1.24 services and supports (CFSS)."

1.25 (b) CFSS is a participant-controlled method of selecting and providing services
1.26 and supports that allows the participant maximum control of the services and supports.
1.27 Participants may choose the degree to which they direct and manage their supports by
1.28 choosing to have a significant and meaningful role in the management of services and

2.1 supports including by directly employing support workers with the necessary supports
2.2 to perform that function.

2.3 (c) CFSS is available statewide to eligible individuals to assist with accomplishing
2.4 activities of daily living (ADLs), instrumental activities of daily living (IADLs), and
2.5 health-related procedures and tasks through hands-on assistance to complete the task or
2.6 supervision and cueing to complete the task; and to assist with acquiring, maintaining, and
2.7 enhancing the skills necessary to accomplish ADLs, IADLs, and health-related procedures
2.8 and tasks. CFSS allows payment for certain supports and goods such as environmental
2.9 modifications and technology that are intended to replace or decrease the need for human

2.11 (d) Upon federal approval, CFSS will replace the personal care assistance program

- 11.28 including hours worked by support workers and support specialists;
- 11.29 (6) not engage in any agency-initiated direct contact or marketing in person, by
- 11.30 telephone, or other electronic means to potential participants, guardians, family member

- 11.32 (7) pay support workers and support specialists based upon actual hours of services
- 11.33 provided;
- 11.34 (8) withhold and pay all applicable federal and state payroll taxes;

12.8 (b) The commissioner shall develop policies and procedures designed to ensure
 12.9 program integrity and fiscal accountability for goods and services provided in this section.

12.10 Subd. 11. **Agency-provider model.** (a) The agency-provider model is limited to
 12.11 the services provided by support workers and support specialists who are employed by
 12.12 an agency-provider that is licensed according to chapter 245A or meets other criteria
 12.13 established by the commissioner, including required training.

12.14 (b) The agency-provider shall allow the participant to retain the ability to have a
 12.15 significant role in the selection and dismissal of the support workers for the delivery of the
 12.16 services and supports specified in the service delivery plan.

12.17 (c) A participant may use authorized units of CFSS services as needed within
 12.18 a service authorization that is not greater than 12 months. Using authorized units
 12.19 agency-provider services or the budget allocation amount for the flexible spending model
 12.20 flexibly does not increase the total amount of services and supports authorized for a
 12.21 participant or included in the participant's service delivery plan.

12.22 (d) A participant may share CFSS services. Two or three CFSS participants may
 12.23 share services at the same time provided by the same support worker.

12.24 (e) The agency-provider must use a minimum of 72.5 percent of the revenue
 12.25 generated by the medical assistance payment for CFSS for support worker wages and
 12.26 benefits. The agency-provider must document how this requirement is being met. The
 12.27 revenue generated by the support specialist and the reasonable costs associated with the
 12.28 support specialist must not be used in making this calculation.

12.29 (f) The agency-provider model must be used by individuals who have been restricted
 12.30 by the Minnesota restricted recipient program.

12.31 Subd. 12. **Requirements for initial enrollment of CFSS provider agencies.** (a)

 12.33 agency in a format determined by the commissioner, information and documentation that
 12.34 includes, but is not limited to, the following:

12.35 (1) the CFSS provider agency's current contact information including address,
 12.36 telephone number, and e-mail address;

- 13.1 (2) proof of surety bond coverage in the amount of \$50,000 or ten percent of the
13.2 provider's payments from Medicaid in the previous year, whichever is less;

- 13.4 (4) proof of workers' compensation insurance coverage;
- 13.5 (5) proof of liability insurance;
- 13.6 (6) a description of the CFSS provider agency's organization identifying the names
13.7 or all owners, managing employees, staff, board of directors, and the affiliations of the
13.8 directors, owners, or staff to other service providers;
- 13.9 (7) a copy of the CFSS provider agency's written policies and procedures including:
13.10 hiring of employees; training requirements; service delivery; and employee and consumer
13.11 safety including process for notification and resolution of consumer grievances,
13.12 identification and prevention of communicable diseases, and employee misconduct;
- 13.13 (8) copies of all other forms the CFSS provider agency uses in the course of daily
13.14 business including, but not limited to:
- 13.15 (i) a copy of the CFSS provider agency's time sheet if the time sheet varies from
13.16 the standard time sheet for CFSS services approved by the commissioner, and a letter
13.17 requesting approval of the CFSS provider agency's nonstandard time sheet;
- 13.18 (ii) the CFSS provider agency's template for the CFSS care plan; and

