ARTICLE 2
STATE GOVERNMENT

Section 1. [2.92] DISTRICTING PRINCIPLES.
Subdivision 1. Applicability; constitutional duty of legislature. (a) The principles in this section apply to legislative and congressional districts.

(b) Notwithstanding any laws to the contrary, legislative and congressional districts must be drawn by the legislature, consistent with the requirements of the Minnesota Constitution, article IV, section 3. The legislature may not delegate its duty to draw districts to any commission, council, panel, or other entity that is not comprised solely of members of the legislature.

Subd. 2. Nesting. A representative district may not be divided in the formation of a senate district.
Subd. 3. **Equal population.** (a) Legislative districts must be substantially equal in population. The population of a legislative district must not deviate from the ideal by more than 0.5 percent, plus or minus.

(b) Congressional districts must be as nearly equal in population as practicable.

Subd. 4. **Contiguity; compactness.** The districts must be composed of convenient contiguous territory. To the extent consistent with the other principles in this section, districts should be compact. Contiguity by water is sufficient if the water is not a serious obstacle to travel within the district. Point contiguity is not sufficient.

Subd. 5. **Numbering.** (a) Legislative districts must be numbered in a regular series, beginning with house district 1A in the northwest corner of the state and proceeding across the state from west to east, north to south, but bypassing the 11-county metropolitan area until the southeast corner has been reached; then to the 11-county metropolitan area outside the cities of Minneapolis and St. Paul; then in Minneapolis and St. Paul.

(b) Congressional district numbers must begin with district one in the southeast corner of the state and end with district eight in the northeast corner of the state.

Subd. 6. **Minority representation.** (a) The dilution of racial or ethnic minority voting strength is contrary to the laws of the United States and the state of Minnesota. These principles must not be construed to supersede any provision of the Voting Rights Act of 1965, as amended.

(b) A redistricting plan must not have the intent or effect of dispersing or concentrating minority population in a manner that prevents minority communities from electing their candidates of choice.

Subd. 7. **Minor civil divisions.** (a) A county, city, or town must not be unduly divided unless required to meet equal population requirements or to form districts composed of convenient, contiguous territory.

(b) A county, city, or town is not unduly divided in the formation of a legislative or congressional district if:

1. the division occurs because a portion of a city or town is noncontiguous with another portion of the same city or town; or

2. despite the division, the known population of any affected county, city, or town remains wholly located within a single district.

Subd. 8. **Preserving communities of interest.** (a) Districts should attempt to preserve identifiable communities of interest where that can be done in compliance with the principles under this section.
(b) For purposes of this subdivision, "communities of interest" means recognizable areas with similarities of interests including, but not limited to, racial, ethnic, geographic, social, or cultural interests.

Subd. 9. **Data to be used.** (a) The geographic areas and population counts used in maps, tables, and legal descriptions of the districts must be those used by the Geographic Information Systems Office of the Legislative Coordinating Commission. The population counts will be the block population counts provided to the state under Public Law 94-171 after each decennial census, subject to correction of any errors acknowledged by the United States Census Bureau.

(b) Nothing in this subdivision prohibits the use of additional data, as determined by the legislature.

Subd. 10. **Consideration of plans.** A redistricting plan must not be considered for adoption by the senate or house of representatives until a block equivalency file showing the district to which each census block has been assigned, in a form prescribed by the director of the Geographic Information Systems Office, has been filed with the director.

Subd. 11. **Priority of principles.** Where it is not possible to fully comply with the principles contained in subdivisions 1 to 8, a redistricting plan must give priority to those principles in the order in which they are listed in this section, except to the extent that doing so would violate federal or state law.

**EFFECTIVE DATE.** This section is effective the day following final enactment and applies to any plan for districts enacted or established for use on or after that date.

Sec. 2. Minnesota Statutes 2014, section 3.971, is amended by adding a subdivision to read:

Subd. 8a. **Fiscal notes and revenue estimates.** The legislative auditor shall participate in the fiscal note and revenue estimate process in the manner described in section 3.98. Authority of the legislative auditor and duties of employees and entities under section 3.978, subdivision 2, apply to the legislative auditor's work on fiscal notes and revenue estimates.

Sec. 3. **[3.9735] EVALUATION OF ECONOMIC DEVELOPMENT INCENTIVE PROGRAMS.**

**Subdivision 1. Definitions.** For purposes of this section, the terms defined in this section have the meanings given them.

(a) "General incentive" means a state program, statutory provision, or tax expenditure, including tax credits, tax exemptions, tax deductions, grants, or loans, that
is intended to encourage businesses to locate, expand, invest, or remain in Minnesota or
to hire or retain employees in Minnesota. To be a general incentive, a state program,
statutory provision, or tax expenditure must be available to multiple entities, projects, or
associated projects or include eligibility criteria with the intent that it will be available to
multiple entities, projects, or associated projects.

(b) "Exclusive incentive" means a state program, statutory provision, tax
expenditure, or section of a general incentive, including tax credits, tax exemptions, tax
deductions, grants, or loans, that is intended to encourage a single specific entity, project,
or associated projects to locate, expand, invest, or remain in Minnesota or to hire or retain
employees in Minnesota.

Subd. 2. Selection of general incentives for review; schedule for evaluation;
report. Annually, the legislative auditor shall submit to the Legislative Audit Commission
a list of three to five general incentives proposed for review. In selecting general
incentives to include on this list, the legislative auditor may consider what the incentive
will cost state and local governments in actual spending and foregone revenue currently or
projected into the future, the legislature's need for information about a general incentive
that has an upcoming expiration date, and the legislature's need for regular information on
the results of all major general incentives. Annually, the Legislative Audit Commission
will select at least one general incentive for the legislative auditor's evaluation. The
legislative auditor will evaluate the selected general incentive or incentives, prepared
according to the evaluation plan established under subdivision 4, and submit a written
report to the Legislative Audit Commission.

Subd. 3. Exclusive incentive schedule. The legislative auditor's schedule shall
ensure that at least once every four years the legislative auditor will complete an analysis
of best practices for exclusive incentives.

Subd. 4. Evaluation plans. By February 1, 2016, the Legislative Audit Commission
shall establish evaluation plans that identify elements that the legislative auditor must
include in evaluations of a general incentive and an exclusive incentive. The Legislative
Audit Commission may modify the evaluation plans as needed.

Sec. 4. Minnesota Statutes 2014, section 3.979, subdivision 3, is amended to read:

Subd. 3. Audit data. (a) "Audit" as used in this subdivision means a financial audit,
review, program evaluation, best practices review, evaluation of an incentive program or
exclusive incentive program under section 3.9735, or investigation. Data relating to an
audit are not public or with respect to data on individuals are confidential until the final
report of the audit has been released by the legislative auditor or the audit is no longer

Article 2 Sec. 4. 25
being actively pursued. Upon release of a final audit report by the legislative auditor, data relating to an audit are public except data otherwise classified as not public.

(b) Data related to an audit but not published in the audit report and that the legislative auditor reasonably believes will be used in litigation are not public and with respect to data on individuals are confidential until the litigation has been completed or is no longer being actively pursued.

(c) Data on individuals that could reasonably be used to determine the identity of an individual supplying data for an audit are private if the data supplied by the individual were needed for an audit and the individual would not have provided the data to the legislative auditor without an assurance that the individual's identity would remain private, or the legislative auditor reasonably believes that the subject would not have provided the data.

(d) The definitions of terms provided in section 13.02 apply for purposes of this subdivision.

Sec. 5. Minnesota Statutes 2014, section 3.98, is amended to read:

3.98 FISCAL NOTES AND REVENUE ESTIMATES.

Subdivision 1. Preparation. The head or chief administrative officer of each department or agency of the state government, including the Supreme Court, shall prepare a fiscal note at the request of the chair of the standing committee to which a bill has been referred, or the chair of the house of representatives Ways and Means Committee, or the chair of the senate Committee on Finance.

For purposes of this subdivision, "Supreme Court" includes all agencies, committees, and commissions supervised or appointed by the state Supreme Court or the state court administrator. (a) The chair of the standing committee to which a bill has been referred, the chair of the house of representatives Ways and Means Committee, and the chair of the senate Committee on Finance may request a fiscal note. The chair of the house of representatives or senate tax committee may request a revenue estimate. A request for a fiscal note or revenue estimate must be filed with the legislative auditor.

