1.2 relating to human services; modifying vulnerable adult protection provisions;
1.3 amending Minnesota Statutes 2020, sections 626.557, subdivisions 4, 9, 9b, 9c,
1.4 9d, 10b, 12b; 626.5571, subdivisions 1, 2; 626.5572, subdivisions 2, 4, 17.

1.5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.6 Section 1. Minnesota Statutes 2020, section 626.557, subdivision 4, is amended to read:

1.7 Subd. 4. Reporting. (a) Except as provided in paragraph (b), a mandated reporter shall
1.8 immediately make an oral a report to the common entry point. The common entry point
1.9 may accept electronic reports submitted through a web-based reporting system established
1.10 by the commissioner. Use of a telecommunications device for the deaf or other similar
1.11 device shall be considered an oral report. The common entry point may not require written
1.12 reports. To the extent possible, the report must be of sufficient content to identify the
1.13 vulnerable adult, the caregiver, the nature and extent of the suspected maltreatment, any
1.14 evidence of previous maltreatment, the name and address of the reporter, the time, date,
1.15 and location of the incident, and any other information that the reporter believes might be
1.16 helpful in investigating the suspected maltreatment. A mandated reporter may disclose not
1.17 public data, as defined in section 13.02, and medical records under sections 144.291 to
1.18 144.298, to the extent necessary to comply with this subdivision.

1.19 (b) A boarding care home that is licensed under sections 144.50 to 144.58 and certified

1.22 that is licensed under sections 144.50 to 144.58 and has swing beds certified under Code
1.23 of Federal Regulations, title 42, section 482.66, may submit a report electronically to the

2.1 common entry point instead of submitting an oral report. The report may be a duplicate of  
 2.2 the initial report the facility submits electronically to the commissioner of health to comply  
 2.3 with the reporting requirements under Code of Federal Regulations, title 42, section 483.12.  
 2.4 The commissioner of health may modify these reporting requirements to include items  
 2.5 required under paragraph (a) that are not currently included in the electronic reporting form.

2.6 Sec. 2. Minnesota Statutes 2020, section 626.557, subdivision 9, is amended to read:

2.7 Subd. 9. **Common entry point designation.** (a) ~~Each county board shall designate a~~  
 2.8 ~~common entry point for reports of suspected maltreatment, for use until the commissioner~~  
 2.9 ~~of human services establishes a common entry point. Two or more county boards may~~  
 2.10 ~~jointly designate a single common entry point.~~ The commissioner of human services shall  
 2.11 establish a common entry point ~~effective July 1, 2015.~~ The common entry point is the unit  
 2.12 responsible for receiving the report of suspected maltreatment under this section.

2.13 (b) The common entry point must be available 24 hours per day to take calls from  
 2.14 reporters of suspected maltreatment. The common entry point shall use a standard intake  
 2.15 form that includes:

2.16 (1) the time and date of the report;

2.17 (2) the name, relationship, and identifying and contact information for the person believed  
 2.18 to be a vulnerable adult and the individual or facility alleged responsible for maltreatment;

2.19 (3) the name, address, and telephone number of the person reporting; relationship, and  
 2.20 contact information for the:

2.21 (i) reporter;

2.22 (ii) initial reporter, witnesses, and persons who may have knowledge about the  
 2.23 maltreatment; and

2.24 (iii) legal surrogate and persons who may provide support to the vulnerable adult;

2.25 (4) the basis of vulnerability for the vulnerable adult;

2.26 ~~(3)~~ (5) the time, date, and location of the incident;

2.27 ~~(4)~~ the names of the persons involved, including but not limited to, perpetrators, alleged  
 2.28 victims, and witnesses;

2.29 ~~(5)~~ whether there was a risk of imminent danger to the alleged victim;

2.30 (6) the immediate safety risk to the vulnerable adult;

2.31 ~~(6)~~ (7) a description of the suspected maltreatment;