13.20 21 for recipients using the CFSS choice option, if applicable;
- 13.21 (9) a list of all training and classes that the CFSS provider agency requires of its
13.22 staff providing CFSS services;
- 13.23 (10) documentation that the CFSS provider agency and staff have successfully
13.24 completed all the training required by this section;
- 13.25 (11) documentation of the agency's marketing practices;
- 13.26 (12) disclosure of ownership, leasing, or management of all residential properties
13.27 that is used or could be used for providing home care services;
- 13.28 (13) documentation that the agency will use the following percentages of revenue
13.29 generated from the medical assistance rate paid for CFSS services for employee personal
13.30 care assistant wages and benefits: 72.5 percent of revenue from CFSS providers. The
13.31 revenue generated by the support specialist and the reasonable costs associated with the
13.32 support specialist shall not be used in making this calculation; and
- 13.33 (14) documentation that the agency does not burden recipients' free exercise of their
13.34 right to choose service providers by requiring personal care assistants to sign an agreement
13.35 not to work with any particular CFSS recipient or for another CFSS provider agency after

14.1 leaving the agency and that the agency is not taking action on any such agreements or
 14.2 requirements regardless of the date signed.

14.3 (b) CFSS provider agencies shall provide the information specified in paragraph
 14.4 (a) to the commissioner.

14.5 (c) All CFSS provider agencies shall require all employees in management and
 14.6 supervisory positions and owners of the agency who are active in the day-to-day
 14.7 management and operations of the agency to complete mandatory training as determined
 14.8 by the commissioner. Employees in management and supervisory positions and owners
 14.9 who are active in the day-to-day operations of an agency who have completed the required
 14.10 training as an employee with a CFSS provider agency do not need to repeat the required
 14.11 training if they are hired by another agency, if they have completed the training within
 14.12 the past three years. CFSS provider agency billing staff shall complete training about
 14.13 CFSS program financial management. Any new owners or employees in management
 14.14 and supervisory positions involved in the day-to-day operations are required to complete
 14.15 mandatory training as a requisite of working for the agency. CFSS provider agencies
 14.16 certified for participation in Medicare as home health agencies are exempt from the
 14.17 training required in this subdivision.

14.21 (1) participants directly employ support workers;

14.22 (2) participants may use a budget allocation to obtain supports and goods as defined
 14.23 in subdivision 7; and

14.24 (3) from the financial management services (FMS) contractor the participant may
 14.25 choose a range of support assistance services relating to:

14.26 (i) planning, budgeting, and management of services and support;

 14.30 participant's degree of control and responsibility.

14.31 (b) Participants who are unable to fulfill any of the functions listed in paragraph (a)
 14.32 may authorize a legal representative or participant's representative to do so on their behalf.

14.33 (c) The FMS contractor shall not provide CFSS services and supports under the
 14.34 agency-provider service model. The FMS contractor shall provide service functions as
 14.35 determined by the commissioner that include but are not limited to:

14.36 (1) information and consultation about CFSS;

- 15.1 (2) assistance with the development of the service delivery plan and flexible
15.2 spending model as requested by the participant;
- 15.3 (3) billing and making payments for flexible spending model expenditures;

15.5 Internal Revenue Code Procedure 70-6, section 3504, Agency Employer Tax Liability,

15.12 with a service delivery plan that specifies the amount of services to be authorized to the
15.13 agency-provider and the expenditures to be paid by the FMS contractor.
- 15.14 (e) The FMS contractor shall:
- 15.15 (1) not limit or restrict the participant's choice of service or support providers or
15.16 service delivery models as authorized by the commissioner;

15.18 monthly written summary of the spending for services and supports that were billed
15.19 against the spending budget;
- 15.20 (3) be knowledgeable of state and federal employment regulations under the Fair
15.21 Labor Standards Act of 1938, and comply with the requirements under the Internal

