BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.6

Section 1. Minnesota Statutes 2010, section 290.01, subdivision 19b, is amended to

1.7

read:

1.8

Subd. 19b. **Subtractions from federal taxable income.** For individuals, estates,

1.9

and trusts, there shall be subtracted from federal taxable income:

1.10

(1) net interest income on obligations of any authority, commission, or

1.11

instrumentality of the United States to the extent includable in taxable income for federal

1.12

income tax purposes but exempt from state income tax under the laws of the United States;

1.13

(2) if included in federal taxable income, the amount of any overpayment of income

1.14

tax to Minnesota or to any other state, for any previous taxable year, whether the amount

1.15

is received as a refund or as a credit to another taxable year's income tax liability;

1.16

(3) the amount paid to others, less the amount used to claim the credit allowed under

1.17

section 290.0674, not to exceed \$1,625 for each qualifying child in grades kindergarten

1.18

to 6 and \$2,500 for each qualifying child in grades 7 to 12, for tuition, textbooks, and

1.19

transportation of each qualifying child in attending an elementary or secondary school

1.20

situated in Minnesota, North Dakota, South Dakota, Iowa, or Wisconsin, wherein a

1.21

resident of this state may legally fulfill the state's compulsory attendance laws, which

1.22

is not operated for profit, and which adheres to the provisions of the Civil Rights Act

1.23

of 1964 and chapter 363A. For the purposes of this clause, "tuition" includes fees or

1.24

tuition as defined in section 290.0674, subdivision 1, clause (1). As used in this clause,

"textbooks" includes books and other instructional materials and equipment purchased or leased for use in elementary and secondary schools in teaching only those subjects legally and commonly taught in public elementary and secondary schools in this state. Equipment expenses qualifying for deduction includes expenses as defined and limited in section 290.0674, subdivision 1, clause (3). "Textbooks" does not include instructional books and materials used in the teaching of religious tenets, doctrines, or worship, the purpose of which is to instill such tenets, doctrines, or worship, nor does it include books or materials for, or transportation to, extracurricular activities including sporting events, musical or dramatic events, speech activities, driver's education, or similar programs. No deduction is permitted for any expense the taxpayer incurred in using the taxpayer's or the qualifying child's vehicle to provide such transportation for a qualifying child. For purposes of the subtraction provided by this clause, "qualifying child" has the meaning given in section 32(c)(3) of the Internal Revenue Code;

(4) income as provided under section 290.0802;

(5) to the extent included in federal adjusted gross income, income realized on disposition of property exempt from tax under section 290.491;

(6) to the extent not deducted or not deductible pursuant to section 408(d)(8)(E) of the Internal Revenue Code in determining federal taxable income by an individual who does not itemize deductions for federal income tax purposes for the taxable year, an amount equal to 50 percent of the excess of charitable contributions over \$500 allowable as a deduction for the taxable year under section 170(a) of the Internal Revenue Code, under the provisions of Public Law 109-1 and Public Law 111-126;

(7) for individuals who are allowed a federal foreign tax credit for taxes that do not qualify for a credit under section 290.06, subdivision 22, an amount equal to the carryover of subnational foreign taxes for the taxable year, but not to exceed the total subnational foreign taxes reported in claiming the foreign tax credit. For purposes of this clause, "federal foreign tax credit" means the credit allowed under section 27 of the Internal Revenue Code, and "carryover of subnational foreign taxes" equals the carryover allowed under section 904(c) of the Internal Revenue Code minus national level foreign taxes to the extent they exceed the federal foreign tax credit;

(8) in each of the five tax years immediately following the tax year in which an addition is required under subdivision 19a, clause (7), or 19c, clause (15), in the case of a shareholder of a corporation that is an S corporation, an amount equal to one-fifth of the delayed depreciation. For purposes of this clause, "delayed depreciation" means the amount of the addition made by the taxpayer under subdivision 19a, clause (7), or subdivision 19c, clause (15), in the case of a shareholder of an S corporation, minus the

positive value of any net operating loss under section 172 of the Internal Revenue Code generated for the tax year of the addition. The resulting delayed depreciation cannot be less than zero;

(9) job opportunity building zone income as provided under section 469.316;

(10) to the extent included in federal taxable income, the amount of compensation paid to members of the Minnesota National Guard or other reserve components of the United States military for active service performed in Minnesota, excluding compensation for services performed under the Active Guard Reserve (AGR) program. For purposes of this clause, "active service" means (i) state active service as defined in section 190.05, subdivision 5a, clause (1); (ii) federally funded state active service as defined in section 190.05, subdivision 5b; or (iii) federal active service as defined in section 190.05, subdivision 5c, but "active service" excludes service performed in accordance with section 190.08, subdivision 3;

(11) to the extent included in federal taxable income, the amount of compensation paid to Minnesota residents who are members of the armed forces of the United States or United Nations for active duty performed outside Minnesota under United States Code, title 10, section 101(d); United States Code, title 32, section 101(12); or the authority of the United Nations;

(12) an amount, not to exceed \$10,000, equal to qualified expenses related to a qualified donor's donation, while living, of one or more of the qualified donor's organs to another person for human organ transplantation. For purposes of this clause, "organ" means all or part of an individual's liver, pancreas, kidney, intestine, lung, or bone marrow; "human organ transplantation" means the medical procedure by which transfer of a human organ is made from the body of one person to the body of another person; "qualified expenses" means unreimbursed expenses for both the individual and the qualified donor for (i) travel, (ii) lodging, and (iii) lost wages net of sick pay, except that such expenses may be subtracted under this clause only once; and "qualified donor" means the individual or the individual's dependent, as defined in section 152 of the Internal Revenue Code. An individual may claim the subtraction in this clause for each instance of organ donation for transplantation during the taxable year in which the qualified expenses occur;

(13) in each of the five tax years immediately following the tax year in which an addition is required under subdivision 19a, clause (8), or 19c, clause (16), in the case of a shareholder of a corporation that is an S corporation, an amount equal to one-fifth of the addition made by the taxpayer under subdivision 19a, clause (8), or 19c, clause (16), in the case of a shareholder of a corporation that is an S corporation, minus the positive value of any net operating loss under section 172 of the Internal Revenue Code generated for the

tax year of the addition. If the net operating loss exceeds the addition for the tax year, a subtraction is not allowed under this clause;

(14) to the extent included in federal taxable income, compensation paid to a service member as defined in United States Code, title 10, section 101(a)(5), for military service as defined in the Servicemembers Civil Relief Act, Public Law 108-189, section 101(2);

(15) international economic development zone income as provided under section 469.325;

(16) to the extent included in federal taxable income, the amount of national service educational awards received from the National Service Trust under United States Code, title 42, sections 12601 to 12604, for service in an approved Americorps National Service program; ~~and~~

(17) to the extent included in federal taxable income, discharge of indebtedness income resulting from reacquisition of business indebtedness included in federal taxable income under section 108(i) of the Internal Revenue Code. This subtraction applies only to the extent that the income was included in net income in a prior year as a result of the addition under section 290.01, subdivision 19a, clause (16); and

(18) in each year in which expenditures are made for railroad track maintenance, as defined in section 45G(d) of the Internal Revenue Code, in the case of a shareholder of a corporation that is an S corporation or a partner in a partnership, an amount equal to the credit awarded pursuant to section 45G(a) of the Internal Revenue Code. The subtraction shall be reduced to an amount equal to the percentage of the shareholder's or partner's share of the net income of the S corporation or partnership.
