2.10 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

2.11 **ARTICLE 1**

2.12 **CHILDREN AND FAMILY SERVICES**

2.13 Section 1. Minnesota Statutes 2014, section 119B.011, subdivision 16, is amended to
2.14 read:

2.15 Subd. 16. **Legal nonlicensed child care provider.** "Legal nonlicensed child care
2.16 provider" means: (1) a child care provider who is excluded from licensing requirements
2.17 under section 245A.03, subdivision 2; or (2) a child care provider authorized to provide
2.18 care in a child's home under section 119B.09, subdivision 13, provided the provider only
2.19 cares for related children, children from a single, unrelated family, or both related children
2.20 and children from a single, unrelated family.

2.21 **EFFECTIVE DATE.** This section is effective the day following final enactment.

2.22 Sec. 2. Minnesota Statutes 2014, section 119B.025, subdivision 1, is amended to read:

2.23 Subdivision 1. **Factors which must be verified.** (a) The county shall verify the
2.24 following at all initial child care applications using the universal application:

2.25 (1) identity of adults;

2.26 (2) presence of the minor child in the home, if questionable;

2.27 (3) relationship of minor child to the parent, stepparent, legal guardian, eligible
2.28 relative caretaker, or the spouses of any of the foregoing;

2.29 (4) age;

2.30 (5) immigration status, if related to eligibility;

2.31 (6) Social Security number, if given;

2.32 (7) income;

2.33 (8) spousal support and child support payments made to persons outside the
2.34 household;

2.35 (9) residence; and

2.36 (10) inconsistent information, if related to eligibility.

3.1 (b) If a family did not use the universal application or child care addendum to apply
3.2 for child care assistance, the family must complete the universal application or child care
3.3 addendum at its next eligibility redetermination and the county must verify the factors
3.4 listed in paragraph (a) as part of that redetermination. Once a family has completed a
3.5 universal application or child care addendum, the county shall use the redetermination
3.6 form described in paragraph (c) for that family's subsequent redeterminations. Eligibility
3.7 must be redetermined at least every six months. A family is considered to have met
3.8 the eligibility redetermination requirement if a complete redetermination form and all
3.9 required verifications are received within 30 days after the date the form was due.
3.10 When the 30th day after the date the form was due falls on a Saturday, Sunday, or legal
3.11 holiday, the 30-day time period is extended to include the next succeeding day that is not
3.12 a Saturday, Sunday, or legal holiday. Assistance shall be payable retroactively from the
3.13 redetermination due date. For a family where at least one parent is under the age of 21,
3.14 does not have a high school or general equivalency diploma, and is a student in a school
3.15 district or another similar program that provides or arranges for child care, as well as
3.16 parenting, social services, career and employment supports, and academic support to
3.17 achieve high school graduation, the redetermination of eligibility shall be deferred beyond
3.18 six months, but not to exceed 12 months, to the end of the student's school year. If a
3.19 family reports a change in an eligibility factor before the family's next regularly scheduled
3.20 redetermination, the county must recalculate eligibility without requiring verification of
3.21 any eligibility factor that did not change.

3.22 (c) The commissioner shall develop a redetermination form to redetermine eligibility
3.23 and a change report form to report changes that minimize paperwork for the county and
3.24 the participant.

3.25 Sec. 3. Minnesota Statutes 2014, section 119B.09, subdivision 9, is amended to read:

3.26 Subd. 9. **Licensed and legal nonlicensed family child care providers; assistance.**
3.27 This subdivision applies to any provider providing care in a setting other than a child care
3.28 center. Licensed and legal nonlicensed family child care providers and their employees
3.29 are not eligible to receive child care assistance subsidies under this chapter for their own
3.30 children or children in their family during the hours they are providing child care or being
3.31 paid to provide child care. Child care providers and their employees are eligible to receive
3.32 child care assistance subsidies for their children when they are engaged in other activities
3.33 that meet the requirements of this chapter and for which child care assistance can be paid.
3.34 The hours for which the provider or their employee receives a child care subsidy for their
3.35 own children must not overlap with the hours the provider provides child care services.

4.1 **EFFECTIVE DATE.** This section is effective the day following final enactment.

4.2 Sec. 4. Minnesota Statutes 2014, section 245A.035, subdivision 1, is amended to read:

4.3 Subdivision 1. **Emergency placement.** Notwithstanding section 245A.03,
4.4 subdivision 2a, or 245C.13, subdivision 2, a county agency may place a child with a
4.5 relative who is not licensed to provide foster care, provided the requirements of this
4.6 section are met. As used in this section, the term "relative" has the meaning given it under
4.7 section 260C.007, subdivision 26b or 27.

4.8 Sec. 5. Minnesota Statutes 2014, section 245A.035, subdivision 5, is amended to read:

4.9 Subd. 5. **Child foster care license application.** (a) The relatives with whom the
4.10 emergency placement has been made shall complete the child foster care license application
4.11 and necessary paperwork within ten days of the placement. The county agency shall assist
4.12 the applicant to complete the application. The granting of a child foster care license to a
4.13 relative shall be under the procedures in this chapter and according to the standards in
4.14 Minnesota Rules, chapter 2960. In licensing a relative, the commissioner shall consider
4.15 the importance of maintaining the child's relationship with relatives as an additional
4.16 significant factor in determining whether a background study disqualification should be
4.17 set aside under section 245C.22, or a variance should be granted under section 245C.30.

4.18 (b) When the county or private child-placing agency is processing an application
4.19 for child foster care licensure of a relative as defined in section 260B.007, subdivision
4.20 12, or 260C.007, subdivision 26b or 27, the county agency or child-placing agency must
4.21 explain the licensing process to the prospective licensee, including the background study
4.22 process and the procedure for reconsideration of an initial disqualification for licensure.
4.23 The county or private child-placing agency must also provide the prospective relative
4.24 licensee with information regarding appropriate options for legal representation in the
4.25 pertinent geographic area. If a relative is initially disqualified under section 245C.14, the
4.26 commissioner must provide written notice of the reasons for the disqualification and the
4.27 right to request a reconsideration by the commissioner as required under section 245C.17.

4.28 (c) The commissioner shall maintain licensing data so that activities related to
4.29 applications and licensing actions for relative foster care providers may be distinguished
4.30 from other child foster care settings.

4.31 Sec. 6. Minnesota Statutes 2014, section 245C.22, subdivision 7, is amended to read:

4.32 Subd. 7. **Classification of certain data.** (a) Notwithstanding section 13.46, except
4.33 as provided in paragraph (f), upon setting aside a disqualification under this section, the

5.1 identity of the disqualified individual who received the set-aside and the individual's
5.2 disqualifying characteristics are public data if the set-aside was:

5.3 (1) for any disqualifying characteristic under section 245C.15, when the set-aside
5.4 relates to a child care center or a family child care provider licensed under chapter 245A; or

5.5 (2) for a disqualifying characteristic under section 245C.15, subdivision 2.

5.6 (b) Notwithstanding section 13.46, upon granting a variance to a license holder
5.7 under section 245C.30, the identity of the disqualified individual who is the subject of
5.8 the variance, the individual's disqualifying characteristics under section 245C.15, and the
5.9 terms of the variance are public data, when the variance:

5.10 (1) is issued to a child care center or a family child care provider licensed under
5.11 chapter 245A; or

5.12 (2) relates to an individual with a disqualifying characteristic under section 245C.15,
5.13 subdivision 2.

5.14 (c) The identity of a disqualified individual and the reason for disqualification
5.15 remain private data when:

5.16 (1) a disqualification is not set aside and no variance is granted, except as provided
5.17 under section 13.46, subdivision 4;

5.18 (2) the data are not public under paragraph (a) or (b);

5.19 (3) the disqualification is rescinded because the information relied upon to disqualify
5.20 the individual is incorrect;

5.21 (4) the disqualification relates to a license to provide relative child foster care.

5.22 As used in this clause, "relative" has the meaning given it under section 260C.007,
5.23 subdivision 26b or 27; or

5.24 (5) the disqualified individual is a household member of a licensed foster care
5.25 provider and:

5.26 (i) the disqualified individual previously received foster care services from this
5.27 licensed foster care provider;

5.28 (ii) the disqualified individual was subsequently adopted by this licensed foster
5.29 care provider; and

5.30 (iii) the disqualifying act occurred before the adoption.

5.31 (d) Licensed family child care providers and child care centers must provide notices
5.32 as required under section 245C.301.

5.33 (e) Notwithstanding paragraphs (a) and (b), the identity of household members who
5.34 are the subject of a disqualification related set-aside or variance is not public data if:

5.35 (1) the household member resides in the residence where the family child care is
5.36 provided;

6.1 (2) the subject of the set-aside or variance is under the age of 18 years; and

6.2 (3) the set-aside or variance only relates to a disqualification under section 245C.15,
6.3 subdivision 4, for a misdemeanor-level theft crime as defined in section 609.52.

6.4 (f) When the commissioner has reason to know that a disqualified individual has
6.5 received an order for expungement for the disqualifying record that does not limit the
6.6 commissioner's access to the record, and the record was opened or exchanged with the
6.7 commissioner for purposes of a background study under this chapter, the data that would
6.8 otherwise become public under paragraph (a) or (b) remain private data.

6.9 Sec. 7. Minnesota Statutes 2014, section 256.01, subdivision 14b, is amended to read:

6.10 Subd. 14b. **American Indian child welfare projects.** (a) The commissioner
6.11 of human services may authorize projects to test tribal delivery of child welfare
6.12 services to American Indian children and their parents and custodians living on the
6.13 reservation. The commissioner has authority to solicit and determine which tribes may
6.14 participate in a project. Grants may be issued to Minnesota Indian tribes to support the
6.15 projects. The commissioner may waive existing state rules as needed to accomplish the
6.16 projects. ~~Notwithstanding section 626.556, The commissioner may authorize projects to~~
6.17 ~~use alternative methods of investigating and assessing reports of child maltreatment,~~
6.18 ~~provided that the projects comply with the provisions of section 626.556 dealing with~~
6.19 ~~the rights of individuals who are subjects of reports or investigations, including notice~~
6.20 ~~and appeal rights and data practices requirements. The commissioner may authorize~~
6.21 projects to use alternative methods of (1) investigating and assessing reports of child
6.22 maltreatment, and (2) administrative reconsideration and judicial appeal of maltreatment
6.23 determinations, provided the alternative methods used by the projects comply with the
6.24 provisions of sections 256.045 and 626.556 dealing with the rights of individuals who
6.25 are the subjects of reports or investigations, including notice and appeal rights and data
6.26 practices requirements. The commissioner may seek any federal approvals necessary to
6.27 carry out the projects as well as seek and use any funds available to the commissioner,
6.28 including use of federal funds, foundation funds, existing grant funds, and other funds.
6.29 The commissioner is authorized to advance state funds as necessary to operate the projects.
6.30 Federal reimbursement applicable to the projects is appropriated to the commissioner for
6.31 the purposes of the projects. The projects must be required to address responsibility for
6.32 safety, permanency, and well-being of children.

6.33 (b) For the purposes of this section, "American Indian child" means a person under 21
6.34 years old and who is a tribal member or eligible for membership in one of the tribes chosen
6.35 for a project under this subdivision and who is residing on the reservation of that tribe.

7.1 (c) In order to qualify for an American Indian child welfare project, a tribe must:

7.2 (1) be one of the existing tribes with reservation land in Minnesota;

7.3 (2) have a tribal court with jurisdiction over child custody proceedings;

7.4 (3) have a substantial number of children for whom determinations of maltreatment
7.5 have occurred;

7.6 (4) have capacity to respond to reports of abuse and neglect under section 626.556;

7.7 (5) provide a wide range of services to families in need of child welfare services; and

7.8 (6) have a tribal-state title IV-E agreement in effect.

7.9 (d) Grants awarded under this section may be used for the nonfederal costs of
7.10 providing child welfare services to American Indian children on the tribe's reservation,
7.11 including costs associated with:

7.12 (1) assessment and prevention of child abuse and neglect;

7.13 (2) family preservation;

7.14 (3) facilitative, supportive, and reunification services;

7.15 (4) out-of-home placement for children removed from the home for child protective
7.16 purposes; and

7.17 (5) other activities and services approved by the commissioner that further the goals
7.18 of providing safety, permanency, and well-being of American Indian children.

7.19 (e) When a tribe has initiated a project and has been approved by the commissioner
7.20 to assume child welfare responsibilities for American Indian children of that tribe under
7.21 this section, the affected county social service agency is relieved of responsibility for
7.22 responding to reports of abuse and neglect under section 626.556 for those children
7.23 during the time within which the tribal project is in effect and funded. The commissioner
7.24 shall work with tribes and affected counties to develop procedures for data collection,
7.25 evaluation, and clarification of ongoing role and financial responsibilities of the county
7.26 and tribe for child welfare services prior to initiation of the project. Children who have not
7.27 been identified by the tribe as participating in the project shall remain the responsibility
7.28 of the county. Nothing in this section shall alter responsibilities of the county for law
7.29 enforcement or court services.

7.30 (f) Participating tribes may conduct children's mental health screenings under section
7.31 245.4874, subdivision 1, paragraph (a), clause (13), for children who are eligible for the
7.32 initiative and living on the reservation and who meet one of the following criteria:

7.33 (1) the child must be receiving child protective services;

7.34 (2) the child must be in foster care; or

7.35 (3) the child's parents must have had parental rights suspended or terminated.

8.1 Tribes may access reimbursement from available state funds for conducting the screenings.
8.2 Nothing in this section shall alter responsibilities of the county for providing services
8.3 under section 245.487.

8.4 (g) Participating tribes may establish a local child mortality review panel. In
8.5 establishing a local child mortality review panel, the tribe agrees to conduct local child
8.6 mortality reviews for child deaths or near-fatalities occurring on the reservation under
8.7 subdivision 12. Tribes with established child mortality review panels shall have access
8.8 to nonpublic data and shall protect nonpublic data under subdivision 12, paragraphs (c)
8.9 to (e). The tribe shall provide written notice to the commissioner and affected counties
8.10 when a local child mortality review panel has been established and shall provide data upon
8.11 request of the commissioner for purposes of sharing nonpublic data with members of the
8.12 state child mortality review panel in connection to an individual case.

8.13 (h) The commissioner shall collect information on outcomes relating to child safety,
8.14 permanency, and well-being of American Indian children who are served in the projects.
8.15 Participating tribes must provide information to the state in a format and completeness
8.16 deemed acceptable by the state to meet state and federal reporting requirements.

8.17 (i) In consultation with the White Earth Band, the commissioner shall develop
8.18 and submit to the chairs and ranking minority members of the legislative committees
8.19 with jurisdiction over health and human services a plan to transfer legal responsibility
8.20 for providing child protective services to White Earth Band member children residing in
8.21 Hennepin County to the White Earth Band. The plan shall include a financing proposal,
8.22 definitions of key terms, statutory amendments required, and other provisions required to
8.23 implement the plan. The commissioner shall submit the plan by January 15, 2012.

8.24 Sec. 8. Minnesota Statutes 2014, section 256N.02, subdivision 18, is amended to read:

8.25 Subd. 18. **Relative.** "Relative," as described in section 260C.007, subdivision 27,
8.26 means a person related to the child by blood, marriage, or adoption, or an individual
8.27 who is an important friend with whom the child has resided or had significant contact.

8.29 members means a person who is a member of the Indian child's extended family as defined

9.4 (2) a child's relative under section 260C.007, subdivision 26b or 27, with whom the
9.5 child resided immediately prior to child welfare involvement unless:

9.7 an order under chapter 260C or equivalent provisions of tribal code and the agency had
9.8 placement and care responsibility for permanency planning for the child; and

9.9 (ii) the child is under guardianship of the commissioner of human services according
9.10 to the requirements of section 260C.325, subdivision 1 or 3, or is a ward of a Minnesota
9.11 tribal court after termination of parental rights, suspension of parental rights, or a finding
9.12 by the tribal court that the child cannot safely return to the care of the parent;

9.16 (5) an individual who is adopting a child who is not a citizen or resident of the
9.17 United States and was either adopted in another country or brought to the United States
9.18 for the purposes of adoption.

9.32 (d) "Relative" has the meaning given in section 260C.007, subdivision 26b or 27.

9.33 (e) "Relative custodian" means a person who has permanent legal and physical
9.34 custody of a child. When siblings, including half-siblings and stepsiblings, are placed
9.35 together in permanent legal and physical custody, the person receiving permanent legal

10.1 and physical custody of the siblings is considered a relative custodian of all of the siblings
10.2 for purposes of this section.

10.3 (f) "Relative custody assistance agreement" means an agreement entered into
10.4 between a local agency and a person who has been or will be awarded permanent legal
10.5 and physical custody of a child.

10.6 (g) "Relative custody assistance payment" means a monthly cash grant made to a
10.7 relative custodian pursuant to a relative custody assistance agreement and in an amount
10.8 calculated under subdivision 7.

10.9 (h) "Remains in the physical custody of the relative custodian" means that the
10.10 relative custodian is providing day-to-day care for the child and that the child lives with
10.11 the relative custodian; absence from the relative custodian's home for a period of more
10.12 than 120 days raises a presumption that the child no longer remains in the physical
10.13 custody of the relative custodian.

10.14 Sec. 11. Minnesota Statutes 2014, section 259A.01, subdivision 25, is amended to read:

10.15 Subd. 25. **Relative.** "Relative" means a person related to the child by blood,
10.16 marriage, or adoption, or an individual who is an important friend with whom the child
10.17 has resided or had significant contact. For an Indian child, relative ~~includes members~~
10.18 means a person who is a member of the Indian child's extended family as defined by law
10.19 ~~or custom of the Indian child's tribe, or, in the absence of law or custom, shall be a person~~
10.20 ~~who has reached the age of 18 and who is the Indian child's grandparent, aunt or uncle,~~
10.21 ~~brother or sister, brother-in-law or sister-in-law, niece or nephew, first or second cousin, or~~
10.22 ~~stepparent, as provided in the Indian Child Welfare Act of 1978, United States Code, title~~
10.23 25, section 1903, paragraphs (2), (6), and (9).

10.24 Sec. 12. Minnesota Statutes 2014, section 259A.10, subdivision 6, is amended to read:

10.25 Subd. 6. **Exclusions.** The commissioner shall not enter into an adoption assistance
10.26 agreement with:

10.27 (1) a child's biological parent or stepparent;

10.28 (2) a child's relative, according to section 260C.007, subdivision 26b or 27, with
10.29 whom the child resided immediately prior to child welfare involvement unless:

10.30 (i) the child was in the custody of a Minnesota county or tribal agency pursuant to
10.31 an order under chapter 260C or equivalent provisions of tribal code and the agency had
10.32 placement and care responsibility for permanency planning for the child; and

10.33 (ii) the child is under guardianship of the commissioner of human services according
10.34 to the requirements of section 260C.325, subdivision 1, paragraphs (a) and (b), or

11.1 subdivision 3, paragraphs (a) and (b), or is a ward of a Minnesota tribal court after
11.2 termination of parental rights, suspension of parental rights, or a finding by the tribal court
11.3 that the child cannot safely return to the care of the parent;

11.4 (3) a child's legal custodian or guardian who is now adopting the child;

11.5 (4) an individual adopting a child who is the subject of a direct adoptive placement
11.6 under section 259.47 or the equivalent in tribal code; or

11.7 (5) an individual who is adopting a child who is not a citizen or resident of the
11.8 United States and was either adopted in another country or brought to this country for
11.9 the purposes of adoption.

11.10 Sec. 13. **[260.753] PURPOSES.**

11.11 The purposes of this act are to (1) protect the long-term interests, as defined by
11.12 the tribes, of Indian children, their families as defined by law or custom, and the child's
11.13 tribe; and (2) preserve the Indian family and tribal identity, including an understanding
11.14 that Indian children are damaged if family and child tribal identity and contact are denied.
11.15 Indian children are the future of the tribes and are vital to their very existence.

11.16 Sec. 14. Minnesota Statutes 2014, section 260.755, is amended by adding a subdivision
11.17 to read:

11.18 Subd. 1a. **Active efforts.** "Active efforts" means a rigorous and concerted level
11.19 of effort that is ongoing throughout the involvement of the local social services agency
11.20 to continuously involve the Indian child's tribe and that uses the prevailing social and
11.21 cultural values, conditions, and way of life of the Indian child's tribe to preserve the
11.22 Indian child's family and prevent placement of an Indian child and, if placement occurs, to
11.23 return the Indian child to the child's family at the earliest possible time. Active efforts
11.24 sets a higher standard than reasonable efforts to preserve the family, prevent breakup of
11.25 the family, and reunify the family, according to section 260.762. Active efforts includes
11.26 reasonable efforts as required by Title IV-E of the Social Security Act, United States
11.27 Code, title 42, sections 670 to 679c.

11.28 Sec. 15. Minnesota Statutes 2014, section 260.755, is amended by adding a subdivision
11.29 to read:

11.30 Subd. 2a. **Best interests of an Indian child.** "Best interests of an Indian child"
11.31 means compliance with the Indian Child Welfare Act and the Minnesota Indian Family
11.32 Preservation Act to preserve and maintain an Indian child's family. The best interests of
11.33 an Indian child support the child's sense of belonging to family, extended family, and

12.1 tribe. The best interests of an Indian child are interwoven with the best interests of the
 12.2 Indian child's tribe.

12.3 Sec. 16. Minnesota Statutes 2014, section 260.755, subdivision 8, is amended to read:

12.4 Subd. 8. **Indian child.** "Indian child" means an unmarried person who is under
 12.5 age 18 and is:

12.6 (1) a member of an Indian tribe; or

12.7 (2) eligible for membership in an Indian tribe.

12.8 A determination by a tribe that a child is a member of the Indian tribe or is eligible
 12.9 for membership in the Indian tribe is conclusive. For purposes of this chapter and chapters
 12.10 256N, 260C, and 260D, Indian child also includes an unmarried person who satisfies
 12.11 either clause (1) or (2), is under age 21, and is in foster care pursuant to section 260C.451.

