(c) When an employee uses earned sick and safe time for more than three consecutive
days, an employer may require reasonable documentation that the earned sick and safe time
is covered by paragraph (a). For earned sick and safe time under paragraph (a), clauses (1)
and (2), reasonable documentation may include a signed statement by a health care
professional indicating the need for use of earned sick and safe time. For earned sick and
safe time under paragraph (a), clause (3), an employer must accept a court record or
documentation signed by a volunteer or employee of a victims services organization, an
attorney, a police officer, or an antiviolence counselor as reasonable documentation. An
employer must not require disclosure of details relating to domestic abuse, sexual assault,
or stalking or the details of an employee's or an employee's family member's medical
condition as related to an employee's request to use earned sick and safe time under this
section.

- (d) An employer may not require, as a condition of an employee using earned sick and safe time, that the employee seek or find a replacement worker to cover the hours the employee uses as earned sick and safe time.
- (e) Earned sick and safe time may be used in the smallest increment of time tracked by the employer's payroll system, provided such increment is not more than four hours.
- Subd. 4. Retaliation prohibited. An employer shall not take retaliatory personnel action against an employee because the employee has requested earned sick and safe time, used earned sick and safe time, or made a complaint or filed an action to enforce a right to earned sick and safe time under this section.
- Subd. 5. Reinstatement to comparable position after leave. An employee returning from a leave under this section is entitled to return to employment in the employee's former position. If, during a leave under this section, the employer experiences a layoff and the employee would have lost a position had the employee not been on leave, pursuant to the good faith operation of a bona fide layoff and recall system, including a system under a collective bargaining agreement, the employee is not entitled to reinstatement in the former or comparable position. In such circumstances, the employee retains all rights under the layoff and recall system, including a system under a collective bargaining agreement, as if the employee had not taken the leave.
- Subd. 6. Pay and benefits after leave. An employee returning from a leave under this section is entitled to return to employment at the same rate of pay the employee had been receiving when the leave commenced, plus any automatic adjustments in the employee's pay scale that occurred during leave period. The employee returning from a leave is entitled

6.1	to retain all accrued preleave benefits of employment and seniority as if there had been no
6.2	interruption in service, provided that nothing under this section prevents the accrual of
6.3	benefits or seniority during the leave pursuant to a collective bargaining or other agreement
6.4	between the employer and employees.
6.5	Subd. 7. Part-time return from leave. An employee, by agreement with the employer,
6.6	may return to work part time during the leave period without forfeiting the right to return
6.7	to employment at the end of the leave, as provided under this section.
6.8	Subd. 8. Notice and posting by employer. (a) Employers must give notice that
6.9	employees are entitled to earned sick and safe time, including the amount of earned sick
6.10	and safe time, the accrual year for the employee, and the terms of its use under this section;
6.11	that retaliation against employees who request or use earned sick and safe time is prohibited;
6.12	and that each employee has the right to file a complaint or bring a civil action if earned sick
6.13	and safe time is denied by the employer or the employee is retaliated against for requesting
6.14	or using earned sick and safe time.
6.15	(b) Employers must supply employees with a notice in English and other appropriate
6.16	languages that contains the information required in paragraph (a) within 60 days of
6.17	commencement of employment or the effective date of this section, whichever is later.
6.18	(c) Employers shall display a poster in a conspicuous and accessible place in each
6.19	establishment where employees are employed that contains all information required under
6.20	paragraph (a). The commissioner shall create and make available to employers a poster and
6.21	a model notice that contains the information required under paragraph (a) for their use in
6.22	complying with this section.
6.23	(d) An employer that provides an employee handbook to its employees must include in
6.24	the handbook notice of employee rights and remedies under this section.
6.25	Subd. 9. Required statement to employee. (a) Upon request of the employee, the
6.26	employer must provide, in writing or electronically, current information stating the
6.27	employee's amount of:
6.28	(1) earned sick and safe time available to the employee; and
6.29	(2) used earned sick and safe time.
6.30	(b) Employers may choose a reasonable system for providing the information in paragraph
6 31	(a) including but not limited to listing information on each pay stub or developing an online

6.32

system where employees can access their own information.

Subd. 10. Employer records. (a) Employers shall retain accurate records documenting hours worked by employees and earned sick and safe time taken and comply with all
requirements under section 177.30.
(b) An employer must allow an employee to inspect records required by this section and
relating to that employee at a reasonable time and place.
Subd. 11. Confidentiality and nondisclosure. (a) If, in conjunction with this section,
an employer possesses (1) health or medical information regarding an employee or an
employee's family member; (2) information pertaining to domestic abuse, sexual assault,
or stalking; (3) information that the employee has requested or obtained leave under this
section; or (4) any written or oral statement, documentation, record, or corroborating evidence
provided by the employee or an employee's family member, the employer must treat such
information as confidential. Information given by an employee may only be disclosed by
an employer if the disclosure is requested or consented to by the employee, when ordered
by a court or administrative agency, or when otherwise required by federal or state law.
(b) Records and documents relating to medical certifications, recertifications, or medical
histories of employees or family members of employees created for purposes of this section
or section 177.50 must be maintained as confidential medical records separate from the
usual personnel files.
Subd. 12. No effect on more generous sick and safe time policies. (a) Nothing in this
section shall be construed to discourage employers from adopting or retaining earned sick
and safe time policies that meet or exceed, and do not otherwise conflict with, the minimum
standards and requirements provided in this section.
(b) Nothing in this section shall be construed to limit the right of parties to a collective
bargaining agreement to bargain and agree with respect to earned sick and safe time policies
or to diminish the obligation of an employer to comply with any contract, collective
bargaining agreement, or any employment benefit program or plan that meets or exceeds,
and does not otherwise conflict with, the minimum standards and requirements provided in
this section.

