12.21 Subd. 6. **Transfers**

12.22 (a) With the approval of the commissioner of
 12.23 management and budget, the commissioner
 12.24 of transportation may transfer unencumbered
 12.25 balances among the appropriations from the
 12.26 trunk highway fund and the state airports fund
 12.27 made in this section. Transfers under this
 12.28 paragraph must not be made: (1) between
 12.29 funds; (2) from the appropriations for state
 12.30 road construction or debt service; or (3) from
 12.31 the appropriations for operations and
 12.32 maintenance or program delivery, except for
 12.33 a transfer to state road construction or debt
 12.34 service.

13.1 (b) The commissioner of transportation must
13.2 immediately report transfers under paragraph
13.3 (a) to the chairs, ranking minority members,
13.4 and staff of the legislative committees with
13.5 jurisdiction over transportation finance. The
13.6 authority for the commissioner of
13.7 transportation to make transfers under

13.20 **Appropriations**

13.21 Any money appropriated to the commissioner
13.22 of transportation for state road construction
13.23 for any fiscal year before the first year is
13.24 available to the commissioner during the
13.25 biennium to the extent that the commissioner
13.26 spends the money on the state road
13.27 construction project for which the money was
13.28 originally encumbered during the fiscal year
13.29 for which it was appropriated.

13.30 **Subd. 8. Contingent Appropriations**

13.31 The commissioner of transportation, with the

 14.2 members of the legislative committees with
 14.3 jurisdiction over transportation finance, may
 14.4 transfer all or part of the unappropriated
 14.5 balance in the trunk highway fund to an
 14.6 appropriation: (1) for trunk highway design,

 14.9 income to the trunk highway fund or federal
 14.10 advanced construction funding; (2) for
 14.11 emergency trunk highway maintenance in
 14.12 order to meet an emergency; or (3) to pay tort
 14.13 or environmental claims. Nothing in this
 14.14 subdivision authorizes the commissioner to
 14.15 increase the use of federal advanced
 14.16 construction funding beyond amounts
 14.17 specifically authorized. Any transfer as a result
 14.18 of the use of federal advanced construction
 14.19 funding must include an analysis of the effects
 14.20 on the long-term trunk highway fund balance.
 14.21 The amount transferred is appropriated for the
 14.22 purpose of the account to which it is
 14.23 transferred.

22.31 any deputy registrars for which this paragraph applies.

23.1 (d) In the calculations under paragraph (a), the commissioner of management and budget

23.20 or administrative proceeding to establish liability or a legal duty.

23.21 (b) A deputy registrar who accepts a grant under this section must agree in writing and
23.22 in a form developed by the commissioner to release the state and its employees from liability

26.17 **ARTICLE 3**

26.18 **TRANSPORTATION-RELATED TAXES AND FEES**

26.19 Section 1. Minnesota Statutes 2018, section 168.013, subdivision 1a, is amended to read:

26.20 Subd. 1a. **Passenger automobile; hearse.** (a) On passenger automobiles as defined in
 26.21 section 168.002, subdivision 24, and hearses, except as otherwise provided, the tax is ~~\$10~~
 26.22 (1) \$20, plus (2) an additional tax amount equal to 1.25 1.5 percent of the base value.

26.23 (b) Subject to the classification provisions herein, "base value" means the manufacturer's
 26.24 suggested retail price of the vehicle ~~including destination charge~~ using list price information
 26.25 published by the manufacturer or determined by the registrar if no suggested retail price
 26.26 exists, and shall not include the cost of each accessory or item of optional equipment
 26.27 separately added to the vehicle and the suggested retail price.

26.28 (c) If the manufacturer's list price information contains a single vehicle identification
 26.29 number followed by various descriptions and suggested retail prices, the registrar shall
 26.30 select from those listings only the lowest price for determining base value.

26.31 (d) If unable to determine the base value because the vehicle is specially constructed,
 26.32 or for any other reason, the registrar may establish such value upon the cost price to the

27.1 purchaser or owner as evidenced by a certificate of cost but not including Minnesota sales
 27.2 or use tax or any local sales or other local tax.

27.3 (e) The registrar shall classify every vehicle in its proper base value class as follows:

27.4	FROM	TO
27.5	\$ 0	\$ 199.99
27.6	\$ 200	\$ 399.99

27.7 and thereafter a series of classes successively set in brackets having a spread of \$200
 27.8 consisting of such number of classes as will permit classification of all vehicles.

27.9 (f) The base value for purposes of this section shall be the middle point between the
 27.10 extremes of its class.

27.11 (g) The registrar shall establish the base value, when new, of every passenger automobile
 27.12 and hearse registered prior to the effective date of Extra Session Laws 1971, chapter 31,
 27.13 using list price information published by the manufacturer or any nationally recognized
 27.14 firm or association compiling such data for the automotive industry. If unable to ascertain
 27.15 the base value of any registered vehicle in the foregoing manner, the registrar may use any
 27.16 other available source or method. The registrar shall calculate tax using base value
 27.17 information available to dealers and deputy registrars at the time the application for
 27.18 registration is submitted. The tax on all previously registered vehicles shall be computed
 27.19 upon the base value thus determined taking into account the depreciation provisions of
 27.20 paragraph (h).

27.21 (h) The annual additional ~~tax~~ amount must be computed upon a percentage of the base
 27.22 value as follows:

27.23 (1) during the first year of vehicle life, upon 100 percent of the base value;

27.24 (2) for the second year, ~~90~~ 96 percent of such value;

27.25 (3) for the third year, ~~80~~ 92 percent of such value;

27.26 (4) for the fourth year, ~~70~~ 85 percent of such value;

27.27 (5) for the fifth year, ~~60~~ 80 percent of such value;

27.28 (6) for the sixth year, ~~50~~ 75 percent of such value;

27.29 (7) for the seventh year, ~~40~~ 65 percent of such value;

27.30 (8) for the eighth year, ~~30~~ 55 percent of such value;

27.31 (9) for the ninth year, ~~20~~ 40 percent of such value;

28.1 (10) for the tenth year, ~~ten~~ 25 percent of such value; and

28.2 (11) for the 11th and each succeeding year, the sum of ~~\$25~~ \$10.