12.12 Sec. 17. Minnesota Statutes 2014, section 260.755, subdivision 14, is amended to read:

12.13 Subd. 14. **Parent.** "Parent" means the biological parent of an Indian child, or any
 12.14 Indian person who has lawfully adopted an Indian child, including a person who has
 12.15 adopted a child by tribal law or custom. ~~It~~ Parent includes a father as defined by tribal
 12.16 law or custom. Parent does not include an unmarried father whose paternity has not been
 12.17 acknowledged or established. Paternity has been acknowledged when an unmarried father
 12.18 takes any action to hold himself out as the biological father of an Indian child.

12.19 Sec. 18. Minnesota Statutes 2014, section 260.761, subdivision 1, is amended to read:

12.20 Subdivision 1. ~~**Determination of Indian child's tribe**~~ **Inquiry of tribal lineage.**
 12.21 ~~The local social services agency or private licensed child-placing agency shall determine~~
 12.22 ~~whether a child brought to its attention for the purposes described in this section is an Indian~~
 12.23 ~~child and the identity of the Indian child's tribe~~ inquire of the child, the child's parents and
 12.24 custodians, and other appropriate persons whether there is any reason to believe that a
 12.25 child brought to the agency's attention may have lineage to an Indian tribe. This inquiry
 12.26 shall occur at the time the child comes to the attention of the local social services agency.

12.27 Sec. 19. Minnesota Statutes 2014, section 260.761, subdivision 2, is amended to read:

12.28 Subd. 2. **Agency and court notice of potential out-of-home placement to tribes.**
 12.29 (a) When a local social services agency or private child-placing agency determines that
 12.30 an Indian child is in a dependent or other condition that could lead to an out-of-home
 12.31 placement and requires the continued involvement of the agency with the child for a
 12.32 period in excess of 30 days, the agency shall send notice of the condition and of the initial

13.1 ~~steps taken to remedy it to the Indian child's tribal social services agency within seven~~
13.2 ~~days of the determination.~~ has information that a family assessment or investigation being
13.3 conducted may involve an Indian child, the local social services agency shall notify the
13.4 Indian child's tribe of the family assessment or investigation according to section 626.556,
13.5 subdivision 10, paragraph (a), clause (5). Initial notice shall be provided by telephone
13.6 and by e-mail or facsimile. The local social services agency shall request that the tribe
13.7 or a designated tribal representative participate in evaluating the family circumstances,
13.8 identifying family and tribal community resources, and developing case plans.

13.9 (b) When a local social services agency has information that a child receiving
13.10 services may be an Indian child, the local social services agency shall notify the tribe by
13.11 telephone and by e-mail or facsimile of the child's full name and date of birth, the full
13.12 names and dates of birth of the child's biological parents, and, if known, the full names
13.13 and dates of birth of the child's grandparents and of the child's Indian custodian. This
13.14 notification must be provided so the tribe can determine if the child is enrolled in the tribe
13.15 or eligible for membership, and must be provided within seven days. If information
13.16 regarding the child's grandparents or Indian custodian is not available within the seven-day
13.17 period, the local social services agency shall continue to request this information and shall
13.18 notify the tribe when it is received. Notice shall be provided to all tribes to which the child
13.19 may have any tribal lineage. If the identity or location of the child's parent or Indian
13.20 custodian and tribe cannot be determined, the local social services agency shall provide
13.21 the notice required in this paragraph to the United States secretary of the interior.

13.22 (c) In accordance with sections 260C.151 and 260C.152, when a court has reason
13.23 to believe that a child placed in emergency protective care is an Indian child, the court
13.24 administrator or a designee shall, as soon as possible and before a hearing takes place,
13.25 notify the tribal social services agency by telephone and by e-mail or facsimile of the date,
13.26 time, and location of the emergency protective case hearing. The court shall make efforts to
13.27 allow appearances by telephone for tribal representatives, parents, and Indian custodians.

13.28 (d) A local social services agency must provide the notices required under this
13.29 subdivision at the earliest possible time to facilitate involvement of the Indian child's tribe.
13.30 Nothing in this subdivision is intended to hinder the ability of the local social services
13.31 agency and the court to respond to an emergency situation. Lack of participation by a tribe
13.32 shall not prevent the tribe from intervening in services and proceedings at a later date. A
13.33 tribe may participate at any time. At this and any subsequent stage of its the local social
13.34 services agency's involvement with an Indian child, the agency shall, upon request, give
13.35 provide full cooperation to the tribal social services agency full cooperation, including
13.36 access to all files disclosure of all data concerning the Indian child. If the files contain

14.1 ~~confidential or private data, the agency may require execution of an agreement with the~~
14.2 ~~tribal social services agency that the tribal social services agency shall maintain the data~~
14.3 ~~according to statutory provisions applicable to the data. This subdivision applies whenever~~
14.4 ~~the court transfers legal custody of an Indian child under section 260B.198, subdivision~~
14.5 ~~1, clause (3), item (i), (ii), or (iii), following an adjudication for a misdemeanor-level~~
14.6 ~~delinquent act. Nothing in this subdivision relieves the local social services agency of~~
14.7 ~~satisfying the notice requirements in the Indian Child Welfare Act.~~

14.8 Sec. 20. **[260.762] DUTY TO PREVENT OUT-OF-HOME PLACEMENT AND**
14.9 **PROMOTE FAMILY REUNIFICATION; ACTIVE EFFORTS.**

14.10 Subdivision 1. **Active efforts.** Active efforts includes acknowledging traditional
14.11 helping and healing systems of an Indian child's tribe and using these systems as the core
14.12 to help and heal the Indian child and family.

14.13 Subd. 2. **Requirements for local social services agencies.** A local social services
14.14 agency shall:

14.15 (1) work with the Indian child's tribe and family to develop an alternative plan to
14.16 out-of-home placement;

14.17 (2) before making a decision that may affect an Indian child's safety and well-being
14.18 or when contemplating out-of-home placement of an Indian child, seek guidance from
14.19 the Indian child's tribe on family structure, how the family can seek help, what family
14.20 and tribal resources are available, and what barriers the family faces at that time that
14.21 could threaten its preservation; and

14.22 (3) request participation of the Indian child's tribe at the earliest possible time and
14.23 request the tribe's active participation throughout the case.

14.24 Subd. 3. **Required findings that active efforts were provided.** A court shall not
14.25 order an out-of-home or permanency placement for an Indian child unless the court finds
14.26 that the local social services agency made active efforts to the Indian child's family. In
14.27 determining whether the local social services agency made active efforts for purposes
14.28 of out-of-home placement and permanency, the court shall make findings regarding
14.29 whether the following activities were appropriate and whether the local social services
14.30 agency made appropriate and meaningful services available to the family based upon that
14.31 family's specific needs:

14.32 (1) whether the local social services agency made efforts at the earliest point
14.33 possible to (i) identify whether a child may be an Indian child as defined in the Indian
14.34 Child Welfare Act, United States Code, title 25, section 1903, and section 260.755,
14.35 subdivision 8; and (ii) identify and request participation of the Indian child's tribe at the

15.1 earliest point possible and throughout the investigation or assessment, case planning,
15.2 provision of services, and case completion;

15.3 (2) whether the local social services agency requested that a tribally designated
15.4 representative with substantial knowledge of prevailing social and cultural standards
15.5 and child-rearing practices within the tribal community evaluate the circumstances of
15.6 the Indian child's family and assist in developing a case plan that uses tribal and Indian
15.7 community resources;

15.8 (3) whether the local social services agency provided concrete services and access
15.9 to both tribal and nontribal services to members of the Indian child's family, including
15.10 but not limited to financial assistance, food, housing, health care, transportation, in-home
15.11 services, community support services, and specialized services; and whether these services
15.12 are being provided in an ongoing manner throughout the agency's involvement with the
15.13 family, to directly assist the family in accessing and utilizing services to maintain the
15.14 Indian family, or reunify the Indian family as soon as safety can be assured if out-of-home
15.15 placement has occurred;

15.16 (4) whether the local social services agency notified and consulted with the Indian
15.17 child's extended family members, as identified by the child, the child's parents, or the
15.18 tribe; whether extended family members were consulted to provide support to the child
15.19 and parents, to inform the local social services agency and court as to cultural connections
15.20 and family structure, to assist in identifying appropriate cultural services and supports for
15.21 the child and parents, and to identify and serve as a placement and permanency resource
15.22 for the child; and if there was difficulty contacting or engaging with extended family
15.23 members, whether assistance was sought from the tribe, the Department of Human
15.24 Services, or other agencies with expertise in working with Indian families;

15.25 (5) whether the local social services agency provided services and resources to
15.26 relatives who are considered the primary placement option for an Indian child, as agreed
15.27 by the local social services agency and the tribe, to overcome barriers to providing care
15.28 to an Indian child. Services and resources shall include but are not limited to child care
15.29 assistance, financial assistance, housing resources, emergency resources, and foster care
15.30 licensing assistance and resources; and

15.31 (6) whether the local social services agency arranged for visitation to occur, whenever
15.32 possible, in the home of the Indian child's parent, Indian custodian, or other family member
15.33 or in another noninstitutional setting, in order to keep the child in close contact with
15.34 parents, siblings, and other relatives regardless of the child's age and to allow the child and
15.35 those with whom the child visits to have natural, unsupervised interaction when consistent
15.36 with protecting the child's safety; and whether the local social services agency consulted

16.1 with a tribal representative to determine and arrange for visitation in the most natural
16.2 setting that ensures the child's safety, when the child's safety requires supervised visitation.

16.3 Sec. 21. Minnesota Statutes 2014, section 260.771, subdivision 3, is amended to read:

16.4 Subd. 3. **Transfer of proceedings.** (a) In a proceeding for: (1) the termination of
16.5 parental rights; or (2) the involuntary foster care placement of an Indian child not within
16.6 the jurisdiction of subdivision 1, the court, in the absence of good cause to the contrary,
16.7 shall transfer the proceeding to the jurisdiction of the tribe absent objection by either
16.8 parent, upon the petition of either parent or, the Indian custodian, or the Indian child's
16.9 tribe. The transfer is subject to declination by the tribal court of the tribe.

16.10 (b) In a proceeding for the preadoptive or adoptive placement of an Indian child not
16.11 within the jurisdiction of subdivision 1, the court, in the absence of good cause to the
16.12 contrary, shall transfer the proceeding to the jurisdiction of the tribe. The transfer is
16.13 subject to declination by the tribal court of the tribe. For the purposes of this subdivision,
16.14 "preadoptive placement" and "adoptive placement" have the meanings give in section
16.15 260.755, subdivision 3.

16.16 (c) At any point in a proceeding for finalizing a permanency plan, the court, in the
16.17 absence of good cause to the contrary and in the absence of an objection by either parent,
16.18 shall transfer the proceeding to tribal court for the purpose of achieving a customary
16.19 adoption or other culturally appropriate permanency option. This transfer shall be made
16.20 upon the petition of a parent whose parental rights have not been terminated, the Indian
16.21 custodian, or the Indian child's tribe. The transfer is subject to declination by the tribal
16.22 court of the tribe.

16.23 Sec. 22. Minnesota Statutes 2014, section 260B.007, subdivision 12, is amended to read:

16.24 Subd. 12. **Relative.** "Relative" means a parent, stepparent, grandparent, brother,
16.25 sister, uncle, or aunt of the minor. This relationship may be by blood or marriage. For an
16.26 Indian child, relative ~~includes members~~ means a person who is a member of the Indian
16.27 child's extended family as defined by the law or custom of the Indian child's tribe or, in
16.28 the absence of laws or custom, nieces, nephews, or first or second cousins, as provided
16.29 in the Indian Child Welfare Act of 1978, United States Code, title 25, section 1903,
16.30 paragraphs (2), (6), and (9).

16.31 Sec. 23. Minnesota Statutes 2014, section 260C.007, is amended by adding a
16.32 subdivision to read:

17.1 Subd. 26b. **Relative of an Indian child.** "Relative of an Indian child" means a
 17.2 person who is a member of the Indian child's family as defined in the Indian Child Welfare
 17.3 Act of 1978, United States Code, title 25, section 1903, paragraphs (2), (6), and (9).

17.4 Sec. 24. Minnesota Statutes 2014, section 260C.007, subdivision 27, is amended to read:

17.5 Subd. 27. **Relative.** "Relative" means a person related to the child by blood,
 17.6 marriage, or adoption, or an individual who is an important friend with whom the child
 17.7 has resided or had significant contact. ~~For an Indian child, relative includes members of~~
 17.8 ~~the extended family as defined by the law or custom of the Indian child's tribe or, in the~~
 17.9 ~~absence of law or custom, nieces, nephews, or first or second cousins, as provided in the~~
 17.10 ~~Indian Child Welfare Act of 1978, United States Code, title 25, section 1903.~~

17.11 Sec. 25. Minnesota Statutes 2014, section 260C.168, is amended to read:

17.12 **260C.168 COMPLIANCE WITH INDIAN CHILD WELFARE ACT AND**
 17.13 **MINNESOTA INDIAN FAMILY PRESERVATION ACT.**

17.14 The provisions of this chapter must be construed consistently with the Indian
 17.15 Child Welfare Act of 1978, United States Code, title 25, sections 1901 to 1963, and the
 17.16 Minnesota Indian Family Preservation Act, sections 260.751 to 260.835.

17.17 Sec. 26. Minnesota Statutes 2014, section 260C.178, subdivision 1, is amended to read:

17.18 Subdivision 1. **Hearing and release requirements.** (a) If a child was taken into
 17.19 custody under section 260C.175, subdivision 1, clause (1) or (2), item (ii), the court shall
 17.20 hold a hearing within 72 hours of the time the child was taken into custody, excluding
 17.21 Saturdays, Sundays, and holidays, to determine whether the child should continue in
 17.22 custody.

17.23 (b) Unless there is reason to believe that the child would endanger self or others or
 17.24 not return for a court hearing, or that the child's health or welfare would be immediately
 17.25 endangered, the child shall be released to the custody of a parent, guardian, custodian,
 17.26 or other suitable person, subject to reasonable conditions of release including, but not
 17.27 limited to, a requirement that the child undergo a chemical use assessment as provided in
 17.28 section 260C.157, subdivision 1.

17.29 (c) If the court determines there is reason to believe that the child would endanger
 17.30 self or others or not return for a court hearing, or that the child's health or welfare would
 17.31 be immediately endangered if returned to the care of the parent or guardian who has
 17.32 custody and from whom the child was removed, the court shall order the child into
 17.33 foster care under the legal responsibility of the responsible social services agency or

18.1 responsible probation or corrections agency for the purposes of protective care as that term
18.2 is used in the juvenile court rules or into the home of a noncustodial parent and order the
18.3 noncustodial parent to comply with any conditions the court determines to be appropriate
18.4 to the safety and care of the child, including cooperating with paternity establishment
18.5 proceedings in the case of a man who has not been adjudicated the child's father. The
18.6 court shall not give the responsible social services legal custody and order a trial home
18.7 visit at any time prior to adjudication and disposition under section 260C.201, subdivision
18.8 1, paragraph (a), clause (3), but may order the child returned to the care of the parent or
18.9 guardian who has custody and from whom the child was removed and order the parent or
18.10 guardian to comply with any conditions the court determines to be appropriate to meet
18.11 the safety, health, and welfare of the child.

18.12 (d) In determining whether the child's health or welfare would be immediately
18.13 endangered, the court shall consider whether the child would reside with a perpetrator
18.14 of domestic child abuse.

18.15 (e) The court, before determining whether a child should be placed in or continue
18.16 in foster care under the protective care of the responsible agency, shall also make a
18.17 determination, consistent with section 260.012 as to whether reasonable efforts were made
18.18 to prevent placement or whether reasonable efforts to prevent placement are not required.
18.19 In the case of an Indian child, the court shall determine whether active efforts, according
18.20 to section 260.762 and the Indian Child Welfare Act of 1978, United States Code, title
18.21 25, section 1912(d), were made to prevent placement. The court shall enter a finding that
18.22 the responsible social services agency has made reasonable efforts to prevent placement
18.23 when the agency establishes either:

18.24 (1) that it has actually provided services or made efforts in an attempt to prevent
18.25 the child's removal but that such services or efforts have not proven sufficient to permit
18.26 the child to safely remain in the home; or

18.27 (2) that there are no services or other efforts that could be made at the time of the
18.28 hearing that could safely permit the child to remain home or to return home. When
18.29 reasonable efforts to prevent placement are required and there are services or other efforts
18.30 that could be ordered which would permit the child to safely return home, the court shall
18.31 order the child returned to the care of the parent or guardian and the services or efforts put
18.32 in place to ensure the child's safety. When the court makes a prima facie determination
18.33 that one of the circumstances under paragraph (g) exists, the court shall determine that
18.34 reasonable efforts to prevent placement and to return the child to the care of the parent or
18.35 guardian are not required.

19.1 If the court finds the social services agency's preventive or reunification efforts
19.2 have not been reasonable but further preventive or reunification efforts could not permit
19.3 the child to safely remain at home, the court may nevertheless authorize or continue
19.4 the removal of the child.

19.5 (f) The court may not order or continue the foster care placement of the child unless
19.6 the court makes explicit, individualized findings that continued custody of the child by
19.7 the parent or guardian would be contrary to the welfare of the child and that placement is
19.8 in the best interest of the child.

19.9 (g) At the emergency removal hearing, or at any time during the course of the
19.10 proceeding, and upon notice and request of the county attorney, the court shall determine
19.11 whether a petition has been filed stating a prima facie case that:

19.12 (1) the parent has subjected a child to egregious harm as defined in section
19.13 260C.007, subdivision 14;

19.14 (2) the parental rights of the parent to another child have been involuntarily
19.15 terminated;

19.16 (3) the child is an abandoned infant under section 260C.301, subdivision 2,
19.17 paragraph (a), clause (2);

19.18 (4) the parents' custodial rights to another child have been involuntarily transferred
19.19 to a relative under Minnesota Statutes 2010, section 260C.201, subdivision 11, paragraph
19.20 (e), clause (1); section 260C.515, subdivision 4; or a similar law of another jurisdiction;

19.21 (5) the parent has committed sexual abuse as defined in section 626.556, subdivision
19.22 2, against the child or another child of the parent;

19.23 (6) the parent has committed an offense that requires registration as a predatory
19.24 offender under section 243.166, subdivision 1b, paragraph (a) or (b); or

19.25 (7) the provision of services or further services for the purpose of reunification is
19.26 futile and therefore unreasonable.

19.27 (h) When a petition to terminate parental rights is required under section 260C.301,
19.28 subdivision 4, or 260C.503, subdivision 2, but the county attorney has determined not to
19.29 proceed with a termination of parental rights petition, and has instead filed a petition to
19.30 transfer permanent legal and physical custody to a relative under section 260C.507, the
19.31 court shall schedule a permanency hearing within 30 days of the filing of the petition.

19.32 (i) If the county attorney has filed a petition under section 260C.307, the court shall
19.33 schedule a trial under section 260C.163 within 90 days of the filing of the petition except
19.34 when the county attorney determines that the criminal case shall proceed to trial first under
19.35 section 260C.503, subdivision 2, paragraph (c).

20.1 (j) If the court determines the child should be ordered into foster care and the child's
20.2 parent refuses to give information to the responsible social services agency regarding
20.3 the child's father or relatives of the child, the court may order the parent to disclose the
20.4 names, addresses, telephone numbers, and other identifying information to the responsible
20.5 social services agency for the purpose of complying with sections 260C.151, 260C.212,
20.6 260C.215, and 260C.221.

20.7 (k) If a child ordered into foster care has siblings, whether full, half, or step, who
20.8 are also ordered into foster care, the court shall inquire of the responsible social services
20.9 agency of the efforts to place the children together as required by section 260C.212,
20.10 subdivision 2, paragraph (d), if placement together is in each child's best interests, unless
20.11 a child is in placement for treatment or a child is placed with a previously noncustodial
20.12 parent who is not a parent to all siblings. If the children are not placed together at the time
20.13 of the hearing, the court shall inquire at each subsequent hearing of the agency's reasonable
20.14 efforts to place the siblings together, as required under section 260.012. If any sibling is
20.15 not placed with another sibling or siblings, the agency must develop a plan to facilitate
20.16 visitation or ongoing contact among the siblings as required under section 260C.212,
20.17 subdivision 1, unless it is contrary to the safety or well-being of any of the siblings to do so.

20.18 (l) When the court has ordered the child into foster care or into the home of a
20.19 noncustodial parent, the court may order a chemical dependency evaluation, mental health
20.20 evaluation, medical examination, and parenting assessment for the parent as necessary
20.21 to support the development of a plan for reunification required under subdivision 7 and
20.22 section 260C.212, subdivision 1, or the child protective services plan under section
20.23 626.556, subdivision 10, and Minnesota Rules, part 9560.0228.

20.24 Sec. 27. Minnesota Statutes 2014, section 260C.201, subdivision 5, is amended to read:

20.25 Subd. 5. **Visitation.** If the court orders the child into foster care, the court shall
20.26 review and either modify or approve the agency's plan for supervised or unsupervised
20.27 visitation that contributes to the objectives of the court-ordered case plan and the
20.28 maintenance of the familial relationship, and that meets the requirements of section
20.29 260C.212, subdivision 1, paragraph (c), clause (5). No parent may be denied visitation
20.30 unless the court finds at the disposition hearing that the visitation would endanger the
20.31 child's physical or emotional well-being, is not in the child's best interests, or is not
20.32 required under section 260C.178, subdivision 3, paragraph (c) or (d). The court shall
20.33 review and either modify or approve the agency plan for visitation for any relatives as
20.34 defined in section 260C.007, subdivision 26b or 27, and with siblings of the child, if
20.35 visitation is consistent with the best interests of the child.

