

SENATE
STATE OF MINNESOTA
EIGHTY-EIGHTH LEGISLATURE

S.F. No. 887

(SENATE AUTHORS: MARTY)

DATE	D-PG	OFFICIAL STATUS
02/28/2013	450	Introduction and first reading Referred to Health, Human Services and Housing
03/05/2013	555a	Comm report: To pass as amended and re-refer to Judiciary
03/13/2013	947a	Comm report: Amended Comm report: No recommendation, re-referred to Commerce
03/14/2013		Comm report: To pass as amended and re-refer to Judiciary

A bill for an act

1.1 relating to health; classifying criminal history record data on Minnesota
1.2 Responds Medical Reserve Corps volunteers; requiring radon education
1.3 disclosure for residential real property; changing provisions for tuberculosis
1.4 standards; changing adverse health events reporting requirements; modifying
1.5 a poison control provision; providing liability coverage for certain volunteer
1.6 medical personnel and permitting agreements to conduct criminal background
1.7 studies; changing provisions for body art establishments and body art technicians;
1.8 changing athletic trainer provisions; defining occupational therapy practitioners;
1.9 changing provisions for occupational therapy; amending prescribing authority
1.10 for legend drugs; providing penalties; amending Minnesota Statutes 2012,
1.11 sections 13.381, by adding a subdivision; 144.1501, subdivision 4; 144.50, by
1.12 adding a subdivision; 144.55, subdivision 3; 144.56, by adding a subdivision;
1.13 144.7065, subdivisions 2, 3, 4, 5, 6, 7, by adding a subdivision; 144A.04, by
1.14 adding a subdivision; 144A.45, by adding a subdivision; 144A.752, by adding a
1.15 subdivision; 144D.08; 145.93, subdivision 3; 145A.04, by adding a subdivision;
1.16 145A.06, subdivision 7; 146B.02, subdivisions 2, 8; 146B.03, by adding a
1.17 subdivision; 146B.07, subdivision 5; 148.6402, by adding a subdivision;
1.18 148.6440; 148.7802, subdivisions 3, 9; 148.7803; 148.7805, subdivision 1;
1.19 148.7808, subdivisions 1, 4; 148.7812, subdivision 2; 148.7813, by adding
1.20 a subdivision; 148.7814; 151.37, subdivision 2; proposing coding for new
1.21 law in Minnesota Statutes, chapters 144; 145A; repealing Minnesota Statutes
1.22 2012, sections 144.1487; 144.1488; 144.1489; 144.1490; 144.1491; 146B.03,
1.23 subdivision 10; 148.7808, subdivision 2; 148.7813; 325F.814; 609.2246.

1.25 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.26 Section 1. Minnesota Statutes 2012, section 13.381, is amended by adding a
1.27 subdivision to read:

1.28 Subd. 14a. **Minnesota Responds Medical Reserve Corps.** Criminal history
1.29 record data on Minnesota Responds Medical Reserve Corps volunteers are classified
1.30 under section 145A.061.

1.31 Sec. 2. Minnesota Statutes 2012, section 144.1501, subdivision 4, is amended to read:

2.1 Subd. 4. **Loan forgiveness.** The commissioner of health may select applicants
2.2 each year for participation in the loan forgiveness program, within the limits of available
2.3 funding. The commissioner shall distribute available funds for loan forgiveness
2.4 proportionally among the eligible professions according to the vacancy rate for each
2.5 profession in the required geographic area, facility type, teaching area, patient group,
2.6 or specialty type specified in subdivision 2. The commissioner shall allocate funds for
2.7 physician loan forgiveness so that 75 percent of the funds available are used for rural
2.8 physician loan forgiveness and 25 percent of the funds available are used for underserved
2.9 urban communities and pediatric psychiatry loan forgiveness. If the commissioner does
2.10 not receive enough qualified applicants each year to use the entire allocation of funds for
2.11 any eligible profession, the remaining funds may be allocated proportionally among the
2.12 other eligible professions according to the vacancy rate for each profession in the required
2.13 geographic area, patient group, or facility type specified in subdivision 2. Applicants are
2.14 responsible for securing their own qualified educational loans. The commissioner shall
2.15 select participants based on their suitability for practice serving the required geographic
2.16 area or facility type specified in subdivision 2, as indicated by experience or training. The
2.17 commissioner shall give preference to applicants closest to completing their training.
2.18 For each year that a participant meets the service obligation required under subdivision
2.19 3, up to a maximum of four years, the commissioner shall make annual disbursements
2.20 directly to the participant equivalent to 15 percent of the average educational debt for
2.21 indebted graduates in their profession in the year closest to the applicant's selection for
2.22 which information is available, not to exceed the balance of the participant's qualifying
2.23 educational loans. Before receiving loan repayment disbursements and as requested, the
2.24 participant must complete and return to the commissioner ~~an affidavit~~ a confirmation of
2.25 practice form provided by the commissioner verifying that the participant is practicing
2.26 as required under subdivisions 2 and 3. The participant must provide the commissioner
2.27 with verification that the full amount of loan repayment disbursement received by the
2.28 participant has been applied toward the designated loans. After each disbursement,
2.29 verification must be received by the commissioner and approved before the next loan
2.30 repayment disbursement is made. Participants who move their practice remain eligible for
2.31 loan repayment as long as they practice as required under subdivision 2.

2.32 Sec. 3. **[144.496] MINNESOTA RADON AWARENESS ACT.**

2.33 Subdivision 1. **Citation.** This section may be cited as the "Minnesota Radon
2.34 Awareness Act."

3.1 Subd. 2. **Definitions.** (a) The following terms used in this section have the meanings
 3.2 given them.

3.3 (b) "Agent" means a licensed real estate broker or salesperson as defined in section
 3.4 82.55, subdivisions 19 and 20, acting on behalf of a seller or buyer of residential real
 3.5 property.

3.6 (c) "Buyer" means any individual, partnership, corporation, or trustee entering into
 3.7 an agreement to purchase any residential real estate or interest in real property.

3.8 (d) "Department" means the Department of Health.

3.9 (e) "Mitigation" means measures designed to permanently reduce indoor radon
 3.10 concentrations.

3.11 (f) "Radon test" means a measurement of indoor radon concentrations according to
 3.12 established industry standards for residential real property.

3.13 (g) "Residential real property" means any estate or interest in a manufactured
 3.14 housing lot or a parcel of real property.

3.15 (h) "Seller" means any individual, partnership, corporation, or trustee transferring
 3.16 residential real property in return for consideration.

3.17 (i) "Elevated radon concentration" means a radon concentration above the United
 3.18 States Environmental Protection Agency's radon action level.

3.19 Subd. 3. **Radon testing and disclosure.** (a) Except as excluded by subdivision 4, the
 3.20 seller shall provide to the buyer of any interest in residential real property, before the buyer
 3.21 is obligated under any contract to purchase the residential real property, the Minnesota
 3.22 Department of Health's publication entitled "Radon Testing Guidelines for Real Estate
 3.23 Transactions" and the "Minnesota Disclosure of Information on Radon," which is specified
 3.24 in paragraph (b), stating that the property may present the potential for exposure to radon.

3.25 (b) The following Disclosure of Information on Radon Hazards form must be
 3.26 provided to a buyer of residential real property as required by this section:

3.27 "DISCLOSURE OF INFORMATION ON RADON(For Residential Real
 3.28 Property Sales or Purchases)

3.29 Radon Warning Statement

3.30 Every buyer of any interest in residential real property is notified that the property
 3.31 may present exposure to dangerous levels of indoor radon gas that may place the occupants
 3.32 at risk of developing radon-induced lung cancer. Radon, a Class A human carcinogen, is
 3.33 the leading cause of lung cancer in nonsmokers and the second leading cause overall. The
 3.34 seller of any interest in residential real property is required to provide the buyer with any
 3.35 information on radon test results of the dwelling.

3.36 The Minnesota Department of Health strongly recommends ALL homebuyers have
 3.37 an indoor radon test performed prior to purchase or taking occupancy, and recommends

4.1 having the radon levels mitigated if elevated radon concentrations are found. Elevated
 4.2 radon concentrations can easily be reduced by a qualified, certified, or licensed, if
 4.3 applicable, radon mitigator.

4.4 Physical Address of Property including street address, city, and zip code.

4.5 A. Seller's Disclosure; initial each of the following items that apply:

4.6 (1) The seller has no knowledge of radon concentrations in the dwelling.

4.7 (2) A radon test has been conducted in the dwelling.

4.8 (3) The seller has provided the purchaser with the most current records and reports
 4.9 pertaining to radon concentrations within the dwelling.

4.10 (4) Radon concentrations above the United States Environmental Protection Agency
 4.11 radon action level are known to be present within the dwelling.

4.12 (5) Radon concentrations have been mitigated or remediated to concentrations below
 4.13 the United States Environmental Protection Agency radon action level.

4.14 (6) The seller has provided the purchaser with information regarding the
 4.15 radon mitigation system installed in the dwelling including system description and
 4.16 documentation.

4.17 (7) The seller has no records or reports pertaining to radon concentrations within
 4.18 the dwelling.

4.19 B. Purchaser's Acknowledgment; initial each of the following items that apply:

4.20 (1) The purchaser has received copies of all information listed in A.

4.21 (2) The purchaser has received the department approved Radon Testing Guidelines
 4.22 for Real Estate Transactions.

4.23 C. Agent's Acknowledgement; initial if applicable:

4.24 The agent has informed the seller of the seller's obligation under Minnesota law.

4.25 D. Certification of Accuracy:

4.26 The following parties have reviewed the information above and each party certifies, to the
 4.27 best of his or her knowledge, that the information he or she provided is true and accurate.

4.28 Seller..... Date..... Purchaser..... Date.....

4.29 Seller..... Date..... Purchaser..... Date.....

4.30 Seller's Agent..... Date..... Purchaser's Agent..... Date....."

4.31 (c) If any of the disclosures required by this section occur after the buyer has made
 4.32 an offer to purchase the residential real property, the seller shall complete the required
 4.33 disclosure activities prior to accepting the buyer's offer and allow the buyer an opportunity
 4.34 to review the information and possibly amend the offer without penalty to the buyer.

