16.15 payment is made to an employee of the trust as compensation for services as an employee  
16.16 and not as a beneficiary of the trust, or (ii) under or to an annuity plan that, at the time of

17.13 order to be excluded from wages;

17.22 established by the employer that provides for the employer's employees generally or for a  
17.23 class or classes of employees.

17.24 (b) Nothing in this subdivision excludes from the term "wages" any payment made under  
17.25 any type of salary reduction agreement, including payments made under a cash or deferred  
17.26 arrangement and cafeteria plan, as defined in United States Code, title 26, sections 401(k)

17.28 to receive the payment in cash.

17.29 (c) Wages includes the total payment to the operator and supplier of a vehicle or other

18.3 (2) at the time of each payment there is a written acknowledgment indicating the separate  
18.4 allocated amounts.

18.5 (d) Wages includes payments made for services as a caretaker. Unless there is a contract

18.8 a household who perform services where two or more individuals share the same dwelling  
18.9 and the employer makes payment to only one individual.

18.11 are performed by a married couple or a family and an employer makes payment to only one  
18.12 individual, each worker is considered as having received an equal share of the compensation  
18.13 unless there is a contract or other proof to the contrary.

18.14 (f) Wages includes advances or draws against future earnings, when paid, unless the  
18.15 payments are designated as a loan or return of capital on the books and records of the  
18.16 employer at the time of payment.

18.18 the Internal Revenue Code, to or on behalf of officers and shareholders that are reasonable  
18.19 compensation for services performed for the corporation.

18.20 For a subchapter "S" corporation, wages does not include:

18.21 (1) a loan for business purposes to an officer or shareholder evidenced by a promissory  
18.22 note signed by an officer before the payment of the loan proceeds and recorded on the books  
18.23 and records of the corporation as a loan to an officer or shareholder;

18.25 corporation and recorded on the books and records of the corporation as a liability;

19.1 (2) that have been credited to or set apart so that payment and disposition is under the  
 19.2 control of the employee.

19.3 (b) Wage payments delayed beyond the regularly scheduled pay date are wages paid on  
 19.4 the missed pay date. Back pay is wages paid on the date of actual payment. Any wages  
 19.5 earned but not paid with no scheduled date of payment are wages paid on the last day of  
 19.6 employment.

 19.13 **CREATION.**

19.14 Subdivision 1. **Creation.** A family and medical benefit insurance program is created to  
 19.15 be administered by the commissioner according to the terms of this chapter.

19.16 Subd. 2. **Creation of division.** A Family and Medical Benefit Insurance Division is  
 19.17 created within the department under the authority of the commissioner. The commissioner  
 19.18 shall appoint a director of the division. The division shall administer and operate the benefit  
 19.19 program under this chapter.

19.20 Subd. 3. **Rulemaking.** The commissioner may adopt rules to implement the provisions  
 19.21 of this chapter.

19.22 Subd. 4. **Account creation; appropriation.** The family and medical benefit insurance  
 19.23 account is created in the special revenue fund in the state treasury. Money in this account  
 19.24 is appropriated to the commissioner to pay benefits under and to administer this chapter,  
 19.25 including outreach required under section 268B.18.

19.26 Subd. 5. **Information technology services and equipment.** The department is exempt  
 19.27 from the provisions of section 16E.016 for the purposes of this chapter.

19.28 Sec. 7. **[268B.03] PAYMENT OF BENEFITS.**

19.29 Subdivision 1. **Requirements.** The commissioner must pay benefits from the family  
 19.30 and medical benefit insurance account as provided under this chapter to an applicant who  
 19.31 has met each of the following requirements:

20.1 (1) the applicant has filed an application for benefits and established a benefit account  
 20.2 in accordance with section 268B.04;

20.3 (2) the applicant has met all of the ongoing eligibility requirements under section  
 20.4 268B.06;

20.5 (3) the applicant does not have an outstanding overpayment of family or medical leave  
 20.6 benefits, including any penalties or interest;

20.7 (4) the applicant has not been held ineligible for benefits under section 268.07, subdivision  
 20.8 2; and

20.9 (5) the applicant is not employed exclusively by a private plan employer and has wage  
 20.10 credits during the base year attributable to employers covered under the state family and  
 20.11 medical leave program.

20.12 Subd. 2. **Benefits paid from state funds.** Benefits are paid from state funds and are not  
 20.13 considered paid from any special insurance plan, nor as paid by an employer. An application  
 20.14 for family or medical leave benefits is not considered a claim against an employer but is  
 20.15 considered a request for benefits from the family and medical benefit insurance account.  
 20.16 The commissioner has the responsibility for the proper payment of benefits regardless of  
 20.17 the level of interest or participation by an applicant or an employer in any determination or  
 20.18 appeal. An applicant's entitlement to benefits must be determined based upon that information  
 20.19 available without regard to a burden of proof. Any agreement between an applicant and an  
 20.20 employer is not binding on the commissioner in determining an applicant's entitlement.  
 20.21 There is no presumption of entitlement or nonentitlement to benefits.

20.22 Sec. 8. **[268B.04] BENEFIT ACCOUNT; BENEFITS.**

20.23 Subdivision 1. **Application for benefits; determination of benefit account.** (a) An  
 20.24 application for benefits may be filed in person, by mail, or by electronic transmission as the  
 20.25 commissioner may require. The applicant must meet eligibility requirements at the time the  
 20.26 application is filed and must provide all requested information in the manner required. If  
 20.27 the applicant does not meet eligibility at the time of the application or fails to provide all  
 20.28 requested information, the communication is not an application for family and medical leave  
 20.29 benefits.

20.30 (b) The commissioner must examine each application for benefits to determine the base  
 20.31 period and the benefit year, and based upon all the covered employment in the base period  
 20.32 the commissioner must determine the weekly benefit amount available, if any, and the  
 20.33 maximum amount of benefits available, if any. The determination, which is a document

21.1 separate and distinct from a document titled a determination of eligibility or determination  
 21.2 of ineligibility, must be titled determination of benefit account. A determination of benefit  
 21.3 account must be sent to the applicant and all base period employers, by mail or electronic  
 21.4 transmission.

21.5 (c) If a base period employer did not provide wage detail information for the applicant  
 21.6 as required under section ....., the commissioner may accept an applicant certification of  
 21.7 wage credits, based upon the applicant's records, and issue a determination of benefit account.

21.8 (d) The commissioner may, at any time within 24 months from the establishment of a  
 21.9 benefit account, reconsider any determination of benefit account and make an amended  
 21.10 determination if the commissioner finds that the wage credits listed in the determination  
 21.11 were incorrect for any reason. An amended determination of benefit account must be  
 21.12 promptly sent to the applicant and all base period employers, by mail or electronic  
 21.13 transmission. This paragraph does not apply to documents titled determinations of eligibility  
 21.14 or determinations of ineligibility issued.

21.15 (e) If an amended determination of benefit account reduces the weekly benefit amount  
 21.16 or maximum amount of benefits available, any benefits that have been paid greater than the  
 21.17 applicant was entitled is an overpayment of benefits. A determination or amended  
 21.18 determination issued under this section that results in an overpayment of benefits must set  
 21.19 out the amount of the overpayment and the requirement under section ....., that the overpaid  
 21.20 benefits must be repaid.

21.21 Subd. 2. **Benefit account requirements.** (a) Unless paragraph (b) applies, to establish  
 21.22 a benefit account, an applicant must have wage credits of at least 5.3 percent of the state's  
 21.23 average annual wage rounded down to the next lower \$100.

21.24 (b) To establish a new benefit account following the expiration of the benefit year on a  
 21.25 prior benefit account, an applicant must have performed actual work in subsequent covered  
 21.26 employment and have been paid wages in one or more completed calendar quarters that  
 21.27 started after the effective date of the prior benefit account. The wages paid for that  
 21.28 employment must be at least enough to meet the requirements of paragraph (a). A benefit  
 21.29 account under this paragraph must not be established effective earlier than the Sunday  
 21.30 following the end of the most recent completed calendar quarter in which the requirements  
 21.31 of paragraph (a) were met. An applicant must not establish a second benefit account as a  
 21.32 result of one loss of employment.

21.33 Subd. 3. **Weekly benefit amount; maximum amount of benefits available; prorated**  
 21.34 **amount.** (a) Subject to the maximum weekly benefit amount, an applicant's weekly benefit

22.1 is calculated by adding the amounts obtained by applying the following percentage to an  
22.2 applicant's average typical workweek and weekly wage during the high quarter of the base  
22.3 period:

22.4 (1) 90 percent of wages that do not exceed 50 percent of the state's average weekly wage;

22.5 plus

22.6 (2) 66 percent of wages that exceed 50 percent of the state's average weekly wage but  
22.7 not 100 percent; plus

22.8 (3) 55 percent of wages that exceed 100 percent of the state's average weekly wage.

22.9 (b) The state's average weekly wage is the average wage as calculated under section  
22.10 268.035, subdivision 23, at the time a benefit amount is first determined.

22.11 (c) The maximum weekly benefit amount is the state's average weekly wage as calculated  
22.12 under section 268.035, subdivision 23.

22.13 (d) The state's maximum weekly benefit amount, computed in accordance with section  
22.14 268.035, subdivision 23, applies to a benefit account established effective on or after the  
22.15 last Sunday in October. Once established, an applicant's weekly benefit amount is not  
22.16 affected by the last Sunday in October change in the state's maximum weekly benefit amount.

22.17 (e) For an employee receiving family or medical leave, a weekly benefit amount is  
22.18 prorated when:

22.19 (1) the employee works hours for wages; or

22.20 (2) the employee uses paid sick leave, paid vacation leave, or other paid time off that is  
22.21 not considered a supplemental benefit payment as defined in section 268B.01, subdivision  
22.22 37.

22.23 Subd. 4. **Timing of payment.** Except as otherwise provided for in this chapter, benefits  
22.24 must be paid weekly.

22.25 Subd. 5. **Maximum length of benefits.** (a) Except as provided in paragraph (b), in a  
22.26 single benefit year, an applicant may receive up to 12 weeks of benefits under this chapter  
22.27 related to the applicant's serious health condition or pregnancy and up to 12 weeks of benefits  
22.28 under this chapter for bonding, safety leave, or family care.

22.29 (b) An applicant may receive up to 12 weeks of benefits in a single benefit year for leave  
22.30 related to one or more qualifying exigencies.

22.31 Subd. 6. **Minimum period for which benefits payable.** Except for a claim for benefits  
22.32 for bonding leave, any claim for benefits must be based on a single qualifying event of at

23.1 least seven calendar days. Benefits may be paid for a minimum duration of eight consecutive  
23.2 hours in a week. If an employee on leave claims eight hours at any point during a week, the  
23.3 minimum duration is satisfied.

23.4 Subd. 7. **Right of appeal.** (a) A determination or amended determination of benefit  
23.5 account is final unless an applicant files an appeal within 20 calendar days after the sending  
23.6 of the determination or amended determination. Every determination or amended  
23.7 determination of benefit account must contain a prominent statement indicating in clear  
23.8 language the consequences of not appealing. Proceedings on the appeal are conducted in  
23.9 accordance with section 268B.08.

23.10 (b) Any applicant may appeal from a determination or amended determination of benefit  
23.11 account on the issue of whether services performed constitute employment, whether the  
23.12 employment is covered employment, and whether money paid constitutes wages.

23.13 Subd. 8. **Limitations on applications and benefit accounts.** (a) An application for  
23.14 family or medical leave benefits is effective the Sunday of the calendar week that the  
23.15 application was filed. An application for benefits may be backdated one calendar week  
23.16 before the Sunday of the week the application was actually filed if the applicant requests  
23.17 the backdating within seven calendar days of the date the application is filed. An application  
23.18 may be backdated only if the applicant was eligible for the benefit during the period of the  
23.19 backdating. If an individual attempted to file an application for benefits, but was prevented  
23.20 from filing an application by the department, the application is effective the Sunday of the  
23.21 calendar week the individual first attempted to file an application.

23.22 (b) A benefit account established under subdivision 2 is effective the date the application  
23.23 for benefits was effective.

23.24 (c) A benefit account, once established, may later be withdrawn if:

23.25 (1) the applicant has not been paid any benefits on that benefit account; and

23.26 (2) a new application for benefits is filed and a new benefit account is established at the  
23.27 time of the withdrawal.

23.28 A benefit account may be withdrawn after the expiration of the benefit year, and the  
23.29 new work requirements of subdivision 2, paragraph (b), do not apply if the applicant was  
23.30 not paid any benefits on the benefit account that is being withdrawn.

23.31 A determination or amended determination of eligibility or ineligibility issued under  
23.32 section 268B.07 that was sent before the withdrawal of the benefit account, remains in effect  
23.33 and is not voided by the withdrawal of the benefit account.