21.1 Sec. 28. Minnesota Statutes 2014, section 260C.212, subdivision 1, is amended to read:

21.2 Subdivision 1. **Out-of-home placement; plan.** (a) An out-of-home placement plan
21.3 shall be prepared within 30 days after any child is placed in foster care by court order or a
21.4 voluntary placement agreement between the responsible social services agency and the
21.5 child's parent pursuant to section 260C.227 or chapter 260D.

21.6 (b) An out-of-home placement plan means a written document which is prepared
21.7 by the responsible social services agency jointly with the parent or parents or guardian
21.8 of the child and in consultation with the child's guardian ad litem, the child's tribe, if the
21.9 child is an Indian child, the child's foster parent or representative of the foster care facility,
21.10 and, where appropriate, the child. For a child in voluntary foster care for treatment under
21.11 chapter 260D, preparation of the out-of-home placement plan shall additionally include
21.12 the child's mental health treatment provider. As appropriate, the plan shall be:

21.13 (1) submitted to the court for approval under section 260C.178, subdivision 7;

21.14 (2) ordered by the court, either as presented or modified after hearing, under section
21.15 260C.178, subdivision 7, or 260C.201, subdivision 6; and

21.16 (3) signed by the parent or parents or guardian of the child, the child's guardian ad
21.17 litem, a representative of the child's tribe, the responsible social services agency, and, if
21.18 possible, the child.

21.19 (c) The out-of-home placement plan shall be explained to all persons involved in its
21.20 implementation, including the child who has signed the plan, and shall set forth:

21.21 (1) a description of the foster care home or facility selected, including how the
21.22 out-of-home placement plan is designed to achieve a safe placement for the child in the
21.23 least restrictive, most family-like, setting available which is in close proximity to the home
21.24 of the parent or parents or guardian of the child when the case plan goal is reunification,
21.25 and how the placement is consistent with the best interests and special needs of the child
21.26 according to the factors under subdivision 2, paragraph (b);

21.27 (2) the specific reasons for the placement of the child in foster care, and when
21.28 reunification is the plan, a description of the problems or conditions in the home of the
21.29 parent or parents which necessitated removal of the child from home and the changes the
21.30 parent or parents must make in order for the child to safely return home;

21.31 (3) a description of the services offered and provided to prevent removal of the child
21.32 from the home and to reunify the family including:

21.33 (i) the specific actions to be taken by the parent or parents of the child to eliminate
21.34 or correct the problems or conditions identified in clause (2), and the time period during
21.35 which the actions are to be taken; and

22.1 (ii) the reasonable efforts, or in the case of an Indian child, active efforts to be made
22.2 to achieve a safe and stable home for the child including social and other supportive
22.3 services to be provided or offered to the parent or parents or guardian of the child, the
22.4 child, and the residential facility during the period the child is in the residential facility;

22.5 (4) a description of any services or resources that were requested by the child or the
22.6 child's parent, guardian, foster parent, or custodian since the date of the child's placement
22.7 in the residential facility, and whether those services or resources were provided and if
22.8 not, the basis for the denial of the services or resources;

22.9 (5) the visitation plan for the parent or parents or guardian, other relatives as defined
22.10 in section 260C.007, subdivision 26b or 27, and siblings of the child if the siblings are not
22.11 placed together in foster care, and whether visitation is consistent with the best interest
22.12 of the child, during the period the child is in foster care;

22.13 (6) when a child cannot return to or be in the care of either parent, documentation of
22.14 steps to finalize the permanency plan for the child, including:

22.15 (i) reasonable efforts to place the child for adoption. At a minimum, the
22.16 documentation must include consideration of whether adoption is in the best interests of
22.17 the child, child-specific recruitment efforts such as relative search and the use of state,
22.18 regional, and national adoption exchanges to facilitate orderly and timely placements in
22.19 and outside of the state. A copy of this documentation shall be provided to the court in the
22.20 review required under section 260C.317, subdivision 3, paragraph (b); and

22.21 (ii) documentation necessary to support the requirements of the kinship placement
22.22 agreement under section 256N.22 when adoption is determined not to be in the child's
22.23 best interests;

22.24 (7) efforts to ensure the child's educational stability while in foster care, including:

22.25 (i) efforts to ensure that the child remains in the same school in which the child was
22.26 enrolled prior to placement or upon the child's move from one placement to another,
22.27 including efforts to work with the local education authorities to ensure the child's
22.28 educational stability; or

22.29 (ii) if it is not in the child's best interest to remain in the same school that the child
22.30 was enrolled in prior to placement or move from one placement to another, efforts to
22.31 ensure immediate and appropriate enrollment for the child in a new school;

22.32 (8) the educational records of the child including the most recent information
22.33 available regarding:

22.34 (i) the names and addresses of the child's educational providers;

22.35 (ii) the child's grade level performance;

22.36 (iii) the child's school record;

- 23.1 (iv) a statement about how the child's placement in foster care takes into account
23.2 proximity to the school in which the child is enrolled at the time of placement; and
23.3 (v) any other relevant educational information;
- 23.4 (9) the efforts by the local agency to ensure the oversight and continuity of health
23.5 care services for the foster child, including:
23.6 (i) the plan to schedule the child's initial health screens;
23.7 (ii) how the child's known medical problems and identified needs from the screens,
23.8 including any known communicable diseases, as defined in section 144.4172, subdivision
23.9 2, will be monitored and treated while the child is in foster care;
23.10 (iii) how the child's medical information will be updated and shared, including
23.11 the child's immunizations;
23.12 (iv) who is responsible to coordinate and respond to the child's health care needs,
23.13 including the role of the parent, the agency, and the foster parent;
23.14 (v) who is responsible for oversight of the child's prescription medications;
23.15 (vi) how physicians or other appropriate medical and nonmedical professionals
23.16 will be consulted and involved in assessing the health and well-being of the child and
23.17 determine the appropriate medical treatment for the child; and
23.18 (vii) the responsibility to ensure that the child has access to medical care through
23.19 either medical insurance or medical assistance;
- 23.20 (10) the health records of the child including information available regarding:
23.21 (i) the names and addresses of the child's health care and dental care providers;
23.22 (ii) a record of the child's immunizations;
23.23 (iii) the child's known medical problems, including any known communicable
23.24 diseases as defined in section 144.4172, subdivision 2;
23.25 (iv) the child's medications; and
23.26 (v) any other relevant health care information such as the child's eligibility for
23.27 medical insurance or medical assistance;
- 23.28 (11) an independent living plan for a child age 16 or older. The plan should include,
23.29 but not be limited to, the following objectives:
23.30 (i) educational, vocational, or employment planning;
23.31 (ii) health care planning and medical coverage;
23.32 (iii) transportation including, where appropriate, assisting the child in obtaining a
23.33 driver's license;
23.34 (iv) money management, including the responsibility of the agency to ensure that
23.35 the youth annually receives, at no cost to the youth, a consumer report as defined under
23.36 section 13C.001 and assistance in interpreting and resolving any inaccuracies in the report;

24.1 (v) planning for housing;
24.2 (vi) social and recreational skills; and
24.3 (vii) establishing and maintaining connections with the child's family and
24.4 community; and

24.5 (12) for a child in voluntary foster care for treatment under chapter 260D, diagnostic
24.6 and assessment information, specific services relating to meeting the mental health care
24.7 needs of the child, and treatment outcomes.

24.8 (d) The parent or parents or guardian and the child each shall have the right to legal
24.9 counsel in the preparation of the case plan and shall be informed of the right at the time
24.10 of placement of the child. The child shall also have the right to a guardian ad litem.
24.11 If unable to employ counsel from their own resources, the court shall appoint counsel
24.12 upon the request of the parent or parents or the child or the child's legal guardian. The
24.13 parent or parents may also receive assistance from any person or social services agency
24.14 in preparation of the case plan.

24.15 After the plan has been agreed upon by the parties involved or approved or ordered
24.16 by the court, the foster parents shall be fully informed of the provisions of the case plan
24.17 and shall be provided a copy of the plan.

24.18 Upon discharge from foster care, the parent, adoptive parent, or permanent legal and
24.19 physical custodian, as appropriate, and the child, if appropriate, must be provided with
24.20 a current copy of the child's health and education record.

24.21 Sec. 29. Minnesota Statutes 2014, section 260C.212, subdivision 2, is amended to read:

24.22 Subd. 2. **Placement decisions based on best interests of the child.** (a) The
24.23 policy of the state of Minnesota is to ensure that the child's best interests are met by
24.24 requiring an individualized determination of the needs of the child and of how the selected
24.25 placement will serve the needs of the child being placed. The authorized child-placing
24.26 agency shall place a child, released by court order or by voluntary release by the parent
24.27 or parents, in a family foster home selected by considering placement with relatives and
24.28 important friends in the following order:

24.29 (1) with an individual who is related to the child by blood, marriage, or adoption; or

24.30 (2) with an individual who is an important friend with whom the child has resided or
24.31 had significant contact.

24.32 For an Indian child, the agency shall follow the order of placement preferences in the
24.33 Indian Child Welfare Act of 1978, United States Code, title 25, section 1915.

24.34 (b) Among the factors the agency shall consider in determining the needs of the
24.35 child are the following:

- 25.1 (1) the child's current functioning and behaviors;
- 25.2 (2) the medical needs of the child;
- 25.3 (3) the educational needs of the child;
- 25.4 (4) the developmental needs of the child;
- 25.5 (5) the child's history and past experience;
- 25.6 (6) the child's religious and cultural needs;
- 25.7 (7) the child's connection with a community, school, and faith community;
- 25.8 (8) the child's interests and talents;
- 25.9 (9) the child's relationship to current caretakers, parents, siblings, and relatives; ~~and~~
- 25.10 (10) the reasonable preference of the child, if the court, or the child-placing agency
- 25.11 in the case of a voluntary placement, deems the child to be of sufficient age to express
- 25.12 preferences; and
- 25.13 (11) for an Indian child, the best interests of an Indian child as defined in section
- 25.14 260.755, subdivision 2a.
- 25.15 (c) Placement of a child cannot be delayed or denied based on race, color, or national
- 25.16 origin of the foster parent or the child.
- 25.17 (d) Siblings should be placed together for foster care and adoption at the earliest
- 25.18 possible time unless it is documented that a joint placement would be contrary to the
- 25.19 safety or well-being of any of the siblings or unless it is not possible after reasonable
- 25.20 efforts by the responsible social services agency. In cases where siblings cannot be placed
- 25.21 together, the agency is required to provide frequent visitation or other ongoing interaction
- 25.22 between siblings unless the agency documents that the interaction would be contrary to
- 25.23 the safety or well-being of any of the siblings.
- 25.24 (e) Except for emergency placement as provided for in section 245A.035, the
- 25.25 following requirements must be satisfied before the approval of a foster or adoptive
- 25.26 placement in a related or unrelated home: (1) a completed background study under section
- 25.27 245C.08; and (2) a completed review of the written home study required under section
- 25.28 260C.215, subdivision 4, clause (5), or 260C.611, to assess the capacity of the prospective
- 25.29 foster or adoptive parent to ensure the placement will meet the needs of the individual child.

25.30 Sec. 30. Minnesota Statutes 2014, section 260C.511, is amended to read:

25.31 **260C.511 BEST INTERESTS OF THE CHILD.**

25.32 (a) The "best interests of the child" means all relevant factors to be considered and

25.33 evaluated. In the case of an Indian child, best interests of the child includes best interests

25.34 of an Indian child as defined in section 260.755, subdivision 2a.

26.1 (b) In making a permanency disposition order or termination of parental rights,
26.2 the court must be governed by the best interests of the child, including a review of the
26.3 relationship between the child and relatives and the child and other important persons with
26.4 whom the child has resided or had significant contact.

26.5 Sec. 31. Minnesota Statutes 2014, section 268.155, subdivision 1, is amended to read:

26.6 Subdivision 1. **Definitions.** As used in this section:

26.7 (1) "Child support obligations" means obligations that are being enforced by a child
26.8 support agency in accordance with a plan described in United States Code, title 42, section
26.9 sections 454 and 455, of the Social Security Act that has been approved by the secretary of
26.10 health and human services under part D of title IV of the Social Security Act. This does
26.11 not include any type of spousal maintenance or foster care payments; and

26.12 (2) "Child support agency" means the public agency responsible for child support
26.13 enforcement, including federally approved comprehensive Tribal IV-D programs.

26.14 **EFFECTIVE DATE.** This section is effective October 15, 2015.

26.15 Sec. 32. Minnesota Statutes 2014, section 626.556, subdivision 10, is amended to read:

26.16 Subd. 10. **Duties of local welfare agency and local law enforcement agency upon**
26.17 **receipt of report.** (a) Upon receipt of a report, the local welfare agency shall determine
26.18 whether to conduct a family assessment or an investigation as appropriate to prevent or
26.19 provide a remedy for child maltreatment. The local welfare agency:

26.20 (1) shall conduct an investigation on reports involving substantial child
26.21 endangerment;

26.22 (2) shall begin an immediate investigation if, at any time when it is using a family
26.23 assessment response, it determines that there is reason to believe that substantial child
26.24 endangerment or a serious threat to the child's safety exists;

26.25 (3) may conduct a family assessment for reports that do not allege substantial child
26.26 endangerment. In determining that a family assessment is appropriate, the local welfare
26.27 agency may consider issues of child safety, parental cooperation, and the need for an
26.28 immediate response; ~~and~~

26.29 (4) may conduct a family assessment on a report that was initially screened and
26.30 assigned for an investigation. In determining that a complete investigation is not required,
26.31 the local welfare agency must document the reason for terminating the investigation and
26.32 notify the local law enforcement agency if the local law enforcement agency is conducting
26.33 a joint investigation; and

27.1 (5) shall provide immediate notice, according to section 260.761, subdivision 2, to
27.2 an Indian child's tribe when the agency has reason to believe the family assessment or
27.3 investigation may involve an Indian child. For purposes of this clause, "immediate notice"
27.4 means notice provided within 24 hours.

27.5 If the report alleges neglect, physical abuse, or sexual abuse by a parent, guardian,
27.6 or individual functioning within the family unit as a person responsible for the child's
27.7 care, or sexual abuse by a person with a significant relationship to the child when that
27.8 person resides in the child's household or by a sibling, the local welfare agency shall
27.9 immediately conduct a family assessment or investigation as identified in clauses (1) to
27.10 (4). In conducting a family assessment or investigation, the local welfare agency shall
27.11 gather information on the existence of substance abuse and domestic violence and offer
27.12 services for purposes of preventing future child maltreatment, safeguarding and enhancing
27.13 the welfare of the abused or neglected minor, and supporting and preserving family
27.14 life whenever possible. If the report alleges a violation of a criminal statute involving
27.15 sexual abuse, physical abuse, or neglect or endangerment, under section 609.378, the
27.16 local law enforcement agency and local welfare agency shall coordinate the planning and
27.17 execution of their respective investigation and assessment efforts to avoid a duplication of
27.18 fact-finding efforts and multiple interviews. Each agency shall prepare a separate report of
27.19 the results of its investigation. In cases of alleged child maltreatment resulting in death,
27.20 the local agency may rely on the fact-finding efforts of a law enforcement investigation
27.21 to make a determination of whether or not maltreatment occurred. When necessary the
27.22 local welfare agency shall seek authority to remove the child from the custody of a parent,
27.23 guardian, or adult with whom the child is living. In performing any of these duties, the
27.24 local welfare agency shall maintain appropriate records.

27.25 If the family assessment or investigation indicates there is a potential for abuse of
27.26 alcohol or other drugs by the parent, guardian, or person responsible for the child's care,
27.27 the local welfare agency shall conduct a chemical use assessment pursuant to Minnesota
27.28 Rules, part 9530.6615.

27.29 (b) When a local agency receives a report or otherwise has information indicating
27.30 that a child who is a client, as defined in section 245.91, has been the subject of physical
27.31 abuse, sexual abuse, or neglect at an agency, facility, or program as defined in section
27.32 245.91, it shall, in addition to its other duties under this section, immediately inform the
27.33 ombudsman established under sections 245.91 to 245.97. The commissioner of education
27.34 shall inform the ombudsman established under sections 245.91 to 245.97 of reports
27.35 regarding a child defined as a client in section 245.91 that maltreatment occurred at a
27.36 school as defined in sections 120A.05, subdivisions 9, 11, and 13, and 124D.10.

28.1 (c) Authority of the local welfare agency responsible for assessing or investigating
28.2 the child abuse or neglect report, the agency responsible for assessing or investigating
28.3 the report, and of the local law enforcement agency for investigating the alleged abuse or
28.4 neglect includes, but is not limited to, authority to interview, without parental consent,
28.5 the alleged victim and any other minors who currently reside with or who have resided
28.6 with the alleged offender. The interview may take place at school or at any facility or
28.7 other place where the alleged victim or other minors might be found or the child may be
28.8 transported to, and the interview conducted at, a place appropriate for the interview of a
28.9 child designated by the local welfare agency or law enforcement agency. The interview
28.10 may take place outside the presence of the alleged offender or parent, legal custodian,
28.11 guardian, or school official. For family assessments, it is the preferred practice to request
28.12 a parent or guardian's permission to interview the child prior to conducting the child
28.13 interview, unless doing so would compromise the safety assessment. Except as provided in
28.14 this paragraph, the parent, legal custodian, or guardian shall be notified by the responsible
28.15 local welfare or law enforcement agency no later than the conclusion of the investigation
28.16 or assessment that this interview has occurred. Notwithstanding rule 32 of the Minnesota
28.17 Rules of Procedure for Juvenile Courts, the juvenile court may, after hearing on an ex parte
28.18 motion by the local welfare agency, order that, where reasonable cause exists, the agency
28.19 withhold notification of this interview from the parent, legal custodian, or guardian. If the
28.20 interview took place or is to take place on school property, the order shall specify that
28.21 school officials may not disclose to the parent, legal custodian, or guardian the contents
28.22 of the notification of intent to interview the child on school property, as provided under
28.23 this paragraph, and any other related information regarding the interview that may be a
28.24 part of the child's school record. A copy of the order shall be sent by the local welfare or
28.25 law enforcement agency to the appropriate school official.

28.26 (d) When the local welfare, local law enforcement agency, or the agency responsible
28.27 for assessing or investigating a report of maltreatment determines that an interview should
28.28 take place on school property, written notification of intent to interview the child on school
28.29 property must be received by school officials prior to the interview. The notification
28.30 shall include the name of the child to be interviewed, the purpose of the interview, and
28.31 a reference to the statutory authority to conduct an interview on school property. For
28.32 interviews conducted by the local welfare agency, the notification shall be signed by the
28.33 chair of the local social services agency or the chair's designee. The notification shall be
28.34 private data on individuals subject to the provisions of this paragraph. School officials
28.35 may not disclose to the parent, legal custodian, or guardian the contents of the notification
28.36 or any other related information regarding the interview until notified in writing by the

29.1 local welfare or law enforcement agency that the investigation or assessment has been
29.2 concluded, unless a school employee or agent is alleged to have maltreated the child.
29.3 Until that time, the local welfare or law enforcement agency or the agency responsible
29.4 for assessing or investigating a report of maltreatment shall be solely responsible for any
29.5 disclosures regarding the nature of the assessment or investigation.

29.6 Except where the alleged offender is believed to be a school official or employee,
29.7 the time and place, and manner of the interview on school premises shall be within the
29.8 discretion of school officials, but the local welfare or law enforcement agency shall have
29.9 the exclusive authority to determine who may attend the interview. The conditions as to
29.10 time, place, and manner of the interview set by the school officials shall be reasonable and
29.11 the interview shall be conducted not more than 24 hours after the receipt of the notification
29.12 unless another time is considered necessary by agreement between the school officials and
29.13 the local welfare or law enforcement agency. Where the school fails to comply with the
29.14 provisions of this paragraph, the juvenile court may order the school to comply. Every
29.15 effort must be made to reduce the disruption of the educational program of the child, other
29.16 students, or school staff when an interview is conducted on school premises.

29.17 (e) Where the alleged offender or a person responsible for the care of the alleged
29.18 victim or other minor prevents access to the victim or other minor by the local welfare
29.19 agency, the juvenile court may order the parents, legal custodian, or guardian to produce
29.20 the alleged victim or other minor for questioning by the local welfare agency or the local
29.21 law enforcement agency outside the presence of the alleged offender or any person
29.22 responsible for the child's care at reasonable places and times as specified by court order.

29.23 (f) Before making an order under paragraph (e), the court shall issue an order to
29.24 show cause, either upon its own motion or upon a verified petition, specifying the basis for
29.25 the requested interviews and fixing the time and place of the hearing. The order to show
29.26 cause shall be served personally and shall be heard in the same manner as provided in
29.27 other cases in the juvenile court. The court shall consider the need for appointment of a
29.28 guardian ad litem to protect the best interests of the child. If appointed, the guardian ad
29.29 litem shall be present at the hearing on the order to show cause.

29.30 (g) The commissioner of human services, the ombudsman for mental health and
29.31 developmental disabilities, the local welfare agencies responsible for investigating reports,
29.32 the commissioner of education, and the local law enforcement agencies have the right to
29.33 enter facilities as defined in subdivision 2 and to inspect and copy the facility's records,
29.34 including medical records, as part of the investigation. Notwithstanding the provisions of
29.35 chapter 13, they also have the right to inform the facility under investigation that they are
29.36 conducting an investigation, to disclose to the facility the names of the individuals under

30.1 investigation for abusing or neglecting a child, and to provide the facility with a copy of
30.2 the report and the investigative findings.

30.3 (h) The local welfare agency responsible for conducting a family assessment or
30.4 investigation shall collect available and relevant information to determine child safety,
30.5 risk of subsequent child maltreatment, and family strengths and needs and share not public
30.6 information with an Indian's tribal social services agency without violating any law of the
30.7 state that may otherwise impose duties of confidentiality on the local welfare agency in
30.8 order to implement the tribal state agreement. The local welfare agency or the agency
30.9 responsible for investigating the report shall collect available and relevant information
30.10 to ascertain whether maltreatment occurred and whether protective services are needed.
30.11 Information collected includes, when relevant, information with regard to the person
30.12 reporting the alleged maltreatment, including the nature of the reporter's relationship to the
30.13 child and to the alleged offender, and the basis of the reporter's knowledge for the report;
30.14 the child allegedly being maltreated; the alleged offender; the child's caretaker; and other
30.15 collateral sources having relevant information related to the alleged maltreatment. The
30.16 local welfare agency or the agency responsible for investigating the report may make a
30.17 determination of no maltreatment early in an investigation, and close the case and retain
30.18 immunity, if the collected information shows no basis for a full investigation.