28.3 (i) In no event ~~shall~~ is the annual additional ~~tax~~ be amount less than ~~\$25~~ \$10.

28.4 (j) For any vehicle previously registered in Minnesota and regardless of prior ownership,
28.5 the total amount due under this subdivision and subdivision 1m must not exceed the smallest
28.6 total amount previously paid or due on the vehicle. Nothing in this paragraph prevents
28.7 collection of a tax or fee that the commissioner determines is due for a current or prior
28.8 registration period.

28.9 **EFFECTIVE DATE.** This section is effective the day following final enactment and
28.10 applies to taxes payable for a registration period starting on or after January 1, 2020.

29.9 be paid by credit card or debit card. The deputy registrar may collect a surcharge on the
29.10 statutory fees, taxes, and filing fee not greater than the cost of processing a credit card or

29.12 of public safety. The surcharge must be used to pay the cost of processing credit and debit

56.21 (c) Data under paragraphs (a) and (b) includes but is not limited to information related
56.22 to documents submitted under section 171.06, subdivision 8, 9, or 10.

56.23 (d) Notwithstanding any law to the contrary, this subdivision prohibits the commissioner
56.24 and a driver's license agent from sharing or disseminating the data described in paragraphs
56.25 (a) to (c) with any entity otherwise authorized to obtain data under subdivision 7, any political
56.26 subdivision, any state agency as defined in section 13.02, subdivision 17, or any federal
56.27 entity.

56.28 Sec. 13. Minnesota Statutes 2018, section 171.12, is amended by adding a subdivision to
56.29 read:

56.30 Subd. 12. **Certain data on noncompliant license or identification card; criminal**
56.31 **justice.** (a) A criminal justice agency, as defined in section 13.02, subdivision 3a, must not

57.1 take any action on the basis of a marking under section 171.07, subdivision 1, paragraph
57.2 (g), or 3, paragraph (g).

57.3 (b) The prohibition in paragraph (a) includes but is not limited to:

57.4 (1) criminal investigation;

57.5 (2) detention, search, or arrest;

57.6 (3) evaluation of citizenship or immigration status; and

57.7 (4) recording, maintenance, sharing, or disseminating data indicating or otherwise having
57.8 the effect of identifying that the individual was issued a noncompliant driver's license or
57.9 identification card under section 171.06, subdivision 7.

57.10 (c) Nothing in this subdivision prevents a criminal justice agency from the performance
57.11 of official duties independent of using the data described in paragraph (a).

57.12 Sec. 14. Minnesota Statutes 2018, section 201.061, subdivision 3, is amended to read:

57.13 Subd. 3. **Election day registration.** (a) An individual who is eligible to vote may register
57.14 on election day by appearing in person at the polling place for the precinct in which the
57.15 individual maintains residence, by completing a registration application, making an oath in
57.16 the form prescribed by the secretary of state and providing proof of residence. An individual
57.17 may prove residence for purposes of registering by:

57.18 (1) presenting a driver's license or Minnesota identification card issued pursuant to
57.19 section 171.07 that is not marked as provided in section 171.07, subdivision 1, paragraph
57.20 (g), or 3, paragraph (g);

57.21 (2) presenting any document approved by the secretary of state as proper identification;

57.22 (3) presenting one of the following:

57.23 (i) a current valid student identification card from a postsecondary educational institution
57.24 in Minnesota, if a list of students from that institution has been prepared under section
57.25 135A.17 and certified to the county auditor in the manner provided in rules of the secretary
57.26 of state; or

57.27 (ii) a current student fee statement that contains the student's valid address in the precinct
57.28 together with a picture identification card; or

57.29 (4) having a voter who is registered to vote in the precinct, or an employee employed
57.30 by and working in a residential facility in the precinct and vouching for a resident in the
57.31 facility, sign an oath in the presence of the election judge vouching that the voter or employee

58.1 personally knows that the individual is a resident of the precinct. A voter who has been
58.2 vouched for on election day may not sign a proof of residence oath vouching for any other
58.3 individual on that election day. A voter who is registered to vote in the precinct may sign
58.4 up to eight proof-of-residence oaths on any election day. This limitation does not apply to
58.5 an employee of a residential facility described in this clause. The secretary of state shall
58.6 provide a form for election judges to use in recording the number of individuals for whom
58.7 a voter signs proof-of-residence oaths on election day. The form must include space for the
58.8 maximum number of individuals for whom a voter may sign proof-of-residence oaths. For
58.9 each proof-of-residence oath, the form must include a statement that the individual: (i) is
58.10 registered to vote in the precinct or is an employee of a residential facility in the precinct,
58.11 (ii) personally knows that the voter is a resident of the precinct, and (iii) is making the
58.12 statement on oath. The form must include a space for the voter's printed name, signature,
58.13 telephone number, and address.

58.14 The oath required by this subdivision and Minnesota Rules, part 8200.9939, must be
58.15 attached to the voter registration application.

58.16 (b) The operator of a residential facility shall prepare a list of the names of its employees
58.17 currently working in the residential facility and the address of the residential facility. The
58.18 operator shall certify the list and provide it to the appropriate county auditor no less than
58.19 20 days before each election for use in election day registration.

58.20 (c) "Residential facility" means transitional housing as defined in section 256E.33,
58.21 subdivision 1; a supervised living facility licensed by the commissioner of health under
58.22 section 144.50, subdivision 6; a nursing home as defined in section 144A.01, subdivision
58.23 5; a residence registered with the commissioner of health as a housing with services
58.24 establishment as defined in section 144D.01, subdivision 4; a veterans home operated by
58.25 the board of directors of the Minnesota Veterans Homes under chapter 198; a residence
58.26 licensed by the commissioner of human services to provide a residential program as defined
58.27 in section 245A.02, subdivision 14; a residential facility for persons with a developmental
58.28 disability licensed by the commissioner of human services under section 252.28; setting
58.29 authorized to provide housing support as defined in section 256I.03, subdivision 3; a shelter
58.30 for battered women as defined in section 611A.37, subdivision 4; or a supervised publicly
58.31 or privately operated shelter or dwelling designed to provide temporary living
58.32 accommodations for the homeless.

