2.1 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

2.2 **ARTICLE 1**

2.3 **AGING, DISABILITY, AND BEHAVIORAL HEALTH SERVICES**

2.4 Section 1. Minnesota Statutes 2022, section 245.462, subdivision 3, is amended to read:

2.5 Subd. 3. **Case management services.** "Case management services" means activities
2.6 that are coordinated with the community support services program as defined in subdivision
2.7 6 and are designed to help adults with serious and persistent mental illness in gaining access
2.8 to needed medical, social, educational, vocational, and other necessary services as they
2.9 relate to the client's mental health needs. Case management services include developing a
2.10 functional assessment, an individual ~~assessment summary~~ community support plan, referring
2.11 and assisting the person to obtain needed mental health and other services, ensuring
2.12 coordination of services, and monitoring the delivery of services.

2.13 Sec. 2. Minnesota Statutes 2022, section 245.462, subdivision 12, is amended to read:

2.14 Subd. 12. **Individual ~~assessment summary~~ community support plan.** "Individual
2.15 ~~assessment summary~~ community support plan" means a written plan developed by a case
2.16 manager on the basis of a diagnostic assessment and functional assessment. The plan
2.17 identifies specific services needed by an adult with serious and persistent mental illness to
2.18 develop independence or improved functioning in daily living, health and medication
2.19 management, social functioning, interpersonal relationships, financial management, housing,
2.20 transportation, and employment.

2.21 Sec. 3. Minnesota Statutes 2022, section 245.4711, subdivision 3, is amended to read:

2.22 Subd. 3. **Duties of case manager.** Upon a determination of eligibility for case
2.23 management services, and if the adult consents to the services, the case manager shall
2.24 complete a written functional assessment according to section 245.462, subdivision 11a.
2.25 The case manager shall develop an individual ~~assessment summary~~ community support
2.26 plan for the adult according to subdivision 4, paragraph (a), review the adult's progress, and
2.27 monitor the provision of services. If services are to be provided in a host county that is not
2.28 the county of financial responsibility, the case manager shall consult with the host county
2.29 and obtain a letter demonstrating the concurrence of the host county regarding the provision
2.30 of services.

3.1 Sec. 4. Minnesota Statutes 2022, section 245.4711, subdivision 4, is amended to read:

3.2 Subd. 4. **Individual ~~assessment summary~~ community support plan.** (a) The case
3.3 manager must develop an individual ~~assessment summary~~ community support plan for each
3.4 adult that incorporates the client's individual treatment plan. The individual treatment plan
3.5 may not be a substitute for the development of an individual ~~assessment summary~~ community
3.6 support plan. The individual ~~assessment summary~~ community support plan must be developed
3.7 within 30 days of client intake and reviewed at least every 180 days after it is developed,
3.8 unless the case manager receives a written request from the client or the client's family for
3.9 a review of the plan every 90 days after it is developed. The case manager is responsible
3.10 for developing the individual ~~assessment summary~~ community support plan based on a
3.11 diagnostic assessment and a functional assessment and for implementing and monitoring
3.12 the delivery of services according to the individual ~~assessment summary~~ community support
3.13 plan. To the extent possible, the adult with serious and persistent mental illness, the person's
3.14 family, advocates, service providers, and significant others must be involved in all phases
3.15 of development and implementation of the individual ~~or family assessment summary~~
3.16 community support plan.

3.17 (b) The client's individual ~~assessment summary~~ community support plan must state:

3.18 (1) the goals of each service;

3.19 (2) the activities for accomplishing each goal;

3.20 (3) a schedule for each activity; and

3.21 (4) the frequency of face-to-face contacts by the case manager, as appropriate to client
3.22 need and the implementation of the individual ~~assessment summary~~ community support
3.23 plan.

3.24 Sec. 5. Minnesota Statutes 2022, section 245.477, is amended to read:

3.25 **245.477 APPEALS.**

3.26 Any adult who requests mental health services under sections 245.461 to 245.486 must
3.27 be advised of services available and the right to appeal at the time of the request and each
3.28 time the individual ~~assessment summary~~ community support plan or individual treatment
3.29 plan is reviewed. Any adult whose request for mental health services under sections 245.461
3.30 to 245.486 is denied, not acted upon with reasonable promptness, or whose services are
3.31 suspended, reduced, or terminated by action or inaction for which the county board is
3.32 responsible under sections 245.461 to 245.486 may contest that action or inaction before

4.1 the state agency as specified in section 256.045. The commissioner shall monitor the nature
4.2 and frequency of administrative appeals under this section.

4.3 Sec. 6. Minnesota Statutes 2022, section 245.4835, subdivision 2, is amended to read:

4.4 Subd. 2. **Failure to maintain expenditures.** (a) If a county does not comply with
4.5 subdivision 1, the commissioner shall require the county to develop a corrective action plan
4.6 according to a format and timeline established by the commissioner. If the commissioner
4.7 determines that a county has not developed an acceptable corrective action plan within the
4.8 required timeline, or that the county is not in compliance with an approved corrective action
4.9 plan, the protections provided to that county under section 245.485 do not apply.

4.10 (b) The commissioner shall consider the following factors to determine whether to
4.11 approve a county's corrective action plan:

4.12 (1) the degree to which a county is maximizing revenues for mental health services from
4.13 noncounty sources;

4.14 (2) the degree to which a county is expanding use of alternative services that meet mental
4.15 health needs, but do not count as mental health services within existing reporting systems.
4.16 If approved by the commissioner, the alternative services must be included in the county's
4.17 base as well as subsequent years. The commissioner's approval for alternative services must
4.18 be based on the following criteria:

4.19 (i) the service must be provided to children with emotional disturbance or adults with
4.20 mental illness;

4.21 (ii) the services must be based on an individual treatment plan or individual ~~assessment~~
4.22 ~~summary~~ community support plan as defined in the Comprehensive Mental Health Act;
4.23 and

4.24 (iii) the services must be supervised by a mental health professional and provided by
4.25 staff who meet the staff qualifications defined in sections 256B.0943, subdivision 7, and
4.26 256B.0623, subdivision 5.

4.27 (c) Additional county expenditures to make up for the prior year's underspending may
4.28 be spread out over a two-year period.

4.29 Sec. 7. Minnesota Statutes 2022, section 245.4871, subdivision 3, is amended to read:

4.30 Subd. 3. **Case management services.** "Case management services" means activities
4.31 that are coordinated with the family community support services and are designed to help

5.1 the child with severe emotional disturbance and the child's family obtain needed mental
5.2 health services, social services, educational services, health services, vocational services,
5.3 recreational services, and related services in the areas of volunteer services, advocacy,
5.4 transportation, and legal services. Case management services include assisting in obtaining
5.5 a comprehensive diagnostic assessment, developing an individual family ~~assessment summary~~
5.6 community support plan, and assisting the child and the child's family in obtaining needed
5.7 services by coordination with other agencies and assuring continuity of care. Case managers
5.8 must assess and reassess the delivery, appropriateness, and effectiveness of services over
5.9 time.

5.10 Sec. 8. Minnesota Statutes 2022, section 245.4871, subdivision 19, is amended to read:

5.11 Subd. 19. **Individual family ~~assessment summary~~ community support**
5.12 **plan.** "Individual family ~~assessment summary~~ community support plan" means a written
5.13 plan developed by a case manager in conjunction with the family and the child with severe
5.14 emotional disturbance on the basis of a diagnostic assessment and a functional assessment.
5.15 The plan identifies specific services needed by a child and the child's family to:

5.16 (1) treat the symptoms and dysfunctions determined in the diagnostic assessment;

5.17 (2) relieve conditions leading to emotional disturbance and improve the personal
5.18 well-being of the child;

5.19 (3) improve family functioning;

5.20 (4) enhance daily living skills;

5.21 (5) improve functioning in education and recreation settings;

5.22 (6) improve interpersonal and family relationships;

5.23 (7) enhance vocational development; and

5.24 (8) assist in obtaining transportation, housing, health services, and employment.

5.25 Sec. 9. Minnesota Statutes 2022, section 245.4873, subdivision 4, is amended to read:

5.26 Subd. 4. **Individual case coordination.** The case manager designated under section
5.27 245.4881 is responsible for ongoing coordination with any other person responsible for
5.28 planning, development, and delivery of social services, education, corrections, health, or
5.29 vocational services for the individual child. The individual family ~~assessment summary~~
5.30 community support plan developed by the case manager shall reflect the coordination among
5.31 the local service system providers.

