Unless otherwise specified in this chapter, the identity of a reporter of alleged maltreatment or licensing violations may not be disclosed.

(j) In addition to the notice of determinations required under section 626.556, subdivision 10f, if the commissioner or the local social services agency has determined that an individual is a substantiated perpetrator of maltreatment of a child based on sexual abuse, as defined

in section 626.556, subdivision 2, and the commissioner or local social services agency knows that the individual is a person responsible for a child's care in another facility, the commissioner or local social services agency shall notify the head of that facility of this determination. Subd. 2. **Prohibited underwriting practices.** No insurer shall refuse to renew, or decline to offer or write, homeowner's insurance coverage solely because the property to be covered houses day care services ~~for five or fewer children~~. Sec. 3. Minnesota Statutes 2016, section 245A.02, subdivision 2b, is amended to read:

Subd. 2b. **Annual or annually.** (a) With the exception of paragraph (b), "annual" or "annually" means prior to or within the same month of the subsequent calendar year.

(b) For the purposes of section 245A.50, subdivisions 1 to 9, "annual" or "annually" means during a licensing term, beginning with the effective date and ending the day before the annual anniversary or expiration.

Sec. 4. **[245A.055] NOTIFICATION TO PROVIDER.**

(a) If the county employee responsible for family child care and group family child care licensing conducts a licensing inspection or conducts a home visit, the employee must provide, before departure from the residence or facility, a written notification to the licensee of any potential licensing violations noted. The notification must include the condition that constitutes the violation, the action that must be taken to correct the violation, and the time allowed to correct the violation.

(b) Providing this notification to the licensee does not relieve the county employee from notifying the commissioner of the violation as required by statute and rule.

Sec. 5. Minnesota Statutes 2016, section 245A.06, subdivision 2, is amended to read:

Subd. 2. **Reconsideration of correction orders.** (a) If the applicant or license holder believes that the contents of the commissioner's correction order are in error, the applicant or license holder may ask the Department of Human Services to reconsider the parts of the correction order that are alleged to be in error. The request for reconsideration must be made in writing and must be postmarked and sent to the commissioner within 20 calendar days after receipt of the correction order by the applicant or license holder, and:

(2) explain why they are in error; and

(3) include documentation to support the allegation of error.

(b) A request for reconsideration ~~does not stay~~ stays any provisions or requirements of the correction order pending the outcome of the appeal. The commissioner's disposition of a request for reconsideration is ~~final and not~~ subject to appeal under chapter 14.

(c) By January 1, 2018, and each year thereafter, the Department of Human Services must report data to the chairs and ranking minority members of the legislative committees with jurisdiction over human services policy from the previous year that includes:

(1) the number of licensed family child care provider appeals of correction orders to the Department of Human Services;

(2) the number of correction order appeals by family child care providers that the Department of Human Services grants; and

(3) the number of correction order appeals that the Department of Human Services denies.

Sec. 6. **[245A.55] TRAINING AND CERTIFICATION FOR COUNTY LICENSING STAFF ON FAMILY CHILD CARE AND GROUP FAMILY CHILD CARE REQUIREMENTS.**

(a) The commissioner must issue state certification and provide certification training for county-designated family child care licensors responsible for supervising family child care homes licensed under chapter 245A and Minnesota Rules, chapter 9502.

(b) Within the first two months of employment and before providing oversight and inspection of license holders, county staff who license and inspect family child care and group family child care programs must receive state certification and complete at least eight hours of training on statutes, rules, and department policies related to the licensing and

regulation of family child care and group family child care programs. The department must develop the training curriculum to ensure that all county staff who perform licensing and inspection functions receive uniform training. Training must include the following:

(1) explicit instructions that county staff who license and perform inspections must apply only statutes, rules, and department policies in the performance of staff's duties. Training must reinforce that county staff are prohibited from imposing standards or requirements that are not imposed by statute, rule, or department policy;

(2) the rights of license holders, including license holders' grievance and appeal rights. Training must include information on the responsibility of the county staff to inform license holders of the license holders' rights, including grievance and appeal rights; and

(3) the procedure for county staff to seek clarification from the department before issuing a correction order or other notice of violation to a license holder if there is a dispute between the license holder and the county licensor regarding the applicability of a statute or rule to the alleged violation.

(c) To ensure consistency among all licensing staff, the commissioner must develop a procedure by which the department implements increased training and oversight of county staff who perform licensing functions related to family child care licensing. This procedure must ensure that the commissioner conducts at least biennial reviews of county licensing performance.

(d) Each calendar year, county agency staff who license and regulate family child care providers and group family child care providers and the providers' supervisors must receive notice from the commissioner on new laws enacted or adopted in the previous 12-month period relating to family child care providers and group family child care providers. The commissioner shall provide the notices each year to include information on new laws and disseminate the notices to county agencies and family child care license holders.