(b) Upon receiving a request for a fiscal note or revenue estimate, the legislative auditor shall request appropriate agencies, offices, boards, or commissions in the executive, judicial, or legislative branch to provide the legislative auditor with an analysis of the financial and personnel impacts of the bill. The analysis must include a clear statement of the assumptions used in the analysis and the extent to which alternative assumptions were considered. Agencies, offices, boards, or commissions shall, after receiving a request from the legislative auditor, submit the analysis in the time and manner requested by the auditor. The legislative auditor may require agencies, offices, boards, or commissions to
use the fiscal note tracking system developed and maintained by the commissioner of
management and budget for submitting fiscal note information and analysis.

(c) The legislative auditor shall review the analysis submitted by agencies, offices, boards, or commissions and assess the reasonableness of the analysis, particularly the reasonableness of the assumptions used in the analysis. The auditor may require agencies, offices, boards, or commissions to resubmit their analysis under new assumptions or calculation parameters as defined by the auditor.

(d) When the legislative auditor accepts the final analysis from all relevant agencies, offices, boards, or commissions, the legislative auditor shall deliver the completed fiscal note or revenue estimate. The note or estimate must contain the final analysis and assumptions submitted to the legislative auditor by agencies, offices, boards, or commissions, and a statement by the legislative auditor as to whether the legislative auditor agrees with the final analysis and assumptions. The auditor must state the reasons for any disagreements and may offer alternative analysis and assumptions for consideration by the legislature. If the legislative auditor deems these disagreements sufficiently large, the legislative auditor may submit an unofficial "unapproved" fiscal note to the legislature for public consideration of both the analysis of the agencies, offices, boards, or commissions, and of the legislative auditor.

Subd. 2. Contents. (a) The fiscal note, where possible, shall:

(1) cite the effect in dollar amounts;
(2) cite the statutory provisions affected;
(3) estimate the increase or decrease in revenues or expenditures;
(4) include the costs which may be absorbed without additional funds;
(5) include the assumptions used in determining the cost estimates; and
(6) specify any long-range implication.

(b) The revenue estimate must estimate the effect of a bill on state tax revenues.

(c) A fiscal note or revenue estimate may comment on technical or mechanical defects in the bill but shall express no opinions concerning the merits of the proposal.

Subd. 3. Distribution. A copy of the fiscal note shall be delivered to the chair of the Ways and Means Committee of the house of representatives, the chair of the Finance Committee of the senate, the chair of the standing committee to which the bill has been referred, to the chief author of the bill and to the commissioner of management and budget. A copy of a revenue estimate shall be delivered to the chairs of the house of representatives and senate tax committees, to the chief author of the bill, and to the commissioner of revenue.
Subd. 4. Uniform procedure. The commissioner of management and budget legislative auditor shall prescribe a uniform procedure to govern the departments and agencies of the state in complying with the requirements of this section.

Subd. 5. Tracking system. The commissioner of management and budget shall provide the legislative auditor with manuals and other documentation requested by the auditor for the fiscal note tracking system that is maintained by the commissioner.

Sec. 6. Minnesota Statutes 2014, section 3.987, subdivision 1, is amended to read:

Subdivision 1. Local impact notes. The commissioner of management and budget legislative auditor shall coordinate the development of a local impact note for any proposed legislation introduced after June 30, 1997, upon request of the chair or the ranking minority member of either legislative Tax, Finance, or Ways and Means Committee. Upon receipt of a request to prepare a local impact note, the commissioner auditor must notify the authors of the proposed legislation that the request has been made. The local impact note must be made available to the public upon request. If the action is among the exceptions listed in section 3.988, a local impact note need not be requested nor prepared. The commissioner auditor shall make a reasonable and timely estimate of the local fiscal impact on each type of political subdivision that would result from the proposed legislation. The commissioner of management and budget auditor may require any political subdivision or the commissioner of an administrative agency of the state to supply in a timely manner any information determined to be necessary to determine local fiscal impact. The political subdivision, its representative association, or commissioner shall convey the requested information to the commissioner of management and budget auditor with a signed statement to the effect that the information is accurate and complete to the best of its ability. The political subdivision, its representative association, or commissioner, when requested, shall update its determination of local fiscal impact based on actual cost or revenue figures, improved estimates, or both. Upon completion of the note, the commissioner auditor must provide a copy to the authors of the proposed legislation and to the chair and ranking minority member of each committee to which the proposed legislation is referred.

Sec. 7. [6.481] COUNTY AUDITS.

Subdivision 1. Powers and duties. All the powers and duties conferred and imposed upon the state auditor shall be exercised and performed by the state auditor in respect to the offices, institutions, public property, and improvements of several counties of the state. The state auditor may visit, without previous notice, each county and examine all accounts and records relating to the receipt and disbursement of the public funds and the
custody of the public funds and other property. The state auditor shall prescribe and install
systems of accounts and financial reports that shall be uniform, so far as practicable, for
the same class of offices.

Subd. 2. **Annual audit required.** A county must have an annual financial audit.

A county may choose to have the audit performed by the state auditor, or may choose to
have the audit performed by a CPA firm meeting the requirements of section 326A.05.

The state auditor or a CPA firm may accept the records and audit of the Department of
Human Services instead of examining county human service funds, if the audit of the
Department of Human Services has been made within any period covered by the auditor's
audit of other county records.

Subd. 3. **CPA firm audit.** A county audit performed by a CPA firm must meet
the standards and be in the form required by the state auditor. The state auditor may
require additional information from the CPA firm if the state auditor determines that is
in the public interest, but the state auditor must accept the audit unless the state auditor
determines it does not meet recognized industry auditing standards or is not in the form
required by the state auditor. The state auditor may make additional examinations as the
auditor determines to be in the public interest.

Subd. 4. **Audit availability; data.** A copy of the annual audit by the state auditor or
by a CPA firm must be available for public inspection in the Office of the State Auditor and
in the Office of the County Auditor. If an audit is performed by a CPA firm, data relating
to the audit are subject to the same data classifications that apply under section 6.715. A
CPA firm conducting a county audit must provide access to data relating to the audit and is
liable for unlawful disclosure of the data as if it were a government entity under chapter 13.

Subd. 5. **Reporting.** If an audit conducted by the state auditor or a CPA firm
discloses malfeasance, misfeasance, or nonfeasance, the auditor must report this to the
county attorney, who shall institute civil and criminal proceedings as the law and the
protection of the public interests requires.

Subd. 6. **Payments to state auditor.** A county audited by the state auditor must
pay the state auditor for the costs and expenses of the audit. If the state auditor makes
additional examinations of a county whose audit is performed by a CPA firm, the county
must pay the auditor for the cost of these examinations. Payments must be deposited in
the state auditor enterprise fund.

Subd. 7. **Procedures for change of auditor.** A county that plans to change to or
from the state auditor and a CPA firm must notify the state auditor of this change by
August 1 of an even-numbered year. Upon this notice, the following calendar year will be
the first year's records that will be subject to an audit by the new entity. A county that
changes to or from the state auditor must have two annual audits done by the new entity.

Sec. 8. Minnesota Statutes 2014, section 10A.01, subdivision 26, is amended to read:

Subd. 26. **Noncampaign disbursement.** "Noncampaign disbursement" means
a purchase or payment of money or anything of value made, or an advance of credit
incurred, or a donation in kind received, by a principal campaign committee for any of
the following purposes:

(1) payment for accounting and legal services;
(2) return of a contribution to the source;
(3) repayment of a loan made to the principal campaign committee by that committee;
(4) return of a public subsidy;
(5) payment for food, beverages, and necessary utensils and supplies, entertainment,
and facility rental for a fund-raising event;
(6) services for a constituent by a member of the legislature or a constitutional
officer in the executive branch, including the costs of preparing and distributing a
suggestion or idea solicitation to constituents, performed from the beginning of the term
of office to adjournment sine die of the legislature in the election year for the office
held, and half the cost of services for a constituent by a member of the legislature or a
constitutional officer in the executive branch performed from adjournment sine die to 60
days after adjournment sine die;
(7) payment for food and beverages consumed by a candidate or volunteers while
they are engaged in campaign activities;
(8) payment for food or a beverage consumed while attending a reception or
meeting directly related to legislative duties;
(9) payment of expenses incurred by elected or appointed leaders of a legislative
caucus in carrying out their leadership responsibilities;
(10) payment by a principal campaign committee of the candidate's expenses
for serving in public office, other than for personal uses;
(11) costs of child care for the candidate's children when campaigning;
(12) fees paid to attend a campaign school;
(13) costs of a postelection party during the election year when a candidate's
name will no longer appear on a ballot or the general election is concluded, whichever
occurs first;
(14) interest on loans paid by a principal campaign committee on outstanding
loans;
(14) filing fees;
(15) post-general election holiday or seasonal cards, thank-you notes, or
advertisements in the news media mailed or published prior to the end of the election cycle;
(16) the cost of campaign material purchased to replace defective campaign
material, if the defective material is destroyed without being used;
(17) contributions to a party unit;
(18) payments for funeral gifts or memorials;
(19) the cost of a magnet less than six inches in diameter containing legislator
contact information and distributed to constituents;
(20) costs associated with a candidate attending a political party state or national
convention in this state;
(21) other purchases or payments specified in board rules or advisory opinions
as being for any purpose other than to influence the nomination or election of a candidate
or to promote or defeat a ballot question; and
(22) costs paid to a third party for processing contributions made by a credit
card, debit card, or electronic check.