30.19 Information relevant to the assessment or investigation must be asked for, and
30.20 may include:

30.21 (1) the child's sex and age, prior reports of maltreatment, information relating
30.22 to developmental functioning, credibility of the child's statement, and whether the
30.23 information provided under this clause is consistent with other information collected
30.24 during the course of the assessment or investigation;

30.25 (2) the alleged offender's age, a record check for prior reports of maltreatment, and
30.26 criminal charges and convictions. The local welfare agency or the agency responsible for
30.27 assessing or investigating the report must provide the alleged offender with an opportunity
30.28 to make a statement. The alleged offender may submit supporting documentation relevant
30.29 to the assessment or investigation;

30.30 (3) collateral source information regarding the alleged maltreatment and care of the
30.31 child. Collateral information includes, when relevant: (i) a medical examination of the
30.32 child; (ii) prior medical records relating to the alleged maltreatment or the care of the
30.33 child maintained by any facility, clinic, or health care professional and an interview with
30.34 the treating professionals; and (iii) interviews with the child's caretakers, including the
30.35 child's parent, guardian, foster parent, child care provider, teachers, counselors, family

31.1 members, relatives, and other persons who may have knowledge regarding the alleged
31.2 maltreatment and the care of the child; and

31.3 (4) information on the existence of domestic abuse and violence in the home of
31.4 the child, and substance abuse.

31.5 Nothing in this paragraph precludes the local welfare agency, the local law
31.6 enforcement agency, or the agency responsible for assessing or investigating the report
31.7 from collecting other relevant information necessary to conduct the assessment or
31.8 investigation. Notwithstanding sections 13.384 or 144.291 to 144.298, the local welfare
31.9 agency has access to medical data and records for purposes of clause (3). Notwithstanding
31.10 the data's classification in the possession of any other agency, data acquired by the
31.11 local welfare agency or the agency responsible for assessing or investigating the report
31.12 during the course of the assessment or investigation are private data on individuals and
31.13 must be maintained in accordance with subdivision 11. Data of the commissioner of
31.14 education collected or maintained during and for the purpose of an investigation of
31.15 alleged maltreatment in a school are governed by this section, notwithstanding the data's
31.16 classification as educational, licensing, or personnel data under chapter 13.

31.17 In conducting an assessment or investigation involving a school facility as defined
31.18 in subdivision 2, paragraph (i), the commissioner of education shall collect investigative
31.19 reports and data that are relevant to a report of maltreatment and are from local law
31.20 enforcement and the school facility.

31.21 (i) Upon receipt of a report, the local welfare agency shall conduct a face-to-face
31.22 contact with the child reported to be maltreated and with the child's primary caregiver
31.23 sufficient to complete a safety assessment and ensure the immediate safety of the child.
31.24 The face-to-face contact with the child and primary caregiver shall occur immediately
31.25 if substantial child endangerment is alleged and within five calendar days for all other
31.26 reports. If the alleged offender was not already interviewed as the primary caregiver, the
31.27 local welfare agency shall also conduct a face-to-face interview with the alleged offender
31.28 in the early stages of the assessment or investigation. At the initial contact, the local child
31.29 welfare agency or the agency responsible for assessing or investigating the report must
31.30 inform the alleged offender of the complaints or allegations made against the individual in
31.31 a manner consistent with laws protecting the rights of the person who made the report.
31.32 The interview with the alleged offender may be postponed if it would jeopardize an active
31.33 law enforcement investigation.

31.34 (j) When conducting an investigation, the local welfare agency shall use a question
31.35 and answer interviewing format with questioning as nondirective as possible to elicit

32.1 spontaneous responses. For investigations only, the following interviewing methods and
 32.2 procedures must be used whenever possible when collecting information:

32.3 (1) audio recordings of all interviews with witnesses and collateral sources; and

32.4 (2) in cases of alleged sexual abuse, audio-video recordings of each interview with
 32.5 the alleged victim and child witnesses.

32.6 (k) In conducting an assessment or investigation involving a school facility as
 32.7 defined in subdivision 2, paragraph (i), the commissioner of education shall collect
 32.8 available and relevant information and use the procedures in paragraphs (i), (k), and
 32.9 subdivision 3d, except that the requirement for face-to-face observation of the child
 32.10 and face-to-face interview of the alleged offender is to occur in the initial stages of the
 32.11 assessment or investigation provided that the commissioner may also base the assessment
 32.12 or investigation on investigative reports and data received from the school facility and
 32.13 local law enforcement, to the extent those investigations satisfy the requirements of
 32.14 paragraphs (i) and (k), and subdivision 3d.

44.7 and updated by the commissioner, as periodically needed to evaluate the effectiveness
44.8 of treatment for children receiving clinical services and reporting outcome measures,
44.9 as required by the commissioner.

44.17 American Medical Association's Current Procedural Terminology, standard edition,
44.18 2014, the procedure "individual psychotherapy" is replaced with "patient and/or family
44.19 psychotherapy," a substantive change that permits the therapist to work with the client's
44.20 family without the client present to obtain information about the client or to explain the
44.21 client's treatment plan to the family. Psychotherapy is appropriate for crisis response
44.22 when a child has become dysregulated or experienced new trauma since the diagnostic
44.23 assessment was completed and needs psychotherapy to address issues not currently
44.24 included in the child's individual treatment plan.

44.25 (s) "Rehabilitative services" or "psychiatric rehabilitation services" means a series

44.29 for, cope with, counteract, or replace psychosocial skills deficits or maladaptive skills
44.30 acquired over the course of a psychiatric illness. Psychiatric rehabilitation services
44.31 for children combine psychotherapy to address internal psychological, emotional,
44.32 and intellectual processing deficits, and skills training to restore personal and social
44.33 functioning. Psychiatric rehabilitation services establish a progressive series of goals
44.34 with each achievement building upon a prior achievement. Continuing progress toward
44.35 goals is expected, and rehabilitative potential ceases when successive improvement is not
44.36 observable over a period of time.

45.1 ~~(q)~~ (t) "Skills training" means individual, family, or group training, delivered by or
 45.2 under the ~~direction~~ supervision of a mental health professional, designed to facilitate the
 45.3 acquisition of psychosocial skills that are medically necessary to rehabilitate the child to
 45.4 an age-appropriate developmental trajectory heretofore disrupted by a psychiatric illness
 45.5 or to enable the child to self-monitor, compensate for, cope with, counteract, or replace
 45.6 skills deficits or maladaptive skills acquired over the course of a psychiatric illness. Skills
 45.7 training is subject to the ~~following requirements:~~ service delivery requirements under
 45.8 subdivision 9, paragraph (b), clause (2).

45.9 ~~(1) a mental health professional or a mental health practitioner must provide skills~~
 45.10 ~~training;~~

45.11 ~~(2) the child must always be present during skills training; however, a brief absence~~
 45.12 ~~of the child for no more than ten percent of the session unit may be allowed to redirect or~~
 45.13 ~~instruct family members;~~

45.14 ~~(3) skills training delivered to children or their families must be targeted to the~~
 45.15 ~~specific deficits or maladaptations of the child's mental health disorder and must be~~
 45.16 ~~prescribed in the child's individual treatment plan;~~

45.17 ~~(4) skills training delivered to the child's family must teach skills needed by parents~~
 45.18 ~~to enhance the child's skill development and to help the child use in daily life the skills~~
 45.19 ~~previously taught by a mental health professional or mental health practitioner and to~~
 45.20 ~~develop or maintain a home environment that supports the child's progressive use skills;~~

45.21 ~~(5) group skills training may be provided to multiple recipients who, because of the~~
 45.22 ~~nature of their emotional, behavioral, or social dysfunction, can derive mutual benefit from~~
 45.23 ~~interaction in a group setting, which must be staffed as follows:~~

45.24 ~~(i) one mental health professional or one mental health practitioner under supervision~~
 45.25 ~~of a licensed mental health professional must work with a group of four to eight clients; or~~

45.26 ~~(ii) two mental health professionals or two mental health practitioners under~~
 45.27 ~~supervision of a licensed mental health professional, or one professional plus one~~
 45.28 ~~practitioner must work with a group of nine to 12 clients.~~

46.15 on a diagnostic assessment by a mental health professional or a mental health practitioner
46.16 who meets the requirements ~~as of~~ a clinical trainee as defined in Minnesota Rules, part
46.17 9505.0371, subpart 5, item C, that is performed within one year before the initial start of

46.35 ~~years, at the request of the parent or guardian, if a mental health professional agrees~~

47.1 ~~there has been little change in the condition and that an annual assessment is not needed.~~
47.2 For individuals between age 18 and 21, unless a client's mental health condition has
47.3 changed markedly since the client's most recent diagnostic assessment, annual updating is
47.4 necessary. For the purpose of this section, "updating" means an adult diagnostic update as
47.5 defined in Minnesota Rules, part 9505.0371, subpart 2, item E.

47.6 **EFFECTIVE DATE.** This section is effective the day following final enactment.

48.2 updates every three years and distributes to staff initially and upon each subsequent update.

48.3 (b) The administrative infrastructure written policies and procedures must include:

48.4 (1) personnel procedures, including a process for: (i) recruiting, hiring, training, and

49.8 entity must review, and update as necessary, the clinical policies and procedures every

49.26 providing treatment services and supports;

49.27 (iii) is developed after completion of the client's diagnostic assessment by a mental
49.28 health professional or clinical trainee and before the provision of children's therapeutic

50.17 clinical supervisor also shall document supervisee-specific supervision in the supervisee's
50.18 personnel file. Clinical supervision does not include the authority to make or terminate
50.19 court-ordered placements of the child. A clinical supervisor must be available for
50.20 urgent consultation as required by the individual client's needs or the situation. Clinical
50.21 supervision may occur individually or in a small group to discuss treatment and review

51.3 within the scope of the practitioner's practice and who is supervised by a mental health
51.4 professional who accepts full professional responsibility;

51.5 (ii) medical assistance shall reimburse for services provided by a mental health
51.6 behavioral aide who ~~maintains a consulting relationship with~~ is delivering services that fall
51.7 within the scope of the aide's practice and who is supervised by a mental health professional
51.8 who accepts full professional responsibility and has an approved plan for clinical
51.9 supervision of the behavioral aide. Plans ~~will~~ must be developed in accordance with
51.10 supervision standards defined in Minnesota Rules, part 9505.0371, subpart 4, items A to D;

51.21 oversight for the client's treatment and continuity of care. The mental health professional or
51.22 mental health practitioner giving direction must begin with the goals on the individualized
51.23 treatment plan, and instruct the mental health behavioral aide on how to ~~construct~~
51.24 implement therapeutic activities and interventions that will lead to goal attainment. The
51.25 professional or practitioner giving direction must also instruct the mental health behavioral
51.26 aide about the client's diagnosis, functional status, and other characteristics that are likely
51.27 to affect service delivery. Direction must also include determining that the mental health
51.28 behavioral aide has the skills to interact with the client and the client's family in ways that
51.29 convey personal and cultural respect and that the aide actively solicits information relevant
51.30 to treatment from the family. The aide must be able to clearly explain the activities the
51.31 aide is doing with the client and the activities' relationship to treatment goals. Direction is
51.32 more didactic than is supervision and requires the professional or practitioner providing
51.33 it to continuously evaluate the mental health behavioral aide's ability to carry out the
51.34 activities of the individualized treatment plan and the individualized behavior plan. When
51.35 providing direction, the professional or practitioner must:

52.1 (i) review progress notes prepared by the mental health behavioral aide for accuracy

 52.10 with the child, the child's family, and the provider; and

52.11 (v) record the results of any evaluation and corrective actions taken to modify the
 52.12 work of the mental health behavioral aide;

52.13 (6) providing service delivery that implements the individual treatment plan and

52.15 (7) individual treatment plan review. The review must determine the extent to
 52.16 which the services have met each of the goals and objectives in the ~~previous~~ treatment
 52.17 plan. The review must assess the client's progress and ensure that services and treatment
 52.18 goals continue to be necessary and appropriate to the client and the client's family or
 52.19 foster family. Revision of the individual treatment plan does not require a new diagnostic
 52.20 assessment unless the client's mental health status has changed markedly. The updated
 52.21 treatment plan must be signed by the clinical supervisor and by the client, if appropriate,
 52.22 and by the client's parent or other person authorized by statute to give consent to the
 52.23 mental health services for the child.

52.24 **EFFECTIVE DATE.** This section is effective the day following final enactment.

52.25 Sec. 10. Minnesota Statutes 2014, section 256B.0943, subdivision 9, is amended to read:

52.26 Subd. 9. **Service delivery criteria.** (a) In delivering services under this section, a
 52.27 certified provider entity must ensure that:

52.28 (1) each individual provider's caseload size permits the provider to deliver services
 52.29 to both clients with severe, complex needs and clients with less intensive needs. The
 52.30 provider's caseload size should reasonably enable the provider to play an active role in
 52.31 service planning, monitoring, and delivering services to meet the client's and client's
 52.32 family's needs, as specified in each client's individual treatment plan;

52.33 (2) site-based programs, including day treatment ~~and preschool~~ programs, provide
 52.34 staffing and facilities to ensure the client's health, safety, and protection of rights, and that
 52.35 the programs are able to implement each client's individual treatment plan; and

53.5 to 144.55; (ii) a community mental health center under section 245.62; or (iii) an entity
53.6 that is certified under subdivision 4 to operate a program that meets the requirements of
53.7 section 245.4884, subdivision 2, and Minnesota Rules, parts 9505.0170 to 9505.0475. The
53.8 day treatment program must stabilize the client's mental health status while developing
53.9 and improving the client's independent living and socialization skills. The goal of the day
53.10 treatment program must be to reduce or relieve the effects of mental illness and provide
53.11 training to enable the client to live in the community. The program must be available
53.12 year-round at least three to five days per week, two or three hours per day, unless the
53.13 normal five-day school week is shortened by a holiday, weather-related cancellation, or
53.14 other district-wide reduction in a school week. A child transitioning into or out of day
53.15 treatment must receive a minimum treatment of one day a week for a two-hour time block.
53.16 The two-hour time block must include at least one hour of individual patient and/or family

53.18 individual patient and/or family or group psychotherapy, and individual or group skills
53.19 training, if included in the client's individual treatment plan. Day treatment programs are
53.20 not part of inpatient or residential treatment services. When a day treatment group that
53.21 meets the minimum group size requirement temporarily falls below the minimum group
53.22 size because of a member's temporary absence, medical assistance covers a group session
53.23 conducted for the group members in attendance. A day treatment program may provide
53.24 fewer than the minimally required hours for a particular child during a billing period in

53.29 ~~Minnesota Rules, parts 9503.0005 to 9503.0175. The program must be available two~~
53.30 ~~hours per day, five days per week, and 12 months of each calendar year. The structured~~
53.31 ~~treatment program may include individual or group psychotherapy and individual or~~
53.32 ~~group skills training, if included in the client's individual treatment plan. A therapeutic~~
53.33 ~~preschool program may provide fewer than the minimally required hours for a particular~~
53.34 ~~child during a billing period in which the child is transitioning into, or out of, the program.~~

54.1 (b) To be eligible for medical assistance payment, a provider entity must deliver the
54.2 service components of children's therapeutic services and supports in compliance with the
54.3 following requirements:

54.5 delivered as specified in Minnesota Rules, part 9505.0372, subpart 6. Psychotherapy to
54.6 address the child's underlying mental health disorder must be documented as part of the
54.7 child's ongoing treatment. A provider must deliver, or arrange for, medically necessary
54.8 psychotherapy, unless the child's parent or caregiver chooses not to receive it. When a
54.9 provider delivering other services to a child under this section deems it not medically
54.10 necessary to provide psychotherapy to the child for a period of 90 days or longer, the
54.11 provider entity must document the medical reasons why psychotherapy is not necessary.
54.12 When a provider determines that a child needs psychotherapy but psychotherapy cannot
54.13 be delivered due to a shortage of licensed mental health professionals in the child's
54.14 community, the provider must document the lack of access in the child's medical record;

54.15 (2) individual, family, or group skills training must be provided by a mental health

54.24 prescribed in the child's individual treatment plan;

54.25 (iii) the mental health professional delivering or supervising the delivery of skills

54.28 condition;

54.29 (iv) skills training delivered to the child's family must teach skills needed by parents
54.30 to enhance the child's skill development, to help the child utilize daily life skills taught by

55.14 in attendance;

55.15 (3) crisis assistance to a child and family must be time-limited and designed include
55.16 development of a written plan that anticipates the particular factors specific to the child
55.17 that may precipitate a psychiatric crisis for the child in the near future. The written plan
55.18 must document actions that the family should be prepared to take to resolve or stabilize a

60.1 **ARTICLE 3**60.2 **DIRECT CARE AND TREATMENT**

60.3 Section 1. Minnesota Statutes 2014, section 253B.212, is amended by adding a
60.4 subdivision to read:

60.5 Subd. 1b. **Cost of care; commitment by tribal court order; any federally**
60.6 **recognized Indian tribe within the state of Minnesota.** The commissioner of human
60.7 services may contract with and receive payment from the Indian Health Service of the
60.8 United States Department of Health and Human Services for the care and treatment of
60.9 those members of any federally recognized Indian tribe within the state, who have been
60.10 committed by tribal court order to the Indian Health Service for care and treatment of
60.11 mental illness, developmental disability, or chemical dependency. The tribe may also
60.12 contract directly with the commissioner for treatment of those members of any federally
60.13 recognized Indian tribe within the state who have been committed by tribal court order
60.14 to the respective tribal Department of Health for care and treatment of mental illness,
60.15 developmental disability, or chemical dependency. The contract shall provide that the
60.16 Indian Health Service and any federally recognized Indian tribe within the state shall not
60.17 transfer any person for admission to a regional center unless the commitment procedure
60.18 utilized by the tribal court provided due process protections similar to those afforded
60.19 by sections 253B.05 to 253B.10.

60.20 Sec. 2. Minnesota Statutes 2014, section 253B.212, subdivision 2, is amended to read:

60.21 Subd. 2. **Effect given to tribal commitment order.** When, under an agreement
60.22 entered into pursuant to subdivisions 1 or, 1a, or 1b, the Indian Health Service or the
60.23 placing tribe applies to a regional center for admission of a person committed to the
60.24 jurisdiction of the health service by the tribal court as a person who is mentally ill,
60.25 developmentally disabled, or chemically dependent, the commissioner may treat the
60.26 patient with the consent of the Indian Health Service or the placing tribe.

60.27 A person admitted to a regional center pursuant to this section has all the rights
60.28 accorded by section 253B.03. In addition, treatment reports, prepared in accordance with
60.29 the requirements of section 253B.12, subdivision 1, shall be filed with the Indian Health
60.30 Service or the placing tribe within 60 days of commencement of the patient's stay at the
60.31 facility. A subsequent treatment report shall be filed with the Indian Health Service or
60.32 the placing tribe within six months of the patient's admission to the facility or prior to
60.33 discharge, whichever comes first. Provisional discharge or transfer of the patient may be

61.1 Service or the placing tribe. Discharge from the facility to the Indian Health Service or the

61.4 **ARTICLE 4**

61.5 **OPERATIONS**

61.6 Section 1. Minnesota Statutes 2014, section 119B.125, subdivision 1, is amended to
61.7 read:

61.8 Subdivision 1. **Authorization.** Except as provided in subdivision 5, a county or the
61.9 commissioner must authorize the provider chosen by an applicant or a participant before
61.10 the county can authorize payment for care provided by that provider. The commissioner
61.11 must establish the requirements necessary for authorization of providers. A provider
61.12 must be reauthorized every two years. A legal, nonlicensed family child care provider
61.13 also must be reauthorized when another person over the age of 13 joins the household, a
61.14 current household member turns 13, or there is reason to believe that a household member
61.15 has a factor that prevents authorization. The provider is required to report all family
61.16 changes that would require reauthorization. When a provider has been authorized for
61.17 payment for providing care for families in more than one county, the county responsible
61.18 for reauthorization of that provider is the county of the family with a current authorization
61.19 for that provider and who has used the provider for the longest length of time.

61.20 Sec. 2. Minnesota Statutes 2014, section 119B.125, subdivision 6, is amended to read:

61.21 Subd. 6. **Record-keeping requirement.** All providers receiving child care
61.22 assistance payments must keep daily attendance records at the site where services are
61.23 delivered for children receiving child care assistance and must make those records available
61.24 immediately to the county or the commissioner upon request. The attendance records must
61.25 be completed daily and include the date, the first and last name of each child in attendance,
61.26 and the times when each child is dropped off and picked up. To the extent possible, the
61.27 times that the child was dropped off to and picked up from the child care provider must be
61.28 entered by the person dropping off or picking up the child. The daily attendance records
61.29 must be retained at the site where services are delivered for six years after the date of
61.30 service. A county or the commissioner may deny authorization as a child care provider to
61.31 any applicant ~~or~~, rescind authorization of any provider, or establish an overpayment claim
61.32 in the system against a current or former provider, when the county or the commissioner
61.33 knows or has reason to believe that the provider has not complied with the record-keeping

62.1 requirement in this subdivision. A provider's failure to produce attendance records as
 62.2 requested on more than one occasion constitutes grounds for disqualification as a provider.

62.3 Sec. 3. Minnesota Statutes 2014, section 119B.125, is amended by adding a subdivision
 62.4 to read:

62.5 **Subd. 7. Overpayment claim for failure to comply with access to records**
 62.6 **requirement.** (a) In establishing an overpayment claim under subdivision 6 for failure
 62.7 to provide access to attendance records, the county or commissioner is limited to the six
 62.8 years prior to the date the county or the commissioner requested the attendance records.

