, in writing, that annual visits are not
desired. In this case, the individual must receive a face-to-face assessment at least once
every 36 months for the same purposes.

(i) Notwithstanding the provisions of subdivision 6, the commissioner may pay county
agencies directly for face-to-face assessments for individuals under 65 years of age who
are being considered for placement or residing in a nursing facility.

(j) Funding for preadmission screening follow-up shall be provided to the Disability
Linkage Line for the under-60 population by the Department of Human Services to cover
options counseling salaries and expenses to provide the services described in subdivisions
7a to 7c. The Disability Linkage Line shall employ, or contract with other agencies to
employ, within the limits of available funding, sufficient personnel to provide preadmission
screening follow-up services and shall seek to maximize federal funding for the service as
provided under section 256.01, subdivision 2, paragraph (dd).

Sec. 22. Minnesota Statutes 2016, section 256B.0911, subdivision 5, is amended to read:

Subd. 5. Administrative activity. (a) The commissioner shall streamline the processes,
including timelines for when assessments need to be completed, required to provide the
services in this section and shall implement integrated solutions to automate the business
processes to the extent necessary for community support plan approval, reimbursement,
program planning, evaluation, and policy development.

(b) The commissioner of human services shall work with lead agencies responsible for
conducting long-term consultation services to modify the MnCHOICES application and
assessment policies to create efficiencies while ensuring federal compliance with medical
assistance and long-term services and supports eligibility criteria.

Sec. 23. Minnesota Statutes 2016, section 256B.0921, is amended to read:

256B.0921 HOME AND COMMUNITY-BASED SERVICES INCENTIVE POOL.

The commissioner of human services shall develop an initiative to provide incentives
for innovation in: (1) achieving integrated competitive employment; (2) achieving integrated
competitive employment for youth under age 25 upon their graduation from school; (3)
living in the most integrated setting; and (4) other outcomes determined by the commissioner. The commissioner shall seek requests for proposals and shall contract with one or more entities to provide incentive payments for meeting identified outcomes. The initial requests for proposals must be issued by October 1, 2016.

Sec. 24. Minnesota Statutes 2016, section 256B.4913, subdivision 4a, is amended to read:

Subd. 4a. Rate stabilization adjustment. (a) For purposes of this subdivision, "implementation period" means the period beginning January 1, 2014, and ending on the last day of the month in which the rate management system is populated with the data necessary to calculate rates for substantially all individuals receiving home and community-based waiver services under sections 256B.092 and 256B.49. "Banding period" means the time period beginning on January 1, 2014, and ending upon the expiration of the 12-month period defined in paragraph (c), clause (5).

(b) For purposes of this subdivision, the historical rate for all service recipients means the individual reimbursement rate for a recipient in effect on December 1, 2013, except that:

(1) for a day service recipient who was not authorized to receive these waiver services prior to January 1, 2014; added a new service or services on or after January 1, 2014; or changed providers on or after January 1, 2014, the historical rate must be the weighted average authorized rate for the provider number in the county of service, effective December 1, 2013; or

(2) for a unit-based service with programming or a unit-based service without programming recipient who was not authorized to receive these waiver services prior to January 1, 2014; added a new service or services on or after January 1, 2014; or changed providers on or after January 1, 2014, the historical rate must be the weighted average authorized rate for each provider number in the county of service, effective December 1, 2013; or

(3) for residential service recipients who change providers on or after January 1, 2014, the historical rate must be set by each lead agency within their county aggregate budget using their respective methodology for residential services effective December 1, 2013, for determining the provider rate for a similarly situated recipient being served by that provider.

(c) The commissioner shall adj just individual reimbursement rates determined under this section so that the unit rate is no higher or lower than:

(1) 0.5 percent from the historical rate for the implementation period;
(2) 0.5 percent from the rate in effect in clause (1), for the 12-month period immediately following the time period of clause (1);

(3) 0.5 percent from the rate in effect in clause (2), for the 12-month period immediately following the time period of clause (2);

(4) 1.0 percent from the rate in effect in clause (3), for the 12-month period immediately following the time period of clause (3);

(5) 1.0 percent from the rate in effect in clause (4), for the 12-month period immediately following the time period of clause (4); and

(6) no adjustment to the rate in effect in clause (5) for the 12-month period immediately following the time period of clause (5). During this banding rate period, the commissioner shall not enforce any rate decrease or increase that would otherwise result from the end of the banding period. The commissioner shall, upon enactment, seek federal approval for the addition of this banding period; and

(7) one percent from the rate in effect in clause (6) for the 12-month period immediately following the time period of clause (6).

(d) The commissioner shall review all changes to rates that were in effect on December 1, 2013, to verify that the rates in effect produce the equivalent level of spending and service unit utilization on an annual basis as those in effect on October 31, 2013.

(e) By December 31, 2014, the commissioner shall complete the review in paragraph (d), adjust rates to provide equivalent annual spending, and make appropriate adjustments.

(f) During the banding period, the Medicaid Management Information System (MMIS) service agreement rate must be adjusted to account for change in an individual's need. The commissioner shall adjust the Medicaid Management Information System (MMIS) service agreement rate by:

(1) calculating a service rate under section 256B.4914, subdivision 6, 7, 8, or 9, for the individual with variables reflecting the level of service in effect on December 1, 2013;

(2) calculating a service rate under section 256B.4914, subdivision 6, 7, 8, or 9, for the individual with variables reflecting the updated level of service at the time of application; and

(3) adding to or subtracting from the Medicaid Management Information System (MMIS) service agreement rate, the difference between the values in clauses (1) and (2).
(g) This subdivision must not apply to rates for recipients served by providers new to a
given county after January 1, 2014. Providers of personal supports services who also acted
as fiscal support entities must be treated as new providers as of January 1, 2014.

**EFFECTIVE DATE.** (a) The amendment to paragraph (b) is effective the day following
final enactment.

(b) The amendment to paragraph (c) is effective upon federal approval. The commissioner
of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 25. Minnesota Statutes 2016, section 256B.4913, is amended by adding a subdivision
to read:

Subd. 7. *New services.* (a) A service added to section 256B.4914 after January 1, 2014,
is not subject to rate stabilization adjustment in this section.

(b) Employment support services authorized after January 1, 2018, under the new
employment support services definition according to the home and community-based services
waivers for people with disabilities under sections 256B.092 and 256B.49 are not subject
to rate stabilization adjustment in this section.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 26. Minnesota Statutes 2016, section 256B.4914, subdivision 2, is amended to read:

Subd. 2. *Definitions.* (a) For purposes of this section, the following terms have the
meanings given them, unless the context clearly indicates otherwise.

(b) "Commissioner" means the commissioner of human services.

(c) "Component value" means underlying factors that are part of the cost of providing
services that are built into the waiver rates methodology to calculate service rates.

(d) "Customized living tool" means a methodology for setting service rates that delineates
and documents the amount of each component service included in a recipient's customized
living service plan.

(e) "Disability waiver rates system" means a statewide system that establishes rates that
are based on uniform processes and captures the individualized nature of waiver services
and recipient needs.

(f) "Individual staffing" means the time spent as a one-to-one interaction specific to an
individual recipient by staff to provide direct support and assistance with activities of daily
living, instrumental activities of daily living, and training to participants, and is based on
the requirements in each individual's coordinated service and support plan under section

245D.02, subdivision 4b; any coordinated service and support plan addendum under section

245D.02, subdivision 4c; and an assessment tool. Provider observation of an individual's needs must also be considered.

(g) "Lead agency" means a county, partnership of counties, or tribal agency charged with administering waivered services under sections 256B.092 and 256B.49.

(h) "Median" means the amount that divides distribution into two equal groups, one-half above the median and one-half below the median.

(i) "Payment or rate" means reimbursement to an eligible provider for services provided to a qualified individual based on an approved service authorization.

(j) "Rates management system" means a Web-based software application that uses a framework and component values, as determined by the commissioner, to establish service rates.

(k) "Recipient" means a person receiving home and community-based services funded under any of the disability waivers.

(l) "Shared staffing" means time spent by employees, not defined under paragraph (f), providing or available to provide more than one individual with direct support and assistance with activities of daily living as defined under section 256B.0659, subdivision 1, paragraph (b); instrumental activities of daily living as defined under section 256B.0659, subdivision 1, paragraph (i); ancillary activities needed to support individual services; and training to participants, and is based on the requirements in each individual's coordinated service and support plan under section 245D.02, subdivision 4b; any coordinated service and support plan addendum under section 245D.02, subdivision 4c; an assessment tool; and provider observation of an individual's service need. Total shared staffing hours are divided proportionally by the number of individuals who receive the shared service provisions.

(m) "Staffing ratio" means the number of recipients a service provider employee supports during a unit of service based on a uniform assessment tool, provider observation, case history, and the recipient's services of choice, and not based on the staffing ratios under section 245D.31.

(n) "Unit of service" means the following:

(1) for residential support services under subdivision 6, a unit of service is a day. Any portion of any calendar day, within allowable Medicaid rules, where an individual spends time in a residential setting is billable as a day;
(2) for day services under subdivision 7:

(i) for day training and habilitation services, a unit of service is either:

(A) a day unit of service is defined as six or more hours of time spent providing direct
services and transportation; or

(B) a partial day unit of service is defined as fewer than six hours of time spent providing
direct services and transportation; and

(C) for new day service recipients after January 1, 2014, 15 minute units of service must
be used for fewer than six hours of time spent providing direct services and transportation;

(ii) for adult day and structured day services, a unit of service is a day or 15 minutes. A
day unit of service is six or more hours of time spent providing direct services;

(iii) for prevocational services, a unit of service is a day or an hour. A day unit of service
is six or more hours of time spent providing direct service;

(3) for unit-based services with programming under subdivision 8:

(i) for supported living services, a unit of service is a day or 15 minutes. When a day
rate is authorized, any portion of a calendar day where an individual receives services is
billable as a day; and

(ii) for all other services, a unit of service is 15 minutes; and

(4) for unit-based services without programming under subdivision 9:

(i) for respite services, a unit of service is a day or 15 minutes. When a day rate is
authorized, any portion of a calendar day when an individual receives services is billable
as a day; and

(ii) for all other services, a unit of service is 15 minutes.

EFFECTIVE DATE. This section is effective upon federal approval. The commissioner
of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 27. Minnesota Statutes 2016, section 256B.4914, subdivision 3, is amended to read:

Subd. 3. Applicable services. Applicable services are those authorized under the state's
home and community-based services waivers under sections 256B.092 and 256B.49,
including the following, as defined in the federally approved home and community-based
services plan:

(1) 24-hour customized living;
(2) adult day care;
(3) adult day care bath;
(4) behavioral programming;
(5) companion services;
(6) customized living;
(7) day training and habilitation;
(8) housing access coordination;
(9) independent living skills;
(10) in-home family support;

**EFFECTIVE DATE.** (a) Clause (20) is effective the day following final enactment.
(b) Clauses (21) to (24) are effective upon federal approval. The commissioner of human
services shall notify the revisor of statutes when federal approval is obtained.

Sec. 28. Minnesota Statutes 2016, section 256B.4914, subdivision 5, is amended to read:

Subd. 5. **Base wage index and standard component values.** (a) The base wage index
is established to determine staffing costs associated with providing services to individuals
receiving home and community-based services. For purposes of developing and calculating
the proposed base wage, Minnesota-specific wages taken from job descriptions and standard
occupational classification (SOC) codes from the Bureau of Labor Statistics as defined in
the most recent edition of the Occupational Handbook must be used. The base wage index
must be calculated as follows:

1. for residential direct care staff, the sum of:
   1.15 percent of the subtotal of 50 percent of the median wage for personal and home
       health aide (SOC code 39-9021); 30 percent of the median wage for nursing aide assistant
       (SOC code 31-1014); and 20 percent of the median wage for social and human
       services aide (SOC code 21-1093); and
   1.285 percent of the subtotal of 20 percent of the median wage for home health aide
       (SOC code 31-1011); 20 percent of the median wage for personal and home health aide
       (SOC code 39-9021); 20 percent of the median wage for nursing aide assistant (SOC code
       31-1014); 20 percent of the median wage for psychiatric technician (SOC code
       29-2053); and 20 percent of the median wage for social and human services aide (SOC code
       21-1093);
   1.320 percent of the median wage for nursing aide assistant (SOC code
       31-1014); 20 percent of the median wage for psychiatric technician (SOC code
       29-2053); and 60 percent of the median wage for social and human services aide (SOC code
       21-1093);
   1.420 percent of the median wage for mental health
       counselors (SOC code 21-1014);
   1.5100 percent of the median wage for clinical
       counseling and school psychologist (SOC code 19-3031);
(6) for behavior program specialist staff, 100 percent of the median wage for psychiatric technicians (SOC code 29-2053);

(7) for supportive living services staff, 20 percent of the median wage for nursing aide assistant (SOC code 31-1014); 20 percent of the median wage for psychiatric technician (SOC code 29-2053); and 60 percent of the median wage for social and human services aide (SOC code 21-1093);

(8) for housing access coordination staff, 50 percent of the median wage for community and social services specialist (SOC code 21-1099); and 50 percent of the median wage for social and human services aide (SOC code 21-1093);

(9) for in-home family support staff, 20 percent of the median wage for nursing aide (SOC code 31-1012); 30 percent of the median wage for community social service specialist (SOC code 21-1099); 40 percent of the median wage for social and human services aide (SOC code 21-1093); and ten percent of the median wage for psychiatric technician (SOC code 29-2053);

(10) for individualized home supports services staff, 40 percent of the median wage for community social service specialist (SOC code 21-1099); 50 percent of the median wage for social and human services aide (SOC code 21-1093); and ten percent of the median wage for psychiatric technician (SOC code 29-2053);

(11) for independent living skills staff, 40 percent of the median wage for community social service specialist (SOC code 21-1099); 50 percent of the median wage for social and human services aide (SOC code 21-1093); and ten percent of the median wage for psychiatric technician (SOC code 29-2053);

(12) for independent living skills specialist staff, 100 percent of mental health and substance abuse social worker (SOC code 21-1023);

(13) for supported employment support services staff, 20 percent of the median wage for nursing aide rehabilitation counselor (SOC code 31-1012); 20 percent of the median wage for psychiatric technician (SOC code 29-2053); and 60 percent of the median wage for community and social and human services aide specialist (SOC code 21-1093)

(14) for employment exploration services staff, 50 percent of the median wage for rehabilitation counselor (SOC code 21-1015); and 50 percent of the median wage for community and social services specialist (SOC code 21-1099);
(15) for employment development services staff, 50 percent of the median wage for
education, guidance, school, and vocational counselors (SOC code 21-1012); and 50 percent
of the median wage for community and social services specialist (SOC code 21-1099);

(16) for adult companion staff, 50 percent of the median wage for personal and
home care aide (SOC code 39-9021); and 50 percent of the median wage for nursing aides,
orderlies, and attendants assistant (SOC code 31-1012 31-1014);

(17) for night supervision staff, 20 percent of the median wage for home health
aide (SOC code 31-1011); 20 percent of the median wage for personal and home health
aide (SOC code 39-9021); 20 percent of the median wage for nursing aide assistant (SOC
code 31-1012 31-1014); 20 percent of the median wage for psychiatric technician (SOC
code 29-2053); and 20 percent of the median wage for social and human services aide (SOC
code 21-1093);

(18) for respite staff, 50 percent of the median wage for personal and home care
aide (SOC code 39-9021); and 50 percent of the median wage for nursing aides, orderlies,
and attendants assistant (SOC code 31-1012 31-1014);

(19) for personal support staff, 50 percent of the median wage for personal and
home care aide (SOC code 39-9021); and 50 percent of the median wage for nursing aides,
orderlies, and attendants assistant (SOC code 31-1012 31-1014);

(20) for supervisory staff, the basic wage is $17.43 per hour, 100 percent of the
median wage for community and social services specialist (SOC code 21-1099), with the
exception of the supervisor of behavior professional, behavior analyst, and behavior
specialists, which must be $30.75 per hour is 100 percent of the median wage for clinical
counseling and school psychologist (SOC code 19-3031);

5. absence and utilization factor ratio: 3.9 percent.

(h) On July 1, 2017, the commissioner shall update the base wage index in paragraph (a) based on the wage data by standard occupational code (SOC) from the Bureau of Labor Statistics available on December 31, 2016. The commissioner shall publish these updated values and load them into the rate management system. This adjustment occurs every five years. For adjustments in 2021 and beyond, the commissioner shall use the data available on December 31 of the calendar year five years prior. On January 1, 2022, and every two years thereafter, the commissioner shall update the base wage index in paragraph (a) based on the most recently available wage data by SOC from the Bureau of Labor Statistics. The commissioner shall publish these updated values and load them into the rate management system.

(i) On July 1, 2017, the commissioner shall update the framework components in paragraphs (b) to (g), paragraph (d), clause (5); paragraph (e), clause (5); and paragraph (f), clause (5); subdivision 6, clauses (8) and (9); and subdivision 7, clauses (10), (16), and (17), for changes in the Consumer Price Index. The commissioner will adjust these values higher.
or lower by the percentage change in the Consumer Price Index-All Items, United States
city average (CPI-U) from January 1, 2014, to January 1, 2017. The commissioner shall
publish these updated values and load them into the rate management system. This adjustment
occurs every five years. For adjustments in 2021 and beyond, the commissioner shall use
the data available on January 1 of the calendar year four years prior and January 1 of the
current calendar year. On January 1, 2022, and every two years thereafter, the commissioner
shall update the framework components in paragraph (d), clause (5); paragraph (e), clause
(5); and paragraph (f), clause (5); subdivision 6, clauses (8) and (9); and subdivision 7,
clauses (10), (16), and (17), for changes in the Consumer Price Index. The commissioner
shall adjust these values higher or lower by the percentage change in the CPI-U from the
date of the previous update to the date of the data most recently available prior to the
scheduled update. The commissioner shall publish these updated values and load them into
the rate management system.

(j) In this subdivision, if Bureau of Labor Statistics occupational codes or Consumer
Price Index items are unavailable in the future, the commissioner shall recommend to the
legislature codes or items to update and replace missing component values.

(k) The commissioner must ensure that wage values and component values in subdivisions
5 to 9 reflect the cost to provide the service. As determined by the commissioner, in
consultation with stakeholders identified in section 256B.4913, subdivision 5, a provider
enrolled to provide services with rates determined under this section must submit requested
cost data to the commissioner to support research on the cost of providing services that have
rates determined by the disability waiver rates system. Requested cost data may include,
but is not limited to:

(1) worker wage costs;

(2) benefits paid;

(3) supervisor wage costs;

(4) executive wage costs;

(5) vacation, sick, and training time paid;

(6) taxes, workers' compensation, and unemployment insurance costs paid;

(7) administrative costs paid;

(8) program costs paid;

(9) transportation costs paid;
(10) vacancy rates; and

(11) other data relating to costs required to provide services requested by the commissioner.

(l) At least once in any five-year period, a provider must submit cost data for a fiscal year that ended not more than 18 months prior to the submission date. The commissioner shall provide each provider a 90-day notice prior to its submission due date. If a provider fails to submit required reporting data, the commissioner shall provide notice to providers that have not provided required data 30 days after the required submission date, and a second notice for providers who have not provided required data 60 days after the required submission date. The commissioner shall temporarily suspend payments to the provider if cost data is not received 90 days after the required submission date. Withheld payments shall be made once data is received by the commissioner.

(m) The commissioner shall conduct a random validation of data submitted under paragraph (k) to ensure data accuracy. The commissioner shall analyze cost documentation in paragraph (k) and provide recommendations for adjustments to cost components.

(n) The commissioner shall analyze cost documentation in paragraph (k) and, in consultation with stakeholders identified in section 256B.4913, subdivision 5, may submit recommendations on component values and inflationary factor adjustments to the chairs and ranking minority members of the legislative committees with jurisdiction over human services every four years beginning January 1, 2020. The commissioner shall make recommendations in conjunction with reports submitted to the legislature according to subdivision 10, paragraph (e). The commissioner shall release business cost data in an aggregate form, and business cost data from individual providers shall not be released except as provided for in current law.

(o) The commissioner, in consultation with stakeholders identified in section 256B.4913, subdivision 5, shall develop and implement a process for providing training and technical assistance necessary to support provider submission of cost documentation required under paragraph (k).

**EFFECTIVE DATE.** (a) The amendments to paragraphs (a) to (g) are effective January 1, 2018, except the amendment to paragraph (d), clause (8), which is effective January 1, 2019, and the amendment to paragraph (a), clause (10), which is effective the day following final enactment.

(b) The amendments to paragraphs (h) to (o) are effective the day following final enactment.
Sec. 29. Minnesota Statutes 2016, section 256B.4914, subdivision 6, is amended to read:

Subd. 6. Payments for residential support services. (a) Payments for residential support services, as defined in sections 256B.092, subdivision 11, and 256B.49, subdivision 22, must be calculated as follows:

1. determine the number of shared staffing and individual direct staff hours to meet a recipient's needs provided on site or through monitoring technology;

2. personnel hourly wage rate must be based on the 2009 Bureau of Labor Statistics Minnesota-specific rates or rates derived by the commissioner as provided in subdivision 5. This is defined as the direct-care rate;

3. for a recipient requiring customization for deaf and hard-of-hearing language accessibility under subdivision 12, add the customization rate provided in subdivision 12 to the result of clause (2). This is defined as the customized direct-care rate;

4. multiply the number of shared and individual direct staff hours provided on site or through monitoring technology and nursing hours by the appropriate staff wages in subdivision 5, paragraph (a), or the customized direct-care rate;

5. multiply the number of shared and individual direct staff hours provided on site or through monitoring technology and nursing hours by the product of the supervision span of control ratio in subdivision 5, paragraph (b), clause (1), and the appropriate supervision wage in subdivision 5, paragraph (a), clause (46)-(20);

6. combine the results of clauses (4) and (5), excluding any shared and individual direct staff hours provided through monitoring technology, and multiply the result by one plus the employee vacation, sick, and training allowance ratio in subdivision 5, paragraph (b), clause (2). This is defined as the direct staffing cost;

7. for employee-related expenses, multiply the direct staffing cost, excluding any shared and individual direct staff hours provided through monitoring technology, by one plus the employee-related cost ratio in subdivision 5, paragraph (b), clause (3);

8. for client programming and supports, the commissioner shall add $2,179; and

9. for transportation, if provided, the commissioner shall add $1,680, or $3,000 if customized for adapted transport, based on the resident with the highest assessed need.

(b) The total rate must be calculated using the following steps:
(1) subtotal paragraph (a), clauses (7) to (9), and the direct staffing cost of any shared
and individual direct staff hours provided through monitoring technology that was excluded
in clause (7);
(2) sum the standard general and administrative rate, the program-related expense ratio,
and the absence and utilization ratio;
(3) divide the result of clause (1) by one minus the result of clause (2). This is the total
payment amount; and
(4) adjust the result of clause (3) by a factor to be determined by the commissioner to
adjust for regional differences in the cost of providing services.
(c) The payment methodology for customized living, 24-hour customized living, and
residential care services must be the customized living tool. Revisions to the customized
living tool must be made to reflect the services and activities unique to disability-related
recipient needs.
(d) For individuals enrolled prior to January 1, 2014, the days of service authorized must
meet or exceed the days of service used to convert service agreements in effect on December
1, 2013, and must not result in a reduction in spending or service utilization due to conversion
during the implementation period under section 256B.4913, subdivision 4a. If during the
implementation period, an individual's historical rate, including adjustments required under
section 256B.4913, subdivision 4a, paragraph (c), is equal to or greater than the rate
determined in this subdivision, the number of days authorized for the individual is 365.
(e) The number of days authorized for all individuals enrolling after January 1, 2014,
in residential services must include every day that services start and end.

Sec. 30. Minnesota Statutes 2016, section 256B.4914, subdivision 7, is amended to read:

Subd. 7. Payments for day programs. Payments for services with day programs
including adult day care, day treatment and habilitation, prevocational services, and structured
day services must be calculated as follows:
(1) determine the number of units of service and staffing ratio to meet a recipient's needs:
(i) the staffing ratios for the units of service provided to a recipient in a typical week
must be averaged to determine an individual's staffing ratio; and
(ii) the commissioner, in consultation with service providers, shall develop a uniform
staffing ratio worksheet to be used to determine staffing ratios under this subdivision.
(2) personnel hourly wage rates must be based on the 2009 Bureau of Labor Statistics Minnesota-specific rates or rates derived by the commissioner as provided in subdivision 5;

(3) for a recipient requiring customization for deaf and hard-of-hearing language accessibility under subdivision 12, add the customization rate provided in subdivision 12 to the result of clause (2). This is defined as the customized direct-care rate;

(4) multiply the number of day program direct staff hours and nursing hours by the appropriate staff wage in subdivision 5, paragraph (a), or the customized direct-care rate;

(5) multiply the number of day direct staff hours by the product of the supervision span of control ratio in subdivision 5, paragraph (d), clause (1), and the appropriate supervision wage in subdivision 5, paragraph (a), clause (16);

(6) combine the results of clauses (4) and (5), and multiply the result by one plus the employee vacation, sick, and training allowance ratio in subdivision 5, paragraph (d), clause (2). This is defined as the direct staffing rate;

(7) for program plan support, multiply the result of clause (6) by one plus the program plan support ratio in subdivision 5, paragraph (d), clause (4);

(8) for employee-related expenses, multiply the result of clause (7) by one plus the employee-related cost ratio in subdivision 5, paragraph (d), clause (3);

(9) for client programming and supports, multiply the result of clause (8) by one plus the client programming and support ratio in subdivision 5, paragraph (d), clause (5);

(10) for program facility costs, add $19.30 per week with consideration of staffing ratios to meet individual needs;

(11) for adult day bath services, add $7.01 per 15 minute unit;

(12) this is the subtotal rate;

(13) sum the standard general and administrative rate, the program-related expense ratio, and the absence and utilization factor ratio;

(14) divide the result of clause (12) by one minus the result of clause (13). This is the total payment amount;

(15) adjust the result of clause (14) by a factor to be determined by the commissioner to adjust for regional differences in the cost of providing services;
for transportation provided as part of day training and habilitation for an individual
who does not require a lift, add:

(i) $10.50 for a trip between zero and ten miles for a nonshared ride in a vehicle without
a lift, $8.83 for a shared ride in a vehicle without a lift, and $9.25 for a shared ride in a
vehicle with a lift;

(ii) $15.75 for a trip between 11 and 20 miles for a nonshared ride in a vehicle without
a lift, $10.58 for a shared ride in a vehicle without a lift, and $11.88 for a shared ride in a
vehicle with a lift;

(iii) $25.75 for a trip between 21 and 50 miles for a nonshared ride in a vehicle without
a lift, $13.92 for a shared ride in a vehicle without a lift, and $16.88 for a shared ride in a
vehicle with a lift; or

(iv) $33.50 for a trip of 51 miles or more for a nonshared ride in a vehicle without a lift,
$16.50 for a shared ride in a vehicle without a lift, and $20.75 for a shared ride in a vehicle
with a lift;

(17) for transportation provided as part of day training and habilitation for an individual
who does require a lift, add:

(i) $19.05 for a trip between zero and ten miles for a nonshared ride in a vehicle with a
lift, and $15.05 for a shared ride in a vehicle with a lift;

(ii) $32.16 for a trip between 11 and 20 miles for a nonshared ride in a vehicle with a
lift, and $28.16 for a shared ride in a vehicle with a lift;

(iii) $58.76 for a trip between 21 and 50 miles for a nonshared ride in a vehicle with a
lift, and $58.76 for a shared ride in a vehicle with a lift; or

(iv) $80.93 for a trip of 51 miles or more for a nonshared ride in a vehicle with a lift,
and $80.93 for a shared ride in a vehicle with a lift.

Sec. 31. Minnesota Statutes 2016, section 256B.4914, subdivision 8, is amended to read:

Subd. 8. Payments for unit-based services with programming. Payments for unit-based
services with programming, including behavior programming, housing access coordination,
in-home family support, independent living skills training, independent living skills specialist
services, individualized home supports, hourly supported living services, employment
exploration services, employment development services, and supported employment support
services provided to an individual outside of any day or residential service plan must be
calculated as follows, unless the services are authorized separately under subdivision 6 or
7:

(1) determine the number of units of service to meet a recipient's needs;

(2) personnel hourly wage rate must be based on the 2009 Bureau of Labor Statistics
Minnesota-specific rates or rates derived by the commissioner as provided in subdivision
5;

(3) for a recipient requiring customization for deaf and hard-of-hearing language
accessibility under subdivision 12, add the customization rate provided in subdivision 12
to the result of clause (2). This is defined as the customized direct-care rate;

(4) multiply the number of direct staff hours by the appropriate staff wage in subdivision
5, paragraph (a), or the customized direct-care rate;

(5) multiply the number of direct staff hours by the product of the supervision span of
control ratio in subdivision 5, paragraph (e), clause (1), and the appropriate supervision
wage in subdivision 5, paragraph (a), clause (16) (20);

(6) combine the results of clauses (4) and (5), and multiply the result by one plus the
employee vacation, sick, and training allowance ratio in subdivision 5, paragraph (e), clause
(2). This is defined as the direct staffing rate;

(7) for program plan support, multiply the result of clause (6) by one plus the program
plan supports ratio in subdivision 5, paragraph (e), clause (4);

(8) for employee-related expenses, multiply the result of clause (7) by one plus the
employee-related cost ratio in subdivision 5, paragraph (e), clause (3);

(9) for client programming and supports, multiply the result of clause (8) by one plus
the client programming and supports ratio in subdivision 5, paragraph (e), clause (5);

(10) this is the subtotal rate;

(11) sum the standard general and administrative rate, the program-related expense ratio,
and the absence and utilization factor ratio;

(12) divide the result of clause (10) by one minus the result of clause (11). This is the
total payment amount;

(13) for supported employment support services provided in a shared manner, divide
the total payment amount in clause (12) by the number of service recipients, not to exceed
three six. For independent living skills training and individualized home supports provided
in a shared manner, divide the total payment amount in clause (12) by the number of service
recipients, not to exceed two; and

(14) adjust the result of clause (13) by a factor to be determined by the commissioner
to adjust for regional differences in the cost of providing services.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 32. Minnesota Statutes 2016, section 256B.4914, subdivision 9, is amended to read:

Subd. 9. Payments for unit-based services without programming. Payments for
unit-based services without programming, including night supervision, personal support,
respite, and companion care provided to an individual outside of any day or residential
service plan must be calculated as follows unless the services are authorized separately
under subdivision 6 or 7:

(1) for all services except respite, determine the number of units of service to meet a
recipient's needs;

(2) personnel hourly wage rates must be based on the 2009 Bureau of Labor Statistics
Minnesota-specific rate or rates derived by the commissioner as provided in subdivision 5;

(3) for a recipient requiring customization for deaf and hard-of-hearing language
accessibility under subdivision 12, add the customization rate provided in subdivision 12
to the result of clause (2). This is defined as the customized direct care rate;

(4) multiply the number of direct staff hours by the appropriate staff wage in subdivision
5 or the customized direct care rate;

(5) multiply the number of direct staff hours by the product of the supervision span of
control ratio in subdivision 5, paragraph (f), clause (1), and the appropriate supervision
wage in subdivision 5, paragraph (a), clause (4)(20);

(6) combine the results of clauses (4) and (5), and multiply the result by one plus the
employee vacation, sick, and training allowance ratio in subdivision 5, paragraph (f), clause
(2). This is defined as the direct staffing rate;

(7) for program plan support, multiply the result of clause (6) by one plus the program
plan support ratio in subdivision 5, paragraph (f), clause (4);

(8) for employee-related expenses, multiply the result of clause (7) by one plus the
employee-related cost ratio in subdivision 5, paragraph (f), clause (3);
(9) for client programming and supports, multiply the result of clause (8) by one plus the client programming and support ratio in subdivision 5, paragraph (f), clause (5);

(10) this is the subtotal rate;

(11) sum the standard general and administrative rate, the program-related expense ratio, and the absence and utilization factor ratio;

(12) divide the result of clause (10) by one minus the result of clause (11). This is the total payment amount;

(13) for respite services, determine the number of day units of service to meet an individual's needs;

(14) personnel hourly wage rates must be based on the 2009 Bureau of Labor Statistics Minnesota-specific rate or rates derived by the commissioner as provided in subdivision 5;

(15) for a recipient requiring deaf and hard-of-hearing customization under subdivision 12, add the customization rate provided in subdivision 12 to the result of clause (14). This is defined as the customized direct care rate;

(16) multiply the number of direct staff hours by the appropriate staff wage in subdivision 5, paragraph (a);

(17) multiply the number of direct staff hours by the product of the supervisory span of control ratio in subdivision 5, paragraph (g), clause (1), and the appropriate supervision wage in subdivision 5, paragraph (a), clause (16) (20);

(18) combine the results of clauses (16) and (17), and multiply the result by one plus the employee vacation, sick, and training allowance ratio in subdivision 5, paragraph (g), clause (2). This is defined as the direct staffing rate;

(19) for employee-related expenses, multiply the result of clause (18) by one plus the employee-related cost ratio in subdivision 5, paragraph (g), clause (3);

(20) this is the subtotal rate;

(21) sum the standard general and administrative rate, the program-related expense ratio, and the absence and utilization factor ratio;

(22) divide the result of clause (20) by one minus the result of clause (21). This is the total payment amount; and

(23) adjust the result of clauses (12) and (22) by a factor to be determined by the commissioner to adjust for regional differences in the cost of providing services.
Sec. 33. Minnesota Statutes 2016, section 256B.4914, subdivision 10, is amended to read:

Subd. 10. **Updating payment values and additional information.** (a) From January 1, 2014, through December 31, 2017, the commissioner shall develop and implement uniform procedures to refine terms and adjust values used to calculate payment rates in this section.

(b) No later than July 1, 2014, the commissioner shall, within available resources, begin to conduct research and gather data and information from existing state systems or other outside sources on the following items:

1. differences in the underlying cost to provide services and care across the state; and
2. mileage, vehicle type, lift requirements, incidents of individual and shared rides, and units of transportation for all day services, which must be collected from providers using the rate management worksheet and entered into the rates management system; and
3. the distinct underlying costs for services provided by a license holder under sections 245D.05, 245D.06, 245D.07, 245D.071, 245D.081, and 245D.09, and for services provided by a license holder certified under section 245D.33.

(c) Beginning January 1, 2014, through December 31, 2018, using a statistically valid set of rates management system data, the commissioner, in consultation with stakeholders, shall analyze for each service the average difference in the rate on December 31, 2013, and the framework rate at the individual, provider, lead agency, and state levels. The commissioner shall issue semiannual reports to the stakeholders on the difference in rates by service and by county during the banding period under section 256B.4913, subdivision 4a. The commissioner shall issue the first report by October 1, 2014, and the final report shall be issued by December 31, 2018.

(d) No later than July 1, 2014, the commissioner, in consultation with stakeholders, shall begin the review and evaluation of the following values already in subdivisions 6 to 9, or issues that impact all services, including, but not limited to:

1. values for transportation rates for day services;
2. values for transportation rates in residential services;
3. values for services where monitoring technology replaces staff time;
4. values for indirect services;
5. values for nursing;
6. component values for independent living skills;
(7) component values for family foster care that reflect licensing requirements;

(8) adjustments to other components to replace the budget neutrality factor;

(9) remote monitoring technology for nonresidential services;

(10) values for basic and intensive services in residential services;

(11) (5) values for the facility use rate in day services, and the weightings used in the
day service ratios and adjustments to those weightings;

(12) (6) values for workers' compensation as part of employee-related expenses;

(13) (7) values for unemployment insurance as part of employee-related expenses;

(14) a component value to reflect costs for individuals with rates previously adjusted
for the inclusion of group residential housing rate 3 costs, only for any individual enrolled
as of December 31, 2013; and

(15) (8) any changes in state or federal law with an a direct impact on the underlying
cost of providing home and community-based services; and

(9) outcome measures, determined by the commissioner, for home and community-based
services rates determined under this section.

(e) The commissioner shall report to the chairs and the ranking minority members of
the legislative committees and divisions with jurisdiction over health and human services
policy and finance with the information and data gathered under paragraphs (b) to (d) on
the following dates:

(1) January 15, 2015, with preliminary results and data;

(2) January 15, 2016, with a status implementation update, and additional data and
summary information;

(3) January 15, 2017, with the full report; and

(4) January 15, 2020, with another full report, and a full report once every four
years thereafter.

(f) Based on the commissioner's evaluation of the information and data collected in
paragraphs (b) to (d), the commissioner shall make recommendations to the legislature by
January 15, 2015, to address any issues identified during the first year of implementation.
After January 15, 2015, the commissioner may make recommendations to the legislature
to address potential issues.
The commissioner shall implement a regional adjustment factor to all rate calculations in subdivisions 6 to 9, effective no later than January 1, 2015. Beginning July 1, 2017, the commissioner shall renew analysis and implement changes to the regional adjustment factors when adjustments required under subdivision 5, paragraph (h), occur.

Prior to implementation, the commissioner shall consult with stakeholders on the methodology to calculate the adjustment.

The commissioner shall provide a public notice via LISTSERV in October of each year beginning October 1, 2014, containing information detailing legislatively approved changes in:

1. calculation values including derived wage rates and related employee and administrative factors;
2. service utilization;
3. county and tribal allocation changes; and
4. information on adjustments made to calculation values and the timing of those adjustments.

The information in this notice must be effective January 1 of the following year.

No later than July 1, 2016, the commissioner shall develop and implement, in consultation with stakeholders, a methodology sufficient to determine the shared staffing levels necessary to meet, at a minimum, health and welfare needs of individuals who will be living together in shared residential settings, and the required shared staffing activities described in subdivision 2, paragraph (l). This determination methodology must ensure staffing levels are adaptable to meet the needs and desired outcomes for current and prospective residents in shared residential settings.

When the available shared staffing hours in a residential setting are insufficient to meet the needs of an individual who enrolled in residential services after January 1, 2014, or insufficient to meet the needs of an individual with a service agreement adjustment described in section 256B.4913, subdivision 4a, paragraph (f), then individual staffing hours shall be used.

The commissioner shall study the underlying cost of absence and utilization for day services. Based on the commissioner’s evaluation of the data collected under this paragraph, the commissioner shall make recommendations to the legislature by January 15, 2018, for changes, if any, to the absence and utilization factor ratio component value for day services.
Beginning July 1, 2017, the commissioner shall collect transportation and trip information for all day services through the rates management system.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 34. Minnesota Statutes 2016, section 256B.4914, subdivision 16, is amended to read:

Subd. 16. **Budget neutrality adjustments.** (a) The commissioner shall use the following adjustments to the rate generated by the framework to assure budget neutrality until the rate information is available to implement paragraph (b). The rate generated by the framework shall be multiplied by the appropriate factor, as designated below:

1. for residential services: 1.003;
2. for day services: 1.000;
3. for unit-based services with programming: 0.941; and
4. for unit-based services without programming: 0.796.

(b) Within 12 months of January 1, 2014, the commissioner shall compare estimated spending for all home and community-based waiver services under the new payment rates defined in subdivisions 6 to 9 with estimated spending for the same recipients and services under the rates in effect on July 1, 2013. This comparison must distinguish spending under each of subdivisions 6, 7, 8, and 9. The comparison must be based on actual recipients and services for one or more service months after the new rates have gone into effect. The commissioner shall consult with the commissioner of management and budget on this analysis to ensure budget neutrality. If estimated spending under the new rates for services under one or more subdivisions differs in this comparison by 0.3 percent or more, the commissioner shall assure aggregate budget neutrality across all service areas by adjusting the budget neutrality factor in paragraph (a) in each subdivision so that total estimated spending for each subdivision under the new rates matches estimated spending under the rates in effect on July 1, 2013.

(c) A service rate developed using values in subdivision 5, paragraph (a), clause (10), is not subject to budget neutrality adjustments.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
Sec. 35. Minnesota Statutes 2016, section 256C.23, is amended by adding a subdivision to read:

Subd. 1a. Culturally affirmative. "Culturally affirmative" describes services that are designed and delivered within the context of the culture, language, and life experiences of a person who is deaf, a person who is deafblind, and a person who is hard-of-hearing.

(12) establish partnerships with state and regional entities statewide that have the technological capacity to provide Minnesotans with virtual access to the division's services and division-sponsored training via technology.

Sec. 43. Minnesota Statutes 2016, section 256C.261, is amended to read:

256C.261 SERVICES FOR PERSONS WHO ARE DEAFBLIND PERSONS.

(a) The commissioner of human services shall combine the existing biennial base level funding for deafblind services into a single grant program. At least 35 percent of the total funding is awarded for services and other supports to deafblind children and their families and at least 25 percent is awarded for services and other supports to deafblind adults, use at least 35 percent of the deafblind services biennial base level grant funding for services and other supports for a child who is deafblind and the child's family. The commissioner shall use at least 25 percent of the deafblind services biennial base level grant funding for services and other supports for an adult who is deafblind.

The commissioner shall award grants for the purposes of:

(1) providing services and supports to individuals who are deafblind; and

(2) developing and providing training to counties and the network of senior citizen service providers. The purpose of the training grants is to teach counties how to use existing programs that capture federal financial participation to meet the needs of eligible persons who are deafblind and to build capacity of senior service programs to meet the needs of seniors with a dual sensory hearing and vision loss.

(b) The commissioner may make grants:

(1) for services and training provided by organizations; and

(2) to develop and administer consumer-directed services.

(c) Consumer-directed services shall be provided in whole by grant-funded providers.

The deaf and hard-of-hearing regional service centers shall not provide any aspect of a grant-funded consumer-directed services program.
Any entity that is able to satisfy the grant criteria is eligible to receive a grant under paragraph (a).

Deafblind service providers may, but are not required to, provide intervenor services as part of the service package provided with grant funds under this section.

Sec. 44. EXPANSION OF CONSUMER-DIRECTED COMMUNITY SUPPORTS

BUDGET METHODOLOGY EXCEPTION.

(a) No later than September 30, 2017, if necessary, the commissioner of human services shall submit an amendment to the Centers for Medicare and Medicaid Services for the home and community-based services waivers authorized under Minnesota Statutes, sections 256B.092 and 256B.49, to expand the exception to the consumer-directed community supports budget methodology under Laws 2015, chapter 71, article 7, section 54, to provide up to 30 percent more funds for either:

(1) consumer-directed community supports participants who have a coordinated service and support plan which identifies the need for an increased amount of services or supports under consumer-directed community supports than the amount they are currently receiving under the consumer-directed community supports budget methodology:

(i) to increase the amount of time a person works or otherwise improves employment opportunities;

(ii) to plan a transition to, move to, or live in a setting described in Minnesota Statutes, section 256D.44, subdivision 5, paragraph (f), clause (1), item (ii), or paragraph (g); or

(iii) to develop and implement a positive behavior support plan; or

(2) home and community-based waiver participants who are currently using licensed providers for (i) employment supports or services during the day; or (ii) residential services, either of which cost more annually than the person would spend under a consumer-directed community supports plan for any or all of the supports needed to meet the goals identified in paragraph (a), clause (1), items (i), (ii), and (iii).

(b) The exception under paragraph (a), clause (1), is limited to those persons who can demonstrate that they will have to discontinue using consumer-directed community supports and accept other non-self-directed waiver services because their supports needed for the goals described in paragraph (a), clause (1), items (i), (ii), and (iii), cannot be met within the consumer-directed community supports budget limits.
(c) The exception under paragraph (a), clause (2), is limited to those persons who can
demonstrate that, upon choosing to become a consumer-directed community supports
participant, the total cost of services, including the exception, will be less than the cost of
current waiver services.

**EFFECTIVE DATE.** The exception under this section is effective October 1, 2017, or
upon federal approval, whichever is later. Notwithstanding any other law to the contrary,
the exception in Laws 2016, chapter 144, section 1, remains in effect until the exception
under Laws 2015, chapter 71, article 7, section 54, or under this section becomes effective,
whichever occurs first. The commissioner of human services shall notify the revisor of
statutes when federal approval is obtained.

Sec. 45. **CONSUMER-DIRECTED COMMUNITY SUPPORTS BUDGET

**METHODOLOGY EXCEPTION FOR PERSONS LEAVING INSTITUTIONS AND
CRISIS RESIDENTIAL SETTINGS.**

(a) By September 30, 2017, the commissioner shall establish an institutional and crisis
bed consumer-directed community supports budget exception process in the home and
community-based services waivers under Minnesota Statutes, sections 256B.092 and
256B.49. This budget exception process shall be available for any individual who:

(1) is not offered available and appropriate services within 60 days since approval for
discharge from the individual's current institutional setting; and

(2) requires services that are more expensive than appropriate services provided in a
noninstitutional setting using the consumer-directed community supports option.

(b) Institutional settings for purposes of this exception include intermediate care facilities
for persons with developmental disabilities; nursing facilities; acute care hospitals; Anoka
Metro Regional Treatment Center; Minnesota Security Hospital; and crisis beds. The budget
exception shall be limited to no more than the amount of appropriate services provided in
a noninstitutional setting as determined by the lead agency managing the individual's home
and community-based services waiver. The lead agency shall notify the Department of
Human Services of the budget exception.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
Sec. 46. CONSUMER-DIRECTED COMMUNITY SUPPORTS REVISED BUDGET METHODOLOGY REPORT.

(a) The commissioner of human services, in consultation with stakeholders and others including representatives of lead agencies, home and community-based services waiver participants using consumer-directed community supports, advocacy groups, state agencies, the Institute on Community Integration at the University of Minnesota, and service and financial management providers, shall develop a revised consumer-directed community supports budget methodology. The new methodology shall be based on (1) the costs of providing services as reflected by the wage and other relevant components incorporated in the disability waiver rate formulas under Minnesota Statutes, chapter 256B, and (2) state-to-county waiver-funding methodologies. The new methodology should develop individual consumer-directed community supports budgets comparable to those provided for similar needs individuals if paying for non-consumer-directed community supports waiver services.

(b) By December 15, 2018, the commissioner shall report a revised consumer-directed community supports budget methodology, including proposed legislation and funding necessary to implement the new methodology, to the chairs and ranking minority members of the house of representatives and senate committees with jurisdiction over health and human services.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 47. FEDERAL WAIVER AMENDMENTS.

The commissioner of human services shall submit necessary waiver amendments to the Centers for Medicare and Medicaid Services to add employment exploration services, community development services, and employment support services to the home and community-based services waivers authorized under Minnesota Statutes, sections 256B.092 and 256B.49. The commissioner shall also submit necessary waiver amendments to remove community-based employment services from day training and habilitation and prevocational services. The commissioner shall submit all necessary waiver amendments by October 1, 2017.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 48. TRANSPORTATION STUDY.

The commissioner of human services, with cooperation from lead agencies and in consultation with stakeholders, shall conduct a study to identify opportunities to increase access to transportation services for an individual who receives home and community-based services. The commissioner shall submit a report with recommendations to the chairs and ranking minority members of the legislative committees with jurisdiction over human services by January 15, 2019. The report shall:

(1) study all aspects of the current transportation service network, including the fleet available, the different rate-setting methods currently used, methods that an individual uses to access transportation, and the diversity of available provider agencies;

(2) identify current barriers for an individual accessing transportation and for a provider providing waiver services transportation in the marketplace;

(3) identify efficiencies and collaboration opportunities to increase available transportation, including transportation funded by medical assistance, and available regional transportation and transit options;

(4) study transportation solutions in other states for delivering home and community-based services;

(5) study provider costs required to administer transportation services;

(6) make recommendations for coordinating and increasing transportation accessibility across the state; and

(7) make recommendations for the rate setting of waivered transportation.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 49. DIRECTION TO COMMISSIONER; TELECOMMUNICATION EQUIPMENT PROGRAM.

The commissioner of human services shall work in consultation with the Commission of Deaf, Deafblind, and Hard-of-Hearing Minnesotans to provide recommendations by January 15, 2018, to the chairs and ranking minority members of the house of representatives and senate committees with jurisdiction over human services to modernize the telecommunication equipment program. The recommendations must address:

(1) types of equipment and supports the program should provide to ensure people with communication difficulties have equitable access to telecommunications services;
(2) additional services the program should provide, such as education about technology options that can improve a person's access to telecommunications services; and

(3) how the current program's service delivery structure might be improved to better meet the needs of people with communication disabilities.

The commissioner shall also provide draft legislative language to accomplish the recommendations. Final recommendations, the final report, and draft legislative language must be approved by both the commissioner and the chair of the Commission of Deaf, Deafblind, and Hard-of-Hearing Minnesotans.

Sec. 50. DIRECTION TO COMMISSIONER; BILLING FOR MENTAL HEALTH SERVICES.

By January 1, 2018, the commissioner of human services shall report to the chairs and ranking minority members of the house of representatives and senate committees with jurisdiction over deaf and hard-of-hearing services on the potential costs and benefits of the Deaf and Hard-of-Hearing Services Division billing for the cost of providing mental health services.

Sec. 51. DIRECTION TO COMMISSIONER; MnCHOICES ASSESSMENT TOOL.

The commissioner of human services shall work with lead agencies responsible for conducting long-term consultation services under Minnesota Statutes, section 256B.0911, to modify the MnCHOICES assessment tool and related policies to:

(1) reduce assessment times;

(2) create efficiencies within the tool and within practice and policy for conducting assessments and support planning;

(3) implement policy changes reducing the frequency and depth of assessment and reassessment, while ensuring federal compliance with medical assistance and disability waiver eligibility requirements; and

(4) evaluate alternative payment methods.

Sec. 52. RANDOM MOMENT TIME STUDY EVALUATION REQUIRED.

The commissioner of human services shall evaluate the random moment time study methodology for reimbursement of costs associated with county duties required under Minnesota Statutes, section 256B.0911. The study must determine whether random moment is efficient and effective in supporting functions of assessment and support planning and
the purpose under Minnesota Statutes, section 256B.0911, subdivision 1. The commissioner
shall submit a report to the chairs and ranking minority members of the house of
representatives and senate committees with jurisdiction over health and human services by
January 15, 2019. The report must provide recommendations for changes to payment
methodologies and functions related to assessment, eligibility determination, and support
planning.

Sec. 53. REPEALER.

(a) Minnesota Statutes 2016, sections 144A.351, subdivision 2; 256C.23, subdivision
3; 256C.233, subdivision 4; and 256C.25, subdivisions 1 and 2, are repealed.

(b) Minnesota Statutes 2016, section 256B.4914, subdivision 16, is repealed effective
January 1, 2018.

(c) Laws 2012, chapter 247, article 4, section 47, as amended by Laws 2014, chapter
312, article 27, section 72, Laws 2015, chapter 71, article 7, section 58, Laws 2016, chapter
144, section 1; and Laws 2015, chapter 71, article 7, section 54, are repealed upon the
effective date of section 44.

ARTICLE 2

HOUSING

Section 1. Minnesota Statutes 2016, section 144D.04, subdivision 2, is amended to read:

Subd. 2. Contents of contract. A housing with services contract, which need not be
entitled as such to comply with this section, shall include at least the following elements in
itself or through supporting documents or attachments:

(1) the name, street address, and mailing address of the establishment;

(2) the name and mailing address of the owner or owners of the establishment and, if
the owner or owners is not a natural person, identification of the type of business entity of
the owner or owners;

(3) the name and mailing address of the managing agent, through management agreement
or lease agreement, of the establishment, if different from the owner or owners;

(4) the name and address of at least one natural person who is authorized to accept service
of process on behalf of the owner or owners and managing agent;
(5) a statement describing the registration and licensure status of the establishment and
any provider providing health-related or supportive services under an arrangement with the
establishment;

(6) the term of the contract;

(7) a description of the services to be provided to the resident in the base rate to be paid
by resident, including a delineation of the portion of the base rate that constitutes rent and
a delineation of charges for each service included in the base rate;

(8) a description of any additional services, including home care services, available for
an additional fee from the establishment directly or through arrangements with the
establishment, and a schedule of fees charged for these services;

(9) a description of the process through which the contract may be modified, amended,
or terminated, including whether a move to a different room or sharing a room would be
required in the event that the tenant can no longer pay the current rent;

(10) a description of the establishment's complaint resolution process available to residents
including the toll-free complaint line for the Office of Ombudsman for Long-Term Care;

(11) the resident's designated representative, if any;

(12) the establishment's referral procedures if the contract is terminated;

(13) requirements of residency used by the establishment to determine who may reside
or continue to reside in the housing with services establishment;

(14) billing and payment procedures and requirements;

(15) a statement regarding the ability of residents to receive services from
service providers with whom the establishment does not have an arrangement;

(16) a statement regarding the availability of public funds for payment for residence or
services in the establishment; and

(17) a statement regarding the availability of and contact information for long-term care
consultation services under section 256B.0911 in the county in which the establishment is
located.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 2. Minnesota Statutes 2016, section 144D.04, is amended by adding a subdivision to read:

Subd. 2a. Additional contract requirements. (a) For a resident receiving one or more health-related services from the establishment's arranged home care provider, as defined in section 144D.01, subdivision 6, the contract must include the requirements in paragraph (b). A restriction of a resident's rights under this subdivision is allowed only if determined necessary for health and safety reasons identified by the home care provider's registered nurse in an initial assessment or reassessment, as defined under section 144A.4791, subdivision 8, and documented in the written service plan under section 144A.4791, subdivision 9. Any restrictions of those rights for people served under sections 256B.0915 and 256B.49 must be documented in the resident's coordinated service and support plan (CSSP), as defined under sections 256B.0915, subdivision 6 and 256B.49, subdivision 15.

(b) The contract must include a statement:

(1) regarding the ability of a resident to furnish and decorate the resident's unit within the terms of the lease;

(2) regarding the resident's right to access food at any time;

(3) regarding a resident's right to choose the resident's visitors and times of visits;

(4) regarding the resident's right to choose a roommate if sharing a unit; and

(5) notifying the resident of the resident's right to have and use a lockable door to the resident's unit. The landlord shall provide the locks on the unit. Only a staff member with a specific need to enter the unit shall have keys, and advance notice must be given to the resident before entrance, when possible.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2016, section 245A.03, subdivision 7, is amended to read:

Subd. 7. Licensing moratorium. (a) The commissioner shall not issue an initial license for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, or adult foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter for a physical location that will not be the primary residence of the license holder for the entire period of licensure. If a license is issued during this moratorium, and the license holder changes the license holder's primary residence away from the physical location of the foster care license, the commissioner shall revoke the license according to section 256B.0915, subdivision 10.
The commissioner shall not issue an initial license for a community residential setting licensed under chapter 245D. Exceptions to the moratorium include:

1. foster care settings that are required to be registered under chapter 144D;

2. foster care licenses replacing foster care licenses in existence on May 15, 2009, or community residential setting licenses replacing adult foster care licenses in existence on December 31, 2013, and determined to be needed by the commissioner under paragraph (b);

3. new foster care licenses or community residential setting licenses determined to be needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD, or regional treatment center; restructuring of state-operated services that limits the capacity of state-operated facilities; or allowing movement to the community for people who no longer require the level of care provided in state-operated facilities as provided under section 256B.092, subdivision 13, or 256B.49, subdivision 24;

4. new foster care licenses or community residential setting licenses determined to be needed by the commissioner under paragraph (b) for persons requiring hospital level care; or

5. new foster care licenses or community residential setting licenses determined to be needed by the commissioner for the transition of people from personal care assistance to the home and community-based services. When approving an exception under this paragraph, the commissioner shall consider the resource need determination process in paragraph (h), the availability of foster care licensed beds in the geographic area in which the licensee seeks to operate, the results of a person's choices during their annual assessment and service plan review, and the recommendation of the local county board. The determination by the commissioner is final and not subject to appeal;

6. new foster care licenses or community residential setting licenses determined to be needed by the commissioner for the transition of people from the residential care waiver services to foster care services. This exception applies only when:

   i. the person's case manager provided the person with information about the choice of service, service provider, and location of service to help the person make an informed choice;

   and

   ii. the person's foster care services are less than or equal to the cost of the person's services delivered in the residential care waiver service setting as determined by the lead agency; or
(7) new foster care licenses or community residential setting licenses for people receiving services under chapter 245D and residing in an unlicensed setting before May 1, 2017, and for which a license is required. This exception does not apply to people living in their own home. For purposes of this clause, there is a presumption that a foster care or community residential setting license is required for services provided to three or more people in a dwelling unit when the setting is controlled by the provider. A license holder subject to this exception may rebut the presumption that a license is required by seeking a reconsideration of the commissioner's determination. The commissioner's disposition of a request for reconsideration is final and not subject to appeal under chapter 14. The exception is available until June 30, 2018. This exception is available when:

(i) the person's case manager provided the person with information about the choice of service, service provider, and location of service, including in the person's home, to help the person make an informed choice; and

(ii) the person's services provided in the licensed foster care or community residential setting are less than or equal to the cost of the person's services delivered in the unlicensed setting as determined by the lead agency.

(b) The commissioner shall determine the need for newly licensed foster care homes or community residential settings as defined under this subdivision. As part of the determination, the commissioner shall consider the availability of foster care capacity in the area in which the licensee seeks to operate, and the recommendation of the local county board. The determination by the commissioner must be final. A determination of need is not required for a change in ownership at the same address.

(c) When an adult resident served by the program moves out of a foster home that is not the primary residence of the license holder according to section 256B.49, subdivision 15, paragraph (f), or the adult community residential setting, the county shall immediately inform the Department of Human Services Licensing Division. The department may decrease the statewide licensed capacity for adult foster care settings where the physical location is not the primary residence of the license holder, or for adult community residential settings, if the voluntary changes described in paragraph (e) are not sufficient to meet the savings required by reductions in licensed bed capacity under Laws 2011, First Special Session chapter 9, article 7, sections 1 and 40, paragraph (f), and maintain statewide long-term care residential services capacity within budgetary limits. Implementation of the statewide licensed capacity reduction shall begin on July 1, 2013. The commissioner shall delicense up to 128 beds by June 30, 2014, using the needs determination process. Prior to any involuntary reduction of licensed capacity, the commissioner shall consult with lead agencies
and license holders to determine which adult foster care settings, where the physical location is not the primary residence of the license holder, or community residential settings, are licensed for up to five beds, but have operated at less than full capacity for 12 or more months as of March 1, 2014. The settings that meet these criteria must be the first to be considered for an involuntary decrease in statewide licensed capacity, up to a maximum of 25 beds. If more than 25 beds are identified that meet these criteria, the commissioner shall prioritize the selection of those beds to be closed based on the length of time the beds have been vacant. The longer a bed has been vacant, the higher priority it must be given for closure. Under this paragraph, the commissioner has the authority to reduce unused licensed capacity of a current foster care program, or the community residential settings, to accomplish the consolidation or closure of settings. Under this paragraph, the commissioner has the authority to manage statewide capacity, including adjusting the capacity available to each county and adjusting statewide available capacity, to meet the statewide needs identified through the process in paragraph (e). A decreased licensed capacity according to this paragraph is not subject to appeal under this chapter.

(d) Residential settings that would otherwise be subject to the decreased license capacity established in paragraph (c) shall be exempt if the license holder's beds are occupied by residents whose primary diagnosis is mental illness and the license holder is certified under the requirements in subdivision 6a or section 245D.33.

(e) A resource need determination process, managed at the state level, using the available reports required by section 144A.351, and other data and information shall be used to determine where the reduced capacity required determined under paragraph (e) section 256B.493 will be implemented. The commissioner shall consult with the stakeholders described in section 144A.351, and employ a variety of methods to improve the state's capacity to meet the informed decisions of those people who want to move out of corporate foster care or community residential settings, long-term care service needs within budgetary limits, including seeking proposals from service providers or lead agencies to change service type, capacity, or location to improve services, increase the independence of residents, and better meet needs identified by the long-term care services and supports reports and statewide data and information. By February 1, 2013, and August 1, 2014, and each following year, the commissioner shall provide information and data and targets on the overall capacity of licensed long-term care services and supports, actions taken under this subdivision to manage statewide long-term care services and supports resources, and any recommendations for change to the legislative committees with jurisdiction over health and human services budget.
At the time of application and reapplication for licensure, the applicant and the license holder that are subject to the moratorium or an exclusion established in paragraph (a) are required to inform the commissioner whether the physical location where the foster care will be provided is or will be the primary residence of the license holder for the entire period of licensure. If the primary residence of the applicant or license holder changes, the applicant or license holder must notify the commissioner immediately. The commissioner shall print on the foster care license certificate whether or not the physical location is the primary residence of the license holder.

License holders of foster care homes identified under paragraph (f) that are not the primary residence of the license holder and that also provide services in the foster care home that are covered by a federally approved home and community-based services waiver, as authorized under section 256B.0915, 256B.092, or 256B.49, must inform the human services licensing division that the license holder provides or intends to provide these waiver-funded services.

The commissioner may adjust capacity to address needs identified in section 144A.351. Under this authority, the commissioner may approve new licensed settings or delicense existing settings. Delicensing of settings will be accomplished through a process identified in section 256B.493. Annually, by August 1, the commissioner shall provide information and data on capacity of licensed long-term services and supports, actions taken under the subdivision to manage statewide long-term services and supports resources, and any recommendations for change to the legislative committees with jurisdiction over the health and human services budget.

The commissioner must notify a license holder when its corporate foster care or community residential setting licensed beds are reduced under this section. The notice of reduction of licensed beds must be in writing and delivered to the license holder by certified mail or personal service. The notice must state why the licensed beds are reduced and must inform the license holder of its right to request reconsideration by the commissioner. The license holder's request for reconsideration must be in writing. If mailed, the request for reconsideration must be postmarked and sent to the commissioner within 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds. If a request for reconsideration is made by personal service, it must be received by the commissioner within 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

The commissioner shall not issue an initial license for children's residential treatment services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter for a program that Centers for Medicare and Medicaid Services would consider an institution
for mental diseases. Facilities that serve only private pay clients are exempt from the
moratorium described in this paragraph. The commissioner has the authority to manage
existing statewide capacity for children's residential treatment services subject to the
moratorium under this paragraph and may issue an initial license for such facilities if the
initial license would not increase the statewide capacity for children's residential treatment
services subject to the moratorium under this paragraph.

Sec. 4. Minnesota Statutes 2016, section 245A.04, subdivision 14, is amended to read:

Subd. 14. Policies and procedures for program administration required and
enforceable. (a) The license holder shall develop program policies and procedures necessary
to maintain compliance with licensing requirements under Minnesota Statutes and Minnesota
Rules.

(b) The license holder shall:

(1) provide training to program staff related to their duties in implementing the program's
policies and procedures developed under paragraph (a);

(2) document the provision of this training; and

(3) monitor implementation of policies and procedures by program staff.

(c) The license holder shall keep program policies and procedures readily accessible to
staff and index the policies and procedures with a table of contents or another method
approved by the commissioner.

(d) An adult foster care license holder that provides foster care services to a resident
under section 256B.0915 must annually provide a copy of the resident termination policy
under section 245A.11, subdivision 11, to a resident covered by the policy.

Sec. 5. Minnesota Statutes 2016, section 245A.11, is amended by adding a subdivision to
read:

Subd. 9. Adult foster care bedrooms. (a) A resident receiving services must have a
choice of roommate. Each roommate must consent in writing to sharing a bedroom with
one another. The license holder is responsible for notifying a resident of the resident's right
to request a change of roommate.

(b) The license holder must provide a lock for each resident's bedroom door, unless
otherwise indicated for the resident's health, safety, or well-being. A restriction on the use
of the lock must be documented and justified in the resident's individual abuse prevention
plan required by sections 245A.65, subdivision 2, paragraph (b), and 626.557, subdivision
14.For a resident served under section 256B.0915, the case manager must be part of the
interdisciplinary team under section 245A.65, subdivision 2, paragraph (b).

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 6. Minnesota Statutes 2016, section 245A.11, is amended by adding a subdivision to
read:

Subd. 10. Adult foster care resident rights. (a) The license holder shall ensure that a
resident and a resident's legal representative are given, at admission:

(1) an explanation and copy of the resident's rights specified in paragraph (b);

(2) a written summary of the Vulnerable Adults Protection Act prepared by the
department; and

(3) the name, address, and telephone number of the local agency to which a resident or
a resident's legal representative may submit an oral or written complaint.

(b) Adult foster care resident rights include the right to:

(1) have daily, private access to and use of a non-coin-operated telephone for local and
long-distance telephone calls made collect or paid for by the resident;

(2) receive and send, without interference, uncensored, unopened mail or electronic
 correspondence or communication;

(3) have use of and free access to common areas in the residence and the freedom to
 come and go from the residence at will;

(4) have privacy for visits with the resident's spouse, next of kin, legal counsel, religious
 adviser, or others, according to section 363A.09 of the Human Rights Act, including privacy
 in the resident's bedroom;

(5) keep, use, and access the resident's personal clothing and possessions as space permits,
 unless this right infringes on the health, safety, or rights of another resident or household
 member, including the right to access the resident's personal possessions at any time;

(6) choose the resident's visitors and time of visits and participate in activities of
 commercial, religious, political, and community groups without interference if the activities
do not infringe on the rights of another resident or household member;

(7) if married, privacy for visits by the resident's spouse, and, if both spouses are residents
of the adult foster home, the residents have the right to share a bedroom and bed;
(8) privacy, including use of the lock on the resident's bedroom door or unit door. A resident's privacy must be respected by license holders, caregivers, household members, and volunteers by knocking on the door of a resident's bedroom or bathroom and seeking consent before entering, except in an emergency;

(9) furnish and decorate the resident's bedroom or living unit;

(10) engage in chosen activities and have an individual schedule supported by the license holder that meets the resident's preferences;

(11) freedom and support to access food at any time;

(12) have personal, financial, service, health, and medical information kept private, and be advised of disclosure of this information by the license holder;

(13) access records and recorded information about the resident according to applicable state and federal law, regulation, or rule;

(14) be free from maltreatment;

(15) be treated with courtesy and respect and receive respectful treatment of the resident's property;

(16) reasonable observance of cultural and ethnic practice and religion;

(17) be free from bias and harassment regarding race, gender, age, disability, spirituality, and sexual orientation;

(18) be informed of and use the license holder's grievance policy and procedures, including how to contact the highest level of authority in the program;

(19) assert the resident's rights personally, or have the rights asserted by the resident's family, authorized representative, or legal representative, without retaliation; and

(20) give or withhold written informed consent to participate in any research or experimental treatment.

(c) A restriction of a resident's rights under paragraph (b), clauses (1) to (4), (6), (8), (10), and (11), is allowed only if determined necessary to ensure the health, safety, and well-being of the resident. Any restriction of a resident's right must be documented and justified in the resident's individual abuse prevention plan required by sections 245A.65, subdivision 2, paragraph (b) and 626.557, subdivision 14. For a resident served under section 256B.0915, the case manager must be part of the interdisciplinary team under section 245A.65, subdivision 2, paragraph (b). The restriction must be implemented in the least
restrictive manner necessary to protect the resident and provide support to reduce or eliminate the need for the restriction.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 7. Minnesota Statutes 2016, section 245A.11, is amended by adding a subdivision to read:

Subd. 11. **Adult foster care service termination for elderly waiver participants.** (a)
This subdivision applies to foster care services for a resident served under section 256B.0915.

(b) The foster care license holder must establish policies and procedures for service termination that promote continuity of care and service coordination with the resident and the case manager and with another licensed caregiver, if any, who also provides support to the resident. The policy must include the requirements specified in paragraphs (c) to (h).

(c) The license holder must allow a resident to remain in the program and cannot terminate services unless:

(1) the termination is necessary for the resident's health, safety, and well-being and the resident's needs cannot be met in the facility;

(2) the safety of the resident or another resident in the program is endangered and positive support strategies were attempted and have not achieved and effectively maintained safety for the resident or another resident in the program;

(3) the health, safety, and well-being of the resident or another resident in the program would otherwise be endangered;

(4) the program was not paid for services;

(5) the program ceases to operate; or

(6) the resident was terminated by the lead agency from waiver eligibility.

(d) Before giving notice of service termination, the license holder must document the action taken to minimize or eliminate the need for termination. The action taken by the license holder must include, at a minimum:

(1) consultation with the resident's interdisciplinary team to identify and resolve issues leading to a notice of service termination; and

(2) a request to the case manager or other professional consultation or intervention services to support the resident in the program. This requirement does not apply to a notice of service termination issued under paragraph (c), clause (4) or (5).
(e) If, based on the best interests of the resident, the circumstances at the time of notice were such that the license holder was unable to take the action specified in paragraph (d), the license holder must document the specific circumstances and the reason the license holder was unable to take the action.

(f) The license holder must notify the resident or the resident's legal representative and the case manager in writing of the intended service termination. The notice must include:

1. the reason for the action;
2. except for service termination under paragraph (c), clause (4) or (5), a summary of the action taken to minimize or eliminate the need for termination and the reason the action failed to prevent the termination;
3. the resident's right to appeal the service termination under section 256.045, subdivision 3, paragraph (a); and
4. the resident's right to seek a temporary order staying the service termination according to the procedures in section 256.045, subdivision 4a, or subdivision 6, paragraph (c).

(g) Notice of the proposed service termination must be given at least 30 days before terminating a resident's service.

(h) After the resident receives the notice of service termination and before the services are terminated, the license holder must:

1. work with the support team or expanded support team to develop reasonable alternatives to support continuity of care and to protect the resident;
2. provide information requested by the resident or case manager; and
3. maintain information about the service termination, including the written notice of service termination, in the resident's record.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 8. Minnesota Statutes 2016, section 245D.04, subdivision 3, is amended to read:

Subd. 3. **Protection-related rights.** (a) A person's protection-related rights include the right to:

1. have personal, financial, service, health, and medical information kept private, and be advised of disclosure of this information by the license holder;
2. access records and recorded information about the person in accordance with applicable state and federal law, regulation, or rule;
(3) be free from maltreatment;

(4) be free from restraint, time out, seclusion, restrictive intervention, or other prohibited procedure identified in section 245D.06, subdivision 5, or successor provisions, except for:

(i) emergency use of manual restraint to protect the person from imminent danger to self or others according to the requirements in section 245D.061 or successor provisions; or (ii) the use of safety interventions as part of a positive support transition plan under section 245D.06, subdivision 8, or successor provisions;

(5) receive services in a clean and safe environment when the license holder is the owner, lessor, or tenant of the service site;

(6) be treated with courtesy and respect and receive respectful treatment of the person's property;

(7) reasonable observance of cultural and ethnic practice and religion;

(8) be free from bias and harassment regarding race, gender, age, disability, spirituality, and sexual orientation;

(9) be informed of and use the license holder's grievance policy and procedures, including knowing how to contact persons responsible for addressing problems and to appeal under section 256.045;

(10) know the name, telephone number, and the Web site, e-mail, and street addresses of protection and advocacy services, including the appropriate state-appointed ombudsman, and a brief description of how to file a complaint with these offices;

(11) assert these rights personally, or have them asserted by the person's family, authorized representative, or legal representative, without retaliation;

(12) give or withhold written informed consent to participate in any research or experimental treatment;

(13) associate with other persons of the person's choice;

(14) personal privacy, including the right to use the lock on the person's bedroom or unit door; and

(15) engage in chosen activities; and

(16) access to the person's personal possessions at any time, including financial resources.
(b) For a person residing in a residential site licensed according to chapter 245A, or
where the license holder is the owner, lessor, or tenant of the residential service site,
protection-related rights also include the right to:

(1) have daily, private access to and use of a non-coin-operated telephone for local calls
and long-distance calls made collect or paid for by the person;

(2) receive and send, without interference, uncensored, unopened mail or electronic
 correspondence or communication;

(3) have use of and free access to common areas in the residence and the freedom to
come and go from the residence at will; and

(4) choose the person's visitors and time of visits and have privacy for visits with the
person's spouse, next of kin, legal counsel, religious adviser, or others, in accordance
with section 363A.09 of the Human Rights Act, including privacy in the person's bedroom;

(5) the freedom and support to access food at any time;

(6) the freedom to furnish and decorate the person's bedroom or living unit;

(7) a setting that is clean and free from accumulation of dirt, grease, garbage, peeling
 paint, mold, vermin, and insects;

(8) a setting that is free from hazards that threaten the person's health or safety;

(9) a setting that meets state and local building and zoning definitions of a dwelling unit
in a residential occupancy; and

(10) have access to potable water and three nutritionally balanced meals and nutritious
snacks between meals each day.

(c) Restriction of a person's rights under paragraph (a), clauses (13) to (15), or
paragraph (b) is allowed only if determined necessary to ensure the health, safety, and
well-being of the person. Any restriction of those rights must be documented in the person's
coordinated service and support plan or coordinated service and support plan addendum.
The restriction must be implemented in the least restrictive alternative manner necessary
to protect the person and provide support to reduce or eliminate the need for the restriction
in the most integrated setting and inclusive manner. The documentation must include the
following information:

(1) the justification for the restriction based on an assessment of the person's vulnerability
related to exercising the right without restriction;

(2) the objective measures set as conditions for ending the restriction;
a schedule for reviewing the need for the restriction based on the conditions for ending the restriction to occur semiannually from the date of initial approval, at a minimum, or more frequently if requested by the person, the person's legal representative, if any, and case manager; and

(4) signed and dated approval for the restriction from the person, or the person's legal representative, if any. A restriction may be implemented only when the required approval has been obtained. Approval may be withdrawn at any time. If approval is withdrawn, the right must be immediately and fully restored.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 9. Minnesota Statutes 2016, section 245D.071, subdivision 3, is amended to read:

Subd. 3. Assessment and initial service planning. (a) Within 15 days of service initiation the license holder must complete a preliminary coordinated service and support plan addendum based on the coordinated service and support plan.

(b) Within the scope of services, the license holder must, at a minimum, complete assessments in the following areas before the 45-day planning meeting:

(1) the person's ability to self-manage health and medical needs to maintain or improve physical, mental, and emotional well-being, including, when applicable, allergies, seizures, choking, special dietary needs, chronic medical conditions, self-administration of medication or treatment orders, preventative screening, and medical and dental appointments;

(2) the person's ability to self-manage personal safety to avoid injury or accident in the service setting, including, when applicable, risk of falling, mobility, regulating water temperature, community survival skills, water safety skills, and sensory disabilities; and

(3) the person's ability to self-manage symptoms or behavior that may otherwise result in an incident as defined in section 245D.02, subdivision 11, clauses (4) to (7), suspension or termination of services by the license holder, or other symptoms or behaviors that may jeopardize the health and welfare of the person or others.

Assessments must produce information about the person that describes the person's overall strengths, functional skills and abilities, and behaviors or symptoms. Assessments must be based on the person's status within the last 12 months at the time of service initiation. Assessments based on older information must be documented and justified. Assessments must be conducted annually at a minimum or within 30 days of a written request from the person or the person's legal representative or case manager. The results must be reviewed by the support team or expanded support team as part of a service plan review.
Within 45 days of service initiation, the license holder must meet with the person,
the person's legal representative, the case manager, and other members of the support team
or expanded support team to determine the following based on information obtained from
the assessments identified in paragraph (b), the person's identified needs in the coordinated
service and support plan, and the requirements in subdivision 4 and section 245D.07,
subdivision 1a:

1. the scope of the services to be provided to support the person's daily needs and
activities;
2. the person's desired outcomes and the supports necessary to accomplish the person's
desired outcomes;
3. the person's preferences for how services and supports are provided, including how
the provider will support the person to have control of the person's schedule;
4. whether the current service setting is the most integrated setting available and
appropriate for the person; and
5. how services must be coordinated across other providers licensed under this chapter
serving the person and members of the support team or expanded support team to ensure
continuity of care and coordination of services for the person.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 10. Minnesota Statutes 2016, section 245D.11, subdivision 4, is amended to read:

Subd. 4. Admission criteria. The license holder must establish policies and procedures
that promote continuity of care by ensuring that admission or service initiation criteria:
1. is consistent with the service-related rights identified in section 245D.04, subdivisions
2, clauses (4) to (7), and 3, clause (8);
2. identifies the criteria to be applied in determining whether the license holder can
develop services to meet the needs specified in the person's coordinated service and support
plan;
3. requires a license holder providing services in a health care facility to comply with
the requirements in section 243.166, subdivision 4b, to provide notification to residents
when a registered predatory offender is admitted into the program or to a potential admission
when the facility was already serving a registered predatory offender. For purposes of this
clause, "health care facility" means a facility licensed by the commissioner as a residential
facility under chapter 245A to provide adult foster care or residential services to persons
with disabilities; and

(4) requires that when a person or the person's legal representative requests services
from the license holder, a refusal to admit the person must be based on an evaluation of the
person's assessed needs and the license holder's lack of capacity to meet the needs of the
person. The license holder must not refuse to admit a person based solely on the type of
residential services the person is receiving, or solely on the person's severity of disability,
orthopedic or neurological handicaps, sight or hearing impairments, lack of communication
skills, physical disabilities, toilet habits, behavioral disorders, or past failure to make progress.
Documentation of the basis for refusal must be provided to the person or the person's legal
representative and case manager upon request.

(5) requires the person or the person's legal representative and license holder to sign and
date the residency agreement when the license holder provides foster care or supported
living services under section 245D.03, subdivision 1, paragraph (c), clause (3), item (i) or
(ii), to a person living in a community residential setting defined in section 245D.02,
subdivision 4a; an adult foster home defined in Minnesota Rules, part 9555.5105, subpart
5; or a foster family home defined in Minnesota Rules, part 9560.0521, subpart 12. The
residency agreement must include service termination requirements specified in section
245D.10, subdivision 3a, paragraphs (b) to (f). The residency agreement must be reviewed
annually, dated, and signed by the person or the person's legal representative and license
holder.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 11. Minnesota Statutes 2016, section 245D.24, subdivision 3, is amended to read:

Subd. 3. **Bedrooms.** (a) **People** Each person receiving services must have a choice of
roommate and must mutually consent, in writing, to sharing a bedroom with one another.
No more than two people receiving services may share one bedroom.

(b) A single occupancy bedroom must have at least 80 square feet of floor space with a
7-1/2 foot ceiling. A double occupancy room must have at least 120 square feet of floor
space with a 7-1/2 foot ceiling. Bedrooms must be separated from halls, corridors, and other
habitable rooms by floor-to-ceiling walls containing no openings except doorways and must
not serve as a corridor to another room used in daily living.

(c) A person's personal possessions and items for the person's own use are the only items
permitted to be stored in a person's bedroom.
(d) Unless otherwise documented through assessment as a safety concern for the person, each person must be provided with the following furnishings:

1. a separate bed of proper size and height for the convenience and comfort of the person, with a clean mattress in good repair;
2. clean bedding appropriate for the season for each person;
3. an individual cabinet, or dresser, shelves, and a closet, for storage of personal possessions and clothing; and
4. a mirror for grooming.

(e) When possible, a person must be allowed to have items of furniture that the person personally owns in the bedroom, unless doing so would interfere with safety precautions, violate a building or fire code, or interfere with another person's use of the bedroom. A person may choose not to have a cabinet, dresser, shelves, or a mirror in the bedroom, as otherwise required under paragraph (d), clause (3) or (4). A person may choose to use a mattress other than an innerspring mattress and may choose not to have the mattress on a mattress frame or support. If a person chooses not to have a piece of required furniture, the license holder must document this choice and is not required to provide the item. If a person chooses to use a mattress other than an innerspring mattress or chooses not to have a mattress frame or support, the license holder must document this choice and allow the alternative desired by the person.

(f) A person must be allowed to bring personal possessions into the bedroom and other designated storage space, if such space is available, in the residence. The person must be allowed to accumulate possessions to the extent the residence is able to accommodate them, unless doing so is contraindicated for the person's physical or mental health, would interfere with safety precautions or another person's use of the bedroom, or would violate a building or fire code. The license holder must allow for locked storage of personal items. Any restriction on the possession or locked storage of personal items, including requiring a person to use a lock provided by the license holder, must comply with section 245D.04, subdivision 3, paragraph (c), and allow the person to be present if and when the license holder opens the lock.

(g) A person must be allowed to lock the person's bedroom door. The license holder must document and assess the physical plant and the environment, and the population served, and identify the risk factors that require using locked doors, and the specific action taken to minimize the safety risk to a person receiving services at the site.
EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 12. Minnesota Statutes 2016, section 256.045, subdivision 3, is amended to read:

Subd. 3. State agency hearings. (a) State agency hearings are available for the following:

(1) any person applying for, receiving or having received public assistance, medical care, or a program of social services granted by the state agency or a county agency or the federal Food Stamp Act whose application for assistance is denied, not acted upon with reasonable promptness, or whose assistance is suspended, reduced, terminated, or claimed to have been incorrectly paid;

(2) any patient or relative aggrieved by an order of the commissioner under section 252.27;

(3) a party aggrieved by a ruling of a prepaid health plan;

(4) except as provided under chapter 245C, any individual or facility determined by a lead investigative agency to have maltreated a vulnerable adult under section 626.557 after they have exercised their right to administrative reconsideration under section 626.557;

(5) any person whose claim for foster care payment according to a placement of the child resulting from a child protection assessment under section 626.556 is denied or not acted upon with reasonable promptness, regardless of funding source;

(6) any person to whom a right of appeal according to this section is given by other provision of law;

(7) an applicant aggrieved by an adverse decision to an application for a hardship waiver under section 256B.15;

(8) an applicant aggrieved by an adverse decision to an application or redetermination for a Medicare Part D prescription drug subsidy under section 256B.04, subdivision 4a;

(9) except as provided under chapter 245A, an individual or facility determined to have maltreated a minor under section 626.556, after the individual or facility has exercised the right to administrative reconsideration under section 626.556;

(10) except as provided under chapter 245C, an individual disqualified under sections 245C.14 and 245C.15, following a reconsideration decision issued under section 245C.23, on the basis of serious or recurring maltreatment; a preponderance of the evidence that the individual has committed an act or acts that meet the definition of any of the crimes listed in section 245C.15, subdivisions 1 to 4; or for failing to make reports required under section 626.556, subdivision 3, or 626.557, subdivision 3. Hearings regarding a maltreatment
determination under clause (4) or (9) and a disqualification under this clause in which the basis for a disqualification is serious or recurring maltreatment, shall be consolidated into a single fair hearing. In such cases, the scope of review by the human services judge shall include both the maltreatment determination and the disqualification. The failure to exercise the right to an administrative reconsideration shall not be a bar to a hearing under this section if federal law provides an individual the right to a hearing to dispute a finding of maltreatment;

(11) any person with an outstanding debt resulting from receipt of public assistance, medical care, or the federal Food Stamp Act who is contesting a setoff claim by the Department of Human Services or a county agency. The scope of the appeal is the validity of the claimant agency’s intention to request a setoff of a refund under chapter 270A against the debt;

(12) a person issued a notice of service termination under section 245D.10, subdivision 3a, from residential supports and services as defined in section 245D.03, subdivision 1, paragraph (c), clause (3), that is not otherwise subject to appeal under subdivision 4a; or

(13) an individual disability waiver recipient based on a denial of a request for a rate exception under section 256B.4914; or

(14) a person issued a notice of service termination under section 245A.11, subdivision 11, that is not otherwise subject to appeal under subdivision 4a.

(b) The hearing for an individual or facility under paragraph (a), clause (4), (9), or (10), is the only administrative appeal to the final agency determination specifically, including a challenge to the accuracy and completeness of data under section 13.04. Hearings requested under paragraph (a), clause (4), apply only to incidents of maltreatment that occur on or after October 1, 1995. Hearings requested by nursing assistants in nursing homes alleged to have maltreated a resident prior to October 1, 1995, shall be held as a contested case proceeding under the provisions of chapter 14. Hearings requested under paragraph (a), clause (9), apply only to incidents of maltreatment that occur on or after July 1, 1997. A hearing for an individual or facility under paragraph (a), clauses (4), (9), and (10), is only available when there is no district court action pending. If such action is filed in district court while an administrative review is pending that arises out of some or all of the events or circumstances on which the appeal is based, the administrative review must be suspended until the judicial actions are completed. If the district court proceedings are completed, dismissed, or overturned, the matter may be considered in an administrative hearing.
(c) For purposes of this section, bargaining unit grievance procedures are not an administrative appeal.

(d) The scope of hearings involving claims to foster care payments under paragraph (a), clause (5), shall be limited to the issue of whether the county is legally responsible for a child's placement under court order or voluntary placement agreement and, if so, the correct amount of foster care payment to be made on the child's behalf and shall not include review of the propriety of the county's child protection determination or child placement decision.

(e) The scope of hearings under paragraph (a), clauses (12) and (14), shall be limited to whether the proposed termination of services is authorized under section 245D.10, subdivision 3a, paragraph (b), or 245A.11, subdivision 11, and whether the requirements of section 245D.10, subdivision 3a, paragraph (c) to (e), or 245A.11, subdivision 2a, paragraphs (d) to (f), were met. If the appeal includes a request for a temporary stay of termination of services, the scope of the hearing shall also include whether the case management provider has finalized arrangements for a residential facility, a program, or services that will meet the assessed needs of the recipient by the effective date of the service termination.

(f) A vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor under contract with a county agency to provide social services is not a party and may not request a hearing under this section, except if assisting a recipient as provided in subdivision 4.

(g) An applicant or recipient is not entitled to receive social services beyond the services prescribed under chapter 256M or other social services the person is eligible for under state law.

(h) The commissioner may summarily affirm the county or state agency's proposed action without a hearing when the sole issue is an automatic change due to a change in state or federal law.

(i) Unless federal or Minnesota law specifies a different time frame in which to file an appeal, an individual or organization specified in this section may contest the specified action, decision, or final disposition before the state agency by submitting a written request for a hearing to the state agency within 30 days after receiving written notice of the action, decision, or final disposition, or within 90 days of such written notice if the applicant, recipient, patient, or relative shows good cause, as defined in section 256.0451, subdivision 13, why the request was not submitted within the 30-day time limit. The individual filing the appeal has the burden of proving good cause by a preponderance of the evidence.
Sec. 13. [256B.051] HOUSING SUPPORT SERVICES.

Subdivision 1. Purpose. Housing support services are established to provide housing support services to an individual with a disability that limits the individual's ability to obtain or maintain stable housing. The services support an individual's transition to housing in the community and increase long-term stability in housing, to avoid future periods of being at risk of homelessness or institutionalization.

Subd. 2. Definitions. (a) For the purposes of this section, the terms defined in this subdivision have the meanings given.

(b) "At-risk of homelessness" means (1) an individual that is faced with a set of circumstances likely to cause the individual to become homeless, or (2) an individual previously homeless, who will be discharged from a correctional, medical, mental health, or treatment center, who lacks sufficient resources to pay for housing and does not have a permanent place to live.

(c) "Commissioner" means the commissioner of human services.

(d) "Homeless" means an individual or family lacking a fixed, adequate nighttime residence.

(e) "Individual with a disability" means:

(1) an individual who is aged, blind, or disabled as determined by the criteria used by the title 11 program of the Social Security Act, United States Code, title 42, section 416, paragraph (i), item (1); or

(2) an individual who meets a category of eligibility under section 256D.05, subdivision 1, paragraph (a), clauses (1), (3), (5) to (9), or (14).

(f) "Institution" means a setting as defined in section 256B.0621, subdivision 2, clause (3), and the Minnesota Security Hospital as defined in section 253.20.

Subd. 3. Eligibility. An individual with a disability is eligible for housing support services if the individual:

(1) is 18 years of age or older;

(2) is enrolled in medical assistance;

(3) has an assessment of functional need that determines a need for services due to limitations caused by the individual's disability;
(4) resides in or plans to transition to a community-based setting as defined in Code of
Federal Regulations, title 42, section 441.301(c); and

(5) has housing instability evidenced by:

(i) being homeless or at-risk of homelessness;

(ii) being in the process of transitioning from, or having transitioned in the past six 
    months from, an institution or licensed or registered setting;

(iii) being eligible for waiver services under section 256B.0915, 256B.092, or 256B.49;

or

(iv) having been identified by a long-term care consultation under section 256B.0911
    as at risk of institutionalization.

Subd. 4. Assessment requirements. (a) An individual's assessment of functional need
must be conducted by one of the following methods:

(1) an assessor according to the criteria established in section 256B.0911, subdivision 
    3a, using a format established by the commissioner;

(2) documented need for services as verified by a professional statement of need as
    defined in section 256I.03, subdivision 12; or

(3) according to the continuum of care coordinated assessment system established in
    Code of Federal Regulations, title 24, section 578.3, using a format established by the
    commissioner.

(b) An individual must be reassessed within one year of initial assessment, and annually
thereafter.

Subd. 5. Housing support services. (a) Housing support services include housing 
transition services and housing and tenancy sustaining services.

(b) Housing transition services are defined as:

(1) tenant screening and housing assessment;

(2) assistance with the housing search and application process;

(3) identifying resources to cover onetime moving expenses;

(4) ensuring a new living arrangement is safe and ready for move-in;

(5) assisting in arranging for and supporting details of a move; and

(6) developing a housing support crisis plan.
(c) Housing and tenancy sustaining services include:

1. prevention and early identification of behaviors that may jeopardize continued stable housing;

2. education and training on roles, rights, and responsibilities of the tenant and the property manager;

3. coaching to develop and maintain key relationships with property managers and neighbors;

4. advocacy and referral to community resources to prevent eviction when housing is at risk;

5. assistance with housing recertification process;

6. coordination with the tenant to regularly review, update, and modify housing support and crisis plan; and

7. continuing training on being a good tenant, lease compliance, and household management.

(d) A housing support service may include person-centered planning for people who are not eligible to receive person-centered planning through any other service, if the person-centered planning is provided by a consultation service provider that is under contract with the department and enrolled as a Minnesota health care program.

Subd. 6. Provider qualifications and duties. A provider eligible for reimbursement under this section shall:

1. enroll as a medical assistance Minnesota health care program provider and meet all applicable provider standards and requirements;

2. demonstrate compliance with federal and state laws and policies for housing support services as determined by the commissioner;

3. comply with background study requirements under chapter 245C and maintain documentation of background study requests and results; and

4. directly provide housing support services and not use a subcontractor or reporting agent.

Subd. 7. Housing support supplemental service rates. Supplemental service rates for individuals in settings according to sections 144D.025, 256I.04, subdivision 3, paragraph (a), clause (3), and 256I.05, subdivision 1g, shall be reduced by one-half over a two-year
period. This reduction only applies to supplemental service rates for individuals eligible for
housing support services under this section.

EFFECTIVE DATE. (a) Subdivisions 1 to 6 are contingent upon federal approval. The
commissioner of human services shall notify the revisor of statutes when federal approval
is obtained.

(b) Subdivision 7 is contingent upon federal approval of subdivisions 1 to 6. The
commissioner of human services shall notify the revisor of statutes when federal approval
is obtained.

Sec. 14. Minnesota Statutes 2016, section 256B.0911, subdivision 3a, is amended to read:

Subd. 3a. Assessment and support planning. (a) Persons requesting assessment, services
planning, or other assistance intended to support community-based living, including persons
who need assessment in order to determine waiver or alternative care program eligibility,
must be visited by a long-term care consultation team within 20 calendar days after the date
on which an assessment was requested or recommended. Upon statewide implementation
of subdivisions 2b, 2c, and 5, this requirement also applies to an assessment of a person
requesting personal care assistance services and home care nursing. The commissioner shall
provide at least a 90-day notice to lead agencies prior to the effective date of this requirement.
Face-to-face assessments must be conducted according to paragraphs (b) to (i).

(b) Upon implementation of subdivisions 2b, 2c, and 5, lead agencies shall use certified
assessors to conduct the assessment. For a person with complex health care needs, a public
health or registered nurse from the team must be consulted.

(c) The MnCHOICES assessment provided by the commissioner to lead agencies must
be used to complete a comprehensive, person-centered assessment. The assessment must
include the health, psychological, functional, environmental, and social needs of the
individual necessary to develop a community support plan that meets the individual's needs
and preferences.

(d) The assessment must be conducted in a face-to-face interview with the person being
assessed and the person's legal representative. At the request of the person, other individuals
may participate in the assessment to provide information on the needs, strengths, and
preferences of the person necessary to develop a community support plan that ensures the
person's health and safety. Except for legal representatives or family members invited by
the person, persons participating in the assessment may not be a provider of service or have
any financial interest in the provision of services. For persons who are to be assessed for
elderly waiver customized living services under section 256B.0915, with the permission of
the person being assessed or the person's designated or legal representative, the client's
current or proposed provider of services may submit a copy of the provider's nursing
assessment or written report outlining its recommendations regarding the client's care needs.
The person conducting the assessment must notify the provider of the date by which this
information is to be submitted. This information shall be provided to the person conducting
the assessment prior to the assessment. For a person who is to be assessed for waiver services
under section 256B.092 or 256B.49, with the permission of the person being assessed or
the person's designated legal representative, the person's current provider of services may
submit a written report outlining recommendations regarding the person's care needs prepared
by a direct service employee with at least 20 hours of service to that client. The person
conducting the assessment or reassessment must notify the provider of the date by which
this information is to be submitted. This information shall be provided to the person
conducting the assessment and the person or the person's legal representative, and must be
considered prior to the finalization of the assessment or reassessment.

(e) The person or the person's legal representative must be provided with a written
community support plan within 40 calendar days of the assessment visit, regardless of
whether the individual is eligible for Minnesota health care programs. The written community
support plan must include:

(1) a summary of assessed needs as defined in paragraphs (c) and (d);
(2) the individual's options and choices to meet identified needs, including all available
options for case management services and providers;
(3) identification of health and safety risks and how those risks will be addressed,
including personal risk management strategies;
(4) referral information; and
(5) informal caregiver supports, if applicable.

For a person determined eligible for state plan home care under subdivision 1a, paragraph
(b), clause (1), the person or person's representative must also receive a copy of the home
care service plan developed by the certified assessor.

(f) A person may request assistance in identifying community supports without
participating in a complete assessment. Upon a request for assistance identifying community
support, the person must be transferred or referred to long-term care options counseling
services available under sections 256.975, subdivision 7, and 256.01, subdivision 24, for
telephone assistance and follow up.

(g) The person has the right to make the final decision between institutional placement
and community placement after the recommendations have been provided, except as provided
in section 256.975, subdivision 7a, paragraph (d).

(h) The lead agency must give the person receiving assessment or support planning, or
the person's legal representative, materials, and forms supplied by the commissioner
containing the following information:

(1) written recommendations for community-based services and consumer-directed
options;

(2) documentation that the most cost-effective alternatives available were offered to the
individual. For purposes of this clause, "cost-effective" means community services and
living arrangements that cost the same as or less than institutional care. For an individual
found to meet eligibility criteria for home and community-based service programs under
section 256B.0915 or 256B.49, "cost-effectiveness" has the meaning found in the federally
approved waiver plan for each program;

(3) the need for and purpose of preadmission screening conducted by long-term care
options counselors according to section 256.975, subdivisions 7a to 7c, if the person selects
nursing facility placement. If the individual selects nursing facility placement, the lead
agency shall forward information needed to complete the level of care determinations and
screening for developmental disability and mental illness collected during the assessment
to the long-term care options counselor using forms provided by the commissioner;

(4) the role of long-term care consultation assessment and support planning in eligibility
determination for waiver and alternative care programs, and state plan home care, case
management, and other services as defined in subdivision 1a, paragraphs (a), clause (6),
and (b);

(5) information about Minnesota health care programs;

(6) the person's freedom to accept or reject the recommendations of the team;

(7) the person's right to confidentiality under the Minnesota Government Data Practices
Act, chapter 13;

(8) the certified assessor's decision regarding the person's need for institutional level of
care as determined under criteria established in subdivision 4e and the certified assessor's
decision regarding eligibility for all services and programs as defined in subdivision 1a, paragraphs (a), clause (6), and (b); and

(9) the person's right to appeal the certified assessor's decision regarding eligibility for all services and programs as defined in subdivision 1a, paragraphs (a), clauses (6), (7), and (8), and (b), and incorporating the decision regarding the need for institutional level of care or the lead agency's final decisions regarding public programs eligibility according to section 256.045, subdivision 3.

(i) Face-to-face assessment completed as part of eligibility determination for the alternative care, elderly waiver, community access for disability inclusion, community alternative care, and brain injury waiver programs under sections 256B.0913, 256B.0915, and 256B.49 is valid to establish service eligibility for no more than 60 calendar days after the date of assessment.

(j) The effective eligibility start date for programs in paragraph (i) can never be prior to the date of assessment. If an assessment was completed more than 60 days before the effective waiver or alternative care program eligibility start date, assessment and support plan information must be updated and documented in the department's Medicaid Management Information System (MMIS). Notwithstanding retroactive medical assistance coverage of state plan services, the effective date of eligibility for programs included in paragraph (i) cannot be prior to the date the most recent updated assessment is completed.

(k) At the time of reassessment, the certified assessor shall assess each person receiving waiver services currently residing in a community residential setting, or licensed adult foster care home that is not the primary residence of the license holder, or in which the license holder is not the primary caregiver, to determine if that person would prefer to be served in a community-living settings as defined in section 256B.49, subdivision 23. The certified assessor shall offer the person, through a person-centered planning process, the option to receive alternative housing and service options.

Sec. 15. Minnesota Statutes 2016, section 256B.0915, subdivision 1, is amended to read:

Subdivision 1. Authority. (a) The commissioner is authorized to apply for a home and community-based services waiver for the elderly, authorized under section 1915(c) of the Social Security Act, in order to obtain federal financial participation to expand the availability of services for persons who are eligible for medical assistance. The commissioner may apply for additional waivers or pursue other federal financial participation which is advantageous to the state for funding home care services for the frail elderly who are eligible for medical assistance. The provision of waivered services to elderly and disabled medical
assistance recipients must comply with the criteria for service definitions and provider standards approved in the waiver.

(b) The commissioner shall comply with the requirements in the federally approved transition plan for the home and community-based services waivers authorized under this section.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 16. Minnesota Statutes 2016, section 256B.092, subdivision 4, is amended to read:

Subd. 4. Home and community-based services for developmental disabilities. (a)

The commissioner shall make payments to approved vendors participating in the medical assistance program to pay costs of providing home and community-based services, including case management service activities provided as an approved home and community-based service, to medical assistance eligible persons with developmental disabilities who have been screened under subdivision 7 and according to federal requirements. Federal requirements include those services and limitations included in the federally approved application for home and community-based services for persons with developmental disabilities and subsequent amendments.

(b) Effective July 1, 1995, contingent upon federal approval and state appropriations made available for this purpose, and in conjunction with Laws 1995, chapter 207, article 8, section 40, the commissioner of human services shall allocate resources to county agencies for home and community-based waivered services for persons with developmental disabilities authorized but not receiving those services as of June 30, 1995, based upon the average resource need of persons with similar functional characteristics. To ensure service continuity for service recipients receiving home and community-based waivered services for persons with developmental disabilities prior to July 1, 1995, the commissioner shall make available to the county of financial responsibility home and community-based waivered services resources based upon fiscal year 1995 authorized levels.

(c) Home and community-based resources for all recipients shall be managed by the county of financial responsibility within an allowable reimbursement average established for each county. Payments for home and community-based services provided to individual recipients shall not exceed amounts authorized by the county of financial responsibility. For specifically identified former residents of nursing facilities, the commissioner shall be responsible for authorizing payments and payment limits under the appropriate home and community-based service program. Payment is available under this subdivision only for
persons who, if not provided these services, would require the level of care provided in an
intermediate care facility for persons with developmental disabilities.

(d) The commissioner shall comply with the requirements in the federally approved
transition plan for the home and community-based services waivers for the elderly authorized
under this section.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 17. Minnesota Statutes 2016, section 256B.49, subdivision 11, is amended to read:

Subd. 11. Authority. (a) The commissioner is authorized to apply for home and
community-based service waivers, as authorized under section 1915(c) of the Social Security
Act to serve persons under the age of 65 who are determined to require the level of care
provided in a nursing home and persons who require the level of care provided in a hospital.
The commissioner shall apply for the home and community-based waivers in order to:

(1) promote the support of persons with disabilities in the most integrated settings;
(2) expand the availability of services for persons who are eligible for medical assistance;
(3) promote cost-effective options to institutional care; and
(4) obtain federal financial participation.

(b) The provision of waivered services to medical assistance recipients with disabilities
shall comply with the requirements outlined in the federally approved applications for home
and community-based services and subsequent amendments, including provision of services
according to a service plan designed to meet the needs of the individual. For purposes of
this section, the approved home and community-based application is considered the necessary
federal requirement.

(c) The commissioner shall provide interested persons serving on agency advisory
committees, task forces, the Centers for Independent Living, and others who request to be
on a list to receive, notice of, and an opportunity to comment on, at least 30 days before
any effective dates, (1) any substantive changes to the state's disability services program
manual, or (2) changes or amendments to the federally approved applications for home and
community-based waivers, prior to their submission to the federal Centers for Medicare
and Medicaid Services.

(d) The commissioner shall seek approval, as authorized under section 1915(c) of the
Social Security Act, to allow medical assistance eligibility under this section for children
under age 21 without deeming of parental income or assets.
(e) The commissioner shall seek approval, as authorized under section 1915(c) of the
Social Act, to allow medical assistance eligibility under this section for individuals under
age 65 without deeming the spouse's income or assets.

(f) The commissioner shall comply with the requirements in the federally approved
transition plan for the home and community-based services waivers authorized under this
section.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 18. Minnesota Statutes 2016, section 256B.49, subdivision 15, is amended to read:

Subd. 15. Coordinated service and support plan; comprehensive transitional service
plan; maintenance service plan. (a) Each recipient of home and community-based waived
services shall be provided a copy of the written coordinated service and support plan which
meets the requirements in section 256B.092, subdivision 1b.

(b) In developing the comprehensive transitional service plan, the individual receiving
services, the case manager, and the guardian, if applicable, will identify the transitional
service plan fundamental service outcome and anticipated timeline to achieve this outcome.
Within the first 20 days following a recipient's request for an assessment or reassessment,
the transitional service planning team must be identified. A team leader must be identified
who will be responsible for assigning responsibility and communicating with team members
to ensure implementation of the transition plan and ongoing assessment and communication
process. The team leader should be an individual, such as the case manager or guardian,
who has the opportunity to follow the recipient to the next level of service.

Within ten days following an assessment, a comprehensive transitional service plan must
be developed incorporating elements of a comprehensive functional assessment and including
short-term measurable outcomes and timelines for achievement of and reporting on these
outcomes. Functional milestones must also be identified and reported according to the
timelines agreed upon by the transitional service planning team. In addition, the
comprehensive transitional service plan must identify additional supports that may assist
in the achievement of the fundamental service outcome such as the development of greater
natural community support, increased collaboration among agencies, and technological
supports.

The timelines for reporting on functional milestones will prompt a reassessment of
services provided, the units of services, rates, and appropriate service providers. It is the
responsibility of the transitional service planning team leader to review functional milestone
reporting to determine if the milestones are consistent with observable skills and that
milestone achievement prompts any needed changes to the comprehensive transitional
service plan.

For those whose fundamental transitional service outcome involves the need to procure
housing, a plan for the recipient to seek the resources necessary to secure the least restrictive
housing possible should be incorporated into the plan, including employment and public
supports such as housing access and shelter needy funding.

(c) Counties and other agencies responsible for funding community placement and
ongoing community supportive services are responsible for the implementation of the
comprehensive transitional service plans. Oversight responsibilities include both ensuring
effective transitional service delivery and efficient utilization of funding resources.

(d) Following one year of transitional services, the transitional services planning team
will make a determination as to whether or not the individual receiving services requires
the current level of continuous and consistent support in order to maintain the recipient's
current level of functioning. Recipients who are determined to have not had a significant
change in functioning for 12 months must move from a transitional to a maintenance service
plan. Recipients on a maintenance service plan must be reassessed to determine if the
recipient would benefit from a transitional service plan at least every 12 months and at other
times when there has been a significant change in the recipient's functioning. This assessment
should consider any changes to technological or natural community supports.

(e) When a county is evaluating denials, reductions, or terminations of home and
community-based services under this section for an individual, the case manager shall offer
to meet with the individual or the individual's guardian in order to discuss the prioritization
of service needs within the coordinated service and support plan, comprehensive transitional
service plan, or maintenance service plan. The reduction in the authorized services for an
individual due to changes in funding for waivered services may not exceed the amount
needed to ensure medically necessary services to meet the individual's health, safety, and
welfare.

(f) At the time of reassessment, local agency case managers shall assess each recipient
of community access for disability inclusion or brain injury waivered services currently
residing in a licensed adult foster home that is not the primary residence of the license
holder, or in which the license holder is not the primary caregiver, to determine if that
recipient could appropriately be served in a community-living setting. If appropriate for the
recipient, the case manager shall offer the recipient, through a person-centered planning
process, the option to receive alternative housing and service options. In the event that the recipient chooses to transfer from the adult foster home, the vacated bed shall not be filled with another recipient of waiver services and group residential housing and the licensed capacity shall be reduced accordingly, unless the savings required by the licensed bed closure reductions under Laws 2011, First Special Session chapter 9, article 7, sections 1 and 40, paragraph (f), for foster care settings where the physical location is not the primary residence of the license holder are met through voluntary changes described in section 245A.03, subdivision 7, paragraph (e), or as provided under paragraph (a), clauses (3) and (4). If the adult foster home becomes no longer viable due to these transfers, the county agency, with the assistance of the department, shall facilitate a consolidation of settings or closure. This reassessment process shall be completed by July 1, 2013.

Sec. 19. Minnesota Statutes 2016, section 256B.493, subdivision 1, is amended to read:

Subdivision 1. **Commissioner's duties; report.** The commissioner of human services shall solicit proposals for the conversion of services provided for persons with disabilities in settings licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, or community residential settings licensed under chapter 245D, to other types of community settings in conjunction with the closure of identified licensed adult foster care settings has the authority to manage statewide licensed corporate foster care or community residential settings capacity, including the reduction and realignment of licensed capacity of a current foster care or community residential settings to accomplish the consolidation or closure of settings. The commissioner shall implement a program for planned closure of licensed corporate adult foster care or community residential settings, necessary as a preferred method to: (1) respond to the informed decisions of those individuals who want to move out of these settings into other types of community settings; and (2) achieve necessary budgetary savings required in section 245A.03, subdivision 7, paragraphs (c) and (d).

Sec. 20. Minnesota Statutes 2016, section 256B.493, subdivision 2, is amended to read:

Subd. 2. **Planned closure process needs determination.** The commissioner shall announce and implement a program for planned closure of adult foster care homes. Planned closure shall be the preferred method for achieving necessary budgetary savings required by the licensed bed closure budget reduction in section 245A.03, subdivision 7, paragraph (e). If additional closures are required to achieve the necessary savings, the commissioner shall use the process and priorities in section 245A.03, subdivision 7, paragraph (c) A resource need determination process, managed at the state level, using available reports
required by section 144A.351 and other data and information shall be used by the
commissioner to align capacity where needed.

Sec. 21. Minnesota Statutes 2016, section 256B.493, is amended by adding a subdivision
to read:

Subd. 2a. **Closure process.** (a) The commissioner shall work with stakeholders to
establish a process for the application, review, approval, and implementation of setting
closures. Voluntary proposals from license holders for consolidation and closure of adult
foster care or community residential settings are encouraged. Whether voluntary or
involuntary, all closure plans must include:

1. a description of the proposed closure plan, identifying the home or homes and
occupied beds;
2. the proposed timetable for the proposed closure, including the proposed dates for
notification to people living there and the affected lead agencies, commencement of closure,
and completion of closure;
3. the proposed relocation plan jointly developed by the counties of financial
responsibility, the people living there and their legal representatives, if any, who wish to
continue to receive services from the provider, and the providers for current residents of
any adult foster care home designated for closure; and
4. documentation from the provider in a format approved by the commissioner that all
the adult foster care homes or community residential settings receiving a planned closure
rate adjustment under the plan have accepted joint and severable for recovery of
overpayments under section 256B.0641, subdivision 2, for the facilities designated for
closure under this plan.

(b) The commissioner shall give first priority to closure plans which:

1. target counties and geographic areas which have:
   i. need for other types of services;
   ii. need for specialized services;
   iii. higher than average per capita use of licensed corporate foster care or community
   residential settings; or
   iv. residents not living in the geographic area of their choice;
2. demonstrate savings of medical assistance expenditures; and
(3) demonstrate that alternative services are based on the recipient's choice of provider
and are consistent with federal law, state law, and federally approved waiver plans.

The commissioner shall also consider any information provided by people using services,
their legal representatives, family members, or the lead agency on the impact of the planned
closure on people and the services they need.

(c) For each closure plan approved by the commissioner, a contract must be established
between the commissioner, the counties of financial responsibility, and the participating
license holder.

Sec. 22. Minnesota Statutes 2016, section 256D.44, subdivision 4, is amended to read:

Subd. 4. Temporary absence due to illness. For the purposes of this subdivision, "home"
means a residence owned or rented by a recipient or the recipient's spouse. Home does not
include a group residential housing facility. Assistance payments for recipients who are
temporarily absent from their home due to hospitalization for illness must continue at the
same level of payment during their absence if the following criteria are met:

(1) a physician certifies that the absence is not expected to continue for more than three
months;

(2) a physician certifies that the recipient will be able to return to independent living;
and

(3) the recipient has expenses associated with maintaining a residence in the community.

Sec. 23. Minnesota Statutes 2016, section 256D.44, subdivision 5, is amended to read:

Subd. 5. Special needs. (a) In addition to the state standards of assistance established
in subdivisions 1 to 4, payments are allowed for the following special needs of recipients
of Minnesota supplemental aid who are not residents of a nursing home, a regional treatment
center, or a group residential setting authorized to receive housing facility support payments
under chapter 256I.

(b) The county agency shall pay a monthly allowance for medically prescribed diets
if the cost of those additional dietary needs cannot be met through some other maintenance
benefit. The need for special diets or dietary items must be prescribed by a licensed physician.
Costs for special diets shall be determined as percentages of the allotment for a one-person
household under the thrifty food plan as defined by the United States Department of
Agriculture. The types of diets and the percentages of the thrifty food plan that are covered
are as follows:
(1) high protein diet, at least 80 grams daily, 25 percent of thrifty food plan;

(2) controlled protein diet, 40 to 60 grams and requires special products, 100 percent of thrifty food plan;

(3) controlled protein diet, less than 40 grams and requires special products, 125 percent of thrifty food plan;

(4) low cholesterol diet, 25 percent of thrifty food plan;

(5) high residue diet, 20 percent of thrifty food plan;

(6) pregnancy and lactation diet, 35 percent of thrifty food plan;

(7) gluten-free diet, 25 percent of thrifty food plan;

(8) lactose-free diet, 25 percent of thrifty food plan;

(9) antidumping diet, 15 percent of thrifty food plan;

(10) hypoglycemic diet, 15 percent of thrifty food plan; or

(11) ketogenic diet, 25 percent of thrifty food plan.