The board must determine whether an activity involves a noncampaign disbursement
within the meaning of this subdivision.

A noncampaign disbursement is considered to be made in the year in which the
candidate made the purchase of goods or services or incurred an obligation to pay for
goods or services.

**EFFECTIVE DATE.** This section is effective July 1, 2015, and applies to elections
held on or after that date.

Sec. 9. Minnesota Statutes 2014, section 10A.105, subdivision 1, is amended to read:

Subdivision 1. **Single committee.** A candidate must not accept contributions
from a source, other than self, in aggregate in excess of $750 or accept a public subsidy
unless the candidate designates and causes to be formed a single principal campaign
committee for each office sought. A candidate may not authorize, designate, or cause to be
formed any other political committee bearing the candidate's name or title or otherwise
operating under the direct or indirect control of the candidate. However, a candidate may
be involved in the direct or indirect control of a party unit.

**EFFECTIVE DATE.** This section is effective July 1, 2015, and applies to elections

**EFFECTIVE DATE.** This section is effective July 1, 2015.

Sec. 11. Minnesota Statutes 2014, section 10A.245, subdivision 2, is amended to read:

Subd. 2. **Termination by board.** The board may terminate the registration of a principal campaign committee, party unit, political committee, or political fund found to be inactive under this section 60 days after sending written notice of inactivity by certified mail to the affected association at the last address on record with the board for that association. Within 60 days after the board sends notice under this section, the affected association must dispose of its assets as provided in this subdivision. The assets of the principal campaign committee, party unit, or political committee must be used for the purposes authorized by this chapter or section 211B.12 or must be liquidated and deposited in the general account of the state elections campaign account fund. The assets of an association's political fund that were derived from the association's general treasury money revert to the association's general treasury. Assets of a political fund that resulted from contributions to the political fund must be used for the purposes authorized by this chapter or section 211B.12 or must be liquidated and deposited in the general account of the state elections campaign account fund.

**EFFECTIVE DATE.** This section is effective July 1, 2015.

Sec. 12. Minnesota Statutes 2014, section 10A.257, subdivision 1, is amended to read:

Any remaining amount up to the total amount of the 2014 public subsidy from the state elections campaign fund must be returned to the state treasury for credit to the general fund under section 10A.324. Any remaining amount in excess of the 2014 total public subsidy must be contributed to the state elections campaign account or a political party for multicandidate expenditures as defined in section 10A.275.

However, an agency may not modify a proposed rule so that it is substantially different from the proposed rule in the notice of intent to adopt rules or notice of hearing.

(b) A modification does not make a proposed rule substantially different if:

(1) the differences are within the scope of the matter announced in the notice of intent to adopt or notice of hearing and are in character with the issues raised in that notice;

(2) the differences are a logical outgrowth of the contents of the notice of intent to adopt or notice of hearing and the comments submitted in response to the notice; and

(3) the notice of intent to adopt or notice of hearing provided fair warning that the outcome of that rulemaking proceeding could be the rule in question.

(c) In determining whether the notice of intent to adopt or notice of hearing provided fair warning that the outcome of that rulemaking proceeding could be the rule in question the following factors must be considered:

(1) the extent to which persons who will be affected by the rule should have understood that the rulemaking proceeding on which it is based could affect their interests;

(2) the extent to which the subject matter of the rule or issues determined by the rule are different from the subject matter or issues contained in the notice of intent to adopt or notice of hearing; and

(3) the extent to which the effects of the rule differ from the effects of the proposed rule contained in the notice of intent to adopt or notice of hearing.

Sec. 17. Minnesota Statutes 2014, section 14.116, is amended to read:

Each agency must post a link to its rulemaking docket on the agency Web site home page.

(b) When an agency mails notice of intent to adopt rules under section 14.14 or 14.22, the agency must send a copy of the same notice and a copy of the statement of need and reasonableness to the chairs and ranking minority party members of the legislative policy and budget committees with jurisdiction over the subject matter of the proposed rules and to the Legislative Coordinating Commission.

(c) In addition, if the mailing of the notice is within two years of the effective date of the law granting the agency authority to adopt the proposed rules, the agency shall make reasonable efforts to send a copy of the notice and the statement to all sitting legislators who were chief house of representatives and senate authors of the bill granting the rulemaking authority. If the bill was amended to include this rulemaking authority, the agency shall make reasonable efforts to send the notice and the statement to the chief house of representatives and senate authors of the amendment granting rulemaking authority, rather than to the chief authors of the bill.

Sec. 18. Minnesota Statutes 2014, section 14.127, is amended to read:

**14.127 LEGISLATIVE APPROVAL REQUIRED.**

Subdivision 1. **Cost thresholds Substantial economic impact.** An agency must determine if the cost of complying with a proposed rule in the first year after the rule takes effect will exceed $25,000 for: (1) any one business that has less than 50 full-time employees; or (2) any one statutory or home-rule charter city that has less than ten full-time employees. For purposes of this section, "business" means a business entity organized for profit or as a nonprofit, and includes an individual, partnership, corporation, joint venture, association, or cooperative has a substantial economic impact, as defined in section 14.02, subdivision 5.

Subd. 2. **Agency determination.** An agency must make the determination required by subdivision 1 before the close of the hearing record, or before the agency submits the record to the administrative law judge if there is no hearing. The agency gives notice under
section 14.14, 14.22, 14.225, or 14.389. The administrative law judge must review and
approve or disapprove the agency determination under this section.

Subd. 3. Legislative approval required. (a) If the agency determines that a
proposed rule has a substantial economic impact, the agency must request the legislative
auditor to convene a five-person peer review advisory panel to conduct an impact analysis
of the proposed rule. Within 30 days of receipt of the agency's request, the legislative
auditor shall convene a peer review advisory panel. The advisory panel must be made up
of individuals who have not directly or indirectly been involved in the work conducted or
contracted by the agency and who are not employed by the agency. The agency must pay
each panel member for the costs of the person's service on the panel, as determined by
the legislative auditor. The agency shall transfer an amount from the agency's operating
budget to the legislative auditor to pay for costs for convening the peer review advisory
panel process. The panel may receive written and oral comments from the public during
its review. The panel must submit its report within 60 days of being convened. The
agency must receive a final report from the panel before the agency conducts a public
hearing on a proposed rule or, if no hearing is held, before the rule is submitted to the
administrative law judge. The panel's report must include its conclusions on the extent to
which the proposed rule:

information or rationale; and

(2) is more restrictive than a standard, limitation, or requirement imposed by federal
law or rule pertaining to the same subject matter.

(b) If the agency determines that a rule does not have a substantial economic impact,
the administrative law judge must review this determination. If the administrative law
judge determines that a rule may have a substantial economic impact, the agency must
have the legislative auditor arrange for the analysis required by paragraph (a), and the
agency must give new notice of intent to adopt the proposed rule after receiving this
analysis. The administrative law judge may make this determination as part of the
administrative law judge's report on the proposed rule, or at any earlier time after the
administrative law judge is assigned to the rule proceeding.