5.1 Subd. 4. **Exclusions.** This section does not apply to the following:

5.2 (1) Transfers pursuant to court order, including, but not limited to, transfers ordered
5.3 by a probate court in administration of an estate, transfers between spouses resulting from
5.4 a judgment of dissolution of marriage or legal separation, transfers pursuant to an order
5.5 of possession, transfers by a trustee in bankruptcy, transfers by eminent domain, and
5.6 transfers resulting from a decree for specific performance.

5.7 (2) Transfers from a mortgagor to a mortgagee by deed in lieu of foreclosure or
5.8 consent judgment, transfer by a judicial deed issued pursuant to a foreclosure sale to the
5.9 successful bidder or the assignee of a certificate of sale, transfer by a collateral assignment
5.10 of a beneficial interest of a land trust, or a transfer by a mortgagee or a successor in
5.11 interest to the mortgagee's secured position or a beneficiary under a deed in trust who has
5.12 acquired the real property by deed in lieu of foreclosure, consent judgment, or judicial
5.13 deed issued pursuant to a foreclosure sale.

5.14 (3) Transfers by a fiduciary in the course of the administration of a decedent's estate,
5.15 guardianship, conservatorship, or trust.

5.16 (4) Transfers from one co-owner to one or more other co-owners.

5.17 (5) Transfers pursuant to testate or intestate succession.

5.18 (6) Transfers made to a spouse, or to a person or persons in the lineal line of
5.19 consanguinity of one or more of the sellers.

5.20 (7) Transfers from an entity that has taken title to residential real property from a
5.21 seller for the purpose of assisting in the relocation of the seller, so long as the entity
5.22 makes available to all prospective buyers a copy of the disclosure form furnished to the
5.23 entity by the seller.

5.24 (8) Transfers to or from any governmental entity.

5.25 (9) Transfers of any residential dwelling unit located on the third story or
5.26 higher above ground level of any structure or building, including, but not limited to,
5.27 condominium units and dwelling units in a residential cooperative.

5.28 Sec. 4. Minnesota Statutes 2012, section 144.50, is amended by adding a subdivision
5.29 to read:

5.30 Subd. 8. **Supervised living facility; tuberculosis prevention and control.** (a)
5.31 A supervised living facility must establish and maintain a comprehensive tuberculosis
5.32 infection control program according to the most current tuberculosis infection control
5.33 guidelines issued by the United States Centers for Disease Control and Prevention (CDC),
5.34 Division of Tuberculosis Elimination, as published in CDC's Morbidity and Mortality
5.35 Weekly Report (MMWR). This program must include a tuberculosis infection control plan

6.1 that covers all paid and unpaid employees, contractors, students, and volunteers. The
6.2 Department of Health shall provide technical assistance regarding implementation of
6.3 the guidelines.

6.4 (b) Written compliance with this subdivision must be maintained by the supervised
6.5 living facility.

6.6 Sec. 5. Minnesota Statutes 2012, section 144.55, subdivision 3, is amended to read:

6.7 Subd. 3. **Standards for licensure.** (a) Notwithstanding the provisions of section
6.8 144.56, for the purpose of hospital licensure, the commissioner of health shall use as
6.9 minimum standards the hospital certification regulations promulgated pursuant to Title
6.10 XVIII of the Social Security Act, United States Code, title 42, section 1395, et seq. The
6.11 commissioner may use as minimum standards changes in the federal hospital certification
6.12 regulations promulgated after May 7, 1981, if the commissioner finds that such changes
6.13 are reasonably necessary to protect public health and safety. The commissioner shall also
6.14 promulgate in rules additional minimum standards for new construction.

6.15 (b) Each hospital and outpatient surgical center shall establish policies and
6.16 procedures to prevent the transmission of human immunodeficiency virus and hepatitis B
6.17 virus to patients and within the health care setting. The policies and procedures shall be
6.18 developed in conformance with the most recent recommendations issued by the United
6.19 States Department of Health and Human Services, Public Health Service, Centers for
6.20 Disease Control. The commissioner of health shall evaluate a hospital's compliance with
6.21 the policies and procedures according to subdivision 4.

6.22 (c) An outpatient surgical center must establish and maintain a comprehensive
6.23 tuberculosis infection control program according to the most current tuberculosis infection
6.24 control guidelines issued by the United States Centers for Disease Control and Prevention
6.25 (CDC), Division of Tuberculosis Elimination, as published in CDC's Morbidity and
6.26 Mortality Weekly Report (MMWR). This program must include a tuberculosis infection
6.27 control plan that covers all paid and unpaid employees, contractors, students, and
6.28 volunteers. The Department of Health shall provide technical assistance regarding
6.29 implementation of the guidelines.

6.30 (d) Written compliance with this subdivision must be maintained by the outpatient
6.31 surgical center.

6.32 Sec. 6. Minnesota Statutes 2012, section 144.56, is amended by adding a subdivision
6.33 to read:

7.1 Subd. 2c. **Boarding care home; tuberculosis prevention and control.** (a) A
 7.2 boarding care home must establish and maintain a comprehensive tuberculosis infection
 7.3 control program according to the most current tuberculosis infection control guidelines
 7.4 issued by the United States Centers for Disease Control and Prevention (CDC), Division
 7.5 of Tuberculosis Elimination, as published in CDC's Morbidity and Mortality Weekly
 7.6 Report (MMWR). This program must include a tuberculosis infection control plan that
 7.7 covers all paid and unpaid employees, contractors, students, residents, and volunteers.
 7.8 The Department of Health shall provide technical assistance regarding implementation of
 7.9 the guidelines.

7.10 (b) Written compliance with this subdivision must be maintained by the boarding
 7.11 care home.

7.12 Sec. 7. Minnesota Statutes 2012, section 144.7065, subdivision 2, is amended to read:

7.13 Subd. 2. **Surgical events.** Events reportable under this subdivision are:

7.14 (1) surgery or other invasive procedure performed on a wrong body part that is not
 7.15 consistent with the documented informed consent for that patient. Reportable events under
 7.16 this clause do not include situations requiring prompt action that occur in the course of
 7.17 surgery or situations whose urgency precludes obtaining informed consent;

7.18 (2) surgery or other invasive procedure performed on the wrong patient;

7.19 (3) the wrong surgical or other invasive procedure performed on a patient that is
 7.20 not consistent with the documented informed consent for that patient. Reportable events
 7.21 under this clause do not include situations requiring prompt action that occur in the course
 7.22 of surgery or situations whose urgency precludes obtaining informed consent;

7.23 (4) retention of a foreign object in a patient after surgery or other invasive procedure,
 7.24 excluding objects intentionally implanted as part of a planned intervention and objects
 7.25 present prior to surgery that are intentionally retained; and

7.26 (5) death during or immediately after surgery or other invasive procedure of a
 7.27 normal, healthy patient who has no organic, physiologic, biochemical, or psychiatric
 7.28 disturbance and for whom the pathologic processes for which the operation is to be
 7.29 performed are localized and do not entail a systemic disturbance.

7.30 Sec. 8. Minnesota Statutes 2012, section 144.7065, subdivision 3, is amended to read:

7.31 Subd. 3. **Product or device events.** Events reportable under this subdivision are:

7.32 (1) patient death or serious ~~disability~~ injury associated with the use of contaminated
 7.33 drugs, devices, or biologics provided by the facility when the contamination is the result

8.1 of generally detectable contaminants in drugs, devices, or biologics regardless of the
8.2 source of the contamination or the product;

8.3 (2) patient death or serious ~~disability~~ injury associated with the use or function of
8.4 a device in patient care in which the device is used or functions other than as intended.

8.5 "Device" includes, but is not limited to, catheters, drains, and other specialized tubes,
8.6 infusion pumps, and ventilators; and

8.7 (3) patient death or serious ~~disability~~ injury associated with intravascular air
8.8 embolism that occurs while being cared for in a facility, excluding deaths associated with
8.9 neurosurgical procedures known to present a high risk of intravascular air embolism.

8.10 Sec. 9. Minnesota Statutes 2012, section 144.7065, subdivision 4, is amended to read:

8.11 Subd. 4. **Patient protection events.** Events reportable under this subdivision are:

8.12 (1) ~~an infant~~ a patient of any age, who does not have decision-making capacity,
8.13 discharged to the wrong person;

8.14 (2) patient death or serious ~~disability~~ injury associated with patient disappearance,
8.15 excluding events involving adults who have decision-making capacity; and

8.16 (3) patient suicide ~~or~~ attempted suicide resulting in serious ~~disability~~ injury, or
8.17 self-harm resulting in serious injury or death while being cared for in a facility due to
8.18 patient actions after admission to the facility, excluding deaths resulting from self-inflicted
8.19 injuries that were the reason for admission to the facility.

8.20 Sec. 10. Minnesota Statutes 2012, section 144.7065, subdivision 5, is amended to read:

8.21 Subd. 5. **Care management events.** Events reportable under this subdivision are:

8.22 (1) patient death or serious ~~disability~~ injury associated with a medication error,
8.23 including, but not limited to, errors involving the wrong drug, the wrong dose, the wrong
8.24 patient, the wrong time, the wrong rate, the wrong preparation, or the wrong route of
8.25 administration, excluding reasonable differences in clinical judgment on drug selection
8.26 and dose;

8.27 (2) patient death or serious ~~disability~~ injury associated with a ~~hemolytic reaction~~
8.28 ~~due to the administration of ABO/HLA-incompatible~~ unsafe administration of blood
8.29 or blood products;

8.30 (3) maternal death or serious ~~disability~~ injury associated with labor or delivery in a
8.31 low-risk pregnancy while being cared for in a facility, including events that occur within
8.32 42 days postdelivery and excluding deaths from pulmonary or amniotic fluid embolism,
8.33 acute fatty liver of pregnancy, or cardiomyopathy;

9.1 ~~(4) patient death or serious disability directly related to hypoglycemia, the onset of~~
 9.2 ~~which occurs while the patient is being cared for in a facility~~ death or serious injury of a
 9.3 neonate associated with labor or delivery in a low-risk pregnancy;

9.4 ~~(5) death or serious disability, including kernicterus, associated with failure~~
 9.5 ~~to identify and treat hyperbilirubinemia in neonates during the first 28 days of life.~~
 9.6 ~~"Hyperbilirubinemia" means bilirubin levels greater than 30 milligrams per deciliter;~~

9.7 ~~(6) (5) stage 3 or 4 or unstageable ulcers acquired after admission to a facility,~~
 9.8 ~~excluding progression from stage 2 to stage 3 if stage 2 was recognized upon admission;~~

9.9 ~~(7) patient death or serious disability due to spinal manipulative therapy; and~~

9.10 ~~(8) (6) artificial insemination with the wrong donor sperm or wrong egg;~~

9.11 ~~(7) patient death or serious injury associated with a fall while being cared for in~~
 9.12 a facility;

9.13 ~~(8) the irretrievable loss of an irreplaceable biological specimen; and~~

9.14 ~~(9) patient death or serious injury resulting from the failure to follow up or~~
 9.15 communicate laboratory, pathology, or radiology test results.