58.33 (d) For tribal band members, an individual may prove residence for purposes of
58.34 registering by:

59.1 (1) presenting an identification card issued by the tribal government of a tribe recognized
59.2 by the Bureau of Indian Affairs, United States Department of the Interior, that contains the
59.3 name, address, signature, and picture of the individual; or

59.4 (2) presenting an identification card issued by the tribal government of a tribe recognized
59.5 by the Bureau of Indian Affairs, United States Department of the Interior, that contains the
59.6 name, signature, and picture of the individual and also presenting one of the documents
59.7 listed in Minnesota Rules, part 8200.5100, subpart 2, item B.

59.8 (e) A county, school district, or municipality may require that an election judge
59.9 responsible for election day registration initial each completed registration application.

59.10 **Sec. 15. COUNTY NOTIFICATION; ELECTION JUDGE TRAINING.**

59.11 (a) The secretary of state shall inform each county auditor that a driver's license or
59.12 Minnesota identification card must not be used or accepted for voter registration purposes
59.13 under Minnesota Statutes, section 201.061, if it is marked as provided in Minnesota Statutes,
59.14 section 171.07, subdivision 1, paragraph (g), or 3, paragraph (g).

59.15 (b) Each county auditor must inform all election officials and election judges hired for
59.16 an election that driver's licenses and Minnesota identification cards identified under paragraph
59.17 (a) must not be used or accepted for voter registration purposes under Minnesota Statutes,
59.18 section 201.061. County auditors and municipal clerks must include this information in all
59.19 election judge training courses.

59.20 **EFFECTIVE DATE.** This section is effective January 1, 2020.

59.21 **Sec. 16. REPEALER.**

59.22 Minnesota Statutes 2018, section 171.015, subdivision 7, is repealed.

59.23 **Sec. 17. EFFECTIVE DATE.**

59.24 Unless provided otherwise, this article is effective August 1, 2019, for driver's license
59.25 and Minnesota identification card applications and issuance on or after that date.

ARTICLE 6

TRANSPORTATION FINANCE AND POLICY

60.1
60.2
60.3 Section 1. Minnesota Statutes 2018, section 13.461, is amended by adding a subdivision
60.4 to read:

60.5 Subd. 33. Metropolitan Council special transportation service. Data sharing between
60.6 the commissioner of human services and the Metropolitan Council to administer and
60.7 coordinate transportation services for individuals with disabilities and elderly individuals
60.8 is governed by section 473.386, subdivision 9.

60.9 EFFECTIVE DATE; APPLICATION. This section is effective June 1, 2019, and
60.10 applies in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington.

60.11 Sec. 2. Minnesota Statutes 2018, section 13.72, subdivision 10, is amended to read:

60.12 Subd. 10. **Transportation service data.** (a) Personal, medical, financial, familial, or
60.13 locational information data pertaining to applicants for or users of services providing
60.14 transportation for ~~the disabled~~ individuals with disabilities or elderly individuals are private
60.15 data on individuals.

60.16 (b) Private transportation service data may be disclosed between the commissioner of
60.17 human services and the Metropolitan Council to administer and coordinate human services
60.18 programs and transportation services for individuals with disabilities and elderly individuals
60.19 as provided in section 473.386, subdivision 9.

60.20 EFFECTIVE DATE; APPLICATION. This section is effective June 1, 2019, and
60.21 applies in the counties of Anoka, Carver, Dakota, Hennepin, Ramsey, Scott, and Washington.

60.22 Sec. 3. Minnesota Statutes 2018, section 80E.13, is amended to read:

60.23 **80E.13 UNFAIR PRACTICES BY MANUFACTURERS, DISTRIBUTORS,**
60.24 **FACTORY BRANCHES.**

60.25 It is unlawful and an unfair practice for a manufacturer, distributor, or factory branch
60.26 to engage in any of the following practices:

60.27 (a) delay, refuse, or fail to deliver new motor vehicles or new motor vehicle parts or
60.28 accessories in reasonable time and in reasonable quantity relative to the new motor vehicle
60.29 dealer's facilities and sales potential in the dealer's relevant market area, after having accepted
60.30 an order from a new motor vehicle dealer having a franchise for the retail sale of any new
60.31 motor vehicle sold or distributed by the manufacturer or distributor, if the new motor vehicle

61.1 or new motor vehicle parts or accessories are publicly advertised as being available for
61.2 delivery or actually being delivered. This clause is not violated, however, if the failure is
61.3 caused by acts or causes beyond the control of the manufacturer;

61.4 (b) refuse to disclose to any new motor vehicle dealer handling the same line make, the
61.5 manner and mode of distribution of that line make within the relevant market area;

61.6 (c) obtain money, goods, service, or any other benefit from any other person with whom
61.7 the dealer does business, on account of, or in relation to, the transaction between the dealer
61.8 and the other person, other than for compensation for services rendered, unless the benefit
61.9 is promptly accounted for, and transmitted to, the new motor vehicle dealer;

61.10 (d) increase prices of new motor vehicles which the new motor vehicle dealer had ordered
61.11 for private retail consumers prior to the dealer's receiving the written official price increase
61.12 notification. A sales contract signed by a private retail consumer shall constitute evidence
61.13 of each order if the vehicle is in fact delivered to that customer. In the event of manufacturer
61.14 price reductions, the amount of any reduction received by a dealer shall be passed on to the
61.15 private retail consumer by the dealer if the retail price was negotiated on the basis of the
61.16 previous higher price to the dealer;

61.17 (e) offer any refunds or other types of inducements to any new motor vehicle dealer for
61.18 the purchase of new motor vehicles of a certain line make without making the same offer
61.19 to all other new motor vehicle dealers in the same line make within geographic areas
61.20 reasonably determined by the manufacturer;

61.21 (f) release to any outside party, except under subpoena or in an administrative or judicial
61.22 proceeding involving the manufacturer or dealer, any business, financial, or personal
61.23 information which may be provided by the dealer to the manufacturer, without the express
61.24 written consent of the dealer or unless pertinent to judicial or governmental administrative
61.25 proceedings or to arbitration proceedings of any kind;

61.26 (g) deny any new motor vehicle dealer the right of free association with any other new
61.27 motor vehicle dealer for any lawful purpose;