- 3.1 ~~(7) the disability, if any, of the alleged victim;~~
- 3.2 ~~(8) the relationship of the alleged perpetrator to the alleged victim;~~
- 3.3 (8) the impact of the suspected maltreatment on the vulnerable adult;
- 3.4 (9) whether a facility was involved and, if so, which agency licenses the facility;
- 3.5 ~~(10) any action taken by the common entry point;~~
- 3.6 ~~(11) whether law enforcement has been notified;~~
- 3.7 (10) the actions taken to protect the vulnerable adult;
- 3.8 (11) the required notifications and referrals made by the common entry point; and
- 3.9 (12) whether the reporter wishes to receive notification of the ~~initial and final reports;~~
- 3.10 ~~and disposition.~~
- 3.11 ~~(13) if the report is from a facility with an internal reporting procedure, the name, mailing~~
- 3.12 ~~address, and telephone number of the person who initiated the report internally.~~
- 3.13 (c) The common entry point is not required to complete each item on the form prior to
- 3.14 dispatching the report to the appropriate lead investigative agency.
- 3.15 (d) The common entry point shall immediately report to a law enforcement agency any
- 3.16 incident in which there is reason to believe a crime has been committed.
- 3.17 (e) If a report is initially made to a law enforcement agency or a lead investigative agency,
- 3.18 those agencies shall take the report on the appropriate common entry point intake forms
- 3.19 and immediately forward a copy to the common entry point.
- 3.20 (f) The common entry point staff must receive training on how to screen and dispatch
- 3.21 reports efficiently and in accordance with this section.
- 3.22 (g) The commissioner of human services shall maintain a centralized database for the
- 3.23 collection of common entry point data, lead investigative agency data including maltreatment
- 3.24 report disposition, and appeals data. The common entry point shall have access to the
- 3.25 centralized database and must log the reports into the database ~~and immediately identify~~
- 3.26 ~~and locate prior reports of abuse, neglect, or exploitation.~~
- 3.27 (h) When appropriate, the common entry point staff must refer calls that do not allege
- 3.28 the abuse, neglect, or exploitation of a vulnerable adult to other organizations that might
- 3.29 resolve the reporter's concerns.
- 3.30 (i) A common entry point must be operated in a manner that enables the commissioner
- 3.31 of human services to:

4.1 (1) track critical steps in the reporting, evaluation, referral, response, disposition, and  
4.2 investigative process to ensure compliance with all requirements for all reports;

4.3 (2) maintain data to facilitate the production of aggregate statistical reports for monitoring  
4.4 patterns of abuse, neglect, or exploitation;

4.5 (3) serve as a resource for the evaluation, management, and planning of preventative  
4.6 and remedial services for vulnerable adults who have been subject to abuse, neglect, or  
4.7 exploitation;

4.8 (4) set standards, priorities, and policies to maximize the efficiency and effectiveness  
4.9 of the common entry point; and

4.10 (5) track and manage consumer complaints related to the common entry point.

4.11 (j) The commissioners of human services and health shall collaborate on the creation of  
4.12 a system for referring reports to the lead investigative agencies. This system shall enable  
4.13 the commissioner of human services to track critical steps in the reporting, evaluation,  
4.14 referral, response, disposition, investigation, notification, determination, and appeal processes.