(e) The commissioner is responsible for revoking certification of county child care licensors in the following circumstances:

(1) any activity that results in criminal charges or a conviction that would result in a background study disqualification of individuals serving Department of Human Services licensed programs;

(2) the refusal of licensor to follow proper protocol, including but not limited to: refusal to seek clarification on rules and statutes if a dispute arises and attempting to implement or enforce additional rules or statutes beyond what is required by state law; and

8.1 (3) a preponderance of evidence that a licensor engaged in unethical or improper behavior  
8.2 toward a license holder, including harassment, stalking, or violating the rights of a license  
8.3 holder.

8.4 Sec. 7. Minnesota Statutes 2016, section 256.01, subdivision 2, is amended to read:

8.5 Subd. 2. **Specific powers.** Subject to the provisions of section 241.021, subdivision 2,  
8.6 the commissioner of human services shall carry out the specific duties in paragraphs (a)  
8.7 through (bb):

8.8 (a) Administer and supervise all forms of public assistance provided for by state law  
8.9 and other welfare activities or services as are vested in the commissioner. Administration  
8.10 and supervision of human services activities or services includes, but is not limited to,

8.15 promote compliance with statutes, rules, federal laws, regulations, and policies governing  
8.16 human services;

8.17 (2) monitor, on an ongoing basis, the performance of county agencies in the operation  
8.18 and administration of human services, enforce compliance with statutes, rules, federal laws,

8.22 performance and accuracy of benefit determinations;

8.23 (4) require county agencies to make an adjustment to the public assistance benefits issued  
8.24 to any individual consistent with federal law and regulation and state law and rule and to  
8.25 issue or recover benefits as appropriate;

8.26 (5) delay or deny payment of all or part of the state and federal share of benefits and  
8.27 administrative reimbursement according to the procedures set forth in section 256.017;

8.29 both profit and nonprofit, and individuals, using appropriated funds; and

8.30 (7) enter into contractual agreements with federally recognized Indian tribes with a  
8.31 reservation in Minnesota to the extent necessary for the tribe to operate a federally approved  
8.32 family assistance program or any other program under the supervision of the commissioner.

9.1 The commissioner shall consult with the affected county or counties in the contractual  
9.2 agreement negotiations, if the county or counties wish to be included, in order to avoid the  
9.3 duplication of county and tribal assistance program services. The commissioner may establish  
9.4 necessary accounts for the purposes of receiving and disbursing funds as necessary for the  
9.5 operation of the programs.

9.6 (b) Inform county agencies and affected license holders, on a timely basis, of changes  
9.7 in statute, rule, federal law, regulation, and policy necessary to county agency administration  
9.8 of the programs. Notification may be completed using electronic means. The commissioner  
9.9 must make notice of changes in statute available to the public online.

9.10 (c) Administer and supervise all child welfare activities; promote the enforcement of  
9.11 laws protecting disabled, dependent, neglected and delinquent children, and children born  
9.12 to mothers who were not married to the children's fathers at the times of the conception nor  
9.13 at the births of the children; license and supervise child-caring and child-placing agencies  
9.14 and institutions; supervise the care of children in boarding and foster homes or in private

9.16 vested in the State Board of Control.

9.17 (d) Administer and supervise all noninstitutional service to persons with disabilities,  
9.18 including persons who have vision impairments, and persons who are deaf, deafblind, and  
9.19 hard-of-hearing or with other disabilities. The commissioner may provide and contract for  
9.20 the care and treatment of qualified indigent children in facilities other than those located  
9.21 and available at state hospitals when it is not feasible to provide the service in state hospitals.

9.22 (e) Assist and actively cooperate with other departments, agencies and institutions, local,  
9.23 state, and federal, by performing services in conformity with the purposes of Laws 1939,  
9.24 chapter 431.

9.25 (f) Act as the agent of and cooperate with the federal government in matters of mutual  
9.26 concern relative to and in conformity with the provisions of Laws 1939, chapter 431,  
9.27 including the administration of any federal funds granted to the state to aid in the performance  
9.28 of any functions of the commissioner as specified in Laws 1939, chapter 431, and including  
9.29 the promulgation of rules making uniformly available medical care benefits to all recipients  
9.30 of public assistance, at such times as the federal government increases its participation in  
9.31 assistance expenditures for medical care to recipients of public assistance, the cost thereof  
9.32 to be borne in the same proportion as are grants of aid to said recipients.

9.33 (g) Establish and maintain any administrative units reasonably necessary for the  
9.34 performance of administrative functions common to all divisions of the department.