(b) Payment for nonrecurring special needs must be allowed for necessary home repairs or necessary repairs or replacement of household furniture and appliances using the payment standard of the AFDC program in effect on July 16, 1996, for these expenses, as long as other funding sources are not available.

(c) A fee for guardian or conservator service is allowed at a reasonable rate negotiated by the county or approved by the court. This rate shall not exceed five percent of the assistance unit's gross monthly income up to a maximum of $100 per month. If the guardian or conservator is a member of the county agency staff, no fee is allowed.

(d) The county agency shall continue to pay a monthly allowance of $68 for restaurant meals for a person who was receiving a restaurant meal allowance on June 1, 1990, and who eats two or more meals in a restaurant daily. The allowance must continue until the person has not received Minnesota supplemental aid for one full calendar month or until the person's living arrangement changes and the person no longer meets the criteria for the restaurant meal allowance, whichever occurs first.

(e) A fee of ten percent of the recipient's gross income or $25, whichever is less, is allowed for representative payee services provided by an agency that meets the requirements under SSI regulations to charge a fee for representative payee services. This special need
is available to all recipients of Minnesota supplemental aid regardless of their living
arrangement.

(4) (g) (1) Notwithstanding the language in this subdivision, an amount equal to one-half
of the maximum allotment authorized by the federal Food Stamp Program for a federal
Supplemental Security Income payment amount for a single individual which is in effect
on the first day of July of each year will be added to the standards of assistance established
in subdivisions 1 to 4 for adults under the age of 65 who qualify as shelter needy in need
of housing assistance and are:

(i) relocating from an institution, a setting authorized to receive housing support under
chapter 256L, or an adult mental health residential treatment program under section
256B.0622; or

(ii) eligible for personal care assistance under section 256B.0659; or

(iii) home and community-based waiver recipients living in their own home or rented
or leased apartment which is not owned, operated, or controlled by a provider of service
not related by blood or marriage, unless allowed under paragraph (g).

(2) Notwithstanding subdivision 3, paragraph (c), an individual eligible for the shelter
 needy benefit under this paragraph is considered a household of one. An eligible individual
who receives this benefit prior to age 65 may continue to receive the benefit after the age
of 65.

(3) "Shelter needy Housing assistance" means that the assistance unit incurs monthly
shelter costs that exceed 40 percent of the assistance unit's gross income before the application
of this special needs standard. "Gross income" for the purposes of this section is the
applicant's or recipient's income as defined in section 256D.35, subdivision 10, or the
standard specified in subdivision 3, paragraph (a) or (b), whichever is greater. A recipient
of a federal or state housing subsidy, that limits shelter costs to a percentage of gross income,
shall not be considered shelter needy in need of housing assistance for purposes of this
paragraph.

(g) Notwithstanding this subdivision, to access housing and services as provided in
paragraph (f), the recipient may choose housing that may be owned, operated, or controlled
by the recipient's service provider. When housing is controlled by the service provider, the
individual may choose the individual's own service provider as provided in section 256B.49,
subdivision 23, clause (3). When the housing is controlled by the service provider, the
service provider shall implement a plan with the recipient to transition the lease to the
recipient's name. Within two years of signing the initial lease, the service provider shall
100.1 transfer the lease entered into under this subdivision to the recipient. In the event the landlord
denies this transfer, the commissioner may approve an exception within sufficient time to
ensure the continued occupancy by the recipient. This paragraph expires June 30, 2016.

100.2 EFFECTIVE DATE. Paragraphs (a) to (f) are effective July 1, 2017. Paragraph (g),
clause (1), is effective July 1, 2020, except paragraph (g), clause (1), items (ii) and (iii), are
effective July 1, 2017.

100.3 Sec. 24. Minnesota Statutes 2016, section 256I.03, subdivision 8, is amended to read:

Subd. 8. Supplementary services. "Supplementary services" means housing support
services provided to residents of group residential housing providers individuals in addition
to room and board including, but not limited to, oversight and up to 24-hour supervision,
medication reminders, assistance with transportation, arranging for meetings and
appointments, and arranging for medical and social services.

100.4 Sec. 25. Minnesota Statutes 2016, section 256I.04, subdivision 1, is amended to read:

Subdivision 1. Individual eligibility requirements. An individual is eligible for and
entitled to a group residential housing support payment to be made on the individual's behalf
if the agency has approved the individual's residence in a group residential setting where
the individual will receive housing setting support and the individual meets the requirements
in paragraph (a) or (b), or (c).

100.5 (a) The individual is aged, blind, or is over 18 years of age and disabled as determined
under the criteria used by the title II program of the Social Security Act, and meets the
resource restrictions and standards of section 256P.02, and the individual's countable income
after deducting the (1) exclusions and disregards of the SSI program, (2) the medical
assistance personal needs allowance under section 256B.35, and (3) an amount equal to the
income actually made available to a community spouse by an elderly waiver participant
under the provisions of sections 256B.0575, paragraph (a), clause (4), and 256B.058,
subdivision 2, is less than the monthly rate specified in the agency's agreement with the
provider of group residential housing support in which the individual resides.

100.6 (b) The individual meets a category of eligibility under section 256D.05, subdivision 1,
paragraph (a), clauses (1), (3), (5) to (9), and (14), and paragraph (b), if applicable, and the
individual's resources are less than the standards specified by section 256P.02, and the
individual's countable income as determined under section 256P.06, less the medical
assistance personal needs allowance under section 256B.35 is less than the monthly rate
specified in the agency's agreement with the provider of group residential housing support
in which the individual resides.

(c) The individual receives licensed residential crisis stabilization services under section
256B.0624, subdivision 7, and is receiving medical assistance. The individual may receive
concurrent housing support payments if receiving licensed residential crisis stabilization
services under section 256B.0624, subdivision 7.

EFFECTIVE DATE. Paragraph (c) is effective October 1, 2017.

Sec. 26. Minnesota Statutes 2016, section 256I.04, subdivision 2d, is amended to read:

Subd. 2d. Conditions of payment; commissioner's right to suspend or terminate
agreement. (a) Group residential Housing or supplementary services support must be
provided to the satisfaction of the commissioner, as determined at the sole discretion of the
commissioner's authorized representative, and in accordance with all applicable federal,
state, and local laws, ordinances, rules, and regulations, including business registration
requirements of the Office of the Secretary of State. A provider shall not receive payment
for room and board or supplementary services or housing found by the commissioner to be
performed or provided in violation of federal, state, or local law, ordinance, rule, or
regulation.

(b) The commissioner has the right to suspend or terminate the agreement immediately
when the commissioner determines the health or welfare of the housing or service recipients
is endangered, or when the commissioner has reasonable cause to believe that the provider
has breached a material term of the agreement under subdivision 2b.

(c) Notwithstanding paragraph (b), if the commissioner learns of a curable material
breach of the agreement by the provider, the commissioner shall provide the provider with
a written notice of the breach and allow ten days to cure the breach. If the provider does
not cure the breach within the time allowed, the provider shall be in default of the agreement
and the commissioner may terminate the agreement immediately thereafter. If the provider
has breached a material term of the agreement and cure is not possible, the commissioner
may immediately terminate the agreement.

Sec. 27. Minnesota Statutes 2016, section 256I.04, subdivision 2g, is amended to read:

Subd. 2g. Crisis shelters. Secure crisis shelters for battered women and their children
designated by the Minnesota Department of Corrections are not group residences eligible
for housing support under this chapter.
Sec. 28. Minnesota Statutes 2016, section 256I.04, subdivision 3, is amended to read:

Subd. 3. **Moratorium on development of group residential housing support beds.**
(a) Agencies shall not enter into agreements for new group residential housing support beds with total rates in excess of the MSA equivalent rate except:

1. for group residential housing establishments licensed under chapter 245D provided the facility is needed to meet the census reduction targets for persons with developmental disabilities at regional treatment centers;

2. up to 80 beds in a single, specialized facility located in Hennepin County that will provide housing for chronic inebriates who are repetitive users of detoxification centers and are refused placement in emergency shelters because of their state of intoxication, and planning for the specialized facility must have been initiated before July 1, 1991, in anticipation of receiving a grant from the Housing Finance Agency under section 462A.05, subdivision 20a, paragraph (b);

3. notwithstanding the provisions of subdivision 2a, for up to 226 supportive housing units in Anoka, Dakota, Hennepin, or Ramsey County for homeless adults with a mental illness, a history of substance abuse, or human immunodeficiency virus or acquired immunodeficiency syndrome. For purposes of this section, "homeless adult" means a person who is living on the street or in a shelter or discharged from a regional treatment center, community hospital, or residential treatment program and has no appropriate housing available and lacks the resources and support necessary to access appropriate housing. At least 70 percent of the supportive housing units must serve homeless adults with mental illness, substance abuse problems, or human immunodeficiency virus or acquired immunodeficiency syndrome who are about to be or, within the previous six months, has been discharged from a regional treatment center, or a state-contracted psychiatric bed in a community hospital, or a residential mental health or chemical dependency treatment program. If a person meets the requirements of subdivision 1, paragraph (a), and receives a federal or state housing subsidy, the group residential housing support rate for that person is limited to the supplementary rate under section 256I.05, subdivision 1a, and is determined by subtracting the amount of the person's countable income that exceeds the MSA equivalent rate from the group residential housing support supplementary service rate. A resident in a demonstration project site who no longer participates in the demonstration program shall retain eligibility for a group residential housing support payment in an amount determined under section 256I.06, subdivision 8, using the MSA equivalent rate. Service funding under section 256I.05, subdivision 1a, will end June 30, 1997, if federal matching funds are available and the services can be provided through a managed care entity. If federal matching
funds are not available, then service funding will continue under section 256I.05, subdivision 1a;

(4) for an additional two beds, resulting in a total of 32 beds, for a facility located in Hennepin County providing services for recovering and chemically dependent men that has had a group residential housing support contract with the county and has been licensed as a board and lodge facility with special services since 1980;

(5) for a group residential housing support provider located in the city of St. Cloud, or a county contiguous to the city of St. Cloud, that operates a 40-bed facility, that received financing through the Minnesota Housing Finance Agency Ending Long-Term Homelessness Initiative and serves chemically dependent clientele, providing 24-hour-a-day supervision;

(6) for a new 65-bed facility in Crow Wing County that will serve chemically dependent persons, operated by a group residential housing support provider that currently operates a 304-bed facility in Minneapolis, and a 44-bed facility in Duluth;

(7) for a group residential housing support provider that operates two ten-bed facilities, one located in Hennepin County and one located in Ramsey County, that provide community support and 24-hour-a-day supervision to serve the mental health needs of individuals who have chronically lived unsheltered; and

(8) for a group residential facility authorized for recipients of housing support in Hennepin County with a capacity of up to 48 beds that has been licensed since 1978 as a board and lodging facility and that until August 1, 2007, operated as a licensed chemical dependency treatment program.

(b) An agency may enter into a group residential housing support agreement for beds with rates in excess of the MSA equivalent rate in addition to those currently covered under a group residential housing support agreement if the additional beds are only a replacement of beds with rates in excess of the MSA equivalent rate which have been made available due to closure of a setting, a change of licensure or certification which removes the beds from group residential housing support payment, or as a result of the downsizing of a group residential housing setting authorized for recipients of housing support. The transfer of available beds from one agency to another can only occur by the agreement of both agencies.

Sec. 29. Minnesota Statutes 2016, section 256I.05, subdivision 1a, is amended to read:

Subd. 1a. Supplementary service rates. (a) Subject to the provisions of section 256I.04, subdivision 3, the county agency may negotiate a payment not to exceed $426.37 for other services necessary to provide room and board provided by the group residence if the residence
is licensed by or registered by the Department of Health, or licensed by the Department of Human Services to provide services in addition to room and board, and if the provider of services is not also concurrently receiving funding for services for a recipient under a home and community-based waiver under title XIX of the Social Security Act; or funding from the medical assistance program under section 256B.0659, for personal care services for residents in the setting; or residing in a setting which receives funding under section 245.73.

If funding is available for other necessary services through a home and community-based waiver, or personal care services under section 256B.0659, then the **GRH housing support** rate is limited to the rate set in subdivision 1. Unless otherwise provided in law, in no case may the supplementary service rate exceed $426.37. The registration and licensure requirement does not apply to establishments which are exempt from state licensure because they are located on Indian reservations and for which the tribe has prescribed health and safety requirements. Service payments under this section may be prohibited under rules to prevent the supplanting of federal funds with state funds. The commissioner shall pursue the feasibility of obtaining the approval of the Secretary of Health and Human Services to provide home and community-based waiver services under title XIX of the Social Security Act for residents who are not eligible for an existing home and community-based waiver due to a primary diagnosis of mental illness or chemical dependency and shall apply for a waiver if it is determined to be cost-effective.

(b) The commissioner is authorized to make cost-neutral transfers from the **GRH housing support** fund for beds under this section to other funding programs administered by the department after consultation with the county or counties in which the affected beds are located. The commissioner may also make cost-neutral transfers from the **GRH housing support** fund to county human service agencies for beds permanently removed from the **GRH housing support** census under a plan submitted by the county agency and approved by the commissioner. The commissioner shall report the amount of any transfers under this provision annually to the legislature.

(c) Counties must not negotiate supplementary service rates with providers of group residential housing support that are licensed as board and lodging with special services and that do not encourage a policy of sobriety on their premises and make referrals to available community services for volunteer and employment opportunities for residents.
Sec. 30. Minnesota Statutes 2016, section 256I.05, subdivision 1c, is amended to read:

Subd. 1c. Rate increases. An agency may not increase the rates negotiated for group residential housing support above those in effect on June 30, 1993, except as provided in paragraphs (a) to (f).

(a) An agency may increase the rates for group residential housing settings room and board to the MSA equivalent rate for those settings whose current rate is below the MSA equivalent rate.

(b) An agency may increase the rates for residents in adult foster care whose difficulty of care has increased. The total group residential housing support rate for these residents must not exceed the maximum rate specified in subdivisions 1 and 1a. Agencies must not include nor increase group residential housing difficulty of care rates for adults in foster care whose difficulty of care is eligible for funding by home and community-based waiver programs under title XIX of the Social Security Act.

(c) The room and board rates will be increased each year when the MSA equivalent rate is adjusted for SSI cost-of-living increases by the amount of the annual SSI increase, less the amount of the increase in the medical assistance personal needs allowance under section 256B.35.

(d) When a group residential housing rate is used to pay support pays for an individual's room and board, or other costs necessary to provide room and board, the rate payable to the residence must continue for up to 18 calendar days per incident that the person is temporarily absent from the residence, not to exceed 60 days in a calendar year, if the absence or absences have received the prior approval of the county agency's social service staff. Prior approval is not required for emergency absences due to crisis, illness, or injury.

(e) For facilities meeting substantial change criteria within the prior year. Substantial change criteria exists if the group residential housing establishment experiences a 25 percent increase or decrease in the total number of its beds, if the net cost of capital additions or improvements is in excess of 15 percent of the current market value of the residence, or if the residence physically moves, or changes its licensure, and incurs a resulting increase in operation and property costs.

(f) Until June 30, 1994, an agency may increase by up to five percent the total rate paid for recipients of assistance under sections 256D.01 to 256D.21 or 256D.33 to 256D.54 who reside in residences that are licensed by the commissioner of health as a boarding care home, but are not certified for the purposes of the medical assistance program. However, an increase under this clause must not exceed an amount equivalent to 65 percent of the 1991 medical
Sec. 31. Minnesota Statutes 2016, section 256I.05, subdivision 1e, is amended to read:

Subd. 1e. Supplementary rate for certain facilities. (a) Notwithstanding the provisions of subdivisions 1a and 1c, beginning July 1, 2005, a county agency shall negotiate a supplementary rate in addition to the rate specified in subdivision 1, not to exceed $700 per month, including any legislatively authorized inflationary adjustments, for a group residential housing support provider that:

1. is located in Hennepin County and has had a group residential housing support contract with the county since June 1996;
2. operates in three separate locations a 75-bed facility, a 50-bed facility, and a 26-bed facility; and
3. serves a chemically dependent clientele, providing 24 hours per day supervision and limiting a resident's maximum length of stay to 13 months out of a consecutive 24-month period.

(b) Notwithstanding subdivisions 1a and 1c, a county agency shall negotiate a supplementary rate in addition to the rate specified in subdivision 1, not to exceed $700 per month, including any legislatively authorized inflationary adjustments, of a group residential housing support provider that:

1. is located in St. Louis County and has had a group residential housing support contract with the county since 2006;
2. operates a 62-bed facility; and
3. serves a chemically dependent adult male clientele, providing 24 hours per day supervision and limiting a resident's maximum length of stay to 13 months out of a consecutive 24-month period.

(c) Notwithstanding subdivisions 1a and 1c, beginning July 1, 2013, a county agency shall negotiate a supplementary rate in addition to the rate specified in subdivision 1, not to exceed $700 per month, including any legislatively authorized inflationary adjustments, for the group residential provider described under paragraphs (a) and (b), not to exceed an additional 115 beds.
Sec. 32. Minnesota Statutes 2016, section 256I.05, subdivision 1j, is amended to read:

Subd. 1j. Supplementary rate for certain facilities; Crow Wing County.
Notwithstanding the provisions of subdivisions 1a and 1c, beginning July 1, 2007, a county agency shall negotiate a supplementary rate in addition to the rate specified in subdivision 1, not to exceed $700 per month, including any legislatively authorized inflationary adjustments, for a new 65-bed facility in Crow Wing County that will serve chemically dependent persons operated by a group residential housing support provider that currently operates a 304-bed facility in Minneapolis and a 44-bed facility in Duluth which opened in January of 2006.

Sec. 33. Minnesota Statutes 2016, section 256I.05, subdivision 1m, is amended to read:

Subd. 1m. Supplemental rate for certain facilities; Hennepin and Ramsey Counties.
(a) Notwithstanding the provisions of this section, beginning July 1, 2007, a county agency shall negotiate a supplemental service rate in addition to the rate specified in subdivision 1, not to exceed $700 per month or the existing monthly rate, whichever is higher, including any legislatively authorized inflationary adjustments, for a group residential housing support provider that operates two ten-bed facilities, one located in Hennepin County and one located in Ramsey County, which provide community support and serve the mental health needs of individuals who have chronically lived unsheltered, providing 24-hour-per-day supervision.

(b) An individual who has lived in one of the facilities under paragraph (a), who is being transitioned to independent living as part of the program plan continues to be eligible for group residential housing room and board and the supplemental service rate negotiated with the county under paragraph (a).

Sec. 34. Minnesota Statutes 2016, section 256I.05, is amended by adding a subdivision to read:

Subd. 1p. Supplementary rate; St. Louis County. Notwithstanding the provisions of subdivisions 1a and 1c, beginning July 1, 2017, a county agency shall negotiate a supplementary rate in addition to the rate specified in subdivision 1, not to exceed $700 per month, including any legislatively authorized inflationary adjustments, for a housing support provider that:

(1) is located in St. Louis County and has had a housing support contract with the county since July 2016;

(2) operates a 35-bed facility.
(3) serves women who are chemically dependent, mentally ill, or both;

(4) provides 24-hour per day supervision;

(5) provides on-site support with skilled professionals, including a licensed practical nurse, registered nurses, peer specialists, and resident counselors; and

(6) provides independent living skills training and assistance with family reunification.

Sec. 35. Minnesota Statutes 2016, section 256I.05, is amended by adding a subdivision to read:

Subd. 1q. **Supplemental rate; Olmsted County.** Notwithstanding the provisions of subdivisions 1a and 1c, beginning July 1, 2017, a county agency shall negotiate a supplementary rate in addition to the rate specified in subdivision 1, not to exceed $750 per month, including any legislatively authorized inflationary adjustments, for a housing support provider located in Olmsted County that operates long-term residential facilities with a total of 104 beds that serve chemically dependent men and women and provide 24-hour-a-day supervision and other support services.

Sec. 36. Minnesota Statutes 2016, section 256I.05, is amended by adding a subdivision to read:

Subd. 1r. **Supplemental rate; Anoka County.** Notwithstanding the provisions in this section, a county agency shall negotiate a supplemental rate for 42 beds in addition to the rate specified in subdivision 1, not to exceed the maximum rate allowed under subdivision 1a, including any legislatively authorized inflationary adjustments, for a housing support provider that is located in Anoka County and provides emergency housing on the former Anoka Regional Treatment Center campus.

Sec. 37. Minnesota Statutes 2016, section 256I.05, is amended by adding a subdivision to read:

Subd. 11. **Transfer of emergency shelter funds.** (a) The commissioner shall make a cost-neutral transfer of funding from the housing support fund to county human service agencies for emergency shelter beds removed from the housing support census under a biennial plan submitted by the county and approved by the commissioner. The plan must describe: (1) anticipated and actual outcomes for persons experiencing homelessness in emergency shelters; (2) improved efficiencies in administration; (3) requirements for individual eligibility; and (4) plans for quality assurance monitoring and quality assurance
outcomes. The commissioner shall review the county plan to monitor implementation and
outcomes at least biennially, and more frequently if the commissioner deems necessary.

(b) The funding under paragraph (a) may be used for the provision of room and board
or supplemental services according to section 256I.03, subdivisions 2 and 8. Providers must
meet the requirements of section 256I.04, subdivisions 2a to 2f. Funding must be allocated
annually, and the room and board portion of the allocation shall be adjusted according to
the percentage change in the housing support room and board rate. The room and board
portion of the allocation shall be determined at the time of transfer. The commissioner or
county may return beds to the housing support fund with 180 days' notice, including financial
reconciliation.

EFFECTIVE DATE. This section is effective July 1, 2017.

Sec. 38. Minnesota Statutes 2016, section 256I.06, subdivision 2, is amended to read:

Subd. 2. Time of payment. A county agency may make payments to a group residence
in advance for an individual whose stay in the group residence is expected to last beyond
the calendar month for which the payment is made. Group residential Housing support
payments made by a county agency on behalf of an individual who is not expected to remain
in the group residence beyond the month for which payment is made must be made
subsequent to the individual's departure from the group residence.

EFFECTIVE DATE. This section is effective July 1, 2017.

Sec. 39. Minnesota Statutes 2016, section 256I.06, subdivision 8, is amended to read:

Subd. 8. Amount of group residential housing support payment. (a) The amount of
a group residential housing room and board payment to be made on behalf of an eligible
individual is determined by subtracting the individual's countable income under section
256I.04, subdivision 1, for a whole calendar month from the group residential housing
charge room and board rate for that same month. The group residential housing support payment is determined by multiplying the group residential housing support rate
times the period of time the individual was a resident or temporarily absent under section
256I.05, subdivision 1c, paragraph (d).

(b) For an individual with earned income under paragraph (a), prospective budgeting
must be used to determine the amount of the individual's payment for the following six-month
period. An increase in income shall not affect an individual's eligibility or payment amount
until the month following the reporting month. A decrease in income shall be effective the first day of the month after the month in which the decrease is reported.

(c) For an individual who receives licensed residential crisis stabilization services under section 256B.0624, subdivision 7, the amount of housing support payment is determined by multiplying the housing support rate times the period of time the individual was a resident.

EFFECTIVE DATE. Paragraph (c) is effective October 1, 2017.

Sec. 40. [256I.09] COMMUNITY LIVING INFRASTRUCTURE.

The commissioner shall award grants to agencies through an annual competitive process. Grants awarded under this section may be used for: (1) outreach to locate and engage people who are homeless or residing in segregated settings to screen for basic needs and assist with referral to community living resources; (2) building capacity to provide technical assistance and consultation on housing and related support service resources for persons with both disabilities and low income; or (3) streamlining the administration and monitoring activities related to housing support funds. Agencies may collaborate and submit a joint application for funding under this section.

Sec. 41. DIRECTION TO COMMISSIONER; HOUSING SUPPORT STUDY.

Within available appropriations, the commissioner of human services shall study the housing support supplementary service rates under Minnesota Statutes, section 256I.05, and make recommendations on the supplementary service rate structure to the chairs and ranking minority members of the legislative committees with jurisdiction over human services policy and finance by January 15, 2018.

Sec. 42. REVISOR'S INSTRUCTION.

In each section of Minnesota Statutes referred to in column A, the revisor of statutes shall change the phrase in column B to the phrase in column C. The revisor may make technical and other necessary changes to sentence structure to preserve the meaning of the text. The revisor shall make other changes in chapter titles; section, subdivision, part, and subpart headnotes; and in other terminology necessary as a result of the enactment of this section.

CONTINUING CARE

Section 1. Minnesota Statutes 2016, section 144.0724, subdivision 4, is amended to read:

Subd. 4. Resident assessment schedule. (a) A facility must conduct and electronically submit to the commissioner of health MDS assessments that conform with the assessment schedule defined by Code of Federal Regulations, title 42, section 483.20, and published by the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services, in the Long Term Care Assessment Instrument User’s Manual, version 3.0, and subsequent updates when issued by the Centers for Medicare and Medicaid Services. The commissioner of health may substitute successor manuals or question and answer documents published by the United States Department of Health and Human Services,
Centers for Medicare and Medicaid Services, to replace or supplement the current version of the manual or document.

(b) The assessments used to determine a case mix classification for reimbursement include the following:

(1) a new admission assessment;

(2) an annual assessment which must have an assessment reference date (ARD) within 92 days of the previous assessment and the previous comprehensive assessment;

(3) a significant change in status assessment must be completed within 14 days of the identification of a significant change, whether improvement or decline, and regardless of the amount of time since the last significant change in status assessment;

(4) all quarterly assessments must have an assessment reference date (ARD) within 92 days of the ARD of the previous assessment;

(5) any significant correction to a prior comprehensive assessment, if the assessment being corrected is the current one being used for RUG classification; and

(6) any significant correction to a prior quarterly assessment, if the assessment being corrected is the current one being used for RUG classification.

(c) In addition to the assessments listed in paragraph (b), the assessments used to determine nursing facility level of care include the following:

(1) preadmission screening completed under section 256.975, subdivisions 7a to 7c, by the Senior LinkAge Line or other organization under contract with the Minnesota Board on Aging; and

(2) a nursing facility level of care determination as provided for under section 256B.0911, subdivision 4e, as part of a face-to-face long-term care consultation assessment completed under section 256B.0911, by a county, tribe, or managed care organization under contract with the Department of Human Services.

Sec. 2. Minnesota Statutes 2016, section 144.0724, subdivision 6, is amended to read:

Subd. 6. Penalties for late or nonsubmission. (a) A facility that fails to complete or submit an assessment according to subdivisions 4 and 5 for a RUG-IV classification within seven days of the time requirements listed in the Long-Term Care Facility Resident Assessment Instrument User's Manual is subject to a reduced rate for that resident. The reduced rate shall be the lowest rate for that facility. The reduced rate is effective on the day of admission for new admission assessments, on the ARD for significant change in...
status assessments, or on the day that the assessment was due for all other assessments and continues in effect until the first day of the month following the date of submission and acceptance of the resident's assessment.

(b) If loss of revenue due to penalties incurred by a facility for any period of 92 days are equal to or greater than 1.0 percent of the total operating costs on the facility's most recent annual statistical and cost report, a facility may apply to the commissioner of human services for a reduction in the total penalty amount. The commissioner of human services, in consultation with the commissioner of health, may, at the sole discretion of the commissioner of human services, limit the penalty for residents covered by medical assistance to 10 days.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2016, section 144.562, subdivision 2, is amended to read:

Subd. 2. Eligibility for license condition. (a) A hospital is not eligible to receive a license condition for swing beds unless (1) it either has a licensed bed capacity of less than 50 beds defined in the federal Medicare regulations, Code of Federal Regulations, title 42, section 482.66, or it has a licensed bed capacity of 50 beds or more and has swing beds that were approved for Medicare reimbursement before May 1, 1985, or it has a licensed bed capacity of less than 65 beds and the available nursing homes within 50 miles have had, in the aggregate, an average occupancy rate of 96 percent or higher in the most recent two years as documented on the statistical reports to the Department of Health; and (2) it is located in a rural area as defined in the federal Medicare regulations, Code of Federal Regulations, title 42, section 482.66.

(b) Except for those critical access hospitals established under section 144.1483, clause (9), and section 1820 of the federal Social Security Act, United States Code, title 42, section 1395i-4, that have an attached nursing home or that owned a nursing home located in the same municipality as of May 1, 2005, eligible hospitals are allowed a total of 2,000 days of swing bed use per year. Critical access hospitals that have an attached nursing home or that owned a nursing home located in the same municipality as of May 1, 2005, are allowed swing bed use as provided in federal law.

(c) Except for critical access hospitals that have an attached nursing home or that owned a nursing home located in the same municipality as of May 1, 2005, the commissioner of health may approve swing bed use beyond 2,000 days as long as there are no Medicare certified skilled nursing facility beds available within 25 miles of that hospital that are willing to admit the patient and the patient agrees to the referral being sent to the skilled
nursing facility. Critical access hospitals exceeding 2,000 swing bed days must maintain
documentation that they have contacted skilled nursing facilities within 25 miles to determine
if any skilled nursing facility beds are available that are willing to admit the patient and the
patient agrees to the referral being sent to the skilled nursing facility.

(d) After reaching 2,000 days of swing bed use in a year, an eligible hospital to which
this limit applies may admit six additional patients to swing beds each year without seeking
approval from the commissioner or being in violation of this subdivision. These six swing
bed admissions are exempt from the limit of 2,000 annual swing bed days for hospitals
subject to this limit.

(e) A health care system that is in full compliance with this subdivision may allocate its
total limit of swing bed days among the hospitals within the system, provided that no hospital
in the system without an attached nursing home may exceed 2,000 swing bed days per year.

Sec. 4. Minnesota Statutes 2016, section 144A.071, subdivision 4d, is amended to read:

Subd. 4d. Consolidation of nursing facilities. (a) The commissioner of health, in
consultation with the commissioner of human services, may approve a request for
consolidation of nursing facilities which includes the closure of one or more facilities and
the upgrading of the physical plant of the remaining nursing facility or facilities, the costs
of which exceed the threshold project limit under subdivision 2, clause (a). The
commissioners shall consider the criteria in this section, section 144A.073, and section
256B.437, subdivision 256R.40, in approving or rejecting a consolidation proposal. In the event the
commissioners approve the request, the commissioner of human services shall calculate an
external fixed costs rate adjustment according to clauses (1) to (3):

(1) the closure of beds shall not be eligible for a planned closure rate adjustment under
section 256B.437, subdivision 6 256R.40, subdivision 5;

(2) the construction project permitted in this clause shall not be eligible for a threshold
project rate adjustment under section 256B.434, subdivision 4f, or a moratorium exception
adjustment under section 144A.073; and

(3) the payment rate for external fixed costs for a remaining facility or facilities shall
be increased by an amount equal to 65 percent of the projected net cost savings to the state
calculated in paragraph (b), divided by the state's medical assistance percentage of medical
assistance dollars, and then divided by estimated medical assistance resident days, as
determined in paragraph (c), of the remaining nursing facility or facilities in the request in
this paragraph. The rate adjustment is effective on the later of the first day of the month
following first day of the month of January or July, whichever date occurs first following both the completion of the construction upgrades in the consolidation plan or the first day of the month following and the complete closure of a facility closure of the facility or facilities designated for closure in the consolidation plan. If more than one facility is receiving upgrades in the consolidation plan, each facility's date of construction completion must be evaluated separately.

(b) For purposes of calculating the net cost savings to the state, the commissioner shall consider clauses (1) to (7):

1. the annual savings from estimated medical assistance payments from the net number of beds closed taking into consideration only beds that are in active service on the date of the request and that have been in active service for at least three years;

2. the estimated annual cost of increased case load of individuals receiving services under the elderly waiver;

3. the estimated annual cost of elderly waiver recipients receiving support under group residential housing;

4. the estimated annual cost of increased case load of individuals receiving services under the alternative care program;

5. the annual loss of license surcharge payments on closed beds;

6. the savings from not paying planned closure rate adjustments that the facilities would otherwise be eligible for under section 256B.437; and

7. the savings from not paying external fixed costs payment rate adjustments from submission of renovation costs that would otherwise be eligible as threshold projects under section 256B.434, subdivision 4f.

(c) For purposes of the calculation in paragraph (a), clause (3), the estimated medical assistance resident days of the remaining facility or facilities shall be computed assuming 95 percent occupancy multiplied by the historical percentage of medical assistance resident days of the remaining facility or facilities, as reported on the facility's or facilities' most recent nursing facility statistical and cost report filed before the plan of closure is submitted, multiplied by 365.

(d) For purposes of net cost of savings to the state in paragraph (b), the average occupancy percentages will be those reported on the facility's or facilities' most recent nursing facility statistical and cost report filed before the plan of closure is submitted, and the average

116
payment rates shall be calculated based on the approved payment rates in effect at the time the consolidation request is submitted.

e) To qualify for the external fixed costs payment rate adjustment under this subdivision, the closing facilities shall:

1. submit an application for closure according to section 256R.437, subdivision 3 256R.40, subdivision 2; and

2. follow the resident relocation provisions of section 144A.161.

(f) The county or counties in which a facility or facilities are closed under this subdivision shall not be eligible for designation as a hardship area under subdivision 3 for five years from the date of the approval of the proposed consolidation. The applicant shall notify the county of this limitation and the county shall acknowledge this in a letter of support.

EFFECTIVE DATE. This section is effective for consolidations occurring after July 1, 2017.

Sec. 5. Minnesota Statutes 2016, section 144A.74, is amended to read:

144A.74 MAXIMUM CHARGES.

A supplemental nursing services agency must not bill or receive payments from a nursing home licensed under this chapter at a rate higher than 150 percent of the sum of the weighted average wage rate, plus a factor determined by the commissioner to incorporate payroll taxes as defined in Minnesota Rules, part 9549.0020, subpart 33 section 256R.02, subdivision 37, for the applicable employee classification for the geographic group to which the nursing home is assigned under Minnesota Rules, part 9549.0052 specified in section 256R.23, subdivision 4. The weighted average wage rates must be determined by the commissioner of human services and reported to the commissioner of health on an annual basis. Wages are defined as hourly rate of pay and shift differential, including weekend shift differential and overtime. Facilities shall provide information necessary to determine weighted average wage rates to the commissioner of human services in a format requested by the commissioner. The maximum rate must include all charges for administrative fees, contract fees, or other special charges in addition to the hourly rates for the temporary nursing pool personnel supplied to a nursing home. A nursing home that pays for the actual travel and housing costs for supplemental nursing services agency staff working at the facility and that pays these costs to the employee, the agency, or another vendor, is not violating the limitation on charges described in this section.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 6. Minnesota Statutes 2016, section 256.975, subdivision 7, is amended to read:

Subd. 7. Consumer information and assistance and long-term care options counseling; Senior LinkAge Line. (a) The Minnesota Board on Aging shall operate a statewide service to aid older Minnesotans and their families in making informed choices about long-term care options and health care benefits. Language services to persons with limited English language skills may be made available. The service, known as Senior LinkAge Line, shall serve older adults as the designated Aging and Disability Resource Center under United States Code, title 42, section 3001, the Older Americans Act Amendments of 2006 in partnership with the Disability Linkage Line under section 256.01, subdivision 24, and must be available during business hours through a statewide toll-free number and the Internet. The Minnesota Board on Aging shall consult with, and when appropriate work through, the area agencies on aging counties, and other entities that serve aging and disabled populations of all ages, to provide and maintain the telephone infrastructure and related support for the Aging and Disability Resource Center partners which agree by memorandum to access the infrastructure, including the designated providers of the Senior LinkAge Line and the Disability Linkage Line.

(b) The service must provide long-term care options counseling by assisting older adults, caregivers, and providers in accessing information and options counseling about choices in long-term care services that are purchased through private providers or available through public options. The service must:

1. develop and provide for regular updating of a comprehensive database that includes detailed listings in both consumer- and provider-oriented formats that can provide search results down to the neighborhood level;
2. make the database accessible on the Internet and through other telecommunication and media-related tools;
3. link callers to interactive long-term care screening tools and make these tools available through the Internet by integrating the tools with the database;
4. develop community education materials with a focus on planning for long-term care and evaluating independent living, housing, and service options;
5. conduct an outreach campaign to assist older adults and their caregivers in finding information on the Internet and through other means of communication;
6. implement a messaging system for overflow callers and respond to these callers by the next business day;
(7) link callers with county human services and other providers to receive more in-depth assistance and consultation related to long-term care options;

(8) link callers with quality profiles for nursing facilities and other home and community-based services providers developed by the commissioners of health and human services;

(9) develop an outreach plan to seniors and their caregivers with a particular focus on establishing a clear presence in places that seniors recognize and:

(i) place a significant emphasis on improved outreach and service to seniors and their caregivers by establishing annual plans by neighborhood, city, and county, as necessary, to address the unique needs of geographic areas in the state where there are dense populations of seniors;

(ii) establish an efficient workforce management approach and assign community living specialist staff and volunteers to geographic areas as well as aging and disability resource center sites so that seniors and their caregivers and professionals recognize the Senior LinkAge Line as the place to call for aging services and information;

(iii) recognize the size and complexity of the metropolitan area service system by working with metropolitan counties to establish a clear partnership with them, including seeking county advice on the establishment of local aging and disabilities resource center sites; and

(iv) maintain dashboards with metrics that demonstrate how the service is expanding and extending or enhancing its outreach efforts in dispersed or hard to reach locations in varied population centers;

(10) incorporate information about the availability of housing options, as well as registered housing with services and consumer rights within the MinnesotaHelp.info network long-term care database to facilitate consumer comparison of services and costs among housing with services establishments and with other in-home services and to support financial self-sufficiency as long as possible. Housing with services establishments and their arranged home care providers shall provide information that will facilitate price comparisons, including delineation of charges for rent and for services available. The commissioners of health and human services shall align the data elements required by section 144G.06, the Uniform Consumer Information Guide, and this section to provide consumers standardized information and ease of comparison of long-term care options. The commissioner of human services shall provide the data to the Minnesota Board on Aging for inclusion in the MinnesotaHelp.info network long-term care database;
(11) provide long-term care options counseling. Long-term care options counselors shall:

(i) for individuals not eligible for case management under a public program or public funding source, provide interactive decision support under which consumers, family members, or other helpers are supported in their deliberations to determine appropriate long-term care choices in the context of the consumer's needs, preferences, values, and individual circumstances, including implementing a community support plan;

(ii) provide Web-based educational information and collateral written materials to familiarize consumers, family members, or other helpers with the long-term care basics, issues to be considered, and the range of options available in the community;

(iii) provide long-term care futures planning, which means providing assistance to individuals who anticipate having long-term care needs to develop a plan for the more distant future; and

(iv) provide expertise in benefits and financing options for long-term care, including Medicare, long-term care insurance, tax or employer-based incentives, reverse mortgages, private pay options, and ways to access low or no-cost services or benefits through volunteer-based or charitable programs;

(12) using risk management and support planning protocols, provide long-term care options counseling under clause (13) to current residents of nursing homes deemed appropriate for discharge by the commissioner, former residents of nursing homes who were discharged to community settings, and older adults who request service after consultation with the Senior LinkAge Line under clause (13). The Senior LinkAge Line shall also receive referrals from the residents or staff of nursing homes who meet a profile that demonstrates that the consumer is either at risk of readmission to a nursing home or hospital, or would benefit from long-term care options counseling to age in place. The Senior LinkAge Line shall identify and contact residents or patients deemed appropriate for discharge by developing targeting criteria and creating a profile in consultation with the commissioner. The commissioner shall provide designated Senior LinkAge Line contact centers with a list of current or former nursing home residents or people discharged from a hospital or for whom Medicare home care has ended, that meet the criteria as being appropriate for discharge planning. Senior LinkAge Line shall provide these residents, if they indicate a preference to receive long-term care options counseling, with initial assessment and, if appropriate, a referral to:

(i) long-term care consultation services under section 256B.0911;
(ii) designated care coordinators of contracted entities under section 256B.035 for persons
who are enrolled in a managed care plan; or
(iii) the long-term care consultation team for those who are eligible for relocation service
coordination due to high-risk factors or psychological or physical disability; and
(13) develop referral protocols and processes that will assist certified health care homes,
Medicare home care, and hospitals to identify at-risk older adults and determine when to
refer these individuals to the Senior LinkAge Line for long-term care options counseling
under this section. The commissioner is directed to work with the commissioner of health
to develop protocols that would comply with the health care home designation criteria and
protocols available at the time of hospital discharge or the end of Medicare home care. The
commissioner shall keep a record of the number of people who choose long-term care
options counseling as a result of this section.

(c) Nursing homes shall provide contact information to the Senior LinkAge Line for
residents identified in paragraph (b), clause (12), to provide long-term care options counseling
pursuant to paragraph (b), clause (11). The contact information for residents shall include
all information reasonably necessary to contact residents, including first and last names,
permanent and temporary addresses, telephone numbers, and e-mail addresses.

(d) The Senior LinkAge Line shall determine when it is appropriate to refer a consumer
who receives long-term care options counseling under paragraph (b), clause (12) or (13),
and who uses an unpaid caregiver to the self-directed caregiver service under subdivision

EFFECTIVE DATE. This section is effective July 1, 2017.

Sec. 7. Minnesota Statutes 2016, section 256.975, is amended by adding a subdivision to
read:

Subd. 12. Self-directed caregiver grants. Beginning on July 1, 2019, the Minnesota
Board on Aging shall administer self-directed caregiver grants to support at risk family
caregivers of older adults or others eligible under the Older Americans Act of 1965, United
States Code, title 42, chapter 35, sections 3001 to 3058ff, to sustain family caregivers in
the caregivers' roles so older adults can remain at home longer. The board shall give priority
to consumers referred under section 256.975, subdivision 7, paragraph (d).

EFFECTIVE DATE. This section is effective July 1, 2017.
Sec. 8. [256.9755] CAREGIVER SUPPORT PROGRAMS.

Subdivision 1. Program goals. It is the goal of all area agencies on aging and caregiver support programs to support family caregivers of persons with Alzheimer's disease or other related dementias who are living in the community by:

1. promoting caregiver support programs that serve Minnesotans in their homes and communities; and
2. providing, within the limits of available funds, the caregiver support services that will enable the family caregiver to access caregiver support programs in the most cost-effective and efficient manner.

Subd. 2. Authority. The Minnesota Board on Aging shall allocate to area agencies on aging the state and federal funds which are received for the caregiver support program in a manner consistent with federal requirements.

Subd. 3. Caregiver support services. Funds allocated to an area agency on aging for caregiver support services must be used in a manner consistent with the National Family Caregiver Support Program to reach family caregivers of persons with Alzheimer's disease or related dementias. The funds must be used to provide social, nonmedical, community-based services and activities that provide respite for caregivers and social interaction for participants.

Sec. 9. Minnesota Statutes 2016, section 256B.0911, subdivision 3a, is amended to read:

Subd. 3a. Assessment and support planning. (a) Persons requesting assessment, services planning, or other assistance intended to support community-based living, including persons who need assessment in order to determine waiver or alternative care program eligibility, must be visited by a long-term care consultation team within 20 calendar days after the date on which an assessment was requested or recommended. Upon statewide implementation of subdivisions 2b, 2c, and 5, this requirement also applies to an assessment of a person requesting personal care assistance services and home care nursing. The commissioner shall provide at least a 90-day notice to lead agencies prior to the effective date of this requirement.

Face-to-face assessments must be conducted according to paragraphs (b) to (i).

(b) Upon implementation of subdivisions 2b, 2c, and 5, lead agencies shall use certified assessors to conduct the assessment. For a person with complex health care needs, a public health or registered nurse from the team must be consulted.

(c) The MnCHOICES assessment provided by the commissioner to lead agencies must be used to complete a comprehensive, person-centered assessment. The assessment must
include the health, psychological, functional, environmental, and social needs of the
individual necessary to develop a community support plan that meets the individual's needs
and preferences.

(d) The assessment must be conducted in a face-to-face interview with the person being
assessed and the person's legal representative. At the request of the person, other individuals
may participate in the assessment to provide information on the needs, strengths, and
preferences of the person necessary to develop a community support plan that ensures the
person's health and safety. Except for legal representatives or family members invited by
the person, persons participating in the assessment may not be a provider of service or have
any financial interest in the provision of services. For persons who are to be assessed for
elderly waiver customized living or adult day services under section 256B.0915, with the
permission of the person being assessed or the person's designated or legal representative,
the client's current or proposed provider of services may submit a copy of the provider's
nursing assessment or written report outlining its recommendations regarding the client's
care needs. The person conducting the assessment must notify the provider of the date by
which this information is to be submitted. This information shall be provided to the person
conducting the assessment prior to the assessment. For a person who is to be assessed for
waiver services under section 256B.092 or 256B.49, with the permission of the person being
assessed or the person's designated legal representative, the person's current provider of
services may submit a written report outlining recommendations regarding the person's care
needs prepared by a direct service employee with at least 20 hours of service to that client.
The person conducting the assessment or reassessment must notify the provider of the date
by which this information is to be submitted. This information shall be provided to the
person conducting the assessment and the person or the person's legal representative, and
must be considered prior to the finalization of the assessment or reassessment.

(e) The person or the person's legal representative must be provided with a written
community support plan within 40 calendar days of the assessment visit, regardless of
whether the individual is eligible for Minnesota health care programs.

(f) For a person being assessed for elderly waiver services under section 256B.0915, a
provider who submitted information under paragraph (d) shall receive a copy of the
assessment, the final written community support plan when available, the case mix level,
and the Residential Services Workbook.

(g) The written community support plan must include:

(1) a summary of assessed needs as defined in paragraphs (c) and (d);
(2) the individual's options and choices to meet identified needs, including all available options for case management services and providers;

(3) identification of health and safety risks and how those risks will be addressed, including personal risk management strategies;

(4) referral information; and

(5) informal caregiver supports, if applicable.

For a person determined eligible for state plan home care under subdivision 1a, paragraph (b), clause (1), the person or person's representative must also receive a copy of the home care service plan developed by the certified assessor.

(f) A person may request assistance in identifying community supports without participating in a complete assessment. Upon a request for assistance identifying community support, the person must be transferred or referred to long-term care options counseling services available under sections 256.975, subdivision 7, and 256.01, subdivision 24, for telephone assistance and follow up.

(i) The person has the right to make the final decision between institutional placement and community placement after the recommendations have been provided, except as provided in section 256.975, subdivision 7a, paragraph (d).

(j) The lead agency must give the person receiving assessment or support planning, or the person's legal representative, materials, and forms supplied by the commissioner containing the following information:

(1) written recommendations for community-based services and consumer-directed options;

(2) documentation that the most cost-effective alternatives available were offered to the individual. For purposes of this clause, "cost-effective" means community services and living arrangements that cost the same as or less than institutional care. For an individual found to meet eligibility criteria for home and community-based service programs under section 256B.0915 or 256B.49, "cost-effectiveness" has the meaning found in the federally approved waiver plan for each program;

(3) the need for and purpose of preadmission screening conducted by long-term care options counselors according to section 256.975, subdivisions 7a to 7c, if the person selects nursing facility placement. If the individual selects nursing facility placement, the lead agency shall forward information needed to complete the level of care determinations and
screening for developmental disability and mental illness collected during the assessment
to the long-term care options counselor using forms provided by the commissioner;

(4) the role of long-term care consultation assessment and support planning in eligibility
determination for waiver and alternative care programs, and state plan home care, case
management, and other services as defined in subdivision 1a, paragraphs (a), clause (6),
and (b);

(5) information about Minnesota health care programs;

(6) the person's freedom to accept or reject the recommendations of the team;

(7) the person's right to confidentiality under the Minnesota Government Data Practices
Act, chapter 13;

(8) the certified assessor's decision regarding the person's need for institutional level of
care as determined under criteria established in subdivision 4e and the certified assessor's
decision regarding eligibility for all services and programs as defined in subdivision 1a,
paragraphs (a), clause (6), and (b); and

(9) the person's right to appeal the certified assessor's decision regarding eligibility for
all services and programs as defined in subdivision 1a, paragraphs (a), clauses (6), (7), and
(8), and (b), and incorporating the decision regarding the need for institutional level of care
or the lead agency's final decisions regarding public programs eligibility according to section
256.045, subdivision 3.

(i) (k) Face-to-face assessment completed as part of eligibility determination for the
alternative care, elderly waiver, community access for disability inclusion, community
alternative care, and brain injury waiver programs under sections 256B.0913, 256B.0915,
and 256B.49 is valid to establish service eligibility for no more than 60 calendar days after
the date of assessment.

(1) The effective eligibility start date for programs in paragraph (i)(k) can never be
prior to the date of assessment. If an assessment was completed more than 60 days before
the effective waiver or alternative care program eligibility start date, assessment and support
plan information must be updated and documented in the department's Medicaid Management
Information System (MMIS). Notwithstanding retroactive medical assistance coverage of
state plan services, the effective date of eligibility for programs included in paragraph (i)
(k) cannot be prior to the date the most recent updated assessment is completed.

(m) If an eligibility update is completed within 90 days of the previous face-to-face
assessment and documented in the department's Medicaid Management Information System
(MMIS), the effective date of eligibility for programs included in paragraph (k) is the date
of the previous face-to-face assessment when all other eligibility requirements are met.

Sec. 10. Minnesota Statutes 2016, section 256B.0915, subdivision 3a, is amended to read:

Subd. 3a. Elderly waiver cost limits. (a) Effective on the first day of the state fiscal
year in which the resident assessment system as described in section 256B.438 for
nursing home rate determination is implemented and the first day of each subsequent state
fiscal year, the monthly limit for the cost of waivered services to an individual elderly waiver
client shall be the monthly limit of the case mix resident class to which the waiver client
would be assigned under Minnesota Rules, parts 9549.0051 to 9549.0059, in effect on the
last day of the previous state fiscal year, adjusted by any legislatively adopted home and
community-based services percentage rate adjustment. If a legislatively authorized increase
is service-specific, the monthly cost limit shall be adjusted based on the overall average
increase to the elderly waiver program.

(b) The monthly limit for the cost of waivered services under paragraph (a) to an
individual elderly waiver client assigned to a case mix classification A with:

(1) no dependencies in activities of daily living; or

(2) up to two dependencies in bathing, dressing, grooming, walking, and eating when
the dependency score in eating is three or greater as determined by an assessment performed
under section 256B.0911 shall be $1,750 per month effective on July 1, 2011, for all new
participants enrolled in the program on or after July 1, 2011. This monthly limit shall be
applied to all other participants who meet this criteria at reassessment. This monthly limit
shall be increased annually as described in paragraphs (a) and (e).

(c) If extended medical supplies and equipment or environmental modifications are or
will be purchased for an elderly waiver client, the costs may be prorated for up to 12
consecutive months beginning with the month of purchase. If the monthly cost of a recipient's
waivered services exceeds the monthly limit established in paragraph (a), (b), (d), or (e),
the annual cost of all waivered services shall be determined. In this event, the annual cost
of all waivered services shall not exceed 12 times the monthly limit of waivered services
as described in paragraph (a), (b), (d), or (e).

(d) Effective July 1, 2013, the monthly cost limit of waiver services, including any
necessary home care services described in section 256B.0651, subdivision 2, for individuals
who meet the criteria as ventilator-dependent given in section 256B.0651, subdivision 1,
paragraph (g), shall be the average of the monthly medical assistance amount established
for home care services as described in section 256B.0652, subdivision 7, and the annual
average contracted amount established by the commissioner for nursing facility services
for ventilator-dependent individuals. This monthly limit shall be increased annually as
described in paragraphs (a) and (e).

(e) Effective July 1, 2016 January 1, 2018, and each July January 1 thereafter, the monthly
cost limits for elderly waiver services in effect on the previous June 30 December 31 shall
be increased by the difference between any legislatively adopted home and community-based
provider rate increases effective on July January 1 or since the previous July January 1 and
the average statewide percentage increase in nursing facility operating payment rates under
sections 256B.431, 256B.434, and 256B.441 chapter 256R, effective the previous January
1. This paragraph shall only apply if the average statewide percentage increase in nursing
facility operating payment rates is greater than any legislatively adopted home and
community-based provider rate increases effective on July January 1, or occurring since
the previous July January 1.

Sec. 11. Minnesota Statutes 2016, section 256B.0915, subdivision 3e, is amended to read:

Subd. 3e. Customized living service rate. (a) Payment for customized living services
shall be a monthly rate authorized by the lead agency within the parameters established by
the commissioner. The payment agreement must delineate the amount of each component
service included in the recipient's customized living service plan. The lead agency, with
input from the provider of customized living services, shall ensure that there is a documented
need within the parameters established by the commissioner for all component customized
living services authorized.

(b) The payment rate must be based on the amount of component services to be provided
utilizing component rates established by the commissioner. Counties and tribes shall use
tools issued by the commissioner to develop and document customized living service plans
and rates.

(c) Component service rates must not exceed payment rates for comparable elderly
waiver or medical assistance services and must reflect economies of scale. Customized
living services must not include rent or raw food costs.

(d) With the exception of individuals described in subdivision 3a, paragraph (b), the
individualized monthly authorized payment for the customized living service plan shall not
exceed 50 percent of the greater of either the statewide or any of the geographic groups'
weighted average monthly nursing facility rate of the case mix resident class to which the
elderly waiver eligible client would be assigned under Minnesota Rules, parts 9549.0051
to 9549.0059, less the maintenance needs allowance as described in subdivision 1d, paragraph (a).

Effective on July 1 of the state fiscal year in which the resident assessment system as described in section 256B.438 for nursing home rate determination is implemented and July 1 of each subsequent state fiscal year, the individualized monthly authorized payment for the services described in this clause shall not exceed the limit which was in effect on June 30 of the previous state fiscal year updated annually based on legislatively adopted changes to all service rate maximums for home and community-based service providers.

(e) For rates effective on or after January 1, 2022, the elderly waiver payment for customized living services includes a cognitive and behavioral needs factor equal to an additional 15 percent applied to the component service rates for a client:

(1) for whom the total monthly hours for customized living services divided by 30.4 is less than 3.62; and

(2) who is determined, based on responses to questions 45 and 51 of the Minnesota long-term care consultation assessment form, to have either:

(i) wandering or orientation issues; or

(ii) anxiety, verbal aggression, physical aggression, repetitive behavior, agitation, self-injurious behavior, or behavior related to property destruction.

(e) Effective July 1, 2011, (f) The individualized monthly payment for the customized living service plan for individuals described in subdivision 3a, paragraph (b), must be the monthly authorized payment limit for customized living for individuals classified as case mix A, reduced by 25 percent. This rate limit must be applied to all new participants enrolled in the program on or after July 1, 2011, who meet the criteria described in subdivision 3a, paragraph (b). This monthly limit also applies to all other participants who meet the criteria described in subdivision 3a, paragraph (b), at reassessment.

(g) Customized living services are delivered by a provider licensed by the Department of Health as a class A or class F home care provider and provided in a building that is registered as a housing with services establishment under chapter 144D. Licensed home care providers are subject to section 256B.0651, subdivision 14.

(h) A provider may not bill or otherwise charge an elderly waiver participant or their family for additional units of any allowable component service beyond those available under the service rate limits described in paragraph (f) (e), nor for additional units of any allowable component service beyond those approved in the service plan by the lead agency.
(h) (i) Effective July 1, 2016 January 1, 2018, and each July January 1 thereafter,
individualized service rate limits for customized living services under this subdivision shall
be increased by the difference between any legislatively adopted home and community-based
provider rate increases effective on July January 1 or since the previous July January 1 and
the average statewide percentage increase in nursing facility operating payment rates under
sections 256B.431, 256B.434, and 256B.441 chapter 256R, effective the previous January
1. This paragraph shall only apply if the average statewide percentage increase in nursing
facility operating payment rates is greater than any legislatively adopted home and
community-based provider rate increases effective on July January 1, or occurring since
the previous July January 1.

EFFECTIVE DATE. This section prevails over any conflicting amendment regardless
of the order of enactment.

Sec. 12. Minnesota Statutes 2016, section 256B.0915, subdivision 3h, is amended to read:

Subd. 3h. Service rate limits; 24-hour customized living services. (a) The payment
rate for 24-hour customized living services is a monthly rate authorized by the lead agency
within the parameters established by the commissioner of human services. The payment
agreement must delineate the amount of each component service included in each recipient's
customized living service plan. The lead agency, with input from the provider of customized
living services, shall ensure that there is a documented need within the parameters established
by the commissioner for all component customized living services authorized. The lead
agency shall not authorize 24-hour customized living services unless there is a documented
need for 24-hour supervision.

(b) For purposes of this section, "24-hour supervision" means that the recipient requires
assistance due to needs related to one or more of the following:

(1) intermittent assistance with toileting, positioning, or transferring;
(2) cognitive or behavioral issues;
(3) a medical condition that requires clinical monitoring; or
(4) for all new participants enrolled in the program on or after July 1, 2011, and all other
participants at their first reassessment after July 1, 2011, dependency in at least three of the
following activities of daily living as determined by assessment under section 256B.0911:
bathing; dressing; grooming; walking; or eating when the dependency score in eating is
three or greater; and needs medication management and at least 50 hours of service per
month. The lead agency shall ensure that the frequency and mode of supervision of the
recipient and the qualifications of staff providing supervision are described and meet the
needs of the recipient.

(c) The payment rate for 24-hour customized living services must be based on the amount
of component services to be provided utilizing component rates established by the
commissioner. Counties and tribes will use tools issued by the commissioner to develop
and document customized living plans and authorize rates.

(d) Component service rates must not exceed payment rates for comparable elderly
waiver or medical assistance services and must reflect economies of scale.

(e) The individually authorized 24-hour customized living payments, in combination
with the payment for other elderly waiver services, including case management, must not
exceed the recipient's community budget cap specified in subdivision 3a. Customized living
services must not include rent or raw food costs.

(f) The individually authorized 24-hour customized living payment rates shall not exceed
the 95 percentile of statewide monthly authorizations for 24-hour customized living services
in effect and in the Medicaid management information systems on March 31, 2009, for each
case mix resident class under Minnesota Rules, parts 9549.0051 to 9549.0059, to which
elderly waiver service clients are assigned. When there are fewer than 50 authorizations in
effect in the case mix resident class, the commissioner shall multiply the calculated service
payment rate maximum for the A classification by the standard weight for that classification
under Minnesota Rules, parts 9549.0051 to 9549.0059, to determine the applicable payment
rate maximum. Service payment rate maximums shall be updated annually based on
legislatively adopted changes to all service rates for home and community-based service
providers.

(g) Notwithstanding the requirements of paragraphs (d) and (f), the commissioner may
establish alternative payment rate systems for 24-hour customized living services in housing
with services establishments which are freestanding buildings with a capacity of 16 or fewer,
by applying a single hourly rate for covered component services provided in either:

1. licensed corporate adult foster homes; or

2. specialized dementia care units which meet the requirements of section 144D.065
and in which:

i. each resident is offered the option of having their own apartment; or
(ii) the units are licensed as board and lodge establishments with maximum capacity of eight residents, and which meet the requirements of Minnesota Rules, part 9555.6205, subparts 1, 2, 3, and 4, item A.

(h) Twenty-four-hour customized living services are delivered by a provider licensed by the Department of Health as a class A or class F home care provider and provided in a building that is registered as a housing with services establishment under chapter 144D. Licensed home care providers are subject to section 256B.0651, subdivision 14.

(i) A provider may not bill or otherwise charge an elderly waiver participant or their family for additional units of any allowable component service beyond those approved in the service plan by the lead agency.

(j) Effective July 1, 2016 January 1, 2018, and each July January 1 thereafter, individualized service rate limits for 24-hour customized living services under this subdivision shall be increased by the difference between any legislatively adopted home and community-based provider rate increases effective on July January 1 or since the previous July January 1 and the average statewide percentage increase in nursing facility operating payment rates under sections 256B.431, 256B.434, and 256B.441 chapter 256R, effective the previous January 1. This paragraph shall only apply if the average statewide percentage increase in nursing facility operating payment rates is greater than any legislatively adopted home and community-based provider rate increases effective on July January 1, or occurring since the previous July January 1.

Sec. 13. Minnesota Statutes 2016, section 256B.0915, subdivision 5, is amended to read:

Subd. 5. Assessments and reassessments for waiver clients. (a) Each client shall receive an initial assessment of strengths, informal supports, and need for services in accordance with section 256B.0911, subdivisions 3, 3a, and 3b. A reassessment of a client served under the elderly waiver must be conducted at least every 12 months and at other times when the case manager determines that there has been significant change in the client's functioning. This may include instances where the client is discharged from the hospital. There must be a determination that the client requires nursing facility level of care as defined in section 256B.0911, subdivision 4e, at initial and subsequent assessments to initiate and maintain participation in the waiver program.

(b) Regardless of other assessments identified in section 144.0724, subdivision 4, as appropriate to determine nursing facility level of care for purposes of medical assistance payment for nursing facility services, only face-to-face assessments conducted according
to section 256B.0911, subdivisions 3a and 3b, that result in a nursing facility level of care
determination will be accepted for purposes of initial and ongoing access to waiver service
payment.

(c) The lead agency shall conduct a change-in-condition reassessment before the annual
reassessment in cases where a client's condition changed due to a major health event, an
emerging need or risk, worsening health condition, or cases where the current services do
not meet the client's needs. A change-in-condition reassessment may be initiated by the lead
agency, or it may be requested by the client or requested on the client's behalf by another
party, such as a provider of services. The lead agency shall complete a change-in-condition
reassessment no later than 20 calendar days from the request. The lead agency shall conduct
these assessments in a timely manner and expedite urgent requests. The lead agency shall
evaluate urgent requests based on the client's needs and risk to the client if a reassessment
is not completed.

Sec. 14. Minnesota Statutes 2016, section 256B.0915, is amended by adding a subdivision
to read:

Subd. 11. Payment rates; application. The payment methodologies in subdivisions 12
to 16 apply to elderly waiver and elderly waiver customized living under this section,
alternative care under section 256B.0913, essential community supports under section
256B.0922, and community access for disability inclusion customized living, brain injury
customized living, and elderly waiver foster care and residential care.

Sec. 15. Minnesota Statutes 2016, section 256B.0915, is amended by adding a subdivision
to read:

Subd. 12. Payment rates; phase-in. (a) Effective January 1, 2019, through December
31, 2020, all rates and rate components for services under subdivision 11 shall be the sum
of 12 percent of the rates calculated under subdivisions 13 to 16 and 88 percent of the rates
calculated using the rate methodology in effect as of June 30, 2017.

(b) Effective January 1, 2021, all rates and rate components for services under subdivision
11 shall be the sum of 20 percent of the rates calculated under subdivisions 13 to 16 and 80
percent of the rates calculated using the rate methodology in effect as of June 30, 2017.
Sec. 16. Minnesota Statutes 2016, section 256B.0915, is amended by adding a subdivision to read:

Subd. 13. Payment rates; establishment. (a) The commissioner shall use standard occupational classification (SOC) codes from the Bureau of Labor Statistics as defined in the most recent edition of the Occupational Handbook and data from the most recent and available nursing facility cost report, to establish rates and component rates every January 1 using Minnesota-specific wages taken from job descriptions.

(b) In creating the rates and component rates, the commissioner shall establish a base wage calculation for each component service and value, and add the following factors:

(1) payroll taxes and benefits;
(2) general and administrative;
(3) program plan support;
(4) registered nurse management and supervision; and
(5) social worker supervision.

Sec. 17. Minnesota Statutes 2016, section 256B.0915, is amended by adding a subdivision to read:

Subd. 14. Payment rates; base wage index. (a) Base wages are calculated for customized living, foster care, and residential care component services as follows:

(1) the home management and support services base wage equals 33.33 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for personal and home care aide (SOC code 39-9021); 33.33 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for food preparation workers (SOC code 35-2021); and 33.34 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for maids and housekeeping cleaners (SOC code 37-2012);

(2) the home care aide base wage equals 50 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for home health aides (SOC code 31-1011); and 50 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for nursing assistants (SOC code 31-1014);

(3) the home health aide base wage equals 20 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for licensed practical and licensed vocational nurses (SOC code 29-2061); and 80 percent of the Minneapolis-St.
Paul-Bloomington, MN-WI MetroSA average wage for nursing assistants (SOC code 31-1014); and

(4) the medication setups by licensed practical nurse base wage equals ten percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for licensed practical and licensed vocational nurses (SOC code 29-2061); and 90 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for registered nurses (SOC code 29-1141).

(b) Base wages are calculated for the following services as follows:

(1) the chore services base wage equals 100 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for landscaping and groundskeeping workers (SOC code 37-3011);

(2) the companion services base wage equals 50 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for personal and home care aides (SOC code 39-9021); and 50 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for maids and housekeeping cleaners (SOC code 37-2012);

(3) the homemaker services and assistance with personal care base wage equals 60 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for personal and home care aide (SOC code 39-9021); 20 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for nursing assistants (SOC code 31-1014); and 20 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for maids and housekeeping cleaners (SOC code 37-2012);

(4) the homemaker services and cleaning base wage equals 60 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for personal and home care aide (SOC code 39-9021); 20 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for nursing assistants (SOC code 31-1014); and 20 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for maids and housekeeping cleaners (SOC code 37-2012);

(5) the homemaker services and home management base wage equals 60 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for personal and home care aide (SOC code 39-9021); 20 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for nursing assistants (SOC code 31-1014); and 20 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for maids and housekeeping cleaners (SOC code 37-2012);
(6) the in-home respite care services base wage equals five percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for registered nurses (SOC code 29-1141); 75 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for nursing assistants (SOC code 31-1014); and 20 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for licensed practical and licensed vocational nurses (SOC code 29-2061);

(7) the out-of-home respite care services base wage equals five percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for registered nurses (SOC code 29-1141); 75 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for nursing assistants (SOC code 31-1014); and 20 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for licensed practical and licensed vocational nurses (SOC code 29-2061); and

(8) the individual community living support base wage equals 20 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for licensed practical and licensed vocational nurses (SOC code 29-2061); and 80 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for nursing assistants (SOC code 31-1014).

(c) Base wages are calculated for the following values as follows:

(1) the registered nurse base wage equals 100 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for registered nurses (SOC code 29-1141); and

(2) the social worker base wage equals 100 percent of the Minneapolis-St. Paul-Bloomington, MN-WI MetroSA average wage for medical and public health social workers (SOC code 21-1022).

(d) If any of the SOC codes and positions are no longer available, the commissioner shall, in consultation with stakeholders, select a new SOC code and position that is the closest match to the previously used SOC position.

Sec. 18. Minnesota Statutes 2016, section 256B.0915, is amended by adding a subdivision to read:

Subd. 15. Payment rates; factors. The commissioner shall use the following factors:

(1) the payroll taxes and benefits factor is the sum of net payroll taxes and benefits divided by the sum of all salaries for all nursing facilities on the most recent and available cost report;
(2) the general and administrative factor is the sum of net general and administrative expenses minus administrative salaries divided by total operating expenses for all nursing facilities on the most recent and available cost report;

(3) the program plan support factor is defined as the direct service staff needed to provide support for the home and community-based service when not engaged in direct contact with clients. Based on the 2016 Non-Wage Provider Costs in Home and Community-Based Disability Waiver Services Report, this factor equals 12.8 percent;

(4) the registered nurse management and supervision factor equals 15 percent of the product of the position's base wage and the sum of the factors in clauses (1) to (3); and

(5) the social worker supervision factor equals 15 percent of the product of the position's base wage and the sum of the factors in clauses (1) to (3).

Sec. 19. Minnesota Statutes 2016, section 256B.0915, is amended by adding a subdivision to read:

Subd. 16. Payment rates; component rates. (a) For the purposes of this subdivision, the "adjusted base wage" for a position equals the position's base wage plus:

(1) the position's base wage multiplied by the payroll taxes and benefits factor;

(2) the position's base wage multiplied by the general and administrative factor; and

(3) the position's base wage multiplied by the program plan support factor.

(b) For medication setups by licensed nurse, registered nurse, and social worker services, the component rate for each service equals the respective position's adjusted base wage.

(c) For home management and support services, home care aide, and home health aide services, the component rate for each service equals the respective position's adjusted base wage plus the registered nurse management and supervision factor.

(d) The home management and support services component rate shall be used for payment for socialization and transportation component rates under elderly waiver customized living.

(e) The 15-minute unit rates for chore services and companion services are calculated as follows:

(1) sum the adjusted base wage for the respective position and the social worker factor;

and

(2) divide the result of clause (1) by four.
(f) The 15-minute unit rates for homemaker services and assistance with personal care, homemaker services and cleaning, and homemaker services and home management are calculated as follows:

1. Sum the adjusted base wage for the respective position and the registered nurse management and supervision factor; and
2. Divide the result of clause (1) by four.

(g) The 15-minute unit rate for in-home respite care services is calculated as follows:

1. Sum the adjusted base wage for in-home respite care services and the registered nurse management and supervision factor; and
2. Divide the result of clause (1) by four.

(h) The in-home respite care services daily rate equals the in-home respite care services 15-minute unit rate multiplied by 18.

(i) The 15-minute unit rate for out-of-home respite care is calculated as follows:

1. Sum the out-of-home respite care services adjusted base wage and the registered nurse management and supervision factor; and
2. Divide the result of clause (1) by four.

(j) The out-of-home respite care services daily rate equals the out-of-home respite care services 15-minute unit rate multiplied by 18.

(k) The individual community living support rate is calculated as follows:

1. Sum the adjusted base wage for the home care aide rate in subdivision 14, paragraph (a), clause (2), and the social worker factor; and
2. Divide the result of clause (1) by four.

(l) The home delivered meals rate equals $9.30. Beginning July 1, 2018, the commissioner shall increase the home delivered meals rate every July 1 by the percent increase in the nursing facility dietary per diem using the two most recent nursing facility cost reports.

(m) The adult day services rate is based on the home care aide rate in subdivision 14, paragraph (a), clause (2), plus the additional factors from subdivision 15, except that the general and administrative factor used shall be 20 percent. The nonregistered nurse portion of the rate shall be multiplied by 0.25, to reflect an assumed-ratio staffing of one caregiver to four clients, and divided by four to determine the 15-minute unit rate. The registered
nurse portion is divided by four to determine the 15-minute unit rate and $0.63 per 15-minute unit is added to cover the cost of meals.

(n) The adult day services bath 15-minute unit rate is the same as the calculation of the adult day services 15-minute unit rate without the adjustment for staffing ratio.

(o) If a bath is authorized for an adult day services client, at least two 15-minute units must be authorized to allow for adequate time to meet client needs. Adult day services may be authorized for up to 48 units, or 12 hours, per day based on client and family caregiver needs.

Sec. 20. Minnesota Statutes 2016, section 256B.0915, is amended by adding a subdivision to read:

Subd. 17. Evaluation of rate methodology. The commissioner, in consultation with stakeholders, shall conduct a study to evaluate the following:

(1) base wages in subdivision 14, to determine if the standard occupational classification codes for each rate and component rate are an appropriate representation of staff who deliver the services; and

(2) factors in subdivision 15, and adjusted base wage calculation in subdivision 16, to determine if the factors and calculations appropriately address nonwage provider costs.

By January 1, 2019, the commissioner shall submit a report to the legislature on the changes to the rate methodology in this statute, based on the results of the evaluation. Where feasible, the report shall address the impact of the new rates on the workforce situation and client access to services. The report should include any changes to the rate calculations methods that the commissioner recommends.

Sec. 21. Minnesota Statutes 2016, section 256B.0922, subdivision 1, is amended to read:

Subdivision 1. Essential community supports. (a) The purpose of the essential community supports program is to provide targeted services to persons age 65 and older who need essential community support, but whose needs do not meet the level of care required for nursing facility placement under section 144.0724, subdivision 11.

(b) Essential community supports are available not to exceed $400 $600 per person per month. Essential community supports may be used as authorized within an authorization period not to exceed 12 months. Services must be available to a person who:

(1) is age 65 or older;
(2) is not eligible for medical assistance;

(3) has received a community assessment under section 256B.0911, subdivision 3a or 3b, and does not require the level of care provided in a nursing facility;

(4) meets the financial eligibility criteria for the alternative care program under section 256B.0913, subdivision 4;

(5) has a community support plan; and

(6) has been determined by a community assessment under section 256B.0911, subdivision 3a or 3b, to be a person who would require provision of at least one of the following services, as defined in the approved elderly waiver plan, in order to maintain their community residence:

(i) adult day services;

(ii) family caregiver support services;

(iii) respite care;

(iv) homemaker support;

(v) companion services;

(vi) chores;

(vii) a personal emergency response device or system;

(viii) home-delivered meals; or

(ix) community living assistance as defined by the commissioner.

(c) The person receiving any of the essential community supports in this subdivision must also receive service coordination, not to exceed $600 in a 12-month authorization period, as part of their community support plan.

(d) A person who has been determined to be eligible for essential community supports must be reassessed at least annually and continue to meet the criteria in paragraph (b) to remain eligible for essential community supports.

(e) The commissioner is authorized to use federal matching funds for essential community supports as necessary and to meet demand for essential community supports as outlined in subdivision 2, and that amount of federal funds is appropriated to the commissioner for this purpose.
Sec. 22. Minnesota Statutes 2016, section 256B.431, subdivision 10, is amended to read:

Subd. 10. Property rate adjustments and construction projects. A nursing facility completing a construction project that is eligible for a rate adjustment under section 256B.434, subdivision 4f, and that was not approved through the moratorium exception process in section 144A.073 must request from the commissioner a property-related payment rate adjustment. If the request is made within 60 days after the construction project's completion date, the effective date of the rate adjustment is the first of the month of January or July, whichever occurs first following both the construction project's completion date and submission of the provider's rate adjustment request. If the request is made more than 60 days after the completion date, the rate adjustment is effective on the first of the month following the request. The commissioner shall provide a rate notice reflecting the allowable costs within 60 days after receiving all the necessary information to compute the rate adjustment. No sooner than the effective date of the rate adjustment for the construction project, a nursing facility may adjust its rates by the amount anticipated to be allowed. Any amounts collected from private pay residents in excess of the allowable rate must be repaid to private pay residents with interest at the rate used by the commissioner of revenue for the late payment of taxes and in effect on the date the rate increase is effective. Construction projects with completion dates within one year of the completion date associated with the property rate adjustment request and phased projects with project completion dates within three years of the last phase of the phased project must be aggregated for purposes of the minimum thresholds in subdivisions 16 and 17, and the maximum threshold in section 144A.071, subdivision 2. "Construction project" and "project construction costs" have the meanings given them in Minnesota Statutes, section 144A.071, subdivision 1a.

EFFECTIVE DATE. This section is effective for projects completed after January 1, 2018.

Sec. 23. Minnesota Statutes 2016, section 256B.431, subdivision 16, is amended to read:

Subd. 16. Major additions and replacements; equity incentive. For rate years beginning after June 30, 1993, if a nursing facility acquires capital assets in connection with a project approved under the moratorium exception process in section 144A.073 or in connection with an addition to or replacement of buildings, attached fixtures, or land improvements for which the total historical cost of those capital asset additions exceeds the lesser of $150,000 or ten percent of the most recent appraised value, the nursing facility shall be eligible for an equity incentive payment rate as in paragraphs (a) to (d). This computation
is separate from the determination of the nursing facility's rental rate. An equity incentive payment rate as computed under this subdivision is limited to one in a 12-month period.

(a) An eligible nursing facility shall receive an equity incentive payment rate equal to the allowable historical cost of the capital asset acquired, minus the allowable debt directly identified to that capital asset, multiplied by the equity incentive factor as described in paragraphs (b) and (c), and divided by the nursing facility's occupancy factor under subdivision 3f, paragraph (c). This amount shall be added to the nursing facility's total payment rate and shall be effective the same day as the incremental increase in paragraph (d) or subdivision 17. The allowable historical cost of the capital assets and the allowable debt shall be determined as provided in Minnesota Rules, parts 9549.0010 to 9549.0080, and this section.

(b) The equity incentive factor shall be determined under clauses (1) to (4):

(1) divide the initial allowable debt in paragraph (a) by the initial historical cost of the capital asset additions referred to in paragraph (a), then cube the quotient,

(2) subtract the amount calculated in clause (1) from the number one,

(3) determine the difference between the rental factor and the lesser of two percentage points above the posted yield for standard conventional fixed rate mortgages of the Federal Home Loan Mortgage Corporation as published in the Wall Street Journal and in effect on the first day of the month the debt or cost is incurred, or 16 percent,

(4) multiply the amount calculated in clause (2) by the amount calculated in clause (3).

(c) The equity incentive payment rate shall be limited to the term of the allowable debt in paragraph (a), not greater than 20 years nor less than ten years. If no debt is incurred in acquiring the capital asset, the equity incentive payment rate shall be paid for ten years. The sale of a nursing facility under subdivision 14 shall terminate application of the equity incentive payment rate effective on the date provided in subdivision 14, paragraph (f), for the sale.

(d) A nursing facility with an addition to or a renovation of its buildings, attached fixtures, or land improvements meeting the criteria in this subdivision and not receiving the property-related payment rate adjustment in subdivision 17, shall receive the incremental increase in the nursing facility's rental rate as determined under Minnesota Rules, parts 9549.0010 to 9549.0080, and this section. The incremental increase shall be added to the nursing facility's property-related payment rate. The effective date of this incremental
increase shall be the first day of the month **January** or **July**, whichever occurs first

following the **month in date** on which the addition or replacement is completed.

**EFFECTIVE DATE.** This section is effective for additions or replacements completed after January 1, 2018.

Sec. 24. Minnesota Statutes 2016, section 256B.431, subdivision 30, is amended to read:

Subd. 30. **Bed layaway and delicensure.** (a) For rate years beginning on or after July 1, 2000, a nursing facility reimbursed under this section which has placed beds on layaway shall, for purposes of application of the downsizing incentive in subdivision 3a, paragraph (c), and calculation of the rental per diem, have those beds given the same effect as if the beds had been delicensed so long as the beds remain on layaway. At the time of a layaway, a facility may change its single bed election for use in calculating capacity days under Minnesota Rules, part 9549.0060, subpart 11. The property payment rate increase shall be effective the first day of the month **January** or **July**, whichever occurs first following the **month in date** on which the layaway of the beds becomes effective under section 144A.071, subdivision 4b.

(b) For rate years beginning on or after July 1, 2000, notwithstanding any provision to the contrary under section 256B.434, a nursing facility reimbursed under that section which has placed beds on layaway shall, for so long as the beds remain on layaway, be allowed to:

(1) aggregate the applicable investment per bed limits based on the number of beds licensed immediately prior to entering the alternative payment system;

(2) retain or change the facility's single bed election for use in calculating capacity days under Minnesota Rules, part 9549.0060, subpart 11; and

(3) establish capacity days based on the number of beds immediately prior to the layaway and the number of beds after the layaway.

The commissioner shall increase the facility's property payment rate by the incremental increase in the rental per diem resulting from the recalculation of the facility's rental per diem applying only the changes resulting from the layaway of beds and clauses (1), (2), and (3). If a facility reimbursed under section 256B.434 completes a moratorium exception project after its base year, the base year property rate shall be the moratorium project property rate. The base year rate shall be inflated by the factors in section 256B.434, subdivision 4, paragraph (c). The property payment rate increase shall be effective the first day of the
month of January or July, whichever occurs first following the month in date on which the layaway of the beds becomes effective.

(c) If a nursing facility removes a bed from layaway status in accordance with section 144A.071, subdivision 4b, the commissioner shall establish capacity days based on the number of licensed and certified beds in the facility not on layaway and shall reduce the nursing facility's property payment rate in accordance with paragraph (b).

(d) For the rate years beginning on or after July 1, 2000, notwithstanding any provision to the contrary under section 256B.434, a nursing facility reimbursed under that section, which has delicensed beds after July 1, 2000, by giving notice of the delicensure to the commissioner of health according to the notice requirements in section 144A.071, subdivision 4b, shall be allowed to:

(1) aggregate the applicable investment per bed limits based on the number of beds licensed immediately prior to entering the alternative payment system;

(2) retain or change the facility's single bed election for use in calculating capacity days under Minnesota Rules, part 9549.0060, subpart 11; and

(3) establish capacity days based on the number of beds immediately prior to the delicensure and the number of beds after the delicensure.

The commissioner shall increase the facility's property payment rate by the incremental increase in the rental per diem resulting from the recalculation of the facility's rental per diem applying only the changes resulting from the delicensure of beds and clauses (1), (2), and (3). If a facility reimbursed under section 256B.434 completes a moratorium exception project after its base year, the base year property rate shall be the moratorium project property rate. The base year rate shall be inflated by the factors in section 256B.434, subdivision 4, paragraph (c). The property payment rate increase shall be effective the first day of the month of January or July, whichever occurs first following the month in date on which the delicensure of the beds becomes effective.

(e) For nursing facilities reimbursed under this section or section 256B.434, any beds placed on layaway shall not be included in calculating facility occupancy as it pertains to leave days defined in Minnesota Rules, part 9505.0415.

(f) For nursing facilities reimbursed under this section or section 256B.434, the rental rate calculated after placing beds on layaway may not be less than the rental rate prior to placing beds on layaway.
(g) A nursing facility receiving a rate adjustment as a result of this section shall comply with section 256B.47, subdivision 2; 256R.06, subdivision 5.

(h) A facility that does not utilize the space made available as a result of bed layaway or delicensure under this subdivision to reduce the number of beds per room or provide more common space for nursing facility uses or perform other activities related to the operation of the nursing facility shall have its property rate increase calculated under this subdivision reduced by the ratio of the square footage made available that is not used for these purposes to the total square footage made available as a result of bed layaway or delicensure.

**EFFECTIVE DATE.** This section is effective for layaways occurring after July 1, 2017.

Sec. 25. Minnesota Statutes 2016, section 256B.434, subdivision 4, is amended to read:

**Subd. 4. Alternate rates for nursing facilities.** Effective for the rate years beginning on and after January 1, 2019, a nursing facility's case mix property payment rates rate for the second and subsequent years of a facility's contract under this section are the previous rate year's contract property payment rates rate plus an inflation adjustment and, for facilities reimbursed under this section or section 256B.431, an adjustment to include the cost of any increase in Health Department licensing fees for the facility taking effect on or after July 1, 2001. The index for the inflation adjustment must be based on the change in the Consumer Price Index-All Items (United States City average) (CPI-U) forecasted by the commissioner of management and budget's national economic consultant Reports and Forecasts Division of the Department of Human Services, as forecasted in the fourth quarter of the calendar year preceding the rate year. The inflation adjustment must be based on the 12-month period from the midpoint of the previous rate year to the midpoint of the rate year for which the rate is being determined. For the rate years beginning on July 1, 1999, July 1, 2000, July 1, 2001, July 1, 2002, July 1, 2003, July 1, 2004, July 1, 2005, July 1, 2006, July 1, 2007, July 1, 2008, October 1, 2009, and October 1, 2010, this paragraph shall apply only to the property-related payment rate. For the rate years beginning on October 1, 2011, October 1, 2012, October 1, 2013, October 1, 2014, October 1, 2015, January 1, 2016, and January 1, 2017, the rate adjustment under this paragraph shall be suspended. Beginning in 2005, adjustment to the property payment rate under this section and section 256B.431 shall be effective on October 1. In determining the amount of the property-related payment rate adjustment under this paragraph, the commissioner shall determine the proportion of the facility's rates that are property-related based on the facility's most recent cost report.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
Sec. 26. Minnesota Statutes 2016, section 256B.434, subdivision 4f, is amended to read:

Subd. 4f. Construction project rate adjustments effective October 1, 2006. (a) Effective October 1, 2006, facilities reimbursed under this section may receive a property rate adjustment for construction projects exceeding the threshold in section 256B.431, subdivision 16, and below the threshold in section 144A.071, subdivision 2, clause (a). For these projects, capital assets purchased shall be counted as construction project costs for a rate adjustment request made by a facility if they are: (1) purchased within 24 months of the completion of the construction project; (2) purchased after the completion date of any prior construction project; and (3) are not purchased prior to July 14, 2005. Except as otherwise provided in this subdivision, the definitions, rate calculation methods, and principles in sections 144A.071 and 256B.431 and Minnesota Rules, parts 9549.0010 to 9549.0080, shall be used to calculate rate adjustments for allowable construction projects under this subdivision and section 144A.073. Facilities completing construction projects between October 1, 2005, and October 1, 2006, are eligible to have a property rate adjustment effective October 1, 2006. Facilities completing projects after October 1, 2006, are eligible for a property rate adjustment effective on the first day of the month following the completion date. Facilities completing projects after January 1, 2018, are eligible for a property rate adjustment effective on the first day of the month of January or July, whichever occurs immediately following the completion date.

(b) Notwithstanding subdivision 18, as of July 14, 2005, facilities with rates set under section 256B.431 and Minnesota Rules, parts 9549.0010 to 9549.0080, that commenced a construction project on or after October 1, 2004, and do not have a contract under subdivision 3 by September 30, 2006, are eligible to request a rate adjustment under section 256B.431, subdivision 10, through September 30, 2006. If the request results in the commissioner determining a rate adjustment is allowable, the rate adjustment is effective on the first of the month following project completion. These facilities shall be allowed to accumulate construction project costs for the period October 1, 2004, to September 30, 2006.

(c) Facilities shall be allowed construction project rate adjustments no sooner than 12 months after completing a previous construction project. Facilities must request the rate adjustment according to section 256B.431, subdivision 10.

(d) Capacity days shall be computed according to Minnesota Rules, part 9549.0060, subpart 11. For rate calculations under this section, the number of licensed beds in the nursing facility shall be the number existing after the construction project is completed and the number of days in the nursing facility's reporting period shall be 365.
(e) The value of assets to be recognized for a total replacement project as defined in section 256B.431, subdivision 17d, shall be computed as described in clause (1). The value of assets to be recognized for all other projects shall be computed as described in clause (2).

(1) Replacement-cost-new limits under section 256B.431, subdivision 17e, and the number of beds allowed under subdivision 3a, paragraph (c), shall be used to compute the maximum amount of assets allowable in a facility's property rate calculation. If a facility's current request for a rate adjustment results from the completion of a construction project that was previously approved under section 144A.073, the assets to be used in the rate calculation cannot exceed the lesser of the amount determined under sections 144A.071, subdivision 2, and 144A.073, subdivision 3b, or the actual allowable costs of the construction project. A current request that is not the result of a project under section 144A.073 cannot exceed the limit under section 144A.071, subdivision 2, paragraph (a). Applicable credits must be deducted from the cost of the construction project.

(2)(i) Replacement-cost-new limits under section 256B.431, subdivision 17e, and the number of beds allowed under section 256B.431, subdivision 3a, paragraph (c), shall be used to compute the maximum amount of assets allowable in a facility's property rate calculation.

(ii) The value of a facility's assets to be compared to the amount in item (i) begins with the total appraised value from the last rate notice a facility received when its rates were set under section 256B.431 and Minnesota Rules, parts 9549.0010 to 9549.0080. This value shall be indexed by the factor in section 256B.431, subdivision 3f, paragraph (a), for each rate year the facility received an inflation factor on its property-related rate when its rates were set under this section. The value of assets listed as previous capital additions, capital additions, and special projects on the facility's base year rate notice and the value of assets related to a construction project for which the facility received a rate adjustment when its rates were determined under this section shall be added to the indexed appraised value.

(iii) The maximum amount of assets to be recognized in computing a facility's rate adjustment after a project is completed is the lesser of the aggregate replacement-cost-new limit computed in (i) minus the assets recognized in (ii) or the actual allowable costs of the construction project.

(iv) If a facility's current request for a rate adjustment results from the completion of a construction project that was previously approved under section 144A.073, the assets to be added to the rate calculation cannot exceed the lesser of the amount determined under
sections 144A.071, subdivision 2, and 144A.073, subdivision 3b, or the actual allowable
costs of the construction project. A current request that is not the result of a project under
section 144A.073 cannot exceed the limit stated in section 144A.071, subdivision 2,
paragraph (a). Assets disposed of as a result of a construction project and applicable credits
must be deducted from the cost of the construction project.

(f) For construction projects approved under section 144A.073, allowable debt may
never exceed the lesser of the cost of the assets purchased, the threshold limit in section
144A.071, subdivision 2, or the replacement-cost-new limit less previously existing capital
debt.

(g) For construction projects that were not approved under section 144A.073, allowable
debt is limited to the lesser of the threshold in section 144A.071, subdivision 2, for such
construction projects or the applicable limit in paragraph (e), clause (1) or (2), less previously
existing capital debt. Amounts of debt taken out that exceed the costs of a construction
project shall not be allowed regardless of the use of the funds.

For all construction projects being recognized, interest expense and average debt shall
be computed based on the first 12 months following project completion. "Previously existing
capital debt" means capital debt recognized on the last rate determined under section
256B.431 and Minnesota Rules, parts 9549.0010 to 9549.0080, and the amount of debt
recognized for a construction project for which the facility received a rate adjustment when
its rates were determined under this section.

For a total replacement project as defined in section 256B.431, subdivision 17d, the
value of previously existing capital debt shall be zero.

(h) In addition to the interest expense allowed from the application of paragraph (f), the
amounts allowed under section 256B.431, subdivision 17a, paragraph (a), clauses (2) and
(3), will be added to interest expense.

(i) The equity portion of the construction project shall be computed as the allowable
assets in paragraph (e), less the average debt in paragraph (f). The equity portion must be
multiplied by 5.66 percent and the allowable interest expense in paragraph (f) must be added.
This sum must be divided by 95 percent of capacity days to compute the construction project
rate adjustment.

(j) For projects that are not a total replacement of a nursing facility, the amount in
paragraph (i) is adjusted for nonreimbursable areas and then added to the current property
payment rate of the facility.
(k) For projects that are a total replacement of a nursing facility, the amount in paragraph (i) becomes the new property payment rate after being adjusted for nonreimbursable areas.

Any amounts existing in a facility's rate before the effective date of the construction project for equity incentives under section 256B.431, subdivision 16; capital repairs and replacements under section 256B.431, subdivision 15; or refinancing incentives under section 256B.431, subdivision 19, shall be removed from the facility's rates.

(l) No additional equipment allowance is allowed under Minnesota Rules, part 9549.0060, subpart 10, as the result of construction projects under this section. Allowable equipment shall be included in the construction project costs.

(m) Capital assets purchased after the completion date of a construction project shall be counted as construction project costs for any future rate adjustment request made by a facility under section 144A.071, subdivision 2, clause (a), if they are purchased within 24 months of the completion of the future construction project.

(n) In subsequent rate years, the property payment rate for a facility that results from the application of this subdivision shall be the amount inflated in subdivision 4.

(o) Construction projects are eligible for an equity incentive under section 256B.431, subdivision 16. When computing the equity incentive for a construction project under this subdivision, only the allowable costs and allowable debt related to the construction project shall be used. The equity incentive shall not be a part of the property payment rate and not inflated under subdivision 4. Effective October 1, 2006, all equity incentives for nursing facilities reimbursed under this section shall be allowed for a duration determined under section 256B.431, subdivision 16, paragraph (c).

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 27. Minnesota Statutes 2016, section 256B.50, subdivision 1b, is amended to read:

Subd. 1b. Filing an appeal. To appeal, the provider shall file with the commissioner a written notice of appeal; the appeal must be postmarked or received by the commissioner within 60 days of the publication date the determination of the payment rate was mailed or personally received by a provider, whichever is earlier printed on the rate notice. The notice of appeal must specify each disputed item; the reason for the dispute; the total dollar amount in dispute for each separate disallowance, allocation, or adjustment of each cost item or part of a cost item; the computation that the provider believes is correct; the authority in statute or rule upon which the provider relies for each disputed item; the name and address of the
person or firm with whom contacts may be made regarding the appeal; and other information
required by the commissioner.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 28. Minnesota Statutes 2016, section 256B.5012, is amended by adding a subdivision
to read:

Subd. 3a. **Therapeutic leave days.** Notwithstanding Minnesota Rules, part 9505.0415,
subpart 7, a vacant bed in an intermediate care facility for persons with developmental
disabilities shall be counted as a reserved bed when determining occupancy rates and
eligibility for payment of a therapeutic leave day.

Sec. 29. Minnesota Statutes 2016, section 256B.5012, is amended by adding a subdivision
to read:

Subd. 17. **ICF/DD rate increase effective July 1, 2017; Murray County.** Effective
July 1, 2017, the daily rate for an intermediate care facility for persons with developmental
disabilities located in Murray County that is classified as a class B facility and licensed for
14 beds is $400. This increase is in addition to any other increase that is effective on July
1, 2017.

Sec. 30. Minnesota Statutes 2016, section 256R.02, subdivision 4, is amended to read:

Subd. 4. **Administrative costs.** "Administrative costs" means the identifiable costs for
administering the overall activities of the nursing home. These costs include salaries and
wages of the administrator, assistant administrator, business office employees, security
guards, and associated fringe benefits and payroll taxes, fees, contracts, or purchases related
to business office functions, licenses, and permits except as provided in the external fixed
costs category, employee recognition, travel including meals and lodging, all training except
as specified in subdivision 17, voice and data communication or transmission, office supplies,
property and liability insurance and other forms of insurance not designated to other areas
except insurance that is a fringe benefit under subdivision 22, personnel recruitment, legal
services, accounting services, management or business consultants, data processing,
information technology, Web site, central or home office costs, business meetings and
seminars, postage, fees for professional organizations, subscriptions, security services,
advertising, board of directors fees, working capital interest expense, and bad debts, and
bad debt collection fees, and costs incurred for travel and housing for persons employed by
a supplemental nursing services agency as defined in section 144A.70, subdivision 6.
150.1 **EFFECTIVE DATE.** This section is effective October 1, 2017.

150.2 Sec. 31. Minnesota Statutes 2016, section 256R.02, subdivision 17, is amended to read:

150.3 Subd. 17. **Direct care costs.** "Direct care costs" means costs for the wages of nursing administration, direct care registered nurses, licensed practical nurses, certified nursing assistants, trained medication aides, employees conducting training in resident care topics and associated fringe benefits and payroll taxes; services from a supplemental nursing services agency; supplies that are stocked at nursing stations or on the floor and distributed or used individually, including, but not limited to: alcohol, applicators, cotton balls, incontinence pads, disposable ice bags, dressings, bandages, water pitchers, tongue depressors, disposable gloves, enemas, enema equipment, soap, medication cups, diapers, plastic waste bags, sanitary products, thermometers, hypodermic needles and syringes, clinical reagents or similar diagnostic agents, drugs that are not paid on a separate fee schedule by the medical assistance program or any other payer, and technology related to the provision of nursing care to residents, such as electronic charting systems; costs of materials used for resident care training, and training courses outside of the facility attended by direct care staff on resident care topics; and costs for nurse consultants, pharmacy consultants, and medical directors. Salaries and payroll taxes for nurse consultants who work out of a central office must be allocated proportionately by total resident days or by direct identification to the nursing facilities served by those consultants.

150.20 Sec. 32. Minnesota Statutes 2016, section 256R.02, subdivision 18, is amended to read:

150.21 Subd. 18. **Employer health insurance costs.** "Employer health insurance costs” means premium expenses for group coverage and reinsurance, actual expenses incurred for self-insured plans, including reinsurance; and employer contributions to employee health reimbursement and health savings accounts. Premium and expense costs and contributions are allowable for (1) all employees and (2) the spouse and dependents of those employees who meet the definition of full-time employees under the federal Affordable Care Act, Public Law 111-148 are employed on average at least 30 hours per week.

150.28 **EFFECTIVE DATE.** This section is effective the day following final enactment.

150.29 Sec. 33. Minnesota Statutes 2016, section 256R.02, subdivision 19, is amended to read:

150.30 Subd. 19. **External fixed costs.** "External fixed costs" means costs related to the nursing home surcharge under section 256.9657, subdivision 1; licensure fees under section 144.122; family advisory council fee under section 144A.33; scholarships under section 256R.37;
planned closure rate adjustments under section 256R.40; consolidation rate adjustments under section 144A.071, subdivisions 4c, paragraph (a), clauses (5) and (6), and 4d; single-bed room incentives under section 256R.41; property taxes, assessments, and payments in lieu of taxes; employer health insurance costs; quality improvement incentive payment rate adjustments under section 256R.39; performance-based incentive payments under section 256R.38; special dietary needs under section 256R.51; rate adjustments for compensation-related costs for minimum wage changes under section 256R.49 provided on or after January 1, 2018; and Public Employees Retirement Association employer costs.

Sec. 34. Minnesota Statutes 2016, section 256R.02, subdivision 22, is amended to read:

Subd. 22. Fringe benefit costs. "Fringe benefit costs" means the costs for group life, dental, workers' compensation, and other employee insurances and short- and long-term disability, long-term care insurance, accident insurance, supplemental insurance, legal assistance insurance, profit sharing, health insurance costs not covered under subdivision 18, including costs associated with part-time employee family members or retirees, and pension and retirement plan contributions, except for the Public Employees Retirement Association and employer health insurance costs; profit sharing; and retirement plans for which the employer pays all or a portion of the costs.

Sec. 35. Minnesota Statutes 2016, section 256R.02, subdivision 42, is amended to read:

Subd. 42. Raw food costs. "Raw food costs" means the cost of food provided to nursing facility residents and the allocation of dietary credits. Also included are special dietary supplements used for tube feeding or oral feeding, such as elemental high nitrogen diet.

Sec. 36. Minnesota Statutes 2016, section 256R.02, is amended by adding a subdivision to read:

Subd. 42a. Real estate taxes. "Real estate taxes" means the real estate tax liability shown on the annual property tax statement of the nursing facility for the reporting period. The term does not include personnel costs or fees for late payment.

Sec. 37. Minnesota Statutes 2016, section 256R.02, is amended by adding a subdivision to read:

Subd. 48a. Special assessments. "Special assessments" means the actual special assessments and related interest paid during the reporting period. The term does not include personnel costs or fees for late payment.
Sec. 38. Minnesota Statutes 2016, section 256R.02, subdivision 52, is amended to read:

Subd. 52. Therapy costs. "Therapy costs" means any costs related to medical assistance therapy services provided to residents that are not billed separately from the daily operating rate.

Sec. 39. Minnesota Statutes 2016, section 256R.06, subdivision 5, is amended to read:

Subd. 5. Notice to residents. (a) No increase in nursing facility rates for private paying residents shall be effective unless the nursing facility notifies the resident or person responsible for payment of the increase in writing 30 days before the increase takes effect. The notice must include the amount of the rate increase, the new payment rate, and the date the rate increase takes effect.

A nursing facility may adjust its rates without giving the notice required by this subdivision when the purpose of the rate adjustment is to reflect a change in the case mix classification of the resident. The nursing facility shall notify private pay residents of any rate increase related to a change in case mix classifications in a timely manner after confirmation of the case mix classification change is received from the Department of Health.

If the state fails to set rates as required by section 256R.09, subdivision 1, the time required for giving notice is decreased by the number of days by which the state was late in setting the rates.

(b) If the state does not set rates by the date required in section 256R.09, subdivision 1, or otherwise provides nursing facilities with retroactive notification of the amount of a rate increase, nursing facilities shall meet the requirement for advance notice by informing the resident or person responsible for payments, on or before the effective date of the increase, that a rate increase will be effective on that date. The requirements of paragraph (a) do not apply to situations described in this paragraph.

If the exact amount has not yet been determined, the nursing facility may raise the rates by the amount anticipated to be allowed. Any amounts collected from private pay residents in excess of the allowable rate must be repaid to private pay residents with interest at the rate used by the commissioner of revenue for the late payment of taxes and in effect on the date the rate increase is effective.
Sec. 40. Minnesota Statutes 2016, section 256R.07, is amended by adding a subdivision to read:

Subd. 6. Electronic signature. For documentation requiring a signature under this chapter or section 256B.431 or 256B.434, use of an electronic signature as defined under section 325L.02, paragraph (h), is allowed.

Sec. 41. Minnesota Statutes 2016, section 256R.10, is amended by adding a subdivision to read:

Subd. 7. Not specified allowed costs. When the cost category for allowed cost items or services is not specified in this chapter or the provider reimbursement manual, the commissioner, in consultation with stakeholders, shall determine the cost category for the allowed cost item or service.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 42. [256R.18] REPORT BY COMMISSIONER OF HUMAN SERVICES.

Beginning January 1, 2019, the commissioner shall provide to the house of representatives and senate committees with jurisdiction over nursing facility payment rates a biennial report on the effectiveness of the reimbursement system in improving quality, restraining costs, and any other features of the system as determined by the commissioner.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 43. Minnesota Statutes 2016, section 256R.37, is amended to read:

256R.37 SCHOLARSHIPS.

(a) For the 27-month period beginning October 1, 2015, through December 31, 2017, the commissioner shall allow a scholarship per diem of up to 25 cents for each nursing facility with no scholarship per diem that is requesting a scholarship per diem to be added to the external fixed payment rate to be used:

(1) for employee scholarships that satisfy the following requirements:

(i) scholarships are available to all employees who work an average of at least ten hours per week at the facility except the administrator, and to reimburse student loan expenses for newly hired and recently graduated registered nurses and licensed practical nurses, and training expenses for nursing assistants as specified in section 144A.611, subdivisions 2 and 4, who are newly hired and have graduated within the last 12 months; and
the course of study is expected to lead to career advancement with the facility or in
long-term care, including medical care interpreter services and social work; and

(2) to provide job-related training in English as a second language.

(b) All facilities may annually request a rate adjustment under this section by submitting
information to the commissioner on a schedule and in a form supplied by the commissioner.
The commissioner shall allow a scholarship payment rate equal to the reported and allowable
costs divided by resident days.

(c) In calculating the per diem under paragraph (b), the commissioner shall allow costs
related to tuition, direct educational expenses, and reasonable costs as defined by the
commissioner for child care costs and transportation expenses related to direct educational
expenses.

(d) The rate increase under this section is an optional rate add-on that the facility must
request from the commissioner in a manner prescribed by the commissioner. The rate
increase must be used for scholarships as specified in this section.

(e) For instances in which a rate adjustment will be 15 cents or greater, nursing facilities
that close beds during a rate year may request to have their scholarship adjustment under
paragraph (b) recalculated by the commissioner for the remainder of the rate year to reflect
the reduction in resident days compared to the cost report year.

Sec. 44. Minnesota Statutes 2016, section 256R.40, subdivision 1, is amended to read:

Subdivision 1. Definitions. (a) The definitions in this subdivision apply to this section.

(b) "Closure" means the cessation of operations of a nursing facility and delicensure and
decertification of all beds within the facility.

(c) "Closure plan" means a plan to close a nursing facility and reallocate a portion of
the resulting savings to provide planned closure rate adjustments at other facilities.

(d) "Commencement of closure" means the date on which residents and designated
representatives are notified of a planned closure as provided in section 144A.161, subdivision
5a, as part of an approved closure plan.

(e) "Completion of closure" means the date on which the final resident of the nursing
facility designated for closure in an approved closure plan is discharged from the facility
or the date that beds from a partial closure are delicensed and decertified.

(f) "Partial closure" means the delicensure and decertification of a portion of the beds
within the facility.
"Planned closure rate adjustment" means an increase in a nursing facility's operating rates resulting from a planned closure or a planned partial closure of another facility.

Sec. 45. Minnesota Statutes 2016, section 256R.40, subdivision 5, is amended to read:

Subd. 5. Planned closure rate adjustment. (a) The commissioner shall calculate the amount of the planned closure rate adjustment available under subdivision 6 according to clauses (1) to (4):

(1) the amount available is the net reduction of nursing facility beds multiplied by $2,080;

(2) the total number of beds in the nursing facility or facilities receiving the planned closure rate adjustment must be identified;

(3) capacity days are determined by multiplying the number determined under clause (2) by 365; and

(4) the planned closure rate adjustment is the amount available in clause (1), divided by capacity days determined under clause (3).

(b) A planned closure rate adjustment under this section is effective on the first day of the month of January or July, whichever occurs immediately following completion of closure of the facility designated for closure in the application and becomes part of the nursing facility's external fixed payment rate.

(c) Upon the request of a closing facility, the commissioner must allow the facility a closure rate adjustment as provided under section 144A.161, subdivision 10.

(d) A facility that has received a planned closure rate adjustment may reassign it to another facility that is under the same ownership at any time within three years of its effective date. The amount of the adjustment is computed according to paragraph (a).

(e) If the per bed dollar amount specified in paragraph (a), clause (1), is increased, the commissioner shall recalculate planned closure rate adjustments for facilities that delicense beds under this section on or after July 1, 2001, to reflect the increase in the per bed dollar amount. The recalculated planned closure rate adjustment is effective from the date the per bed dollar amount is increased.

EFFECTIVE DATE. This section is effective for closures occurring after July 1, 2017.

Sec. 46. Minnesota Statutes 2016, section 256R.41, is amended to read:

256R.41 SINGLE-BED ROOM INCENTIVE.
(a) Beginning July 1, 2005, the operating payment rate for nursing facilities reimbursed under this chapter shall be increased by 20 percent multiplied by the ratio of the number of new single-bed rooms created divided by the number of active beds on July 1, 2005, for each bed closure that results in the creation of a single-bed room after July 1, 2005. The commissioner may implement rate adjustments for up to 3,000 new single-bed rooms each year. For eligible bed closures for which the commissioner receives a notice from a facility during a calendar quarter that a bed has been delicensed and a new single-bed room has been established, the rate adjustment in this paragraph shall be effective on either the first day of the second month of January or July, whichever occurs first following the calendar quarter the date of the bed delicensure.

(b) A nursing facility is prohibited from discharging residents for purposes of establishing single-bed rooms. A nursing facility must submit documentation to the commissioner in a form prescribed by the commissioner, certifying the occupancy status of beds closed to create single-bed rooms. In the event that the commissioner determines that a facility has discharged a resident for purposes of establishing a single-bed room, the commissioner shall not provide a rate adjustment under paragraph (a).

EFFECTIVE DATE. This section is effective for closures occurring after July 1, 2017.

Sec. 47. Minnesota Statutes 2016, section 256R.47, is amended to read:

256R.47 RATE ADJUSTMENT FOR CRITICAL ACCESS NURSING FACILITIES.

(a) The commissioner, in consultation with the commissioner of health, may designate certain nursing facilities as critical access nursing facilities. The designation shall be granted on a competitive basis, within the limits of funds appropriated for this purpose.

(b) The commissioner shall request proposals from nursing facilities every two years. Proposals must be submitted in the form and according to the timelines established by the commissioner. In selecting applicants to designate, the commissioner, in consultation with the commissioner of health, and with input from stakeholders, shall develop criteria designed to preserve access to nursing facility services in isolated areas, rebalance long-term care, and improve quality. To the extent practicable, the commissioner shall ensure an even distribution of designations across the state.

(c) The commissioner shall allow the benefits in clauses (1) to (5) for nursing facilities designated as critical access nursing facilities:
(1) partial rebasing, with the commissioner allowing a designated facility operating
payment rates being the sum of up to 60 percent of the operating payment rate determined
in accordance with section 256R.21, subdivision 3, and at least 40 percent, with the sum of
the two portions being equal to 100 percent, of the operating payment rate that would have
been allowed had the facility not been designated. The commissioner may adjust these
percentages by up to 20 percent and may approve a request for less than the amount allowed;

(2) enhanced payments for leave days. Notwithstanding section 256R.43, upon
designation as a critical access nursing facility, the commissioner shall limit payment for
leave days to 60 percent of that nursing facility's total payment rate for the involved resident,
and shall allow this payment only when the occupancy of the nursing facility, inclusive of
bed hold days, is equal to or greater than 90 percent;

(3) two designated critical access nursing facilities, with up to 100 beds in active service,
may jointly apply to the commissioner of health for a waiver of Minnesota Rules, part
4658.0500, subpart 2, in order to jointly employ a director of nursing. The commissioner
of health shall consider each waiver request independently based on the criteria under
Minnesota Rules, part 4658.0040;

(4) the minimum threshold under section 256B.431, subdivision 15, paragraph (e), shall
be 40 percent of the amount that would otherwise apply; and

(5) the quality-based rate limits under section 256R.23, subdivisions 5 to 7, apply to
designated critical access nursing facilities.

(d) Designation of a critical access nursing facility is for a period of two years, after
which the benefits allowed under paragraph (c) shall be removed. Designated facilities may
apply for continued designation.

(e) This section is suspended and no state or federal funding shall be appropriated or
allocated for the purposes of this section from January 1, 2016, to December 31, 2019.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 48. Minnesota Statutes 2016, section 256R.49, subdivision 1, is amended to read:

Subdivision 1. Rate adjustments for compensation-related costs. (a) Operating payment
rates of all nursing facilities that are reimbursed under this chapter shall be increased effective
for rate years beginning on and after October 1, 2014, to address changes in compensation
costs for nursing facility employees paid less than $14 per hour in accordance with this
section. Rate increases provided under this section before October 1, 2016, expire effective
January 1, 2018, and rate increases provided on or after October 1, 2016, expire effective January 1, 2019.

(b) Nursing facilities that receive approval of the applications in subdivision 2 must receive rate adjustments according to subdivision 4. The rate adjustments must be used to pay compensation costs for nursing facility employees paid less than $14 per hour.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 49. Minnesota Statutes 2016, section 256R.53, subdivision 2, is amended to read:

Subd. 2. **Nursing facility facilities in Breckenridge border cities.** The operating payment rate of a nonprofit nursing facility that exists on January 1, 2015, is located within the boundaries of the city cities of Breckenridge or Moorhead, and is reimbursed under this chapter, is equal to the greater of:

1. the operating payment rate determined under section 256R.21, subdivision 3; or
2. the median case mix adjusted rates, including comparable rate components as determined by the median case mix adjusted rates, including comparable rate components as determined by the commissioner, for the equivalent case mix indices of the nonprofit nursing facility or facilities located in an adjacent city in another state and in cities contiguous to the adjacent city. The commissioner shall make the comparison required in this subdivision on November 1 of each year and shall apply it to the rates to be effective on the following January 1. The Minnesota facility's operating payment rate with a case mix index of 1.0 is computed by dividing the adjacent city's nursing facility or facilities' median operating payment rate with an index of 1.02 by 1.02. If the adjustments under this subdivision result in a rate that exceeds the limits in section 256R.23, subdivision 5, and whose costs exceed the rate in section 256R.24, subdivision 3, in a given rate year, the facility's rate shall not be subject to the limits in section 256R.23, subdivision 5, and shall not be limited to the rate established in section 256R.24, subdivision 3, for that rate year.