(c) If the agency determines that the cost exceeds the threshold in subdivision 1
proposed rule has a substantial economic impact, or if the administrative law judge
disapproves the agency's determination that the cost does not exceed the threshold
in subdivision 1, any business that has less than 50 full-time employees or any statutory
or home rule charter city that has less than ten full-time employees may file a written
statement with the agency claiming a temporary exemption from the rules. Upon filing of
such a statement with the agency, the rules do not apply to that business or that city until the
rules are have a substantial economic impact, the agency or the administrative law judge
shall deliver the determination and peer review advisory panel report to the Legislative
Coordinating Commission and to the chairs and ranking minority members of the house
of representatives and senate committees and divisions with jurisdiction over the subject
matter of the rule, and the proposed rule does not take effect until the rule is approved by a
law enacted after the agency determination or administrative law judge disapproval.

Subd. 4. Exceptions. (a) Subdivision 3 does not apply if the administrative law
judge approves an agency’s determination that the legislature has appropriated money to
sufficiently fund the expected cost of the rule upon the business or city proposed to be
regulated by the rule.

(b) Subdivision 3 does not apply if the administrative law judge approves an
agency’s determination that the rule has been proposed pursuant to a specific federal
statutory or regulatory mandate.

(c) This section does not apply if the rule is adopted under section 14.388 or
under another law specifying that the rulemaking procedures of this chapter do not apply.

(d) This section does not apply to a rule adopted by the Public Utilities
Commission.

(e) Subdivision 3 does not apply if the governor waives application of subdivision 3.
The governor may issue a waiver at any time, either before or after the rule would take
effect, but for the requirement of legislative approval. As soon as possible after issuing a
waiver under this paragraph, the governor must send notice of the waiver to the speaker of
the house and the president of the senate and must publish notice of this determination in
the State Register.

Subd. 5. Severability. If an administrative law judge determines that part of a
proposed rule exceeds the threshold specified in subdivision 1 has a substantial economic

subdivision 1 have a substantial economic impact, the administrative law judge may
provide that the severable portion of the rule that does not exceed the threshold have a
substantial economic impact may take effect without legislative approval.

reasonableness of the rule. The statement of need and reasonableness must be prepared
under rules adopted by the chief administrative law judge and must include the following to the extent the agency, through reasonable effort, can ascertain this information:

(1) a description of the classes of persons who probably will be affected by the proposed rule, including classes that will bear the costs of the proposed rule and classes that will benefit from the proposed rule;

(2) the probable costs to the agency and to any other agency of the implementation and enforcement of the proposed rule and any anticipated effect on state revenues;

(3) a determination of whether there are less costly methods or less intrusive methods for achieving the purpose of the proposed rule;

The statement must describe, with reasonable particularity, the scientific, technical, economic, or other information and rationale that supports the proposed rule.

The statement must also describe the agency's efforts to provide additional notification under section 14.14, subdivision 1a, to persons or classes of persons who may be affected by the proposed rule or must explain why these efforts were not made.
The agency must consult with the commissioner of management and budget to help evaluate the fiscal impact and fiscal benefits of the proposed rule on units of local government. The notice in the State Register must include the proposed rule or the amended rule in the form required by the revisor under section 14.07, an easily readable and understandable summary of the overall nature and effect of the proposed rule, and a citation to the most specific statutory authority for the rule, including authority for the

that the rule or pronouncement, or its threatened application, interferes with or impairs,
or threatens to interfere with or impair the legal rights or privileges of the petitioner.

manual standard, or similar pronouncement, the agency must cease enforcement of the
pronouncement upon filing of the petition until the Court of Appeals rules on the matter.

Appeals rules in favor of the agency, the agency may recover all or a portion of the cost
from the petitioner unless the petitioner is entitled to proceed in forma pauperis under

improperly implemented without compliance with statutory rulemaking procedures. Any
party to proceedings under section 14.44, including the agency, may appeal an adverse

Administration or through another agency designated by the commissioner. Services
subject to this section include finance, accounting, payroll, purchasing, human resources,
and other services designated by the commissioner. The commissioner may determine
what constitutes a small agency for purposes of this section. The commissioner, in
consultation with the commissioner of management and budget and small agencies, shall
evaluate small agencies' needs for administrative support services. If the commissioner
provides administrative support services to a small agency, the commissioner must enter
into a service level agreement with the agency, specifying the services to be provided and
the costs and anticipated outcomes of the services.

(b) The Chicano Latino Affairs Council, the Council on Black Minnesotans, the
Council on Asian-Pacific Minnesotans, the Indian Affairs Council, and the Minnesota
State Council on Disability must use the services specified in paragraph (a).

(c) The commissioner of administration may assess agencies for services it provides
under this section. The amounts assessed are appropriated to the commissioner.

(d) For agencies covered in this section, the commissioner has the authority to require
the agency to comply with applicable state finance, accounting, payroll, purchasing, and

spending decisions and for ongoing implementation of appropriate business operations.

Sec. 34. [16B.4805] ACCOMMODATION REIMBURSEMENT.

Subdivision 1. Definitions. (a) "Reasonable accommodation" as used in this section
has the meaning given in section 363A.08.

(b) "State agency" as used in this section has the meaning given in section 16A.011,
subdivision 12.

(c) "Reasonable accommodations eligible for reimbursement" as used in this section
means:

(1) reasonable accommodations provided to applicants for employment;

(2) reasonable accommodations for employees for services that will need to be
provided on a periodic or ongoing basis; or

(3) reasonable accommodations that involve onetime expenses that total more than
$1,000 for an employee in a fiscal year.

Subd. 2. Reimbursement for making reasonable accommodation. The
commissioner of administration shall reimburse state agencies for expenses incurred in
making reasonable accommodations eligible for reimbursement for agency employees and
applicants for employment to the extent that funds are available in the accommodation account established under subdivision 3 for this purpose.

Subd. 3. **Accommodation account established.** The accommodation account is created as an account in the special revenue fund for reimbursing state agencies for expenses incurred in providing reasonable accommodations eligible for reimbursement for agency employees and applicants for agency employment.

Subd. 4. **Administration costs.** The commissioner may use up to 15 percent of the biennial appropriation for administration of this section.

Subd. 5. **Notification.** By August 1, 2015, or within 30 days of final enactment, whichever is later, and each year thereafter by June 30, the commissioner of administration must notify state agencies that reimbursement for expenses incurred to make reasonable accommodations eligible for reimbursement for agency employees and applicants for agency employment is available under this section.

8. a description of how the fund was promoted to state agencies.

Subd. 7. **Funding.** The commissioner of management and budget must determine the amount of money to be deposited in the accommodation account each fiscal year. The commissioner must require each executive agency to make payments into the account from amounts appropriated for agency operations. The commissioner must implement policies and procedures to divide this amount among executive agencies. If the commissioner determines that it is not practical for an agency to make payments into a central account due to legal restrictions on use of the agency's appropriations, the commissioner shall require the agency to set aside money within its own operating
funds, to be used only for purposes of this section. The amounts paid into the account are
appropriated to the commissioner of administration for purposes of this section.

administration of a state grant.

The chief information officer may assign employees of the office to perform work exclusively for another state agency.

(c) Subject to sections 16C.08 and 16C.09, the chief information officer may allow a state agency to obtain services specified in paragraph (a) through a contract with an outside vendor when the chief information officer and the agency head agree that a contract would provide best value, as defined in section 16C.02, under the service-level agreement. The term of a service-level agreement or a contract under this paragraph is subject to the limits in section 16C.06, subdivision 3b. However, the chief information officer may provide that the term of the first agreement or contract entered into after the effective date of this section may be longer, as the chief information officer determines is necessary to establish a system under which agency agreements and contracts will expire according to a staggered schedule. A service-level agreement or contract may not be for a term of more than six years. A contract longer than four years must be followed by a contract of less than four years.
(d) The chief information officer may authorize a state agency office located outside
of the seven-county metropolitan area to solicit proposals from MN.IT services and from
an outside vendor separately from the rest of the agency.

(e) An agency may not enter into a contract for information technology systems or

7. information security;
8. directory administration;
9. architecture;
(10) monitoring; and

(11) change management.

Subdivision 1. Application. This section applies to an appropriation of more than $4,000,000 or $100,000 of state or federal funds to a state agency for any information and telecommunications technology project or for any phase of such a project, device, or system. For purposes of this section, an appropriation of state or federal funds to a state agency includes an appropriation:

(1) to a constitutional officer;

(2) for a project that includes both a state agency and units of local government; and

(3) to a state agency for grants to be made to other entities.

Subd. 2. Required review and approval. (a) A state agency receiving an appropriation of more than $500,000 for an information and telecommunications technology project subject to this section must divide the project into phases.