61.28 (h) unfairly discriminate among its new motor vehicle dealers with respect to warranty
61.29 reimbursement or authority granted its new vehicle dealers to make warranty adjustments
61.30 with retail customers;

61.31 (i) compete with a new motor vehicle dealer in the same line make operating under an
61.32 agreement or franchise from the same manufacturer, distributor, or factory branch. A
61.33 manufacturer, distributor, or factory branch is considered to be competing when it has an

62.1 ownership interest, other than a passive interest held for investment purposes, in a dealership
62.2 of its line make located within the state. A manufacturer, distributor, or factory branch shall
62.3 not, however, be deemed to be competing when operating a dealership, either temporarily
62.4 or for a reasonable period, which is for sale to any qualified independent person at a fair
62.5 and reasonable price, or when involved in a bona fide relationship in which an independent
62.6 person has made a significant investment subject to loss in the dealership and can reasonably
62.7 expect to acquire full ownership and full management and operational control of the
62.8 dealership within a reasonable time on reasonable terms and conditions;

62.9 (j) prevent a new motor vehicle dealer from transferring or assigning a new motor vehicle
62.10 dealership to a qualified transferee. There shall be no transfer, assignment of the franchise,
62.11 or major change in the executive management of the dealership, except as is otherwise
62.12 provided in sections 80E.01 to 80E.17, without consent of the manufacturer, which shall
62.13 not be withheld without good cause. In determining whether good cause exists for
62.14 withholding consent to a transfer or assignment, the manufacturer, distributor, factory
62.15 branch, or importer has the burden of proving that the transferee is a person who is not of
62.16 good moral character or does not meet the franchisor's existing and reasonable capital
62.17 standards and, considering the volume of sales and service of the new motor vehicle dealer,
62.18 reasonable business experience standards in the market area. Denial of the request must be
62.19 in writing and delivered to the new motor vehicle dealer within 60 days after the manufacturer
62.20 receives the completed application customarily used by the manufacturer, distributor, factory
62.21 branch, or importer for dealer appointments. If a denial is not sent within this period, the
62.22 manufacturer shall be deemed to have given its consent to the proposed transfer or change.
62.23 In the event of a proposed sale or transfer of a franchise, the manufacturer, distributor,
62.24 factory branch, or importer shall be permitted to exercise a right of first refusal to acquire
62.25 the franchisee's assets or ownership if:

62.26 (1) the franchise agreement permits the manufacturer, distributor, factory branch, or
62.27 importer to exercise a right of first refusal to acquire the franchisee's assets or ownership
62.28 in the event of a proposed sale or transfer;

62.29 (2) the proposed transfer of the dealership or its assets is of more than 50 percent of the
62.30 ownership or assets;

62.31 (3) the manufacturer, distributor, factory branch, or importer notifies the dealer in writing
62.32 within 60 days of its receipt of the complete written proposal for the proposed sale or transfer
62.33 on forms generally utilized by the manufacturer, distributor, factory branch, or importer for
62.34 such purposes and containing the information required therein and all documents and
62.35 agreements relating to the proposed sale or transfer;

63.1 (4) the exercise of the right of first refusal will result in the dealer and dealer's owners
63.2 receiving the same or greater consideration with equivalent terms of sale as is provided in
63.3 the documents and agreements submitted to the manufacturer, distributor, factory branch,
63.4 or importer under clause (3);

63.5 (5) the proposed change of 50 percent or more of the ownership or of the dealership
63.6 assets does not involve the transfer or sale of assets or the transfer or issuance of stock by
63.7 the dealer or one or more dealer owners to a family member, including a spouse, child,
63.8 stepchild, grandchild, spouse of a child or grandchild, brother, sister, or parent of the dealer
63.9 owner; to a manager who has been employed in the dealership for at least four years and is
63.10 otherwise qualified as a dealer operator; or to a partnership or corporation owned and
63.11 controlled by one or more of such persons; and

63.12 (6) the manufacturer, distributor, factory branch, or importer agrees to pay the reasonable
63.13 expenses, including reasonable attorney fees, which do not exceed the usual customary and
63.14 reasonable fees charged for similar work done for other clients incurred by the proposed
63.15 new owner and transferee before the manufacturer, distributor, factory branch, or importer
63.16 exercises its right of first refusal, in negotiating and implementing the contract for the
63.17 proposed change of ownership or transfer of dealership assets. However, payment of such
63.18 expenses and attorney fees shall not be required if the dealer has not submitted or caused
63.19 to be submitted an accounting of those expenses within 20 days after the dealer's receipt of
63.20 the manufacturer, distributor, factory branch, or importer's written request for such an
63.21 accounting. The manufacturer, distributor, factory branch, or importer may request such an
63.22 accounting before exercising its right of first refusal. The obligation created under this clause
63.23 is enforceable by the transferee;

63.24 (k) threaten to modify or replace or modify or replace a franchise with a succeeding
63.25 franchise that would adversely alter the rights or obligations of a new motor vehicle dealer
63.26 under an existing franchise or that substantially impairs the sales or service obligations or
63.27 investments of the motor vehicle dealer;

63.28 (l) unreasonably deny the right to acquire factory program vehicles to any dealer holding
63.29 a valid franchise from the manufacturer to sell the same line make of vehicles, provided
63.30 that the manufacturer may impose reasonable restrictions and limitations on the purchase
63.31 or resale of program vehicles to be applied equitably to all of its franchised dealers. For the
63.32 purposes of this paragraph, "factory program vehicle" has the meaning given the term in
63.33 section 80E.06, subdivision 2;

64.1 (m) fail or refuse to offer to its same line make franchised dealers all models manufactured
64.2 for that line make, other than alternative fuel vehicles as defined in section 216C.01,
64.3 subdivision 1b. Failure to offer a model is not a violation of this section if the failure is not
64.4 arbitrary and is due to a lack of manufacturing capacity, a strike, labor difficulty, or other
64.5 cause over which the manufacturer, distributor, or factory branch has no control;

64.6 (n) require a dealer to pay an extra fee, or remodel, renovate, or recondition the dealer's
64.7 existing facilities, or purchase unreasonable advertising displays, training, tools, or other
64.8 materials, or to require the dealer to establish exclusive facilities or dedicated personnel as
64.9 a prerequisite to receiving a model or a series of vehicles;

64.10 (o) require a dealer by program, incentive provision, or otherwise to adhere to
64.11 performance standards that are not applied uniformly to other similarly situated dealers.