**EFFECTIVE DATE.** The rate increases for a facility located in Moorhead are effective for the rate year beginning January 1, 2020, and annually thereafter.

Sec. 50. **DIRECTION TO COMMISSIONER; ADULT DAY SERVICES STAFFING RATIOS.**

The commissioner of human services shall study the staffing ratio for adult day services clients and shall provide the chairs and ranking minority members of the house of
representatives and senate committees with jurisdiction over adult day services with recommendations to adjust staffing ratios based on client needs by January 1, 2018.

Sec. 51. ALZHEIMER'S DISEASE WORKING GROUP.

Subdivision 1. Members. (a) The Minnesota Board on Aging must appoint 16 members to an Alzheimer's disease working group, as follows:

(1) a caregiver of a person who has been diagnosed with Alzheimer's disease;
(2) a person who has been diagnosed with Alzheimer's disease;
(3) two representatives from the nursing facility or senior housing profession;
(4) a representative of the home care or adult day services profession;
(5) two geriatricians, one of whom serves a diverse or underserved community;
(6) a psychologist who specializes in dementia care;
(7) an Alzheimer's researcher;
(8) a representative of the Alzheimer's Association;
(9) two members from community-based organizations serving one or more diverse or underserved communities;
(10) the commissioner of human services or a designee;
(11) the commissioner of health or a designee;
(12) the ombudsman for long-term care or a designee; and
(13) one member of the Minnesota Board on Aging, selected by the board.

(b) The executive director of the Minnesota Board on Aging serves on the working group as a nonvoting member.

(c) The appointing authorities under this subdivision must complete their appointments no later than December 15, 2017.

(d) To the extent practicable, the membership of the working group must reflect the diversity in Minnesota, and must include representatives from rural and metropolitan areas and representatives of different ethnicities, races, genders, ages, cultural groups, and abilities.

Subd. 2. Duties; recommendations. The Alzheimer's disease working group must review and revise the 2011 report, Preparing Minnesota for Alzheimer's: the Budgetary,
Social and Personal Impacts. The working group shall consider and make recommendations and findings on the following issues as related to Alzheimer's disease or other dementias:

(1) analysis and assessment of public health and health care data to accurately determine trends and disparities in cognitive decline;

(2) public awareness, knowledge, and attitudes, including knowledge gaps, stigma, availability of information, and supportive community environments;

(3) risk reduction, including health education and health promotion on risk factors, safety, and potentially avoidable hospitalizations;

(4) diagnosis and treatment, including early detection, access to diagnosis, quality of dementia care, and cost of treatment;

(5) professional education and training, including geriatric education for licensed health care professionals and dementia-specific training for direct care workers, first responders, and other professionals in communities;

(6) residential services, including cost to families as well as regulation and licensing gaps; and

(7) cultural competence and responsiveness to reduce health disparities and improve access to high-quality dementia care.

Subd. 3. Meetings. The Board on Aging must convene the first meeting of the working group no later than January 15, 2018. Before the first meeting, the Board on Aging must designate one member to serve as chair. Meetings of the working group must be open to the public, and to the extent practicable, technological means, such as Web casts, shall be used to reach the greatest number of people throughout the state. The working group may not meet more than five times.

Subd. 4. Compensation. Members of the working group serve without compensation, but may be reimbursed for allowed actual and necessary expenses incurred in the performance of the member's duties for the working group in the same manner and amount as authorized by the commissioner's plan adopted under Minnesota Statutes, section 43A.18, subdivision 2.

Subd. 5. Administrative support. The Minnesota Board on Aging shall provide administrative support and arrange meeting space for the working group.

Subd. 6. Report. The Board on Aging must submit a report providing the findings and recommendations of the working group, including any draft legislation necessary to
implement the recommendations, to the governor and chairs and ranking minority members of the legislative committees with jurisdiction over health care by January 15, 2019.

Subd. 7. Expiration. The working group expires June 30, 2019, or the day after the working group submits the report required in subdivision 6, whichever is earlier.

Sec. 52. ELECTRONIC SERVICE DELIVERY DOCUMENTATION SYSTEM.

Subdivision 1. Documentation; establishment. The commissioner of human services shall establish implementation requirements and standards for an electronic service delivery documentation system to comply with the 21st Century Cures Act, Public Law 114-255.

Subd. 2. Definitions. (a) For purposes of this section, the terms in this subdivision have the meanings given them.

(b) "Electronic service delivery documentation" means the electronic documentation of the:

(1) type of service performed;
(2) individual receiving the service;
(3) date of the service;
(4) location of the service delivery;
(5) individual providing the service; and
(6) time the service begins and ends.

(c) "Electronic service delivery documentation system" means a system that provides electronic service delivery documentation that complies with the 21st Century Cures Act, Public Law 114-255, and the requirements of subdivision 3.

(d) "Service" means one of the following:

(1) personal care assistance services as defined in Minnesota Statutes, section 256B.0625, subdivision 19a, and provided according to Minnesota Statutes, section 256B.0659; or
(2) community first services and supports under Minnesota Statutes, section 256B.85.

Subd. 3. Requirements. (a) In developing implementation requirements for an electronic service delivery documentation system, the commissioner shall consider electronic visit verification systems and other electronic service delivery documentation methods. The commissioner shall convene stakeholders that will be impacted by an electronic service delivery system, including service providers and their representatives, service recipients
and their representatives, and, as appropriate, those with expertise in the development and operation of an electronic service delivery documentation system, to ensure that the requirements:

1. are minimally administratively and financially burdensome to a provider;
2. are minimally burdensome to the service recipient and the least disruptive to the service recipient in receiving and maintaining allowed services;
3. consider existing best practices and use of electronic service delivery documentation;
4. are conducted according to all state and federal laws;
5. are effective methods for preventing fraud when balanced against the requirements of clauses (1) and (2); and
6. are consistent with the Department of Human Services' policies related to covered services, flexibility of service use, and quality assurance.

(b) The commissioner shall make training available to providers on the electronic service delivery documentation system requirements.

(c) The commissioner shall establish baseline measurements related to preventing fraud and establish measures to determine the effect of electronic service delivery documentation requirements on program integrity.

Subd. 4. Legislative report. (a) The commissioner shall submit a report by January 15, 2018, to the chairs and ranking minority members of the legislative committees with jurisdiction over human services with recommendations, based on the requirements of subdivision 3, to establish electronic service delivery documentation system requirements and standards. The report shall identify:

1. the essential elements necessary to operationalize a base-level electronic service delivery documentation system to be implemented by January 1, 2019; and
2. enhancements to the base-level electronic service delivery documentation system to be implemented by January 1, 2019, or after, with projected operational costs and the costs and benefits for system enhancements.

(b) The report must also identify current regulations on service providers that are either inefficient, minimally effective, or will be unnecessary with the implementation of an electronic service delivery documentation system.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 53. DIRECTION TO COMMISSIONER; ICF/DD PAYMENT RATE STUDY.

Within available appropriations, the commissioner of human services shall study the intermediate care facility for persons with developmental disabilities payment rates under Minnesota Statutes, sections 256B.5011 to 256B.5013, and make recommendations on the rate structure to the chairs and ranking minority members of the legislative committees with jurisdiction over human services policy and finance by January 15, 2018.

Sec. 54. REVISOR'S INSTRUCTION.

The revisor of statutes, in consultation with the House Research Department, Office of Senate Counsel, Research, and Fiscal Analysis, and Department of Human Services shall prepare legislation for the 2018 legislative session to recodify laws governing the elderly waiver program in Minnesota Statutes, chapter 256B.

EFFECTIVE DATE. This section is effective the day following final enactment.

ARTICLE 4

HEALTH CARE

Section 1. Minnesota Statutes 2016, section 3.972, is amended by adding a subdivision to read:

Subd. 2a. Audits of Department of Human Services. (a) To ensure continuous legislative oversight and accountability, the legislative auditor shall give high priority to auditing the programs, services, and benefits administered by the Department of Human Services. The audits shall determine whether the department offered programs and provided services and benefits only to eligible persons and organizations, and complied with applicable legal requirements.

(b) The legislative auditor shall, based on an assessment of risk and using professional standards to provide a statistically significant sample, no less than three times each year, test a representative sample of persons enrolled in a medical assistance program or MinnesotaCare to determine whether they are eligible to receive benefits under those programs. The legislative auditor shall report the results to the commissioner of human services and recommend corrective actions. The commissioner shall provide a response to the legislative auditor within 20 business days, including corrective actions to be taken to address any problems identified by the legislative auditor and anticipated completion dates.

The legislative auditor shall monitor the commissioner's implementation of corrective actions and periodically report the results to the Legislative Audit Commission and the chairs and
ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance. The legislative auditor's reports to the commission and the chairs and ranking minority members must include recommendations for any legislative actions needed to ensure that medical assistance and MinnesotaCare benefits are provided only to eligible persons.

Sec. 2. Minnesota Statutes 2016, section 3.972, is amended by adding a subdivision to read:

Subd. 2b. Audits of managed care organizations. (a) The legislative auditor shall audit each managed care organization that contracts with the commissioner of human services to provide health care services under sections 256B.69, 256B.692, and 256L.12. The legislative auditor shall design the audits to determine if a managed care organization used the public money in compliance with federal and state laws, rules, and in accordance with provisions in the managed care organization's contract with the commissioner of human services. The legislative auditor shall determine the schedule and scope of the audit work and may contract with vendors to assist with the audits. The managed care organization must cooperate with the legislative auditor and must provide the legislative auditor with all data, documents, and other information, regardless of classification, that the legislative auditor requests to conduct an audit. The legislative auditor shall periodically report audit results and recommendations to the Legislative Audit Commission and the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance.

(b) For purposes of this subdivision, a "managed care organization" means a demonstration provider as defined under section 256B.69, subdivision 2.

Sec. 3. Minnesota Statutes 2016, section 13.69, subdivision 1, is amended to read:

Subdivision 1. Classifications. (a) The following government data of the Department of Public Safety are private data:

(1) medical data on driving instructors, licensed drivers, and applicants for parking certificates and special license plates issued to physically disabled persons;

(2) other data on holders of a disability certificate under section 169.345, except that (i) data that are not medical data may be released to law enforcement agencies, and (ii) data necessary for enforcement of sections 169.345 and 169.346 may be released to parking enforcement employees or parking enforcement agents of statutory or home rule charter cities and towns;
(3) Social Security numbers in driver's license and motor vehicle registration records, except that Social Security numbers must be provided to the Department of Revenue for purposes of tax administration, the Department of Labor and Industry for purposes of workers' compensation administration and enforcement, and the Department of Natural Resources for purposes of license application administration, and except that the last four digits of the Social Security number must be provided to the Department of Human Services for purposes of recovery of Minnesota health care program benefits paid; and

(4) data on persons listed as standby or temporary custodians under section 171.07, subdivision 11, except that the data must be released to:

(i) law enforcement agencies for the purpose of verifying that an individual is a designated caregiver; or

(ii) law enforcement agencies who state that the license holder is unable to communicate at that time and that the information is necessary for notifying the designated caregiver of the need to care for a child of the license holder.

The department may release the Social Security number only as provided in clause (3) and must not sell or otherwise provide individual Social Security numbers or lists of Social Security numbers for any other purpose.

(b) The following government data of the Department of Public Safety are confidential data: data concerning an individual's driving ability when that data is received from a member of the individual's family.

**EFFECTIVE DATE.** This section is effective July 1, 2017.

Sec. 4. [62J.815] HEALTH CARE PROVIDERS PRICE DISCLOSURES.

(a) Each health care provider, as defined by section 62J.03, subdivision 8, except hospitals and outpatient surgical centers subject to the requirements of section 62J.82, shall maintain a list of the services or procedures that correspond with the 35 most frequent current procedural terminology (CPT) codes, and a list of the ten most frequent CPT codes for preventive services used by the provider for reimbursement purposes and the provider's charge for each of these services or procedures that the provider would charge to patients who are not covered by private or public health care coverage.

(b) This list must be updated annually and be readily available on site at no cost to the public. The provider must also post this information on the provider's Web site or the health care clinic's Web site where the provider practices.
Sec. 5. Minnesota Statutes 2016, section 256.9686, subdivision 8, is amended to read:

Subd. 8. **Rate year.** "Rate year" means a calendar year from January 1 to December 31.

Effective with the 2012 base year, rate year means a state fiscal year from July 1 to June 30.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 6. Minnesota Statutes 2016, section 256.969, subdivision 1, is amended to read:

Subdivision 1. **Hospital cost index.** (a) The hospital cost index shall be the change in the Centers for Medicare and Medicaid Services Inpatient Hospital Market Basket. The commissioner shall use the indices as forecasted for the midpoint of the prior rate year to the midpoint of the current rate year.

(b) Except as authorized under this section, for fiscal years beginning on or after July 1, 1993, the commissioner of human services shall not provide automatic annual inflation adjustments for hospital payment rates under medical assistance.

**EFFECTIVE DATE.** This section is effective July 1, 2017.

Sec. 7. Minnesota Statutes 2016, section 256.969, subdivision 2b, is amended to read:

Subd. 2b. **Hospital payment rates.** (a) For discharges occurring on or after November 1, 2014, hospital inpatient services for hospitals located in Minnesota shall be paid according to the following:

(1) critical access hospitals as defined by Medicare shall be paid using a cost-based methodology;

(2) long-term hospitals as defined by Medicare shall be paid on a per diem methodology under subdivision 25;

(3) rehabilitation hospitals or units of hospitals that are recognized as rehabilitation distinct parts as defined by Medicare shall be paid according to the methodology under subdivision 12; and

(4) all other hospitals shall be paid on a diagnosis-related group (DRG) methodology.

(b) For the period beginning January 1, 2011, through October 31, 2014, rates shall not be rebased, except that a Minnesota long-term hospital shall be rebased effective January 1, 2011, based on its most recent Medicare cost report ending on or before September 1, 2008, with the provisions under subdivisions 9 and 23, based on the rates in effect on December 31, 2010. For rate setting periods after November 1, 2014, in which the base
years are updated, a Minnesota long-term hospital's base year shall remain within the same period as other hospitals.

(c) Effective for discharges occurring on and after November 1, 2014, payment rates for hospital inpatient services provided by hospitals located in Minnesota or the local trade area, except for the hospitals paid under the methodologies described in paragraph (a), clauses (2) and (3), shall be rebased, incorporating cost and payment methodologies in a manner similar to Medicare. The base year for the rates effective November 1, 2014, shall be calendar year 2012. The rebasing under this paragraph shall be budget neutral, ensuring that the total aggregate payments under the rebased system are equal to the total aggregate payments that were made for the same number and types of services in the base year. Separate budget neutrality calculations shall be determined for payments made to critical access hospitals and payments made to hospitals paid under the DRG system. Only the rate increases or decreases under subdivision 3a or 3c that applied to the hospitals being rebased during the entire base period shall be incorporated into the budget neutrality calculation.

(d) For discharges occurring on or after November 1, 2014, through the next rebasing period that occurs, the rebased rates under paragraph (c) that apply to hospitals under paragraph (a), clause (4), shall include adjustments to the projected rates that result in no greater than a five percent increase or decrease from the base year payments for any hospital. Any adjustments to the rates made by the commissioner under this paragraph and paragraph (e) shall maintain budget neutrality as described in paragraph (c).

(e) For discharges occurring on or after November 1, 2014, through the next two rebasing periods the commissioner may make additional adjustments to the rebased rates, and when evaluating whether additional adjustments should be made, the commissioner shall consider the impact of the rates on the following:

(1) pediatric services;
(2) behavioral health services;
(3) trauma services as defined by the National Uniform Billing Committee;
(4) transplant services;
(5) obstetric services, newborn services, and behavioral health services provided by hospitals outside the seven-county metropolitan area;
(6) outlier admissions;
(7) low-volume providers; and
services provided by small rural hospitals that are not critical access hospitals.

(f) Hospital payment rates established under paragraph (c) must incorporate the following:

(1) for hospitals paid under the DRG methodology, the base year payment rate per admission is standardized by the applicable Medicare wage index and adjusted by the hospital's disproportionate population adjustment;

(2) for critical access hospitals, payment rates for discharges between November 1, 2014, and June 30, 2015, shall be set to the same rate of payment that applied for discharges on October 31, 2014;

(3) the cost and charge data used to establish hospital payment rates must only reflect inpatient services covered by medical assistance; and

(4) in determining hospital payment rates for discharges occurring on or after the rate year beginning January 1, 2011, through December 31, 2012, the hospital payment rate per discharge shall be based on the cost-finding methods and allowable costs of the Medicare program in effect during the base year or years. In determining hospital payment rates for discharges in subsequent base years, the per discharge rates shall be based on the cost-finding methods and allowable costs of the Medicare program in effect during the base year or years.

(g) The commissioner shall validate the rates effective November 1, 2014, by applying the rates established under paragraph (c), and any adjustments made to the rates under paragraph (d) or (e), to hospital claims paid in calendar year 2013 to determine whether the total aggregate payments for the same number and types of services under the rebased rates are equal to the total aggregate payments made during calendar year 2013.

(h) Effective for discharges occurring on or after July 1, 2017, and every two years thereafter, payment rates under this section shall be rebased to reflect only those changes in hospital costs between the existing base year and the next base year. Changes in costs between base years shall be measured using the lower of the hospital cost index defined in subdivision 1, paragraph (a), or the percentage change in the case mix adjusted cost per claim. The commissioner shall establish the base year for each rebasing period considering the most recent year for which filed Medicare cost reports are available. The estimated change in the average payment per hospital discharge resulting from a scheduled rebasing must be calculated and made available to the legislature by January 15 of each year in which rebasing is scheduled to occur, and must include by hospital the differential in payment rates compared to the individual hospital's costs.
(i) Effective for discharges occurring on or after July 1, 2015, inpatient payment rates for critical access hospitals located in Minnesota or the local trade area shall be determined using a new cost-based methodology. The commissioner shall establish within the methodology tiers of payment designed to promote efficiency and cost-effectiveness. Payment rates for hospitals under this paragraph shall be set at a level that does not exceed the total cost for critical access hospitals as reflected in base year cost reports. Until the next rebasing that occurs, the new methodology shall result in no greater than a five percent decrease from the base year payments for any hospital, except a hospital that had payments that were greater than 100 percent of the hospital’s costs in the base year shall have their rate set equal to 100 percent of costs in the base year. The rates paid for discharges on and after July 1, 2016, covered under this paragraph shall be increased by the inflation factor in subdivision 1, paragraph (a). The new cost-based rate shall be the final rate and shall not be settled to actual incurred costs. Hospitals shall be assigned a payment tier based on the following criteria:

(1) hospitals that had payments at or below 80 percent of their costs in the base year shall have a rate set that equals 85 percent of their base year costs;

(2) hospitals that had payments that were above 80 percent, up to and including 90 percent of their costs in the base year shall have a rate set that equals 95 percent of their base year costs; and

(3) hospitals that had payments that were above 90 percent of their costs in the base year shall have a rate set that equals 100 percent of their base year costs.

(j) The commissioner may refine the payment tiers and criteria for critical access hospitals to coincide with the next rebasing under paragraph (h). The factors used to develop the new methodology may include, but are not limited to:

(1) the ratio between the hospital's costs for treating medical assistance patients and the hospital's charges to the medical assistance program;

(2) the ratio between the hospital's costs for treating medical assistance patients and the hospital's payments received from the medical assistance program for the care of medical assistance patients;

(3) the ratio between the hospital's charges to the medical assistance program and the hospital's payments received from the medical assistance program for the care of medical assistance patients;

(4) the statewide average increases in the ratios identified in clauses (1), (2), and (3);
(5) the proportion of that hospital's costs that are administrative and trends in
administrative costs; and

(6) geographic location.

**EFFECTIVE DATE.** This section is effective July 1, 2017.

Sec. 8. Minnesota Statutes 2016, section 256.969, subdivision 3a, is amended to read:

Subd. 3a. **Payments.** (a) Acute care hospital billings under the medical assistance program
must not be submitted until the recipient is discharged. However, the commissioner shall
establish monthly interim payments for inpatient hospitals that have individual patient
lengths of stay over 30 days regardless of diagnostic category. Except as provided in section
256.9693, medical assistance reimbursement for treatment of mental illness shall be
reimbursed based on diagnostic classifications. Individual hospital payments established
under this section and sections 256.9685, 256.9686, and 256.9695, in addition to third-party
and recipient liability, for discharges occurring during the rate year shall not exceed, in
aggregate, the charges for the medical assistance covered inpatient services paid for the
same period of time to the hospital. Services that have rates established under subdivision
or 12, must be limited separately from other services. After consulting with the affected
hospitals, the commissioner may consider related hospitals one entity and may merge the
payment rates while maintaining separate provider numbers. The operating and property
base rates per admission or per day shall be derived from the best Medicare and claims data
available when rates are established. The commissioner shall determine the best Medicare
and claims data, taking into consideration variables of recency of the data, audit disposition,
settlement status, and the ability to set rates in a timely manner. The commissioner shall
notify hospitals of payment rates 30 days prior to implementation. The rate setting data
must reflect the admissions data used to establish relative values. The commissioner may
adjust base year cost, relative value, and case mix index data to exclude the costs of services
that have been discontinued by the October 1 of the year preceding the rate year or that are
paid separately from inpatient services. Inpatient stays that encompass portions of two or
more rate years shall have payments established based on payment rates in effect at the time
of admission unless the date of admission preceded the rate year in effect by six months or
more. In this case, operating payment rates for services rendered during the rate year in
effect and established based on the date of admission shall be adjusted to the rate year in
effect by the hospital cost index.
(b) For fee-for-service admissions occurring on or after July 1, 2002, the total payment, before third-party liability and spenddown, made to hospitals for inpatient services is reduced by .5 percent from the current statutory rates.

(c) In addition to the reduction in paragraph (b), the total payment for fee-for-service admissions occurring on or after July 1, 2003, made to hospitals for inpatient services before third-party liability and spenddown, is reduced five percent from the current statutory rates. Mental health services within diagnosis related groups 424 to 432 or corresponding APR-DRGs, and facilities defined under subdivision 16 are excluded from this paragraph.

(d) In addition to the reduction in paragraphs (b) and (c), the total payment for fee-for-service admissions occurring on or after August 1, 2005, made to hospitals for inpatient services before third-party liability and spenddown, is reduced 6.0 percent from the current statutory rates. Mental health services within diagnosis related groups 424 to 432 or corresponding APR-DRGs, and facilities defined under subdivision 16 are excluded from this paragraph. Payments made to managed care plans shall be reduced for services provided on or after January 1, 2006, to reflect this reduction.

(e) In addition to the reductions in paragraphs (b), (c), and (d), the total payment for fee-for-service admissions occurring on or after July 1, 2008, through June 30, 2009, made to hospitals for inpatient services before third-party liability and spenddown, is reduced 3.46 percent from the current statutory rates. Mental health services with diagnosis related groups 424 to 432 or corresponding APR-DRGs, and facilities defined under subdivision 16 are excluded from this paragraph. Payments made to managed care plans shall be reduced for services provided on or after January 1, 2009, through June 30, 2009, to reflect this reduction.

(f) In addition to the reductions in paragraphs (b), (c), and (d), the total payment for fee-for-service admissions occurring on or after July 1, 2009, through June 30, 2011, made to hospitals for inpatient services before third-party liability and spenddown, is reduced 1.9 percent from the current statutory rates. Mental health services with diagnosis related groups 424 to 432 or corresponding APR-DRGs, and facilities defined under subdivision 16 are excluded from this paragraph. Payments made to managed care plans shall be reduced for services provided on or after July 1, 2009, through June 30, 2011, to reflect this reduction.

(g) In addition to the reductions in paragraphs (b), (c), and (d), the total payment for fee-for-service admissions occurring on or after July 1, 2011, made to hospitals for inpatient services before third-party liability and spenddown, is reduced 1.79 percent from the current statutory rates. Mental health services with diagnosis related groups 424 to 432 or
corresponding APR-DRGs, and facilities defined under subdivision 16 are excluded from this paragraph. Payments made to managed care plans shall be reduced for services provided on or after July 1, 2011, to reflect this reduction.

(h) In addition to the reductions in paragraphs (b), (c), (d), (f), and (g), the total payment for fee-for-service admissions occurring on or after July 1, 2009, made to hospitals for inpatient services before third-party liability and spenddown, is reduced one percent from the current statutory rates. Facilities defined under subdivision 16 are excluded from this paragraph. Payments made to managed care plans shall be reduced for services provided on or after October 1, 2009, to reflect this reduction.

(i) In addition to the reductions in paragraphs (b), (c), (d), (g), and (h), the total payment for fee-for-service admissions occurring on or after July 1, 2011, made to hospitals for inpatient services before third-party liability and spenddown, is reduced 1.96 percent from the current statutory rates. Facilities defined under subdivision 16 are excluded from this paragraph. Payments made to managed care plans shall be reduced for services provided on or after January 1, 2011, to reflect this reduction.

(j) Effective for discharges on and after November 1, 2014, from hospitals paid under subdivision 2b, paragraph (a), clauses (1) and (4), the rate adjustments in this subdivision must be incorporated into the rebased rates established under subdivision 2b, paragraph (c), and must not be applied to each claim.

(k) Effective for discharges on and after July 1, 2015, from hospitals paid under subdivision 2b, paragraph (a), clauses (2) and (3), the rate adjustments in this subdivision must be incorporated into the rates and must not be applied to each claim.

(l) Effective for discharges on and after July 1, 2017, from hospitals paid under subdivision 2b, paragraph (a), clause (2), the rate adjustments in this subdivision must be incorporated into the rates and must not be applied to each claim.

EFFECTIVE DATE. This section is effective July 1, 2017.

Sec. 9. Minnesota Statutes 2016, section 256.969, subdivision 8, is amended to read:

Subd. 8. Unusual length of stay experience. (a) The commissioner shall establish day outlier thresholds for each diagnostic category established under subdivision 2 at two standard deviations beyond the mean length of stay. Payment for the days beyond the outlier threshold shall be in addition to the operating and property payment rates per admission established under subdivisions 2 and 2b. Payment for outliers shall be at 70 percent of the allowable operating cost, after adjustment by the case mix index, hospital cost index, relative values
and the disproportionate population adjustment. The outlier threshold for neonatal and burn
diagnostic categories shall be established at one standard deviation beyond the mean length
of stay, and payment shall be at 90 percent of allowable operating cost calculated in the
same manner as other outliers. A hospital may choose an alternative to the 70 percent outlier
payment that is at a minimum of 60 percent and a maximum of 80 percent if the
commissioner is notified in writing of the request by October 1 of the year preceding the
rate year. The chosen percentage applies to all diagnostic categories except burns and
neonates. The percentage of allowable cost that is unrecognized by the outlier payment shall
be added back to the base year operating payment rate per admission.

(b) Effective for admissions and transfers occurring on and after November 1, 2014, the
commissioner shall establish payment rates for outlier payments that are based on Medicare
methodologies.

**EFFECTIVE DATE.** This section is effective July 1, 2017.

Sec. 10. Minnesota Statutes 2016, section 256.969, subdivision 8c, is amended to read:

Subd. 8c. **Hospital residents.** (a) For discharges occurring on or after November 1, 2014, payments for hospital residents shall be made as follows:

(1) payments for the first 180 days of inpatient care shall be the APR-DRG system plus any outliers; and

(2) payment for all medically necessary patient care subsequent to the first 180 days shall be reimbursed at a rate computed by multiplying the statewide average cost-to-charge ratio by the usual and customary charges.

(b) For discharges occurring on or after July 1, 2017, payment for hospital residents shall be equal to the payments under subdivision 8, paragraph (b).

**EFFECTIVE DATE.** This section is effective July 1, 2017.

Sec. 11. Minnesota Statutes 2016, section 256.969, subdivision 9, is amended to read:

Subd. 9. **Disproportionate numbers of low-income patients served.** (a) For admissions occurring on or after July 1, 1993, the medical assistance disproportionate population adjustment shall comply with federal law and shall be paid to a hospital, excluding regional treatment centers and facilities of the federal Indian Health Service, with a medical assistance inpatient utilization rate in excess of the arithmetic mean. The adjustment must be determined as follows:
(1) for a hospital with a medical assistance inpatient utilization rate above the arithmetic mean for all hospitals excluding regional treatment centers and facilities of the federal Indian Health Service but less than or equal to one standard deviation above the mean, the adjustment must be determined by multiplying the total of the operating and property payment rates by the difference between the hospital's actual medical assistance inpatient utilization rate and the arithmetic mean for all hospitals excluding regional treatment centers and facilities of the federal Indian Health Service; and

(2) for a hospital with a medical assistance inpatient utilization rate above one standard deviation above the mean, the adjustment must be determined by multiplying the adjustment that would be determined under clause (1) for that hospital by 1.1. The commissioner shall report annually on the number of hospitals likely to receive the adjustment authorized by this paragraph. The commissioner shall specifically report on the adjustments received by public hospitals and public hospital corporations located in cities of the first class.

(b) Certified public expenditures made by Hennepin County Medical Center shall be considered Medicaid disproportionate share hospital payments. Hennepin County and Hennepin County Medical Center shall report by June 15, 2007, on payments made beginning July 1, 2005, or another date specified by the commissioner, that may qualify for reimbursement under federal law. Based on these reports, the commissioner shall apply for federal matching funds.

(c) Upon federal approval of the related state plan amendment, paragraph (b) is effective retroactively from July 1, 2005, or the earliest effective date approved by the Centers for Medicare and Medicaid Services.

(d) Effective July 1, 2015, disproportionate share hospital (DSH) payments shall be paid in accordance with a new methodology using 2012 as the base year. Annual payments made under this paragraph shall equal the total amount of payments made for 2012. A licensed children's hospital shall receive only a single DSH factor for children's hospitals. Other DSH factors may be combined to arrive at a single factor for each hospital that is eligible for DSH payments. The new methodology shall make payments only to hospitals located in Minnesota and include the following factors:

(1) a licensed children's hospital with at least 1,000 fee-for-service discharges in the base year shall receive a factor of 0.868. A licensed children's hospital with less than 1,000 fee-for-service discharges in the base year shall receive a factor of 0.7880;
(2) a hospital that has in effect for the initial rate year a contract with the commissioner to provide extended psychiatric inpatient services under section 256.9693 shall receive a factor of 0.0160;

(3) a hospital that has received payment from the fee-for-service program for at least 20 transplant services in the base year shall receive a factor of 0.0435;

(4) a hospital that has a medical assistance utilization rate in the base year between 20 percent up to one standard deviation above the statewide mean utilization rate shall receive a factor of 0.0468;

(5) a hospital that has a medical assistance utilization rate in the base year that is at least one standard deviation above the statewide mean utilization rate but is less than three standard deviations above the mean shall receive a factor of 0.2300; and

(6) a hospital that has a medical assistance utilization rate in the base year that is at least three standard deviations above the statewide mean utilization rate shall receive a factor of 0.3711.

e) Any payments or portion of payments made to a hospital under this subdivision that are subsequently returned to the commissioner because the payments are found to exceed the hospital-specific DSH limit for that hospital shall be redistributed, proportionate to the number of fee-for-service discharges, to other DSH-eligible non-children’s hospitals that have a medical assistance utilization rate that is at least one standard deviation above the mean.

EFFECTIVE DATE. This section is effective July 1, 2017.

Sec. 12. Minnesota Statutes 2016, section 256.969, subdivision 12, is amended to read:

Rehabilitation hospitals and distinct parts. (a) Units of hospitals that are recognized as rehabilitation distinct parts by the Medicare program shall have separate provider numbers under the medical assistance program for rate establishment and billing purposes only. These units shall also have operating payment rates and the disproportionate population adjustment, if allowed by federal law, established separately from other inpatient hospital services.

(b) The commissioner shall establish separate relative values under subdivision 2 for rehabilitation hospitals and distinct parts as defined by the Medicare program. Effective for discharges occurring on and after November 1, 2014, the commissioner, to the extent possible, shall replicate the existing payment rate methodology under the new diagnostic classification system. The result must be budget neutral, ensuring that the total aggregate
payments under the new system are equal to the total aggregate payments made for the same
number and types of services in the base year, calendar year 2012.

c) For individual hospitals that did not have separate medical assistance rehabilitation
provider numbers or rehabilitation distinct parts in the base year, hospitals shall provide the
information needed to separate rehabilitation distinct part cost and claims data from other
inpatient service data.

d) Effective with discharges on or after July 1, 2017, payment to rehabilitation hospitals
shall be established under subdivision 2b, paragraph (a), clause (4).

EFFECTIVE DATE. This section is effective July 1, 2017.

Sec. 13. Minnesota Statutes 2016, section 256B.04, subdivision 12, is amended to read:

Subd. 12. Limitation on services. (a) Place limits on the types of services covered by
medical assistance, the frequency with which the same or similar services may be covered
by medical assistance for an individual recipient, and the amount paid for each covered
service. The state agency shall promulgate rules establishing maximum reimbursement rates
for emergency and nonemergency transportation.

The rules shall provide:

(1) an opportunity for all recognized transportation providers to be reimbursed for
nonemergency transportation consistent with the maximum rates established by the agency;

and

(2) reimbursement of public and private nonprofit providers serving the disabled
population generally at reasonable maximum rates that reflect the cost of providing the
service regardless of the fare that might be charged by the provider for similar services to
individuals other than those receiving medical assistance or medical care under this chapter;

and

(3) reimbursement for each additional passenger carried on a single trip at a substantially
lower rate than the first passenger carried on that trip.

(b) The commissioner shall encourage providers reimbursed under this chapter to
coordinate their operation with similar services that are operating in the same community.
To the extent practicable, the commissioner shall encourage eligible individuals to utilize
less expensive providers capable of serving their needs.

(c) For the purpose of this subdivision and section 256B.02, subdivision 8, and effective
on January 1, 1981, "recognized provider of transportation services" means an operator of
special transportation service as defined in section 174.29 that has been issued a current
certificate of compliance with operating standards of the commissioner of transportation
or, if those standards do not apply to the operator, that the agency finds is able to provide
the required transportation in a safe and reliable manner. Until January 1, 1981, "recognized
transportation provider" includes an operator of special transportation service that the agency
finds is able to provide the required transportation in a safe and reliable manner.

Sec. 14. Minnesota Statutes 2016, section 256B.056, subdivision 5c, is amended to read:

Subd. 5c. Excess income standard. (a) The excess income standard for parents and
caretaker relatives, pregnant women, infants, and children ages two through 20 is the standard
specified in subdivision 4, paragraph (b).

(b) The excess income standard for a person whose eligibility is based on blindness,
disability, or age of 65 or more years shall equal 80 percent of the federal poverty
guidelines.

EFFECTIVE DATE. This section is effective June 1, 2019.

Sec. 15. Minnesota Statutes 2016, section 256B.0621, subdivision 10, is amended to read:

Subd. 10. Payment rates. The commissioner shall set payment rates for targeted case
management under this subdivision. Case managers may bill according to the following
criteria:

(1) for relocation targeted case management, case managers may bill for direct case
management activities, including face-to-face contact, telephone contacts, and
interactive video contact according to section 256B.0924, subdivision 4a, in the lesser of:

(i) 180 days preceding an eligible recipient's discharge from an institution; or

(ii) the limits and conditions which apply to federal Medicaid funding for this service;

(2) for home care targeted case management, case managers may bill for direct case
management activities, including face-to-face and telephone contacts; and

(3) billings for targeted case management services under this subdivision shall not
duplicate payments made under other program authorities for the same purpose.

EFFECTIVE DATE. This section is effective upon federal approval. The commissioner
of human services shall notify the revisor of statutes when federal approval is obtained.
Sec. 16. Minnesota Statutes 2016, section 256B.0625, subdivision 3b, is amended to read:

Subd. 3b. Telemedicine services. (a) Medical assistance covers medically necessary services and consultations delivered by a licensed health care provider via telemedicine in the same manner as if the service or consultation was delivered in person. Coverage is limited to three telemedicine services per enrollee per calendar week. Telemedicine services shall be paid at the full allowable rate.

(b) The commissioner shall establish criteria that a health care provider must attest to in order to demonstrate the safety or efficacy of delivering a particular service via telemedicine. The attestation may include that the health care provider:

1. has identified the categories or types of services the health care provider will provide via telemedicine;
2. has written policies and procedures specific to telemedicine services that are regularly reviewed and updated;
3. has policies and procedures that adequately address patient safety before, during, and after the telemedicine service is rendered;
4. has established protocols addressing how and when to discontinue telemedicine services; and
5. has an established quality assurance process related to telemedicine services.

(c) As a condition of payment, a licensed health care provider must document each occurrence of a health service provided by telemedicine to a medical assistance enrollee. Health care service records for services provided by telemedicine must meet the requirements set forth in Minnesota Rules, part 9505.2175, subparts 1 and 2, and must document:

1. the type of service provided by telemedicine;
2. the time the service began and the time the service ended, including an a.m. and p.m. designation;
3. the licensed health care provider's basis for determining that telemedicine is an appropriate and effective means for delivering the service to the enrollee;
4. the mode of transmission of the telemedicine service and records evidencing that a particular mode of transmission was utilized;
5. the location of the originating site and the distant site;
(6) if the claim for payment is based on a physician's telemedicine consultation with another physician, the written opinion from the consulting physician providing the telemedicine consultation; and

(7) compliance with the criteria attested to by the health care provider in accordance with paragraph (b).

(d) For purposes of this subdivision, unless otherwise covered under this chapter, "telemedicine" is defined as the delivery of health care services or consultations while the patient is at an originating site and the licensed health care provider is at a distant site. A communication between licensed health care providers, or a licensed health care provider and a patient that consists solely of a telephone conversation, e-mail, or facsimile transmission does not constitute telemedicine consultations or services. Telemedicine may be provided by means of real-time two-way, interactive audio and visual communications, including the application of secure video conferencing or store-and-forward technology to provide or support health care delivery, which facilitate the assessment, diagnosis, consultation, treatment, education, and care management of a patient's health care.

(e) For purposes of this section, "licensed health care provider" is defined means a licensed health care provider under section 62A.671, subdivision 6, and a mental health practitioner defined under section 245.462, subdivision 17, or 245.4871, subdivision 26, working under the general supervision of a mental health professional; "health care provider" is defined under section 62A.671, subdivision 3; and "originating site" is defined under section 62A.671, subdivision 7.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 17. Minnesota Statutes 2016, section 256B.0625, subdivision 7, is amended to read:

Subd. 7. Home care nursing. Medical assistance covers home care nursing services in a recipient's home. Recipients who are authorized to receive home care nursing services in their home may use approved hours outside of the home during hours when normal life activities take them outside of their home. To use home care nursing services at school, the recipient or responsible party must provide written authorization in the care plan identifying the chosen provider and the daily amount of services to be used at school. Medical assistance does not cover home care nursing services for residents of a hospital, nursing facility, intermediate care facility, or a health care facility licensed by the commissioner of health, except as authorized in section 256B.64 for ventilator dependent recipients in hospitals or unless a resident who is otherwise eligible is on leave from the facility and the facility either pays for the home care nursing services or forgoes the facility per diem for the leave days

179
that home care nursing services are used. Total hours of service and payment allowed for
services outside the home cannot exceed that which is otherwise allowed in an in-home
setting according to sections 256B.0651 and 256B.0654. All home care nursing services
must be provided according to the limits established under sections 256B.0651, 256B.0653,
and 256B.0654. Home care nursing services may not be reimbursed if the nurse is the family
foster care provider of a recipient who is under age 18, unless allowed under section
256B.0654, subdivision 4.

Sec. 18. Minnesota Statutes 2016, section 256B.0625, subdivision 13, is amended to read:

Subd. 13. Drugs. (a) Medical assistance covers drugs, except for fertility drugs when
specifically used to enhance fertility, if prescribed by a licensed practitioner and dispensed
by a licensed pharmacist, by a physician enrolled in the medical assistance program as a
dispensing physician, or by a physician, physician assistant, or a nurse practitioner employed
by or under contract with a community health board as defined in section 145A.02,
subdivision 5, for the purposes of communicable disease control.

(b) The dispensed quantity of a prescription drug must not exceed a 34-day supply,
unless authorized by the commissioner.

(c) For the purpose of this subdivision and subdivision 13d, an "active pharmaceutical
ingredient" is defined as a substance that is represented for use in a drug and when used in
the manufacturing, processing, or packaging of a drug becomes an active ingredient of the
drug product. An "excipient" is defined as an inert substance used as a diluent or vehicle
for a drug. The commissioner shall establish a list of active pharmaceutical ingredients and
excipients which are included in the medical assistance formulary. Medical assistance covers
selected active pharmaceutical ingredients and excipients used in compounded prescriptions
when the compounded combination is specifically approved by the commissioner or when
a commercially available product:

(1) is not a therapeutic option for the patient;

(2) does not exist in the same combination of active ingredients in the same strengths
as the compounded prescription; and

(3) cannot be used in place of the active pharmaceutical ingredient in the compounded
prescription.

(d) Medical assistance covers the following over-the-counter drugs when prescribed by
a licensed practitioner or by a licensed pharmacist who meets standards established by the
commissioner, in consultation with the board of pharmacy: antacids, acetaminophen, family
planning products, aspirin, insulin, products for the treatment of lice, vitamins for adults
with documented vitamin deficiencies, vitamins for children under the age of seven and
pregnant or nursing women, and any other over-the-counter drug identified by the
commissioner, in consultation with the formulary committee, as necessary, appropriate, and
cost-effective for the treatment of certain specified chronic diseases, conditions, or disorders,
and this determination shall not be subject to the requirements of chapter 14. A pharmacist
may prescribe over-the-counter medications as provided under this paragraph for purposes
of receiving reimbursement under Medicaid. When prescribing over-the-counter drugs under
this paragraph, licensed pharmacists must consult with the recipient to determine necessity,
provide drug counseling, review drug therapy for potential adverse interactions, and make
referrals as needed to other health care professionals. Over-the-counter medications must
be dispensed in a quantity that is the lowest of: (1) the number of dosage units contained in
the manufacturer’s original package; (2) the number of dosage units required to complete
the patient’s course of therapy; or (3) if applicable, the number of dosage units dispensed
from a system using retrospective billing, as provided under subdivision 13e, paragraph
(b).

(e) Effective January 1, 2006, medical assistance shall not cover drugs that are coverable
under Medicare Part D as defined in the Medicare Prescription Drug, Improvement, and
Modernization Act of 2003, Public Law 108-173, section 1860D-2(e), for individuals eligible
for drug coverage as defined in the Medicare Prescription Drug, Improvement, and
individuals, medical assistance may cover drugs from the drug classes listed in United States
Code, title 42, section 1396r-8(d)(2), subject to this subdivision and subdivisions 13a to
13g, except that drugs listed in United States Code, title 42, section 1396r-8(d)(2)(E), shall
not be covered.

(f) Medical assistance covers drugs acquired through the federal 340B Drug Pricing
Program and dispensed by 340B covered entities and ambulatory pharmacies under common
ownership of the 340B covered entity. Medical assistance does not cover drugs acquired
through the federal 340B Drug Pricing Program and dispensed by 340B contract pharmacies.

Sec. 19. Minnesota Statutes 2016, section 256B.0625, subdivision 13e, is amended to
read:

Subd. 13e. Payment rates. (a) Effective April 1, 2017, or upon federal approval,
whatever is later, the basis for determining the amount of payment shall be the lower of
the actual acquisition costs ingredient cost of the drugs or the maximum allowable cost by
the commissioner plus the fixed professional dispensing fee; or the usual and customary price charged to the public. The usual and customary price is defined as the lowest price charged by the provider to a patient who pays for the prescription by cash, check, or charge account and includes those prices the pharmacy charges to customers enrolled in a prescription savings club or prescription discount club administered by the pharmacy or pharmacy chain. The amount of payment basis must be reduced to reflect all discount amounts applied to the charge by any third-party provider/insurer agreement or contract for submitted charges to medical assistance programs. The net submitted charge may not be greater than the patient liability for the service. The pharmacy professional dispensing fee shall be $3.65 for legend prescription drugs prescriptions filled with legend drugs meeting the definition of "covered outpatient drugs" according to United States Code, title 42, section 1396r-8(k)(2), except that the dispensing fee for intravenous solutions which must be compounded by the pharmacist shall be $8 per bag, $14 per bag for cancer chemotherapy products, and $30 per bag for total parenteral nutritional products dispensed in one liter quantities, or $44 per bag for total parenteral nutritional products dispensed in quantities greater than one liter. The professional dispensing fee for prescriptions filled with over-the-counter drugs meeting the definition of covered outpatient drugs shall be $11.35 for dispensed quantities equal to or greater than the number of units contained in the manufacturer's original package. The professional dispensing fee shall be prorated based on the percentage of the package dispensed when the pharmacy dispenses a quantity less than the number of units contained in the manufacturer's original package. The pharmacy dispensing fee for prescribed over-the-counter drugs not meeting the definition of covered outpatient drugs shall be $3.65, except that the fee shall be $1.31 for retrospectively billing pharmacies when billing for quantities less than the number of units contained in the manufacturer's original package. Actual acquisition cost includes quantity and other special discounts except time and cash discounts. The actual acquisition cost for quantities equal to or greater than the number of units contained in the manufacturer's original package and shall be prorated based on the percentage of the package dispensed when the pharmacy dispenses a quantity less than the number of units contained in the manufacturer's original package. The National Average Drug Acquisition Cost (NADAC) shall be used to determine the ingredient cost of a drug shall be estimated by the commissioner at wholesale acquisition cost plus four percent for independently owned pharmacies located in a designated rural area within Minnesota, and at wholesale acquisition cost plus two percent for all other pharmacies. A pharmacy is "independently owned" if it is one of four or fewer pharmacies under the same ownership nationally. A "designated rural area" means an area defined as a small rural area or isolated rural area according to the four category classification of the
Rural Urban Commuting Area system developed for the United States Health Resources and Services Administration. Effective January 1, 2014, the actual acquisition cost for which a NADAC is not reported, the commissioner shall estimate the ingredient cost at wholesale acquisition cost minus two percent. The commissioner shall establish the ingredient cost of a drug acquired through the federal 340B Drug Pricing Program shall be estimated by the commissioner at wholesale acquisition cost minus forty percent at a 340B Drug Pricing Program maximum allowable cost. The 340B Drug Pricing Program maximum allowable cost shall be comparable to, but no higher than, the 340B Drug Pricing Program ceiling price established by the Health Resources and Services Administration. Wholesale acquisition cost is defined as the manufacturer's list price for a drug or biological to wholesalers or direct purchasers in the United States, not including prompt pay or other discounts, rebates, or reductions in price, for the most recent month for which information is available, as reported in wholesale price guides or other publications of drug or biological pricing data. The maximum allowable cost of a multisource drug may be set by the commissioner and it shall be comparable to, but no higher than, the maximum amount paid by other third-party payors in this state who have maximum allowable cost programs and no higher than the NADAC of the generic product. Establishment of the amount of payment for drugs shall not be subject to the requirements of the Administrative Procedure Act.

(b) Pharmacies dispensing prescriptions to residents of long-term care facilities using an automated drug distribution system meeting the requirements of section 151.58, or a packaging system meeting the packaging standards set forth in Minnesota Rules, part 6800.2700, that govern the return of unused drugs to the pharmacy for reuse, may employ retrospective billing for prescription drugs dispensed to long-term care facility residents. A retrospectively billing pharmacy must submit a claim only for the quantity of medication used by the enrolled recipient during the defined billing period. A retrospectively billing pharmacy must use a billing period not less than one calendar month or 30 days.

(c) An additional dispensing fee of $.30 may be added to the dispensing fee paid to pharmacists for legend drug prescriptions dispensed to residents of long-term care facilities when a unit dose blister card system, approved by the department, is used. Under this type of dispensing system, the pharmacist must dispense a 30-day supply of drug. The National Drug Code (NDC) from the drug container used to fill the blister card must be identified on the claim to the department. The unit dose blister card containing the drug must meet the packaging standards set forth in Minnesota Rules, part 6800.2700, that govern the return of unused drugs to the pharmacy for reuse. A pharmacy provider using packaging that meets
the standards set forth in Minnesota Rules, part 6800.2700, is required to credit the
department for the actual acquisition cost of all unused drugs that are eligible for reuse,
unless the pharmacy is using retrospective billing. The commissioner may permit the drug
clozapine to be dispensed in a quantity that is less than a 30-day supply.

(d) Whenever a maximum allowable cost has been set for a
multisource drug, payment shall be the lower of the usual and customary price charged to
the public or the ingredient cost shall be the NADAC of the generic product or the maximum
allowable cost established by the commissioner unless prior authorization for the brand
name product has been granted according to the criteria established by the Drug Formulary
Committee as required by subdivision 13f, paragraph (a), and the prescriber has indicated
"dispense as written" on the prescription in a manner consistent with section 151.21,
subdivision 2.

(e) The basis for determining the amount of payment for drugs administered in an
outpatient setting shall be the lower of the usual and customary cost submitted by the
provider, 106 percent of the average sales price as determined by the United States
Department of Health and Human Services pursuant to title XVIII, section 1847a of the
federal Social Security Act, the specialty pharmacy rate, or the maximum allowable cost
set by the commissioner. If average sales price is unavailable, the amount of payment must
be lower of the usual and customary cost submitted by the provider, the wholesale acquisition
cost, the specialty pharmacy rate, or the maximum allowable cost set by the commissioner.

Effective January 1, 2014, the commissioner shall discount the payment rate for drugs
obtained through the federal 340B Drug Pricing Program by 20 percent. The payment for
drugs administered in an outpatient setting shall be made to the administering facility or
practitioner. A retail or specialty pharmacy dispensing a drug for administration in an
outpatient setting is not eligible for direct reimbursement.

(f) The commissioner may negotiate lower reimbursement rates, establish maximum
allowable cost rates for specialty pharmacy products than the rates that are lower than the
ingredient cost formulas specified in paragraph (a). The commissioner may require
individuals enrolled in the health care programs administered by the department to obtain
specialty pharmacy products from providers with whom the commissioner has negotiated
lower reimbursement rates able to provide enhanced clinical services and willing to accept
the specialty pharmacy reimbursement. Specialty pharmacy products are defined as those
used by a small number of recipients or recipients with complex and chronic diseases that
require expensive and challenging drug regimens. Examples of these conditions include,
but are not limited to: multiple sclerosis, HIV/AIDS, transplantation, hepatitis C, growth
hormone deficiency, Crohn's Disease, rheumatoid arthritis, and certain forms of cancer.

Specialty pharmaceutical products include injectable and infusion therapies, biotechnology drugs, antihemophilic factor products, high-cost therapies, and therapies that require complex care. The commissioner shall consult with the formulary committee to develop a list of specialty pharmacy products subject to maximum allowable cost reimbursement. In consulting with the formulary committee in developing this list, the commissioner shall take into consideration the population served by specialty pharmacy products, the current delivery system and standard of care in the state, and access to care issues. The commissioner shall have the discretion to adjust the reimbursement rate maximum allowable cost to prevent access to care issues.

(g) Home infusion therapy services provided by home infusion therapy pharmacies must be paid at rates according to subdivision 8d.

(h) Effective for prescriptions filled on or after April 1, 2017, or upon federal approval, whichever is later, the commissioner shall increase the ingredient cost reimbursement calculated in paragraphs (a) and (f) by two percent for prescription and nonprescription drugs subject to the wholesale drug distributor tax under section 295.52.

EFFECTIVE DATE. This section is effective retroactively from April 1, 2017, or from the effective date of federal approval, whichever is later. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 20. Minnesota Statutes 2016, section 256B.0625, subdivision 17, is amended to read:

Subd. 17. Transportation costs. (a) "Nonemergency medical transportation service" means motor vehicle transportation provided by a public or private person that serves Minnesota health care program beneficiaries who do not require emergency ambulance service, as defined in section 144E.001, subdivision 3, to obtain covered medical services.

(b) Medical assistance covers medical transportation costs incurred solely for obtaining emergency medical care or transportation costs incurred by eligible persons in obtaining emergency or nonemergency medical care when paid directly to an ambulance company, common carrier nonemergency medical transportation company, or other recognized providers of transportation services. Medical transportation must be provided by:

(1) nonemergency medical transportation providers who meet the requirements of this subdivision;

(2) ambulances, as defined in section 144E.001, subdivision 2;

(3) taxicabs that meet the requirements of this subdivision;
(4) public transit, as defined in section 174.22, subdivision 7; or

(5) not-for-hire vehicles, including volunteer drivers.

(c) Medical assistance covers nonemergency medical transportation provided by nonemergency medical transportation providers enrolled in the Minnesota health care programs. All nonemergency medical transportation providers must comply with the operating standards for special transportation service as defined in sections 174.29 to 174.30 and Minnesota Rules, chapter 8840, and in consultation with the Minnesota Department of Transportation. All nonemergency medical transportation providers shall bill for nonemergency medical transportation services in accordance with Minnesota health care programs criteria. Publicly operated transit systems, volunteers, and not-for-hire vehicles are exempt from the requirements outlined in this paragraph.

(d) An organization may be terminated, denied, or suspended from enrollment if:

(1) the provider has not initiated background studies on the individuals specified in section 174.30, subdivision 10, paragraph (a), clauses (1) to (3); or

(2) the provider has initiated background studies on the individuals specified in section 174.30, subdivision 10, paragraph (a), clauses (1) to (3), and:

   (i) the commissioner has sent the provider a notice that the individual has been disqualified under section 245C.14; and

   (ii) the individual has not received a disqualification set-aside specific to the special transportation services provider under sections 245C.22 and 245C.23.

(e) The administrative agency of nonemergency medical transportation must:

(1) adhere to the policies defined by the commissioner in consultation with the Nonemergency Medical Transportation Advisory Committee;

(2) pay nonemergency medical transportation providers for services provided to Minnesota health care programs beneficiaries to obtain covered medical services;

(3) provide data monthly to the commissioner on appeals, complaints, no-shows, canceled trips, and number of trips by mode; and

(4) by July 1, 2016, in accordance with subdivision 18e, utilize a Web-based single administrative structure assessment tool that meets the technical requirements established by the commissioner, reconciles trip information with claims being submitted by providers, and ensures prompt payment for nonemergency medical transportation services.
Until the commissioner implements the single administrative structure and delivery system under subdivision 18e, clients shall obtain their level-of-service certificate from the commissioner or an entity approved by the commissioner that does not dispatch rides for clients using modes of transportation under paragraph (i), clauses (4), (5), (6), and (7).

The commissioner may use an order by the recipient's attending physician or a medical or mental health professional to certify that the recipient requires nonemergency medical transportation services. Nonemergency medical transportation providers shall perform driver-assisted services for eligible individuals, when appropriate. Driver-assisted service includes passenger pickup at and return to the individual's residence or place of business, assistance with admittance of the individual to the medical facility, and assistance in passenger securement or in securing of wheelchairs, child seats, or stretchers in the vehicle.

Nonemergency medical transportation providers must take clients to the health care provider using the most direct route, and must not exceed 30 miles for a trip to a primary care provider or 60 miles for a trip to a specialty care provider, unless the client receives authorization from the local agency.

Nonemergency medical transportation providers may not bill for separate base rates for the continuation of a trip beyond the original destination. Nonemergency medical transportation providers must maintain trip logs, which include pickup and drop-off times, signed by the medical provider or client, whichever is deemed most appropriate, attesting to mileage traveled to obtain covered medical services. Clients requesting client mileage reimbursement must sign the trip log attesting mileage traveled to obtain covered medical services.

The administrative agency shall use the level of service process established by the commissioner in consultation with the Nonemergency Medical Transportation Advisory Committee to determine the client's most appropriate mode of transportation. If public transit or a certified transportation provider is not available to provide the appropriate service mode for the client, the client may receive a onetime service upgrade.

The covered modes of transportation, which may not be implemented without a new rate structure, are:

1. client reimbursement, which includes client mileage reimbursement provided to clients who have their own transportation, or to family or an acquaintance who provides transportation to the client;

2. volunteer transport, which includes transportation by volunteers using their own vehicle;
(3) unassisted transport, which includes transportation provided to a client by a taxicab or public transit. If a taxicab or public transit is not available, the client can receive transportation from another nonemergency medical transportation provider;

(4) assisted transport, which includes transport provided to clients who require assistance by a nonemergency medical transportation provider;

(5) lift-equipped/ramp transport, which includes transport provided to a client who is dependent on a device and requires a nonemergency medical transportation provider with a vehicle containing a lift or ramp;

(6) protected transport, which includes transport provided to a client who has received a prescreening that has deemed other forms of transportation inappropriate and who requires a provider: (i) with a protected vehicle that is not an ambulance or police car and has safety locks, a video recorder, and a transparent thermoplastic partition between the passenger and the vehicle driver; and (ii) who is certified as a protected transport provider; and

(7) stretcher transport, which includes transport for a client in a prone or supine position and requires a nonemergency medical transportation provider with a vehicle that can transport a client in a prone or supine position.

The local agency shall be the single administrative agency and shall administer and reimburse for modes defined in paragraph (i) according to paragraphs (m) and (n) when the commissioner has developed, made available, and funded the Web-based single administrative structure, assessment tool, and level of need assessment under subdivision 18e. The local agency's financial obligation is limited to funds provided by the state or federal government.

(k) The commissioner shall:

(1) in consultation with the Nonemergency Medical Transportation Advisory Committee, verify that the mode and use of nonemergency medical transportation is appropriate;

(2) verify that the client is going to an approved medical appointment; and

(3) investigate all complaints and appeals.

(l) The administrative agency shall pay for the services provided in this subdivision and seek reimbursement from the commissioner, if appropriate. As vendors of medical care, local agencies are subject to the provisions in section 256B.041, the sanctions and monetary recovery actions in section 256B.064, and Minnesota Rules, parts 9505.2160 to 9505.2245.
Payments for nonemergency medical transportation must be paid based on the client's assessed mode under paragraph (h), not the type of vehicle used to provide the service. The medical assistance reimbursement rates for nonemergency medical transportation services that are payable by or on behalf of the commissioner for nonemergency medical transportation services are:

(1) $0.22 per mile for client reimbursement;

(2) up to 100 percent of the Internal Revenue Service business deduction rate for volunteer transport;

(3) equivalent to the standard fare for unassisted transport when provided by public transit, and $11 for the base rate and $1.30 per mile when provided by a nonemergency medical transportation provider;

(4) $13 for the base rate and $1.30 per mile for assisted transport;

(5) $18 for the base rate and $1.55 per mile for lift-equipped/ramp transport;

(6) $75 for the base rate and $2.40 per mile for protected transport; and

(7) $60 for the base rate and $2.40 per mile for stretcher transport, and $9 per trip for an additional attendant if deemed medically necessary.

The base rate for nonemergency medical transportation services in areas defined under RUCA to be super rural is equal to 111.3 percent of the respective base rate in paragraph (m), clauses (1) to (7). The mileage rate for nonemergency medical transportation services in areas defined under RUCA to be rural or super rural areas is:

(1) for a trip equal to 17 miles or less, equal to 125 percent of the respective mileage rate in paragraph (m), clauses (1) to (7); and

(2) for a trip between 18 and 50 miles, equal to 112.5 percent of the respective mileage rate in paragraph (m), clauses (1) to (7).

For purposes of reimbursement rates for nonemergency medical transportation services under paragraphs (m) and (n), the zip code of the recipient's place of residence shall determine whether the urban, rural, or super rural reimbursement rate applies.

For purposes of this subdivision, "rural urban commuting area" or "RUCA" means a census-tract based classification system under which a geographical area is determined to be urban, rural, or super rural.
(q) The commissioner, when determining reimbursement rates for nonemergency medical transportation under paragraphs (m) and (n), shall exempt all modes of transportation listed under paragraph (i) from Minnesota Rules, part 9505.0445, item R, subitem (2).

Sec. 21. Minnesota Statutes 2016, section 256B.0625, subdivision 17b, is amended to read:

Subd. 17b. Documentation required. (a) As a condition for payment, nonemergency medical transportation providers must document each occurrence of a service provided to a recipient according to this subdivision. Providers must maintain odometer and other records sufficient to distinguish individual trips with specific vehicles and drivers. The documentation may be collected and maintained using electronic systems or software or in paper form but must be made available and produced upon request. Program funds paid for transportation that is not documented according to this subdivision shall be recovered by the department.

(b) A nonemergency medical transportation provider must compile transportation records that meet the following requirements:

(1) the record must be in English and must be legible according to the standard of a reasonable person;

(2) the recipient's name must be on each page of the record; and

(3) each entry in the record must document:

(i) the date on which the entry is made;

(ii) the date or dates the service is provided;

(iii) the printed last name, first name, and middle initial of the driver;

(iv) the signature of the driver attesting to the following: "I certify that I have accurately reported in this record the trip miles I actually drove and the dates and times I actually drove them. I understand that misreporting the miles driven and hours worked is fraud for which I could face criminal prosecution or civil proceedings."

(v) the signature of the recipient or authorized party attesting to the following: "I certify that I received the reported transportation service.", or the signature of the provider of medical services certifying that the recipient was delivered to the provider;

(vi) the address, or the description if the address is not available, of both the origin and destination, and the mileage for the most direct route from the origin to the destination;

(vii) the mode of transportation in which the service is provided;
(viii) the license plate number of the vehicle used to transport the recipient;
(ix) whether the service was ambulatory or nonambulatory until the modes under
subdivision 17 are implemented;
(x) the time of the pickup and the time of the drop-off with "a.m." and "p.m."
designations;
(xi) the name of the extra attendant when an extra attendant is used to provide special
transportation service; and
(xii) the electronic source documentation used to calculate driving directions and mileage.

Sec. 22. Minnesota Statutes 2016, section 256B.0625, is amended by adding a subdivision
to read:

Subd. 17c. Nursing facility transports. A Minnesota health care program enrollee
residing in, or being discharged from, a licensed nursing facility is exempt from a level of
need determination and is eligible for nonemergency medical transportation services until
the enrollee no longer resides in a licensed nursing facility, as provided in section 256B.04.

Sec. 23. Minnesota Statutes 2016, section 256B.0625, subdivision 18h, is amended to read:

Subd. 18h. Managed care. (a) The following subdivisions do not apply to managed
care plans and county-based purchasing plans:
(1) subdivision 17, paragraphs (d) to (k), (a), (b), (i), and (n);
(2) subdivision 18e; and
(3) subdivision 18a.

(b) A nonemergency medical transportation provider must comply with the operating
standards for special transportation service specified in sections 174.29 to 174.30 and
Minnesota Rules, chapter 8840. Publicly operated transit systems, volunteers, and not-for-hire
vehicles are exempt from the requirements in this paragraph.

Sec. 24. Minnesota Statutes 2016, section 256B.0625, subdivision 20, is amended to read:

Subd. 20. Mental health case management. (a) To the extent authorized by rule of the
state agency, medical assistance covers case management services to persons with serious
and persistent mental illness and children with severe emotional disturbance. Services
provided under this section must meet the relevant standards in sections 245.461 to 245.4887, the Comprehensive Adult and Children's Mental Health Acts, Minnesota Rules, parts 9520.0900 to 9520.0926, and 9505.0322, excluding subpart 10.

(b) Entities meeting program standards set out in rules governing family community support services as defined in section 245.4871, subdivision 17, are eligible for medical assistance reimbursement for case management services for children with severe emotional disturbance when these services meet the program standards in Minnesota Rules, parts 9520.0900 to 9520.0926 and 9505.0322, excluding subparts 6 and 10.

c) Medical assistance and MinnesotaCare payment for mental health case management shall be made on a monthly basis. In order to receive payment for an eligible child, the provider must document at least a face-to-face contact with the child, the child's parents, or the child's legal representative. To receive payment for an eligible adult, the provider must document:

(1) at least a face-to-face contact with the adult or the adult's legal representative

(2) at least a telephone contact with the adult or the adult's legal representative and document a face-to-face contact or a contact by interactive video that meets the requirements of subdivision 20b with the adult or the adult's legal representative within the preceding two months.

d) Payment for mental health case management provided by county or state staff shall be based on the monthly rate methodology under section 256B.094, subdivision 6, paragraph (b), with separate rates calculated for child welfare and mental health, and within mental health, separate rates for children and adults.

e) Payment for mental health case management provided by Indian health services or by agencies operated by Indian tribes may be made according to this section or other relevant federally approved rate setting methodology.

f) Payment for mental health case management provided by vendors who contract with a county or Indian tribe shall be based on a monthly rate negotiated by the host county or tribe. The negotiated rate must not exceed the rate charged by the vendor for the same service to other payers. If the service is provided by a team of contracted vendors, the county or tribe may negotiate a team rate with a vendor who is a member of the team. The team shall determine how to distribute the rate among its members. No reimbursement received by contracted vendors shall be returned to the county or tribe, except to reimburse the county or tribe for advance funding provided by the county or tribe to the vendor.
(g) If the service is provided by a team which includes contracted vendors, tribal staff, and county or state staff, the costs for county or state staff participation in the team shall be included in the rate for county-provided services. In this case, the contracted vendor, the tribal agency, and the county may each receive separate payment for services provided by each entity in the same month. In order to prevent duplication of services, each entity must document, in the recipient's file, the need for team case management and a description of the roles of the team members.

(h) Notwithstanding section 256B.19, subdivision 1, the nonfederal share of costs for mental health case management shall be provided by the recipient's county of responsibility, as defined in sections 256G.01 to 256G.12, from sources other than federal funds or funds used to match other federal funds. If the service is provided by a tribal agency, the nonfederal share, if any, shall be provided by the recipient's tribe. When this service is paid by the state without a federal share through fee-for-service, 50 percent of the cost shall be provided by the recipient's county of responsibility.

(i) Notwithstanding any administrative rule to the contrary, prepaid medical assistance and MinnesotaCare include mental health case management. When the service is provided through prepaid capitation, the nonfederal share is paid by the state and the county pays no share.

(j) The commissioner may suspend, reduce, or terminate the reimbursement to a provider that does not meet the reporting or other requirements of this section. The county of responsibility, as defined in sections 256G.01 to 256G.12, or, if applicable, the tribal agency, is responsible for any federal disallowances. The county or tribe may share this responsibility with its contracted vendors.

(k) The commissioner shall set aside a portion of the federal funds earned for county expenditures under this section to repay the special revenue maximization account under section 256.01, subdivision 2, paragraph (o). The repayment is limited to:

(1) the costs of developing and implementing this section; and

(2) programming the information systems.

(l) Payments to counties and tribal agencies for case management expenditures under this section shall only be made from federal earnings from services provided under this section. When this service is paid by the state without a federal share through fee-for-service, 50 percent of the cost shall be provided by the state. Payments to county-contracted vendors shall include the federal earnings, the state share, and the county share.
Case management services under this subdivision do not include therapy, treatment, legal, or outreach services.

If the recipient is a resident of a nursing facility, intermediate care facility, or hospital, and the recipient's institutional care is paid by medical assistance, payment for case management services under this subdivision is limited to the lesser of:

1. the last 180 days of the recipient's residency in that facility and may not exceed more than six months in a calendar year; or
2. the limits and conditions which apply to federal Medicaid funding for this service.

Payment for case management services under this subdivision shall not duplicate payments made under other program authorities for the same purpose.

If the recipient is receiving care in a hospital, nursing facility, or residential setting licensed under chapter 245A or 245D that is staffed 24 hours a day, seven days a week, mental health targeted case management services must actively support identification of community alternatives for the recipient and discharge planning.

EFFECTIVE DATE. This section is effective upon federal approval. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 25. Minnesota Statutes 2016, section 256B.0625, is amended by adding a subdivision to read:

Subd. 20b. Mental health targeted case management through interactive video. (a) Subject to federal approval, contact made for targeted case management by interactive video shall be eligible for payment if:

1. the person receiving targeted case management services is residing in:
   (i) a hospital;
   (ii) a nursing facility; or
   (iii) a residential setting licensed under chapter 245A or 245D or a boarding and lodging establishment or lodging establishment that provides supportive services or health supervision services according to section 157.17 that is staffed 24 hours a day, seven days a week;

2. interactive video is in the best interests of the person and is deemed appropriate by the person receiving targeted case management or the person's legal guardian, the case management provider, and the provider operating the setting where the person is residing;
(3) the use of interactive video is approved as part of the person's written personal service
or case plan, taking into consideration the person's vulnerability and active personal
relationships; and

(4) interactive video is used for up to, but not more than, 50 percent of the minimum
required face-to-face contact.

(b) The person receiving targeted case management or the person's legal guardian has
the right to choose and consent to the use of interactive video under this subdivision and
has the right to refuse the use of interactive video at any time.

(c) The commissioner shall establish criteria that a targeted case management provider
must attest to in order to demonstrate the safety or efficacy of delivering the service via
interactive video. The attestation may include that the case management provider has:

(1) written policies and procedures specific to interactive video services that are regularly
reviewed and updated;

(2) policies and procedures that adequately address client safety before, during, and after
the interactive video services are rendered;

(3) established protocols addressing how and when to discontinue interactive video
services; and

(4) established a quality assurance process related to interactive video services.

(d) As a condition of payment, the targeted case management provider must document
the following for each occurrence of targeted case management provided by interactive
video:

(1) the time the service began and the time the service ended, including an a.m. and p.m.
designation;

(2) the basis for determining that interactive video is an appropriate and effective means
for delivering the service to the person receiving case management services;

(3) the mode of transmission of the interactive video services and records evidencing
that a particular mode of transmission was utilized;

(4) the location of the originating site and the distant site; and

(5) compliance with the criteria attested to by the targeted case management provider
as provided in paragraph (c).
EFFECTIVE DATE. This section is effective upon federal approval. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 26. Minnesota Statutes 2016, section 256B.0625, subdivision 30, is amended to read:

Subd. 30. Other clinic services. (a) Medical assistance covers rural health clinic services, federally qualified health center services, nonprofit community health clinic services, and public health clinic services. Rural health clinic services and federally qualified health center services mean services defined in United States Code, title 42, section 1396d(a)(2)(B) and (C). Payment for rural health clinic and federally qualified health center services shall be made according to applicable federal law and regulation.

(b) A federally qualified health center (FQHC) that is beginning initial operation shall submit an estimate of budgeted costs and visits for the initial reporting period in the form and detail required by the commissioner. A federally qualified health center that is already in operation shall submit an initial report using actual costs and visits for the initial reporting period. Within 90 days of the end of its reporting period, a federally qualified health center shall submit, in the form and detail required by the commissioner, a report of its operations, including allowable costs actually incurred for the period and the actual number of visits for services furnished during the period, and other information required by the commissioner. Federally qualified health centers that file Medicare cost reports shall provide the commissioner with a copy of the most recent Medicare cost report filed with the Medicare program intermediary for the reporting year which support the costs claimed on their cost report to the state.

(c) In order to continue cost-based payment under the medical assistance program according to paragraphs (a) and (b), a federally qualified health center or rural health clinic must apply for designation as an essential community provider within six months of final adoption of rules by the Department of Health according to section 62Q.19, subdivision 7. For those federally qualified health centers and rural health clinics that have applied for essential community provider status within the six-month time prescribed, medical assistance payments will continue to be made according to paragraphs (a) and (b) for the first three years after application. For federally qualified health centers and rural health clinics that either do not apply within the time specified above or who have had essential community provider status for three years, medical assistance payments for health services provided by these entities shall be according to the same rates and conditions applicable to the same service provided by health care providers that are not federally qualified health centers or rural health clinics.
(d) Effective July 1, 1999, the provisions of paragraph (c) requiring a federally qualified health center an FQHC or a rural health clinic to make application for an essential community provider designation in order to have cost-based payments made according to paragraphs (a) and (b) no longer apply.

(e) Effective January 1, 2000, payments made according to paragraphs (a) and (b) shall be limited to the cost phase-out schedule of the Balanced Budget Act of 1997.

(f) Effective January 1, 2001, through December 31, 2018, each federally qualified health center FQHC and rural health clinic may elect to be paid either under the prospective payment system established in United States Code, title 42, section 1396a(aa), or under an alternative payment methodology consistent with the requirements of United States Code, title 42, section 1396a(aa), and approved by the Centers for Medicare and Medicaid Services. The alternative payment methodology shall be 100 percent of cost as determined according to Medicare cost principles.

(g) Effective for services provided on or after January 1, 2019, all claims for payment of clinic services provided by FQHCs and rural health clinics shall be paid by the commissioner, according to an annual election by the FQHC or rural health clinic, under the current prospective payment system described in paragraph (f), the alternative payment methodology described in paragraph (f), or the alternative payment methodology described in paragraph (l).

(h) For purposes of this section, "nonprofit community clinic" is a clinic that:

1. has nonprofit status as specified in chapter 317A;
2. has tax exempt status as provided in Internal Revenue Code, section 501(c)(3);
3. is established to provide health services to low-income population groups, uninsured, high-risk and special needs populations, underserved and other special needs populations;
4. employs professional staff at least one-half of which are familiar with the cultural background of their clients;
5. charges for services on a sliding fee scale designed to provide assistance to low-income clients based on current poverty income guidelines and family size; and
6. does not restrict access or services because of a client's financial limitations or public assistance status and provides no-cost care as needed.

(i) Effective for services provided on or after January 1, 2015, all claims for payment of clinic services provided by federally qualified health centers FQHCs and rural health
clinics shall be paid by the commissioner. Effective for services provided on or after January 1, 2015, through July 1, 2017, the commissioner shall determine the most feasible method for paying claims from the following options:

1. federally qualified health centers (FQHCs) and rural health clinics submit claims directly to the commissioner for payment, and the commissioner provides claims information for recipients enrolled in a managed care or county-based purchasing plan to the plan, on a regular basis; or

2. federally qualified health centers (FQHCs) and rural health clinics submit claims for recipients enrolled in a managed care or county-based purchasing plan to the plan, and those claims are submitted by the plan to the commissioner for payment to the clinic.

Effective for services provided on or after January 1, 2019, FQHCs and rural health clinics shall submit claims directly to the commissioner for payment and the commissioner shall provide claims information for recipients enrolled in a managed care plan or county-based purchasing plan to the plan on a regular basis to be determined by the commissioner.

For clinic services provided prior to January 1, 2015, the commissioner shall calculate and pay monthly the proposed managed care supplemental payments to clinics, and clinics shall conduct a timely review of the payment calculation data in order to finalize all supplemental payments in accordance with federal law. Any issues arising from a clinic's review must be reported to the commissioner by January 1, 2017. Upon final agreement between the commissioner and a clinic on issues identified under this subdivision, and in accordance with United States Code, title 42, section 1396a(bb), no supplemental payments for managed care plan or county-based purchasing plan claims for services provided prior to January 1, 2015, shall be made after June 30, 2017. If the commissioner and clinics are unable to resolve issues under this subdivision, the parties shall submit the dispute to the arbitration process under section 14.57.

The commissioner shall seek a federal waiver, authorized under section 1115 of the Social Security Act, to obtain federal financial participation at the 100 percent federal matching percentage available to facilities of the Indian Health Service or tribal organization in accordance with section 1905(b) of the Social Security Act for expenditures made to organizations dually certified under Title V of the Indian Health Care Improvement Act, Public Law 94-437, and as a federally qualified health center (FQHC) under paragraph (a) that provides services to American Indian and Alaskan Native individuals eligible for services under this subdivision.
199.1 (l) Effective for services provided on or after January 1, 2019, all claims for payment
199.2 of clinic services provided by FQHCs and rural health clinics shall be paid by the
199.3 commissioner according to the current prospective payment system described in paragraph
199.4 (f), or an alternative payment methodology with the following requirements:
199.5 (1) each FQHC and rural health clinic must receive a single medical and a single dental
199.6 organization rate;
199.7 (2) the commissioner shall reimburse FQHCs and rural health clinics for allowable costs,
199.8 including direct patient care costs and patient-related support services, based upon Medicare
199.9 cost principles that apply at the time the alternative payment methodology is calculated;
199.10 (3) the 2019 payment rates for FQHCs and rural health clinics:
199.11 (i) must be determined using each FQHC's and rural health clinic's Medicare cost reports
199.12 from 2015 and 2016. A provider must submit the required cost reports to the commissioner
199.13 within six months of the second base year calendar or fiscal year end. Cost reports must be
199.14 submitted six months before the quarter in which the base rate will take effect;
199.15 (ii) must be according to current Medicare cost principles applicable to FQHCs and rural
199.16 health clinics at the time of the alternative payment rate calculation without the application
199.17 of productivity screens and upper payment limits or the Medicare prospective payment
199.18 system FQHC aggregate mean upper payment limit; and
199.19 (iii) must provide for a 60-day appeals process;
199.20 (4) the commissioner shall inflate the base year payment rate for FQHCs and rural health
199.21 clinics to the effective date by using the Bureau of Economic Analysis's personal consumption
199.22 expenditures medical care inflator;
199.23 (5) the commissioner shall establish a statewide trend inflator using 2015-2020 costs
199.24 replacing the use of the personal consumption expenditures medical care inflator with the
199.25 2023 rate calculation forward;
199.26 (6) FQHC and rural health clinic payment rates shall be rebased by the commissioner
199.27 every two years using the methodology described in clause (3), using the provider's Medicare
199.28 cost reports from the previous third and fourth years. In nonrebasing years, the commissioner
199.29 shall adjust using the Medicare economic index until 2023 when the statewide trend inflator
199.30 is available;
199.31 (7) the commissioner shall increase payments by two percent according to Laws 2003,
199.32 First Special Session chapter 14, article 13C, section 2, subdivision 6. This is an add-on to
199.33 the rate and must not be included in the base rate calculation;
(8) for FQHCs and rural health clinics seeking a change of scope of services:

(i) the commissioner shall require FQHCs and rural health clinics to submit requests to the commissioner, if the change of scope would result in the medical or dental payment rate currently received by the FQHC or rural health clinic increasing or decreasing by at least 2-1/2 percent;

(ii) FQHCs and rural health clinics shall submit the request to the commissioner within seven business days of submission of the scope change to the federal Health Resources Services Administration;

(iii) the effective date of the payment change is the date the Health Resources Services Administration approves the FQHC's or rural health clinic's change of scope request;

(iv) for change of scope requests that do not require Health Resources Services Administration approval, FQHCs and rural health clinics shall submit the request to the commissioner before implementing the change, and the effective date of the change is the date the commissioner receives the request from the FQHC or rural health clinic; and

(v) the commissioner shall provide a response to the FQHC's or rural health clinic's change of scope request within 45 days of submission and provide a final decision regarding approval or disapproval within 120 days of submission. If more information is needed to evaluate the request, this timeline may be waived by mutual agreement of the commissioner and the FQHC or rural health clinic; and

(9) the commissioner shall establish a payment rate for new FQHC and rural health clinic organizations, considering the following factors:

(i) a comparison of patient caseload of FQHCs and rural health clinics within a 60-mile radius for organizations established outside the seven-county metropolitan area and within a 30-mile radius for organizations within the seven-county metropolitan area; and

(ii) if a comparison is not feasible under item (i), the commissioner may use Medicare cost reports or audited financial statements to establish the base rate.

Sec. 27. Minnesota Statutes 2016, section 256B.0625, is amended by adding a subdivision to read:

Subd. 56a. Post-arrest community-based service coordination. (a) Medical assistance covers post-arrest community-based service coordination for an individual who:

(1) has been identified as having a mental illness or substance use disorder using a screening tool approved by the commissioner;
(2) does not require the security of a public detention facility and is not considered an
inmate of a public institution as defined in Code of Federal Regulations, title 42, section
435.1010;

(3) meets the eligibility requirements in section 256B.056; and

(4) has agreed to participate in post-arrest community-based service coordination through
a diversion contract in lieu of incarceration.

(b) Post-arrest community-based service coordination means navigating services to
address a client's mental health, chemical health, social, economic, and housing needs, or
any other activity targeted at reducing the incidence of jail utilization and connecting
individuals with existing covered services available to them, including, but not limited to,
targeted case management, waiver case management, or care coordination.

(c) Post-arrest community-based service coordination must be provided by individuals
who are qualified under one of the following criteria:

(1) a licensed mental health professional as defined in section 245.462, subdivision 18,
clauses (1) to (6);

(2) a mental health practitioner as defined in section 245.462, subdivision 17, working
under the clinical supervision of a mental health professional; or

(3) a certified peer specialist under section 256B.0615, working under the clinical
supervision of a mental health professional.

(d) Reimbursement must be made in 15-minute increments and allowed for up to 60
days following the initial determination of eligibility.

(e) Providers of post-arrest community-based service coordination shall annually report
to the commissioner on the number of individuals served, and number of the
community-based services that were accessed by recipients. The commissioner shall ensure
that services and payments provided under post-arrest community-based service coordination
do not duplicate services or payments provided under section 256B.0625, subdivision 20,
256B.0753, 256B.0755, or 256B.0757.

(f) Notwithstanding section 256B.19, subdivision 1, the nonfederal share of cost for
post-arrest community-based service coordination services shall be provided by the recipient's
county of residence, from sources other than federal funds or funds used to match other
federal funds.
EFFECTIVE DATE. This section is effective upon federal approval for services provided on or after July 1, 2017. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 28. Minnesota Statutes 2016, section 256B.0625, subdivision 64, is amended to read:

Subd. 64. Investigational drugs, biological products, and devices. (a) Medical assistance and the early periodic screening, diagnosis, and treatment (EPSDT) program do not cover costs incidental to, associated with, or resulting from the use of investigational drugs, biological products, or devices as defined in section 151.375.

(b) Notwithstanding paragraph (a), stiripentol may be covered by the EPSDT program if all the following conditions are met:

1. the use of stiripentol is determined to be medically necessary;
2. the enrollee has a documented diagnosis of Dravet syndrome, regardless of whether an SCN1A genetic mutation is found, or the enrollee is a child with malignant migrating partial epilepsy in infancy due to an SCN2A genetic mutation;
3. all other available covered prescription medications that are medically necessary for the enrollee have been tried without successful outcomes; and
4. the United States Food and Drug Administration has approved the treating physician's individual patient investigational new drug application (IND) for the use of stiripentol for treatment.

This paragraph does not apply to MinnesotaCare coverage under chapter 256L.

Sec. 29. Minnesota Statutes 2016, section 256B.072, is amended to read:

256B.072 PERFORMANCE REPORTING AND QUALITY IMPROVEMENT SYSTEM.

Subdivision 1. Performance measures. (a) The commissioner of human services shall establish a performance reporting system for health care providers who provide health care services to public program recipients covered under chapters 256B, 256D, and 256L, reporting separately for managed care and fee-for-service recipients.

(b) The measures used for the performance reporting system for medical groups shall include measures of care for asthma, diabetes, hypertension, and coronary artery disease and measures of preventive care services. The measures used for the performance reporting system for inpatient hospitals shall include measures of care for acute myocardial infarction,
heart failure, and pneumonia, and measures of care and prevention of surgical infections.

In the case of a medical group, the measures used shall be consistent with measures published by nonprofit Minnesota or national organizations that produce and disseminate health care quality measures or evidence-based health care guidelines. In the case of inpatient hospital measures, the commissioner shall appoint the Minnesota Hospital Association and Stratis Health to advise on the development of the performance measures to be used for hospital reporting. To enable a consistent measurement process across the community, the commissioner may use measures of care provided for patients in addition to those identified in paragraph (a). The commissioner shall ensure collaboration with other health care reporting organizations so that the measures described in this section are consistent with those reported by those organizations and used by other purchasers in Minnesota.

(c) The commissioner may require providers to submit information in a required format to a health care reporting organization or to cooperate with the information collection procedures of that organization. The commissioner may collaborate with a reporting organization to collect information reported and to prevent duplication of reporting.

(d) By October 1, 2007, and annually thereafter, the commissioner shall report through a public Web site the results by medical groups and hospitals, where possible, of the measures under this section, and shall compare the results by medical groups and hospitals for patients enrolled in public programs to patients enrolled in private health plans. To achieve this reporting, the commissioner may collaborate with a health care reporting organization that operates a Web site suitable for this purpose.

(e) Performance measures must be stratified as provided under section 62U.02, subdivision 1, paragraph (b), and risk-adjusted as specified in section 62U.02, subdivision 3, paragraph (b).

(f) Assessment of patient satisfaction with chronic pain management for the purpose of determining compensation or quality incentive payments is prohibited. The commissioner shall require managed care plans, county-based purchasing plans, and integrated health partnerships to comply with this requirement as a condition of contract. This prohibition does not apply to:

(1) assessing patient satisfaction with chronic pain management for the purpose of quality improvement; and

(2) pain management as a part of a palliative care treatment plan to treat patients with cancer or patients receiving hospice care.
Subd. 2. Adjustment of quality metrics for special populations. Notwithstanding subdivision 1, paragraph (b), by January 1, 2019, the commissioner shall consider and appropriately adjust quality metrics and benchmarks for providers who primarily serve socio-economically complex patient populations and request to be scored on additional measures in this subdivision. This requirement applies to all medical assistance and MinnesotaCare programs and enrollees, including persons enrolled in managed care and county-based purchasing plans or other managed care organizations, persons receiving care under fee-for-service, and persons receiving care under value-based purchasing arrangements, including but not limited to initiatives operating under sections 256B.0751, 256B.0753, 256B.0755, 256B.0756, and 256B.0757.

Sec. 30. Minnesota Statutes 2016, section 256B.0755, subdivision 1, is amended to read:

Subdivision 1. Implementation. (a) The commissioner shall develop and authorize a demonstration project established under this section to test alternative and innovative integrated health care delivery system partnerships, including accountable care organizations that provide services to a specified patient population for an agreed-upon total cost of care or risk/gain sharing payment arrangement. The commissioner shall develop a request for proposals for participation in the demonstration project in consultation with hospitals, primary care providers, health plans, and other key stakeholders.

(b) In developing the request for proposals, the commissioner shall:

(1) establish uniform statewide methods of forecasting utilization and cost of care for the appropriate Minnesota public program populations, to be used by the commissioner for the health care delivery system integrated health partnership projects;

(2) identify key indicators of quality, access, patient satisfaction, and other performance indicators that will be measured, in addition to indicators for measuring cost savings;

(3) allow maximum flexibility to encourage innovation and variation so that a variety of provider collaborations are able to become health care delivery systems integrated health partnerships, and may be customized for the special needs and barriers of patient populations experiencing health disparities due to social, economic, racial, or ethnic factors;

(4) encourage and authorize different levels and types of financial risk;

(5) encourage and authorize projects representing a wide variety of geographic locations, patient populations, provider relationships, and care coordination models;

(6) encourage projects that involve close partnerships between the health care delivery system integrated health partnership and counties and nonprofit agencies that provide services...
to patients enrolled with the health care delivery system integrated health partnership,

including social services, public health, mental health, community-based services, and
continuing care;

(7) encourage projects established by community hospitals, clinics, and other providers
in rural communities;

(8) identify required covered services for a total cost of care model or services considered
in whole or partially in an analysis of utilization for a risk/gain sharing model;

(9) establish a mechanism to monitor enrollment;

(10) establish quality standards for the delivery system integrated health partnership
demonstrations that are appropriate for the particular patient population to be served; and

(11) encourage participation of privately insured population so as to create sufficient
alignment in demonstration systems.

To be eligible to participate in the demonstration project an integrated health partnership, a health care delivery system must:

(1) provide required covered services and care coordination to recipients enrolled in the
health care delivery system integrated health partnership;

(2) establish a process to monitor enrollment and ensure the quality of care provided;

(3) in cooperation with counties and community social service agencies, coordinate the
delivery of health care services with existing social services programs;

(4) provide a system for advocacy and consumer protection; and

(5) adopt innovative and cost-effective methods of care delivery and coordination, which
may include the use of allied health professionals, telemedicine, patient educators, care
coordinators, and community health workers.

An integrated health partnership demonstration may be formed by the following groups of providers of services and suppliers if they have
established a mechanism for shared governance:

(1) professionals in group practice arrangements;

(2) networks of individual practices of professionals;

(3) partnerships or joint venture arrangements between hospitals and health care professionals;

(4) hospitals employing professionals; and
(5) other groups of providers of services and suppliers as the commissioner determines appropriate.

A managed care plan or county-based purchasing plan may participate in this
demonstration in collaboration with one or more of the entities listed in clauses (1) to (5).

A health care delivery system An integrated health partnership may contract with a
managed care plan or a county-based purchasing plan to provide administrative services,
including the administration of a payment system using the payment methods established
by the commissioner for health care delivery systems integrated health partnerships.

(c) The commissioner may require a health care delivery system an integrated health
partnership to enter into additional third-party contractual relationships for the assessment
of risk and purchase of stop loss insurance or another form of insurance risk management
related to the delivery of care described in paragraph (c).

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 31. Minnesota Statutes 2016, section 256B.0755, subdivision 3, is amended to read:

Subd. 3. Accountability. (a) Health care delivery systems Integrated health partnerships
must accept responsibility for the quality of care based on standards established under
subdivision 1, paragraph (b), clause (10), and the cost of care or utilization of services
provided to its enrollees under subdivision 1, paragraph (b), clause (1). Accountability
standards must be appropriate to the particular population served.

(b) A health care delivery system An integrated health partnership may contract and
coordinate with providers and clinics for the delivery of services and shall contract with
community health clinics, federally qualified health centers, community mental health
centers or programs, county agencies, and rural clinics to the extent practicable.

(c) A health care delivery system An integrated health partnership must indicate how it
will coordinate with other services affecting its patients' health, quality of care, and cost of
care that are provided by other providers, county agencies, and other organizations in the
local service area. The health care delivery system integrated health partnership must indicate
how it will engage other providers, counties, and organizations, including county-based
purchasing plans, that provide services to patients of the health care delivery system
integrated health partnership on issues related to local population health, including applicable
local needs, priorities, and public health goals. The health care delivery system integrated
health partnership must describe how local providers, counties, organizations, including
county-based purchasing plans, and other relevant purchasers were consulted in developing
the application to participate in the demonstration project.

Sec. 32. Minnesota Statutes 2016, section 256B.0755, subdivision 4, is amended to read:

Subd. 4. Payment system. (a) In developing a payment system for health care delivery
systems integrated health partnerships, the commissioner shall establish a total cost of care
benchmark or a risk/gain sharing payment model to be paid for services provided to the
recipients enrolled in a health care delivery system an integrated health partnership.

(b) The payment system may include incentive payments to health care delivery systems
integrated health partnerships that meet or exceed annual quality and performance targets
realized through the coordination of care.

(c) An amount equal to the savings realized to the general fund as a result of the
demonstration project shall be transferred each fiscal year to the health care access fund.

(d) The payment system shall include a population-based payment that supports care
coordination services for all enrollees served by the integrated health partnerships, and is
risk-adjusted to reflect varying levels of care coordination intensiveness for enrollees with
chronic conditions, limited English skills, cultural differences, are homeless, or experience
health disparities or other barriers to health care. The population-based payment shall be a
per member, per month payment paid at least on a quarterly basis. Integrated health
partnerships receiving this payment must continue to meet cost and quality metrics under
the program to maintain eligibility for the population-based payment. An integrated health
partnership is eligible to receive a payment under this paragraph even if the partnership is
not participating in a risk-based or gain-sharing payment model and regardless of the size
of the patient population served by the integrated health partnership. Any integrated health
partnership participant certified as a health care home under section 256B.0751 that agrees
to a payment method that includes population-based payments for care coordination is not
eligible to receive health care home payment or care coordination fee authorized under
section 62U.03 or 256B.0753, subdivision 1, or in-reach care coordination under section
256B.0625, subdivision 56, for any medical assistance or MinnesotaCare recipients enrolled
or attributed to the integrated health partnership under this demonstration.

EFFECTIVE DATE. This section is effective January 1, 2018.
Sec. 33. Minnesota Statutes 2016, section 256B.0755, is amended by adding a subdivision to read:

**Subd. 9. Patient incentives.** The commissioner may authorize an integrated health partnership to provide incentives for patients to:

(1) see a primary care provider for an initial health assessment;

(2) maintain a continuous relationship with the primary care provider; and

(3) participate in ongoing health improvement and coordination of care activities.

Sec. 34. [256B.0759] HEALTH CARE DELIVERY SYSTEMS DEMONSTRATION PROJECT.

**Subdivision 1. Implementation.** (a) The commissioner shall develop and implement a demonstration project to test alternative and innovative health care delivery system payment and care models that provide services to medical assistance and MinnesotaCare enrollees for an agreed-upon, prospective per capita or total cost of care payment. The commissioner shall implement this demonstration project in coordination with, and as an expansion of, the demonstration project authorized under section 256B.0755.

(b) In developing the demonstration project, the commissioner shall:

(1) establish uniform statewide methods of forecasting utilization and cost of care for the medical assistance and MinnesotaCare populations to be served under the health care delivery system project;

(2) identify key indicators of quality, access, and patient satisfaction, and identify methods to measure cost savings;

(3) allow maximum flexibility to encourage innovation and variation so that a variety of provider collaborations are able to participate as health care delivery systems, and health care delivery systems can be customized to address the special needs and barriers of patient populations;

(4) authorize participation by health care delivery systems representing a variety of geographic locations, patient populations, provider relationships, and care coordination models;

(5) recognize the close partnerships between health care delivery systems and the counties and nonprofit agencies that also provide services to patients enrolled in the health care delivery system, including social services, public health, mental health, community-based services, and continuing care;
(6) identify services to be included under a prospective per capita payment model, and project utilization and cost of these services under a total cost of care risk/gain sharing model;

(7) establish a mechanism to monitor enrollment in each health care delivery system; and

(8) establish quality standards for delivery systems that are appropriate for the specific patient populations served.

Subd. 2. Requirements for health care delivery systems. (a) To be eligible to participate in the demonstration project, a health care delivery system must:

(1) provide required services and care coordination to individuals enrolled in the health care delivery system;

(2) establish a process to monitor enrollment and ensure the quality of care provided;

(3) in cooperation with counties and community social service agencies, coordinate the delivery of health care services with existing social services programs;

(4) provide a system for advocacy and consumer protection; and

(5) adopt innovative and cost-effective methods of care delivery and coordination, which may include the use of allied health professionals, telemedicine and patient educators, care coordinators, community paramedics, and community health workers.

(b) A health care delivery system may be formed by the following types of health care providers, if they have established, as applicable, a mechanism for shared governance:

(1) health care providers in group practice arrangements;

(2) networks of health care providers in individual practice;

(3) partnerships or joint venture arrangements between hospitals and health care providers;

(4) hospitals employing or contracting with the necessary range of health care providers; and

(5) other entities, as the commissioner determines appropriate.

(c) A health care delivery system must contract with a third-party administrator to provide administrative services, including the administration of the payment system established under the demonstration project. The third-party administrator must conduct an assessment of risk, and must purchase stop-loss insurance or another form of insurance risk management related to the delivery of care. The commissioner may waive the requirement for contracting.
with a third-party administrator if the health care delivery system can demonstrate to the
commissioner that it can satisfactorily perform all of the duties assigned to the third-party
administrator.

Subd. 3. Enrollment. (a) Individuals eligible for medical assistance or MinnesotaCare
shall be eligible for enrollment in a health care delivery system. Individuals required to
enroll in the prepaid medical assistance program or prepaid MinnesotaCare may opt out of
receiving care from a managed care or county-based purchasing plan, and elect to receive
care through a health care delivery system established under this section.

(b) Eligible applicants and recipients may enroll in a health care delivery system if the
system serves the county in which the applicant or recipient resides. If more than one health
care delivery system serves a county, the applicant or recipient may choose among the
delivery systems. Enrollment in a specific health care delivery system shall be for a 12-month
period, except that enrollees who do not maintain eligibility for medical assistance or
MinnesotaCare shall be disenrolled, and enrollees experiencing a qualifying life event, as
specified by the commissioner, may change health care delivery systems, or opt out of
receiving coverage through a health care delivery system, within 60 days of the date of the
qualifying life event.

(c) The commissioner shall assign an applicant or recipient to a health care delivery
system if:

(1) the applicant or recipient is currently or has recently been attributed to the health
care delivery system as part of an integrated health partnership under section 256B.0755;

or

(2) no choice has been made by the applicant or recipient. In this case, the commissioner
shall enroll an applicant or recipient based on geographic criteria or based on the health
care providers from whom the applicant or recipient has received prior care.

Subd. 4. Accountability. (a) Health care delivery systems are responsible for the quality
of care based on standards established by the commissioner, and for enrollee cost of care
and utilization of services. The commissioner shall adjust accountability standards including
the quality, cost, and utilization of care to take into account the social, economic, or cultural
barriers experienced by the health care delivery system's patient population.

(b) A health care delivery system must contract with community health clinics, federally
qualified health centers, community mental health centers or programs, county agencies,
and rural health clinics to the extent practicable.
(c) A health care delivery system must indicate to the commissioner how it will coordinate
its services with those delivered by other providers, county agencies, and other organizations
in the local service area. The health care delivery system must indicate how it will engage
other providers, counties, and organizations that provide services to patients of the health
care delivery system on issues related to local population health, including applicable local
needs, priorities, and public health goals. The health care delivery system must describe
how local providers, counties, and organizations were consulted in developing the application
submitted to the commissioner requiring participation in the demonstration project.

Subd. 5. Payment system. The commissioner shall develop a payment system for the
health care delivery system project that includes prospective per capita payments, total cost
of care benchmarks, and risk/gain sharing payment options. The payment system may
include incentive payments to health care delivery systems that meet or exceed annual
quality and performance targets through the coordination of care.

Subd. 6. Federal waiver or approval. The commissioner shall seek all federal waivers
or approval necessary to implement the health care delivery system demonstration project.
The commissioner shall notify the chairs and ranking minority members of the legislative
committees with jurisdiction over health and human services policy and finance of any
federal action related to the request for waivers and approval.

EFFECTIVE DATE. This section is effective January 1, 2018, or upon receipt of
federal waivers or approval, whichever is later. The commissioner of human services shall
notify the revisor of statutes when federal approval is obtained.

Sec. 35. Minnesota Statutes 2016, section 256B.0924, is amended by adding a subdivision
to read:

Subd. 4a. Targeted case management through interactive video. (a) Subject to federal
approval, contact made for targeted case management by interactive video shall be eligible
for payment under subdivision 6 if:

(i) the person receiving targeted case management services is residing in:

(i) a hospital;

(ii) a nursing facility; or

(iii) a residential setting licensed under chapter 245A or 245D or a boarding and lodging
establishment or lodging establishment that provides supportive services or health supervision
services according to section 157.17 that is staffed 24 hours a day, seven days a week;
(2) interactive video is in the best interests of the person and is deemed appropriate by
the person receiving targeted case management or the person's legal guardian, the case
management provider, and the provider operating the setting where the person is residing;
(3) the use of interactive video is approved as part of the person's written personal service
or case plan; and
(4) interactive video is used for up to, but not more than, 50 percent of the minimum
required face-to-face contact.
(b) The person receiving targeted case management or the person's legal guardian has
the right to choose and consent to the use of interactive video under this subdivision and
has the right to refuse the use of interactive video at any time.
(c) The commissioner shall establish criteria that a targeted case management provider
must attest to in order to demonstrate the safety or efficacy of delivering the service via
interactive video. The attestation may include that the case management provider has:
(1) written policies and procedures specific to interactive video services that are regularly
reviewed and updated;
(2) policies and procedures that adequately address client safety before, during, and after
the interactive video services are rendered;
(3) established protocols addressing how and when to discontinue interactive video
services; and
(4) established a quality assurance process related to interactive video services.
(d) As a condition of payment, the targeted case management provider must document
the following for each occurrence of targeted case management provided by interactive
video:
(1) the time the service began and the time the service ended, including an a.m. and p.m.
designation;
(2) the basis for determining that interactive video is an appropriate and effective means
for delivering the service to the person receiving case management services;
(3) the mode of transmission of the interactive video services and records evidencing
that a particular mode of transmission was utilized;
(4) the location of the originating site and the distant site; and
(5) compliance with the criteria attested to by the targeted case management provider

as provided in paragraph (c).

**EFFECTIVE DATE.** This section is effective upon federal approval. The commissioner
of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 36. Minnesota Statutes 2016, section 256B.196, subdivision 2, is amended to read:

Subd. 2. **Commissioner's duties.** (a) For the purposes of this subdivision and subdivision
3, the commissioner shall determine the fee-for-service outpatient hospital services upper
payment limit for nonstate government hospitals. The commissioner shall then determine
the amount of a supplemental payment to Hennepin County Medical Center and Regions
Hospital for these services that would increase medical assistance spending in this category
to the aggregate upper payment limit for all nonstate government hospitals in Minnesota.

In making this determination, the commissioner shall allot the available increases between
Hennepin County Medical Center and Regions Hospital based on the ratio of medical
assistance fee-for-service outpatient hospital payments to the two facilities. The commissioner
shall adjust this allotment as necessary based on federal approvals, the amount of
intergovernmental transfers received from Hennepin and Ramsey Counties, and other factors,
in order to maximize the additional total payments. The commissioner shall inform Hennepin
County and Ramsey County of the periodic intergovernmental transfers necessary to match
federal Medicaid payments available under this subdivision in order to make supplementary
medical assistance payments to Hennepin County Medical Center and Regions Hospital
equal to an amount that when combined with existing medical assistance payments to
nonstate governmental hospitals would increase total payments to hospitals in this category
for outpatient services to the aggregate upper payment limit for all hospitals in this category
in Minnesota. Upon receipt of these periodic transfers, the commissioner shall make
supplementary payments to Hennepin County Medical Center and Regions Hospital.

(b) For the purposes of this subdivision and subdivision 3, the commissioner shall
determine an upper payment limit for physicians and other billing professionals affiliated
with Hennepin County Medical Center and with Regions Hospital. The upper payment limit
shall be based on the average commercial rate or be determined using another method
acceptable to the Centers for Medicare and Medicaid Services. The commissioner shall
inform Hennepin County and Ramsey County of the periodic intergovernmental transfers
necessary to match the federal Medicaid payments available under this subdivision in order
to make supplementary payments to physicians and other billing professionals affiliated
with Hennepin County Medical Center and to make supplementary payments to physicians
and other billing professionals affiliated with Regions Hospital through HealthPartners Medical Group equal to the difference between the established medical assistance payment for physician and other billing professional services and the upper payment limit. Upon receipt of these periodic transfers, the commissioner shall make supplementary payments to physicians and other billing professionals affiliated with Hennepin County Medical Center and shall make supplementary payments to physicians and other billing professionals affiliated with Regions Hospital through HealthPartners Medical Group.

(c) Beginning January 1, 2010, Hennepin County and Ramsey County may make monthly voluntary intergovernmental transfers to the commissioner in amounts not to exceed $12,000,000 per year from Hennepin County and $6,000,000 per year from Ramsey County. The commissioner shall increase the medical assistance capitation payments to any licensed health plan under contract with the medical assistance program that agrees to make enhanced payments to Hennepin County Medical Center or Regions Hospital. The increase shall be in an amount equal to the annual value of the monthly transfers plus federal financial participation, with each health plan receiving its pro rata share of the increase based on the pro rata share of medical assistance admissions to Hennepin County Medical Center and Regions Hospital by those plans. Upon the request of the commissioner, health plans shall submit individual-level cost data for verification purposes. The commissioner may ratably reduce these payments on a pro rata basis in order to satisfy federal requirements for actuarial soundness. If payments are reduced, transfers shall be reduced accordingly. Any licensed health plan that receives increased medical assistance capitation payments under the intergovernmental transfer described in this paragraph shall increase its medical assistance payments to Hennepin County Medical Center and Regions Hospital by the same amount as the increased payments received in the capitation payment described in this paragraph.

(d) For the purposes of this subdivision and subdivision 3, the commissioner shall determine an upper payment limit for ambulance services affiliated with Hennepin County Medical Center and the city of St. Paul, and ambulance services owned and operated by another governmental entity that chooses to participate by requesting the commissioner to determine an upper payment limit. The upper payment limit shall be based on the average commercial rate or be determined using another method acceptable to the Centers for Medicare and Medicaid Services. The commissioner shall inform Hennepin County and the city of St. Paul, and other participating governmental entities of the periodic intergovernmental transfers necessary to match the federal Medicaid payments available under this subdivision in order to make supplementary payments to Hennepin County Medical Center and the city of St. Paul, and other participating governmental entities equal.
to the difference between the established medical assistance payment for ambulance services
and the upper payment limit. Upon receipt of these periodic transfers, the commissioner
shall make supplementary payments to Hennepin County Medical Center and, the city of
St. Paul, and other participating governmental entities. A tribal government that owns and
operates an ambulance service is not eligible to participate under this subdivision.

(e) For the purposes of this subdivision and subdivision 3, the commissioner shall
determine an upper payment limit for physicians, dentists, and other billing professionals
affiliated with the University of Minnesota and University of Minnesota Physicians. The
upper payment limit shall be based on the average commercial rate or be determined using
another method acceptable to the Centers for Medicare and Medicaid Services. The
commissioner shall inform the University of Minnesota Medical School and University of
Minnesota School of Dentistry of the periodic intergovernmental transfers necessary to
match the federal Medicaid payments available under this subdivision in order to make
supplementary payments to physicians, dentists, and other billing professionals affiliated
with the University of Minnesota and the University of Minnesota Physicians equal to the
difference between the established medical assistance payment for physician, dentist, and
other billing professional services and the upper payment limit. Upon receipt of these periodic
transfers, the commissioner shall make supplementary payments to physicians, dentists,
and other billing professionals affiliated with the University of Minnesota and the University
of Minnesota Physicians.

(f) The commissioner shall inform the transferring governmental entities on an ongoing
basis of the need for any changes needed in the intergovernmental transfers in order to
continue the payments under paragraphs (a) to (d), at their maximum level, including
increases in upper payment limits, changes in the federal Medicaid match, and other factors.

(g) The payments in paragraphs (a) to (e) shall be implemented independently of
each other, subject to federal approval and to the receipt of transfers under subdivision 3.

(h) All of the data and funding transactions related to the payments in paragraphs (a) to
(e) shall be between the commissioner and the governmental entities.

(i) For purposes of this subdivision, billing professionals are limited to physicians, nurse
practitioners, nurse midwives, clinical nurse specialists, physician assistants,
anesthesiologists, certified registered nurse anesthetists, dentists, dental hygienists, and
dental therapists.
Paragraph (d) is effective July 1, 2017, or upon federal approval, whichever is later. The commissioner of human services shall notify the revisor of statutes when federal approval is received.

Sec. 37. Minnesota Statutes 2016, section 256B.196, subdivision 3, is amended to read:

Subd. 3. Intergovernmental transfers. Based on the determination by the commissioner under subdivision 2, Hennepin County and Ramsey County shall make periodic intergovernmental transfers to the commissioner for the purposes of subdivision 2, paragraphs (a) and (b). All of the intergovernmental transfers made by Hennepin County shall be used to match federal payments to Hennepin County Medical Center under subdivision 2, paragraph (a), and to physicians and other billing professionals affiliated with Hennepin County Medical Center under subdivision 2, paragraph (b). All of the intergovernmental transfers made by Ramsey County shall be used to match federal payments to Regions Hospital under subdivision 2, paragraph (a), and to physicians and other billing professionals affiliated with Regions Hospital through HealthPartners Medical Group under subdivision 2, paragraph (b). All of the intergovernmental transfer payments made by the University of Minnesota Medical School and the University of Minnesota School of Dentistry shall be used to match federal payments to the University of Minnesota and the University of Minnesota Physicians under subdivision 2, paragraph (e).

Sec. 38. Minnesota Statutes 2016, section 256B.196, subdivision 4, is amended to read:

Subd. 4. Adjustments permitted. (a) The commissioner may adjust the intergovernmental transfers under subdivision 3 and the payments under subdivision 2, based on the commissioner's determination of Medicare upper payment limits, hospital-specific charge limits, hospital-specific limitations on disproportionate share payments, medical inflation, actuarial certification, average commercial rates for physician and other professional services as defined in this section, and cost-effectiveness for purposes of federal waivers. Any adjustments must be made on a proportional basis. The commissioner may make adjustments under this subdivision only after consultation with the affected counties, university schools, and hospitals. All payments under subdivision 2 and all intergovernmental transfers under subdivision 3 are limited to amounts available after all other base rates, adjustments, and supplemental payments in chapter 256B are calculated.

(b) The ratio of medical assistance payments specified in subdivision 2 to the voluntary intergovernmental transfers specified in subdivision 3 shall not be reduced except as provided under paragraph (a).
Sec. 39. Minnesota Statutes 2016, section 256B.69, subdivision 5a, is amended to read:

Subd. 5a. Managed care contracts. (a) Managed care contracts under this section and section 256L.12 shall be entered into or renewed on a calendar year basis. The commissioner may issue separate contracts with requirements specific to services to medical assistance recipients age 65 and older.

(b) A prepaid health plan providing covered health services for eligible persons pursuant to chapters 256B and 256L is responsible for complying with the terms of its contract with the commissioner. Requirements applicable to managed care programs under chapters 256B and 256L established after the effective date of a contract with the commissioner take effect when the contract is next issued or renewed.

(c) The commissioner shall withhold five percent of managed care plan payments under this section and county-based purchasing plan payments under section 256B.692 for the prepaid medical assistance program pending completion of performance targets. Each performance target must be quantifiable, objective, measurable, and reasonably attainable, except in the case of a performance target based on a federal or state law or rule. Criteria for assessment of each performance target must be outlined in writing prior to the contract effective date. Clinical or utilization performance targets and their related criteria must consider evidence-based research and reasonable interventions when available or applicable to the populations served, and must be developed with input from external clinical experts and stakeholders, including managed care plans, county-based purchasing plans, and providers. The managed care or county-based purchasing plan must demonstrate, to the commissioner's satisfaction, that the data submitted regarding attainment of the performance target is accurate. The commissioner shall periodically change the administrative measures used as performance targets in order to improve plan performance across a broader range of administrative services. The performance targets must include measurement of plan efforts to contain spending on health care services and administrative activities. The commissioner may adopt plan-specific performance targets that take into account factors affecting only one plan, including characteristics of the plan's enrollee population. The withheld funds must be returned no sooner than July of the following year if performance targets in the contract are achieved. The commissioner may exclude special demonstration projects under subdivision 23.

(d) The commissioner shall require that managed care plans use the assessment and authorization processes, forms, timelines, standards, documentation, and data reporting requirements, protocols, billing processes, and policies consistent with medical assistance fee-for-service or the Department of Human Services contract requirements consistent with
medical assistance fee-for-service or the Department of Human Services contract requirements for all personal care assistance services under section 256B.0659.