(b) The commissioner of management and budget may not authorize the encumbrance or expenditure of an appropriation of state funds to a state agency or any funds for a project if the project is subject to this section, unless the Office of MN.IT Services has reviewed the project or each phase of the project, device, or system, and based on this review, the chief information officer has determined for each project or phase that:

(i) the project is compatible with the state information architecture and other policies and standards established by the chief information officer;

(ii) the agency is able to accomplish the goals of the phase of the project with the funds appropriated; and

(iii) the project supports the enterprise information technology strategy.

Subd. 4. Monitor progress. The chief information officer shall monitor progress on any active information and telecommunications technology project with a total expected project cost of more than $5,000,000 and report on the performance of the project in comparison with the plans for the project in terms of time, scope, and budget. The chief information officer may conduct an independent project audit of the project. The audit analysis and evaluation of the projects must be presented to agency executive sponsors, the project governance bodies, and the chief information officer. All reports and responses must become part of the project record.
Sec. 46. Minnesota Statutes 2014, section 16E.14, subdivision 3, is amended to read:

Subd. 3. Reimbursements. Except as specifically provided otherwise by law, each agency shall reimburse the MN.IT services revolving fund for the cost of all services, supplies, materials, labor, employee development and training, and depreciation of equipment, including reasonable overhead costs, which the chief information officer is authorized and directed to furnish an agency. The chief information officer shall report the rates to be charged for the revolving fund no later than July 1 each year to the chair of the committee or division in the senate and house of representatives with primary jurisdiction over the budget of the Office of MN.IT Services.

Sec. 47. Minnesota Statutes 2014, section 16E.145, is amended to read:

16E.145 INFORMATION TECHNOLOGY APPROPRIATION.

An appropriation of more than $100,000 for a state agency information and telecommunications technology project must be made to the chief information officer. The chief information officer must manage and disburse the appropriation on behalf of the sponsoring state agency. Any appropriation for an information and telecommunications technology project made to a state agency other than the Office of MN.IT Services is transferred to the chief information officer.

Sec. 48. Minnesota Statutes 2014, section 16E.19, is amended by adding a subdivision to read:

Subd. 3. Data storage. The chief information officer must establish criteria for storage of state agency data outside of data centers operated by the chief information officer. These criteria must include thresholds for when requests of outside data storage must be approved by the chief information officer.

Sec. 49. [43A.035] LIMIT ON NUMBER OF FULL-TIME EQUIVALENT EMPLOYEES.

The total number of full-time equivalent employees employed in all executive branch agencies may not exceed 35,927. The commissioner of management and budget may forbid an executive agency from hiring a new employee or from filling a vacancy as the commissioner determines is necessary to ensure compliance with this section. Any reductions in staff should prioritize protecting client-facing health care workers, corrections officers, public safety workers, and mental health workers. As a means of achieving compliance with this requirement, the commissioner may authorize an agency to provide an early retirement incentive to an executive branch employee, under which the state will
continue to make the employer contribution for health insurance after the employee has
terminated state service. The commissioner must prescribe eligibility requirements and the
maximum duration of the payments. For purposes of this section, an "executive agency"
does not include the Minnesota State Colleges and Universities or statewide pension plans.

Sec. 50. [138.912] HEALTHY EATING, HERE AT HOME.

Subdivision 1. Establishment. The healthy eating, here at home program is
established to provide incentives for low-income Minnesotans to use federal Supplemental
Nutrition Assistance Program (SNAP) benefits for healthy purchases at Minnesota-based
farmers' markets.

Subd. 2. Definitions. (a) The definitions in this subdivision apply to this section.

(b) "Healthy eating, here at home" means a program administered by the Minnesota
Humanities Center to provide incentives for low-income Minnesotans to use SNAP
benefits for healthy purchases at Minnesota-based farmers' markets.

(c) "Healthy purchases" means SNAP-eligible foods.

(d) "Minnesota-based farmers' market" means a physical market as defined in section

(e) "Voucher" means a physical or electronic credit.

(f) "Eligible household" means an individual or family that is determined to be a
recipient of SNAP.

Subd. 3. Grants. The Minnesota Humanities Center shall allocate grant funds to
nonprofit organizations that work with Minnesota-based farmers' markets to provide up
to $10 vouchers to SNAP participants who use electronic benefits transfer (EBT) cards
for healthy purchases. Funds may also be provided for vouchers distributed through
nonprofit organizations engaged in healthy cooking and food education outreach to
eligible households for use at farmers' markets. Funds appropriated under this section may
not be used for healthy cooking classes or food education outreach. When awarding
grants, the Minnesota Humanities Center must consider how the nonprofit organizations
will achieve geographic balance, including specific efforts to reach eligible households
across the state, and the organizations' capacity to manage the programming and outreach.

Subd. 4. Household eligibility; participation. To be eligible for a healthy eating,
here at home voucher, an eligible household must meet the Minnesota SNAP eligibility
requirements under section 256D.051.

Subd. 5. Permissible uses; information provided. An eligible household may use
the voucher toward healthy purchases at Minnesota-based farmers' markets. Every eligible
household that receives a voucher must be informed of the allowable uses of the voucher.
Subd. 6. **Program reporting.** The nonprofit organizations that receive grant funds must report annually to the Minnesota Humanities Center with information regarding the operation of the program, including the number of vouchers issued and the number of people served. To the extent practicable, the nonprofit organizations must report on the usage of the vouchers and evaluate the program’s effectiveness.

Subd. 7. **Grocery inclusion.** The commissioner of human services must submit a waiver request to the federal United States Department of Agriculture seeking approval for the inclusion of Minnesota grocery stores in this program so that SNAP participants may use the vouchers for healthy produce at grocery stores. 77.11 Laws 1983, chapter 214;
77.12 (2) does not have a felony conviction of record in a state or federal court and
77.13 does not have a state or federal felony charge pending;
77.14 (3) is not and never has been connected with or engaged in an illegal business;
77.15 (4) has never been found guilty of fraud or misrepresentation in connection
77.16 with racing or breeding;
77.17 (5) has never been found guilty of a violation of law or rule relating to horse
77.18 racing, pari-mutuel betting or any other form of gambling which is a serious violation
77.19 as defined by the commission's rules; and
77.20 (6) has never been found to have knowingly violated a rule or an order of the
77.21 commission or a law or rule of Minnesota or another jurisdiction relating to horse racing,
77.22 pari-mutuel betting, or any other form of gambling.
77.23 (b) The application must also contain an irrevocable consent statement, to be signed
77.24 by the applicant, which states that suits and actions relating to the subject matter of the
77.25 application or acts or omissions arising from it may be commenced against the applicant in
77.26 any court of competent jurisdiction in this state by the service on the secretary of state of

77.28 process, or pleading is served upon the secretary of state, it must be by duplicate copies.
77.29 One copy must be retained in the Office of the Secretary of State and the other copy must

77.32 Sec. 76. Minnesota Statutes 2014, section 240.08, subdivision 4, is amended to read:
77.33 Subd. 4. License issuance and renewal. If the commission determines that
77.34 the applicant is qualified for the occupation for which licensing is sought and will
not adversely affect the public health, welfare, and safety or the integrity of racing in
Minnesota, it may issue a class C license to the applicant. If it makes a similar finding for
a renewal of a class C license it may renew the license. Class C licenses are effective for
one year until December 31 of the calendar year for which they are issued. Certain types
of class C licenses, to be determined by the commission, are effective until December 31
of the third calendar year for which they have been issued.

**EFFECTIVE DATE.** This section is effective July 1, 2015.

Sec. 77. Minnesota Statutes 2014, section 240.08, subdivision 5, is amended to read:

Subd. 5. **Revocation and suspension.** (a) The commission may revoke a class C
license for a violation of law or rule which in the commission's opinion adversely affects
the integrity of horse racing in Minnesota, the public health, welfare, or safety, or for an
intentional false statement made in a license application.

The commission may suspend a class C license for up to one year for a violation of
law, order or rule.

The commission may delegate to its designated agents the authority to impose
suspensions of class C licenses, and the revocation or suspension of a class C license may
be appealed to the commission according to its rules.

