1.1 A bill for an act
1.2 relating to families; modifying child welfare provisions; establishing the Minnesota
1.3 African American Family Preservation Act; providing criminal penalties; requiring
1.4 a report; appropriating money; amending Minnesota Statutes 2020, section
1.5 260C.329, subdivision 3; proposing coding for new law in Minnesota Statutes,
1.6 chapter 260.

1.7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.8 Section 1. [260.61] CITATION.

1.9 Sections 260.61 to 260.695 may be cited as the "Minnesota African American Family
1.10 Preservation Act."

1.11 Sec. 2. [260.62] PURPOSES.

1.12 (a) The purpose of the Minnesota African American Family Preservation Act is to:

1.13 (1) protect the best interests of African American children;

1.14 (2) promote the stability and security of African American children and families by
1.15 establishing minimum standards to prevent arbitrary and unnecessary removal of African
1.16 American children from their families; and

1.17 (3) improve permanency outcomes, including family reunification, for African American
1.18 children.

1.19 (b) Nothing in this legislation is intended to interfere with the protections of the Indian
1.20 Child Welfare Act of 1978, United States Code, title 25, sections 1901 to 1963.

2.1 Sec. 3. **[260.63] DEFINITIONS.**

2.2 **Subdivision 1. Scope.** The definitions in this section apply to sections 260.61 to 260.695.

2.3 **Subd. 2. Active efforts.** "Active efforts" means a rigorous and concerted level of effort  
2.4 that the local social services agency must continuously make throughout the time that the  
2.5 local social services agency is involved with an African American child and family. To  
2.6 provide active efforts to preserve an African American child and family, the local social  
2.7 services agency must continuously involve an African American family and the African  
2.8 American Welfare Oversight Council in all services for the family, including case planning  
2.9 and choosing services and providers. When providing active efforts, the local social services  
2.10 agency is required to consider the African American family's social and cultural values at  
2.11 all times while providing services to a child and family. Active efforts includes continuous  
2.12 efforts to preserve an African American child's family and to prevent out-of-home placement  
2.13 of an African American child. If an African American child is placed out-of-home, the local  
2.14 social services agency is required to make active efforts to reunify the African American  
2.15 child with the child's family as soon as possible. Active efforts sets a higher standard for  
2.16 the local social services agency than reasonable efforts to preserve the family, prevent  
2.17 breaking up the family, and reunify the family, according to section 260.762. Active efforts  
2.18 includes the provision of reasonable efforts as required by Title IV-E of the Social Security  
2.19 Act, United States Code, title 42, sections 670 to 679c.

2.20 **Subd. 3. African American child.** "African American child" is a child having origins  
2.21 in Africa, including a child of two or more races who has at least one parent with origins  
2.22 in Africa.

2.23 **Subd. 4. Best interest of the African American child.** "Best interest of the African  
2.24 American child" means providing a culturally informed practice lens that acknowledges,  
2.25 utilizes, and embraces the community and cultural norms of an African American child and  
2.26 allows the child to remain safely at home with the child's family. The best interest of the  
2.27 child supports the child's sense of belonging to family, extended family, kin, and cultural  
2.28 community.

2.29 **Subd. 5. Child placement proceeding.** (a) "Child placement proceeding" includes a  
2.30 judicial proceeding which could have a result described in paragraphs (b) to (e).

2.31 (b) "Adoptive placement" means the permanent placement of an African American child  
2.32 for adoption, including an action resulting in a final decree of adoption.

2.33 (c) "Court-ordered foster care placement" means the removal of an African American  
2.34 child from the child's home with the child's parents or legal custodians and the temporary

3.1 placement of the child in a foster home, in shelter care, or in the home of a guardian, when  
3.2 the parents or legal custodians cannot have the child returned upon demand but whose  
3.3 parental rights have not been terminated.

3.4 (d) "Preadoptive placement" means the placement of a child with the child's family or  
3.5 kin when the child is under the guardianship of the commissioner of human services and  
3.6 when an adoptive placement agreement for the child has been fully executed.

3.7 (e) "Termination of parental rights" means an action resulting in the termination of the  
3.8 parent-child relationship under section 260C.301.

3.9 (f) The terms in this subdivision include a child's placement based upon a child's juvenile  
3.10 status offense, but do not include a placement based upon (1) an act which if committed by  
3.11 an adult would be deemed a crime, or (2) an award of custody in a divorce proceeding to  
3.12 one of the child's parents.

3.13 Subd. 6. **Commissioner.** "Commissioner" means the commissioner of human services.

3.14 Subd. 7. **Disproportionality.** "Disproportionality" means the overrepresentation of  
3.15 African American children in the state's child welfare system population as compared to  
3.16 the group's representation in the state's total child population.