64.12 A performance standard, sales objective, or program for measuring dealership performance
64.13 that may have a material effect on a dealer, including the dealer's right to payment under
64.14 any incentive or reimbursement program, and the application of the standard or program
64.15 by a manufacturer, distributor, or factory branch must be fair, reasonable, equitable, and
64.16 based on accurate information. Upon written request by any of its franchised dealers located
64.17 within Minnesota, a manufacturer, distributor, or factory branch must provide the method
64.18 or formula used by the manufacturer in establishing the sales volumes for receiving a rebate
64.19 or incentive and the specific calculations for determining the required sales volumes of the
64.20 inquiring dealer and any of the manufacturer's other Minnesota-franchised new motor vehicle
64.21 dealers of the same line-make located within 75 miles of the inquiring dealer. Nothing
64.22 contained in this section requires a manufacturer, distributor, or factory branch to disclose
64.23 confidential business information of any of its franchised dealers or the required numerical
64.24 sales volumes that any of its franchised dealers must attain to receive a rebate or incentive.
64.25 An inquiring dealer may file a civil action as provided in section 80E.17 without a showing
64.26 of injury if a manufacturer, distributor, or factory branch fails to make the disclosure required
64.27 by this section.

64.28 A manufacturer, distributor, or factory branch has the burden of proving that the performance
64.29 standard, sales objective, or program for measuring dealership performance is fair, reasonable,
64.30 and uniformly applied under this section;

64.31 (p) assign or change a dealer's area of sales effectiveness arbitrarily or without due regard
64.32 to the present pattern of motor vehicle sales and registrations within the dealer's market.
64.33 The manufacturer, distributor, or factory branch must provide at least 90 days' notice of the
64.34 proposed change. The change may not take effect if the dealer commences a civil action

65.1 within the 90 days' notice period to determine whether the manufacturer, distributor, or
65.2 factory branch met its obligations under this section. The burden of proof in such an action
65.3 shall be on the manufacturer or distributor. In determining at the evidentiary hearing whether
65.4 a manufacturer, distributor, or factory branch has assigned or changed the dealer's area of
65.5 sales effectiveness or is proposing to assign or change the dealer's area of sales effectiveness
65.6 arbitrarily or without due regard to the present pattern of motor vehicle sales and registrations
65.7 within the dealer's market, the court may take into consideration the relevant circumstances,
65.8 including, but not limited to:

65.9 (1) the traffic patterns between consumers and the same line-make franchised dealers
65.10 of the affected manufacturer, distributor, or factory branch who are located within the
65.11 market;

65.12 (2) the pattern of new vehicle sales and registrations of the affected manufacturer,
65.13 distributor, or factory branch within various portions of the area of sales effectiveness and
65.14 within the market as a whole;

65.15 (3) the growth or decline in population, density of population, and new car registrations
65.16 in the market;

65.17 (4) the presence or absence of natural geographical obstacles or boundaries, such as
65.18 rivers;

65.19 (5) the proximity of census tracts or other geographic units used by the affected
65.20 manufacturer, factory branch, distributor, or distributor branch in determining the same
65.21 line-make dealers' respective areas of sales effectiveness; and

65.22 (6) the reasonableness of the change or proposed change to the dealer's area of sales
65.23 effectiveness, considering the benefits and harm to the petitioning dealer, other same
65.24 line-make dealers, and the manufacturer, distributor, or factory branch;

65.25 (q) to charge back, withhold payment, deny vehicle allocation, or take any other adverse
65.26 action against a dealer when a new vehicle sold by the dealer has been exported to a foreign
65.27 country, unless the manufacturer, distributor, or factory branch can show that at the time
65.28 of sale, the customer's information was listed on a known or suspected exporter list made
65.29 available to the dealer, or the dealer knew or reasonably should have known of the purchaser's
65.30 intention to export or resell the motor vehicle in violation of the manufacturer's export
65.31 policy. There is a rebuttable presumption that the dealer did not know or should not have
65.32 reasonably known that the vehicle would be exported or resold in violation of the
65.33 manufacturer's export policy if the vehicle is titled and registered in any state of the United
65.34 States; ~~or~~

66.1 (r) to implement a charge back or withhold payment to a dealer that is solely due to an
 66.2 unreasonable delay by the registrar, as defined in section 168.002, subdivision 29, in the
 66.3 transfer or registration of a new motor vehicle. The dealer must give the manufacturer notice
 66.4 of the state's delay in writing. Within 30 days of any notice of a charge back, withholding
 66.5 of payments, or denial of a claim, the dealer must transmit to the manufacturer: (1)
 66.6 documentation to demonstrate the vehicle sale and delivery as reported; and (2) a written
 66.7 attestation signed by the dealer operator or general manager stating that the delay is
 66.8 attributable to the state. This clause expires on June 30, 2022; or

66.9 ~~(r)~~ (s) to require a dealer or prospective dealer by program, incentive provision, or
 66.10 otherwise to construct improvements to its or a predecessor's facilities or to install new signs
 66.11 or other franchisor image elements that replace or substantially alter improvements, signs,
 66.12 or franchisor image elements completed within the preceding ten years that were required
 66.13 and approved by the manufacturer, distributor, or factory branch, including any such
 66.14 improvements, signs, or franchisor image elements that were required as a condition of the
 66.15 dealer or predecessor dealer receiving an incentive or other compensation from the
 66.16 manufacturer, distributor, or factory branch.

66.17 This paragraph shall not apply to a program or agreement that provides lump sum payments
 66.18 to assist dealers in making facility improvements or to pay for signs or franchisor image
 66.19 elements when such payments are not dependent on the dealer selling or purchasing specific
 66.20 numbers of new vehicles and shall not apply to a program that is in effect with more than
 66.21 one Minnesota dealer on August 1, 2018, nor to any renewal of such program, nor to a
 66.22 modification that is not a substantial modification of a material term or condition of such
 66.23 program.

