3.19 safeguard the underlying nonprofit status of health maintenance organizations, and to ensure  
3.20 that the payment of health maintenance organization money to major participating entities  
3.21 results in a corresponding benefit to the health maintenance organization and its enrollees,  
3.22 when determining whether an organization has incurred an unreasonable expense in relation  
3.23 to a major participating entity, due consideration shall be given to, in addition to any other  
3.24 appropriate factors, whether the officers and trustees of the health maintenance organization  
3.25 have acted with good faith and in the best interests of the health maintenance organization  
3.26 in entering into, and performing under, a contract under which the health maintenance  
3.27 organization has incurred an expense. The commissioner has standing to sue, on behalf of  
3.28 a health maintenance organization, officers or trustees of the health maintenance organization  
3.29 who have breached their fiduciary duty in entering into and performing such contracts.