24.1 **Sec. 9. [268B.05] CONTINUED REQUEST FOR BENEFITS.**

24.2 A continued request for family or medical leave benefits is a certification by an applicant,  
 24.3 done on a weekly basis, that the applicant is unable to perform usual work due to a qualifying  
 24.4 event and meets the ongoing eligibility requirements for benefits under section 268B.06. A  
 24.5 continued request must include information on possible issues of ineligibility.

24.6 **Sec. 10. [268B.06] ELIGIBILITY REQUIREMENTS; PAYMENTS THAT AFFECT**  
 24.7 **BENEFITS.**

24.8 Subdivision 1. **Eligibility conditions.** (a) An applicant may be eligible to receive family  
 24.9 or medical leave benefits for any week if:

24.10 (1) the applicant has filed a continued request for benefits for that week under section  
 24.11 .....;

24.12 (2) the week for which benefits are requested is in the applicant's benefit year;

24.13 (3) the applicant was unable to perform regular work due to a serious health condition,  
 24.14 a qualifying exigency, safety leave, family care, bonding, pregnancy, or recovery from  
 24.15 pregnancy for the period required under subdivision 2; and

24.16 (4) the applicant has sufficient wage credits from an employer or employers as defined  
 24.17 in section 268B.01, subdivision 41, to establish a benefit account under section 268B.04.

24.18 (b) A self-employed individual or independent contractor who has elected and been  
 24.19 approved for coverage under section 268B.11 need not fulfill the requirement of paragraph  
 24.20 (a), clause (4).

24.21 Subd. 2. **Seven-day qualifying event.** (a) The period for which an applicant is seeking  
 24.22 benefits must be or have been based on a single event of at least seven calendar days' duration  
 24.23 related to pregnancy, recovery from pregnancy, family care, a qualifying exigency, safety  
 24.24 leave, or the applicant's serious health condition. The days need not be consecutive.

24.25 (b) Benefits related to bonding need not meet the seven-day qualifying event requirement.

24.26 (c) The commissioner must use the rulemaking authority under section 268B.02,  
 24.27 subdivision 3, to adopt rules regarding what serious health conditions and other events are  
 24.28 prospectively presumed to constitute seven-day qualifying events under this chapter.

24.29 Subd. 3. **Not eligible.** An applicant is ineligible for family or medical leave benefits for  
 24.30 any portion of a typical workweek:

24.31 (1) that occurs before the effective date of a benefit account;

25.1 (2) that the applicant has an outstanding misrepresentation overpayment balance under  
25.2 section 268B.185, subdivision 5, including any penalties and interest;

25.3 (3) that the applicant fails or refuses to provide information on an issue of ineligibility  
25.4 required under section 268B.07, subdivision 2; or

25.5 (4) for which the applicant worked for pay.

25.6 **Subd. 4. Vacation, sick leave, and supplemental benefit payments.** (a) An applicant  
25.7 is not eligible to receive benefits for any portion of a typical workweek the applicant is  
25.8 receiving, has received, or will receive vacation pay, sick pay, or personal time off pay, also  
25.9 known as "PTO."

25.10 (b) Paragraph (a) does not apply:

25.11 (1) upon a permanent separation from employment;

25.12 (2) to payments from a vacation fund administered by a union or a third party not under  
25.13 the control of the employer; or

25.14 (3) to supplemental benefit payments, as defined in section 268B.01, subdivision 37.

25.15 (c) Payments under this subdivision are applied to the period immediately following the  
25.16 later of the date of separation from employment or the date the applicant first becomes  
25.17 aware that the employer will be making a payment. The date the payment is actually made  
25.18 or received, or that an applicant must agree to a release of claims, does not affect the  
25.19 application of this subdivision.

25.20 **Subd. 5. Workers' compensation and disability insurance offset.** (a) An applicant is  
25.21 not eligible to receive benefits for any portion of a week in which the applicant is receiving  
25.22 or has received compensation for loss of wages equal to or in excess of the applicant's  
25.23 weekly family or medical leave benefit amount under:

25.24 (1) the workers' compensation law of this state;

25.25 (2) the workers' compensation law of any other state or similar federal law; or

25.26 (3) any insurance or trust fund paid in whole or in part by an employer.

25.27 (b) This subdivision does not apply to an applicant who has a claim pending for loss of  
25.28 wages under paragraph (a). If the applicant later receives compensation as a result of the  
25.29 pending claim, the applicant is subject to paragraph (a) and the family or medical leave  
25.30 benefits paid are overpaid benefits under section 268B.185.

26.1 (c) If the amount of compensation described under paragraph (a) for any week is less  
26.2 than the applicant's weekly family or medical leave benefit amount, benefits requested for  
26.3 that week are reduced by the amount of that compensation payment.

26.4 Subd. 6. Separation, severance, or bonus payments. (a) An applicant is not eligible  
26.5 to receive benefits for any week the applicant is receiving, has received, or will receive  
26.6 separation pay, severance pay, bonus pay, or any other payments paid by an employer  
26.7 because of, upon, or after separation from employment. This subdivision applies if the  
26.8 payment is:

26.9 (1) considered wages under section 268B.01, subdivision 43; or

26.10 (2) subject to the Federal Insurance Contributions Act (FICA) tax imposed to fund Social  
26.11 Security and Medicare.

26.12 (b) Payments under this subdivision are applied to the period immediately following the  
26.13 later of the date of separation from employment or the date the applicant first becomes  
26.14 aware that the employer will be making a payment. The date the payment is actually made  
26.15 or received, or that an applicant must agree to a release of claims, does not affect the  
26.16 application of this paragraph.

26.17 (c) This subdivision does not apply to vacation pay, sick pay, personal time off pay, or  
26.18 supplemental benefit payment under subdivision 4.

26.19 (d) This subdivision applies to all the weeks of payment.

26.20 (e) Under this subdivision, if the payment with respect to a week is equal to or more  
26.21 than the applicant's weekly benefit amount, the applicant is ineligible for benefits for that  
26.22 week. If the payment with respect to a week is less than the applicant's weekly benefit  
26.23 amount, benefits are reduced by the amount of the payment.

26.24 Subd. 7. Social Security disability benefits. (a) An applicant who is receiving, has  
26.25 received, or has filed for primary Social Security disability benefits for any week is ineligible  
26.26 for benefits for that week, unless:

26.27 (1) the Social Security Administration approved the collecting of primary Social Security  
26.28 disability benefits each month the applicant was employed during the base period; or

26.29 (2) the applicant provides a statement from an appropriate health care professional who  
26.30 is aware of the applicant's Social Security disability claim and the basis for that claim,  
26.31 certifying that the applicant is available for suitable employment.

27.1 (b) If an applicant meets the requirements of paragraph (a), clause (1), there is no  
 27.2 deduction from the applicant's weekly benefit amount for any Social Security disability  
 27.3 benefits.

27.4 (c) If an applicant meets the requirements of paragraph (a), clause (2), there must be  
 27.5 deducted from the applicant's weekly benefit amount 50 percent of the weekly equivalent  
 27.6 of the primary Social Security disability benefits the applicant is receiving, has received,  
 27.7 or has filed for, with respect to that week.

27.8 If the Social Security Administration determines that the applicant is not entitled to receive  
 27.9 primary Social Security disability benefits for any week the applicant has applied for those  
 27.10 benefits, this paragraph does not apply to that week.

27.11 (d) Information from the Social Security Administration is conclusive, absent specific  
 27.12 evidence showing that the information was erroneous.

27.13 Sec. 11. **[268B.07] DETERMINATION ON ISSUES OF ELIGIBILITY.**

27.14 Subdivision 1. **Employer notification.** (a) Upon a determination that an applicant is  
 27.15 entitled to benefits, the commissioner must promptly send a notification to each current  
 27.16 employer of the applicant, if any, in accordance with paragraph (b).

27.17 (b) The notification under paragraph (a) must include, at a minimum:

27.18 (1) the name of the applicant;

27.19 (2) that the applicant has applied for and received benefits;

27.20 (3) the week the benefits commence;

27.21 (4) the weekly benefit amount payable; and

27.22 (5) the maximum duration of benefits.

27.23 Subd. 2. **Determination.** (a) The commissioner must determine any issue of ineligibility  
 27.24 raised by information required from an applicant and send to the applicant and any current  
 27.25 base period employer, by mail or electronic transmission, a document titled a determination  
 27.26 of eligibility or a determination of ineligibility, as is appropriate, within two weeks.

27.27 (b) If an applicant obtained benefits through misrepresentation, the department is  
 27.28 authorized to issue a determination of ineligibility within 48 months of the establishment  
 27.29 of the benefit account.

28.1 (c) If the department has filed an intervention in a worker's compensation matter under  
28.2 section 176.361, the department is authorized to issue a determination of ineligibility within  
28.3 48 months of the establishment of the benefit account.

28.4 (d) A determination of eligibility or determination of ineligibility is final unless an appeal  
28.5 is filed by the applicant within 20 calendar days after sending. The determination must  
28.6 contain a prominent statement indicating the consequences of not appealing. Proceedings  
28.7 on the appeal are conducted in accordance with section 268B.08.

28.8 (e) An issue of ineligibility required to be determined under this section includes any  
28.9 question regarding the denial or allowing of benefits under this chapter.

28.10 Subd. 3. **Amended determination.** Unless an appeal has been filed, the commissioner,  
28.11 on the commissioner's own motion, may reconsider a determination of eligibility or  
28.12 determination of ineligibility that has not become final and issue an amended determination.  
28.13 Any amended determination must be sent to the applicant and any employer in the current  
28.14 base period by mail or electronic transmission. Any amended determination is final unless  
28.15 an appeal is filed by the applicant within 20 calendar days after sending. Proceedings on  
28.16 the appeal are conducted in accordance with section 268B.08.

28.17 Subd. 4. **Benefit payment.** If a determination or amended determination allows benefits  
28.18 to an applicant, the family or medical leave benefits must be paid regardless of any appeal  
28.19 period or any appeal having been filed.

28.20 Subd. 5. **Overpayment.** A determination or amended determination that holds an  
28.21 applicant ineligible for benefits for periods an applicant has been paid benefits is an  
28.22 overpayment of those family or medical leave benefits. A determination or amended  
28.23 determination issued under this section that results in an overpayment of benefits must set  
28.24 out the amount of the overpayment and the requirement under section ..... that the overpaid  
28.25 benefits must be repaid.

28.26 Sec. 12. **[268B.08] APPEAL PROCESS.**

28.27 Subdivision 1. **Hearing.** (a) The commissioner shall designate a chief benefit judge.

28.28 (b) Upon a timely appeal to a determination having been filed or upon a referral for  
28.29 direct hearing, the chief benefit judge must set a time and date for a de novo due-process  
28.30 hearing and send notice to an applicant and an employer, by mail or electronic transmission,  
28.31 not less than ten calendar days before the date of the hearing.

28.32 (c) The commissioner may adopt rules on procedures for hearings. The rules need not  
28.33 conform to common law or statutory rules of evidence and other technical rules of procedure.

29.1 (d) The chief benefit judge has discretion regarding the method by which the hearing is  
29.2 conducted.

29.3 Subd. 2. **Decision.** (a) After the conclusion of the hearing, upon the evidence obtained,  
29.4 the benefit judge must serve by mail or electronic transmission to all parties the decision,  
29.5 reasons for the decision, and written findings of fact.

29.6 (b) Decisions of a benefit judge are not precedential.

29.7 Subd. 3. **Request for reconsideration.** Any party, or the commissioner, may, within  
29.8 30 calendar days after service of the benefit judge's decision, file a request for reconsideration  
29.9 asking the judge to reconsider that decision.

29.10 Subd. 4. **Appeal to court of appeals.** Any final determination on a request for  
29.11 reconsideration may be appealed by any party directly to the Minnesota Court of Appeals.

29.12 Subd. 5. **Benefit judges.** (a) Only employees of the department who are attorneys licensed  
29.13 to practice law in Minnesota may serve as a chief benefit judge, senior benefit judges who  
29.14 are supervisors, or benefit judges.

29.15 (b) The chief benefit judge must assign a benefit judge to conduct a hearing and may  
29.16 transfer to another benefit judge any proceedings pending before another benefit judge.

29.17 Sec. 13. [268B.085] LEAVE.

29.18 Subdivision 1. **Right to leave.** Ninety calendar days from the date of hire, an employee  
29.19 has a right to leave from employment for any day, or portion of a day, for which the employee  
29.20 would be eligible for benefits under this chapter, regardless of whether the employee actually  
29.21 applied for benefits and regardless of whether the employee is covered under a private plan  
29.22 or the public program under this chapter.