9.16 Sec. 11. Minnesota Statutes 2012, section 144.7065, subdivision 6, is amended to read:

9.17 Subd. 6. **Environmental events.** Events reportable under this subdivision are:

9.18 (1) patient death or serious ~~disability~~ injury associated with an electric shock while
 9.19 being cared for in a facility, excluding events involving planned treatments such as electric
 9.20 countershock;

9.21 (2) any incident in which a line designated for oxygen or other gas to be delivered to
 9.22 a patient contains the wrong gas or is contaminated by toxic substances;

9.23 (3) patient death or serious ~~disability~~ injury associated with a burn incurred from any
 9.24 source while being cared for in a facility; and

9.25 ~~(4) patient death or serious disability associated with a fall while being cared for in~~
 9.26 ~~a facility; and~~

9.27 ~~(5) (4) patient death or serious disability~~ injury associated with the use or lack of
 9.28 restraints or bedrails while being cared for in a facility.

9.29 Sec. 12. Minnesota Statutes 2012, section 144.7065, subdivision 7, is amended to read:

9.30 Subd. 7. **Potential criminal events.** Events reportable under this subdivision are:

9.31 (1) any instance of care ordered by or provided by someone impersonating a
 9.32 physician, nurse, pharmacist, or other licensed health care provider;

9.33 (2) abduction of a patient of any age;

9.34 (3) sexual assault on a patient within or on the grounds of a facility; and

10.1 (4) death or ~~significant~~ serious injury of a patient or staff member resulting from a
10.2 physical assault that occurs within or on the grounds of a facility.

10.3 Sec. 13. Minnesota Statutes 2012, section 144.7065, is amended by adding a
10.4 subdivision to read:

10.5 Subd. 7a. **Radiologic events.** Death or serious injury of a patient associated with
10.6 the introduction of a metallic object into the MRI area are reportable events under this
10.7 subdivision.

10.8 Sec. 14. Minnesota Statutes 2012, section 144A.04, is amended by adding a
10.9 subdivision to read:

10.10 Subd. 3b. **Nursing homes; tuberculosis prevention and control.** (a) A nursing
10.11 home provider must establish and maintain a comprehensive tuberculosis infection control
10.12 program according to the most current tuberculosis infection control guidelines issued
10.13 by the United States Centers for Disease Control and Prevention (CDC), Division of
10.14 Tuberculosis Elimination, as published in CDC's Morbidity and Mortality Weekly Report
10.15 (MMWR). This program must include a tuberculosis infection control plan that covers
10.16 all paid and unpaid employees, contractors, students, residents, and volunteers. The
10.17 Department of Health shall provide technical assistance regarding implementation of
10.18 the guidelines.

10.19 (b) Written compliance with this subdivision must be maintained by the nursing home.

10.20 Sec. 15. Minnesota Statutes 2012, section 144A.45, is amended by adding a
10.21 subdivision to read:

10.22 Subd. 6. **Home care providers; tuberculosis prevention and control.** (a) A home
10.23 care provider must establish and maintain a comprehensive tuberculosis infection control
10.24 program according to the most current tuberculosis infection control guidelines issued
10.25 by the United States Centers for Disease Control and Prevention (CDC), Division of
10.26 Tuberculosis Elimination, as published in CDC's Morbidity and Mortality Weekly Report
10.27 (MMWR). This program must include a tuberculosis infection control plan that covers
10.28 all paid and unpaid employees, contractors, students, and volunteers. The Department of
10.29 Health shall provide technical assistance regarding implementation of the guidelines.

10.30 (b) Written compliance with this subdivision must be maintained by the home care
10.31 provider.

11.1 Sec. 16. Minnesota Statutes 2012, section 144A.752, is amended by adding a
 11.2 subdivision to read:

11.3 Subd. 5. **Hospice providers; tuberculosis prevention and control.** (a) A hospice
 11.4 provider must establish and maintain a comprehensive tuberculosis infection control
 11.5 program according to the most current tuberculosis infection control guidelines issued
 11.6 by the United States Centers for Disease Control and Prevention (CDC), Division of
 11.7 Tuberculosis Elimination, as published in CDC's Morbidity and Mortality Weekly Report
 11.8 (MMWR). This program must include a tuberculosis infection control plan that covers
 11.9 all paid and unpaid employees, contractors, students, and volunteers. For residential
 11.10 hospice facilities, the tuberculosis infection control plan must cover each hospice patient.
 11.11 The Department of Health shall provide technical assistance regarding implementation of
 11.12 the guidelines.

11.13 (b) Written compliance with this subdivision must be maintained by the hospice
 11.14 provider.

11.15 Sec. 17. Minnesota Statutes 2012, section 144D.08, is amended to read:

11.16 **144D.08 UNIFORM CONSUMER INFORMATION GUIDE.**

11.17 All housing with services establishments shall make available to all prospective
 11.18 and current residents information consistent with the uniform format and the required
 11.19 components adopted by the commissioner under section 144G.06. This section does not
 11.20 apply to an establishment registered under section 144D.025 serving the homeless.

11.21 Sec. 18. Minnesota Statutes 2012, section 145.93, subdivision 3, is amended to read:

11.22 **Subd. 3. Grant award; designation; payments under grant.** ~~Each odd-numbered~~
 11.23 Every fifth year, the commissioner shall solicit applications for the poison information
 11.24 centers by giving reasonable public notice of the availability of money appropriated or
 11.25 otherwise available. The commissioner shall select from among the entities, whether profit
 11.26 or nonprofit, or units of government the applicants that best fulfill the criteria specified in
 11.27 subdivision 4. The grant shall be paid to the grantees quarterly beginning on July 1.

11.28 Sec. 19. Minnesota Statutes 2012, section 145A.04, is amended by adding a
 11.29 subdivision to read:

11.30 **Subd. 6d. Minnesota Responds Medical Reserve Corps; liability coverage. A**
 11.31 Minnesota Responds Medical Reserve Corps volunteer responding to a request for training
 11.32 or assistance at the call of a board of health must be deemed an employee of the jurisdiction
 11.33 for purposes of workers' compensation, tort claim defense, and indemnification.

12.1 Sec. 20. Minnesota Statutes 2012, section 145A.06, subdivision 7, is amended to read:

12.2 Subd. 7. **Commissioner requests for health volunteers.** (a) When the
12.3 commissioner receives a request for health volunteers from:

12.4 (1) a local board of health according to section 145A.04, subdivision 6c;

12.5 (2) the University of Minnesota Academic Health Center;

12.6 (3) another state or a territory through the Interstate Emergency Management
12.7 Assistance Compact authorized under section 192.89;

12.8 (4) the federal government through ESAR-VHP or another similar program; or

12.9 (5) a tribal or Canadian government;

12.10 the commissioner shall determine if deployment of Minnesota Responds Medical Reserve
12.11 Corps volunteers from outside the requesting jurisdiction is in the public interest. If so,
12.12 the commissioner may ask for Minnesota Responds Medical Reserve Corps volunteers to
12.13 respond to the request. The commissioner may also ask for Minnesota Responds Medical
12.14 Reserve Corps volunteers if the commissioner finds that the state needs health volunteers.

12.15 (b) The commissioner may request Minnesota Responds Medical Reserve Corps
12.16 volunteers to work on the Minnesota Mobile Medical Unit (MMU), or on other mobile
12.17 or temporary units providing emergency patient stabilization, medical transport, or
12.18 ambulatory care. The commissioner may utilize the volunteers for training, mobilization
12.19 or demobilization, inspection, maintenance, repair, or other support functions for the
12.20 MMU facility or for other emergency units, as well as for provision of health care services.

12.21 (c) A volunteer's rights and benefits under this chapter as a Minnesota Responds
12.22 Medical Reserve Corps volunteer is not affected by any vacation leave, pay, or other
12.23 compensation provided by the volunteer's employer during volunteer service requested by
12.24 the commissioner. An employer is not liable for actions of an employee while serving as a
12.25 Minnesota Responds Medical Reserve Corps volunteer.

12.26 (d) If the commissioner matches the request under paragraph (a) with Minnesota
12.27 Responds Medical Reserve Corps volunteers, the commissioner shall facilitate deployment
12.28 of the volunteers from the sending Minnesota Responds Medical Reserve Corps units to
12.29 the receiving jurisdiction. The commissioner shall track volunteer deployments and assist
12.30 sending and receiving jurisdictions in monitoring deployments, and shall coordinate
12.31 efforts with the division of homeland security and emergency management for out-of-state
12.32 deployments through the Interstate Emergency Management Assistance Compact or
12.33 other emergency management compacts.

12.34 (e) Where the commissioner has deployed Minnesota Responds Medical Reserve
12.35 Corps volunteers within or outside the state, the provisions of paragraphs (f) and (g) must
12.36 apply. Where Minnesota Responds Medical Reserve Corps volunteers were deployed

13.1 across jurisdictions by mutual aid or similar agreements prior to a commissioner's call,
13.2 the provisions of paragraphs (f) and (g) must apply retroactively to volunteers deployed
13.3 as of their initial deployment in response to the event or emergency that triggered a
13.4 subsequent commissioner's call.