6.1 Sec. 10. Minnesota Statutes 2022, section 245.4881, subdivision 3, is amended to read:

6.2 Subd. 3. **Duties of case manager.** (a) Upon a determination of eligibility for case
6.3 management services, the case manager shall develop an individual family ~~assessment~~
6.4 ~~summary~~ community support plan for a child as specified in subdivision 4, review the child's
6.5 progress, and monitor the provision of services. If services are to be provided in a host
6.6 county that is not the county of financial responsibility, the case manager shall consult with
6.7 the host county and obtain a letter demonstrating the concurrence of the host county regarding
6.8 the provision of services.

6.9 (b) The case manager shall note in the child's record the services needed by the child
6.10 and the child's family, the services requested by the family, services that are not available,
6.11 and the unmet needs of the child and child's family. The case manager shall note this
6.12 provision in the child's record.

6.13 Sec. 11. Minnesota Statutes 2022, section 245.4881, subdivision 4, is amended to read:

6.14 Subd. 4. **Individual family ~~assessment summary~~ community support plan.** (a) For
6.15 each child, the case manager must develop an individual family ~~assessment summary~~
6.16 community support plan that incorporates the child's individual treatment plan. The individual
6.17 treatment plan may not be a substitute for the development of an individual family ~~assessment~~
6.18 ~~summary~~ community support plan. The case manager is responsible for developing the
6.19 individual family ~~assessment summary~~ community support plan within 30 days of intake
6.20 based on a diagnostic assessment and for implementing and monitoring the delivery of
6.21 services according to the individual family ~~assessment summary~~ community support plan.
6.22 The case manager must review the plan at least every 180 calendar days after it is developed,
6.23 unless the case manager has received a written request from the child's family or an advocate
6.24 for the child for a review of the plan every 90 days after it is developed. To the extent
6.25 appropriate, the child with severe emotional disturbance, the child's family, advocates,
6.26 service providers, and significant others must be involved in all phases of development and
6.27 implementation of the individual family ~~assessment summary~~ community support plan.
6.28 Notwithstanding the lack of an individual family ~~assessment summary~~ community support
6.29 plan, the case manager shall assist the child and child's family in accessing the needed
6.30 services listed in section 245.4884, subdivision 1.

6.31 (b) The child's individual family ~~assessment summary~~ community support plan must
6.32 state:

6.33 (1) the goals and expected outcomes of each service and criteria for evaluating the
6.34 effectiveness and appropriateness of the service;

- 7.1 (2) the activities for accomplishing each goal;
- 7.2 (3) a schedule for each activity; and
- 7.3 (4) the frequency of face-to-face contacts by the case manager, as appropriate to client
- 7.4 need and the implementation of the individual family ~~assessment summary~~ community
- 7.5 support plan.

7.6 Sec. 12. Minnesota Statutes 2022, section 245.4885, subdivision 1, is amended to read:

7.7 Subdivision 1. **Admission criteria.** (a) Prior to admission or placement, except in the

7.8 case of an emergency, all children referred for treatment of severe emotional disturbance

7.9 in a treatment foster care setting, residential treatment facility, or informally admitted to a

7.10 regional treatment center shall undergo an assessment to determine the appropriate level of

7.11 care if county funds are used to pay for the child's services. An emergency includes when

7.12 a child is in need of and has been referred for crisis stabilization services under section

7.13 245.4882, subdivision 6. A child who has been referred to residential treatment for crisis

7.14 stabilization services in a residential treatment center is not required to undergo an assessment

7.15 under this section.

7.16 (b) The county board shall determine the appropriate level of care for a child when

7.17 county-controlled funds are used to pay for the child's residential treatment under this

7.18 chapter, including residential treatment provided in a qualified residential treatment program

7.19 as defined in section 260C.007, subdivision 26d. When a county board does not have

7.20 responsibility for a child's placement and the child is enrolled in a prepaid health program

7.21 under section 256B.69, the enrolled child's contracted health plan must determine the

7.22 appropriate level of care for the child. When Indian Health Services funds or funds of a

7.23 tribally owned facility funded under the Indian Self-Determination and Education Assistance

7.24 Act, Public Law 93-638, are used for the child, the Indian Health Services or 638 tribal

7.25 health facility must determine the appropriate level of care for the child. When more than

7.26 one entity bears responsibility for a child's coverage, the entities shall coordinate level of

7.27 care determination activities for the child to the extent possible.

7.28 (c) The child's level of care determination shall determine whether the proposed treatment:

- 7.29 (1) is necessary;
- 7.30 (2) is appropriate to the child's individual treatment needs;
- 7.31 (3) cannot be effectively provided in the child's home; and

8.1 (4) provides a length of stay as short as possible consistent with the individual child's
8.2 needs.

8.3 (d) When a level of care determination is conducted, the county board or other entity
8.4 may not determine that a screening of a child, referral, or admission to a residential treatment
8.5 facility is not appropriate solely because services were not first provided to the child in a
8.6 less restrictive setting and the child failed to make progress toward or meet treatment goals
8.7 in the less restrictive setting. The level of care determination must be based on a diagnostic
8.8 assessment of a child that evaluates the child's family, school, and community living
8.9 situations; and an assessment of the child's need for care out of the home using a validated
8.10 tool which assesses a child's functional status and assigns an appropriate level of care to the
8.11 child. The validated tool must be approved by the commissioner of human services and
8.12 may be the validated tool approved for the child's assessment under section 260C.704 if the
8.13 juvenile treatment screening team recommended placement of the child in a qualified
8.14 residential treatment program. If a diagnostic assessment has been completed by a mental
8.15 health professional within the past 180 days, a new diagnostic assessment need not be
8.16 completed unless in the opinion of the current treating mental health professional the child's
8.17 mental health status has changed markedly since the assessment was completed. The child's
8.18 parent shall be notified if an assessment will not be completed and of the reasons. A copy
8.19 of the notice shall be placed in the child's file. Recommendations developed as part of the
8.20 level of care determination process shall include specific community services needed by
8.21 the child and, if appropriate, the child's family, and shall indicate whether these services
8.22 are available and accessible to the child and the child's family. The child and the child's
8.23 family must be invited to any meeting where the level of care determination is discussed
8.24 and decisions regarding residential treatment are made. The child and the child's family
8.25 may invite other relatives, friends, or advocates to attend these meetings.

8.26 (e) During the level of care determination process, the child, child's family, or child's
8.27 legal representative, as appropriate, must be informed of the child's eligibility for case
8.28 management services and family community support services and that an individual family
8.29 ~~assessment summary~~ community support plan is being developed by the case manager, if
8.30 assigned.

8.31 (f) The level of care determination, placement decision, and recommendations for mental
8.32 health services must be documented in the child's record and made available to the child's
8.33 family, as appropriate.

9.1 Sec. 13. Minnesota Statutes 2022, section 245.4887, is amended to read:

9.2 **245.4887 APPEALS.**

9.3 A child or a child's family, as appropriate, who requests mental health services under
9.4 sections 245.487 to 245.4889 must be advised of services available and the right to appeal
9.5 as described in this section at the time of the request and each time the individual family
9.6 ~~assessment summary~~ community support plan or individual treatment plan is reviewed. A
9.7 child whose request for mental health services under sections 245.487 to 245.4889 is denied,
9.8 not acted upon with reasonable promptness, or whose services are suspended, reduced, or
9.9 terminated by action or inaction for which the county board is responsible under sections
9.10 245.487 to 245.4889 may contest that action or inaction before the state agency according
9.11 to section 256.045. The commissioner shall monitor the nature and frequency of
9.12 administrative appeals under this section.