(e) Effective for services rendered on or after January 1, 2012, the commissioner shall include as part of the performance targets described in paragraph (c) a reduction in the health plan's emergency department utilization rate for medical assistance and MinnesotaCare enrollees, as determined by the commissioner. For 2012, the reduction shall be based on the health plan's utilization in 2009. To earn the return of the withhold each subsequent year, the managed care plan or county-based purchasing plan must achieve a qualifying reduction of no less than ten percent of the plan's emergency department utilization rate for medical assistance and MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23 and 28, compared to the previous measurement year until the final performance target is reached. When measuring performance, the commissioner must consider the difference in health risk in a managed care or county-based purchasing plan's membership in the baseline year compared to the measurement year, and work with the managed care or county-based purchasing plan to account for differences that they agree are significant.

The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if the managed care plan or county-based purchasing plan demonstrates to the satisfaction of the commissioner that a reduction in the utilization rate was achieved. The commissioner shall structure the withhold so that the commissioner returns a portion of the withheld funds in amounts commensurate with achieved reductions in utilization less than the targeted amount.

The withhold described in this paragraph shall continue for each consecutive contract period until the plan's emergency room utilization rate for state health care program enrollees is reduced by 25 percent of the plan's emergency room utilization rate for medical assistance and MinnesotaCare enrollees for calendar year 2009. Hospitals shall cooperate with the health plans in meeting this performance target and shall accept payment withholds that may be returned to the hospitals if the performance target is achieved.

(f) Effective for services rendered on or after January 1, 2012, the commissioner shall include as part of the performance targets described in paragraph (c) a reduction in the plan's hospitalization admission rate for medical assistance and MinnesotaCare enrollees, as determined by the commissioner. To earn the return of the withhold each year, the managed care plan or county-based purchasing plan must achieve a qualifying reduction of no less than five percent of the plan's hospital admission rate for medical assistance and MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23 and
219.1 28, compared to the previous calendar year until the final performance target is reached.

219.2 When measuring performance, the commissioner must consider the difference in health risk
in a managed care or county-based purchasing plan's membership in the baseline year
compared to the measurement year, and work with the managed care or county-based
purchasing plan to account for differences that they agree are significant.

219.3 The withheld funds must be returned no sooner than July 1 and no later than July 31 of
the following calendar year if the managed care plan or county-based purchasing plan
demonstrates to the satisfaction of the commissioner that this reduction in the hospitalization
rate was achieved. The commissioner shall structure the withhold so that the commissioner
returns a portion of the withheld funds in amounts commensurate with achieved reductions
in utilization less than the targeted amount.

219.4 The withhold described in this paragraph shall continue until there is a 25 percent
reduction in the hospital admission rate compared to the hospital admission rates in calendar
year 2011, as determined by the commissioner. The hospital admissions in this performance
target do not include the admissions applicable to the subsequent hospital admission
performance target under paragraph (g). Hospitals shall cooperate with the plans in meeting
this performance target and shall accept payment withholds that may be returned to the
hospitals if the performance target is achieved.

219.5 (g) Effective for services rendered on or after January 1, 2012, the commissioner shall
include as part of the performance targets described in paragraph (c) a reduction in the plan's
hospitalization admission rates for subsequent hospitalizations within 30 days of a previous
hospitalization of a patient regardless of the reason, for medical assistance and MinnesotaCare
enrollees, as determined by the commissioner. To earn the return of the withhold each year,
the managed care plan or county-based purchasing plan must achieve a qualifying reduction
of the subsequent hospitalization rate for medical assistance and MinnesotaCare enrollees,
excluding enrollees in programs described in subdivisions 23 and 28, of no less than five
percent compared to the previous calendar year until the final performance target is reached.

219.6 The withheld funds must be returned no sooner than July 1 and no later than July 31 of
the following calendar year if the managed care plan or county-based purchasing plan
demonstrates to the satisfaction of the commissioner that a qualifying reduction in the
subsequent hospitalization rate was achieved. The commissioner shall structure the withhold
so that the commissioner returns a portion of the withheld funds in amounts commensurate
with achieved reductions in utilization less than the targeted amount.
The withhold described in this paragraph must continue for each consecutive contract period until the plan's subsequent hospitalization rate for medical assistance and MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23 and 28, is reduced by 25 percent of the plan's subsequent hospitalization rate for calendar year 2011. Hospitals shall cooperate with the plans in meeting this performance target and shall accept payment withholds that must be returned to the hospitals if the performance target is achieved.

(h) Effective for services rendered on or after January 1, 2013, through December 31, 2013, the commissioner shall withhold 4.5 percent of managed care plan payments under this section and county-based purchasing plan payments under section 256B.692 for the prepaid medical assistance program. The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following year. The commissioner may exclude special demonstration projects under subdivision 23.

(i) Effective for services rendered on or after January 1, 2014, the commissioner shall withhold three percent of managed care plan payments under this section and county-based purchasing plan payments under section 256B.692 for the prepaid medical assistance program. The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following year. The commissioner may exclude special demonstration projects under subdivision 23.

(j) A managed care plan or a county-based purchasing plan under section 256B.692 may include as admitted assets under section 62D.044 any amount withheld under this section that is reasonably expected to be returned.

(k) Contracts between the commissioner and a prepaid health plan are exempt from the set-aside and preference provisions of section 16C.16, subdivisions 6, paragraph (a), and 7.

(l) The return of the withhold under paragraphs (h) and (i) is not subject to the requirements of paragraph (c).

(m) Managed care plans and county-based purchasing plans shall maintain current and fully executed agreements for all subcontractors, including bargaining groups, for administrative services that are expensed to the state's public health care programs. Subcontractor agreements determined to be material, as defined by the commissioner after taking into account state contracting and relevant statutory requirements, must be in the form of a written instrument or electronic document containing the elements of offer, acceptance, consideration, payment terms, scope, duration of the contract, and how the
221.1 subcontractor services relate to state public health care programs. Upon request, the
221.2 commissioner shall have access to all subcontractor documentation under this paragraph.
221.3 Nothing in this paragraph shall allow release of information that is nonpublic data pursuant
221.4 to section 13.02.

221.5 (n) Effective for services provided on or after January 1, 2018, through December 31, 2018, the commissioner shall withhold two percent of the capitation payment provided to 
221.6 managed care plans under this section, and county-based purchasing plans under section 
221.7 256B.692, for each medical assistance enrollee. The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following year, for capitation payments 
221.8 for enrollees for whom the plan has submitted to the commissioner a verification of coverage 
221.9 form completed and signed by the enrollee. The verification of coverage form must be 
221.10 developed by the commissioner and made available to managed care and county-based 
221.11 purchasing plans. The form must require the enrollee to provide the enrollee's name, street 
221.12 address, and the name of the managed care or county-based purchasing plan selected by or 
221.13 assigned to the enrollee, and must include a signature block that allows the enrollee to attest 
221.14 that the information provided is accurate. A plan shall request that all enrollees complete 
221.15 the verification of coverage form, and shall submit all completed forms to the commissioner 
221.16 by February 28, 2018. If a completed form for an enrollee is not received by the commissioner 
221.17 by that date:

221.18 (1) the commissioner shall not return to the plan funds withheld for that enrollee;
221.19 (2) the commissioner shall cease making capitation payments to the plan for that enrollee, 
221.20 effective with the April 2018 coverage month; and
221.21 (3) the commissioner shall disenroll the enrollee from medical assistance, subject to any 
221.22 enrollee appeal.

Sec. 40. Minnesota Statutes 2016, section 256B.69, subdivision 9e, is amended to read:

Subd. 9e. **Financial audits.** (a) The legislative auditor shall conduct or contract with 
vendors to conduct independent third-party financial audits of the information required to 
be provided by audit managed care plans and county-based purchasing plans under 
subdivision 9e, paragraph (b). The audits by the vendors shall be conducted as vendor 
resources permit and in accordance with generally accepted government auditing standards 
issued by the United States Government Accountability Office. The contract with the vendor 
shall be designed and administered so as to render the independent third-party audits eligible 
for a federal subsidy, if available. The contract shall require the audits to include a 
determination of compliance with the federal Medicaid rate certification process to determine
if a managed care plan or county-based purchasing plan used public money in compliance
with federal and state laws, rules, and in accordance with provisions in the plan's contract
with the commissioner. The legislative auditor shall conduct the audits in accordance with
section 3.972, subdivision 2b.

(b) For purposes of this subdivision, "independent third-party" means a vendor that is
independent in accordance with government auditing standards issued by the United States
Government Accountability Office.

Sec. 41. Minnesota Statutes 2016, section 256B.69, is amended by adding a subdivision
to read:

Subd. 36. Competitive bidding and procurement. (a) For managed care organization
contracts effective on or after January 1, 2019, the commissioner shall utilize a competitive
price and technical bidding program on a regional basis for nonelderly adults and children
who are not eligible on the basis of a disability and are enrolled in medical assistance and
MinnesotaCare. The commissioner shall establish geographic regions for the purposes of
competitive price bidding. The commissioner shall not implement a competitive price
bidding program in a single procurement that exceeds 40 percent of the total enrollment to
which this paragraph applies except in cases when a managed care organization withdraws
from their contract with the state, managed care organizations merge, other significant
market changes occur within the purchasing or health care delivery system, or counties
agree to a larger procurement. The commissioner shall ensure that there is an adequate
choice of managed care organizations based on the potential enrollment, in a manner that
is consistent with the requirements of section 256B.694. The commissioner shall operate
the competitive bidding program by region, but shall award contracts by county and shall
allow managed care organizations with a service area consisting of only a portion of a region
to bid on those counties within their licensed service area only. For purposes of this
subdivision, "managed care organization" means a demonstration provider as defined in
subdivision 2, paragraph (b).

(b) The commissioner shall provide the scoring weight of selection criteria to be assigned
in the procurement process and include the scoring weight in the request for proposals.
Substantial weight shall be given to county board resolutions and priority areas identified
by counties, when that input meets federal requirements under Code of Federal Regulations,
title 42, part 338.58.

(c) If a best and final offer is requested, each responding managed care organization
must be offered the opportunity to submit a best and final offer.
(d) The commissioner, when evaluating proposals, shall consider network adequacy for
dental and other services.

(e) After the managed care organizations are notified about the award determination,
but before contracts are signed, the commissioner shall meet with any responder upon
request to discuss their individual results in detail. No evaluation materials will be provided
in writing until final contracts are signed.

(f) The commissioner shall provide information to potential responders that outlines the
goals and objectives of the procurement, in advance of any publication of a request for
proposals under this section.

(g) A managed care organization that is aggrieved by the commissioner's decision related
to the selection of managed care organizations to deliver services in a county or counties
may appeal the commissioner's decision using the process outlined in section 256B.69,
subdivision 3a, paragraph (d), except that the recommendation of the three-person mediation
panel shall be binding on the commissioner.

(h) The commissioner shall contract for an independent evaluation of the competitive
price bidding process. The contractor must solicit recommendations from all parties
participating in the competitive price bidding process for service delivery in calendar year
2019 on how the competitive price bidding process may be improved for service delivery
in calendar year 2020 and annually thereafter. The commissioner shall make evaluation
results available to the public on the department's Web site.

Sec. 42. Minnesota Statutes 2016, section 256B.75, is amended to read:

256B.75 HOSPITAL OUTPATIENT REIMBURSEMENT.

(a) For outpatient hospital facility fee payments for services rendered on or after October
1, 1992, the commissioner of human services shall pay the lower of (1) submitted charge,
or (2) 32 percent above the rate in effect on June 30, 1992, except for those services for
which there is a federal maximum allowable payment. Effective for services rendered on
or after January 1, 2000, payment rates for nonsurgical outpatient hospital facility fees and
emergency room facility fees shall be increased by eight percent over the rates in effect on
December 31, 1999, except for those services for which there is a federal maximum allowable
payment. Services for which there is a federal maximum allowable payment shall be paid
at the lower of (1) submitted charge, or (2) the federal maximum allowable payment. Total
aggregate payment for outpatient hospital facility fee services shall not exceed the Medicare
upper limit. If it is determined that a provision of this section conflicts with existing or
future requirements of the United States government with respect to federal financial
participation in medical assistance, the federal requirements prevail. The commissioner
may, in the aggregate, prospectively reduce payment rates to avoid reduced federal financial
participation resulting from rates that are in excess of the Medicare upper limitations.

(b) Notwithstanding paragraph (a), payment for outpatient, emergency, and ambulatory
surgery hospital facility fee services for critical access hospitals designated under section
144.1483, clause (9), shall be paid on a cost-based payment system that is based on the
cost-finding methods and allowable costs of the Medicare program. Effective for services
provided on or after July 1, 2015, rates established for critical access hospitals under this
paragraph for the applicable payment year shall be the final payment and shall not be settled
to actual costs. Effective for services delivered on or after the first day of the hospital's fiscal
year ending in 2016, the rate for outpatient hospital services shall be computed using
information from each hospital's Medicare cost report as filed with Medicare for the year
that is two years before the year that the rate is being computed. Rates shall be computed
using information from Worksheet C series until the department finalizes the medical
assistance cost reporting process for critical access hospitals. After the cost reporting process
is finalized, rates shall be computed using information from Title XIX Worksheet D series.
The outpatient rate shall be equal to ancillary cost plus outpatient cost, excluding costs
related to rural health clinics and federally qualified health clinics, divided by ancillary
charges plus outpatient charges, excluding charges related to rural health clinics and federally
qualified health clinics.

c) Effective for services provided on or after July 1, 2003, rates that are based on the
Medicare outpatient prospective payment system shall be replaced by a budget neutral
prospective payment system that is derived using medical assistance data. The commissioner
shall provide a proposal to the 2003 legislature to define and implement this provision.

(d) For fee-for-service services provided on or after July 1, 2002, the total payment,
before third-party liability and spenddown, made to hospitals for outpatient hospital facility
services is reduced by .5 percent from the current statutory rate.

(e) In addition to the reduction in paragraph (d), the total payment for fee-for-service
services provided on or after July 1, 2003, made to hospitals for outpatient hospital facility
services before third-party liability and spenddown, is reduced five percent from the current
statutory rates. Facilities defined under section 256.969, subdivision 16, are excluded from
this paragraph.
(f) In addition to the reductions in paragraphs (d) and (e), the total payment for fee-for-service services provided on or after July 1, 2008, made to hospitals for outpatient hospital facility services before third-party liability and spenddown, is reduced three percent from the current statutory rates. Mental health services and facilities defined under section 256.969, subdivision 16, are excluded from this paragraph.

**EFFECTIVE DATE.** This section is effective July 1, 2017.

Sec. 43. [256B.7635] **REIMBURSEMENT FOR EVIDENCE-BASED PUBLIC HEALTH NURSE HOME VISITS.**

Effective for services provided on or after January 1, 2018, prenatal and postpartum follow-up home visits provided by public health nurses or registered nurses supervised by a public health nurse using evidence-based models shall be paid $140 per visit. Evidence-based postpartum follow-up home visits must be administered by home visiting programs that meet the United States Department of Health and Human Services criteria for evidence-based models and are identified by the commissioner of health as eligible to be implemented under the Maternal, Infant, and Early Childhood Home Visiting program. Home visits must target mothers and their children beginning with prenatal visits through age three for the child.

Sec. 44. Minnesota Statutes 2016, section 256B.766, is amended to read:

**256B.766 REIMBURSEMENT FOR BASIC CARE SERVICES.**

(a) Effective for services provided on or after July 1, 2009, total payments for basic care services, shall be reduced by three percent, except that for the period July 1, 2009, through June 30, 2011, total payments shall be reduced by 4.5 percent for the medical assistance and general assistance medical care programs, prior to third-party liability and spenddown calculation. Effective July 1, 2010, the commissioner shall classify physical therapy services, occupational therapy services, and speech-language pathology and related services as basic care services. The reduction in this paragraph shall apply to physical therapy services, occupational therapy services, and speech-language pathology and related services provided on or after July 1, 2010.

(b) Payments made to managed care plans and county-based purchasing plans shall be reduced for services provided on or after October 1, 2009, to reflect the reduction effective July 1, 2009, and payments made to the plans shall be reduced effective October 1, 2010, to reflect the reduction effective July 1, 2010.
(c) Effective for services provided on or after September 1, 2011, through June 30, 2013, total payments for outpatient hospital facility fees shall be reduced by five percent from the rates in effect on August 31, 2011.

(d) Effective for services provided on or after September 1, 2011, through June 30, 2013, total payments for ambulatory surgery centers facility fees, medical supplies and durable medical equipment not subject to a volume purchase contract, prosthetics and orthotics, renal dialysis services, laboratory services, public health nursing services, physical therapy services, occupational therapy services, speech therapy services, eyeglasses not subject to a volume purchase contract, hearing aids not subject to a volume purchase contract, and anesthesia services shall be reduced by three percent from the rates in effect on August 31, 2011.

(e) Effective for services provided on or after September 1, 2014, payments for ambulatory surgery centers facility fees, hospice services, renal dialysis services, laboratory services, public health nursing services, eyeglasses not subject to a volume purchase contract, and hearing aids not subject to a volume purchase contract shall be increased by three percent and payments for outpatient hospital facility fees shall be increased by three percent. Payments made to managed care plans and county-based purchasing plans shall not be adjusted to reflect payments under this paragraph.

(f) Payments for medical supplies and durable medical equipment not subject to a volume purchase contract, and prosthetics and orthotics, provided on or after July 1, 2014, through June 30, 2015, shall be decreased by .33 percent. Payments for medical supplies and durable medical equipment not subject to a volume purchase contract, and prosthetics and orthotics, provided on or after July 1, 2015, shall be increased by three percent from the rates as determined under paragraphs (i) and (j).

(g) Effective for services provided on or after July 1, 2015, payments for outpatient hospital facility fees, medical supplies and durable medical equipment not subject to a volume purchase contract, prosthetics and orthotics, and laboratory services to a hospital meeting the criteria specified in section 62Q.19, subdivision 1, paragraph (a), clause (4), shall be increased by 90 percent from the rates in effect on June 30, 2015. Payments made to managed care plans and county-based purchasing plans shall not be adjusted to reflect payments under this paragraph.

(h) This section does not apply to physician and professional services, inpatient hospital services, family planning services, mental health services, dental services, prescription
drugs, medical transportation, federally qualified health centers, rural health centers, Indian
health services, and Medicare cost-sharing.

(i) Effective for services provided on or after July 1, 2015, the following categories of
medical supplies and durable medical equipment shall be individually priced items: enteral
nutrition and supplies, customized and other specialized tracheostomy tubes and supplies,
electric patient lifts, and durable medical equipment repair and service. This paragraph does
not apply to medical supplies and durable medical equipment subject to a volume purchase
contract, products subject to the preferred diabetic testing supply program, and items provided
to dually eligible recipients when Medicare is the primary payer for the item. The
commissioner shall not apply any medical assistance rate reductions to durable medical
equipment as a result of Medicare competitive bidding.

(j) Effective for services provided on or after July 1, 2015, medical assistance payment
rates for durable medical equipment, prosthetics, orthotics, or supplies shall be increased
as follows:

(1) payment rates for durable medical equipment, prosthetics, orthotics, or supplies that
were subject to the Medicare competitive bid that took effect in January of 2009 shall be
increased by 9.5 percent; and

(2) payment rates for durable medical equipment, prosthetics, orthotics, or supplies on
the medical assistance fee schedule, whether or not subject to the Medicare competitive bid
that took effect in January of 2009, shall be increased by 2.94 percent, with this increase
being applied after calculation of any increased payment rate under clause (1).

This paragraph does not apply to medical supplies and durable medical equipment subject
to a volume purchase contract, products subject to the preferred diabetic testing supply
program, items provided to dually eligible recipients when Medicare is the primary payer
for the item, and individually priced items identified in paragraph (i). Payments made to
managed care plans and county-based purchasing plans shall not be adjusted to reflect the
rate increases in this paragraph.

(k) Effective for nonpressure support ventilators provided on or after January 1, 2016,
the rate shall be the lower of the submitted charge or the Medicare fee schedule rate. Effective
for pressure support ventilators provided on or after January 1, 2016, the rate shall be the
lower of the submitted charge or 47 percent above the Medicare fee schedule rate.

EFFECTIVE DATE. This section is effective retroactively from January 1, 2016.
Sec. 45. [256B.90] DEFINITIONS.

Subdivision 1. Generally. For the purposes of sections 256B.90 to 256B.92, the following terms have the meanings given.

Subd. 2. Commissioner. "Commissioner" means the commissioner of human services.

Subd. 3. Department. "Department" means the Department of Human Services.

Subd. 4. Hospital. "Hospital" means a public or private institution licensed as a hospital under section 144.50 that participates in medical assistance.

Subd. 5. Medical assistance. "Medical assistance" means the state's Medicaid program under title XIX of the Social Security Act and administered according to this chapter.

Subd. 6. Potentially avoidable complication. "Potentially avoidable complication" means a harmful event or negative outcome with respect to an individual, including an infection or surgical complication, that: (1) occurs during the individual's transportation to a hospital or long-term care facility or after the individual's admission to a hospital or long-term care facility; and (2) may have resulted from the care caused by insufficient staffing due to nurses' union strikes in the hospital or long-term care facility by licensed practical nurses or registered nurses, lack of care, or treatment provided during the hospital or long-term care facility stay or during the individual's transportation to the hospital or long-term care facility rather than from a natural progression of an underlying disease.

Subd. 7. Potentially avoidable event. "Potentially avoidable event" means a potentially avoidable complication, potentially avoidable readmission, or a combination of those events.

Subd. 8. Potentially avoidable readmission. "Potentially avoidable readmission" means a return hospitalization of an individual within a period specified by the commissioner that may have resulted from deficiencies in the care or treatment provided to the individual during a previous hospital stay or from deficiencies in posthospital discharge follow-up. Potentially avoidable readmission does not include a hospital readmission necessitated by the occurrence of unrelated events after the discharge. Potentially avoidable readmission includes the readmission of an individual to a hospital for: (1) the same condition or procedure for which the individual was previously admitted; (2) an infection or other complication resulting from care previously provided; or (3) a condition or procedure that indicates that a surgical intervention performed during a previous admission was unsuccessful in achieving the anticipated outcome.
Sec. 46. [256B.91] MEDICAL ASSISTANCE OUTCOMES-BASED PAYMENT PROGRAM.

Subdivision 1. Generally. The commissioner must establish and implement a medical assistance outcomes-based payment program as a hospital outcomes program under section 256B.92 to provide hospitals with information and incentives to reduce potentially avoidable events.

Subd. 2. Potentially avoidable event methodology. (a) The commissioner shall issue a request for proposals to select a methodology for identifying potentially avoidable events and for the costs associated with these events, and for measuring hospital performance with respect to these events.

(b) The commissioner shall develop definitions for each potentially avoidable event according to the selected methodology.

(c) To the extent possible, the methodology shall be one that has been used by other title XIX programs under the Social Security Act or by commercial payers in health care outcomes performance measurement and in outcome-based payment programs. The methodology shall be open, transparent, and available for review by the public.

Subd. 3. Medical assistance system waste. (a) The commissioner must conduct a comprehensive analysis of relevant state databases to identify waste in the medical assistance system.

(b) The analysis must identify instances of potentially avoidable events in medical assistance, and the costs associated with these events. The overall estimate of waste must be broken down into actionable categories including but not limited to regions, hospitals, MCOs, physicians, licensed practical nurses and registered nurses, other unlicensed health care personnel, service lines, diagnosis-related groups, medical conditions and procedures, patient characteristics, provider characteristics, and medical assistance program type.

(c) Information collected from this analysis must be utilized in hospital outcomes programs described in this section.

Sec. 47. [256B.92] HOSPITAL OUTCOMES PROGRAM.

Subdivision 1. Generally. The hospital outcomes program shall:

(1) target reduction of potentially avoidable readmissions and complications;

(2) apply to all state acute care hospitals participating in medical assistance. Program adjustments may be made for certain types of hospitals; and
be implemented in two phases: performance reporting and outcomes-based financial incentives.

Subd. 2. **Phase 1: performance reporting.** (a) The commissioner shall develop and maintain a reporting system to provide each hospital in Minnesota with regular confidential reports regarding the hospital's performance for potentially avoidable readmissions and potentially avoidable complications.

(b) The commissioner shall:

1. conduct ongoing analyses of relevant state claims databases to identify instances of potentially avoidable readmissions and potentially avoidable complications, and the expenditures associated with these events;
2. create or locate state readmission and complications norms;
3. measure actual-to-expected hospital performance compared to state norms;
4. compare hospitals with peers using risk adjustment procedures that account for the severity of illness of each hospital's patients;
5. distribute reports to hospitals to provide actionable information to create policies, contracts, or programs designed to improve target outcomes; and
6. foster collaboration among hospitals to share best practices.

(c) A hospital may share the information contained in the outcome performance reports with physicians and other health care providers providing services at the hospital to foster coordination and cooperation in the hospital's outcome improvement and waste reduction initiatives.

Subd. 3. **Phase 2; outcomes-based financial incentives.** Twelve months after implementation of performance reporting under subdivision 2, the commissioner must establish financial incentives for a hospital to reduce potentially avoidable readmissions and potentially avoidable complications.

Subd. 4. **Rate adjustment methodology.** (a) The commissioner must adjust the reimbursement that a hospital receives under the All Patients Refined Diagnosis-Related Group inpatient prospective payment system based on the hospital's performance exceeding, or failing to achieve, outcome results based on the rates of potentially avoidable readmissions and potentially avoidable complications.

(b) The rate adjustment methodology must:

1. apply to each hospital discharge;
(2) determine a hospital-specific potentially avoidable outcome adjustment factor based
on the hospital's actual versus expected risk-adjusted performance compared to the state
norm;
(3) be based on a retrospective analysis of performance prospectively applied;
(4) include both rewards and penalties; and
(5) be communicated to a hospital in a clear and transparent manner.

Subd. 5. Amendment of contracts. The commissioner must amend contracts with
participating hospitals as necessary to incorporate the financial incentives established under
this section.

Subd. 6. Budget neutrality. The hospital outcomes program shall be implemented in a
budget-neutral manner with respect to aggregate Medicaid hospital expenditures.

Sec. 48. CAPITATION PAYMENT DELAY.
(a) The commissioner of human services shall delay the medical assistance capitation
payment to managed care plans and county-based purchasing plans due in May 2019 and
the payment due in April 2019 for special needs basic care until July 1, 2019. The payment
shall be made no earlier than July 1, 2019, and no later than July 31, 2019.
(b) The commissioner of human services shall delay the medical assistance capitation
payment to managed care plans and county-based purchasing plans due in May 2021 and
the payment due in April 2021 for special needs basic care until July 1, 2021. The payment
shall be made no earlier than July 1, 2021, and no later than July 31, 2021.

Sec. 49. COMMISSIONER DUTY TO SEEK FEDERAL APPROVAL.
The commissioner of human services shall seek federal approval that is necessary to
implement Minnesota Statutes, sections 256B.0621, subdivision 10; 256B.0924, subdivision
4a; and 256B.0625, subdivision 20b, for interactive video contact.

Sec. 50. LEGISLATIVE COMMISSION ON MANAGED CARE.
Subdivision 1. Establishment. (a) A legislative commission is created to study and
make recommendations to the legislature on issues relating to the competitive bidding
program and procurement process for the medical assistance and MinnesotaCare contracts
with managed care organizations for nonelderly, nondisabled adults and children enrollees.
(b) For purposes of this section, "managed care organization" means a demonstration provider as defined under Minnesota Statutes, section 256B.69, subdivision 2.

Subd. 2. Membership. (a) The commission consists of:

(1) four members of the senate, two members appointed by the senate majority leader and two members appointed by the senate minority leader;

(2) four members of the house of representatives, two members appointed by the speaker of the house and two members appointed by the minority leader; and

(3) the commissioner of human services or the commissioner's designee.

(b) The appointing authorities must make their appointments by July 1, 2017.

(c) The ranking senator from the majority party appointed to the commission shall convene the first meeting no later than September 1, 2017.

(d) The commission shall elect a chair among its members at the first meeting.

(e) Members serve without compensation or reimbursement for expenses, except that legislative members may receive per diem and be reimbursed for expenses as provided in the rules governing their respective bodies.

Subd. 3. Staff. The commissioner of human services shall provide staff and administrative and research services, as needed, to the commission.

Subd. 4. Duties. (a) The commission shall study, review, and make recommendations on the competitive bidding process for the managed care contracts that provide services to the nonelderly, nondisabled adults and children enrolled in medical assistance and MinnesotaCare. When reviewing the competitive bidding process, the commission shall consider and make recommendations on the following:

(1) the number of geographic regions to be established for competitive bidding and each procurement cycle and the criteria to be used in determining the minimum number of managed care organizations to serve each region or statistical area;

(2) the specifications of the request for proposals, including whether managed care organizations must address in their proposals priority areas identified by counties;

(3) the criteria to be used to determine whether managed care organizations will be requested to provide a best and final offer;

(4) the evaluation process that the commissioner must consider when evaluating each proposal, including the scoring weight to be given when there is a county board resolution
identifying a managed care organization preference, and whether consideration shall be
given to network adequacy for such services as dental, mental health, and primary care;

(5) the notification process to inform managed care organizations about the award
determinations, but before the contracts are signed;

(6) process for appealing the commissioner’s decision on the selection of a managed
care plan or county-based purchasing plan in a county or counties; and

(7) whether an independent evaluation of the competitive bidding process is necessary,
and if so, what the evaluation should entail.

(b) The commissioner shall consider the frequency of the procurement process in terms
of how often the commissioner should conduct the procurement of managed care contracts
and whether procurement should be conducted on a statewide basis or at staggered times
for a limited number of counties within a specified region.

(c) The commission shall review proposed legislation that incorporates new federal
regulations into managed care statutes, including the recodification of the managed care
requirements in Minnesota Statutes, sections 256B.69 and 256B.692.

(d) The commission shall study, review, and make recommendations on a process that
meets federal regulations for ensuring that provider rate increases passed by the legislature
and incorporated into the capitated rates paid to managed care organizations are recognized
in the rates paid by the managed care organizations to the providers while still providing
managed care organizations the flexibility in negotiating rates paid to their provider networks.

(e) The commission shall consult with interested stakeholders and may solicit public
testimony, as deemed necessary.

Subd. 5. Report. (a) The commission shall report its recommendations to the chairs and
rankings of the legislative committees with jurisdiction over health and
human services policy and finance by February 15, 2018. The report shall include any draft
legislation necessary to implement the recommendations.

(b) The commission shall provide preliminary recommendations to the commissioner
of human services to be used by the commissioner if the commissioner decides to conduct
a procurement for managed care contracts for the 2019 contract year.

Subd. 6. Open meetings. The commission is subject to Minnesota Statutes, section
3.055.

Subd. 7. Expiration. This section expires June 30, 2018.
Sec. 51. HEALTH CARE ACCESS FUND ASSESSMENT.

(a) The commissioner of human services, in consultation with the commissioner of management and budget, shall assess any federal health care reform legislation passed at the federal level on its effect on the MinnesotaCare program and the need for the health care access fund as its continued source of funding.

(b) The commissioner shall report to the chairs and ranking minority members of the legislative committees with jurisdiction over health care policy and finance within 90 days of the passage of any federal health care reform legislation.

Sec. 52. OPIOID USE AND ACUPUNCTURE STUDY.

(a) The commissioner of human services shall study the use of opiates for the treatment of chronic pain conditions when acupuncture services are also part of the treatment for chronic pain as compared to opiate use among medical assistance recipients who are not receiving acupuncture. In comparing the sample groups, the commissioner shall look at each group's opiate use and other services as identified by the commissioner.

(b) The aggregate findings of the study shall be submitted by the commissioner to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance by February 15, 2018. The report shall not contain or disclose any patient identifying data.

Sec. 53. ENCOUNTER REPORTING OF 340B ELIGIBLE DRUGS.

(a) The commissioner of human services, in consultation with federally qualified health centers, managed care organizations, and contract pharmacies shall develop a report on the feasibility of a process to identify and report at point of sale the 340B drugs that are dispensed to enrollees of managed care organizations who are patients of a federally qualified health center to exclude these claims from the Medicaid drug rebate program and ensure that duplicate discounts for drugs do not occur.

(b) By January 1, 2018, the commissioner shall present the report to the chairs and ranking minority members of the legislative committees with jurisdiction over medical assistance.

Sec. 54. RATE-SETTING ANALYSIS REPORT.

The commissioner of human services shall conduct a comprehensive analysis report of the current rate-setting methodology for outpatient, professional, and physician services
that do not have a cost-based, federally mandated, or contracted rate. The report shall include
recommendations for changes to the existing fee schedule that utilizes the Resource-Based
Relative Value System (RBRVS), and alternate payment methodologies for services that
do not have relative values, to simplify the fee for service medical assistance rate structure
and to improve consistency and transparency. In developing the report, the commissioner
shall consult with outside experts in Medicaid financing. The commissioner shall provide
a report on the analysis to the chairs and ranking minority members of the legislative
committees with jurisdiction over health and human services finance by November 1, 2019.

Sec. 55. STUDY OF PAYMENT RATES FOR DURABLE MEDICAL EQUIPMENT
AND SUPPLIES.

The commissioner of human services shall study the impact of basing medical assistance
payment for durable medical equipment and medical supplies on Medicare payment rates,
as limited by the payment provisions in the 21st Century Cures Act, Public Law 114-255,
on access by medical assistance enrollees to these items. The study must include
recommendations for ensuring and improving access by medical assistance enrollees to
durable medical equipment and medical supplies. The commissioner shall report study
results and recommendations to the chairs and ranking minority members of the legislative
committees with jurisdiction over health and human services policy and finance by July 1,
2020.

Sec. 56. REVISOR'S INSTRUCTION.

The revisor of statutes, in the next edition of Minnesota Statutes, shall change the term
"health care delivery system" and similar terms to "integrated health partnership" and similar
terms, wherever it appears in Minnesota Statutes, section 256B.0755.

Sec. 57. REPEALER.

Minnesota Statutes 2016, section 256B.64, is repealed.

ARTICLE 5

HEALTH INSURANCE

Section 1. Minnesota Statutes 2016, section 62A.04, subdivision 1, is amended to read:
Subdivision 1. Reference. (a) Any reference to "standard provisions" which may appear
in other sections and which refer to accident and sickness or accident and health insurance
shall hereinafter be construed as referring to accident and sickness policy provisions.
(b) Notwithstanding paragraph (a), the following do not apply to health plans:

(1) subdivision 2, clauses (4) to (10) and (12);

(2) subdivision 3, clauses (1) and (3) to (7); and

(3) subdivisions 6 and 10.

**EFFECTIVE DATE.** This section is effective for policies offered, sold, issued, or renewed on or after January 1, 2018.

Sec. 2. Minnesota Statutes 2016, section 62A.21, subdivision 2a, is amended to read:

Subd. 2a. **Continuation privilege.** Every policy described in subdivision 1 shall contain a provision which permits continuation of coverage under the policy for the insured's former spouse and dependent children upon, which is defined as required by section 62A.302, and former spouse, who was covered on the day before the entry of a valid decree of dissolution of marriage. The coverage shall be continued until the earlier of the following dates:

(a) the date the insured's former spouse becomes covered under any other group health plan; or

(b) the date coverage would otherwise terminate under the policy.

If the coverage is provided under a group policy, any required premium contributions for the coverage shall be paid by the insured on a monthly basis to the group policyholder for remittance to the insurer. The policy must require the group policyholder to, upon request, provide the insured with written verification from the insurer of the cost of this coverage promptly at the time of eligibility for this coverage and at any time during the continuation period. In no event shall the amount of premium charged exceed 102 percent of the cost to the plan for such period of coverage for other similarly situated spouses and dependent children with respect to whom the marital relationship has not dissolved, without regard to whether such cost is paid by the employer or employee.

Upon request by the insured's former spouse, who was covered on the day before the entry of a valid decree of dissolution, or dependent child, a health carrier must provide the instructions necessary to enable the child or former spouse to elect continuation of coverage.

**EFFECTIVE DATE.** This section is effective for policies offered, sold, issued, or renewed on or after January 1, 2018.

Sec. 3. Minnesota Statutes 2016, section 62A.3075, is amended to read:

**62A.3075 CANCER CHEMOTHERAPY TREATMENT COVERAGE.**
(a) A health plan company that provides coverage under a health plan for cancer chemotherapy treatment shall not require a higher co-payment, deductible, or coinsurance amount for a prescribed, orally administered anticancer medication that is used to kill or slow the growth of cancerous cells than what the health plan requires for an intravenously administered or injected cancer medication that is provided, regardless of formulation or benefit category determination by the health plan company.

(b) A health plan company must not achieve compliance with this section by imposing an increase in co-payment, deductible, or coinsurance amount for an intravenously administered or injected cancer chemotherapy agent covered under the health plan.

(c) Nothing in this section shall be interpreted to prohibit a health plan company from requiring prior authorization or imposing other appropriate utilization controls in approving coverage for any chemotherapy.

(d) A plan offered by the commissioner of management and budget under section 43A.23 is deemed to be at parity and in compliance with this section.

(e) A health plan company is in compliance with this section if it does not include orally administered anticancer medication in the fourth tier of its pharmacy benefit.

(f) A health plan company that provides coverage under a health plan for cancer chemotherapy treatment must indicate the level of coverage for orally administered anticancer medication within its pharmacy benefit filing with the commissioner.

EFFECTIVE DATE. This section is effective January 1, 2018, and applies to health plans offered, sold, issued, or renewed on or after that date.

Sec. 4. Minnesota Statutes 2016, section 62D.105, is amended to read:

62D.105 COVERAGE OF CURRENT SPOUSE, FORMER SPOUSE, AND CHILDREN.

Subdivision 1. Requirement. Every health maintenance contract, which in addition to covering the enrollee also provides coverage to the spouse and dependent children, which is defined as required by section 62A.302, and former spouse who was covered on the day before the entry of a valid decree of dissolution of marriage, of the enrollee shall: (1) permit the spouse, former spouse, and dependent children to elect to continue coverage when the enrollee becomes enrolled for benefits under title XVIII of the Social Security Act (Medicare); and (2) permit the dependent children to continue coverage when they cease to be dependent children under the generally applicable requirement of the plan.
Subd. 2. Continuation privilege. The coverage described in subdivision 1 may be continued until the earlier of the following dates:

(1) the date coverage would otherwise terminate under the contract;

(2) 36 months after continuation by the spouse, former spouse, or dependent was elected;

or

(3) the date the spouse, former spouse, or dependent children become covered under another group health plan or Medicare.

If coverage is provided under a group policy, any required fees for the coverage shall be paid by the enrollee on a monthly basis to the group contract holder for remittance to the health maintenance organization. In no event shall the fee charged exceed 102 percent of the cost to the plan for such coverage for other similarly situated spouse and dependent children to whom subdivision 1 is not applicable, without regard to whether such cost is paid by the employer or employee.

EFFECTIVE DATE. This section is effective for policies offered, sold, issued, or renewed on or after January 1, 2018.

Sec. 5. Minnesota Statutes 2016, section 62E.04, subdivision 11, is amended to read:

Subd. 11. Essential health benefits package Affordable Care Act compliant plans. For individual or small group health plans that include the essential health benefits package and are any policy of accident and health insurance subject to the requirements of the Affordable Care Act, as defined under section 62A.011, subdivision 1a, that is offered, sold, issued, or renewed on or after January 1, 2014, the requirements of this section do not apply.

EFFECTIVE DATE. This section is effective for policies offered, sold, issued, or renewed on or after January 1, 2018.

Sec. 6. Minnesota Statutes 2016, section 62E.05, subdivision 1, is amended to read:

Subdivision 1. Certification. Upon application by an insurer, fraternal, or employer for certification of a plan of health coverage as a qualified plan or a qualified Medicare supplement plan for the purposes of sections 62E.01 to 62E.19, the commissioner shall make a determination within 90 days as to whether the plan is qualified. All plans of health coverage, except Medicare supplement policies, shall be labeled as "qualified" or "nonqualified" on the front of the policy or contract, or on the schedule page. All qualified plans shall indicate whether they are number one, two, or three coverage plans. For any
policy of accident and health insurance subject to the requirements of the Affordable Care
Act, as defined under section 62A.011, subdivision 1a, that is offered, sold, issued, or
renewed on or after January 1, 2018, the requirements of this section do not apply.

EFFECTIVE DATE. This section is effective for policies offered, sold, issued, or
renewed on or after January 1, 2018.

Sec. 7. Minnesota Statutes 2016, section 62E.06, is amended by adding a subdivision to
read:

Subd. 5. Affordable Care Act compliant plans. For any policy of accident and health
insurance subject to the requirements of the Affordable Care Act, as defined under section
62A.011, subdivision 1a, that is offered, sold, issued, or renewed on or after January 1,
2018, the requirements of this section do not apply.

EFFECTIVE DATE. This section is effective for policies offered, sold, issued, or
renewed on or after January 1, 2018.

Sec. 8. Minnesota Statutes 2016, section 317A.811, subdivision 1, is amended to read:

Subdivision 1. When required. (a) Except as provided in subdivision 6, the following
corporations shall notify the attorney general of their intent to dissolve, merge, or consolidate,
or to transfer all or substantially all of their assets:

(1) a corporation that holds assets for a charitable purpose as defined in section 501B.35,
subdivision 2; or

(2) a health maintenance organization operating under chapter 62D;

(3) a service plan corporation operating under chapter 62C; or

(4) a corporation that is exempt under section 501(c)(3) of the Internal Revenue Code
of 1986, or any successor section.

(b) The notice must include:

(1) the purpose of the corporation that is giving the notice;

(2) a list of assets owned or held by the corporation for charitable purposes;

(3) a description of restricted assets and purposes for which the assets were received;

(4) a description of debts, obligations, and liabilities of the corporation;

(5) a description of tangible assets being converted to cash and the manner in which
they will be sold;
anticipated expenses of the transaction, including attorney fees;
(7) a list of persons to whom assets will be transferred, if known;
(8) the purposes of persons receiving the assets; and
(9) the terms, conditions, or restrictions, if any, to be imposed on the transferred assets.

The notice must be signed on behalf of the corporation by an authorized person.

Sec. 9. Minnesota Statutes 2016, section 317A.811, is amended by adding a subdivision to read:

Subd. 1a. Nonprofit health care entity; notice required. A corporation that is a health maintenance organization or a service plan corporation is subject to notice requirements for certain transactions under section 317A.814.

Sec. 10. [317A.814] NONPROFIT HEALTH CARE ENTITY CONVERSIONS.

Subdivision 1. Definitions. (a) The definitions in this subdivision apply to this section.
(b) "Commissioner" means the commissioner of commerce if the nonprofit health care entity at issue is a service plan corporation operating under chapter 62C, and the commissioner of health if the nonprofit health care entity at issue is a health maintenance organization operating under chapter 62D.
(c) "Conversion benefit entity" means a foundation, corporation, limited liability company, trust, partnership, or other entity that receives public benefit assets, or their value, in connection with a conversion transaction.
(d) "Conversion transaction" or "transaction" means a transaction in which a nonprofit health care entity merges, consolidates, converts, or transfers all or a substantial portion of its assets to an entity that is not a nonprofit corporation organized under this chapter that is also exempt under United States Code, title 26, section 501(c)(3). The substitution of a new corporate member that transfers the control, responsibility for, or governance of a nonprofit health care entity is also considered a transaction for purposes of this section.
(e) "Family member" means a spouse, parent, or child or other legal dependent.
(f) "Nonprofit health care entity" means a service plan corporation operating under chapter 62C and a health maintenance organization operating under chapter 62D.
(g) "Public benefit assets" means:
(1) assets that represent net earnings that were required to be devoted to the nonprofit purposes of the health maintenance organization according to Minnesota Statutes 2016, section 62D.12; and

(2) other assets that are identified as dedicated for a charitable or public purpose.

(h) "Related organization" has the meaning given in section 317A.011.

Subd. 2. Private inurement. A nonprofit health care entity must not enter into a conversion transaction if a person who has been an officer, director, or other executive of the nonprofit health care entity, or of a related organization, or a family member of that person:

(1) has or will receive any compensation or other financial benefit, directly or indirectly, in connection with the conversion transaction;

(2) has held or will hold, regardless of whether guaranteed or contingent, an ownership stake, stock, securities, investment, or other financial interest in, or receive any type of onetime compensation or other financial benefit from, any entity to which the nonprofit health care entity transfers public benefit assets in connection with a conversion transaction;

or

(3) has held or will hold, regardless of whether guaranteed or contingent, an ownership stake, stock, securities, investment, or other financial interest in, or receive any type of compensation or other financial benefit from, any entity that has or will have a business relationship with any entity to which the nonprofit health care entity transfers public benefit assets in connection with a conversion transaction.

Subd. 3. Attorney general notice required. (a) Before entering into a conversion transaction, the nonprofit health care entity must notify the attorney general as specified under section 317A.811, subdivision 1. The notice required by this subdivision also must include an itemization of the nonprofit health care entity's public benefit assets and the valuation that the entity attributes to those assets, a proposed plan for distribution of the value of those assets to a conversion benefit entity that meets the requirements of subdivision 5, and other information from the health maintenance organization or the proposed conversion benefit entity that the attorney general reasonably considers necessary for review of the proposed transaction.

(b) A copy of the notice and other information required under this subdivision must be given to the commissioner.
Subd. 4. Review elements. In exercising the powers under this chapter, the attorney general, in consultation with the commissioner, shall consider any factors the attorney general considers relevant, including whether:

1. the proposed transaction complies with this chapter and chapter 501B and other applicable laws;

2. the proposed transaction involves or constitutes a breach of charitable trust;

3. the nonprofit health care entity will receive full and fair value for its public benefit assets;

4. the full and fair value of the public benefit assets to be transferred has been manipulated in a manner that causes or has caused the value of the assets to decrease;

5. the proceeds of the proposed transaction will be used consistent with the public benefit for which the assets are held by the nonprofit health care entity;

6. the proposed transaction will result in a breach of fiduciary duty, as determined by the attorney general, including whether:
   - (i) conflicts of interest exist related to payments to or benefits conferred upon officers, directors, board members, and executives of the nonprofit health care entity or a related organization;
   - (ii) the nonprofit health care entity's board of directors exercised reasonable care and due diligence in deciding to pursue the transaction, in selecting the entity with which to pursue the transaction, and in negotiating the terms and conditions of the transaction; and
   - (iii) the nonprofit health care entity's board of directors considered all reasonably viable alternatives, including any competing offers for its public benefit assets, or alternative transactions;

7. the transaction will result in private inurement to any person, including owners, stakeholders, or directors, officers, or key staff of the nonprofit health care entity or entity to which the nonprofit health care entity proposes to transfer public benefit assets;

8. the conversion benefit entity meets the requirements of subdivision 5; and

9. the attorney general has been provided with sufficient information by the nonprofit health care entity to adequately evaluate the proposed transaction and the effects on the public, provided the attorney general has notified the nonprofit health care entity or the proposed conversion benefit entity of any inadequacy of the information and has provided a reasonable opportunity to remedy that inadequacy.
In addition, the attorney general shall consider the public comments received regarding the proposed conversion transaction and the proposed transaction’s likely effect on the availability, accessibility, and affordability of health care services to the public.

Subd. 5. Conversion benefit entity requirements. (a) A conversion benefit entity must be an existing or new nonprofit corporation and also be exempt under United States Code, title 26, section 501(c)(3).

(b) The conversion benefit entity must have in place procedures and policies to prohibit conflicts of interest, including but not limited to prohibiting conflicts of interests relating to any grant-making activities that may benefit:

1. the directors, officers, or other executives of the conversion benefit entity;
2. any entity to which the nonprofit health care entity transfers any public benefit assets in connection with a conversion transaction; or
3. any directors, officers, or other executives of any entity to which the nonprofit health care entity transfers any public benefit assets in connection with a conversion transaction.

(c) The charitable purpose and grant-making functions of the conversion benefit entity must be dedicated to meeting the health care needs of the people of this state.

Subd. 6. Public comment. The attorney general may solicit public comment regarding the proposed conversion transaction. The attorney general may hold one or more public meetings or solicit written or electronic correspondence. If a meeting is held, notice of the meeting must be published in a qualified newspaper of general circulation in this state at least seven days before the meeting.

Subd. 7. Relation to other law. (a) This section is in addition to, and does not affect or limit any power, remedy, or responsibility of a health maintenance organization, service plan corporation, a conversion benefit entity, the attorney general, or the commissioner under this chapter, chapter 62C, 62D, 501B, or other law.

(b) Nothing in this section authorizes a nonprofit health care entity to enter into a conversion transaction not otherwise permitted under this chapter.

Sec. 11. Laws 2017, chapter 2, article 1, section 5, is amended to read:

Sec. 5. SUNSET.

This article sunsets June 30, other than section 2, subdivision 5, and section 3, sunsets August 31, 2018.
Sec. 12. Laws 2017, chapter 2, article 1, section 7, is amended to read:

Sec. 7. **APPROPRIATIONS.**

(a) $311,788,000 in fiscal year 2017 is appropriated from the general fund to the commissioner of management and budget for premium assistance under section 2. This appropriation is onetime and is available through **June 30 August 31, 2018.**

(b) $157,000 in fiscal year 2017 is appropriated from the general fund to the legislative auditor for purposes of section 3. This appropriation is onetime.

(c) Any unexpended amount from the appropriation in paragraph (a) after June 30, 2018, shall be transferred **on July 1 no later than August 31, 2018,** from the general fund to the budget reserve account under Minnesota Statutes, section 16A.152, subdivision 1a.

**ARTICLE 6**

**DIRECT CARE AND TREATMENT**

Section 1. Minnesota Statutes 2016, section 253B.10, subdivision 1, is amended to read:

Subdivision 1. **Administrative requirements.** (a) When a person is committed, the court shall issue a warrant or an order committing the patient to the custody of the head of the treatment facility. The warrant or order shall state that the patient meets the statutory criteria for civil commitment.

(b) The commissioner shall prioritize patients being admitted from jail or a correctional institution who are:

(1) ordered confined in a state hospital for an examination under Minnesota Rules of Criminal Procedure, rules 20.01, subdivision 4, paragraph (a), and 20.02, subdivision 2;

(2) under civil commitment for competency treatment and continuing supervision under Minnesota Rules of Criminal Procedure, rule 20.01, subdivision 7;

(3) found not guilty by reason of mental illness under Minnesota Rules of Criminal Procedure, rule 20.02, subdivision 8, and under civil commitment or are ordered to be detained in a state hospital or other facility pending completion of the civil commitment proceedings; or

(4) committed under this chapter to the commissioner after dismissal of the patient's criminal charges.
Patients described in this paragraph must be admitted to a service operated by the commissioner within 48 hours. The commitment must be ordered by the court as provided in section 253B.09, subdivision 1, paragraph (c).

(c) Upon the arrival of a patient at the designated treatment facility, the head of the facility shall retain the duplicate of the warrant and endorse receipt upon the original warrant or acknowledge receipt of the order. The endorsed receipt or acknowledgment must be filed in the court of commitment. After arrival, the patient shall be under the control and custody of the head of the treatment facility.

(d) Copies of the petition for commitment, the court's findings of fact and conclusions of law, the court order committing the patient, the report of the examiners, and the prepetition report shall be provided promptly to the treatment facility. This information shall also be provided by the head of the treatment facility to treatment facility staff in a consistent and timely manner and pursuant to all applicable laws.

Sec. 2. Minnesota Statutes 2016, section 253B.22, subdivision 1, is amended to read:

Subdivision 1. Establishment. The commissioner shall establish a review board of three or more persons for each regional center to review the admission and retention of its patients receiving services under this chapter. The review board shall be comprised of two members and one chair. Each board member shall be selected and appointed by the commissioner. The appointed members shall be limited to one term of no more than three years and no board member can serve more than three consecutive three-year terms. One member shall be qualified in the diagnosis of mental illness, developmental disability, or chemical dependency, and one member shall be an attorney. The commissioner may, upon written request from the appropriate federal authority, establish a review panel for any federal treatment facility within the state to review the admission and retention of patients hospitalized under this chapter. For any review board established for a federal treatment facility, one of the persons appointed by the commissioner shall be the commissioner of veterans affairs or the commissioner's designee.

Sec. 3. REVIEW OF ALTERNATIVES TO STATE-OPERATED GROUP HOMES HOUSING ONE PERSON.

The commissioner of human services shall review the potential for, and the viability of, alternatives to state-operated group homes housing one person. The intent is to create housing options for individuals who do not belong in an institutionalized setting, but need additional support before transitioning to a more independent community placement. The review shall
include an analysis of existing housing settings operated by counties and private providers, as well as the potential for new housing settings, and determine the viability for use by state-operated services. The commissioner shall seek input from interested stakeholders as part of the review. An update, including alternatives identified, will be provided by the commissioner to the members of the legislative committees having jurisdiction over human services issues no later than January 15, 2018.

ARTICLE 7
CHILDREN AND FAMILIES

Section 1. Minnesota Statutes 2016, section 13.32, is amended by adding a subdivision to read:

Subd. 12. Access by welfare system. County personnel in the welfare system may request access to education data in order to coordinate services for a student or family. The request must be submitted to the chief administrative officer of the school and must include the basis for the request and a description of the information that is requested. The chief administrative officer must provide a copy of the request to the parent or legal guardian of the student who is the subject of the request, along with a form the parent or legal guardian may execute to consent to the release of specified information to the requester. Education data may be released under this subdivision only if the parent or legal guardian gives informed consent to the release.

Sec. 2. Minnesota Statutes 2016, section 13.46, subdivision 1, is amended to read:

Subdivision 1. Definitions. As used in this section:

(a) "Individual" means an individual according to section 13.02, subdivision 8, but does not include a vendor of services.

(b) "Program" includes all programs for which authority is vested in a component of the welfare system according to statute or federal law, including, but not limited to, Native American tribe programs that provide a service component of the welfare system, the aid to families with dependent children program formerly codified in sections 256.72 to 256.87, Minnesota family investment program, temporary assistance for needy families program, medical assistance, general assistance, general assistance medical care formerly codified in chapter 256D, child care assistance program, and child support collections.

(c) "Welfare system" includes the Department of Human Services, local social services agencies, county welfare agencies, county public health agencies, county veteran services
agencies, county housing agencies, private licensing agencies, the public authority responsible for child support enforcement, human services boards, community mental health center boards, state hospitals, state nursing homes, the ombudsman for mental health and developmental disabilities, Native American tribes to the extent a tribe provides a service component of the welfare system, and persons, agencies, institutions, organizations, and other entities under contract to any of the above agencies to the extent specified in the contract.

(d) "Mental health data" means data on individual clients and patients of community mental health centers, established under section 245.62, mental health divisions of counties and other providers under contract to deliver mental health services, or the ombudsman for mental health and developmental disabilities.

e) "Fugitive felon" means a person who has been convicted of a felony and who has escaped from confinement or violated the terms of probation or parole for that offense.

(f) "Private licensing agency" means an agency licensed by the commissioner of human services under chapter 245A to perform the duties under section 245A.16.

Sec. 3. Minnesota Statutes 2016, section 13.46, subdivision 2, is amended to read:

Subd. 2. General. (a) Data on individuals collected, maintained, used, or disseminated by the welfare system are private data on individuals, and shall not be disclosed except:

(1) according to section 13.05;

(2) according to court order;

(3) according to a statute specifically authorizing access to the private data;

(4) to an agent of the welfare system and an investigator acting on behalf of a county, the state, or the federal government, including a law enforcement person or attorney in the investigation or prosecution of a criminal, civil, or administrative proceeding relating to the administration of a program;

(5) to personnel of the welfare system who require the data to verify an individual's identity; determine eligibility, amount of assistance, and the need to provide services to an individual or family across programs; coordinate services for an individual or family; evaluate the effectiveness of programs; assess parental contribution amounts; and investigate suspected fraud;

(6) to administer federal funds or programs;

(7) between personnel of the welfare system working in the same program;
(8) to the Department of Revenue to assess parental contribution amounts for purposes of section 252.27, subdivision 2a, administer and evaluate tax refund or tax credit programs and to identify individuals who may benefit from these programs. The following information may be disclosed under this paragraph: an individual's and their dependent's names, dates of birth, Social Security numbers, income, addresses, and other data as required, upon request by the Department of Revenue. Disclosures by the commissioner of revenue to the commissioner of human services for the purposes described in this clause are governed by section 270B.14, subdivision 1. Tax refund or tax credit programs include, but are not limited to, the dependent care credit under section 290.067, the Minnesota working family credit under section 290.0671, the property tax refund and rental credit under section 290A.04, and the Minnesota education credit under section 290.0674;

(9) between the Department of Human Services, the Department of Employment and Economic Development, and when applicable, the Department of Education, for the following purposes:

(i) to monitor the eligibility of the data subject for unemployment benefits, for any employment or training program administered, supervised, or certified by that agency;

(ii) to administer any rehabilitation program or child care assistance program, whether alone or in conjunction with the welfare system;

(iii) to monitor and evaluate the Minnesota family investment program or the child care assistance program by exchanging data on recipients and former recipients of food support, cash assistance under chapter 256, 256D, 256J, or 256K, child care assistance under chapter 119B, medical programs under chapter 256 or 256B or 256L, or a medical program formerly codified under chapter 256D; and

(iv) to analyze public assistance employment services and program utilization, cost, effectiveness, and outcomes as implemented under the authority established in Title II, Sections 201-204 of the Ticket to Work and Work Incentives Improvement Act of 1999.

Health records governed by sections 144.291 to 144.298 and "protected health information" as defined in Code of Federal Regulations, title 45, section 160.103, and governed by Code of Federal Regulations, title 45, parts 160-164, including health care claims utilization information, must not be exchanged under this clause;

(10) to appropriate parties in connection with an emergency if knowledge of the information is necessary to protect the health or safety of the individual or other individuals or persons;
(11) data maintained by residential programs as defined in section 245A.02 may be disclosed to the protection and advocacy system established in this state according to Part C of Public Law 98-527 to protect the legal and human rights of persons with developmental disabilities or other related conditions who live in residential facilities for these persons if the protection and advocacy system receives a complaint by or on behalf of that person and the person does not have a legal guardian or the state or a designee of the state is the legal guardian of the person;

(12) to the county medical examiner or the county coroner for identifying or locating relatives or friends of a deceased person;

(13) data on a child support obligor who makes payments to the public agency may be disclosed to the Minnesota Office of Higher Education to the extent necessary to determine eligibility under section 136A.121, subdivision 2, clause (5);

(14) participant Social Security numbers and names collected by the telephone assistance program may be disclosed to the Department of Revenue to conduct an electronic data match with the property tax refund database to determine eligibility under section 237.70, subdivision 4a;

(15) the current address of a Minnesota family investment program participant may be disclosed to law enforcement officers who provide the name of the participant and notify the agency that:

(i) the participant:

(A) is a fugitive felon fleeing to avoid prosecution, or custody or confinement after conviction, for a crime or attempt to commit a crime that is a felony under the laws of the jurisdiction from which the individual is fleeing; or

(B) is violating a condition of probation or parole imposed under state or federal law;

(ii) the location or apprehension of the felon is within the law enforcement officer's official duties; and

(iii) the request is made in writing and in the proper exercise of those duties;

(16) the current address of a recipient of general assistance may be disclosed to probation officers and corrections agents who are supervising the recipient and to law enforcement officers who are investigating the recipient in connection with a felony level offense;

(17) information obtained from food support applicant or recipient households may be disclosed to local, state, or federal law enforcement officials, upon their written request, for
the purpose of investigating an alleged violation of the Food Stamp Act, according to Code
of Federal Regulations, title 7, section 272.1(c);

(18) the address, Social Security number, and, if available, photograph of any member
of a household receiving food support shall be made available, on request, to a local, state,
or federal law enforcement officer if the officer furnishes the agency with the name of the
member and notifies the agency that:

   (i) the member:

   (A) is fleeing to avoid prosecution, or custody or confinement after conviction, for a
crime or attempt to commit a crime that is a felony in the jurisdiction the member is fleeing;

   (B) is violating a condition of probation or parole imposed under state or federal law;

   or

   (C) has information that is necessary for the officer to conduct an official duty related
to conduct described in subitem (A) or (B);

   (ii) locating or apprehending the member is within the officer's official duties; and

   (iii) the request is made in writing and in the proper exercise of the officer's official duty;

(19) the current address of a recipient of Minnesota family investment program, general
assistance, or food support may be disclosed to law enforcement officers who, in writing,
provide the name of the recipient and notify the agency that the recipient is a person required
to register under section 243.166, but is not residing at the address at which the recipient is
registered under section 243.166;

(20) certain information regarding child support obligors who are in arrears may be
made public according to section 518A.74;

(21) data on child support payments made by a child support obligor and data on the
distribution of those payments excluding identifying information on obligees may be
disclosed to all obligees to whom the obligor owes support, and data on the enforcement
actions undertaken by the public authority, the status of those actions, and data on the income
of the obligor or obligee may be disclosed to the other party;

(22) data in the work reporting system may be disclosed under section 256.998,
subdivision 7;

(23) to the Department of Education for the purpose of matching Department of Education
student data with public assistance data to determine students eligible for free and
reduced-price meals, meal supplements, and free milk according to United States Code,
(24) the current address and telephone number of program recipients and emergency contacts may be released to the commissioner of health or a community health board as defined in section 145A.02, subdivision 5, when the commissioner or community health board has reason to believe that a program recipient is a disease case, carrier, suspect case, or at risk of illness, and the data are necessary to locate the person;

(25) to other state agencies, statewide systems, and political subdivisions of this state, including the attorney general, and agencies of other states, interstate information networks, federal agencies, and other entities as required by federal regulation or law for the administration of the child support enforcement program;

(26) to personnel of public assistance programs as defined in section 256.741, for access to the child support system database for the purpose of administration, including monitoring and evaluation of those public assistance programs;

(27) to monitor and evaluate the Minnesota family investment program by exchanging data between the Departments of Human Services and Education, on recipients and former recipients of food support, cash assistance under chapter 256, 256D, 256J, or 256K, child care assistance under chapter 119B, medical programs under chapter 256B or 256L, or a medical program formerly codified under chapter 256D;

(28) to evaluate child support program performance and to identify and prevent fraud in the child support program by exchanging data between the Department of Human Services, Department of Revenue under section 270B.14, subdivision 1, paragraphs (a) and (b), without regard to the limitation of use in paragraph (c), Department of Health, Department of Employment and Economic Development, and other state agencies as is reasonably necessary to perform these functions;

(29) counties operating child care assistance programs under chapter 119B may disseminate data on program participants, applicants, and providers to the commissioner of education;

(30) child support data on the child, the parents, and relatives of the child may be disclosed to agencies administering programs under titles IV-B and IV-E of the Social Security Act, as authorized by federal law;
to a health care provider governed by sections 144.291 to 144.298, to the extent necessary to coordinate services;

(32) to the chief administrative officer of a school to coordinate services for a student and family; data that may be disclosed under this clause are limited to name, date of birth, gender, and address; or

(33) to county correctional agencies to the extent necessary to coordinate services and diversion programs; data that may be disclosed under this clause are limited to name, client demographics, program, case status, and county worker information.

(b) Information on persons who have been treated for drug or alcohol abuse may only be disclosed according to the requirements of Code of Federal Regulations, title 42, sections 2.1 to 2.67.

(c) Data provided to law enforcement agencies under paragraph (a), clause (15), (16), (17), or (18), or paragraph (b), are investigative data and are confidential or protected nonpublic while the investigation is active. The data are private after the investigation becomes inactive under section 13.82, subdivision 5, paragraph (a) or (b).

(d) Mental health data shall be treated as provided in subdivisions 7, 8, and 9, but are not subject to the access provisions of subdivision 10, paragraph (b).

For the purposes of this subdivision, a request will be deemed to be made in writing if made through a computer interface system.

Sec. 4. Minnesota Statutes 2016, section 13.84, subdivision 5, is amended to read:

Subd. 5. Disclosure. Private or confidential court services data shall not be disclosed except:

(a) pursuant to section 13.05;

(b) pursuant to a statute specifically authorizing disclosure of court services data;

(c) with the written permission of the source of confidential data;

(d) to the court services department, parole or probation authority or state or local correctional agency or facility having statutorily granted supervision over the individual subject of the data, or to county personnel within the welfare system;

(e) pursuant to subdivision 6;

(f) pursuant to a valid court order; or

(g) pursuant to section 611A.06, subdivision 3a.
Sec. 5. [119B.097] AUTHORIZATION WITH A SECONDARY PROVIDER.

(a) If a child uses any combination of the following providers paid by child care assistance, a parent must choose one primary provider and one secondary provider per child that can be paid by child care assistance:

(1) an individual or child care center licensed under chapter 245A;

(2) an individual or child care center or facility holding a valid child care license issued by another state or tribe; or

(3) a child care center exempt from licensing under section 245A.03.

(b) The amount of child care authorized with the secondary provider cannot exceed 20 hours per two-week service period, per child, and the amount of care paid to a child's secondary provider is limited under section 119B.13, subdivision 1. The total amount of child care authorized with both the primary and secondary provider cannot exceed the amount of child care allowed based on the parents' eligible activity schedule, the child's school schedule, and any other factors relevant to the family's child care needs.

EFFECTIVE DATE. This section is effective April 23, 2018.

Sec. 6. Minnesota Statutes 2016, section 119B.13, subdivision 1, is amended to read:

Subdivision 1. Subsidy restrictions. (a) Beginning February 3, 2014, the maximum rate paid for child care assistance in any county or county price cluster under the child care fund shall be the greater of the 25th percentile of the 2011 child care provider rate survey or the maximum rate effective November 28, 2011. For a child care provider located within the boundaries of a city located in two or more of the counties of Benton, Sherburne, and Stearns, the maximum rate paid for child care assistance shall be equal to the maximum rate paid in the county with the highest maximum reimbursement rates or the provider's charge, whichever is less. The commissioner may: (1) assign a county with no reported provider prices to a similar price cluster; and (2) consider county level access when determining final price clusters.

(b) A rate which includes a special needs rate paid under subdivision 3 may be in excess of the maximum rate allowed under this subdivision.

(c) The department shall monitor the effect of this paragraph on provider rates. The county shall pay the provider's full charges for every child in care up to the maximum established. The commissioner shall determine the maximum rate for each type of care on an hourly, full-day, and weekly basis, including special needs and disability care.
(d) If a child uses one provider, the maximum payment to a provider for one day of care must not exceed the daily rate. The maximum payment to a provider for one week of care must not exceed the weekly rate.

(e) If a child uses two providers under section 119B.097, the maximum payment must not exceed:

1. the daily rate for one day of care;
2. the weekly rate for one week of care by the child's primary provider; and
3. two daily rates during two weeks of care by a child's secondary provider.

(f) Child care providers receiving reimbursement under this chapter must not be paid activity fees or an additional amount above the maximum rates for care provided during nonstandard hours for families receiving assistance.

(g) If the provider charge is greater than the maximum provider rate allowed, the parent is responsible for payment of the difference in the rates in addition to any family co-payment fee.

(h) All maximum provider rates changes shall be implemented on the Monday following the effective date of the maximum provider rate.

(i) Notwithstanding Minnesota Rules, part 3400.0130, subpart 7, maximum registration fees in effect on January 1, 2013, shall remain in effect.

EFFECTIVE DATE. Paragraph (a) is effective July 1, 2018. Paragraphs (d) to (i) are effective April 23, 2018.

Sec. 7. Minnesota Statutes 2016, section 245.814, subdivision 2, is amended to read:

Subd. 2. Application of coverage. Coverage shall apply to all foster homes licensed by the Department of Human Services, licensed by a federally recognized tribal government, or established by the juvenile court and certified by the commissioner of corrections pursuant to section 260B.198, subdivision 1, clause (3), item (v), to the extent that the liability is not covered by the provisions of the standard homeowner's or automobile insurance policy. The insurance shall not cover property owned by the individual foster home provider, damage caused intentionally by a person over 12 years of age, or property damage arising out of business pursuits or the operation of any vehicle, machinery, or equipment.
Sec. 8. Minnesota Statutes 2016, section 245.814, subdivision 3, is amended to read:

Subd. 3. Compensation provisions. If the commissioner of human services is unable to obtain insurance through ordinary methods for coverage of foster home providers, the appropriation shall be returned to the general fund and the state shall pay claims subject to the following limitations.

(a) Compensation shall be provided only for injuries, damage, or actions set forth in subdivision 1.

(b) Compensation shall be subject to the conditions and exclusions set forth in subdivision 2.

(c) The state shall provide compensation for bodily injury, property damage, or personal injury resulting from the foster home providers activities as a foster home provider while the foster child or adult is in the care, custody, and control of the foster home provider in an amount not to exceed $250,000 for each occurrence.

(d) The state shall provide compensation for damage or destruction of property caused or sustained by a foster child or adult in an amount not to exceed $250,000 for each occurrence.

(e) The compensation in paragraphs (c) and (d) is the total obligation for all damages because of each occurrence regardless of the number of claims made in connection with the same occurrence, but compensation applies separately to each foster home. The state shall have no other responsibility to provide compensation for any injury or loss caused or sustained by any foster home provider or foster child or foster adult.

This coverage is extended as a benefit to foster home providers to encourage care of persons who need out-of-home care. Nothing in this section shall be construed to mean that foster home providers are agents or employees of the state nor does the state accept any responsibility for the selection, monitoring, supervision, or control of foster home providers which is exclusively the responsibility of the counties which shall regulate foster home providers in the manner set forth in the rules of the commissioner of human services.

Sec. 9. [245A.23] EXEMPTION FROM POSITIVE SUPPORT STRATEGIES REQUIREMENTS.

(a) A program licensed as a family day care or group family day care facility under Minnesota Rules, chapter 9502, and a program licensed as a child care center under Minnesota Rules, chapter 9503, are exempt from Minnesota Rules, chapter 9544, relating to positive support strategies and restrictive interventions.
(b) When providing services to a child with a developmental disability or related condition, a program licensed as a family day care or group family day care facility under Minnesota Rules, chapter 9502, or a program licensed as a child care center under Minnesota Rules, chapter 9503, is prohibited from using procedures identified in section 245D.06, subdivision 5.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 10. Minnesota Statutes 2016, section 245A.50, subdivision 5, is amended to read:

Subd. 5. Sudden unexpected infant death and abusive head trauma training. (a) License holders must document that before staff persons, caregivers, and helpers assist in the care of infants, they are instructed on the standards in section 245A.1435 and receive training on reducing the risk of sudden unexpected infant death. In addition, license holders must document that before staff persons, caregivers, and helpers assist in the care of infants and children under school age, they receive training on reducing the risk of abusive head trauma from shaking infants and young children. The training in this subdivision may be provided as initial training under subdivision 1 or ongoing annual training under subdivision 7.

(b) Sudden unexpected infant death reduction training required under this subdivision must, at a minimum, address the risk factors related to sudden unexpected infant death, means of reducing the risk of sudden unexpected infant death in child care, and license holder communication with parents regarding reducing the risk of sudden unexpected infant death.

(c) Abusive head trauma training required under this subdivision must, at a minimum, address the risk factors related to shaking infants and young children, means of reducing the risk of abusive head trauma in child care, and license holder communication with parents regarding reducing the risk of abusive head trauma.

(d) Training for family and group family child care providers must be developed by the commissioner in conjunction with the Minnesota Sudden Infant Death Center and approved by the Minnesota Center for Professional Development. Sudden unexpected infant death reduction training and abusive head trauma training may be provided in a single course of no more than two hours in length.

(e) Sudden unexpected infant death reduction training and abusive head trauma training required under this subdivision must be completed in person or as allowed under subdivision 10, clause (1) or (2), at least once every two years. On the years when the license holder is
not receiving training in person or as allowed under subdivision 10, clause (1) or (2), the
license holder must receive sudden unexpected infant death reduction training and abusive
head trauma training through a video of no more than one hour in length. The video must
be developed or approved by the commissioner.

(f) An individual who is related to the license holder as defined in section 245A.02,
subdivision 13, and who is involved only in the care of the license holder's own infant or
child under school age and who is not designated to be a caregiver, helper, or substitute, as
defined in Minnesota Rules, part 9502.0315, for the licensed program, is exempt from the
sudden unexpected infant death and abusive head trauma training.

Sec. 11. Minnesota Statutes 2016, section 252.27, subdivision 2a, is amended to read:

Subd. 2a. Contribution amount. (a) The natural or adoptive parents of a minor child,
including a child determined eligible for medical assistance without consideration of parental
income, must contribute to the cost of services used by making monthly payments on a
sliding scale based on income, unless the child is married or has been married, parental
rights have been terminated, or the child's adoption is subsidized according to chapter 259A
or through title IV-E of the Social Security Act. The parental contribution is a partial or full
payment for medical services provided for diagnostic, therapeutic, curing, treating, mitigating,
rehabilitation, maintenance, and personal care services as defined in United States Code,
title 26, section 213, needed by the child with a chronic illness or disability.

(b) For households with adjusted gross income equal to or greater than 275 percent of
federal poverty guidelines, the parental contribution shall be computed by applying the
following schedule of rates to the adjusted gross income of the natural or adoptive parents:

(1) if the adjusted gross income is equal to or greater than 275 percent of federal poverty
guidelines and less than or equal to 545 percent of federal poverty guidelines, the parental
contribution shall be determined using a sliding fee scale established by the commissioner
of human services which begins at 2.23% of adjusted gross income at 275
percent of federal poverty guidelines and increases to 6.08% of adjusted gross
income for those with adjusted gross income up to 545 percent of federal poverty guidelines;

(2) if the adjusted gross income is greater than 545 percent of federal poverty guidelines
and less than 675 percent of federal poverty guidelines, the parental contribution shall be
6.08% of adjusted gross income;

(3) if the adjusted gross income is equal to or greater than 675 percent of federal poverty
guidelines and less than 975 percent of federal poverty guidelines, the parental contribution
shall be determined using a sliding fee scale established by the commissioner of human
services which begins at 6.08% of adjusted gross income at 675 percent of federal
poverty guidelines and increases to 8.1% of adjusted gross income for those
with adjusted gross income up to 975 percent of federal poverty guidelines; and

(4) if the adjusted gross income is equal to or greater than 975 percent of federal poverty
guidelines, the parental contribution shall be 10.13% of adjusted gross income.

If the child lives with the parent, the annual adjusted gross income is reduced by $2,400
prior to calculating the parental contribution. If the child resides in an institution specified
in section 256B.35, the parent is responsible for the personal needs allowance specified
under that section in addition to the parental contribution determined under this section.
The parental contribution is reduced by any amount required to be paid directly to the child
pursuant to a court order, but only if actually paid.

(c) The household size to be used in determining the amount of contribution under
paragraph (b) includes natural and adoptive parents and their dependents, including the
child receiving services. Adjustments in the contribution amount due to annual changes in
the federal poverty guidelines shall be implemented on the first day of July following
publication of the changes.

(d) For purposes of paragraph (b), "income" means the adjusted gross income of the
natural or adoptive parents determined according to the previous year's federal tax form,
except, effective retroactive to July 1, 2003, taxable capital gains to the extent the funds
have been used to purchase a home shall not be counted as income.

(e) The contribution shall be explained in writing to the parents at the time eligibility
for services is being determined. The contribution shall be made on a monthly basis effective
with the first month in which the child receives services. Annually upon redetermination
or at termination of eligibility, if the contribution exceeded the cost of services provided,
the local agency or the state shall reimburse that excess amount to the parents, either by
direct reimbursement if the parent is no longer required to pay a contribution, or by a
reduction in or waiver of parental fees until the excess amount is exhausted. All
reimbursements must include a notice that the amount reimbursed may be taxable income
if the parent paid for the parent's fees through an employer's health care flexible spending
account under the Internal Revenue Code, section 125, and that the parent is responsible
for paying the taxes owed on the amount reimbursed.

(f) The monthly contribution amount must be reviewed at least every 12 months; when
there is a change in household size; and when there is a loss of or gain in income from one
month to another in excess of ten percent. The local agency shall mail a written notice 30
days in advance of the effective date of a change in the contribution amount. A decrease in
the contribution amount is effective in the month that the parent verifies a reduction in
income or change in household size.

(g) Parents of a minor child who do not live with each other shall each pay the
contribution required under paragraph (a). An amount equal to the annual court-ordered
child support payment actually paid on behalf of the child receiving services shall be deducted
from the adjusted gross income of the parent making the payment prior to calculating the
parental contribution under paragraph (b).

(h) The contribution under paragraph (b) shall be increased by an additional five percent
if the local agency determines that insurance coverage is available but not obtained for the
child. For purposes of this section, "available" means the insurance is a benefit of employment
for a family member at an annual cost of no more than five percent of the family's annual
income. For purposes of this section, "insurance" means health and accident insurance
coverage, enrollment in a nonprofit health service plan, health maintenance organization,
self-insured plan, or preferred provider organization.

Parents who have more than one child receiving services shall not be required to pay
more than the amount for the child with the highest expenditures. There shall be no resource
contribution from the parents. The parent shall not be required to pay a contribution in
excess of the cost of the services provided to the child, not counting payments made to
school districts for education-related services. Notice of an increase in fee payment must
be given at least 30 days before the increased fee is due.

(i) The contribution under paragraph (b) shall be reduced by $300 per fiscal year if, in
the 12 months prior to July 1:

(1) the parent applied for insurance for the child;

(2) the insurer denied insurance;

(3) the parents submitted a complaint or appeal, in writing to the insurer, submitted a
complaint or appeal, in writing, to the commissioner of health or the commissioner of
commerce, or litigated the complaint or appeal; and

(4) as a result of the dispute, the insurer reversed its decision and granted insurance.

For purposes of this section, "insurance" has the meaning given in paragraph (h).

A parent who has requested a reduction in the contribution amount under this paragraph
shall submit proof in the form and manner prescribed by the commissioner or county agency,
including, but not limited to, the insurer's denial of insurance, the written letter or complaint of the parents, court documents, and the written response of the insurer approving insurance. The determinations of the commissioner or county agency under this paragraph are not rules subject to chapter 14.

Sec. 12. Minnesota Statutes 2016, section 256E.30, subdivision 2, is amended to read:

Subd. 2. Allocation of money. (a) State money appropriated and community service block grant money allotted to the state and all money transferred to the community service block grant from other block grants shall be allocated annually to community action agencies and Indian reservation governments under clauses (b) and (c), and to migrant and seasonal farmworker organizations under clause (d).

(b) The available annual money will provide base funding to all community action agencies and the Indian reservations. Base funding amounts per agency are as follows: for agencies with low income populations up to $1,999, $25,000; $2,000 to 23,999, $50,000; and 24,000 or more, $100,000.

(c) All remaining money of the annual money available after the base funding has been determined must be allocated to each agency and reservation in proportion to the size of the poverty level population in the agency's service area compared to the size of the poverty level population in the state.

(d) Allocation of money to migrant and seasonal farmworker organizations must not exceed three percent of the total annual money available. Base funding allocations must be made for all community action agencies and Indian reservations that received money under this subdivision, in fiscal year 1984, and for community action agencies designated under this section with a service area population of 35,000 or greater.

Sec. 13. Minnesota Statutes 2016, section 256J.24, subdivision 5, is amended to read:

Subd. 5. MFIP transitional standard. The MFIP transitional standard is based on the number of persons in the assistance unit eligible for both food and cash assistance. The amount of the transitional standard is published annually by the Department of Human Services. The following table represents the cash portion of the transitional standard effective March 1, 2018.

Sec. 14. Minnesota Statutes 2016, section 256J.45, subdivision 2, is amended to read:

Subd. 2. General information. The MFIP orientation must consist of a presentation that informs caregivers of:

1. the necessity to obtain immediate employment;
2. the work incentives under MFIP, including the availability of the federal earned income tax credit and the Minnesota working family tax credit;
3. the requirement to comply with the employment plan and other requirements of the employment and training services component of MFIP, including a description of the range of work and training activities that are allowable under MFIP to meet the individual needs of participants;
4. the consequences for failing to comply with the employment plan and other program requirements, and that the county agency may not impose a sanction when failure to comply is due to the unavailability of child care or other circumstances where the participant has good cause under subdivision 3;
5. the rights, responsibilities, and obligations of participants;
6. the types and locations of child care services available through the county agency;
7. the availability and the benefits of the early childhood health and developmental screening under sections 121A.16 to 121A.19; 123B.02, subdivision 16; and 123B.10;
8. the caregiver's eligibility for transition year child care assistance under section 119B.05;
9. the availability of all health care programs, including transitional medical assistance;
10. the caregiver's option to choose an employment and training provider and information about each provider, including but not limited to, services offered, program components, job placement rates, job placement wages, and job retention rates;
262.1 (11) the caregiver's option to request approval of an education and training plan according to section 256J.53;

262.2 (12) the work study programs available under the higher education system; and

262.3 (13) information about the 60-month time limit exemptions under the family violence waiver and referral information about shelters and programs for victims of family violence;

262.4 and

262.5 (14) information about the income exclusions under section 256P.06, subdivision 2.

262.6 EFFECTIVE DATE. This section is effective December 1, 2018.

262.7 Sec. 15. [256N.261] SUPPORT FOR ADOPTIVE, FOSTER, AND KINSHIP FAMILIES.

262.8 Subdivision 1. Program established. The commissioner shall design and implement a coordinated program to reduce the need for placement changes or out-of-home placements of children and youth in foster care, adoptive placements, and permanent physical and legal custody kinship placements, and to improve the functioning and stability of these families. To the extent federal funds are available, the commissioner shall provide the following adoption and foster care-competent services and ensure that placements are trauma-informed and child and family-centered:

262.9 (1) a program providing information, referrals, a parent-to-parent support network, peer support for youth, family activities, respite care, crisis services, educational support, and mental health services for children and youth in adoption, foster care, and kinship placements and adoptive, foster, and kinship families in Minnesota;

262.10 (2) training offered statewide in Minnesota for adoptive and kinship families, and training for foster families, and the professionals who serve the families, on the effects of trauma, common disabilities of adopted children and children in foster care, and kinship placements, and challenges in adoption, foster care, and kinship placements; and

262.11 (3) periodic evaluation of these services to ensure program effectiveness in preserving and improving the success of adoptive, foster, and kinship placements.

262.12 Subd. 2. Definitions. (a) The definitions in this subdivision apply to this section.

262.13 (b) "Child and family-centered" means individualized services that respond to a child's or youth's strengths, interests, and current developmental stage, including social, cognitive, emotional, physical, cultural, racial, and spiritual needs, and offer support to the entire adoptive, foster, or kinship family.
(c) "Trauma-informed" means care that acknowledges the effect trauma has on children and the children's families; modifies services to respond to the effects of trauma; emphasizes skill and strength-building rather than symptom management; and focuses on the physical and psychological safety of the child and family.

Sec. 16. Minnesota Statutes 2016, section 256P.06, subdivision 2, is amended to read:

Subd. 2. Exempted individuals. (a) The following members of an assistance unit under chapters 119B and 256J are exempt from having their earned income count towards the income of an assistance unit:

1. children under six years old;
2. caregivers under 20 years of age enrolled at least half-time in school; and
3. minors enrolled in school full time.

(b) The following members of an assistance unit are exempt from having their earned and unearned income count towards the income of an assistance unit for 12 consecutive calendar months, beginning the month following the marriage date, for benefits under chapter 256J if the household income does not exceed 275 percent of the federal poverty guideline:

1. a new spouse to a caretaker in an existing assistance unit; and
2. the spouse designated by a newly married couple, both of whom were already members of an assistance unit under chapter 256J.

(c) If members identified in paragraph (b) also receive assistance under section 119B.05, they are exempt from having their earned and unearned income count towards the income of the assistance unit if the household income prior to the exemption does not exceed 67 percent of the state median income for recipients for 26 consecutive biweekly periods beginning the second biweekly period after the marriage date.

EFFECTIVE DATE. This section is effective December 1, 2018.

Sec. 17. Minnesota Statutes 2016, section 260C.451, subdivision 6, is amended to read:

Subd. 6. Reentering foster care and accessing services after 18 years of age and up to 21 years of age. (a) Upon request of an individual who had been under the guardianship of the commissioner and who has left foster care without being adopted, the responsible social services agency which had been the commissioner's agent for purposes of the guardianship shall develop with the individual a plan to increase the individual's ability to live safely and independently using the plan requirements of section 260C.212, subdivision...
1, paragraph (c), clause (12), and to assist the individual to meet one or more of the eligibility criteria in subdivision 4 if the individual wants to reenter foster care. The responsible social services agency shall provide foster care as required to implement the plan. The responsible social services agency shall enter into a voluntary placement agreement under section 260C.229 with the individual if the plan includes foster care.

(b) Individuals who had not been under the guardianship of the commissioner of human services prior to 18 years of age may ask to reenter foster care after age 18 and, to the extent funds are available, the responsible social services agency that had responsibility for planning for the individual before discharge from foster care may provide foster care or other services to the individual for the purpose of increasing the individual's ability to live safely and independently and to meet the eligibility criteria in subdivision 3a, if the individual:

(1) was in foster care for the six consecutive months prior to the person's 18th birthday, or left foster care within six months prior to the person's 18th birthday, and was not discharged home, adopted, or received into a relative's home under a transfer of permanent legal and physical custody under section 260C.515, subdivision 4; or

(2) was discharged from foster care while on runaway status after age 15.

(c) In conjunction with a qualifying and eligible individual under paragraph (b) and other appropriate persons, the responsible social services agency shall develop a specific plan related to that individual's vocational, educational, social, or maturational needs and, to the extent funds are available, provide foster care as required to implement the plan. The responsible social services agency shall enter into a voluntary placement agreement with the individual if the plan includes foster care.

(d) A child who left foster care while under guardianship of the commissioner of human services retains eligibility for foster care for placement at any time prior to 21 years of age.

Sec. 18. MINNESOTA BIRTH TO AGE EIGHT PILOT PROJECT.

Subdivision 1. Authorization. The commissioner of human services shall award a grant to Dakota County to develop and implement pilots that will evaluate the impact of a coordinated systems and service delivery approach on key developmental milestones and outcomes that ultimately lead to reading proficiency by age eight within the target population. The pilot program is from July 1, 2017, to June 30, 2021.

Subd. 2. Pilot design and goals. The pilot will establish five key developmental milestone markers from birth to age eight. Enrollees in the pilot will be developmentally assessed and tracked by a technology solution that tracks developmental milestones along the established
developmental continuum. If a child's progress falls below established milestones and the
weighted scoring, the coordinated service system will focus on identified areas of concern,
mobilize appropriate supportive services, and offer services to identified children and their
families.

Subd. 3. Program participants in phase 1 target population. Pilot program participants
must:
(1) be enrolled in a Women's Infant & Children (WIC) program;
(2) be participating in a family home visiting program, or nurse family practice, or
Healthy Families America (HFA);
(3) be children and families qualifying for and participating in early language learners
(ELL) in the school district in which they reside; and
(4) opt-in and provide parental consent to participate in the pilot project.

Subd. 4. Evaluation and report. The county or counties shall work with a third-party
evaluator to evaluate the effectiveness of the pilot and report to the legislative committees
with jurisdiction over human services policy and finance each year by February 1 with an
update on the progress of the pilot. The final report on the pilot is due January 1, 2022.

Sec. 19. MINNESOTA PATHWAYS TO PROSPERITY PILOT PROJECT.

Subdivision 1. Authorization. The commissioner of human services may develop a
pilot project that shall test an alternative financing model for the distribution of publicly
funded benefits. The commissioner may work with interested counties to develop the pilot
and determine the waivers that are necessary to implement the pilot project based on the
pilot design in subdivisions 2 and 3, and outcome measures in subdivision 4.

Subd. 2. Pilot project goals. The goals of the pilot project are to:
(1) reduce the historical separation among the state programs and systems affecting
families who are receiving public assistance;
(2) eliminate, where possible, funding restrictions to allow a more comprehensive
approach to the needs of the families in the pilot project; and
(3) focus on upstream, prevention-oriented supports and interventions.

Subd. 3. Project participants. The pilot project developed by the commissioner may
include requirements that participants:
(1) be 26 years of age or younger with a minimum of one child;
(2) voluntarily agree to participate in the pilot project;

(3) be eligible for, applying for, or receiving public benefits including but not limited to housing assistance, education supports, employment supports, child care, transportation supports, medical assistance, earned income tax credit, or the child care tax credit; and

(4) be enrolled in an education program that is focused on obtaining a career that will likely result in a livable wage.

Subd. 4. Outcomes. The outcome measures for the pilot project must include:

(1) improvement in the affordability, safety, and permanence of suitable housing;

(2) improvement in family functioning and stability, including in the areas of behavioral health, incarceration, involvement with the child welfare system, or equivalent indicators;

(3) improvement in education readiness and outcomes for parents and children from early childhood through high school, including reduction in absenteeism, preschool readiness scores, third grade reading competency, graduation, GPA, and standardized test improvement;

(4) improvement in attachment to the workforce of one or both parents, including enhanced job stability; wage gains; career advancement; progress in career preparation; or an equivalent combination of these or related measures; and

(5) improvement in health care access and health outcomes for parents and children.

Sec. 20. INDIAN CHILD WELFARE ACT COMPLIANCE SYSTEM REVIEW.

By February 1, 2018, the commissioner of human services shall report back to the legislature on a system for the review of cases reported by counties for aid payments under Minnesota Statutes, section 477A.0126, for compliance with the Indian Child Welfare Act and the Minnesota Indian Family Preservation Act. The proposed case review system may include, but is not limited to, the cases to be reviewed, the criteria to be reviewed to demonstrate compliance with the Indian Child Welfare Act and the Minnesota Indian Family Preservation Act, the rate of noncompliance, and training.

Sec. 21. MOBILE FOOD SHELF GRANTS.

Subdivision 1. Grant amount. Hunger Solutions shall award grants on a priority basis under subdivision 3. A grant to sustain an existing mobile program shall not exceed $25,000. A grant to create a new mobile program shall not exceed $75,000.

Subd. 2. Application contents. An applicant for a grant under this section must provide the following information to Hunger Solutions:
(1) the location of the project;

(2) a description of the mobile program, including the program's size and scope;

(3) evidence regarding the unserved or underserved nature of the community in which the project is to be located;

(4) evidence of community support for the project;

(5) the total cost of the project;

(6) the amount of the grant request and how funds will be used;

(7) sources of funding or in-kind contributions for the project that may supplement any grant award;

(8) the applicant's commitment to maintain the mobile program; and

(9) any additional information requested by Hunger Solutions.

Subd. 3. **Awarding grants.** In evaluating applications and awarding grants, Hunger Solutions must give priority to an applicant who:

(1) serves unserved or underserved areas;

(2) creates a new mobile program or expands an existing mobile program;

(3) serves areas where a high level of need is identified;

(4) provides evidence of strong support for the project from residents and other institutions in the community;

(5) leverages funding for the project from other private and public sources; and

(6) commits to maintaining the program on a multiyear basis.

Sec. 22. **CHILD CARE CORRECTION ORDER POSTING GUIDELINES.**

No later than November 1, 2017, the commissioner shall develop guidelines for posting public licensing data for licensed child care programs. In developing the guidelines, the commissioner shall consult with stakeholders, including licensed child care center providers, family child care providers, and county agencies.

Sec. 23. **REPEALER.**

Minnesota Statutes 2016, sections 13.468; 179A.50; 179A.51; 179A.52; 179A.53; and 256J.626, subdivision 5, are repealed.
ARTICLE 8

CHEMICAL AND MENTAL HEALTH SERVICES

Section 1. [245.4662] GRANT PROGRAM; MENTAL HEALTH INNOVATION.

Subdivision 1. Definitions. (a) For purposes of this section, the following terms have the meanings given them.

(b) "Community partnership" means a project involving the collaboration of two or more eligible applicants.

(c) "Eligible applicant" means an eligible county, Indian tribe, mental health service provider, hospital, or community partnership. Eligible applicant does not include a state-operated direct care and treatment facility or program under chapter 246.

(d) "Intensive residential treatment services" has the meaning given in section 256B.0622, subdivision 2.

(e) "Metropolitan area" means the seven-county metropolitan area, as defined in section 473.121, subdivision 2.

Subd. 2. Grants authorized. The commissioner of human services shall, in consultation with stakeholders, award grants to eligible applicants to plan, establish, or operate programs to improve accessibility and quality of community-based, outpatient mental health services and reduce the number of clients admitted to regional treatment centers and community behavioral health hospitals. This is a onetime appropriation that is available until June 30, 2021. The commissioner shall award half of all grant funds to eligible applicants in the metropolitan area and half of all grant funds to eligible applicants outside the metropolitan area. An applicant may apply for and the commissioner may award grants for two-year periods.

Subd. 3. Allocation of grants. (a) An application must be on a form and contain information as specified by the commissioner but at a minimum must contain:

(1) a description of the purpose or project for which grant funds will be used;

(2) a description of the specific problem the grant funds will address;

(3) a letter of support from the local mental health authority;

(4) a description of achievable objectives, a work plan, and a timeline for implementation and completion of processes or projects enabled by the grant; and

(5) a process for documenting and evaluating results of the grant.
(b) The commissioner shall review each application to determine whether the application is complete and whether the applicant and the project are eligible for a grant. In evaluating applications according to paragraph (c), the commissioner shall establish criteria including, but not limited to: the eligibility of the project; the applicant's thoroughness and clarity in describing the problem grant funds are intended to address; a description of the applicant's proposed project; a description of the population demographics and service area of the proposed project; the manner in which the applicant will demonstrate the effectiveness of any projects undertaken; the proposed project's longevity and demonstrated financial sustainability after the initial grant period; and evidence of efficiencies and effectiveness gained through collaborative efforts. The commissioner may also consider other relevant factors. In evaluating applications, the commissioner may request additional information regarding a proposed project, including information on project cost. An applicant's failure to provide the information requested disqualifies an applicant. The commissioner shall determine the number of grants awarded.

(c) Eligible applicants may receive grants under this section for purposes including, but not limited to, the following:

(1) intensive residential treatment services providing time-limited mental health services in a residential setting;

(2) the creation of stand-alone urgent care centers for mental health and psychiatric consultation services, crisis residential services, or collaboration between crisis teams and critical access hospitals;

(3) establishing new community mental health services or expanding the capacity of existing services, including supportive housing; and

(4) other innovative projects that improve options for mental health services in community settings and reduce the number of clients who remain in regional treatment centers and community behavioral health hospitals beyond when discharge is determined to be clinically appropriate.

Subd. 4. Report to legislature. By December 1, 2019, the commissioner of human services shall deliver a report to the chairs and ranking minority members of the legislative committees with jurisdiction over mental health issues on the outcomes of the projects funded under this section. The report shall, at a minimum, include the amount of funding awarded for each project, a description of the programs and services funded, plans for the long-term sustainability of the projects, and data on outcomes for the programs and services.
Grantees must provide information and data requested by the commissioner to support the development of this report.

Sec. 2. Minnesota Statutes 2016, section 245.4889, subdivision 1, is amended to read:

Establishment and authority. (a) The commissioner is authorized to make grants from available appropriations to assist:

(1) counties;

(2) Indian tribes;

(3) children’s collaboratives under section 124D.23 or 245.493; or

(4) mental health service providers.

(b) The following services are eligible for grants under this section:

(1) services to children with emotional disturbances as defined in section 245.4871, subdivision 15, and their families;

(2) transition services under section 245.4875, subdivision 8, for young adults under age 21 and their families;

(3) respite care services for children with severe emotional disturbances who are at risk of out-of-home placement;

(4) children’s mental health crisis services;

(5) mental health services for people from cultural and ethnic minorities;

(6) children’s mental health screening and follow-up diagnostic assessment and treatment;

(7) services to promote and develop the capacity of providers to use evidence-based practices in providing children's mental health services;

(8) school-linked mental health services, including transportation for children receiving school-linked mental health services when school is not in session;

(9) building evidence-based mental health intervention capacity for children birth to age five;

(10) suicide prevention and counseling services that use text messaging statewide;

(11) mental health first aid training;
(12) training for parents, collaborative partners, and mental health providers on the impact of adverse childhood experiences and trauma and development of an interactive Web site to share information and strategies to promote resilience and prevent trauma;

(13) transition age services to develop or expand mental health treatment and supports for adolescents and young adults 26 years of age or younger;

(14) early childhood mental health consultation;

(15) evidence-based interventions for youth at risk of developing or experiencing a first episode of psychosis, and a public awareness campaign on the signs and symptoms of psychosis; and

(16) psychiatric consultation for primary care practitioners; and

(17) providers to begin operations and meet program requirements when establishing a new children's mental health program. These may be start-up grants.

(c) Services under paragraph (b) must be designed to help each child to function and remain with the child's family in the community and delivered consistent with the child's treatment plan. Transition services to eligible young adults under this paragraph (b) must be designed to foster independent living in the community.

EFFECTIVE DATE. Clause (17) is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2016, section 245.91, subdivision 4, is amended to read:

Subd. 4. Facility or program. "Facility" or "program" means a nonresidential or residential program as defined in section 245A.02, subdivisions 10 and 14, that is required to be licensed by the commissioner of human services, and any agency, facility, or program that provides services or treatment for mental illness, developmental disabilities, chemical dependency, or emotional disturbance that is required to be licensed, certified, or registered by the commissioner of human services, health, or education; and an acute care inpatient facility that provides services or treatment for mental illness, developmental disabilities, chemical dependency, or emotional disturbance.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 4. Minnesota Statutes 2016, section 245.91, subdivision 6, is amended to read:

Subd. 6. Serious injury. "Serious injury" means:

(1) fractures;
(2) dislocations;

(3) evidence of internal injuries;

(4) head injuries with loss of consciousness or potential for a closed head injury or concussi

(5) lacerations involving injuries to tendons or organs, and those for which complications are present;

(6) extensive second-degree or third-degree burns, and other burns for which complications are present;

(7) extensive second-degree or third-degree frostbite, and others for which complications are present;

(8) irreversible mobility or avulsion of teeth;

(9) injuries to the eyeball;

(10) ingestion of foreign substances and objects that are harmful;

(11) near drowning;

(12) heat exhaustion or sunstroke; and

(13) attempted suicide; and

(14) all other injuries and incidents considered serious after an assessment by a health care professional, including but not limited to self-injurious behavior, a medication error requiring medical treatment, a suspected delay of medical treatment, a complication of a previous injury, or a complication of medical treatment for an injury.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 5. Minnesota Statutes 2016, section 245.94, subdivision 1, is amended to read:

Subdivision 1. Powers. (a) The ombudsman may prescribe the methods by which complaints to the office are to be made, reviewed, and acted upon. The ombudsman may not levy a complaint fee.

(b) The ombudsman is a health oversight agency as defined in Code of Federal Regulations, title 45, section 164.501. The ombudsman may access patient records according to Code of Federal Regulations, title 42, section 2.53. For purposes of this paragraph,
"records" has the meaning given in Code of Federal Regulations, title 42, section 2.53(a)(1)(i).

(c) The ombudsman may mediate or advocate on behalf of a client.

(d) The ombudsman may investigate the quality of services provided to clients and determine the extent to which quality assurance mechanisms within state and county government work to promote the health, safety, and welfare of clients, other than clients in acute care facilities who are receiving services not paid for by public funds. The ombudsman is a health oversight agency as defined in Code of Federal Regulations, title 45, section 164.501.

(e) At the request of a client, or upon receiving a complaint or other information affording reasonable grounds to believe that the rights of a client one or more clients who may not be capable of requesting assistance have been adversely affected, the ombudsman may gather information and data about and analyze, on behalf of the client, the actions of an agency, facility, or program.

(f) The ombudsman may gather, on behalf of a client one or more clients, records of an agency, facility, or program, or records related to clinical drug trials from the University of Minnesota Department of Psychiatry, if the records relate to a matter that is within the scope of the ombudsman's authority. If the records are private and the client is capable of providing consent, the ombudsman shall first obtain the client's consent. The ombudsman is not required to obtain consent for access to private data on clients with developmental disabilities and individuals served by the Minnesota sex offender program. The ombudsman may also take photographic or videographic evidence while reviewing the actions of an agency, facility, or program, with the consent of the client. The ombudsman is not required to obtain consent for access to private data on decedents who were receiving services for mental illness, developmental disabilities, chemical dependency, or emotional disturbance.

All data collected, created, received, or maintained by the ombudsman are governed by chapter 13 and other applicable law.

(g) Notwithstanding any law to the contrary, the ombudsman may subpoena a person to appear, give testimony, or produce documents or other evidence that the ombudsman considers relevant to a matter under inquiry. The ombudsman may petition the appropriate court in Ramsey County to enforce the subpoena. A witness who is at a hearing or is part of an investigation possesses the same privileges that a witness possesses in the courts or under the law of this state. Data obtained from a person under this paragraph are private data as defined in section 13.02, subdivision 12.
The ombudsman may, at reasonable times in the course of conducting a review, enter and view premises within the control of an agency, facility, or program.

The ombudsman may attend Department of Human Services Review Board and Special Review Board proceedings; proceedings regarding the transfer of clients, as defined in section 246.50, subdivision 4, between institutions operated by the Department of Human Services; and, subject to the consent of the affected client, other proceedings affecting the rights of clients. The ombudsman is not required to obtain consent to attend meetings or proceedings and have access to private data on clients with developmental disabilities and individuals served by the Minnesota sex offender program.

The ombudsman shall gather data of agencies, facilities, or programs classified as private or confidential as defined in section 13.02, subdivisions 3 and 12, regarding services provided to clients with developmental disabilities and individuals served by the Minnesota sex offender program.

To avoid duplication and preserve evidence, the ombudsman shall inform relevant licensing or regulatory officials before undertaking a review of an action of the facility or program.

The Office of Ombudsman shall provide the services of the Civil Commitment Training and Resource Center.

The ombudsman shall monitor the treatment of individuals participating in a University of Minnesota Department of Psychiatry clinical drug trial and ensure that all protections for human subjects required by federal law and the Institutional Review Board are provided.

Sections 245.91 to 245.97 are in addition to other provisions of law under which any other remedy or right is provided.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 6. Minnesota Statutes 2016, section 245.97, subdivision 6, is amended to read:

**Terms, compensation, and removal.** The membership terms, compensation, and removal of members of the committee and the filling of membership vacancies are governed by section 15.0575 15.0597.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 7. Minnesota Statutes 2016, section 245A.03, subdivision 2, is amended to read:

Subd. 2. Exclusion from licensure. (a) This chapter does not apply to:

(b) residential or nonresidential programs that are provided to a person by an individual who is related unless the residential program is a child foster care placement made by a local social services agency or a licensed child-placing agency, except as provided in subdivision 2a;

(c) nonresidential programs that are provided by an unrelated individual to persons from a single related family;

(d) residential or nonresidential programs that are provided to adults who do not abuse chemicals or who do not have a chemical dependency, misuse substances or have a substance use disorder, a mental illness, a developmental disability, a functional impairment, or a physical disability;

(e) sheltered workshops or work activity programs that are certified by the commissioner of employment and economic development;

(f) programs operated by a public school for children 33 months or older;

(g) nonresidential programs primarily for children that provide care or supervision for periods of less than three hours a day while the child's parent or legal guardian is in the same building as the nonresidential program or present within another building that is directly contiguous to the building in which the nonresidential program is located;

(h) nursing homes or hospitals licensed by the commissioner of health except as specified under section 245A.02;

(i) board and lodge facilities licensed by the commissioner of health that do not provide children's residential services under Minnesota Rules, chapter 2960, mental health or chemical dependency treatment;

(j) homes providing programs for persons placed by a county or a licensed agency for legal adoption, unless the adoption is not completed within two years;

(k) programs licensed by the commissioner of corrections;

(l) recreation programs for children or adults that are operated or approved by a park and recreation board whose primary purpose is to provide social and recreational activities;

(m) programs operated by a school as defined in section 120A.22, subdivision 4; YMCA as defined in section 315.44; YWCA as defined in section 315.44; or JCC as defined in...
section 315.51, whose primary purpose is to provide child care or services to school-age children;

(13) Head Start nonresidential programs which operate for less than 45 days in each calendar year;

(14) noncertified boarding care homes unless they provide services for five or more persons whose primary diagnosis is mental illness or a developmental disability;

(15) programs for children such as scouting, boys clubs, girls clubs, and sports and art programs, and nonresidential programs for children provided for a cumulative total of less than 30 days in any 12-month period;

(16) residential programs for persons with mental illness, that are located in hospitals;

(17) the religious instruction of school-age children; Sabbath or Sunday schools; or the congregate care of children by a church, congregation, or religious society during the period used by the church, congregation, or religious society for its regular worship;

(18) camps licensed by the commissioner of health under Minnesota Rules, chapter 4630;

(19) mental health outpatient services for adults with mental illness or children with emotional disturbance;

(20) residential programs serving school-age children whose sole purpose is cultural or educational exchange, until the commissioner adopts appropriate rules;

(21) community support services programs as defined in section 245.462, subdivision 6, and family community support services as defined in section 245.4871, subdivision 17;

(22) the placement of a child by a birth parent or legal guardian in a preadoptive home for purposes of adoption as authorized by section 259.47;

(23) settings registered under chapter 144D which provide home care services licensed by the commissioner of health to fewer than seven adults;

(24) chemical dependency or substance abuse use disorder treatment activities of licensed professionals in private practice as defined in Minnesota Rules, part 9530.6405, subpart 15, when the treatment activities are not paid for by the consolidated chemical dependency treatment fund section 245G.01, subdivision 17;

(25) consumer-directed community support service funded under the Medicaid waiver for persons with developmental disabilities when the individual who provided the service is:
(i) the same individual who is the direct payee of these specific waiver funds or paid by
a fiscal agent, fiscal intermediary, or employer of record; and
(ii) not otherwise under the control of a residential or nonresidential program that is
required to be licensed under this chapter when providing the service;
(26) a program serving only children who are age 33 months or older, that is operated
by a nonpublic school, for no more than four hours per day per child, with no more than 20
children at any one time, and that is accredited by:
(i) an accrediting agency that is formally recognized by the commissioner of education
as a nonpublic school accrediting organization; or
(ii) an accrediting agency that requires background studies and that receives and
investigates complaints about the services provided.
A program that asserts its exemption from licensure under item (ii) shall, upon request
from the commissioner, provide the commissioner with documentation from the accrediting
agency that verifies: that the accreditation is current; that the accrediting agency investigates
complaints about services; and that the accrediting agency’s standards require background
studies on all people providing direct contact services; or
(27) a program operated by a nonprofit organization incorporated in Minnesota or another
state that serves youth in kindergarten through grade 12; provides structured, supervised
youth development activities; and has learning opportunities take place before or after
school, on weekends, or during the summer or other seasonal breaks in the school calendar.
A program exempt under this clause is not eligible for child care assistance under chapter
119B. A program exempt under this clause must:
(i) have a director or supervisor on site who is responsible for overseeing written policies
relating to the management and control of the daily activities of the program, ensuring the
health and safety of program participants, and supervising staff and volunteers;
(ii) have obtained written consent from a parent or legal guardian for each youth
participating in activities at the site; and
(iii) have provided written notice to a parent or legal guardian for each youth at the site
that the program is not licensed or supervised by the state of Minnesota and is not eligible
to receive child care assistance payments;
(28) a county that is an eligible vendor under section 254B.05 to provide care coordination
and comprehensive assessment services; or
(29) a recovery community organization that is an eligible vendor under section 254B.05
to provide peer recovery support services.
(b) For purposes of paragraph (a), clause (6), a building is directly contiguous to a
building in which a nonresidential program is located if it shares a common wall with the
building in which the nonresidential program is located or is attached to that building by
skyway, tunnel, atrium, or common roof.
(c) Except for the home and community-based services identified in section 245D.03,
subdivision 1, nothing in this chapter shall be construed to require licensure for any services
provided and funded according to an approved federal waiver plan where licensure is
specifically identified as not being a condition for the services and funding.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 8. Minnesota Statutes 2016, section 245A.191, is amended to read:

245A.191 PROVIDER ELIGIBILITY FOR PAYMENTS FROM THE CHEMICAL
DEPENDENCY CONSOLIDATED TREATMENT FUND.
(a) When a chemical dependency substance use disorder treatment provider licensed
under this chapter, and governed by the standards of chapter 245G or Minnesota Rules,
parts 2960.0430 to 2960.0490 or 9530.6405 to 9530.6505, agrees to meet the applicable
requirements under section 254B.05, subdivision 5, paragraphs (b), clauses (1) to (4) and
(6), (c), and (e), to be eligible for enhanced funding from the chemical dependency
consolidated treatment fund, the applicable requirements under section 254B.05 are also
licensing requirements that may be monitored for compliance through licensing investigations
and licensing inspections.
(b) Noncompliance with the requirements identified under paragraph (a) may result in:
(1) a correction order or a conditional license under section 245A.06, or sanctions under
section 245A.07;
(2) nonpayment of claims submitted by the license holder for public program
reimbursement;
(3) recovery of payments made for the service;
(4) disenrollment in the public payment program; or
(5) other administrative, civil, or criminal penalties as provided by law.

EFFECTIVE DATE. This section is effective January 1, 2018.
Sec. 9. [245G.01] DEFINITIONS.

Subd. 1. Scope. The terms used in this chapter have the meanings given them.

Subd. 2. Administration of medication. "Administration of medication" means providing a medication to a client, and includes the following tasks, performed in the following order:

1. checking the client's medication record;
2. preparing the medication for administration;
3. administering the medication to the client;
4. documenting the administration of the medication, or the reason for not administering a medication as prescribed; and
5. reporting information to a licensed practitioner or a nurse regarding a problem with the administration of medication or the client's refusal to take the medication, if applicable.

Subd. 3. Adolescent. "Adolescent" means an individual under 18 years of age.

Subd. 4. Alcohol and drug counselor. "Alcohol and drug counselor" has the meaning given in section 148F.01, subdivision 5.

Subd. 5. Applicant. "Applicant" has the meaning given in section 245A.02, subdivision 3.

Subd. 6. Capacity management system. "Capacity management system" means a database maintained by the department to compile and make information available to the public about the waiting list status and current admission capability of each opioid treatment program.

Subd. 7. Central registry. "Central registry" means a database maintained by the department to collect identifying information from two or more programs about an individual applying for maintenance treatment or detoxification treatment for opioid addiction to prevent an individual's concurrent enrollment in more than one program.

Subd. 8. Client. "Client" means an individual accepted by a license holder for assessment or treatment of a substance use disorder. An individual remains a client until the license holder no longer provides or intends to provide the individual with treatment service.

Subd. 9. Commissioner. "Commissioner" means the commissioner of human services.

Subd. 11. Department. "Department" means the Department of Human Services.
Subd. 12. **Direct contact.** "Direct contact" has the meaning given for "direct contact" in section 245C.02, subdivision 11.