62.9 (b) When the commissioner or county establishes an overpayment claim against a
 62.10 current or former provider, the commissioner or county must provide notice of the claim to
 62.11 the provider. A notice of overpayment claim must specify the reason for the overpayment,
 62.12 the authority for making the overpayment claim, the time period in which the overpayment
 62.13 occurred, the amount of the overpayment, and the provider's right to appeal.

62.14 (c) The commissioner or county may seek to recover overpayments paid to a current
 62.15 or former provider. When a provider has been convicted of fraud under section 256.98,
 62.16 theft under section 609.52, or a federal crime relating to theft of state funds or fraudulent
 62.17 billing for a program administered by the commissioner or a county, recovery may be
 62.18 sought regardless of the amount of overpayment.

62.19 Sec. 4. Minnesota Statutes 2014, section 119B.125, is amended by adding a subdivision
 62.20 to read:

62.21 **Subd. 8. Reporting required for child's part-time attendance.** A provider must
 62.22 report to the county and report on the billing form as required when a child's attendance in
 62.23 child care falls to less than half of the child's authorized hours or days for a four-week
 62.24 period. If requested by the county or the commissioner, the provider must provide
 62.25 additional information to the county or commissioner on the attendance of specific children.

62.26 Sec. 5. **[245.095] LIMITS ON RECEIVING PUBLIC FUNDS.**

62.27 **Subdivision 1. Prohibition.** If a provider, vendor, or individual enrolled, licensed, or
 62.28 receiving funds under a grant contract in any program administered by the commissioner
 62.29 is excluded from any program administered by the commissioner, including under the
 62.30 commissioner's powers and authorities in section 256.01, the commissioner shall prohibit
 62.31 the excluded provider, vendor, or individual from enrolling or becoming licensed in any
 62.32 other program administered by the commissioner. The duration of this prohibition must

63.1 last for the longest applicable sanction or disqualifying period in effect for the provider,
63.2 vendor, or individual permitted by state or federal law.

63.3 Subd. 2. **Definitions.** (a) For purposes of this section, the following definitions
63.4 have the meanings given them.

63.29 the agency program will ~~provide for~~ ensure the transfer of clients and records for both
63.30 open and closed cases if the agency program closes. The plan must provide for managing
63.31 private and confidential information concerning agency program clients. The plan must

64.1 also provide for notifying affected clients of the closure at least 25 days prior to closure,
64.2 including information on how to access their ~~medical~~ records. A controlling individual of
64.3 the agency program must annually review and sign the plan.

64.4 (b) Plans for the transfer of open cases and case records must specify arrangements
64.5 the agency program will make to transfer clients to another agency provider or county
64.6 agency for continuation of services and to transfer the case record with the client.

64.7 (c) Plans for the transfer of closed case records must be accompanied by a signed
64.8 agreement or other documentation indicating that a county or a similarly licensed agency
64.9 provider has agreed to accept and maintain the agency's program's closed case records and

64.11 Sec. 11. Minnesota Statutes 2014, section 245A.07, subdivision 2, is amended to read:

64.12 Subd. 2. **Temporary immediate suspension.** (a) The commissioner shall act
64.13 immediately to temporarily suspend a license if:

64.14 (1) the license holder's actions or failure to comply with applicable law or rule, or
64.15 the actions of other individuals or conditions in the program₂ pose an imminent risk of
64.16 harm to the health, safety, or rights of persons served by the program₂; or

64.17 (2) if while the program continues to operate pending an appeal of an order of
64.18 revocation₂, the commissioner identifies one or more subsequent violations of law or rule
64.19 which may adversely affect the health or safety of persons served by the program,~~the~~
64.20 commissioner shall act immediately to temporarily suspend the license.

64.21 (b) No state funds shall be made available or be expended by any agency or
64.22 department of state, county, or municipal government for use by a license holder regulated
64.23 under this chapter while a license is under immediate suspension. A notice stating the

64.26 must be delivered by personal service to the address shown on the application or the last

64.30 postmarked and sent to the commissioner within five calendar days after the license holder
64.31 receives notice that the license has been immediately suspended. If a request is made by
64.32 personal service, it must be received by the commissioner within five calendar days after
64.33 the license holder received the order. A license holder and any controlling individual
64.34 shall discontinue operation of the program upon receipt of the commissioner's order to
64.35 immediately suspend the license.

65.1 Sec. 12. Minnesota Statutes 2014, section 245A.07, subdivision 2a, is amended to read:

65.2 Subd. 2a. **Immediate suspension expedited hearing.** (a) Within five working days

65.5 of a hearing. A hearing must be conducted by an administrative law judge within 30
65.6 calendar days of the request for assignment, unless an extension is requested by either

65.8 issue a notice of hearing by certified mail or personal service at least ten working days
65.9 before the hearing. The scope of the hearing shall be limited solely to the issue of whether
65.10 the temporary immediate suspension should remain in effect pending the commissioner's
65.11 final order under section 245A.08, regarding a licensing sanction issued under subdivision
65.12 3 following the immediate suspension. For suspensions under subdivision 2, paragraph
65.13 (a), clause (1), the burden of proof in expedited hearings under this subdivision shall be
65.14 limited to the commissioner's demonstration that reasonable cause exists to believe that
65.15 the license holder's actions or failure to comply with applicable law or rule poses, or if the
65.16 actions of other individuals or conditions in the program poses an imminent risk of harm to
65.17 the health, safety, or rights of persons served by the program. "Reasonable cause" means
65.18 there exist specific articulable facts or circumstances which provide the commissioner
65.19 with a reasonable suspicion that there is an imminent risk of harm to the health, safety, or
65.20 rights of persons served by the program. When the commissioner has determined there is
65.21 reasonable cause to order the temporary immediate suspension of a license based on a
65.22 violation of safe sleep requirements, as defined in section 245A.1435, the commissioner is
65.23 not required to demonstrate that an infant died or was injured as a result of the safe sleep
65.24 violations. For suspensions under subdivision 2, paragraph (a), clause (2), the burden of

65.27 license holder committed additional violations of law or rule which may adversely affect
65.28 the health or safety of persons served by the program.

65.29 (b) The administrative law judge shall issue findings of fact, conclusions, and a
65.30 recommendation within ten working days from the date of hearing. The parties shall
65.31 have ten calendar days to submit exceptions to the administrative law judge's report.
65.32 The record shall close at the end of the ten-day period for submission of exceptions.
65.33 The commissioner's final order shall be issued within ten working days from the close
65.34 of the record. When an appeal of a temporary immediate suspension is withdrawn or
65.35 dismissed, the commissioner shall issue a final order affirming the temporary immediate
65.36 suspension within ten calendar days of the commissioner's receipt of the withdrawal or

66.1 dismissal. Within 90 calendar days after a final order affirming an immediate suspension,
66.2 the commissioner shall make a determination regarding whether a final licensing sanction
66.3 shall be issued under subdivision 3. The license holder shall continue to be prohibited
66.4 from operation of the program during this 90-day period.

66.5 (c) When the final order under paragraph (b) affirms an immediate suspension, and a
66.6 final licensing sanction is issued under subdivision 3 and the license holder appeals that
66.7 sanction, the license holder continues to be prohibited from operation of the program
66.8 pending a final commissioner's order under section 245A.08, subdivision 5, regarding the
66.9 final licensing sanction.

66.10 Sec. 13. Minnesota Statutes 2014, section 245A.11, subdivision 4, is amended to read:

66.11 Subd. 4. **Location of residential programs.** In determining whether to grant
66.12 a license, the commissioner shall specifically consider the population, size, land use
66.13 plan, availability of community services, and the number and size of existing licensed
66.14 residential programs in the town, municipality, or county in which the applicant seeks
66.15 to operate a residential program. The commissioner shall not grant an initial license
66.16 to any residential program if the residential program will be within 1,320 feet of an
66.17 existing residential program unless one of the following conditions apply: (1) the existing
66.18 residential program is located in a hospital licensed by the commissioner of health; (2) the
66.19 town, municipality, or county zoning authority grants the residential program a conditional
66.20 use or special use permit; (3) the program serves six or fewer persons and is not located
66.21 in a city of the first class; or (4) the program is foster care, or a community residential
66.22 setting as defined under section 245D.02, subdivision 4a.

66.23 Sec. 14. Minnesota Statutes 2014, section 245A.12, is amended to read:

66.24 **245A.12 VOLUNTARY RECEIVERSHIP FOR RESIDENTIAL OR**
66.25 **NONRESIDENTIAL PROGRAMS.**

66.26 Subdivision 1. **Definitions.** For purposes of this section and section 245A.13, the
66.27 following terms have the meanings given them.

66.28 (a) "Controlling individual" has the meaning in section 245A.02, subdivision 5a.
66.29 When used in this section and section 245A.13, it means only those individuals controlling
66.30 the residential or nonresidential program prior to the commencement of the receivership
66.31 period.

66.32 (b) "Physical plant" means the building or buildings in which a residential or
66.33 nonresidential program is located; all equipment affixed to the building and not easily

67.3 (c) "Related party" means a person who is a close relative of a provider or a provider
67.4 group; an affiliate of a provider or a provider group; a close relative of an affiliate of a

67.13 (3) "Close relative of an affiliate of a provider or provider group" means an
67.14 individual whose relationship by blood, marriage, or adoption to an individual who is an
67.15 affiliate to a provider or a provider group is no more remote than first cousin.

67.16 (4) "Control" includes the terms "controlling," "controlled by," and "under common
67.17 control with" and means the possession, direct or indirect, of the power to direct or cause
67.18 the direction of the management, operations, or policies of a person, whether through the
67.19 ownership of voting securities, by contract, or otherwise.

67.20 (5) "Provider or provider group" means the license holder or controlling individual
67.21 prior to the effective date of the receivership.

67.22 Subd. 2. **Receivership agreement.** A majority of controlling individuals of a
67.23 residential or nonresidential program licensed or certified by the commissioner may at
67.24 any time ask the commissioner to assume operation of the ~~residential~~ program through
67.25 appointment of a receiver. On receiving the request for a receiver, the commissioner may
67.26 enter into an agreement with a majority of controlling individuals and become the receiver
67.27 and operate the residential or nonresidential program under conditions acceptable to both
67.28 the commissioner and the majority of controlling individuals. The agreement must specify
67.29 the terms and conditions of the receivership and preserve the rights of the persons being
67.30 served by the ~~residential~~ program. A receivership set up under this section terminates at
67.31 the time specified by the parties to the agreement.

67.32 Subd. 3. **Management agreement.** When the commissioner agrees to become the
67.33 receiver of a residential or nonresidential program, the commissioner may enter into a
67.34 management agreement with another entity or group to act as the managing agent during
67.35 the receivership period. The managing agent will be responsible for the day-to-day
67.36 operations of the ~~residential~~ program subject at all times to the review and approval of the

68.1 commissioner. A reasonable fee may be paid to the managing agent for the performance
68.2 of these services.

68.4 8, shall also apply to voluntary receiverships.

68.5 Subd. 5. **Controlling individuals; restrictions on licensure.** No controlling
68.6 individual of a residential or nonresidential program placed into receivership under this
68.7 section shall apply for or receive a license or certification from the commissioner to
68.8 operate a residential or nonresidential program for five years from the commencement of
68.9 the receivership period. This subdivision does not apply to residential programs that are

68.11 the receivership agreement, and that have not been placed into receivership.

68.12 Subd. 6. **Liability.** The controlling individuals of a residential or nonresidential
68.13 program placed into receivership remain liable for any claims made against the ~~residential~~

68.20 to the commencement of the receivership period unless such liability is expressly assumed
68.21 in the receivership agreement. Those financial obligations remain the liability of the
68.22 ~~residential~~ program and its controlling individuals. Financial obligations of the ~~residential~~
68.23 program incurred after the commencement of the receivership period are the responsibility
68.24 of the commissioner or the managing agent of the commissioner to the extent such
68.25 obligations are expressly assumed by each in the receivership or management agreements.
68.26 The controlling individuals of the residential or nonresidential program remain liable for
68.27 any financial obligations incurred after the commencement of the receivership period to
68.28 the extent these obligations are not reimbursed in the rate paid to the ~~residential~~ program
68.29 and are reasonable and necessary to the operation of the ~~residential~~ program. These
68.30 financial obligations, or any other financial obligations incurred by the ~~residential~~ program
68.31 prior to the commencement of the receivership period which are necessary to the continued
68.32 operation of the ~~residential~~ program, may be deducted from any rental payments owed to
68.33 the controlling individuals of the ~~residential~~ program as part of the receivership agreement.
68.34 Subd. 8. **Physical plant of the residential or nonresidential program.** Occupation
68.35 of the physical plant after commencement of the receivership period shall be controlled
68.36 by paragraphs (a) and (b).

69.1 (a) If the physical plant of a residential or nonresidential program placed in
 69.2 receivership is owned by a controlling individual or related party, the physical plant may
 69.3 be used by the commissioner or the managing agent for purposes of the receivership as
 69.4 long as the receivership period continues. A fair monthly rental for the physical plant shall
 69.5 be paid by the commissioner or managing agent to the owner of the physical plant. This
 69.6 fair monthly rental shall be determined by considering all relevant factors necessary to
 69.7 meet required arm's-length obligations of controlling individuals such as the mortgage
 69.8 payments owed on the physical plant, the real estate taxes, and special assessments. This
 69.9 rental shall not include any allowance for profit or be based on any formula that includes
 69.10 an allowance for profit.

69.11 (b) If the owner of the physical plant of a residential or nonresidential program
 69.12 placed in receivership is not a related party, the controlling individual shall continue as the
 69.13 lessee of the property. However, during the receivership period, rental payments shall be
 69.14 made to the owner of the physical plant by the commissioner or the managing agent on
 69.15 behalf of the controlling individual. Neither the commissioner nor the managing agent
 69.16 assumes the obligations of the lease unless expressly stated in the receivership agreement.
 69.17 Should the lease expire during the receivership, the commissioner or the managing agent
 69.18 may negotiate a new lease for the term of the receivership period.

69.19 Subd. 9. **Receivership accounting.** The commissioner may use the medical
 69.20 assistance account and funds for receivership cash flow and accounting purposes.

69.21 Subd. 10. **Receivership costs.** The commissioner may use the accounts and funds
 69.22 that would have been available for the room and board, services, and program costs of
 69.23 persons in the ~~residential~~ program for costs, cash flow, and accounting purposes related
 69.24 to the receivership.

69.25 Sec. 15. Minnesota Statutes 2014, section 245A.13, is amended to read:

69.26 **245A.13 INVOLUNTARY RECEIVERSHIP FOR RESIDENTIAL OR**
 69.27 **NONRESIDENTIAL PROGRAMS.**

69.28 Subdivision 1. **Application.** In addition to any other remedy provided by law, the
 69.29 commissioner may petition the district court in Ramsey County for an order directing the
 69.30 controlling individuals of ~~the~~ a residential or nonresidential program licensed or certified
 69.31 by the commissioner to show cause why the commissioner should not be appointed
 69.32 receiver to operate the ~~residential~~ program. The petition to the district court must contain
 69.33 proof by affidavit: (1) that the commissioner has either begun ~~license suspension or~~
 69.34 ~~revocation proceedings,~~ proceedings to suspend or revoke a license or certification, has
 69.35 suspended or revoked a license or certification, or has decided to deny an application for

70.1 licensure or certification of the ~~residential~~ program; or (2) it appears to the commissioner
70.2 that the health, safety, or rights of the residents or persons receiving care from the program
70.3 may be in jeopardy because of the manner in which the ~~residential~~ program may close,
70.4 the ~~residential~~ program's financial condition, or violations committed by the ~~residential~~
70.5 program of federal or state laws or rules. If the license holder, applicant, or controlling
70.6 individual operates more than one ~~residential~~ program, the commissioner's petition must
70.7 specify and be limited to the ~~residential~~ program for which it seeks receivership. The
70.8 affidavit submitted by the commissioner must set forth alternatives to receivership that
70.9 have been considered, including rate adjustments. The order to show cause is returnable
70.10 not less than five days after service is completed and must provide for personal service of
70.11 a copy to the ~~residential~~ program administrator and to the persons designated as agents by
70.12 the controlling individuals to accept service on their behalf.

70.13 Subd. 2. **Appointment of receiver.** If the court finds that involuntary receivership is
70.14 necessary as a means of protecting the health, safety, or rights of persons being served by
70.15 the ~~residential~~ program, the court shall appoint the commissioner as receiver to operate the
70.16 ~~residential~~ program. The commissioner as receiver may contract with another entity or
70.17 group to act as the managing agent during the receivership period. The managing agent
70.18 will be responsible for the day-to-day operations of the ~~residential~~ program subject at all
70.19 times to the review and approval of the commissioner.

70.20 Subd. 3. **Powers and duties of the receiver.** Within 36 months after the receivership
70.21 order, the receiver shall provide for the orderly transfer of the persons served by the
70.22 ~~residential~~ program to other ~~residential~~ programs or make other provisions to protect their
70.23 health, safety, and rights. The receiver or the managing agent shall correct or eliminate
70.24 deficiencies in the ~~residential~~ program that the commissioner determines endanger the
70.25 health, safety, or welfare of the persons being served by the ~~residential~~ program unless the
70.26 correction or elimination of deficiencies at a residential program involves major alteration
70.27 in the structure of the physical plant. If the correction or elimination of the deficiencies
70.28 at a residential program requires major alterations in the structure of the physical plant,
70.29 the receiver shall take actions designed to result in the immediate transfer of persons
70.30 served by the residential program. During the period of the receivership, the receiver
70.31 and the managing agent shall operate the residential or nonresidential program in a
70.32 manner designed to preserve the health, safety, rights, adequate care, and supervision of
70.33 the persons served by the ~~residential~~ program. The receiver or the managing agent may
70.34 make contracts and incur lawful expenses. The receiver or the managing agent shall
70.35 collect incoming payments from all sources and apply them to the cost incurred in the
70.36 performance of the functions of the receivership including the fee set under subdivision 4.

71.1 No security interest in any real or personal property comprising the ~~residential~~ program or
71.2 contained within it, or in any fixture of the physical plant, shall be impaired or diminished
71.3 in priority by the receiver or the managing agent.

71.4 Subd. 3a. **Liability.** The provisions contained in section 245A.12, subdivision 6,
71.5 shall also apply to receiverships ordered according to this section.

71.6 Subd. 3b. **Liability for financial obligations.** The provisions contained in section
71.7 245A.12, subdivision 7, also apply to receiverships ordered according to this section.

71.8 Subd. 3c. **Physical plant of the residential program.** Occupation of the physical
71.9 plant under an involuntary receivership shall be governed by paragraphs (a) and (b).

71.10 (a) The physical plant owned by a controlling individual of the ~~residential~~ program
71.11 or related party must be made available for the use of the ~~residential~~ program throughout
71.12 the receivership period. The court shall determine a fair monthly rental for the physical
71.13 plant, taking into account all relevant factors necessary to meet required arm's-length
71.14 obligations of controlling individuals such as mortgage payments, real estate taxes,
71.15 and special assessments. The rental fee must be paid by the receiver to the appropriate
71.16 controlling individuals or related parties for each month that the receivership remains in
71.17 effect. No payment made to a controlling individual or related party by the receiver or the
71.18 managing agent or any state agency during a period of the receivership shall include any
71.19 allowance for profit or be based on any formula that includes an allowance for profit.

71.20 (b) If the owner of the physical plant of a ~~residential~~ program is not a related party,
71.21 the court shall order the controlling individual to continue as the lessee of the property
71.22 during the receivership period. Rental payments during the receivership period shall be
71.23 made to the owner of the physical plant by the commissioner or the managing agent on
71.24 behalf of the controlling individual.

71.25 Subd. 4. **Fee.** A receiver appointed under an involuntary receivership or the
71.26 managing agent is entitled to a reasonable fee as determined by the court.

71.27 Subd. 5. **Termination.** An involuntary receivership terminates 36 months after the
71.28 date on which it was ordered or at any other time designated by the court or when any
71.29 of the following events occurs:

71.30 (1) the commissioner determines that the ~~residential~~ program's license or certification
71.31 application should be granted or should not be suspended or revoked;

71.32 (2) a new license or certification is granted to the ~~residential~~ program;

71.33 (3) the commissioner determines that all persons residing in the a residential
71.34 program have been provided with alternative residential programs or that all persons
71.35 receiving services in a nonresidential program have been referred to other programs; or

72.1 (4) the ~~residential program closes~~ court determines that the receivership is no longer
72.2 necessary because the conditions which gave rise to the receivership no longer exist.

72.3 Subd. 6. **Emergency procedure.** If it appears from the petition filed under
72.4 subdivision 1, from an affidavit or affidavits filed with the petition, or from testimony of
72.5 witnesses under oath if the court determines it necessary, that there is probable cause to
72.6 believe that an emergency exists in a residential or nonresidential program, the court shall
72.7 issue a temporary order for appointment of a receiver within five days after receipt of the
72.8 petition. Notice of the petition must be served on the ~~residential~~ program administrator
72.9 and on the persons designated as agents by the controlling individuals to accept service on
72.10 their behalf. A hearing on the petition must be held within five days after notice is served
72.11 unless the administrator or ~~designated~~ authorized agent consents to a later date. After the
72.12 hearing, the court may continue, modify, or terminate the temporary order.

72.13 Subd. 7. **Rate recommendation.** The commissioner of human services may review
72.14 rates of a residential or nonresidential program participating in the medical assistance
72.15 program which is in receivership and that has needs or deficiencies documented by the
72.16 Department of Health or the Department of Human Services. If the commissioner of
72.17 human services determines that a review of the rate established under sections 256B.5012
72.18 and 256B.5013 is needed, the commissioner shall:

72.19 (1) review the order or determination that cites the deficiencies or needs; and

72.20 (2) determine the need for additional staff, additional annual hours by type of
72.21 employee, and additional consultants, services, supplies, equipment, repairs, or capital
72.22 assets necessary to satisfy the needs or deficiencies.