9.13 Sec. 14. Minnesota Statutes 2022, section 245A.03, subdivision 7, is amended to read:

9.14 Subd. 7. **Licensing moratorium.** (a) The commissioner shall not issue an initial license
9.15 for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, or adult
9.16 foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter
9.17 for a physical location that will not be the primary residence of the license holder for the
9.18 entire period of licensure. If a family child foster care home or family adult foster care home
9.19 license is issued during this moratorium, and the license holder changes the license holder's
9.20 primary residence away from the physical location of the foster care license, the
9.21 commissioner shall revoke the license according to section 245A.07. The commissioner
9.22 shall not issue an initial license for a community residential setting licensed under chapter
9.23 245D. When approving an exception under this paragraph, the commissioner shall consider
9.24 the resource need determination process in paragraph (h), the availability of foster care
9.25 licensed beds in the geographic area in which the licensee seeks to operate, the results of a
9.26 person's choices during their annual assessment and service plan review, and the
9.27 recommendation of the local county board. The determination by the commissioner is final
9.28 and not subject to appeal. Exceptions to the moratorium include:

9.29 (1) ~~foster care settings~~ a license for a person in a foster care setting that is not the primary
9.30 residence of the license holder and where at least 80 percent of the residents are 55 years
9.31 of age or older;

9.32 (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or
9.33 community residential setting licenses replacing adult foster care licenses in existence on

10.1 December 31, 2013, and determined to be needed by the commissioner under paragraph
10.2 (b);

10.3 (3) new foster care licenses or community residential setting licenses determined to be
10.4 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,
10.5 or regional treatment center; restructuring of state-operated services that limits the capacity
10.6 of state-operated facilities; or allowing movement to the community for people who no
10.7 longer require the level of care provided in state-operated facilities as provided under section
10.8 256B.092, subdivision 13, or 256B.49, subdivision 24;

10.9 (4) new foster care licenses or community residential setting licenses determined to be
10.10 needed by the commissioner under paragraph (b) for persons requiring hospital-level care;
10.11 or

10.12 (5) new foster care licenses or community residential setting licenses for people receiving
10.13 customized living or 24-hour customized living services under the brain injury or community
10.14 access for disability inclusion waiver plans under section 256B.49 and residing in the
10.15 customized living setting before July 1, 2022, for which a license is required. A customized
10.16 living service provider subject to this exception may rebut the presumption that a license
10.17 is required by seeking a reconsideration of the commissioner's determination. The
10.18 commissioner's disposition of a request for reconsideration is final and not subject to appeal
10.19 under chapter 14. The exception is available until June 30, 2023. This exception is available
10.20 when:

10.21 (i) the person's customized living services are provided in a customized living service
10.22 setting serving four or fewer people under the brain injury or community access for disability
10.23 inclusion waiver plans under section 256B.49 in a single-family home operational on or
10.24 before June 30, 2021. Operational is defined in section 256B.49, subdivision 28;

10.25 (ii) the person's case manager provided the person with information about the choice of
10.26 service, service provider, and location of service, including in the person's home, to help
10.27 the person make an informed choice; and

10.28 (iii) the person's services provided in the licensed foster care or community residential
10.29 setting are less than or equal to the cost of the person's services delivered in the customized
10.30 living setting as determined by the lead agency.

10.31 (b) The commissioner shall determine the need for newly licensed foster care homes or
10.32 community residential settings as defined under this subdivision. As part of the determination,
10.33 the commissioner shall consider the availability of foster care capacity in the area in which
10.34 the licensee seeks to operate, and the recommendation of the local county board. The

11.1 determination by the commissioner must be final. A determination of need is not required
11.2 for a change in ownership at the same address.

11.3 (c) When an adult resident served by the program moves out of a foster home that is not
11.4 the primary residence of the license holder according to section 256B.49, subdivision 15,
11.5 paragraph (f), or the adult community residential setting, the county shall immediately
11.6 inform the Department of Human Services Licensing Division. The department may decrease
11.7 the statewide licensed capacity for adult foster care settings.

11.8 (d) Residential settings that would otherwise be subject to the decreased license capacity
11.9 established in paragraph (c) shall be exempt if the license holder's beds are occupied by
11.10 residents whose primary diagnosis is mental illness and the license holder is certified under
11.11 the requirements in subdivision 6a or section 245D.33.

11.12 (e) A resource need determination process, managed at the state level, using the available
11.13 data required by section 144A.351, and other data and information shall be used to determine
11.14 where the reduced capacity determined under section 256B.493 will be implemented. The
11.15 commissioner shall consult with the stakeholders described in section 144A.351, and employ
11.16 a variety of methods to improve the state's capacity to meet the informed decisions of those
11.17 people who want to move out of corporate foster care or community residential settings,
11.18 long-term service needs within budgetary limits, including seeking proposals from service
11.19 providers or lead agencies to change service type, capacity, or location to improve services,
11.20 increase the independence of residents, and better meet needs identified by the long-term
11.21 services and supports reports and statewide data and information.

11.22 (f) At the time of application and reapplication for licensure, the applicant and the license
11.23 holder that are subject to the moratorium or an exclusion established in paragraph (a) are
11.24 required to inform the commissioner whether the physical location where the foster care
11.25 will be provided is or will be the primary residence of the license holder for the entire period
11.26 of licensure. If the primary residence of the applicant or license holder changes, the applicant
11.27 or license holder must notify the commissioner immediately. The commissioner shall print
11.28 on the foster care license certificate whether or not the physical location is the primary
11.29 residence of the license holder.

11.30 (g) License holders of foster care homes identified under paragraph (f) that are not the
11.31 primary residence of the license holder and that also provide services in the foster care home
11.32 that are covered by a federally approved home and community-based services waiver, as
11.33 authorized under chapter 256S or section 256B.092 or 256B.49, must inform the human

12.1 services licensing division that the license holder provides or intends to provide these
12.2 waiver-funded services.

12.3 (h) The commissioner may adjust capacity to address needs identified in section
12.4 144A.351. Under this authority, the commissioner may approve new licensed settings or
12.5 delicense existing settings. Delicensing of settings will be accomplished through a process
12.6 identified in section 256B.493.

12.7 (i) The commissioner must notify a license holder when its corporate foster care or
12.8 community residential setting licensed beds are reduced under this section. The notice of
12.9 reduction of licensed beds must be in writing and delivered to the license holder by certified
12.10 mail or personal service. The notice must state why the licensed beds are reduced and must
12.11 inform the license holder of its right to request reconsideration by the commissioner. The
12.12 license holder's request for reconsideration must be in writing. If mailed, the request for
12.13 reconsideration must be postmarked and sent to the commissioner within 20 calendar days
12.14 after the license holder's receipt of the notice of reduction of licensed beds. If a request for
12.15 reconsideration is made by personal service, it must be received by the commissioner within
12.16 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

12.17 (j) The commissioner shall not issue an initial license for children's residential treatment
12.18 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter
12.19 for a program that Centers for Medicare and Medicaid Services would consider an institution
12.20 for mental diseases. Facilities that serve only private pay clients are exempt from the
12.21 moratorium described in this paragraph. The commissioner has the authority to manage
12.22 existing statewide capacity for children's residential treatment services subject to the
12.23 moratorium under this paragraph and may issue an initial license for such facilities if the
12.24 initial license would not increase the statewide capacity for children's residential treatment
12.25 services subject to the moratorium under this paragraph.

12.26 **EFFECTIVE DATE.** This section is effective the day following final enactment.

12.27 Sec. 15. Minnesota Statutes 2022, section 245A.16, subdivision 1, is amended to read:

14.6 conduct one unannounced licensing review at least annually.

14.7 (e) For family adult day services programs, the commissioner may authorize licensing
14.8 reviews every two years after a licensee has had at least one annual review.

14.9 (f) A license issued under this section may be issued for up to two years.

14.10 (g) During implementation of chapter 245D, the commissioner shall consider:

14.11 (1) the role of counties in quality assurance;

14.12 (2) the duties of county licensing staff; and

14.13 (3) the possible use of joint powers agreements, according to section 471.59, with counties
14.14 through which some licensing duties under chapter 245D may be delegated by the
14.15 commissioner to the counties.

14.16 Any consideration related to this paragraph must meet all of the requirements of the corrective

18.13 and not consecutively in increments of no less than 15 minutes over the required time period,
18.14 and for a total of 60 minutes of treatment services over the time period, and must document
18.15 the reason for providing services cumulatively in the client's record. The program may offer

19.6 (c) The license holder must maintain a policy and procedure that includes specific

19.17 results in a situation in which a possible diversion issue was identified.