4.15 Sec. 3. Minnesota Statutes 2020, section 626.557, subdivision 9b, is amended to read:

4.16 Subd. 9b. **Response to reports.** Law enforcement is the primary agency to conduct  
4.17 investigations of any incident in which there is reason to believe a crime has been committed.  
4.18 Law enforcement shall initiate a response immediately. If the common entry point notified  
4.19 a county agency for emergency adult protective services, law enforcement shall cooperate  
4.20 with that county agency when both agencies are involved and shall exchange data to the  
4.21 extent authorized in subdivision 12b, paragraph (g). County adult protection shall initiate  
4.22 a response immediately. Each lead investigative agency shall complete the investigative  
4.23 process for reports within its jurisdiction. A lead investigative agency, county, adult protective  
4.24 agency, licensed facility, or law enforcement agency shall cooperate with other agencies in  
4.25 the provision of protective services, coordinating its investigations, and assisting another  
4.26 agency within the limits of its resources and expertise and shall exchange data to the extent  
4.27 authorized in subdivision 12b, paragraph (g). The lead investigative agency shall obtain the  
4.28 results of any investigation conducted by law enforcement officials. The lead investigative  
4.29 agency has the right to enter facilities and inspect and copy records as part of investigations.  
4.30 The lead investigative agency has access to not public data, as defined in section 13.02, and  
4.31 medical records under sections 144.291 to 144.298, that are maintained by facilities to the  
4.32 extent necessary to conduct its investigation. Each lead investigative agency shall develop  
4.33 guidelines for prioritizing reports for investigation. When a county acts as a lead investigative

5.1 agency, the county shall make guidelines available to the public regarding which reports  
5.2 the county prioritizes for investigation and adult protective services.

5.3 Sec. 4. Minnesota Statutes 2020, section 626.557, subdivision 9c, is amended to read:

5.4 Subd. 9c. **Lead investigative agency; notifications, dispositions, determinations.** (a)  
5.5 Upon request of the reporter, the lead investigative agency shall notify the reporter that it  
5.6 has received the report, and provide information on the initial disposition of the report within  
5.7 five business days of receipt of the report, provided that the notification will not endanger  
5.8 the vulnerable adult or hamper the investigation.

5.9 (b) In making the initial disposition of a report alleging maltreatment of a vulnerable  
5.10 adult, the lead investigative agency may consider previous reports of suspected maltreatment  
5.11 and may request and consider public information, records maintained by a lead investigative  
5.12 agency or licensed providers, and information from any person who may have knowledge  
5.13 regarding the alleged maltreatment and the basis for the adult's vulnerability.

5.14 (c) Unless the lead investigative agency believes that: (1) the information would endanger  
5.15 the well-being of the vulnerable adult; or (2) it would not be in the best interests of the  
5.16 vulnerable adult, the lead investigative agency shall inform the vulnerable adult, or vulnerable  
5.17 adult's guardian or health care agent when applicable to the surrogate's authority, of all  
5.18 reports accepted by the agency for investigation, including the maltreatment allegation,  
5.19 investigation guidelines, time frame, and evidence standards that the agency uses for  
5.20 determinations. If the allegation is applicable to the guardian or health care agent, the lead  
5.21 investigative agency must also inform the vulnerable adult's guardian or health care agent  
5.22 of all reports accepted for investigation by the agency, including the maltreatment allegation,  
5.23 investigation guidelines, time frame, and evidence standards that the agency uses for  
5.24 determinations.

5.25 (d) While investigating reports and providing adult protective services, the lead  
5.26 investigative agency may coordinate with entities identified under subdivision 12b, paragraph  
5.27 (g), and may coordinate with support persons to safeguard the welfare of the vulnerable  
5.28 adult and prevent further maltreatment of the vulnerable adult.

5.29 ~~(b)~~ (e) Upon conclusion of every investigation it conducts, the lead investigative agency  
5.30 shall make a final disposition as defined in section 626.5572, subdivision 8.

5.31 ~~(e)~~ (f) When determining whether the facility or individual is the responsible party for  
5.32 substantiated maltreatment or whether both the facility and the individual are responsible

6.1 for substantiated maltreatment, the lead investigative agency shall consider at least the  
6.2 following mitigating factors:

6.3 (1) whether the actions of the facility or the individual caregivers were in accordance  
6.4 with, and followed the terms of, an erroneous physician order, prescription, resident care  
6.5 plan, or directive. This is not a mitigating factor when the facility or caregiver is responsible  
6.6 for the issuance of the erroneous order, prescription, plan, or directive or knows or should  
6.7 have known of the errors and took no reasonable measures to correct the defect before  
6.8 administering care;

6.9 (2) the comparative responsibility between the facility, other caregivers, and requirements  
6.10 placed upon the employee, including but not limited to, the facility's compliance with related  
6.11 regulatory standards and factors such as the adequacy of facility policies and procedures,  
6.12 the adequacy of facility training, the adequacy of an individual's participation in the training,  
6.13 the adequacy of caregiver supervision, the adequacy of facility staffing levels, and a  
6.14 consideration of the scope of the individual employee's authority; and

6.15 (3) whether the facility or individual followed professional standards in exercising  
6.16 professional judgment.