3.17 Subd. 8. **Family preservation services.** "Family preservation services" means intensive  
3.18 family-centered services that are provided to a family primarily in the family's own home  
3.19 or community when the services are based on the individualized needs of the family.

3.20 Subd. 9. **Local social services agency.** "Local social services agency" has the meaning  
3.21 given in section 260.755, subdivision 13.

3.22 Subd. 10. **Parent.** "Parent" means the biological parent of an African American child  
3.23 or any person who has legally adopted an African American child. Parent includes an  
3.24 unmarried father whose paternity has been acknowledged or established, as well as an  
3.25 alleged father. Paternity has been acknowledged when an unmarried father takes any action  
3.26 to hold himself out as the biological father of a child.

3.27 Subd. 11. **Relative.** "Relative" means a person related to the child by blood, marriage,  
3.28 or adoption, an individual who is an important friend of the child or child's family with  
3.29 whom the child has resided or has had significant contact, or a person whom the child or  
3.30 the child's family identify as related to the child's family.

3.31 Subd. 12. **Safety network.** "Safety network" means a group of individuals identified by  
3.32 the parent that is accountable for developing, implementing, sustaining, supporting, or  
3.33 improving a safety plan to protect the safety and well-being of a child.

4.1 Subd. 13. **Sexual abuse.** "Sexual abuse" has the meaning given in section 260E.03,  
4.2 subdivision 20.

4.3 Subd. 14. **Substantial child endangerment.** "Substantial child endangerment" has the  
4.4 meaning given in section 260E.03, subdivision 22.

4.5 Sec. 4. **[260.64] DUTY TO PREVENT OUT-OF-HOME PLACEMENT AND**  
4.6 **PROMOTE FAMILY REUNIFICATION.**

4.7 (a) A local social services agency shall make active efforts to prevent the out-of-home  
4.8 placement of an African American child, eliminate the need for a child's removal from the  
4.9 child's home, and reunify an African American child with the child's family as soon as  
4.10 practicable.

4.11 (b) Prior to removing an African American child from the child's home, a local social  
4.12 services agency must work with the child's family to allow the child to remain living in the  
4.13 child's home while implementing an in-home safety plan based on the needs of the family.  
4.14 The local social services agency must establish a safety network for the family and engage  
4.15 the safety network in developing the safety plan. The child's parent or guardian must actively  
4.16 participate in creating the safety plan with guidance and input from the local social services  
4.17 agency. The safety plan must address the child's basic needs and incorporate family and  
4.18 community support to ensure the child's safety while keeping the family intact. The local  
4.19 social services agency is not required to establish a safety plan in cases with allegations of  
4.20 sexual abuse or egregious harm.

4.21 (c) Unless the court finds by clear and convincing evidence that the child's health or  
4.22 welfare would be immediately endangered if the child were to remain in the child's home,  
4.23 a court shall not order an out-of-home or permanency placement of an African American  
4.24 child alleged to be in need of protective services unless the court finds that the local social  
4.25 services agency has made active efforts to preserve the child's family. At each hearing  
4.26 regarding an African American child who is alleged to be in need of child protective services,  
4.27 the court shall review the local social services agency's provision of active efforts to the  
4.28 child and the child's family and the court shall require the local social services agency to  
4.29 provide documentation and evidence that demonstrates how the agency continues to provide  
4.30 culturally informed, strength-based, community-involved, and community-based services  
4.31 to the child and the child's family. In determining whether the local social services agency  
4.32 has made active efforts to preserve the family for purposes of the child's out-of-home  
4.33 placement and permanency, the court shall make findings regarding whether the local social  
4.34 services agency made appropriate and meaningful family-based services available to the

5.1 child's family based upon the family's specific needs. If a court determines that the local  
5.2 social services agency did not make active efforts to preserve the family as required by this  
5.3 section, the court shall order the local social services agency to immediately provide active  
5.4 efforts to the child and child's family to preserve the family.

5.5 **Sec. 5. [260.65] TEMPORARY OUT-OF-HOME PLACEMENT.**

5.6 (a) Prior to placing an African American child in foster care, the responsible local social  
5.7 services agency must make active efforts to identify and locate the child's noncustodial or  
5.8 nonadjudicated parent and the child's relatives to notify them that the child needs a foster  
5.9 home and provide them with a list of legal resources. The agency must also inform the  
5.10 child's noncustodial or nonadjudicated parent and relatives of the option to become a  
5.11 placement resource for the child and the possibility that the child will need a permanent  
5.12 placement. If prior notice is not possible, the agency must notify the noncustodial or  
5.13 nonadjudicated parent and identified relatives of the child's need for a foster home within  
5.14 48 hours of a child's removal from the custodial parent's care. The local social services  
5.15 agency must maintain detailed records of the agency's efforts to notify parents and relatives  
5.16 under this section.