13.5 (f) (1) A Minnesota Responds Medical Reserve Corps volunteer responding to a
13.6 request for training or assistance at the call of the commissioner must be deemed an
13.7 employee of the state for purposes of workers' compensation and tort claim defense and
13.8 indemnification under section 3.736, without regard to whether the volunteer's activity is
13.9 under the direction and control of the commissioner, the division of homeland security
13.10 and emergency management, the sending jurisdiction, the receiving jurisdiction, or of a
13.11 hospital, alternate care site, or other health care provider treating patients from the public
13.12 health event or emergency.

13.13 (2) For purposes of calculating workers' compensation benefits under chapter 176,
13.14 the daily wage must be the usual wage paid at the time of injury or death for similar services
13.15 performed by paid employees in the community where the volunteer regularly resides, or
13.16 the wage paid to the volunteer in the volunteer's regular employment, whichever is greater.

13.17 (g) The Minnesota Responds Medical Reserve Corps volunteer must receive
13.18 reimbursement for travel and subsistence expenses during a deployment approved by the
13.19 commissioner under this subdivision according to reimbursement limits established for
13.20 paid state employees. Deployment begins when the volunteer leaves on the deployment
13.21 until the volunteer returns from the deployment, including all travel related to the
13.22 deployment. The Department of Health shall initially review and pay those expenses to
13.23 the volunteer. Except as otherwise provided by the Interstate Emergency Management
13.24 Assistance Compact in section 192.89 or agreements made thereunder, the department
13.25 shall bill the jurisdiction receiving assistance and that jurisdiction shall reimburse the
13.26 department for expenses of the volunteers.

13.27 (h) In the event Minnesota Responds Medical Reserve Corps volunteers are
13.28 deployed outside the state pursuant to the Interstate Emergency Management Assistance
13.29 Compact, the provisions of the Interstate Emergency Management Assistance Compact
13.30 must control over any inconsistent provisions in this section.

13.31 (i) When a Minnesota Responds Medical Reserve Corps volunteer makes a claim
13.32 for workers' compensation arising out of a deployment under this section or out of a
13.33 training exercise conducted by the commissioner, the volunteer's workers compensation
13.34 benefits must be determined under section 176.011, subdivision 9, clause (25), even if the
13.35 volunteer may also qualify under other clauses of section 176.011, subdivision 9.

14.1 Sec. 21. **[145A.061] CRIMINAL BACKGROUND STUDIES.**

14.2 **Subdivision 1. Agreements to conduct criminal background studies.** The
14.3 commissioner of health may develop agreements to conduct criminal background studies
14.4 on each person who registers as a volunteer in the Minnesota Responds Medical Reserve
14.5 Corps and applies for membership in the Minnesota behavioral health or mobile medical
14.6 teams. The background study is for the purpose of determining the applicant's suitability
14.7 and eligibility for membership. Each applicant must provide written consent authorizing
14.8 the Department of Health to obtain the applicant's state criminal background information.

14.9 **Subd. 2. Opportunity to challenge accuracy of report.** Before denying the
14.10 applicant the opportunity to serve as a health volunteer due to information obtained from a
14.11 background study, the commissioner shall provide the applicant with the opportunity to
14.12 complete, or challenge the accuracy of, the criminal justice information reported to the
14.13 commissioner. The applicant shall have 30 calendar days to correct or complete the record
14.14 prior to the commissioner taking final action based on the report.

14.15 **Subd. 3. Denial of service.** The commissioner may deny an application from any
14.16 applicant who has been convicted of any of the following crimes:

14.17 Section 609.185 (murder in the first degree); section 609.19 (murder in the second
14.18 degree); section 609.195 (murder in the third degree); section 609.20 (manslaughter in
14.19 the first degree); section 609.205 (manslaughter in the second degree); section 609.25
14.20 (kidnapping); section 609.2661 (murder of an unborn child in the first degree); section
14.21 609.2662 (murder of an unborn child in the second degree); section 609.2663 (murder of
14.22 an unborn child in the third degree); section 609.342 (criminal sexual conduct in the first
14.23 degree); section 609.343 (criminal sexual conduct in the second degree); section 609.344
14.24 (criminal sexual conduct in the third degree); section 609.345 (criminal sexual conduct in
14.25 the fourth degree); section 609.3451 (criminal sexual conduct in the fifth degree); section
14.26 609.3453 (criminal sexual predatory conduct); section 609.352 (solicitation of children to
14.27 engage in sexual conduct); section 609.352 (communication of sexually explicit materials
14.28 to children); section 609.365 (incest); section 609.377 (felony malicious punishment of
14.29 a child); section 609.378 (felony neglect or endangerment of a child); section 609.561
14.30 (arson in the first degree); section 609.562 (arson in the second degree); section 609.563
14.31 (arson in the third degree); section 609.749, subdivision 3, 4, or 5 (felony stalking); section
14.32 152.021 (controlled substance crimes in the first degree); section 152.022 (controlled
14.33 substance crimes in the second degree); section 152.023 (controlled substance crimes in
14.34 the third degree); section 152.024 (controlled substance crimes in the fourth degree);
14.35 section 152.025 (controlled substance crimes in the fifth degree); section 243.166
14.36 (violation of predatory offender registration law); section 617.23, subdivision 2, clause

15.1 (1), or subdivision 3, clause (1) (indecent exposure involving a minor); section 617.246
15.2 (use of minors in sexual performance); section 617.247 (possession of pornographic
15.3 work involving minors); section 609.221 (assault in the first degree); section 609.222
15.4 (assault in the second degree); section 609.223 (assault in the third degree); section
15.5 609.2231 (assault in the fourth degree); section 609.224 (assault in the fifth degree);
15.6 section 609.2242 (domestic assault); section 609.2247 (domestic assault by strangulation);
15.7 section 609.228 (great bodily harm caused by distribution of drugs); section 609.23
15.8 (mistreatment of persons confined); section 609.231 (mistreatment of residents or
15.9 patients); section 609.2325 (criminal abuse); section 609.233 (criminal neglect); section
15.10 609.2335 (financial exploitation of a vulnerable adult); section 609.234 (failure to report);
15.11 section 609.24 (simple robbery); section 609.245 (aggravated robbery); section 609.255
15.12 (false imprisonment); section 609.322 (solicitation, inducement, and promotion of
15.13 prostitution and sex trafficking); section 609.324, subdivision 1 (hiring or engaging minors
15.14 in prostitution); section 609.465 (presenting false claims to a public officer or body);
15.15 section 609.466 (medical assistance fraud); section 609.52 (felony theft); section 609.82
15.16 (felony fraud in obtaining credit); section 609.527 (felony identity theft); section 609.582
15.17 (felony burglary); section 609.611 (felony insurance fraud); section 609.625 (aggravated
15.18 forgery); section 609.63 (forgery); section 609.631 (felony check forgery); section 609.66,
15.19 subdivision 1e (felony drive-by shooting); section 609.71 (felony riot); section 609.713
15.20 (terroristic threats); section 609.72, subdivision 3 (disorderly conduct by a caregiver against
15.21 a vulnerable adult); section 609.821 (felony financial transaction card fraud); section
15.22 609.855, subdivision 4 (shooting at or in a public transit vehicle or facility); or aiding and
15.23 abetting, attempting, or conspiring to commit any of the offenses in this subdivision.

15.24 Subd. 4. **Conviction.** For purposes of this section, an applicant is considered to
15.25 have been convicted of a crime if the applicant was convicted, or otherwise found guilty,
15.26 including by entering an Alford plea; was found guilty but the adjudication of guilt was
15.27 stayed or withheld; or was convicted but the imposition or execution of a sentence was
15.28 stayed.

15.29 Subd. 5. **Data practices.** All state criminal history record information or data
15.30 obtained by the commissioner from the Bureau of Criminal Apprehension is private data
15.31 on individuals under section 13.02, subdivision 12, and restricted to the exclusive use of
15.32 commissioner for the purpose of evaluating an applicant's eligibility for participation in
15.33 the behavioral health or mobile field medical team.

15.34 Subd. 6. **Use of volunteers by commissioner.** The commissioner may deny a
15.35 volunteer membership on a mobile medical team or behavioral health team for any reason,
15.36 and is only required to communicate the reason when membership is denied as a result

16.1 of information received from a criminal background study. The commissioner is exempt
 16.2 from the Criminal Offenders Rehabilitation Act under chapter 364 in the selection of
 16.3 volunteers for any position or activity including the Minnesota Responds Medical Reserve
 16.4 Corps, the Minnesota behavioral health team, and the mobile medical team.

16.5 Sec. 22. Minnesota Statutes 2012, section 146B.02, subdivision 2, is amended to read:

16.6 Subd. 2. **Requirements.** (a) Each application for an initial mobile or fixed-site
 16.7 establishment license and for renewal must be submitted to the commissioner on a form
 16.8 provided by the commissioner accompanied with the applicable fee required under section
 16.9 146B.10. The application must contain:

- 16.10 (1) the name(s) of the owner(s) and operator(s) of the establishment;
- 16.11 (2) the location of the establishment;
- 16.12 (3) verification of compliance with all applicable local and state codes;
- 16.13 (4) a description of the general nature of the business; and
- 16.14 (5) any other relevant information deemed necessary by the commissioner.

16.15 (b) The commissioner shall issue a provisional establishment license effective until
 16.16 the commissioner determines after inspection that the applicant has met the requirements
 16.17 of this chapter. Upon approval, the commissioner shall issue a body art establishment
 16.18 license effective for three years.

16.19 Sec. 23. Minnesota Statutes 2012, section 146B.02, subdivision 8, is amended to read:

16.20 Subd. 8. **Temporary events permit.** (a) An owner or operator of a temporary
 16.21 body art establishment shall submit an application for a temporary events permit to the
 16.22 commissioner at least 14 days before the start of the event. The application must include
 16.23 the specific days and hours of operation. The owner or operator shall comply with the
 16.24 requirements of this chapter.