72.23 Subd. 8. **Adjustment to the rate.** Upon review of rates under subdivision 7, the
72.24 commissioner may adjust the ~~residential~~ program's payment rate. The commissioner shall
72.25 review the circumstances, together with the ~~residential~~ program's most recent income and
72.26 expense report, to determine whether or not the deficiencies or needs can be corrected
72.27 or met by reallocating ~~residential~~ program staff, costs, revenues, or any other resources
72.28 including investments. If the commissioner determines that any deficiency cannot be
72.29 corrected or the need cannot be met with the payment rate currently being paid, the
72.30 commissioner shall determine the payment rate adjustment by dividing the additional
72.31 annual costs established during the commissioner's review by the ~~residential~~ program's
72.32 actual resident client days from the most recent income and expense report or the estimated
72.33 resident client days in the projected receivership period. The payment rate adjustment
72.34 remains in effect during the period of the receivership or until another date set by the
72.35 commissioner. Upon the subsequent sale, closure, or transfer of the ~~residential~~ program,
72.36 the commissioner may recover amounts that were paid as payment rate adjustments under

73.1 this subdivision. This recovery shall be determined through a review of actual costs and
 73.2 ~~resident client~~ days in the receivership period. The costs the commissioner finds to be
 73.3 allowable shall be divided by the actual ~~resident client~~ days for the receivership period.
 73.4 This rate shall be compared to the rate paid throughout the receivership period, with
 73.5 the difference multiplied by ~~resident client~~ days, being the amount to be repaid to the
 73.6 commissioner. Allowable costs shall be determined by the commissioner as those ordinary,
 73.7 necessary, and related to ~~resident client~~ care by prudent and cost-conscious management.
 73.8 The buyer or transferee shall repay this amount to the commissioner within 60 days after
 73.9 the commissioner notifies the buyer or transferee of the obligation to repay. This provision
 73.10 does not limit the liability of the seller to the commissioner pursuant to section 256B.0641.

73.11 Subd. 9. **Receivership accounting.** The commissioner may use the medical
 73.12 assistance account and funds for receivership cash flow and accounting purposes.

73.13 Subd. 10. **Receivership costs.** The commissioner may use the accounts and funds
 73.14 that would have been available for the room and board, services, and program costs of
 73.15 persons in the ~~residential~~ program for costs, cash flow, and accounting purposes related
 73.16 to the receivership.

73.17 Subd. 11. **Controlling individuals; restrictions on licensure.** No controlling
 73.18 individual of a ~~residential~~ program placed into receivership under this section may apply
 73.19 for or receive a license or certification to operate a residential or nonresidential program
 73.20 for five years from the commencement of the receivership period. This subdivision does
 73.21 not apply to ~~residential~~ programs that are owned or operated by controlling individuals
 73.22 that were in existence before the date of the receivership agreement, and that have not
 73.23 been placed into receivership.

73.24 Sec. 16. **[245A.1443] CHEMICAL DEPENDENCY PROGRAMS THAT SERVE**
 73.25 **PARENTS WITH THEIR CHILDREN.**

73.26 Subdivision 1. **Application.** This section applies to chemical dependency treatment
 73.27 facilities that are licensed under this chapter and Minnesota Rules, chapter 9530, and that
 73.28 provide services in accordance with Minnesota Rules, part 9530.6490.

73.29 Subd. 2. **Requirements for providing education.** (a) On or before the date of a
 73.30 child's initial physical presence at the facility, the license holder must provide education
 73.31 to the child's parent related to safe bathing and reducing the risk of sudden unexpected
 73.32 infant death and abusive head trauma from shaking infants and young children. At a
 73.33 minimum, the education must address:

74.1 (1) instruction that a child or infant should never be left unattended around water, a
74.2 tub should be filled with only two to four inches of water for infants, and an infant should
74.3 never be put into a tub when the water is running; and

74.4 (2) the risk factors related to sudden unexpected infant death and abusive head trauma
74.5 from shaking infants and young children, and means of reducing the risks, including the
74.6 safety precautions identified in section 245A.1435 and the dangers of co-sleeping.

74.7 (b) The license holder must document the parent's receipt of the education and keep
74.8 the documentation in the parent's file. The documentation must indicate whether the
74.9 parent agrees to comply with the safeguards. If the parent refuses to comply, program staff
74.10 must provide additional education to the parent at appropriate intervals, at least weekly
74.11 for the duration of the parent's participation in the program or until the parent agrees
74.12 to comply with the safeguards.

74.13 Subd. 3. **Parental supervision of children.** (a) On or before the date of a child's
74.14 initial physical presence at the facility, the license holder must complete and document an
74.15 assessment of the parent's capacity to meet the health and safety needs of the child while
74.16 on the facility premises, including identifying circumstances when the parent may be
74.17 unable to adequately care for their child due to:

74.18 (1) the parent's physical or mental health;

74.19 (2) the parent being under the influence of drugs, alcohol, medications, or other
74.20 chemicals;

74.21 (3) the parent being unable to provide appropriate supervision for the child; or

74.22 (4) any other information available to the license holder that indicate the parent may
74.23 not be able to adequately care for the child.

74.24 (b) The license holder must have written procedures specifying the actions to be
74.25 taken by staff if a parent is or becomes unable to adequately care for the parent's child.

74.26 Subd. 4. **Alternative supervision arrangements.** The license holder must
74.27 have written procedures addressing whether the program permits a parent to arrange
74.28 for supervision of the parent's child by another client in the program. If permitted, the
74.29 facility must have a procedure that requires staff approval of the supervision arrangement
74.30 before the supervision by the nonparental client occurs. The procedure for approval must
74.31 include an assessment of the nonparental client's capacity to assume the supervisory
74.32 responsibilities using the criteria in subdivision 3. The license holder must document
74.33 the license holder's approval of the supervisory arrangement and the assessment of the
74.34 nonparental client's capacity to supervise the child, and must keep this documentation in
74.35 the file of the parent of the child being supervised.

80.20 ~~the other prescriptions. Additionally, any findings from the PMP data that are relevant to~~
80.21 ~~the medical director's course of treatment for the client must be documented in the client's~~

81.2 at least every 90 days;

81.3 (3) a copy of the PMP data reviewed must be maintained in the client file;

81.6 actions must be documented in the client's individual file within 72 hours and must contain
81.7 the medical director's determination of whether or not the prescriptions place the client at
81.8 risk of harm and the actions to be taken in response to the PMP findings. In addition, the
81.9 provider must conduct subsequent reviews of the PMP on a monthly basis; and

90.26 employed, used, or acted as a recruiter offering conditional employment for a child care
90.27 center that has received child care assistance program funding, the commissioner shall:

90.28 (1) immediately suspend all program payments to all child care centers in which
90.29 the person employing, using, or acting as a recruiter offering conditional employment
90.30 is an owner, director, manager, license holder, or other controlling individual. The
90.31 commissioner shall suspend program payments under this clause even if services have

91.2 Subd. 2. **Written notice of department sanction; sanction effective date;**
91.3 **informal meeting.** (a) The department shall give notice in writing to a person of an

91.12 (6) the right to appeal the department's proposed sanction; and

91.13 (7) the option to meet informally with department staff, and to bring additional
91.14 documentation or information, to resolve the issues.

91.15 (c) In cases of determinations resulting in denial or termination of payments, in
91.16 addition to the requirements of paragraph (b), the notice must state:

91.17 (1) the length of the denial or termination;

91.18 (2) the requirements and procedures for reinstatement; and

91.19 (3) the provider's right to submit documents and written arguments against the

91.28 timely appeal is made, the proposed sanction shall be delayed pending the final outcome
91.29 of the appeal. Implementation of a proposed sanction following the resolution of a timely
91.30 appeal may be postponed if, in the opinion of the department, the delay of sanction is
91.31 necessary to protect the health or safety of children in care. The department may consider
91.32 the economic hardship of a person in implementing the proposed sanction, but economic
91.33 hardship shall not be a determinative factor in implementing the proposed sanction.

91.34 (f) Requests for an informal meeting to attempt to resolve issues and requests
91.35 for appeals must be sent or delivered to the department's Office of Inspector General,
91.36 Financial Fraud and Abuse Division.

92.3 a criminal action against a provider, license holder, controlling individual, or recipient
92.4 for financial misconduct, but the department imposes an administrative sanction under
92.5 section 245E.02, subdivision 4, paragraph (c), any individual or entity against whom
92.6 the sanction was imposed may appeal the department's administrative sanction under
92.7 this section pursuant to section 119B.16 or 256.045 with the additional requirements in
92.8 clauses (1) to (4). An appeal must specify:

92.15 (b) Notwithstanding section 245E.03, subdivision 4, an appeal is considered timely
92.16 only if postmarked or received by the department's Appeals Division within 30 days after
92.17 receiving a notice of department sanction.

92.18 (c) Before the appeal hearing, the department may deny or terminate authorizations
92.19 or payment to the entity or individual if the department determines that the action is

98.29 Subdivision 1. **Definitions.** (a) For purposes of this section, the following terms
98.30 have the meanings given them.

98.31 (b) "Personal care assistance services" or "PCA services" means services provided
98.32 according to section 256B.0659.

98.33 (c) "Personal care assistant" or "PCA" has the meaning given in section 256B.0659,
98.34 subdivision 1.

99.1 (d) "Service verification" means a random, unscheduled telephone call made for the
 99.2 purpose of verifying that the individual personal care assistant is present at the location
 99.3 where personal care assistance services are being provided and is providing services
 99.4 as scheduled.

99.5 Subd. 2. **Verification schedule.** An agency that submits claims for reimbursement
 99.6 for PCA services under this chapter must develop and implement administrative policies
 99.7 and procedures by which the agency verifies the services provided by a PCA. For each
 99.8 service recipient, the agency must conduct at least one service verification every 90 days.
 99.9 If more than one PCA provides services to a single service recipient, the agency must
 99.10 conduct a service verification for each PCA providing services before conducting a service
 99.11 verification for a PCA whose services were previously verified by the agency. Service
 99.12 verification must occur on an ongoing basis while the agency provides PCA services to
 99.13 the recipient. During service verification, the agency must speak with both the PCA and
 99.14 the service recipient or recipient's authorized representative. Only qualified professional
 99.15 service verifications are eligible for reimbursement. An agency may substitute a visit

 99.17 subdivision 14 or 19.

99.18 Subd. 3. **Documentation of verification.** An agency must fully document service
 99.19 verifications in a legible manner and must maintain the documentation on site for at least
 99.20 five years from the date of documentation. For each service verification, documentation
 99.21 must include:

99.22 (1) the names and signatures of the service recipient or recipient's authorized
 99.23 representative, the PCA and any other agency staff present with the PCA during the
 99.24 service verification, and the staff person conducting the service verification; and

99.25 (2) the start and end time, day, month, and year of the service verification, and the
 99.26 corresponding PCA time sheet.

99.27 Subd. 4. **Variance.** The Office of Inspector General at the Department of Human
 99.28 Services may grant a variance to the service verification requirements in this section if
 99.29 an agency uses an electronic monitoring system or other methods that verify a PCA is
 99.30 present at the location where services are provided and is providing services according to
 99.31 the prescribed schedule. A decision to grant or deny a variance request is final and not
 99.32 subject to appeal under chapter 14.

101.26 **402A.18 COMMISSIONER POWER TO REMEDY FAILURE TO MEET**
101.27 **PERFORMANCE OUTCOMES.**

101.28 Subdivision 1. **Underperforming county; specific service.** If the commissioner
101.29 determines that a county or service delivery authority is deficient in achieving minimum
101.30 performance ~~standards~~ thresholds for a specific essential human services program, the
101.31 commissioner may impose the following remedies and adjust state and federal program
101.32 allocations accordingly:

101.33 (1) voluntary incorporation of the administration and operation of the specific
101.34 essential human services program with an existing service delivery authority or another

102.1 county. A service delivery authority or county incorporating an underperforming county
 102.2 shall not be financially liable for the costs associated with remedying performance
 102.3 outcome deficiencies;

102.4 (2) mandatory incorporation of the administration and operation of the specific
 102.5 essential human services program with an existing service delivery authority or another
 102.6 county. A service delivery authority or county incorporating an underperforming county
 102.7 shall not be financially liable for the costs associated with remedying performance
 102.8 outcome deficiencies; or

102.9 (3) transfer of authority for program administration and operation of the specific
 102.10 essential human services program to the commissioner.

102.11 Subd. 2. **Underperforming county; more than one-half of services.** If the
 102.12 commissioner determines that a county or service delivery authority is deficient in
 102.13 achieving minimum performance ~~standards~~ thresholds for more than one-half of the defined
 102.14 essential human services programs, the commissioner may impose the following remedies:

102.15 (1) voluntary incorporation of the administration and operation of essential human
 102.16 services programs with an existing service delivery authority or another county. A
 102.17 service delivery authority or county incorporating an underperforming county shall
 102.18 not be financially liable for the costs associated with remedying performance outcome
 102.19 deficiencies;

102.20 (2) mandatory incorporation of the administration and operation of essential human
 102.21 services programs with an existing service delivery authority or another county. A
 102.22 service delivery authority or county incorporating an underperforming county shall
 102.23 not be financially liable for the costs associated with remedying performance outcome
 102.24 deficiencies; or

102.25 (3) transfer of authority for administration and operation of essential human services
 102.26 programs to the commissioner.

102.27 Subd. 2a. **Financial responsibility of underperforming county.** A county subject
 102.28 to remedies under subdivision 1 or 2 shall provide to the entity assuming administration of
 102.29 the essential human services program or programs the amount of nonfederal and nonstate
 102.30 funding needed to remedy performance outcome deficiencies.

102.31 Subd. 3. **Conditions prior to imposing remedies.** (a) The commissioner
 102.32 shall notify a county or service delivery authority that it must submit a performance
 102.33 improvement plan if:

102.34 (1) the county or service delivery authority does not meet the minimum performance
 102.35 ~~standard~~ threshold for a measure; or

103.1 (2) the county or service delivery authority does not meet the minimum performance
103.2 ~~standard~~ threshold for one or more racial or ethnic subgroup for which there is a
103.3 statistically valid population size for three or more measures, even if the county or service
103.4 delivery authority met the ~~standard~~ threshold for the overall population.

103.5 The commissioner must approve the performance improvement plan. The county or
103.6 service delivery authority may negotiate the terms of the performance improvement plan
103.7 with the commissioner.

103.8 (b) When the department determines that a county or service delivery authority
103.9 does not meet the minimum performance ~~standard~~ threshold for a given measure, the
103.10 commissioner must advise the county or service delivery authority that fiscal penalties
103.11 may result if the performance does not improve. The department must offer technical
103.12 assistance to the county or service delivery authority. Within 30 days of the initial
103.13 advisement from the department, the county or service delivery authority may claim
103.14 and the department may approve an extenuating circumstance that relieves the county
103.15 or service delivery authority of any further remedy. If a county or service delivery
103.16 authority has a small number of participants in an essential human services program such
103.17 that reliable measurement is not possible, the commissioner may approve extenuating
103.18 circumstances or may average performance over three years.

103.19 (c) If there are no extenuating circumstances, the county or service delivery authority
103.20 must submit a performance improvement plan to the commissioner within 60 days of the
103.21 initial advisement from the department. The term of the performance improvement plan
103.22 must be two years, starting with the date the plan is approved by the commissioner. This
103.23 plan must include a target level for improvement for each measure that did not meet
103.24 the minimum performance ~~standard~~ threshold. The commissioner must approve the
103.25 performance improvement plan within 60 days of submittal.

103.26 (d) The department must monitor the performance improvement plan for two
103.27 years. After two years, if the county or service delivery authority meets the minimum
103.28 performance ~~standard~~ threshold, there is no further remedy. If the county or service
103.29 delivery authority fails to meet the minimum performance ~~standard~~ threshold, but
103.30 meets the improvement target in the performance improvement plan, the county or
103.31 service delivery authority shall modify the performance improvement plan for further
103.32 improvement and the department shall continue to monitor the plan.

103.33 (e) If, after two years of monitoring, the county or service delivery authority fails
103.34 to meet both the minimum performance ~~standard~~ threshold and the improvement target
103.35 identified in the performance improvement plan, the next step of the remedies process
103.36 shall be invoked by the commissioner. This phase of the remedies process may include:

104.1 (1) fiscal penalties for the county or service delivery authority that do not exceed
104.2 one percent of the county's human services expenditures and that are negotiated in the
104.3 performance improvement plan, based on what is needed to improve outcomes. Counties
104.4 or service delivery authorities must reinvest the amount of the fiscal penalty into the
104.5 essential human services program that was underperforming. A county or service delivery
104.6 authority shall not be required to pay more than three fiscal penalties in a year; and

104.7 (2) the department's provision of technical assistance to the county or service
104.8 delivery authority that is targeted to address the specific performance issues.

104.9 The commissioner shall continue monitoring the performance improvement plan for a
104.10 third year.

104.11 (f) If, after the third year of monitoring, the county or service delivery authority
104.12 meets the minimum performance ~~standard~~ threshold, there is no further remedy. If the
104.13 county or service delivery authority fails to meet the minimum performance ~~standard~~
104.14 threshold, but meets the improvement target for the performance improvement plan, the
104.15 county or service delivery authority shall modify the performance improvement plan for
104.16 further improvement and the department shall continue to monitor the plan.

104.17 (g) If, after the third year of monitoring, the county or service delivery authority
104.18 fails to meet the minimum performance ~~standard~~ threshold and the improvement target
104.19 identified in the performance improvement plan, the Human Services Performance
104.20 Council shall review the situation and recommend a course of action to the commissioner.

104.21 (h) If the commissioner has determined that a program has a balanced set of program
104.22 measures and a county or service delivery authority is subject to fiscal penalties for more
104.23 than one-half of the measures for that program, the commissioner may apply further
104.24 remedies as described in subdivisions 1 and 2.

104.25 Sec. 56. Minnesota Statutes 2014, section 471.346, is amended to read:

104.26 **471.346 PUBLICLY OWNED AND LEASED VEHICLES IDENTIFIED.**

104.34 The identification must be in a color that contrasts with the color of the part of the vehicle
104.35 on which it is placed and must remain on and be clean and visible throughout the period of

105.1 which the vehicle is owned or leased by the political subdivision. The identification must
105.2 not be on a removable plate or placard except on leased vehicles but the plate or placard
105.3 must not be removed from a leased vehicle at any time during the term of the lease.

105.4 Sec. 57. **[609.816] WRONGFUL EMPLOYMENT AT A CHILD CARE CENTER.**

109.25 Federal Regulations, title 42, part 455. The commissioner may also exempt a vendor from
109.26 the Medicare enrollment requirement if the vendor is accredited by a Centers for Medicare
109.27 and Medicaid Services approved national accreditation organization as complying with
109.28 the Medicare program's supplier and quality standards and the vendor serves primarily

109.31 (1) can withstand repeated use;

109.32 (2) is generally not useful in the absence of an illness, injury, or disability; and

109.33 (3) is provided to correct or accommodate a physiological disorder or physical
109.34 condition or is generally used primarily for a medical purpose.

110.1 (e) Electronic tablets may be considered durable medical equipment if the electronic
110.2 tablet will be used as an augmentative and alternative communication system as defined
110.3 under subdivision 31a, paragraph (a). To be covered by medical assistance, the device
110.4 must be locked in order to prevent use not related to communication.

110.5 (f) Notwithstanding the requirement in paragraph (e) that an electronic tablet must
110.6 be locked to prevent use not as an augmentative communication device, a recipient of
110.7 waiver services may use an electronic tablet for a use not related to communication when
110.8 the recipient has been authorized under the waiver to receive one or more additional
110.9 applications that can be loaded onto the electronic tablet, such that allowing the additional
110.10 use prevents the purchase of a separate electronic tablet with waiver funds.

110.11 Sec. 2. **OBSOLETE RULES REGARDING PRIOR AUTHORIZATIONS FOR**
110.12 **MEDICAL SUPPLIES AND EQUIPMENT.**

110.13 (a) The commissioner of human services shall amend Minnesota Rules, part
110.14 9505.0310, subpart 3, to remove the following medical supplies and equipment from the
110.15 list for which prior authorization is required as a condition of medical assistance payment:
110.16 a nondurable medical supply that costs more than the performance agreement limit;
110.17 and durable medical equipment, prostheses, and orthoses if the cost of their purchase,
110.18 projected cumulative rental for the period of the recipient's expected use, or repairs
110.19 exceeds the performance agreement limit.

110.20 (b) The commissioner of human services shall amend Minnesota Rules, part
110.21 9505.0365, subpart 3, to remove the requirement that prior authorization for an ambulatory
110.22 aid is required for an aid that costs in excess of the limits specified in the provider's
110.23 performance agreement.

110.24 (c) The commissioner may use the good cause exemption in Minnesota Statutes,
110.25 section 14.388, subdivision 1, clause (3), to adopt rules under this section. Minnesota
110.26 Statutes, section 14.386, does not apply except as provided in Minnesota Statutes, section
110.27 14.388.

110.28 Sec. 3. **REPEALER.**

110.29 Minnesota Rules, parts 9505.0175, subpart 32; 9505.0365, subpart 2; 9505.1696,
110.30 subpart 10; and 9505.1709, are repealed.

111.1 **ARTICLE 6**

111.8 paragraph (h), clause (9).

111.9 (b) The commissioner of human services shall ensure that notice of changes in
111.10 eligibility due to a nursing facility level of care determination is provided to each affected

111.17 A recipient who meets the criteria in section 256B.0922, subdivision 2, paragraph (a),
111.18 clauses (1) and (2), may request continued services pending appeal within the time period
111.19 allowed to request an appeal under section 256.045, subdivision 3, paragraph ~~(h)~~ (i). This
111.20 paragraph is in effect for appeals filed between January 1, 2015, and December 31, 2016.