6.17 ~~(d)~~ (g) When substantiated maltreatment is determined to have been committed by an  
6.18 individual who is also the facility license holder, both the individual and the facility must  
6.19 be determined responsible for the maltreatment, and both the background study  
6.20 disqualification standards under section 245C.15, subdivision 4, and the licensing actions  
6.21 under section 245A.06 or 245A.07 apply.

6.22 ~~(e)~~ (h) The lead investigative agency shall complete its final disposition within 60  
6.23 calendar days. If the lead investigative agency is unable to complete its final disposition  
6.24 within 60 calendar days, the lead investigative agency shall notify the following persons  
6.25 provided that the notification will not endanger the vulnerable adult or hamper the  
6.26 investigation: (1) the vulnerable adult or the vulnerable adult's guardian or health care agent,  
6.27 when known, if the lead investigative agency knows them to be aware of the investigation;  
6.28 and (2) the facility, where applicable. The notice shall contain the reason for the delay and  
6.29 the projected completion date. If the lead investigative agency is unable to complete its final  
6.30 disposition by a subsequent projected completion date, the lead investigative agency shall  
6.31 again notify the vulnerable adult or the vulnerable adult's guardian or health care agent,  
6.32 when known if the lead investigative agency knows them to be aware of the investigation,  
6.33 and the facility, where applicable, of the reason for the delay and the revised projected  
6.34 completion date provided that the notification will not endanger the vulnerable adult or

7.1 hamper the investigation. The lead investigative agency must notify the health care agent  
7.2 of the vulnerable adult only if the health care agent's authority to make health care decisions  
7.3 for the vulnerable adult is currently effective under section 145C.06 and not suspended  
7.4 under section 524.5-310 and the investigation relates to a duty assigned to the health care  
7.5 agent by the principal. A lead investigative agency's inability to complete the final disposition  
7.6 within 60 calendar days or by any projected completion date does not invalidate the final  
7.7 disposition.

7.8 ~~(f) Within ten calendar days of completing the final disposition~~ (i) When the lead  
7.9 investigative agency is the Department of Health or the Department of Human Services,  
7.10 the lead investigative agency shall provide a copy of the public investigation memorandum  
7.11 under subdivision 12b, paragraph (b), clause (1), ~~when required to be completed under this~~  
7.12 ~~section,~~ within ten calendar days of completing the final disposition to the following persons:

7.13 (1) the vulnerable adult, or the vulnerable adult's guardian or health care agent, if known,  
7.14 unless the lead investigative agency knows that the notification would endanger the  
7.15 well-being of the vulnerable adult;

7.16 (2) the reporter, if the reporter requested notification when making the report, provided  
7.17 this notification would not endanger the well-being of the vulnerable adult;

7.18 (3) ~~the alleged perpetrator~~ person or facility alleged responsible for maltreatment, if  
7.19 known;

7.20 (4) the facility; and

7.21 (5) the ombudsman for long-term care, or the ombudsman for mental health and  
7.22 developmental disabilities, as appropriate.