15.25 employer tax liabilities, and maintain documentation to support medical assistance claims;
- 15.26 (4) have current and adequate liability insurance and bonding and sufficient cash
15.27 flow as determined by the commission and have on staff or under contract a certified

- 15.30 (6) maintain documentation of receipts, invoices, and bills to track all services and
15.31 supports expenditures for any goods purchased and maintain time records of support
15.32 workers. The documentation and time records must be maintained for a minimum of
15.33 five years from the claim date and be available for audit or review upon request by the
15.34 commissioner. Claims submitted by the FMS contractor to the commissioner for payment
15.35 must correspond with services, amounts, and time periods as authorized in the participant's
15.36 spending budget and service plan.

16.1 (f) The commissioner of human services shall:

16.2 (1) establish rates and payment methodology for the FMS contractor;

16.3 (2) identify a process to ensure quality and performance standards for the FMS
16.4 contractor and ensure statewide access to FMS contractors; and

16.5 (3) establish a uniform protocol for delivering and administering CFSS services
16.6 to be used by eligible FMS contractors.

16.7 (g) Participants who are disenrolled from the model shall be transferred to the
16.8 agency-provider model.

16.9 Subd. 14. **Participant's responsibilities under flexible spending model.** (a) A
16.10 participant using the flexible spending model must use a FMS contractor or vendor that is
16.11 under contract with the department. Upon a determination of eligibility and completion of
16.12 the assessment and community support plan, the participant shall choose a FMS contractor
16.13 from a list of eligible vendors maintained by the department.

16.14 (b) When the participant, participant's representative, or legal representative chooses
16.15 to be the employer of the support worker, they are responsible for recruiting, interviewing,
16.16 hiring, training, scheduling, supervising, and discharging direct support workers.

16.17 (c) In addition to the employer responsibilities in paragraph (b), the participant,

16.22 the FMS contractor's procedures;

16.23 (3) notifying the FMS contractor within ten days of any changes in circumstances
16.24 affecting the CFSS service plan or in the participant's place of residence including, but

16.26 telephone number, or employment;

16.27 (4) notifying the FMS contractor of any changes in the employment status of each
16.28 participant support worker; and

16.29 (5) reporting any problems resulting from the quality of services rendered by the
16.30 support worker to the FMS contractor. If the participant is unable to resolve any problems
16.31 resulting from the quality of service rendered by the support worker with the assistance of

16.34 provided to a participant by a support worker employed by either an agency-provider
16.35 or the participant acting as the employer must be documented daily by each support
16.36 worker, on a time sheet form approved by the commissioner. All documentation may be

17.1 Web-based, electronic, or paper documentation. The completed form must be submitted
 17.2 on a monthly basis to the provider or the participant and the FMS contractor selected by
 17.3 the participant to provide assistance with meeting the participant's employer obligations
 17.4 and kept in the recipient's health record.

17.5 (b) The activity documentation must correspond to the written service delivery plan
 17.6 and be reviewed by the agency provider or the participant and the FMS contractor when

 17.25 chapter 245C has been completed and the support worker has received a notice from the
 17.26 commissioner that:

17.27 (i) the support worker is not disqualified under section 245C.14; or

18.31 Subd. 18. **Service unit and budget allocation requirements.** (a) For the
18.32 agency-provider model, services will be authorized in units of service. The total service

19.1 (b) For the flexible spending model, services and supports are authorized under
19.2 a budget limit.

19.3 (c) The maximum available CFSS participant budget allocation shall be established
19.4 by multiplying the number of units authorized under subdivision 8 by the payment rate
19.5 established by the commissioner.

19.6 Subd. 19. **Support system.** (a) The commissioner shall provide information,
19.7 consultation, training, and assistance to ensure the participant is able to manage the

19.17 choices; (3) the process for changing plans, services and budgets; (4) the grievance
19.18 process; (5) individual rights; (6) identifying and assessing appropriate services; (7) risks
19.19 and responsibilities; and (8) risk management. A participant who appeals a reduction in
19.20 previously authorized CFSS services may continue previously authorized services pending
19.21 an appeal under section 256.045. The commissioner must ensure that the participant
19.22 has a copy of the most recent service delivery plan that contains a detailed explanation
19.23 of which areas of covered CFSS are reduced, and provide notice of the amount of the
19.24 budget reduction, and the reasons for the reduction in the participant's notice of denial,
19.25 termination, or reduction.