66.24 Sec. 4. Minnesota Statutes 2018, section 160.02, subdivision 1a, is amended to read:

66.25 Subd. 1a. **Bikeway.** "**Bikeway**" ~~means a bicycle lane, bicycle path, shared use path,~~
 66.26 ~~bicycle route, or similar bicycle facility, regardless of whether designed for the exclusive~~
 66.27 ~~use of bicycles or for shared use with other transportation modes~~ has the meaning given in
 66.28 section 169.011, subdivision 9.

66.29 **EFFECTIVE DATE.** This section is effective the day following final enactment.

66.30 Sec. 5. Minnesota Statutes 2018, section 160.262, subdivision 3, is amended to read:

66.31 Subd. 3. **Cooperation among agencies and governments; assistance.** (a) The
 66.32 departments and agencies on the ~~nonmotorized~~ active transportation advisory committee
 66.33 identified in section 174.37 must provide information and advice for the bikeway design

67.1 guidelines maintained by the commissioner of transportation. The commissioner may
67.2 cooperate with and enter into agreements with the United States government, any department
67.3 of the state of Minnesota, any unit of local government, any tribal government, or any public
67.4 or private corporation in order to effect the purposes of this section.

67.5 (b) The commissioner must provide technical assistance to local units of government
67.6 in:

67.7 (1) local planning and development of bikeways;

67.8 (2) establishing connections to state bicycle routes; and

67.9 (3) implementing statewide bicycle plans maintained by the commissioner.

67.10 Sec. 6. Minnesota Statutes 2018, section 160.263, subdivision 2, is amended to read:

67.24 (c) When establishing a bikeway in a segment of public road right-of-way, a governing

70.17 transportation may implement an Indian employment preference for members of federally
70.18 recognized tribes on projects carried out under United States Code, title 23, on or near an
70.19 Indian reservation. For purposes of this section, a project is near a reservation if (1) the
70.20 project is within the distance a person seeking employment could reasonably be expected
70.21 to commute to and from each work day, or (2) the commissioner, in consultation with
70.22 federally recognized Minnesota tribes, determines a project is near an Indian reservation.

70.23 Sec. 18. Minnesota Statutes 2018, section 161.45, subdivision 2, is amended to read:

70.24 Subd. 2. **Relocation of utility.** Whenever the relocation of any utility facility is
70.25 necessitated by the construction of a project on a trunk highway ~~routes other than those~~
70.26 ~~described in section 161.46, subdivision 2~~ route, the relocation work may be made a part
70.27 of the state highway construction contract or let as a separate contract as provided by law
70.28 if the owner or operator of the facility requests the commissioner to act as its agent for the
70.29 purpose of relocating the facilities and if the commissioner determines that such action is
70.30 in the best interests of the state. Payment by the utility owner or operator to the state shall
70.31 be in accordance with applicable statutes and the rules for utilities on trunk highways.

71.1 Sec. 19. Minnesota Statutes 2018, section 161.46, subdivision 2, is amended to read:

71.2 Subd. 2. **Relocation of facilities; reimbursement.** (a) Whenever the commissioner shall
71.3 determine the relocation of any utility facility is necessitated by the construction of a project
71.4 on the routes of federally aided state trunk highways, including urban extensions thereof,
71.5 which routes are included within the National System of Interstate Highways, the owner or
71.6 operator of such utility facility shall relocate the same in accordance with the order of the
71.7 commissioner. After the completion of such relocation the cost thereof shall be ascertained
71.8 and paid by the state out of trunk highway funds; provided, however, the amount to be paid
71.9 by the state for such reimbursement shall not exceed the amount on which the federal
71.10 government bases its reimbursement for said interstate system.

71.11 (b) Notwithstanding paragraph (a), any utility facility installed after August 1, 2019, is
71.12 not eligible for relocation reimbursement.

71.13 Sec. 20. Minnesota Statutes 2018, section 168.013, subdivision 1a, is amended to read:

71.14 Subd. 1a. **Passenger automobile; hearse.** (a) On passenger automobiles as defined in
71.15 section 168.002, subdivision 24, and hearses, except as otherwise provided, the tax is \$10
71.16 plus an additional tax equal to 1.25 percent of the base value.

71.17 (b) Subject to the classification provisions herein, "base value" means the manufacturer's
71.18 suggested retail price of the vehicle including destination charge using list price information
71.19 published by the manufacturer or determined by the registrar if no suggested retail price
71.20 exists, and shall not include the cost of each accessory or item of optional equipment
71.21 separately added to the vehicle and the suggested retail price. In the case of the first
71.22 registration of a new vehicle sold or leased by a licensed dealer, the dealer may elect to
71.23 individually determine the base value of the vehicle using suggested retail price information
71.24 provided by the manufacturer. The registrar must use the base value determined by the
71.25 dealer to properly classify the vehicle. A dealer that elects to make the determination must
71.26 retain a copy of the suggested retail price label or other supporting documentation with the
71.27 vehicle transaction records maintained under Minnesota Rules, part 7400.5200.

71.28 (c) If the manufacturer's list price information contains a single vehicle identification
71.29 number followed by various descriptions and suggested retail prices, the registrar shall
71.30 select from those listings only the lowest price for determining base value.

71.31 (d) If unable to determine the base value because the vehicle is specially constructed,
71.32 or for any other reason, the registrar may establish such value upon the cost price to the

72.1 purchaser or owner as evidenced by a certificate of cost but not including Minnesota sales
 72.2 or use tax or any local sales or other local tax.

72.3 (e) The registrar shall classify every vehicle in its proper base value class as follows:

72.4	FROM	TO
72.5	\$ 0	\$ 199.99
72.6	\$ 200	\$ 399.99

72.7 and thereafter a series of classes successively set in brackets having a spread of \$200
 72.8 consisting of such number of classes as will permit classification of all vehicles.

72.9 (f) The base value for purposes of this section shall be the middle point between the
 72.10 extremes of its class.

72.11 (g) The registrar shall establish the base value, when new, of every passenger automobile
 72.12 and hearse registered prior to the effective date of Extra Session Laws 1971, chapter 31,
 72.13 using list price information published by the manufacturer or any nationally recognized
 72.14 firm or association compiling such data for the automotive industry. If unable to ascertain
 72.15 the base value of any registered vehicle in the foregoing manner, the registrar may use any
 72.16 other available source or method. The registrar shall calculate tax using base value
 72.17 information available to dealers and deputy registrars at the time the application for
 72.18 registration is submitted. The tax on all previously registered vehicles shall be computed
 72.19 upon the base value thus determined taking into account the depreciation provisions of
 72.20 paragraph (h).