7.23 (j) When the lead investigative agency is a county agency, within ten calendar days of  
7.24 completing the final disposition, the lead investigative agency shall provide notification of  
7.25 the final disposition to the following persons:

7.26 (1) the vulnerable adult, or the vulnerable adult's guardian or health care agent, if known,  
7.27 when the allegation is applicable to the surrogate's authority, unless the agency knows that  
7.28 the notification would endanger the well-being of the vulnerable adult;

7.29 (2) the individual determined responsible for maltreatment, if known; and

7.30 (3) when the alleged incident involves a personal care assistant or provider agency, the  
7.31 personal care provider organization under section 256B.0659. Upon implementation of  
7.32 Community First Services and Supports (CFSS), this notification requirement applies to  
7.33 the CFSS support worker or CFSS agency under section 256B.85.

8.1 ~~(g)~~ (k) If, as a result of a reconsideration, review, or hearing, the lead investigative  
 8.2 agency changes the final disposition, or if a final disposition is changed on appeal, the lead  
 8.3 investigative agency shall notify the parties specified in paragraph ~~(f)~~ (i).

8.4 ~~(h)~~ (l) The lead investigative agency shall notify the vulnerable adult who is the subject  
 8.5 of the report or the vulnerable adult's guardian or health care agent, if known, and any person  
 8.6 or facility determined to have maltreated a vulnerable adult, of their appeal or review rights  
 8.7 under this section or section 256.021.

8.8 ~~(i)~~ (m) The lead investigative agency shall routinely provide investigation memoranda  
 8.9 for substantiated reports to the appropriate licensing boards. These reports must include the  
 8.10 names of substantiated perpetrators. The lead investigative agency may not provide  
 8.11 investigative memoranda for inconclusive or false reports to the appropriate licensing boards  
 8.12 unless the lead investigative agency's investigation gives reason to believe that there may  
 8.13 have been a violation of the applicable professional practice laws. If the investigation  
 8.14 memorandum is provided to a licensing board, the subject of the investigation memorandum  
 8.15 shall be notified and receive a summary of the investigative findings.

8.16 ~~(j)~~ (n) In order to avoid duplication, licensing boards shall consider the findings of the  
 8.17 lead investigative agency in their investigations if they choose to investigate. This does not  
 8.18 preclude licensing boards from considering other information.

8.19 ~~(k)~~ (o) The lead investigative agency must provide to the commissioner of human services  
 8.20 its final dispositions, including the names of all substantiated perpetrators. The commissioner  
 8.21 of human services shall establish records to retain the names of substantiated perpetrators.

8.22 Sec. 5. Minnesota Statutes 2020, section 626.557, subdivision 9d, is amended to read:

8.23 Subd. 9d. **Administrative reconsideration; review panel.** (a) Except as provided under  
 8.24 paragraph (e), any individual or facility which a lead investigative agency determines has  
 8.25 maltreated a vulnerable adult, or the vulnerable adult or an interested person acting on behalf  
 8.26 of the vulnerable adult, regardless of the lead investigative agency's determination, who  
 8.27 contests the lead investigative agency's final disposition of an allegation of maltreatment,  
 8.28 may request the lead investigative agency to reconsider its final disposition. The request  
 8.29 for reconsideration must be submitted in writing to the lead investigative agency within 15  
 8.30 calendar days after receipt of notice of final disposition or, if the request is made by an  
 8.31 interested person who is not entitled to notice, within 15 days after receipt of the notice by  
 8.32 the vulnerable adult or the vulnerable adult's guardian or health care agent. If mailed, the  
 8.33 request for reconsideration must be postmarked and sent to the lead investigative agency  
 8.34 within 15 calendar days of the individual's or facility's receipt of the final disposition. If the

9.1 request for reconsideration is made by personal service, it must be received by the lead  
9.2 investigative agency within 15 calendar days of the individual's or facility's receipt of the  
9.3 final disposition. An individual who was determined to have maltreated a vulnerable adult  
9.4 under this section and who was disqualified on the basis of serious or recurring maltreatment  
9.5 under sections 245C.14 and 245C.15, may request reconsideration of the maltreatment  
9.6 determination and the disqualification. The request for reconsideration of the maltreatment  
9.7 determination and the disqualification must be submitted in writing within 30 calendar days  
9.8 of the individual's receipt of the notice of disqualification under sections 245C.16 and  
9.9 245C.17. If mailed, the request for reconsideration of the maltreatment determination and  
9.10 the disqualification must be postmarked and sent to the lead investigative agency within 30  
9.11 calendar days of the individual's receipt of the notice of disqualification. If the request for  
9.12 reconsideration is made by personal service, it must be received by the lead investigative  
9.13 agency within 30 calendar days after the individual's receipt of the notice of disqualification.