19.26 Subd. 21. **Development and Implementation Council.** The commissioner
19.27 shall establish a Development and Implementation Council of which the majority of
19.28 members are individuals with disabilities, elderly individuals, and their representatives.

19.35 based upon a recipient's resources and capabilities. Risk management measures must
19.36 include background studies, and backup and emergency plans, including disaster planning.

20.1 (b) The commissioner shall provide ongoing technical assistance and resource and
 20.2 educational materials for CFSS participants.

20.3 (c) Performance assessment measures, such as a participant's satisfaction with the
 20.4 services and supports, and ongoing monitoring of health and well-being shall be identified
 20.5 in consultation with the council established in subdivision 21.

20.6 Subd. 23. **Commissioner's access.** When the commissioner is investigating a
 20.7 possible overpayment of Medicaid funds, the commissioner must be given immediate
 20.8 access without prior notice to the agency provider or FMS contractor's office during
 20.9 regular business hours and to documentation and records related to services provided and
 20.10 submission of claims for services provided. Denying the commissioner access to records
 20.11 is cause for immediate suspension of payment and terminating the agency provider's
 20.12 enrollment according to section 256B.064 or terminating the FMS contract.

20.13 Subd. 24. **CFSS agency-providers; background studies.** CFSS agency-providers

20.21 (i) the organization has not initiated background studies on owners managing
 20.22 employees; or

 20.25 managing employee of the organization has been disqualified under section 245C.14, and
 20.26 the owner or managing employee has not received a set-aside of the disqualification
 20.27 under section 245C.22;

20.28 (2) a background study must be initiated and completed for all support specialists; and

20.29 (3) a background study must be initiated and completed for all support workers.

20.30 **EFFECTIVE DATE.** This section is effective upon federal approval. The
 20.31 commissioner of human services shall notify the revisor of statutes when this occurs.

 21.2 similar device shall be considered an oral report. The common entry point may not require
 21.3 written reports. To the extent possible, the report must be of sufficient content to identify
 21.4 the vulnerable adult, the caregiver, the nature and extent of the suspected maltreatment,
 21.5 any evidence of previous maltreatment, the name and address of the reporter, the time,
 21.6 date, and location of the incident, and any other information that the reporter believes
 21.7 might be helpful in investigating the suspected maltreatment. A mandated reporter may
 21.8 disclose not public data, as defined in section 13.02, and medical records under sections
 21.9 144.291 to 144.298, to the extent necessary to comply with this subdivision.

 21.14 Code of Federal Regulations, title 42, section 482.66, may submit a report electronically

 21.16 duplicate of the initial report the facility submits electronically to the commissioner of
 21.17 health to comply with the reporting requirements under Code of Federal Regulations, title
 21.18 42, section 483.13. The commissioner of health may modify these reporting requirements
 21.19 to include items required under paragraph (a) that are not currently included in the

32.9 **Sec. 3. [245D.051] PSYCHOTROPIC MEDICATION USE AND MONITORING.**

32.10 **Subdivision 1. Conditions for psychotropic medication administration.** (a)
 32.11 When a person is prescribed a psychotropic medication and the license holder is assigned
 32.12 responsibility for administration of the medication in the person's coordinated service
 32.13 and support plan or the coordinated service and support plan addendum, the license
 32.14 holder must ensure that the requirements in paragraphs (b) to (d) and section 245D.05,
 32.15 subdivision 2, are met.

32.16 (b) Use of the medication must be included in the person's coordinated service and
 32.17 support plan or in the coordinated service and support plan addendum and based on a
 32.18 prescriber's current written or electronically recorded prescription.

