1.9 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.10 Section 1. Minnesota Statutes 2016, section 204B.14, subdivision 2, is amended to read:

1.11 Subd. 2. **Separate precincts; combined polling place.** (a) The following shall constitute
1.12 at least one election precinct:

1.13 (1) each city ward; and

1.14 (2) each town and each statutory city.

1.15 (b) A single, accessible, combined polling place may be established no later than
1.16 November 1 if a presidential nomination primary is scheduled to occur in the following
1.17 year or ~~May~~ March 1 of any other year:

1.18 (1) for any city of the third or fourth class, any town, or any city having territory in more
1.19 than one county, in which all the voters of the city or town shall cast their ballots;

1.20 (2) for contiguous precincts in the same municipality;

1.21 (3) for up to four contiguous municipalities located entirely outside the metropolitan
1.22 area, as defined by section 200.02, subdivision 24, that are contained in the same county;

1.23 or

2.1 (4) for noncontiguous precincts located in one or more counties.

2.2 Subject to the requirements of paragraph (c), a single, accessible, combined polling place
2.3 may be established after May 1 of any year in the event of an emergency.

2.4 A copy of the ordinance or resolution establishing a combined polling place must be
2.5 filed with the county auditor within 30 days after approval by the governing body. A polling
2.6 place combined under clause (3) must be approved by the governing body of each
2.7 participating municipality. A polling place combined under clause (4) must be approved by
2.8 the governing body of each participating municipality and the secretary of state and may
2.9 be located outside any of the noncontiguous precincts. A municipality withdrawing from
2.10 participation in a combined polling place must do so by filing a resolution of withdrawal
2.11 with the county auditor no later than October 1 if a presidential nomination primary is
2.12 scheduled to occur in the following year or ~~April~~ February 1 of any other year.

2.13 The secretary of state shall provide a separate polling place roster for each precinct
2.14 served by the combined polling place, except that in a precinct that uses electronic rosters
2.15 the secretary of state shall provide separate data files for each precinct. A single set of
2.16 election judges may be appointed to serve at a combined polling place. The number of
2.17 election judges required must be based on the total number of persons voting at the last
2.18 similar election in all precincts to be voting at the combined polling place. Separate ballot
2.19 boxes must be provided for the ballots from each precinct. The results of the election must
2.20 be reported separately for each precinct served by the combined polling place, except in a
2.21 polling place established under clause (2) where one of the precincts has fewer than ten
2.22 registered voters, in which case the results of that precinct must be reported in the manner
2.23 specified by the secretary of state.

2.24 (c) If a local elections official determines that an emergency situation preventing the
2.25 safe, secure, and full operation of a polling place on election day has occurred or is imminent,
2.26 the local elections official may combine two or more polling places for that election pursuant
2.27 to this subdivision. To the extent possible, the polling places must be combined and the
2.28 election conducted according to the requirements of paragraph (b), except that:

2.29 (1) polling places may be combined after May 1 and until the polls close on election
2.30 day;

2.31 (2) any city or town, regardless of size or location, may establish a combined polling
2.32 place under this paragraph;

2.33 (3) the governing body is not required to adopt an ordinance or resolution to establish
2.34 the combined polling place;

3.1 (4) a polling place combined under paragraph (b), clause (3) or (4), must be approved
3.2 by the local election official of each participating municipality;

3.3 (5) the local elections official must immediately notify the county auditor and the
3.4 secretary of state of the combination, including the reason for the emergency combination
3.5 and the location of the combined polling place. As soon as possible, the local elections
3.6 official must also post a notice stating the reason for the combination and the location of
3.7 the combined polling place. The notice must also be posted on the governing board's Web
3.8 site, if one exists. The local elections official must also notify the election judges and request
3.9 that local media outlets publicly announce the reason for the combination and the location
3.10 of the combined polling place; and

3.11 (6) on election day, the local elections official must post a notice in large print in a
3.12 conspicuous place at the polling place where the emergency occurred, if practical, stating
3.13 the location of the combined polling place. The local election official must also post the
3.14 notice, if practical, in a location visible by voters who vote from their motor vehicles as
3.15 provided in section 204C.15, subdivision 2. If polling place hours are extended pursuant to
3.16 section 204C.05, subdivision 2, paragraph (b), the posted notices required by this paragraph
3.17 must include a statement that the polling place hours at the combined polling place will be
3.18 extended until the specified time.

3.19 Sec. 2. Minnesota Statutes 2016, section 204B.14, subdivision 4, is amended to read:

3.20 Subd. 4. **Boundary change procedure.** Any change in the boundary of an election
3.21 precinct must be adopted at least ten weeks before the date of the next election and, for the
3.22 state primary and general election or presidential nomination primary, no later than ~~December~~
3.23 April 1 in the year prior to the year of the state general election. The precinct boundary
3.24 change shall not take effect until notice of the change has been posted in the office of the
3.25 municipal clerk or county auditor for at least 56 days.

3.26 The county auditor must publish a notice illustrating or describing the congressional,
3.27 legislative, and county commissioner district boundaries in the county in one or more
3.28 qualified newspapers in the county at least 14 days before the first day to file affidavits of
3.29 candidacy for the state general election in the year ending in two.

3.30 Alternate dates for adopting changes in precinct boundaries, posting notices of boundary
3.31 changes, and notifying voters affected by boundary changes pursuant to this subdivision,
3.32 and procedures for coordinating precinct boundary changes with reestablishing local
3.33 government election district boundaries may be established in the manner provided in the

 4.6 of state, in a format specified by the secretary of state. The secretary of state must combine
 4.7 the data received from each political party under this subdivision and must process the data
 4.8 to locate the precinct in which the address provided for each potential election judge is
 4.9 located. If the data submitted by a political party is insufficient for the secretary of state to
 4.10 locate the proper precinct, the associated name must not appear in any list forwarded to an
 4.11 appointing authority under this subdivision. The secretary of state shall notify political
 4.12 parties of any proposed election judges with addresses that could not be located in a precinct.

4.13 By ~~May~~ March 15, the secretary of state shall furnish electronically to the county auditor
 4.14 a list of the appropriate names for each election precinct in the jurisdiction of the appointing

6.26 the machines or marking devices used in a municipality substantially an equal number of
6.27 times in the first, last, and in each intermediate place in the list or group in which they
6.28 belong. However, the arrangement of candidates' names must be the same on all voting

7.20 The secretary of state shall notify each reporting authority of the sufficiency or insufficiency
7.21 of its plan within 20 days of receipt of the plan. The attorney general, upon request of the