29.23 Subd. 2. **Notice to employer.** (a) If the need for leave is foreseeable, an employee must  
29.24 provide the employer at least 30 days' advance notice before leave under this chapter is to  
29.25 begin. If 30 days' notice is not practicable because of a lack of knowledge of approximately  
29.26 when leave will be required to begin, a change in circumstances, or a medical emergency,  
29.27 notice must be given as soon as practicable. Whether leave is to be continuous or is to be  
29.28 taken intermittently or on a reduced-schedule basis, notice need only be given one time, but  
29.29 the employee must advise the employer as soon as practicable if dates of scheduled leave  
29.30 change or are extended, or were initially unknown. In those cases where the employee is  
29.31 required to provide at least 30 days' notice of foreseeable leave and does not do so, the  
29.32 employee must explain the reasons why notice was not practicable upon request from the  
29.33 employer.

30.1 (b) "As soon as practicable" means as soon as both possible and practical, taking into  
30.2 account all of the facts and circumstances in the individual case. When an employee becomes  
30.3 aware of a need for leave under this chapter less than 30 days in advance, it should be  
30.4 practicable for the employee to provide notice of the need for leave either the same day or  
30.5 the next day, unless the need for leave is based on a medical emergency. In all cases,  
30.6 however, the determination of when an employee could practicably provide notice must  
30.7 take into account the individual facts and circumstances.

30.8 (c) An employee shall provide at least verbal notice sufficient to make the employer  
30.9 aware that the employee needs leave allowed under this chapter and the anticipated timing  
30.10 and duration of the leave. An employer may require an employee giving notice of leave to  
30.11 include a certification for the leave as described in subdivision 5. Such certification, if  
30.12 required by an employer, is timely when the employee delivers it as soon as practicable  
30.13 given the circumstances requiring the need for leave, and the required contents of the  
30.14 certification.

30.15 (d) An employer may require an employee to comply with the employer's usual and  
30.16 customary notice and procedural requirements for requesting leave, absent unusual  
30.17 circumstances or other circumstances caused by the reason for the employee's need for  
30.18 leave. Leave under this chapter must not be delayed or denied where an employer's usual  
30.19 and customary notice or procedural requirements require notice to be given sooner than set  
30.20 forth in this subdivision.

30.21 (e) If an employer has failed to provide notice to the employee as required under section  
30.22 268B.26, paragraph (a), (b), or (c), the employee is not required to comply with the notice  
30.23 requirements of this subdivision.

30.24 Subd. 3. **Bonding leave.** Bonding leave taken under this chapter begins at a time requested  
30.25 by the employee. Bonding leave must begin within 12 months of the birth, adoption, or  
30.26 placement of a foster child, except that, in the case where the child must remain in the  
30.27 hospital longer than the mother, the leave must begin within 12 months after the child leaves  
30.28 the hospital.

30.29 Subd. 4. **Intermittent or reduced-leave schedule.** (a) Leave under this chapter, based  
30.30 on a serious health condition, may be taken intermittently or on a reduced-leave schedule  
30.31 if such leave would be medically beneficial to the individual with the serious health condition.  
30.32 For all other leaves under this chapter, leave may be taken intermittently or on a  
30.33 reduced-leave schedule. Intermittent leave is leave taken in separate blocks of time due to

31.1 a single, seven-day qualifying event. A reduced-leave schedule is a leave schedule that  
31.2 reduces an employee's usual number of working hours per workweek or hours per workday.

31.3 (b) Leave taken intermittently or on a reduced-schedule basis counts toward the  
31.4 maximums described in section .....

31.5 Subd. 5. **Certification.** (a) Certification for an applicant taking leave related to the  
31.6 applicant's serious health condition shall be sufficient if the certification states the date on  
31.7 which the serious health condition began, the probable duration of the condition, and the  
31.8 appropriate medical facts within the knowledge of the health care provider as required by  
31.9 the commissioner.

31.10 (b) Certification for an applicant taking leave to care for a family member with a serious  
31.11 health condition shall be sufficient if the certification states the date on which the serious  
31.12 health condition commenced, the probable duration of the condition, the appropriate medical  
31.13 facts within the knowledge of the health care provider as required by the commissioner, a  
31.14 statement that the family member requires care, and an estimate of the amount of time that  
31.15 the family member will require care.

31.16 (c) Certification for an applicant taking leave related to pregnancy shall be sufficient if  
31.17 the certification states the expected due date and recovery period based on appropriate  
31.18 medical facts within the knowledge of the health care provider.

31.19 (d) Certification for an applicant taking bonding leave because of the birth of the  
31.20 applicant's child shall be sufficient if the certification includes either the child's birth  
31.21 certificate or a document issued by the health care provider of the child or the health care  
31.22 provider of the person who gave birth, stating the child's birth date.

31.23 (e) Certification for an applicant taking bonding leave because of the placement of a  
31.24 child with the applicant for adoption or foster care shall be sufficient if the applicant provides  
31.25 a document issued by the health care provider of the child, an adoption or foster care agency  
31.26 involved in the placement, or by other individuals as determined by the commissioner that  
31.27 confirms the placement and the date of placement. To the extent that the status of an applicant  
31.28 as an adoptive or foster parent changes while an application for benefits is pending, or while  
31.29 the covered individual is receiving benefits, the applicant must notify the department of  
31.30 such change in status in writing.

31.31 (f) Certification for an applicant taking leave because of a qualifying exigency shall be  
31.32 sufficient if the certification includes:

31.33 (1) a copy of the family member's active-duty orders;

32.1 (2) other documentation issued by the United States armed forces; or

32.2 (3) other documentation permitted by the commissioner.

32.3 (g) Certification for an applicant taking safety leave is sufficient if the certification

32.4 includes a court record or documentation signed by a volunteer or employee of a victim's

32.5 services organization, an attorney, a police officer, or an antiviolence counselor. The

32.6 commissioner must not require disclosure of details relating to an applicant's or applicant's

32.7 family member's domestic abuse, sexual assault, or stalking.

32.8 (h) Certifications under paragraphs (a) to (e) must be reviewed and signed by a health

32.9 care provider with knowledge of the qualifying event associated with the leave.

32.10 (i) For a leave taken on an intermittent or reduced-schedule basis, based on a serious

32.11 health condition of an applicant or applicant's family member, the certification under this

32.12 subdivision must include an explanation of how such leave would be medically beneficial

32.13 to the individual with the serious health condition.

32.14 Sec. 14. **[268B.09] EMPLOYMENT PROTECTIONS.**

32.15 Subdivision 1. **Retaliation prohibited.** An employer must not retaliate against an

32.16 employee for requesting or obtaining benefits, or for exercising any other right under this

32.17 chapter.

32.18 Subd. 2. **Interference prohibited.** An employer must not obstruct or impede an

32.19 application for leave or benefits or the exercise of any other right under this chapter.

32.20 Subd. 3. **Waiver of rights void.** Any agreement to waive, release, or commute rights

32.21 to benefits or any other right under this chapter is void.

32.22 Subd. 4. **No assignment of benefits.** Any assignment, pledge, or encumbrance of benefits

32.23 is void. Benefits are exempt from levy, execution, attachment, or any other remedy provided

32.24 for the collection of debt. Any waiver of this subdivision is void.

32.25 Subd. 5. **Continued insurance.** During any leave for which an employee is entitled to

32.26 benefits under this chapter, the employer must maintain coverage under any group insurance

32.27 policy, group subscriber contract, or health care plan for the employee and any dependents

32.28 as if the employee was not on leave, provided, however, that the employee must continue

32.29 to pay any employee share of the cost of such benefits.

32.30 Subd. 6. **Employee right to reinstatement.** (a) On return from leave under this chapter,

32.31 an employee is entitled to be returned to the same position the employee held when leave

32.32 commenced or to an equivalent position with equivalent benefits, pay, and other terms and

33.1 conditions of employment. An employee is entitled to reinstatement even if the employee  
33.2 has been replaced or the employee's position has been restructured to accommodate the  
33.3 employee's absence.

33.4 (b)(1) An equivalent position is one that is virtually identical to the employee's former  
33.5 position in terms of pay, benefits, and working conditions, including privileges, prerequisites,  
33.6 and status. It must involve the same or substantially similar duties and responsibilities,  
33.7 which must entail substantially equivalent skill, effort, responsibility, and authority.

33.8 (2) If an employee is no longer qualified for the position because of the employee's  
33.9 inability to attend a necessary course, renew a license, fly a minimum number of hours, or  
33.10 similar condition, as a result of the leave, the employee must be given a reasonable  
33.11 opportunity to fulfill those conditions upon return from leave.

33.12 (c)(1) An employee is entitled to any unconditional pay increases which may have  
33.13 occurred during the leave period, such as cost of living increases. Pay increases conditioned  
33.14 upon seniority, length of service, or work performed must be granted in accordance with  
33.15 the employer's policy or practice with respect to other employees on an equivalent leave  
33.16 status for a reason that does not qualify for leave under this chapter. An employee is entitled  
33.17 to be restored to a position with the same or equivalent pay premiums, such as a shift  
33.18 differential. If an employee departed from a position averaging ten hours of overtime, and  
33.19 corresponding overtime pay, each week an employee is ordinarily entitled to such a position  
33.20 on return from leave under this chapter.

33.21 (2) Equivalent pay includes any bonus or payment, whether it is discretionary or  
33.22 nondiscretionary, made to employees consistent with clause (1). If a bonus or other payment  
33.23 is based on the achievement of a specified goal such as hours worked, products sold, or  
33.24 perfect attendance, and the employee has not met the goal due to leave under this chapter,  
33.25 the payment may be denied, unless otherwise paid to employees on an equivalent leave  
33.26 status for a reason that does not qualify for leave under this chapter.

33.27 (d) Benefits under this section include all benefits provided or made available to  
33.28 employees by an employer, including group life insurance, health insurance, disability  
33.29 insurance, sick leave, annual leave, educational benefits, and pensions, regardless of whether  
33.30 benefits are provided by a practice or written policy of an employer through an employee  
33.31 benefit plan as defined in section 3(3) of United States Code, title 29, section 1002(3).

33.32 (1) At the end of an employee's leave under this chapter, benefits must be resumed in  
33.33 the same manner and at the same levels as provided when the leave began, and subject to  
33.34 any changes in benefit levels that may have taken place during the period of leave affecting

34.1 the entire workforce, unless otherwise elected by the employee. Upon return from a leave  
34.2 under this chapter, an employee must not be required to requalify for any benefits the  
34.3 employee enjoyed before leave began, including family or dependent coverages.

34.4 (2) An employee may, but is not entitled to, accrue any additional benefits or seniority  
34.5 during a leave under this chapter. Benefits accrued at the time leave began must be available  
34.6 to an employee upon return from leave.

34.7 (3) With respect to pension and other retirement plans, leave under this chapter must  
34.8 not be treated as or counted toward a break in service for purposes of vesting and eligibility  
34.9 to participate. If the plan requires an employee to be employed on a specific date in order  
34.10 to be credited with a year of service for vesting, contributions, or participation purposes,  
34.11 an employee on leave under this chapter must be treated as employed on that date. Periods  
34.12 of leave under this chapter need not be treated as credited service for purposes of benefit  
34.13 accrual, vesting, and eligibility to participate.

34.14 (4) Employees on leave under this chapter must be treated as if they continued to work  
34.15 for purposes of changes to benefit plans. Employees on leave under this chapter are entitled  
34.16 to changes in benefit plans, except those which may be dependent upon seniority or accrual  
34.17 during the leave period, immediately upon return from leave or to the same extent they  
34.18 would have qualified if no leave had been taken.

34.19 (e) An equivalent position must have substantially similar duties, conditions,  
34.20 responsibilities, privileges, and status as the employee's original position.

34.21 (1) The employee must be reinstated to the same or a geographically proximate worksite  
34.22 from where the employee had previously been employed. If the employee's original worksite  
34.23 has been closed, the employee is entitled to the same rights as if the employee had not been  
34.24 on leave when the worksite closed.

34.25 (2) The employee is ordinarily entitled to return to the same shift or the same or an  
34.26 equivalent work schedule.

34.27 (3) The employee must have the same or an equivalent opportunity for bonuses,  
34.28 profit-sharing, and other similar discretionary and nondiscretionary payments.

34.29 (4) This chapter does not prohibit an employer from accommodating an employee's  
34.30 request to be restored to a different shift, schedule, or position which better suits the  
34.31 employee's personal needs on return from leave, or to offer a promotion to a better position.  
34.32 However, an employee must not be induced by the employer to accept a different position  
34.33 against the employee's wishes.

35.1 (f) The requirement that an employee be restored to the same or equivalent job with the  
35.2 same or equivalent pay, benefits, and terms and conditions of employment does not extend  
35.3 to de minimis, intangible, or unmeasurable aspects of the job.