(b) A license revocation or suspension for more than 90 days is a contested case
under sections 14.57 to 14.69 of the Administrative Procedure Act and is in addition to
criminal penalties imposed for a violation of law or rule. The commission may summarily
suspend a license for more than 90 days prior to a contested case hearing where it is
necessary to ensure the integrity of racing or to protect the public health, welfare, or safety.
A contested case hearing must be held within 20 to 30 days of the summary suspension and
the administrative law judge's report must be issued within 20 to 30 days from the close of
the hearing record. In all cases involving summary suspension the commission must issue
its final decision within 30 days from receipt of the report of the administrative law judge
and subsequent exceptions and argument under section 14.61.

Sec. 78. Minnesota Statutes 2014, section 240.10, is amended to read:

**240.10 LICENSE FEES.**

The fee for a class A license is $253,000 per year and must be remitted on July 1.
The fee for a class B license is $500 for each assigned racing day and $100 for each day
on which simulcasting is authorized and must be remitted on July 1. Included herein are
all days assigned to be conducted after January 1, 2003. The fee for a class D license is
$50 for each assigned racing day on which racing is actually conducted. Fees imposed on
class D licenses must be paid to the commission at a time and in a manner as provided by
rule of the commission.

The commission shall by rule establish an annual license fee for each occupation it
licenses under section 240.08 but no annual fee for a class C license may exceed $100.

**EFFECTIVE DATE.** This section is effective July 1, 2015.

Sec. 79. Minnesota Statutes 2014, section 240.13, subdivision 5, is amended to read:

Subd. 5. **Purses.** (a) From the amounts deducted from all pari-mutuel pools by a
licensee, an amount equal to not less than the following percentages of all money in all
pools must be set aside by the licensee and used for purses for races conducted by the
licensee, provided that a licensee may agree by contract with an organization representing
a majority of the horsepersons racing the breed involved to set aside amounts in addition
to the following percentages, if the contract is in writing and filed with the commission:

(1) for live races conducted at a class A facility, and for races that are part of full
racing card simulcasting that takes place within the time period of the live races, 8.4
percent of handle;

(2) for simulcasts conducted during the racing season other than as provided for in
clause (1), 50 percent of the takeout remaining after deduction for taxes on pari-mutuel
pools, payment to the breeders fund, and payment to the sending out-of-state racetrack for
receipt of the signal; and

(3) (2) for simulcasts conducted outside of the racing season, 25 any day a class A
facility is licensed, not less than 37 percent of the takeout remaining after deduction for the
state pari-mutuel tax, payment to the breeders fund, and payment to the sending out-of-state
racetrack for receipt of the signal and, before January 1, 2005, a further deduction of
eight percent of all money in all pools. In the event that wagering on simulcasts outside
of the racing season exceeds $125 million in any calendar year, the amount set aside for
purses by this formula is increased to 30 percent on amounts between $125,000,000 and
$150,000,000 wagered; 40 percent on amounts between $150,000,000 and $175,000,000
wagered; and 50 percent on amounts in excess of $175,000,000 wagered. In lieu of
the eight percent deduction, A deduction as agreed to between the licensee and the
horsepersons' organization representing the majority of horsepersons racing at the licensee's
class A facility during the preceding 12 months, is allowed after December 31, 2004.

The commission may by rule provide for the administration and enforcement of
this subdivision. The deductions for payment to the sending out-of-state racetrack must
be actual, except that when there exists any overlap of ownership, control, or interest
between the sending out-of-state racetrack and the receiving licensee, the deduction
must not be greater than three percent unless agreed to between the licensee and the
horsepersons' organization representing the majority of horsepersons racing the breed
racing the majority of races during the existing racing meeting or, if outside of the racing
season, during the most recent racing meeting.

In lieu of the amount the licensee must pay to the commission for deposit in the
Minnesota breeders fund under section 240.15, subdivision 1, the licensee shall pay to the
commission for deposit in the Minnesota breeders fund 5-1/2 percent of the takeout from
all pari-mutuel pools generated by wagering at the licensee's facility on full racing card
simulcasts of races not conducted in this state.

(b) From the money set aside for purses, the licensee shall pay to the horseperson's
organization representing the majority of the horsepersons racing the breed involved
and contracting with the licensee with respect to purses and the conduct of the racing
meetings and providing representation to its members, an amount as may be determined
by agreement by the licensee and the horsepersons' organization sufficient to provide
benevolent programs, benefits, and services for horsepersons and their on-track employees,
an amount, sufficient to perform these services, as may be determined by agreement by
the licensee and the horseperson's organization. The amount paid may be deducted only
from the money set aside for purses to be paid in races for the breed represented by the
horseperson's organization. With respect to racing meetings where more than one breed
is racing, the licensee may contract independently with the horseperson's organization
representing each breed racing.

(c) Notwithstanding sections 325D.49 to 325D.66, a horseperson's organization
representing the majority of the horsepersons racing a breed at a meeting, and the members
thereof, may agree to withhold horses during a meeting.

(d) Money set aside for purses from wagering, during the racing season, on
simulcasts must be used for purses for live races conducted at the licensee's class A facility
during the same racing season, over and above the 8.4 percent purse requirement or any
higher requirement to which the parties agree, for races conducted in this state. Money
set aside for purses from wagering, outside of the racing season, on simulcasts must be
for purses for live races conducted at the licensee's class A facility during the next racing
season, over and above the 8.4 percent purse requirement or any higher requirement to
which the parties agree, for races conducted in this state.

(e) (d) Money set aside for purses from wagering on simulcasts must be used for
purses for live races involving the same breed involved in the simulcast except that money
set aside for purses and payments to the breeders fund from wagering on full racing card
simulcasts of races not conducted in this state, occurring during a live mixed meet, must
be allotted to the purses and breeders fund for each breed participating in the mixed meet
as agreed upon by the breed organizations participating in the live mixed meet. The
agreement shall be in writing and filed with the commission prior to the first day of the live
mixed meet. In the absence of a written agreement filed with the commission, the money
set aside for purses and payments to the breeders fund from wagering on simulcasts,
occurring during a live mixed meet, shall be allotted to each breed participating in the live
mixed meet in the same proportion that the number of live races run by each breed bears
to the total number of live races conducted during the period of the mixed meet.

(1) (e) The allocation of money set aside for purses to particular racing meets may be
adjusted, relative to overpayments and underpayments, by contract between the licensee
and the horsepersons' organization representing the majority of horsepersons racing the
breed involved at the licensee's facility.

(2) (f) Subject to the provisions of this chapter, money set aside from pari-mutuel
pools for purses must be for the breed involved in the race that generated the pool, except
that if the breed involved in the race generating the pari-mutuel pool is not racing in the
current racing meeting, or has not raced within the preceding 12 months at the licensee's
class A facility, money set aside for purses may be distributed proportionately to those
breeds that have run during the preceding 12 months or paid to the commission and
used for purses or to promote racing for the breed involved in the race generating the
pari-mutuel pool, or both, in a manner prescribed by the commission.

(3) (g) This subdivision does not apply to a class D licensee.

EFFECTIVE DATE. This section is effective January 1, 2016.

Sec. 80. Minnesota Statutes 2014, section 240.13, subdivision 6, is amended to read:

Subd. 6. Simulcasting. (a) The commission may permit an authorized licensee to
conduct simulcasting at the licensee's facility on any day authorized by the commission.
All simulcasts must comply with the Interstate Horse Racing Act of 1978, United States
Code, title 15, sections 3001 to 3007.

(b) The commission may not authorize any day for simulcasting at a class A facility
during the racing season, and a licensee may not be allowed to transmit out-of-state
telecasts of races the licensee conducts, unless the licensee has obtained the approval of
the horsepersons' organization representing the majority of the horsepersons racing the
breed involved at the licensed racetrack during the preceding 12 months. In the case of
class A facility licensed under section 240.06, subdivision 5a, the approval applicable
to the first year of the racetrack's operation may be obtained from the horsepersons'
organization that represents the majority of horsepersons who will race the breed involved
at the licensed racetrack during the first year of the racetrack's operation.

(c) The licensee may pay fees and costs to an entity transmitting a telecast of a
race to the licensee for purposes of conducting pari-mutuel wagering on the race. The
licensee may deduct fees and costs related to the receipt of televised transmissions from a
pari-mutuel pool on the televised race, provided that one-half of any amount recouped in
this manner must be added to the amounts required to be set aside for purses.

(d) With the approval of the commission and subject to the provisions of this
subdivision, a licensee may transmit telecasts of races it conducts, for wagering purposes,
to locations outside the state, and the commission may allow this to be done on a
commingled pool basis.

