HOUSE OF REPRESENTATIVES

NINETY-FIRST SESSION

H. F. No. 472

01/28/2019 Authored by Nelson, Lien, Davnie, Schultz, Mahoney and others
The bill was read for the first time and referred to the Committee on Government Operations

1.1 A bill for an act
1.2 relating to retirement; establishing the Minnesota secure choice retirement program;
1.3 proposing coding for new law as Minnesota Statutes, chapter 187.

1.4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.5 Section 1. [187.01] MINNESOTA SECURE CHOICE RETIREMENT PROGRAM;
1.6 CITATION.

1.7 This chapter shall be known as and may be cited as the "Minnesota Secure Choice
1.8 Retirement Program Act."

1.9 Sec. 2. [187.02] STATEMENT OF PURPOSE.

1.10 The state creates and establishes a public-private partnership model for privately
1.11 employed workers to save for retirement for the following reasons:

1.12 (1) for millions of Americans, including hundreds of thousands of Minnesotans, a secure
1.13 retirement is not attainable, with nearly half of working-age households having no more
1.14 than approximately \$40,000 in retirement savings;

1.15 (2) Americans who do not have access to a retirement savings plan through their
1.16 workplace are more likely to rely on Social Security as their only source of retirement
1.17 income;

1.18 (3) in Minnesota, the average monthly Social Security benefit is \$1,200, with nearly 30
1.19 percent of seniors relying on Social Security as their sole source of income;

1.20 (4) increased retirement savings can save Minnesota taxpayers an estimated \$124,500,000
1.21 over a span of ten years in Medicaid savings alone; and

2.1 (5) research has shown that offering workers a way to save through their job increases  
 2.2 their ability to save dramatically and promotes individual responsibility and financial  
 2.3 freedom.

2.4 Sec. 3. [187.03] DEFINITIONS.

2.5 Subdivision 1. **Applicability.** For purposes of this chapter, the terms defined in this  
 2.6 section have the meanings given them.

 2.9 an eligible employer and who, for the immediately preceding calendar year, worked 500 or  
 2.10 more hours of service for the eligible employer. Once a person has 500 or more hours of  
 2.11 service in a calendar year, the person continues to be an eligible employee for as long as  
 2.12 the person is employed by an eligible employer, even if the person has fewer than 500 hours  
 2.13 of service in a subsequent calendar year. Eligible employee does not include a person who,  
 2.14 on December 31 of the preceding calendar year, was less than 18 years of age.

2.15 Subd. 4. **Eligible employer.** (a) "Eligible employer" means a person or entity:

2.16 (1) engaged in a business, industry, profession, trade, or other enterprise in the state,  
 2.17 whether for profit or not for profit; and

 2.19 in the case of a sole proprietorship, for the sole proprietor.

2.20 (b) Eligible employer does not include an employer that has not engaged in a business,  
 2.21 industry, profession, trade, or other enterprise in the state, whether for profit or not for profit,  
 2.22 at any time during the immediately preceding calendar year.

2.23 (c) Eligible employer does not include the state or its subdivisions.

2.24 Subd. 5. **ERISA.** "ERISA" means the Employee Retirement Income Security Act of

3.5 savings arrangement" means an arrangement by which an employer makes contributions  
3.6 on behalf of participating employees by deducting a specified portion of the employee's pay

3.9 Subd. 11. **Program.** "Program" means the secure choice retirement program, which  
3.10 consists of the secure choice individual retirement account plan (IRAP) and the secure  
3.11 choice multiple employer retirement plan (MERP).

3.13 that permits contributions to be set aside for retirement; provides for the deferral of income  
3.14 tax on the contributions, unless the employee elects to contribute after-tax amounts; and  
3.15 permits all employees to participate except those employees who have not satisfied  
3.16 participation eligibility requirements that are no more restrictive than the eligibility  
3.17 requirements permitted under section 410(b) of the Internal Revenue Code. Retirement  
3.18 savings plan includes but is not limited to any plan that satisfies the applicable requirements  
3.19 of section 401(a) of the Internal Revenue Code, a plan listed in section 219(g)(5) of the

4.5 the Internal Revenue Code that satisfies the requirements of section 413(c) of the Internal  
4.6 Revenue Code as a multiple employer plan. The plan documents for the MERP shall:

4.25 employer shall transmit employer contributions and employee payroll deduction  
4.26 contributions, as applicable, to the MERP trust in the manner and according to the schedule  
4.27 specified and established by the board.

4.31 payroll deduction arrangement whereby employee payroll deduction contributions are  
4.32 transmitted by the employee's eligible employer to an individual retirement account

5.1 established for the employee. The board shall establish procedures for opening an individual  
5.2 retirement account for each employee whose eligible employer transmits employee payroll  
5.3 deduction contributions under the IRAP.

5.4 Subd. 2. **Compliance with Internal Revenue Code.** Each individual retirement account  
5.5 opened under the IRAP shall be established and administered in compliance with section

6.1 savings benefit under the program shall be an amount equal to the balance in the individual's  
6.2 program account on the date the retirement savings benefit becomes payable.

6.3 Subd. 3. **Investments.** Each employee or former employee is entitled to direct the  
6.4 investment of the contributions credited to the employee's account in the trust or custodial  
6.5 account, as applicable. The board shall make available for investment a diversified array

6.26 does not execute a participation agreement to become a participating employer in the secure  
6.27 choice multiple employer retirement plan under section 187.04, the eligible employer shall  
6.28 enroll eligible employees in the secure choice individual retirement account plan. If an  
6.29 eligible employer offered a retirement savings plan within the last two years, the eligible  
6.30 employer may not become a participating employer in the MERP, but shall automatically  
6.31 enroll eligible employees in the IRAP. An eligible employer may become a participating  
6.32 employer in the MERP no earlier than two years after the date as of which all assets in any

7.7 information packets prepared by the board to all employees regarding the MERP or IRAP,  
7.8 as applicable:

7.15 Subd. 4. **No fiduciary responsibility.** Except for the responsibilities described in  
7.16 subdivisions 1 to 3, a participating employer has no obligations to employees and is not a  
7.17 fiduciary or considered to be a fiduciary regarding the secure choice retirement savings trust  
7.18 or the program. Participating employers do not bear responsibility for the administration,  
7.19 investment performance, plan design, or benefits paid to plan participants.

7.24 provisions of this chapter. The attorney general may impose, after due process, monthly or