9.14 (b) Except as provided under paragraphs (e) and (f), if the lead investigative agency  
9.15 denies the request or fails to act upon the request within 15 working days after receiving  
9.16 the request for reconsideration, the person or facility entitled to a fair hearing under section  
9.17 256.045, may submit to the commissioner of human services a written request for a hearing  
9.18 under that statute. The vulnerable adult, or an interested person acting on behalf of the  
9.19 vulnerable adult, may request a review by the Vulnerable Adult Maltreatment Review Panel  
9.20 under section 256.021 if the lead investigative agency denies the request or fails to act upon  
9.21 the request, or if the vulnerable adult or interested person contests a reconsidered disposition.  
9.22 The Vulnerable Adult Maltreatment Review Panel shall not conduct a review if the interested  
9.23 person making the request on behalf of the vulnerable adult is also the individual or facility  
9.24 alleged responsible for the maltreatment of the vulnerable adult. The lead investigative  
9.25 agency shall notify persons who request reconsideration of their rights under this paragraph.  
9.26 The request must be submitted in writing to the review panel and a copy sent to the lead  
9.27 investigative agency within 30 calendar days of receipt of notice of a denial of a request for  
9.28 reconsideration or of a reconsidered disposition. The request must specifically identify the  
9.29 aspects of the lead investigative agency determination with which the person is dissatisfied.

9.30 (c) If, as a result of a reconsideration or review, the lead investigative agency changes  
9.31 the final disposition, it shall notify the parties specified in subdivision 9c, paragraph ~~(f)~~ (i).

9.32 (d) For purposes of this subdivision, "interested person acting on behalf of the vulnerable  
9.33 adult" means a person designated in writing by the vulnerable adult to act on behalf of the  
9.34 vulnerable adult, or a legal guardian or conservator or other legal representative, a proxy

10.1 or health care agent appointed under chapter 145B or 145C, or an individual who is related  
10.2 to the vulnerable adult, as defined in section 245A.02, subdivision 13.

10.3 (e) If an individual was disqualified under sections 245C.14 and 245C.15, on the basis  
10.4 of a determination of maltreatment, which was serious or recurring, and the individual has  
10.5 requested reconsideration of the maltreatment determination under paragraph (a) and  
10.6 reconsideration of the disqualification under sections 245C.21 to 245C.27, reconsideration  
10.7 of the maltreatment determination and requested reconsideration of the disqualification  
10.8 shall be consolidated into a single reconsideration. If reconsideration of the maltreatment  
10.9 determination is denied and the individual remains disqualified following a reconsideration  
10.10 decision, the individual may request a fair hearing under section 256.045. If an individual  
10.11 requests a fair hearing on the maltreatment determination and the disqualification, the scope  
10.12 of the fair hearing shall include both the maltreatment determination and the disqualification.

10.13 (f) If a maltreatment determination or a disqualification based on serious or recurring  
10.14 maltreatment is the basis for a denial of a license under section 245A.05 or a licensing  
10.15 sanction under section 245A.07, the license holder has the right to a contested case hearing  
10.16 under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. As provided for  
10.17 under section 245A.08, the scope of the contested case hearing must include the maltreatment  
10.18 determination, disqualification, and licensing sanction or denial of a license. In such cases,  
10.19 a fair hearing must not be conducted under section 256.045. Except for family child care  
10.20 and child foster care, reconsideration of a maltreatment determination under this subdivision,  
10.21 and reconsideration of a disqualification under section 245C.22, must not be conducted  
10.22 when:

10.23 (1) a denial of a license under section 245A.05, or a licensing sanction under section  
10.24 245A.07, is based on a determination that the license holder is responsible for maltreatment  
10.25 or the disqualification of a license holder based on serious or recurring maltreatment;

10.26 (2) the denial of a license or licensing sanction is issued at the same time as the  
10.27 maltreatment determination or disqualification; and

10.28 (3) the license holder appeals the maltreatment determination or disqualification, and  
10.29 denial of a license or licensing sanction.