16.25 (b) Applications received less than 14 days prior to the start of the event may be
 16.26 processed if the commissioner determines it is possible to conduct the required inspection.

16.27 ~~(b)~~ (c) The temporary events permit must be prominently displayed in a public
 16.28 area at the location.

16.29 ~~(e)~~ (d) The temporary events permit, if approved, is valid for the specified dates and
 16.30 hours listed on the application. No temporary events permit shall be issued for longer than
 16.31 a 21-day period, and may not be extended.

16.32 Sec. 24. Minnesota Statutes 2012, section 146B.03, is amended by adding a
 16.33 subdivision to read:

17.1 Subd. 11. **Penalty.** Any person who violates the provisions of subdivision 1 is
 17.2 guilty of a gross misdemeanor.

17.3 Sec. 25. Minnesota Statutes 2012, section 146B.07, subdivision 5, is amended to read:

17.4 Subd. 5. **Aftercare.** A technician shall provide each client with verbal and written
 17.5 instructions for the care of the tattooed or pierced site upon the completion of the
 17.6 procedure. The written instructions must advise the client of the difference between
 17.7 normal skin or tissue irritation and infection and to consult a health care professional at
 17.8 the first sign upon indication of infection of the skin or tissue.

17.9 Sec. 26. Minnesota Statutes 2012, section 148.6402, is amended by adding a
 17.10 subdivision to read:

17.11 Subd. 16a. **Occupational therapy practitioner.** "Occupational therapy
 17.12 practitioner" means any individual licensed as either an occupational therapist or
 17.13 occupational therapy assistant under sections 148.6401 to 148.6450.

17.14 Sec. 27. Minnesota Statutes 2012, section 148.6440, is amended to read:

17.15 **148.6440 PHYSICAL AGENT MODALITIES.**

17.16 Subdivision 1. **General considerations.** (a) Occupational ~~therapists~~ therapy
 17.17 practitioners who intend to use superficial physical agent modalities must comply with the
 17.18 requirements in subdivision 3. Occupational ~~therapists~~ therapy practitioners who intend
 17.19 to use electrotherapy must comply with the requirements in subdivision 4. Occupational
 17.20 ~~therapists~~ therapy practitioners who intend to use ultrasound devices must comply with
 17.21 the requirements in subdivision 5. Occupational therapy practitioners who are licensed
 17.22 as occupational therapy assistants and who intend to use physical agent modalities must
 17.23 also comply with subdivision 6.

17.24 (b) Use of superficial physical agent modalities, electrical stimulation devices, and
 17.25 ultrasound devices must be on the order of a physician.

17.26 (c) Prior to any use of any physical agent modality, ~~a licensee~~ an occupational
 17.27 therapy practitioner must obtain approval from the commissioner. The commissioner
 17.28 shall maintain a roster of persons licensed under sections 148.6401 to 148.6450 who are
 17.29 approved to use physical agent modalities.

17.30 (d) ~~Licensees~~ Occupational therapy practitioners are responsible for informing the
 17.31 commissioner of any changes in the information required in this section within 30 days
 17.32 of any change.

18.1 Subd. 2. **Written documentation required.** (a) An occupational ~~therapist~~
18.2 therapy practitioner must provide to the commissioner documentation verifying that
18.3 the occupational ~~therapist~~ therapy practitioner has met the educational and clinical
18.4 requirements described in subdivisions 3 to 5, depending on the modality or modalities
18.5 to be used. Both theoretical training and clinical application objectives must be met for
18.6 each modality used. Documentation must include the name and address of the individual
18.7 or organization sponsoring the activity; the name and address of the facility at which
18.8 the activity was presented; and a copy of the course, workshop, or seminar description,
18.9 including learning objectives and standards for meeting the objectives. In the case of
18.10 clinical application objectives, teaching methods must be documented, including actual
18.11 supervised practice. Documentation must include a transcript or certificate showing
18.12 successful completion of the coursework. Coursework completed more than two years
18.13 prior to the date of application must be retaken. An occupational ~~therapist~~ therapy
18.14 practitioner who is a certified hand therapist shall document satisfaction of the requirements
18.15 in subdivisions 3 to 5 by submitting to the commissioner a copy of a certificate issued
18.16 by the Hand Therapy Certification Commission. Occupational therapy practitioners are
18.17 prohibited from using physical agent modalities under supervision or independently until
18.18 granted approval as provided in subdivision 7, except under the provisions in paragraph (b).

18.19 (b) If a an occupational therapy practitioner has successfully completed a specific
18.20 course previously reviewed and approved by the commissioner as provided for in
18.21 subdivision 7, and has submitted the written documentation required in paragraph (a)
18.22 within 30 calendar days from the course date, the occupational therapy practitioner
18.23 awaiting written approval from the commissioner may use physical agent modalities
18.24 under the supervision of a licensed occupational therapist practitioner listed on the roster
18.25 of persons approved to use physical agent modalities.

18.26 Subd. 3. **Requirements for use of superficial physical agent modalities.** (a) An
18.27 occupational ~~therapist~~ therapy practitioner may use superficial physical agent modalities
18.28 if the occupational ~~therapist~~ therapy practitioner has received theoretical training and
18.29 clinical application training in the use of superficial physical agent modalities and been
18.30 granted approval as provided in subdivision 7.

18.31 (b) Theoretical training in the use of superficial physical agent modalities must:

18.32 (1) explain the rationale and clinical indications for use of superficial physical agent
18.33 modalities;

18.34 (2) explain the physical properties and principles of the superficial physical agent
18.35 modalities;

18.36 (3) describe the types of heat and cold transference;

- 19.1 (4) explain the factors affecting tissue response to superficial heat and cold;
- 19.2 (5) describe the biophysical effects of superficial physical agent modalities in
- 19.3 normal and abnormal tissue;
- 19.4 (6) describe the thermal conductivity of tissue, matter, and air;
- 19.5 (7) explain the advantages and disadvantages of superficial physical agent
- 19.6 modalities; and
- 19.7 (8) explain the precautions and contraindications of superficial physical agent
- 19.8 modalities.
- 19.9 (c) Clinical application training in the use of superficial physical agent modalities
- 19.10 must include activities requiring the occupational therapy practitioner to:
- 19.11 (1) formulate and justify a plan for the use of superficial physical agents for
- 19.12 treatment appropriate to its use and simulate the treatment;
- 19.13 (2) evaluate biophysical effects of the superficial physical agents;
- 19.14 (3) identify when modifications to the treatment plan for use of superficial physical
- 19.15 agents are needed and propose the modification plan;
- 19.16 (4) safely and appropriately administer superficial physical agents under the
- 19.17 supervision of a course instructor or clinical trainer;
- 19.18 (5) document parameters of treatment, patient response, and recommendations for
- 19.19 progression of treatment for the superficial physical agents; and
- 19.20 (6) demonstrate the ability to work competently with superficial physical agents as
- 19.21 determined by a course instructor or clinical trainer.
- 19.22 **Subd. 4. Requirements for use of electrotherapy.** (a) An occupational ~~therapist~~
- 19.23 therapy practitioner may use electrotherapy if the occupational ~~therapist~~ therapy
- 19.24 practitioner has received theoretical training and clinical application training in the use of
- 19.25 electrotherapy and been granted approval as provided in subdivision 7.
- 19.26 (b) Theoretical training in the use of electrotherapy must:
- 19.27 (1) explain the rationale and clinical indications of electrotherapy, including pain
- 19.28 control, muscle dysfunction, and tissue healing;
- 19.29 (2) demonstrate comprehension and understanding of electrotherapeutic terminology
- 19.30 and biophysical principles, including current, voltage, amplitude, and resistance;
- 19.31 (3) describe the types of current used for electrical stimulation, including the
- 19.32 description, modulations, and clinical relevance;
- 19.33 (4) describe the time-dependent parameters of pulsed and alternating currents,
- 19.34 including pulse and phase durations and intervals;
- 19.35 (5) describe the amplitude-dependent characteristics of pulsed and alternating
- 19.36 currents;

20.1 (6) describe neurophysiology and the properties of excitable tissue;

20.2 (7) describe nerve and muscle response from externally applied electrical
20.3 stimulation, including tissue healing;

20.4 (8) describe the electrotherapeutic effects and the response of nerve, denervated and
20.5 innervated muscle, and other soft tissue; and

20.6 (9) explain the precautions and contraindications of electrotherapy, including
20.7 considerations regarding pathology of nerve and muscle tissue.

20.8 (c) Clinical application training in the use of electrotherapy must include activities
20.9 requiring the occupational therapy practitioner to:

20.10 (1) formulate and justify a plan for the use of electrical stimulation devices for
20.11 treatment appropriate to its use and simulate the treatment;

20.12 (2) evaluate biophysical treatment effects of the electrical stimulation;

20.13 (3) identify when modifications to the treatment plan using electrical stimulation are
20.14 needed and propose the modification plan;

20.15 (4) safely and appropriately administer electrical stimulation under supervision
20.16 of a course instructor or clinical trainer;

20.17 (5) document the parameters of treatment, case example (patient) response, and
20.18 recommendations for progression of treatment for electrical stimulation; and

20.19 (6) demonstrate the ability to work competently with electrical stimulation as
20.20 determined by a course instructor or clinical trainer.

20.21 Subd. 5. **Requirements for use of ultrasound.** (a) An occupational ~~therapist~~
20.22 therapy practitioner may use an ultrasound device if the occupational ~~therapist~~ therapy
20.23 practitioner has received theoretical training and clinical application training in the use of
20.24 ultrasound and been granted approval as provided in subdivision 7.

20.25 (b) The theoretical training in the use of ultrasound must:

20.26 (1) explain the rationale and clinical indications for the use of ultrasound, including
20.27 anticipated physiological responses of the treated area;

20.28 (2) describe the biophysical thermal and nonthermal effects of ultrasound on normal
20.29 and abnormal tissue;

20.30 (3) explain the physical principles of ultrasound, including wavelength, frequency,
20.31 attenuation, velocity, and intensity;

20.32 (4) explain the mechanism and generation of ultrasound and energy transmission
20.33 through physical matter; and

20.34 (5) explain the precautions and contraindications regarding use of ultrasound devices.