35.4 Subd. 7. **Limitations on an employee's right to reinstatement.** An employee has no  
35.5 greater right to reinstatement or to other benefits and conditions of employment than if the  
35.6 employee had been continuously employed during the period of leave under this chapter.  
35.7 An employer must be able to show that an employee would not otherwise have been  
35.8 employed at the time reinstatement is requested in order to deny restoration to employment.

35.9 (1) If an employee is laid off during the course of taking a leave under this chapter and  
35.10 employment is terminated, the employer's responsibility to continue the leave, maintain  
35.11 group health plan benefits, and restore the employee cease at the time the employee is laid  
35.12 off, provided the employer has no continuing obligations under a collective bargaining  
35.13 agreement or otherwise. An employer would have the burden of proving that an employee  
35.14 would have been laid off during the period of leave under this chapter and, therefore, would  
35.15 not be entitled to restoration. Restoration to a job slated for layoff when the employee's  
35.16 original position would not meet the requirements of an equivalent position.

35.17 (2) If a shift has been eliminated or overtime has been decreased, an employee would  
35.18 not be entitled to return to work that shift or the original overtime hours upon restoration.  
35.19 However, if a position on, for example, a night shift has been filled by another employee,  
35.20 the employee is entitled to return to the same shift on which employed before taking leave  
35.21 under this chapter.

35.22 (3) If an employee was hired for a specific term or only to perform work on a discrete  
35.23 project, the employer has no obligation to restore the employee if the employment term or  
35.24 project is over and the employer would not otherwise have continued to employ the employee.

35.25 Subd. 8. **Remedies.** (a) In addition to any other remedies available to an employee in  
35.26 law or equity, an employer who violates the provisions of this section is liable to any  
35.27 employee affected for:

35.28 (1) damages equal to the amount of:

35.29 (i) any wages, salary, employment benefits, or other compensation denied or lost to such  
35.30 employee by reason of the violation, or, in cases in which wages, salary, employment  
35.31 benefits, or other compensation have not been denied or lost to the employee, any actual  
35.32 monetary losses sustained by the employee as a direct result of the violation; and

35.33 (ii) reasonable interest on the amount described in item (i); and

36.1 (2) such equitable relief as may be appropriate, including employment, reinstatement,  
 36.2 and promotion.

36.3 (b) An action to recover damages or equitable relief prescribed in paragraph (a) may be  
 36.4 maintained against any employer in any federal or state court of competent jurisdiction by  
 36.5 any one or more employees for and on behalf of:

36.6 (1) the employees; or

36.7 (2) the employees and other employees similarly situated.

36.8 (c) The court in an action under this section must, in addition to any judgment awarded  
 36.9 to the plaintiff or plaintiffs, allow reasonable attorney fees, reasonable expert witness fees,  
 36.10 and other costs of the action to be paid by the defendant.

36.11 (d) Nothing in this section shall be construed to allow an employee to recover damages  
 36.12 from an employer for the denial of benefits under this chapter by the department, unless the  
 36.13 employer unlawfully interfered with the application for benefits under subdivision 2.

36.14 **Sec. 15. [268B.10] SUBSTITUTION OF A PRIVATE PLAN.**

36.15 Subdivision 1. **Application for substitution.** Employers may apply to the commissioner  
 36.16 for approval to meet their obligations under this chapter through the substitution of a private  
 36.17 plan that provides paid family, paid medical, or paid family and medical benefits. In order  
 36.18 to be approved as meeting an employer's obligations under this chapter, a private plan must  
 36.19 confer all of the same rights, protections, and benefits provided to employees under this  
 36.20 chapter, including but not limited to benefits under section 268B.04 and employment  
 36.21 protections under section 268B.09. An employee covered by a private plan under this section  
 36.22 retains all applicable rights and remedies under section 268B.09.

36.23 Subd. 2. **Private plan requirements; medical benefit program.** (a) The commissioner  
 36.24 must approve an application for private provision of the medical benefit program if the  
 36.25 commissioner determines:

36.26 (1) all of the employees of the employer are to be covered under the provisions of the  
 36.27 employer plan;

36.28 (2) eligibility requirements for benefits and leave are no more restrictive than as provided  
 36.29 under this chapter;

36.30 (3) the weekly benefits payable under the private plan for any week are at least equal to  
 36.31 the weekly benefit amount payable under this chapter, taking into consideration any coverage  
 36.32 with respect to concurrent employment by another employer;

37.1 (4) the total number of weeks for which benefits are payable under the private plan is  
37.2 at least equal to the total number of weeks for which benefits would have been payable  
37.3 under this chapter;

37.4 (5) no greater amount is required to be paid by employees toward the cost of benefits  
37.5 under the employer plan than by this chapter;

37.6 (6) wage replacement benefits are stated in the plan separately and distinctly from other  
37.7 benefits;

37.8 (7) the private plan will provide benefits and leave for any serious health condition or  
37.9 pregnancy for which benefits are payable, and leave provided, under this chapter;

37.10 (8) the private plan will impose no additional condition or restriction on the use of  
37.11 medical benefits beyond those explicitly authorized by this chapter or regulations  
37.12 promulgated pursuant to this chapter;

37.13 (9) the private plan will allow any employee covered under the private plan who is  
37.14 eligible to receive medical benefits under this chapter to receive medical benefits under the  
37.15 employer plan; and

37.16 (10) coverage will continue under the private plan while an employee remains employed  
37.17 by the employer.

37.18 (b) Notwithstanding paragraph (a), a private plan may provide shorter durations of leave  
37.19 and benefit eligibility if the total dollar value of wage replacement benefits under the private  
37.20 plan for an employee for any particular qualifying event meets or exceeds what the total  
37.21 dollar value would be under the public family and medical benefit program.

37.22 Subd. 3. **Private plan requirements; family benefit program.** (a) The commissioner  
37.23 must approve an application for private provision of the family benefit program if the  
37.24 commissioner determines:

37.25 (1) all of the employees of the employer are to be covered under the provisions of the  
37.26 employer plan;

37.27 (2) eligibility requirements for benefits and leave are no more restrictive than as provided  
37.28 under this chapter;

37.29 (3) the weekly benefits payable under the private plan for any week are at least equal to  
37.30 the weekly benefit amount payable under this chapter, taking into consideration any coverage  
37.31 with respect to concurrent employment by another employer;

38.1 (4) the total number of weeks for which benefits are payable under the private plan is  
38.2 at least equal to the total number of weeks for which benefits would have been payable  
38.3 under this chapter;

38.4 (5) no greater amount is required to be paid by employees toward the cost of benefits  
38.5 under the employer plan than by this chapter;

38.6 (6) wage replacement benefits are stated in the plan separately and distinctly from other  
38.7 benefits;

38.8 (7) the private plan will provide benefits and leave for any care for a family member  
38.9 with a serious health condition, bonding with a child, qualifying exigency, or safety leave  
38.10 event for which benefits are payable, and leave provided, under this chapter;

38.11 (8) the private plan will impose no additional condition or restriction on the use of family  
38.12 benefits beyond those explicitly authorized by this chapter or regulations promulgated  
38.13 pursuant to this chapter;

38.14 (9) the private plan will allow any employee covered under the private plan who is  
38.15 eligible to receive medical benefits under this chapter to receive medical benefits under the  
38.16 employer plan; and

38.17 (10) coverage will continue under the private plan while an employee remains employed  
38.18 by the employer.

38.19 (b) Notwithstanding paragraph (a), a private plan may provide shorter durations of leave  
38.20 and benefit eligibility if the total dollar value of wage replacement benefits under the private  
38.21 plan for an employee for any particular qualifying event meets or exceeds what the total  
38.22 dollar value would be under the public family and medical benefit program.

38.23 Subd. 4. **Use of private insurance products.** Nothing in this section prohibits an  
38.24 employer from meeting the requirements of a private plan through a private insurance  
38.25 product. If the employer plan involves a private insurance product, that insurance product  
38.26 must conform to any applicable law or rule.

38.27 Subd. 5. **Private plan approval and oversight fee.** An employer with an approved  
38.28 private plan is not required to pay premiums established under section ..... An employer  
38.29 with an approved private plan is responsible for a private plan approval and oversight fee  
38.30 equal to \$250 for employers with fewer than 50 employees, \$500 for employers with 50 to  
38.31 499 employees, and \$1,000 for employers with 500 or more employees. The employer must  
38.32 pay this fee (1) upon initial application for private plan approval, and (2) any time the  
38.33 employer applies to amend the private plan. The commissioner must review and report on

39.1 the adequacy of this fee to cover private plan administrative costs annually beginning October  
39.2 1, 2022, as part of the annual report established in section 268B.21.

39.3 Subd. 6. **Plan duration.** A private plan under this section must be in effect for a period  
39.4 of at least one year and, thereafter, continuously unless the commissioner finds that the  
39.5 employer has given notice of withdrawal from the plan in a manner specified by the  
39.6 commissioner in this section or rule. The plan may be withdrawn by the employer within  
39.7 30 days of the effective date of any law increasing the benefit amounts or within 30 days  
39.8 of the date of any change in the rate of premiums. If the plan is not withdrawn, it must be  
39.9 amended to conform to provide the increased benefit amount or change in the rate of the  
39.10 employee's premium on the date of the increase or change.

39.11 Subd. 7. **Appeals.** An employer may appeal any adverse action regarding that employer's  
39.12 private plan to the commissioner, in a manner specified by the commissioner.

39.13 Subd. 8. **Employees no longer covered.** (a) An employee is no longer covered by an  
39.14 approved private plan if a leave under this chapter occurs after the employment relationship  
39.15 with the private plan employer ends, or if the commissioner revokes the approval of the  
39.16 private plan.

39.17 (b) An employee no longer covered by an approved private plan is, if otherwise eligible,  
39.18 immediately entitled to benefits under this chapter to the same extent as though there had  
39.19 been no approval of the private plan.

39.20 Subd. 9. **Posting of notice regarding private plan.** An employer with a private plan  
39.21 must provide a notice prepared by or approved by the commissioner regarding the private  
39.22 plan consistent with section .....

39.23 Subd. 10. **Amendment.** (a) The commissioner must approve any amendment to a private  
39.24 plan adjusting the provisions thereof, if the commissioner determines:

39.25 (1) that the plan, as amended, will conform to the standards set forth in this chapter; and

39.26 (2) that notice of the amendment has been delivered to all affected employees at least  
39.27 ten days before the submission of the amendment.

39.28 (b) Any amendments approved under this subdivision are effective on the date of the  
39.29 commissioner's approval, unless the commissioner and the employer agree on a later date.

39.30 Subd. 11. **Successor employer.** A private plan in effect at the time a successor acquires  
39.31 the employer organization, trade, or business, or substantially all the assets thereof, or a  
39.32 distinct and severable portion of the organization, trade, or business, and continues its  
39.33 operation without substantial reduction of personnel resulting from the acquisition, must

40.1 continue the approved private plan and must not withdraw the plan without a specific request  
 40.2 for withdrawal in a manner and at a time specified by the commissioner. A successor may  
 40.3 terminate a private plan with notice to the commissioner and within 90 days from the date  
 40.4 of the acquisition.

40.5 Subd. 12. **Revocation of approval by commissioner.** (a) The commissioner may  
 40.6 terminate any private plan if the commissioner determines the employer:

40.7 (1) failed to pay benefits;

40.8 (2) failed to pay benefits in a timely manner, consistent with the requirements of this  
 40.9 chapter;

40.10 (3) failed to submit reports as required by this chapter or rule adopted under this chapter;

40.11 or

40.12 (4) otherwise failed to comply with this chapter or rule adopted under this chapter.

40.13 (b) The commissioner must give notice of the intention to terminate a plan to the employer  
 40.14 at least ten days before taking any final action. The notice must state the effective date and  
 40.15 the reason for the termination.

40.16 (c) The employer may, within ten days from mailing or personal service of the notice,  
 40.17 file an appeal to the commissioner in the time, manner, method, and procedure provided by  
 40.18 the commissioner under subdivision 7.

40.19 (d) The payment of benefits must not be delayed during an employer's appeal of the  
 40.20 revocation of approval of a private plan.

40.21 (e) If the commissioner revokes approval of an employer's private plan, that employer  
 40.22 is ineligible to apply for approval of another private plan for a period of three years, beginning  
 40.23 on the date of revocation.

40.24 Subd. 13. **Employer penalties.** (a) The commissioner may assess the following monetary  
 40.25 penalties against an employer with an approved private plan found to have violated this  
 40.26 chapter:

40.27 (1) \$1,000 for the first violation; and

40.28 (2) \$2,000 for the second, and each successive violation.

40.29 (b) The commissioner must waive collection of any penalty if the employer corrects the  
 40.30 violation within 30 days of receiving a notice of the violation and the notice is for a first  
 40.31 violation.