72.21 (h) The annual additional tax must be computed upon a percentage of the base value as
 72.22 follows: during the first year of vehicle life, upon 100 percent of the base value; for the
 72.23 second year, 90 percent of such value; for the third year, 80 percent of such value; for the
 72.24 fourth year, 70 percent of such value; for the fifth year, 60 percent of such value; for the
 72.25 sixth year, 50 percent of such value; for the seventh year, 40 percent of such value; for the
 72.26 eighth year, 30 percent of such value; for the ninth year, 20 percent of such value; for the
 72.27 tenth year, ten percent of such value; for the 11th and each succeeding year, the sum of \$25.

72.28 (i) In no event shall the annual additional tax be less than \$25.

72.29 (j) For any vehicle previously registered in Minnesota and regardless of prior ownership,
 72.30 the total amount due under this subdivision and subdivision 1m must not exceed the smallest
 72.31 total amount previously paid or due on the vehicle.

73.1 Sec. 21. Minnesota Statutes 2018, section 168.013, subdivision 3, is amended to read:

73.2 Subd. 3. **Application; cancellation; excessive gross weight forbidden.** (a) The applicant
73.3 for all licenses based on gross weight shall state the unloaded weight of the motor vehicle,
73.4 trailer, or semitrailer and the maximum load the applicant proposes to carry on it, the sum
73.5 of which constitutes the gross weight upon which the license tax must be paid. However,
73.6 the declared gross weight upon which the tax is paid must not be less than 1-1/4 times the
73.7 declared unloaded weight of the motor vehicle, trailer, or semitrailer to be registered, except
73.8 recreational vehicles taxed under subdivision 1g, school buses taxed under subdivision 18,
73.9 and tow trucks or towing vehicles defined in section 168B.011, subdivision 12a. The gross
73.10 weight of a tow truck or towing vehicle is the actual weight of the tow truck or towing
73.11 vehicle fully equipped, but does not include the weight of a wrecked or disabled vehicle
73.12 towed or drawn by the tow truck or towing vehicle.

73.13 (b) Except as provided by special permit issued under section 169.86, the gross weight
73.14 of a motor vehicle, trailer, or semitrailer must not exceed the gross weight upon which the
73.15 license tax has been paid by more than four percent or 1,000 pounds, whichever is greater;
73.16 provided that, a vehicle transporting unfinished forest products on a highway, other than a
73.17 highway that is part of the system of interstate and defense highways, unless a federal
73.18 exemption is granted, in accordance with paragraph (d)(3):

73.19 (1) shall not exceed its gross vehicle weight upon which the license tax has been paid,
73.20 or gross axle weight on any axle, by more than five percent and, notwithstanding other law
73.21 to the contrary, is not subject to any fee, fine, or other assessment or penalty for exceeding
73.22 a gross vehicle or axle weight by up to five percent. This clause applies year round to
73.23 suppliers of unfinished forest products to mills; and

73.24 (2) ~~between the dates set by the commissioner in accordance with section 169.826,~~
73.25 ~~subdivision 1,~~ is not subject to any provision of paragraph (d) or chapter 169 limiting the
73.26 gross axle weight of any individual axle unless the entire vehicle also exceeds its gross
73.27 vehicle weight plus its weight allowance allowed in clause (1) and plus any weight allowance
73.28 permitted under section 169.826, in which case the vehicle is subject to all applicable
73.29 penalties for excess weight violations.

73.30 (c) The gross weight of the motor vehicle, trailer, or semitrailer for which the license
73.31 tax is paid must be indicated by a distinctive character on the license plate or plates except
73.32 as provided in subdivision 12 or section 169.86, subdivision 5a, as applicable, and the plate
73.33 or plates must be kept clean and clearly visible at all times.

74.1 (d) The owner, driver, or user of a motor vehicle, trailer, or semitrailer, upon conviction
74.2 for transporting a gross weight in excess of the gross weight for which it was registered or
74.3 for operating a vehicle with an axle weight exceeding the maximum lawful axle load weight,
74.4 is guilty of a misdemeanor and subject to increased registration or reregistration according
74.5 to the following schedule:

74.6 (1) Upon conviction for transporting a gross weight in excess of the gross weight for
74.7 which a motor vehicle, trailer, or semitrailer is registered by more than the allowance set
74.8 forth in paragraph (b) but less than 25 percent, or for operating or using a motor vehicle,
74.9 trailer, or semitrailer with an axle weight exceeding the maximum lawful axle load as
74.10 provided in sections 169.822 to 169.829 by more than the allowance set forth in paragraph
74.11 (b) but less than 25 percent, the owner, driver, or user of the motor vehicle, trailer, or
74.12 semitrailer used to commit the violation, in addition to any penalty imposed for the
74.13 misdemeanor, shall apply to the registrar to increase the authorized gross weight to be carried
74.14 on the vehicle to a weight equal to or greater than the gross weight the owner, driver, or
74.15 user was convicted of carrying. The increase is computed for the balance of the calendar
74.16 year on the basis of 1/12 of the annual tax for each month remaining in the calendar year
74.17 beginning with the first day of the month in which the violation occurred. If the additional
74.18 registration tax computed upon that weight, plus the tax already paid, amounts to more than
74.19 the regular tax for the maximum gross weight permitted for the vehicle under sections
74.20 169.822 to 169.829, that additional amount must nevertheless be paid into the highway
74.21 fund, but the additional tax thus paid does not authorize or permit any person to operate the
74.22 vehicle with a gross weight in excess of the maximum legal weight as provided by sections
74.23 169.822 to 169.829. Unless the owner within 30 days after a conviction applies to increase
74.24 the authorized weight and pays the additional tax as provided in this section, the registrar
74.25 shall revoke the registration on the vehicle and demand the return of the registration card
74.26 and plates issued on that registration.