20.35 (c) The clinical application training in the use of ultrasound must include activities
20.36 requiring the practitioner to:

21.1 (1) formulate and justify a plan for the use of ultrasound for treatment appropriate to
 21.2 its use and stimulate the treatment;

21.3 (2) evaluate biophysical effects of ultrasound;

21.4 (3) identify when modifications to the treatment plan for use of ultrasound are
 21.5 needed and propose the modification plan;

21.6 (4) safely and appropriately administer ultrasound under supervision of a course
 21.7 instructor or clinical trainer;

21.8 (5) document parameters of treatment, patient response, and recommendations for
 21.9 progression of treatment for ultrasound; and

21.10 (6) demonstrate the ability to work competently with ultrasound as determined
 21.11 by a course instructor or clinical trainer.

21.12 Subd. 6. **Occupational therapy assistant use of physical agent modalities.** An
 21.13 occupational therapy practitioner licensed as an occupational therapy assistant may set
 21.14 up and implement treatment using physical agent modalities if the licensed occupational
 21.15 therapy assistant meets the requirements of this section, has applied for and received
 21.16 written approval from the commissioner to use physical agent modalities as provided in
 21.17 subdivision 7, has demonstrated service competency for the particular modality used, and
 21.18 works under the direct supervision of an occupational therapy practitioner licensed as an
 21.19 occupational therapist who has been granted approval as provided in subdivision 7. An
 21.20 occupational therapy practitioner licensed as an occupational therapy assistant who uses
 21.21 superficial physical agent modalities must meet the requirements of subdivision 3. An
 21.22 occupational therapy practitioner licensed as an occupational therapy assistant who uses
 21.23 electrotherapy must meet the requirements of subdivision 4. An occupational therapy
 21.24 practitioner licensed as an occupational therapy assistant who uses ultrasound must meet
 21.25 the requirements of subdivision 5. An occupational therapy practitioner licensed as an
 21.26 occupational therapist may not delegate evaluation, reevaluation, treatment planning, and
 21.27 treatment goals for physical agent modalities to an occupational therapy practitioner
 21.28 licensed as an occupational therapy assistant.

21.29 Subd. 7. **Approval.** (a) The advisory council shall appoint a committee to review
 21.30 documentation under subdivisions 2 to 6 to determine if established educational and
 21.31 clinical requirements are met. If, after review of course documentation, the committee
 21.32 verifies that a specific course meets the theoretical and clinical requirements in
 21.33 subdivisions 2 to 6, the commissioner may approve practitioner applications that include
 21.34 the required course documentation evidencing completion of the same course.

21.35 (b) Occupational ~~therapists~~ therapy practitioners shall be advised of the status of
 21.36 their request for approval within 30 days. Occupational ~~therapists~~ therapy practitioners

22.1 must provide any additional information requested by the committee that is necessary to
 22.2 make a determination regarding approval or denial.

22.3 (c) A determination regarding a request for approval of training under this
 22.4 subdivision shall be made in writing to the occupational ~~therapist~~ therapy practitioner. If
 22.5 denied, the reason for denial shall be provided.

22.6 (d) ~~A licensee~~ An occupational therapy practitioner who was approved by the
 22.7 commissioner as a level two provider prior to July 1, 1999, shall remain on the roster
 22.8 maintained by the commissioner in accordance with subdivision 1, paragraph (c).

22.9 (e) To remain on the roster maintained by the commissioner, ~~a licensee~~ an
 22.10 occupational therapy practitioner who was approved by the commissioner as a level one
 22.11 provider prior to July 1, 1999, must submit to the commissioner documentation of training
 22.12 and experience gained using physical agent modalities since the licensee's occupational
 22.13 therapy practitioner's approval as a level one provider. The committee appointed under
 22.14 paragraph (a) shall review the documentation and make a recommendation to the
 22.15 commissioner regarding approval.

22.16 (f) An occupational ~~therapist~~ therapy practitioner who received training in the
 22.17 use of physical agent modalities prior to July 1, 1999, but who has not been placed on
 22.18 the roster of approved providers may submit to the commissioner documentation of
 22.19 training and experience gained using physical agent modalities. The committee appointed
 22.20 under paragraph (a) shall review documentation and make a recommendation to the
 22.21 commissioner regarding approval.

22.22 Sec. 28. Minnesota Statutes 2012, section 148.7802, subdivision 3, is amended to read:

22.23 Subd. 3. **Approved education program.** "Approved education program" means
 22.24 a university, college, or other postsecondary education program of athletic training
 22.25 that, at the time the student completes the program, is approved or accredited by the
 22.26 ~~National Athletic Trainers Association Professional Education Committee, the National~~
 22.27 ~~Athletic Trainers Association Board of Certification, or the Joint Review Committee on~~
 22.28 ~~Educational Programs in Athletic Training in collaboration with the American Academy~~
 22.29 ~~of Family Physicians, the American Academy of Pediatrics, the American Medical~~
 22.30 ~~Association, and the National Athletic Trainers Association~~ a nationally recognized
 22.31 accreditation agency for athletic training education programs approved by the board.

22.32 Sec. 29. Minnesota Statutes 2012, section 148.7802, subdivision 9, is amended to read:

22.33 Subd. 9. **Credentialing examination.** "Credentialing examination" means an
 22.34 examination administered by the ~~National Athletic Trainers Association Board of~~

23.1 Certification, or their recognized successor, for credentialing as an athletic trainer, or
 23.2 an examination for credentialing offered by a national testing service that is approved
 23.3 by the board.

23.4 Sec. 30. Minnesota Statutes 2012, section 148.7803, is amended to read:

23.5 **148.7803 DESIGNATION OF ATHLETIC TRAINER.**

23.6 Subdivision 1. **Designation.** A person shall not use in connection with the person's
 23.7 name the words or letters registered athletic trainer; licensed athletic trainer; Minnesota
 23.8 registered athletic trainer; athletic trainer; AT; ATR; or any words, letters, abbreviations,
 23.9 or insignia indicating or implying that the person is an athletic trainer, without a certificate
 23.10 of registration as an athletic trainer issued under sections 148.7808 to 148.7810. A student
 23.11 attending a college or university athletic training program must be identified as a "~~student~~
 23.12 ~~athletic trainer.~~ athletic training student."

23.13 Subd. 2. **Penalty.** A person who violates this section is guilty of a misdemeanor and
 23.14 subject to section 214.11.

23.15 Sec. 31. Minnesota Statutes 2012, section 148.7805, subdivision 1, is amended to read:

23.16 Subdivision 1. ~~Creation;~~ **Membership.** The Athletic Trainers Advisory Council
 23.17 is created and is composed of eight members appointed by the board. The advisory
 23.18 council consists of:

23.19 (1) two public members as defined in section 214.02;

23.20 (2) three members who, ~~except for initial appointees,~~ are registered athletic trainers,
 23.21 one being both a licensed physical therapist and registered athletic trainer as submitted by
 23.22 the Minnesota American Physical Therapy Association;

23.23 (3) two members who are medical physicians licensed by the state and have
 23.24 experience with athletic training and sports medicine; and

23.25 (4) one member who is a doctor of chiropractic licensed by the state and has
 23.26 experience with athletic training and sports injuries.

23.27 Sec. 32. Minnesota Statutes 2012, section 148.7808, subdivision 1, is amended to read:

23.28 Subdivision 1. **Registration.** The board may issue a certificate of registration as an
 23.29 athletic trainer to applicants who meet the requirements under this section. An applicant
 23.30 for registration as an athletic trainer shall pay a fee under section 148.7815 and file a
 23.31 written application on a form, provided by the board, that includes:

23.32 (1) the applicant's name, Social Security number, home address and telephone
 23.33 number, business address and telephone number, and business setting;

- 24.1 (2) evidence satisfactory to the board of the successful completion of an education
 24.2 program approved by the board;
- 24.3 (3) educational background;
- 24.4 (4) proof of a baccalaureate or master's degree from an accredited college or
 24.5 university;
- 24.6 (5) credentials held in other jurisdictions;
- 24.7 (6) a description of any other jurisdiction's refusal to credential the applicant;
- 24.8 (7) a description of all professional disciplinary actions initiated against the applicant
 24.9 in any other jurisdiction;
- 24.10 (8) any history of drug or alcohol abuse, and any misdemeanor or felony conviction;
- 24.11 (9) evidence satisfactory to the board of a qualifying score on a credentialing
 24.12 examination ~~within one year of the application for registration~~;
- 24.13 (10) additional information as requested by the board;
- 24.14 (11) the applicant's signature on a statement that the information in the application is
 24.15 true and correct to the best of the applicant's knowledge and belief; and
- 24.16 (12) the applicant's signature on a waiver authorizing the board to obtain access to
 24.17 the applicant's records in this state or any other state in which the applicant has completed
 24.18 an education program approved by the board or engaged in the practice of athletic training.

24.19 Sec. 33. Minnesota Statutes 2012, section 148.7808, subdivision 4, is amended to read:

24.20 Subd. 4. **Temporary registration.** (a) The board may issue a temporary registration
 24.21 as an athletic trainer to qualified applicants. A temporary registration is issued for
 24.22 ~~one year~~ 120 days. An athletic trainer with a temporary registration may qualify for
 24.23 full registration after submission of verified documentation that the athletic trainer has
 24.24 achieved a qualifying score on a credentialing examination within ~~one year~~ 120 days after
 24.25 the date of the temporary registration. A temporary registration may not be renewed.

24.26 (b) Except as provided in subdivision 3, paragraph (a), clause (1), an applicant for
 24.27 a temporary registration must submit the application materials and fees for registration
 24.28 required under subdivision 1, clauses (1) to (8) and (10) to (12).

24.29 (c) An athletic trainer with a temporary registration shall work only under the
 24.30 direct supervision of an athletic trainer registered under this section. No more than ~~four~~
 24.31 two athletic trainers with temporary registrations shall work under the direction of a
 24.32 registered athletic trainer.