19.18 (d) Medication used for the treatment of opioid use disorder must be ordered,
19.19 administered, and dispensed according to applicable state and federal regulations and the
19.20 standards set by applicable accreditation entities. If a medication order requires assessment
19.21 by the person administering or dispensing the medication to determine the amount to be
19.22 administered or dispensed, the assessment must be completed by an individual whose
19.23 professional scope of practice permits an assessment. For the purposes of enforcement of
19.24 this paragraph, the commissioner has the authority to monitor the person administering or
19.25 dispensing the medication for compliance with state and federal regulations and the relevant
19.26 standards of the license holder's accreditation agency and may issue licensing actions

25.22 the systemic critical incident review team shall identify systemic influences to the incident
25.23 rather than determine the culpability of any actors involved in the incident. The systemic
25.24 critical incident review may assess the entire critical incident process from the point of an
25.25 entity reporting the critical incident through the ongoing case management process.
25.26 Department staff shall lead and conduct the reviews and may utilize county staff as reviewers.
25.27 The systemic critical incident review process may include but is not limited to:

25.30 the community support plan as defined in section 245D.02, subdivision 4b, for the person
25.31 receiving services; or an interview of an actor involved in the critical incident or the review

26.3 (iii) Department of Human Services staff with oversight of home and community-based
26.4 services;

26.5 (iv) Department of Health staff with oversight of home and community-based services;

26.6 (v) members of the community including advocates, legal representatives, health care
26.7 providers, pharmacy staff, or others with knowledge of the incident or the actors in the
26.8 incident; and

26.13 of other provider agencies, regional teams, and representatives of the local regional quality
26.14 council identified in section 256B.097; and

26.15 (3) analysis of the case for systemic influences.

26.16 Data collected by the critical incident review team shall be aggregated and provided to
26.17 regional teams, participating regional quality councils, and the commissioner. The regional
26.18 teams and quality councils shall analyze the data and make recommendations to the
26.19 commissioner regarding systemic changes that would decrease the number and severity of
26.20 critical incidents in the future or improve the quality of the home and community-based
26.21 service system.

26.22 (b) Cases selected for the systemic critical incident review process shall be selected by

27.2 for screening or investigating cases of alleged maltreatment of an adult under section 626.557.
27.3 The department may select cases for systemic critical incident review, under the jurisdiction
27.4 of the commissioner, reported for suspected maltreatment and closed following initial or
27.5 final disposition.

27.6 (d) The proceedings and records of the review team are confidential data on individuals
27.7 or protected nonpublic data as defined in section 13.02, subdivisions 3 and 13. Data that
27.8 document a person's opinions formed as a result of the review are not subject to discovery
27.9 or introduction into evidence in a civil or criminal action against a professional, the state,
27.10 or a county agency arising out of the matters that the team is reviewing. Information,
27.11 documents, and records otherwise available from other sources are not immune from
27.12 discovery or use in a civil or criminal action solely because the information, documents,
27.13 and records were assessed or presented during proceedings of the review team. A person
27.14 who presented information before the systemic critical incident review team or who is a
27.15 member of the team shall not be prevented from testifying about matters within the person's
27.16 knowledge. In a civil or criminal proceeding, a person shall not be questioned about opinions
27.17 formed by the person as a result of the review.

27.25 regard to the critical incidents examined by the critical incident review team; and

27.26 (4) recommendations made to the commissioner regarding systemic changes that could
27.27 decrease the number and severity of critical incidents in the future or improve the quality
27.28 of the home and community-based service system.

31.23 residents. Money appropriated to the commissioner to administer the resident experience
31.24 survey and family survey is available in either fiscal year of the biennium in which it is
31.25 appropriated. Assisted living facilities licensed under chapter 144G must participate in the
31.26 surveys when the commissioner requests their participation.

31.27 Sec. 29. Minnesota Statutes 2022, section 256B.439, is amended by adding a subdivision
31.28 to read:

31.29 Subd. 3e. **Demographic information for home and community-based services report**
31.30 **card.** (a) For purposes of including relevant information in the home and community-based
31.31 services report card for consumers on the populations served by providers and for other

32.1 data analysis, the commissioner may request from providers the following summary data
32.2 about clients served by the provider:

32.3 (1) age;

32.4 (2) race;

32.5 (3) ethnicity; and

32.6 (4) gender identity.

32.7 (b) For the purposes of this subdivision, "summary data" has the meaning given in section
32.8 13.02, subdivision 19. Providers must furnish the summary data only if the data on individuals
32.9 is available to the provider. A provider is not required to collect any demographic data from
32.10 clients for the sole purpose of providing the information requested by the commissioner
32.11 under this subdivision. If a provider furnishes the requested summary data to the
32.12 commissioner, the provider must provide notice to clients and associated key representatives
32.13 that the client's demographic information was included in the summary data provided to the
32.14 commissioner.

32.15 Sec. 30. Minnesota Statutes 2022, section 256B.492, is amended to read:

32.16 **256B.492 HOME AND COMMUNITY-BASED SETTINGS FOR PEOPLE WITH**
32.17 **DISABILITIES.**

32.18 Subdivision 1. **Definitions.** (a) For the purposes of this section the following terms have
32.19 the meanings given.

32.20 (b) "Community-living setting" means a single-family home or multifamily dwelling
32.21 unit where a service recipient or a service recipient's family owns or rents and maintains
32.22 control over the individual unit as demonstrated by a lease agreement. Community-living
32.23 setting does not include a home or dwelling unit that the service provider owns, operates,
32.24 or leases or in which the service provider has a direct or indirect financial interest.

32.25 (c) "Controlling individual" has the meaning given in section 245A.02, subdivision 5a.

32.26 (d) "License holder" has the meaning given in section 245A.02, subdivision 9.

32.27 Subd. 2. **Home and community-based waiver settings.** (a) Individuals receiving services
32.28 under a home and community-based waiver under section 256B.092 or 256B.49 may receive
32.29 services in the following settings:

32.30 (1) home and community-based settings that comply with all requirements identified by
32.31 the federal Centers for Medicare and Medicaid Services in the Code of Federal Regulations,

33.1 title 42, section 441.301(c), and with the requirements of the federally approved transition
33.2 plan and waiver plans for each home and community-based services waiver; and

33.3 (2) settings required by the Housing Opportunities for Persons with AIDS Program.

33.4 (b) The settings in paragraph (a) must not have the qualities of an institution which
33.5 include, but are not limited to: regimented meal and sleep times, limitations on visitors, and
33.6 lack of privacy. Restrictions agreed to and documented in the person's individual service
33.7 plan shall not result in a residence having the qualities of an institution as long as the
33.8 restrictions for the person are not imposed upon others in the same residence and are the
33.9 least restrictive alternative, imposed for the shortest possible time to meet the person's needs.

33.10 Subd. 3. Community-living settings. (a) Individuals receiving services under a home
33.11 and community-based waiver under section 256B.092 or 256B.49 may receive services in
33.12 community-living settings. Community-living settings must meet the requirements of
33.13 subdivision 2, paragraph (a), clause (1).

33.14 (b) For the purposes of this section, direct financial interest exists if payment passes
33.15 between the license holder or any controlling individual of a licensed program and the
33.16 service recipient or an entity acting on the service recipient's behalf for the purpose of
33.17 obtaining or maintaining a dwelling. For the purposes of this section, indirect financial
33.18 interest exists if the license holder or any controlling individual of a licensed program has
33.19 an ownership or investment interest in the entity that owns, operates, leases, or otherwise
33.20 receives payment from the service recipient or an entity acting on the service recipient's
33.21 behalf for the purpose of obtaining or maintaining a dwelling.

33.22 (c) To ensure a service recipient or the service recipient's family maintains control over
33.23 the home or dwelling unit, community-living settings are subject to the following
33.24 requirements:

33.25 (1) service recipients must not be required to receive services or share services;

33.26 (2) service recipients must not be required to have a disability or specific diagnosis to
33.27 live in the community-living setting;

33.28 (3) service recipients may hire service providers of their choice;

33.29 (4) service recipients may choose whether to share their household and with whom;

33.30 (5) the home or multifamily dwelling unit must include living, sleeping, bathing, and
33.31 cooking areas;

33.32 (6) service recipients must have lockable access and egress;

34.1 (7) service recipients must be free to receive visitors and leave the settings at times and
34.2 for durations of their own choosing;

34.3 (8) leases must comply with chapter 504B;

34.4 (9) landlords must not charge different rents to tenants who are receiving home and
34.5 community-based services; and

34.6 (10) access to the greater community must be easily facilitated based on the service
34.7 recipient's needs and preferences.