- (c) Employers who provide earned sick and safe time to their employees under a paid time off policy or other paid leave policy that meets or exceeds, and does not otherwise conflict with, the minimum standards and requirements provided in this section are not required to provide additional earned sick and safe time.

- (2) paying at least the required rate established in a registered apprenticeship agreement for apprentices registered with the Department of Labor and Industry.
- An employer electing this option is deemed to be in compliance with this section for construction industry employees who receive either at least the prevailing wage rate or the rate required in the applicable apprenticeship agreement regardless of whether the employees are working on private or public projects.
 - (e) This section does not prohibit an employer from establishing a policy whereby employees may donate unused accrued sick and safe time to another employee.
 - (f) This section does not prohibit an employer from advancing sick and safe time to an employee before accrual by the employee.
 - Subd. 13. **Termination; separation; transfer.** This section does not require financial or other reimbursement to an employee from an employer upon the employee's termination, resignation, retirement, or other separation from employment for accrued earned sick and safe time that has not been used. If an employee is transferred to a separate division, entity, or location, but remains employed by the same employer, the employee is entitled to all earned sick and safe time accrued at the prior division, entity, or location and is entitled to use all earned sick and safe time as provided in this section. When there is a separation from employment and the employee is rehired within 180 days of separation by the same employer, previously accrued earned sick and safe time that had not been used must be reinstated. An employee is entitled to use accrued earned sick and safe time and accrue additional earned sick and safe time at the commencement of reemployment.
 - Subd. 14. Employer succession. (a) When a different employer succeeds or takes the place of an existing employer, all employees of the original employer who remain employed by the successor employer are entitled to all earned sick and safe time accrued but not used when employed by the original employer, and are entitled to use all earned sick and safe time previously accrued but not used.
 - (b) If, at the time of transfer of the business, employees are terminated by the original employer and hired within 30 days by the successor employer following the transfer, those employees are entitled to all earned sick and safe time accrued but not used when employed by the original employer, and are entitled to use all earned sick and safe time previously accrued but not used.

ARTICLE 2

EARNED SICK AND SAFE TIME ENFORCEMENT

Section 1. Minnesota Statutes 2018, section 177.27, subdivision 2, is amended to read:

Subd. 2. **Submission of records; penalty.** The commissioner may require the employer of employees working in the state to submit to the commissioner photocopies, certified copies, or, if necessary, the originals of employment records which the commissioner deems necessary or appropriate. The records which may be required include full and correct statements in writing, including sworn statements by the employer, containing information relating to wages, hours, names, addresses, and any other information pertaining to the employer's employees and the conditions of their employment as the commissioner deems necessary or appropriate.

The commissioner may require the records to be submitted by certified mail delivery or, if necessary, by personal delivery by the employer or a representative of the employer, as authorized by the employer in writing.

The commissioner may fine the employer up to \$1,000 \$10,000 for each failure to submit or deliver records as required by this section. This penalty is in addition to any penalties provided under section 177.32, subdivision 1. In determining the amount of a civil penalty under this subdivision, the appropriateness of such penalty to the size of the employer's business and the gravity of the violation shall be considered.

Sec. 2. Minnesota Statutes 2018, section 177.27, subdivision 4, is amended to read:

Subd. 4. **Compliance orders.** The commissioner may issue an order requiring an employer to comply with sections 177.21 to 177.435, 181.02, 181.03, 181.031, 181.032, 181.101, 181.11, 181.13, 181.14, 181.145, 181.15, 181.172, paragraph (a) or (d), 181.275, subdivision 2a, 181.722, 181.79, and 181.939 to 181.943, and 181.9445, or with any rule promulgated under section 177.28. The department shall serve the order upon the employer or the employer's authorized representative in person or by certified mail at the employer's place of business. An employer who wishes to contest the order must file written notice of objection to the order with the commissioner within 15 calendar days after being served with the order. A contested case proceeding must then be held in accordance with sections 14.57 to 14.69. If, within 15 calendar days after being served with the order, the employer fails to file a written notice of objection with the commissioner, the order becomes a final order of the commissioner.

Sec. 3. Minnesota Statutes 2018, section 177.27, subdivision 7, is amended to read:

Subd. 7. **Employer liability.** If an employer is found by the commissioner to have violated a section identified in subdivision 4, or any rule adopted under section 177.28, and the commissioner issues an order to comply, the commissioner shall order the employer to cease and desist from engaging in the violative practice and to take such affirmative steps that in the judgment of the commissioner will effectuate the purposes of the section or rule violated. The commissioner shall order the employer to pay to the aggrieved parties back pay, gratuities, and compensatory damages, less any amount actually paid to the employee by the employer, and for an additional equal amount as liquidated damages. Any employer who is found by the commissioner to have repeatedly or willfully violated a section or sections identified in subdivision 4 shall be subject to a civil penalty of up to \$1,000 \$10,000 for each violation for each employee. In determining the amount of a civil penalty under this subdivision, the appropriateness of such penalty to the size of the employer's business and the gravity of the violation shall be considered. In addition, the commissioner may order the employer to reimburse the department and the attorney general for all appropriate litigation and hearing costs expended in preparation for and in conducting the contested case proceeding, unless payment of costs would impose extreme financial hardship on the employer. If the employer is able to establish extreme financial hardship, then the commissioner may order the employer to pay a percentage of the total costs that will not cause extreme financial hardship. Costs include but are not limited to the costs of services rendered by the attorney general, private attorneys if engaged by the department, administrative law judges, court reporters, and expert witnesses as well as the cost of transcripts. Interest shall accrue on, and be added to, the unpaid balance of a commissioner's order from the date the order is signed by the commissioner until it is paid, at an annual rate