41.1 (c) The commissioner may waive collection of any penalty if the commissioner determines  
 41.2 the violation to be an inadvertent error by the employer.

41.3 (d) Monetary penalties collected under this section shall be deposited in the account.

41.4 (e) Assessment of penalties under this subdivision may be appealed as provided by the  
 41.5 commissioner under subdivision 7.

41.6 Subd. 14. **Reports, information, and records.** Employers with an approved private  
 41.7 plan must maintain all reports, information, and records as relating to the private plan and  
 41.8 claims for a period of six years from creation and provide to the commissioner upon request.

41.9 Subd. 15. **Audit and investigation.** The commissioner may investigate and audit plans  
 41.10 approved under this section both before and after the plans are approved.

41.11 Sec. 16. **[268B.11] SELF-EMPLOYED AND INDEPENDENT CONTRACTOR**  
 41.12 **ELECTION OF COVERAGE.**

41.13 Subdivision 1. **Election of coverage.** (a) A self-employed individual or independent  
 41.14 contractor may file with the commissioner by electronic transmission in a format prescribed  
 41.15 by the commissioner an application to be entitled to benefits under this chapter for a period  
 41.16 not less than 104 consecutive calendar weeks. Upon the approval of the commissioner, sent  
 41.17 by United States mail or electronic transmission, the individual is entitled to benefits under  
 41.18 this chapter beginning the calendar quarter after the date of approval or beginning in a later  
 41.19 calendar quarter if requested by the self-employed individual or independent contractor.  
 41.20 The individual ceases to be entitled to benefits as of the first day of January of any calendar  
 41.21 year only if, at least 30 calendar days before the first day of January, the individual has filed  
 41.22 with the commissioner by electronic transmission in a format prescribed by the commissioner  
 41.23 a notice to that effect.

41.24 (b) The commissioner may terminate any application approved under this section with  
 41.25 30 calendar days' notice sent by United States mail or electronic transmission if the  
 41.26 self-employed individual is delinquent on any premiums due under this chapter. If an  
 41.27 approved application is terminated in this manner during the first 104 consecutive calendar  
 41.28 weeks of election, the self-employed individual remains obligated to pay the premium under  
 41.29 subdivision 3 for the remainder of that 104-week period.

41.30 Subd. 2. **Application.** A self-employed individual who applies for coverage under this  
 41.31 section must provide the commissioner with (1) the amount of the individual's net earnings  
 41.32 from self-employment, if any, from the two most recent taxable years and all tax documents  
 41.33 necessary to prove the accuracy of the amounts reported, and (2) any other documentation

42.1 the commissioner requires. A self-employed individual who is covered under this chapter  
42.2 must annually provide the commissioner with the amount of the individual's net earnings  
42.3 from self-employment within 30 days of filing a federal income tax return.

42.4 Subd. 3. **Premium.** A self-employed individual who elects to receive coverage under  
42.5 this chapter must annually pay a premium equal to one-half the percentage in section  
42.6 268B.14, subdivision 5, clause (1), times the lesser of:

42.7 (1) the individual's self-employment premium base; or

42.8 (2) the maximum earnings subject to the FICA Old-Age, Survivors, and Disability  
42.9 Insurance tax.

42.10 Subd. 4. **Benefits.** Notwithstanding anything to the contrary, a self-employed individual  
42.11 who has applied to and been approved for coverage by the commissioner under this section  
42.12 is entitled to benefits on the same basis as an employee under this chapter, except that a  
42.13 self-employed individual's weekly benefit amount under section 268B.04, subdivision 1,  
42.14 must be calculated as a percentage of the self-employed individual's self-employment  
42.15 premium base, rather than wages.

42.16 Sec. 17. **[268B.12] WAGE REPORTING.**

42.17 Subdivision 1. **Wage detail report.** (a) Each employer must submit, under the account  
42.18 provided for in section ....., a quarterly wage detail report by electronic transmission, in a  
42.19 format prescribed by the commissioner. The report must include for each employee in  
42.20 covered employment during the calendar quarter, the employee's name, Social Security  
42.21 number, the total wages paid to the employee, and total number of paid hours worked. For  
42.22 employees exempt from the definition of employee in section 177.23, subdivision 7, clause  
42.23 (6), the employer must report 40 hours worked for each week any duties were performed  
42.24 by a full-time employee and must report a reasonable estimate of the hours worked for each  
42.25 week duties were performed by a part-time employee. In addition, the wage detail report  
42.26 must include the number of employees employed during the payroll period that includes  
42.27 the 12th day of each calendar month and, if required by the commissioner, the report must  
42.28 be broken down by business location and, if section ..... apply, by separate unit. The report  
42.29 is due and must be received by the commissioner on or before the last day of the month  
42.30 following the end of the calendar quarter. The commissioner may delay the due date on a  
42.31 specific calendar quarter in the event the department is unable to accept wage detail reports  
42.32 electronically.

42.33 (b) The employer may report the wages paid to the next lower whole dollar amount.

43.1 (c) An employer need not include the name of the employee or other required information  
 43.2 on the wage detail report if disclosure is specifically exempted from being reported by  
 43.3 federal law.

43.4 (d) A wage detail report must be submitted for each calendar quarter even though no  
 43.5 wages were paid, unless the employer has notified the commissioner, under section ....., of  
 43.6 termination of business.

43.7 Subd. 2. **Electronic transmission of report required.** Each employer must submit the  
 43.8 quarterly wage detail report by electronic transmission in a format prescribed by the  
 43.9 commissioner. The commissioner has the discretion to accept wage detail reports that are  
 43.10 submitted by any other means or the commissioner may return the report submitted by other  
 43.11 than electronic transmission to the employer, and reports returned are considered as not  
 43.12 submitted and the late fees under subdivision 3 may be imposed.

43.13 Subd. 3. **Failure to timely file report; late fees.** (a) Any employer that fails to submit  
 43.14 the quarterly wage detail report when due must pay a late fee of \$10 per employee, computed  
 43.15 based upon the highest of:

43.16 (1) the number of employees reported on the last wage detail report submitted;

43.17 (2) the number of employees reported in the corresponding quarter of the prior calendar  
 43.18 year; or

43.19 (3) if no wage detail report has ever been submitted, the number of employees listed at  
 43.20 the time of employer registration.

43.21 The late fee is canceled if the wage detail report is received within 30 calendar days after  
 43.22 a demand for the report is sent to the employer by mail or electronic transmission. A late  
 43.23 fee assessed an employer may not be canceled more than twice each 12 months. The amount  
 43.24 of the late fee assessed may not be less than \$250.

43.25 (b) If the wage detail report is not received in a manner and format prescribed by the  
 43.26 commissioner within 30 calendar days after demand is sent under paragraph (a), the late  
 43.27 fee assessed under paragraph (a) doubles and a renewed demand notice and notice of the  
 43.28 increased late fee will be sent to the employer by mail or electronic transmission.

43.29 (c) Late fees due under this subdivision may be canceled, in whole or in part, under  
 43.30 section .....

43.31 Subd. 4. **Missing or erroneous information.** (a) Any employer that submits the wage  
 43.32 detail report, but fails to include all required employee information or enters erroneous

44.1 information, is subject to an administrative service fee of \$25 for each employee for whom  
44.2 the information is partially missing or erroneous.

44.3 (b) Any employer that submits the wage detail report, but fails to include an employee,  
44.4 is subject to an administrative service fee equal to two percent of the total wages for each  
44.5 employee for whom the information is completely missing.

44.6 Subd. 5. Fees. The fees provided for in subdivisions 3 and 4 are in addition to interest  
44.7 and other penalties imposed by this chapter and are collected in the same manner as  
44.8 delinquent taxes and credited to the account.

44.9 **Sec. 18. [268B.13] EMPLOYER PREMIUM ACCOUNTS.**

44.10 The commissioner must maintain a premium account for each employer. The  
44.11 commissioner must assess the premium account for all the premiums due under section  
44.12 268B.14, and credit the account with all premiums paid.

44.13 **Sec. 19. [268B.14] PREMIUMS.**

44.14 Subdivision 1. Payments. (a) Family and medical leave premiums accrue and become  
44.15 payable by each employer for each calendar year on the taxable wages that the employer  
44.16 paid to employees in covered employment.

44.17 Each employer must pay premiums quarterly, at the premium rate defined under this  
44.18 section, on the taxable wages paid to each employee. The commissioner must compute the  
44.19 premium due from the wage detail report required under section 268B.12 and notify the  
44.20 employer of the premium due. The premiums must be paid to the family and medical benefit  
44.21 insurance account and must be received by the department on or before the last day of the  
44.22 month following the end of the calendar quarter.

44.23 (b) If for any reason the wages on the wage detail report under section 268B.12 are  
44.24 adjusted for any quarter, the commissioner must recompute the premiums due for that quarter  
44.25 and assess the employer for any amount due or credit the employer as appropriate.

44.26 Subd. 2. Payments by electronic payment required. (a) Every employer must make  
44.27 any payments due under this chapter by electronic payment.

44.28 (b) All third-party processors, paying on behalf of a client company, must make any  
44.29 payments due under this chapter by electronic payment.

44.30 (c) Regardless of paragraph (a) or (b), the commissioner has the discretion to accept  
44.31 payment by other means.

45.1 Subd. 3. **Employee charge back.** Notwithstanding section 177.24, subdivision 4, or  
45.2 181.06, subdivision 1, employers and covered business entities may deduct up to 50 percent  
45.3 of annual premiums paid under this section from employee wages. Such deductions for any  
45.4 given employee must be in equal proportion to the premiums paid based on the wages of  
45.5 that employee, and all employees of an employer must be subject to the same percentage  
45.6 deduction. Deductions under this section must not cause an employee's wage, after the  
45.7 deduction, to fall below the rate required to be paid to the worker by law, including any  
45.8 applicable statute, regulation, rule, ordinance, government resolution or policy, contract, or  
45.9 other legal authority, whichever rate of pay is greater.

45.10 Subd. 4. **Wages and payments subject to premium.** (a) The maximum wages subject  
45.11 to premium in a calendar year is equal to the maximum earnings in that year subject to the  
45.12 FICA Old-Age, Survivors, and Disability Insurance tax rounded to the nearest \$1,000.

45.13 (b) The maximum payment amount subject to premium in a calendar year, under  
45.14 subdivision ..... is equal to the maximum earnings in that year subject to the FICA Old-Age,  
45.15 Survivors, and Disability Insurance tax.

45.16 Subd. 5. **Annual premium rates.** The employer premium rates for the calendar year  
45.17 beginning January 1, 2023, shall be as follows:

45.18 (1) for employers participating in both family and medical benefit programs, 0.6 percent;

45.19 (2) for an employer participating in only the medical benefit program and with an  
45.20 approved private plan for the family benefit program, 0.486 percent; and

45.21 (3) for an employer participating in only the family benefit program and with an approved  
45.22 private plan for the medical benefit program, 0.114 percent.

45.23 Subd. 6. **Premium rate adjustments.** (a) Each calendar year following the calendar  
45.24 year beginning January 1, 2025, the commissioner must adjust the annual premium rates  
45.25 using the formula in paragraph (b).

45.26 (b) To calculate the employer rates for a calendar year, the commissioner must:

45.27 (1) multiply 1.45 times the amount disbursed from the account for the 52-week period  
45.28 ending September 30 of the prior year;

45.29 (2) subtract the amount in the account on that September 30 from the resulting figure;

45.30 (3) divide the resulting figure by twice the total wages in covered employment of  
45.31 employees of employers without approved private plans under section 268B.10 for either  
45.32 the family or medical benefit program. For employers with an approved private plan for

46.1 either the medical benefit program or the family benefit program, but not both, count only  
46.2 the proportion of wages in covered employment associated with the program for which the  
46.3 employer does not have an approved private plan; and

46.4 (4) round the resulting figure down to the nearest one-hundredth of one percent.

46.5 (c) The commissioner must apportion the premium rate between the family and medical  
46.6 benefit programs based on the relative proportion of expenditures for each program during  
46.7 the preceding year.

46.8 Subd. 7. **Deposit of premiums.** All premiums collected under this section must be  
46.9 deposited into the account.

46.10 Subd. 8. **Nonpayment of premiums by employer.** The failure of an employer to pay  
46.11 premiums does not impact the right of an employee to benefits, or any other right, under  
46.12 this chapter.

46.13 Sec. 20. **[268B.145] INCOME TAX WITHHOLDING.**

46.14 If the Internal Revenue Service determines that benefits are subject to federal income  
46.15 tax, and an applicant elects to have federal income tax deducted and withheld from the  
46.16 applicant's benefits, the commissioner must deduct and withhold the amount specified in  
46.17 the Internal Revenue Code in a manner consistent with state law.