10.1 (h) Act as designated guardian of both the estate and the person of all the wards of the  
10.2 state of Minnesota, whether by operation of law or by an order of court, without any further  
10.3 act or proceeding whatever, except as to persons committed as developmentally disabled.  
10.4 For children under the guardianship of the commissioner or a tribe in Minnesota recognized  
10.5 by the Secretary of the Interior whose interests would be best served by adoptive placement,  
10.6 the commissioner may contract with a licensed child-placing agency or a Minnesota tribal  
10.7 social services agency to provide adoption services. A contract with a licensed child-placing  
10.8 agency must be designed to supplement existing county efforts and may not replace existing  
10.9 county programs or tribal social services, unless the replacement is agreed to by the county  
10.10 board and the appropriate exclusive bargaining representative, tribal governing body, or the  
10.11 commissioner has evidence that child placements of the county continue to be substantially  
10.12 below that of other counties. Funds encumbered and obligated under an agreement for a  
10.13 specific child shall remain available until the terms of the agreement are fulfilled or the  
10.14 agreement is terminated.

10.15 (i) Act as coordinating referral and informational center on requests for service for newly  
10.16 arrived immigrants coming to Minnesota.

10.17 (j) The specific enumeration of powers and duties as hereinabove set forth shall in no  
10.18 way be construed to be a limitation upon the general transfer of powers herein contained.

10.19 (k) Establish county, regional, or statewide schedules of maximum fees and charges  
10.20 which may be paid by county agencies for medical, dental, surgical, hospital, nursing and  
10.21 nursing home care and medicine and medical supplies under all programs of medical care  
10.22 provided by the state and for congregate living care under the income maintenance programs.

10.23 (l) Have the authority to conduct and administer experimental projects to test methods  
10.24 and procedures of administering assistance and services to recipients or potential recipients  
10.25 of public welfare. To carry out such experimental projects, it is further provided that the  
10.26 commissioner of human services is authorized to waive the enforcement of existing specific  
10.27 statutory program requirements, rules, and standards in one or more counties. The order  
10.28 establishing the waiver shall provide alternative methods and procedures of administration,  
10.29 shall not be in conflict with the basic purposes, coverage, or benefits provided by law, and  
10.30 in no event shall the duration of a project exceed four years. It is further provided that no  
10.31 order establishing an experimental project as authorized by the provisions of this section  
10.32 shall become effective until the following conditions have been met:

10.33 (1) the secretary of health and human services of the United States has agreed, for the  
10.34 same project, to waive state plan requirements relative to statewide uniformity; and

11.1 (2) a comprehensive plan, including estimated project costs, shall be approved by the  
11.2 Legislative Advisory Commission and filed with the commissioner of administration.

11.3 (m) According to federal requirements, establish procedures to be followed by local  
11.4 welfare boards in creating citizen advisory committees, including procedures for selection  
11.5 of committee members.

11.6 (n) Allocate federal fiscal disallowances or sanctions which are based on quality control  
11.7 error rates for the aid to families with dependent children program formerly codified in  
11.8 sections ~~256.72~~ 256.741 to 256.87, medical assistance, or food stamp program in the  
11.9 following manner:

11.10 (1) one-half of the total amount of the disallowance shall be borne by the county boards  
11.11 responsible for administering the programs. For the medical assistance and the AFDC  
11.12 program formerly codified in sections ~~256.72~~ 256.741 to 256.87, disallowances shall be  
11.13 shared by each county board in the same proportion as that county's expenditures for the  
11.14 sanctioned program are to the total of all counties' expenditures for the AFDC program  
11.15 formerly codified in sections ~~256.72~~ 256.741 to 256.87, and medical assistance programs.  
11.16 For the food stamp program, sanctions shall be shared by each county board, with 50 percent  
11.17 of the sanction being distributed to each county in the same proportion as that county's  
11.18 administrative costs for food stamps are to the total of all food stamp administrative costs  
11.19 for all counties, and 50 percent of the sanctions being distributed to each county in the same  
11.20 proportion as that county's value of food stamp benefits issued are to the total of all benefits  
11.21 issued for all counties. Each county shall pay its share of the disallowance to the state of  
11.22 Minnesota. When a county fails to pay the amount due hereunder, the commissioner may  
11.23 deduct the amount from reimbursement otherwise due the county, or the attorney general,  
11.24 upon the request of the commissioner, may institute civil action to recover the amount due;  
11.25 and

11.26 (2) notwithstanding the provisions of clause (1), if the disallowance results from knowing  
11.27 noncompliance by one or more counties with a specific program instruction, and that knowing  
11.28 noncompliance is a matter of official county board record, the commissioner may require  
11.29 payment or recover from the county or counties, in the manner prescribed in clause (1), an  
11.30 amount equal to the portion of the total disallowance which resulted from the noncompliance,  
11.31 and may distribute the balance of the disallowance according to clause (1).