(e) Except as otherwise provided in this section, simulcasting may be conducted on a
separate commingled pool basis or, with the approval of the commission, on a commingled
separate pool basis. All provisions of law governing pari-mutuel betting apply to
simulcasting except as otherwise provided in this subdivision or in the commission's
rules. If pools are commingled, wagering at the licensed facility must be on equipment
electronically linked with the equipment at the licensee's class A facility or with the
sending racetrack via the totalizator computer at the licensee's class A facility. Subject to
the approval of the commission, the types of betting, takeout, and distribution of winnings
on commingled pari-mutuel pools are those in effect at the sending racetrack. Breakage
for pari-mutuel pools on a televised race must be calculated in accordance with the law or
rules governing the sending racetrack for these pools, and must be distributed in a manner
agreed to between the licensee and the sending racetrack. Notwithstanding subdivision 7
and section 240.15, subdivision 5, the commission may approve procedures governing the
definition and disposition of unclaimed tickets that are consistent with the law and rules
governing unclaimed tickets at the sending racetrack. For the purposes of this section,
"sending racetrack" is either the racetrack outside of this state where the horse race is
conducted or, with the consent of the racetrack, an alternative facility that serves as the
racetrack for the purpose of commingling pools.

(f) Except as otherwise provided in section 240.06, subdivision 5b, paragraph (2),
if there is more than one class B licensee conducting racing within the seven-county
metropolitan area, simulcasting may be conducted only on races run by a breed that ran at
the licensee's class A facility within the 12 months preceding the event.

Sec. 81. Minnesota Statutes 2014, section 240.135, is amended to read:

240.135 CARD CLUB REVENUE.
(a) From the amounts received from charges authorized under section 240.30, subdivision 4, the licensee shall set aside the amounts specified in this section to be used for purse payments. These amounts are in addition to the breeders fund and purse requirements set forth elsewhere in this chapter.

(1) For amounts between zero and $6,000,000, the licensee shall set aside not less than ten percent to be used as purses.

(2) For amounts in excess of $6,000,000, the licensee shall set aside not less than 14 percent to be used as purses.

(b) From all amounts set aside under paragraph (a), the licensee shall set aside ten percent to be deposited in the breeders fund. The licensee and the horseperson's organization representing the majority of horsepersons who have raced at the racetrack during the preceding 12 months may negotiate percentages different from those stated in this section if the agreement is in writing and filed with the Racing Commission.

(c) It is the intent of the legislature that the proceeds of the card playing activities authorized by this chapter be used to improve the horse racing industry by improving purses. The licensee and the horseperson's organization representing the majority of horsepersons who have raced at the racetrack during the preceding 12 months may negotiate percentages that exceed those stated in this section if the agreement is in writing and filed with the commission. The commission shall annually review the financial details of card playing activities and determine if the present use of card playing proceeds is consistent with the policy established by this paragraph. If the commission determines that the use of the proceeds does not comply with the policy set forth herein, then the commission shall direct the parties to make the changes necessary to ensure compliance. If these changes require legislation, the commission shall make the appropriate recommendations to the legislature.

Sec. 82. Minnesota Statutes 2014, section 240.15, subdivision 1, is amended to read:

Subdivision 1. **Taxes imposed.** (a) There is imposed a tax at the rate of six percent of the amount in excess of $12,000,000 annually withheld from all pari-mutuel pools by the licensee, including breakage and amounts withheld under section 240.13, subdivision 4. For the purpose of this subdivision, "annually" is the period from July 1 to June 30 of the next year.

In addition to the above tax, the licensee must designate and pay to the commission a tax of one percent of the total amount bet on each racing day handle for live races conducted at a class A facility, for deposit in the Minnesota breeders fund.

The taxes imposed by this clause must be paid from the amounts permitted to be withheld by a licensee under section 240.13, subdivision 4.
(b) The commission may impose an admissions tax of not more than ten cents on
each paid admission at a licensed racetrack on a racing day if:

(1) the tax is requested by a local unit of government within whose borders the
track is located;

(2) a public hearing is held on the request; and

(3) the commission finds that the local unit of government requesting the tax is in
need of its revenue to meet extraordinary expenses caused by the racetrack.

Sec. 83. Minnesota Statutes 2014, section 240.15, subdivision 6, is amended to read:

Subd. 6. Disposition of proceeds; account. The commission shall distribute all
money received under this section, and all money received from license fees and fines it
collects, according to this subdivision. All money designated for deposit in the Minnesota
breeders fund must be paid into that fund for distribution under section 240.18 except that
all money generated by full racing card simulcasts must be distributed as provided in
section 240.18, subdivisions 2, paragraph (d), clauses (1), (2), and (3); and 3. Revenue
from an admissions tax imposed under subdivision 1 must be paid to the local unit of
government at whose request it was imposed, at times and in a manner the commission
determines. Taxes received under this section and fines collected under section 240.22
must be paid to the commissioner of management and budget for deposit in the general
fund. All revenues from licenses and other fees imposed by the commission must be
deposited in the state treasury and credited to a racing and card playing regulation account
in the special revenue fund. Receipts in this account are available for the operations of the
commission up to the amount authorized in biennial appropriations from the legislature.

Sec. 84. Minnesota Statutes 2014, section 240.16, subdivision 1, is amended to read:

Subdivision 1. Powers and duties. All horse races run at a licensed racetrack must
be presided over by a board of three stewards, who must be appointees of the commission or
persons approved by it. The commission shall designate one steward as chair. At least two
stewards for all races either shall be employees of the commission who shall serve in the
unclassified service, or shall be under contract with the commission to serve as stewards.
The commission may delegate the following duties and powers to a board of stewards:

(a) to ensure that races are run in accordance with the commission's rules;

(b) to supervise the conduct of racing to ensure the integrity of the sport;

(c) to settle disputes arising from the running of horse races, and to certify official
results;
(d) to impose on licensees, for violation of law or commission rules, fines not exceeding $2,000 $5,000 and license suspensions not exceeding 90 days;
(e) to recommend to the commission where warranted penalties in excess of those in clause (d);
(f) to otherwise enforce the laws and rules of racing; and
(g) to perform other duties and have other powers assigned by the commission.

Sec. 85. Minnesota Statutes 2014, section 240.22, is amended to read:

240.22 FINES.

(a) The commission shall by rule establish a graduated schedule of civil fines for violations of laws related to horse racing or of the commission's rules. The schedule must include minimum and maximum fines for each violation and be based on and reflect the culpability, frequency and severity of the violator's actions. The commission may impose a fine from this schedule on a licensee for a violation of those rules or laws relating to horse racing. The fine is in addition to any criminal penalty imposed for the same violation. Fines imposed by the commission must be paid to the commission and except as provided in paragraph (b), forwarded to the commissioner of management and budget for deposit in the general fund. A fine in excess of $2,000 $5,000 is a contested case under the Administrative Procedure Act.

(b) If the commission is the prevailing party in a contested case proceeding, the commission may recover, from amounts to be forwarded under paragraph (a), reasonable attorney fees and costs associated with the contested case.

EFFECTIVE DATE. This section is effective July 1, 2016.

Sec. 86. Minnesota Statutes 2014, section 240.23, is amended to read:

240.23 RULEMAKING AUTHORITY.
The commission has the authority, in addition to all other rulemaking authority granted elsewhere in this chapter to promulgate rules governing:

(a) the conduct of horse races held at licensed racetracks in Minnesota, including but not limited to the rules of racing, standards of entry, operation of claiming races, filing and handling of objections, carrying of weights, and declaration of official results;

(b) wire wired and wireless communications between the premises of a licensed racetrack and any place outside the premises;

(c) information on horse races which is sold on the premises of a licensed racetrack;

Article 2 Sec. 86.

(h) entry fees and other funds received by a licensee in the course of conducting racing which the commission determines must be placed in escrow accounts;

(i) affirmative action in employment and contracting by class A, class B, and class D licensees; and

(j) procedures for the sampling and testing of any horse that is eligible to race in Minnesota for substances or practices that are prohibited by law or rule; and

(1) any other aspect of horse racing or pari-mutuel betting which in its opinion affects the integrity of racing or the public health, welfare, or safety.

