An appeal by a health carrier regarding a specific certification or selection determination made by MNsure under subdivision 5 must be conducted as a contested case proceeding under chapter 14, with the report or order of the administrative law judge constituting the final decision in the case, subject to judicial review under sections 14.63 to 14.69. For other appeals, the board shall establish hearing processes which provide for a reasonable opportunity to be heard and timely resolution of the appeal and which are consistent with the requirements of federal law and guidance. An appealing party may be represented by legal counsel at these hearings, but this is not a requirement.

(b) MNsure may establish service-level agreements with state agencies to conduct hearings for appeals. Notwithstanding section 471.59, subdivision 1, a state agency is authorized to enter into service-level agreements for this purpose with MNsure.

(c) For proceedings under this subdivision, MNsure may be represented by an attorney who is an employee of MNsure.

(d) This subdivision does not apply to appeals of determinations where a state agency hearing is available under section 256.045.

(e) An appellant aggrieved by an order of MNsure issued in an eligibility appeal, as defined in Minnesota Rules, part 7700.0101, may appeal the order to the district court of the appellant's county of residence by serving a written copy of a notice of appeal upon MNsure and any other adverse party of record within 30 days after the date MNsure issued the order, the amended order, or order affirming the original order, and by filing the original notice and proof of service with the court administrator of the district court. Service may be made personally or by mail; service by mail is complete upon mailing; no filing fee shall be required by the court administrator in appeals taken pursuant to this subdivision. MNsure shall furnish all parties to the proceedings with a copy of the decision and a transcript of any testimony, evidence, or other supporting papers from the hearing held before the appeals examiner within 45 days after service of the notice of appeal.

(f) Any party aggrieved by the failure of an adverse party to obey an order issued by MNsure may compel performance according to the order in the manner prescribed in sections 586.01 to 586.12.

(g) Any party may obtain a hearing at a special term of the district court by serving a written notice of the time and place of the hearing at least ten days prior to the date of the hearing. The court may consider the matter in or out of chambers, and shall take no new or additional evidence unless it determines that such evidence is necessary for a more equitable disposition of the appeal.

(h) Any party aggrieved by the order of the district court may appeal the order as in other civil cases. No costs or disbursements shall be taxed against any party nor shall any filing fee or bond be required of any party.

(i) If MNsure or district court orders eligibility for qualified health plan coverage through MNsure, or eligibility for federal advance payment of premium tax credits or cost-sharing reductions contingent upon full payment of respective premiums, the premiums must be paid or provided pending appeal to the district court, Court of Appeals, or Supreme Court. Provision of eligibility by MNsure pending appeal does not render moot MNsure's position in a court of law.

Subd. 7. **Agreements; consultation.** (a) The board shall:

(b) A stand-alone dental plan offered through MNsure must meet all certification requirements under section 1311(c)(1) of the Affordable Care Act, Public Law 111-148, that are applicable to health plans, except for certification requirements that cannot be met because the dental plan only covers dental benefits.

(b) Nothing in this subdivision shall prevent MNsure from providing insurance for its employees.

MNsure must provide notice of the retroactive appointment to the health carrier. The health carrier must retroactively pay commissions to the insurance producer if the producer can demonstrate that they were certified by MNsure at the time of the original enrollment, were appointed by the selected health carrier at the time of the enrollment, and that an agent of record agreement was executed prior to or at the time of the effective date of the policy.