46.18 Sec. 21. **[268B.15] COLLECTION OF PREMIUMS.**

46.19 Subdivision 1. **Amount computed presumed correct.** Any amount due from an  
46.20 employer, as computed by the commissioner, is presumed to be correctly determined and  
46.21 assessed, and the burden is upon the employer to show its incorrectness. A statement by the  
46.22 commissioner of the amount due is admissible in evidence in any court or administrative  
46.23 proceeding and is prima facie evidence of the facts in the statement.

46.24 Subd. 2. **Priority of payments.** (a) Any payment received from an employer must be  
46.25 applied in the following order:

46.26 (1) family and medical leave premiums under this chapter; then

46.27 (2) interest on past due premiums; then

46.28 (3) penalties, late fees, administrative service fees, and costs.

46.29 (b) Paragraph (a) is the priority used for all payments received from an employer,  
46.30 regardless of how the employer may designate the payment to be applied, except when:

47.1 (1) there is an outstanding lien and the employer designates that the payment made  
47.2 should be applied to satisfy the lien;

47.3 (2) the payment is specifically designated by the employer to be applied to an outstanding  
47.4 overpayment of benefits of an applicant;

47.5 (3) a court or administrative order directs that the payment be applied to a specific  
47.6 obligation;

47.7 (4) a preexisting payment plan provides for the application of payment; or

47.8 (5) the commissioner, under the compromise authority of section ....., agrees to apply  
47.9 the payment to a different priority.

47.10 Subd. 3. **Estimating the premium due.** Only if an employer fails to make all necessary  
47.11 records available for an audit under section ..... and the commissioner has reason to believe  
47.12 the employer has not reported all the required wages on the quarterly wage detail reports,  
47.13 may the commissioner then estimate the amount of premium due and assess the employer  
47.14 the estimated amount due.

47.15 Subd. 4. **Costs.** (a) Any employer and any applicant subject to section ..... that fails to  
47.16 pay any amount when due under this chapter is liable for any filing fees, recording fees,  
47.17 sheriff fees, costs incurred by referral to any public or private collection agency, or litigation  
47.18 costs, including attorney fees, incurred in the collection of the amounts due.

47.19 (b) If any tendered payment of any amount due is not honored when presented to a  
47.20 financial institution for payment, any costs assessed the department by the financial institution  
47.21 and a fee of \$25 must be assessed to the person.

47.22 (c) Costs and fees collected under this subdivision are credited to the administration  
47.23 account.

47.24 Subd. 5. **Interest on amounts past due.** If any amounts due from an employer under  
47.25 this chapter are not received on the date due, the commissioner must assess interest on any  
47.26 amount that remains unpaid. Interest is assessed at the rate of one percent per month or any  
47.27 part of a month. Interest is not assessed on unpaid interest. Interest collected under this  
47.28 subdivision is credited to the account.

47.29 Subd. 6. **Interest on judgments.** Regardless of section 549.09, if a judgment is entered  
47.30 upon any past due amounts from an employer under this chapter, the unpaid judgment bears  
47.31 interest at the rate specified in subdivision 5 until the date of payment.

48.1 Subd. 7. Credit adjustments; refunds. (a) If an employer makes an application for a  
 48.2 credit adjustment of any amount paid under this chapter within four years of the date that  
 48.3 the payment was due, in a manner and format prescribed by the commissioner, and the  
 48.4 commissioner determines that the payment or any portion thereof was erroneous, the  
 48.5 commissioner must make an adjustment and issue a credit without interest. If a credit cannot  
 48.6 be used, the commissioner must refund, without interest, the amount erroneously paid. The  
 48.7 commissioner, on the commissioner's own motion, may make a credit adjustment or refund  
 48.8 under this subdivision.

48.9 (b) Any refund returned to the commissioner is considered unclaimed property under  
 48.10 chapter 345.

48.11 (c) If a credit adjustment or refund is denied in whole or in part, a determination of denial  
 48.12 must be sent to the employer by mail or electronic transmission. The determination of denial  
 48.13 is final unless an employer files an appeal within 20 calendar days after sending. Proceedings  
 48.14 on the appeal are conducted in accordance with section 268B.08.

48.15 (d) If an employer receives a credit adjustment or refund under this section, the employer  
 48.16 must determine the amount of any overpayment attributable to a deduction from employee  
 48.17 wages under section ..... and return any amount erroneously deducted to each affected  
 48.18 employee.

48.19 Subd. 8. Priorities under legal dissolutions or distributions. In the event of any  
 48.20 distribution of an employer's assets according to an order of any court, including any  
 48.21 receivership, assignment for benefit of creditors, adjudicated insolvency, or similar  
 48.22 proceeding, premiums then or thereafter due must be paid in full before all other claims  
 48.23 except claims for wages of not more than \$1,000 per former employee, earned within six  
 48.24 months of the commencement of the proceedings. In the event of an employer's adjudication  
 48.25 in bankruptcy under federal law, premiums then or thereafter due are entitled to the priority  
 48.26 provided in that law for taxes due in any state.

48.27 Sec. 22. [268B.155] CHILD SUPPORT DEDUCTION FROM BENEFITS.

48.28 Subdivision 1. Definitions. As used in this section:

48.29 (1) "child support agency" means the public agency responsible for child support  
 48.30 enforcement, including federally approved comprehensive Tribal IV-D programs; and

48.31 (2) "child support obligations" means obligations that are being enforced by a child  
 48.32 support agency in accordance with a plan described in United States Code, title 42, sections  
 48.33 454 and 455 of the Social Security Act that has been approved by the secretary of health

49.1 and human services under part D of title IV of the Social Security Act. This does not include  
 49.2 any type of spousal maintenance or foster care payments.

49.3 Subd. 2. **Notice upon application.** In an application for family or medical leave benefits,  
 49.4 the applicant must disclose if child support obligations are owed and, if so, in what state  
 49.5 and county. If child support obligations are owed, the commissioner must, if the applicant  
 49.6 establishes a benefit account, notify the child support agency.

49.7 Subd. 3. **Withholding of benefit.** The commissioner must deduct and withhold from  
 49.8 any family or medical leave benefits payable to an applicant who owes child support  
 49.9 obligations:

49.10 (1) the amount required under a proper order of a court or administrative agency; or

49.11 (2) if clause (1) is not applicable, the amount determined under an agreement under  
 49.12 United States Code, title 42, section 454 (20)(B)(i), of the Social Security Act; or

49.13 (3) if clause (1) or (2) is not applicable, the amount specified by the applicant.

49.14 Subd. 4. **Payment.** Any amount deducted and withheld must be paid to the child support  
 49.15 agency, must for all purposes be treated as if it were paid to the applicant as family or  
 49.16 medical leave benefits and paid by the applicant to the child support agency in satisfaction  
 49.17 of the applicant's child support obligations.

49.18 Subd. 5. **Payment of costs.** The child support agency must pay the costs incurred by  
 49.19 the commissioner in the implementation and administration of this section and sections  
 49.20 518A.50 and 518A.53.

49.21 Sec. 23. **[268B.16] COMPROMISE.**

49.22 (a) The commissioner may compromise in whole or in part any action, determination,  
 49.23 or decision that affects only an employer and not an applicant. This paragraph applies if it  
 49.24 is determined by a court of law, or a confession of judgment, that an applicant, while  
 49.25 employed, wrongfully took from the employer \$500 or more in money or property.

49.26 (b) The commissioner may at any time compromise any premium or reimbursement due  
 49.27 from an employer under this chapter.

49.28 (c) Any compromise involving an amount over \$10,000 must be authorized by an attorney  
 49.29 licensed to practice law in Minnesota who is an employee of the department designated by  
 49.30 the commissioner for that purpose.

49.31 (d) Any compromise must be in the best interest of the state of Minnesota.

50.1 Sec. 24. **[268B.17] ADMINISTRATIVE COSTS.**

50.2 From July 1, 2023, through December 31, 2023, the commissioner may spend up to  
50.3 seven percent of premiums collected under section ..... for administration of this chapter.  
50.4 Beginning January 1, 2024, and each calendar year thereafter, the commissioner may spend  
50.5 up to seven percent of projected benefit payments for that calendar year for the administration  
50.6 of this chapter. The department may enter into interagency agreements with the Department  
50.7 of Labor and Industry, including agreements to transfer funds, subject to the limit in this  
50.8 section, for the Department of Labor and Industry to fulfill its enforcement authority of this  
50.9 chapter.

50.10 Sec. 25. **[268B.18] PUBLIC OUTREACH.**

50.11 Beginning in fiscal year 2023, the commissioner must use at least 0.5 percent of revenue  
50.12 collected under this chapter for the purpose of outreach, education, and technical assistance  
50.13 for employees, employers, and self-employed individuals eligible to elect coverage under  
50.14 section 268B.11. The department may enter into interagency agreements with the Department  
50.15 of Labor and Industry, including agreements to transfer funds, subject to the limit in section  
50.16 ....., to accomplish the requirements of this section. At least one-half of the amount spent  
50.17 under this section must be used for grants to community-based groups.

50.18 Sec. 26. **[268B.185] BENEFIT OVERPAYMENTS.**

50.19 Subdivision 1. **Repaying an overpayment.** (a) Any applicant who (1) because of a  
50.20 determination or amended determination issued under this chapter, or (2) because of a  
50.21 benefit law judge's decision under section 268B.08, has received any family or medical  
50.22 leave benefits that the applicant was held not entitled to, is overpaid the benefits and must  
50.23 promptly repay the benefits to the family and medical benefit insurance account.

50.24 (b) If the applicant fails to repay the benefits overpaid, including any penalty and interest  
50.25 assessed under subdivisions 2 and 4, the total due may be collected by the methods allowed  
50.26 under state and federal law.

50.27 Subd. 2. **Overpayment because of misrepresentation.** (a) An applicant has committed  
50.28 misrepresentation if the applicant is overpaid benefits by making a false statement or  
50.29 representation without a good faith belief as to the correctness of the statement or  
50.30 representation.

51.1 (b) After the discovery of facts indicating misrepresentation, the commissioner must  
51.2 issue a determination of overpayment penalty assessing a penalty equal to 20 percent of the  
51.3 amount overpaid. This penalty is in addition to penalties under section 268B.19.

51.4 (c) Unless the applicant files an appeal within 20 calendar days after the sending of a  
51.5 determination of overpayment penalty to the applicant by mail or electronic transmission,  
51.6 the determination is final. Proceedings on the appeal are conducted in accordance with  
51.7 section 268B.08.

51.8 (d) A determination of overpayment penalty must state the methods of collection the  
51.9 commissioner may use to recover the overpayment, penalty, and interest assessed. Money  
51.10 received in repayment of overpaid benefits, penalties, and interest is first applied to the  
51.11 benefits overpaid, second to the penalty amount due, and third to any interest due.

51.12 (e) The department is authorized to issue a determination of overpayment penalty under  
51.13 this subdivision within 48 months of the establishment of the benefit account upon which  
51.14 the benefits were obtained through misrepresentation.

51.15 Subd. 3. **Family and medical leave enforcement account created.** The family and  
51.16 medical leave enforcement account is created in the state treasury. Any penalties and interest  
51.17 collected under this section shall be deposited into the account and shall be used only for  
51.18 the purposes of administering and enforcing this title. Only the commissioner may authorize  
51.19 expenditures from the account.

51.20 Subd. 4. **Interest.** For any family and medical leave benefits obtained by  
51.21 misrepresentation, and any penalty amounts assessed under subdivision 2, the commissioner  
51.22 must assess interest on any amount that remains unpaid beginning 30 calendar days after  
51.23 the date of a determination of overpayment penalty. Interest is assessed at the rate of one  
51.24 percent per month or any part of a month. A determination of overpayment penalty must  
51.25 state that interest will be assessed. Interest is not assessed on unpaid interest. Interest collected  
51.26 under this subdivision is credited to the family and medical leave enforcement account.

51.27 Subd. 5. **Offset of benefits.** The commissioner may offset from any future family and  
51.28 medical leave benefits otherwise payable the amount of a nonmisrepresentation overpayment.  
51.29 Except when the nonmisrepresentation overpayment resulted because the applicant failed  
51.30 to report deductible earnings or deductible or benefit delaying payments, no single offset  
51.31 may exceed 50 percent of the amount of the payment from which the offset is made.

51.32 Subd. 6. **Cancellation of overpayments.** (a) If family and medical leave benefits overpaid  
51.33 for reasons other than misrepresentation are not repaid or offset from subsequent benefits  
51.34 within six years after the date of the determination or decision holding the applicant overpaid,

52.1 the commissioner must cancel the overpayment balance, and no administrative or legal  
52.2 proceedings may be used to enforce collection of those amounts.