34.8 (d) Nothing in this section prohibits a service recipient from having another person or
34.9 entity not affiliated with the service provider cosign a lease. Nothing in this section prohibits
34.10 a service recipient, during any period in which a service provider has cosigned the service
34.11 recipient's lease, from modifying services with an existing cosigning service provider and,
34.12 subject to the approval of the landlord, maintaining a lease cosigned by the service provider.
34.13 Nothing in this section prohibits a service recipient, during any period in which a service
34.14 provider has cosigned the service recipient's lease, from terminating services with the
34.15 cosigning service provider, receiving services from a new service provider, or, subject to
34.16 the approval of the landlord, maintaining a lease cosigned by the new service provider.

34.17 (e) A lease cosigned by a service provider meets the requirements of paragraph (b) if
34.18 the service recipient and service provider develop and implement a transition plan which
34.19 must provide that, within two years of cosigning the initial lease, the service provider shall
34.20 transfer the lease to the service recipient and other cosigners, if any.

34.21 (f) In the event the landlord has not approved the transfer of the lease within two years
34.22 of the service provider cosigning the initial lease, the service provider must submit a
34.23 time-limited extension request to the commissioner of human services to continue the
34.24 cosigned lease arrangement. The extension request must include:

34.25 (1) the reason the landlord denied the transfer;

34.26 (2) the plan to overcome the denial to transfer the lease;

34.27 (3) the length of time needed to successfully transfer the lease, not to exceed an additional
34.28 two years;

34.29 (4) a description of how the transition plan was followed, what occurred that led to the
34.30 landlord denying the transfer, and what changes in circumstances or condition, if any, the
34.31 service recipient experienced; and

35.1 (5) a revised transition plan to transfer the cosigned lease between the service provider
35.2 and the service recipient to the service recipient.

35.3 (g) The commissioner must approve an extension under paragraph (f) within sufficient
35.4 time to ensure the continued occupancy by the service recipient.

35.5 **EFFECTIVE DATE.** This section is effective upon federal approval. The commissioner
35.6 of human services shall notify the revisor of statutes when federal approval is obtained.

35.7 Sec. 31. Minnesota Statutes 2022, section 256B.493, subdivision 2a, is amended to read:

35.8 Subd. 2a. **Closure process.** (a) The commissioner shall work with stakeholders to
35.9 establish a process for the application, review, approval, and implementation of setting
35.10 closures. Voluntary proposals from license holders for consolidation and closure of adult
35.11 foster care or community residential settings are encouraged. Whether voluntary or
35.12 involuntary, all closure plans must include:

35.13 (1) a description of the proposed closure plan, identifying the home or homes and
35.14 occupied beds;

35.15 (2) the proposed timetable for the proposed closure, including the proposed dates for
35.16 notification to people living there and the affected lead agencies, commencement of closure,
35.17 and completion of closure;

35.18 (3) the proposed relocation plan jointly developed by the counties of financial
35.19 responsibility, the people living there and their legal representatives, if any, who wish to
35.20 continue to receive services from the provider, and the providers for current residents of
35.21 any adult foster care home designated for closure; and

35.22 (4) documentation from the provider in a format approved by the commissioner that all
35.23 the adult foster care homes or community residential settings receiving a planned closure
35.24 rate adjustment under the plan have accepted joint and severable for recovery of
35.25 overpayments under section 256B.0641, subdivision 2, for the facilities designated for
35.26 closure under this plan.

35.27 (b) The commissioner shall give first priority to closure plans which:

35.28 (1) target counties and geographic areas which have:

35.29 (i) need for other types of services;

35.30 (ii) need for specialized services;

36.1 (iii) higher than average per capita use of licensed corporate foster care or community
36.2 residential settings; or

36.3 (iv) residents not living in the geographic area of their choice;

36.4 (2) demonstrate savings of medical assistance expenditures; and

36.5 (3) demonstrate that alternative services are based on the recipient's choice of provider
36.6 and are consistent with federal law, state law, and federally approved waiver plans.

36.7 The commissioner shall also consider any information provided by people using services,
36.8 their legal representatives, family members, or the lead agency on the impact of the planned
36.9 closure on people and the services they need.

36.10 ~~(e) For each closure plan approved by the commissioner, a contract must be established~~
36.11 ~~between the commissioner, the counties of financial responsibility, and the participating~~
36.12 ~~license holder.~~

36.13 Sec. 32. Minnesota Statutes 2022, section 256B.493, subdivision 4, is amended to read:

36.14 Subd. 4. **Review and approval process.** (a) To be considered for approval, an application
36.15 must include:

36.16 (1) a description of the proposed closure plan, which must identify the home or homes
36.17 and occupied beds for which a planned closure rate adjustment is requested;

36.18 (2) the proposed timetable for any proposed closure, including the proposed dates for
36.19 notification to residents and the affected lead agencies, commencement of closure, and
36.20 completion of closure;

36.21 (3) the proposed relocation plan jointly developed by the counties of financial
36.22 responsibility, the residents and their legal representatives, if any, who wish to continue to
36.23 receive services from the provider, and the providers for current residents of any adult foster
36.24 care home designated for closure; and

36.25 (4) documentation in a format approved by the commissioner that all the adult foster
36.26 care homes receiving a planned closure rate adjustment under the plan have accepted joint
36.27 and several liability for recovery of overpayments under section 256B.0641, subdivision 2,
36.28 for the facilities designated for closure under this plan.

36.29 (b) In reviewing and approving closure proposals, the commissioner shall give first
36.30 priority to proposals that:

36.31 (1) target counties and geographic areas which have:

37.1 (i) need for other types of services;

37.2 (ii) need for specialized services;

37.3 (iii) higher than average per capita use of foster care settings where the license holder
37.4 does not reside; or

37.5 (iv) residents not living in the geographic area of their choice;

37.6 (2) demonstrate savings of medical assistance expenditures; and

37.7 (3) demonstrate that alternative services are based on the recipient's choice of provider
37.8 and are consistent with federal law, state law, and federally approved waiver plans.

37.9 The commissioner shall also consider any information provided by service recipients,
37.10 their legal representatives, family members, or the lead agency on the impact of the planned
37.11 closure on the recipients and the services they need.

37.12 (c) The commissioner shall select proposals that best meet the criteria established in this
37.13 subdivision for planned closure of adult foster care settings. The commissioner shall notify
37.14 license holders of the selections approved by the commissioner.

37.15 ~~(d) For each proposal approved by the commissioner, a contract must be established~~
37.16 ~~between the commissioner, the counties of financial responsibility, and the participating~~
37.17 ~~license holder.~~

37.18 **EFFECTIVE DATE.** This section is effective the day following final enactment.

37.19 Sec. 33. Minnesota Statutes 2022, section 256S.202, subdivision 1, is amended to read:

37.20 Subdivision 1. **Customized living monthly service rate limits.** (a) Except for a
37.21 participant assigned to case mix classification L, as described in section 256S.18, subdivision
37.22 1, paragraph (b), the customized living monthly service rate limit shall not exceed 50 percent
37.23 of the monthly case mix budget cap, ~~less the maintenance needs allowance~~, adjusted at least
37.24 annually in the manner described under section 256S.18, subdivisions 5 and 6.

37.25 (b) The customized living monthly service rate limit for participants assigned to case
37.26 mix classification L must be the monthly service rate limit for participants assigned to case
37.27 mix classification A, reduced by 25 percent.

38.1 Sec. 34. Minnesota Statutes 2022, section 524.5-104, is amended to read:

38.2 **524.5-104 FACILITY OF TRANSFER.**

38.3 (a) A person who may transfer money or personal property to a minor may do so, as to
38.4 an amount or value not exceeding the amount allowable as a tax exclusion gift under section
38.5 2503(b) of the Internal Revenue Code or a different amount that is approved by the court,
38.6 by transferring it to:

38.7 (1) a person who has the care and custody of the minor and with whom the minor resides;

38.8 (2) a guardian of the minor;

38.9 (3) a custodian under the Uniform Transfers To Minors Act or custodial trustee under
38.10 the Uniform Custodial Trust Act;

38.11 (4) a financial institution as a deposit in an interest-bearing account or certificate in the
38.12 sole name of the minor and giving notice of the deposit to the minor; or

38.13 (5) an ABLE account. A guardian only has the authority to establish an ABLE account.
38.14 The guardian may not administer the ABLE account in the guardian's capacity as guardian.
38.15 The guardian may appoint or name a person to exercise signature authority over an ABLE
38.16 account, including the individual selected by the eligible individual or the eligible individual's
38.17 agent under a power of attorney, conservator, spouse, parent, sibling, grandparent, or
38.18 representative payee, whether an individual or organization, appointed by the Social Security
38.19 Administration, in that order.