24.33 Sec. 34. Minnesota Statutes 2012, section 148.7812, subdivision 2, is amended to read:

25.1 Subd. 2. **Approved programs.** The board shall approve a continuing education
25.2 program that has been approved for continuing education credit by the ~~National Athletic~~
25.3 ~~Trainers Association~~ Board of Certification, or its recognized successor.

25.4 Sec. 35. Minnesota Statutes 2012, section 148.7813, is amended by adding a
25.5 subdivision to read:

25.6 Subd. 5. **Discipline; reporting.** For the purposes of this chapter, registered athletic
25.7 trainers and applicants are subject to the provisions of sections 147.091 to 147.162.

25.8 Sec. 36. Minnesota Statutes 2012, section 148.7814, is amended to read:

25.9 **148.7814 APPLICABILITY.**

25.10 Sections 148.7801 to 148.7815 do not apply to persons who are certified as athletic
25.11 trainers by the ~~National Athletic Trainers Association~~ Board of Certification or the board's
25.12 recognized successor and come into Minnesota for a specific athletic event or series of
25.13 athletic events with an individual or group.

25.14 Sec. 37. Minnesota Statutes 2012, section 151.37, subdivision 2, is amended to read:

25.15 Subd. 2. **Prescribing and filing.** (a) A licensed practitioner in the course of
25.16 professional practice only, may prescribe, administer, and dispense a legend drug, and may
25.17 cause the same to be administered by a nurse, a physician assistant, or medical student or
25.18 resident under the practitioner's direction and supervision, and may cause a person who
25.19 is an appropriately certified, registered, or licensed health care professional to prescribe,
25.20 dispense, and administer the same within the expressed legal scope of the person's practice
25.21 as defined in Minnesota Statutes. A licensed practitioner may prescribe a legend drug,
25.22 without reference to a specific patient, by directing a nurse, pursuant to section 148.235,
25.23 subdivisions 8 and 9, physician assistant, medical student or resident, or pharmacist
25.24 according to section 151.01, subdivision 27, to adhere to a particular practice guideline or
25.25 protocol when treating patients whose condition falls within such guideline or protocol,
25.26 and when such guideline or protocol specifies the circumstances under which the legend
25.27 drug is to be prescribed and administered. An individual who verbally, electronically, or
25.28 otherwise transmits a written, oral, or electronic order, as an agent of a prescriber, shall
25.29 not be deemed to have prescribed the legend drug. This paragraph applies to a physician
25.30 assistant only if the physician assistant meets the requirements of section 147A.18.

25.31 (b) The commissioner of health, if a licensed practitioner, or a person designated
25.32 by the commissioner who is a licensed practitioner, may prescribe a legend drug to an
25.33 individual or by protocol for mass dispensing purposes where the commissioner finds that

26.1 the conditions triggering section 144.4197 or 144.4198, subdivision 2, paragraph (b), exist.
26.2 The commissioner, if a licensed practitioner, or a designated licensed practitioner, may
26.3 prescribe, dispense, or administer a legend drug or other substance listed in subdivision 10
26.4 to control tuberculosis and other communicable diseases. The commissioner may modify
26.5 state drug labeling requirements, and medical screening criteria and documentation, where
26.6 time is critical and limited labeling and screening are most likely to ensure legend drugs
26.7 reach the maximum number of persons in a timely fashion so as to reduce morbidity
26.8 and mortality.

26.9 (c) A licensed practitioner that dispenses for profit a legend drug that is to be
26.10 administered orally, is ordinarily dispensed by a pharmacist, and is not a vaccine, must
26.11 file with the practitioner's licensing board a statement indicating that the practitioner
26.12 dispenses legend drugs for profit, the general circumstances under which the practitioner
26.13 dispenses for profit, and the types of legend drugs generally dispensed. It is unlawful to
26.14 dispense legend drugs for profit after July 31, 1990, unless the statement has been filed
26.15 with the appropriate licensing board. For purposes of this paragraph, "profit" means (1)
26.16 any amount received by the practitioner in excess of the acquisition cost of a legend drug
26.17 for legend drugs that are purchased in prepackaged form, or (2) any amount received
26.18 by the practitioner in excess of the acquisition cost of a legend drug plus the cost of
26.19 making the drug available if the legend drug requires compounding, packaging, or other
26.20 treatment. The statement filed under this paragraph is public data under section 13.03.
26.21 This paragraph does not apply to a licensed doctor of veterinary medicine or a registered
26.22 pharmacist. Any person other than a licensed practitioner with the authority to prescribe,
26.23 dispense, and administer a legend drug under paragraph (a) shall not dispense for profit.
26.24 To dispense for profit does not include dispensing by a community health clinic when the
26.25 profit from dispensing is used to meet operating expenses.

26.26 (d) A prescription or drug order for the following drugs is not valid, unless it can be
26.27 established that the prescription or order was based on a documented patient evaluation,
26.28 including an examination, adequate to establish a diagnosis and identify underlying
26.29 conditions and contraindications to treatment:

- 26.30 (1) controlled substance drugs listed in section 152.02, subdivisions 3 to 5;
26.31 (2) drugs defined by the Board of Pharmacy as controlled substances under section
26.32 152.02, subdivisions 7, 8, and 12;
26.33 (3) muscle relaxants;
26.34 (4) centrally acting analgesics with opioid activity;
26.35 (5) drugs containing butalbital; or
26.36 (6) phosphodiesterase type 5 inhibitors when used to treat erectile dysfunction.

27.1 (e) For the purposes of paragraph (d), the requirement for an examination shall be
27.2 met if an in-person examination has been completed in any of the following circumstances:

27.3 (1) the prescribing practitioner examines the patient at the time the prescription
27.4 or drug order is issued;

27.5 (2) the prescribing practitioner has performed a prior examination of the patient;

27.6 (3) another prescribing practitioner practicing within the same group or clinic as the
27.7 prescribing practitioner has examined the patient;

27.8 (4) a consulting practitioner to whom the prescribing practitioner has referred the
27.9 patient has examined the patient; or

27.10 (5) the referring practitioner has performed an examination in the case of a
27.11 consultant practitioner issuing a prescription or drug order when providing services by
27.12 means of telemedicine.

27.13 (f) Nothing in paragraph (d) or (e) prohibits a licensed practitioner from prescribing
27.14 a drug through the use of a guideline or protocol pursuant to paragraph (a).

27.15 (g) Nothing in this chapter prohibits a licensed practitioner from issuing a
27.16 prescription or dispensing a legend drug in accordance with the Expedited Partner Therapy
27.17 in the Management of Sexually Transmitted Diseases guidance document issued by the
27.18 United States Centers for Disease Control.

27.19 (h) Nothing in paragraph (d) or (e) limits prescription, administration, or dispensing
27.20 of legend drugs through a public health clinic or other distribution mechanism approved
27.21 by the commissioner of health or a board of health in order to prevent, mitigate, or treat
27.22 a pandemic illness, infectious disease outbreak, or intentional or accidental release of a
27.23 biological, chemical, or radiological agent.

27.24 (i) No pharmacist employed by, under contract to, or working for a pharmacy
27.25 licensed under section 151.19, subdivision 1, may dispense a legend drug based on a
27.26 prescription that the pharmacist knows, or would reasonably be expected to know, is not
27.27 valid under paragraph (d).

27.28 (j) No pharmacist employed by, under contract to, or working for a pharmacy
27.29 licensed under section 151.19, subdivision 2, may dispense a legend drug to a resident
27.30 of this state based on a prescription that the pharmacist knows, or would reasonably be
27.31 expected to know, is not valid under paragraph (d).

27.32 (k) Nothing in this chapter prohibits the commissioner of health, if a licensed
27.33 practitioner, or, if not a licensed practitioner, a designee of the commissioner who is
27.34 a licensed practitioner, from prescribing legend drugs for field-delivered therapy in the
27.35 treatment of a communicable disease according to the Centers For Disease Control and
27.36 Prevention Partner Services Guidelines.

28.1 Sec. 38. **REPEALER.**

28.2 (a) Minnesota Statutes 2012, sections 144.1487; 144.1488; 144.1489; 144.1490; and
28.3 144.1491, are repealed.

28.4 (b) Minnesota Statutes 2012, sections 146B.03, subdivision 10; 325F.814; and
28.5 609.2246, are repealed.

28.6 (c) Minnesota Statutes 2012, sections 148.7808, subdivision 2; and 148.7813, are
28.7 repealed.

144.1487 LOAN REPAYMENT PROGRAM FOR HEALTH PROFESSIONALS.

Subdivision 1. **Definition.** (a) For purposes of sections 144.1487 to 144.1492, the following definition applies.

(b) "Health professional shortage area" means an area designated as such by the federal Secretary of Health and Human Services, as provided under Code of Federal Regulations, title 42, part 5, and United States Code, title 42, section 254E.

Subd. 2. **Establishment and purpose.** The commissioner shall establish a National Health Services Corps state loan repayment program authorized by section 388I of the Public Health Service Act, United States Code, title 42, section 254q-1, as amended by Public Law 101-597. The purpose of the program is to assist communities with the recruitment and retention of health professionals in federally designated health professional shortage areas.

144.1488 PROGRAM ADMINISTRATION AND ELIGIBILITY.

Subdivision 1. **Duties of commissioner of health.** The commissioner shall administer the state loan repayment program. The commissioner shall:

- (1) ensure that federal funds are used in accordance with program requirements established by the federal National Health Services Corps;
- (2) notify potentially eligible loan repayment sites about the program;
- (3) develop and disseminate application materials to sites;
- (4) review and rank applications using the scoring criteria approved by the federal Department of Health and Human Services as part of the Minnesota Department of Health's National Health Services Corps state loan repayment program application;
- (5) select sites that qualify for loan repayment based upon the availability of federal and state funding;
- (6) carry out other activities necessary to implement and administer sections 144.1487 to 144.1492;
- (7) verify the eligibility of program participants;
- (8) sign a contract with each participant that specifies the obligations of the participant and the state;
- (9) arrange for loan repayment of qualifying educational loans for program participants;
- (10) monitor the obligated service of program participants;
- (11) waive or suspend service or payment obligations of participants in appropriate situations;
- (12) place participants who fail to meet their obligations in default; and
- (13) enforce penalties for default.