5.17 (b) Notwithstanding the provisions of section 260C.219, if a child's noncustodial or  
5.18 nonadjudicated parent is willing to and capable of providing daily care of the African  
5.19 American child temporarily or permanently, the local social services agency shall temporarily  
5.20 place the child with the noncustodial or nonadjudicated parent. Prior to initial placement  
5.21 with a noncustodial or nonadjudicated parent, the local social services agency must conduct  
5.22 an immediate assessment of the parent's ability to care for the child.

5.23 (c) If a child's noncustodial or nonadjudicated parent is unwilling to or incapable of  
5.24 caring for the child and the local social services agency has determined that continued  
5.25 placement of the child in the home of the child's parent would endanger the child's health,  
5.26 safety, or welfare, the local social services agency shall comply with the custodial or  
5.27 noncustodial parent or legal custodian's request to temporarily place the child with a relative  
5.28 selected by the child's parent or legal custodian. If selected relatives are not available, the  
5.29 local social services agency shall consider additional relatives for the child's placement.  
5.30 Prior to initial placement of the child with a relative, the local social services agency must  
5.31 conduct an assessment of the relative's ability to care for the child.

5.32 (d) The local social services agency must make active efforts to allow a noncustodial  
5.33 and nonadjudicated parent or a selected relative to remedy any issues that prevent placement  
5.34 of the child, including bars to licensing the relative's home as a foster home. If the relative

6.1 has a temporary or permanent bar to obtaining a foster care license, the local social services  
6.2 agency must make active efforts to assist the relative in applying for a variance to place the  
6.3 child with the relative. The local social services agency is only relieved of the duty to make  
6.4 active efforts to place the child with a particular relative if the agency can demonstrate that  
6.5 it would not be consistent with the child's best interests to place the child with the particular  
6.6 relative.

6.7 (e) If, after conducting an assessment, the local social services agency determines that  
6.8 the child cannot be placed with the relative or the noncustodial or nonadjudicated parent,  
6.9 the local social services agency must provide specific reasons with supporting evidence in  
6.10 writing to the court explaining why the child's placement with a noncustodial parent or  
6.11 relative is not possible.

6.12 **Sec. 6. [260.66] EMERGENCY REMOVAL HEARING.**

6.13 Notwithstanding section 260C.163, subdivision 3, and the provisions of Minnesota Rules  
6.14 of Juvenile Protection Procedure Rule 25, a parent of an African American child who is  
6.15 subject to an emergency protective care hearing pursuant to section 260C.178 and Minnesota  
6.16 Rules of Juvenile Protection Procedure Rule 30 must be represented by counsel. The court  
6.17 must appoint qualified counsel to represent the parent if the parent meets the eligibility  
6.18 requirements in section 611.17.

6.19 **Sec. 7. [260.67] TERMINATION OF PARENTAL RIGHTS; CHILD PLACEMENT**  
6.20 **PROCEEDINGS.**

6.21 Subdivision 1. **Termination of parental rights restrictions.** (a) A court shall not  
6.22 terminate the parental rights of an African American parent based solely on the parent's  
6.23 failure to complete case plan requirements.

6.24 (b) A court shall not terminate the parental rights of an African American parent in child  
6.25 placement proceedings unless the allegations against the parent involve sexual abuse;  
6.26 egregious harm as defined in section 260C.007, subdivision 14; murder in the first, second,  
6.27 or third degree under section 609.185, 609.19, or 609.195; murder of an unborn child in the  
6.28 first, second, or third degree under sections 609.2661, 609.2662, or 609.2663; manslaughter  
6.29 in the first or second degree under section 609.20 or 609.205; manslaughter of an unborn  
6.30 child in the first or second degree under sections 609.2664 or 609.2665; assault in the first,  
6.31 second, or third degree under section 609.221, 609.222, or 609.223; domestic assault by  
6.32 strangulation under section 609.2247; felony domestic assault under sections 609.2242 or  
6.33 609.2243; kidnapping under section 609.25; solicitation, inducement, and promotion of

7.1 prostitution under section 609.322; criminal sexual conduct under sections 609.342 to  
7.2 609.3451; engaging in, hiring, or agreeing to hire a minor to engage in prostitution under  
7.3 section 609.324, subdivision 1; solicitation of children to engage in sexual conduct under  
7.4 section 609.352; possession of pornographic work involving minors under section 617.247;  
7.5 malicious punishment or neglect or endangerment of a child under section 609.377 or  
7.6 609.378; use of a minor in sexual performance under section 617.246; or failing to protect  
7.7 a child from an overt act or condition that constitutes egregious harm. The court shall, if  
7.8 possible, transfer permanent legal and physical custody to a fit and willing relative or third  
7.9 party if the court determines that there is continued need for out-of-home placement of the  
7.10 child.