38.20 (b) This section does not apply if the person making payment or delivery knows that a
38.21 conservator has been appointed or that a proceeding for appointment of a conservator of
38.22 the minor is pending.

38.23 (c) A person who transfers money or property in compliance with this section is not
38.24 responsible for its proper application.

38.25 (d) A guardian or other person who receives money or property for a minor under
38.26 paragraph (a), clause (1) or (2), may only apply it to the support, care, education, health,
38.27 and welfare of the minor, and may not derive a personal financial benefit except for
38.28 reimbursement for necessary expenses. Any excess must be preserved for the future support,
38.29 care, education, health, and welfare of the minor and any balance must be transferred to the
38.30 minor upon emancipation or attaining majority.

38.31 **EFFECTIVE DATE.** This section is effective the day following final enactment.

39.1 Sec. 35. Minnesota Statutes 2022, section 524.5-313, is amended to read:

39.2 **524.5-313 POWERS AND DUTIES OF GUARDIAN.**

39.3 (a) A guardian shall be subject to the control and direction of the court at all times and
39.4 in all things.

39.5 (b) The court shall grant to a guardian only those powers necessary to provide for the
39.6 demonstrated needs of the person subject to guardianship.

39.7 (c) The court may appoint a guardian if it determines that all the powers and duties listed
39.8 in this section are needed to provide for the needs of the incapacitated person. The court
39.9 may also appoint a guardian if it determines that a guardian is needed to provide for the
39.10 needs of the incapacitated person through the exercise of some, but not all, of the powers
39.11 and duties listed in this section. The duties and powers of a guardian or those which the
39.12 court may grant to a guardian include, but are not limited to:

39.13 (1) the power to have custody of the person subject to guardianship and the power to
39.14 establish a place of abode within or outside the state, except as otherwise provided in this
39.15 clause. The person subject to guardianship or any interested person may petition the court
39.16 to prevent or to initiate a change in abode. A person subject to guardianship may not be
39.17 admitted to a regional treatment center by the guardian except:

39.18 (i) after a hearing under chapter 253B;

39.19 (ii) for outpatient services; or

39.20 (iii) for the purpose of receiving temporary care for a specific period of time not to
39.21 exceed 90 days in any calendar year;

39.22 (2) the duty to provide for the care, comfort, and maintenance needs of the person subject
39.23 to guardianship, including food, clothing, shelter, health care, social and recreational
39.24 requirements, and, whenever appropriate, training, education, and habilitation or
39.25 rehabilitation. The guardian has no duty to pay for these requirements out of personal funds.
39.26 Whenever possible and appropriate, the guardian should meet these requirements through
39.27 governmental benefits or services to which the person subject to guardianship is entitled,
39.28 rather than from the estate of the person subject to guardianship. Failure to satisfy the needs
39.29 and requirements of this clause shall be grounds for removal of a private guardian, but the
39.30 guardian shall have no personal or monetary liability;

39.31 (3) the duty to take reasonable care of the clothing, furniture, vehicles, and other personal
39.32 effects of the person subject to guardianship, and, if other property requires protection, the
39.33 power to seek appointment of a conservator of the estate. The guardian must give notice by

40.1 mail to interested persons prior to the disposition of the clothing, furniture, vehicles, or
40.2 other personal effects of the person subject to guardianship. The notice must inform the
40.3 person of the right to object to the disposition of the property within ten days of the date of
40.4 mailing and to petition the court for a review of the guardian's proposed actions. Notice of
40.5 the objection must be served by mail or personal service on the guardian and the person
40.6 subject to guardianship unless the person subject to guardianship is the objector. The guardian
40.7 served with notice of an objection to the disposition of the property may not dispose of the
40.8 property unless the court approves the disposition after a hearing;

40.9 (4)(i) the power to give any necessary consent to enable the person subject to guardianship
40.10 to receive necessary medical or other professional care, counsel, treatment, or service, except
40.11 that no guardian may give consent for psychosurgery, electroshock, sterilization, or
40.12 experimental treatment of any kind unless the procedure is first approved by order of the
40.13 court as provided in this clause. The guardian shall not consent to any medical care for the
40.14 person subject to guardianship which violates the known conscientious, religious, or moral
40.15 belief of the person subject to guardianship;

40.16 (ii) a guardian who believes a procedure described in item (i) requiring prior court
40.17 approval to be necessary for the proper care of the person subject to guardianship, shall
40.18 petition the court for an order and, in the case of a public guardianship under chapter 252A,
40.19 obtain the written recommendation of the commissioner of human services. The court shall
40.20 fix the time and place for the hearing and shall give notice to the person subject to
40.21 guardianship in such manner as specified in section 524.5-308 and to interested persons.
40.22 The court shall appoint an attorney to represent the person subject to guardianship who is
40.23 not represented by counsel, provided that such appointment shall expire upon the expiration
40.24 of the appeal time for the order issued by the court under this section or the order dismissing
40.25 a petition, or upon such other time or event as the court may direct. In every case the court
40.26 shall determine if the procedure is in the best interest of the person subject to guardianship.
40.27 In making its determination, the court shall consider a written medical report which
40.28 specifically considers the medical risks of the procedure, whether alternative, less restrictive
40.29 methods of treatment could be used to protect the best interest of the person subject to
40.30 guardianship, and any recommendation of the commissioner of human services for a public
40.31 person subject to guardianship. The standard of proof is that of clear and convincing evidence;

40.32 (iii) in the case of a petition for sterilization of a person with developmental disabilities
40.33 subject to guardianship, the court shall appoint a licensed physician, a psychologist who is
40.34 qualified in the diagnosis and treatment of developmental disability, and a social worker
40.35 who is familiar with the social history and adjustment of the person subject to guardianship

41.1 or the case manager for the person subject to guardianship to examine or evaluate the person
41.2 subject to guardianship and to provide written reports to the court. The reports shall indicate
41.3 why sterilization is being proposed, whether sterilization is necessary and is the least intrusive
41.4 method for alleviating the problem presented, and whether it is in the best interest of the
41.5 person subject to guardianship. The medical report shall specifically consider the medical
41.6 risks of sterilization, the consequences of not performing the sterilization, and whether
41.7 alternative methods of contraception could be used to protect the best interest of the person
41.8 subject to guardianship;

41.9 (iv) any person subject to guardianship whose right to consent to a sterilization has not
41.10 been restricted under this section or section 252A.101 may be sterilized only if the person
41.11 subject to guardianship consents in writing or there is a sworn acknowledgment by an
41.12 interested person of a nonwritten consent by the person subject to guardianship. The consent
41.13 must certify that the person subject to guardianship has received a full explanation from a
41.14 physician or registered nurse of the nature and irreversible consequences of the sterilization;

41.15 (v) a guardian or the public guardian's designee who acts within the scope of authority
41.16 conferred by letters of guardianship under section 252A.101, subdivision 7, and according
41.17 to the standards established in this chapter or in chapter 252A shall not be civilly or criminally
41.18 liable for the provision of any necessary medical care, including, but not limited to, the
41.19 administration of psychotropic medication or the implementation of aversive and deprivation
41.20 procedures to which the guardian or the public guardian's designee has consented;

41.21 (5) in the event there is no duly appointed conservator of the estate of the person subject
41.22 to guardianship, the guardian shall have the power to approve or withhold approval of any
41.23 contract, except for necessities, which the person subject to guardianship may make or wish
41.24 to make;

41.25 (6) the duty and power to exercise supervisory authority over the person subject to
41.26 guardianship in a manner which limits civil rights and restricts personal freedom only to
41.27 the extent necessary to provide needed care and services. A guardian may not restrict the
41.28 ability of the person subject to guardianship to communicate, visit, or interact with others,
41.29 including receiving visitors or making or receiving telephone calls, personal mail, or
41.30 electronic communications including through social media, or participating in social activities,
41.31 unless the guardian has good cause to believe restriction is necessary because interaction
41.32 with the person poses a risk of significant physical, psychological, or financial harm to the
41.33 person subject to guardianship, and there is no other means to avoid such significant harm.
41.34 In all cases, the guardian shall provide written notice of the restrictions imposed to the court,
41.35 to the person subject to guardianship, and to the person subject to restrictions. The person

42.1 subject to guardianship or the person subject to restrictions may petition the court to remove
42.2 or modify the restrictions;