Subd. 13. **Face-to-face.** "Face-to-face" means two-way, real-time, interactive and visual communication between a client and a treatment service provider and includes services delivered in person or via telemedicine.

Subd. 14. **License.** "License" has the meaning given in section 245A.02, subdivision 8.

Subd. 15. **License holder.** "License holder" has the meaning given in section 245A.02, subdivision 9.

Subd. 16. **Licensed practitioner.** "Licensed practitioner" means an individual who is authorized to prescribe medication as defined in section 151.01, subdivision 23.

Subd. 17. **Licensed professional in private practice.** "Licensed professional in private practice" means an individual who:

1. is licensed under chapter 148F, or is exempt from licensure under that chapter but is otherwise licensed to provide alcohol and drug counseling services;
2. practices solely within the permissible scope of the individual's license as defined in the law authorizing licensure; and
3. does not affiliate with other licensed or unlicensed professionals to provide alcohol and drug counseling services. Affiliation does not include conferring with another professional or making a client referral.

Subd. 18. **Nurse.** "Nurse" means an individual licensed and currently registered to practice professional or practical nursing as defined in section 148.171, subdivisions 14 and 15.

Subd. 19. **Opioid treatment program or OTP.** "Opioid treatment program" or "OTP" means a program or practitioner engaged in opioid treatment of an individual that provides dispensing of an opioid agonist treatment medication, along with a comprehensive range of medical and rehabilitative services, when clinically necessary, to an individual to alleviate the adverse medical, psychological, or physical effects of an opioid addiction. OTP includes detoxification treatment, short-term detoxification treatment, long-term detoxification treatment, maintenance treatment, comprehensive maintenance treatment, and interim maintenance treatment.

Subd. 20. **Paraprofessional.** "Paraprofessional" means an employee, agent, or independent contractor of the license holder who performs tasks to support treatment service.
A paraprofessional may be referred to by a variety of titles including but not limited to technician, case aide, or counselor assistant. If currently a client of the license holder, the client cannot be a paraprofessional for the license holder.

Subd. 21. Student intern. "Student intern" means an individual who is authorized by a licensing board to provide services under supervision of a licensed professional.

Subd. 22. Substance. "Substance" means alcohol, solvents, controlled substances as defined in section 152.01, subdivision 4, and other mood-altering substances.

Subd. 23. Substance use disorder. "Substance use disorder" has the meaning given in the current Diagnostic and Statistical Manual of Mental Disorders.

Subd. 24. Substance use disorder treatment. "Substance use disorder treatment" means treatment of a substance use disorder, including the process of assessment of a client's needs, development of planned methods, including interventions or services to address a client's needs, provision of services, facilitation of services provided by other service providers, and ongoing reassessment by a qualified professional when indicated. The goal of substance use disorder treatment is to assist or support the client's efforts to recover from a substance use disorder.

Subd. 25. Target population. "Target population" means individuals with a substance use disorder and the specified characteristics that a license holder proposes to serve.

Subd. 26. Telemedicine. "Telemedicine" means the delivery of a substance use disorder treatment service while the client is at an originating site and the licensed health care provider is at a distant site as specified in section 254B.05, subdivision 5, paragraph (f).

Subd. 27. Treatment director. "Treatment director" means an individual who meets the qualifications specified in section 245G.11, subdivisions 1 and 3, and is designated by the license holder to be responsible for all aspects of the delivery of treatment service.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 10. [245G.02] APPLICABILITY.

Subdivision 1. Applicability. Except as provided in subdivisions 2 and 3, no person, corporation, partnership, voluntary association, controlling individual, or other organization may provide a substance use disorder treatment service to an individual with a substance use disorder unless licensed by the commissioner.

Subd. 2. Exemption from license requirement. This chapter does not apply to a county or recovery community organization that is providing a service for which the county or
recovery community organization is an eligible vendor under section 254B.05. This chapter
does not apply to an organization whose primary functions are information, referral,
diagnosis, case management, and assessment for the purposes of client placement, education,
support group services, or self-help programs. This chapter does not apply to the activities
of a licensed professional in private practice.

Subd. 3. Excluded hospitals. This chapter does not apply to substance use disorder
treatment provided by a hospital licensed under chapter 62J, or under sections 144.50 to
144.56, unless the hospital accepts funds for substance use disorder treatment from the
consolidated chemical dependency treatment fund under chapter 254B, medical assistance
under chapter 256B, or MinnesotaCare or health care cost containment under chapter 256L,
or general assistance medical care formerly codified in chapter 256D.

Subd. 4. Applicability of Minnesota Rules, chapter 2960. A residential adolescent
substance use disorder treatment program serving an individual younger than 16 years of
age must be licensed according to Minnesota Rules, chapter 2960.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 11. [245G.03] LICENSING REQUIREMENTS.

Subdivision 1. License requirements. (a) An applicant for a license to provide substance
use disorder treatment must comply with the general requirements in chapters 245A and
245C, sections 626.556 and 626.557, and Minnesota Rules, chapter 9544.

(b) The commissioner may grant variances to the requirements in this chapter that do
not affect the client's health or safety if the conditions in section 245A.04, subdivision 9,
are met.

Subd. 2. Application. Before the commissioner issues a license, an applicant must
submit, on forms provided by the commissioner, any documents the commissioner requires.

Subd. 3. Change in license terms. (a) The commissioner must determine whether a
new license is needed when a change in clauses (1) to (4) occurs. A license holder must
notify the commissioner before a change in one of the following occurs:

(1) the Department of Health's licensure of the program;

(2) whether the license holder provides services specified in sections 245G.18 to 245G.22;

(3) location; or

(4) capacity if the license holder meets the requirements of section 245G.21.
Sec. 12. [245G.04] INITIAL SERVICES PLAN.

(a) The license holder must complete an initial services plan on the day of service initiation. The plan must address the client's immediate health and safety concerns, identify the needs to be addressed in the first treatment session, and make treatment suggestions for the client during the time between intake and completion of the individual treatment plan.

(b) The initial services plan must include a determination of whether a client is a vulnerable adult as defined in section 626.5572, subdivision 21. An adult client of a residential program is a vulnerable adult. An individual abuse prevention plan, according to sections 245A.65, subdivision 2, paragraph (b), and 626.557, subdivision 14, paragraph (b), is required for a client who meets the definition of vulnerable adult.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 13. [245G.05] COMPREHENSIVE ASSESSMENT AND ASSESSMENT SUMMARY.

Subdivision 1. Comprehensive assessment. (a) A comprehensive assessment of the client's substance use disorder must be administered face-to-face by an alcohol and drug counselor within three calendar days after service initiation for a residential program or during the initial session for all other programs. If the comprehensive assessment is not completed during the initial session, the client-centered reason for the delay must be documented in the client's file and the planned completion date. If the client received a comprehensive assessment that authorized the treatment service, an alcohol and drug counselor must review the assessment to determine compliance with this subdivision, including applicable timelines. If available, the alcohol and drug counselor may use current information provided by a referring agency or other source as a supplement. Information gathered more than 45 days before the date of admission is not considered current. The comprehensive assessment must include sufficient information to complete the assessment summary according to subdivision 2 and the individual treatment plan according to section 245G.06. The comprehensive assessment must include information about the client's needs that relate to substance use and personal strengths that support recovery, including:
(1) age, sex, cultural background, sexual orientation, living situation, economic status, and level of education;

(2) circumstances of service initiation;

(3) previous attempts at treatment for substance misuse or substance use disorder, compulsive gambling, or mental illness;

(4) substance use history including amounts and types of substances used, frequency and duration of use, periods of abstinence, and circumstances of relapse, if any. For each substance used within the previous 30 days, the information must include the date of the most recent use and previous withdrawal symptoms;

(5) specific problem behaviors exhibited by the client when under the influence of substances;

(6) family status, family history, including history or presence of physical or sexual abuse, level of family support, and substance misuse or substance use disorder of a family member or significant other;

(7) physical concerns or diagnoses, the severity of the concerns, and whether the concerns are being addressed by a health care professional;

(8) mental health history and psychiatric status, including symptoms, disability, current treatment supports, and psychotropic medication needed to maintain stability; the assessment must utilize screening tools approved by the commissioner pursuant to section 245.4863 to identify whether the client screens positive for co-occurring disorders;

(9) arrests and legal interventions related to substance use;

(10) ability to function appropriately in work and educational settings;

(11) ability to understand written treatment materials, including rules and the client's rights;

(12) risk-taking behavior, including behavior that puts the client at risk of exposure to blood-borne or sexually transmitted diseases;

(13) social network in relation to expected support for recovery and leisure time activities that are associated with substance use;

(14) whether the client is pregnant and, if so, the health of the unborn child and the client's current involvement in prenatal care;
(15) whether the client recognizes problems related to substance use and is willing to follow treatment recommendations; and

(16) collateral information. If the assessor gathered sufficient information from the referral source or the client to apply the criteria in parts 9530.6620 and 9530.6622, a collateral contact is not required.

(b) If the client is identified as having opioid use disorder or seeking treatment for opioid use disorder, the program must provide educational information to the client concerning:

(1) risks for opioid use disorder and dependence;

(2) treatment options, including the use of a medication for opioid use disorder;

(3) the risk of and recognizing opioid overdose; and

(4) the use, availability, and administration of naloxone to respond to opioid overdose.

(c) The commissioner shall develop educational materials that are supported by research and updated periodically. The license holder must use the educational materials that are approved by the commissioner to comply with this requirement.

(d) If the comprehensive assessment is completed to authorize treatment service for the client, at the earliest opportunity during the assessment interview the assessor shall determine if:

(1) the client is in severe withdrawal and likely to be a danger to self or others;

(2) the client has severe medical problems that require immediate attention; or

(3) the client has severe emotional or behavioral symptoms that place the client or others at risk of harm.

If one or more of the conditions in clauses (1) to (3) are present, the assessor must end the assessment interview and follow the procedures in the program's medical services plan under section 245G.08, subdivision 2, to help the client obtain the appropriate services. The assessment interview may resume when the condition is resolved.

Subd. 2. Assessment summary. (a) An alcohol and drug counselor must complete an assessment summary within three calendar days after service initiation for a residential program and within three sessions for all other programs. If the comprehensive assessment is used to authorize the treatment service, the alcohol and drug counselor must prepare an assessment summary on the same date the comprehensive assessment is completed. If the comprehensive assessment and assessment summary are to authorize treatment services,
the assessor must determine appropriate services for the client using the dimensions in Minnesota Rules, part 9530.6622, and document the recommendations.

(b) An assessment summary must include:

(1) a risk description according to section 245G.05 for each dimension listed in paragraph (c);

(2) a narrative summary supporting the risk descriptions; and

(3) a determination of whether the client has a substance use disorder.

(c) An assessment summary must contain information relevant to treatment service planning and recorded in the dimensions in clauses (1) to (6). The license holder must consider:

(1) Dimension 1, acute intoxication/withdrawal potential; the client's ability to cope with withdrawal symptoms and current state of intoxication;

(2) Dimension 2, biomedical conditions and complications; the degree to which any physical disorder of the client would interfere with treatment for substance use, and the client's ability to tolerate any related discomfort. The license holder must determine the impact of continued chemical use on the unborn child, if the client is pregnant;

(3) Dimension 3, emotional, behavioral, and cognitive conditions and complications; the degree to which any condition or complication is likely to interfere with treatment for substance use or with functioning in significant life areas and the likelihood of harm to self or others;

(4) Dimension 4, readiness for change; the support necessary to keep the client involved in treatment service;

(5) Dimension 5, relapse, continued use, and continued problem potential; the degree to which the client recognizes relapse issues and has the skills to prevent relapse of either substance use or mental health problems; and

(6) Dimension 6, recovery environment; whether the areas of the client's life are supportive of or antagonistic to treatment participation and recovery.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 14. [245G.06] INDIVIDUAL TREATMENT PLAN.

Subdivision 1. General. Each client must have an individual treatment plan developed by an alcohol and drug counselor within seven days of service initiation for a residential
program and within three sessions for all other programs. The client must have active, direct
involvement in selecting the anticipated outcomes of the treatment process and developing
the treatment plan. The individual treatment plan must be signed by the client and the alcohol
and drug counselor and document the client's involvement in the development of the plan.
The plan may be a continuation of the initial services plan required in section 245G.04.

Treatment planning must include ongoing assessment of client needs. An individual treatment
plan must be updated based on new information gathered about the client's condition and
on whether methods identified have the intended effect. A change to the plan must be signed
by the client and the alcohol and drug counselor. The plan must provide for the involvement
of the client's family and people selected by the client as important to the success of treatment
at the earliest opportunity, consistent with the client's treatment needs and written consent.

Subd. 2. Plan contents. An individual treatment plan must be recorded in the six
dimensions listed in section 245G.05, subdivision 2, paragraph (c), must address each issue
identified in the assessment summary, prioritized according to the client's needs and focus,
and must include:

(1) specific methods to address each identified need, including amount, frequency, and
anticipated duration of treatment service. The methods must be appropriate to the client's
language, reading skills, cultural background, and strengths;

(2) resources to refer the client to when the client's needs are to be addressed concurrently
by another provider; and

(3) goals the client must reach to complete treatment and terminate services.

Subd. 3. Documentation of treatment services; treatment plan review. (a) A review
of all treatment services must be documented weekly and include a review of:

(1) care coordination activities;

(2) medical and other appointments the client attended;

(3) issues related to medications that are not documented in the medication administration
record; and

(4) issues related to attendance for treatment services, including the reason for any client
absence from a treatment service.

(b) A note must be entered immediately following any significant event. A significant
event is an event that impacts the client's relationship with other clients, staff, the client's
family, or the client's treatment plan.
(c) A treatment plan review must be entered in a client's file weekly or after each treatment service, whichever is less frequent, by the staff member providing the service. The review must indicate the span of time covered by the review and each of the six dimensions listed in section 245G.05, subdivision 2, paragraph (c). The review must:

1. indicate the date, type, and amount of each treatment service provided and the client's response to each service;
2. address each goal in the treatment plan and whether the methods to address the goals are effective;
3. include monitoring of any physical and mental health problems;
4. document the participation of others;
5. document staff recommendations for changes in the methods identified in the treatment plan and whether the client agrees with the change; and
6. include a review and evaluation of the individual abuse prevention plan according to section 245A.65.

(d) Each entry in a client's record must be accurate, legible, signed, and dated. A late entry must be clearly labeled "late entry." A correction to an entry must be made in a way in which the original entry can still be read.

Subd. 4. Service discharge summary. (a) An alcohol and drug counselor must write a discharge summary for each client. The summary must be completed within five days of the client's service termination or within five days from the client's or program's decision to terminate services, whichever is earlier.

(b) The service discharge summary must be recorded in the six dimensions listed in section 245G.05, subdivision 2, paragraph (c), and include the following information:

1. the client's issues, strengths, and needs while participating in treatment, including services provided;
2. the client's progress toward achieving each goal identified in the individual treatment plan;
3. a risk description according to section 245G.05; and
4. the reasons for and circumstances of service termination. If a program discharges a client at staff request, the reason for discharge and the procedure followed for the decision to discharge must be documented and comply with the program's policies on staff-initiated client discharge. If a client is discharged at staff request, the program must give the client
crisis and other referrals appropriate for the client's needs and offer assistance to the client to access the services.

(c) For a client who successfully completes treatment, the summary must also include:

(1) the client's living arrangements at service termination;

(2) continuing care recommendations, including transitions between more or less intense services, or more frequent to less frequent services, and referrals made with specific attention to continuity of care for mental health, as needed;

(3) service termination diagnosis; and

(4) the client's prognosis.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 15. [245G.07] TREATMENT SERVICE.

Subdivision 1. Treatment service. (a) A license holder must offer the following treatment services, unless clinically inappropriate and the justifying clinical rationale is documented:

(1) individual and group counseling to help the client identify and address needs related to substance use and develop strategies to avoid harmful substance use after discharge and to help the client obtain the services necessary to establish a lifestyle free of the harmful effects of substance use disorder;

(2) client education strategies to avoid inappropriate substance use and health problems related to substance use and the necessary lifestyle changes to regain and maintain health.

Client education must include information on tuberculosis education on a form approved by the commissioner, the human immunodeficiency virus according to section 245A.19, other sexually transmitted diseases, drug and alcohol use during pregnancy, and hepatitis. A licensed alcohol and drug counselor must be present during an educational group;

(3) a service to help the client integrate gains made during treatment into daily living and to reduce the client's reliance on a staff member for support;

(4) a service to address issues related to co-occurring disorders, including client education on symptoms of mental illness, the possibility of comorbidity, and the need for continued medication compliance while recovering from substance use disorder. A group must address co-occurring disorders, as needed. When treatment for mental health problems is indicated, the treatment must be integrated into the client's individual treatment plan;
(5) on July 1, 2018, or upon federal approval, whichever is later, peer recovery support services provided one-to-one by an individual in recovery. Peer support services include education, advocacy, mentoring through self-disclosure of personal recovery experiences, attending recovery and other support groups with a client, accompanying the client to appointments that support recovery, assistance accessing resources to obtain housing, employment, education, and advocacy services, and nonclinical recovery support to assist the transition from treatment into the recovery community; and

(6) on July 1, 2018, or upon federal approval, whichever is later, care coordination provided by an individual who meets the staff qualifications in section 245G.11, subdivision 7. Care coordination services include:

(i) assistance in coordination with significant others to help in the treatment planning process whenever possible;

(ii) assistance in coordination with and follow up for medical services as identified in the treatment plan;

(iii) facilitation of referrals to substance use disorder services as indicated by a client's medical provider, comprehensive assessment, or treatment plan;

(iv) facilitation of referrals to mental health services as identified by a client's comprehensive assessment or treatment plan;

(v) assistance with referrals to economic assistance, social services, housing resources, and prenatal care according to the client's needs;

(vi) life skills advocacy and support accessing treatment follow-up, disease management, and education services, including referral and linkages to long-term services and supports as needed; and

(vii) documentation of the provision of care coordination services in the client's file.

(b) A treatment service provided to a client must be provided according to the individual treatment plan and must consider cultural differences and special needs of a client.

Subd. 2. Additional treatment service. A license holder may provide or arrange the following additional treatment service as a part of the client's individual treatment plan:

(1) relationship counseling provided by a qualified professional to help the client identify the impact of the client's substance use disorder on others and to help the client and persons in the client's support structure identify and change behaviors that contribute to the client's substance use disorder;
(2) therapeutic recreation to allow the client to participate in recreational activities without the use of mood-altering chemicals and to plan and select leisure activities that do not involve the inappropriate use of chemicals;

(3) stress management and physical well-being to help the client reach and maintain an appropriate level of health, physical fitness, and well-being;

(4) living skills development to help the client learn basic skills necessary for independent living;

(5) employment or educational services to help the client become financially independent;

(6) socialization skills development to help the client live and interact with others in a positive and productive manner; and

(7) room, board, and supervision at the treatment site to provide the client with a safe and appropriate environment to gain and practice new skills.

Subd. 3. Counselors. A treatment service, including therapeutic recreation, must be provided by an alcohol and drug counselor according to section 245G.11, unless the individual providing the service is specifically qualified according to the accepted credential required to provide the service. Therapeutic recreation does not include planned leisure activities.

Subd. 4. Location of service provision. The license holder may provide services at any of the license holder's licensed locations or at another suitable location including a school, government building, medical or behavioral health facility, or social service organization, upon notification and approval of the commissioner. If services are provided off site from the licensed site, the reason for the provision of services remotely must be documented.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 16. [245G.08] MEDICAL SERVICES.

Subdivision 1. Health care services. An applicant or license holder must maintain a complete description of the health care services, nursing services, dietary services, and emergency physician services offered by the applicant or license holder.

Subd. 2. Procedures. The applicant or license holder must have written procedures for obtaining a medical intervention for a client, that are approved in writing by a physician who is licensed under chapter 147, unless:

(1) the license holder does not provide a service under section 245G.21; and
292.1 (2) a medical intervention is referred to 911, the emergency telephone number, or the client's physician.

292.3 Subd. 3. Standing order protocol. A license holder that maintains a supply of naloxone available for emergency treatment of opioid overdose must have a written standing order protocol by a physician who is licensed under chapter 147, that permits the license holder to maintain a supply of naloxone on site, and must require staff to undergo specific training in administration of naloxone.

292.8 Subd. 4. Consultation services. The license holder must have access to and document the availability of a licensed mental health professional to provide diagnostic assessment and treatment planning assistance.

292.11 Subd. 5. Administration of medication and assistance with self-medication. (a) A license holder must meet the requirements in this subdivision if a service provided includes the administration of medication.

292.15 (b) A staff member, other than a licensed practitioner or nurse, who is delegated by a licensed practitioner or a registered nurse the task of administration of medication or assisting with self-medication, must:

292.21 (1) successfully complete a medication administration training program for unlicensed personnel through an accredited Minnesota postsecondary educational institution. A staff member's completion of the course must be documented in writing and placed in the staff member's personnel file;

292.26 (2) be trained according to a formalized training program that is taught by a registered nurse and offered by the license holder. The training must include the process for administration of naloxone, if naloxone is kept on site. A staff member's completion of the training must be documented in writing and placed in the staff member's personnel records;

292.31 (3) demonstrate to a registered nurse competency to perform the delegated activity. A registered nurse must be employed or contracted to develop the policies and procedures for administration of medication or assisting with self-administration of medication, or both.

292.32 (c) A registered nurse must provide supervision as defined in section 148.171, subdivision 23. The registered nurse's supervision must include, at a minimum, monthly on-site supervision or more often if warranted by a client's health needs. The policies and procedures must include:
(1) a provision that a delegation of administration of medication is limited to the
administration of a medication that is administered orally, topically, or as a suppository, an
eye drop, an ear drop, or an inhalant;

(2) a provision that each client's file must include documentation indicating whether
staff must conduct the administration of medication or the client must self-administer
medication, or both;

(3) a provision that a client may carry emergency medication such as nitroglycerin as
instructed by the client's physician;

(4) a provision for the client to self-administer medication when a client is scheduled to
be away from the facility;

(5) a provision that if a client self-administers medication when the client is present in
the facility, the client must self-administer medication under the observation of a trained
staff member;

(6) a provision that when a license holder serves a client who is a parent with a child,
the parent may only administer medication to the child under a staff member's supervision;

(7) requirements for recording the client's use of medication, including staff signatures
with date and time;

(8) guidelines for when to inform a nurse of problems with self-administration of
medication, including a client's failure to administer, refusal of a medication, adverse
reaction, or error; and

(9) procedures for acceptance, documentation, and implementation of a prescription,
whether written, verbal, telephonic, or electronic.

Subd. 6. Control of drugs. A license holder must have and implement written policies
and procedures developed by a registered nurse that contain:

(1) a requirement that each drug must be stored in a locked compartment. A Schedule
II drug, as defined by section 152.02, subdivision 3, must be stored in a separately locked
compartment, permanently affixed to the physical plant or medication cart;

(2) a system which accounts for all scheduled drugs each shift;

(3) a procedure for recording the client's use of medication, including the signature of
the staff member who completed the administration of the medication with the time and
date;

(4) a procedure to destroy a discontinued, outdated, or deteriorated medication;
a statement that only authorized personnel are permitted access to the keys to a locked compartment;

(6) a statement that no legend drug supply for one client shall be given to another client; and

(7) a procedure for monitoring the available supply of naloxone on site, replenishing the naloxone supply when needed, and destroying naloxone according to clause (4).

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 17. [245G.09] CLIENT RECORDS.

Subdivision 1. **Client records required.** (a) A license holder must maintain a file of current and accurate client records on the premises where the treatment service is provided or coordinated. For services provided off site, client records must be available at the program and adhere to the same clinical and administrative policies and procedures as services provided on site. The content and format of client records must be uniform and entries in each record must be signed and dated by the staff member making the entry. Client records must be protected against loss, tampering, or unauthorized disclosure according to section 254A.09, chapter 13, and Code of Federal Regulations, title 42, chapter 1, part 2, subpart B, sections 2.1 to 2.67, and title 45, parts 160 to 164.

(b) The program must have a policy and procedure that identifies how the program will track and record client attendance at treatment activities, including the date, duration, and nature of each treatment service provided to the client.

Subd. 2. **Record retention.** The client records of a discharged client must be retained by a license holder for seven years. A license holder that ceases to provide treatment service must retain client records for seven years from the date of facility closure and must notify the commissioner of the location of the client records and the name of the individual responsible for maintaining the client's records.

Subd. 3. **Contents.** Client records must contain the following:

(1) documentation that the client was given information on client rights and responsibilities, grievance procedures, tuberculosis, and HIV, and that the client was provided an orientation to the program abuse prevention plan required under section 245A.65,

subdivision 2, paragraph (a), clause (4). If the client has an opioid use disorder, the record must contain documentation that the client was provided educational information according to section 245G.05, subdivision 1, paragraph (b);
(2) an initial services plan completed according to section 245G.04;

(3) a comprehensive assessment completed according to section 245G.05;

(4) an assessment summary completed according to section 245G.05, subdivision 2;

(5) an individual abuse prevention plan according to sections 245A.65, subdivision 2, and 626.557, subdivision 14, when applicable;

(6) an individual treatment plan according to section 245G.06, subdivisions 1 and 2;

(7) documentation of treatment services and treatment plan review according to section 245G.06, subdivision 3; and

(8) a summary at the time of service termination according to section 245G.06.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 18. [245G.10] STAFF REQUIREMENTS.

Subdivision 1. Treatment director. A license holder must have a treatment director.

Subd. 2. Alcohol and drug counselor supervisor. A license holder must employ an alcohol and drug counselor supervisor who meets the requirements of section 245G.11, subdivision 4. An individual may be simultaneously employed as a treatment director, alcohol and drug counselor supervisor, and an alcohol and drug counselor if the individual meets the qualifications for each position. If an alcohol and drug counselor is simultaneously employed as an alcohol and drug counselor supervisor or treatment director, that individual must be considered a 0.5 full-time equivalent alcohol and drug counselor for staff requirements under subdivision 4.

Subd. 3. Responsible staff member. A treatment director must designate a staff member who, when present in the facility, is responsible for the delivery of treatment service. A license holder must have a designated staff member during all hours of operation. A license holder providing room and board and treatment at the same site must have a responsible staff member on duty 24 hours a day. The designated staff member must know and understand the implications of this chapter and sections 245A.65, 626.556, 626.557, and 626.5572.

Subd. 4. Staff requirement. It is the responsibility of the license holder to determine an acceptable group size based on each client's needs except that treatment services provided in a group shall not exceed 16 clients. A counselor in an opioid treatment program must not supervise more than 50 clients. The license holder must maintain a record that documents compliance with this subdivision.
Subd. 5. **Medical emergency.** When a client is present, a license holder must have at least one staff member on the premises who has a current American Red Cross standard first aid certificate or an equivalent certificate and at least one staff member on the premises who has a current American Red Cross community, American Heart Association, or equivalent CPR certificate. A single staff member with both certifications satisfies this requirement.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 19. [245G.11] STAFF QUALIFICATIONS.

Subdivision 1. **General qualifications.** (a) All staff members who have direct contact must be 18 years of age or older. At the time of employment, each staff member must meet the qualifications in this subdivision. For purposes of this subdivision, "problematic substance use" means a behavior or incident listed by the license holder in the personnel policies and procedures according to section 245G.13, subdivision 1, clause (5).

(b) A treatment director, supervisor, nurse, counselor, student intern, or other professional must be free of problematic substance use for at least the two years immediately preceding employment and must sign a statement attesting to that fact.

(c) A paraprofessional, recovery peer, or any other staff member with direct contact must be free of problematic substance use for at least one year immediately preceding employment and must sign a statement attesting to that fact.

Subd. 2. **Employment; prohibition on problematic substance use.** A staff member with direct contact must be free from problematic substance use as a condition of employment, but is not required to sign additional statements. A staff member with direct contact who is not free from problematic substance use must be removed from any responsibilities that include direct contact for the time period specified in subdivision 1. The time period begins to run on the date of the last incident of problematic substance use as described in the facility's policies and procedures according to section 245G.13, subdivision 1, clause (5).

Subd. 3. **Treatment directors.** A treatment director must:

1. have at least one year of work experience in direct service to an individual with substance use disorder or one year of work experience in the management or administration of direct service to an individual with substance use disorder;
2. have a baccalaureate degree or three years of work experience in administration or personnel supervision in human services; and
(3) know and understand the implications of this chapter, chapter 245A, and sections 262.56, 262.57, and 262.572. Demonstration of the treatment director's knowledge must be documented in the personnel record.

Subd. 4. Alcohol and drug counselor supervisors. An alcohol and drug counselor supervisor must:

(1) meet the qualification requirements in subdivision 5;

(2) have three or more years of experience providing individual and group counseling to individuals with substance use disorder; and

(3) know and understand the implications of this chapter and sections 245A.65, 262.556, 262.557, and 262.5572.

Subd. 5. Alcohol and drug counselor qualifications. (a) An alcohol and drug counselor must either be licensed or exempt from licensure under chapter 148F.

(b) An individual who is exempt from licensure under chapter 148F, must meet one of the following additional requirements:

1. completion of at least a baccalaureate degree with a major or concentration in social work, nursing, sociology, human services, or psychology, or licensure as a registered nurse; successful completion of a minimum of 120 hours of classroom instruction in which each of the core functions listed in chapter 148F is covered; and successful completion of 440 hours of supervised experience as an alcohol and drug counselor, either as a student or a staff member;

2. completion of at least 270 hours of drug counselor training in which each of the core functions listed in chapter 148F is covered, and successful completion of 880 hours of supervised experience as an alcohol and drug counselor, either as a student or as a staff member;

3. current certification as an alcohol and drug counselor or alcohol and drug counselor reciprocal, through the evaluation process established by the International Certification and Reciprocity Consortium Alcohol and Other Drug Abuse, Inc.;

4. completion of a bachelor's degree including 480 hours of alcohol and drug counseling education from an accredited school or educational program and 880 hours of alcohol and drug counseling practicum; or
employment in a program formerly licensed under Minnesota Rules, parts 9530.5000 to 9530.6400, and successful completion of 6,000 hours of supervised work experience in a licensed program as an alcohol and drug counselor prior to January 1, 2005.

(c) An alcohol and drug counselor may not provide a treatment service that requires professional licensure unless the individual possesses the necessary license. For the purposes of enforcing this section, the commissioner has the authority to monitor a service provider's compliance with the relevant standards of the service provider's profession and may issue licensing actions against the license holder according to sections 245A.05, 245A.06, and 245A.07, based on the commissioner's determination of noncompliance.

Subd. 6. Paraprofessionals. A paraprofessional must have knowledge of client rights, according to section 148F.165, and staff member responsibilities. A paraprofessional may not admit, transfer, or discharge a client but may be responsible for the delivery of treatment service according to section 245G.10, subdivision 3.

Subd. 7. Care coordination provider qualifications. (a) Care coordination must be provided by qualified staff. An individual is qualified to provide care coordination if the individual:

(1) is skilled in the process of identifying and assessing a wide range of client needs;

(2) is knowledgeable about local community resources and how to use those resources for the benefit of the client;

(3) has successfully completed 30 hours of classroom instruction on care coordination for an individual with substance use disorder;

(4) has either:

(i) a bachelor's degree in one of the behavioral sciences or related fields; or

(ii) current certification as an alcohol and drug counselor, level I, by the Upper Midwest Indian Council on Addictive Disorders; and

(5) has at least 2,000 hours of supervised experience working with individuals with substance use disorder.

(b) A care coordinator must receive at least one hour of supervision regarding individual service delivery from an alcohol and drug counselor weekly.

Subd. 8. Recovery peer qualifications. A recovery peer must:

(1) have a high school diploma or its equivalent;
(2) have a minimum of one year in recovery from substance use disorder;

(3) hold a current credential from a certification body approved by the commissioner that demonstrates skills and training in the domains of ethics and boundaries, advocacy, mentoring and education, and recovery and wellness support; and

(4) receive ongoing supervision in areas specific to the domains of the recovery peer's role by an alcohol and drug counselor or an individual with a certification approved by the commissioner.

Subd. 9. Volunteers. A volunteer may provide treatment service when the volunteer is supervised and can be seen or heard by a staff member meeting the criteria in subdivision 4 or 5, but may not practice alcohol and drug counseling unless qualified under subdivision 5.

Subd. 10. Student interns. A qualified staff member must supervise and be responsible for a treatment service performed by a student intern and must review and sign each assessment, progress note, and individual treatment plan prepared by a student intern. A student intern must receive the orientation and training required in section 245G.13, subdivisions 1, clause (7), and 2. No more than 50 percent of the treatment staff may be students or licensing candidates with time documented to be directly related to the provision of treatment services for which the staff are authorized.

Subd. 11. Individuals with temporary permit. An individual with a temporary permit from the Board of Behavioral Health and Therapy may provide chemical dependency treatment service according to this subdivision if they meet the requirements of either paragraph (a) or (b).

(a) An individual with a temporary permit must be supervised by a licensed alcohol and drug counselor assigned by the license holder. The supervising licensed alcohol and drug counselor must document the amount and type of supervision provided at least on a weekly basis. The supervision must relate to the clinical practice.

(b) An individual with a temporary permit must be supervised by a clinical supervisor approved by the Board of Behavioral Health and Therapy. The supervision must be documented and meet the requirements of section 148F.04, subdivision 4.

EFFECTIVE DATE. This section is effective January 1, 2018.
Sec. 20. [245G.12] PROVIDER POLICIES AND PROCEDURES.

A license holder must develop a written policies and procedures manual, indexed according to section 245A.04, subdivision 14, paragraph (c), that provides staff members immediate access to all policies and procedures and provides a client and other authorized parties access to all policies and procedures. The manual must contain the following materials:

1. assessment and treatment planning policies, including screening for mental health concerns and treatment objectives related to the client's identified mental health concerns in the client's treatment plan;
2. policies and procedures regarding HIV according to section 245A.19;
3. the license holder's methods and resources to provide information on tuberculosis and tuberculosis screening to each client and to report a known tuberculosis infection according to section 144.4804;
4. personnel policies according to section 245G.13;
5. policies and procedures that protect a client's rights according to section 245G.15;
6. a medical services plan according to section 245G.08;
7. emergency procedures according to section 245G.16;
8. policies and procedures for maintaining client records according to section 245G.09;
9. procedures for reporting the maltreatment of minors according to section 626.556, and vulnerable adults according to sections 245A.65, 626.557, and 626.5572;
10. a description of treatment services, including the amount and type of services provided;
11. the methods used to achieve desired client outcomes;
12. the hours of operation; and
13. the target population served.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 21. [245G.13] PROVIDER PERSONNEL POLICIES.

Subdivision 1. Personnel policy requirements. A license holder must have written personnel policies that are available to each staff member. The personnel policies must:
(1) ensure that staff member retention, promotion, job assignment, or pay are not affected by a good faith communication between a staff member and the department, the Department of Health, the ombudsman for mental health and developmental disabilities, law enforcement, or a local agency for the investigation of a complaint regarding a client's rights, health, or safety;

(2) contain a job description for each staff member position specifying responsibilities, degree of authority to execute job responsibilities, and qualification requirements;

(3) provide for a job performance evaluation based on standards of job performance conducted on a regular and continuing basis, including a written annual review;

(4) describe behavior that constitutes grounds for disciplinary action, suspension, or dismissal, including policies that address staff member problematic substance use and the requirements of section 245G.11, subdivision 1, policies prohibiting personal involvement with a client in violation of chapter 604, and policies prohibiting client abuse described in sections 245A.65, 626.556, 626.557, and 626.5572;

(5) identify how the program will identify whether behaviors or incidents are problematic substance use, including a description of how the facility must address:

   (i) receiving treatment for substance use within the period specified for the position in the staff qualification requirements, including medication-assisted treatment;

   (ii) substance use that negatively impacts the staff member's job performance;

   (iii) chemical use that affects the credibility of treatment services with a client, referral source, or other member of the community;

   (iv) symptoms of intoxication or withdrawal on the job; and

   (v) the circumstances under which an individual who participates in monitoring by the health professional services program for a substance use or mental health disorder is able to provide services to the program's clients;

(6) include a chart or description of the organizational structure indicating lines of authority and responsibilities;

(7) include orientation within 24 working hours of starting for each new staff member based on a written plan that, at a minimum, must provide training related to the staff member's specific job responsibilities, policies and procedures, client confidentiality, HIV minimum standards, and client needs; and
(8) include policies outlining the license holder's response to a staff member with a behavior problem that interferes with the provision of treatment service.

Subd. 2. Staff development. (a) A license holder must ensure that each staff member has the training described in this subdivision.

(b) Each staff member must be trained every two years in:

(1) client confidentiality rules and regulations and client ethical boundaries; and

(2) emergency procedures and client rights as specified in sections 144.651, 148F.165, and 253B.03.

(c) Annually each staff member with direct contact must be trained on mandatory reporting as specified in sections 245A.65, 626.556, 626.5561, 626.557, and 626.5572, including specific training covering the license holder's policies for obtaining a release of client information.

(d) Upon employment and annually thereafter, each staff member with direct contact must receive training on HIV minimum standards according to section 245A.19.

(e) A treatment director, supervisor, nurse, or counselor must have a minimum of 12 hours of training in co-occurring disorders that include competencies related to philosophy, trauma-informed care, screening, assessment, diagnosis and person-centered treatment planning, documentation, programming, medication, collaboration, mental health consultation, and discharge planning. A new staff member who has not obtained the training must complete the training within six months of employment. A staff member may request, and the license holder may grant, credit for relevant training obtained before employment, which must be documented in the staff member's personnel file.

Subd. 3. Personnel files. The license holder must maintain a separate personnel file for each staff member. At a minimum, the personnel file must conform to the requirements of this chapter. A personnel file must contain the following:

(1) a completed application for employment signed by the staff member and containing the staff member's qualifications for employment;

(2) documentation related to the staff member's background study data, according to chapter 245C;

(3) for a staff member who provides psychotherapy services, employer names and addresses for the past five years for which the staff member provided psychotherapy services,
and documentation of an inquiry required by sections 604.20 to 604.205 made to the staff member's former employer regarding substantiated sexual contact with a client;

(4) documentation that the staff member completed orientation and training;

(5) documentation that the staff member meets the requirements in section 245G.11;

(6) documentation demonstrating the staff member's compliance with section 245G.08, subdivision 3, for a staff member who conducts administration of medication; and

(7) documentation demonstrating the staff member's compliance with section 245G.18, subdivision 2, for a staff member that treats an adolescent client.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 22. [245G.14] SERVICE INITIATION AND TERMINATION POLICIES.

Subdivision 1. Service initiation policy. A license holder must have a written service initiation policy containing service initiation preferences that comply with this section and Code of Federal Regulations, title 45, part 96.131, and specific service initiation criteria. The license holder must not initiate services for an individual who does not meet the service initiation criteria. The service initiation criteria must be either posted in the area of the facility where services for a client are initiated, or given to each interested person upon request. Titles of each staff member authorized to initiate services for a client must be listed in the services initiation and termination policies.

Subd. 2. License holder responsibilities. (a) The license holder must have and comply with a written protocol for (1) assisting a client in need of care not provided by the license holder, and (2) a client who poses a substantial likelihood of harm to the client or others, if the behavior is beyond the behavior management capabilities of the staff members.

(b) A service termination and denial of service initiation that poses an immediate threat to the health of any individual or requires immediate medical intervention must be referred to a medical facility capable of admitting the client.

(c) A service termination policy and a denial of service initiation that involves the commission of a crime against a license holder's staff member or on a license holder's premises, as provided under Code of Federal Regulations, title 42, section 2.12(c)(5), and title 45, parts 160 to 164, must be reported to a law enforcement agency with jurisdiction.

Subd. 3. Service termination policies. A license holder must have a written policy specifying the conditions when a client must be terminated from service. The service termination policy must include:
304.1 (1) procedures for a client whose services were terminated under subdivision 2;
304.2 (2) a description of client behavior that constitutes reason for a staff-requested service
termination and a process for providing this information to a client;
304.3 (3) a requirement that before discharging a client from a residential setting, for not
reaching treatment plan goals, the license holder must confer with other interested persons
to review the issues involved in the decision. The documentation requirements for a
staff-requested service termination must describe why the decision to discharge is warranted,
the reasons for the discharge, and the alternatives considered or attempted before discharging
the client;
304.4 (4) procedures consistent with section 253B.16, subdivision 2, that staff members must
follow when a client admitted under chapter 253B is to have services terminated;
304.5 (5) procedures a staff member must follow when a client leaves against staff or medical
advice and when the client may be dangerous to the client or others, including a policy that
requires a staff member to assist the client with assessing needs of care or other resources;
304.6 (6) procedures for communicating staff-approved service termination criteria to a client,
including the expectations in the client's individual treatment plan according to section
245G.06; and
304.7 (7) titles of each staff member authorized to terminate a client's service must be listed
in the service initiation and service termination policies.

304.20 **EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 23. [245G.15] CLIENT RIGHTS PROTECTION.

Subdivision 1. **Explanation.** A client has the rights identified in sections 144.651,
148F.165, 253B.03, and 254B.02, subdivision 2, as applicable. The license holder must
give each client at service initiation a written statement of the client's rights and
responsibilities. A staff member must review the statement with a client at that time.

Subd. 2. **Grievance procedure.** At service initiation, the license holder must explain
the grievance procedure to the client or the client's representative. The grievance procedure
must be posted in a place visible to clients, and made available upon a client's or former
client's request. The grievance procedure must require that:

304.30 (1) a staff member helps the client develop and process a grievance;
304.31 (2) current telephone numbers and addresses of the Department of Human Services,
Licensing Division; the Office of Ombudsman for Mental Health and Developmental
Disabilities; the Department of Health Office of Health Facilities Complaints; and the Board
of Behavioral Health and Therapy, when applicable, be made available to a client; and
(3) a license holder responds to the client's grievance within three days of a staff member's
receipt of the grievance, and the client may bring the grievance to the highest level of
authority in the program if not resolved by another staff member.

Subd. 3. Photographs of client. (a) A photograph, video, or motion picture of a client
taken in the provision of treatment service is considered client records. A photograph for
identification and a recording by video or audio technology to enhance either therapy or
staff member supervision may be required of a client, but may only be available for use as
communications within a program. A client must be informed when the client's actions are
being recorded by camera or other technology, and the client must have the right to refuse
any recording or photography, except as authorized by this subdivision.

(b) A license holder must have a written policy regarding the use of any personal
electronic device that can record, transmit, or make images of another client. A license
holder must inform each client of this policy and the client's right to refuse being
photographed or recorded.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 24. [245G.16] BEHAVIORAL EMERGENCY PROCEDURES.

(a) A license holder or applicant must have written behavioral emergency procedures
that staff must follow when responding to a client who exhibits behavior that is threatening
to the safety of the client or others. Programs must incorporate person-centered planning
and trauma-informed care in the program's behavioral emergency procedure policies. The
procedures must include:
(1) a plan designed to prevent a client from hurting themselves or others;
(2) contact information for emergency resources that staff must consult when a client's
behavior cannot be controlled by the behavioral emergency procedures;
(3) types of procedures that may be used;
(4) circumstances under which behavioral emergency procedures may be used; and
(5) staff members authorized to implement behavioral emergency procedures.

(b) Behavioral emergency procedures must not be used to enforce facility rules or for
the convenience of staff. Behavioral emergency procedures must not be part of any client's
treatment plan, or used at any time for any reason except in response to specific current
behavior that threatens the safety of the client or others. Behavioral emergency procedures may not include the use of seclusion or restraint.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 25. [245G.17] EVALUATION.

A license holder must participate in the drug and alcohol abuse normative evaluation system by submitting information about each client to the commissioner in a manner prescribed by the commissioner. A license holder must submit additional information requested by the commissioner that is necessary to meet statutory or federal funding requirements.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 26. [245G.18] LICENSE HOLDERS SERVING ADOLESCENTS.

Subdivision 1. License. A residential treatment program that serves an adolescent younger than 16 years of age must be licensed as a residential program for a child in out-of-home placement by the department unless the license holder is exempt under section 245A.03, subdivision 2.

Subd. 2. Alcohol and drug counselor qualifications. In addition to the requirements specified in section 245G.11, subdivisions 1 and 5, an alcohol and drug counselor providing treatment service to an adolescent must have:

(1) an additional 30 hours of classroom instruction or one three-credit semester college course in adolescent development. This training need only be completed one time; and

(2) at least 150 hours of supervised experience as an adolescent counselor, either as a student or as a staff member.

Subd. 3. Staff ratios. At least 25 percent of a counselor's scheduled work hours must be allocated to indirect services, including documentation of client services, coordination of services with others, treatment team meetings, and other duties. A counseling group consisting entirely of adolescents must not exceed 16 adolescents. It is the responsibility of the license holder to determine an acceptable group size based on the needs of the clients.

Subd. 4. Academic program requirements. A client who is required to attend school must be enrolled and attending an educational program that was approved by the Department of Education.
Subd. 5. **Program requirements.** In addition to the requirements specified in the client's treatment plan under section 245G.06, programs serving an adolescent must include:

1. coordination with the school system to address the client's academic needs;
2. when appropriate, a plan that addresses the client's leisure activities without chemical use; and
3. a plan that addresses family involvement in the adolescent's treatment.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 27. [245G.19] LICENSE HOLDERS SERVING CLIENTS WITH CHILDREN.

Subdivision 1. **Health license requirements.** In addition to the requirements of sections 245G.01 to 245G.17, a license holder that offers supervision of a child of a client is subject to the requirements of this section. A license holder providing room and board for a client and the client's child must have an appropriate facility license from the Department of Health.

Subd. 2. **Supervision of a child.** "Supervision of a child" means a caregiver is within sight or hearing of an infant, toddler, or preschooler at all times so that the caregiver can intervene to protect the child's health and safety. For a school-age child it means a caregiver is available to help and care for the child to protect the child's health and safety.

Subd. 3. **Policy and schedule required.** A license holder must meet the following requirements:

1. have a policy and schedule delineating the times and circumstances when the license holder is responsible for supervision of a child in the program and when the child's parents are responsible for supervision of a child. The policy must explain how the program will communicate its policy about supervision of a child responsibility to the parent; and
2. have written procedures addressing the actions a staff member must take if a child is neglected or abused, including while the child is under the supervision of the child's parent.

Subd. 4. **Additional licensing requirements.** During the times the license holder is responsible for the supervision of a child, the license holder must meet the following standards:

1. child and adult ratios in Minnesota Rules, part 9502.0367;
2. day care training in section 245A.50;
(3) behavior guidance in Minnesota Rules, part 9502.0395;
(4) activities and equipment in Minnesota Rules, part 9502.0415;
(5) physical environment in Minnesota Rules, part 9502.0425; and
(6) water, food, and nutrition in Minnesota Rules, part 9502.0445, unless the license holder has a license from the Department of Health.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 28. [245G.20] LICENSE HOLDERS SERVING PERSONS WITH CO-OCcurring DISORDERS.

A license holder specializing in the treatment of a person with co-occurring disorders must:

(1) demonstrate that staff levels are appropriate for treating a client with a co-occurring disorder, and that there are adequate staff members with mental health training;
(2) have continuing access to a medical provider with appropriate expertise in prescribing psychotropic medication;
(3) have a mental health professional available for staff member supervision and consultation;
(4) determine group size, structure, and content considering the special needs of a client with a co-occurring disorder;
(5) have documentation of active interventions to stabilize mental health symptoms present in the individual treatment plans and progress notes;
(6) have continuing documentation of collaboration with continuing care mental health providers, and involvement of the providers in treatment planning meetings;
(7) have available program materials adapted to a client with a mental health problem;
(8) have policies that provide flexibility for a client who may lapse in treatment or may have difficulty adhering to established treatment rules as a result of a mental illness, with the goal of helping a client successfully complete treatment; and
(9) have individual psychotherapy and case management available during treatment service.

EFFECTIVE DATE. This section is effective January 1, 2018.
Sec. 29. [245G.21] REQUIREMENTS FOR LICENSED RESIDENTIAL TREATMENT.

Subdivision 1. Applicability. A license holder who provides supervised room and board at the licensed program site as a treatment component is defined as a residential program according to section 245A.02, subdivision 14, and is subject to this section.

Subd. 2. Visitors. A client must be allowed to receive visitors at times prescribed by the license holder. The license holder must set and post a notice of visiting rules and hours, including both day and evening times. A client's right to receive visitors other than a personal physician, religious adviser, county case manager, parole or probation officer, or attorney may be subject to visiting hours established by the license holder for all clients. The treatment director or designee may impose limitations as necessary for the welfare of a client provided the limitation and the reasons for the limitation are documented in the client's file. A client must be allowed to receive visits at all reasonable times from the client's personal physician, religious adviser, county case manager, parole or probation officer, and attorney.

Subd. 3. Client property management. A license holder who provides room and board and treatment services to a client in the same facility, and any license holder that accepts client property must meet the requirements for handling client funds and property in section 245A.04, subdivision 13. License holders:

(1) may establish policies regarding the use of personal property to ensure that treatment activities and the rights of other clients are not infringed upon;

(2) may take temporary custody of a client's property for violation of a facility policy;

(3) must retain the client's property for a minimum of seven days after the client's service termination if the client does not reclaim property upon service termination, or for a minimum of 30 days if the client does not reclaim property upon service termination and has received room and board services from the license holder; and

(4) must return all property held in trust to the client at service termination regardless of the client's service termination status, except that:

(i) a drug, drug paraphernalia, or drug container that is subject to forfeiture under section 609.5316, must be given to the custody of a local law enforcement agency. If giving the property to the custody of a local law enforcement agency violates Code of Federal Regulations, title 42, sections 2.1 to 2.67, or title 45, parts 160 to 164, a drug, drug paraphernalia, or drug container must be destroyed by a staff member designated by the program director; and
(ii) a weapon, explosive, and other property that can cause serious harm to the client or others must be given to the custody of a local law enforcement agency, and the client must be notified of the transfer and of the client's right to reclaim any lawful property transferred;

and

(iii) a medication that was determined by a physician to be harmful after examining the client must be destroyed, except when the client's personal physician approves the medication for continued use.

Subd. 4. Health facility license. A license holder who provides room and board and treatment services in the same facility must have the appropriate license from the Department of Health.

Subd. 5. Facility abuse prevention plan. A license holder must establish and enforce an ongoing facility abuse prevention plan consistent with sections 245A.65 and 626.557, subdivision 14.

Subd. 6. Individual abuse prevention plan. A license holder must prepare an individual abuse prevention plan for each client as specified under sections 245A.65, subdivision 2, and 626.557, subdivision 14.

Subd. 7. Health services. A license holder must have written procedures for assessing and monitoring a client's health, including a standardized data collection tool for collecting health-related information about each client. The policies and procedures must be approved and signed by a registered nurse.

Subd. 8. Administration of medication. A license holder must meet the administration of medications requirements of section 245G.08, subdivision 5, if services include medication administration.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 30. [245G.22] OPIOID TREATMENT PROGRAMS.

Subdivision 1. Additional requirements. (a) An opioid treatment program licensed under this chapter must also comply with the requirements of this section and Code of Federal Regulations, title 42, part 8. When federal guidance or interpretations are issued on federal standards or requirements also required under this section, the federal guidance or interpretations shall apply.

(b) Where a standard in this section differs from a standard in an otherwise applicable administrative rule or statute, the standard of this section applies.
Subd. 2. **Definitions.** (a) For purposes of this section, the terms defined in this subdivision have the meanings given them.

(b) "Diversion" means the use of a medication for the treatment of opioid addiction being diverted from intended use of the medication.

(c) "Guest dose" means administration of a medication used for the treatment of opioid addiction to a person who is not a client of the program that is administering or dispensing the medication.

(d) "Medical director" means a physician licensed to practice medicine in the jurisdiction that the opioid treatment program is located who assumes responsibility for administering all medical services performed by the program, either by performing the services directly or by delegating specific responsibility to authorized program physicians and health care professionals functioning under the medical director's direct supervision.

(e) "Medication used for the treatment of opioid use disorder" means a medication approved by the Food and Drug Administration for the treatment of opioid use disorder.

(f) "Minnesota health care programs" has the meaning given in section 256B.0636.

(g) "Opioid treatment program" has the meaning given in Code of Federal Regulations, title 42, section 8.12, and includes programs licensed under this chapter.

(h) "Placing authority" has the meaning given in Minnesota Rules, part 9530.6605, subpart 21a.

(i) "Unsupervised use" means the use of a medication for the treatment of opioid use disorder dispensed for use by a client outside of the program setting.

Subd. 3. **Medication orders.** Before the program may administer or dispense a medication used for the treatment of opioid use disorder:

(1) a client-specific order must be received from an appropriately credentialed physician who is enrolled as a Minnesota health care programs provider and meets all applicable provider standards;

(2) the signed order must be documented in the client's record; and

(3) if the physician that issued the order is not able to sign the order when issued, the unsigned order must be entered in the client record at the time it was received, and the physician must review the documentation and sign the order in the client's record within 72 hours of the medication being ordered. The license holder must report to the commissioner any medication error that endangers a client's health, as determined by the medical director.
Subd. 4. **High dose requirements.** A client being administered or dispensed a dose beyond that set forth in subdivision 6, paragraph (a), clause (1), that exceeds 150 milligrams of methadone or 24 milligrams of buprenorphine daily, and for each subsequent increase, must meet face-to-face with a prescribing physician. The meeting must occur before the administration or dispensing of the increased medication dose.

Subd. 5. **Drug testing.** Each client enrolled in the program must receive a minimum of eight random drug abuse tests per 12 months of treatment. Drug abuse tests must be reasonably disbursed over the 12-month period. A license holder may elect to conduct more drug abuse tests.

Subd. 6. **Criteria for unsupervised use.** (a) To limit the potential for diversion of medication used for the treatment of opioid use disorder to the illicit market, medication dispensed to a client for unsupervised use shall be subject to the following requirements:

1. any client in an opioid treatment program may receive a single unsupervised use dose for a day that the clinic is closed for business, including Sundays and state and federal holidays; and

2. other treatment program decisions on dispensing medications used for the treatment of opioid use disorder to a client for unsupervised use shall be determined by the medical director.

(b) In determining whether a client may be permitted unsupervised use of medications, a physician with authority to prescribe must consider the criteria in this paragraph. The criteria in this paragraph must also be considered when determining whether dispensing medication for a client's unsupervised use is appropriate to increase or to extend the amount of time between visits to the program. The criteria are:

1. absence of recent abuse of drugs including but not limited to opioids, non-narcotics, and alcohol;

2. regularity of program attendance;

3. absence of serious behavioral problems at the program;

4. absence of known recent criminal activity such as drug dealing;

5. stability of the client's home environment and social relationships;

6. length of time in comprehensive maintenance treatment;

7. reasonable assurance that unsupervised use medication will be safely stored within the client's home; and
whether the rehabilitative benefit the client derived from decreasing the frequency
of program attendance outweighs the potential risks of diversion or unsupervised use.
(c) The determination, including the basis of the determination must be documented in
the client's medical record.

Subd. 7. Restrictions for unsupervised use of methadone hydrochloride. (a) If a
physician with authority to prescribe determines that a client meets the criteria in subdivision
6 and may be dispensed a medication used for the treatment of opioid addiction, the
restrictions in this subdivision must be followed when the medication to be dispensed is
methadone hydrochloride.
(b) During the first 90 days of treatment, the unsupervised use medication supply must
be limited to a maximum of a single dose each week and the client shall ingest all other
doses under direct supervision.
(c) In the second 90 days of treatment, the unsupervised use medication supply must be
limited to two doses per week.
(d) In the third 90 days of treatment, the unsupervised use medication supply must not
exceed three doses per week.
(e) In the remaining months of the first year, a client may be given a maximum six-day
unsupervised use medication supply.
(f) After one year of continuous treatment, a client may be given a maximum two-week
unsupervised use medication supply.
(g) After two years of continuous treatment, a client may be given a maximum one-month
unsupervised use medication supply, but must make monthly visits to the program.

Subd. 8. Restriction exceptions. When a license holder has reason to accelerate the
number of unsupervised use doses of methadone hydrochloride, the license holder must
comply with the requirements of Code of Federal Regulations, title 42, section 8.12, the
criteria for unsupervised use and must use the exception process provided by the federal
Center for Substance Abuse Treatment Division of Pharmacologic Therapies. For the
purposes of enforcement of this subdivision, the commissioner has the authority to monitor
a program for compliance with federal regulations and may issue licensing actions according
to sections 245A.05, 245A.06, and 245A.07 based on the commissioner's determination of
noncompliance.

Subd. 9. Guest dose. To receive a guest dose, the client must be enrolled in an opioid
treatment program elsewhere in the state or country and be receiving the medication on a
temporary basis because the client is not able to receive the medication at the program in
which the client is enrolled. Such arrangements shall not exceed 30 consecutive days in any
one program and must not be for the convenience or benefit of either program. A guest dose
may also occur when the client's primary clinic is not open and the client is not receiving
unsupervised use doses.

Subd. 10. Capacity management and waiting list system compliance. An opioid
treatment program must notify the department within seven days of the program reaching
both 90 and 100 percent of the program's capacity to care for clients. Each week, the program
must report its capacity, currently enrolled dosing clients, and any waiting list. A program
reporting 90 percent of capacity must also notify the department when the program's census
increases or decreases from the 90 percent level.

Subd. 11. Waiting list. An opioid treatment program must have a waiting list system.
If the person seeking admission cannot be admitted within 14 days of the date of application,
each person seeking admission must be placed on the waiting list, unless the person seeking
admission is assessed by the program and found ineligible for admission according to this
chapter and Code of Federal Regulations, title 42, part 1, subchapter A, section 8.12(e), and
title 45, parts 160 to 164. The waiting list must assign a unique client identifier for each
person seeking treatment while awaiting admission. A person seeking admission on a waiting
list who receives no services under section 245G.07, subdivision 1, must not be considered
a client as defined in section 245G.01, subdivision 9.

Subd. 12. Client referral. An opioid treatment program must consult the capacity
management system to ensure that a person on a waiting list is admitted at the earliest time
to a program providing appropriate treatment within a reasonable geographic area. If the
client was referred through a public payment system and if the program is not able to serve
the client within 14 days of the date of application for admission, the program must contact
and inform the referring agency of any available treatment capacity listed in the state capacity
management system.

Subd. 13. Outreach. An opioid treatment program must carry out activities to encourage
an individual in need of treatment to undergo treatment. The program's outreach model
must:

(1) select, train, and supervise outreach workers;

(2) contact, communicate, and follow up with individuals with high-risk substance
misuse, individuals with high-risk substance misuse associates, and neighborhood residents
within the constraints of federal and state confidentiality requirements;
(3) promote awareness among individuals who engage in substance misuse by injection about the relationship between injecting substances and communicable diseases such as HIV; and

(4) recommend steps to prevent HIV transmission.

Subd. 14. Central registry. (a) A license holder must comply with requirements to submit information and necessary consents to the state central registry for each client admitted, as specified by the commissioner. The license holder must submit data concerning medication used for the treatment of opioid use disorder. The data must be submitted in a method determined by the commissioner and the original information must be kept in the client's record. The information must be submitted for each client at admission and discharge. The program must document the date the information was submitted. The client's failure to provide the information shall prohibit participation in an opioid treatment program. The information submitted must include the client's:

1. full name and all aliases;
2. date of admission;
3. date of birth;
4. Social Security number or Alien Registration Number, if any;
5. current or previous enrollment status in another opioid treatment program;
6. government-issued photo identification card number; and
7. driver's license number, if any.

(b) The requirements in paragraph (a) are effective upon the commissioner's implementation of changes to the drug and alcohol abuse normative evaluation system or development of an electronic system by which to submit the data.

Subd. 15. Nonmedication treatment services; documentation. (a) The program must offer at least 50 consecutive minutes of individual or group therapy treatment services as defined in section 245G.07, subdivision 1, paragraph (a), clause (1), per week, for the first ten weeks following admission, and at least 50 consecutive minutes per month thereafter. As clinically appropriate, the program may offer these services cumulatively and not consecutively in increments of no less than 15 minutes over the required time period, and for a total of 60 minutes of treatment services over the time period, and must document the reason for providing services cumulatively in the client's record. The program may offer additional levels of service when deemed clinically necessary.
(b) Notwithstanding the requirements of comprehensive assessments in section 245G.05, the assessment must be completed within 21 days of service initiation.

c) Notwithstanding the requirements of individual treatment plans set forth in section 245G.06:

1. treatment plan contents for a maintenance client are not required to include goals the client must reach to complete treatment and have services terminated;

2. treatment plans for a client in a taper or detox status must include goals the client must reach to complete treatment and have services terminated;

3. for the initial ten weeks after admission for all new admissions, readmissions, and transfers, progress notes must be entered in a client's file at least weekly and be recorded in each of the six dimensions upon the development of the treatment plan and thereafter. Subsequently, the counselor must document progress in the six dimensions at least once monthly or, when clinical need warrants, more frequently; and

4. upon the development of the treatment plan and thereafter, treatment plan reviews must occur weekly, or after each treatment service, whichever is less frequent, for the first ten weeks after the treatment plan is developed. Following the first ten weeks of treatment plan reviews, reviews may occur monthly, unless the client's needs warrant more frequent revisions or documentation.

Subd. 16. Prescription monitoring program. (a) The program must develop and maintain a policy and procedure that requires the ongoing monitoring of the data from the prescription monitoring program (PMP) for each client. The policy and procedure must include how the program meets the requirements in paragraph (b).

(b) If a medication used for the treatment of substance use disorder is administered or dispensed to a client, the license holder shall be subject to the following requirements:

1. upon admission to a methadone clinic outpatient treatment program, a client must be notified in writing that the commissioner of human services and the medical director must monitor the PMP to review the prescribed controlled drugs a client received;

2. the medical director or the medical director's delegate must review the data from the PMP described in section 152.126 before the client is ordered any controlled substance, as defined under section 152.126, subdivision 1, paragraph (c), including medications used for the treatment of opioid addiction, and the medical director's or the medical director's delegate's subsequent reviews of the PMP data must occur at least every 90 days;

3. a copy of the PMP data reviewed must be maintained in the client's file;
(4) when the PMP data contains a recent history of multiple prescribers or multiple prescriptions for controlled substances, the physician's review of the data and subsequent actions must be documented in the client's file within 72 hours and must contain the medical director's determination of whether or not the prescriptions place the client at risk of harm and the actions to be taken in response to the PMP findings. The provider must conduct subsequent reviews of the PMP on a monthly basis; and

(5) if at any time the medical director believes the use of the controlled substances places the client at risk of harm, the program must seek the client's consent to discuss the client's opioid treatment with other prescribers and must seek the client's consent for the other prescriber to disclose to the opioid treatment program's medical director the client's condition that formed the basis of the other prescriptions. If the information is not obtained within seven days, the medical director must document whether or not changes to the client's medication dose or number of unsupervised use doses are necessary until the information is obtained.

(c) The commissioner shall collaborate with the Minnesota Board of Pharmacy to develop and implement an electronic system for the commissioner to routinely access the PMP data to determine whether any client enrolled in an opioid addiction treatment program licensed according to this section was prescribed or dispensed a controlled substance in addition to that administered or dispensed by the opioid addiction treatment program. When the commissioner determines there have been multiple prescribers or multiple prescriptions of controlled substances for a client, the commissioner shall:

(1) inform the medical director of the opioid treatment program only that the commissioner determined the existence of multiple prescribers or multiple prescriptions of controlled substances; and

(2) direct the medical director of the opioid treatment program to access the data directly, review the effect of the multiple prescribers or multiple prescriptions, and document the review.

(d) If determined necessary, the commissioner shall seek a federal waiver of, or exception to, any applicable provision of Code of Federal Regulations, title 42, section 2.34(c), before implementing this subdivision.

Subd. 17. Policies and procedures. (a) A license holder must develop and maintain the policies and procedures required in this subdivision.

(b) For a program that is not open every day of the year, the license holder must maintain a policy and procedure that permits a client to receive a single unsupervised use of medication
used for the treatment of opioid use disorder for days that the program is closed for business, including, but not limited to, Sundays and state and federal holidays as required under subdivision 6, paragraph (a), clause (1).

(c) The license holder must maintain a policy and procedure that includes specific measures to reduce the possibility of diversion. The policy and procedure must:

(1) specifically identify and define the responsibilities of the medical and administrative staff for performing diversion control measures; and

(2) include a process for contacting no less than five percent of clients who have unsupervised use of medication, excluding clients approved solely under subdivision 6, paragraph (a), clause (1), to require clients to physically return to the program each month. The system must require clients to return to the program within a stipulated time frame and turn in all unused medication containers related to opioid use disorder treatment. The license holder must document all related contacts on a central log and the outcome of the contact for each client in the client's record.

(d) Medication used for the treatment of opioid use disorder must be ordered, administered, and dispensed according to applicable state and federal regulations and the standards set by applicable accreditation entities. If a medication order requires assessment by the person administering or dispensing the medication to determine the amount to be administered or dispensed, the assessment must be completed by an individual whose professional scope of practice permits an assessment. For the purposes of enforcement of this paragraph, the commissioner has the authority to monitor the person administering or dispensing the medication for compliance with state and federal regulations and the relevant standards of the license holder's accreditation agency and may issue licensing actions according to sections 245A.05, 245A.06, and 245A.07, based on the commissioner's determination of noncompliance.

Subd. 18. **Quality improvement plan.** The license holder must develop and maintain a quality improvement plan that:

(1) includes evaluation of the services provided to clients to identify issues that may improve service delivery and client outcomes;

(2) includes goals for the program to accomplish based on the evaluation;

(3) is reviewed annually by the management of the program to determine whether the goals were met and, if not, whether additional action is required;
(4) is updated at least annually to include new or continued goals based on an updated evaluation of services; and

(5) identifies two specific goal areas, in addition to others identified by the program, including:

(i) a goal concerning oversight and monitoring of the premises around and near the exterior of the program to reduce the possibility of medication used for the treatment of opioid use disorder being inappropriately used by a client, including but not limited to the sale or transfer of the medication to others; and

(ii) a goal concerning community outreach, including but not limited to communications with local law enforcement and county human services agencies, to increase coordination of services and identification of areas of concern to be addressed in the plan.

Subd. 19. Placing authorities. A program must provide certain notification and client-specific updates to placing authorities for a client who is enrolled in Minnesota health care programs. At the request of the placing authority, the program must provide client-specific updates, including but not limited to informing the placing authority of positive drug screenings and changes in medications used for the treatment of opioid use disorder ordered for the client.

Subd. 20. Duty to report suspected drug diversion. (a) To the fullest extent permitted under Code of Federal Regulations, title 42, sections 2.1 to 2.67, a program shall report to law enforcement any credible evidence that the program or its personnel knows, or reasonably should know, that is directly related to a diversion crime on the premises of the program, or a threat to commit a diversion crime.

(b) "Diversion crime," for the purposes of this section, means diverting, attempting to divert, or conspiring to divert Schedule I, II, III, or IV drugs, as defined in section 152.02, on the program's premises.

(c) The program must document the program's compliance with the requirement in paragraph (a) in either a client's record or an incident report. A program's failure to comply with paragraph (a) may result in sanctions as provided in sections 245A.06 and 245A.07.

EFFECTIVE DATE. This section is effective July 1, 2017.

Sec. 31. Minnesota Statutes 2016, section 246.18, subdivision 4, is amended to read:

Subd. 4. Collections deposited in the general fund. Except as provided in subdivisions 5, 6, and 7, all receipts from collection efforts for the regional treatment centers, state nursing
homes, and other state facilities as defined in section 246.50, subdivision 3, must be deposited in the general fund. From that amount, receipts from collection efforts for regional treatment centers and community behavioral health hospitals must be deposited in accordance with subdivision 4a. The commissioner shall ensure that the departmental financial reporting systems and internal accounting procedures comply with federal standards for reimbursement for program and administrative expenditures and fulfill the purpose of this paragraph subdivision.

Sec. 32. Minnesota Statutes 2016, section 246.18, is amended by adding a subdivision to read:

Subd. 4a. Mental health innovation account. The mental health innovation account is established in the special revenue fund. In fiscal year 2018 and fiscal year 2019, $2,000,000 of the revenue generated by collection efforts from the regional treatment centers and community behavioral health hospitals under section 246.54 must be deposited into the mental health innovation account. Beginning in fiscal year 2020, $2,500,000 of the revenue generated by collection efforts from the regional treatment centers and community behavioral health hospitals under section 246.54 must annually be deposited into the mental health innovation account. Money deposited in the mental health innovation account is appropriated to the commissioner of human services for the mental health innovation grant program under section 245.4662.

Sec. 33. Minnesota Statutes 2016, section 254A.01, is amended to read:

254A.01 PUBLIC POLICY.

It is hereby declared to be the public policy of this state that scientific evidence shows that addiction to alcohol or other drugs is a chronic brain disorder with potential for recurrence, and as with many other chronic conditions, people with substance use disorders can be effectively treated and can enter recovery. The interests of society are best served by reducing the stigma of substance use disorder and providing persons who are dependent upon alcohol or other drugs with a comprehensive range of rehabilitative and social services that span intensity levels and are not restricted to a particular point in time. Further, it is declared that treatment under these services shall be voluntary when possible: treatment shall not be denied on the basis of prior treatment; treatment shall be based on an individual treatment plan for each person undergoing treatment; treatment shall include a continuum of services available for a person leaving a program of treatment; treatment shall include all family members at the earliest possible phase of the treatment process.
EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 34. Minnesota Statutes 2016, section 254A.02, subdivision 2, is amended to read:

Subd. 2. Approved treatment program. "Approved treatment program" means care and treatment services provided by any individual, organization or association to drug dependent persons with a substance use disorder, which meets the standards established by the commissioner of human services.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 35. Minnesota Statutes 2016, section 254A.02, subdivision 3, is amended to read:

Subd. 3. Comprehensive program. "Comprehensive program" means the range of services which are to be made available for the purpose of prevention, care and treatment of alcohol and drug abuse, substance misuse and substance use disorder.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 36. Minnesota Statutes 2016, section 254A.02, subdivision 5, is amended to read:

Subd. 5. Drug dependent person. "Drug dependent person" means any inebriate person or any person incapable of self-management or management of personal affairs or unable to function physically or mentally in an effective manner because of the abuse of a drug, including alcohol.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 37. Minnesota Statutes 2016, section 254A.02, subdivision 6, is amended to read:

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 38. Minnesota Statutes 2016, section 254A.02, is amended by adding a subdivision to read:

Subd. 6a. Substance misuse. "Substance misuse" means the use of any psychoactive or mood-altering substance, without compelling medical reason, in a manner that results in mental, emotional, or physical impairment and causes socially dysfunctional or socially disordered behavior and that results in psychological dependence or physiological addiction.
as a function of continued use. Substance misuse has the same meaning as drug abuse or
abuse of drugs.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 39. Minnesota Statutes 2016, section 254A.02, subdivision 8, is amended to read:
Subd. 8. Other drugs. "Other drugs" means any psychoactive chemical substance other
than alcohol.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 40. Minnesota Statutes 2016, section 254A.02, subdivision 10, is amended to read:
Subd. 10. State authority. "State authority" is a division established within the
Department of Human Services for the purpose of relating the authority of state government
in the area of alcohol and drug abuse substance misuse and substance use disorder to the
alcohol and drug abuse substance misuse and substance use disorder-related activities within
the state.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 41. Minnesota Statutes 2016, section 254A.02, is amended by adding a subdivision
to read:
Subd. 10a. Substance use disorder. "Substance use disorder" has the meaning given
in the current Diagnostic and Statistical Manual of Mental Disorders.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 42. Minnesota Statutes 2016, section 254A.03, is amended to read:

254A.03 STATE AUTHORITY ON ALCOHOL AND DRUG ABUSE.

Subdivision 1. Alcohol and Other Drug Abuse Section. There is hereby created an
Alcohol and Other Drug Abuse Section in the Department of Human Services. This section
shall be headed by a director. The commissioner may place the director's position in the
unclassified service if the position meets the criteria established in section 43A.08,
subdivision 1a. The section shall:

(1) conduct and foster basic research relating to the cause, prevention and methods of
diagnosis, treatment and rehabilitation of alcoholic and other drug-dependent persons with
substance misuse and substance use disorder;
(2) coordinate and review all activities and programs of all the various state departments as they relate to alcohol and other drug dependency and abuse problems associated with substance misuse and substance use disorder;

(3) develop, demonstrate, and disseminate new methods and techniques for the prevention, early intervention, treatment and rehabilitation of alcohol and other drug abuse and dependency problems, recovery support for substance misuse and substance use disorder;

(4) gather facts and information about alcoholism and other drug dependency and abuse substance misuse and substance use disorder, and about the efficiency and effectiveness of prevention, treatment, and rehabilitation recovery support services from all comprehensive programs, including programs approved or licensed by the commissioner of human services or the commissioner of health or accredited by the Joint Commission on Accreditation of Hospitals. The state authority is authorized to require information from comprehensive programs which is reasonable and necessary to fulfill these duties. When required information has been previously furnished to a state or local governmental agency, the state authority shall collect the information from the governmental agency. The state authority shall disseminate facts and summary information about alcohol and other drug abuse dependency problems associated with substance misuse and substance use disorder to public and private agencies, local governments, local and regional planning agencies, and the courts for guidance to and assistance in prevention, treatment and rehabilitation recovery support;

(5) inform and educate the general public on alcohol and other drug abuse dependency and abuse problems substance misuse and substance use disorder;

(6) serve as the state authority concerning alcohol and other drug dependency and abuse substance misuse and substance use disorder by monitoring the conduct of diagnosis and referral services, research and comprehensive programs. The state authority shall submit a biennial report to the governor and the legislature containing a description of public services delivery and recommendations concerning increase of coordination and quality of services, and decrease of service duplication and cost;

(7) establish a state plan which shall set forth goals and priorities for a comprehensive alcohol and other drug dependency and abuse program continuum of care for substance misuse and substance use disorder for Minnesota. All state agencies operating alcohol and other drug abuse or dependency substance misuse or substance use disorder programs or administering state or federal funds for such programs shall annually set their program goals and priorities in accordance with the state plan. Each state agency shall annually submit its plans and budgets to the state authority for review. The state authority shall certify whether
proposed services comply with the comprehensive state plan and advise each state agency of review findings;

(8) make contracts with and grants to public and private agencies and organizations, both profit and nonprofit, and individuals, using federal funds, and state funds as authorized to pay for costs of state administration, including evaluation, statewide programs and services, research and demonstration projects, and American Indian programs;

(9) receive and administer [money] monies available for alcohol and drug abuse substance misuse and substance use disorder programs under the alcohol, drug abuse, and mental health services block grant, United States Code, title 42, sections 300X to 300X-9;

(10) solicit and accept any gift of money or property for purposes of Laws 1973, chapter 572, and any grant of money, services, or property from the federal government, the state, any political subdivision thereof, or any private source;

(11) with respect to alcohol and other drug abuse substance misuse and substance use disorder programs serving the American Indian community, establish guidelines for the employment of personnel with considerable practical experience in alcohol and other drug abuse problems substance misuse and substance use disorder, and understanding of social and cultural problems related to alcohol and other drug abuse substance misuse and substance use disorder, in the American Indian community.

Subd. 2. American Indian programs. There is hereby created a section of American Indian programs, within the Alcohol and Drug Abuse Section of the Department of Human Services, to be headed by a special assistant for American Indian programs on alcoholism and drug abuse substance misuse and substance use disorder and two assistants to that position. The section shall be staffed with all personnel necessary to fully administer programming for alcohol and drug abuse substance misuse and substance use disorder services for American Indians in the state. The special assistant position shall be filled by a person with considerable practical experience in and understanding of alcohol and other drug abuse problems substance misuse and substance use disorder in the American Indian community, who shall be responsible to the director of the Alcohol and Drug Abuse Section created in subdivision 1 and shall be in the unclassified service. The special assistant shall meet and consult with the American Indian Advisory Council as described in section 254A.035 and serve as a liaison to the Minnesota Indian Affairs Council and tribes to report on the status of alcohol and other drug abuse substance misuse and substance use disorder among American Indians in the state of Minnesota. The special assistant with the approval of the director shall:
(1) administer funds appropriated for American Indian groups, organizations and reservations within the state for American Indian alcoholism and drug abuse substance misuse and substance use disorder programs;

(2) establish policies and procedures for such American Indian programs with the assistance of the American Indian Advisory Board; and

(3) hire and supervise staff to assist in the administration of the American Indian program section within the Alcohol and Drug Abuse Section of the Department of Human Services.

Subd. 3. Rules for chemical dependency substance use disorder care. (a) The commissioner of human services shall establish by rule criteria to be used in determining the appropriate level of chemical dependency care for each recipient of public assistance seeking treatment for alcohol or other drug dependency and abuse problems. Upon federal approval of a comprehensive assessment as a Medicaid benefit, or on July 1, 2018, whichever is later, and notwithstanding the criteria in Minnesota Rules, parts 9530.6600 to 9530.6655, an eligible vendor of comprehensive assessments under section 254B.05 may determine and approve the appropriate level of substance use disorder treatment for a recipient of public assistance. The process for determining an individual's financial eligibility for the consolidated chemical dependency treatment fund or determining an individual's enrollment in or eligibility for a publicly subsidized health plan is not affected by the individual's choice to access a comprehensive assessment for placement.

(b) The commissioner shall develop and implement a utilization review process for publicly funded treatment placements to monitor and review the clinical appropriateness and timeliness of all publicly funded placements in treatment.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 43. Minnesota Statutes 2016, section 254A.035, subdivision 1, is amended to read:

Subdivision 1. Establishment. There is created an American Indian Advisory Council to assist the state authority on alcohol and drug abuse substance misuse and substance use disorder in proposal review and formulating policies and procedures relating to chemical dependency and the abuse of alcohol and other drugs substance misuse and substance use disorder by American Indians.

EFFECTIVE DATE. This section is effective January 1, 2018.
Sec. 44. Minnesota Statutes 2016, section 254A.04, is amended to read:

### 254A.04 CITIZENS ADVISORY COUNCIL.

There is hereby created an Alcohol and Other Drug Abuse Advisory Council to advise the Department of Human Services concerning the problems of alcohol and other drug dependency and abuse, substance misuse and substance use disorder, composed of ten members. Five members shall be individuals whose interests or training are in the field of alcohol dependency; five members whose interests or training are in the field of alcohol-specific substance use disorder and abuse; and five members whose interests or training are in the field of dependency, substance use disorder and abuse of substances other than alcohol. The terms, compensation and removal of members shall be as provided in section 15.059. The council expires June 30, 2018. The commissioner of human services shall appoint members whose terms end in even-numbered years. The commissioner of health shall appoint members whose terms end in odd-numbered years.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 45. Minnesota Statutes 2016, section 254A.08, is amended to read:

### 254A.08 DETOXIFICATION CENTERS.

Subdivision 1. **Detoxification services.** Every county board shall provide detoxification services for drug dependent persons, any person incapable of self-management or management of personal affairs or unable to function physically or mentally in an effective manner because of the use of a drug, including alcohol. The board may utilize existing treatment programs and other agencies to meet this responsibility.

Subd. 2. **Program requirements.** For the purpose of this section, a detoxification program means a social rehabilitation program licensed by the Department of Human Services under chapter 245A, and governed by the standards of Minnesota Rules, parts 9530.6510 to 9530.6590, and established for the purpose of facilitating access into care and treatment by detoxifying and evaluating the person and providing entrance into a comprehensive program. Evaluation of the person shall include verification by a professional, after preliminary examination, that the person is intoxicated or has symptoms of chemical dependency, substance misuse or substance use disorder and appears to be in imminent danger of harming self or others. A detoxification program shall have available the services of a licensed physician for medical emergencies and routine medical surveillance. A detoxification program licensed by the Department of Human Services to serve both adults and minors at the same site must provide for separate sleeping areas for adults and minors.
EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 46. Minnesota Statutes 2016, section 254A.09, is amended to read:

254A.09 CONFIDENTIALITY OF RECORDS.

The Department of Human Services shall assure confidentiality to individuals who are the subject of research by the state authority or are recipients of alcohol or drug abuse substance misuse or substance use disorder information, assessment, or treatment from a licensed or approved program. The commissioner shall withhold from all persons not connected with the conduct of the research the names or other identifying characteristics of a subject of research unless the individual gives written permission that information relative to treatment and recovery may be released. Persons authorized to protect the privacy of subjects of research may not be compelled in any federal, state or local, civil, criminal, administrative or other proceeding to identify or disclose other confidential information about the individuals. Identifying information and other confidential information related to alcohol or drug abuse substance misuse or substance use disorder information, assessment, treatment, or aftercare services may be ordered to be released by the court for the purpose of civil or criminal investigations or proceedings if, after review of the records considered for disclosure, the court determines that the information is relevant to the purpose for which disclosure is requested. The court shall order disclosure of only that information which is determined relevant. In determining whether to compel disclosure, the court shall weigh the public interest and the need for disclosure against the injury to the patient, to the treatment relationship in the program affected and in other programs similarly situated, and the actual or potential harm to the ability of programs to attract and retain patients if disclosure occurs. This section does not exempt any person from the reporting obligations under section 626.556, nor limit the use of information reported in any proceeding arising out of the abuse or neglect of a child. Identifying information and other confidential information related to alcohol or drug abuse information substance misuse or substance use disorder, assessment, treatment, or aftercare services may be ordered to be released by the court for the purpose of civil or criminal investigations or proceedings. No information may be released pursuant to this section that would not be released pursuant to section 595.02, subdivision 2.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 47. Minnesota Statutes 2016, section 254A.19, subdivision 3, is amended to read:

Subd. 3. Financial conflicts of interest. (a) Except as provided in paragraph (b) or (c), or (d), an assessor conducting a chemical use assessment under Minnesota Rules, parts
530.6600 to 530.6655, may not have any direct or shared financial interest or referral relationship resulting in shared financial gain with a treatment provider.

(b) A county may contract with an assessor having a conflict described in paragraph (a) if the county documents that:

(1) the assessor is employed by a culturally specific service provider or a service provider with a program designed to treat individuals of a specific age, sex, or sexual preference;

(2) the county does not employ a sufficient number of qualified assessors and the only qualified assessors available in the county have a direct or shared financial interest or a referral relationship resulting in shared financial gain with a treatment provider; or

(3) the county social service agency has an existing relationship with an assessor or service provider and elects to enter into a contract with that assessor to provide both assessment and treatment under circumstances specified in the county's contract, provided the county retains responsibility for making placement decisions.

(c) The county may contract with a hospital to conduct chemical assessments if the requirements in subdivision 1a are met.

An assessor under this paragraph may not place clients in treatment. The assessor shall gather required information and provide it to the county along with any required documentation. The county shall make all placement decisions for clients assessed by assessors under this paragraph.

(d) An eligible vendor under section 254B.05 conducting a comprehensive assessment for an individual seeking treatment shall approve the nature, intensity level, and duration of treatment service if a need for services is indicated, but the individual assessed can access any enrolled provider that is licensed to provide the level of service authorized, including the provider or program that completed the assessment. If an individual is enrolled in a prepaid health plan, the individual must comply with any provider network requirements or limitations.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 48. Minnesota Statutes 2016, section 254B.01, subdivision 3, is amended to read:

Subd. 3. Chemical dependency Substance use disorder treatment services. "Chemical dependency Substance use disorder treatment services" means a planned program of care for the treatment of chemical dependency substance misuse or chemical abuse substance use disorder to minimize or prevent further chemical abuse substance misuse by the person.
Diagnostic, evaluation, prevention, referral, detoxification, and aftercare services that are not part of a program of care licensable as a residential or nonresidential chemical dependency substance use disorder treatment program are not chemical dependency substance use disorder services for purposes of this section. For pregnant and postpartum women, chemical dependency substance use disorder services include halfway house services, aftercare services, psychological services, and case management.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 49. Minnesota Statutes 2016, section 254B.01, is amended by adding a subdivision to read:

Subd. 8. Recovery community organization. "Recovery community organization" means an independent organization led and governed by representatives of local communities of recovery. A recovery community organization mobilizes resources within and outside of the recovery community to increase the prevalence and quality of long-term recovery from alcohol and other drug addiction. Recovery community organizations provide peer-based recovery support activities such as training of recovery peers. Recovery community organizations provide mentorship and ongoing support to individuals dealing with a substance use disorder and connect them with the resources that can support each person's recovery. A recovery community organization also promotes a recovery-focused orientation in community education and outreach programming, and organize recovery-focused policy advocacy activities to foster healthy communities and reduce the stigma of substance use disorder.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 50. Minnesota Statutes 2016, section 254B.03, subdivision 2, is amended to read:

Subd. 2. Chemical dependency fund payment. (a) Payment from the chemical dependency fund is limited to payments for services other than detoxification licensed under Minnesota Rules, parts 9530.6510 to 9530.6590, that, if located outside of federally recognized tribal lands, would be required to be licensed by the commissioner as a chemical dependency treatment or rehabilitation program under sections 245A.01 to 245A.16, and services other than detoxification provided in another state that would be required to be licensed as a chemical dependency program if the program were in the state. Out of state vendors must also provide the commissioner with assurances that the program complies substantially with state licensing requirements and possesses all licenses and certifications required by the host state to provide chemical dependency treatment. Except for chemical
dependency transitional rehabilitation programs. Vendors receiving payments from the chemical dependency fund must not require co-payment from a recipient of benefits for services provided under this subdivision. The vendor is prohibited from using the client's public benefits to offset the cost of services paid under this section. The vendor shall not require the client to use public benefits for room or board costs. This includes but is not limited to cash assistance benefits under chapters 119B, 256D, and 256J, or SNAP benefits.

Retention of SNAP benefits is a right of a client receiving services through the consolidated chemical dependency treatment fund or through state contracted managed care entities.

Payment from the chemical dependency fund shall be made for necessary room and board costs provided by vendors certified according to section 254B.05, or in a community hospital licensed by the commissioner of health according to sections 144.50 to 144.56 to a client who is:

(1) determined to meet the criteria for placement in a residential chemical dependency treatment program according to rules adopted under section 254A.03, subdivision 3; and

(2) concurrently receiving a chemical dependency treatment service in a program licensed by the commissioner and reimbursed by the chemical dependency fund.

(b) A county may, from its own resources, provide chemical dependency services for which state payments are not made. A county may elect to use the same invoice procedures and obtain the same state payment services as are used for chemical dependency services for which state payments are made under this section if county payments are made to the state in advance of state payments to vendors. When a county uses the state system for payment, the commissioner shall make monthly billings to the county using the most recent available information to determine the anticipated services for which payments will be made in the coming month. Adjustment of any overestimate or underestimate based on actual expenditures shall be made by the state agency by adjusting the estimate for any succeeding month.

(c) The commissioner shall coordinate chemical dependency services and determine whether there is a need for any proposed expansion of chemical dependency treatment services. The commissioner shall deny vendor certification to any provider that has not received prior approval from the commissioner for the creation of new programs or the expansion of existing program capacity. The commissioner shall consider the provider's capacity to obtain clients from outside the state based on plans, agreements, and previous utilization history, when determining the need for new treatment services.

**EFFECTIVE DATE.** This section is effective January 1, 2018.
Sec. 51. Minnesota Statutes 2016, section 254B.04, subdivision 1, is amended to read:

Subdivision 1. Eligibility. (a) Persons eligible for benefits under Code of Federal Regulations, title 25, part 20, and persons eligible for medical assistance benefits under sections 256B.055, 256B.056, and 256B.057, subdivisions 1, 5, and 6, or who meet the income standards of section 256B.056, subdivision 4, are entitled to chemical dependency fund services. State money appropriated for this paragraph must be placed in a separate account established for this purpose.

Persons with dependent children who are determined to be in need of chemical dependency treatment pursuant to an assessment under section 626.556, subdivision 10, or a case plan under section 260C.201, subdivision 6, or 260C.212, shall be assisted by the local agency to access needed treatment services. Treatment services must be appropriate for the individual or family, which may include long-term care treatment or treatment in a facility that allows the dependent children to stay in the treatment facility. The county shall pay for out-of-home placement costs, if applicable.

(b) A person not entitled to services under paragraph (a), but with family income that is less than 215 percent of the federal poverty guidelines for the applicable family size, shall be eligible to receive chemical dependency fund services within the limit of funds appropriated for this group for the fiscal year. If notified by the state agency of limited funds, a county must give preferential treatment to persons with dependent children who are in need of chemical dependency treatment pursuant to an assessment under section 626.556, subdivision 10, or a case plan under section 260C.201, subdivision 6, or 260C.212. A county may spend money from its own sources to serve persons under this paragraph. State money appropriated for this paragraph must be placed in a separate account established for this purpose.

(c) Persons whose income is between 215 percent and 412 percent of the federal poverty guidelines for the applicable family size shall be eligible for chemical dependency services on a sliding fee basis, within the limit of funds appropriated for this group for the fiscal year. Persons eligible under this paragraph must contribute to the cost of services according to the sliding fee scale established under subdivision 3. A county may spend money from its own sources to provide services to persons under this paragraph. State money appropriated for this paragraph must be placed in a separate account established for this purpose.

EFFECTIVE DATE. This section is effective January 1, 2018.
Sec. 52. Minnesota Statutes 2016, section 254B.04, subdivision 2b, is amended to read:

Subd. 2b. Eligibility for placement in opioid treatment programs. (a) Notwithstanding provisions of Minnesota Rules, part 9530.6622, subpart 5, related to a placement authority’s requirement to authorize services or service coordination in a program that complies with Minnesota Rules, part 9530.6500, or Code of Federal Regulations, title 42, part 8, and after taking into account an individual’s preference for placement in an opioid treatment program, a placement authority may, but is not required to, authorize services or service coordination or otherwise place an individual in an opioid treatment program. Prior to making a determination of placement for an individual, the placing authority must consult with the current treatment provider, if any.

(b) Prior to placement of an individual who is determined by the assessor to require treatment for opioid addiction, the assessor must provide educational information concerning treatment options for opioid addiction, including the use of a medication for the use of opioid addiction. The commissioner shall develop educational materials supported by research and updated periodically that must be used by assessors to comply with this requirement.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 53. Minnesota Statutes 2016, section 254B.05, subdivision 1, is amended to read:

Subdivision 1. Licensure required. (a) Programs licensed by the commissioner are eligible vendors. Hospitals may apply for and receive licenses to be eligible vendors, notwithstanding the provisions of section 245A.03. American Indian programs that provide chemical dependency primary substance use disorder treatment, extended care, transitional residence, or outpatient treatment services, and are licensed by tribal government are eligible vendors.

(b) On July 1, 2018, or upon federal approval, whichever is later, a licensed professional in private practice who meets the requirements of section 245G.11, subdivisions 1 and 4, is an eligible vendor of a comprehensive assessment and assessment summary provided according to section 245G.05, and treatment services provided according to sections 245G.06 and 245G.07, subdivision 1, paragraphs (a), clauses (1) to (5), and (b); and subdivision 2.

(c) On July 1, 2018, or upon federal approval, whichever is later, a county is an eligible vendor for a comprehensive assessment and assessment summary when provided by an individual who meets the staffing credentials of section 245G.11, subdivisions 1 and 4, and completed according to the requirements of section 245G.05. A county is an eligible vendor...
of care coordination services when provided by an individual who meets the staffing credentials of section 245G.11, subdivisions 1 and 7, and provided according to the requirements of section 245G.07, subdivision 1, clause (7).

(d) On July 1, 2018, or upon federal approval, whichever is later, a recovery community organization that meets certification requirements identified by the commissioner is an eligible vendor of peer support services.

(e) Detoxification programs licensed under Minnesota Rules, parts 9530.6510 to 9530.6590, are not eligible vendors. Programs that are not licensed as a chemical dependency residential or nonresidential substance use disorder treatment or withdrawal management program by the commissioner or by tribal government or do not meet the requirements of subdivisions 1a and 1b are not eligible vendors.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 54. Minnesota Statutes 2016, section 254B.05, subdivision 1a, is amended to read:

Subd. 1a. Room and board provider requirements. (a) Effective January 1, 2000, vendors of room and board are eligible for chemical dependency fund payment if the vendor:

1. has rules prohibiting residents bringing chemicals into the facility or using chemicals while residing in the facility and provide consequences for infractions of those rules;
2. is determined to meet applicable health and safety requirements;
3. is not a jail or prison;
4. is not concurrently receiving funds under chapter 256I for the recipient;
5. admits individuals who are 18 years of age or older;
6. is registered as a board and lodging or lodging establishment according to section 157.17;
7. has awake staff on site 24 hours per day;
8. has staff who are at least 18 years of age and meet the requirements of Minnesota Rules, part 9530.6450, subpart 1, item A section 245G.11, subdivision 1, paragraph (a);
9. has emergency behavioral procedures that meet the requirements of Minnesota Rules, part 9530.6475 section 245G.16;
10. meets the requirements of Minnesota Rules, part 9530.6435, subparts 3 and 4, items A and B section 245G.08, subdivision 5, if administering medications to clients;
(11) meets the abuse prevention requirements of section 245A.65, including a policy on fraternization and the mandatory reporting requirements of section 626.557;

(12) documents coordination with the treatment provider to ensure compliance with section 254B.03, subdivision 2;

(13) protects client funds and ensures freedom from exploitation by meeting the provisions of section 245A.04, subdivision 13;

(14) has a grievance procedure that meets the requirements of Minnesota Rules, part 9530.6470, subpart 2 section 245G.15, subdivision 2; and

(15) has sleeping and bathroom facilities for men and women separated by a door that is locked, has an alarm, or is supervised by awake staff.

(b) Programs licensed according to Minnesota Rules, chapter 2960, are exempt from paragraph (a), clauses (5) to (15).

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 55. Minnesota Statutes 2016, section 254B.05, subdivision 5, is amended to read:

Subd. 5. **Rate requirements.** (a) The commissioner shall establish rates for chemical dependency substance use disorder services and service enhancements funded under this chapter.

(b) Eligible chemical dependency substance use disorder treatment services include:

(1) outpatient treatment services that are licensed according to Minnesota Rules, parts 9530.6405 to 9530.6480 sections 245G.01 to 245G.17, or applicable tribal license;

(2) on July 1, 2018, or upon federal approval, whichever is later, comprehensive assessments provided according to sections 245.4863, paragraph (a), and 245G.05, and Minnesota Rules, part 9530.6422;

(3) on July 1, 2018, or upon federal approval, whichever is later, care coordination services provided according to section 245G.07, subdivision 1, paragraph (a), clause (6);

(4) on July 1, 2018, or upon federal approval, whichever is later, peer recovery support services provided according to section 245G.07, subdivision 1, paragraph (a), clause (5);

(5) on July 1, 2018, or upon federal approval, whichever is later, withdrawal management services provided according to chapter 245F;
medication-assisted therapy services that are licensed according to Minnesota Rules, parts 9530.6405 to 9530.6480 and 9530.6500 section 245G.07, subdivision 1, or applicable tribal license;

medication-assisted therapy plus enhanced treatment services that meet the requirements of clause (2) (6) and provide nine hours of clinical services each week;

high, medium, and low intensity residential treatment services that are licensed according to Minnesota Rules, parts 9530.6405 to 9530.6480 and 9530.6505, sections 245G.01 to 245G.17 and 245G.22 or applicable tribal license which provide, respectively, 30, 15, and five hours of clinical services each week;

hospital-based treatment services that are licensed according to Minnesota Rules, parts 9530.6405 to 9530.6480, sections 245G.01 to 245G.17 or applicable tribal license and licensed as a hospital under sections 144.50 to 144.56;

adolescent treatment programs that are licensed as outpatient treatment programs according to Minnesota Rules, parts 9530.6405 to 9530.6485, sections 245G.01 to 245G.18 or as residential treatment programs according to Minnesota Rules, parts 2960.0010 to 2960.0220, and 2960.0430 to 2960.0490, or applicable tribal license;

high-intensity residential treatment services that are licensed according to Minnesota Rules, parts 9530.6405 to 9530.6480 and 9530.6505, sections 245G.01 to 245G.17 and 245G.21 or applicable tribal license, which provide 30 hours of clinical services each week provided by a state-operated vendor or to clients who have been civilly committed to the commissioner, present the most complex and difficult care needs, and are a potential threat to the community; and

room and board facilities that meet the requirements of subdivision 1a.

The commissioner shall establish higher rates for programs that meet the requirements of paragraph (b) and one of the following additional requirements:

(1) programs that serve parents with their children if the program:

(i) provides on-site child care during the hours of treatment activity that:

(A) is licensed under chapter 245A as a child care center under Minnesota Rules, chapter 9503; or

(B) meets the licensure exclusion criteria of section 245A.03, subdivision 2, paragraph (a), clause (6), and meets the requirements under Minnesota Rules, part 9530.6490, subpart 4 section 245G.19, subdivision 4; or
(ii) arranges for off-site child care during hours of treatment activity at a facility that is licensed under chapter 245A as:

(A) a child care center under Minnesota Rules, chapter 9503; or

(B) a family child care home under Minnesota Rules, chapter 9502;

(2) culturally specific programs as defined in section 254B.01, subdivision 4a, or programs or subprograms serving special populations, if the program or subprogram meets the following requirements:

(i) is designed to address the unique needs of individuals who share a common language, racial, ethnic, or social background;

(ii) is governed with significant input from individuals of that specific background; and

(iii) employs individuals to provide individual or group therapy, at least 50 percent of whom are of that specific background, except when the common social background of the individuals served is a traumatic brain injury or cognitive disability and the program employs treatment staff who have the necessary professional training, as approved by the commissioner, to serve clients with the specific disabilities that the program is designed to serve;

(3) programs that offer medical services delivered by appropriately credentialed health care staff in an amount equal to two hours per client per week if the medical needs of the client and the nature and provision of any medical services provided are documented in the client file; and

(4) programs that offer services to individuals with co-occurring mental health and chemical dependency problems if:

(i) the program meets the co-occurring requirements in Minnesota Rules, part 9530.6495 section 245G.20;

(ii) 25 percent of the counseling staff are licensed mental health professionals, as defined in section 245.462, subdivision 18, clauses (1) to (6), or are students or licensing candidates under the supervision of a licensed alcohol and drug counselor supervisor and licensed mental health professional, except that no more than 50 percent of the mental health staff may be students or licensing candidates with time documented to be directly related to provisions of co-occurring services;

(iii) clients scoring positive on a standardized mental health screen receive a mental health diagnostic assessment within ten days of admission;
(iv) the program has standards for multidisciplinary case review that include a monthly
review for each client that, at a minimum, includes a licensed mental health professional
and licensed alcohol and drug counselor, and their involvement in the review is documented;
(v) family education is offered that addresses mental health and substance abuse disorders
and the interaction between the two; and
(vi) co-occurring counseling staff shall receive eight hours of co-occurring disorder
training annually.
(d) In order to be eligible for a higher rate under paragraph (c), clause (1), a program
that provides arrangements for off-site child care must maintain current documentation at
the chemical dependency facility of the child care provider's current licensure to provide
child care services. Programs that provide child care according to paragraph (c), clause (1),
must be deemed in compliance with the licensing requirements in Minnesota Rules, part
9530.6490 section 245G.19.
(e) Adolescent residential programs that meet the requirements of Minnesota Rules,
parts 2960.0430 to 2960.0490 and 2960.0580 to 2960.0690, are exempt from the requirements
in paragraph (c), clause (4), items (i) to (iv).
(f) Subject to federal approval, chemical dependency services that are otherwise covered
as direct face-to-face services may be provided via two-way interactive video. The use of
two-way interactive video must be medically appropriate to the condition and needs of the
person being served. Reimbursement shall be at the same rates and under the same conditions
that would otherwise apply to direct face-to-face services. The interactive video equipment
and connection must comply with Medicare standards in effect at the time the service is
provided.
EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 56. Minnesota Statutes 2016, section 254B.051, is amended to read:

254B.051 SUBSTANCE ABUSE USE DISORDER TREATMENT

EFFECTIVENESS.

In addition to the substance abuse use disorder treatment program performance outcome
measures that the commissioner of human services collects annually from treatment providers,
the commissioner shall request additional data from programs that receive appropriations
from the consolidated chemical dependency treatment fund. This data shall include number
of client readmissions six months after release from inpatient treatment, and the cost of
treatment per person for each program receiving consolidated chemical dependency treatment funds. The commissioner may post this data on the department Web site.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 57. Minnesota Statutes 2016, section 254B.07, is amended to read:

**254B.07 THIRD-PARTY LIABILITY.**

The state agency provision and payment of, or liability for, chemical dependency substance use disorder medical care is the same as in section 256B.042.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 58. Minnesota Statutes 2016, section 254B.08, is amended to read:

**254B.08 FEDERAL WAIVERS.**

The commissioner shall apply for any federal waivers necessary to secure, to the extent allowed by law, federal financial participation for the provision of services to persons who need chemical dependency substance use disorder services. The commissioner may seek amendments to the waivers or apply for additional waivers to contain costs. The commissioner shall ensure that payment for the cost of providing chemical dependency substance use disorder services under the federal waiver plan does not exceed the cost of chemical dependency substance use disorder services that would have been provided without the waivered services.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 59. Minnesota Statutes 2016, section 254B.09, is amended to read:

**254B.09 INDIAN RESERVATION ALLOCATION OF CHEMICAL DEPENDENCY FUND.**

Subdivision 1. **Vendor payments.** The commissioner shall pay eligible vendors for chemical dependency substance use disorder services to American Indians on the same basis as other payments, except that no local match is required when an invoice is submitted by the governing authority of a federally recognized American Indian tribal body or a county if the tribal governing body has not entered into an agreement under subdivision 2 on behalf of a current resident of the reservation under this section.

Subd. 2. **American Indian agreements.** The commissioner may enter into agreements with federally recognized tribal units to pay for chemical dependency substance use disorder...
treatment services provided under Laws 1986, chapter 394, sections 8 to 20. The agreements must clarify how the governing body of the tribal unit fulfills local agency responsibilities regarding:

(1) the form and manner of invoicing; and

(2) provide that only invoices for eligible vendors according to section 254B.05 will be included in invoices sent to the commissioner for payment, to the extent that money allocated under subdivisions 4 and 5 is used.

Subd. 6. American Indian tribal placements. After entering into an agreement under subdivision 2, the governing authority of each reservation may submit invoices to the state for the cost of providing chemical dependency substance use disorder services to residents of the reservation according to the placement rules governing county placements, except that local match requirements are waived. The governing body may designate an agency to act on its behalf to provide placement services and manage invoices by written notice to the commissioner and evidence of agreement by the agency designated.

Subd. 8. Payments to improve services to American Indians. The commissioner may set rates for chemical dependency substance use disorder services to American Indians according to the American Indian Health Improvement Act, Public Law 94-437, for eligible vendors. These rates shall supersede rates set in county purchase of service agreements when payments are made on behalf of clients eligible according to Public Law 94-437.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 60. Minnesota Statutes 2016, section 254B.12, subdivision 2, is amended to read:

Subd. 2. Payment methodology for highly specialized vendors. Notwithstanding subdivision 1, the commissioner shall seek federal authority to develop separate payment methodologies for chemical dependency substance use disorder treatment services provided under the consolidated chemical dependency treatment fund: (1) by a state-operated vendor; or (2) for persons who have been civilly committed to the commissioner, present the most complex and difficult care needs, and are a potential threat to the community. A payment methodology under this subdivision is effective for services provided on or after October 1, 2015, or on or after the receipt of federal approval, whichever is later.

EFFECTIVE DATE. This section is effective January 1, 2018.
Sec. 61. Minnesota Statutes 2016, section 254B.12, is amended by adding a subdivision to read:

Subd. 3. Chemical dependency provider rate increase. For the chemical dependency services listed in section 254B.05, subdivision 5, and provided on or after July 1, 2017, payment rates shall be increased by three percent over the rates in effect on January 1, 2017, for vendors who meet the requirements of section 254B.05.

Sec. 62. Minnesota Statutes 2016, section 254B.13, subdivision 2a, is amended to read:

Subd. 2a. Eligibility for navigator pilot program. (a) To be considered for participation in a navigator pilot program, an individual must:

(1) be a resident of a county with an approved navigator program;
(2) be eligible for consolidated chemical dependency treatment fund services;
(3) be a voluntary participant in the navigator program;
(4) satisfy one of the following items:
   (i) have at least one severity rating of three or above in dimension four, five, or six in a comprehensive assessment under Minnesota Rules, part 9530.6422 section 245G.05, paragraph (c), clauses (4) to (6); or
   (ii) have at least one severity rating of two or above in dimension four, five, or six in a comprehensive assessment under Minnesota Rules, part 9530.6422, section 245G.05, paragraph (c), clauses (4) to (6), and be currently participating in a Rule 31 treatment program under Minnesota Rules, parts 9530.6405 to 9530.6505, chapter 245G or be within 60 days following discharge after participation in a Rule 31 treatment program; and
(5) have had at least two treatment episodes in the past two years, not limited to episodes reimbursed by the consolidated chemical dependency treatment funds. An admission to an emergency room, a detoxification program, or a hospital may be substituted for one treatment episode if it resulted from the individual's substance use disorder.

(b) New eligibility criteria may be added as mutually agreed upon by the commissioner and participating navigator programs.

EFFECTIVE DATE. This section is effective January 1, 2018.
Sec. 63. Minnesota Statutes 2016, section 256B.0625, subdivision 45a, is amended to read:

Subd. 45a. Psychiatric residential treatment facility services for persons under 21 years of age. (a) Medical assistance covers psychiatric residential treatment facility services, according to section 256B.0941, for persons younger than 21 years of age. Individuals who reach age 21 at the time they are receiving services are eligible to continue receiving services until they no longer require services or until they reach age 22, whichever occurs first.

(b) For purposes of this subdivision, "psychiatric residential treatment facility" means a facility other than a hospital that provides psychiatric services, as described in Code of Federal Regulations, title 42, sections 441.151 to 441.182, to individuals under age 21 in an inpatient setting.

(c) The commissioner shall develop admissions and discharge procedures and establish rates consistent with guidelines from the federal Centers for Medicare and Medicaid Services.

(d) The commissioner shall enroll up to 150 certified psychiatric residential treatment facility services beds at up to six sites. The commissioner shall select psychiatric residential treatment facility services providers through a request for proposals process. Providers of state-operated services may respond to the request for proposals.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 64. [256B.0941] PSYCHIATRIC RESIDENTIAL TREATMENT FACILITY FOR PERSONS UNDER 21 YEARS OF AGE.

Subdivision 1. Eligibility. (a) An individual who is eligible for mental health treatment services in a psychiatric residential treatment facility must meet all of the following criteria:

(1) before admission, services are determined to be medically necessary by the state's medical review agent according to Code of Federal Regulations, title 42, section 441.152;

(2) is younger than 21 years of age at the time of admission. Services may continue until the individual meets criteria for discharge or reaches 22 years of age, whichever occurs first;

(3) has a mental health diagnosis as defined in the most recent edition of the Diagnostic and Statistical Manual for Mental Disorders, as well as clinical evidence of severe aggression, or a finding that the individual is a risk to self or others;
(4) has functional impairment and a history of difficulty in functioning safely and
successfully in the community, school, home, or job; an inability to adequately care for
one's physical needs; or caregivers, guardians, or family members are unable to safely fulfill
the individual's needs;

(5) requires psychiatric residential treatment under the direction of a physician to improve
the individual's condition or prevent further regression so that services will no longer be
needed;

(6) utilized and exhausted other community-based mental health services, or clinical
evidence indicates that such services cannot provide the level of care needed; and

(7) was referred for treatment in a psychiatric residential treatment facility by a qualified
mental health professional licensed as defined in section 245.4871, subdivision 27, clauses
(1) to (6).

(b) A mental health professional making a referral shall submit documentation to the
state's medical review agent containing all information necessary to determine medical
necessity, including a standard diagnostic assessment completed within 180 days of the
individual's admission. Documentation shall include evidence of family participation in the
individual's treatment planning and signed consent for services.

Subd. 2. Services. Psychiatric residential treatment facility service providers must offer
and have the capacity to provide the following services:

(1) development of the individual plan of care, review of the individual plan of care
every 30 days, and discharge planning by required members of the treatment team according
to Code of Federal Regulations, title 42, sections 441.155 to 441.156;

(2) any services provided by a psychiatrist or physician for development of an individual
plan of care, conducting a review of the individual plan of care every 30 days, and discharge
planning by required members of the treatment team according to Code of Federal
Regulations, title 42, sections 441.155 to 441.156;

(3) active treatment seven days per week that may include individual, family, or group
therapy as determined by the individual care plan;

(4) individual therapy, provided a minimum of twice per week;

(5) family engagement activities, provided a minimum of once per week;
(6) consultation with other professionals, including case managers, primary care professionals, community-based mental health providers, school staff, or other support planners;

(7) coordination of educational services between local and resident school districts and the facility;

(8) 24-hour nursing; and

(9) direct care and supervision, supportive services for daily living and safety, and positive behavior management.

Subd. 3. Per diem rate. (a) The commissioner shall establish a statewide per diem rate for psychiatric residential treatment facility services for individuals 21 years of age or younger. The rate for a provider must not exceed the rate charged by that provider for the same service to other payers. Payment must not be made to more than one entity for each individual for services provided under this section on a given day. The commissioner shall set rates prospectively for the annual rate period. The commissioner shall require providers to submit annual cost reports on a uniform cost reporting form and shall use submitted cost reports to inform the rate-setting process. The cost reporting shall be done according to federal requirements for Medicare cost reports.

(b) The following are included in the rate:

(1) costs necessary for licensure and accreditation, meeting all staffing standards for participation, meeting all service standards for participation, meeting all requirements for active treatment, maintaining medical records, conducting utilization review, meeting inspection of care, and discharge planning. The direct services costs must be determined using the actual cost of salaries, benefits, payroll taxes, and training of direct services staff and service-related transportation; and

(2) payment for room and board provided by facilities meeting all accreditation and licensing requirements for participation.

(c) A facility may submit a claim for payment outside of the per diem for professional services arranged by and provided at the facility by an appropriately licensed professional who is enrolled as a provider with Minnesota health care programs. Arranged services must be billed by the facility on a separate claim, and the facility shall be responsible for payment to the provider. These services must be included in the individual plan of care and are subject to prior authorization by the state's medical review agent.
(d) Medicaid shall reimburse for concurrent services as approved by the commissioner to support continuity of care and successful discharge from the facility. "Concurrent services" means services provided by another entity or provider while the individual is admitted to a psychiatric residential treatment facility. Payment for concurrent services may be limited and these services are subject to prior authorization by the state's medical review agent. Concurrent services may include targeted case management, assertive community treatment, clinical care consultation, team consultation, and treatment planning.

