11.32 the provisions of section 256I.06, subdivision 8, the amount of the group residential
11.33 housing payment for room and board must be calculated by subtracting 30 percent of the
11.34 recipient's adjusted income as defined by the United States Department of Housing and
11.35 Urban Development for the Section 8 program from the fair market rent established for the
11.36 recipient's living unit by the federal Department of Housing and Urban Development. This

12.1 payment shall be regarded as a state housing subsidy for the purposes of subdivision 3.
12.2 Notwithstanding the provisions of section 256I.06, subdivision 6, the recipient's countable
12.3 income will only be adjusted when a change of greater than \$100 in a month occurs or