11.32 (o) Develop and implement special projects that maximize reimbursements and result  
11.33 in the recovery of money to the state. For the purpose of recovering state money, the  
11.34 commissioner may enter into contracts with third parties. Any recoveries that result from

12.1 projects or contracts entered into under this paragraph shall be deposited in the state treasury  
12.2 and credited to a special account until the balance in the account reaches \$1,000,000. When  
12.3 the balance in the account exceeds \$1,000,000, the excess shall be transferred and credited  
12.4 to the general fund. All money in the account is appropriated to the commissioner for the  
12.5 purposes of this paragraph.

12.6 (p) Have the authority to establish and enforce the following county reporting  
12.7 requirements:

12.8 (1) the commissioner shall establish fiscal and statistical reporting requirements necessary  
12.9 to account for the expenditure of funds allocated to counties for human services programs.  
12.10 When establishing financial and statistical reporting requirements, the commissioner shall  
12.11 evaluate all reports, in consultation with the counties, to determine if the reports can be  
12.12 simplified or the number of reports can be reduced;

12.13 (2) the county board shall submit monthly or quarterly reports to the department as  
12.14 required by the commissioner. Monthly reports are due no later than 15 working days after  
12.15 the end of the month. Quarterly reports are due no later than 30 calendar days after the end  
12.16 of the quarter, unless the commissioner determines that the deadline must be shortened to  
12.17 20 calendar days to avoid jeopardizing compliance with federal deadlines or risking a loss  
12.18 of federal funding. Only reports that are complete, legible, and in the required format shall  
12.19 be accepted by the commissioner;

12.20 (3) if the required reports are not received by the deadlines established in clause (2), the  
12.21 commissioner may delay payments and withhold funds from the county board until the next  
12.22 reporting period. When the report is needed to account for the use of federal funds and the  
12.23 late report results in a reduction in federal funding, the commissioner shall withhold from  
12.24 the county boards with late reports an amount equal to the reduction in federal funding until  
12.25 full federal funding is received;

12.26 (4) a county board that submits reports that are late, illegible, incomplete, or not in the  
12.27 required format for two out of three consecutive reporting periods is considered  
12.28 noncompliant. When a county board is found to be noncompliant, the commissioner shall  
12.29 notify the county board of the reason the county board is considered noncompliant and  
12.30 request that the county board develop a corrective action plan stating how the county board  
12.31 plans to correct the problem. The corrective action plan must be submitted to the  
12.32 commissioner within 45 days after the date the county board received notice of  
12.33 noncompliance;

13.1 (5) the final deadline for fiscal reports or amendments to fiscal reports is one year after  
13.2 the date the report was originally due. If the commissioner does not receive a report by the  
13.3 final deadline, the county board forfeits the funding associated with the report for that  
13.4 reporting period and the county board must repay any funds associated with the report  
13.5 received for that reporting period;

13.6 (6) the commissioner may not delay payments, withhold funds, or require repayment  
13.7 under clause (3) or (5) if the county demonstrates that the commissioner failed to provide  
13.8 appropriate forms, guidelines, and technical assistance to enable the county to comply with  
13.9 the requirements. If the county board disagrees with an action taken by the commissioner  
13.10 under clause (3) or (5), the county board may appeal the action according to sections 14.57  
13.11 to 14.69; and

13.12 (7) counties subject to withholding of funds under clause (3) or forfeiture or repayment  
13.13 of funds under clause (5) shall not reduce or withhold benefits or services to clients to cover  
13.14 costs incurred due to actions taken by the commissioner under clause (3) or (5).

13.15 (q) Allocate federal fiscal disallowances or sanctions for audit exceptions when federal  
13.16 fiscal disallowances or sanctions are based on a statewide random sample in direct proportion  
13.17 to each county's claim for that period.

13.18 (r) Be responsible for ensuring the detection, prevention, investigation, and resolution  
13.19 of fraudulent activities or behavior by applicants, recipients, and other participants in the  
13.20 human services programs administered by the department.

13.21 (s) Require county agencies to identify overpayments, establish claims, and utilize all  
13.22 available and cost-beneficial methodologies to collect and recover these overpayments in  
13.23 the human services programs administered by the department.

13.24 (t) Have the authority to administer the federal drug rebate program for drugs purchased  
13.25 under the medical assistance program as allowed by section 1927 of title XIX of the Social  
13.26 Security Act and according to the terms and conditions of section 1927. Rebates shall be  
13.27 collected for all drugs that have been dispensed or administered in an outpatient setting and