Rules of the commission are subject to chapter 14, the Administrative Procedure Act.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 87. Minnesota Statutes 2014, section 272.484, is amended to read:

**272.484 FEES.**

The fee for filing and indexing each notice of lien or certificate or notice affecting the lien is:

(1) for a lien, certificate of discharge or subordination, and for all other notices, including a certificate of release or nonattachment filed with the secretary of state, the fee provided by section 336.9-525, except that the filing fee charged to the district directors of internal revenue for filing a federal tax lien is $15 for up to two debtor names and $4.15 for each additional name; and

Sec. 88. Minnesota Statutes 2014, section 298.22, subdivision 1, is amended to read:
Subdivision 1. The Office of the Commissioner of Iron Range resources
and rehabilitation. (a) The Office of the Commissioner of Iron Range resources and
rehabilitation is created as an agency in the executive branch of state government. The
governor shall appoint the commissioner of Iron Range resources and rehabilitation under
section 15.06.

(b) The commissioner may hold other positions or appointments that are not
incompatible with duties as commissioner of Iron Range resources and rehabilitation. The
commissioner may appoint a deputy commissioner. All expenses of the commissioner,
including the payment of staff and other assistance as may be necessary, must be paid
out of the amounts appropriated by section 298.28 or otherwise made available by law
to the commissioner. Notwithstanding chapters 16A, 16B, and 16C, the commissioner

determines it is in the best interest of the agency. The agency is not subject to sections
16E.016 and 16C.05.

employment, the commissioner may use whatever amounts of the appropriation made to
the commissioner of revenue in section 298.28 that are determined to be necessary and
proper in the development of the remaining resources of the county and in the vocational
training and rehabilitation of its residents, except that the amount needed to cover cost
overruns awarded to a contractor by an arbitrator in relation to a contract awarded by
the commissioner or in effect after July 1, 1985, is appropriated from the general fund.
For the purposes of this section, "development of remaining resources" includes, but is
not limited to, the promotion of tourism.

326A.10 UNLAWFUL ACTS.

(a) Only a licensee and individuals who have been granted practice privileges under section 326A.14 may issue a report on financial statements of any person, firm, organization, or governmental unit that results from providing attest services, or offer to render or render any attest service. Only a certified public accountant, an individual who has been granted practice privileges under section 326A.14, a CPA firm, or, to the extent permitted by board rule, a person registered under section 326A.06, paragraph (b), may issue a report on financial statements of any person, firm, organization, or governmental unit that results from providing compilation services or offer to render or render any compilation service. These restrictions do not prohibit any act of a public official or public employee in the performance of that person's duties or prohibit the performance by any nonlicensee of other services involving the use of accounting skills, including the preparation of tax returns, management advisory services, and the preparation of financial statements without the issuance of reports on them. Nonlicensees may prepare financial statements and issue nonattest transmittals or information on them which do not purport to be in compliance with the Statements on Standards for Accounting and Review Services (SSARS). Nonlicensees registered under section 326A.06, paragraph (b), may, to the extent permitted by board rule, prepare financial statements and issue nonattest transmittals or information on them.

(b) Licensees and individuals who have been granted practice privileges under section 326A.14 performing attest or compilation services must provide those services in accordance with professional standards. To the extent permitted by board rule, registered accounting practitioners performing compilation services must provide those services in accordance with standards specified in board rule.

(c) A person who does not hold a valid certificate issued under section 326A.04 or a practice privilege granted under section 326A.14 shall not use or assume the title "certified public accountant," the abbreviation "CPA," or any other title, designation,
words, letters, abbreviation, sign, card, or device tending to indicate that the person is a certified public accountant.

(d) A firm shall not provide attest services or assume or use the title "certified public accountants," the abbreviation "CPA's," or any other title, designation, words, letters, abbreviation, sign, card, or device tending to indicate that the firm is a CPA firm unless (1) the firm has complied with section 326A.05, and (2) ownership of the firm is in accordance with this chapter and rules adopted by the board.

(e) A person or firm that does not hold a valid certificate or permit issued under section 326A.04 or 326A.05 or has not otherwise complied with section 326A.04 or 326A.05 as required in this chapter shall not assume or use the title "certified accountant," "chartered accountant," "enrolled accountant," "licensed accountant," "registered accountant," "accredited accountant," "accounting practitioner," "public accountant," "licensed public accountant," or any other title or designation likely to be confused with the title "certified public accountant," or use any of the abbreviations "CA," "LA," "RA," "AA," "PA," "AP," "LPA," or similar abbreviation likely to be confused with the abbreviation "CPA." The title "enrolled agent" or "EA" may only be used by individuals so designated by the Internal Revenue Service.

(f) Persons registered under section 326A.06, paragraph (b), may use the title "registered accounting practitioner" or the abbreviation "RAP." A person who does not hold a valid registration under section 326A.06, paragraph (b), shall not assume or use such title or abbreviation.

(g) Except to the extent permitted in paragraph (a), nonlicensees may not use language in any statement relating to the financial affairs of a person or entity that is conventionally used by licensees in reports on financial statements or on an attest service. In this regard, the board shall issue by rule safe harbor language that nonlicensees may use in connection with such financial information. A person or firm that does not hold a valid certificate or permit, or a registration issued under section 326A.04, 326A.05, or 326A.06, paragraph (b), or has not otherwise complied with section 326A.04 or 326A.05 as required in this chapter shall not assume or use any title or designation that includes the word "accountant" or "accounting" in connection with any other language, including the language of a report, that implies that the person or firm holds such a certificate, permit, or registration or has special competence as an accountant. A person or firm that does not hold a valid certificate or permit issued under section 326A.04 or 326A.05 or has not otherwise complied with section 326A.04 or 326A.05 as required in this chapter shall not assume or use any title or designation that includes the word "auditor" in connection with any other language, including the language of a report, that implies that the person or firm
holds such a certificate or permit or has special competence as an auditor. However, this paragraph does not prohibit any officer, partner, member, manager, or employee of any firm or organization from affixing that person's own signature to any statement in reference to the financial affairs of such firm or organization with any wording designating the position, title, or office that the person holds, nor prohibit any act of a public official or employee in the performance of the person's duties as such.

(h)(1) No person holding a certificate or registration or firm holding a permit under this chapter shall use a professional or firm name or designation that is misleading about the legal form of the firm, or about the persons who are partners, officers, members, managers, or shareholders of the firm, or about any other matter. However, names of one or more former partners, members, managers, or shareholders may be included in the name of a firm or its successor.

(2) A common brand name or network name part, including common initials, used by a CPA firm in its name, is not misleading if the firm is a network firm as defined in the American Institute of Certified Public Accountants (AICPA) Code of Professional Conduct in effect July 1, 2011, and when offering or rendering services that require independence under AICPA standards, the firm must comply with the AICPA code's applicable standards on independence.

(i) Paragraphs (a) to (h) do not apply to a person or firm holding a certification, designation, degree, or license granted in a foreign country entitling the holder to engage in the practice of public accountancy or its equivalent in that country, if:

(1) the activities of the person or firm in this state are limited to the provision of professional services to persons or firms who are residents of, governments of, or business entities of the country in which the person holds the entitlement;

(2) the person or firm performs no attest or compilation services and issues no reports with respect to the financial statements information of any other persons, firms, or governmental units in this state; and

(3) the person or firm does not use in this state any title or designation other than the one under which the person practices in the foreign country, followed by a translation of the title or designation into English, if it is in a different language, and by the name of the country.

(j) No holder of a certificate issued under section 326A.04 may perform attest services through any business form that does not hold a valid permit issued under section 326A.05.

(k) No individual licensee may issue a report in standard form upon a compilation of financial information through any form of business that does not hold a valid permit.
issued under section 326A.05, unless the report discloses the name of the business through
which the individual is issuing the report, and the individual:

(1) signs the compilation report identifying the individual as a certified public
accountant;

(2) meets the competency requirement provided in applicable standards; and

(3) undergoes no less frequently than once every three years, a peer review
conducted in a manner specified by the board in rule, and the review includes verification
that the individual has met the competency requirements set out in professional standards
for such services.

in standard form upon a compilation of financial information unless the board by rule
permits the report and the person:

person who holds a registration under section 326A.06, paragraph (b), of:

(1) contingent fees for professional services performed; and

(2) commissions or referral fees for recommending or referring to a client any
product or service.

(o) Anything in this section to the contrary notwithstanding, it shall not be a violation
of this section for a firm not holding a valid permit under section 326A.05 and not having
an office in this state to provide its professional services in this state so long as it complies
with the applicable requirements of section 326A.05, subdivision 1.