52.3 (b) If family and medical leave benefits overpaid because of misrepresentation including  
52.4 penalties and interest are not repaid within ten years after the date of the determination of  
52.5 overpayment penalty, the commissioner must cancel the overpayment balance and any  
52.6 penalties and interest due, and no administrative or legal proceeding may be used to enforce  
52.7 collection of those amounts.

52.8 (c) The commissioner may cancel at any time any overpayment, including penalties and  
52.9 interest that the commissioner determines is uncollectible because of death or bankruptcy.

52.10 Subd. 7. **Court fees; collection fees.** (a) If the department is required to pay any court  
52.11 fees in an attempt to enforce collection of overpaid family and medical leave benefits,  
52.12 penalties, or interest, the amount of the court fees may be added to the total amount due.

52.13 (b) If an applicant who has been overpaid family and medical leave benefits because of  
52.14 misrepresentation seeks to have any portion of the debt discharged under the federal  
52.15 bankruptcy code, and the department files an objection in bankruptcy court to the discharge,  
52.16 the cost of any court fees may be added to the debt if the bankruptcy court does not discharge  
52.17 the debt.

52.18 (c) If the Internal Revenue Service assesses the department a fee for offsetting from a  
52.19 federal tax refund the amount of any overpayment, including penalties and interest, the  
52.20 amount of the fee may be added to the total amount due. The offset amount must be put in  
52.21 the family and medical leave enforcement account and that amount credited to the total  
52.22 amount due from the applicant.

52.23 Subd. 8. **Collection of overpayments.** (a) The commissioner has discretion regarding  
52.24 the recovery of any overpayment for reasons other than misrepresentation. Regardless of  
52.25 any law to the contrary, the commissioner is not required to refer any overpayment for  
52.26 reasons other than misrepresentation to a public or private collection agency, including  
52.27 agencies of this state.

52.28 (b) Amounts overpaid for reasons other than misrepresentation are not considered a  
52.29 "debt" to the state of Minnesota for purposes of any reporting requirements to the  
52.30 commissioner of management and budget.

52.31 (c) A pending appeal under section 268B.08 does not suspend the assessment of interest,  
52.32 penalties, or collection of an overpayment.

53.1 (d) Section 16A.626 applies to the repayment by an applicant of any overpayment,  
 53.2 penalty, or interest.

53.3 **Sec. 27. [268B.19] APPLICANT ADMINISTRATIVE PENALTIES.**

53.4 (a) Any applicant who makes a false statement or representation without a good faith  
 53.5 belief as to the correctness of the statement or representation in order to obtain or in an  
 53.6 attempt to obtain benefits may be assessed, in addition to any other penalties, an  
 53.7 administrative penalty of being ineligible for benefits for 13 to 104 weeks.

53.8 (b) A determination of ineligibility setting out the weeks the applicant is ineligible must  
 53.9 be sent to the applicant by mail or electronic transmission. The department is authorized to  
 53.10 issue a determination of ineligibility under this subdivision within 48 months of the  
 53.11 establishment of the benefit account upon which the benefits were obtained, or attempted  
 53.12 to be obtained. Unless an appeal is filed within 20 calendar days of sending, the determination  
 53.13 is final. Proceedings on the appeal are conducted in accordance with section 268B.08.

53.14 **Sec. 28. [268B.20] EMPLOYER MISCONDUCT; PENALTY.**

53.15 (a) The commissioner must penalize an employer if that employer or any employee,  
 53.16 officer, or agent of that employer is in collusion with any applicant for the purpose of  
 53.17 assisting the applicant in receiving benefits fraudulently. The penalty is \$500 or the amount  
 53.18 of benefits determined to be overpaid, whichever is greater.

53.19 (b) The commissioner must penalize an employer if that employer or any employee,  
 53.20 officer, or agent of that employer:

53.21 (1) made a false statement or representation knowing it to be false;

53.22 (2) made a false statement or representation without a good-faith belief as to the  
 53.23 correctness of the statement or representation; or

53.24 (3) knowingly failed to disclose a material fact.

53.25 (c) The penalty is the greater of \$500 or 50 percent of the following resulting from the  
 53.26 employer's action:

53.27 (1) the amount of any overpaid benefits to an applicant;

53.28 (2) the amount of benefits not paid to an applicant that would otherwise have been paid;  
 53.29 or

53.30 (3) the amount of any payment required from the employer under this chapter that was  
 53.31 not paid.

54.1 (d) Penalties must be paid within 30 calendar days of issuance of the determination of  
 54.2 penalty and credited to the account.

54.3 (e) The determination of penalty is final unless the employer files an appeal within 30  
 54.4 calendar days after the sending of the determination of penalty to the employer by United  
 54.5 States mail or electronic transmission.

54.6 Sec. 29. **[268B.21] RECORDS; AUDITS.**

54.7 Subdivision 1. **Employer records; audits.** (a) Each employer must keep true and accurate  
 54.8 records on individuals performing services for the employer, containing the information  
 54.9 the commissioner may require under this chapter. The records must be kept for a period of  
 54.10 not less than four years in addition to the current calendar year.

54.11 (b) For the purpose of administering this chapter, the commissioner has the power to  
 54.12 audit, examine, or cause to be supplied or copied, any books, correspondence, papers,  
 54.13 records, or memoranda that are the property of, or in the possession of, an employer or any  
 54.14 other person at any reasonable time and as often as may be necessary. Subpoenas may be  
 54.15 issued under section 268B.22 as necessary, for an audit.

54.16 (c) An employer or other person that refuses to allow an audit of its records by the  
 54.17 department or that fails to make all necessary records available for audit in the state upon  
 54.18 request of the commissioner may be assessed an administrative penalty of \$500. The penalty  
 54.19 collected is credited to the family and medical benefit insurance account.

54.20 (d) An employer, or other person, that fails to provide a weekly breakdown of money  
 54.21 earned by an applicant upon request of the commissioner, information necessary for the  
 54.22 detection of applicant misrepresentation under section ....., may be assessed an  
 54.23 administrative penalty of \$100. Any notice requesting a weekly breakdown must clearly  
 54.24 state that a \$100 penalty may be assessed for failure to provide the information. The penalty  
 54.25 collected is credited to the family and medical benefit insurance account.

54.26 Subd. 2. **Department records; destruction.** (a) The commissioner may make summaries,  
 54.27 compilations, duplications, or reproductions of any records pertaining to this chapter that  
 54.28 the commissioner considers advisable for the preservation of the information.

54.29 (b) Regardless of any law to the contrary, the commissioner may destroy any records  
 54.30 that are no longer necessary for the administration of this chapter. In addition, the  
 54.31 commissioner may destroy any record from which the information has been electronically  
 54.32 captured and stored.

55.1 Sec. 30. [268B.22] SUBPOENAS; OATHS.

55.2 (a) The commissioner or benefit judge has authority to administer oaths and affirmations,  
55.3 take depositions, certify to official acts, and issue subpoenas to compel the attendance of  
55.4 individuals and the production of documents and other personal property necessary in  
55.5 connection with the administration of this chapter.

55.6 (b) Individuals subpoenaed, other than applicants or officers and employees of an  
55.7 employer that is the subject of the inquiry, are paid witness fees the same as witness fees  
55.8 in civil actions in district court. The fees need not be paid in advance.

55.9 (c) The subpoena is enforceable through the district court in Ramsey County.

55.10 Sec. 31. [268B.23] LIEN; LEVY; SETOFF; AND CIVIL ACTION.

55.11 Subdivision 1. Lien. (a) Any amount due under this chapter, from an applicant or an  
55.12 employer, becomes a lien upon all the property, within this state, both real and personal, of  
55.13 the person liable, from the date of assessment. For the purposes of this section, "date of  
55.14 assessment" means the date the obligation was due.

55.15 (b) The lien is not enforceable against any purchaser, mortgagee, pledgee, holder of a  
55.16 Uniform Commercial Code security interest, mechanic's lien, or judgment lien creditor,  
55.17 until a notice of lien has been filed with the county recorder of the county where the property  
55.18 is situated, or in the case of personal property belonging to a nonresident person in the Office  
55.19 of the Secretary of State. When the notice of lien is filed with the county recorder, the fee  
55.20 for filing and indexing is as provided in sections 272.483 and 272.484.

55.21 (c) Notices of liens, lien renewals, and lien releases, in a form prescribed by the  
55.22 commissioner, may be filed with the county recorder or the secretary of state by mail,  
55.23 personal delivery, or electronic transmission into the computerized filing system of the  
55.24 secretary of state. The secretary of state must, on any notice filed with that office, transmit  
55.25 the notice electronically to the appropriate county recorder. The filing officer, whether the  
55.26 county recorder or the secretary of state, must endorse and index a printout of the notice as  
55.27 if the notice had been mailed or delivered.

55.28 (d) County recorders and the secretary of state must enter information on lien notices,  
55.29 renewals, and releases into the central database of the secretary of state. For notices filed  
55.30 electronically with the county recorders, the date and time of receipt of the notice and county  
55.31 recorder's file number, and for notices filed electronically with the secretary of state, the  
55.32 secretary of state's recording information, must be entered into the central database before  
55.33 the close of the working day following the day of the original data entry by the commissioner.

56.1 (e) The lien imposed on personal property, even though properly filed, is not enforceable  
56.2 against a purchaser of tangible personal property purchased at retail or personal property  
56.3 listed as exempt in sections 550.37, 550.38, and 550.39.

56.4 (f) A notice of lien filed has priority over any security interest arising under chapter 336,  
56.5 article 9, that is perfected prior in time to the lien imposed by this subdivision, but only if:

56.6 (1) the perfected security interest secures property not in existence at the time the notice  
56.7 of lien is filed; and

56.8 (2) the property comes into existence after the 45th calendar day following the day the  
56.9 notice of lien is filed, or after the secured party has actual notice or knowledge of the lien  
56.10 filing, whichever is earlier.

56.11 (g) The lien is enforceable from the time the lien arises and for ten years from the date  
56.12 of filing the notice of lien. A notice of lien may be renewed before expiration for an additional  
56.13 ten years.

56.14 (h) The lien is enforceable by levy under subdivision 2 or by judgment lien foreclosure  
56.15 under chapter 550.

56.16 (i) The lien may be imposed upon property defined as homestead property in chapter  
56.17 510 but may be enforced only upon the sale, transfer, or conveyance of the homestead  
56.18 property.

56.19 (j) The commissioner may sell and assign to a third party the commissioner's right of  
56.20 redemption in specific real property for liens filed under this subdivision. The assignee is  
56.21 limited to the same rights of redemption as the commissioner, except that in a bankruptcy  
56.22 proceeding, the assignee does not obtain the commissioner's priority. Any proceeds from  
56.23 the sale of the right of redemption are credited to the contingent account.

56.24 Subd. 2. Levy. (a) If any amount due under this chapter, from an applicant or an employer,  
56.25 is not paid when due, the amount may be collected by the commissioner by direct levy upon  
56.26 all property and rights of property of the person liable for the amount due except property  
56.27 exempt from execution under section 550.37. For the purposes of this section, "levy" includes  
56.28 the power of distraint and seizure by any means.

56.29 (b) In addition to a direct levy, the commissioner may issue a warrant to the sheriff of  
56.30 any county who must proceed within 60 calendar days to levy upon the property or rights  
56.31 to property of the delinquent person within the county, except property exempt under section  
56.32 550.37. The sheriff must sell that property necessary to satisfy the total amount due, together

57.1 with the commissioner's and sheriff's costs. The sales are governed by the law applicable  
57.2 to sales of like property on execution of a judgment.

57.3 (c) Notice and demand for payment of the total amount due must be mailed to the  
57.4 delinquent person at least ten calendar days before action being taken under paragraphs (a)  
57.5 and (b).

57.6 (d) If the commissioner has reason to believe that collection of the amount due is in  
57.7 jeopardy, notice and demand for immediate payment may be made. If the total amount due  
57.8 is not paid, the commissioner may proceed to collect by direct levy or issue a warrant without  
57.9 regard to the ten calendar day period.

57.10 (e) In executing the levy, the commissioner must have all of the powers provided in  
57.11 chapter 550 or any other law that provides for execution against property in this state. The  
57.12 sale of property levied upon and the time and manner of redemption is as provided in chapter  
57.13 550. The seal of the court is not required. The levy may be made whether or not the  
57.14 commissioner has commenced a legal action for collection.

57.15 (f) Where any assessment has been made by the commissioner, the property seized for  
57.16 collection of the total amount due must not be sold until any determination of liability has  
57.17 become final. No sale may be made unless a portion of the amount due remains unpaid for  
57.18 a period of more than 30 calendar days after the determination of liability becomes final.  
57.19 Seized property may be sold at any time if:

57.20 (1) the delinquent person consents in writing to the sale; or

57.21 (2) the commissioner determines that the property is perishable or may become greatly  
57.22 reduced in price or value by keeping, or that the property cannot be kept without great  
57.23 expense.