42.3 (7) if there is no acting conservator of the estate for the person subject to guardianship,
42.4 the guardian has the power to apply on behalf of the person subject to guardianship for any
42.5 assistance, services, or benefits available to the person subject to guardianship through any
42.6 unit of government;

42.7 (8) unless otherwise ordered by the court, the person subject to guardianship retains the
42.8 right to vote;

42.9 (9) the power to establish an ABLE account for a person subject to guardianship or
42.10 conservatorship. By this provision a guardian only has the authority to establish an ABLE
42.11 account, but may not administer the ABLE account in the guardian's capacity as guardian.
42.12 The guardian may appoint or name a person to exercise signature authority over an ABLE
42.13 account, including the individual selected by the eligible individual or the eligible individual's
42.14 agent under a power of attorney; conservator; spouse; parent; sibling; grandparent; or
42.15 representative payee, whether an individual or organization, appointed by the SSA, in that
42.16 order; and

42.17 (10) if there is no conservator appointed for the person subject to guardianship, the
42.18 guardian has the duty and power to institute suit on behalf of the person subject to
42.19 guardianship and represent the person subject to guardianship in expungement proceedings,
42.20 harassment proceedings, and all civil court proceedings, including but not limited to
42.21 restraining orders, orders for protection, name changes, conciliation court, housing court,
42.22 family court, probate court, and juvenile court, provided that a guardian may not settle or
42.23 compromise any claim or debt owed to the estate without court approval.

42.24 **EFFECTIVE DATE.** This section is effective the day following final enactment.

42.25 Sec. 36. Laws 2021, First Special Session chapter 7, article 17, section 20, is amended to

79.4 Subd. 2a. **Vendor payments for drug dependent persons.** If, at the time of application
79.5 or at any other time, there is a reasonable basis for questioning whether a person applying
79.6 for or receiving financial assistance is drug dependent, as defined in section 254A.02,

79.8 emergency assistance payments or general assistance vendor payments may be provided
79.9 until the assessment is complete and the results of the assessment made available to the
79.10 county agency. A reasonable basis for referring an individual for an assessment exists when:

79.27 assessor qualified under ~~Minnesota Rules, part 9530.6615, subpart 2~~ section 245G.11,
79.28 subdivisions 1 and 5, to perform an assessment of chemical use. The county shall only
79.29 provide emergency general assistance or vendor payments to an otherwise eligible applicant
79.30 or recipient who is determined to be drug dependent, except up to 15 percent of the grant

80.3 assistance only in the form of vendor payments to all eligible recipients who assert substance
80.4 use disorder as a basis for eligibility under section 256D.05, subdivision 1, paragraph (a),
80.5 clauses (1) and (5).

80.6 The determination of drug dependency shall be reviewed at least every 12 months. If
80.7 the county determines a recipient is no longer drug dependent, the county may cease vendor
80.8 payments and provide the recipient payments in cash.

80.9 Sec. 53. Minnesota Statutes 2022, section 256L.03, subdivision 2, is amended to read:

80.17 managed care plan under contract with the Department of Human Services must ~~place~~ offer
80.18 services to a person in need of substance use disorder services ~~as provided in Minnesota~~
80.19 ~~Rules, parts 9530.6600 to 9530.6655~~ based on the recommendations of section 245G.05.

80.20 Persons who are recipients of medical benefits under the provisions of this chapter and who
80.21 are financially eligible for behavioral health fund services provided under the provisions of
80.22 chapter 254B shall receive substance use disorder treatment services under the provisions
80.23 of chapter 254B only if:

80.24 (1) they have exhausted the substance use disorder benefits offered under this chapter;

80.25 or

80.27 of this chapter.

80.28 Recipients of covered health services under the children's health plan, as provided in
80.29 Minnesota Statutes 1990, section 256.936, and as amended by Laws 1991, chapter 292,

81.1 Sec. 54. Minnesota Statutes 2022, section 256L.12, subdivision 8, is amended to read:

81.2 Subd. 8. **Substance use disorder assessments.** The managed care plan shall be
81.3 responsible for assessing the need and ~~placement for~~ provision of substance use disorder
81.4 services according to criteria set forth in ~~Minnesota Rules, parts 9530.6600 to 9530.6655~~
81.5 section 245G.05.

81.6 Sec. 55. Minnesota Statutes 2022, section 260B.157, subdivision 1, is amended to read:

81.7 Subdivision 1. **Investigation.** Upon request of the court the local social services agency
81.8 or probation officer shall investigate the personal and family history and environment of
81.9 any minor coming within the jurisdiction of the court under section 260B.101 and shall

81.14 be delinquent for violating a provision of chapter 152, or for committing a felony-level
81.15 violation of a provision of chapter 609 if the probation officer determines that alcohol or
81.16 drug use was a contributing factor in the commission of the offense, or (2) alleged to be
81.17 delinquent for violating a provision of chapter 152, if the child is being held in custody
81.18 under a detention order. The assessor's qualifications must comply with section 245G.11,
81.19 subdivisions 1 and 5, and the assessment criteria ~~shall~~ must comply with ~~Minnesota Rules,~~
81.20 ~~parts 9530.6600 to 9530.6655~~ section 245G.05. If funds under chapter 254B are to be used
81.21 to pay for the recommended treatment, the assessment ~~and placement~~ must comply with all
81.22 provisions of ~~Minnesota Rules, parts 9530.6600 to 9530.6655 and 9530.7000 to 9530.7030~~
81.23 sections 245G.05 and 254B.04. The commissioner of human services shall reimburse the
81.24 court for the cost of the chemical use assessment, up to a maximum of \$100.

81.25 The court shall order a children's mental health screening conducted when a child is
81.26 found to be delinquent. The screening shall be conducted with a screening instrument
81.27 approved by the commissioner of human services and shall be conducted by a mental health
81.28 practitioner as defined in section 245.4871, subdivision 26, or a probation officer who is
81.29 trained in the use of the screening instrument. If the screening indicates a need for assessment,
81.30 the local social services agency, in consultation with the child's family, shall have a diagnostic
81.31 assessment conducted, including a functional assessment, as defined in section 245.4871.

81.32 With the consent of the commissioner of corrections and agreement of the county to pay
81.33 the costs thereof, the court may, by order, place a minor coming within its jurisdiction in
81.34 an institution maintained by the commissioner for the detention, diagnosis, custody and

82.1 treatment of persons adjudicated to be delinquent, in order that the condition of the minor
82.2 be given due consideration in the disposition of the case. Any funds received under the
82.3 provisions of this subdivision shall not cancel until the end of the fiscal year immediately
82.4 following the fiscal year in which the funds were received. The funds are available for use
82.5 by the commissioner of corrections during that period and are hereby appropriated annually
82.6 to the commissioner of corrections as reimbursement of the costs of providing these services
82.7 to the juvenile courts.

82.8 Sec. 56. Minnesota Statutes 2022, section 260B.157, subdivision 3, is amended to read:

82.9 Subd. 3. **Juvenile treatment screening team.** (a) The local social services agency shall
82.10 establish a juvenile treatment screening team to conduct screenings and prepare case plans
82.11 under this subdivision. The team, which may be the team constituted under section 245.4885
82.12 or 256B.092 or ~~Minnesota Rules, parts 9530.6600 to 9530.6655~~ chapter 254B, shall consist
82.13 of social workers, juvenile justice professionals, and persons with expertise in the treatment
82.14 of juveniles who are emotionally disabled, chemically dependent, or have a developmental
82.15 disability. The team shall involve parents or guardians in the screening process as appropriate.
82.16 The team may be the same team as defined in section 260C.157, subdivision 3.

82.17 (b) If the court, prior to, or as part of, a final disposition, proposes to place a child:

82.18 (1) for the primary purpose of treatment for an emotional disturbance, and residential
82.19 placement is consistent with section 260.012, a developmental disability, or chemical
82.20 dependency in a residential treatment facility out of state or in one which is within the state
82.21 and licensed by the commissioner of human services under chapter 245A; or

82.22 (2) in any out-of-home setting potentially exceeding 30 days in duration, including a
82.23 post-dispositional placement in a facility licensed by the commissioner of corrections or
82.24 human services, the court shall notify the county welfare agency. The county's juvenile
82.25 treatment screening team must either:

82.26 (i) screen and evaluate the child and file its recommendations with the court within 14
82.27 days of receipt of the notice; or

82.28 (ii) elect not to screen a given case, and notify the court of that decision within three
82.29 working days.