111.24 who is newly employed by a city or state agency after July 1, 2016, must be licensed
111.25 if the individual who provides social work services, as those services are defined in
111.26 section 148E.010, subdivision 11, paragraph (b), is presented to the public by any title
111.27 incorporating the words "social work" or "social worker."

111.28 ~~(b) City, county, and state agencies employing social workers and staff who are~~

112.1 ~~termination~~ that promote continuity of care and service coordination with the person and
 112.2 the case manager and with other licensed caregivers, if any, who also provide support to
 112.3 the person. The policy must include the requirements specified in paragraphs (b) to (f).

112.4 (b) The license holder must limit temporary service suspension to situations in which:

112.5 (1) the person's conduct poses an imminent risk of physical harm to self or others
 112.6 and either positive support strategies have been implemented to resolve the issues leading
 112.7 to the temporary service suspension but have not been effective and additional positive
 112.8 support strategies would not achieve and maintain safety, or less restrictive measures
 112.9 would not resolve the issues leading to the suspension;

112.10 (2) the person has emergent medical issues that exceed the license holder's ability to
 112.11 meet the person's needs; or

112.12 (3) the program has not been paid for services.

112.13 (c) Prior to giving notice of temporary service suspension, the license holder must
 112.14 document actions taken to minimize or eliminate the need for service suspension. Action
 112.15 taken by the license holder must include, at a minimum:

112.16 (1) consultation with the person's support team or expanded support team to identify
 112.17 and resolve issues leading to issuance of the notice; and

 112.21 apply to temporary suspensions issued under paragraph (b), clause (3).

112.22 If, based on the best interests of the person, the circumstances at the time of the notice
 112.23 were such that the license holder was unable to take the action specified in clauses (1)
 112.24 and (2), the license holder must document the specific circumstances and the reason
 112.25 for being unable to do so.

112.26 ~~(b)~~ (d) The policy notice of temporary service suspension must include meet the

 112.34 notify the commissioner in writing;

112.35 (2) notice of the proposed termination of services, including those situations that
 112.36 began with a temporary service suspension, must be given at least 60 days before the

113.1 ~~proposed termination is to become effective when a license holder is providing intensive~~
113.2 ~~supports and services identified in section 245D.03, subdivision 1, paragraph (c), and 30~~
113.3 ~~days prior to termination for all other services licensed under this chapter. This notice may~~
113.4 ~~be given in conjunction with a notice of temporary service suspension;~~

113.5 ~~(3) notice of temporary service suspension must be given on the first day of the~~
113.6 ~~service suspension; and~~

113.7 ~~(3) the notice must include the reason for the action, a summary of actions taken to~~
113.8 ~~minimize or eliminate the need for temporary service suspension as required under this~~
113.9 ~~paragraph, and why these measures failed to prevent the suspension.~~

113.10 ~~(e) During the temporary suspension period, the license holder must:~~

113.11 ~~(4) the license holder must (1) provide information requested by the person or case~~
113.12 ~~manager when services are temporarily suspended or upon notice of termination;~~

113.13 ~~(5) prior to giving notice of service termination or temporary service suspension,~~
113.14 ~~the license holder must document actions taken to minimize or eliminate the need for~~
113.15 ~~service suspension or termination;~~

113.16 ~~(6) during the temporary service suspension or service termination notice period,~~
113.17 ~~the license holder must (2) work with the support team or expanded support team to~~

113.19 ~~of care; and~~

113.20 ~~(7) the license holder must (3) maintain information about the service suspension or~~
113.21 ~~termination, including the written termination notice of temporary service suspension, in~~
113.22 ~~the service recipient record; and~~

113.23 ~~(8) the license holder must restrict temporary service suspension to situations in~~
113.24 ~~which the person's conduct poses an imminent risk of physical harm to self or others and~~
113.25 ~~less restrictive or positive support strategies would not achieve and maintain safety.~~

113.26 ~~(f) If, based on a review by the person's support team or expanded support team,~~
113.27 ~~that team determines the person no longer poses an imminent risk of physical harm to~~
113.28 ~~self or others, the person has a right to return to receiving services. If, at the time of the~~
113.29 ~~service suspension or at any time during the suspension, the person is receiving treatment~~
113.30 ~~related to the conduct that resulted in the service suspension, the support team or expanded~~
113.31 ~~support team must consider the recommendation of the licensed health professional,~~
113.32 ~~mental health professional, or other licensed professional involved in the person's care~~
113.33 ~~or treatment when determining whether the person no longer poses an imminent risk of~~
113.34 ~~physical harm to self or others and can return to the program. If the support team or~~
113.35 ~~expanded support team makes a determination that is contrary to the recommendation of a~~

114.1 licensed professional treating the person, the license holder must document the specific
114.2 reasons why a contrary decision was made.

114.3 Sec. 4. Minnesota Statutes 2014, section 245D.10, is amended by adding a subdivision
114.4 to read:

114.5 Subd. 3a. **Service termination.** (a) The license holder must establish policies
114.6 and procedures for service termination that promote continuity of care and service
114.7 coordination with the person and the case manager and with other licensed caregivers, if
114.8 any, who also provide support to the person. The policy must include the requirements
114.9 specified in paragraphs (b) to (f).

114.10 (b) The license holder must permit each person to remain in the program and must
114.11 not terminate services unless:

114.12 (1) the termination is necessary for the person's welfare and the person's needs
114.13 cannot be met in the facility;

114.14 (2) the safety of the person or others in the program is endangered and positive
114.15 support strategies were attempted and have not achieved and effectively maintained safety
114.16 for the person or others;

114.17 (3) the health of the person or others in the program would otherwise be endangered;

114.18 (4) the program has not been paid for services;

114.19 (5) the program ceases to operate; or

114.20 (6) the person has been terminated by the lead agency from waiver eligibility.

114.21 (c) Prior to giving notice of service termination, the license holder must document
114.22 actions taken to minimize or eliminate the need for termination. Action taken by the
114.23 license holder must include, at a minimum:

114.24 (1) consultation with the person's support team or expanded support team to identify
114.25 and resolve issues leading to issuance of the notice; and

114.27 245D.03, subdivision 1, paragraph (c), clause (1), or other professional consultation or
114.28 intervention services to support the person in the program. This requirement does not
114.29 apply to notices of service termination issued under paragraph (b), clause (4).

114.30 If, based on the best interests of the person, the circumstances at the time of the notice
114.31 were such that the license holder was unable to take the action specified in clauses (1)
114.32 and (2), the license holder must document the specific circumstances and the reason
114.33 for being unable to do so.

114.34 (d) The notice of service termination must meet the following requirements:

115.1 (1) the license holder must notify the person or the person's legal representative and
115.2 the case manager in writing of the intended service termination. If the service termination
115.3 is from residential supports and services as defined in section 245D.03, subdivision 1,
115.4 paragraph (c), clause (3), the license holder must also notify the commissioner in writing;
115.5 and

115.6 (2) the notice must include:

115.7 (i) the reason for the action;

115.8 (ii) except for a service termination under paragraph (b), clause (5), a summary of
115.9 actions taken to minimize or eliminate the need for service termination or temporary
115.10 service suspension as required under paragraph (c), and why these measures failed to
115.11 prevent the termination or suspension;

115.12 (iii) the person's right to appeal the termination of services under section 256.045,
115.13 subdivision 3, paragraph (a); and

115.14 (iv) the person's right to seek a temporary order staying the termination of services
115.15 according to the procedures in section 256.045, subdivision 4a or 6, paragraph (c).

115.16 (e) Notice of the proposed termination of service, including those situations that
115.17 began with a temporary service suspension, must be given at least 60 days prior to
115.18 termination when a license holder is providing intensive supports and services identified
115.19 in section 245D.03, subdivision 1, paragraph (c), and 30 days prior to termination for all
115.20 other services licensed under this chapter. This notice may be given in conjunction with a
115.21 notice of temporary service suspension under subdivision 3.

115.22 (f) During the service termination notice period, the license holder must:

115.23 (1) work with the support team or expanded support team to develop reasonable
115.24 alternatives to protect the person and others and to support continuity of care;

115.25 (2) provide information requested by the person or case manager; and

115.26 (3) maintain information about the service termination, including the written notice
115.27 of intended service termination, in the service recipient record.

115.28 Sec. 5. Minnesota Statutes 2014, section 256.045, subdivision 3, is amended to read:

115.29 Subd. 3. **State agency hearings.** (a) State agency hearings are available for the
115.30 following:

115.31 (1) any person applying for, receiving or having received public assistance, medical
115.32 care, or a program of social services granted by the state agency or a county agency or
115.33 the federal Food Stamp Act whose application for assistance is denied, not acted upon
115.34 with reasonable promptness, or whose assistance is suspended, reduced, terminated, or
115.35 claimed to have been incorrectly paid;

- 116.1 (2) any patient or relative aggrieved by an order of the commissioner under section
116.2 252.27;

- 116.4 (4) except as provided under chapter 245C, any individual or facility determined by a
116.5 lead investigative agency to have maltreated a vulnerable adult under section 626.557 after
116.6 they have exercised their right to administrative reconsideration under section 626.557;
- 116.7 (5) any person whose claim for foster care payment according to a placement of the
116.8 child resulting from a child protection assessment under section 626.556 is denied or not
116.9 acted upon with reasonable promptness, regardless of funding source;
- 116.10 (6) any person to whom a right of appeal according to this section is given by other
116.11 provision of law;
- 116.12 (7) an applicant aggrieved by an adverse decision to an application for a hardship
116.13 waiver under section 256B.15;
- 116.14 (8) an applicant aggrieved by an adverse decision to an application or redetermination
116.15 for a Medicare Part D prescription drug subsidy under section 256B.04, subdivision 4a;
- 116.16 (9) except as provided under chapter 245A, an individual or facility determined
116.17 to have maltreated a minor under section 626.556, after the individual or facility has
116.18 exercised the right to administrative reconsideration under section 626.556;
- 116.19 (10) except as provided under chapter 245C, an individual disqualified under sections
116.20 245C.14 and 245C.15, following a reconsideration decision issued under section 245C.23,
116.21 on the basis of serious or recurring maltreatment; a preponderance of the evidence that
116.22 the individual has committed an act or acts that meet the definition of any of the crimes
116.23 listed in section 245C.15, subdivisions 1 to 4; or for failing to make reports required
116.24 under section 626.556, subdivision 3, or 626.557, subdivision 3. Hearings regarding a
116.25 maltreatment determination under clause (4) or (9) and a disqualification under this clause
116.26 in which the basis for a disqualification is serious or recurring maltreatment, shall be
116.27 consolidated into a single fair hearing. In such cases, the scope of review by the human
116.28 services judge shall include both the maltreatment determination and the disqualification.
116.29 The failure to exercise the right to an administrative reconsideration shall not be a bar to a
116.30 hearing under this section if federal law provides an individual the right to a hearing to
116.31 dispute a finding of maltreatment; or
- 116.32 (11) any person with an outstanding debt resulting from receipt of public assistance,
116.33 medical care, or the federal Food Stamp Act who is contesting a setoff claim by the
116.34 Department of Human Services or a county agency. The scope of the appeal is the
116.35 validity of the claimant agency's intention to request a setoff of a refund under chapter
116.36 270A against the debt;

117.1 (12) a person issued a notice of service termination under section 245D.10,
117.2 subdivision 3a, from residential supports and services as defined in section 245D.03,
117.3 subdivision 1, paragraph (c), clause (3), that is not otherwise subject to appeal under
117.4 subdivision 4a; or

117.5 (13) an individual disability waiver recipient based on a denial of a request for a
117.6 rate exception under section 256B.4914.

117.7 (b) The hearing for an individual or facility under paragraph (a), clause (4), (9), or
117.8 (10), is the only administrative appeal to the final agency determination specifically,
117.9 including a challenge to the accuracy and completeness of data under section 13.04.

117.10 Hearings requested under paragraph (a), clause (4), apply only to incidents of maltreatment
117.11 that occur on or after October 1, 1995. Hearings requested by nursing assistants in nursing
117.12 homes alleged to have maltreated a resident prior to October 1, 1995, shall be held as a
117.13 contested case proceeding under the provisions of chapter 14. Hearings requested under
117.14 paragraph (a), clause (9), apply only to incidents of maltreatment that occur on or after
117.15 July 1, 1997. A hearing for an individual or facility under paragraph (a), clauses (4), (9),
117.16 and (10), is only available when there is no district court action pending. If such action is
117.17 filed in district court while an administrative review is pending that arises out of some
117.18 or all of the events or circumstances on which the appeal is based, the administrative
117.19 review must be suspended until the judicial actions are completed. If the district court
117.20 proceedings are completed, dismissed, or overturned, the matter may be considered in
117.21 an administrative hearing.

117.22 (c) For purposes of this section, bargaining unit grievance procedures are not an
117.23 administrative appeal.

117.24 (d) The scope of hearings involving claims to foster care payments under paragraph
117.25 (a), clause (5), shall be limited to the issue of whether the county is legally responsible for a
117.26 child's placement under court order or voluntary placement agreement and, if so, the correct
117.27 amount of foster care payment to be made on the child's behalf and shall not include review
117.28 of the propriety of the county's child protection determination or child placement decision.

117.29 (e) The scope of hearings under paragraph (a), clause (12), shall be limited to whether
117.30 the proposed termination of services is authorized under section 245D.10, subdivision
117.31 3a, paragraph (b), and whether the requirements of section 245D.10, subdivision 3a,
117.32 paragraph (c), were met. If the appeal includes a request for a temporary stay of
117.33 termination of services, the scope of the hearing shall also include whether the county
117.34 agency has finalized arrangements for a residential facility, a program, or services that will
117.35 meet the assessed needs of the recipient by the effective date of the service termination.

118.1 ~~(e)~~ (f) A vendor of medical care as defined in section 256B.02, subdivision 7, or a
118.2 vendor under contract with a county agency to provide social services is not a party and
118.3 may not request a hearing under this section, except if assisting a recipient as provided in
118.4 subdivision 4.

118.5 ~~(f)~~ (g) An applicant or recipient is not entitled to receive social services beyond the
118.6 services prescribed under chapter 256M or other social services the person is eligible
118.7 for under state law.

118.8 ~~(g)~~ (h) The commissioner may summarily affirm the county or state agency's
118.9 proposed action without a hearing when the sole issue is an automatic change due to
118.10 a change in state or federal law.

118.11 ~~(h)~~ (i) Unless federal or Minnesota law specifies a different time frame in which to file
118.12 an appeal, an individual or organization specified in this section may contest the specified
118.13 action, decision, or final disposition before the state agency by submitting a written request
118.14 for a hearing to the state agency within 30 days after receiving written notice of the action,
118.15 decision, or final disposition, or within 90 days of such written notice if the applicant,
118.16 recipient, patient, or relative shows good cause, as defined in section 256.0451, subdivision
118.17 13, why the request was not submitted within the 30-day time limit. The individual filing
118.18 the appeal has the burden of proving good cause by a preponderance of the evidence.

118.19 Sec. 6. Minnesota Statutes 2014, section 256.045, subdivision 6, is amended to read:

118.20 Subd. 6. **Additional powers of commissioner; subpoenas.** (a) The commissioner
118.21 of human services, or the commissioner of health for matters within the commissioner's
118.22 jurisdiction under subdivision 3b, may initiate a review of any action or decision of a
118.23 county agency and direct that the matter be presented to a state human services judge
118.24 for a hearing held under subdivision 3, 3a, 3b, or 4a. In all matters dealing with human
118.25 services committed by law to the discretion of the county agency, the commissioner's
118.26 judgment may be substituted for that of the county agency. The commissioner may order
118.27 an independent examination when appropriate.

118.28 (b) Any party to a hearing held pursuant to subdivision 3, 3a, 3b, or 4a may request
118.29 that the commissioner issue a subpoena to compel the attendance of witnesses and the
118.30 production of records at the hearing. A local agency may request that the commissioner
118.31 issue a subpoena to compel the release of information from third parties prior to a request
118.32 for a hearing under section 256.046 upon a showing of relevance to such a proceeding.
118.33 The issuance, service, and enforcement of subpoenas under this subdivision is governed
118.34 by section 357.22 and the Minnesota Rules of Civil Procedure.

119.1 (c) The commissioner may issue a temporary order staying a proposed demission by
 119.2 a residential facility licensed under chapter 245A:

119.3 (1) while an appeal by a recipient under subdivision 3 is pending ~~or for the period of~~
 119.4 ~~time necessary for the county agency to implement the commissioner's order;~~

119.5 (2) for the period of time necessary for the county agency to implement the
 119.6 commissioner's order; or

 128.27 facility, as determined under section 256B.0911, subdivision 4e, but for the provision of
 128.28 services under the alternative care program;

128.29 ~~(2)~~ (3) the person is age 65 or older;

128.30 ~~(3)~~ (4) the person would be eligible for medical assistance within 135 days of
 128.31 admission to a nursing facility;

128.32 ~~(4)~~ (5) the person is not ineligible for the payment of long-term care services by the
 128.33 medical assistance program due to an asset transfer penalty under section 256B.0595 or
 128.34 equity interest in the home exceeding \$500,000 as stated in section 256B.056;

129.1 ~~(5)~~ (6) the person needs long-term care services that are not funded through other
129.2 state or federal funding, or other health insurance or other third-party insurance such as
129.3 long-term care insurance;

129.4 ~~(6)~~ (7) except for individuals described in clause ~~(7)~~ (8), the monthly cost of the
129.5 alternative care services funded by the program for this person does not exceed 75 percent
129.6 of the monthly limit described under section 256B.0915, subdivision 3a. This monthly
129.7 limit does not prohibit the alternative care client from payment for additional services,
129.8 but in no case may the cost of additional services purchased under this section exceed the
129.9 difference between the client's monthly service limit defined under section 256B.0915,
129.10 subdivision 3, and the alternative care program monthly service limit defined in this
129.11 paragraph. If care-related supplies and equipment or environmental modifications and
129.12 adaptations are or will be purchased for an alternative care services recipient, the costs
129.13 may be prorated on a monthly basis for up to 12 consecutive months beginning with the
129.14 month of purchase. If the monthly cost of a recipient's other alternative care services
129.15 exceeds the monthly limit established in this paragraph, the annual cost of the alternative
129.16 care services shall be determined. In this event, the annual cost of alternative care services
129.17 shall not exceed 12 times the monthly limit described in this paragraph;

129.18 ~~(7)~~ (8) for individuals assigned a case mix classification A as described under
129.19 section 256B.0915, subdivision 3a, paragraph (a), with (i) no dependencies in activities
129.20 of daily living, or (ii) up to two dependencies in bathing, dressing, grooming, walking,
129.21 and eating when the dependency score in eating is three or greater as determined by an
129.22 assessment performed under section 256B.0911, the monthly cost of alternative care
129.23 services funded by the program cannot exceed \$593 per month for all new participants
129.24 enrolled in the program on or after July 1, 2011. This monthly limit shall be applied to
129.25 all other participants who meet this criteria at reassessment. This monthly limit shall be
129.26 increased annually as described in section 256B.0915, subdivision 3a, paragraph (a). This
129.27 monthly limit does not prohibit the alternative care client from payment for additional
129.28 services, but in no case may the cost of additional services purchased exceed the difference
129.29 between the client's monthly service limit defined in this clause and the limit described in
129.30 clause ~~(6)~~ (7) for case mix classification A; and

129.31 ~~(8)~~ (9) the person is making timely payments of the assessed monthly fee.

129.32 A person is ineligible if payment of the fee is over 60 days past due, unless the person
129.33 agrees to:

129.34 (i) the appointment of a representative payee;

129.35 (ii) automatic payment from a financial account;

130.1 (iii) the establishment of greater family involvement in the financial management of
130.2 payments; or

130.3 (iv) another method acceptable to the lead agency to ensure prompt fee payments.

130.4 The lead agency may extend the client's eligibility as necessary while making
130.5 arrangements to facilitate payment of past-due amounts and future premium payments.
130.6 Following disenrollment due to nonpayment of a monthly fee, eligibility shall not be
130.7 reinstated for a period of 30 days.

130.8 (b) Alternative care funding under this subdivision is not available for a person who
130.9 is a medical assistance recipient or who would be eligible for medical assistance without a
130.10 spenddown or waiver obligation. A person whose initial application for medical assistance
130.11 and the elderly waiver program is being processed may be served under the alternative care
130.12 program for a period up to 60 days. If the individual is found to be eligible for medical
130.13 assistance, medical assistance must be billed for services payable under the federally
130.14 approved elderly waiver plan and delivered from the date the individual was found eligible
130.15 for the federally approved elderly waiver plan. Notwithstanding this provision, alternative
130.16 care funds may not be used to pay for any service the cost of which: (i) is payable by
130.17 medical assistance; (ii) is used by a recipient to meet a waiver obligation; or (iii) is used to
130.18 pay a medical assistance income spenddown for a person who is eligible to participate in the
130.19 federally approved elderly waiver program under the special income standard provision.

130.20 (c) Alternative care funding is not available for a person who resides in a licensed
130.21 nursing home, certified boarding care home, hospital, or intermediate care facility, except
130.22 for case management services which are provided in support of the discharge planning
130.23 process for a nursing home resident or certified boarding care home resident to assist with
130.24 a relocation process to a community-based setting.

130.25 (d) Alternative care funding is not available for a person whose income is greater
130.26 than the maintenance needs allowance under section 256B.0915, subdivision 1d, but equal
130.27 to or less than 120 percent of the federal poverty guideline effective July 1 in the fiscal
130.28 year for which alternative care eligibility is determined, who would be eligible for the
130.29 elderly waiver with a waiver obligation.

