1.6	Section 1. [13.3201] CITATION.
1.7	Sections 13.3202 and 13.3203 may be cited as the "Student Online Data Protection and
1.8	Privacy Act."
1.9	<b>EFFECTIVE DATE.</b> This section is effective for the 2017-2018 school year and later
1.10	Sec. 2. [13.3202] PROTECTING ONLINE STUDENT DATA.
1.11	Subdivision 1. <b>Definitions; application.</b> (a) The terms defined in this section have the
1.12	meanings given them for purposes of sections 13.32 to 13.3203.
1.13	(b) "Covered information" means personally identifiable information or materials, in
1.14	any media or format, that is:
1.15	(1) created or provided by the student, parent, or guardian to the operator in the course
1.16	of using the operator's site, service, or application for K-12 school purposes;
1.17	(2) created or provided by an employee or agent of the school or district to the operator
1.18	<u>or</u>
1.19	(3) gathered by an operator operating a site, service, or application for K-12 school
1.20	purposes and describes a student or otherwise identifies a student.

12/16/16	REVISOR	KRB/IL	17-0920

2.1	(c) "De-identified educational data" means aggregate and anonymous data derived from
2.2	individual student data combined with data from a sufficient number of other students to
2.3	disguise the attributes of any single student. De-identified educational data must not identify
2.4	any individual who is the subject of the data and must not provide a reasonable basis for
2.5	identifying any individual who is the subject of the data.
2.6	(d) "Educational data" means personally identifiable information or materials, in any
2.7	media or format, that is:
2.8	(1) created or provided by a student, parent, or guardian to an operator in the course of
2.9	the student's, parent's, or guardian's use of the operator's site, service, or application for
2.10	K-12 school purposes;
2.11	(2) created or provided by an employee or agent of the school, school district, or other
2.12	local education entity to an operator; or
2.13	(3) gathered by an operator through operating a site, service, or application and that
2.14	describes or otherwise identifies a student, including, but not limited to: information in the
2.15	student's educational record or e-mail; first and last name; home address; telephone number;
2.16	e-mail address or other information that allows physical or online contact; discipline records;
2.17	test results; special education data; juvenile dependency records; grades; evaluations; criminal
2.18	records; medical records; health records; Social Security number; biometric information;
2.19	disabilities; socioeconomic information; food purchases; political affiliations; religious
2.20	information; text messages; documents; student identifiers; search activity; photos; voice
2.21	recordings; or geolocation information.
2.22	(e) "K-12 school purposes" means purposes that customarily take place at the direction
2.23	of the kindergarten through grade 12 school, teacher, school district, or other local education
2.24	entity or aid in administering school activities, including, but not limited to, instruction in
2.25	the classroom or at home, administrative activities, extended day activities, and collaboration
2.26	between students, school personnel, or parents, or that are for the school's use and benefit.
2.27	(f) "Online service" means those cloud computing services that must comply with this
2.28	section if the services otherwise meet the definition of an operator in paragraph (g).
2.29	(g) "Operator" means the operator of a Web site, online service, online application, or
2.30	mobile application with actual knowledge that the site, service, or application is designed
2.31	and marketed for K-12 school purposes.
2.32	Subd. 2. Prohibited activities. (a) An operator must not:

12/16/16	REVISOR	KRB/IL	17-0920

(1) target advertising on the operator's site, service, or application, or on any	other site
service, or application when the targeted advertising is based on any covered inf	ormation,
including educational data and persistent unique identifiers the operator acquired	1 because
of the use of that operator's site, service, or application;	
(2) use information, including persistent unique identifiers, created or gathered	ed by the
operator's site, service, or application, to amass a student profile except for K-12	school
purposes;	
(3) sell a student's information, including covered information, except when	another_
entity purchases, merges with, or acquires the operator or the operator declares ba	ınkruptcy
provided the operator, successor entity, or creditor remains subject to this section	<u>ı with</u>
respect to previously acquired student information; or	
(4) disclose covered information unless to:	
(i) further the K-12 school purposes of the site, service, or application, if the	recipient
of the covered information that is disclosed under this item: (A) does not further	disclose
the data unless to allow or improve operability and functionality within the stude	ent's
classroom or school; and (B) complies with the requirements governing an opera	ator under
this section;	
(ii) ensure legal and regulatory compliance;	
(iii) respond to or participate in a judicial process;	
(iv) protect the safety of users or others or the security of the site; or	
(v) a service provider, if the operator contractually: (A) prohibits the service	provider
from using any covered information for any purpose other than providing the co	ntracted
service to, or on behalf of, the operator; (B) prohibits the service provider from o	lisclosing
any covered information provided by the operator to subsequent third parties; an	<u>id (C)</u>
requires the service provider to implement and maintain reasonable security proce	dures and
practices applicable to operators under this section.	
(b) Nothing in this subdivision prohibits the operator from using information to	maintain
develop, improve, or diagnose its site, service, or application.	
Subd. 3. Operator duties. (a) An operator must:	
(1) implement and maintain reasonable security procedures and practices app	propriate
to the covered information and protect the data from unauthorized access, destruction	ction, use
modification, or disclosure; and	

(2) delete a student's covered information under the control of the school or district at
the request of that school or district.
(b) Notwithstanding subdivision 2, paragraph (a), clause (4), an operator that complies
with subdivision 2, paragraph (a), clauses (1) to (3), may disclose a student's covered
information:
(1) to comply with federal or state law requiring the operator to protect and disclose the
information;
(2) for legitimate research purposes required by state or federal law and subject to the
restrictions of the applicable law, or allowed by state or federal law and at the direction of
a school, school district, or state Department of Education, if no covered information is
used to advertise or amass a student profile for other than K-12 school purposes; or
(3) to a state or local educational agency, including a school or school district, for K-12
school purposes, as permitted by state or federal law.
Subd. 4. De-identified educational data. (a) An operator may use students' de-identified
educational data:
(1) within the operator's site, service, or application or other sites, services, or applications
owned by the operator to improve educational products; or
(2) to demonstrate the effectiveness of the operator's products or services, including the
operator's marketing.
(b) An operator may share students' aggregated de-identified student covered information
to develop and improve educational sites, services, or applications.
Subd. 5. Exceptions. (a) This section does not:
(1) limit an operator's ability to use students' covered information for adaptive learning
or customized student learning purposes;
(2) apply to general audience Web sites, general audience online services, general
audience online applications, or general audience mobile applications, even if login
credentials created for an operator's site, service, or application may be used to access those
general audience sites, services, or applications;
(3) limit Internet service providers from providing Internet connectivity to schools or
students and their families;
(4) prohibit an operator of a Web site, online service, online application, or mobile
application from marketing educational products directly to parents so long as the operator's