57.24 (g) Where a levy has been made to collect the amount due and the property seized is  
57.25 properly included in a formal proceeding commenced under sections 524.3-401 to 524.3-505  
57.26 and maintained under full supervision of the court, the property may not be sold until the  
57.27 probate proceedings are completed or until the court orders.

57.28 (h) The property seized must be returned if the owner:

57.29 (1) gives a surety bond equal to the appraised value of the owner's interest in the property,  
57.30 as determined by the commissioner; or

57.31 (2) deposits with the commissioner security in a form and amount the commissioner  
57.32 considers necessary to insure payment of the liability.

58.1 (i) If a levy or sale would irreparably injure rights in property that the court determines  
58.2 superior to rights of the state, the court may grant an injunction to prohibit the enforcement  
58.3 of the levy or to prohibit the sale.

58.4 (j) Any person who fails or refuses to surrender without reasonable cause any property  
58.5 or rights to property subject to levy is personally liable in an amount equal to the value of  
58.6 the property or rights not so surrendered, but not exceeding the amount due.

58.7 (k) If the commissioner has seized the property of any individual, that individual may,  
58.8 upon giving 48 hours notice to the commissioner and to the court, bring a claim for equitable  
58.9 relief before the district court for the release of the property upon terms and conditions the  
58.10 court considers equitable.

58.11 (l) Any person in control or possession of property or rights to property upon which a  
58.12 levy has been made who surrenders the property or rights to property, or who pays the  
58.13 amount due is discharged from any obligation or liability to the person liable for the amount  
58.14 due with respect to the property or rights to property.

58.15 (m) The notice of any levy may be served personally or by mail.

58.16 (n) The commissioner may release the levy upon all or part of the property or rights to  
58.17 property levied upon if the commissioner determines that the release will facilitate the  
58.18 collection of the liability, but the release does not prevent any subsequent levy. If the  
58.19 commissioner determines that property has been wrongfully levied upon, the commissioner  
58.20 must return:

58.21 (1) the specific property levied upon, at any time; or

58.22 (2) an amount of money equal to the amount of money levied upon, at any time before  
58.23 the expiration of nine months from the date of levy.

58.24 (o) Regardless of section 52.12, a levy upon a person's funds on deposit in a financial  
58.25 institution located in this state, has priority over any unexercised right of setoff of the  
58.26 financial institution to apply the levied funds toward the balance of an outstanding loan or  
58.27 loans owed by the person to the financial institution. A claim by the financial institution  
58.28 that it exercised its right to setoff before the levy must be substantiated by evidence of the  
58.29 date of the setoff, and verified by an affidavit from a corporate officer of the financial  
58.30 institution. For purposes of determining the priority of any levy under this subdivision, the  
58.31 levy is treated as if it were an execution under chapter 550.

58.32 Subd. 3. **Right of setoff.** (a) Upon certification by the commissioner to the commissioner  
58.33 of management and budget, or to any state agency that disburses its own funds, that a person,

59.1 applicant, or employer has a liability under this chapter, and that the state has purchased  
 59.2 personal services, supplies, contract services, or property from that person, the commissioner  
 59.3 of management and budget or the state agency must set off and pay to the commissioner an  
 59.4 amount sufficient to satisfy the unpaid liability from funds appropriated for payment of the  
 59.5 obligation of the state otherwise due the person. No amount may be set off from any funds  
 59.6 exempt under section 550.37 or funds due an individual who receives assistance under  
 59.7 chapter 256.

59.8 (b) All funds, whether general or dedicated, are subject to setoff.

59.9 (c) Regardless of any law to the contrary, the commissioner has first priority to setoff  
 59.10 from any funds otherwise due from the department to a delinquent person.

59.11 Subd. 4. **Collection by civil action.** (a) Any amount due under this chapter, from an  
 59.12 applicant or employer, may be collected by civil action in the name of the state of Minnesota.  
 59.13 Civil actions brought under this subdivision must be heard as provided under section 16D.14.  
 59.14 In any action, judgment must be entered in default for the relief demanded in the complaint  
 59.15 without proof, together with costs and disbursements, upon the filing of an affidavit of  
 59.16 default.

59.17 (b) Any person that is not a resident of this state and any resident person removed from  
 59.18 this state, is considered to appoint the secretary of state as its agent for the acceptance of  
 59.19 process in any civil action. The commissioner must file process with the secretary of state,  
 59.20 together with a payment of a fee of \$15 and that service is considered sufficient service and  
 59.21 has the same force and validity as if served personally within this state. Notice of the service  
 59.22 of process, together with a copy of the process, must be sent by certified mail to the person's  
 59.23 last known address. An affidavit of compliance with this subdivision, and a copy of the  
 59.24 notice of service must be appended to the original of the process and filed in the court.

59.25 (c) No court filing fees, docketing fees, or release of judgment fees may be assessed  
 59.26 against the state for actions under this subdivision.

59.27 Subd. 5. **Injunction forbidden.** No injunction or other legal action to prevent the  
 59.28 determination, assessment, or collection of any amounts due under this chapter, from an  
 59.29 applicant or employer, are allowed.

59.30 Sec. 32. **[268B.24] CONCILIATION SERVICES.**

59.31 The Department of Labor and Industry may offer conciliation services to employers and  
 59.32 employees to resolve disputes concerning alleged violations of employment protections  
 59.33 identified in section 268B.09.

60.1 Sec. 33. [268B.25] ANNUAL REPORTS.

60.2 (a) Beginning on or before December 1, 2023, the commissioner must annually report  
60.3 to the Department of Management and Budget and the house of representatives and senate  
60.4 committee chairs with jurisdiction over this chapter on program administrative expenditures  
60.5 and revenue collection for the prior fiscal year, including but not limited to:

60.6 (1) total revenue raised through premium collection;

60.7 (2) the number of self-employed individuals or independent contractors electing coverage  
60.8 under section 268B.11 and amount of associated revenue;

60.9 (3) the number of covered business entities paying premiums under this chapter and  
60.10 associated revenue;

60.12 the administration of the chapter;

60.15 (7) an accounting of required outreach expenditures;

60.16 (8) summary of private plan approvals including the number of employers and employees  
60.17 covered under private plans; and

60.18 (9) adequacy and use of the private plan approval and oversight fee.

60.19 (b) Beginning on or before December 1, 2023, the commissioner must annually publish  
60.20 a publicly available report providing the following information for the previous fiscal year:

60.21 (1) total eligible claims;

60.22 (2) the number and percentage of claims attributable to each category of benefit;

60.23 (3) claimant demographics by age, gender, average weekly wage, occupation, and the  
60.24 type of leave taken;

60.25 (4) the percentage of claims denied and the reasons therefor, including but not limited  
60.26 to insufficient information and ineligibility and the reason therefor;

60.27 (5) average weekly benefit amount paid for all claims and by category of benefit;

60.28 (6) changes in the benefits paid compared to previous fiscal years;

60.29 (7) processing times for initial claims processing, initial determinations, and final  
60.30 decisions;

61.1 (8) average duration for cases completed; and

61.2 (9) the number of cases remaining open at the close of such year.

61.3 **Sec. 34. [268B.26] NOTICE REQUIREMENTS.**

61.4 (a) Each employer must post in a conspicuous place on each of its premises a workplace  
61.5 notice prepared or approved by the commissioner providing notice of benefits available  
61.6 under this chapter. The required workplace notice must be in English and each language  
61.7 other than English which is the primary language of five or more employees or independent  
61.8 contractors of that workplace, if such notice is available from the department.

61.9 (b) Each employer must issue to each employee not more than 30 days from the beginning  
61.10 date of the employee's employment, or 30 days before premium collection begins, whichever  
61.11 is later, the following written information provided or approved by the department in the  
61.12 primary language of the employee:

61.13 (1) an explanation of the availability of family and medical leave benefits provided under  
61.14 this chapter, including rights to reinstatement and continuation of health insurance;

61.15 (2) the amount of premium deductions made by the employer under this chapter;

61.16 (3) the employer's premium amount and obligations under this chapter;

61.17 (4) the name and mailing address of the employer;

61.18 (5) the identification number assigned to the employer by the department;

61.19 (6) instructions on how to file a claim for family and medical leave benefits;

61.20 (7) the mailing address, e-mail address, and telephone number of the department; and

61.21 (8) any other information required by the department.

61.22 Delivery is made when an employee provides written acknowledgment of receipt of the  
61.23 information, or signs a statement indicating the employee's refusal to sign such  
61.24 acknowledgment.

61.25 (c) Each employer shall provide to each independent contractor with whom it contracts,  
61.26 at the time such contract is made or, for existing contracts, within 30 days of the effective  
61.27 date of this section, the following written information provided or approved by the department  
61.28 in the self-employed individual's primary language:

61.29 (1) the address and telephone number of the department; and

61.30 (2) any other information required by the department.

62.1 (d) An employer that fails to comply with this subdivision may be issued, for a first  
 62.2 violation, a civil penalty of \$50 per employee and per independent contractor with whom  
 62.3 it has contracted, and for each subsequent violation, a civil penalty of \$300 per employee  
 62.4 or self-employed individual with whom it has contracted. The employer shall have the  
 62.5 burden of demonstrating compliance with this section.

62.6 (e) Employer notice to an employee under this section may be provided in paper or  
 62.7 electronic format. For notice provided in electronic format only, the employer must provide  
 62.8 employee access to an employer-owned computer during an employee's regular working  
 62.9 hours to review and print required notices.

62.10 **Sec. 35. [268B.27] RELATIONSHIP TO OTHER LEAVE; CONSTRUCTION.**

62.11 Subdivision 1. **Concurrent leave.** An employer may require leave taken under this  
 62.12 chapter to run concurrently with leave taken for the same purpose under section 181.941  
 62.13 or the Family and Medical Leave Act, United States Code, title 29, sections 2601 to 2654,  
 62.14 as amended.

62.15 Subd. 2. **Construction.** Nothing in this chapter shall be construed to:

62.16 (1) allow an employer to compel an employee to exhaust accumulated sick, vacation,  
 62.17 or personal time before or while taking leave under this chapter;

62.18 (2) prohibit an employer from providing additional benefits, including but not limited  
 62.19 to covering the portion of earnings not provided under this chapter during periods of leave  
 62.20 covered under this chapter; or

62.21 (3) limit the parties to a collective bargaining agreement from bargaining and agreeing  
 62.22 with respect to leave benefits and related procedures and employee protections that meet  
 62.23 or exceed, and do not otherwise conflict with, the minimum standards and requirements in  
 62.24 this chapter.

62.25 **Sec. 36. [268B.28] SEVERABLE.**

62.26 If the United States Department of Labor or a court of competent jurisdiction determines  
 62.27 that any provision of the family and medical benefit insurance program under this chapter  
 62.28 is not in conformity with, or is inconsistent with, the requirements of federal law, the  
 62.29 provision has no force or effect. If only a portion of the provision, or the application to any  
 62.30 person or circumstances, is determined not in conformity, or determined inconsistent, the  
 62.31 remainder of the provision and the application of the provision to other persons or  
 62.32 circumstances are not affected.

63.1 Sec. 37. [268B.29] SMALL BUSINESS ASSISTANCE GRANTS.

63.2 (a) Employers with 50 or fewer employees may apply to the department for grants under  
63.3 this section.

63.4 (b) The commissioner may approve a grant of up to \$3,000 if the employer hires a  
63.5 temporary worker to replace an employee on family or medical leave for a period of seven  
63.6 days or more.

63.7 (c) For an employee's family or medical leave, the commissioner may approve a grant  
63.8 of up to \$1,000 as reimbursement for significant additional wage-related costs due to the  
63.9 employee's leave.

63.10 (d) To be eligible for consideration for a grant under this section, the employer must  
63.11 provide the department written documentation showing the temporary worker hired or  
63.12 significant wage-related costs incurred are due to an employee's use of leave under this  
63.13 chapter.

63.14 (e) The grants under this section may be funded from the account.

63.15 (f) For the purposes of this section, the commissioner shall average the number of  
63.16 employees reported by an employer over the last four completed calendar quarters to  
63.17 determine the size of the employer.

63.18 (g) An employer who has an approved private plan is not eligible to receive a grant under  
63.19 this section.

63.20 (h) The commissioner may award grants under this section only up to a maximum of  
63.21 \$5,000,000 per calendar year.

63.22 Sec. 38. REVISOR INSTRUCTION.

63.23 The revisor of statutes shall make necessary changes in statutory cross-references to  
63.24 accommodate the changes made in this act. If necessary, the revisor shall prepare a bill for  
63.25 introduction in the 2022 legislative session to make other necessary conforming changes