32.19 (c) The license holder must develop, implement, and maintain the following
 32.20 documentation in the person's coordinated service and support plan addendum according
 32.21 to the requirements in sections 245D.07 and 245D.071:

32.22 (1) a description of the target symptoms that the psychotropic medication is to
 32.23 alleviate; and

32.24 (2) documentation methods the license holder will use to monitor and measure
 32.25 changes in the target symptoms that are to be alleviated by the psychotropic medication if
 32.26 required by the prescriber. The license holder must collect and report on medication and
 32.27 symptom-related data as instructed by the prescriber. The license holder must provide
 32.28 the monitoring data to the expanded support team for review every three months, or as
 32.29 otherwise requested by the person or the person's legal representative.

32.30 For the purposes of this section, "target symptom" refers to any perceptible
 32.31 diagnostic criteria for a person's diagnosed mental disorder as defined by the Diagnostic
 32.32 and Statistical Manual of Mental Disorders Fourth Edition Text Revision (DSM-IV-TR) or
 32.33 successive editions that has been identified for alleviation.

32.34 (d) If a person is prescribed a psychotropic medication, monitoring the use of the
 32.35 psychotropic medication must be assigned to the license holder in the coordinated service

33.1 and support plan or the coordinated service and support plan addendum. The assigned
 33.2 license holder must monitor the psychotropic medication as required by this section.

33.3 Subd. 2. **Refusal to authorize psychotropic medication.** If the person or the
 33.4 person's legal representative refuses to authorize the administration of a psychotropic
 33.5 medication as ordered by the prescriber, the license holder must follow the requirement
 33.6 in section 245D.05, subdivision 2, paragraph (b), clause (2). After reporting the refusal
 33.7 to the prescriber, the license holder must follow any directives or orders given by the
 33.8 prescriber. A court order must be obtained to override the refusal. Refusal to authorize
 33.9 administration of a specific psychotropic medication is not grounds for service termination
 33.10 and does not constitute an emergency. A decision to terminate services must be reached in
 33.11 compliance with section 245D.10, subdivision 3.

33.12 **EFFECTIVE DATE.** This section is effective January 1, 2014.

33.13 Sec. 4. Minnesota Statutes 2012, section 245D.06, is amended to read:

 33.22 has reason to know that the incident has already been reported, or as otherwise directed
 33.23 in a person's coordinated service and support plan or coordinated service and support
 33.24 plan addendum. An incident of suspected or alleged maltreatment must be reported as
 33.25 required under paragraph (d), and an incident of serious injury or death must be reported
 33.26 as required under paragraph (e).

33.27 (c) When the incident involves more than one person, the license holder must not
 33.28 disclose personally identifiable information about any other person when making the report
 33.29 to each person and case manager unless the license holder has the consent of the person.

33.30 (d) Within 24 hours of reporting maltreatment as required under section 626.556
 33.31 or 626.557, the license holder must inform the case manager of the report unless there is
 33.32 reason to believe that the case manager is involved in the suspected maltreatment. The
 33.33 license holder must disclose the nature of the activity or occurrence reported and the
 33.34 agency that received the report.

34.1 (e) The license holder must report the death or serious injury of the person to the legal

 34.12 know that the death has already been reported.

34.13 (g) The license holder must conduct a an internal review of incident reports of
 34.14 deaths and serious injuries that occurred while services were being provided and that
 34.15 were not reported by the program as alleged or suspected maltreatment, for identification
 34.16 of incident patterns, and implementation of corrective action as necessary to reduce
 34.17 occurrences. The review must include an evaluation of whether related policies and
 34.18 procedures were followed, whether the policies and procedures were adequate, whether
 34.19 there is a need for additional staff training, whether the reported event is similar to past
 34.20 events with the persons or the services involved, and whether there is a need for corrective
 34.21 action by the license holder to protect the health and safety of persons receiving services.
 34.22 Based on the results of this review, the license holder must develop, document, and
 34.23 implement a corrective action plan designed to correct current lapses and prevent future

 35.7 require toxic substances or dangerous items to be inaccessible and a statement of specific
 35.8 measures to be taken to minimize the safety risk to persons receiving services;

35.9 (iii) doors are locked from the inside to prevent a person from exiting only when