7.11 Subd. 2. **Appeals.** Notwithstanding the provisions of Minnesota Rules of Juvenile  
7.12 Protection Procedure Rule 47.02, subdivision 2, an African American parent whose parental  
7.13 rights have been terminated may appeal the decision within 60 days of the service of notice  
7.14 by the court administrator of the filing of the court's order.

7.15 **Sec. 8. [260.68] LOCAL WELFARE AGENCY CONDUCT AND CASE REVIEW.**

7.16 (a) A local social services agency employee who has duties related to child protection  
7.17 shall not knowingly:

7.18 (1) make untrue statements about any case involving a child alleged to be in need of  
7.19 protection or services;

7.20 (2) intentionally withhold any information that may be material to a case involving a  
7.21 child alleged to be in need of protection or services; or

7.22 (3) fabricate or falsify any documentation or evidence relating to a case involving a child  
7.23 alleged to be in need of protection or services.

7.24 (b) Any of the actions listed in paragraph (a) shall constitute grounds for adverse  
7.25 employment action.

7.26 (c) When a local social services agency screens in a report alleging maltreatment of an  
7.27 African American child or places an African American child in an involuntary out-of-home  
7.28 placement, the agency shall, within seven days after screening in the report or initiating the  
7.29 child's out-of-home placement, notify the Department of Human Services of the maltreatment  
7.30 report or child's out-of-home placement and of the steps that the agency has taken to  
7.31 investigate and remedy the conditions that led to the report or placement. Upon receiving  
7.32 a report alleging maltreatment of an African American child or notice that an African  
7.33 American child was placed out-of-home, the Department of Human Services shall review

8.1 the local social services agency's handling of the child's case to ensure that the case plans  
8.2 and services address the unique needs of the child and the child's family and that the agency  
8.3 is making active efforts to preserve the child's family in compliance with the African  
8.4 American Family Preservation Act. At all stages of a case involving an African American  
8.5 child, the local social services agency shall, upon request, fully cooperate with the Department  
8.6 of Human Services and the African American Child Welfare Oversight Council and provide  
8.7 access to all relevant case files.

8.8 (d) In any involuntary adoptive or preadoptive placement proceeding involving an  
8.9 African American child, the local social services agency shall notify the Department of  
8.10 Human Services of the pending proceeding and of the right of intervention. No preadoptive  
8.11 or adoptive placement proceeding where there will be placement with a nonrelative may  
8.12 be held until at least 30 days after receipt of the notice by the Department of Human Services  
8.13 or until a home study can be completed for a relative kinship adoption, whichever occurs  
8.14 first. Upon receipt of the notice, the Department of Human Services shall review the case  
8.15 to ensure that the requirements of the African American Family Preservation Act have been  
8.16 met.

8.17 If the Department of Human Services requests time to prepare for the proceeding, the  
8.18 district court must grant the Department of Human Services up to 30 additional days to  
8.19 prepare for the proceeding. The agency or notifying party shall include in the notice the  
8.20 identity of the birth parents and child. In cases that an agency or party to an adoptive  
8.21 placement knows or has reason to believe that a child is or may be African American, proof  
8.22 of service upon the Department of Human Services must be filed with the adoption petition.

8.23 (e) The local social services agency shall conduct a case review every 24 months after  
8.24 a 2021 baseline is established. The local social services agency shall report the agency's  
8.25 findings to the county board, related child welfare committees, the Children's Justice Initiative  
8.26 team, the African American Child Welfare Oversight Council, and community stakeholders  
8.27 within six months of gathering data. For situations in which the data being reported would  
8.28 be smaller than five, the data must only be reported to the African American Child Welfare  
8.29 Oversight Council. The case review must include:

8.30 (1) the number of African American children represented in the local county child welfare  
8.31 system;

8.32 (2) the number and race of maltreatment reports received and reports accepted for  
8.33 investigation or referred for family assessment;

9.1 (3) the number and race of children and parents who receive in-home preventive case  
9.2 management services;

9.3 (4) the number and race of children whose parents are referred to community-based,  
9.4 culturally appropriate, strength-based, or trauma-informed services;

9.5 (5) the number and race of children removed from their homes;

9.6 (6) the number and race of children reunified with their parents;

9.7 (7) the number and race of children whose parents are offered family group decision  
9.8 making services;

9.9 (8) the number and race of children whose parents are offered the parent support outreach  
9.10 program;

9.11 (9) the number and race of children in out-of-home placement;

9.12 (10) the number and race of children who find permanency through guardianship and  
9.13 adoption; and

9.14 (11) the number and race of children under guardianship of the commissioner or waiting  
9.15 to be adopted.