10.30 Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment  
10.31 determination or disqualification, but does not appeal the denial of a license or a licensing  
10.32 sanction, reconsideration of the maltreatment determination shall be conducted under sections  
10.33 260E.33 and 626.557, subdivision 9d, and reconsideration of the disqualification shall be

11.1 conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as  
11.2 provided under sections 245C.27, 260E.33, and 626.557, subdivision 9d.

11.3 If the disqualified subject is an individual other than the license holder and upon whom  
11.4 a background study must be conducted under chapter 245C, the hearings of all parties may  
11.5 be consolidated into a single contested case hearing upon consent of all parties and the  
11.6 administrative law judge.

11.24 paragraph, any prior disqualification of the individual under chapter 245C that was based

13.10 only be disclosed as provided in paragraph (c).

13.11 Data maintained by the common entry point are confidential data on individuals or  
13.12 protected nonpublic data as defined in section 13.02. Notwithstanding section 138.163, the  
13.13 common entry point shall maintain data for three calendar years after date of receipt and  
13.14 then destroy the data unless otherwise directed by federal requirements.

13.15 (b) The commissioners of health and human services shall prepare an investigation  
13.16 memorandum for each report alleging maltreatment investigated under this section. County

14.23 (d) Notwithstanding section 138.163, data maintained under this section by the  
14.24 commissioners of health and human services must be maintained under the following

15.16 (5) whether and where backlogs of cases result in a failure to conform with statutory  
15.17 time frames and recommendations for reducing backlogs if applicable;

15.18 (6) recommended changes to statutes affecting the protection of vulnerable adults; and

15.19 (7) any other information that is relevant to the report trends and findings.

15.28 to prevent further maltreatment of a vulnerable adult, to safeguard a vulnerable adult, or for  
15.29 an investigation under this section. Data collected under this section must be made available  
15.30 to prosecuting authorities and law enforcement officials, local county agencies, and licensing  
15.31 agencies investigating the alleged maltreatment under this section. The lead investigative  
15.32 agency shall exchange not public data with the vulnerable adult maltreatment review panel  
15.33 established in section 256.021 if the data are pertinent and necessary for a review requested

 16.2 public data received by the review panel must be destroyed.

16.3 (h) Each lead investigative agency shall keep records of the length of time it takes to  
 16.4 complete its investigations.

16.5 (i) A lead investigative agency may notify other affected parties and their authorized

 16.7 and determines the information will safeguard the well-being of the affected parties or dispel  
 16.8 widespread rumor or unrest in the affected facility.

16.9 (j) Under any notification provision of this section, where federal law specifically  
 16.10 prohibits the disclosure of patient identifying information, a lead investigative agency may  
 16.11 not provide any notice unless the vulnerable adult has consented to disclosure in a manner  
 16.12 which conforms to federal requirements.

20.21 measures designed to reduce the risk of further occurrence of this error and similar errors;  
20.22 and

20.23 (vi) if in a facility, the actions required under items (iv) and (v) are sufficiently

20.26 (d) Nothing in this definition requires a caregiver, if regulated, to provide services in  
20.27 excess of those required by the caregiver's license, certification, registration, or other  
20.28 regulation.

20.29 (e) If the findings of an investigation by a lead investigative agency result in a  
20.30 determination of substantiated maltreatment for the sole reason that the actions required of

20.32 facility is subject to a correction order. An individual will not be found to have neglected