(e) Payment rates under this subdivision shall not include the costs of providing the following services:

(1) educational services;

(2) acute medical care or specialty services for other medical conditions;

(3) dental services; and

(4) pharmacy drug costs.

(f) For purposes of this section, "actual cost" means costs that are allowable, allocable, reasonable, and consistent with federal reimbursement requirements in Code of Federal Regulations, title 48, chapter 1, part 31, relating to for-profit entities, and the Office of Management and Budget Circular Number A-122, relating to nonprofit entities.

Subd. 4. Leave days. (a) Medical assistance covers therapeutic and hospital leave days, provided the recipient was not discharged from the psychiatric residential treatment facility and is expected to return to the psychiatric residential treatment facility. A reserved bed must be held for a recipient on hospital leave or therapeutic leave.

(b) A therapeutic leave day to home shall be used to prepare for discharge and reintegration and shall be included in the individual plan of care. The state shall reimburse 75 percent of the per diem rate for a reserve bed day while the recipient is on therapeutic leave. A therapeutic leave visit may not exceed three days without prior authorization.

(c) A hospital leave day shall be a day for which a recipient has been admitted to a hospital for medical or acute psychiatric care and is temporarily absent from the psychiatric residential treatment facility. The state shall reimburse 50 percent of the per diem rate for a reserve bed day while the recipient is receiving medical or psychiatric care in a hospital.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 65. Minnesota Statutes 2016, section 256B.0943, subdivision 13, is amended to read:

Subd. 13. **Exception to excluded services.** Notwithstanding subdivision 12, up to 15 hours of children's therapeutic services and supports provided within a six-month period to a child with severe emotional disturbance who is residing in a hospital; a group home as defined in Minnesota Rules, parts 2960.0130 to 2960.0220; a residential treatment facility licensed under Minnesota Rules, parts 2960.0580 to 2960.0690; a psychiatric residential treatment facility under section 256B.0625, subdivision 45a; a regional treatment center; or other institutional group setting or who is participating in a program of partial hospitalization are eligible for medical assistance payment if part of the discharge plan.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 66. Minnesota Statutes 2016, section 256B.0945, subdivision 2, is amended to read:

Subd. 2. **Covered services.** All services must be included in a child's individualized treatment or multiagency plan of care as defined in chapter 245.

For facilities that are not institutions for mental diseases according to federal statute and regulation, medical assistance covers mental health-related services that are required to be provided by a residential facility under section 245.4882 and administrative rules promulgated thereunder, except for room and board. For residential facilities determined by the federal Centers for Medicare and Medicaid Services to be an institution for mental diseases, medical assistance covers medically necessary mental health services provided by the facility according to section 256B.055, subdivision 13, except for room and board.

Sec. 67. Minnesota Statutes 2016, section 256B.0945, subdivision 4, is amended to read:

Subd. 4. **Payment rates.** (a) Notwithstanding sections 256B.19 and 256B.041, payments to counties for residential services provided under this section by a residential facility shall:

(1) for services provided by a residential facility that is not an institution for mental diseases, only be made of federal earnings for services provided under this section, and the nonfederal share of costs for services provided under this section shall be paid by the county from sources other than federal funds or funds used to match other federal funds. Payment to counties for services provided according to this section shall be a proportion of the per day contract rate that relates to rehabilitative mental health services and shall not include payment for costs or services that are billed to the IV-E program as room and board; and

(2) for services provided by a residential facility that is determined to be an institution for mental diseases, be equivalent to the federal share of the payment that would have been
made if the residential facility were not an institution for mental diseases. The portion of
the payment representing what would be the nonfederal shares shall be paid by the county.

Payment to counties for services provided according to this section shall be a proportion of
the per day contract rate that relates to rehabilitative mental health services and shall not
include payment for costs or services that are billed to the IV-E program as room and board.

(b) Per diem rates paid to providers under this section by prepaid plans shall be the
proportion of the per-day contract rate that relates to rehabilitative mental health services
and shall not include payment for group foster care costs or services that are billed to the
county of financial responsibility. Services provided in facilities located in bordering states
are eligible for reimbursement on a fee-for-service basis only as described in paragraph (a)
and are not covered under prepaid health plans.

(c) Payment for mental health rehabilitative services provided under this section by or
under contract with an American Indian tribe or tribal organization or by agencies operated
by or under contract with an American Indian tribe or tribal organization must be made
according to section 256B.0625, subdivision 34, or other relevant federally approved
rate-setting methodology.

(d) The commissioner shall set aside a portion not to exceed five percent of the federal
funds earned for county expenditures under this section to cover the state costs of
administering this section. Any unexpended funds from the set-aside shall be distributed to
the counties in proportion to their earnings under this section.

Sec. 68. Minnesota Statutes 2016, section 256B.763, is amended to read:

256B.763 CRITICAL ACCESS MENTAL HEALTH RATE INCREASE.

(a) For services defined in paragraph (b) and rendered on or after July 1, 2007, payment
rates shall be increased by 23.7 percent over the rates in effect on January 1, 2006, for:
(1) psychiatrists and advanced practice registered nurses with a psychiatric specialty;
(2) community mental health centers under section 256B.0625, subdivision 5; and
(3) mental health clinics and centers certified under Minnesota Rules, parts 9520.0750
to 9520.0870, or hospital outpatient psychiatric departments that are designated as essential
community providers under section 62Q.19.

(b) This increase applies to group skills training when provided as a component of
children's therapeutic services and support, psychotherapy, medication management,
evaluation and management, diagnostic assessment, explanation of findings, psychological
testing, neuropsychological services, direction of behavioral aides, and inpatient consultation.

(c) This increase does not apply to rates that are governed by section 256B.0625,
subdivision 30, or 256B.761, paragraph (b), other cost-based rates, rates that are negotiated
with the county, rates that are established by the federal government, or rates that increased

(d) The commissioner shall adjust rates paid to prepaid health plans under contract with
the commissioner to reflect the rate increases provided in paragraphs (a), (e), and (f). The
prepaid health plan must pass this rate increase to the providers identified in paragraphs (a),
(e), (f), and (g).

(e) Payment rates shall be increased by 23.7 percent over the rates in effect on December
31, 2007, for:

(1) medication education services provided on or after January 1, 2008, by adult
rehabilitative mental health services providers certified under section 256B.0623; and

(2) mental health behavioral aide services provided on or after January 1, 2008, by
children's therapeutic services and support providers certified under section 256B.0943.

(f) For services defined in paragraph (b) and rendered on or after January 1, 2008, by
children's therapeutic services and support providers certified under section 256B.0943 and
not already included in paragraph (a), payment rates shall be increased by 23.7 percent over
the rates in effect on December 31, 2007.

(g) Payment rates shall be increased by 2.3 percent over the rates in effect on December
31, 2007, for individual and family skills training provided on or after January 1, 2008, by
children's therapeutic services and support providers certified under section 256B.0943.

(h) For services described in paragraphs (b), (e), and (g) and rendered on or after July
1, 2017, payment rates for mental health clinics and centers certified under Minnesota Rules,
parts 9520.0750 to 9520.0870, that are not designated as essential community providers
under section 62Q.19 shall be equal to payment rates for mental health clinics and centers
certified under Minnesota Rules, parts 9520.0750 to 9520.0870, that are designated as
essential community providers under section 62Q.19. In order to receive increased payment
rates under this paragraph, a provider must demonstrate a commitment to serve low-income
and underserved populations by:

(1) charging for services on a sliding-fee schedule based on current poverty income
guidelines; and
Sec. 69. CHILDREN'S MENTAL HEALTH REPORT AND RECOMMENDATIONS.

The commissioner of human services shall conduct a comprehensive analysis of Minnesota's continuum of intensive mental health services and shall develop recommendations for a sustainable and community-driven continuum of care for children with serious mental health needs, including children currently being served in residential treatment. The commissioner's analysis shall include, but not be limited to:

1. data related to access, utilization, efficacy, and outcomes for Minnesota's current system of residential mental health treatment for a child with a severe emotional disturbance;
2. potential expansion of the state's psychiatric residential treatment facility (PRTF) capacity, including increasing the number of PRTF beds and conversion of existing children's mental health residential treatment programs into PRTFs;
3. the capacity need for PRTF and other group settings within the state if adequate community-based alternatives are accessible, equitable, and effective statewide;
4. recommendations for expanding alternative community-based service models to meet the needs of a child with a serious mental health disorder who would otherwise require residential treatment and potential service models that could be utilized, including data related to access, utilization, efficacy, and outcomes;
5. models of care used in other states; and
6. analysis and specific recommendations for the design and implementation of new service models, including analysis to inform rate setting as necessary.

The analysis shall be supported and informed by extensive stakeholder engagement. Stakeholders include individuals who receive services, family members of individuals who receive services, providers, counties, health plans, advocates, and others. Stakeholder engagement shall include interviews with key stakeholders, intentional outreach to individuals who receive services and the individual's family members, and regional listening sessions.

The commissioner shall provide a report with specific recommendations and timelines for implementation to the legislative committees with jurisdiction over children's mental health policy and finance by November 15, 2018.
Sec. 70. RESIDENTIAL TREATMENT AND PAYMENT RATE REFORM.

The commissioner shall contract with an outside expert to identify recommendations for the development of a substance use disorder residential treatment program model and payment structure that is not subject to the federal institutions for mental diseases exclusion and that is financially sustainable for providers, while incentivizing best practices and improved treatment outcomes. The analysis must include recommendations and a timeline for supporting providers to transition to the new models of care delivery. No later than December 15, 2018, the commissioner shall deliver a report with recommendations to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance.

Sec. 71. REVISOR'S INSTRUCTION.

In Minnesota Statutes and Minnesota Rules, the revisor of statutes, in consultation with the Department of Human Services, shall make necessary cross-reference changes that are needed as a result of the enactment of sections 7 to 28 and 70. The revisor shall make any necessary technical and grammatical changes to preserve the meaning of the text.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 72. REPEALER.

(a) Minnesota Statutes 2016, sections 245A.1915; 245A.192; and 254A.02, subdivision 4, are repealed.

(b) Minnesota Rules, parts 9530.6405, subparts 1, 1a, 2, 3, 4, 5, 6, 7, 7a, 8, 9, 10, 11, 12, 13, 14, 14a, 15, 15a, 16, 17, 17a, 17b, 17c, 18, 20, and 21; 9530.6410; 9530.6415; 9530.6420; 9530.6422; 9530.6425; 9530.6430; 9530.6435; 9530.6440; 9530.6445; 9530.6450; 9530.6455; 9530.6460; 9530.6465; 9530.6470; 9530.6475; 9530.6480; 9530.6485; 9530.6490; 9530.6495; 9530.6500; and 9530.6505, are repealed.

(c) Minnesota Statutes 2016, section 256B.7631, is repealed.

EFFECTIVE DATE. Paragraphs (a) and (b) are effective January 1, 2018. Paragraph (c) is effective the day following final enactment.

ARTICLE 9

OPERATIONS

Section 1. Minnesota Statutes 2016, section 245A.02, subdivision 2b, is amended to read:
Subd. 2b. **Annual or annually.** With the exception of subdivision 2c, "annual" or "annually" means prior to or within the same month of the subsequent calendar year.

Sec. 2. Minnesota Statutes 2016, section 245A.02, is amended by adding a subdivision to read:

**Subd. 2c. Annual or annually; family child care training requirements.** For the purposes of section 245A.50, subdivisions 1 to 9, "annual" or "annually" means the 12-month period beginning on the license effective date or the annual anniversary of the effective date and ending on the day prior to the annual anniversary of the license effective date.

Sec. 3. Minnesota Statutes 2016, section 245A.04, subdivision 4, is amended to read:

**Subd. 4. Inspections; waiver.** (a) Before issuing an initial license, the commissioner shall conduct an inspection of the program. The inspection must include but is not limited to:

1. an inspection of the physical plant;
2. an inspection of records and documents;
3. an evaluation of the program by consumers of the program; and
4. observation of the program in operation.

For the purposes of this subdivision, "consumer" means a person who receives the services of a licensed program, the person's legal guardian, or the parent or individual having legal custody of a child who receives the services of a licensed program.

(b) The evaluation required in paragraph (a), clause (3), or the observation in paragraph (a), clause (4), is not required prior to issuing an initial license under subdivision 7. If the commissioner issues an initial license under subdivision 7, these requirements must be completed within one year after the issuance of an initial license.

(c) Before completing a licensing inspection in a family child care program or child care center, the licensing agency must offer the license holder an exit interview to discuss violations of law or rule observed during the inspection and offer technical assistance on how to comply with applicable laws and rules. Nothing in this paragraph limits the ability of the commissioner to issue a correction order or negative action for violations of law or rule not discussed in an exit interview or in the event that a license holder chooses not to participate in an exit interview.

**EFFECTIVE DATE.** This section is effective October 1, 2017.
Sec. 4. Minnesota Statutes 2016, section 245A.06, subdivision 2, is amended to read:

Subd. 2. Reconsideration of correction orders. (a) If the applicant or license holder believes that the contents of the commissioner's correction order are in error, the applicant or license holder may ask the Department of Human Services to reconsider the parts of the correction order that are alleged to be in error. The request for reconsideration must be made in writing and must be postmarked and sent to the commissioner within 20 calendar days after receipt of the correction order by the applicant or license holder, and:

(1) specify the parts of the correction order that are alleged to be in error;
(2) explain why they are in error; and
(3) include documentation to support the allegation of error.

A request for reconsideration does not stay any provisions or requirements of the correction order. The commissioner's disposition of a request for reconsideration is final and not subject to appeal under chapter 14.

(b) This paragraph applies only to licensed family child care providers. A licensed family child care provider who requests reconsideration of a correction order under paragraph (a) may also request, on a form and in the manner prescribed by the commissioner, that the commissioner expedite the review if:

(1) the provider is challenging a violation and provides a description of how complying with the corrective action for that violation would require the substantial expenditure of funds or a significant change to their program; and
(2) describes what actions the provider will take in lieu of the corrective action ordered to ensure the health and safety of children in care pending the commissioner's review of the correction order.

Sec. 5. Minnesota Statutes 2016, section 245A.06, subdivision 8, is amended to read:

Subd. 8. Requirement to post correction order. (a) For licensed family child care providers and child care centers, upon receipt of any correction order or order of conditional license issued by the commissioner under this section, and notwithstanding a pending request for reconsideration of the correction order or order of conditional license by the license holder, the license holder shall post the correction order or order of conditional license in a place that is conspicuous to the people receiving services and all visitors to the facility for two years. When the correction order or order of conditional license is accompanied by a maltreatment investigation memorandum prepared under section 626.556 or 626.557, the
investigation memoranda must be posted with the correction order or order of conditional license.

(b) If the commissioner reverses or rescinds a violation in a correction order upon reconsideration under subdivision 2, the commissioner shall issue an amended correction order and the license holder shall post the amended order according to paragraph (a).

c) If the correction order is rescinded or reversed in full upon reconsideration under subdivision 2, the license holder shall remove the original correction order posted according to paragraph (a).

Sec. 6. Minnesota Statutes 2016, section 245A.06, is amended by adding a subdivision to read:

Subd. 9. Child care correction order quotas prohibited. The commissioner and county licensing agencies shall not order, mandate, require, or suggest to any person responsible for licensing or inspecting a licensed family child care provider or child care center a quota for the issuance of correction orders on a daily, weekly, monthly, quarterly, or yearly basis.

Sec. 7. [245A.065] CHILD CARE FIX-IT TICKET.

(a) In lieu of a correction order under section 245A.06, the commissioner shall issue a fix-it ticket to a family child care or child care center license holder if the commissioner finds that:

1) the license holder has failed to comply with a requirement in this chapter or Minnesota Rules, chapter 9502 or 9503, that the commissioner determines to be eligible for a fix-it ticket;

2) the violation does not imminently endanger the health, safety, or rights of the persons served by the program;

3) the license holder did not receive a fix-it ticket or correction order for the violation at the license holder's last licensing inspection;

4) the violation can be corrected at the time of inspection or within 48 hours, excluding Saturdays, Sundays, and holidays; and

5) the license holder corrects the violation at the time of inspection or agrees to correct the violation within 48 hours, excluding Saturdays, Sundays, and holidays.

(b) The fix-it ticket must state:

1) the conditions that constitute a violation of the law or rule;
353.1 (2) the specific law or rule violated; and

353.2 (3) that the violation was corrected at the time of inspection or must be corrected within

353.3 48 hours, excluding Saturdays, Sundays, and holidays.

353.4 (c) The commissioner shall not publicly publish a fix-it ticket on the department's Web

353.5 site.

353.6 (d) Within 48 hours, excluding Saturdays, Sundays, and holidays, of receiving a fix-it

353.7 ticket, the license holder must correct the violation and within one week submit evidence

353.8 to the licensing agency that the violation was corrected.

353.9 (e) If the violation is not corrected at the time of inspection or within 48 hours, excluding

353.10 Saturdays, Sundays, and holidays, or the evidence submitted is insufficient to establish that

353.11 the license holder corrected the violation, the commissioner must issue a correction order

353.12 for the violation of Minnesota law or rule identified in the fix-it ticket according to section

353.13 245A.06.

353.14 (f) The commissioner shall, following consultation with family child care license holders,

353.15 child care center license holders, and county agencies, issue a report by October 1, 2017,

353.16 that identifies the violations of this chapter and Minnesota Rules, chapters 9502 and 9503,

353.17 that are eligible for a fix-it ticket. The commissioner shall provide the report to county

353.18 agencies and the chairs and ranking minority members of the legislative committees with

353.19 jurisdiction over child care, and shall post the report to the department's Web site.

353.20 EFFECTIVE DATE. This section is effective October 1, 2017.

353.21 Sec. 8. Minnesota Statutes 2016, section 245A.07, subdivision 3, is amended to read:

353.22 Subd. 3. License suspension, revocation, or fine. (a) The commissioner may suspend

353.23 or revoke a license, or impose a fine if:

353.24 (1) a license holder fails to comply fully with applicable laws or rules;

353.25 (2) a license holder, a controlling individual, or an individual living in the household

353.26 where the licensed services are provided or is otherwise subject to a background study has

353.27 a disqualification which has not been set aside under section 245C.22;

353.28 (3) a license holder knowingly withholds relevant information from or gives false or

353.29 misleading information to the commissioner in connection with an application for a license,

353.30 in connection with the background study status of an individual, during an investigation,

353.31 or regarding compliance with applicable laws or rules; or
(4) after July 1, 2012, and upon request by the commissioner, a license holder fails to submit the information required of an applicant under section 245A.04, subdivision 1, paragraph (f) or (g).

A license holder who has had a license suspended, revoked, or has been ordered to pay a fine must be given notice of the action by certified mail or personal service. If mailed, the notice must be mailed to the address shown on the application or the last known address of the license holder. The notice must state the reasons the license was suspended, revoked, or a fine was ordered.

(b) If the license was suspended or revoked, the notice must inform the license holder of the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The license holder may appeal an order suspending or revoking a license. The appeal of an order suspending or revoking a license must be made in writing by certified mail or personal service. If mailed, the appeal must be postmarked and sent to the commissioner within ten calendar days after the license holder receives notice that the license has been suspended or revoked. If a request is made by personal service, it must be received by the commissioner within ten calendar days after the license holder received the order. Except as provided in subdivision 2a, paragraph (c), if a license holder submits a timely appeal of an order suspending or revoking a license, the license holder may continue to operate the program as provided in section 245A.04, subdivision 7, paragraphs (g) and (h), until the commissioner issues a final order on the suspension or revocation.

(c)(1) If the license holder was ordered to pay a fine, the notice must inform the license holder of the responsibility for payment of fines and the right to a contested case hearing under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The appeal of an order to pay a fine must be made in writing by certified mail or personal service. If mailed, the appeal must be postmarked and sent to the commissioner within ten calendar days after the license holder receives notice that the fine has been ordered. If a request is made by personal service, it must be received by the commissioner within ten calendar days after the license holder received the order.

(2) The license holder shall pay the fines assessed on or before the payment date specified. If the license holder fails to fully comply with the order, the commissioner may issue a second fine or suspend the license until the license holder complies. If the license holder receives state funds, the state, county, or municipal agencies or departments responsible for administering the funds shall withhold payments and recover any payments made while the license is suspended for failure to pay a fine. A timely appeal shall stay payment of the fine until the commissioner issues a final order.
A license holder shall promptly notify the commissioner of human services, in writing, when a violation specified in the order to forfeit a fine is corrected. If upon reinspection the commissioner determines that a violation has not been corrected as indicated by the order to forfeit a fine, the commissioner may issue a second fine. The commissioner shall notify the license holder by certified mail or personal service that a second fine has been assessed. The license holder may appeal the second fine as provided under this subdivision.

(4) Fines shall be assessed as follows:

(i) the license holder shall forfeit $1,000 for each determination of maltreatment of a child under section 626.556 or the maltreatment of a vulnerable adult under section 626.557 for which the license holder is determined responsible for the maltreatment under section 626.556, subdivision 10e, paragraph (i), or 626.557, subdivision 9c, paragraph (c);

(ii) if the commissioner determines that a determination of maltreatment for which the license holder is responsible is the result of maltreatment that meets the definition of serious maltreatment as defined in section 245C.02, subdivision 18, the license holder shall forfeit $5,000;

(iii) for a program that operates out of the license holder's home and a program licensed under Minnesota Rules, parts 9502.0300 to 9502.0495, the fine assessed against the license holder shall not exceed $1,000 for each determination of maltreatment;

(iv) the license holder shall forfeit $200 for each occurrence of a violation of law or rule governing matters of health, safety, or supervision, including but not limited to the provision of adequate staff-to-child or adult ratios, and failure to comply with background study requirements under chapter 245C; and

(v) the license holder shall forfeit $100 for each occurrence of a violation of law or rule other than those subject to a $5,000, $1,000, or $200 fine above in items (i) to (iv).

For purposes of this section, "occurrence" means each violation identified in the commissioner's fine order. Fines assessed against a license holder that holds a license to provide home and community-based services, as identified in section 245D.03, subdivision 1, and a community residential setting or day services facility license under chapter 245D where the services are provided, may be assessed against both licenses for the same occurrence, but the combined amount of the fines shall not exceed the amount specified in this clause for that occurrence.

(5) When a fine has been assessed, the license holder may not avoid payment by closing, selling, or otherwise transferring the licensed program to a third party. In such an event, the
license holder will be personally liable for payment. In the case of a corporation, each
controlling individual is personally and jointly liable for payment.

(d) Except for background study violations involving the failure to comply with an order
to immediately remove an individual or an order to provide continuous, direct supervision,
the commissioner shall not issue a fine under paragraph (c) relating to a background study
violation to a license holder who self-corrects a background study violation before the
commissioner discovers the violation. A license holder who has previously exercised the
provisions of this paragraph to avoid a fine for a background study violation may not avoid
a fine for a subsequent background study violation unless at least 365 days have passed
since the license holder self-corrected the earlier background study violation.

EFFECTIVE DATE. This section is effective August 1, 2017.

Sec. 9. [245A.1434] INFORMATION FOR CHILD CARE LICENSE HOLDERS.

The commissioner shall inform family child care and child care center license holders
on a timely basis of changes to state and federal statute, rule, regulation, and policy relating
to the provision of licensed child care, the child care assistance program under chapter 119B,
the quality rating and improvement system under section 124D.142, and child care licensing
functions delegated to counties. Communications under this section shall include information
to promote license holder compliance with identified changes. Communications under this
section may be accomplished by electronic means and shall be made available to the public
online.

Sec. 10. [245A.153] REPORT TO LEGISLATURE ON THE STATUS OF CHILD
CARE.

Subdivision 1. Reporting requirements. Beginning on February 1, 2018, and no later
than February 1 of each year thereafter, the commissioner of human services shall provide
a report on the status of child care in Minnesota to the chairs and ranking minority members
of the legislative committees with jurisdiction over child care.

Subd. 2. Contents of report. (a) The report must include the following:

(1) summary data on trends in child care center and family child care capacity and
availability throughout the state, including the number of centers and programs that have
opened and closed and the geographic locations of those centers and programs;

(2) a description of any changes to statutes, administrative rules, or agency policies and
procedures that were implemented in the year preceding the report:
(3) a description of the actions the department has taken to address or implement the recommendations from the Legislative Task Force on Access to Affordable Child Care Report dated January 15, 2017, including but not limited to actions taken in the areas of:

(i) encouraging uniformity in implementing and interpreting statutes, administrative rules, and agency policies and procedures relating to child care licensing and access;

(ii) improving communication with county licensors and child care providers regarding changes to statutes, administrative rules, and agency policies and procedures, ensuring that information is directly and regularly transmitted;

(iii) providing notice to child care providers before issuing correction orders or negative actions relating to recent changes to statutes, administrative rules, and agency policies and procedures;

(iv) implementing confidential, anonymous communication processes for child care providers to ask questions and receive prompt, clear answers from the department;

(v) streamlining processes to reduce duplication or overlap in paperwork and training requirements for child care providers; and

(vi) compiling and distributing information detailing trends in the violations for which correction orders and negative actions are issued;

(4) a description of the department's efforts to cooperate with counties while addressing and implementing the task force recommendations;

(5) summary data on child care assistance programs including but not limited to state funding and numbers of families served; and

(6) summary data on family child care correction orders, including:

(i) the number of licensed family child care provider appeals or requests for reconsideration of correction orders to the Department of Human Services;

(ii) the number of family child care correction order appeals or requests for reconsideration that the Department of Human Services grants; and

(iii) the number of family child care correction order appeals or requests for reconsideration that the Department of Human Services denies.

(b) The commissioner may offer recommendations for legislative action.

Subd. 3. Sunset. This section expires February 2, 2020.
Sec. 11. Minnesota Statutes 2016, section 626.556, subdivision 3c, is amended to read:

Subd. 3c. Local welfare agency, Department of Human Services or Department of Health responsible for assessing or investigating reports of maltreatment. (a) The county local welfare agency is the agency responsible for assessing or investigating allegations of maltreatment in child foster care, family child care, legally unlicensed nonlicensed child care, juvenile correctional facilities licensed under section 241.021 located in the local welfare agency's county, and reports involving children served by an unlicensed personal care provider organization under section 256B.0659. Copies of findings related to personal care provider organizations under section 256B.0659 must be forwarded to the Department of Human Services provider enrollment.

(b) The Department of Human Services is the agency responsible for assessing or investigating allegations of maltreatment in juvenile correctional facilities listed under section 241.021 located in the local welfare agency's county and in facilities licensed or certified under chapters 245A and 245D, except for child foster care and family child care.

(c) The Department of Health is the agency responsible for assessing or investigating allegations of child maltreatment in facilities licensed under sections 144.50 to 144.58 and 144A.43 to 144A.482.

ARTICLE 10
HEALTH DEPARTMENT

Section 1. Minnesota Statutes 2016, section 103I.101, subdivision 2, is amended to read:

Subd. 2. Duties. The commissioner shall:

(1) regulate the drilling, construction, modification, repair, and sealing of wells and borings;

(2) examine and license;

(i) well contractors;

(ii) persons constructing, repairing, and sealing bored geothermal heat exchangers;

(iii) persons modifying or repairing well casings, well screens, or well diameters;

(iv) persons constructing, repairing, and sealing drive point wells or dug wells;

(v) persons installing well pumps or pumping equipment;

(vi) persons constructing, repairing, and sealing dewatering wells;
Sec. 2. Minnesota Statutes 2016, section 103I.101, subdivision 5, is amended to read:

Subd. 5. Commissioner to adopt rules. The commissioner shall adopt rules including:

1. issuance of licenses for:
   a. qualified well contractors;
   b. persons modifying or repairing well casings, well screens, or well diameters;
   c. persons constructing, repairing, and sealing drive point wells or dug wells;
   d. persons constructing, repairing, and sealing dewatering wells;
   e. persons sealing wells or borings;
   f. persons installing well pumps or pumping equipment;
   g. persons constructing, repairing, and sealing bored geothermal heat exchangers;
   h. persons sealing wells or borings for the installation of elevator borings or hydraulic cylinders;
   i. register license and examine monitoring well contractors;
   j. license explorers engaged in exploratory boring and examine individuals who supervise or oversee exploratory boring;
   k. after consultation with the commissioner of natural resources and the Pollution Control Agency, establish standards for the design, location, construction, repair, and sealing of wells and borings within the state; and
   l. issue permits for wells, groundwater thermal devices, bored geothermal heat exchangers, and elevator borings.

REVISOR ACF/EP CCRSF0800 05/08/17
(5) establishment of minimum standards for design, location, construction, repair, and sealing of wells and borings to implement the purpose and intent of this chapter;

(6) establishment of a system for reporting on wells and borings drilled and sealed;

(7) establishment of standards for the construction, maintenance, sealing, and water quality monitoring of wells in areas of known or suspected contamination;

(8) establishment of wellhead protection measures for wells serving public water supplies;

(9) establishment of procedures to coordinate collection of well and boring data with other state and local governmental agencies;

(10) establishment of criteria and procedures for submission of well and boring logs, formation samples or well or boring cuttings, water samples, or other special information required for and water resource mapping; and

(11) establishment of minimum standards for design, location, construction, maintenance, repair, sealing, safety, and resource conservation related to borings, including exploratory borings as defined in section 103I.005, subdivision 9.

Sec. 3. Minnesota Statutes 2016, section 103I.111, subdivision 6, is amended to read:

Subd. 6. Unsealed wells and borings are public health nuisances. A well or boring that is required to be sealed under section 103I.301 but is not sealed is a public health nuisance. A county may abate the unsealed well or boring with the same authority of a community health board to abate a public health nuisance under section 145A.04, subdivision 8.

Sec. 4. Minnesota Statutes 2016, section 103I.111, subdivision 7, is amended to read:

Subd. 7. Local license or registration fees prohibited. (a) A political subdivision may not require a licensed well contractor to pay a license or registration fee.

(b) The commissioner of health must provide a political subdivision with a list of licensed well contractors upon request.

Sec. 5. Minnesota Statutes 2016, section 103I.111, subdivision 8, is amended to read:

Subd. 8. Municipal regulation of drilling. A municipality may regulate all drilling, except well, elevator shaft, boring, and exploratory drilling that is subject to the provisions of this chapter, above, in, through, and adjacent to subsurface areas designated for mined
underground space development and existing mined underground space. The regulations
may prohibit, restrict, control, and require permits for the drilling.

Sec. 6. Minnesota Statutes 2016, section 103I.205, is amended to read:

103I.205 WELL AND BORING CONSTRUCTION.

Subdivision 1. Notification required. (a) Except as provided in paragraphs (d) and (e),
a person may not construct a well until a notification of the proposed well on a form
prescribed by the commissioner is filed with the commissioner with the filing fee in section
103I.208, and, when applicable, the person has met the requirements of paragraph (f). If
after filing the well notification an attempt to construct a well is unsuccessful, a new
notification is not required unless the information relating to the successful well has
substantially changed.

(b) The property owner, the property owner's agent, or the well licensed contractor where
a well is to be located must file the well notification with the commissioner.

(c) The well notification under this subdivision preempts local permits and notifications,
and counties or home rule charter or statutory cities may not require a permit or notification
for wells unless the commissioner has delegated the permitting or notification authority
under section 103I.111.

(d) A person who is an individual that constructs a drive point water-supply well on
property owned or leased by the individual for farming or agricultural purposes or as the
individual's place of abode must notify the commissioner of the installation and location of
the well. The person must complete the notification form prescribed by the commissioner
and mail it to the commissioner by ten days after the well is completed. A fee may not be
charged for the notification. A person who sells drive point wells at retail must provide
buyers with notification forms and informational materials including requirements regarding
wells, their location, construction, and disclosure. The commissioner must provide the
notification forms and informational materials to the sellers.

(e) A person may not construct a monitoring well until a permit is issued by the
commissioner for the construction. If after obtaining a permit an attempt to construct a well
is unsuccessful, a new permit is not required as long as the initial permit is modified to
indicate the location of the successful well.

(f) When the operation of a well will require an appropriation permit from the
commissioner of natural resources, a person may not begin construction of the well until
the person submits the following information to the commissioner of natural resources:
(1) the location of the well;
(2) the formation or aquifer that will serve as the water source;
(3) the maximum daily, seasonal, and annual pumpage rates and volumes that will be requested in the appropriation permit; and
(4) other information requested by the commissioner of natural resources that is necessary to conduct the preliminary assessment required under section 103G.287, subdivision 1, paragraph (c).

The person may begin construction after receiving preliminary approval from the commissioner of natural resources.

Subd. 2. Emergency permit and notification exemptions. The commissioner may adopt rules that modify the procedures for filing a well or boring notification or well or boring permit if conditions occur that:

(1) endanger the public health and welfare or cause a need to protect the groundwater;

(2) require the monitoring well contractor, limited well/boring contractor, or well contractor to begin constructing a well before obtaining a permit or notification.

Subd. 3. Maintenance permit. (a) Except as provided under paragraph (b), a well that is not in use must be sealed or have a maintenance permit.

(b) If a monitoring well or a dewatering well is not sealed by 14 months after completion of construction, the owner of the property on which the well is located must obtain and annually renew a maintenance permit from the commissioner.

Subd. 4. License required. (a) Except as provided in paragraph (b), (c), (d), or (e), section 103I.401, subdivision 2, or 103I.601, subdivision 2, a person may not drill, construct, repair, or seal a well or boring unless the person has a well contractor's license in possession.

(b) A person may construct, repair, and seal a monitoring well if the person:

(1) is a professional engineer licensed under sections 326.02 to 326.15 in the branches of civil or geological engineering;
(2) is a hydrologist or hydrogeologist certified by the American Institute of Hydrology;
(3) is a professional geoscientist licensed under sections 326.02 to 326.15;
(4) is a geologist certified by the American Institute of Professional Geologists; or
(5) meets the qualifications established by the commissioner in rule.
A person must register with the commissioner as a monitoring well contractor on forms provided by the commissioner.

(c) A person may do the following work with a limited well/boring contractor's license in possession. A separate license is required for each of the six activities:

(1) installing or repairing well screens or pitless units or pitless adaptors and well casings from the pitless adaptor or pitless unit to the upper termination of the well casing;

(2) constructing, repairing, and sealing drive point wells or dug wells;

(3) installing well pumps or pumping equipment;

(4) sealing wells or borings;

(5) constructing, repairing, or sealing dewatering wells; or

(6) constructing, repairing, or sealing bored geothermal heat exchangers.

(d) A person may construct, repair, and seal an elevator boring with an elevator boring contractor's license.

(e) Notwithstanding other provisions of this chapter requiring a license or registration, a license or registration is not required for a person who complies with the other provisions of this chapter if the person is:

(1) an individual who constructs a well on land that is owned or leased by the individual and is used by the individual for farming or agricultural purposes or as the individual's place of abode;

(2) an individual who performs labor or services for a contractor licensed or registered under the provisions of this chapter in connection with the construction, sealing, or repair of a well or boring at the direction and under the personal supervision of a contractor licensed or registered under the provisions of this chapter; or

(3) a licensed plumber who is repairing submersible pumps or water pipes associated with well water systems if: (i) the repair location is within an area where there is no licensed or registered well contractor within 50 miles, and (ii) the licensed plumber complies with all relevant sections of the plumbing code.

Subd. 5. At-grade monitoring wells. At-grade monitoring wells are authorized without variance and may be installed for the purpose of evaluating groundwater conditions or for use as a leak detection device. An at-grade monitoring well must be installed in accordance with the rules of the commissioner. The at-grade monitoring wells must be installed with
an impermeable double locking cap approved by the commissioner and must be labeled
monitoring wells.

Subd. 6. Distance requirements for sources of contamination, buildings, gas pipes, liquid propane tanks, and electric lines. (a) A person may not place, construct, or install an actual or potential source of contamination, building, gas pipe, liquid propane tank, or electric line any closer to a well or boring than the isolation distances prescribed by the commissioner by rule unless a variance has been prescribed by rule.

(b) The commissioner shall establish by rule reduced isolation distances for facilities which have safeguards in accordance with sections 18B.01, subdivision 26, and 18C.005, subdivision 29.

Subd. 7. Well identification label required. After a well has been constructed, the person constructing the well must attach a label to the well showing the unique well number.

Subd. 8. Wells on property of another. A person may not construct or have constructed a well for the person's own use on the property of another until the owner of the property on which the well is to be located and the intended well user sign a written agreement that identifies which party will be responsible for obtaining all permits or filing notification, paying applicable fees and for sealing the well. If the property owner refuses to sign the agreement, the intended well user may, in lieu of a written agreement, state in writing to the commissioner that the well user will be responsible for obtaining permits, filing notification, paying applicable fees, and sealing the well. Nothing in this subdivision eliminates the responsibilities of the property owner under this chapter, or allows a person to construct a well on the property of another without consent or other legal authority.

Subd. 9. Report of work. Within 30 days after completion or sealing of a well or boring, the person doing the work must submit a verified report to the commissioner containing the information specified by rules adopted under this chapter.

Within 30 days after receiving the report, the commissioner shall send or otherwise provide access to a copy of the report to the commissioner of natural resources, to the local soil and water conservation district where the well is located, and to the director of the Minnesota Geological Survey.

Sec. 7. Minnesota Statutes 2016, section 103I.301, is amended to read:

103I.301 WELL AND BORING SEALING REQUIREMENTS.

Subdivision 1. Wells and borings. (a) A property owner must have a well or boring sealed if:
(1) the well or boring is contaminated or may contribute to the spread of contamination;

(2) the well or boring was attempted to be sealed but was not sealed according to the provisions of this chapter; or

(3) the well or boring is located, constructed, or maintained in a manner that its continued use or existence endangers groundwater quality or is a safety or health hazard.

(b) A well or boring that is not in use must be sealed unless the property owner has a maintenance permit for the well.

(c) The property owner must have a well or boring sealed by a registered or licensed person authorized to seal the well or boring, consistent with provisions of this chapter.

Subd. 2. Monitoring wells. The owner of the property where a monitoring well is located must have the monitoring well sealed when the well is no longer in use. The owner must have a well contractor, limited well/boring sealing contractor, or a monitoring well contractor seal the monitoring well.

Subd. 3. Dewatering wells. (a) The owner of the property where a dewatering well is located must have the dewatering well sealed when the dewatering well is no longer in use.

(b) A well contractor, limited well/boring sealing contractor, or limited dewatering well contractor shall seal the dewatering well.

Subd. 4. Sealing procedures. Wells and borings must be sealed according to rules adopted by the commissioner.

Subd. 6. Notification required. A person may not seal a well until a notification of the proposed sealing is filed as prescribed by the commissioner.

Sec. 8. Minnesota Statutes 2016, section 103I.501, is amended to read:

103I.501 LICENSING AND REGULATION OF WELLS AND BORINGS.

(a) The commissioner shall regulate and license:

(1) drilling, constructing, and repair of wells;

(2) sealing of wells;

(3) installing of well pumps and pumping equipment;

(4) excavating, drilling, repairing, and sealing of elevator borings;

(5) construction, repair, and sealing of environmental bore holes; and

(6) construction, repair, and sealing of bored geothermal heat exchangers.
(b) The commissioner shall examine and license well contractors, limited well/boring contractors, and elevator boring contractors, and examine and register monitoring well contractors.

(c) The commissioner shall license explorers engaged in exploratory boring and shall examine persons who supervise or oversee exploratory boring.

Sec. 9. Minnesota Statutes 2016, section 103I.505, is amended to read:

103I.505 RECIPROCITY OF LICENSES AND REGISTRATIONS CERTIFICATIONS.

Subdivision 1. Reciprocity authorized. The commissioner may issue a license or register certify a person under this chapter, without giving an examination, if the person is licensed or registered certified in another state and:

(1) the requirements for licensing or registration certification under which the well or boring contractor was licensed or registered person was certified do not conflict with this chapter;

(2) the requirements are of a standard not lower than that specified by the rules adopted under this chapter; and

(3) equal reciprocal privileges are granted to licensees or registrants certified persons of this state.

Subd. 2. Fees required. A well or boring contractor or certified person must apply for the license or registration certification and pay the fees under the provisions of this chapter to receive a license or registration certification under this section.

Sec. 10. Minnesota Statutes 2016, section 103I.515, is amended to read:

103I.515 LICENSES NOT TRANSFERABLE.

A license or registration certification issued under this chapter is not transferable.

Sec. 11. Minnesota Statutes 2016, section 103I.535, subdivision 3, is amended to read:

Subd. 3. Certification examination. After the commissioner has approved the application, the applicant must take an examination given by the commissioner.
Sec. 12. Minnesota Statutes 2016, section 103I.535, is amended by adding a subdivision to read:

Subd. 3b. Certification renewal. (a) A representative must file an application and a renewal application fee to renew the certification by the date stated in the certification.

(b) The renewal application must include information that the certified representative has met continuing education requirements established by the commissioner by rule.

Sec. 13. Minnesota Statutes 2016, section 103I.535, subdivision 6, is amended to read:

Subd. 6. License fee. The fee for an elevator shaft boring contractor's license is $75.

Sec. 14. Minnesota Statutes 2016, section 103I.541, is amended to read:

103I.541 MONITORING WELL CONTRACTOR’S REGISTRATION LICENSE; REPRESENTATIVE’S CERTIFICATION.

Subdivision 1. Registration Certification. A person seeking registration as certification to represent a monitoring well contractor must meet examination and experience requirements adopted by the commissioner by rule.

Subd. 2. Validity. A monitoring well contractor’s registration certification is valid until the date prescribed in the registration certification by the commissioner.

Subd. 2a. Certification application. (a) An individual must submit an application and application fee to the commissioner to apply for certification as a representative of a monitoring well contractor.

(b) The application must be on forms prescribed by the commissioner. The application must state the applicant’s qualifications for the certification, and other information required by the commissioner.

Subd. 2b. Issuance of registration. If a person employs a certified representative, submits the bond under subdivision 3, and pays the registration fee of $75 for a monitoring well contractor registration, the commissioner shall issue a monitoring well contractor registration to the applicant. The fee for an individual registration is $75. The commissioner may not act on an application until the application fee is paid.

Subd. 2c. Certification fee. (a) The application fee for certification as a representative of a monitoring well contractor is $75. The commissioner may not act on an application until the application fee is paid.
(b) The renewal fee for certification as a representative of a monitoring well contractor is $75. The commissioner may not renew a certification until the renewal fee is paid.

Subd. 2d. Examination. After the commissioner has approved an application, the applicant must take an examination given by the commissioner.

Subd. 2e. Issuance of certification. If the applicant meets the experience requirements established by rule and passes the examination as determined by the commissioner, the commissioner shall issue the applicant a certification to represent a monitoring well contractor.

Subd. 2f. Certification renewal. (a) A representative must file an application and a renewal application fee to renew the certification by the date stated in the certification.

(b) The renewal application must include information that the certified representative has met continuing education requirements established by the commissioner by rule.

Subd. 2g. Issuance of license. (a) If a person employs a certified representative, submits the bond under subdivision 3, and pays the license fee of $75 for a monitoring well contractor license, the commissioner shall issue a monitoring well contractor license to the applicant.

(b) The commissioner may not act on an application until the application fee is paid.

Subd. 3. Bond. (a) As a condition of being issued a monitoring well contractor's registration license, the applicant must submit a corporate surety bond for $10,000 approved by the commissioner. The bond must be conditioned to pay the state on performance of work in this state that is not in compliance with this chapter or rules adopted under this chapter. The bond is in lieu of other license bonds required by a political subdivision of the state.

(b) From proceeds of the bond, the commissioner may compensate persons injured or suffering financial loss because of a failure of the applicant to perform work or duties in compliance with this chapter or rules adopted under this chapter.

Subd. 4. License renewal. (a) A person must file an application and a renewal application fee to renew the registration license by the date stated in the registration license.

(b) The renewal application fee for a monitoring well contractor's registration license is $75.

(c) The renewal application must include information that the certified representative of the applicant has met continuing education requirements established by the commissioner by rule.
At the time of the renewal, the commissioner must have on file all well and boring construction reports, well and boring sealing reports, well permits, and notifications for work conducted by the registered licensed person since the last registration license renewal.

Subd. 5. Incomplete or late renewal. If a registered licensed person submits a renewal application after the required renewal date:

1. the registered licensed person must include a late fee of $75; and
2. the registered licensed person may not conduct activities authorized by the monitoring well contractor's registration license until the renewal application, renewal application fee, late fee, and all other information required in subdivision 4 are submitted.

Sec. 15. Minnesota Statutes 2016, section 103I.545, subdivision 1, is amended to read:

Subdivision 1. Drilling machine. (a) A person may not use a drilling machine such as a cable tool, rotary tool, hollow rod tool, or auger for a drilling activity requiring a license or registration under this chapter unless the drilling machine is registered with the commissioner.

(b) A person must apply for the registration on forms prescribed by the commissioner and submit a $75 registration fee.

(c) A registration is valid for one year.

Sec. 16. Minnesota Statutes 2016, section 103I.545, subdivision 2, is amended to read:

Subd. 2. Hoist. (a) A person may not use a machine such as a hoist for an activity requiring a license or registration under this chapter to repair wells or borings, seal wells or borings, or install pumps unless the machine is registered with the commissioner.

(b) A person must apply for the registration on forms prescribed by the commissioner and submit a $75 registration fee.

(c) A registration is valid for one year.

Sec. 17. Minnesota Statutes 2016, section 103I.711, subdivision 1, is amended to read:

Subdivision 1. Impoundment. The commissioner may apply to district court for a warrant authorizing seizure and impoundment of all drilling machines or hoists owned or used by a person. The court shall issue an impoundment order upon the commissioner's showing that a person is constructing, repairing, or sealing wells or borings or installing pumps or pumping equipment or excavating holes for installing elevator shafts borings.
without a license or registration as required under this chapter. A sheriff on receipt of the warrant must seize and impound all drilling machines and hoists owned or used by the person. A person from whom equipment is seized under this subdivision may file an action in district court for the purpose of establishing that the equipment was wrongfully seized.

Sec. 18. Minnesota Statutes 2016, section 103I.715, subdivision 2, is amended to read:

Subd. 2. Gross misdemeanors. A person is guilty of a gross misdemeanor who:

(1) willfully violates a provision of this chapter or order of the commissioner;

(2) engages in the business of drilling or making wells, sealing wells, installing pumps or pumping equipment, or constructing elevator shafts or borings without a license required by this chapter; or

(3) engages in the business of exploratory boring without an exploratory borer's license under this chapter.

Sec. 19. [144.059] PALLIATIVE CARE ADVISORY COUNCIL.

Subdivision 1. Membership. The Palliative Care Advisory Council shall consist of 18 public members.

Subd. 2. Public members. (a) The commissioner shall appoint, in the manner provided in section 15.0597, 18 public members, including the following:

(1) two physicians, of which one is certified by the American Board of Hospice and Palliative Medicine;

(2) two registered nurses or advanced practice registered nurses, of which one is certified by the National Board for Certification of Hospice and Palliative Nurses;

(3) one care coordinator experienced in working with people with serious or chronic illness and their families;

(4) one spiritual counselor experienced in working with people with serious or chronic illness and their families;

(5) three licensed health professionals, such as complementary and alternative health care practitioners, dietitians or nutritionists, pharmacists, or physical therapists, who are neither physicians nor nurses, but who have experience as members of a palliative care interdisciplinary team working with people with serious or chronic illness and their families;
371.1 (6) one licensed social worker experienced in working with people with serious or chronic illness and their families;
371.2 (7) four patients or personal caregivers experienced with serious or chronic illness;
371.3 (8) one representative of a health plan company;
371.4 (9) one physician assistant that is a member of the American Academy of Hospice and Palliative Medicine; and
371.5 (10) two members from any of the categories described in clauses (1) to (9).
371.6 (b) Council membership must include, where possible, representation that is racially, culturally, linguistically, geographically, and economically diverse.
371.7 (c) The council must include at least six members who reside outside Anoka, Carver, Chisago, Dakota, Hennepin, Isanti, Mille Lacs, Ramsey, Scott, Sherburne, Sibley, Stearns, Washington, or Wright Counties.
371.8 (d) To the extent possible, council membership must include persons who have experience in palliative care research, palliative care instruction in a medical or nursing school setting, palliative care services for veterans as a provider or recipient, or pediatric care.
371.9 (e) Council membership must include health professionals who have palliative care work experience or expertise in palliative care delivery models in a variety of inpatient, outpatient, and community settings, including acute care, long-term care, or hospice, with a variety of populations, including pediatric, youth, and adult patients.

Subd. 3. Term. Members of the council shall serve for a term of three years and may be reappointed. Members shall serve until their successors have been appointed.

Subd. 4. Administration. The commissioner or the commissioner's designee shall provide meeting space and administrative services for the council.

Subd. 5. Chairs. At the council's first meeting, and biannually thereafter, the members shall elect a chair and a vice-chair whose duties shall be established by the council.

Subd. 6. Meeting. The council shall meet at least twice yearly.

Subd. 7. No compensation. Public members of the council serve without compensation or reimbursement for expenses.

Subd. 8. Duties. (a) The council shall consult with and advise the commissioner on matters related to the establishment, maintenance, operation, and outcomes evaluation of palliative care initiatives in the state.
(b) By February 15 of each year, the council shall submit to the chairs and ranking minority members of the committees of the senate and the house of representatives with primary jurisdiction over health care a report containing:

1. the advisory council's assessment of the availability of palliative care in the state;
2. the advisory council's analysis of barriers to greater access to palliative care; and
3. recommendations for legislative action, with draft legislation to implement the recommendations.

(c) The Department of Health shall publish the report each year on the department's Web site.

Subd. 9. Open meetings. The council is subject to the requirements of chapter 13D.

Subd. 10. Sunset. The council shall sunset January 1, 2025.

Sec. 20. [144.1215] AUTHORIZATION TO USE HANDHELD DENTAL X-RAY EQUIPMENT.

Subdivision 1. Definition; handheld dental x-ray equipment. For purposes of this section, "handheld dental x-ray equipment" means x-ray equipment that is used to take dental radiographs, is designed to be handheld during operation, and is operated by an individual authorized to take dental radiographs under chapter 150A.

Subd. 2. Use authorized. (a) Handheld dental x-ray equipment may be used if the equipment:

1. has been approved for human use by the United States Food and Drug Administration and is being used in a manner consistent with that approval; and
2. utilizes a backscatter shield that:
   i. is composed of a leaded polymer or a substance with a substantially equivalent protective capacity;
   ii. has at least 0.25 millimeters of lead or lead-shielding equivalent; and
   iii. is permanently affixed to the handheld dental x-ray equipment.
3. The use of handheld dental x-ray equipment is prohibited if the equipment's backscatter shield is broken or not permanently affixed to the system.
4. The use of handheld dental x-ray equipment shall not be limited to situations in which it is impractical to transfer the patient to a stationary x-ray system.
(d) Handheld dental x-ray equipment must be stored when not in use, by being secured in a restricted, locked area of the facility.

(e) Handheld dental x-ray equipment must be calibrated initially and at intervals that must not exceed 24 months. Calibration must include the test specified in Minnesota Rules, part 4732.1100, subpart 11.

(f) Notwithstanding Minnesota Rules, part 4732.0880, subpart 2, item C, the tube housing and the position-indicating device of handheld dental x-ray equipment may be handheld during an exposure.

Subd. 3. Exemptions from certain shielding requirements. Handheld dental x-ray equipment used according to this section and according to manufacturer instructions is exempt from the following requirements for the equipment:

(1) shielding requirements in Minnesota Rules, part 4732.0365, item B; and

(2) requirements for the location of the x-ray control console or utilization of a protective barrier in Minnesota Rules, part 4732.0800, subpart 2, item B, subitems (2) and (3), provided the equipment utilizes a backscatter shield that satisfies the requirements in subdivision 2, paragraph (a), clause (2).

Subd. 4. Compliance with rules. A registrant using handheld dental x-ray equipment shall otherwise comply with Minnesota Rules, chapter 4732.

Sec. 21. Minnesota Statutes 2016, section 144.122, is amended to read:

144.122 LICENSE, PERMIT, AND SURVEY FEES.

(a) The state commissioner of health, by rule, may prescribe procedures and fees for filing with the commissioner as prescribed by statute and for the issuance of original and renewal permits, licenses, registrations, and certifications issued under authority of the commissioner. The expiration dates of the various licenses, permits, registrations, and certifications as prescribed by the rules shall be plainly marked thereon. Fees may include application and examination fees and a penalty fee for renewal applications submitted after the expiration date of the previously issued permit, license, registration, and certification.

The commissioner may also prescribe, by rule, reduced fees for permits, licenses, registrations, and certifications when the application therefor is submitted during the last three months of the permit, license, registration, or certification period. Fees proposed to be prescribed in the rules shall be first approved by the Department of Management and Budget. All fees proposed to be prescribed in rules shall be reasonable. The fees shall be in an amount so that the total fees collected by the commissioner will, where practical,
approximate the cost to the commissioner in administering the program. All fees collected shall be deposited in the state treasury and credited to the state government special revenue fund unless otherwise specifically appropriated by law for specific purposes.

(b) The commissioner may charge a fee for voluntary certification of medical laboratories and environmental laboratories, and for environmental and medical laboratory services provided by the department, without complying with paragraph (a) or chapter 14. Fees charged for environment and medical laboratory services provided by the department must be approximately equal to the costs of providing the services.

c) The commissioner may develop a schedule of fees for diagnostic evaluations conducted at clinics held by the services for children with disabilities program. All receipts generated by the program are annually appropriated to the commissioner for use in the maternal and child health program.

d) The commissioner shall set license fees for hospitals and nursing homes that are not boarding care homes at the following levels:

- Joint Commission on Accreditation of Healthcare Organizations (JCAHO) and American Osteopathic Association (AOA) hospitals: $7,655 plus $16 per bed
- Non-JCAHO and non-AOA hospitals: $5,280 plus $250 per bed
- Nursing home: $183 plus $91 per bed

The commissioner shall set license fees for outpatient surgical centers, boarding care homes, and supervised living facilities at the following levels:

- Outpatient surgical centers: $3,712
- Boarding care homes: $183 plus $91 per bed
- Supervised living facilities: $183 plus $91 per bed.

Fees collected under this paragraph are nonrefundable. The fees are nonrefundable even if received before July 1, 2017, for licenses or registrations being issued effective July 1, 2017, or later.

e) Unless prohibited by federal law, the commissioner of health shall charge applicants the following fees to cover the cost of any initial certification surveys required to determine a provider's eligibility to participate in the Medicare or Medicaid program:

- Prospective payment surveys for hospitals: $900
- Swing bed surveys for nursing homes: $1,200
- Psychiatric hospitals: $1,400
- Rural health facilities: $1,100

375.17 Sec. 22. Minnesota Statutes 2016, section 144.1501, subdivision 2, is amended to read:

375.18 Subd. 2. Creation of account. (a) A health professional education loan forgiveness program account is established. The commissioner of health shall use money from the account to establish a loan forgiveness program:

375.21 (1) for medical residents and mental health professionals agreeing to practice in designated rural areas or underserved urban communities or specializing in the area of pediatric psychiatry;

375.22 (2) for midlevel practitioners agreeing to practice in designated rural areas or to teach at least 12 credit hours, or 720 hours per year in the nursing field in a postsecondary program at the undergraduate level or the equivalent at the graduate level;

375.23 (3) for nurses who agree to practice in a Minnesota nursing home; an intermediate care facility for persons with developmental disability; or a hospital if the hospital owns and operates a Minnesota nursing home and a minimum of 50 percent of the hours worked by the nurse is in the nursing home; a housing with services establishment as defined in section 144D.01, subdivision 4; or for a home care provider as defined in section 144A.43, subdivision 4; or agree to teach at least 12 credit hours, or 720 hours per year in the nursing field in a postsecondary program at the undergraduate level or the equivalent at the graduate level;
(4) for other health care technicians agreeing to teach at least 12 credit hours, or 720
hours per year in their designated field in a postsecondary program at the undergraduate
level or the equivalent at the graduate level. The commissioner, in consultation with the
Healthcare Education-Industry Partnership, shall determine the health care fields where the
need is the greatest, including, but not limited to, respiratory therapy, clinical laboratory
technology, radiologic technology, and surgical technology;

(5) for pharmacists, advanced dental therapists, dental therapists, and public health nurses
who agree to practice in designated rural areas; and

(6) for dentists agreeing to deliver at least 25 percent of the dentist's yearly patient
encounters to state public program enrollees or patients receiving sliding fee schedule
discounts through a formal sliding fee schedule meeting the standards established by the
United States Department of Health and Human Services under Code of Federal Regulations,
title 42, section 51, chapter 303.

(b) Appropriations made to the account do not cancel and are available until expended,
except that at the end of each biennium, any remaining balance in the account that is not
committed by contract and not needed to fulfill existing commitments shall cancel to the
fund.

Sec. 23. [144.1504] SENIOR CARE WORKFORCE INNOVATION GRANT

PROGRAM.

Subdivision 1. Establishment. The senior care workforce innovation grant program is
established to assist eligible applicants to fund pilot programs or expand existing programs
that increase the pool of caregivers working in the field of senior care services.

Subd. 2. Competitive grants. The commissioner shall make competitive grants available
to eligible applicants to expand the workforce for senior care services.

Subd. 3. Eligibility. (a) Eligible applicants must recruit and train individuals to work
with individuals who are primarily 65 years of age or older and receiving services through:

(1) a home and community-based setting, including housing with services establishments
as defined in section 144D.01, subdivision 4;

(2) adult day care as defined in section 245A.02, subdivision 2a;

(3) home care services as defined in section 144A.43, subdivision 3; or

(4) a nursing home as defined in section 144A.01, subdivision 5.
(b) Applicants must apply for a senior care workforce innovation grant as specified in subdivision 4.

Subd. 4. Application. (a) Eligible applicants must apply for a grant on the forms and according to the timelines established by the commissioner.

(b) Each applicant must propose a project or initiative to expand the number of workers in the field of senior care services. At a minimum, a proposal must include:

(1) a description of the senior care workforce innovation project or initiative being proposed, including the process by which the applicant will expand the senior care workforce;

(2) whether the applicant is proposing to target the proposed project or initiative to any of the groups described in paragraph (c);

(3) information describing the applicant's current senior care workforce project or initiative, if applicable;

(4) the amount of funding the applicant is seeking through the grant program;

(5) any other sources of funding the applicant has for the project or initiative;

(6) a proposed budget detailing how the grant funds will be spent; and

(7) outcomes established by the applicant to measure the success of the project or initiative.

Subd. 5. Commissioner's duties; requests for proposals; grantee selections. (a) By September 1, 2017, and annually thereafter, the commissioner shall publish a request for proposals in the State Register specifying applicant eligibility requirements, qualifying senior care workforce innovation program criteria, applicant selection criteria, documentation required for program participation, maximum award amount, and methods of evaluation.

(b) Priority must be given to proposals that target employment of individuals who have multiple barriers to employment, individuals who have been unemployed long-term, and veterans.

(c) The commissioner shall determine the maximum award for grants and make grant selections based on the information provided in the grant application, including the targeted employment population, the applicant's proposed budget, the proposed measurable outcomes, and other criteria as determined by the commissioner.

Subd. 6. Grant funding. Notwithstanding any law or rule to the contrary, funds awarded to grantees in a grant agreement under this section do not lapse until the grant agreement expires.
Subd. 7. Reporting requirements. (a) Grant recipients shall report to the commissioner on the forms and according to the timelines established by the commissioner.

(b) The commissioner shall report to the chairs and ranking minority members of the house of representatives and senate committees with jurisdiction over health by January 15, 2019, and annually thereafter, on the grant program. The report must include:

1. information on each grant recipient;
2. a summary of all projects or initiatives undertaken with each grant;
3. the measurable outcomes established by each grantee, an explanation of the evaluation process used to determine whether the outcomes were met, and the results of the evaluation; and
4. an accounting of how the grant funds were spent.

(c) During the grant period, the commissioner may require and collect from grant recipients additional information necessary to evaluate the grant program.

Sec. 24. [144.1505] HEALTH PROFESSIONALS CLINICAL TRAINING EXPANSION GRANT PROGRAM.

Subdivision 1. Definitions. For purposes of this section, the following definitions apply:

1. "eligible advanced practice registered nurse program" means a program that is located in Minnesota and is currently accredited as a master's, doctoral, or postgraduate level advanced practice registered nurse program by the Commission on Collegiate Nursing Education or by the Accreditation Commission for Education in Nursing, or is a candidate for accreditation;

2. "eligible dental therapy program" means a dental therapy education program or advanced dental therapy education program that is located in Minnesota and is either:
   (i) approved by the Board of Dentistry; or
   (ii) currently accredited by the Commission on Dental Accreditation;

3. "eligible mental health professional program" means a program that is located in Minnesota and is listed as a mental health professional program by the appropriate accrediting body for clinical social work, psychology, marriage and family therapy, or licensed professional clinical counseling, or is a candidate for accreditation;
"eligible pharmacy program" means a program that is located in Minnesota and is currently accredited as a doctor of pharmacy program by the Accreditation Council on Pharmacy Education;

"eligible physician assistant program" means a program that is located in Minnesota and is currently accredited as a physician assistant program by the Accreditation Review Commission on Education for the Physician Assistant, or is a candidate for accreditation;

"mental health professional" means an individual providing clinical services in the treatment of mental illness who meets one of the qualifications under section 245.462, subdivision 18; and

"project" means a project to establish or expand clinical training for physician assistants, advanced practice registered nurses, pharmacists, dental therapists, advanced dental therapists, or mental health professionals in Minnesota.

Subd. 2. Program. (a) The commissioner of health shall award health professional training site grants to eligible physician assistant, advanced practice registered nurse, pharmacy, dental therapy, and mental health professional programs to plan and implement expanded clinical training. A planning grant shall not exceed $75,000, and a training grant shall not exceed $150,000 for the first year, $100,000 for the second year, and $50,000 for the third year per program.

(b) Funds may be used for:

(1) establishing or expanding clinical training for physician assistants, advanced practice registered nurses, pharmacists, dental therapists, advanced dental therapists, and mental health professionals in Minnesota;

(2) recruitment, training, and retention of students and faculty;

(3) connecting students with appropriate clinical training sites, internships, practicums, or externship activities;

(4) travel and lodging for students;

(5) faculty, student, and preceptor salaries, incentives, or other financial support;

(6) development and implementation of cultural competency training;

(7) evaluations;

(8) training site improvements, fees, equipment, and supplies required to establish, maintain, or expand a physician assistant, advanced practice registered nurse, pharmacy, dental therapy, or mental health professional training program; and
(9) supporting clinical education in which trainees are part of a primary care team model.

Subd. 3. Applications. Eligible physician assistant, advanced practice registered nurse, pharmacy, dental therapy, and mental health professional programs seeking a grant shall apply to the commissioner. Applications must include a description of the number of additional students who will be trained using grant funds; attestation that funding will be used to support an increase in the number of clinical training slots; a description of the problem that the proposed project will address; a description of the project, including all costs associated with the project, sources of funds for the project, detailed uses of all funds for the project, and the results expected; and a plan to maintain or operate any component included in the project after the grant period. The applicant must describe achievable objectives, a timetable, and roles and capabilities of responsible individuals in the organization.

Subd. 4. Consideration of applications. The commissioner shall review each application to determine whether or not the application is complete and whether the program and the project are eligible for a grant. In evaluating applications, the commissioner shall score each application based on factors including, but not limited to, the applicant's clarity and thoroughness in describing the project and the problems to be addressed, the extent to which the applicant has demonstrated that the applicant has made adequate provisions to ensure proper and efficient operation of the training program once the grant project is completed, the extent to which the proposed project is consistent with the goal of increasing access to primary care and mental health services for rural and underserved urban communities, the extent to which the proposed project incorporates team-based primary care, and project costs and use of funds.

Subd. 5. Program oversight. The commissioner shall determine the amount of a grant to be given to an eligible program based on the relative score of each eligible program's application, other relevant factors discussed during the review, and the funds available to the commissioner. Appropriations made to the program do not cancel and are available until expended. During the grant period, the commissioner may require and collect from programs receiving grants any information necessary to evaluate the program.

Sec. 25. Minnesota Statutes 2016, section 144.1506, is amended to read:

144.1506 PRIMARY-CARE PHYSICIAN RESIDENCY EXPANSION GRANT PROGRAM.

Subdivision 1. Definitions. For purposes of this section, the following definitions apply:
(1) "eligible primary care physician residency program" means a program that meets the following criteria:

(i) is located in Minnesota;

(ii) trains medical residents in the specialties of family medicine, general internal medicine, general pediatrics, psychiatry, geriatrics, or general surgery, obstetrics and gynecology, or other physician specialties with training programs that incorporate rural training components; and

(iii) is accredited by the Accreditation Council for Graduate Medical Education or presents a credible plan to obtain accreditation;

(2) "eligible project" means a project to establish a new eligible primary care physician residency program or create at least one new residency slot in an existing eligible primary care physician residency program; and

(3) "new residency slot" means the creation of a new residency position and the execution of a contract with a new resident in a residency program.

Subd. 2. Expansion grant program. (a) The commissioner of health shall award primary care physician residency expansion grants to eligible primary care physician residency programs to plan and implement new residency slots. A planning grant shall not exceed $75,000, and a training grant shall not exceed $150,000 per new residency slot for the first year, $100,000 for the second year, and $50,000 for the third year of the new residency slot.

(b) Funds may be spent to cover the costs of:

(1) planning related to establishing an accredited primary care physician residency program;

(2) obtaining accreditation by the Accreditation Council for Graduate Medical Education or another national body that accredits residency programs;

(3) establishing new residency programs or new resident training slots;

(4) recruitment, training, and retention of new residents and faculty;

(5) travel and lodging for new residents;

(6) faculty, new resident, and preceptor salaries related to new residency slots;

(7) training site improvements, fees, equipment, and supplies required for new primary care physician resident training slots; and

(8) supporting clinical education in which trainees are part of a primary care team model.
Subd. 3. Applications for expansion grants. Eligible primary care physician residency programs seeking a grant shall apply to the commissioner. Applications must include the number of new primary care physician residency slots planned or under contract; attestation that funding will be used to support an increase in the number of available residency slots; a description of the training to be received by the new residents, including the location of training; a description of the project, including all costs associated with the project; all sources of funds for the project; detailed uses of all funds for the project; the results expected; and a plan to maintain the new residency slot after the grant period. The applicant must describe achievable objectives, a timetable, and roles and capabilities of responsible individuals in the organization.

Subd. 4. Consideration of expansion grant applications. The commissioner shall review each application to determine whether or not the residency program application is complete and whether the proposed new residency program and any new residency slots are eligible for a grant. The commissioner shall award grants to support up to six family medicine, general internal medicine, or general pediatrics residents; four psychiatry residents; two geriatrics residents; and four general surgery residents; two obstetrics and gynecology residents; and four specialty physician residents participating in training programs that incorporate rural training components. If insufficient applications are received from any eligible specialty, funds may be redistributed to applications from other eligible specialties.

Subd. 5. Program oversight. During the grant period, the commissioner may require and collect from grantees any information necessary to evaluate the program. Appropriations made to the program do not cancel and are available until expended.

Sec. 26. [144.397] STATEWIDE TOBACCO QUITLINE SERVICES.

(a) The commissioner of health shall administer, or contract for the administration of, a statewide tobacco quitline service to assist Minnesotans who are seeking advice or services to help them quit using tobacco products. The commissioner shall establish statewide public awareness activities to inform the public of the availability of the service and encourage the public to utilize the services because of the dangers and harm of tobacco use and dependence.

(b) Services to be provided include, but are not limited to:

(1) telephone-based coaching and counseling;

(2) referrals;
(3) written materials mailed upon request;

(4) Web-based texting or e-mail services; and

(5) free Food and Drug Administration-approved tobacco cessation medications.

(c) Services provided must be consistent with evidence-based best practices in tobacco cessation services. Services provided must be coordinated with employer, health plan company, and private sector tobacco prevention and cessation services that may be available to individuals depending on their employment or health coverage.

Sec. 27. Minnesota Statutes 2016, section 144.551, subdivision 1, is amended to read:

Subdivision 1. Restricted construction or modification. (a) The following construction or modification may not be commenced:

(1) any erection, building, alteration, reconstruction, modernization, improvement, extension, lease, or other acquisition by or on behalf of a hospital that increases the bed capacity of a hospital, relocates hospital beds from one physical facility, complex, or site to another, or otherwise results in an increase or redistribution of hospital beds within the state; and

(2) the establishment of a new hospital.

(b) This section does not apply to:

(1) construction or relocation within a county by a hospital, clinic, or other health care facility that is a national referral center engaged in substantial programs of patient care, medical research, and medical education meeting state and national needs that receives more than 40 percent of its patients from outside the state of Minnesota;

(2) a project for construction or modification for which a health care facility held an approved certificate of need on May 1, 1984, regardless of the date of expiration of the certificate;

(3) a project for which a certificate of need was denied before July 1, 1990, if a timely appeal results in an order reversing the denial;

(4) a project exempted from certificate of need requirements by Laws 1981, chapter 200, section 2;

(5) a project involving consolidation of pediatric specialty hospital services within the Minneapolis-St. Paul metropolitan area that would not result in a net increase in the number of pediatric specialty hospital beds among the hospitals being consolidated;
(6) a project involving the temporary relocation of pediatric-orthopedic hospital beds to an existing licensed hospital that will allow for the reconstruction of a new philanthropic, pediatric-orthopedic hospital on an existing site and that will not result in a net increase in the number of hospital beds. Upon completion of the reconstruction, the licenses of both hospitals must be reinstated at the capacity that existed on each site before the relocation;

(7) the relocation or redistribution of hospital beds within a hospital building or identifiable complex of buildings provided the relocation or redistribution does not result in: (i) an increase in the overall bed capacity at that site; (ii) relocation of hospital beds from one physical site or complex to another; or (iii) redistribution of hospital beds within the state or a region of the state;

(8) relocation or redistribution of hospital beds within a hospital corporate system that involves the transfer of beds from a closed facility site or complex to an existing site or complex provided that: (i) no more than 50 percent of the capacity of the closed facility is transferred; (ii) the capacity of the site or complex to which the beds are transferred does not increase by more than 50 percent; (iii) the beds are not transferred outside of a federal health systems agency boundary in place on July 1, 1983; and (iv) the relocation or redistribution does not involve the construction of a new hospital building;

(9) a construction project involving up to 35 new beds in a psychiatric hospital in Rice County that primarily serves adolescents and that receives more than 70 percent of its patients from outside the state of Minnesota;

(10) a project to replace a hospital or hospitals with a combined licensed capacity of 130 beds or less if: (i) the new hospital site is located within five miles of the current site; and (ii) the total licensed capacity of the replacement hospital, either at the time of construction of the initial building or as the result of future expansion, will not exceed 70 licensed hospital beds, or the combined licensed capacity of the hospitals, whichever is less;

(11) the relocation of licensed hospital beds from an existing state facility operated by the commissioner of human services to a new or existing facility, building, or complex operated by the commissioner of human services; from one regional treatment center site to another; or from one building or site to a new or existing building or site on the same campus;

(12) the construction or relocation of hospital beds operated by a hospital having a statutory obligation to provide hospital and medical services for the indigent that does not result in a net increase in the number of hospital beds, notwithstanding section 144.552, 27
beds, of which 12 serve mental health needs, may be transferred from Hennepin County Medical Center to Regions Hospital under this clause;

(13) a construction project involving the addition of up to 31 new beds in an existing nonfederal hospital in Beltrami County;

(14) a construction project involving the addition of up to eight new beds in an existing nonfederal hospital in Otter Tail County with 100 licensed acute care beds;

(15) a construction project involving the addition of 20 new hospital beds used for rehabilitation services in an existing hospital in Carver County serving the southwest suburban metropolitan area. Beds constructed under this clause shall not be eligible for reimbursement under medical assistance or MinnesotaCare;

(16) a project for the construction or relocation of up to 20 hospital beds for the operation of up to two psychiatric facilities or units for children provided that the operation of the facilities or units have received the approval of the commissioner of human services;

(17) a project involving the addition of 14 new hospital beds to be used for rehabilitation services in an existing hospital in Itasca County;

(18) a project to add 20 licensed beds in existing space at a hospital in Hennepin County that closed 20 rehabilitation beds in 2002, provided that the beds are used only for rehabilitation in the hospital's current rehabilitation building. If the beds are used for another purpose or moved to another location, the hospital's licensed capacity is reduced by 20 beds;

(19) a critical access hospital established under section 144.1483, clause (9), and section 1820 of the federal Social Security Act, United States Code, title 42, section 1395i-4, that delicensed beds since enactment of the Balanced Budget Act of 1997, Public Law 105-33, to the extent that the critical access hospital does not seek to exceed the maximum number of beds permitted such hospital under federal law;

(20) notwithstanding section 144.552, a project for the construction of a new hospital in the city of Maple Grove with a licensed capacity of up to 300 beds provided that:

(i) the project, including each hospital or health system that will own or control the entity that will hold the new hospital license, is approved by a resolution of the Maple Grove City Council as of March 1, 2006;

(ii) the entity that will hold the new hospital license will be owned or controlled by one or more not-for-profit hospitals or health systems that have previously submitted a plan or plans for a project in Maple Grove as required under section 144.552, and the plan or plans
have been found to be in the public interest by the commissioner of health as of April 1, 2005;

(iii) the new hospital's initial inpatient services must include, but are not limited to,
medical and surgical services, obstetrical and gynecological services, intensive care services,
orthopedic services, pediatric services, noninvasive cardiac diagnostics, behavioral health
services, and emergency room services;

(iv) the new hospital:

(A) will have the ability to provide and staff sufficient new beds to meet the growing
needs of the Maple Grove service area and the surrounding communities currently being
served by the hospital or health system that will own or control the entity that will hold the
new hospital license;

(B) will provide uncompensated care;

(C) will provide mental health services, including inpatient beds;

(D) will be a site for workforce development for a broad spectrum of health-care-related
occupations and have a commitment to providing clinical training programs for physicians
and other health care providers;

(E) will demonstrate a commitment to quality care and patient safety;

(F) will have an electronic medical records system, including physician order entry;

(G) will provide a broad range of senior services;

(H) will provide emergency medical services that will coordinate care with regional
providers of trauma services and licensed emergency ambulance services in order to enhance
the continuity of care for emergency medical patients; and

(I) will be completed by December 31, 2009, unless delayed by circumstances beyond
the control of the entity holding the new hospital license; and

(v) as of 30 days following submission of a written plan, the commissioner of health
has not determined that the hospitals or health systems that will own or control the entity
that will hold the new hospital license are unable to meet the criteria of this clause;

(21) a project approved under section 144.553;

(22) a project for the construction of a hospital with up to 25 beds in Cass County within
a 20-mile radius of the state Ah-Gwah-Ching facility, provided the hospital's license holder
is approved by the Cass County Board;
a project for an acute care hospital in Fergus Falls that will increase the bed capacity from 108 to 110 beds by increasing the rehabilitation bed capacity from 14 to 16 and closing a separately licensed 13-bed skilled nursing facility;

(24) notwithstanding section 144.552, a project for the construction and expansion of a specialty psychiatric hospital in Hennepin County for up to 50 beds, exclusively for patients who are under 21 years of age on the date of admission. The commissioner conducted a public interest review of the mental health needs of Minnesota and the Twin Cities metropolitan area in 2008. No further public interest review shall be conducted for the construction or expansion project under this clause;

(25) a project for a 16-bed psychiatric hospital in the city of Thief River Falls, if the commissioner finds the project is in the public interest after the public interest review conducted under section 144.552 is complete; or

(26)(i) a project for a 20-bed psychiatric hospital, within an existing facility in the city of Maple Grove, exclusively for patients who are under 21 years of age on the date of admission, if the commissioner finds the project is in the public interest after the public interest review conducted under section 144.552 is complete;

(ii) this project shall serve patients in the continuing care benefit program under section 256.9693. The project may also serve patients not in the continuing care benefit program; and

(iii) if the project ceases to participate in the continuing care benefit program, the commissioner must complete a subsequent public interest review under section 144.552. If the project is found not to be in the public interest, the license must be terminated six months from the date of that finding. If the commissioner of human services terminates the contract without cause or reduces per diem payment rates for patients under the continuing care benefit program below the rates in effect for services provided on December 31, 2015, the project may cease to participate in the continuing care benefit program and continue to operate without a subsequent public interest review; or

(27) a project involving the addition of 21 new beds in an existing psychiatric hospital in Hennepin County that is exclusively for patients who are under 21 years of age on the date of admission.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 28. [144.88] MINNESOTA BIOMEDICINE AND BIOETHICS INNOVATION

GRANTS.

Subdivision 1. Grants. (a) The commissioner of health, in consultation with interested parties with relevant knowledge and expertise as specified in subdivision 2, shall award grants to entities that apply for a grant under this subdivision to fund innovations and research in biomedicine and bioethics. Grant funds must be used to fund biomedical and bioethical research, and related clinical translation and commercialization activities in this state. Entities applying for a grant must do so in a form and manner specified by the commissioner. The commissioner and interested parties shall use the following criteria to award grants under this subdivision:

1. the likelihood that the research will lead to a new discovery;
2. the prospects for commercialization of the research;
3. the likelihood that the research will strengthen Minnesota's economy through the creation of new businesses, increased public or private funding for research in Minnesota, or attracting additional clinicians and researchers to Minnesota; and
4. whether the proposed research includes a bioethics research plan to ensure the research is conducted using ethical research practices.

(b) Projects that include the acquisition or use of human fetal tissue are not eligible for grants under this subdivision. For purposes of this paragraph, "human fetal tissue" has the meaning given in United States Code, title 42, section 289g-1(f).

Subd. 2. Consultation. In awarding grants under subdivision 1, the commissioner must consult with interested parties who are able to provide the commissioner with technical information, advice, and recommendations on grant projects and awards. Interested parties with whom the commissioner must consult include but are not limited to representatives of the University of Minnesota, Mayo Clinic, and private industries who have expertise in biomedical research, bioethical research, clinical translation, commercialization, and medical venture financing.

Sec. 29. Minnesota Statutes 2016, section 144.99, subdivision 1, is amended to read:

Subdivision 1. Remedies available. The provisions of chapters 103I and 157 and sections 115.71 to 115.77; 144.12, subdivision 1, paragraphs (1), (2), (5), (6), (10), (12), (13), (14), and (15); 144.1201 to 144.1204; 144.121; 144.1215; 144.1222; 144.35; 144.381 to 144.385; 144.411 to 144.417; 144.495; 144.71 to 144.74; 144.9501 to 144.9512; 144.97 to 144.98; 144.992; 326.70 to 326.785; 327.10 to 327.131; and 327.14 to 327.28 and all rules, orders,
stipulation agreements, settlements, compliance agreements, licenses, registrations, certificates, and permits adopted or issued by the department or under any other law now in force or later enacted for the preservation of public health may, in addition to provisions in other statutes, be enforced under this section.

Sec. 30. Minnesota Statutes 2016, section 144A.472, subdivision 7, is amended to read:

Subd. 7. Fees; application, change of ownership, and renewal. (a) An initial applicant seeking temporary home care licensure must submit the following application fee to the commissioner along with a completed application:

(1) for a basic home care provider, $2,100; or

(2) for a comprehensive home care provider, $4,200.

(b) A home care provider who is filing a change of ownership as required under subdivision 5 must submit the following application fee to the commissioner, along with the documentation required for the change of ownership:

(1) for a basic home care provider, $2,100; or

(2) for a comprehensive home care provider, $4,200.

(c) A home care provider who is seeking to renew the provider's license shall pay a fee to the commissioner based on revenues derived from the provision of home care services during the calendar year prior to the year in which the application is submitted, according to the following schedule:

(d) If requested, the home care provider shall provide the commissioner information to verify the provider's annual revenues or other information as needed, including copies of documents submitted to the Department of Revenue.

(e) At each annual renewal, a home care provider may elect to pay the highest renewal fee for its license category, and not provide annual revenue information to the commissioner.

(f) A temporary license or license applicant, or temporary licensee or licensee that knowingly provides the commissioner incorrect revenue amounts for the purpose of paying a lower license fee, shall be subject to a civil penalty in the amount of double the fee the provider should have paid.

(g) Fees and penalties collected under this section shall be deposited in the state treasury and credited to the state government special revenue fund. All fees are nonrefundable. Fees collected under paragraph (c) are nonrefundable even if received before July 1, 2017, for temporary licenses or licenses being issued effective July 1, 2017, or later.

(h) The license renewal fee schedule in this subdivision is effective July 1, 2016.

Sec. 31. Minnesota Statutes 2016, section 144A.474, subdivision 11, is amended to read:

Subd. 11. Fines. (a) Fines and enforcement actions under this subdivision may be assessed based on the level and scope of the violations described in paragraph (c) as follows:

1. Level 1, no fines or enforcement;

2. Level 2, fines ranging from $0 to $500, in addition to any of the enforcement mechanisms authorized in section 144A.475 for widespread violations;

3. Level 3, fines ranging from $500 to $1,000, in addition to any of the enforcement mechanisms authorized in section 144A.475; and

4. Level 4, fines ranging from $1,000 to $5,000, in addition to any of the enforcement mechanisms authorized in section 144A.475.

(b) Correction orders for violations are categorized by both level and scope and fines shall be assessed as follows:
(1) level of violation:

(i) Level 1 is a violation that has no potential to cause more than a minimal impact on the client and does not affect health or safety;

(ii) Level 2 is a violation that did not harm a client's health or safety but had the potential to have harmed a client's health or safety, but was not likely to cause serious injury, impairment, or death;

(iii) Level 3 is a violation that harmed a client's health or safety, not including serious injury, impairment, or death, or a violation that has the potential to lead to serious injury, impairment, or death; and

(iv) Level 4 is a violation that results in serious injury, impairment, or death.

(2) scope of violation:

(i) isolated, when one or a limited number of clients are affected or one or a limited number of staff are involved or the situation has occurred only occasionally;

(ii) pattern, when more than a limited number of clients are affected, more than a limited number of staff are involved, or the situation has occurred repeatedly but is not found to be pervasive; and

(iii) widespread, when problems are pervasive or represent a systemic failure that has affected or has the potential to affect a large portion or all of the clients.

If the commissioner finds that the applicant or a home care provider required to be licensed under sections 144A.43 to 144A.482 has not corrected violations by the date specified in the correction order or conditional license resulting from a survey or complaint investigation, the commissioner may impose a fine. A notice of noncompliance with a correction order must be mailed to the applicant's or provider's last known address. The noncompliance notice must list the violations not corrected.

(d) The license holder must pay the fines assessed on or before the payment date specified. If the license holder fails to fully comply with the order, the commissioner may issue a second fine or suspend the license until the license holder complies by paying the fine. A timely appeal shall stay payment of the fine until the commissioner issues a final order.

(e) A license holder shall promptly notify the commissioner in writing when a violation specified in the order is corrected. If upon reinspection the commissioner determines that a violation has not been corrected as indicated by the order, the commissioner may issue a second fine. The commissioner shall notify the license holder by mail to the last known
address in the licensing record that a second fine has been assessed. The license holder may
appeal the second fine as provided under this subdivision.

(f) A home care provider that has been assessed a fine under this subdivision has a right
to a reconsideration or a hearing under this section and chapter 14.

(g) When a fine has been assessed, the license holder may not avoid payment by closing,
selling, or otherwise transferring the licensed program to a third party. In such an event, the
license holder shall be liable for payment of the fine.

(h) In addition to any fine imposed under this section, the commissioner may assess
costs related to an investigation that results in a final order assessing a fine or other
enforcement action authorized by this chapter.

(i) Fines collected under this subdivision shall be deposited in the state government
special revenue fund and credited to an account separate from the revenue collected under
section 144A.472. Subject to an appropriation by the legislature, the revenue from the fines
collected may must be used by the commissioner for special projects to improve home care
in Minnesota as recommended by the advisory council established in section 144A.4799.

Sec. 32. Minnesota Statutes 2016, section 144A.4799, subdivision 3, is amended to read:

Subd. 3. Duties. (a) At the commissioner's request, the advisory council shall provide
advice regarding regulations of Department of Health licensed home care providers in this
chapter, including advice on the following:

(1) community standards for home care practices;

(2) enforcement of licensing standards and whether certain disciplinary actions are
appropriate;

(3) ways of distributing information to licensees and consumers of home care;

(4) training standards;

(5) identifying emerging issues and opportunities in the home care field, including the
use of technology in home and telehealth capabilities;

(6) allowable home care licensing modifications and exemptions, including a method
for an integrated license with an existing license for rural licensed nursing homes to provide
limited home care services in an adjacent independent living apartment building owned by
the licensed nursing home; and
(7) recommendations for studies using the data in section 62U.04, subdivision 4, including
but not limited to studies concerning costs related to dementia and chronic disease among
an elderly population over 60 and additional long-term care costs, as described in section

(b) The advisory council shall perform other duties as directed by the commissioner.

(c) The advisory council shall annually review the balance of the account in the state
government special revenue fund described in section 144A.474, subdivision 11, paragraph
(i), and make annual recommendations by January 15 directly to the chairs and ranking
minority members of the legislative committees with jurisdiction over health and human
services regarding appropriations to the commissioner for the purposes in section 144A.474,
subdivision 11, paragraph (i).

Sec. 33. Minnesota Statutes 2016, section 144A.70, is amended by adding a subdivision
to read:

Subd. 4a. Nurse. "Nurse" means a licensed practical nurse as defined in section 148.171,
subdivision 8, or a registered nurse as defined in section 148.171, subdivision 20.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 34. Minnesota Statutes 2016, section 144A.70, subdivision 6, is amended to read:

Subd. 6. Supplemental nursing services agency. "Supplemental nursing services
agency" means a person, firm, corporation, partnership, or association engaged for hire in
the business of providing or procuring temporary employment in health care facilities for
nurses, nursing assistants, nurse aides, and orderlies, and other licensed health professionals.
Supplemental nursing services agency does not include an individual who only engages in
providing the individual's services on a temporary basis to health care facilities. Supplemental
nursing services agency does not include a professional home care agency licensed under
section 144A.471 that only provides staff to other home care providers.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 35. Minnesota Statutes 2016, section 144D.06, is amended to read:

144D.06 OTHER LAWS.

In addition to registration under this chapter, a housing with services establishment must
comply with chapter 504B and the provisions of section 325F.72, and shall obtain and
maintain all other licenses, permits, registrations, or other governmental approvals required
of it in addition to registration under this chapter. A housing with services establishment is
subject to the provisions of section 325E.72 and chapter 504B not required to obtain a
lodging license under chapter 157 and related rules.

394.4 EFFECTIVE DATE. This section is effective August 1, 2017.

Sec. 36. [144H.01] DEFINITIONS.

Subdivision 1. Application. The terms defined in this section apply to this chapter.

Subd. 2. Basic services. "Basic services" includes but is not limited to:

(1) the development, implementation, and monitoring of a comprehensive protocol of
care that is developed in conjunction with the parent or guardian of a medically complex
or technologically dependent child and that specifies the medical, nursing, psychosocial,
and developmental therapies required by the medically complex or technologically dependent
child; and

(2) the caregiver training needs of the child's parent or guardian.

Subd. 3. Commissioner. "Commissioner" means the commissioner of health.

Subd. 4. Licensee. "Licensee" means an owner of a prescribed pediatric extended care
(PPEC) center licensed under this chapter.

Subd. 5. Medically complex or technologically dependent child. "Medically complex
or technologically dependent child" means a child under 21 years of age who, because of
a medical condition, requires continuous therapeutic interventions or skilled nursing
supervision which must be prescribed by a licensed physician and administered by, or under
the direct supervision of, a licensed registered nurse.

Subd. 6. Owner. "Owner" means an individual whose ownership interest provides
sufficient authority or control to affect or change decisions regarding the operation of the
PPEC center. An owner includes a sole proprietor, a general partner, or any other individual
whose ownership interest has the ability to affect the management and direction of the PPEC
center's policies.

Subd. 7. Prescribed pediatric extended care center, PPEC center, or center.

"Prescribed pediatric extended care center," "PPEC center," or "center" means any facility
that provides nonresidential basic services to three or more medically complex or
technologically dependent children who require such services and who are not related to
the owner by blood, marriage, or adoption.
Subd. 8. **Supportive services or contracted services.** "Supportive services or contracted services" include but are not limited to speech therapy, occupational therapy, physical therapy, social work services, developmental services, child life services, and psychology services.

Sec. 37. [144H.02] LICENSURE REQUIRED.

A person may not own or operate a prescribed pediatric extended care center in this state unless the person holds a temporary or current license issued under this chapter. A separate license must be obtained for each PPEC center maintained on separate premises, even if the same management operates the PPEC centers. Separate licenses are not required for separate buildings on the same grounds. A center shall not be operated on the same grounds as a child care center licensed under Minnesota Rules, chapter 9503.

Sec. 38. [144H.03] EXEMPTIONS.

This chapter does not apply to:

1. a facility operated by the United States government or a federal agency; or
2. a health care facility licensed under chapter 144 or 144A.

Sec. 39. [144H.04] LICENSE APPLICATION AND RENEWAL.

Subdivision 1. Licenses. A person seeking licensure for a PPEC center must submit a completed application for licensure to the commissioner, in a form and manner determined by the commissioner. The applicant must also submit the application fee, in the amount specified in section 144H.05, subdivision 1. Effective January 1, 2018, the commissioner shall issue a license for a PPEC center if the commissioner determines that the applicant and center meet the requirements of this chapter and rules that apply to PPEC centers. A license issued under this subdivision is valid for two years.

Subd. 2. License renewal. A license issued under subdivision 1 may be renewed for a period of two years if the licensee:

1. submits an application for renewal in a form and manner determined by the commissioner, at least 30 days before the license expires. An application for renewal submitted after the renewal deadline date must be accompanied by a late fee in the amount specified in section 144H.05, subdivision 3;
2. submits the renewal fee in the amount specified in section 144H.05, subdivision 2;
(3) demonstrates that the licensee has provided basic services at the PPEC center within the past two years;

(4) provides evidence that the applicant meets the requirements for licensure; and

(5) provides other information required by the commissioner.

Subd. 3. License not transferable. A PPEC center license issued under this section is not transferable to another party. Before acquiring ownership of a PPEC center, a prospective applicant must apply to the commissioner for a new license.

Sec. 40. [144H.05] FEES.

Subdivision 1. Initial application fee. The initial application fee for PPEC center licensure is $3,820.

Subd. 2. License renewal. The fee for renewal of a PPEC center license is $1,800.

Subd. 3. Late fee. The fee for late submission of an application to renew a PPEC center license is $25.

Subd. 4. Change of ownership. The fee for change of ownership of a PPEC center is $4,200.

Subd. 5. Nonrefundable; state government special revenue fund. All fees collected under this chapter are nonrefundable and must be deposited in the state treasury and credited to the state government special revenue fund.

Sec. 41. [144H.06] APPLICATION OF RULES FOR HOSPICE SERVICES AND RESIDENTIAL HOSPICE FACILITIES.

Minnesota Rules, chapter 4664, shall apply to PPEC centers licensed under this chapter, except that the following parts, subparts, items, and subitems do not apply:

(1) Minnesota Rules, part 4664.0003, subparts 2, 6, 7, 11, 12, 13, 14, and 38;

(2) Minnesota Rules, part 4664.0008;

(3) Minnesota Rules, part 4664.0010, subparts 3; 4, items A, subitem (6), and B; and 8;

(4) Minnesota Rules, part 4664.0020, subpart 13;

(5) Minnesota Rules, part 4664.0370, subpart 1;

(6) Minnesota Rules, part 4664.0390, subpart 1, items A, C, and E;

(7) Minnesota Rules, part 4664.0420;
Sec. 42. [144H.07] SERVICES; LIMITATIONS.

Subdivision 1. Services. A PPEC center must provide basic services to medically complex or technologically dependent children, based on a protocol of care established for each child. A PPEC center may provide services up to 14 hours a day and up to six days a week.

Subd. 2. Limitations. A PPEC center must comply with the following standards related to services:

(1) a child is prohibited from attending a PPEC center for more than 14 hours within a 24-hour period;

(2) a PPEC center is prohibited from providing services other than those provided to medically complex or technologically dependent children; and

(3) the maximum capacity for medically complex or technologically dependent children at a center shall not exceed 45 children.

Sec. 43. [144H.08] ADMINISTRATION AND MANAGEMENT.

Subdivision 1. Duties of owner. (a) The owner of a PPEC center shall have full legal authority and responsibility for the operation of the center. A PPEC center must be organized according to a written table of organization, describing the lines of authority and communication to the child care level. The organizational structure must be designed to ensure an integrated continuum of services for the children served.

(b) The owner must designate one person as a center administrator, who is responsible and accountable for overall management of the center.

Subd. 2. Duties of administrator. The center administrator is responsible and accountable for overall management of the center. The administrator must:

(1) designate in writing a person to be responsible for the center when the administrator is absent from the center for more than 24 hours;

(2) maintain the following written records, in a place and form and using a system that allows for inspection of the records by the commissioner during normal business hours:
(i) a daily census record, which indicates the number of children currently receiving
services at the center;

(ii) a record of all accidents or unusual incidents involving any child or staff member
that caused, or had the potential to cause, injury or harm to a person at the center or to center
property;

(iii) copies of all current agreements with providers of supportive services or contracted
services;

(iv) copies of all current agreements with consultants employed by the center,
documentation of each consultant's visits, and written, dated reports; and

(v) a personnel record for each employee, which must include an application for
employment, references, employment history for the preceding five years, and copies of all
performance evaluations;

(3) develop and maintain a current job description for each employee;

(4) provide necessary qualified personnel and ancillary services to ensure the health,
safety, and proper care for each child; and

(5) develop and implement infection control policies that comply with rules adopted by
the commissioner regarding infection control.

Sec. 44. [144H.09] ADMISSION, TRANSFER, AND DISCHARGE POLICIES;

CONSENT FORM.

Subdivision 1. Written policies. A PPEC center must have written policies and
procedures governing the admission, transfer, and discharge of children.

Subd. 2. Notice of discharge. At least ten days prior to a child's discharge from a PPEC
center, the PPEC center shall provide notice of the discharge to the child's parent or guardian.

Subd. 3. Consent form. A parent or guardian must sign a consent form outlining the
purpose of a PPEC center, specifying family responsibilities, authorizing treatment and
services, providing appropriate liability releases, and specifying emergency disposition
plans, before the child's admission to the center. The center must provide the child's parents
or guardians with a copy of the consent form and must maintain the consent form in the
child's medical record.
Sec. 45. [144H.10] MEDICAL DIRECTOR.

A PPEC center must have a medical director who is a physician licensed in Minnesota and certified by the American Board of Pediatrics.

Sec. 46. [144H.11] NURSING SERVICES.

Subdivision 1. Nursing director. A PPEC center must have a nursing director who is a registered nurse licensed in Minnesota, holds a current certification in cardiopulmonary resuscitation, and has at least four years of general pediatric nursing experience, at least one year of which must have been spent caring for medically fragile infants or children in a pediatric intensive care, neonatal intensive care, PPEC center, or home care setting during the previous five years. The nursing director is responsible for the daily operation of the PPEC center.

Subd. 2. Registered nurses. A registered nurse employed by a PPEC center must be a registered nurse licensed in Minnesota, hold a current certification in cardiopulmonary resuscitation, and have experience in the previous 24 months in being responsible for the care of acutely ill or chronically ill children.

Subd. 3. Licensed practical nurses. A licensed practical nurse employed by a PPEC center must be supervised by a registered nurse and must be a licensed practical nurse licensed in Minnesota, have at least two years of experience in pediatrics, and hold a current certification in cardiopulmonary resuscitation.

Subd. 4. Other direct care personnel. (a) Direct care personnel governed by this subdivision include nursing assistants and individuals with training and experience in the field of education, social services, or child care.

(b) All direct care personnel employed by a PPEC center must work under the supervision of a registered nurse and are responsible for providing direct care to children at the center. Direct care personnel must have extensive, documented education and skills training in providing care to infants and toddlers, provide employment references documenting skill in the care of infants and children, and hold a current certification in cardiopulmonary resuscitation.
Sec. 47. [144H.12] TOTAL STAFFING FOR NURSING SERVICES AND DIRECT CARE PERSONNEL.

A PPEC center must provide total staffing for nursing services and direct care personnel at a ratio of one staff person for every three children at the center. The staffing ratio required in this section is the minimum staffing permitted.

Sec. 48. [144H.13] MEDICAL RECORD; PROTOCOL OF CARE.

A medical record and an individualized nursing protocol of care must be developed for each child admitted to a PPEC center, must be maintained for each child, and must be signed by authorized personnel.

Sec. 49. [144H.14] QUALITY ASSURANCE PROGRAM.

A PPEC center must have a quality assurance program, in which quarterly reviews are conducted of the PPEC center's medical records and protocols of care for at least half of the children served by the PPEC center. The quarterly review sample must be randomly selected so each child at the center has an equal opportunity to be included in the review. The committee conducting quality assurance reviews must include the medical director, administrator, nursing director, and three other committee members determined by the PPEC center.

Sec. 50. [144H.15] INSPECTIONS.

(a) The commissioner may inspect a PPEC center, including records held at the center, at reasonable times as necessary to ensure compliance with this chapter and the rules that apply to PPEC centers. During an inspection, a center must provide the commissioner with access to all center records.

(b) The commissioner must inspect a PPEC center before issuing or renewing a license under this chapter.

Sec. 51. [144H.16] COMPLIANCE WITH OTHER LAWS.

Subdivision 1. Reporting of maltreatment of minors. A PPEC center must develop policies and procedures for reporting suspected child maltreatment that fulfill the requirements of section 626.556. The policies and procedures must include the telephone numbers of the local county child protection agency for reporting suspected maltreatment. The policies and procedures specified in this subdivision must be provided to the parents
or guardians of all children at the time of admission to the PPEC center and must be available
upon request.

Subd. 2. Crib safety requirements. A PPEC center must comply with the crib safety
requirements in section 245A.146, to the extent they are applicable.

Sec. 52. [144H.17] DENIAL, SUSPENSION, REVOCATION, REFUSAL TO RENEW
A LICENSE.

(a) The commissioner may deny, suspend, revoke, or refuse to renew a license issued
under this chapter for:

(1) a violation of this chapter or rules adopted that apply to PPEC centers; or

(2) an intentional or negligent act by an employee or contractor at the center that
detrimentally affects the health or safety of children at the PPEC center.

(b) Prior to any suspension, revocation, or refusal to renew a license, a licensee shall be
entitled to a hearing and review as provided in sections 14.57 to 14.69.

Sec. 53. [144H.18] FINES; CORRECTIVE ACTION PLANS.

Subdivision 1. Corrective action plans. If the commissioner determines that a PPEC
center is not in compliance with this chapter or rules that apply to PPEC centers, the
commissioner may require the center to submit a corrective action plan that demonstrates
a good-faith effort to remedy each violation by a specific date, subject to approval by the
commissioner.

Subd. 2. Fines. The commissioner may issue a fine to a PPEC center, employee, or
contractor if the commissioner determines the center, employee, or contractor violated this
chapter or rules that apply to PPEC centers. The fine amount shall not exceed an amount
for each violation and an aggregate amount established by the commissioner. The failure
to correct a violation by the date set by the commissioner, or a failure to comply with an
approved corrective action plan, constitutes a separate violation for each day the failure
continues, unless the commissioner approves an extension to a specific date. In determining
if a fine is to be imposed and establishing the amount of the fine, the commissioner shall
consider:

(1) the gravity of the violation, including the probability that death or serious physical
or emotional harm to a child will result or has resulted, the severity of the actual or potential
harm, and the extent to which the applicable laws were violated;
(2) actions taken by the owner or administrator to correct violations;

(3) any previous violations; and

(4) the financial benefit to the PPEC center of committing or continuing the violation.

Subd. 3. Fines for violations of other statutes. The commissioner shall impose a fine of $250 on a PPEC center, employee, or contractor for each violation by that PPEC center, employee, or contractor of section 144H.16, subdivision 2, or 626.556.

Sec. 54. [144H.19] CLOSING A PPEC CENTER.

When a PPEC center voluntarily closes, it must, at least 30 days before closure, inform each child's parents or guardians of the closure and when the closure will occur.

Sec. 55. [144H.20] PHYSICAL ENVIRONMENT.

Subdivision 1. General requirements. A PPEC center shall conform with or exceed the physical environment requirements in this section and the physical environment requirements for day care facilities in Minnesota Rules, part 9502.0425. If the physical environment requirements in this section differ from the physical environment requirements for day care facilities in Minnesota Rules, part 9502.0425, the requirements in this section shall prevail. A PPEC center must have sufficient indoor and outdoor space to accommodate at least six medically complex or technologically dependent children.

Subd. 2. Specific requirements. (a) The entrance to a PPEC center must be barrier-free, have a wheelchair ramp, provide for traffic flow with a driveway area for entering and exiting, and have storage space for supplies from home.

(b) A PPEC center must have a treatment room with a medication preparation area. The medication preparation area must contain a work counter, refrigerator, sink with hot and cold running water, and locked storage for biologicals and prescription drugs.

(c) A PPEC center must develop isolation procedures to prevent cross-infections and must have an isolation room with at least one glass area for observation of a child in the isolation room. The isolation room must be at least 100 square feet in size.

(d) A PPEC center must have:

(1) an outdoor play space adjacent to the center of at least 35 square feet per child in attendance at the center, for regular use; or

(2) a park, playground, or play space within 1,500 feet of the center.
403.1 (e) A PPEC center must have at least 50 square feet of usable indoor space per child in attendance at the center.

403.3 (f) Notwithstanding the Minnesota State Building Code and the Minnesota State Fire Code, a new construction PPEC center or an existing building converted into a PPEC center must meet the requirements of the International Building Code in Minnesota Rules, chapter 1305, for:

403.7 (1) Group R, Division 4 occupancy, if serving 12 or fewer children; or

403.8 (2) Group E, Division 4 occupancy or Group I, Division 4 occupancy, if serving 13 or more children.

Sec. 56. Minnesota Statutes 2016, section 145.4131, subdivision 1, is amended to read:

403.10 Subdivision 1. Forms. (a) Within 90 days of July 1, 1998, the commissioner shall prepare a reporting form for use by physicians or facilities performing abortions. A copy of this section shall be attached to the form. A physician or facility performing an abortion shall obtain a form from the commissioner.

403.15 (b) The form shall require the following information:

403.16 (1) the number of abortions performed by the physician in the previous calendar year, reported by month;

403.18 (2) the method used for each abortion;

403.19 (3) the approximate gestational age expressed in one of the following increments:

403.20 (i) less than nine weeks;

403.21 (ii) nine to ten weeks;

403.22 (iii) 11 to 12 weeks;

403.23 (iv) 13 to 15 weeks;

403.24 (v) 16 to 20 weeks;

403.25 (vi) 21 to 24 weeks;

403.26 (vii) 25 to 30 weeks;

403.27 (viii) 31 to 36 weeks; or

403.28 (ix) 37 weeks to term;

403.29 (4) the age of the woman at the time the abortion was performed;
(5) the specific reason for the abortion, including, but not limited to, the following:

(i) the pregnancy was a result of rape;

(ii) the pregnancy was a result of incest;

(iii) economic reasons;

(iv) the woman does not want children at this time;

(v) the woman's emotional health is at stake;

(vi) the woman's physical health is at stake;

(vii) the woman will suffer substantial and irreversible impairment of a major bodily function if the pregnancy continues;

(viii) the pregnancy resulted in fetal anomalies; or

(ix) unknown or the woman refused to answer;

(6) the number of prior induced abortions;

(7) the number of prior spontaneous abortions;

(8) whether the abortion was paid for by:

(i) private coverage;

(ii) public assistance health coverage; or

(iii) self-pay;

(9) whether coverage was under:

(i) a fee-for-service plan;

(ii) a capitated private plan; or

(iii) other;

(10) complications, if any, for each abortion and for the aftermath of each abortion.

Space for a description of any complications shall be available on the form;

(11) the medical specialty of the physician performing the abortion; and

(12) if the abortion was performed via telemedicine, the facility code for the patient and the facility code for the physician; and

(13) whether the abortion resulted in a born alive infant, as defined in section 145.423, subdivision 4, and:
(i) any medical actions taken to preserve the life of the born alive infant;

(ii) whether the born alive infant survived; and

(iii) the status of the born alive infant, should the infant survive, if known.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 57. Minnesota Statutes 2016, section 145.4716, subdivision 2, is amended to read:

Subd. 2. **Duties of director.** The director of child sex trafficking prevention is responsible for the following:

1. developing and providing comprehensive training on sexual exploitation of youth for social service professionals, medical professionals, public health workers, and criminal justice professionals;

2. collecting, organizing, maintaining, and disseminating information on sexual exploitation and services across the state, including maintaining a list of resources on the Department of Health Web site;

3. monitoring and applying for federal funding for antitrafficking efforts that may benefit victims in the state;

4. managing grant programs established under sections 145.4716 to 145.4718, and 609.3241, paragraph (c), clause (3); and 609.5315, subdivision 5c, clause (3);

5. managing the request for proposals for grants for comprehensive services, including trauma-informed, culturally specific services;

6. identifying best practices in serving sexually exploited youth, as defined in section 260C.007, subdivision 31;

7. providing oversight of and technical support to regional navigators pursuant to section 145.4717;

8. conducting a comprehensive evaluation of the statewide program for safe harbor of sexually exploited youth; and

9. developing a policy consistent with the requirements of chapter 13 for sharing data related to sexually exploited youth, as defined in section 260C.007, subdivision 31, among regional navigators and community-based advocates.
Sec. 58. [145.9263] OPIOID PRESCRIBER EDUCATION AND PUBLIC AWARENESS GRANTS.

The commissioner of health, in coordination with the commissioner of human services, shall award grants to nonprofit organizations for the purpose of expanding prescriber education, public awareness and outreach on the opioid epidemic and overdose prevention programs. The grantees must coordinate with health care systems, professional associations, and emergency medical services providers. Each grantee receiving funds under this section shall report to the commissioner on how the funds were spent and the outcomes achieved.

Sec. 59. Minnesota Statutes 2016, section 145.928, subdivision 13, is amended to read:

Subd. 13. Reports. (a) The commissioner shall submit a biennial report to the legislature on the local community projects, tribal government, and community health board prevention activities funded under this section. These reports must include information on grant recipients, activities that were conducted using grant funds, evaluation data, and outcome measures, if available. These reports are due by January 15 of every other year, beginning in the year 2003.

(b) The commissioner shall release an annual report to the public and submit an annual report to the chairs and ranking minority members of the house of representatives and senate committees with jurisdiction over public health on grants made under subdivision 7 to decrease racial and ethnic disparities in infant mortality rates. The report must provide specific information on the amount of each grant awarded to each agency or organization, an itemized list submitted to the commissioner by each agency or organization awarded a grant specifying all uses of grant funds and the amount expended for each use, the population served by each agency or organization, outcomes of the programs funded by each grant, and the amount of the appropriation retained by the commissioner for administrative and associated expenses. The commissioner shall issue a report each January 15 for the previous fiscal year beginning January 15, 2016.

Sec. 60. Minnesota Statutes 2016, section 145.986, subdivision 1a, is amended to read:

Subd. 1a. Grants to local communities. (a) Beginning July 1, 2009, the commissioner of health shall award competitive grants to community health boards and tribal governments to convene, coordinate, and implement evidence-based strategies targeted at reducing the percentage of Minnesotans who are obese or overweight and to reduce the use of tobacco. Grants shall be awarded to all community health boards and tribal governments whose
proposals demonstrate the ability to implement programs designed to achieve the purposes in subdivision 1 and other requirements of this section.

(b) Grantee activities shall:

(1) be based on scientific evidence;

(2) be based on community input;

(3) address behavior change at the individual, community, and systems levels;

(4) occur in community, school, work site, and health care settings;

(5) be focused on policy, systems, and environmental changes that support healthy behaviors; and

(6) address the health disparities and inequities that exist in the grantee's community.

c) To receive a grant under this section, community health boards and tribal governments must submit proposals to the commissioner. A local match of ten percent of the total funding allocation is required. This local match may include funds donated by community partners.

d) In order to receive a grant, community health boards and tribal governments must submit a health improvement plan to the commissioner of health for approval. The commissioner may require the plan to identify a community leadership team, community partners, and a community action plan that includes an assessment of area strengths and needs, proposed action strategies, technical assistance needs, and a staffing plan.

e) The grant recipient must implement the health improvement plan, evaluate the effectiveness of the strategies, and modify or discontinue strategies found to be ineffective.

f) Grant recipients shall report their activities and their progress toward the outcomes established under subdivision 2 to the commissioner in a format and at a time specified by the commissioner.

g) All grant recipients shall be held accountable for making progress toward the measurable outcomes established in subdivision 2. The commissioner shall require a corrective action plan and may reduce the funding level of grant recipients that do not make adequate progress toward the measurable outcomes.

h) Beginning November 1, 2015, the commissioner shall offer grant recipients the option of using a grant awarded under this subdivision to implement health improvement strategies that improve the health status, delay the expression of dementia, or slow the progression of dementia, for a targeted population at risk for dementia and shall award at least two of the grants awarded on November 1, 2015, for these purposes. The grants must
meet all other requirements of this section. The commissioner shall coordinate grant planning activities with the commissioner of human services, the Minnesota Board on Aging, and community-based organizations with a focus on dementia. Each grant must include selected outcomes and evaluation measures related to the incidence or progression of dementia among the targeted population using the procedure described in subdivision 2.

(i) Beginning July 1, 2017, the commissioner shall offer grant recipients the option of using a grant awarded under this subdivision to confront the opioid addiction and overdose epidemic, and shall award at least two of the grants awarded on or after July 1, 2017, for these purposes. The grants awarded under this paragraph must meet all other requirements of this section. The commissioner shall coordinate grant planning activities with the commissioner of human services. Each grant shall include selected outcomes and evaluation measures related to addressing the opioid epidemic.

Sec. 61. Minnesota Statutes 2016, section 148.5194, subdivision 7, is amended to read:

Subd. 7. Audiologist biennial licensure fee. (a) The licensure fee for initial applicants is $435. The biennial licensure fee for audiologists for clinical fellowship, doctoral externship, temporary, initial applicants, and renewal licensees is $435.

(b) The audiologist fee is for practical examination costs greater than audiologist exam fee receipts and for complaint investigation, enforcement action, and consumer information and assistance expenditures related to hearing instrument dispensing.