9.16 (f) Case review shall also:

9.17 (1) identify barriers to reunifying children with their parents;

9.18 (2) identify family conditions that led to the need for out-of-home placement;

9.19 (3) identify any barriers to accessing culturally informed mental health or substance use  
9.20 disorder treatment services for the parent or child;

9.21 (4) document efforts to identify a child's father and paternal relatives, and provision of  
9.22 services to custodial and noncustodial fathers, if appropriate; and

9.23 (5) document and summarize court reviews of active efforts.

9.24 (g) Any local social services agency that has a disproportionate rate of outcomes across  
9.25 the child welfare process must develop a remediation plan with measurable outcomes to  
9.26 address and reduce the factors that led to the disproportionate outcomes. The plan must  
9.27 include information about how the local social services agency will achieve and document  
9.28 trauma-informed, positive child well-being outcomes through remediation efforts. The local  
9.29 social services agency must develop the plan within 30 days of discovery of the disparity  
9.30 and the agency must make measurable improvements within 12 months. A local social

10.1 services agency may request assistance from the African American Child Welfare Oversight  
10.2 Council to develop a remediation plan.

10.3 (h) Any local social services agency that fails to comply with this section will be subject  
10.4 to corrective action and a fine determined by the commissioner.

10.5 **Sec. 9. [260.69] AFRICAN AMERICAN CHILD WELFARE OVERSIGHT**  
10.6 **COUNCIL.**

10.7 Subdivision 1. **Creation.** (a) The commissioner shall appoint an African American Child  
10.8 Welfare Oversight Council to formulate policies and procedures relating to child welfare  
10.9 services for African American children to ensure that local social services agencies provide  
10.10 African American families with culturally relevant family preservation services and  
10.11 opportunities to care for their children safely in their homes.

10.12 (b) The terms, compensation, and removal of council members shall be as provided in  
10.13 section 15.059. The advisory council does not expire.

10.14 Subd. 2. **Membership and composition.** (a) The council shall consist of 31 members  
10.15 and must include:

10.16 (1) 15 members from African American families and communities that have been  
10.17 impacted by the child welfare process, including child welfare policy and social work  
10.18 professionals and paraprofessionals, community leaders, and community members;

10.19 (2) local social services agency representatives from the six counties with the highest  
10.20 populations of disproportionately represented African American children in the state; and

10.21 (3) two parents of African American children from each of the four regions of the state.

10.22 (b) The council shall have two cochairs, one from the Department of Human Services  
10.23 county agency and the other an African American parent with experience in the child welfare  
10.24 system.

10.25 Subd. 3. **Meeting.** The council shall meet at least six times per year, but may meet more  
10.26 frequently at the call of the chair, a majority of the council members, or the commissioner.  
10.27 Subgroups of the council may meet more frequently as necessary.

10.28 Subd. 4. **Duties.** The African American Child Welfare Oversight Council shall:

10.29 (1) monitor the number of African American children in out-of-home placement in a  
10.30 joint effort with the Department of Human Services;

11.1 (2) review summary reports on case reviews prepared by specialists to ensure that local  
 11.2 social services agencies meet the needs of African American families. The council may  
 11.3 review individual case data with identifying information removed to provide context and  
 11.4 oversight for disparities in the treatment of African American children and families as  
 11.5 compared to other children and families;

11.6 (3) develop a culturally appropriate service model for shelter and foster care settings to  
 11.7 follow that describes how to provide services for African American children in a culturally  
 11.8 appropriate manner;

11.9 (4) develop and promote public policies and child protection laws that specifically  
 11.10 consider the needs of African American children and families;

11.11 (5) coordinate stakeholder and agency efforts to improve child welfare outcomes for  
 11.12 African American children and families;

11.13 (6) initiate a public awareness campaign on the issue of racial disparities in out-of-home  
 11.14 placement of African American children as compared to children of other races;

11.15 (7) partner with the Department of Human Services to coordinate services and create  
 11.16 partnerships to provide housing assistance, employment assistance, and education support  
 11.17 and training for African American children and families; and

11.18 (8) partner with the commissioner and local social services agencies to promote hiring