130.30 Sec. 13. Minnesota Statutes 2014, section 256B.0913, subdivision 5, is amended to read:

130.31 Subd. 5. **Services covered under alternative care.** Alternative care funding may
130.32 be used for payment of costs of:

130.33 (1) adult day care services and adult day services bath;

130.34 (2) home health aide care;

130.35 (3) homemaker services;

- 131.1 (4) personal care;
- 131.2 (5) case management and conversion case management;
- 131.3 (6) respite care;
- 131.4 (7) ~~care-related~~ specialized supplies and equipment;
- 131.5 (8) ~~meals delivered to the home~~ home-delivered meals;
- 131.6 (9) nonmedical transportation;
- 131.7 (10) nursing services;
- 131.8 (11) chore services;
- 131.9 (12) companion services;
- 131.10 (13) nutrition services;
- 131.11 (14) ~~training for direct informal caregivers~~ family caregiver training and education;
- 131.12 (15) coaching and counseling;
- 131.13 ~~(15)~~ (16) telehome care to provide services in their own homes in conjunction with
- 131.14 in-home visits;
- 131.15 ~~(16)~~ (17) consumer-directed community ~~services~~ supports under the alternative care
- 131.16 programs which are available statewide and limited to the average monthly expenditures
- 131.17 representative of all alternative care program participants for the same case mix resident
- 131.18 class assigned in the most recent fiscal year for which complete expenditure data is
- 131.19 available;
- 131.20 ~~(17)~~ (18) environmental ~~modifications~~ accessibility and adaptations; and
- 131.21 ~~(18)~~ (19) discretionary services, for which lead agencies may make payment from
- 131.22 their alternative care program allocation for services not otherwise defined in this section
- 131.23 or section 256B.0625, following approval by the commissioner.
- 131.24 Total annual payments for discretionary services for all clients served by a lead
- 131.25 agency must not exceed 25 percent of that lead agency's annual alternative care program
- 131.26 base allocation, except that when alternative care services receive federal financial
- 131.27 participation under the 1115 waiver demonstration, funding shall be allocated in
- 131.28 accordance with subdivision 17.

131.29 Sec. 14. Minnesota Statutes 2014, section 256B.0913, subdivision 5a, is amended to

131.30 read:

131.31 Subd. 5a. **Services; service definitions; service standards.** (a) Unless specified in

131.32 statute, the services, service definitions, and standards for alternative care services shall

131.33 be the same as the services, service definitions, and standards specified in the federally

131.34 approved elderly waiver plan, except alternative care does not cover transitional support

132.1 services, assisted living services, adult foster care services, and residential care and
132.2 benefits defined under section 256B.0625 that meet primary and acute health care needs.

132.3 (b) The lead agency must ensure that the funds are not used to supplant or
132.4 supplement services available through other public assistance or services programs,
132.5 including supplementation of client co-pays, deductibles, premiums, or other cost-sharing
132.6 arrangements for health-related benefits and services or entitlement programs and services
132.7 that are available to the person, but in which they have elected not to enroll. The
132.8 lead agency must ensure that the benefit department recovery system in the Medicaid
132.9 Management Information System (MMIS) has the necessary information on any other
132.10 health insurance or third-party insurance policy to which the client may have access.
132.11 Supplies and equipment may be purchased from a vendor not certified to participate in the
132.12 Medicaid program if the cost for the item is less than that of a Medicaid vendor.

132.13 (c) Personal care services must meet the service standards defined in the federally
132.14 approved elderly waiver plan, except that a lead agency may authorize services to be
132.15 provided by a client's relative who meets the relative hardship waiver requirements or a
132.16 relative who meets the criteria and is also the responsible party under an individual service
132.17 plan that ensures the client's health and safety and supervision of the personal care services
132.18 by a qualified professional as defined in section 256B.0625, subdivision 19c. Relative
132.19 hardship is established by the lead agency when the client's care causes a relative caregiver
132.20 to do any of the following: resign from a paying job, reduce work hours resulting in lost
132.21 wages, obtain a leave of absence resulting in lost wages, incur substantial client-related
132.22 expenses, provide services to address authorized, unstaffed direct care time, or meet
132.23 special needs of the client unmet in the formal service plan.

132.24 (d) Alternative care covers sign language interpreter services and spoken language
132.25 interpreter services for recipients eligible for alternative care when the services are
132.26 necessary to help deaf and hard-of-hearing recipients or recipients with limited English
132.27 proficiency obtain covered services. Coverage for face-to-face spoken language interpreter
132.28 services shall be provided only if the spoken language interpreter used by the enrolled
132.29 health care provider is listed in the registry or roster established under section 144.058.

132.30 Sec. 15. Minnesota Statutes 2014, section 256B.0913, subdivision 6, is amended to read:

132.31 Subd. 6. **Alternative care program administration.** (a) The alternative care
132.32 program is administered by the county agency. This agency is the lead agency responsible
132.33 for the local administration of the alternative care program as described in this section.
132.34 However, it may contract with the public health nursing service to be the lead agency. The
132.35 commissioner may contract with federally recognized Indian tribes with a reservation in

133.1 Minnesota to serve as the lead agency responsible for the local administration of the
133.2 alternative care program as described in the contract. When the commissioner determines
133.3 that an overpayment has been made by the state, the commissioner shall recover the
133.4 overpayment.

133.5 (b) Alternative care pilot projects operate according to this section and the provisions
133.6 of Laws 1993, First Special Session chapter 1, article 5, section 133, under agreement
133.7 with the commissioner. Each pilot project agreement period shall begin no later than the
133.8 first payment cycle of the state fiscal year and continue through the last payment cycle of
133.9 the state fiscal year.

133.10 Sec. 16. Minnesota Statutes 2014, section 256B.0913, subdivision 10, is amended to
133.11 read:

133.12 Subd. 10. **Allocation formula.** (a) By July 15 of each year, the commissioner
133.13 shall allocate to county agencies the state funds available for alternative care for persons
133.14 eligible under subdivision 2, except that when alternative care services receive federal
133.15 financial participation under the 1115 waiver demonstration, funding shall be allocated in
133.16 accordance with subdivision 17.

133.17 (b) The adjusted base for each lead agency is the lead agency's current fiscal
133.18 year base allocation plus any targeted funds approved during the current fiscal year.
133.19 Calculations for paragraphs (c) and (d) are to be made as follows: for each lead agency,
133.20 the determination of alternative care program expenditures shall be based on payments
133.21 for services rendered from April 1 through March 31 in the base year, to the extent that
133.22 claims have been submitted and paid by June 1 of that year, except that when alternative
133.23 care services receive federal financial participation under the 1115 waiver demonstration,
133.24 funding shall be allocated in accordance with subdivision 17.

133.25 (c) If the alternative care program expenditures as defined in paragraph (b) are 95
133.26 percent or more of the lead agency's adjusted base allocation, the allocation for the next
133.27 fiscal year is 100 percent of the adjusted base, plus inflation to the extent that inflation
133.28 is included in the state budget.

133.29 (d) If the alternative care program expenditures as defined in paragraph (b) are
133.30 less than 95 percent of the lead agency's adjusted base allocation, the allocation for the
133.31 next fiscal year is the adjusted base allocation less the amount of unspent funds below
133.32 the 95 percent level.

133.33 (e) If the annual legislative appropriation for the alternative care program is
133.34 inadequate to fund the combined lead agency allocations for a biennium, the commissioner

134.1 shall distribute to each lead agency the entire annual appropriation as that lead agency's
134.2 percentage of the computed base as calculated in paragraphs (c) and (d).

134.3 (f) On agreement between the commissioner and the lead agency, the commissioner
134.4 may have discretion to reallocate alternative care base allocations distributed to lead
134.5 agencies in which the base amount exceeds program expenditures.

134.6 Sec. 17. Minnesota Statutes 2014, section 256B.0913, subdivision 11, is amended to
134.7 read:

134.8 Subd. 11. **Targeted funding.** (a) The purpose of targeted funding is to make
134.9 additional money available to lead agencies with the greatest need. Targeted funds are
134.10 not intended to be distributed equitably among all lead agencies, but rather, allocated to
134.11 those with long-term care strategies that meet state goals.

134.12 (b) The funds available for targeted funding shall be the total appropriation for each
134.13 fiscal year minus lead agency allocations determined under subdivision 10 as adjusted
134.14 for any inflation increases provided in appropriations for the biennium, except that when
134.15 alternative care services receive federal financial participation under the 1115 waiver
134.16 demonstration, funding shall be allocated in accordance with subdivision 17.

134.17 (c) The commissioner shall allocate targeted funds to lead agencies that demonstrate
134.18 to the satisfaction of the commissioner that they have developed feasible plans to increase
134.19 alternative care spending, except that when alternative care services receive federal
134.20 financial participation under the 1115 waiver demonstration, funding shall be allocated in
134.21 accordance with subdivision 17. In making targeted funding allocations, the commissioner
134.22 shall use the following priorities:

134.23 (1) lead agencies that received a lower allocation in fiscal year 1991 than in fiscal
134.24 year 1990. Counties remain in this priority until they have been restored to their fiscal
134.25 year 1990 level plus inflation;

134.26 (2) lead agencies that sustain a base allocation reduction for failure to spend 95
134.27 percent of the allocation if they demonstrate that the base reduction should be restored;

134.28 (3) lead agencies that propose projects to divert community residents from nursing
134.29 home placement or convert nursing home residents to community living; and

134.30 (4) lead agencies that can otherwise justify program growth by demonstrating the
134.31 existence of waiting lists, demographically justified needs, or other unmet needs.

134.32 (d) Lead agencies that would receive targeted funds according to paragraph (c) must
134.33 demonstrate to the commissioner's satisfaction that the funds would be appropriately spent
134.34 by showing how the funds would be used to further the state's alternative care goals

135.1 as described in subdivision 1, and that the county has the administrative and service
135.2 delivery capability to use them.

135.3 (e) The commissioner shall make applications available for targeted funds by
135.4 November 1 of each year, except that when alternative care services receive federal
135.5 financial participation under the 1115 waiver demonstration, funding shall be allocated
135.6 in accordance with subdivision 17. The lead agencies selected for targeted funds shall
135.7 be notified of the amount of their additional funding. Targeted funds allocated to a lead
135.8 agency in one year shall be treated as part of the lead agency's base allocation for that
135.9 year in determining allocations for subsequent years. No reallocations between lead
135.10 agencies shall be made.

135.11 Sec. 18. Minnesota Statutes 2014, section 256B.0913, subdivision 12, is amended to
135.12 read:

135.13 Subd. 12. **Client fees.** (a) A fee is required for all alternative care eligible clients
135.14 to help pay for the cost of participating in the program. The amount of the fee for the
135.15 alternative care client shall be determined as follows:

135.16 (1) when the alternative care client's income less recurring and predictable medical
135.17 expenses is less than 100 percent of the federal poverty guideline effective on July 1 of
135.18 the state fiscal year in which the fee is being computed, and total assets are less than
135.19 \$10,000, the fee is zero;

135.20 (2) when the alternative care client's income less recurring and predictable medical
135.21 expenses is equal to or greater than 100 percent but less than 150 percent of the federal
135.22 poverty guideline effective on July 1 of the state fiscal year in which the fee is being
135.23 computed, and total assets are less than \$10,000, the fee is five percent of the cost of
135.24 alternative care services;

135.25 (3) when the alternative care client's income less recurring and predictable medical
135.26 expenses is equal to or greater than 150 percent but less than 200 percent of the federal
135.27 poverty guidelines effective on July 1 of the state fiscal year in which the fee is being
135.28 computed and assets are less than \$10,000, the fee is 15 percent of the cost of alternative
135.29 care services;

135.30 (4) when the alternative care client's income less recurring and predictable medical
135.31 expenses is equal to or greater than 200 percent of the federal poverty guidelines effective
135.32 on July 1 of the state fiscal year in which the fee is being computed and assets are less than
135.33 \$10,000, the fee is 30 percent of the cost of alternative care services; and

135.34 (5) when the alternative care client's assets are equal to or greater than \$10,000, the
135.35 fee is 30 percent of the cost of alternative care services.

136.1 For married persons, total assets are defined as the total marital assets less the
136.2 estimated community spouse asset allowance, under section 256B.059, if applicable. For
136.3 married persons, total income is defined as the client's income less the monthly spousal
136.4 allotment, under section 256B.058.

136.5 All alternative care services shall be included in the estimated costs for the purpose
136.6 of determining the fee.

136.7 Fees are due and payable each month alternative care services are received unless the
136.8 actual cost of the services is less than the fee, in which case the fee is the lesser amount.

136.9 (b) The fee shall be waived by the commissioner when:

136.10 (1) a person is residing in a nursing facility;

136.11 (2) a married couple is requesting an asset assessment under the spousal
136.12 impoverishment provisions;

136.13 (3) a person is found eligible for alternative care, but is not yet receiving alternative
136.14 care services including case management services; ~~or~~

136.15 (4) a person has chosen to participate in a consumer-directed service plan ~~for which~~
136.16 ~~the cost is no greater than the total cost of the person's alternative care service plan less the~~
136.17 ~~monthly fee amount that would otherwise be assessed;~~ or

136.18 (5) a person is receiving temporary alternative care services.

136.19 (c) The commissioner will bill and collect the fee from the client. Money collected
136.20 must be deposited in the general fund and is appropriated to the commissioner for the
136.21 alternative care program. The client must supply the lead agency with the client's Social
136.22 Security number at the time of application. The lead agency shall supply the commissioner
136.23 with the client's Social Security number and other information the commissioner requires
136.24 to collect the fee from the client. The commissioner shall collect unpaid fees using the
136.25 Revenue Recapture Act in chapter 270A and other methods available to the commissioner.
136.26 The commissioner may require lead agencies to inform clients of the collection procedures
136.27 that may be used by the state if a fee is not paid.

136.28 Sec. 19. Minnesota Statutes 2014, section 256B.0913, is amended by adding a
136.29 subdivision to read:

136.30 Subd. 17. **Allocation under 1115 waiver demonstration.** When alternative care
136.31 services receive federal financial participation under the 1115 waiver demonstration,
136.32 alternative care funding shall be distributed in accordance with the projected demand for
136.33 services based on service and financial eligibility. Discretionary alternative care services
136.34 not listed in subdivision 5 or section 256B.0625 require approval from the commissioner.

137.1 Sec. 20. Minnesota Statutes 2014, section 256B.85, is amended to read:

137.2 **256B.85 COMMUNITY FIRST SERVICES AND SUPPORTS.**

137.3 Subdivision 1. **Basis and scope.** (a) Upon federal approval, the commissioner
137.4 shall establish a ~~medical-assistance~~ state plan option for the provision of home and
137.5 community-based personal assistance service and supports called "community first
137.6 services and supports (CFSS)."

137.7 (b) CFSS is a participant-controlled method of selecting and providing services
137.8 and supports that allows the participant maximum control of the services and supports.
137.9 Participants may choose the degree to which they direct and manage their supports by
137.10 choosing to have a significant and meaningful role in the management of services and
137.11 supports including by directly employing support workers with the necessary supports
137.12 to perform that function.

137.13 (c) CFSS is available statewide to eligible ~~individuals~~ people to assist with
137.14 accomplishing activities of daily living (ADLs), instrumental activities of daily living
137.15 (IADLs), and health-related procedures and tasks through hands-on assistance to
137.16 accomplish the task or constant supervision and cueing to accomplish the task; and to
137.17 assist with acquiring, maintaining, and enhancing the skills necessary to accomplish
137.18 ADLs, IADLs, and health-related procedures and tasks. CFSS allows payment for certain
137.19 supports and goods such as environmental modifications and technology that are intended
137.20 to replace or decrease the need for human assistance.

137.21 (d) Upon federal approval, CFSS will replace the personal care assistance program
137.22 under sections 256.476, 256B.0625, subdivisions 19a and 19c, and 256B.0659.

137.23 Subd. 2. **Definitions.** (a) For the purposes of this section, the terms defined in
137.24 this subdivision have the meanings given.

137.25 (b) "Activities of daily living" or "ADLs" means eating, toileting, grooming,
137.26 dressing, bathing, mobility, positioning, and transferring.

137.27 (c) "Agency-provider model" means a method of CFSS under which a qualified
137.28 agency provides services and supports through the agency's own employees and policies.
137.29 The agency must allow the participant to have a significant role in the selection and
137.30 dismissal of support workers of their choice for the delivery of their specific services
137.31 and supports.

137.32 (d) "Behavior" means a description of a need for services and supports used to
137.33 determine the home care rating and additional service units. The presence of Level I
137.34 behavior is used to determine the home care rating. ~~"Level I behavior" means physical~~
137.35 ~~aggression towards self or others or destruction of property that requires the immediate~~
137.36 ~~response of another person. If qualified for a home care rating as described in subdivision~~

138.1 ~~8, additional service units can be added as described in subdivision 8, paragraph (f), for~~
 138.2 ~~the following behaviors:~~

138.3 ~~(1) Level I behavior;~~

138.4 ~~(2) increased vulnerability due to cognitive deficits or socially inappropriate~~
 138.5 ~~behavior; or~~

138.6 ~~(3) increased need for assistance for participants who are verbally aggressive or~~
 138.7 ~~resistive to care so that time needed to perform activities of daily living is increased.~~

138.8 (e) "Budget model" means a service delivery method of CFSS that allows the use of
 138.9 a service budget and assistance from a financial management services (FMS) ~~contractor~~
 138.10 provider for a participant to directly employ support workers and purchase supports and
 138.11 goods.

138.12 (f) "Complex health-related needs" means an intervention listed in clauses (1) to
 138.13 (8) that has been ordered by a physician, and is specified in a community services and
 138.14 support plan, including:

 153.10 least quarterly thereafter. Quarterly evaluations during the first year must be completed
 153.11 in person. Following the first year of service, at least one quarterly evaluation each year
 153.12 must be completed in person. An in-person evaluation must also be completed within 30

153.15 (b) Each CFSS evaluation required in paragraph (a) must evaluate and document
 153.16 the required elements in clauses (1) to (5):

 153.22 service delivery plan;

153.23 (4) whether the agency-provider, the participant, or the participant's representative,
 153.24 if any, has any additional concerns with the CFSS service delivery plan, goals, service
 153.25 delivery, or worker competency not identified in clauses (1) to (3); and

153.26 (5) based on the evaluation required in clauses (1) to (4), whether revisions are
 153.27 needed to the CFSS service delivery plan or goals or how CFSS is used or delivered,
 153.28 whether there is a need for additional worker training, or whether any other actions are
 153.29 needed to support the participant's use of CFSS and who will take the action.

153.30 If changes are needed based on the results of the evaluation, a revised CFSS service
 153.31 delivery plan must be completed and provided to the participant or participant's

 154.31 Medicaid revenue in the previous calendar year is greater than \$300,000, the
 154.32 agency-provider must purchase a surety bond of \$100,000. The surety bond must be in
 154.33 a form approved by the commissioner, must be renewed annually, and must allow for
 154.34 recovery of costs and fees in pursuing a claim on the bond;

156.7 training if they are hired by another agency, if they have completed the training within
156.8 the past three years. CFSS agency-provider billing staff shall complete training about
156.9 CFSS program financial management. Any new owners or employees in management

be submitted showing the total projected income and expenditures for that facility. Except for depreciation, the budget must represent projected cash transactions by the county, the facility, and the subcontractors. Straight-line depreciation, calculated according to generally accepted accounting principles, may be included if the purchase of the item being depreciated is not included as an expenditure in the budget for the current period or for any other budget periods.

Subp. 2. **Separate expenditure categories.** Each budget must separate expenditures according to the following categories, as further defined in subparts 3 to 6:

- A. room and board and previously funded program costs;

However, costs which are new since June 1, 1981, and which are required by parts 9520.0500 to 9520.0690 are other new program costs and are not room and board costs.

Subp. 4. **Previously funded program costs.** Previously funded program costs must include costs for any services provided before June 1, 1981, at least at the level of funding used for those services during May 1981.

Subp. 5. **New direct service costs.** Within the limits in part 9535.2600, subpart 1, new direct service costs are the only costs which may be paid with state funds under Minnesota Statutes, section 245.73. New direct service costs may include the following if the costs are required by parts 9520.0500 to 9520.0690 and if the costs are new since June 1, 1981:

- C. minor expenditures which are shown by the county board to be essential for the facility to meet requirements of parts 9520.0500 to 9520.0690, and which cannot be paid for from local matching funds.

Subp. 6. **Other new program costs.** Other new program costs must include all new program costs other than those already included in new direct service costs. These costs must include, but not be limited to, the costs of renovation, construction or rent of buildings, and purchase or lease of vehicles or equipment, if these costs are new since June 1, 1981, and are required by parts 9520.0500 to 9520.0690. These costs may be paid for with local matching funds, but may not be paid for with state funds provided under Minnesota Statutes, section 245.73.

Subp. 7. **Cost allocation.** The application shall include an explanation of the allocation of indirect costs to the various budget categories.

Subp. 8. **Elimination or reduction in funds by state or federal government.** If there has been a state or federal decision to reduce the previous level of funding for an existing program, expenditures which would otherwise be included under previously funded program costs may be included under new direct service costs or other new program costs. An application must include documentation of the elimination or reduction in funds by the state or federal government. If the previous funding was from a block grant type of funding source, the percentage reduction used for this exception must not exceed the average percentage reduction for all other services funded by the applicant county board from that funding source.

Payments shall be in the form of an initial advance, with subsequent quarterly payments contingent upon receipt of a completed quarterly financial report from the county board on forms provided by the commissioner. If actual expenditures by the county, its contracting facilities, and subcontractors are less than provided in the approved budget, the commissioner shall reduce the quarterly payments so that the grant remains within the limits in part 9535.2600, subpart 1.

Subp. 2. **Local review of applications.** If a county board elects to apply for a grant under Minnesota Statutes, section 245.73, then before submission of the application and budget to the commissioner, the county board shall determine which facilities shall be included in the application and budget, and shall review and approve the completed application and budget.

Subp. 3. **Payment to residential facility.** Payment from the county board to the residential facility must be based on a contract between the county board and the facility. If this contract and the requirements of parts 9535.2000 to 9535.3000 are complied with, the county board shall, except as provided in subpart 6, item B, pay to the facility all funds received by the county board for that facility.