Sec. 62. Minnesota Statutes 2016, section 152.25, subdivision 1, is amended to read:

Subdivision 1. Medical cannabis manufacturer registration. (a) The commissioner shall register two in-state manufacturers for the production of all medical cannabis within the state by December 1, 2014, unless the commissioner obtains an adequate supply of federally sourced medical cannabis by August 1, 2014. The commissioner shall register new manufacturers or reregister the existing manufacturers by December 1 every two years, using the factors described in paragraphs (c) and (d). The commissioner shall continue to accept applications after December 1, 2014, if two manufacturers that meet the qualifications set forth in this subdivision do not apply before December 1, 2014. The commissioner's determination that no manufacturer exists to fulfill the duties under sections 152.22 to 152.37 is subject to judicial review in Ramsey County District Court. Data submitted during the application process are private data on individuals or nonpublic data as defined in section 13.02 until the manufacturer is registered under this section. Data on
a manufacturer that is registered are public data, unless the data are trade secret or security
information under section 13.37.

(b) As a condition for registration, a manufacturer must agree to:

(1) begin supplying medical cannabis to patients by July 1, 2015; and

(2) comply with all requirements under sections 152.22 to 152.37.

(c) The commissioner shall consider the following factors when determining which
manufacturer to register:

(1) the technical expertise of the manufacturer in cultivating medical cannabis and
converting the medical cannabis into an acceptable delivery method under section 152.22,
subdivision 6;

(2) the qualifications of the manufacturer's employees;

(3) the long-term financial stability of the manufacturer;

(4) the ability to provide appropriate security measures on the premises of the
manufacturer;

(5) whether the manufacturer has demonstrated an ability to meet the medical cannabis
production needs required by sections 152.22 to 152.37; and

(6) the manufacturer's projection and ongoing assessment of fees on patients with a
qualifying medical condition.

(d) The commissioner shall not renew the registration of an existing manufacturer if an
officer, director, or controlling person of the manufacturer pleads or is found guilty of
intentionally diverting medical cannabis to a person other than allowed by law under section
152.33, subdivision 1, provided the violation occurred while the person was an officer,
director, or controlling person of the manufacturer.

(e) The commissioner shall require each medical cannabis manufacturer to contract
with an independent laboratory to test medical cannabis produced by the manufacturer. The
commissioner shall approve the laboratory chosen by each manufacturer and require that
the laboratory report testing results to the manufacturer in a manner determined by the
commissioner.

EFFECTIVE DATE. This section is effective the day following final enactment.
Sec. 63. Minnesota Statutes 2016, section 152.25, is amended by adding a subdivision to read:

**Subd. 1a. Revocation, nonrenewal, or denial of consent to transfer a medical cannabis manufacturer registration.** If the commissioner intends to revoke, not renew, or deny consent to transfer a registration issued under this section, the commissioner must first notify in writing the manufacturer against whom the action is to be taken and provide the manufacturer with an opportunity to request a hearing under the contested case provisions of chapter 14. If the manufacturer does not request a hearing by notifying the commissioner in writing within 20 days after receipt of the notice of proposed action, the commissioner may proceed with the action without a hearing. For revocations, the registration of a manufacturer is considered revoked on the date specified in the commissioner's written notice of revocation.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 64. Minnesota Statutes 2016, section 152.25, is amended by adding a subdivision to read:

**Subd. 1b. Temporary suspension proceedings.** The commissioner may institute proceedings to temporarily suspend the registration of a medical cannabis manufacturer for a period of up to 90 days by notifying the manufacturer in writing if any action by an officer, director, or controlling person of the manufacturer:

1. violates any of the requirements of sections 152.21 to 152.37 or the rules adopted thereunder;
2. permits, aids, or abets the commission of any violation of state law at the manufacturer's location for cultivation, harvesting, manufacturing, packaging, and processing or at any site for distribution of medical cannabis;
3. performs any act contrary to the welfare of a patient or registered designated caregiver; or
4. obtains, or attempts to obtain, a registration by fraudulent means or misrepresentation.

**EFFECTIVE DATE.** This section is effective the day following final enactment.
Sec. 65. Minnesota Statutes 2016, section 152.25, is amended by adding a subdivision to read:

Subd. 1c. Notice to patients. Upon the revocation or nonrenewal of a manufacturer's registration under subdivision 1a or temporary suspension under subdivision 1b, the commissioner shall notify in writing each patient and the patient's registered designated caregiver or registered parent or legal guardian about the outcome of the proceeding and information regarding alternative registered manufacturers. This notice must be provided two or more business days prior to the effective date of the revocation, nonrenewal, or suspension.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 66. Minnesota Statutes 2016, section 152.33, is amended by adding a subdivision to read:

Subd. 1a. Intentional diversion outside the state; penalties. In addition to any other applicable penalty in law, the commissioner shall levy a fine of $500,000 against a manufacturer and immediately initiate proceedings to revoke the manufacturer's registration, using the procedure in section 152.25, subdivision 1a, if:

(1) an officer, director, or controlling person of the manufacturer pleads or is found guilty under subdivision 1 of intentionally transferring medical cannabis, while the person was an officer, director, or controlling person of the manufacturer, to a person other than allowed by law; and

(2) in intentionally transferring medical cannabis to a person other than allowed by law, the officer, director, or controlling person transported or directed the transport of medical cannabis outside of Minnesota.

EFFECTIVE DATE. This section is effective the day following final enactment, and applies to crimes committed on or after that date.

Sec. 67. Minnesota Statutes 2016, section 157.16, subdivision 1, is amended to read:

Subdivision 1. License required annually. A license is required annually for every person, firm, or corporation engaged in the business of conducting a food and beverage service establishment, youth camp, hotel, motel, lodging establishment, public pool, or resort. Any person wishing to operate a place of business licensed in this section shall first make application, pay the required fee specified in this section, and receive approval for operation, including plan review approval. Special event food stands are not required to
submit plans. Nonprofit organizations operating a special event food stand with multiple locations at an annual one-day event shall be issued only one license. Application shall be made on forms provided by the commissioner and shall require the applicant to state the full name and address of the owner of the building, structure, or enclosure, the lessee and manager of the food and beverage service establishment, hotel, motel, lodging establishment, public pool, or resort; the name under which the business is to be conducted; and any other information as may be required by the commissioner to complete the application for license. All fees collected under this section shall be deposited in the state government special revenue fund.

Sec. 68. Minnesota Statutes 2016, section 256B.0625, is amended by adding a subdivision to read:

Subd. 65. Prescribed pediatric extended care centers. Medical assistance covers services provided at a prescribed pediatric extended care center licensed under chapter 144H, when the services are provided in accordance with this chapter.

EFFECTIVE DATE. This section is effective upon federal approval. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 69. [256B.7651] PRESCRIBED PEDIATRIC EXTENDED CARE CENTERS.

The commissioner shall set payment rates for services provided at prescribed pediatric extended care centers licensed under chapter 144H in one-hour increments, at a rate equal to 85 percent of the payment rate for one hour of complex home care nursing services. The payment rate shall include services provided by nursing staff and direct care staff specified in section 144H.11.

EFFECTIVE DATE. This section is effective upon federal approval. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained.

Sec. 70. Minnesota Statutes 2016, section 327.15, subdivision 3, is amended to read:

Subd. 3. Fees, manufactured home parks and recreational camping areas. (a) The following fees are required for manufactured home parks and recreational camping areas licensed under this chapter. Fees collected under this section shall be deposited in the state government special revenue fund. Recreational camping areas and manufactured home parks shall pay the highest applicable base fee under paragraph (b). The license fee for new operators of a manufactured home park or recreational camping area previously licensed under this chapter for the same calendar year is one-half of the appropriate annual license
fee, plus any penalty that may be required. The license fee for operators opening on or after
October 1 is one-half of the appropriate annual license fee, plus any penalty that may be
required.

(b) All manufactured home parks and recreational camping areas shall pay the following
annual base fee:

(1) a manufactured home park, $150; and

(2) a recreational camping area with:

(i) 24 or less sites, $50;

(ii) 25 to 99 sites, $212; and

(iii) 100 or more sites, $300.

In addition to the base fee, manufactured home parks and recreational camping areas shall
pay $4 for each licensed site. This paragraph does not apply to special event recreational
camping areas. Operators of a manufactured home park or a recreational camping area also
licensed under section 157.16 for the same location shall pay only one base fee, whichever
is the highest of the base fees found in this section or section 157.16.

(c) In addition to the fee in paragraph (b), each manufactured home park or recreational
camping area shall pay an additional annual fee for each fee category specified in this
paragraph:

(1) Manufactured home parks and recreational camping areas with public swimming
pools and spas shall pay the appropriate fees specified in section 157.16.

(2) Individual private sewer or water, $60. "Individual private water" means a fee category
with a water supply other than a community public water supply as defined in Minnesota
Rules, chapter 4720. "Individual private sewer" means a fee category with a subsurface
sewage treatment system which uses subsurface treatment and disposal.

(d) The following fees must accompany a plan review application for initial construction
of a manufactured home park or recreational camping area:

(1) for initial construction of less than 25 sites, $375;

(2) for initial construction of 25 to 99 sites, $400; and

(3) for initial construction of 100 or more sites, $500.

(e) The following fees must accompany a plan review application when an existing
manufactured home park or recreational camping area is expanded:
(1) for expansion of less than 25 sites, $250;

(2) for expansion of 25 to 99 sites, $300; and

(3) for expansion of 100 or more sites, $450.

Sec. 71. Minnesota Statutes 2016, section 609.5315, subdivision 5c, is amended to read:

Subd. 5c. Disposition of money; prostitution. Money forfeited under section 609.5312, subdivision 1, paragraph (b), must be distributed as follows:

(1) 40 percent must be forwarded to the appropriate agency for deposit as a supplement to the agency's operating fund or similar fund for use in law enforcement;

(2) 20 percent must be forwarded to the prosecuting authority that handled the forfeiture for deposit as a supplement to its operating fund or similar fund for prosecutorial purposes;

and

(3) the remaining 40 percent must be forwarded to the commissioner of public safety health to be deposited in the safe harbor for youth account in the special revenue fund and is appropriated to the commissioner for distribution to crime victims services organizations that provide services to sexually exploited youth, as defined in section 260C.007, subdivision 31.

Sec. 72. Minnesota Statutes 2016, section 626.556, subdivision 2, is amended to read:

Subd. 2. Definitions. As used in this section, the following terms have the meanings given them unless the specific content indicates otherwise:

(a) "Accidental" means a sudden, not reasonably foreseeable, and unexpected occurrence or event which:

(1) is not likely to occur and could not have been prevented by exercise of due care; and

(2) if occurring while a child is receiving services from a facility, happens when the facility and the employee or person providing services in the facility are in compliance with the laws and rules relevant to the occurrence or event.

(b) "Commissioner" means the commissioner of human services.

(c) "Facility" means:

(1) a licensed or unlicensed day care facility, residential facility, agency, hospital, sanitarium, or other facility or institution required to be licensed under sections 144.50 to 144.58, 241.021, or 245A.01 to 245A.16, or chapter 144H or 245D;
(2) a school as defined in section 120A.05, subdivisions 9, 11, and 13; and chapter 124E;

or

(3) a nonlicensed personal care provider organization as defined in section 256B.0625, subdivision 19a.

(d) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child maltreatment, and family strengths and needs that is applied to a child maltreatment report that does not allege sexual abuse or substantial child endangerment. Family assessment does not include a determination as to whether child maltreatment occurred but does determine the need for services to address the safety of family members and the risk of subsequent maltreatment.

(e) "Investigation" means fact gathering related to the current safety of a child and the risk of subsequent maltreatment that determines whether child maltreatment occurred and whether child protective services are needed. An investigation must be used when reports involve sexual abuse or substantial child endangerment, and for reports of maltreatment in facilities required to be licensed under chapter 245A or 245D; under sections 144.50 to 144.58 and 241.021; in a school as defined in section 120A.05, subdivisions 9, 11, and 13, and chapter 124E; or in a nonlicensed personal care provider association as defined in section 256B.0625, subdivision 19a.

(f) "Mental injury" means an injury to the psychological capacity or emotional stability of a child as evidenced by an observable or substantial impairment in the child's ability to function within a normal range of performance and behavior with due regard to the child's culture.

(g) "Neglect" means the commission or omission of any of the acts specified under clauses (1) to (9), other than by accidental means:

(1) failure by a person responsible for a child's care to supply a child with necessary food, clothing, shelter, health, medical, or other care required for the child's physical or mental health when reasonably able to do so;

(2) failure to protect a child from conditions or actions that seriously endanger the child's physical or mental health when reasonably able to do so, including a growth delay, which may be referred to as a failure to thrive, that has been diagnosed by a physician and is due to parental neglect;

(3) failure to provide for necessary supervision or child care arrangements appropriate for a child after considering factors as the child's age, mental ability, physical condition,
length of absence, or environment, when the child is unable to care for the child's own basic
needs or safety, or the basic needs or safety of another child in their care;

(4) failure to ensure that the child is educated as defined in sections 120A.22 and
260C.163, subdivision 11, which does not include a parent's refusal to provide the parent's
child with sympathomimetic medications, consistent with section 125A.091, subdivision
5;

(5) nothing in this section shall be construed to mean that a child is neglected solely
because the child's parent, guardian, or other person responsible for the child's care in good
faith selects and depends upon spiritual means or prayer for treatment or care of disease or
remedial care of the child in lieu of medical care; except that a parent, guardian, or caretaker,
or a person mandated to report pursuant to subdivision 3, has a duty to report if a lack of
medical care may cause serious danger to the child's health. This section does not impose
upon persons, not otherwise legally responsible for providing a child with necessary food,
clothing, shelter, education, or medical care, a duty to provide that care;

(6) prenatal exposure to a controlled substance, as defined in section 253B.02, subdivision
2, used by the mother for a nonmedical purpose, as evidenced by withdrawal symptoms in
the child at birth, results of a toxicology test performed on the mother at delivery or the
child at birth, medical effects or developmental delays during the child's first year of life
that medically indicate prenatal exposure to a controlled substance, or the presence of a
fetal alcohol spectrum disorder;

(7) "medical neglect" as defined in section 260C.007, subdivision 6, clause (5);

(8) chronic and severe use of alcohol or a controlled substance by a parent or person
responsible for the care of the child that adversely affects the child's basic needs and safety;
or

(9) emotional harm from a pattern of behavior which contributes to impaired emotional
functioning of the child which may be demonstrated by a substantial and observable effect
in the child's behavior, emotional response, or cognition that is not within the normal range
for the child's age and stage of development, with due regard to the child's culture.

(h) "Nonmaltreatment mistake" means:

(1) at the time of the incident, the individual was performing duties identified in the
center's child care program plan required under Minnesota Rules, part 9503.0045;

(2) the individual has not been determined responsible for a similar incident that resulted
in a finding of maltreatment for at least seven years;
(3) the individual has not been determined to have committed a similar nonmaltreatment mistake under this paragraph for at least four years;

(4) any injury to a child resulting from the incident, if treated, is treated only with remedies that are available over the counter, whether ordered by a medical professional or not; and

(5) except for the period when the incident occurred, the facility and the individual providing services were both in compliance with all licensing requirements relevant to the incident.

This definition only applies to child care centers licensed under Minnesota Rules, chapter 9503. If clauses (1) to (5) apply, rather than making a determination of substantiated maltreatment by the individual, the commissioner of human services shall determine that a nonmaltreatment mistake was made by the individual.

(i) "Operator" means an operator or agency as defined in section 245A.02.

(j) "Person responsible for the child's care" means (1) an individual functioning within the family unit and having responsibilities for the care of the child such as a parent, guardian, or other person having similar care responsibilities, or (2) an individual functioning outside the family unit and having responsibilities for the care of the child such as a teacher, school administrator, other school employees or agents, or other lawful custodian of a child having either full-time or short-term care responsibilities including, but not limited to, day care, babysitting whether paid or unpaid, counseling, teaching, and coaching.

(k) "Physical abuse" means any physical injury, mental injury, or threatened injury, inflicted by a person responsible for the child's care on a child other than by accidental means, or any physical or mental injury that cannot reasonably be explained by the child's history of injuries, or any aversive or deprivation procedures, or regulated interventions, that have not been authorized under section 125A.0942 or 245.825.

Abuse does not include reasonable and moderate physical discipline of a child administered by a parent or legal guardian which does not result in an injury. Abuse does not include the use of reasonable force by a teacher, principal, or school employee as allowed by section 121A.582. Actions which are not reasonable and moderate include, but are not limited to, any of the following:

(1) throwing, kicking, burning, biting, or cutting a child;

(2) striking a child with a closed fist;

(3) shaking a child under age three;
(4) striking or other actions which result in any nonaccidental injury to a child under 18 months of age;

(5) unreasonable interference with a child's breathing;

(6) threatening a child with a weapon, as defined in section 609.02, subdivision 6;

(7) striking a child under age one on the face or head;

(8) striking a child who is at least age one but under age four on the face or head, which results in an injury;

(9) purposely giving a child poison, alcohol, or dangerous, harmful, or controlled substances which were not prescribed for the child by a practitioner, in order to control or punish the child; or other substances that substantially affect the child's behavior, motor coordination, or judgment or that results in sickness or internal injury, or subjects the child to medical procedures that would be unnecessary if the child were not exposed to the substances;

(10) unreasonable physical confinement or restraint not permitted under section 609.379, including but not limited to tying, caging, or chaining; or

(11) in a school facility or school zone, an act by a person responsible for the child's care that is a violation under section 121A.58.

(l) "Practice of social services," for the purposes of subdivision 3, includes but is not limited to employee assistance counseling and the provision of guardian ad litem and parenting time expeditor services.

(m) "Report" means any communication received by the local welfare agency, police department, county sheriff, or agency responsible for child protection pursuant to this section that describes neglect or physical or sexual abuse of a child and contains sufficient content to identify the child and any person believed to be responsible for the neglect or abuse, if known.

(n) "Sexual abuse" means the subjection of a child by a person responsible for the child's care, by a person who has a significant relationship to the child, as defined in section 609.341, or by a person in a position of authority, as defined in section 609.341, subdivision 10, to any act which constitutes a violation of section 609.342 (criminal sexual conduct in the first degree), 609.343 (criminal sexual conduct in the second degree), 609.344 (criminal sexual conduct in the third degree), 609.345 (criminal sexual conduct in the fourth degree), or 609.3451 (criminal sexual conduct in the fifth degree). Sexual abuse also includes any act which involves a minor which constitutes a violation of prostitution offenses under sections
609.321 to 609.324 or 617.246. Effective May 29, 2017, sexual abuse includes all reports
of known or suspected child sex trafficking involving a child who is identified as a victim
of sex trafficking. Sexual abuse includes child sex trafficking as defined in section 609.321,
subdivisions 7a and 7b. Sexual abuse includes threatened sexual abuse which includes the
status of a parent or household member who has committed a violation which requires
registration as an offender under section 243.166, subdivision 1b, paragraph (a) or (b), or
required registration under section 243.166, subdivision 1b, paragraph (a) or (b).

(o) "Substantial child endangerment" means a person responsible for a child's care, by
act or omission, commits or attempts to commit an act against a child under their care that
constitutes any of the following:

(1) egregious harm as defined in section 260C.007, subdivision 14;
(2) abandonment under section 260C.301, subdivision 2;
(3) neglect as defined in paragraph (g), clause (2), that substantially endangers the child's
physical or mental health, including a growth delay, which may be referred to as failure to
thrive, that has been diagnosed by a physician and is due to parental neglect;
(4) murder in the first, second, or third degree under section 609.185, 609.19, or 609.195;
(5) manslaughter in the first or second degree under section 609.20 or 609.205;
(6) assault in the first, second, or third degree under section 609.221, 609.222, or 609.223;
(7) solicitation, inducement, and promotion of prostitution under section 609.322;
(8) criminal sexual conduct under sections 609.342 to 609.3451;
(9) solicitation of children to engage in sexual conduct under section 609.352;
(10) malicious punishment or neglect or endangerment of a child under section 609.377
or 609.378;
(11) use of a minor in sexual performance under section 617.246; or
(12) parental behavior, status, or condition which mandates that the county attorney file
a termination of parental rights petition under section 260C.503, subdivision 2.

(p) "Threatened injury" means a statement, overt act, condition, or status that represents
a substantial risk of physical or sexual abuse or mental injury. Threatened injury includes,
but is not limited to, exposing a child to a person responsible for the child's care, as defined
in paragraph (j), clause (1), who has:
(1) subjected a child to, or failed to protect a child from, an overt act or condition that constitutes egregious harm, as defined in section 260C.007, subdivision 14, or a similar law of another jurisdiction;

(2) been found to be palpably unfit under section 260C.301, subdivision 1, paragraph (b), clause (4), or a similar law of another jurisdiction;

(3) committed an act that has resulted in an involuntary termination of parental rights under section 260C.301, or a similar law of another jurisdiction; or

(4) committed an act that has resulted in the involuntary transfer of permanent legal and physical custody of a child to a relative under Minnesota Statutes 2010, section 260C.201, subdivision 11, paragraph (d), clause (1), section 260C.515, subdivision 4, or a similar law of another jurisdiction.

A child is the subject of a report of threatened injury when the responsible social services agency receives birth match data under paragraph (q) from the Department of Human Services.

(q) Upon receiving data under section 144.225, subdivision 2b, contained in a birth record or recognition of parentage identifying a child who is subject to threatened injury under paragraph (p), the Department of Human Services shall send the data to the responsible social services agency. The data is known as "birth match" data. Unless the responsible social services agency has already begun an investigation or assessment of the report due to the birth of the child or execution of the recognition of parentage and the parent's previous history with child protection, the agency shall accept the birth match data as a report under this section. The agency may use either a family assessment or investigation to determine whether the child is safe. All of the provisions of this section apply. If the child is determined to be safe, the agency shall consult with the county attorney to determine the appropriateness of filing a petition alleging the child is in need of protection or services under section 260C.007, subdivision 6, clause (16), in order to deliver needed services. If the child is determined not to be safe, the agency and the county attorney shall take appropriate action as required under section 260C.503, subdivision 2.

(r) Persons who conduct assessments or investigations under this section shall take into account accepted child-rearing practices of the culture in which a child participates and accepted teacher discipline practices, which are not injurious to the child's health, welfare, and safety.
Sec. 73. Minnesota Statutes 2016, section 626.556, subdivision 3, is amended to read:

Subd. 3. Persons mandated to report; persons voluntarily reporting. (a) A person who knows or has reason to believe a child is being neglected or physically or sexually abused, as defined in subdivision 2, or has been neglected or physically or sexually abused within the preceding three years, shall immediately report the information to the local welfare agency, agency responsible for assessing or investigating the report, police department, county sheriff, tribal social services agency, or tribal police department if the person is:

(1) a professional or professional's delegate who is engaged in the practice of the healing arts, social services, hospital administration, psychological or psychiatric treatment, child care, education, correctional supervision, probation and correctional services, or law enforcement; or

(2) employed as a member of the clergy and received the information while engaged in ministerial duties, provided that a member of the clergy is not required by this subdivision to report information that is otherwise privileged under section 595.02, subdivision 1, paragraph (c).

(b) Any person may voluntarily report to the local welfare agency, agency responsible for assessing or investigating the report, police department, county sheriff, tribal social services agency, or tribal police department if the person knows, has reason to believe, or suspects a child is being or has been neglected or subjected to physical or sexual abuse.

(c) A person mandated to report physical or sexual child abuse or neglect occurring within a licensed facility shall report the information to the agency responsible for licensing the facility under sections 144.50 to 144.58; 241.021; 245A.01 to 245A.16; or chapter 144H or 245D; or a nonlicensed personal care provider organization as defined in section 256B.0625, subdivision 19a. A health or corrections agency receiving a report may request the local welfare agency to provide assistance pursuant to subdivisions 10, 10a, and 10b. A board or other entity whose licensees perform work within a school facility, upon receiving a complaint of alleged maltreatment, shall provide information about the circumstances of the alleged maltreatment to the commissioner of education. Section 13.03, subdivision 4, applies to data received by the commissioner of education from a licensing entity.

(d) Notification requirements under subdivision 10 apply to all reports received under this section.

(e) For purposes of this section, "immediately" means as soon as possible but in no event longer than 24 hours.
Sec. 74. Minnesota Statutes 2016, section 626.556, subdivision 3c, is amended to read:

Subd. 3c. Local welfare agency, Department of Human Services or Department of Health responsible for assessing or investigating reports of maltreatment. (a) The county local welfare agency is the agency responsible for assessing or investigating allegations of maltreatment in child foster care, family child care, legally unlicensed child care, juvenile correctional facilities licensed under section 241.021 located in the local welfare agency's county, and reports involving children served by an unlicensed personal care provider organization under section 256B.0659. Copies of findings related to personal care provider organizations under section 256B.0659 must be forwarded to the Department of Human Services provider enrollment.

(b) The Department of Human Services is the agency responsible for assessing or investigating allegations of maltreatment in facilities licensed under chapters 245A and 245D, except for child foster care and family child care.

(c) The Department of Health is the agency responsible for assessing or investigating allegations of child maltreatment in facilities licensed under sections 144.50 to 144.58 and 144A.43 to 144A.482 or chapter 144H.

Sec. 75. Minnesota Statutes 2016, section 626.556, subdivision 10d, is amended to read:

Subd. 10d. Notification of neglect or abuse in facility. (a) When a report is received that alleges neglect, physical abuse, sexual abuse, or maltreatment of a child while in the care of a licensed or unlicensed day care facility, residential facility, agency, hospital, sanitarium, or other facility or institution required to be licensed according to sections 144.50 to 144.58; 241.021; or 245A.01 to 245A.16; or chapter 144H or 245D, or a school as defined in section 120A.05, subdivisions 9, 11, and 13; and chapter 124E; or a nonlicensed personal care provider organization as defined in section 256B.0625, subdivision 19a, the commissioner of the agency responsible for assessing or investigating the report or local welfare agency investigating the report shall provide the following information to the parent, guardian, or legal custodian of a child alleged to have been neglected, physically abused, sexually abused, or the victim of maltreatment of a child in the facility: the name of the facility; the fact that a report alleging neglect, physical abuse, sexual abuse, or maltreatment of a child in the facility has been received; the nature of the alleged neglect, physical abuse, sexual abuse, or maltreatment of a child in the facility; that the agency is conducting an assessment or investigation; any protective or corrective measures being taken pending the outcome of the investigation; and that a written memorandum will be provided when the investigation is completed.
(b) The commissioner of the agency responsible for assessing or investigating the report or local welfare agency may also provide the information in paragraph (a) to the parent, guardian, or legal custodian of any other child in the facility if the investigative agency knows or has reason to believe the alleged neglect, physical abuse, sexual abuse, or maltreatment of a child in the facility has occurred. In determining whether to exercise this authority, the commissioner of the agency responsible for assessing or investigating the report or local welfare agency shall consider the seriousness of the alleged neglect, physical abuse, sexual abuse, or maltreatment of a child in the facility; the number of children allegedly neglected, physically abused, sexually abused, or victims of maltreatment of a child in the facility; the number of alleged perpetrators; and the length of the investigation. The facility shall be notified whenever this discretion is exercised.

c) When the commissioner of the agency responsible for assessing or investigating the report or local welfare agency has completed its investigation, every parent, guardian, or legal custodian previously notified of the investigation by the commissioner or local welfare agency shall be provided with the following information in a written memorandum: the name of the facility investigated; the nature of the alleged neglect, physical abuse, sexual abuse, or maltreatment of a child in the facility; the investigator's name; a summary of the investigation findings; a statement whether maltreatment was found; and the protective or corrective measures that are being or will be taken. The memorandum shall be written in a manner that protects the identity of the reporter and the child and shall not contain the name, or to the extent possible, reveal the identity of the alleged perpetrator or of those interviewed during the investigation. If maltreatment is determined to exist, the commissioner or local welfare agency shall also provide the written memorandum to the parent, guardian, or legal custodian of each child in the facility who had contact with the individual responsible for the maltreatment. When the facility is the responsible party for maltreatment, the commissioner or local welfare agency shall also provide the written memorandum to the parent, guardian, or legal custodian of each child who received services in the population of the facility where the maltreatment occurred. This notification must be provided to the parent, guardian, or legal custodian of each child receiving services from the time the maltreatment occurred until either the individual responsible for maltreatment is no longer in contact with a child or children in the facility or the conclusion of the investigation. In the case of maltreatment within a school facility, as defined in section 120A.05, subdivisions 9, 11, and 13, and chapter 124E, the commissioner of education need not provide notification to parents, guardians, or legal custodians of each child in the facility, but shall, within ten days after the investigation is completed, provide written notification to the parent, guardian, or legal custodian of any student alleged to have been maltreated. The commissioner of
education may notify the parent, guardian, or legal custodian of any student involved as a
witness to alleged maltreatment.

Sec. 76. BRAIN HEALTH PILOT PROGRAMS.

Subdivision 1. Pilot programs selected. (a) The commissioner shall competitively
award grants for up to five pilot programs to improve brain health in youth sports in
Minnesota. The commissioner shall issue a competitive request for pilot program proposals
by October 31, 2017, based on input from the youth sports concussion working group. The
commissioner shall include members of the working group in the scoring of proposals
received, but shall exclude any member of the working group with a financial interest in a
pilot program proposal.

(b) Each pilot program selected for a funding award must offer promise for improving
at least one of the following areas:

1. objective identification of brain injury;
2. assessment and treatment of brain injury;
3. coordination of school and medical support services; or
4. policy reform to improve brain health outcomes.

(c) The programs must be selected so that youth are served in each of the following
regions of the state:

1. Central or West Central Minnesota;
2. Southern, Southwest, or Southeast Minnesota;
3. Northwest or Northland Minnesota; and
4. the Twin Cities Metropolitan Area.

Subd. 2. Funding for pilot programs. Pilot programs selected under this section shall
receive funding for one year beginning January 1, 2018. No later than March 1, 2019, the
commissioner must report on the progress and outcomes of the pilot programs to the
legislative committees with jurisdiction over health policy and finance.

Sec. 77. RECOMMENDATIONS FOR SAFETY AND QUALITY IMPROVEMENT
PRACTICES FOR LONG-TERM CARE SERVICES AND SUPPORTS.

The commissioner of health shall consult with interested stakeholders to explore and
make recommendations on how to apply proven safety and quality improvement practices
and infrastructure to long-term care services and supports. Interested stakeholders with
whom the commissioner must consult shall include but are not limited to representatives
of the Minnesota Alliance for Patient Safety partner organizations, the Office of Ombudsman
for Long-Term Care, the Minnesota Elder Justice Center, providers of older adult services,
the Department of Health, and the Department of Human Services, and experts in the field
of long-term care safety and quality improvement. The recommendations shall include
mechanisms to apply a patient safety model to the senior care sector, including a system
for reporting adverse health events, education and prevention activities, and interim actions
to improve systems for processing reports and complaints submitted to the Office of Health
Facility Complaints. By January 15, 2018, the commissioner shall submit the
recommendations developed under this section, along with draft legislation to implement
the recommendations, to the chairs and ranking minority members of the legislative
committees with jurisdiction over long-term care.

Sec. 78. STUDY AND REPORT ON HOME CARE NURSING WORKFORCE
SHORTAGE.

(a) The chair and ranking minority member of the senate Human Services Reform
Finance and Policy Committee and the chair and ranking minority member of the house of
representatives Health and Human Services Finance Committee shall convene a working
group to study and report on the shortage of registered nurses and licensed practical nurses
available to provide low-complexity regular home care services to clients in need of such
services, especially clients covered by medical assistance, and to provide recommendations
for ways to address the workforce shortage. The working group shall consist of 14 members
appointed as follows:

(1) the chair of the senate Human Services Reform Finance and Policy Committee or a
designee;

(2) the ranking minority member of the senate Human Services Reform Finance and
Policy Committee or a designee;

(3) the chair of the house of representatives Health and Human Services Finance
Committee or a designee;

(4) the ranking minority member of the house of representatives Health and Human
Services Finance Committee or a designee;

(5) the commissioner of human services or a designee;

(6) the commissioner of health or a designee;
(7) one representative appointed by the Professional Home Care Coalition;

(8) one representative appointed by the Minnesota Home Care Association;

(9) one representative appointed by the Minnesota Board of Nursing;

(10) one representative appointed by the Minnesota Nurses Association;

(11) one representative appointed by the Minnesota Licensed Practical Nurses Association;

(12) one representative appointed by the Minnesota Society of Medical Assistants;

(13) one client who receives regular home care nursing services and is covered by medical assistance appointed by the commissioner of human services after consulting with the appointing authorities identified in clauses (7) to (12); and

(14) one assessor appointed by the commissioner of human services. The assessor must be certified under Minnesota Statutes, section 256B.0911, and must be a registered nurse.

(b) The appointing authorities must appoint members by August 1, 2017.

(c) The convening authorities shall convene the first meeting of the working group no later than August 15, 2017, and caucus staff shall provide support and meeting space for the working group. The Department of Health and the Department of Human Services shall provide technical assistance to the working group by providing existing data and analysis documenting the current and projected workforce shortages in the area of regular home care nursing. The home care and assisted living program advisory council established under Minnesota Statutes, section 144A.4799, shall provide advice and recommendations to the working group. Working group members shall serve without compensation and shall not be reimbursed for expenses.

(d) The working group shall:

(1) quantify the number of low-complexity regular home care nursing hours that are authorized but not provided to clients covered by medical assistance, due to the shortage of registered nurses and licensed practical nurses available to provide these home care services;

(2) quantify the current and projected workforce shortages of registered nurses and licensed practical nurses available to provide low-complexity regular home care nursing services to clients, especially clients covered by medical assistance;

(3) develop recommendations for actions to take in the next two years to address the regular home care nursing workforce shortage, including identifying other health care
professionals who may be able to provide low-complexity regular home care nursing services with additional training; what additional training may be necessary for these health care professionals; and how to address scope of practice and licensing issues;

(4) compile reimbursement rates for regular home care nursing from other states and determine Minnesota's national ranking with respect to reimbursement for regular home care nursing;

(5) determine whether reimbursement rates for regular home care nursing fully reimburse providers for the cost of providing the service and whether the discrepancy, if any, between rates and costs contributes to lack of access to regular home care nursing; and

(6) by January 15, 2018, report on the findings and recommendations of the working group to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance. The working group's report shall include draft legislation.

(e) The working group shall elect a chair from among its members at its first meeting.

(f) The meetings of the working group shall be open to the public.

(g) This section expires January 16, 2018, or the day after submitting the report required by this section, whichever is earlier.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 79. **OPIOID ABUSE PREVENTION PILOT PROJECTS.**

(a) The commissioner of health shall establish opioid abuse prevention pilot projects in geographic areas throughout the state, to reduce opioid abuse through the use of controlled substance care teams and community-wide coordination of abuse-prevention initiatives. The commissioner shall award grants to health care providers, health plan companies, local units of government, or other entities to establish pilot projects.

(b) Each pilot project must:

(1) be designed to reduce emergency room and other health care provider visits resulting from opioid use or abuse, and reduce rates of opioid addiction in the community;

(2) establish multidisciplinary controlled substance care teams, that may consist of physicians, pharmacists, social workers, nurse care coordinators, and mental health professionals;
(3) deliver health care services and care coordination, through controlled substance care teams, to reduce the inappropriate use of opioids by patients and rates of opioid addiction;

(4) address any unmet social service needs that create barriers to managing pain effectively and obtaining optimal health outcomes;

(5) provide prescriber and dispenser education and assistance to reduce the inappropriate prescribing and dispensing of opioids;

(6) promote the adoption of best practices related to opioid disposal and reducing opportunities for illegal access to opioids; and

(7) engage partners outside of the health care system, including schools, law enforcement, and social services, to address root causes of opioid abuse and addiction at the community level.

(c) The commissioner shall contract with an accountable community for health that operates an opioid abuse prevention project, and can document success in reducing opioid use through the use of controlled substance care teams, to assist the commissioner in administering this section, and to provide technical assistance to the commissioner and to entities selected to operate a pilot project.

(d) The contract under paragraph (c) shall require the accountable community for health to evaluate the extent to which the pilot projects were successful in reducing the inappropriate use of opioids. The evaluation must analyze changes in the number of opioid prescriptions, the number of emergency room visits related to opioid use, and other relevant measures. The accountable community for health shall report evaluation results to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance and public safety by December 15, 2019.

Sec. 80. SAFE HARBOR FOR ALL; STATEWIDE SEX TRAFFICKING VICTIMS STRATEGIC PLAN.

(a) By October 1, 2018, the commissioner of health, in consultation with the commissioners of public safety and human services, shall adopt a comprehensive strategic plan to address the needs of sex trafficking victims statewide.

(b) The commissioner of health shall issue a request for proposals to select an organization to develop the comprehensive strategic plan. The selected organization shall seek recommendations from professionals, community members, and stakeholders from across the state, with an emphasis on the communities most impacted by sex trafficking. At a minimum, the selected organization must seek input from the following groups: sex
trafficking survivors and their family members, statewide crime victim services coalitions, victim services providers, nonprofit organizations, task forces, prosecutors, public defenders, tribal governments, public safety and corrections professionals, public health professionals, human services professionals, and impacted community members. The strategic plan shall include recommendations regarding the expansion of Minnesota's Safe Harbor Law to adult victims of sex trafficking.

(c) By January 15, 2019, the commissioner of health shall report to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services and criminal justice finance and policy on developing the statewide strategic plan, including recommendations for additional legislation and funding.

(d) As used in this section, "sex trafficking victim" has the meaning given in Minnesota Statutes, section 609.321, subdivision 7b.

Sec. 81. DIRECTION TO THE COMMISSIONER OF HEALTH. The commissioner of health shall work with interested stakeholders to evaluate whether existing laws, including laws governing housing with services establishments, board and lodging establishments with special services, assisted living designations, and home care providers, as well as building code requirements and landlord tenancy laws, sufficiently protect the health and safety of persons diagnosed with Alzheimer's disease or a related dementia.

Sec. 82. PALLIATIVE CARE ADVISORY COUNCIL. The appointing authorities shall appoint the first members of the Palliative Care Advisory Council under Minnesota Statutes, section 144.059, by October 1, 2017. The commissioner of health shall convene the first meeting by November 15, 2017, and the commissioner or the commissioner's designee shall act as chair until the council elects a chair at its first meeting.

Sec. 83. YOUTH SPORTS CONCUSSION WORKING GROUP. Subdivision 1. Working group established; duties and membership. (a) The commissioner of health shall convene a youth sports concussion working group of up to 30 members to:

(1) develop the report described in subdivision 4 to assess the causes and incidence of brain injury in Minnesota youth sports; and
(2) evaluate the implementation of Minnesota Statutes, sections 121A.37 and 121A.38, regarding concussions in youth athletic activity, and best practices for preventing, identifying, evaluating, and treating brain injury in youth sports.

(b) In forming the working group, the commissioner shall solicit nominees from individuals with expertise and experience in the areas of traumatic brain injury in youth and sports, neuroscience, law and policy related to brain health, public health, neurotrauma, provision of care to brain injured youth, and related fields. In selecting members of the working group, the commissioner shall ensure geographic and professional diversity. The working group shall elect a chair from among its members. The commissioner shall be responsible for organizing meetings and preparing a draft report. Members of the working group shall not receive monetary compensation for their participation in the group.

Subd. 2. Working group goals defined. The working group shall, at a minimum:

(1) gather and analyze available data on:

(i) the prevalence and causes of youth sports-related concussions including, where possible, data on the number of officials and coaches receiving concussion training;

(ii) the number of coaches, officials, youth athletes, and parents or guardians receiving information about the nature and risks of concussions;

(iii) the number of youth athletes removed from play and the nature and duration of treatment before return to play; and

(iv) policies and procedures related to return to learn in the classroom;

(2) review the rules associated with relevant youth athletic activities and the concussion education policies currently employed;

(3) identify innovative pilot projects in areas such as:

(i) objectively defining and measuring concussions;

(ii) rule changes designed to promote brain health;

(iii) use of technology to identify and treat concussions;

(iv) recognition of cumulative subconcussive effects; and

(v) postconcussion treatment, and return to learn protocols; and

(4) identify regulatory and legal barriers and burdens to achieving better brain health outcomes.
Subd. 3. Voluntary participation; no new reporting requirements created.

Participation in the working group study by schools, school districts, school governing bodies, parents, athletes, and related individuals and organizations shall be voluntary, and this study shall create no new reporting requirements by schools, school districts, school governing bodies, parents, athletes, and related individuals and organizations.

Subd. 4. Report. By December 31, 2018, the youth sports concussion working group shall provide an interim report, and by December 31, 2019, the working group shall provide a final report to the chairs and ranking minority members of the legislative committees with jurisdiction over health and education with recommendations and proposals for a Minnesota model for reducing brain injury in youth sports. The report shall make recommendations regarding:

(1) best practices for reducing and preventing concussions in youth sports;
(2) best practices for schools to employ in order to identify and respond to occurrences of concussions, including return to play and return to learn;
(3) opportunities to highlight and strengthen best practices with external grant support;
(4) opportunities to leverage Minnesota's strengths in brain science research and clinical care for brain injury; and
(5) proposals to develop an innovative Minnesota model for identifying, evaluating, and treating youth sports concussions.

Subd. 5. Sunset. The working group expires the day after submitting the report required under subdivision 4, or January 15, 2020, whichever is earlier.

Sec. 84. REPEALER.

(a) Minnesota Statutes 2016, section 144.4961, is repealed the day following final enactment.
(b) Laws 2014, chapter 312, article 23, section 9, subdivision 5, is repealed.

ARTICLE 11

HEALTH LICENSING BOARDS

Section 1. Minnesota Statutes 2016, section 147.01, subdivision 7, is amended to read:

Subd. 7. Physician application fee and license fees. (a) The board may charge the following nonrefundable application and license fees processed pursuant to sections 147.02, 147.03, 147.037, 147.0375, and 147.38:
(1) physician application fee of $200;

(2) physician annual registration renewal fee, $192;

(3) physician endorsement to other states, $40;

(4) physician emeritus license, $50;

(5) physician temporary licenses, $60;

(6) physician late fee, $60;

(7) duplicate license fee, $20;

(8) certification letter fee, $25;

(9) education or training program approval fee, $100;

(10) report creation and generation fee, $60;

(11) examination administration fee (half day), $50;

(12) examination administration fee (full day), $80; and

(13) fees developed by the Interstate Commission for determining physician qualification to register and participate in the interstate medical licensure compact, as established in rules authorized in and pursuant to section 147.38, not to exceed $1,000.

(b) The board may prorate the initial annual license fee. All licensees are required to pay the full fee upon license renewal. The revenue generated from the fee must be deposited in an account in the state government special revenue fund.

Sec. 2. Minnesota Statutes 2016, section 147.02, subdivision 1, is amended to read:

Subdivision 1. United States or Canadian medical school graduates. The board shall issue a license to practice medicine to a person not currently licensed in another state or Canada and who meets the requirements in paragraphs (a) to (i).

(a) An applicant for a license shall file a written application on forms provided by the board, showing to the board's satisfaction that the applicant is of good moral character and satisfies the requirements of this section.

(b) The applicant shall present evidence satisfactory to the board of being a graduate of a medical or osteopathic medical school located in the United States, its territories or Canada, and approved by the board based upon its faculty, curriculum, facilities, accreditation by a recognized national accrediting organization approved by the board, and other relevant data, or is currently enrolled in the final year of study at the school.
(c) The applicant must have passed an examination as described in clause (1) or (2).

(1) The applicant must have passed a comprehensive examination for initial licensure prepared and graded by the National Board of Medical Examiners, the Federation of State Medical Boards, the Medical Council of Canada, the National Board of Osteopathic Examiners, or the appropriate state board that the board determines acceptable. The board shall by rule determine what constitutes a passing score in the examination.

(2) The applicant taking the United States Medical Licensing Examination (USMLE) or Comprehensive Osteopathic Medical Licensing Examination (COMLEX-USA) must have passed steps or levels one, two, and three. Step or level three must be passed within five years of passing step or level two, or before the end of residency training. The applicant must pass each of steps or levels one, two, and three with passing scores as recommended by the USMLE program or National Board of Osteopathic Medical Examiners within three attempts. The applicant taking combinations of Federation of State Medical Boards, National Board of Medical Examiners, and USMLE may be accepted only if the combination is approved by the board as comparable to existing comparable examination sequences and all examinations are completed prior to the year 2000.

(d) The applicant shall present evidence satisfactory to the board of the completion of one year of graduate, clinical medical training in a program accredited by a national accrediting organization approved by the board or other graduate training approved in advance by the board as meeting standards similar to those of a national accrediting organization.

(e) The applicant may make arrangements with the executive director to appear in person before the board or its designated representative to show that the applicant satisfies the requirements of this section. The board may establish as internal operating procedures the procedures or requirements for the applicant's personal presentation.

(f) The applicant shall pay a nonrefundable fee established by the board by rule. The fee may not be refunded. Upon application or notice of license renewal, the board must provide notice to the applicant and to the person whose license is scheduled to be issued or renewed of any additional fees, surcharges, or other costs which the person is obligated to pay as a condition of licensure. The notice must:

(1) state the dollar amount of the additional costs; and

(2) clearly identify to the applicant the payment schedule of additional costs.
(g) The applicant must not be under license suspension or revocation by the licensing board of the state or jurisdiction in which the conduct that caused the suspension or revocation occurred.

(h) The applicant must not have engaged in conduct warranting disciplinary action against a licensee, or have been subject to disciplinary action other than as specified in paragraph (g). If the applicant does not satisfy the requirements stated in this paragraph, the board may issue a license only on the applicant's showing that the public will be protected through issuance of a license with conditions and limitations the board considers appropriate.

(i) If the examination in paragraph (c) was passed more than ten years ago, the applicant must either:

1. pass the special purpose examination of the Federation of State Medical Boards with a score of 75 or better within three attempts; or
2. have a current certification by a specialty board of the American Board of Medical Specialties, of the American Osteopathic Association, the Royal College of Physicians and Surgeons of Canada, or of the College of Family Physicians of Canada.

Sec. 3. Minnesota Statutes 2016, section 147.03, subdivision 1, is amended to read:

Subdivision 1. Endorsement; reciprocity. (a) The board may issue a license to practice medicine to any person who satisfies the requirements in paragraphs (b) to (f).

(b) The applicant shall satisfy all the requirements established in section 147.02, subdivision 1, paragraphs (a), (b), (d), (e), and (f).

(c) The applicant shall:

1. have passed an examination prepared and graded by the Federation of State Medical Boards, the National Board of Medical Examiners, or the United States Medical Licensing Examination (USMLE) program in accordance with section 147.02, subdivision 1, paragraph (c), clause (2); the National Board of Osteopathic Medical Examiners; or the Medical Council of Canada; and
2. have a current license from the equivalent licensing agency in another state or Canada and, if the examination in clause (1) was passed more than ten years ago, either:
3. pass the Special Purpose Examination of the Federation of State Medical Boards with a score of 75 or better within three attempts; or
(ii) have a current certification by a specialty board of the American Board of Medical Specialties, of the American Osteopathic Association, the Royal College of Physicians and Surgeons of Canada, or of the College of Family Physicians of Canada; or

(3) if the applicant fails to meet the requirement established in section 147.02, subdivision 1, paragraph (c), clause (2), because the applicant failed to pass each of steps one, two, and three of the USMLE within the required three attempts, the applicant may be granted a license provided the applicant:

(i) has passed each of steps one, two, and three with passing scores as recommended by the USMLE program within no more than four attempts for any of the three steps;

(ii) is currently licensed in another state; and

(iii) has current certification by a specialty board of the American Board of Medical Specialties, the American Osteopathic Association Bureau of Professional Education, the Royal College of Physicians and Surgeons of Canada, or the College of Family Physicians of Canada.

(d) The applicant shall pay a fee established by the board by rule. The fee may not be refunded.

(e) (d) The applicant must not be under license suspension or revocation by the licensing board of the state or jurisdiction in which the conduct that caused the suspension or revocation occurred.

(f) (e) The applicant must not have engaged in conduct warranting disciplinary action against a licensee, or have been subject to disciplinary action other than as specified in paragraph (e) (d). If an applicant does not satisfy the requirements stated in this paragraph, the board may issue a license only on the applicant's showing that the public will be protected through issuance of a license with conditions or limitations the board considers appropriate.

(g) (f) Upon the request of an applicant, the board may conduct the final interview of the applicant by teleconference.

Sec. 4. [147A.28] PHYSICIAN ASSISTANT APPLICATION AND LICENSE FEES.

(a) The board may charge the following nonrefundable fees:

(1) physician assistant application fee, $120;

(2) physician assistant annual registration renewal fee (prescribing authority), $135;

(3) physician assistant annual registration renewal fee (no prescribing authority), $115;
(4) physician assistant temporary registration, $115;
(5) physician assistant temporary permit, $60;
(6) physician assistant locum tenens permit, $25;
(7) physician assistant late fee, $50;
(8) duplicate license fee, $20;
(9) certification letter fee, $25;
(10) education or training program approval fee, $100; and
(11) report creation and generation fee, $60.

(b) The board may prorate the initial annual license fee. All licensees are required to pay the full fee upon license renewal. The revenue generated from the fees must be deposited in an account in the state government special revenue fund.

Sec. 5. Minnesota Statutes 2016, section 147B.08, is amended by adding a subdivision to read:

Subd. 4. Acupuncturist application and license fees. (a) The board may charge the following nonrefundable fees:

(1) acupuncturist application fee, $150;
(2) acupuncturist annual registration renewal fee, $150;
(3) acupuncturist temporary registration fee, $60;
(4) acupuncturist inactive status fee, $50;
(5) acupuncturist late fee, $50;
(6) duplicate license fee, $20;
(7) certification letter fee, $25;
(8) education or training program approval fee, $100; and
(9) report creation and generation fee, $60.

(b) The board may prorate the initial annual license fee. All licensees are required to pay the full fee upon license renewal. The revenue generated from the fees must be deposited in an account in the state government special revenue fund.
Sec. 6. Minnesota Statutes 2016, section 147C.40, is amended by adding a subdivision to read:

Subd. 5. Respiratory therapist application and license fees. (a) The board may charge the following nonrefundable fees:

1. Respiratory therapist application fee, $100;
2. Respiratory therapist annual registration renewal fee, $90;
3. Respiratory therapist inactive status fee, $50;
4. Respiratory therapist temporary registration fee, $90;
5. Respiratory therapist temporary permit, $60;
6. Respiratory therapist late fee, $50;
7. Duplicate license fee, $20;
8. Certification letter fee, $25;
9. Education or training program approval fee, $100; and
10. Report creation and generation fee, $60.

(b) The board may prorate the initial annual license fee. All licensees are required to pay the full fee upon license renewal. The revenue generated from the fees must be deposited in an account in the state government special revenue fund.

Sec. 7. Minnesota Statutes 2016, section 148.6402, subdivision 4, is amended to read:

Subd. 4. Commissioner Board. "Commissioner Board" means the commissioner of health or a designee Board of Occupational Therapy Practice established in section 148.6449.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 8. Minnesota Statutes 2016, section 148.6405, is amended to read:

148.6405 LICENSURE APPLICATION REQUIREMENTS: PROCEDURES AND QUALIFICATIONS.

(a) An applicant for licensure must comply with the application requirements in section 148.6420. To qualify for licensure, an applicant must satisfy one of the requirements in paragraphs (b) to (f) and not be subject to denial of licensure under section 148.6448.
(b) A person who applies for licensure as an occupational therapist and who has not
been credentialed by the National Board for Certification in Occupational Therapy or another
jurisdiction must meet the requirements in section 148.6408.

c) A person who applies for licensure as an occupational therapy assistant and who has
not been credentialed by the National Board for Certification in Occupational Therapy or
another jurisdiction must meet the requirements in section 148.6410.

d) A person who is certified by the National Board for Certification in Occupational
Therapy may apply for licensure by equivalency and must meet the requirements in section
148.6412.

e) A person who is credentialed in another jurisdiction may apply for licensure by
reciprocity and must meet the requirements in section 148.6415.

(f) A person who applies for temporary licensure must meet the requirements in section
148.6418.

g) A person who applies for licensure under paragraph (b), (c), or (f) more than two
and less than four years after meeting the requirements in section 148.6408 or 148.6410
must submit the following:

(1) a completed and signed application for licensure on forms provided by the
commissioner board;

(2) the license application fee required under section 148.6445;

(3) if applying for occupational therapist licensure, proof of having met a minimum of
24 contact hours of continuing education in the two years preceding licensure application,
or if applying for occupational therapy assistant licensure, proof of having met a minimum
of 18 contact hours of continuing education in the two years preceding licensure application;

(4) verified documentation of successful completion of 160 hours of supervised practice
approved by the commissioner board under a limited license specified in section 148.6425,
subdivision 3, paragraph (c); and

(5) additional information as requested by the commissioner board to clarify information
in the application, including information to determine whether the individual has engaged
in conduct warranting disciplinary action under section 148.6448. The information must be
submitted within 30 days after the commissioner's board's request.

(h) A person who applied for licensure under paragraph (b), (c), or (f) four years or more
after meeting the requirements in section 148.6408 or 148.6410 must meet all the
requirements in paragraph (g) except clauses (3) and (4), submit documentation of having
retaken and passed the credentialing examination for occupational therapist or occupational
therapy assistant, or of having completed an occupational therapy refresher program that
contains both a theoretical and clinical component approved by the commissioner board,
and verified documentation of successful completion of 480 hours of supervised practice
approved by the commissioner board under a limited license specified in section 148.6425,
subdivision 3, paragraph (c). The 480 hours of supervised practice must be completed in
six months and may be completed at the applicant's place of work. Only refresher courses
completed within one year prior to the date of application qualify for approval.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 9. Minnesota Statutes 2016, section 148.6408, subdivision 2, is amended to read:

Subd. 2. Qualifying examination score required. (a) An applicant must achieve a
qualifying score on the credentialing examination for occupational therapist.

(b) The commissioner board shall determine the qualifying score for the credentialing
examination for occupational therapist. In determining the qualifying score, the commissioner
board shall consider the cut score recommended by the National Board for Certification in
Occupational Therapy, or other national credentialing organization approved by the
commissioner board, using the modified Angoff method for determining cut score or another
method for determining cut score that is recognized as appropriate and acceptable by industry
standards.

(c) The applicant is responsible for:

(1) making arrangements to take the credentialing examination for occupational therapist;
(2) bearing all expenses associated with taking the examination; and
(3) having the examination scores sent directly to the commissioner board from the
testing service that administers the examination.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 10. Minnesota Statutes 2016, section 148.6410, subdivision 2, is amended to read:

Subd. 2. Qualifying examination score required. (a) An applicant for licensure must
achieve a qualifying score on the credentialing examination for occupational therapy
assistants.
(b) The commissioner board shall determine the qualifying score for the credentialing examination for occupational therapy assistants. In determining the qualifying score, the commissioner board shall consider the cut score recommended by the National Board for Certification in Occupational Therapy, or other national credentialing organization approved by the commissioner board, using the modified Angoff method for determining cut score or another method for determining cut score that is recognized as appropriate and acceptable by industry standards.

(c) The applicant is responsible for:

1. making all arrangements to take the credentialing examination for occupational therapy assistants;
2. bearing all expense associated with taking the examination; and
3. having the examination scores sent directly to the commissioner board from the testing service that administers the examination.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 11. Minnesota Statutes 2016, section 148.6412, subdivision 2, is amended to read:

**Subd. 2. Persons certified by National Board for Certification in Occupational Therapy after June 17, 1996.** The commissioner board may license any person certified by the National Board for Certification in Occupational Therapy as an occupational therapist after June 17, 1996, if the commissioner board determines the requirements for certification are equivalent to or exceed the requirements for licensure as an occupational therapist under section 148.6408. The commissioner board may license any person certified by the National Board for Certification in Occupational Therapy as an occupational therapy assistant after June 17, 1996, if the commissioner board determines the requirements for certification are equivalent to or exceed the requirements for licensure as an occupational therapy assistant under section 148.6410. Nothing in this section limits the commissioner's board's authority to deny licensure based upon the grounds for discipline in sections 148.6401 to 148.6449.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 12. Minnesota Statutes 2016, section 148.6415, is amended to read:

**148.6415 LICENSURE BY RECIPROCITY.**
A person who holds a current credential as an occupational therapist in the District of Columbia or a state or territory of the United States whose standards for credentialing are determined by the commissioner board to be equivalent to or exceed the requirements for licensure under section 148.6408 may be eligible for licensure by reciprocity as an occupational therapist. A person who holds a current credential as an occupational therapy assistant in the District of Columbia or a state or territory of the United States whose standards for credentialing are determined by the commissioner board to be equivalent to or exceed the requirements for licensure under section 148.6410 may be eligible for licensure by reciprocity as an occupational therapy assistant. Nothing in this section limits the commissioner's board's authority to deny licensure based upon the grounds for discipline in sections 148.6401 to 148.6450. An applicant must provide:

1. the application materials as required by section 148.6420, subdivisions 1, 3, and 4;
2. the fees required by section 148.6445;
3. a copy of a current and unrestricted credential for the practice of occupational therapy as either an occupational therapist or occupational therapy assistant;
4. a letter from the jurisdiction that issued the credential describing the applicant's qualifications that entitled the applicant to receive the credential; and
5. other information necessary to determine whether the credentialing standards of the jurisdiction that issued the credential are equivalent to or exceed the requirements for licensure under sections 148.6401 to 148.6450.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 13. Minnesota Statutes 2016, section 148.6418, subdivision 1, is amended to read:

Subdivision 1. Application. The commissioner board shall issue temporary licensure as an occupational therapist or occupational therapy assistant to applicants who are not the subject of a disciplinary action or past disciplinary action, nor disqualified on the basis of items listed in section 148.6448, subdivision 1.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 14. Minnesota Statutes 2016, section 148.6418, subdivision 2, is amended to read:

Subd. 2. Procedures. To be eligible for temporary licensure, an applicant must submit a completed application for temporary licensure on forms provided by the commissioner board, the fees required by section 148.6445, and one of the following:
(1) evidence of successful completion of the requirements in section 148.6408, subdivision 1, or 148.6410, subdivision 1;

(2) a copy of a current and unrestricted credential for the practice of occupational therapy as either an occupational therapist or occupational therapy assistant in another jurisdiction;

or

(3) a copy of a current and unrestricted certificate from the National Board for Certification in Occupational Therapy stating that the applicant is certified as an occupational therapist or occupational therapy assistant.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 15. Minnesota Statutes 2016, section 148.6418, subdivision 4, is amended to read:

Subd. 4. Supervision required. An applicant who has graduated from an accredited occupational therapy program, as required by section 148.6408, subdivision 1, or 148.6410, subdivision 1, and who has not passed the examination required by section 148.6408, subdivision 2, or 148.6410, subdivision 2, must practice under the supervision of a licensed occupational therapist. The supervising therapist must, at a minimum, supervise the person working under temporary licensure in the performance of the initial evaluation, determination of the appropriate treatment plan, and periodic review and modification of the treatment plan. The supervising therapist must observe the person working under temporary licensure in order to assure service competency in carrying out evaluation, treatment planning, and treatment implementation. The frequency of face-to-face collaboration between the person working under temporary licensure and the supervising therapist must be based on the condition of each patient or client, the complexity of treatment and evaluation procedures, and the proficiencies of the person practicing under temporary licensure. The occupational therapist or occupational therapy assistant working under temporary licensure must provide verification of supervision on the application form provided by the commissioner.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 16. Minnesota Statutes 2016, section 148.6418, subdivision 5, is amended to read:

Subd. 5. Expiration of temporary licensure. A temporary license issued to a person pursuant to subdivision 2, clause (1), expires six months from the date of issuance for occupational therapists and occupational therapy assistants or on the date the commissioner grants or denies licensure, whichever occurs first. A temporary license issued to a person pursuant to subdivision 2, clause (2) or (3), expires 90 days after it is issued. Upon
application for renewal, a temporary license shall be renewed once to persons who have not met the examination requirement under section 148.6408, subdivision 2, or 148.6410, subdivision 2, within the initial temporary licensure period and who are not the subject of a disciplinary action nor disqualified on the basis of items in section 148.6448, subdivision 1. Upon application for renewal, a temporary license shall be renewed once to persons who are able to demonstrate good cause for failure to meet the requirements for licensure under section 148.6412 or 148.6415 within the initial temporary licensure period and who are not the subject of a disciplinary action nor disqualified on the basis of items in section 148.6448, subdivision 1.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 17. Minnesota Statutes 2016, section 148.6420, subdivision 1, is amended to read:

Subdivision 1. Applications for licensure. An applicant for licensure must:

1) submit a completed application for licensure on forms provided by the commissioner and must supply the information requested on the application, including:

   i) the applicant's name, business address and business telephone number, business setting, and daytime telephone number;

   ii) the name and location of the occupational therapy program the applicant completed;

   iii) a description of the applicant's education and training, including a list of degrees received from educational institutions;

   iv) the applicant's work history for the six years preceding the application, including the number of hours worked;

   v) a list of all credentials currently and previously held in Minnesota and other jurisdictions;

   vi) a description of any jurisdiction's refusal to credential the applicant;

   vii) a description of all professional disciplinary actions initiated against the applicant in any jurisdiction;

   viii) information on any physical or mental condition or chemical dependency that impairs the person's ability to engage in the practice of occupational therapy with reasonable judgment or safety;

   ix) a description of any misdemeanor or felony conviction that relates to honesty or to the practice of occupational therapy;
(x) a description of any state or federal court order, including a conciliation court judgment or a disciplinary order, related to the individual's occupational therapy practice; and

(xi) a statement indicating the physical agent modalities the applicant will use and whether the applicant will use the modalities as an occupational therapist or an occupational therapy assistant under direct supervision;

(2) submit with the application all fees required by section 148.6445;

(3) sign a statement that the information in the application is true and correct to the best of the applicant's knowledge and belief;

(4) sign a waiver authorizing the commissioner board to obtain access to the applicant's records in this or any other state in which the applicant holds or previously held a credential for the practice of an occupation, has completed an accredited occupational therapy education program, or engaged in the practice of occupational therapy;

(5) submit additional information as requested by the commissioner board; and

(6) submit the additional information required for licensure by equivalency, licensure by reciprocity, and temporary licensure as specified in sections 148.6408 to 148.6418.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 18. Minnesota Statutes 2016, section 148.6420, subdivision 3, is amended to read:

Subd. 3. Applicants certified by National Board for Certification in Occupational Therapy. An applicant who is certified by the National Board for Certification in Occupational Therapy must provide the materials required in subdivision 1 and the following:

(1) verified documentation from the National Board for Certification in Occupational Therapy stating that the applicant is certified as an occupational therapist, registered or certified occupational therapy assistant, the date certification was granted, and the applicant's certification number. The document must also include a statement regarding disciplinary actions. The applicant is responsible for obtaining this documentation by sending a form provided by the commissioner board to the National Board for Certification in Occupational Therapy; and

(2) a waiver authorizing the commissioner board to obtain access to the applicant's records maintained by the National Board for Certification in Occupational Therapy.

EFFECTIVE DATE. This section is effective January 1, 2018.
Sec. 19. Minnesota Statutes 2016, section 148.6420, subdivision 5, is amended to read:

Subd. 5. **Action on applications for licensure.** (a) The commissioner board shall approve, approve with conditions, or deny licensure. The commissioner board shall act on an application for licensure according to paragraphs (b) to (d).

(b) The commissioner board shall determine if the applicant meets the requirements for licensure. The commissioner board, or the advisory council at the commissioner's board's request, may investigate information provided by an applicant to determine whether the information is accurate and complete.

(c) The commissioner board shall notify an applicant of action taken on the application and, if licensure is denied or approved with conditions, the grounds for the commissioner's board's determination.

(d) An applicant denied licensure or granted licensure with conditions may make a written request to the commissioner board, within 30 days of the date of the commissioner's board's determination, for reconsideration of the commissioner's board's determination. Individuals requesting reconsideration may submit information which the applicant wants considered in the reconsideration. After reconsideration of the commissioner's board's determination to deny licensure or grant licensure with conditions, the commissioner board shall determine whether the original determination should be affirmed or modified. An applicant is allowed no more than one request in any one biennial licensure period for reconsideration of the commissioner's board's determination to deny licensure or approve licensure with conditions.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 20. Minnesota Statutes 2016, section 148.6423, is amended to read:

148.6423 LICENSURE RENEWAL.

Subdivision 1. **Renewal requirements.** To be eligible for licensure renewal, a licensee must:

(1) submit a completed and signed application for licensure renewal on forms provided by the commissioner board;

(2) submit the renewal fee required under section 148.6445;

(3) submit proof of having met the continuing education requirement of section 148.6443 on forms provided by the commissioner board; and
(4) submit additional information as requested by the commissioner board to clarify information presented in the renewal application. The information must be submitted within 30 days after the commissioner board's request.

Subd. 2. Renewal deadline. (a) Except as provided in paragraph (c), licenses must be renewed every two years. Licensees must comply with the following procedures in paragraphs (b) to (e):

(b) Each license must state an expiration date. An application for licensure renewal must be received by the Department of Health board or postmarked at least 30 calendar days before the expiration date. If the postmark is illegible, the application shall be considered timely if received at least 21 calendar days before the expiration date.

(c) If the commissioner board changes the renewal schedule and the expiration date is less than two years, the fee and the continuing education contact hours to be reported at the next renewal must be prorated.

(d) An application for licensure renewal not received within the time required under paragraph (b), but received on or before the expiration date, must be accompanied by a late fee in addition to the renewal fee specified by section 148.6445.

(e) Licensure renewals received after the expiration date shall not be accepted and persons seeking licensed status must comply with the requirements of section 148.6425.

Subd. 3. Licensure renewal notice. At least 60 calendar days before the expiration date in subdivision 2, the commissioner board shall mail a renewal notice to the licensee's last known address on file with the commissioner board. The notice must include an application for licensure renewal and notice of fees required for renewal. The licensee's failure to receive notice does not relieve the licensee of the obligation to meet the renewal deadline and other requirements for licensure renewal.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 21. Minnesota Statutes 2016, section 148.6425, subdivision 2, is amended to read:

Subd. 2. Licensure renewal after licensure expiration date. An individual whose application for licensure renewal is received after the licensure expiration date must submit the following:

(1) a completed and signed application for licensure following lapse in licensed status on forms provided by the commissioner board;

(2) the renewal fee and the late fee required under section 148.6445;
(3) proof of having met the continuing education requirements in section 148.6443, subdivision 1; and

(4) additional information as requested by the commissioner board to clarify information in the application, including information to determine whether the individual has engaged in conduct warranting disciplinary action as set forth in section 148.6448. The information must be submitted within 30 days after the commissioner's board's request.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 22. Minnesota Statutes 2016, section 148.6425, subdivision 3, is amended to read:

Subd. 3. Licensure renewal four years or more after licensure expiration date. (a)

An individual who requests licensure renewal four years or more after the licensure expiration date must submit the following:

(1) a completed and signed application for licensure on forms provided by the commissioner board;

(2) the renewal fee and the late fee required under section 148.6445 if renewal application is based on paragraph (b), clause (1), (2), or (3), or the renewal fee required under section 148.6445 if renewal application is based on paragraph (b), clause (4);

(3) proof of having met the continuing education requirement in section 148.6443, subdivision 1, except the continuing education must be obtained in the two years immediately preceding application renewal; and

(4) at the time of the next licensure renewal, proof of having met the continuing education requirement, which shall be prorated based on the number of months licensed during the two-year licensure period.

(b) In addition to the requirements in paragraph (a), the applicant must submit proof of one of the following:

(1) verified documentation of successful completion of 160 hours of supervised practice approved by the commissioner board as described in paragraph (c);

(2) verified documentation of having achieved a qualifying score on the credentialing examination for occupational therapists or the credentialing examination for occupational therapy assistants administered within the past year;

(3) documentation of having completed a combination of occupational therapy courses or an occupational therapy refresher program that contains both a theoretical and clinical component approved by the commissioner board. Only courses completed within one year
preceding the date of the application or one year after the date of the application qualify for
approval; or

(4) evidence that the applicant holds a current and unrestricted credential for the practice
of occupational therapy in another jurisdiction and that the applicant's credential from that
jurisdiction has been held in good standing during the period of lapse.

(c) To participate in a supervised practice as described in paragraph (b), clause (1), the
applicant shall obtain limited licensure. To apply for limited licensure, the applicant shall
submit the completed limited licensure application, fees, and agreement for supervision of
an occupational therapist or occupational therapy assistant practicing under limited licensure
signed by the supervising therapist and the applicant. The supervising occupational therapist
shall state the proposed level of supervision on the supervision agreement form provided
by the commissioner board. The supervising therapist shall determine the frequency and
manner of supervision based on the condition of the patient or client, the complexity of the
procedure, and the proficiencies of the supervised occupational therapist. At a minimum, a
supervising occupational therapist shall be on the premises at all times that the person
practicing under limited licensure is working; be in the room ten percent of the hours worked
each week by the person practicing under limited licensure; and provide daily face-to-face
 collaboration for the purpose of observing service competency of the occupational therapist
or occupational therapy assistant, discussing treatment procedures and each client's response
to treatment, and reviewing and modifying, as necessary, each treatment plan. The supervising
therapist shall document the supervision provided. The occupational therapist participating
in a supervised practice is responsible for obtaining the supervision required under this
paragraph and must comply with the commissioner board's requirements for supervision
during the entire 160 hours of supervised practice. The supervised practice must be completed
in two months and may be completed at the applicant's place of work.

(d) In addition to the requirements in paragraphs (a) and (b), the applicant must submit
additional information as requested by the commissioner board to clarify information in the
application, including information to determine whether the applicant has engaged in conduct
warranting disciplinary action as set forth in section 148.6448. The information must be
submitted within 30 days after the commissioner board's request.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 23. Minnesota Statutes 2016, section 148.6428, is amended to read:

148.6428 CHANGE OF NAME, ADDRESS, OR EMPLOYMENT.
A licensee who changes a name, address, or employment must inform the commissioner board, in writing, of the change of name, address, employment, business address, or business telephone number within 30 days. A change in name must be accompanied by a copy of a marriage certificate or court order. All notices or other correspondence mailed to or served on a licensee by the commissioner board at the licensee's address on file with the commissioner board shall be considered as having been received by the licensee.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 24. Minnesota Statutes 2016, section 148.6443, subdivision 5, is amended to read:

Subd. 5. **Reporting continuing education contact hours.** Within one month following licensure expiration, each licensee shall submit verification that the licensee has met the continuing education requirements of this section on the continuing education report form provided by the commissioner board. The continuing education report form may require the following information:

1. title of continuing education activity;
2. brief description of the continuing education activity;
3. sponsor, presenter, or author;
4. location and attendance dates;
5. number of contact hours; and
6. licensee's notarized affirmation that the information is true and correct.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 25. Minnesota Statutes 2016, section 148.6443, subdivision 6, is amended to read:

Subd. 6. **Auditing continuing education reports.** (a) The commissioner board may audit a percentage of the continuing education reports based on random selection. A licensee shall maintain all documentation required by this section for two years after the last day of the biennial licensure period in which the contact hours were earned.

(b) All renewal applications that are received after the expiration date may be subject to a continuing education report audit.

(c) Any licensee against whom a complaint is filed may be subject to a continuing education report audit.
(d) The licensee shall make the following information available to the commissioner for auditing purposes:

1. A copy of the completed continuing education report form for the continuing education reporting period that is the subject of the audit including all supporting documentation required by subdivision 5;

2. A description of the continuing education activity prepared by the presenter or sponsor that includes the course title or subject matter, date, place, number of program contact hours, presenters, and sponsors;

3. Documentation of self-study programs by materials prepared by the presenter or sponsor that includes the course title, course description, name of sponsor or author, and the number of hours required to complete the program;

4. Documentation of university, college, or vocational school courses by a course syllabus, listing in a course bulletin, or equivalent documentation that includes the course title, instructor's name, course dates, number of contact hours, and course content, objectives, or goals; and

5. Verification of attendance by:
   i. A signature of the presenter or a designee at the continuing education activity on the continuing education report form or a certificate of attendance with the course name, course date, and licensee's name;
   ii. A summary or outline of the educational content of an audio or video educational activity to verify the licensee's participation in the activity if a designee is not available to sign the continuing education report form;
   iii. Verification of self-study programs by a certificate of completion or other documentation indicating that the individual has demonstrated knowledge and has successfully completed the program; or
   iv. Verification of attendance at a university, college, or vocational course by an official transcript.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 26. Minnesota Statutes 2016, section 148.6443, subdivision 7, is amended to read:

Subd. 7. Waiver of continuing education requirements. The commissioner board may grant a waiver of the requirements of this section in cases where the requirements would impose an extreme hardship on the licensee. The request for a waiver must be in writing,
state the circumstances that constitute extreme hardship, state the period of time the licensee wishes to have the continuing education requirement waived, and state the alternative measures that will be taken if a waiver is granted. The commissioner board shall set forth, in writing, the reasons for granting or denying the waiver. Waivers granted by the commissioner board shall specify, in writing, the time limitation and required alternative measures to be taken by the licensee. A request for waiver shall be denied if the commissioner board finds that the circumstances stated by the licensee do not support a claim of extreme hardship, the requested time period for waiver is unreasonable, the alternative measures proposed by the licensee are not equivalent to the continuing education activity being waived, or the request for waiver is not submitted to the commissioner board within 60 days after the expiration date.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 27. Minnesota Statutes 2016, section 148.6443, subdivision 8, is amended to read:

Subd. 8. Penalties for noncompliance. The commissioner board shall refuse to renew or grant, or shall suspend, condition, limit, or qualify the license of any person who the commissioner board determines has failed to comply with the continuing education requirements of this section. A licensee may request reconsideration of the commissioner's board's determination of noncompliance or the penalty imposed under this section by making a written request to the commissioner board within 30 days of the date of notification to the applicant. Individuals requesting reconsideration may submit information that the licensee wants considered in the reconsideration.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 28. Minnesota Statutes 2016, section 148.6445, subdivision 1, is amended to read:

Subdivision 1. Initial licensure fee. The initial licensure fee for occupational therapists is $145. The initial licensure fee for occupational therapy assistants is $80. The commissioner board shall prorate fees based on the number of quarters remaining in the biennial licensure period.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 29. Minnesota Statutes 2016, section 148.6445, subdivision 10, is amended to read:

Subd. 10. Use of fees. All fees are nonrefundable. The commissioner board shall only use fees collected under this section for the purposes of administering this chapter. The legislature must not transfer money generated by these fees from the state government
special revenue fund to the general fund. Surcharges collected by the commissioner of health under section 16F.22 are not subject to this subdivision.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 30. Minnesota Statutes 2016, section 148.6448, is amended to read:

**148.6448 GROUNDS FOR DENIAL OF LICENSURE OR DISCIPLINE; INVESTIGATION PROCEDURES; DISCIPLINARY ACTIONS.**

Subdivision 1. **Grounds for denial of licensure or discipline.** The commissioner board may deny an application for licensure, may approve licensure with conditions, or may discipline a licensee using any disciplinary actions listed in subdivision 3 on proof that the individual has:

(1) intentionally submitted false or misleading information to the commissioner board or the advisory council;

(2) failed, within 30 days, to provide information in response to a written request by the commissioner board or advisory council;

(3) performed services of an occupational therapist or occupational therapy assistant in an incompetent manner or in a manner that falls below the community standard of care;

(4) failed to satisfactorily perform occupational therapy services during a period of temporary licensure;

(5) violated sections 148.6401 to 148.6450 148.6449;

(6) failed to perform services with reasonable judgment, skill, or safety due to the use of alcohol or drugs, or other physical or mental impairment;

(7) been convicted of violating any state or federal law, rule, or regulation which directly relates to the practice of occupational therapy;

(8) aided or abetted another person in violating any provision of sections 148.6401 to 148.6450 148.6449;

(9) been disciplined for conduct in the practice of an occupation by the state of Minnesota, another jurisdiction, or a national professional association, if any of the grounds for discipline are the same or substantially equivalent to those in sections 148.6401 to 148.6450 148.6449;

(10) not cooperated with the commissioner or advisory council board in an investigation conducted according to subdivision 2;

(11) advertised in a manner that is false or misleading;
(12) engaged in dishonest, unethical, or unprofessional conduct in connection with the
practice of occupational therapy that is likely to deceive, defraud, or harm the public;
(13) demonstrated a willful or careless disregard for the health, welfare, or safety of a
client;
(14) performed medical diagnosis or provided treatment, other than occupational therapy,
without being licensed to do so under the laws of this state;
(15) paid or promised to pay a commission or part of a fee to any person who contacts
the occupational therapist for consultation or sends patients to the occupational therapist
for treatment;
(16) engaged in an incentive payment arrangement, other than that prohibited by clause
(15), that promotes occupational therapy overutilization, whereby the referring person or
person who controls the availability of occupational therapy services to a client profits
unreasonably as a result of client treatment;
(17) engaged in abusive or fraudulent billing practices, including violations of federal
Medicare and Medicaid laws, Food and Drug Administration regulations, or state medical
assistance laws;
(18) obtained money, property, or services from a consumer through the use of undue
influence, high pressure sales tactics, harassment, duress, deception, or fraud;
(19) performed services for a client who had no possibility of benefiting from the services;
(20) failed to refer a client for medical evaluation when appropriate or when a client
indicated symptoms associated with diseases that could be medically or surgically treated;
(21) engaged in conduct with a client that is sexual or may reasonably be interpreted by
the client as sexual, or in any verbal behavior that is seductive or sexually demeaning to a
patient;
(22) violated a federal or state court order, including a conciliation court judgment, or
a disciplinary order issued by the commissioner board, related to the person's occupational
therapy practice; or
(23) any other just cause related to the practice of occupational therapy.

Subd. 2. Investigation of complaints. The commissioner, or the advisory council when
authorized by the commissioner board may initiate an investigation upon receiving a
complaint or other oral or written communication that alleges or implies that a person has
violated sections 148.6401 to 148.6450. In the receipt, investigation, and hearing
of a complaint that alleges or implies a person has violated sections 148.6401 to 148.6450, the commissioner board shall follow the procedures in section 214.10.

Subd. 3. Disciplinary actions. If the commissioner board finds that an occupational therapist or occupational therapy assistant should be disciplined according to subdivision 1, the commissioner board may take any one or more of the following actions:

1. refuse to grant or renew licensure;
2. approve licensure with conditions;
3. revoke licensure;
4. suspend licensure;
5. any reasonable lesser action including, but not limited to, reprimand or restriction on licensure; or
6. any action authorized by statute.

Subd. 4. Effect of specific disciplinary action on use of title. Upon notice from the commissioner board denying licensure renewal or upon notice that disciplinary actions have been imposed and the person is no longer entitled to practice occupational therapy and use the occupational therapy and licensed titles, the person shall cease to practice occupational therapy, to use titles protected by sections 148.6401 to 148.6450, and to represent to the public that the person is licensed by the commissioner board.

Subd. 5. Reinstatement requirements after disciplinary action. A person who has had licensure suspended may request and provide justification for reinstatement following the period of suspension specified by the commissioner board. The requirements of sections 148.6423 and 148.6425 for renewing licensure and any other conditions imposed with the suspension must be met before licensure may be reinstated.

Subd. 6. Authority to contract. The commissioner board shall contract with the health professionals services program as authorized by sections 214.31 to 214.37 to provide these services to practitioners under this chapter. The health professionals services program does not affect the commissioner's board's authority to discipline violations of sections 148.6401 to 148.6450.

EFFECTIVE DATE. This section is effective January 1, 2018.
Sec. 31. [148.6449] BOARD OF OCCUPATIONAL THERAPY PRACTICE.

Subdivision 1. Creation. The Board of Occupational Therapy Practice consists of 11 members appointed by the governor. The members are:

(1) five occupational therapists licensed under sections 148.6401 to 148.6449;
(2) three occupational therapy assistants licensed under sections 148.6401 to 148.6449; and
(3) three public members, including two members who have received occupational therapy services or have a family member who has received occupational therapy services, and one member who is a health care professional or health care provider licensed in Minnesota.

Subd. 2. Qualifications of board members. (a) The occupational therapy practitioners appointed to the board must represent a variety of practice areas and settings.
(b) At least two occupational therapy practitioners must be employed outside the seven-county metropolitan area.
(c) Board members shall serve for not more than two consecutive terms.

Subd. 3. Recommendations for appointment. Prior to the end of the term of a member of the board, or within 60 days after a position on the board becomes vacant, the Minnesota Occupational Therapy Association and other interested persons and organizations may recommend to the governor members qualified to serve on the board. The governor may appoint members to the board from the list of persons recommended or from among other qualified candidates.

Subd. 4. Officers. The board shall biennially elect from its membership a chair, vice-chair, and secretary-treasurer. Each officer shall serve until a successor is elected.

Subd. 5. Executive director. The board shall appoint and employ an executive director who is not a member of the board. The employment of the executive director shall be subject to the terms described in section 214.04, subdivision 2a.

Subd. 6. Terms; compensation; removal of members. Membership terms, compensation of members, removal of members, the filling of membership vacancies, and fiscal year and reporting requirements shall be as provided in chapter 214. The provision of staff, administrative services, and office space; the review and processing of complaints; the setting of board fees; and other activities relating to board operations shall be conducted according to chapter 214.
Subd. 7. **Duties of the Board of Occupational Therapy Practice.** (a) The board shall:

1. adopt and enforce rules and laws necessary for licensing occupational therapy practitioners;
2. adopt and enforce rules for regulating the professional conduct of the practice of occupational therapy;
3. issue licenses to qualified individuals in accordance with sections 148.6401 to 148.6449;
4. assess and collect fees for the issuance and renewal of licenses;
5. educate the public about the requirements for licensing occupational therapy practitioners, educate occupational therapy practitioners about the rules of conduct, and enable the public to file complaints against applicants and licensees who may have violated sections 148.6401 to 148.6449; and
6. investigate individuals engaging in practices that violate sections 148.6401 to 148.6449 and take necessary disciplinary, corrective, or other action according to section 148.6448.

(b) The board may adopt rules necessary to define standards or carry out the provisions of sections 148.6401 to 148.6449. Rules shall be adopted according to chapter 14.

**EFFECTIVE DATE.** This section is effective January 1, 2018.

Sec. 32. Minnesota Statutes 2016, section 148.881, is amended to read:

**148.881 DECLARATION OF POLICY.**

The practice of psychology in Minnesota affects the public health, safety, and welfare. The regulations in sections 148.88 to 148.98, the Minnesota Psychology Practice Act as enforced by the Board of Psychology protect the public from the practice of psychology by unqualified persons and from unethical or unprofessional conduct by persons licensed to practice psychology through licensure and regulation to promote access to safe, ethical, and competent psychological services.

Sec. 33. Minnesota Statutes 2016, section 148.89, is amended to read:

**148.89 DEFINITIONS.**

Subdivision 1. **Applicability.** For the purposes of sections 148.88 to 148.98, the following terms have the meanings given them.
Subd. 2. Board of Psychology or board. "Board of Psychology" or "board" means the board established under section 148.90.

Subd. 2a. Client. "Client" means each individual or legal, religious, academic, organizational, business, governmental, or other entity that receives, received, or should have received, or arranged for another individual or entity to receive services from an individual regulated under sections 148.88 to 148.98. Client also means an individual's legally authorized representative, such as a parent or guardian. For the purposes of sections 148.88 to 148.98, "client" may include patient, resident, counselee, evaluatee, and, as limited in the rules of conduct, student, supervisee, or research subject. In the case of dual clients, the licensee or applicant for licensure must be aware of the responsibilities to each client, and of the potential for divergent interests of each client a direct recipient of psychological services within the context of a professional relationship that may include a child, adolescent, adult, couple, family, group, organization, community, or other entity. The client may be the person requesting the psychological services or the direct recipient of the services.

Subd. 2b. Credentialed. "Credentialed" means having a license, certificate, charter, registration, or similar authority to practice in an occupation regulated by a governmental board or agency.

Subd. 2c. Designated supervisor. "Designated supervisor" means a qualified individual who is designated, identified and assigned by the primary supervisor to provide additional supervision and training to a licensed psychological practitioner or to an individual who is obtaining required predegree supervised professional experience or postdegree supervised psychological employment.

Subd. 2d. Direct services. "Direct services" means the delivery of preventive, diagnostic, assessment, or therapeutic intervention services where the primary purpose is to benefit a client who is the direct recipient of the service.

Subd. 2e. Full-time employment. "Full-time employment" means a minimum of 35 clock hours per week.

Subd. 3. Independent practice. "Independent practice" means the practice of psychology without supervision.

Subd. 3a. Jurisdiction. "Jurisdiction" means the United States, United States territories, or Canadian provinces or territories.

Subd. 4. Licensee. "Licensee" means a person who is licensed by the board as a licensed psychologist or as a licensed psychological practitioner.

461.16 (10) adopt and implement requirements for continuing education; and
(11) establish or approve programs that qualify for professional psychology continuing
educational credit. The board may hire consultants, agencies, or professional psychological
associations to establish and approve continuing education courses.

Sec. 37. Minnesota Statutes 2016, section 148.907, subdivision 1, is amended to read:

Subdivision 1. Effective date. After August 1, 1991, no person shall engage in the
independent practice of psychology unless that person is licensed as a licensed psychologist
or is exempt under section 148.9075.

Sec. 38. Minnesota Statutes 2016, section 148.907, subdivision 2, is amended to read:

Subd. 2. Requirements for licensure as licensed psychologist. To become licensed
by the board as a licensed psychologist, an applicant shall comply with the following
requirements:

(1) pass an examination in psychology;

(2) pass a professional responsibility examination on the practice of psychology;

(3) pass any other examinations as required by board rules;

(4) pay nonrefundable fees to the board for applications, processing, testing, renewals,
and materials;

(5) have attained the age of majority, be of good moral character, and have no unresolved
disciplinary action or complaints pending in the state of Minnesota or any other jurisdiction;

(6) have earned a doctoral degree with a major in psychology from a regionally accredited
educational institution meeting the standards the board has established by rule; and

(7) have completed at least one full year or the equivalent in part time of postdoctoral
supervised psychological employment in no less than 12 months and no more than 60
months. If the postdoctoral supervised psychological employment goes beyond 60 months,
the board may grant a variance to this requirement.

Sec. 39. [148.9075] EXEMPTIONS TO LICENSE REQUIREMENT.

Subdivision 1. General. (a) Nothing in sections 148.88 to 148.98 shall prevent members
of other professions or occupations from performing functions for which they are competent
and properly authorized by law. The following individuals are exempt from the licensure
requirements of the Minnesota Psychology Practice Act, provided they operate in compliance
with the stated exemption:
(1) individuals licensed by a health-related licensing board as defined under section 214.01, subdivision 2, or by the commissioner of health;

(2) individuals authorized as mental health practitioners as defined under section 245.462, subdivision 17; and

(3) individuals authorized as mental health professionals under section 245.462, subdivision 18.

(b) Any of these individuals must not hold themselves out to the public by any title or description stating or implying they are licensed to engage in the practice of psychology unless they are licensed under sections 148.88 to 148.98 or are using a title in compliance with section 148.96.

Subd. 2. Business or industrial organization. Nothing in sections 148.88 to 148.98 shall prevent the use of psychological techniques by a business or industrial organization for its own personnel purposes or by an employment agency or state vocational rehabilitation agency for the evaluation of the agency's clients prior to a recommendation for employment. However, a representative of an industrial or business firm or corporation may not sell, offer, or provide psychological services as specified in section 148.89, unless the services are performed or supervised by an individual licensed under sections 148.88 to 148.98.

Subd. 3. School psychologist. (a) Nothing in sections 148.88 to 148.98 shall be construed to prevent a person who holds a license or certificate issued by the State Board of Teaching in accordance with chapters 122A and 129 from practicing school psychology within the scope of employment if authorized by a board of education or by a private school that meets the standards prescribed by the State Board of Teaching, or from practicing as a school psychologist within the scope of employment in a program for children with disabilities.

(b) Any person exempted under this subdivision shall not offer psychological services to any other individual, organization, or group for remuneration, monetary or otherwise, unless the person is licensed by the Board of Psychology under sections 148.88 to 148.98.

Subd. 4. Clergy or religious officials. Nothing in sections 148.88 to 148.98 shall be construed to prevent recognized religious officials, including ministers, priests, rabbis, imams, Christian Science practitioners, and other persons recognized by the board, from conducting counseling activities that are within the scope of the performance of their regular recognizable religious denomination or sect, as defined in current federal tax regulations, if the religious official does not refer to the official's self as a psychologist and the official remains accountable to the established authority of the religious denomination or sect.
Subd. 5. Teaching and research. Nothing in sections 148.88 to 148.98 shall be construed to prevent a person employed in a secondary, postsecondary, or graduate institution from teaching and conducting research in psychology within an educational institution that is recognized by a regional accrediting organization or by a federal, state, county, or local government institution, agency, or research facility, so long as:

(1) the institution, agency, or facility provides appropriate oversight mechanisms to ensure public protections; and

(2) the person is not providing direct clinical services to a client or clients as defined in sections 148.88 to 148.98.

Subd. 6. Psychologist in disaster or emergency relief. Nothing in sections 148.88 to 148.98 shall be construed to prevent a psychologist sent to this state for the sole purpose of responding to a disaster or emergency relief effort of the state government, the federal government, the American Red Cross, or other disaster or emergency relief organization as long as the psychologist is not practicing in Minnesota longer than 30 days and the sponsoring organization can certify the psychologist’s assignment to this state. The board or its designee, at its discretion, may grant an extension to the 30-day time limitation of this subdivision.

Subd. 7. Psychological consultant. A license under sections 148.88 to 148.98 is not required by a nonresident of the state, serving as an expert witness, organizational consultant, presenter, or educator on a limited basis provided the person is appropriately trained, educated, or has been issued a license, certificate, or registration by another jurisdiction.

Subd. 8. Students. Nothing in sections 148.88 to 148.98 shall prohibit the practice of psychology under qualified supervision by a practicum psychology student, a predoctoral psychology intern, or an individual who has earned a doctoral degree in psychology and is in the process of completing their postdoctoral supervised psychological employment. A student trainee or intern shall use the titles as required under section 148.96, subdivision 3.

Subd. 9. Other professions. Nothing in sections 148.88 to 148.98 shall be construed to authorize a person licensed under sections 148.88 to 148.98 to engage in the practice of any profession regulated under Minnesota law, unless the individual is duly licensed or registered in that profession.

Sec. 40. [148.9077] RELICENSURE.

A former licensee may apply to the board for licensure after complying with all laws and rules required for applicants for licensure that were in effect on the date the initial Minnesota license was granted. The former licensee must verify to the board that the former
licensee has not engaged in the practice of psychology in this state since the last date of
active licensure, except as permitted under statutory licensure exemption, and must submit
a fee for relicensure.

Sec. 41. Minnesota Statutes 2016, section 148.9105, subdivision 1, is amended to read:

Subdivision 1. Application. Retired providers who are licensed or were formerly licensed
to practice psychology in the state according to the Minnesota Psychology Practice Act may
apply to the board for psychologist emeritus registration or psychological practitioner
emeritus registration if they declare that they are retired from the practice of psychology in
Minnesota, have not been the subject of disciplinary action in any jurisdiction, and have no
unresolved complaints in any jurisdiction. Retired providers shall complete the necessary
forms provided by the board and pay a onetime, nonrefundable fee of $150 at the time of
application.

Sec. 42. Minnesota Statutes 2016, section 148.9105, subdivision 4, is amended to read:

Subd. 4. Documentation of status. A provider granted emeritus registration shall receive
a document certifying that emeritus status has been granted by the board and that the
registrant has completed the registrant's active career as a psychologist or psychological
practitioner licensed in good standing with the board.

Sec. 43. Minnesota Statutes 2016, section 148.9105, subdivision 5, is amended to read:

Subd. 5. Representation to public. In addition to the descriptions allowed in section
148.96, subdivision 3, paragraph (e), former licensees who have been granted emeritus
registration may represent themselves as "psychologist emeritus" or "psychological
practitioner emeritus," but shall not represent themselves or allow themselves to be
represented to the public as "licensed" or otherwise as current licensees of the board.

Sec. 44. Minnesota Statutes 2016, section 148.916, subdivision 1, is amended to read:

Subdivision 1. Generally. If (a) A nonresident of the state of Minnesota, who is not
seeking licensure in this state, and who has been issued a license, certificate, or registration
by another jurisdiction to practice psychology at the doctoral level, wishes and who intends
to practice in Minnesota for more than seven calendar 30 days, the person shall apply to the
board for guest licensure, provided that. The psychologist's practice in Minnesota is limited
to no more than nine consecutive months per calendar year. Application under this section
shall be made no less than 30 days prior to the expected date of practice in Minnesota and
shall be subject to approval by the board or its designee. The board shall charge a
nonrefundable fee for guest licensure. The board shall adopt rules to implement this section.

(b) To be eligible for licensure under this section, the applicant must:

(1) have a license, certification, or registration to practice psychology from another
jurisdiction;

(2) have a doctoral degree in psychology from a regionally accredited institution;

(3) be of good moral character;

(4) have no pending complaints or active disciplinary or corrective actions in any
jurisdiction;

(5) pass a professional responsibility examination designated by the board; and

(6) pay a fee to the board.

Sec. 45. Minnesota Statutes 2016, section 148.916, subdivision 1a, is amended to read:

(a) An applicant who is seeking licensure in this state, and who, at the time of application, is licensed, certified, or registered to practice psychology in another jurisdiction at the doctoral level may apply to the board for guest licensure in order to begin practicing psychology in this state while their application is being processed if the applicant is of good moral character and has no complaints, corrective, or disciplinary action pending in any jurisdiction.

(b) Application under this subdivision shall be made no less than 30 days prior
to the expected date of practice in this state, and must be made concurrently or after
submission of an application for licensure as a licensed psychologist if applicable.

Applications under this subdivision are subject to approval by the board or its
designee. The board shall charge a fee for guest licensure under this subdivision.

(b) The board shall charge a nonrefundable fee for guest licensure under this subdivision.

(c) A guest license issued under this subdivision shall be valid for one year from the
date of issuance, or until the board has either issued a license or has denied the applicant's
application for licensure, whichever is earlier. Guest licenses issued under this section
may be renewed annually until the board has denied the applicant's application
for licensure.
Sec. 46. Minnesota Statutes 2016, section 148.925, is amended to read:

### 148.925 SUPERVISION.

#### Subdivision 1. Supervision. For the purpose of meeting the requirements of this section the Minnesota Psychology Practice Act, supervision means documented in-person consultation, which may include interactive, visual electronic communication, between either: (1) a primary supervisor and a licensed psychological practitioner; or (2) a that employs a collaborative relationship that has both facilitative and evaluative components with the goal of enhancing the professional competence and science, and practice-informed professional work of the supervisee. Supervision may include telesupervision between primary or designated supervisor supervisors and an applicant for licensure as a licensed psychologist the supervisee. The supervision shall be adequate to assure the quality and competence of the activities supervised. Supervisory consultation shall include discussions on the nature and content of the practice of the supervisee, including, but not limited to, a review of a representative sample of psychological services in the supervisee's practice.

#### Subd. 2. Postdegree supervised psychological employment. Postdegree supervised psychological employment means required paid or volunteer work experience and postdegree training of an individual seeking to be licensed as a licensed psychologist that involves the professional oversight by a primary supervisor and satisfies the supervision requirements in subdivisions 3 and 5 the Minnesota Psychology Practice Act.

#### Subd. 3. Individuals qualified to provide supervision. (a) Supervision of a master's level applicant for licensure as a licensed psychologist shall be provided by an individual:

   (1) who is a psychologist licensed in Minnesota with competence both in supervision in the practice of psychology and in the activities being supervised;

   (2) who has a doctoral degree with a major in psychology, who is employed by a regionally accredited educational institution or employed by a federal, state, county, or local government institution, agency, or research facility, and who has competence both in supervision in the practice of psychology and in the activities being supervised, provided the supervision is being provided and the activities being supervised occur within that regionally accredited educational institution or federal, state, county, or local government institution, agency, or research facility;

   (3) who is licensed or certified as a psychologist in another jurisdiction and who has competence both in supervision in the practice of psychology and in the activities being supervised; or
(4) who, in the case of a designated supervisor, is a master's or doctorally prepared mental health professional.

(b) Supervision of an applicant for licensure as a licensed psychologist shall be provided by an individual:

(1) who is a psychologist licensed in Minnesota with a doctoral degree and competence both in supervision in the practice of psychology and in the activities being supervised;

(2) who has a doctoral degree with a major in psychology, who is employed by a regionally accredited educational institution or is employed by a federal, state, county, or local government institution, agency, or research facility, and who has competence both in supervision in the practice of psychology and in the activities being supervised, provided the supervision is being provided and the activities being supervised occur within that regionally accredited educational institution or federal, state, county, or local government institution, agency, or research facility;

(3) who is licensed or certified as a psychologist in another jurisdiction and who has competence both in supervision in the practice of psychology and in the activities being supervised;

(4) who is a psychologist licensed in Minnesota who was licensed before August 1, 1991, with competence both in supervision in the practice of psychology and in the activities being supervised; or

(5) who, in the case of a designated supervisor, is a master's or doctorally prepared mental health professional.

Subd. 4. Supervisory consultation for a licensed psychological practitioner.

Supervisory consultation between a supervising licensed psychologist and a supervised licensed psychological practitioner shall be at least one hour in duration and shall occur on an individual, in-person basis. A minimum of one hour of supervision per month is required for the initial 20 or fewer hours of psychological services delivered per month. For each additional 20 hours of psychological services delivered per month, an additional hour of supervision per month is required. When more than 20 hours of psychological services are provided in a week, no more than one hour of supervision is required per week.

Subd. 5. Supervisory consultation for an applicant for licensure as a licensed psychologist. Supervision of an applicant for licensure as a licensed psychologist shall include at least two hours of regularly scheduled in-person consultations per week for full-time employment, one hour of which shall be with the supervisor on an individual basis.
The remaining hour may be with a designated supervisor. The board may approve an
exception to the weekly supervision requirement for a week when the supervisor was ill or
otherwise unable to provide supervision. The board may prorate the two hours per week of
supervision for individuals preparing for licensure on a part-time basis. Supervised
psychological employment does not qualify for licensure when the supervisory consultation
is not adequate as described in subdivision 1, or in the board rules.

Subd. 6. **Supervisee duties.** Individuals preparing for licensure as a licensed
psychologist during their postdegree supervised psychological employment may perform
as part of their training any functions of the services specified in section 148.89, subdivision
5, but only under qualified supervision.

Subd. 7. **Variance from supervision requirements.** (a) An applicant for licensure as
a licensed psychologist who entered supervised employment before August 1, 1991, may
request a variance from the board from the supervision requirements in this section in order
to continue supervision under the board rules in effect before August 1, 1991.

(b) After a licensed psychological practitioner has completed two full years, or the
equivalent, of supervised post-master's degree employment meeting the requirements of
subdivision 5 as it relates to preparation for licensure as a licensed psychologist, the board
shall grant a variance from the supervision requirements of subdivision 4 or 5 if the licensed
psychological practitioner presents evidence of:

1. endorsement for specific areas of competency by the licensed psychologist who
   provided the two years of supervision;

2. employment by a hospital or by a community mental health center or nonprofit mental
   health clinic or social service agency providing services as a part of the mental health service
   plan required by the Comprehensive Mental Health Act;

3. the employer's acceptance of clinical responsibility for the care provided by the
   licensed psychological practitioner; and

4. a plan for supervision that includes at least one hour of regularly scheduled individual
   in-person consultations per week for full-time employment. The board may approve an
   exception to the weekly supervision requirement for a week when the supervisor was ill or
   otherwise unable to provide supervision.

(c) Following the granting of a variance under paragraph (b), and completion of two
additional full years or the equivalent of supervision and post-master's degree employment
meeting the requirements of paragraph (b), the board shall grant a variance to a licensed psychological practitioner who presents evidence of:

(1) endorsement for specific areas of competency by the licensed psychologist who provided the two years of supervision under paragraph (b);

(2) employment by a hospital or by a community mental health center or nonprofit mental health clinic or social service agency providing services as a part of the mental health service plan required by the Comprehensive Mental Health Act;

(3) the employer's acceptance of clinical responsibility for the care provided by the licensed psychological practitioner; and

(4) a plan for supervision which includes at least one hour of regularly scheduled individual in-person supervision per month.

(d) The variance allowed under this section must be deemed to have been granted to an individual who previously received a variance under paragraph (b) or (c) and is seeking a new variance because of a change of employment to a different employer or employment setting. The deemed variance continues until the board either grants or denies the variance. An individual who has been denied a variance under this section is entitled to seek reconsideration by the board.

Sec. 47. Minnesota Statutes 2016, section 148.96, subdivision 3, is amended to read:

Subd. 3. Requirements for representations to public. (a) Unless licensed under sections 148.88 to 148.98, except as provided in paragraphs (b) through (e), persons shall not represent themselves or permit themselves to be represented to the public by:

(1) using any title or description of services incorporating the words "psychology," "psychological," "psychological practitioner," or "psychologist"; or

(2) representing that the person has expert qualifications in an area of psychology.

(b) Psychologically trained individuals who are employed by an educational institution recognized by a regional accrediting organization, by a federal, state, county, or local government institution, agency, or research facility, may represent themselves by the title designated by that organization provided that the title does not indicate that the individual is credentialed by the board.

(c) A psychologically trained individual from an institution described in paragraph (b) may offer lecture services and is exempt from the provisions of this section.
(d) A person who is preparing for the practice of psychology under supervision in accordance with board statutes and rules may be designated as a "psychological intern," "psychology fellow," "psychological trainee," or by other terms clearly describing the person's training status.

(e) Former licensees who are completely retired from the practice of psychology may represent themselves using the descriptions in paragraph (a), clauses (1) and (2), but shall not represent themselves or allow themselves to be represented as current licensees of the board.

(f) Nothing in this section shall be construed to prohibit the practice of school psychology by a person licensed in accordance with chapters 122A and 129.

Sec. 48. Minnesota Statutes 2016, section 148B.53, subdivision 1, is amended to read:

Subdivision 1. **General requirements.** (a) To be licensed as a licensed professional counselor (LPC), an applicant must provide evidence satisfactory to the board that the applicant:

1. is at least 18 years of age;
2. is of good moral character;
3. has completed a master's or doctoral degree program in counseling or a related field, as determined by the board based on the criteria in paragraph (b), that includes a minimum of 48 semester hours or 72 quarter hours and a supervised field experience of not fewer than 700 hours that is counseling in nature;
4. has submitted to the board a plan for supervision during the first 2,000 hours of professional practice or has submitted proof of supervised professional practice that is acceptable to the board; and
5. has demonstrated competence in professional counseling by passing the National Counseling Exam (NCE) administered by the National Board for Certified Counselors, Inc. (NBCC) or an equivalent national examination as determined by the board, and ethical, oral, and situational examinations if prescribed by the board.

(b) The degree described in paragraph (a), clause (3), must be from a counseling program recognized by the Council for Accreditation of Counseling and Related Education Programs (CACREP) or from an institution of higher education that is accredited by a regional accrediting organization recognized by the Council for Higher Education Accreditation.
(CHEA). Specific academic course content and training must include course work in each of the following subject areas:

1. the helping relationship, including counseling theory and practice;
2. human growth and development;
3. lifestyle and career development;
4. group dynamics, processes, counseling, and consulting;
5. assessment and appraisal;
6. social and cultural foundations, including multicultural issues;
7. principles of etiology, treatment planning, and prevention of mental and emotional disorders and dysfunctional behavior;
8. family counseling and therapy;
9. research and evaluation; and
10. professional counseling orientation and ethics.

(c) To be licensed as a professional counselor, a psychological practitioner licensed under section 148.908 need only show evidence of licensure under that section and is not required to comply with paragraph (a), clauses (1) to (3) and (5), or paragraph (b).

(d) (c) To be licensed as a professional counselor, a Minnesota licensed psychologist need only show evidence of licensure from the Minnesota Board of Psychology and is not required to comply with paragraph (a) or (b).

Sec. 49. Minnesota Statutes 2016, section 150A.06, subdivision 3, is amended to read:

Subd. 3. Waiver of examination. (a) All or any part of the examination for dentists, dental therapists, dental hygienists, or dental assistants, except that pertaining to the law of Minnesota relating to dentistry and the rules of the board, may, at the discretion of the board, be waived for an applicant who presents a certificate of having passed all components of the National Board Dental Examinations or evidence of having maintained an adequate scholastic standing as determined by the board, in dental school as to dentists, or dental hygiene school as to dental hygienists.

(b) The board shall waive the clinical examination required for licensure for any dentist applicant who is a graduate of a dental school accredited by the Commission on Dental Accreditation, who has passed all components of the National Board Dental Examinations, and who has satisfactorily completed a Minnesota-based postdoctoral general dentistry
residency program (GPR) or an advanced education in general dentistry (AEGD) program after January 1, 2004. The postdoctoral program must be accredited by the Commission on Dental Accreditation, be of at least one year's duration, and include an outcome assessment evaluation assessing the resident's competence to practice dentistry. The board may require the applicant to submit any information deemed necessary by the board to determine whether the waiver is applicable.

Sec. 50. Minnesota Statutes 2016, section 150A.06, subdivision 8, is amended to read:

Subd. 8. Licensure by credentials. (a) Any dental assistant may, upon application and payment of a fee established by the board, apply for licensure based on an evaluation of the applicant's education, experience, and performance record in lieu of completing a board-approved dental assisting program for expanded functions as defined in rule, and may be interviewed by the board to determine if the applicant:

(1) has graduated from an accredited dental assisting program accredited by the Commission on Dental Accreditation, or and is currently certified by the Dental Assisting National Board;

(2) is not subject to any pending or final disciplinary action in another state or Canadian province, or if not currently certified or registered, previously had a certification or registration in another state or Canadian province in good standing that was not subject to any final or pending disciplinary action at the time of surrender;

(3) is of good moral character and abides by professional ethical conduct requirements;

(4) at board discretion, has passed a board-approved English proficiency test if English is not the applicant's primary language; and

(5) has met all expanded functions curriculum equivalency requirements of a Minnesota board-approved dental assisting program.

(b) The board, at its discretion, may waive specific licensure requirements in paragraph (a).

(c) An applicant who fulfills the conditions of this subdivision and demonstrates the minimum knowledge in dental subjects required for licensure under subdivision 2a must be licensed to practice the applicant's profession.

(d) If the applicant does not demonstrate the minimum knowledge in dental subjects required for licensure under subdivision 2a, the application must be denied. If licensure is denied, the board may notify the applicant of any specific remedy that the applicant could
take which, when passed, would qualify the applicant for licensure. A denial does not

prohibit the applicant from applying for licensure under subdivision 2a.

e) A candidate whose application has been denied may appeal the decision to the board
according to subdivision 4a.

Sec. 51. Minnesota Statutes 2016, section 150A.10, subdivision 4, is amended to read:

Subd. 4. Restorative procedures. (a) Notwithstanding subdivisions 1, 1a, and 2, a
licensed dental hygienist or licensed dental assistant may perform the following restorative
procedures:

(1) place, contour, and adjust amalgam restorations;
(2) place, contour, and adjust glass ionomer;
(3) adapt and cement stainless steel crowns; and
(4) place, contour, and adjust class I and class V supragingival composite restorations
where the margins are entirely within the enamel; and
(5) place, contour, and adjust class I, II, and class V supragingival composite
restorations on primary teeth and permanent dentition.

(b) The restorative procedures described in paragraph (a) may be performed only if:

(1) the licensed dental hygienist or licensed dental assistant has completed a
board-approved course on the specific procedures;
(2) the board-approved course includes a component that sufficiently prepares the licensed
dental hygienist or licensed dental assistant to adjust the occlusion on the newly placed
restoration;
(3) a licensed dentist or licensed advanced dental therapist has authorized the procedure
to be performed; and
(4) a licensed dentist or licensed advanced dental therapist is available in the clinic while
the procedure is being performed.

(c) The dental faculty who teaches the educators of the board-approved courses specified
in paragraph (b) must have prior experience teaching these procedures in an accredited
dental education program.
Sec. 52. Minnesota Statutes 2016, section 214.01, subdivision 2, is amended to read:

Subd. 2. Health-related licensing board. "Health-related licensing board" means the Board of Examiners of Nursing Home Administrators established pursuant to section 144A.19, the Office of Unlicensed Complementary and Alternative Health Care Practice established pursuant to section 146A.02, the Board of Medical Practice created pursuant to section 147.01, the Board of Nursing created pursuant to section 148.181, the Board of Chiropractic Examiners established pursuant to section 148.02, the Board of Optometry established pursuant to section 148.52, the Board of Occupational Therapy Practice established pursuant to section 148.6449, the Board of Physical Therapy established pursuant to section 148.67, the Board of Psychology established pursuant to section 148.90, the Board of Social Work pursuant to section 148E.025, the Board of Marriage and Family Therapy pursuant to section 148B.30, the Board of Behavioral Health and Therapy established by section 148B.51, the Board of Dietetics and Nutrition Practice established under section 148B.51, the Board of Dietetics and Nutrition Practice established pursuant to section 148.622, the Board of Dentistry established pursuant to section 150A.02, the Board of Pharmacy established pursuant to section 151.02, the Board of Podiatric Medicine established pursuant to section 153.02, and the Board of Veterinary Medicine established pursuant to section 156.01.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 53. BOARD OF OCCUPATIONAL THERAPY PRACTICE.

The governor shall appoint all members to the Board of Occupational Therapy Practice under Minnesota Statutes, section 148.6449, by October 1, 2017. The governor shall designate one member of the board to convene the first meeting of the board by November 1, 2017. The board shall elect officers at its first meeting.

EFFECTIVE DATE. This section is effective July 1, 2017.

Sec. 54. REVISOR'S INSTRUCTION.

In Minnesota Statutes and Minnesota Rules, the revisor of statutes shall replace references to Minnesota Statutes, section 148.6450, with Minnesota Statutes, section 148.6449.

EFFECTIVE DATE. This section is effective January 1, 2018.

Sec. 55. REVISOR'S INSTRUCTION.

The revisor of statutes shall change the headnote of Minnesota Statutes, section 147.0375, to read "LICENSURE OF EMINENT PHYSICIANS."
EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 56. REPEALER.

(a) Minnesota Statutes 2016, sections 147A.21; 147B.08, subdivisions 1, 2, and 3; 147C.40, subdivisions 1, 2, 3, and 4; 148.906; 148.907, subdivision 5; 148.908; 148.909, subdivision 7; and 148.96, subdivisions 4 and 5, are repealed.