82.30 (c) If the screening team has elected to screen and evaluate the child, the child may not
82.31 be placed for the primary purpose of treatment for an emotional disturbance, a developmental
82.32 disability, or chemical dependency, in a residential treatment facility out of state nor in a

83.1 residential treatment facility within the state that is licensed under chapter 245A, unless one
83.2 of the following conditions applies:

83.3 (1) a treatment professional certifies that an emergency requires the placement of the
83.4 child in a facility within the state;

83.5 (2) the screening team has evaluated the child and recommended that a residential
83.6 placement is necessary to meet the child's treatment needs and the safety needs of the
83.7 community, that it is a cost-effective means of meeting the treatment needs, and that it will
83.8 be of therapeutic value to the child; or

83.9 (3) the court, having reviewed a screening team recommendation against placement,
83.10 determines to the contrary that a residential placement is necessary. The court shall state
83.11 the reasons for its determination in writing, on the record, and shall respond specifically to
83.12 the findings and recommendation of the screening team in explaining why the
83.13 recommendation was rejected. The attorney representing the child and the prosecuting
83.14 attorney shall be afforded an opportunity to be heard on the matter.

83.15 Sec. 57. Minnesota Statutes 2022, section 260C.157, subdivision 3, is amended to read:

83.16 Subd. 3. **Juvenile treatment screening team.** (a) The responsible social services agency
83.17 shall establish a juvenile treatment screening team to conduct screenings under this chapter
83.18 and chapter 260D, for a child to receive treatment for an emotional disturbance, a
83.19 developmental disability, or related condition in a residential treatment facility licensed by
83.20 the commissioner of human services under chapter 245A, or licensed or approved by a tribe.
83.21 A screening team is not required for a child to be in: (1) a residential facility specializing
83.22 in prenatal, postpartum, or parenting support; (2) a facility specializing in high-quality
83.23 residential care and supportive services to children and youth who have been or are at risk
83.24 of becoming victims of sex trafficking or commercial sexual exploitation; (3) supervised
83.25 settings for youth who are 18 years of age or older and living independently; or (4) a licensed
83.26 residential family-based treatment facility for substance abuse consistent with section
83.27 260C.190. Screenings are also not required when a child must be placed in a facility due to
83.28 an emotional crisis or other mental health emergency.

83.29 (b) The responsible social services agency shall conduct screenings within 15 days of a
83.30 request for a screening, unless the screening is for the purpose of residential treatment and
83.31 the child is enrolled in a prepaid health program under section 256B.69, in which case the
83.32 agency shall conduct the screening within ten working days of a request. The responsible
83.33 social services agency shall convene the juvenile treatment screening team, which may be
83.34 constituted under section 245.4885, 254B.05, or 256B.092 or ~~Minnesota Rules, parts~~

84.1 ~~9530.6600 to 9530.6655~~. The team shall consist of social workers; persons with expertise
84.2 in the treatment of juveniles who are emotionally disturbed, chemically dependent, or have
84.3 a developmental disability; and the child's parent, guardian, or permanent legal custodian.
84.4 The team may include the child's relatives as defined in section 260C.007, subdivisions 26b
84.5 and 27, the child's foster care provider, and professionals who are a resource to the child's
84.6 family such as teachers, medical or mental health providers, and clergy, as appropriate,
84.7 consistent with the family and permanency team as defined in section 260C.007, subdivision
84.8 16a. Prior to forming the team, the responsible social services agency must consult with the
84.9 child's parents, the child if the child is age 14 or older, and, if applicable, the child's tribe
84.10 to obtain recommendations regarding which individuals to include on the team and to ensure
84.11 that the team is family-centered and will act in the child's best interests. If the child, child's
84.12 parents, or legal guardians raise concerns about specific relatives or professionals, the team
84.13 should not include those individuals. This provision does not apply to paragraph (c).

84.14 (c) If the agency provides notice to tribes under section 260.761, and the child screened
84.15 is an Indian child, the responsible social services agency must make a rigorous and concerted
84.16 effort to include a designated representative of the Indian child's tribe on the juvenile
84.17 treatment screening team, unless the child's tribal authority declines to appoint a
84.18 representative. The Indian child's tribe may delegate its authority to represent the child to
84.19 any other federally recognized Indian tribe, as defined in section 260.755, subdivision 12.
84.20 The provisions of the Indian Child Welfare Act of 1978, United States Code, title 25, sections
84.21 1901 to 1963, and the Minnesota Indian Family Preservation Act, sections 260.751 to
84.22 260.835, apply to this section.

84.23 (d) If the court, prior to, or as part of, a final disposition or other court order, proposes
84.24 to place a child with an emotional disturbance or developmental disability or related condition
84.25 in residential treatment, the responsible social services agency must conduct a screening.
84.26 If the team recommends treating the child in a qualified residential treatment program, the
84.27 agency must follow the requirements of sections 260C.70 to 260C.714.

(4) Dimension 4, readiness for change; the support necessary to keep the client involved in treatment service;

(5) Dimension 5, relapse, continued use, and continued problem potential; the degree to which the client recognizes relapse issues and has the skills to prevent relapse of either substance use or mental health problems; and

A. The local agency must determine the client's income. A client who is a minor child shall not be deemed to have income available to pay for chemical dependency treatment, unless the minor child is responsible for payment under Minnesota Statutes, section 144.347, for chemical dependency treatment services sought under Minnesota Statutes, section 144.343, subdivision 1.

B. The local agency must determine the client's household size according to subitems (1), (2), and (3).

(1) If the client is a minor child, the household size includes the following persons living in the same dwelling unit:

- (b) the client's spouse;

C. The local agency must determine the client's current prepaid health plan enrollment, the availability of a third-party payment source, including the availability of total payment, partial payment, and amount of copayment.

D. The local agency must provide the required eligibility information to the department in the manner specified by the department.

E. The local agency shall require the client and policyholder to conditionally assign to the department the client and policyholder's rights and the rights of minor children to benefits or services provided to the client if the department is required to collect from a third-party pay source.

Subp. 1a. **Redetermination of client eligibility.** The local agency shall redetermine a client's eligibility for CCDTF every six months after the initial eligibility determination, if the client has continued to receive uninterrupted chemical dependency treatment services for that six months. Subp. 2. **Client, responsible relative, and policyholder obligation to cooperate.** A client, responsible relative, and policyholder shall provide income or wage verification, household size verification, and shall make an assignment of third-party payment rights under subpart 1, item C. If a client, responsible relative, or policyholder does not comply with the provisions of this subpart, the client shall be deemed to be ineligible to have the behavioral health fund pay for his or her chemical dependency treatment, and the client and

responsible relative shall be obligated to pay for the full cost of chemical dependency treatment services provided to the client.

9530.7021 PAYMENT AGREEMENTS.

When the local agency, the client, and the vendor agree that the vendor will accept payment from a third-party payment source for an eligible client's treatment, the local agency, the client, and the vendor shall enter into a third-party payment agreement. The agreement must stipulate that the vendor will accept, as payment in full for services provided to the client, the amount the third-party payor is obligated to pay for services provided to the client. The agreement must be executed in a form prescribed by the commissioner and is not effective unless an authorized representative of each of the three parties has signed it. The local agency shall maintain a record of third-party payment agreements into which the local agency has entered.

The vendor shall notify the local agency as soon as possible and not less than one business day before discharging a client whose treatment is covered by a payment agreement under this part if the discharge is caused by disruption of the third-party payment.

B. When a county's allocation under Minnesota Statutes, section 254B.02, subdivisions 1 and 2, has been exhausted, and the county's maintenance of effort has been met as required under Minnesota Statutes, section 254B.02, subdivision 3, and the local agency has been notified by the department that the only clients who are eligible to have their treatment paid for from the behavioral health fund are clients who are eligible under part 9530.7015, subpart 1, the department shall bill the county for 100 percent of the costs of a client's chemical dependency treatment services when the department determines that the client was not eligible under part 9530.7015, subpart 1.

9530.7030 VENDOR MUST PARTICIPATE IN DAANES SYSTEM.

Subpart 1. **Participation a condition of eligibility.** To be eligible for payment under the behavioral health fund, a vendor must participate in the Drug and Alcohol Normative Evaluation System (DAANES) or submit to the commissioner the information required in DAANES in the format specified by the commissioner.