74.27 (2) Upon conviction of an owner, driver, or user of a motor vehicle, trailer, or semitrailer
74.28 for transporting a gross weight in excess of the gross weight for which the motor vehicle,
74.29 trailer, or semitrailer was registered by 25 percent or more or for operating or using the
74.30 vehicle or trailer with an axle weight exceeding the maximum lawful axle load as provided
74.31 in sections 169.822 to 169.829 by 25 percent or more, and in addition to any penalty imposed
74.32 for the misdemeanor, the registrar shall either (i) cancel the reciprocity privileges on the
74.33 vehicle involved if the vehicle is being operated under reciprocity or (ii) if the vehicle is
74.34 not being operated under reciprocity, cancel the certificate of registration on the vehicle
74.35 operated and demand the return of the registration certificate and registration plates. The

75.1 registrar may not cancel the registration or reciprocity privileges for any vehicle found in
75.2 violation of seasonal load restrictions imposed under section 169.87 unless the axle weight
75.3 exceeds the year-round weight limit for the highway on which the violation occurred. The
75.4 registrar may investigate any allegation of gross weight violations and demand that the
75.5 operator show cause why all future operating privileges in the state should not be revoked
75.6 unless the additional tax assessed is paid.

75.7 (3) Clause (1) does not apply to the first haul of unprocessed or raw farm products or
75.8 unfinished forest products, when the registered gross weight is not exceeded by more than
75.9 ten percent. For purposes of this clause, "first haul" means (i) the first, continuous
75.10 transportation of unprocessed or raw farm products from the place of production or on-farm
75.11 storage site to any other location within 100 miles of the place of production or on-farm
75.12 storage site, or (ii) the continuous or noncontinuous transportation of unfinished forest
75.13 products from the place of production to the place of final processing or manufacture located
75.14 within 200 miles of the place of production.

75.15 (4) When the registration on a motor vehicle, trailer, or semitrailer is revoked by the
75.16 registrar according to this section, the vehicle must not be operated on the highways of the
75.17 state until it is registered or reregistered, as the case may be, and new plates issued, and the
75.18 registration fee is the annual tax for the total gross weight of the vehicle at the time of
75.19 violation. The reregistration pursuant to this subdivision of any vehicle operating under
75.20 reciprocity agreements pursuant to section 168.181 or 168.187 must be at the full annual
75.21 registration fee without regard to the percentage of vehicle miles traveled in this state.

75.22 Sec. 22. Minnesota Statutes 2018, section 168.013, subdivision 6, is amended to read:

75.23 Subd. 6. **Listing by dealers.** The owner of every motor vehicle not exempted by section
75.24 168.012 or 168.28, ~~shall~~ must, so long as it is subject to taxation within the state, annually
75.25 list and register the same and pay the tax herein provided annually under this section;
75.26 provided, however, that any dealer in motor vehicles, to whom dealer's plates have been
75.27 issued as provided in this chapter, coming into the possession of ~~any such~~ a motor vehicle
75.28 to be held solely for the purpose of sale or demonstration or both, ~~shall be~~ is entitled to
75.29 withhold the tax due on the vehicle from the prior registration period or becoming due on
75.30 such vehicle for the following year and no lien for registration tax as provided in section
75.31 168.31, subdivision 6, shall attach. When, thereafter, ~~such~~ the vehicle is otherwise used or
75.32 is sold, leased, or rented to another person, firm, corporation, or association, the tax for the
75.33 remainder of the year, prorated on a monthly basis, ~~shall become~~ becomes payable
75.34 immediately.

76.1 Sec. 23. Minnesota Statutes 2018, section 168.10, subdivision 1h, is amended to read:

76.2 Subd. 1h. **Collector military vehicle.** (a) A motor vehicle, including a truck, shall be
76.3 listed and registered under this section if it meets the following conditions:

76.4 (1) it is at least 20 years old;

76.5 (2) its first owner following its manufacture was a branch of the armed forces of the
76.6 United States and it presently conforms to the vehicle specifications required during the
76.7 time of military ownership, or it has been restored and presently conforms to the
76.8 specifications required by a branch of the armed forces for the model year that the restored
76.9 vehicle could have been owned by that branch of the armed forces; and

76.10 (3) it is owned by a nonprofit organization and operated solely as a collector's vehicle.
76.11 For purposes of this subdivision, "nonprofit organization" means a corporation, society,
76.12 association, foundation, or institution organized and operated exclusively for historical or
76.13 educational purposes, no part of the net earnings of which inures to the benefit of a private
76.14 individual.

76.15 (b) The owner of the vehicle shall execute an affidavit stating the name and address of
76.16 the person from whom purchased and of the new owner; the make, year, and model number
76.17 of the motor vehicle; the manufacturer's identification number; and the collector military
76.18 vehicle identification number, if any, located on the exterior of the vehicle. The affidavit
76.19 must affirm that the vehicle is owned by a nonprofit organization and is operated solely as
76.20 a collector's item and not for general transportation purposes. If the commissioner is satisfied
76.21 that the affidavit is true and correct and the owner pays a \$25 tax and the plate fee authorized
76.22 under section 168.12, the commissioner shall list the vehicle for taxation and registration
76.23 and shall issue number plates. The number plates shall bear the inscriptions "Collector" and
76.24 "Minnesota" and the registration number, but no date. The number plates are valid without
76.25 renewal as long as the vehicle is in existence in Minnesota. The commissioner may revoke
76.26 the plates for failure to comply with this subdivision.

76.27 (c) Notwithstanding section 168.09, 168.12, or other law to the contrary, the owner of
76.28 a registered collector military vehicle is not required to display registration plates on the
76.29 exterior of the vehicle if the vehicle has an exterior number identification that conforms to
76.30 the identifying system for military vehicles in effect when the vehicle was last owned by
76.31 the branch of the armed forces of the United States or in effect in the year to which the
76.32 collector military vehicle has been restored. However, the state registration plates must be
76.33 carried in or on the collector military vehicle at all times.

77.1 (d) The owner of a registered collector military vehicle that is not required to display
77.2 registration plates under paragraph (c) may tow a registered trailer behind it. The trailer is
77.3 not required to display registration plates if the trailer:

77.4 (1) does not exceed a gross weight of 15,000 pounds;

77.5 (2) otherwise conforms to registration, licensing, and safety laws and specifications;

77.6 (3) conforms to military specifications for appearance and identification;