(b) Minnesota Statutes 2016, sections 148.6402, subdivision 2; and 148.6450, are repealed.

(c) Minnesota Rules, part 5600.2500, is repealed.

(d) Minnesota Statutes 2016, section 147.0375, subdivision 7, is repealed.

EFFECTIVE DATE. Paragraphs (a) and (c) are effective July 1, 2017. Paragraph (b) is effective January 1, 2018. Paragraph (d) is effective the day following final enactment.

ARTICLE 12

OPIATE ABUSE PREVENTION

Section 1. Minnesota Statutes 2016, section 151.212, subdivision 2, is amended to read:

Subd. 2. Controlled substances. (a) In addition to the requirements of subdivision 1, when the use of any drug containing a controlled substance, as defined in chapter 152, or any other drug determined by the board, either alone or in conjunction with alcoholic beverages, may impair the ability of the user to operate a motor vehicle, the board shall require by rule that notice be prominently set forth on the label or container. Rules promulgated by the board shall specify exemptions from this requirement when there is evidence that the user will not operate a motor vehicle while using the drug.

(b) In addition to the requirements of subdivision 1, whenever a prescription drug containing an opiate is dispensed to a patient for outpatient use, the pharmacy or practitioner dispensing the drug must prominently display on the label or container a notice that states "Caution: Opioid. Risk of overdose and addiction."

Sec. 2. Minnesota Statutes 2016, section 152.11, is amended by adding a subdivision to read:

Subd. 4. Limit on quantity of opiates prescribed for acute dental and ophthalmic pain. (a) When used for the treatment of acute dental pain or acute pain associated with refractive surgery, prescriptions for opiate or narcotic pain relievers listed in Schedules II...
through IV of section 152.02 shall not exceed a four-day supply. The quantity prescribed
shall be consistent with the dosage listed in the professional labeling for the drug that has
been approved by the United States Food and Drug Administration.

(b) For the purposes of this subdivision, "acute pain" means pain resulting from disease,
accidental or intentional trauma, surgery, or another cause, that the practitioner reasonably
expects to last only a short period of time. Acute pain does not include chronic pain or pain
being treated as part of cancer care, palliative care, or hospice or other end-of-life care.

(c) Notwithstanding paragraph (a), if in the professional clinical judgment of a practitioner
more than a four-day supply of a prescription listed in Schedules II through IV of section
152.02 is required to treat a patient's acute pain, the practitioner may issue a prescription
for the quantity needed to treat such acute pain.

Sec. 3. Minnesota Statutes 2016, section 256B.0625, subdivision 13e, is amended to read:

Subd. 13e. Payment rates. (a) The basis for determining the amount of payment shall
be the lower of the actual acquisition costs of the drugs or the maximum allowable cost by
the commissioner plus the fixed dispensing fee; or the usual and customary price charged
to the public. The amount of payment basis must be reduced to reflect all discount amounts
applied to the charge by any provider/insurer agreement or contract for submitted charges
to medical assistance programs. The net submitted charge may not be greater than the patient
liability for the service. The pharmacy dispensing fee shall be $3.65 for legend prescription
drugs, except that the dispensing fee for intravenous solutions which must be compounded
by the pharmacist shall be $8 per bag, $14 per bag for cancer chemotherapy products, and
$30 per bag for total parenteral nutritional products dispensed in one liter quantities, or $44
per bag for total parenteral nutritional products dispensed in quantities greater than one liter.
The pharmacy dispensing fee for over-the-counter drugs shall be $3.65, except that the fee
shall be $1.31 for retrospectively billing pharmacies when billing for quantities less than
the number of units contained in the manufacturer's original package. Actual acquisition
cost includes quantity and other special discounts except time and cash discounts. The actual
acquisition cost of a drug shall be estimated by the commissioner at wholesale acquisition
cost plus four percent for independently owned pharmacies located in a designated rural
area within Minnesota, and at wholesale acquisition cost plus two percent for all other
pharmacies. A pharmacy is "independently owned" if it is one of four or fewer pharmacies
under the same ownership nationally. A "designated rural area" means an area defined as
a small rural area or isolated rural area according to the four-category classification of the
Rural Urban Commuting Area system developed for the United States Health Resources
and Services Administration. Effective January 1, 2014, the actual acquisition cost of a drug
acquired through the federal 340B Drug Pricing Program shall be estimated by the
commissioner at wholesale acquisition cost minus 40 percent. Wholesale acquisition cost
is defined as the manufacturer's list price for a drug or biological to wholesalers or direct
purchasers in the United States, not including prompt pay or other discounts, rebates, or
reductions in price, for the most recent month for which information is available, as reported
in wholesale price guides or other publications of drug or biological pricing data. The
maximum allowable cost of a multisource drug may be set by the commissioner and it shall
be comparable to, but no higher than, the maximum amount paid by other third-party payors
in this state who have maximum allowable cost programs. Establishment of the amount of
payment for drugs shall not be subject to the requirements of the Administrative Procedure
Act.

(b) Pharmacies dispensing prescriptions to residents of long-term care facilities using
an automated drug distribution system meeting the requirements of section 151.58, or a
packaging system meeting the packaging standards set forth in Minnesota Rules, part
6800.2700, that govern the return of unused drugs to the pharmacy for reuse, may employ
retrospective billing for prescription drugs dispensed to long-term care facility residents. A
retrospectively billing pharmacy must submit a claim only for the quantity of medication
used by the enrolled recipient during the defined billing period. A retrospectively billing
pharmacy must use a billing period not less than one calendar month or 30 days.

(c) An additional dispensing fee of $.30 may be added to the dispensing fee paid to
pharmacists for legend drug prescriptions dispensed to residents of long-term care facilities
when a unit dose blister card system, approved by the department, is used. Under this type
of dispensing system, the pharmacist must dispense a 30-day supply of drug. The National
Drug Code (NDC) from the drug container used to fill the blister card must be identified
on the claim to the department. The unit dose blister card containing the drug must meet
the packaging standards set forth in Minnesota Rules, part 6800.2700, that govern the return
of unused drugs to the pharmacy for reuse. A pharmacy provider using packaging that meets
the standards set forth in Minnesota Rules, part 6800.2700, is required to credit the
department for the actual acquisition cost of all unused drugs that are eligible for reuse,
unless the pharmacy is using retrospective billing. The commissioner may permit the drug
clozapine to be dispensed in a quantity that is less than a 30-day supply.

(d) Whenever a maximum allowable cost has been set for a multisource drug, payment
shall be the lower of the usual and customary price charged to the public or the maximum
allowable cost established by the commissioner unless prior authorization for the brand
name product has been granted according to the criteria established by the Drug Formulary Committee as required by subdivision 13f, paragraph (a), and the prescriber has indicated "dispense as written" on the prescription in a manner consistent with section 151.21, subdivision 2.

(e) The basis for determining the amount of payment for drugs administered in an outpatient setting shall be the lower of the usual and customary cost submitted by the provider, 106 percent of the average sales price as determined by the United States Department of Health and Human Services pursuant to title XVIII, section 1847a of the federal Social Security Act, the specialty pharmacy rate, or the maximum allowable cost set by the commissioner. If average sales price is unavailable, the amount of payment must be lower of the usual and customary cost submitted by the provider, the wholesale acquisition cost, the specialty pharmacy rate, or the maximum allowable cost set by the commissioner.

Effective January 1, 2014, the commissioner shall discount the payment rate for drugs obtained through the federal 340B Drug Pricing Program by 20 percent. With the exception of paragraph (f), the payment for drugs administered in an outpatient setting shall be made to the administering facility or practitioner. A retail or specialty pharmacy dispensing a drug for administration in an outpatient setting is not eligible for direct reimbursement.

(f) Payment for nonscheduled injectable drugs used to treat substance abuse administered by a practitioner in an outpatient setting shall be made directly to the dispensing pharmacy. The dispensing pharmacy shall submit the claim if the pharmacy dispenses the drug pursuant to a prescription issued by the practitioner and delivers the filled prescription to the practitioner for subsequent administration. Payment shall be made according to this section. A pharmacy shall not dispense a practitioner-administered injectable drug described in this paragraph directly to an enrollee. The commissioner may conduct postpayment review to evaluate the effect of this paragraph on patient access, and shall report any findings to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human service policy and finance by January 1, 2019.

(g) The commissioner may negotiate lower reimbursement rates for specialty pharmacy products than the rates specified in paragraph (a). The commissioner may require individuals enrolled in the health care programs administered by the department to obtain specialty pharmacy products from providers with whom the commissioner has negotiated lower reimbursement rates. Specialty pharmacy products are defined as those used by a small number of recipients or recipients with complex and chronic diseases that require expensive and challenging drug regimens. Examples of these conditions include, but are not limited to: multiple sclerosis, HIV/AIDS, transplantation, hepatitis C, growth hormone deficiency,
Crohn's Disease, rheumatoid arthritis, and certain forms of cancer. Specialty pharmaceutical products include injectable and infusion therapies, biotechnology drugs, antihemophilic factor products, high-cost therapies, and therapies that require complex care. The commissioner shall consult with the formulary committee to develop a list of specialty pharmacy products subject to this paragraph. In consulting with the formulary committee in developing this list, the commissioner shall take into consideration the population served by specialty pharmacy products, the current delivery system and standard of care in the state, and access to care issues. The commissioner shall have the discretion to adjust the reimbursement rate to prevent access to care issues.

(h) Home infusion therapy services provided by home infusion therapy pharmacies must be paid at rates according to subdivision 8d.

Sec. 4. REPORT ON OPIOID CRISIS GRANT; USE OF GRANT FUNDS.
(a) The commissioner of human services, within two weeks of the annual project report being submitted to the federal funder, shall report to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance on:
(1) funds received under the 21st Century Cures Act, Public Law 114-255, section 1003, Substance Abuse and Mental Health Services Administration (SAMHSA) State Targeted Response to the Opioid Crisis Grants; and
(2) uses of the funds received, including a listing of grants provided and the amount expended on personnel and administrative costs, travel, and public service announcements.
(b) The commissioner shall use remaining Opioid Crisis Grant funds, and any additional funds received from other sources, to provide grants to counties for opioid abuse prevention initiatives, increase public awareness of opioid abuse, and prevent opioid abuse through the use of data analytics.

Sec. 5. CHRONIC PAIN REHABILITATION THERAPY DEMONSTRATION PROJECT.
Subdivision 1. Establishment. The commissioner of human services shall award a two-year grant to a rehabilitation institute located in Minneapolis operated by a nonprofit foundation to participate in a bundled payment arrangement for chronic pain rehabilitation therapy for adults who are eligible for fee-for-service medical assistance under Minnesota Statutes, section 256B.055. The chronic pain rehabilitation therapy demonstration project
must include: nonnarcotic medication management, including opioid tapering;
interdisciplinary care coordination; and group and individual therapy in cognitive behavioral
therapy and physical therapy. The project may include self-management education in
nutrition, stress, mental health, substance use, or other modalities, if clinically appropriate.
The commissioner shall award the grant on a sole-source basis and the program design must
be mutually agreed upon by the commissioner and the grant recipient. Grant funds are
available until expended.

Subd. 2. **Performance measures.** The commissioner shall develop performance measures
to evaluate the demonstration project. These measures may include:

1. reduction in medications, including opioids, taken for pain;
2. reduction in emergency department and outpatient clinic utilization related to pain;
3. improved ability to return to work, job search, or school;
4. patient functional status and satisfaction; and
5. rate of program completion.

Subd. 3. **Eligibility.** (a) To be eligible to participate in the demonstration project, an
individual must:

1. be 21 years of age or older;
2. be eligible for fee-for-service medical assistance under Minnesota Statutes, section
   256B.055, and not have other health coverage; and
3. meet criteria appropriate for chronic pain rehabilitation.
4. In determining the criteria under paragraph (a), clause (3), the commissioner shall
   consider, but is not required to include, the following:
   1. moderate to severe pain lasting longer than four months;
   2. an impairment in daily functioning, including work or activities of daily living;
   3. a referral from a physician or other qualified medical professional indicating that all
      reasonable medical and surgical options have been exhausted; and
   4. willingness of the patient to engage in chronic pain rehabilitation therapies, including
      opioid tapering.

Subd. 4. **Payment for services.** The bundled payment shall be billed on a per-person,
per-day payment and only for days the patient receives services from the grant recipient.
The grant recipient shall not receive a bundled payment for services provided to the patient
if a nonbundled medical assistance payment for a service that is part of the bundle is received for the same day of service.

Subd. 5. Report. The rehabilitation institute, for the duration of the demonstration project, must annually report on cost savings and performance indicators described in subdivision 2 to the commissioner of human services. One year after the completion of the demonstration project, the commissioner of human services shall submit a report to the chairs and ranking minority members of the legislative committees with jurisdiction over health care. The report shall include an evaluation of the demonstration project, based on the performance measures developed under subdivision 2, and may also include recommendations to increase individual access to chronic pain rehabilitation therapy through Minnesota health care programs.

ARTICLE 13
MISCELLANEOUS

Section 1. Minnesota Statutes 2016, section 62K.15, is amended to read:

62K.15 ANNUAL OPEN ENROLLMENT PERIODS; SPECIAL ENROLLMENT PERIODS.

(a) Health carriers offering individual health plans must limit annual enrollment in the individual market to the annual open enrollment periods for MNsure. Nothing in this section limits the application of special or limited open enrollment periods as defined under the Affordable Care Act.

(b) Health carriers offering individual health plans must inform all applicants at the time of application and enrollees at least annually of the open and special enrollment periods as defined under the Affordable Care Act.

(c) Health carriers offering individual health plans must provide a special enrollment period for enrollment in the individual market by employees of a small employer that offers a qualified small employer health reimbursement arrangement in accordance with United States Code, title 26, section 9831(d). The special enrollment period shall be available only to employees newly hired by a small employer offering a qualified small employer health reimbursement arrangement, and to employees employed by the small employer at the time the small employer initially offers a qualified small employer health reimbursement arrangement. For employees newly hired by the small employer, the special enrollment period shall last for 30 days after the employee's first day of employment. For employees employed by the small employer at the time the small employer initially offers a qualified
small employer health reimbursement arrangement, the special enrollment period shall last
for 30 days after the date the arrangement is initially offered to employees.

(e) (d) The commissioner of commerce shall enforce this section.

Sec. 2. Minnesota Statutes 2016, section 245A.02, subdivision 5a, is amended to read:

Subd. 5a. **Controlling individual.** (a) "Controlling individual" means a public body, governmental agency, business entity, officer, owner, or managerial official whose responsibilities include the direction of the management or policies of a program. For purposes of this subdivision, owner means an individual who has direct or indirect ownership interest in a corporation, partnership, or other business association issued a license under this chapter. For purposes of this subdivision, managerial official means those individuals who have the decision making authority related to the operation of the program, and the responsibility for the ongoing management or direction of the policies, services, or employees of the program. A site director who has no ownership interest in the program is not considered to be a managerial official for purposes of this definition. Controlling individual does not include an owner of a program or service provider licensed under this chapter and the following individuals, if applicable:

(1) each officer of the organization, including the chief executive officer and chief financial officer;

(2) the individual designated as the authorized agent under section 245A.04, subdivision 1, paragraph (b);

(3) the individual designated as the compliance officer under section 256B.04, subdivision 21, paragraph (b); and

(4) each managerial official whose responsibilities include the direction of the management or policies of a program.

(b) Controlling individual does not include:

(1) a bank, savings bank, trust company, savings association, credit union, industrial loan and thrift company, investment banking firm, or insurance company unless the entity operates a program directly or through a subsidiary;

(2) an individual who is a state or federal official, or state or federal employee, or a member or employee of the governing body of a political subdivision of the state or federal government that operates one or more programs, unless the individual is also an officer,
owner, or managerial official of the program, receives remuneration from the program, or
owns any of the beneficial interests not excluded in this subdivision;

(3) an individual who owns less than five percent of the outstanding common shares of
a corporation:

   (i) whose securities are exempt under section 80A.45, clause (6); or

   (ii) whose transactions are exempt under section 80A.46, clause (2); or

(4) an individual who is a member of an organization exempt from taxation under section
290.05, unless the individual is also an officer, owner, or managerial official of the program
or owns any of the beneficial interests not excluded in this subdivision. This clause does
not exclude from the definition of controlling individual an organization that is exempt from
taxation; or

(5) an employee stock ownership plan trust, or a participant or board member of an
employee stock ownership plan, unless the participant or board member is a controlling
individual according to paragraph (a).

(c) For purposes of this subdivision, "managerial official" means an individual who has
the decision-making authority related to the operation of the program, and the responsibility
for the ongoing management of or direction of the policies, services, or employees of the
program. A site director who has no ownership interest in the program is not considered to
be a managerial official for purposes of this definition.

Sec. 3. Minnesota Statutes 2016, section 245A.02, is amended by adding a subdivision to
read:

Subd. 10b. Owner. "Owner" means an individual or organization that has a direct or
indirect ownership interest of five percent or more in a program licensed under this chapter.
For purposes of this subdivision, "direct ownership interest" means the possession of equity
in capital, stock, or profits of an organization, and "indirect ownership interest" means a
direct ownership interest in an entity that has a direct or indirect ownership interest in a
licensed program. For purposes of this chapter, "owner of a nonprofit corporation" means
the president and treasurer of the board of directors or, for an entity owned by an employee
stock ownership plan, means the president and treasurer of the entity. A government entity
that is issued a license under this chapter shall be designated the owner.
Sec. 4. [256.999] LEGISLATIVE NOTICE AND APPROVAL REQUIRED FOR CERTAIN FEDERAL WAIVERS OR APPROVALS.

(a) Before submitting an application for a federal waiver or approval (1) under section 1332 of the Affordable Care Act or section 1115 of the Social Security Act, or (2) to modify or add a benefit covered by medical assistance or otherwise amend the state's Medicaid plan, the commissioner, governing board, or director of a state agency seeking the federal waiver or approval must provide notice and a copy of the application for the federal waiver or approval to the chairs and ranking minority members of the legislative committees with jurisdiction over health and human services policy and finance and commerce.

(b) If a federal waiver or approval (1) under section 1332 of the Affordable Care Act or section 1115 of the Social Security Act, or (2) to modify or add a benefit covered by medical assistance or otherwise amend the state's Medicaid plan, is received or granted during a legislative session, a commissioner, governing board, or director of a state agency is prohibited from implementing or otherwise acting on the federal waiver or approval received or granted, unless the federal waiver or approval is specifically authorized by law on a date after receipt of the federal waiver or approval.

(c) If a federal waiver or approval (1) under section 1332 of the Affordable Care Act or section 1115 of the Social Security Act, or (2) to modify or add a benefit covered by medical assistance or otherwise amend the state's Medicaid plan, is received or granted while the legislature is not in session, a commissioner, governing board, or director of a state agency is prohibited from implementing or otherwise acting on the federal waiver or approval received or granted, unless the federal waiver or approval is submitted to the Legislative Advisory Commission and the commission makes a positive recommendation. If the commission makes no recommendation, a negative recommendation, or a recommendation for further review, the commissioner, governing board, or director shall not implement or otherwise act on the federal waiver or approval received or granted.

EFFECTIVE DATE. This section is effective the day following final enactment and applies to initial requests for federal waivers or approvals sought on or after that date.

Sec. 5. ESTABLISHMENT OF FEDERALLY FACILITATED MARKETPLACE.

Subdivision 1. Establishment. (a) The commissioner of commerce, in cooperation with the secretary of the United States Department of Health and Human Services, shall establish a federally facilitated marketplace for Minnesota for coverage beginning January 1, 2019. The federally facilitated marketplace shall take the place of MNsure, established under Minnesota Statutes, chapter 62V. In working with the secretary of the United States
Department of Health and Human Services to implement the federally facilitated marketplace in Minnesota, the commissioner of commerce shall:

(1) seek to incorporate, where appropriate and cost-effective, elements of the Minnesota eligibility system as defined in Minnesota Statutes, section 62V.055, subdivision 1;

(2) regularly consult with stakeholder groups, including but not limited to representatives of state agencies, health care providers, health plan companies, brokers, and consumers;

and

(3) seek all available federal grants and funds for state planning and development costs.

(b) All health plans that are offered to Minnesota residents through the federally facilitated marketplace, when implemented, and that are offered by a health carrier that meets the applicability criteria in Minnesota Statutes, section 62K.10, subdivision 1, must satisfy requirements for:

(1) geographic accessibility to providers that at least satisfy the maximum distance or travel times specified in Minnesota Statutes, section 62K.10, subdivisions 2 and 3; and

(2) provider network adequacy that guarantees at least the level of network adequacy required by Minnesota Statutes, section 62K.10, subdivision 4.

For purposes of this paragraph, "health plan" has the meaning given in Minnesota Statutes, section 62A.011, subdivision 3, and "health carrier" has the meaning given in Minnesota Statutes, section 62A.011, subdivision 2.

Subd. 2. Implementation plan; draft legislation. The commissioner of commerce, in consultation with the commissioner of human services, the chief information officer of MN.IT, and the MNsure board, shall develop and present to the 2018 legislature an implementation plan for conversion to a federally facilitated marketplace. The plan must:

(1) address and provide recommendations on the following issues:

(i) the state agency or other entity responsible for state oversight and administration related to the state's use of the federally facilitated marketplace;

(ii) plan management functions, including certification of qualified health plans;

(iii) the operation of navigator and in-person assister programs, and the operation of a call center and Web site;

(iv) funding for federally facilitated marketplace activities, including a user fee rate that shall not exceed the federal platform user fee rate of two percent of premiums charged for a coverage year; and

administration of MinnesotaCare as a basic health plan by the commissioner of human services;

(2) address and provide recommendations on the funding and operation of the system to be used for public health care program eligibility determinations. These recommendations must be developed in consultation with the Minnesota eligibility system executive steering committee established under Minnesota Statutes, section 62V.055; and

(3) include draft legislation for any changes in state law necessary to implement a federally facilitated marketplace, including but not limited to necessary changes to Laws 2013, chapter 84, and technical and conforming changes related to the repeal of Minnesota Statutes, chapter 62V.

Subd. 3. **Vendor contract.** The commissioner of commerce, in consultation with the commissioner of human services, the chief information officer of MN.IT, and the MNsure board, shall contract with a vendor to provide technical assistance in developing and implementing the plan for conversion to a federally facilitated marketplace.

**Sec. 6. REPEALER.**

Minnesota Statutes 2016, sections 62V.01; 62V.02; 62V.03; 62V.04; 62V.05; 62V.051; 62V.055; 62V.06; 62V.07; 62V.08; 62V.09; 62V.10; and 62V.11, are repealed effective January 1, 2019.

**ARTICLE 14**

**NURSING FACILITY TECHNICAL CORRECTIONS**

Section 1. Minnesota Statutes 2016, section 144.0722, subdivision 1, is amended to read:

Subdivision 1. **Resident reimbursement classifications.** The commissioner of health shall establish resident reimbursement classifications based upon the assessments of residents of nursing homes and boarding care homes conducted under section 144.0721, or under rules established by the commissioner of human services under sections 256B.41 to 256B.48 chapter 256R. The reimbursement classifications established by the commissioner must conform to the rules established by the commissioner of human services.

Sec. 2. Minnesota Statutes 2016, section 144.0724, subdivision 1, is amended to read:

Subdivision 1. **Resident reimbursement case mix classifications.** The commissioner of health shall establish resident reimbursement classifications based upon the assessments
of residents of nursing homes and boarding care homes conducted under this section and according to section 256B.438 256R.17.

Sec. 3. Minnesota Statutes 2016, section 144.0724, subdivision 2, is amended to read:

Subd. 2. Definitions. For purposes of this section, the following terms have the meanings given.

(a) "Assessment reference date" or "ARD" means the specific end point for look-back periods in the MDS assessment process. This look-back period is also called the observation or assessment period.

(b) "Case mix index" means the weighting factors assigned to the RUG-IV classifications.

(c) "Index maximization" means classifying a resident who could be assigned to more than one category, to the category with the highest case mix index.

(d) "Minimum data set" or "MDS" means a core set of screening, clinical assessment, and functional status elements, that include common definitions and coding categories specified by the Centers for Medicare and Medicaid Services and designated by the Minnesota Department of Health.

(e) "Representative" means a person who is the resident's guardian or conservator, the person authorized to pay the nursing home expenses of the resident, a representative of the Office of Ombudsman for Long-Term Care whose assistance has been requested, or any other individual designated by the resident.

(f) "Resource utilization groups" or "RUG" means the system for grouping a nursing facility's residents according to their clinical and functional status identified in data supplied by the facility's minimum data set.

(g) "Activities of daily living" means grooming, dressing, bathing, transferring, mobility, positioning, eating, and toileting.

(h) "Nursing facility level of care determination" means the assessment process that results in a determination of a resident's or prospective resident's need for nursing facility level of care as established in subdivision 11 for purposes of medical assistance payment of long-term care services for:

(1) nursing facility services under section 256B.434 or 256B.441 chapter 256R;

(2) elderly waiver services under section 256B.0915;

(3) CADI and BI waiver services under section 256B.49; and
Sec. 4. Minnesota Statutes 2016, section 144.0724, subdivision 9, is amended to read:

Subd. 9. Audit authority. (a) The commissioner shall audit the accuracy of resident assessments performed under section 256B.438 through any of the following: desk audits; on-site review of residents and their records; and interviews with staff, residents, or residents' families. The commissioner shall reclassify a resident if the commissioner determines that the resident was incorrectly classified.

(b) The commissioner is authorized to conduct on-site audits on an unannounced basis.

(c) A facility must grant the commissioner access to examine the medical records relating to the resident assessments selected for audit under this subdivision. The commissioner may also observe and speak to facility staff and residents.

(d) The commissioner shall consider documentation under the time frames for coding items on the minimum data set as set out in the Long-Term Care Facility Resident Assessment Instrument User's Manual published by the Centers for Medicare and Medicaid Services.

(e) The commissioner shall develop an audit selection procedure that includes the following factors:

(1) Each facility shall be audited annually. If a facility has two successive audits in which the percentage of change is five percent or less and the facility has not been the subject of a special audit in the past 36 months, the facility may be audited biannually. A stratified sample of 15 percent, with a minimum of ten assessments, of the most current assessments shall be selected for audit. If more than 20 percent of the RUG-IV classifications are changed as a result of the audit, the audit shall be expanded to a second 15 percent sample, with a minimum of ten assessments. If the total change between the first and second samples is 35 percent or greater, the commissioner may expand the audit to all of the remaining assessments.

(2) If a facility qualifies for an expanded audit, the commissioner may audit the facility again within six months. If a facility has two expanded audits within a 24-month period, that facility will be audited at least every six months for the next 18 months.

(3) The commissioner may conduct special audits if the commissioner determines that circumstances exist that could alter or affect the validity of case mix classifications of residents. These circumstances include, but are not limited to, the following:

(i) frequent changes in the administration or management of the facility;
(ii) an unusually high percentage of residents in a specific case mix classification;

(iii) a high frequency in the number of reconsideration requests received from a facility;

(iv) frequent adjustments of case mix classifications as the result of reconsiderations or audits;

(v) a criminal indictment alleging provider fraud;

(vi) other similar factors that relate to a facility's ability to conduct accurate assessments;

(vii) an atypical pattern of scoring minimum data set items;

(viii) nonsubmission of assessments;

(ix) late submission of assessments; or

(x) a previous history of audit changes of 35 percent or greater.

(f) Within 15 working days of completing the audit process, the commissioner shall make available electronically the results of the audit to the facility. If the results of the audit reflect a change in the resident's case mix classification, a case mix classification notice will be made available electronically to the facility, using the procedure in subdivision 7, paragraph (a). The notice must contain the resident's classification and a statement informing the resident, the resident's authorized representative, and the facility of their right to review the commissioner's documents supporting the classification and to request a reconsideration of the classification. This notice must also include the address and telephone number of the Office of Ombudsman for Long-Term Care.

Sec. 5. Minnesota Statutes 2016, section 144A.071, subdivision 3, is amended to read:

Subd. 3. Exceptions authorizing increase in beds; hardship areas. (a) The commissioner of health, in coordination with the commissioner of human services, may approve the addition of new licensed and Medicare and Medicaid certified nursing home beds, using the criteria and process set forth in this subdivision.

(b) The commissioner, in cooperation with the commissioner of human services, shall consider the following criteria when determining that an area of the state is a hardship area with regard to access to nursing facility services:

(1) a low number of beds per thousand in a specified area using as a standard the beds per thousand people age 65 and older, in five year age groups, using data from the most recent census and population projections, weighted by each group's most recent nursing
home utilization, of the county at the 20th percentile, as determined by the commissioner
of human services;

(2) a high level of out-migration for nursing facility services associated with a described
area from the county or counties of residence to other Minnesota counties, as determined
by the commissioner of human services, using as a standard an amount greater than the
out-migration of the county ranked at the 50th percentile;

(3) an adequate level of availability of noninstitutional long-term care services measured
as public spending for home and community-based long-term care services per individual
age 65 and older, in five year age groups, using data from the most recent census and
population projections, weighted by each group's most recent nursing home utilization, as
determined by the commissioner of human services using as a standard an amount greater
than the 50th percentile of counties;

(4) there must be a declaration of hardship resulting from insufficient access to nursing
home beds by local county agencies and area agencies on aging; and

(5) other factors that may demonstrate the need to add new nursing facility beds.

(c) On August 15 of odd-numbered years, the commissioner, in cooperation with the
commissioner of human services, may publish in the State Register a request for information
in which interested parties, using the data provided under section 144A.351, along with any
other relevant data, demonstrate that a specified area is a hardship area with regard to access
to nursing facility services. For a response to be considered, the commissioner must receive
it by November 15. The commissioner shall make responses to the request for information
available to the public and shall allow 30 days for comment. The commissioner shall review
responses and comments and determine if any areas of the state are to be declared hardship
areas.

(d) For each designated hardship area determined in paragraph (c), the commissioner
shall publish a request for proposals in accordance with section 144A.073 and Minnesota
Rules, parts 4655.1070 to 4655.1098. The request for proposals must be published in the
State Register by March 15 following receipt of responses to the request for information.
The request for proposals must specify the number of new beds which may be added in the
designated hardship area, which must not exceed the number which, if added to the existing
number of beds in the area, including beds in layaway status, would have prevented it from
being determined to be a hardship area under paragraph (b), clause (1). Beginning July 1,
2011, the number of new beds approved must not exceed 200 beds statewide per biennium.
After June 30, 2019, the number of new beds that may be approved in a biennium must not
exceed 300 statewide. For a proposal to be considered, the commissioner must receive it within six months of the publication of the request for proposals. The commissioner shall review responses to the request for proposals and shall approve or disapprove each proposal by the following July 15, in accordance with section 144A.073 and Minnesota Rules, parts 4655.1070 to 4655.1098. The commissioner shall base approvals or disapprovals on a comparison and ranking of proposals using only the criteria in subdivision 4a. Approval of a proposal expires after 18 months unless the facility has added the new beds using existing space, subject to approval by the commissioner, or has commenced construction as defined in section 144A.071, subdivision 1a, paragraph (d). If, after the approved beds have been added, fewer than 50 percent of the beds in a facility are newly licensed, the operating payment rates previously in effect shall remain. If, after the approved beds have been added, 50 percent or more of the beds in a facility are newly licensed, operating payment rates shall be determined according to Minnesota Rules, part 9549.0057, using the limits under section 256B.441 sections 256R.23, subdivision 5, and 256R.24, subdivision 3. External fixed costs payment rates must be determined according to section 256B.441, subdivision 52 256R.25.

Property payment rates for facilities with beds added under this subdivision must be determined in the same manner as rate determinations resulting from projects approved and completed under section 144A.073.

(e) The commissioner may:

(1) certify or license new beds in a new facility that is to be operated by the commissioner of veterans affairs or when the costs of constructing and operating the new beds are to be reimbursed by the commissioner of veterans affairs or the United States Veterans Administration; and

(2) license or certify beds in a facility that has been involuntarily delicensed or decertified for participation in the medical assistance program, provided that an application for relicensure or recertification is submitted to the commissioner by an organization that is not a related organization as defined in section 256B.441, subdivision 34 256R.02, subdivision 43, to the prior licensee within 120 days after delicensure or decertification.

Sec. 6. Minnesota Statutes 2016, section 144A.071, subdivision 4a, is amended to read:

Subd. 4a. Exceptions for replacement beds. It is in the best interest of the state to ensure that nursing homes and boarding care homes continue to meet the physical plant licensing and certification requirements by permitting certain construction projects. Facilities should be maintained in condition to satisfy the physical and emotional needs of residents while allowing the state to maintain control over nursing home expenditure growth.
The commissioner of health in coordination with the commissioner of human services, may approve the renovation, replacement, upgrading, or relocation of a nursing home or boarding care home, under the following conditions:

(a) to license or certify beds in a new facility constructed to replace a facility or to make repairs in an existing facility that was destroyed or damaged after June 30, 1987, by fire, lightning, or other hazard provided:

(i) destruction was not caused by the intentional act of or at the direction of a controlling person of the facility;

(ii) at the time the facility was destroyed or damaged the controlling persons of the facility maintained insurance coverage for the type of hazard that occurred in an amount that a reasonable person would conclude was adequate;

(iii) the net proceeds from an insurance settlement for the damages caused by the hazard are applied to the cost of the new facility or repairs;

(iv) the number of licensed and certified beds in the new facility does not exceed the number of licensed and certified beds in the destroyed facility; and

(v) the commissioner determines that the replacement beds are needed to prevent an inadequate supply of beds.

Project construction costs incurred for repairs authorized under this clause shall not be considered in the dollar threshold amount defined in subdivision 2;

(b) to license or certify beds that are moved from one location to another within a nursing home facility, provided the total costs of remodeling performed in conjunction with the relocation of beds does not exceed $1,000,000;

(c) to license or certify beds in a project recommended for approval under section 144A.073;

(d) to license or certify beds that are moved from an existing state nursing home to a different state facility, provided there is no net increase in the number of state nursing home beds;

(e) to certify and license as nursing home beds boarding care beds in a certified boarding care facility if the beds meet the standards for nursing home licensure, or in a facility that was granted an exception to the moratorium under section 144A.073, and if the cost of any remodeling of the facility does not exceed $1,000,000. If boarding care beds are licensed as nursing home beds, the number of boarding care beds in the facility must not increase
beyond the number remaining at the time of the upgrade in licensure. The provisions contained in section 144A.073 regarding the upgrading of the facilities do not apply to facilities that satisfy these requirements;

(f) to license and certify up to 40 beds transferred from an existing facility owned and operated by the Amherst H. Wilder Foundation in the city of St. Paul to a new unit at the same location as the existing facility that will serve persons with Alzheimer's disease and other related disorders. The transfer of beds may occur gradually or in stages, provided the total number of beds transferred does not exceed 40. At the time of licensure and certification of a bed or beds in the new unit, the commissioner of health shall delicense and decertify the same number of beds in the existing facility. As a condition of receiving a license or certification under this clause, the facility must make a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate as a result of the transfers allowed under this paragraph;

(g) to license and certify nursing home beds to replace currently licensed and certified boarding care beds which may be located either in a remodeled or renovated boarding care or nursing home facility or in a remodeled, renovated, newly constructed, or replacement nursing home facility within the identifiable complex of health care facilities in which the currently licensed boarding care beds are presently located, provided that the number of boarding care beds in the facility or complex are decreased by the number to be licensed as nursing home beds and further provided that, if the total costs of new construction, replacement, remodeling, or renovation exceed ten percent of the appraised value of the facility or $200,000, whichever is less, the facility makes a written commitment to the commissioner of human services that it will not seek to receive an increase in its property-related payment rate by reason of the new construction, replacement, remodeling, or renovation. The provisions contained in section 144A.073 regarding the upgrading of facilities do not apply to facilities that satisfy these requirements;

(h) to license as a nursing home and certify as a nursing facility a facility that is licensed as a boarding care facility but not certified under the medical assistance program, but only if the commissioner of human services certifies to the commissioner of health that licensing the facility as a nursing home and certifying the facility as a nursing facility will result in a net annual savings to the state general fund of $200,000 or more;

(i) to certify, after September 30, 1992, and prior to July 1, 1993, existing nursing home beds in a facility that was licensed and in operation prior to January 1, 1992;
(j) to license and certify new nursing home beds to replace beds in a facility acquired by the Minneapolis Community Development Agency as part of redevelopment activities in a city of the first class, provided the new facility is located within three miles of the site of the old facility. Operating and property costs for the new facility must be determined and allowed under section 256B.431 or 256B.434 or chapter 256R;

(k) to license and certify up to 20 new nursing home beds in a community-operated hospital and attached convalescent and nursing care facility with 40 beds on April 21, 1991, that suspended operation of the hospital in April 1986. The commissioner of human services shall provide the facility with the same per diem property-related payment rate for each additional licensed and certified bed as it will receive for its existing 40 beds;

(l) to license or certify beds in renovation, replacement, or upgrading projects as defined in section 144A.073, subdivision 1, so long as the cumulative total costs of the facility's remodeling projects do not exceed $1,000,000;

(m) to license and certify beds that are moved from one location to another for the purposes of converting up to five four-bed wards to single or double occupancy rooms in a nursing home that, as of January 1, 1993, was county-owned and had a licensed capacity of 115 beds;

(n) to allow a facility that on April 16, 1993, was a 106-bed licensed and certified nursing facility located in Minneapolis to layaway all of its licensed and certified nursing home beds. These beds may be relicensed and recertified in a newly constructed teaching nursing home facility affiliated with a teaching hospital upon approval by the legislature. The proposal must be developed in consultation with the interagency committee on long-term care planning. The beds on layaway status shall have the same status as voluntarily delicensed and decertified beds, except that beds on layaway status remain subject to the surcharge in section 256.9657. This layaway provision expires July 1, 1998;

(o) to allow a project which will be completed in conjunction with an approved moratorium exception project for a nursing home in southern Cass County and which is directly related to that portion of the facility that must be repaired, renovated, or replaced, to correct an emergency plumbing problem for which a state correction order has been issued and which must be corrected by August 31, 1993;

(p) to allow a facility that on April 16, 1993, was a 368-bed licensed and certified nursing facility located in Minneapolis to layaway, upon 30 days prior written notice to the commissioner, up to 30 of the facility's licensed and certified beds by converting three-bed wards to single or double occupancy. Beds on layaway status shall have the same status as
voluntarily delicensed and decertified beds except that beds on layaway status remain subject
to the surcharge in section 256.9657, remain subject to the license application and renewal
fees under section 144A.07 and shall be subject to a $100 per bed reactivation fee. In
addition, at any time within three years of the effective date of the layaway, the beds on
layaway status may be:

(1) relicensed and recertified upon relocation and reactivation of some or all of the beds
to an existing licensed and certified facility or facilities located in Pine River, Brainerd, or
International Falls; provided that the total project construction costs related to the relocation
of beds from layaway status for any facility receiving relocated beds may not exceed the
dollar threshold provided in subdivision 2 unless the construction project has been approved
through the moratorium exception process under section 144A.073;

(2) relicensed and recertified, upon reactivation of some or all of the beds within the
facility which placed the beds in layaway status, if the commissioner has determined a need
for the reactivation of the beds on layaway status.

The property-related payment rate of a facility placing beds on layaway status must be
adjusted by the incremental change in its rental per diem after recalculating the rental per
diem as provided in section 256B.431, subdivision 3a, paragraph (c). The property-related
payment rate for a facility relicensing and recertifying beds from layaway status must be
adjusted by the incremental change in its rental per diem after recalculating its rental per
diem using the number of beds after the relicensing to establish the facility's capacity day
divisor, which shall be effective the first day of the month following the month in which
the relicensing and recertification became effective. Any beds remaining on layaway status
more than three years after the date the layaway status became effective must be removed
from layaway status and immediately delicensed and decertified;

(q) to license and certify beds in a renovation and remodeling project to convert 12
four-bed wards into 24 two-bed rooms, expand space, and add improvements in a nursing
home that, as of January 1, 1994, met the following conditions: the nursing home was located
in Ramsey County; had a licensed capacity of 154 beds; and had been ranked among the
top 15 applicants by the 1993 moratorium exceptions advisory review panel. The total
project construction cost estimate for this project must not exceed the cost estimate submitted
in connection with the 1993 moratorium exception process;

(r) to license and certify up to 117 beds that are relocated from a licensed and certified
138-bed nursing facility located in St. Paul to a hospital with 130 licensed hospital beds
located in South St. Paul, provided that the nursing facility and hospital are owned by the
same or a related organization and that prior to the date the relocation is completed the
hospital ceases operation of its inpatient hospital services at that hospital. After relocation, the nursing facility's status shall be the same as it was prior to relocation. The nursing facility's property-related payment rate resulting from the project authorized in this paragraph shall become effective no earlier than April 1, 1996. For purposes of calculating the incremental change in the facility's rental per diem resulting from this project, the allowable appraised value of the nursing facility portion of the existing health care facility physical plant prior to the renovation and relocation may not exceed $2,490,000;

(s) to license and certify two beds in a facility to replace beds that were voluntarily delicensed and decertified on June 28, 1991;

(t) to allow 16 licensed and certified beds located on July 1, 1994, in a 142-bed nursing home and 21-bed boarding care home facility in Minneapolis, notwithstanding the licensure and certification after July 1, 1995, of the Minneapolis facility as a 147-bed nursing home facility after completion of a construction project approved in 1993 under section 144A.073, to be laid away upon 30 days' prior written notice to the commissioner. Beds on layaway status shall have the same status as voluntarily delicensed or decertified beds except that they shall remain subject to the surcharge in section 256.9657. The 16 beds on layaway status may be relicensed as nursing home beds and recertified at any time within five years of the effective date of the layaway upon relocation of some or all of the beds to a licensed and certified facility located in Watertown, provided that the total project construction costs related to the relocation of beds from layaway status for the Watertown facility may not exceed the dollar threshold provided in subdivision 2 unless the construction project has been approved through the moratorium exception process under section 144A.073.

The property-related payment rate of the facility placing beds on layaway status must be adjusted by the incremental change in its rental per diem after recalculating the rental per diem as provided in section 256B.431, subdivision 3a, paragraph (c). The property-related payment rate for the facility relicensing and recertifying beds from layaway status must be adjusted by the incremental change in its rental per diem after recalculating its rental per diem using the number of beds after the relicensing to establish the facility's capacity day divisor, which shall be effective the first day of the month following the month in which the relicensing and recertification became effective. Any beds remaining on layaway status more than five years after the date the layaway status became effective must be removed from layaway status and immediately delicensed and decertified;

(u) to license and certify beds that are moved within an existing area of a facility or to a newly constructed addition which is built for the purpose of eliminating three- and four-bed
rooms and adding space for dining, lounge areas, bathing rooms, and ancillary service areas in a nursing home that, as of January 1, 1995, was located in Fridley and had a licensed capacity of 129 beds;

(v) to relocate 36 beds in Crow Wing County and four beds from Hennepin County to a 160-bed facility in Crow Wing County, provided all the affected beds are under common ownership;

(w) to license and certify a total replacement project of up to 49 beds located in Norman County that are relocated from a nursing home destroyed by flood and whose residents were relocated to other nursing homes. The operating cost payment rates for the new nursing facility shall be determined based on the interim and settle-up payment provisions of Minnesota Rules, part 9549.0057, and the reimbursement provisions of section 256B.431 chapter 256R. Property-related reimbursement rates shall be determined under section 256B.431, 256R.26, taking into account any federal or state flood-related loans or grants provided to the facility;

(x) to license and certify to the licensee of a nursing home in Polk County that was destroyed by flood in 1997 replacement projects with a total of up to 129 beds, with at least 25 beds to be located in Polk County and up to 104 beds distributed among up to three other counties. These beds may only be distributed to counties with fewer than the median number of age intensity adjusted beds per thousand, as most recently published by the commissioner of human services. If the licensee chooses to distribute beds outside of Polk County under this paragraph, prior to distributing the beds, the commissioner of health must approve the location in which the licensee plans to distribute the beds. The commissioner of health shall consult with the commissioner of human services prior to approving the location of the proposed beds. The licensee may combine these beds with beds relocated from other nursing facilities as provided in section 144A.073, subdivision 3c. The operating payment rates for the new nursing facilities shall be determined based on the interim and settle-up payment provisions of section 256B.431, 256B.434, or 256B.441 or Minnesota Rules, parts 9549.0010 to 9549.0080. Property-related reimbursement rates shall be determined under section 256B.431, 256B.434, or 256B.441 256R.26. If the replacement beds permitted under this paragraph are combined with beds from other nursing facilities, the rates shall be calculated as the weighted average of rates determined as provided in this paragraph and section 256B.441, subdivision 60 256R.50;

(y) to license and certify beds in a renovation and remodeling project to convert 13 three-bed wards into 13 two-bed rooms and 13 single-bed rooms, expand space, and add improvements in a nursing home that, as of January 1, 1994, met the following conditions:
the nursing home was located in Ramsey County, was not owned by a hospital corporation, had a licensed capacity of 64 beds, and had been ranked among the top 15 applicants by the 1993 moratorium exceptions advisory review panel. The total project construction cost estimate for this project must not exceed the cost estimate submitted in connection with the 1993 moratorium exception process;

(z) to license and certify up to 150 nursing home beds to replace an existing 285 bed nursing facility located in St. Paul. The replacement project shall include both the renovation of existing buildings and the construction of new facilities at the existing site. The reduction in the licensed capacity of the existing facility shall occur during the construction project as beds are taken out of service due to the construction process. Prior to the start of the construction process, the facility shall provide written information to the commissioner of health describing the process for bed reduction, plans for the relocation of residents, and the estimated construction schedule. The relocation of residents shall be in accordance with the provisions of law and rule;

(aa) to allow the commissioner of human services to license an additional 36 beds to provide residential services for the physically disabled under Minnesota Rules, parts 9570.2000 to 9570.3400, in a 198-bed nursing home located in Red Wing, provided that the total number of licensed and certified beds at the facility does not increase;

(bb) to license and certify a new facility in St. Louis County with 44 beds constructed to replace an existing facility in St. Louis County with 31 beds, which has resident rooms on two separate floors and an antiquated elevator that creates safety concerns for residents and prevents nonambulatory residents from residing on the second floor. The project shall include the elimination of three- and four-bed rooms;

(cc) to license and certify four beds in a 16-bed certified boarding care home in Minneapolis to replace beds that were voluntarily delicensed and decertified on or before March 31, 1992. The licensure and certification is conditional upon the facility periodically assessing and adjusting its resident mix and other factors which may contribute to a potential institution for mental disease declaration. The commissioner of human services shall retain the authority to audit the facility at any time and shall require the facility to comply with any requirements necessary to prevent an institution for mental disease declaration, including delicensure and decertification of beds, if necessary;

(dd) to license and certify 72 beds in an existing facility in Mille Lacs County with 80 beds as part of a renovation project. The renovation must include construction of an addition to accommodate ten residents with beginning and midstage dementia in a self-contained
living unit; creation of three resident households where dining, activities, and support spaces
are located near resident living quarters; designation of four beds for rehabilitation in a
self-contained area; designation of 30 private rooms; and other improvements;

(ce) to license and certify beds in a facility that has undergone replacement or remodeling
as part of a planned closure under section 256B.437 256R.40;

(ff) to license and certify a total replacement project of up to 124 beds located in Wilkin
County that are in need of relocation from a nursing home significantly damaged by flood.
The operating cost payment rates for the new nursing facility shall be determined based on
the interim and settle-up payment provisions of Minnesota Rules, part 9549.0057, and the
reimbursement provisions of section 256B.434 chapter 256R. Property-related reimbursement
rates shall be determined under section 256B.434 256R.26, taking into account any federal
or state flood-related loans or grants provided to the facility;

(gg) to allow the commissioner of human services to license an additional nine beds to
provide residential services for the physically disabled under Minnesota Rules, parts
9570.2000 to 9570.3400, in a 240-bed nursing home located in Duluth, provided that the
total number of licensed and certified beds at the facility does not increase;

(hh) to license and certify up to 120 new nursing facility beds to replace beds in a facility
in Anoka County, which was licensed for 98 beds as of July 1, 2000, provided the new
facility is located within four miles of the existing facility and is in Anoka County. Operating
and property rates shall be determined and allowed under section 256B.434 chapter 256R
and Minnesota Rules, parts 9549.0010 to 9549.0080, or section 256B.434 or 256B.441;
or

(ii) to transfer up to 98 beds of a 129-licensed bed facility located in Anoka County that,
as of March 25, 2001, is in the active process of closing, to a 122-licensed bed nonprofit
nursing facility located in the city of Columbia Heights or its affiliate. The transfer is effective
when the receiving facility notifies the commissioner in writing of the number of beds
accepted. The commissioner shall place all transferred beds on layaway status held in the
name of the receiving facility. The layaway adjustment provisions of section 256B.431,
subdivision 30, do not apply to this layaway. The receiving facility may only remove the
beds from layaway for recertification and relicensure at the receiving facility's current site,
or at a newly constructed facility located in Anoka County. The receiving facility must
receive statutory authorization before removing these beds from layaway status, or may
remove these beds from layaway status if removal from layaway status is part of a
moratorium exception project approved by the commissioner under section 144A.073.
Sec. 7. Minnesota Statutes 2016, section 144A.071, subdivision 4c, is amended to read:

Subd. 4c. Exceptions for replacement beds after June 30, 2003. (a) The commissioner of health, in coordination with the commissioner of human services, may approve the renovation, replacement, upgrading, or relocation of a nursing home or boarding care home, under the following conditions:

(1) to license and certify an 80-bed city-owned facility in Nicollet County to be constructed on the site of a new city-owned hospital to replace an existing 85-bed facility attached to a hospital that is also being replaced. The threshold allowed for this project under section 144A.073 shall be the maximum amount available to pay the additional medical assistance costs of the new facility;

(2) to license and certify 29 beds to be added to an existing 69-bed facility in St. Louis County, provided that the 29 beds must be transferred from active or layaway status at an existing facility in St. Louis County that had 235 beds on April 1, 2003. The licensed capacity at the 235-bed facility must be reduced to 206 beds, but the payment rate at that facility shall not be adjusted as a result of this transfer. The operating payment rate of the facility adding beds after completion of this project shall be the same as it was on the day prior to the day the beds are licensed and certified. This project shall not proceed unless it is approved and financed under the provisions of section 144A.073;

(3) to license and certify a new 60-bed facility in Austin, provided that: (i) 45 of the new beds are transferred from a 45-bed facility in Austin under common ownership that is closed and 15 of the new beds are transferred from a 182-bed facility in Albert Lea under common ownership; (ii) the commissioner of human services is authorized by the 2004 legislature to negotiate budget-neutral planned nursing facility closures; and (iii) money is available from planned closures of facilities under common ownership to make implementation of this clause budget-neutral to the state. The bed capacity of the Albert Lea facility shall be reduced to 167 beds following the transfer. Of the 60 beds at the new facility, 20 beds shall be used for a special care unit for persons with Alzheimer's disease or related dementias;

(4) to license and certify up to 80 beds transferred from an existing state-owned nursing facility in Cass County to a new facility located on the grounds of the Ah-Gwah-Ching campus. The operating cost payment rates for the new facility shall be determined based on the interim and settle-up payment provisions of Minnesota Rules, part 9549.0057, and the reimbursement provisions of section 256B.431, chapter 256R. The property payment rate for the first three years of operation shall be $35 per day. For subsequent years, the property payment rate of $35 per day shall be adjusted for inflation as provided in section
256B.434, subdivision 4, paragraph (c), as long as the facility has a contract under section 256B.434;

(5) to initiate a pilot program to license and certify up to 80 beds transferred from an existing county-owned nursing facility in Steele County relocated to the site of a new acute care facility as part of the county's Communities for a Lifetime comprehensive plan to create innovative responses to the aging of its population. Upon relocation to the new site, the nursing facility shall delicense 28 beds. The payment rate for external fixed costs for the new facility shall be increased by an amount as calculated according to items (i) to (v):

(i) compute the estimated decrease in medical assistance residents served by the nursing facility by multiplying the decrease in licensed beds by the historical percentage of medical assistance resident days;

(ii) compute the annual savings to the medical assistance program from the delicensure of 28 beds by multiplying the anticipated decrease in medical assistance residents, determined in item (i), by the existing facility's weighted average payment rate multiplied by 365;

(iii) compute the anticipated annual costs for community-based services by multiplying the anticipated decrease in medical assistance residents served by the nursing facility, determined in item (i), by the average monthly elderly waiver service costs for individuals in Steele County multiplied by 12;

(iv) subtract the amount in item (iii) from the amount in item (ii);

(v) divide the amount in item (iv) by an amount equal to the relocated nursing facility's occupancy factor under section 256B.431, subdivision 3f, paragraph (c), multiplied by the historical percentage of medical assistance resident days; and

(6) to consolidate and relocate nursing facility beds to a new site in Goodhue County and to integrate these services with other community-based programs and services under a communities for a lifetime pilot program and comprehensive plan to create innovative responses to the aging of its population. Two nursing facilities, one for 84 beds and one for 65 beds, in the city of Red Wing licensed on July 1, 2015, shall be consolidated into a newly renovated 64-bed nursing facility resulting in the delicensure of 85 beds. Notwithstanding the carryforward of the approval authority in section 144A.073, subdivision 11, the funding approved in April 2009 by the commissioner of health for a project in Goodhue County shall not carry forward. The closure of the 85 beds shall not be eligible for a planned closure rate adjustment under section 256B.437. The construction project permitted in this clause shall not be eligible for a threshold project rate adjustment under section 256B.434,
subdivision 4f. The payment rate for external fixed costs for the new facility shall be
increased by an amount as calculated according to items (i) to (vi):

(i) compute the estimated decrease in medical assistance residents served by both nursing
facilities by multiplying the difference between the occupied beds of the two nursing facilities
for the reporting year ending September 30, 2009, and the projected occupancy of the facility
at 95 percent occupancy by the historical percentage of medical assistance resident days;

(ii) compute the annual savings to the medical assistance program from the delicensure
by multiplying the anticipated decrease in the medical assistance residents, determined in
item (i), by the hospital-owned nursing facility weighted average payment rate multiplied
by 365;

(iii) compute the anticipated annual costs for community-based services by multiplying
the anticipated decrease in medical assistance residents served by the facilities, determined
in item (i), by the average monthly elderly waiver service costs for individuals in Goodhue
County multiplied by 12;

(iv) subtract the amount in item (iii) from the amount in item (ii);

(v) multiply the amount in item (iv) by 57.2 percent; and

(vi) divide the difference of the amount in item (iv) and the amount in item (v) by an
amount equal to the relocated nursing facility's occupancy factor under section 256B.431,
subdivision 3f, paragraph (c), multiplied by the historical percentage of medical assistance
resident days.

(b) Projects approved under this subdivision shall be treated in a manner equivalent to
projects approved under subdivision 4a.

Sec. 8. Minnesota Statutes 2016, section 144A.071, subdivision 4d, is amended to read:

Subd. 4d. Consolidation of nursing facilities. (a) The commissioner of health, in
consultation with the commissioner of human services, may approve a request for
consolidation of nursing facilities which includes the closure of one or more facilities and
the upgrading of the physical plant of the remaining nursing facility or facilities, the costs
of which exceed the threshold project limit under subdivision 2, clause (a). The
commissioners shall consider the criteria in this section, section 144A.073, and section
256B.437 256R.40, in approving or rejecting a consolidation proposal. In the event the
commissioners approve the request, the commissioner of human services shall calculate an
external fixed costs rate adjustment according to clauses (1) to (3):
the closure of beds shall not be eligible for a planned closure rate adjustment under section 256B.437, subdivision 6; 256R.40, subdivision 5;

(2) the construction project permitted in this clause shall not be eligible for a threshold project rate adjustment under section 256B.434, subdivision 4f, or a moratorium exception adjustment under section 144A.073; and

(3) the payment rate for external fixed costs for a remaining facility or facilities shall be increased by an amount equal to 65 percent of the projected net cost savings to the state calculated in paragraph (b), divided by the state's medical assistance percentage of medical assistance dollars, and then divided by estimated medical assistance resident days, as determined in paragraph (c), of the remaining nursing facility or facilities in the request in this paragraph. The rate adjustment is effective on the later of the first day of the month following completion of the construction upgrades in the consolidation plan or the first day of the month following the complete closure of a facility designated for closure in the consolidation plan. If more than one facility is receiving upgrades in the consolidation plan, each facility's date of construction completion must be evaluated separately.

(b) For purposes of calculating the net cost savings to the state, the commissioner shall consider clauses (1) to (7):

(1) the annual savings from estimated medical assistance payments from the net number of beds closed taking into consideration only beds that are in active service on the date of the request and that have been in active service for at least three years;

(2) the estimated annual cost of increased case load of individuals receiving services under the elderly waiver;

(3) the estimated annual cost of elderly waiver recipients receiving support under group residential housing;

(4) the estimated annual cost of increased case load of individuals receiving services under the alternative care program;

(5) the annual loss of license surcharge payments on closed beds;

(6) the savings from not paying planned closure rate adjustments that the facilities would otherwise be eligible for under section 256B.437 256R.40; and

(7) the savings from not paying external fixed costs payment rate adjustments from submission of renovation costs that would otherwise be eligible as threshold projects under section 256B.434, subdivision 4f.
(c) For purposes of the calculation in paragraph (a), clause (3), the estimated medical assistance resident days of the remaining facility or facilities shall be computed assuming 95 percent occupancy multiplied by the historical percentage of medical assistance resident days of the remaining facility or facilities, as reported on the facility's or facilities' most recent nursing facility statistical and cost report filed before the plan of closure is submitted, multiplied by 365.

(d) For purposes of net cost of savings to the state in paragraph (b), the average occupancy percentages will be those reported on the facility's or facilities' most recent nursing facility statistical and cost report filed before the plan of closure is submitted, and the average payment rates shall be calculated based on the approved payment rates in effect at the time the consolidation request is submitted.

(e) To qualify for the external fixed costs payment rate adjustment under this subdivision, the closing facilities shall:

(1) submit an application for closure according to section 256B.437, subdivision 3

256R.40, subdivision 2; and

(2) follow the resident relocation provisions of section 144A.161.

(f) The county or counties in which a facility or facilities are closed under this subdivision shall not be eligible for designation as a hardship area under subdivision 3 for five years from the date of the approval of the proposed consolidation. The applicant shall notify the county of this limitation and the county shall acknowledge this in a letter of support.

Sec. 9. Minnesota Statutes 2016, section 144A.073, subdivision 3c, is amended to read:

Subd. 3c. Cost neutral relocation projects. (a) Notwithstanding subdivision 3, the commissioner may at any time accept proposals, or amendments to proposals previously approved under this section, for relocations that are cost neutral with respect to state costs as defined in section 144A.071, subdivision 5a. The commissioner, in consultation with the commissioner of human services, shall evaluate proposals according to subdivision 4a, clauses (1), (4), (5), (6), and (8), and other criteria established in rule or law. The commissioner of human services shall determine the allowable payment rates of the facility receiving the beds in accordance with section 256B.441, subdivision 60 256R.50. The commissioner shall approve or disapprove a project within 90 days.

(b) For the purposes of paragraph (a), cost neutrality shall be measured over the first three 12-month periods of operation after completion of the project.
Sec. 10. Minnesota Statutes 2016, section 144A.10, subdivision 4, is amended to read:

Subd. 4. Correction orders. Whenever a duly authorized representative of the commissioner of health finds upon inspection of a nursing home, that the facility or a controlling person or an employee of the facility is not in compliance with sections 144.411 to 144.417, 144.651, 144.6503, 144A.01 to 144A.155, or 626.557 or the rules promulgated thereunder, a correction order shall be issued to the facility. The correction order shall state the deficiency, cite the specific rule or statute violated, state the suggested method of correction, and specify the time allowed for correction. If the commissioner finds that the nursing home had uncorrected or repeated violations which create a risk to resident care, safety, or rights, the commissioner shall notify the commissioner of human services who shall require the facility to use any efficiency incentive payments received under section 256B.431, subdivision 2b, paragraph (d), to correct the violations and shall require the facility to forfeit incentive payments for failure to correct the violations as provided in section 256B.431, subdivision 2n. The forfeiture shall not apply to correction orders issued for physical plant deficiencies.

Sec. 11. Minnesota Statutes 2016, section 144A.15, subdivision 2, is amended to read:

Subd. 2. Appointment of receiver, rental. If, after hearing, the court finds that receivership is necessary as a means of protecting the health, safety, or welfare of a resident of the facility, the court shall appoint the commissioner of health as a receiver to take charge of the facility. The commissioner may enter into an agreement for a managing agent to work on the commissioner's behalf in operating the facility during the receivership. The court shall determine a fair monthly rental for the facility, taking into account all relevant factors including the condition of the facility. This rental fee shall be paid by the receiver to the appropriate controlling person for each month that the receivership remains in effect but shall be reduced by the amount that the costs of the receivership provided under section 256B.495 256R.52 are in excess of the facility rate. The controlling person may agree to waive the fair monthly rent by affidavit to the court. Notwithstanding any other law to the contrary, no payment made to a controlling person by any state agency during a period of receivership shall include any allowance for profit or be based on any formula which includes an allowance for profit.

Notwithstanding state contracting requirements in chapter 16C, the commissioner shall establish and maintain a list of qualified licensed nursing home administrators, or other qualified persons or organizations with experience in delivering skilled health care services and the operation of long-term care facilities for those interested in being a managing agent...
on the commissioner's behalf during a state receivership of a facility. This list will be a resource for choosing a managing agent and the commissioner may update the list at any time. A managing agent cannot be someone who: (1) is the owner, licensee, or administrator of the facility; (2) has a financial interest in the facility at the time of the receivership or is a related party to the owner, licensee, or administrator; or (3) has owned or operated any nursing facility or boarding care home that has been ordered into receivership.

Sec. 12. Minnesota Statutes 2016, section 144A.154, is amended to read:

144A.154 RATE RECOMMENDATION.

The commissioner may recommend to the commissioner of human services a review of the rates for a nursing home or boarding care home that participates in the medical assistance program that is in voluntary or involuntary receivership, and that has needs or deficiencies documented by the Department of Health. If the commissioner of health determines that a review of the rate under section 256B.495 256R.52 is needed, the commissioner shall provide the commissioner of human services with:

(1) a copy of the order or determination that cites the deficiency or need; and
(2) the commissioner's recommendation for additional staff and additional annual hours by type of employee and additional consultants, services, supplies, equipment, or repairs necessary to satisfy the need or deficiency.

Sec. 13. Minnesota Statutes 2016, section 144A.161, subdivision 10, is amended to read:

Subd. 10. Facility closure rate adjustment. Upon the request of a closing facility, the commissioner of human services must allow the facility a closure rate adjustment equal to a 50 percent payment rate increase to reimburse relocation costs or other costs related to facility closure. This rate increase is effective on the date the facility's occupancy decreases to 90 percent of capacity days after the written notice of closure is distributed under subdivision 5 and shall remain in effect for a period of up to 60 days. The commissioner shall delay the implementation of rate adjustments under section 256B.437, subdivisions 3, paragraph (b), and 6, paragraph (a) 256R.40, subdivisions 5 and 6, to offset the cost of this rate adjustment.

Sec. 14. Minnesota Statutes 2016, section 144A.1888, is amended to read:

144A.1888 REUSE OF FACILITIES.
Notwithstanding any local ordinance related to development, planning, or zoning to the contrary, the conversion or reuse of a nursing home that closes or that curtails, reduces, or changes operations shall be considered a conforming use permitted under local law, provided that the facility is converted to another long-term care service approved by a regional planning group under section 256B.437 256R.40 that serves a smaller number of persons than the number of persons served before the closure or curtailment, reduction, or change in operations.

Sec. 15. Minnesota Statutes 2016, section 144A.611, subdivision 1, is amended to read:

Subdivision 1. Nursing homes and certified boarding care homes. The actual costs of tuition and textbooks and reasonable expenses for the competency evaluation or the nursing assistant training program and competency evaluation approved under section 144A.61, which are paid to nursing assistants or adult training programs pursuant to subdivisions 2 and 4, are a reimbursable expense for nursing homes and certified boarding care homes under section 256B.431, subdivision 36 256R.37.

Sec. 16. Minnesota Statutes 2016, section 144A.74, is amended to read:

144A.74 MAXIMUM CHARGES.

A supplemental nursing services agency must not bill or receive payments from a nursing home licensed under this chapter at a rate higher than 150 percent of the sum of the weighted average wage rate, plus a factor determined by the commissioner to incorporate payroll taxes as defined in Minnesota Rules, part 9549.0020, subpart 33 section 256R.02, subdivision 37, for the applicable employee classification for the geographic group to which the nursing home is assigned under Minnesota Rules, part 9549.0052. The weighted average wage rates must be determined by the commissioner of human services and reported to the commissioner of health on an annual basis. Wages are defined as hourly rate of pay and shift differential, including weekend shift differential and overtime. Facilities shall provide information necessary to determine weighted average wage rates to the commissioner of human services in a format requested by the commissioner. The maximum rate must include all charges for administrative fees, contract fees, or other special charges in addition to the hourly rates for the temporary nursing pool personnel supplied to a nursing home.

Sec. 17. Minnesota Statutes 2016, section 256.9657, subdivision 1, is amended to read:

Subdivision 1. Nursing home license surcharge. (a) Effective July 1, 1993, each non-state-operated nursing home licensed under chapter 144A shall pay to the commissioner...
an annual surcharge according to the schedule in subdivision 4. The surcharge shall be
calculated as $620 per licensed bed. If the number of licensed beds is reduced, the surcharge
shall be based on the number of remaining licensed beds the second month following the
receipt of timely notice by the commissioner of human services that beds have been
delicensed. The nursing home must notify the commissioner of health in writing when beds
are delicensed. The commissioner of health must notify the commissioner of human services
within ten working days after receiving written notification. If the notification is received
by the commissioner of human services by the 15th of the month, the invoice for the second
following month must be reduced to recognize the delicensing of beds. Beds on layaway
status continue to be subject to the surcharge. The commissioner of human services must
acknowledge a medical care surcharge appeal within 30 days of receipt of the written appeal
from the provider.

(b) Effective July 1, 1994, the surcharge in paragraph (a) shall be increased to $625.

(c) Effective August 15, 2002, the surcharge under paragraph (b) shall be increased to
$990.

(d) Effective July 15, 2003, the surcharge under paragraph (c) shall be increased to
$2,815.

(e) The commissioner may reduce, and may subsequently restore, the surcharge under
paragraph (d) based on the commissioner's determination of a permissible surcharge.

(f) Between April 1, 2002, and August 15, 2004, a facility governed by this subdivision
may elect to assume full participation in the medical assistance program by agreeing to
comply with all of the requirements of the medical assistance program, including the rate
equalization law in section 256B.48, subdivision 1, paragraph (a), and all other requirements
established in law or rule, and to begin intake of new medical assistance recipients. Rates
will be determined under Minnesota Rules, parts 9549.0010 to 9549.0080. Rate calculations
will be subject to limits as prescribed in rule and law. Other than the adjustments in sections
256B.431, subdivisions 30 and 32, 256B.437, subdivision 3, paragraph (b), Minnesota
Rules, part 9549.0057, and any other applicable legislation enacted prior to the finalization
of rates, facilities assuming full participation in medical assistance under this paragraph are
not eligible for any rate adjustments until the July 1 following their settle-up period.

Sec. 18. Minnesota Statutes 2016, section 256B.0915, subdivision 3e, is amended to read:

Subd. 3e. Customized living service rate. (a) Payment for customized living services
shall be a monthly rate authorized by the lead agency within the parameters established by
the commissioner. The payment agreement must delineate the amount of each component service included in the recipient's customized living service plan. The lead agency, with input from the provider of customized living services, shall ensure that there is a documented need within the parameters established by the commissioner for all component customized living services authorized.

(b) The payment rate must be based on the amount of component services to be provided utilizing component rates established by the commissioner. Counties and tribes shall use tools issued by the commissioner to develop and document customized living service plans and rates.

(c) Component service rates must not exceed payment rates for comparable elderly waiver or medical assistance services and must reflect economies of scale. Customized living services must not include rent or raw food costs.

(d) With the exception of individuals described in subdivision 3a, paragraph (b), the individualized monthly authorized payment for the customized living service plan shall not exceed 50 percent of the greater of either the statewide or any of the geographic groups' weighted average monthly nursing facility rate of the case mix resident class to which the elderly waiver eligible client would be assigned under Minnesota Rules, parts 9549.0051 to 9549.0059, less the maintenance needs allowance as described in subdivision 1d, paragraph (a). Effective on July 1 of the state fiscal year in which the resident assessment system as described in section 256B.438 256R.17 for nursing home rate determination is implemented and July 1 of each subsequent state fiscal year, the individualized monthly authorized payment for the services described in this clause shall not exceed the limit which was in effect on June 30 of the previous state fiscal year updated annually based on legislatively adopted changes to all service rate maximums for home and community-based service providers.

(e) Effective July 1, 2011, the individualized monthly payment for the customized living service plan for individuals described in subdivision 3a, paragraph (b), must be the monthly authorized payment limit for customized living for individuals classified as case mix A, reduced by 25 percent. This rate limit must be applied to all new participants enrolled in the program on or after July 1, 2011, who meet the criteria described in subdivision 3a, paragraph (b). This monthly limit also applies to all other participants who meet the criteria described in subdivision 3a, paragraph (b), at reassessment.

(f) Customized living services are delivered by a provider licensed by the Department of Health as a class A or class F home care provider and provided in a building that is
registered as a housing with services establishment under chapter 144D. Licensed home

providers are subject to section 256B.0651, subdivision 14.

(g) A provider may not bill or otherwise charge an elderly waiver participant or their

family for additional units of any allowable component service beyond those available under

the service rate limits described in paragraph (d), nor for additional units of any allowable

component service beyond those approved in the service plan by the lead agency.

(h) Effective July 1, 2016, and each July 1 thereafter, individualized service rate limits

for customized living services under this subdivision shall be increased by the difference

between any legislatively adopted home and community-based provider rate increases

effective on July 1 or since the previous July 1 and the average statewide percentage increase

in nursing facility operating payment rates under sections 256B.431, 256B.434, and 256B.441

chapter 256R, effective the previous January 1. This paragraph shall only apply if the average

statewide percentage increase in nursing facility operating payment rates is greater than any

legislatively adopted home and community-based provider rate increases effective on July

1, or occurring since the previous July 1.

Sec. 19. Minnesota Statutes 2016, section 256B.35, subdivision 4, is amended to read:

Subd. 4. Field audits required. The commissioner of human services shall conduct

field audits at the same time as cost report audits required under section 256B.27, subdivision

2a 256R.13, subdivision 1, and at any other time but at least once every four years, without

notice, to determine whether this section was complied with and that the funds provided

residents for their personal needs were actually expended for that purpose.

Sec. 20. Minnesota Statutes 2016, section 256B.431, subdivision 30, is amended to read:

Subd. 30. Bed layaway and delicensure. (a) For rate years beginning on or after July

1, 2000, a nursing facility reimbursed under this section which has placed beds on layaway

shall, for purposes of application of the downsizing incentive in subdivision 3a, paragraph

(c), and calculation of the rental per diem, have those beds given the same effect as if the

beds had been delicensed so long as the beds remain on layaway. At the time of a layaway,

a facility may change its single bed election for use in calculating capacity days under

Minnesota Rules, part 9549.0060, subpart 11. The property payment rate increase shall be

effective the first day of the month following the month in which the layaway of the beds

becomes effective under section 144A.071, subdivision 4b.

(b) For rate years beginning on or after July 1, 2000, notwithstanding any provision to

the contrary under section 256B.434 or chapter 256R, a nursing facility reimbursed under
that section or chapter which has placed beds on layaway shall, for so long as the beds remain on layaway, be allowed to:

(1) aggregate the applicable investment per bed limits based on the number of beds licensed immediately prior to entering the alternative payment system;

(2) retain or change the facility's single bed election for use in calculating capacity days under Minnesota Rules, part 9549.0060, subpart 11; and

(3) establish capacity days based on the number of beds immediately prior to the layaway and the number of beds after the layaway.

The commissioner shall increase the facility's property payment rate by the incremental increase in the rental per diem resulting from the recalculation of the facility's rental per diem applying only the changes resulting from the layaway of beds and clauses (1), (2), and (3).

If a facility reimbursed under section 256B.434 or chapter 256R completes a moratorium exception project after its base year, the base year property rate shall be the moratorium project property rate. The base year rate shall be inflated by the factors in section 256B.434, subdivision 4, paragraph (c). The property payment rate increase shall be effective the first day of the month following the month in which the layaway of the beds becomes effective.

(c) If a nursing facility removes a bed from layaway status in accordance with section 144A.071, subdivision 4b, the commissioner shall establish capacity days based on the number of licensed and certified beds in the facility not on layaway and shall reduce the nursing facility's property payment rate in accordance with paragraph (b).

(d) For the rate years beginning on or after July 1, 2000, notwithstanding any provision to the contrary under section 256B.434 or chapter 256R, a nursing facility reimbursed under that section or chapter, which has delicensed beds after July 1, 2000, by giving notice of the delicensure to the commissioner of health according to the notice requirements in section 144A.071, subdivision 4b, shall be allowed to:

(1) aggregate the applicable investment per bed limits based on the number of beds licensed immediately prior to entering the alternative payment system;

(2) retain or change the facility's single bed election for use in calculating capacity days under Minnesota Rules, part 9549.0060, subpart 11; and

(3) establish capacity days based on the number of beds immediately prior to the delicensure and the number of beds after the delicensure.

The commissioner shall increase the facility's property payment rate by the incremental increase in the rental per diem resulting from the recalculation of the facility's rental per
diem applying only the changes resulting from the delicensure of beds and clauses (1), (2),
and (3). If a facility reimbursed under section 256B.434 completes a moratorium exception
project after its base year, the base year property rate shall be the moratorium project property
rate. The base year rate shall be inflated by the factors in section 256B.434, subdivision 4,
paragraph (c). The property payment rate increase shall be effective the first day of the
month following the month in which the delicensure of the beds becomes effective.

(e) For nursing facilities reimbursed under this section or, section 256B.434, or chapter
256R, any beds placed on layaway shall not be included in calculating facility occupancy
as it pertains to leave days defined in Minnesota Rules, part 9505.0415.

(f) For nursing facilities reimbursed under this section or, section 256B.434, or chapter
256R, the rental rate calculated after placing beds on layaway may not be less than the rental
rate prior to placing beds on layaway.

(g) A nursing facility receiving a rate adjustment as a result of this section shall comply
with section 256B.47, subdivision 2 256R.06, subdivision 5.

(h) A facility that does not utilize the space made available as a result of bed layaway
or delicensure under this subdivision to reduce the number of beds per room or provide
more common space for nursing facility uses or perform other activities related to the
operation of the nursing facility shall have its property rate increase calculated under this
subdivision reduced by the ratio of the square footage made available that is not used for
these purposes to the total square footage made available as a result of bed layaway or
delicensure.

Sec. 21. Minnesota Statutes 2016, section 256B.50, subdivision 1, is amended to read:

Subdivision 1. Scope. A provider may appeal from a determination of a payment rate
established pursuant to this chapter or allowed costs under section 256B.441 chapter 256R
if the appeal, if successful, would result in a change to the provider's payment rate or to the
calculation of maximum charges to therapy vendors as provided by section 256B.433,
subdivision 3 256R.54. Appeals must be filed in accordance with procedures in this section.
This section does not apply to a request from a resident or long-term care facility for
reconsideration of the classification of a resident under section 144.0722.

Sec. 22. EFFECTIVE DATE.

The amounts that may be spent for each purpose are specified in the following subdivisions.

Subd. 2. TANF Maintenance of Effort

(a) The commissioner shall ensure that sufficient qualified nonfederal expenditures are made each year to meet the state's maintenance of effort (MOE) requirements of the TANF block grant specified under Code of Federal Regulations, title 45, section 263.1. In order to meet these basic TANF/MOE requirements, the commissioner may report as TANF/MOE expenditures only nonfederal money expended for allowable activities listed in the following clauses:

1. MFIP cash, diversionary work program, and food assistance benefits under Minnesota Statutes, chapter 256J;
2. The child care assistance programs under Minnesota Statutes, sections 119B.03 and 119B.05, and county child care administrative costs under Minnesota Statutes, section 119B.15;
3. State and county MFIP administrative costs under Minnesota Statutes, chapters 256J and 256K;
(4) state, county, and tribal MFIP employment services under Minnesota Statutes, chapters 256J and 256K;

(5) expenditures made on behalf of legal noncitizen MFIP recipients who qualify for the MinnesotaCare program under Minnesota Statutes, chapter 256L;

(6) qualifying working family credit expenditures under Minnesota Statutes, section 290.0671;

(7) qualifying Minnesota education credit expenditures under Minnesota Statutes, section 290.0674; and

(8) qualifying Head Start expenditures under Minnesota Statutes, section 119A.50.

(b) For the activities listed in paragraph (a), clauses (2) to (8), the commissioner may report only expenditures that are excluded from the definition of assistance under Code of Federal Regulations, title 45, section 260.31.

(c) The commissioner shall ensure that the MOE used by the commissioner of management and budget for the February and November forecasts required under Minnesota Statutes, section 16A.103, contains expenditures under paragraph (a), clause (1), equal to at least 16 percent of the total required under Code of Federal Regulations, title 45, section 263.1.

(d) The commissioner may not claim an amount of TANF/MOE in excess of the 75 percent standard in Code of Federal.
Regulations, title 45, section 263.1(a)(2),

except:

(1) to the extent necessary to meet the 80
percent standard under Code of Federal
Regulations, title 45, section 263.1(a)(1), if it
is determined by the commissioner that the
state will not meet the TANF work
participation target rate for the current year;

(2) to provide any additional amounts under
Code of Federal Regulations, title 45, section
264.5, that relate to replacement of TANF
funds due to the operation of TANF penalties;

and

(3) to provide any additional amounts that may
contribute to avoiding or reducing TANF work
participation penalties through the operation
of the excess MOE provisions of Code of
Federal Regulations, title 45, section 261.43
(a)(2).

(e) For the purposes of paragraph (d), the
commissioner may supplement the MOE claim
with working family credit expenditures or
other qualified expenditures to the extent such
expenditures are otherwise available after
considering the expenditures allowed in this
subdivision.

(f) The requirement in Minnesota Statutes,
section 256.011, subdivision 3, that federal
grants or aids secured or obtained under that
subdivision be used to reduce any direct
appropriations provided by law, does not apply
if the grants or aids are federal TANF funds.

(g) IT Appropriations Generally. This
appropriation includes funds for information
technology projects, services, and support.

Notwithstanding Minnesota Statutes, section 16E.0466, funding for information technology project costs shall be incorporated into the service level agreement and paid to the Office of MN.IT Services by the Department of Human Services under the rates and mechanism specified in that agreement.

(h) Receipts for Systems Project.

Appropriations and federal receipts for information systems projects for MAXIS, PRISM, MMIS, ISDS, METS, and SSIS must be deposited in the state systems account authorized in Minnesota Statutes, section 256.014. Money appropriated for computer projects approved by the commissioner of the Office of MN.IT Services, funded by the legislature, and approved by the commissioner of management and budget may be transferred from one project to another and from development to operations as the commissioner of human services considers necessary. Any unexpended balance in the appropriation for these projects does not cancel and is available for ongoing development and operations.

(i) Federal SNAP Education and Training Grants. Federal funds available during fiscal years 2017, 2018, and 2019 for Supplemental Nutrition Assistance Program Education and Training and SNAP Quality Control Performance Bonus grants are appropriated to the commissioner of human services for the purposes allowable under the terms of the
520.1 federal award. This paragraph is effective the
day following final enactment.

year 2018 and $565,000 in fiscal year 2019
are for food shelf programs under Minnesota
Statutes, section 256E.34. This appropriation
may be used to purchase proteins, fruits,
vegetables, and diapers.

Housing Benefit Web Site. $130,000 in
fiscal year 2018 and $130,000 in fiscal year
2019 are to operate the housing benefit 101
Web site to help people who need affordable
housing, and supports to maintain that
housing, understand the range of housing
options and support services available.

Coparenting Education. $200,000 in
fiscal year 2018 and $200,000 in fiscal year
2019 are for a grant to a health and wellness
center located in North Minneapolis that is a
federally qualified health center. This is a
onetime appropriation. The center must use
the grant money to offer coparent services to
unmarried parents. The center must develop
a process to inform and educate unmarried
parents about the center's coparent services.
The coparent services must include the
following:
(1) coparenting workshops for the unmarried parents;

(2) assistance to the unmarried parents in developing a parenting plan that specifies a schedule of the time each parent spends with the child, child support obligations, and a designation of decision-making responsibilities regarding the child's education, medical needs, and religious upbringing;

(3) an assessment of social services needs for each parent; and

(4) additional social services support, including support related to employment, education, and housing.

The parenting plan assistance must include the option of using private mediation.

The coparent workshops must focus at a minimum on (i) the benefits to the child of having both parents involved in a child's life, (ii) promoting both parents' participation in a child's life, (iii) building coparenting and communication skills, (iv) information on establishing paternity, (v) assisting parents in developing a parenting plan, and (vi) educating participants on how to foster a nonresident parent's continued involvement in a child's life.

(n) Safe Harbor Shelter and Housing Project. $970,000 in fiscal year 2018 is for a grant to a girls' ranch in Benson that provides housing, supportive services, educational services, and equine therapy, for purposes of predesigning, designing, constructing, furnishing, and equipping a house with
capacity for ten beds, and a second horse
riding arena. This is a onetime appropriation.

(o) **Base Level Adjustments.** The general
fund base is $32,230,000 in fiscal year 2020
and $32,230,000 in fiscal year 2021. The
general fund base includes $453,000 in fiscal
year 2020 and $453,000 in fiscal year 2021
for community living infrastructure grant
allocations under Minnesota Statutes, section
256I.09.

(a) **Integrated Health Partnerships.**

$375,000 in fiscal year 2018 and $250,000 in
fiscal year 2019 are from the general fund to
provide financial assistance to participating
providers for costs required to establish an
integrated health partnership, including but
not limited to collecting and reporting
information on health outcomes, quality of
care, and health care costs; training
practitioners and staff to use new care models
and participate in care coordination; or
participating in research and evaluation of the
projects. This is a onetime appropriation.

(b) **Dental Services Grants.** $500,000 in
fiscal year 2018 and $500,000 in fiscal year
2019 are to award dental services grants. This
is a onetime appropriation. The commissioner
may award grants under this paragraph to:

(1) nonprofit community clinics;
536.1 (2) federally qualified health centers, rural
health clinics, and public health clinics;
536.2 (3) hospital-based dental clinics owned and
operated by a city, county, or former state
hospital as defined in Minnesota Statutes,
section 62Q.19, subdivision 1, paragraph (a),
clause (4); and
536.3 (4) a dental clinic owned and operated by the
University of Minnesota or the Minnesota
State Colleges and Universities system.
536.4 Grants may be used to fund costs related to
maintaining, coordinating, and improving
access for medical assistance and
MinnesotaCare enrollees to dental care in a
region.
536.5 The commissioner shall consider the following
in awarding the grants: experience in
delivering dental services to medical assistance
and MinnesotaCare enrollees in urban and
rural communities; the potential to
successfully maintain or expand access to
dental services for medical assistance and
MinnesotaCare enrollees; and demonstrated
capability to provide access to care for
children, adults, and seniors with special
needs, individuals with complex medical and
dental needs, recent immigrants and
non-English speakers, and students attending
schools with a high percentage of low-income
students.
536.6 (c) Base Level Adjustment. The general fund
base is $3,711,000 in fiscal year 2020 and
$3,711,000 in fiscal year 2021.
536.7 Subd. 26. Grant Programs; Other Long-Term
Care Grants 3,053,000 3,478,000
(a) Home and Community-Based Incentive Pool. $1,553,000 in fiscal year 2018 and $1,553,000 in fiscal year 2019 are for incentive payments under Minnesota Statutes, section 256B.0921. The base for these grants is $1,059,000 in fiscal year 2020 and $1,059,000 in fiscal year 2021.

(b) Base Level Adjustment. The general fund base is $2,984,000 in fiscal year 2020 and $2,984,000 in fiscal year 2021.

Subd. 27. Grant Programs; Aging and Adult Services Grants

(a) Caregiver Support Programs. $200,000 in fiscal year 2018 and $200,000 in fiscal year 2019 are for caregiver support programs under Minnesota Statutes, section 256.9755.

(b) Advanced In-Home Activity-Monitoring Systems. $40,000 in fiscal year 2018 is for a grant to a local research organization with expertise in identifying current and potential support systems and examining the capacity of those systems to meet the needs of the growing population of elderly persons to conduct a comprehensive assessment of current literature, past research, and an environmental scan of the field related to advanced in-home activity-monitoring systems for elderly persons. The commissioner must report the results of the assessment by January 15, 2018, to the legislative committees and divisions with jurisdiction over health and human services policy and finance. This is a onetime appropriation.

(c) Base Level Adjustments. The general fund base is $33,011,000 in fiscal year 2020.
and $33,195,000 in fiscal year 2021. The general fund base includes $334,000 in fiscal year 2020 and $477,000 in fiscal year 2021 for the Minnesota Board on Aging for self-directed caregiver grants under Minnesota Statutes, section 256.975, subdivision 12.

Subd. 28. Grant Programs; Deaf and Hard-of-Hearing Grants

Expanded Services Grants. $750,000 in fiscal year 2018 and $900,000 in fiscal year 2019 are for deaf and hard-of-hearing grants. The funds must be used to provide services to Minnesotans who are deafblind under Minnesota Statutes, section 256C.261, to provide culturally affirmative psychiatric services, and to provide linguistically and culturally appropriate mental health services to children who are deaf, children who are deafblind, and children who are hard-of-hearing. Of this amount, $103,000 in each year is to increase the grant to provide mentors who have hearing loss to parents of infants and children with newly identified hearing loss. Each year the division must provide funds for training in ProTactile American Sign Language or other communication systems used by people who are deafblind. Training shall be provided to persons who are deafblind and to interpreters, support service providers, and intervenors who work with persons who are deafblind.

Subd. 29. Grant Programs; Disabilities Grants

(a) Disability Waiver Rate System

Transition Grants. $30,000 in fiscal year 2018 and $31,000 in fiscal year 2019 are for
grants to home and community-based disability waiver services providers that are projected to receive at least a ten percent decrease in revenues due to transition to rates calculated under Minnesota Statutes, section 256B.4914. The commissioner shall award grants to ensure ongoing access for individuals currently receiving these services and provide stability to providers as they transition to new service delivery models. The general fund base for the grants under this paragraph is $287,000 in fiscal year 2020 and $288,000 in fiscal year 2021.

(b) Self-Advocacy Grants. $133,000 in fiscal year 2018 and $133,000 in fiscal year 2019 are for grants under Minnesota Statutes, section 256.477, paragraph (a).

(c) Services for Persons with Intellectual and Developmental Disabilities. $143,000 in fiscal year 2018 and $143,000 in fiscal year 2019 are for a grant to an organization described under Minnesota Statutes, section 256.477. This is a onetime appropriation. Grant funds must be used for the following purposes:

(1) to maintain the infrastructure needed to train and support the activities of a statewide network of peer-to-peer mentors for persons with developmental disabilities, focused on building awareness of service options and advocacy skills necessary to move toward full inclusion in community life, including the development and delivery of the curriculum to support the peer-to-peer network;
(2) to provide outreach activities, including statewide conferences and disability networking opportunities focused on self-advocacy, informed choice, and community engagement skills;

(3) to provide an annual leadership program for persons with intellectual and developmental disabilities; and

(4) to provide for administrative and general operating costs associated with managing and maintaining facilities, program delivery, evaluation, staff, and technology.

(d) Outreach to Persons in Institutional Settings. $105,000 in fiscal year 2018 and $105,000 in fiscal year 2019 are for a grant to an organization described under Minnesota Statutes, section 256.477, to be used for subgrants to organizations in Minnesota to conduct outreach to persons working and living in institutional settings to provide education and information about community options. This is a onetime appropriation. Grant funds must be used to deliver peer-led skill training sessions in six regions of the state to help persons with intellectual and developmental disabilities understand community service options related to:

(1) housing;

(2) employment;

(3) education;

(4) transportation;

(5) emerging service reform initiatives contained in the state's Olmstead plan; the
(b) Workforce Innovation and Opportunity Act, Public Law 113-128; and federal home and community-based services regulations; and

(6) connecting with individuals who can help persons with intellectual and developmental disabilities make an informed choice and plan for a transition in services.

(c) Individual Community Living Grants. To the extent funding is available, the commissioner may transfer funds from the semi-independent living services grant to new individual community living grants to pay for transitional costs and facilitate the transition of individuals from corporate foster care to community living.

(f) Gap Analysis. $217,000 in fiscal year 2018 and $218,000 in fiscal year 2019 are for analysis of gaps in long-term care services under Minnesota Statutes, section 144A.351.

(g) Life Skills Training for Individuals with Autism Spectrum Disorder. $250,000 in fiscal year 2018 and $250,000 in fiscal year 2019 are for a grant to an organization located in Richfield that provides life skills training to young adults with learning disabilities to meet the needs of individuals with autism spectrum disorder. This appropriation may be used to:

(1) create a best practices curriculum for serving individuals with autism spectrum disorder in residential placements with therapeutic programming; and

(2) expand facilities by adding safety features, living spaces, and academic areas.
542.1 (h) **Base Level Adjustment.** The general fund base is $21,309,000 in fiscal year 2020 and $21,310,000 in fiscal year 2021.

542.9 **(a) Peer-Run Respite Services in Wadena County.** $100,000 in fiscal year 2018 is from the general fund for a grant to Wadena County for the planning and development of a peer-run respite center for individuals experiencing mental health conditions or co-occurring substance abuse disorder. This is a onetime appropriation and is available until June 30, 2021. The grant is contingent on Wadena County providing to the commissioner of human services a plan to fund, operate, and sustain the program and services after the onetime state grant is expended. Wadena County must outline the proposed funding stream or mechanism, and any necessary local funding commitment, which will ensure the program will result in a sustainable program.

The funding stream may include state funding for programs and services for which the individuals served under this paragraph may be eligible. The commissioner of human services, in collaboration with Wadena County, may explore a plan for continued funding using existing appropriations through eligibility for group residential housing under Minnesota Statutes, chapter 256I.

542.35 The peer-run respite center must:
(1) admit individuals who are in need of peer support and supportive services while addressing an increase in symptoms or stressors or exacerbation of their mental health or substance abuse;

(2) admit individuals to reside at the center on a short-term basis, no longer than five days;

(3) be operated by a nonprofit organization;

(4) employ individuals who have personal experience with mental health or co-occurring substance abuse conditions who meet the qualifications of a mental health certified peer specialist under Minnesota Statutes, section 256B.0615, or a recovery peer;

(5) provide at least three but no more than six beds in private rooms; and

(6) not provide clinical services.

By November 1, 2018, the commissioner of human services, in consultation with Wadena County, shall report to the committees in the senate and house of representatives with jurisdiction over mental health issues, the status of planning and development of the peer-run respite center, and the plan to financially support the program and services after the state grant is expended.

(b) Housing Options for Persons with Serious Mental Illness. $1,250,000 in fiscal year 2018 and $1,250,000 in fiscal year 2019 are from the general fund for adult mental health grants under Minnesota Statutes, section 245.4661, subdivision 9, paragraph (a), clause (2), to support increased availability of housing options with supports for persons with
serious mental illness. This is a onetime appropriation.

(c) Assertive Community Treatment.

$500,000 in fiscal year 2018 and $500,000 in fiscal year 2019 are from the general fund for adult mental health grants under Minnesota Statutes, section 256B.0622, subdivision 12, to expand assertive community treatment services. This is a onetime appropriation.

(d) Mental Health Crisis Services.

$1,000,000 in fiscal year 2018 and $1,000,000 in fiscal year 2019 are from the general fund for adult mental health grants under Minnesota Statutes, section 245.4661, and children's mental health grants under Minnesota Statutes, section 245.4889, to expand mental health crisis services, including:

(1) mobile crisis services;
(2) residential crisis services;
(3) colocation of mobile crisis services in urgent care clinics and psychiatric emergency departments; and
(4) development of co-responder mental health crisis response models. This is a onetime appropriation.

(e) Housing with Supports. $750,000 in fiscal year 2018 and $750,000 in fiscal year 2019 are for the housing with supports for adults with serious mental illness grant under Minnesota Statutes, section 245.4661, subdivision 9, paragraph (a), clause (2). This is a onetime appropriation.
(f) **Base Level Adjustment.** The general fund base is $79,802,000 in fiscal year 2020 and $79,802,000 in fiscal year 2021.

Subd. 31. **Grant Programs; Child Mental Health Grants**

(a) **Children's Mental Health Collaborative Grants.** $600,000 in fiscal year 2018 and $600,000 in fiscal year 2019 are for a grant for a rural multicounty demonstration project to assist transition-aged youth and young adults with emotional behavioral disturbance or mental illnesses in making a successful transition into adulthood. This is a onetime appropriation.

Children's mental health collaboratives under Minnesota Statutes, section 245.493, are eligible to apply for the grant under this paragraph. The commissioner shall solicit proposals and award the grant to one proposal that best meets the requirement that a demonstration project must:

1. build on and streamline transition services by identifying rural youth 15 to 25 years of age currently in the mental health system or with emerging mental health conditions;
2. support youth to achieve, within the youth's potential, personal goals in employment, education, housing, and community life functioning;
3. provide individualized motivational coaching;
4. build on needed social supports;
5. demonstrate how services can be enhanced for youth to successfully navigate the
complexities associated with their unique needs;

(6) use all available funding streams;

(7) demonstrate collaboration with the local children's mental health collaborative in designing and implementing the demonstration project;

(8) evaluate the effectiveness of the project by specifying and measuring outcomes showing the level of progress for involved youth; and

(9) compare differences in outcomes and costs to youth without previous access to this project.

By January 15, 2019, the commissioner shall report to the legislative committees with jurisdiction over mental health issues on the status and outcomes of the demonstration project. The children's mental health collaborative administering the demonstration project shall collect and report outcome data, as requested by the commissioner, to support the development of the report.

(b) First Psychotic Episode Funding.

$750,000 in fiscal year 2018 and $750,000 in fiscal year 2019 are for grants under Minnesota Statutes, section 245.4889, subdivision 1, paragraph (b), clause (15).

Funding shall be used to:

(1) provide intensive treatment and supports to adolescents and adults experiencing or at risk of a first psychotic episode. Intensive treatment and support includes medication management, psychoeducation for the
individual and family, case management, employment supports, education supports, cognitive behavioral approaches, social skills training, peer support, crisis planning, and stress management. Projects must use all available funding streams;

2) conduct outreach, training, and guidance to mental health and health care professionals, including postsecondary health clinics, on early psychosis symptoms, screening tools, and best practices; and

3) ensure access to first psychotic episode psychosis services under this section, including ensuring access for individuals who live in rural areas. Funds may be used to pay for housing or travel or to address other barriers to individuals and their families participating in first psychotic episode services.

(c) Children’s School-Linked Mental Health Grants. $2,000,000 in fiscal year 2018 and $2,000,000 in fiscal year 2019 are for children's school-linked mental health grants under Minnesota Statutes, section 245.4889, subdivision 1, paragraph (b), clause (8), to expand services to school districts or counties in which school-linked mental health services are not available and to fund transportation for children using school-linked mental health services when school is not in session. The commissioner shall require grantees to use all available third-party reimbursement sources as a condition of the receipt of grant funds. For purposes of this appropriation, a third-party reimbursement source does not
include a public school under Minnesota Statutes, section 120A.20, subdivision 1.

(d) Respite Care Services. $282,000 in fiscal year 2018 and $282,000 in fiscal year 2019 are for children's mental health grants under Minnesota Statutes, section 245.4889, subdivision 1, paragraph (b), clause (3), to provide respite care services to families of children with serious mental illness. This is a onetime appropriation.

(e) Text Message Suicide Prevention and Mental Health Crisis Response Program. $657,000 in fiscal year 2018 is from the general fund for a grant to a nonprofit to make the text message suicide prevention and mental health crisis response program available statewide. This is a onetime appropriation. The nonprofit shall use grant funds to:

(1) operate the text message suicide prevention and mental health crisis response program statewide and provide a method of response that triages inquiries, provides immediate access to suicide prevention and crisis counseling over the telephone or via text messaging, and provides individual, family, or community education;

(2) connect individuals with trained crisis counselors and access to local resources, including referrals to community mental health options, emergency departments, and locally available mobile crisis teams, when appropriate;

(3) maximize availability of services and access across the state, in conjunction with
other suicide prevention programs and services; and

(4) provide community education on the availability of the program and how to access the program.

(f) Base Level Adjustment. The general fund base is $20,826,000 in fiscal year 2020 and $20,826,000 in fiscal year 2021.

(a) Problem Gambling. $225,000 in fiscal year 2018 and $225,000 in fiscal year 2019 are from the lottery prize fund for a grant to the state affiliate recognized by the National Council on Problem Gambling. The affiliate must provide services to increase public awareness of problem gambling, education, and training for individuals and organizations providing effective treatment services to problem gamblers and their families, and research related to problem gambling.

(b) Minnesota Organization on Fetal Alcohol Syndrome. $500,000 in fiscal year 2018 and $500,000 in fiscal year 2019 are for a grant to the Minnesota Organization on Fetal Alcohol Syndrome (MOFAS). This is a onetime appropriation. Of this amount, MOFAS shall make grants to eligible regional collaboratives that fulfill the requirements in this paragraph. "Eligible regional collaboratives" means a partnership between at least one local government and at least one
community-based organization and, where available, a family home visiting program. For purposes of this paragraph, a local government includes a county or multicounty organization, a tribal government, a county-based purchasing entity, or a community health board. Eligible regional collaboratives must use grant funds to reduce the incidence of fetal alcohol syndrome disorders and other prenatal drug-related effects in children in Minnesota by identifying and serving pregnant women suspected of or known to use or abuse alcohol or other drugs. The eligible regional collaboratives must provide intensive services to chemically dependent women to increase positive birth outcomes. MOFAS must make grants to eligible regional collaboratives from both rural and urban areas. A grant recipient must report to the commissioner of human services annually by January 15 on the services and programs funded by the appropriation. The report must include measurable outcomes for the previous year, including the number of pregnant women served and the number of toxic-free babies born.

(c) Base Level Adjustment. The general fund base is $2,136,000 in fiscal year 2020 and $2,136,000 in fiscal year 2021.

553.15 (4) The commissioner may use up to 6.23 percent of the funds appropriated each year to conduct the ongoing evaluations required under Minnesota Statutes, section 145A.17, subdivision 7, and training and technical assistance as required under Minnesota Statutes, section 145A.17, subdivisions 4 and 5.

553.23 (b) TANF Carryforward. Any unexpended balance of the TANF appropriation in the first year of the biennium does not cancel but is available for the second year.

553.27 (c) Evidence-Based Home Visiting.

553.28 $1,500,000 in fiscal year 2018 and $1,500,000 in fiscal year 2019 are from the general fund to provide start-up and expansion grants to community health boards, nonprofit organizations, and tribal nations to start up or expand evidence-based home visiting programs. Grant funds must be used to start or expand evidence-based home visiting
programs in the county, reservation, or region
to serve families, such as parents with high
risk or high needs, parents with a history of
mental illness, domestic abuse, or substance
abuse, or first-time mothers prenatally until
the child is four years of age, who are eligible
for medical assistance under Minnesota
Statutes, chapter 256B, or the federal Special
Supplemental Nutrition Program for Women,
Infants, and Children. The commissioner shall
award grants to community health boards,
nonprofits, or tribal nations in metropolitan
and rural areas of the state. Priority for grants
to rural areas shall be given to community
health boards, nonprofits, and tribal nations
that expand services within regional
partnerships that provide the evidence-based
home visiting programs. This funding shall
only be used to supplement, not to replace,
funds being used for evidence-based home
visiting services as of June 30, 2017. The
general fund base for these grants is $750,000
in fiscal year 2020 and $750,000 in fiscal year
2021.

(d) Safe Harbor for Sexually Exploited
Youth Services. $325,000 in fiscal year 2018
and $325,000 in fiscal year 2019 are from the
general fund for trauma-informed, culturally
specific services for sexually exploited youth.
Youth 24 years of age or younger are eligible
for services under this paragraph.

(e) Safe Harbor Program Technical
Assistance and Evaluation. $225,000 in
fiscal year 2018 and $225,000 in fiscal year
2019 are from the general fund for training.
technical assistance, protocol implementation, and evaluation activities related to the safe
harbor program. Of these amounts:

(1) $100,000 each fiscal year is for providing training and technical assistance to individuals and organizations that provide safe harbor services and receive funds for that purpose from the commissioner of human services or commissioner of health;

(2) $100,000 each fiscal year is for protocol implementation, which includes providing technical assistance in establishing best practices-based systems for effectively identifying, interacting with, and referring sexually exploited youth to appropriate resources; and

(3) $25,000 each fiscal year is for program evaluation activities in compliance with Minnesota Statutes, section 145.4718.

(f) Promoting Safe Harbor Capacity. In funding services and activities under paragraphs (d) and (e), the commissioner shall emphasize activities that promote capacity-building and development of resources in greater Minnesota.

(g) Administration of Safe Harbor Program. $60,000 in fiscal year 2018 and $60,000 in fiscal year 2019 are for administration of the safe harbor for sexually exploited youth program.

(h) Palliative Care Advisory Council. $44,000 in fiscal year 2018 and $44,000 in fiscal year 2019 are from the general fund for

Program. $500,000 in fiscal year 2018 and
$500,000 in fiscal year 2019 are from the
general fund for early dental disease
prevention and awareness activities under
Minnesota Statutes, section 144.061. This is
a onetime appropriation. Funding shall be used
to:

(1) award grants to five designated
communities of color or communities of recent
immigrants to participate in a pilot program
to increase awareness and encourage early
preventive dental disease intervention for
infants and toddlers. At least two of the
designated communities receiving grants under
this clause must be located outside the
seven-county metropolitan area:
(2) in consultation with members of the designated communities, distribute or cause to be distributed the educational materials developed under Minnesota Statutes, section 144.061, paragraph (b), to expectant and new parents within the designated communities. The materials shall be distributed as provided in Minnesota Statutes, section 144.061, paragraph (c), and through a variety of communicative means, including oral, visual, audio, and print. The commissioner shall assist designated communities with developing strategies, including outreach through ethnic radio, Webcasts, and local cable programs, and incentives to ensure the educational materials and information are distributed and to encourage and provide early preventive dental disease intervention and care for infants and toddlers that are geared toward the ethnic groups residing in the designated community;

(3) develop measurable outcomes, establish a baseline measurement, and evaluate performance within each designated community to measure whether the educational materials, information, strategies, and incentives increased the number of infants and toddlers receiving early preventative dental disease intervention and care; and

(4) by March 15, 2019, report to the chairs and ranking minority members of the legislative committees with jurisdiction over health care on the details of the program funded under this paragraph, communities designated for the program, strategies and any
incentives implemented, and the results of the
evaluation for each designated community.

(k) Minnesota Biomedicine and Bioethics

Innovation Grants. $5,000,000 in fiscal year 2018 is from the general fund for Minnesota
biomedicine and bioethics innovation grants
under Minnesota Statutes, section 144.88. This

562.22 (a) **Administrative Services Unit - Operating Costs.** Of this appropriation, $2,260,000 in fiscal year 2018 and $2,287,000 in fiscal year 2019 are for operating costs of the administrative services unit. The administrative services unit may receive and expend reimbursements for services it performs for other agencies.

562.30 (b) **Administrative Services Unit - Volunteer Health Care Provider Program.** Of this appropriation, $150,000 in fiscal year 2018 and $150,000 in fiscal year 2019 are to pay for medical professional liability coverage.
required under Minnesota Statutes, section 563.214.40.

(c) Administrative Services Unit - Retirement Costs. Of this appropriation, $378,000 in fiscal year 2019 is a onetime appropriation to the administrative services unit to pay for the retirement costs of health-related board employees. This funding may be transferred to the health board incurring retirement costs. Any board that has an unexpended balance for an amount transferred under this paragraph shall transfer the unexpended amount to the administrative services unit. These funds are available either year of the biennium.

(d) Administrative Services Unit - Health-Related Licensing Boards Operating Costs. Of this appropriation, $194,000 in fiscal year 2018 and $350,000 in fiscal year 2019 shall be transferred to the health-related boards funded under this section for operating costs. The administrative services unit shall determine transfer amounts in consultation with the health-related boards funded under this section.

(e) Administrative Services Unit - Contested Cases and Other Legal Proceedings. Of this appropriation, $200,000 in fiscal year 2018 and $200,000 in fiscal year 2019 are for costs of contested case hearings and other unanticipated costs of legal proceedings involving health-related boards funded under this section. Upon certification by a health-related board to the administrative services unit that costs will be incurred and
that there is insufficient money available to pay for the costs out of money currently available to that board, the administrative services unit is authorized to transfer money from this appropriation to the board for payment of those costs with the approval of the commissioner of management and budget.

The commissioner of management and budget must require any board that has an unexpended balance for an amount transferred under this paragraph to transfer the unexpended amount to the administrative services unit to be deposited in the state government special revenue fund.

(g) $3,500,000 of the balance in the facilities repair and replacement account in the special revenue fund is canceled to the general fund on July 1, 2009. This is a onetime cancellation.

(h) The requirements imposed on the commissioner of finance and the commissioner of administration under Laws 2007, chapter 148, article 1, section 12, subdivision 2, paragraph (b), relating to the savings attributable to the real property portfolio management system are inoperative.

(i) $250,000 is appropriated to the commissioner of administration from the
information and telecommunications account
in the special revenue fund to continue
planning for data center consolidation,
including beginning a predesign study and
lifecycle cost analysis, and exploring
technologies to reduce energy consumption
and operating costs.

Subd. 3. Administrative Management Support

$125,000 each year is for the Office of Grant
Management. During the biennium ending
June 30, 2011, the commissioner must recover
this amount through deductions in state grants
subject to the jurisdiction of the office. The
commissioner may not deduct more than 2.5
percent from the amount of any grant. The
amount deducted from appropriations for these
grants must be deposited in the general fund.

$25,000 the first year is for the Office of
Grants Management to study and make
recommendations on improving collaborative
activities between the state, nonprofit entities,
and the private sector, including: (1)
recommendations for expanding successful
initiatives involving not-for-profit
organizations that have demonstrated
measurable, positive results in addressing
high-priority community issues; and (2)
recommendations on grant requirements and
design to encourage programs receiving grants
to become self-sufficient. The office may
appoint an advisory group to assist in the study
and recommendations. The office must report
its recommendations to the legislature by

Somali Women’s Health Pilot Autism Program. (a) The commissioner of health shall establish a pilot program between one or more federally qualified health centers, as defined under Minnesota Statutes, section 145.9269, a nonprofit organization that helps Somali women, and the Minnesota Evaluation Studies Institute, to develop a promising strategy to address the preventative and primary health care needs of, and address health inequities experienced by, first generation Somali women. The pilot program must collaboratively develop a patient flow process for first generation Somali women by:

(1) addressing and identifying clinical and cultural barriers to Somali women accessing...
preventative and primary care, including, but
not limited to, cervical and breast cancer
screenings;

(2) developing a culturally appropriate health
curriculum for Somali women based on the
outcomes from the community-based
participatory research report "Cultural
Traditions and the Reproductive Health of
Somali Refugees and Immigrants" to increase
the health literacy of Somali women and
develop culturally specific health care
information; and

(3) training the federally qualified health
center's providers and staff to enhance
provider and staff cultural competence
regarding the cultural barriers, including
female genital cutting;

(b) The pilot program must develop a process
that results in increased screening rates for
cervical and breast cancer and can be
replicated by other providers serving ethnic
minorities. The pilot program must conduct
an evaluation of the new patient flow process
used by Somali women to access federally
qualified health centers services award a grant
to Dakota County to partner with a
community-based organization with expertise
in serving Somali children with autism. The
grant must address barriers to accessing health
care and other resources by providing outreach
to Somali families on available support and
training to providers on Somali culture.

(c) The pilot program must report the
outcomes to the commissioner by June 30,
2017. The grantee shall report to the
commissioner and the chairs and ranking minority members of the legislative committees with jurisdiction over health care policy and finance on the grant funds used and any notable outcomes achieved by January 15, 2019.

(d) $110,000 in fiscal year 2016 is for the Somali women’s health pilot program grant to Dakota County. Of this appropriation, the commissioner may use up to $10,000 to administer the program grant to Dakota County. This appropriation is available until June 30, 2017. This is a onetime appropriation.

Menthol Cigarette Usage in African-American Community Intervention Grants. Of the health care access fund appropriation for the statewide health improvement program, $200,000 in fiscal year 2016 is for at least one grant that must be awarded by the commissioner to implement strategies and interventions to reduce the disproportionately high usage of cigarettes by African-Americans, especially the use of menthol-flavored cigarettes, as well as the disproportionate harm tobacco causes in that community. The grantee shall engage members of the African-American community and community-based organizations. This grant shall be awarded as part of the statewide health improvement program grants awarded on November 1, 2015, and must meet the requirements of Minnesota Statutes, section 145.986.

Targeted Home Visiting System. (a) $75,000 in fiscal year 2016 is for the commissioner of...
health, in consultation with the commissioners
of human services and education, community
health boards, tribal nations, and other home
visiting stakeholders, to design baseline
training for new home visitors to ensure
statewide coordination across home visiting
programs.

(b) $575,000 in fiscal year 2016 and
$2,000,000 fiscal year 2017 are to provide
grants to community health boards and tribal
nations for start-up grants for new
nurse-family partnership programs and for
grants to expand existing programs to serve
first-time mothers, prenatally by 28 weeks
gestation until the child is two years of age,
who are eligible for medical assistance under
Minnesota Statutes, chapter 256B, or the
federal Special Supplemental Nutrition
Program for Women, Infants, and Children.
The commissioner shall award grants to
community health boards or tribal nations in
metropolitan and rural areas of the state.
Priority for all grants shall be given to
nurse-family partnership programs that
provide services through a Minnesota health
care program-enrolled provider that accepts
medical assistance. Additionally, priority for
grants to rural areas shall be given to
community health boards and tribal nations
that expand services within regional
partnerships that provide the nurse-family
partnership program. Funding available under
this paragraph may only be used to
supplement, not to replace, funds being used
for nurse-family partnership home visiting
services as of June 30, 2015.