Subd. 3. **Eligible loan repayment sites.** Nonprofit private and public entities located in and providing health care services in federally designated primary care health professional shortage areas are eligible to apply for the program. The commissioner shall develop a list of Minnesota health professional shortage areas in greatest need of health care professionals and shall select loan repayment sites from that list. The commissioner shall ensure, to the greatest extent possible, that the geographic distribution of sites within the state reflects the percentage of the population living in rural and urban health professional shortage areas.

Subd. 4. **Eligible health professionals.** (a) To be eligible to apply to the commissioner for the loan repayment program, health professionals must be citizens or nationals of the United States, must not have any unserved obligations for service to a federal, state, or local government, or other entity, must have a current and unrestricted Minnesota license to practice, and must be ready to begin full-time clinical practice upon signing a contract for obligated service.

(b) Eligible providers are those specified by the federal Bureau of Health Professions in the policy information notice for the state's current federal grant application. A health professional selected for participation is not eligible for loan repayment until the health professional has an employment agreement or contract with an eligible loan repayment site and has signed a contract for obligated service with the commissioner.

144.1489 OBLIGATIONS OF PARTICIPANTS.

Subdivision 1. **Contract required.** Before starting the period of obligated service, a participant must sign a contract with the commissioner that specifies the obligations of the participant and the commissioner.

Subd. 2. **Obligated service.** A participant shall agree in the contract to fulfill the period of obligated service by providing primary health care services in full-time clinical practice. The

APPENDIX

Repealed Minnesota Statutes: S0887-2

service must be provided in a nonprofit private or public entity that is located in and providing services to a federally designated health professional shortage area and that has been designated as an eligible site by the commissioner under the state loan repayment program.

Subd. 3. **Length of service.** Participants must agree to provide obligated service for a minimum of two years. A participant may extend a contract to provide obligated service for a third and fourth year, subject to approval by the commissioner and the availability of federal and state funding.

Subd. 4. **Affidavit of service required.** Before receiving loan repayment, annually thereafter, and as requested by the commissioner, a participant shall submit an affidavit to the commissioner stating that the participant is providing the obligated service and which is signed by a representative of the organizational entity in which the service is provided. Participants must provide written notice to the commissioner within 30 days of: a change in name or address, a decision not to fulfill a service obligation, or cessation of clinical practice.

Subd. 5. **Tax responsibility.** The participant is responsible for reporting on federal income tax returns any amount paid by the state on designated loans, if required to do so under federal law.

Subd. 6. **Nondiscrimination requirements.** Participants are prohibited from charging a higher rate for professional services than the usual and customary rate prevailing in the area where the services are provided. If a patient is unable to pay this charge, a participant shall charge the patient a reduced rate or not charge the patient. Participants must agree not to discriminate on the basis of ability to pay or status as a Medicare or medical assistance enrollee. Participants must agree to accept assignment under the Medicare program and to serve as an enrolled provider under medical assistance.

144.1490 RESPONSIBILITIES OF LOAN REPAYMENT PROGRAM.

Subdivision 1. **Loan repayment.** Subject to the availability of federal and state funds for the loan repayment program, the commissioner shall pay all or part of the qualifying education loans up to \$20,000 annually for each primary care physician participant that fulfills the required service obligation. For purposes of this provision, "qualifying educational loans" are government and commercial loans for actual costs paid for tuition, reasonable education expenses, and reasonable living expenses related to the graduate or undergraduate education of a health care professional.

Subd. 2. **Procedure for loan repayment.** Program participants, at the time of signing a contract, shall designate the qualifying loan or loans for which the commissioner is to make payments. The participant shall submit to the commissioner proof that all payments made by the commissioner have been applied toward the designated qualifying loans. The commissioner shall make payments in accordance with the terms and conditions of the state loan repayment grant agreement or contract, in an amount not to exceed \$20,000 when annualized. If the amount paid by the commissioner is less than \$20,000 during a 12-month period, the commissioner shall pay during the 12th month an additional amount towards a loan or loans designated by the participant, to bring the total paid to \$20,000. The total amount paid by the commissioner must not exceed the amount of principal and accrued interest of the designated loans.

144.1491 FAILURE TO COMPLETE OBLIGATED SERVICE.

Subdivision 1. **Penalties for breach of contract.** A program participant who fails to complete the required years of obligated service shall repay the amount paid, as well as a financial penalty specified by the federal Bureau of Health Professions in the policy information notice for the state's current federal grant application. The commissioner shall report to the appropriate health-related licensing board a participant who fails to complete the service obligation and fails to repay the amount paid or fails to pay any financial penalty owed under this subdivision.

Subd. 2. **Suspension or waiver of obligation.** Payment or service obligations cancel in the event of a participant's death. The commissioner may waive or suspend payment or service obligations in case of total and permanent disability or long-term temporary disability lasting for more than two years. The commissioner shall evaluate all other requests for suspension or waivers on a case-by-case basis.

146B.03 LICENSURE FOR BODY ART TECHNICIANS.

Subd. 10. **Transition period.** Until January 1, 2012, the supervised experience requirement under subdivision 4, clause (4), shall be waived by the commissioner if the applicant submits to the commissioner evidence satisfactory to the commissioner that:

(1) the applicant has performed at least 2,080 hours within the last five years in the body art area in which the applicant is seeking licensure; or

APPENDIX

Repealed Minnesota Statutes: S0887-2

(2) the applicant completed more than 1,040 hours but less than 2,080 hours within the last five years in the body art area in which the applicant is seeking licensure and has successfully completed at least six hours of coursework provided by one of the following entities: Alliance of Professional Tattooists, Association of Professional Piercers, or Compliance Solutions International.

148.7808 REGISTRATION; REQUIREMENTS.

Subd. 2. **Registration by equivalency.** The board may register by equivalency an applicant who:

(1) submits the application materials and fees required under subdivision 1, clauses (1) to (8) and (10) to (12); and

(2) provides evidence satisfactory to the board of current certification by the National Athletic Trainers Association Board of Certification.

Applicants who were certified by the National Athletic Trainers Association through the "grandfather" process prior to 1971 are exempt from completing subdivision 1, clauses (2) and (9).

148.7813 DISCIPLINARY PROCESS.

Subdivision 1. **Investigation of complaints.** Upon receipt of a complaint or other communication pursuant to section 214.13, subdivision 6, that alleges or implies a violation of sections 148.7801 to 148.7815 by an applicant or registered athletic trainer, the board shall follow the procedures in section 214.10.

Subd. 2. **Grounds for disciplinary action.** The board may impose disciplinary action as described in subdivision 3 against an athletic trainer whom the board, after a hearing under the contested case provisions of chapter 14, determines:

(1) has knowingly made a false statement on a form required by the board for registration or registration renewal;

(2) has provided athletic training services in a manner that falls below the standard of care of the profession;

(3) has violated sections 148.7801 to 148.7815 or the rules adopted under these sections;

(4) is or has been afflicted with any physical, mental, emotional, or other disability, or addiction that, in the opinion of the board, adversely affects the person's ability to practice athletic training;

(5) has failed to cooperate with an investigation by the board;

(6) has been convicted or has pled guilty or nolo contendere to an offense that in the opinion of the board reasonably relates to the practice of athletic training or that bears on the athletic trainer's ability to practice athletic training;

(7) has aided and abetted in any manner a person in violating sections 148.7801 to 148.7815;

(8) has been disciplined by an agency or board of another state while in the practice of athletic training;

(9) has shown dishonest, unethical, or unprofessional conduct while in the practice of athletic training that is likely to deceive, defraud, or harm the public;

(10) has violated a state or federal law, rule, or regulation that in the opinion of the board reasonably relates to the practice of athletic training;

(11) has behaved in a sexual manner or what may reasonably be interpreted by a patient as sexual, or was verbally seductive or sexually demeaning to a patient;

(12) has misused alcohol, drugs, or controlled substances; or

(13) has violated an order issued by the board.

Subd. 3. **Disciplinary actions.** When grounds for disciplinary action exist under subdivision 2, the board may take one or more of the following actions:

(1) deny the right to practice;

(2) revoke the right to practice;

(3) suspend the right to practice;

(4) impose limitations on the practice of the athletic trainer;

(5) impose conditions on the practice of the athletic trainer;

(6) impose a civil penalty not exceeding \$10,000 for each separate violation, the amount of the civil penalty to be fixed so as to deprive the athletic trainer of any economic advantage gained by reason of the violation charged, or to discourage repeated violations;

(7) censure or reprimand the athletic trainer; or

(8) take any other action justified by the facts of the case.

APPENDIX

Repealed Minnesota Statutes: S0887-2

Subd. 4. **Reinstatement.** An athletic trainer who has had registration revoked cannot apply for reinstatement. A suspended athletic trainer shall be reinstated upon evidence satisfactory to the board of fulfillment of the terms of suspension. All requirements of section 148.7809 to renew registration, if applicable, must also be met before reinstatement.

325F.814 BODY PIERCING.

Subdivision 1. **Prohibition.** No person may provide body piercing services for a person under the age of 18 without the written consent of a parent or legal guardian. The provider of the services must witness the execution and dating of the consent by the parent or legal guardian.

Subd. 2. **Definition.** For the purposes of this section, "body piercing" means the perforation of any human body part other than an earlobe for the purpose of inserting jewelry or other decoration or for some other nonmedical purpose.

Subd. 3. **Penalties.** (a) A person who violates subdivision 1 is guilty of a misdemeanor.

(b) The public and private remedies in section 8.31 apply to violations of this section.

609.2246 TATTOOS; MINORS.

Subdivision 1. **Requirements.** No person under the age of 18 may receive a tattoo unless the person provides written parental consent to the tattoo. The consent must include both the custodial and noncustodial parents, where applicable.

Subd. 2. **Definition.** For the purposes of this section, "tattoo" means an indelible mark or figure fixed on the body by insertion of pigment under the skin or by production of scars.

Subd. 3. **Penalty.** A person who provides a tattoo to a minor in violation of this section is guilty of a misdemeanor.