45.5 (1) the Minnesota Government Data Practices Act, section 13.46, and all other
45.6 applicable Minnesota laws and rules in handling all data related to the services provided;
45.7 and

45.18 Subd. 4. **Admission criteria.** The license holder must establish policies and

45.21 (1) is consistent with the license holder's registration information identified in the
45.22 requirements in section 245D.031, subdivision 2, and with the service-related rights
45.23 identified in section 245D.04, subdivisions 2, clauses (4) to (7), and 3, clause (8);

45.28 with the requirements in section 243.166, subdivision 4b, to provide notification to
45.29 residents when a registered predatory offender is admitted into the program or to a
45.30 potential admission when the facility was already serving a registered predatory offender.
45.31 For purposes of this clause, "health care facility" means a facility licensed by the
45.32 commissioner as a residential facility under chapter 245A to provide adult foster care or
45.33 residential services to persons with disabilities; and

45.34 (4) requires that when a person or the person's legal representative requests services
45.35 from the license holder, a refusal to admit the person must be based on an evaluation of
45.36 the person's assessed needs and the license holder's lack of capacity to meet the needs of

46.1 the person. The license holder must not refuse to admit a person based solely on the
 46.2 type of residential services the person is receiving, or solely on the person's severity of
 46.3 disability, orthopedic or neurological handicaps, sight or hearing impairments, lack of
 46.4 communication skills, physical disabilities, toilet habits, behavioral disorders, or past
 46.5 failure to make progress. Documentation of the basis for refusal must be provided to the
 46.6 person or the person's legal representative and case manager upon request.

 47.25 care services in Minnesota without a temporary or current home care provider license
 47.26 issued by the commissioner of health.

47.27 Subd. 2. **Determination of direct home care service.** "Direct home care service"
 47.28 means a home care service provided to a client by the home care provider or its employees,
 47.29 and not by contract. Factors that must be considered in determining whether an individual
 47.30 or a business entity provides at least one home care service directly include, but are not

 48.17 individual or business entity provides home care services;

48.18 (2) whether persons receiving home care services constitute a substantial part of the
 48.19 individual's or the business entity's clientele; and

48.20 (3) whether the home care services provided are other than occasional or incidental
 48.21 to the provision of services other than home care services.

48.22 None of the factors listed in this subdivision is solely determinative.

48.23 Subd. 4. **Penalties for operating without license.** A person involved in the
 48.24 management, operation, or control of a home care provider that operates without an
 48.25 appropriate license is guilty of a misdemeanor. This section does not apply to a person

 49.26 provided in this chapter, home care services that are provided by the state, counties, or
 49.27 other units of government must be licensed under this chapter.

49.28 (b) An exemption under this subdivision does not excuse the exempted individual or
 49.29 organization from complying with applicable provisions of the home care bill of rights
 49.30 in section 144A.44. The following individuals or organizations are exempt from the
 49.31 requirement to obtain a home care provider license:

53.28 **Subd. 2. Comprehensive home care license applications.** In addition to the
 53.29 information and fee required in subdivision 1, applicants applying for a comprehensive

56.12 (f) Fees and penalties collected under this section shall be deposited in the state
 56.13 treasury and credited to the special state government revenue fund.

56.14 **Sec. 7. [144A.473] ISSUANCE OF TEMPORARY LICENSE AND LICENSE**
 56.15 **RENEWAL.**

56.16 Subdivision 1. **Temporary license and renewal of license.** (a) The department
 56.17 shall review each application to determine the applicant's knowledge of and compliance
 56.18 with Minnesota home care regulations. Before granting a temporary license or renewing a
 56.19 license, the commissioner may further evaluate the applicant or licensee by requesting
 56.20 additional information or documentation or by conducting an on-site survey of the
 56.21 applicant to determine compliance with sections 144A.43 to 144A.482.

56.22 (b) Within 14 calendar days after receiving an application for a license,
 56.23 the commissioner shall acknowledge receipt of the application in writing. The
 56.24 acknowledgment must indicate whether the application appears to be complete or whether
 56.25 additional information is required before the application will be considered complete.

56.26 (c) Within 90 days after receiving a complete application, the commissioner shall
 56.27 issue a temporary license, renew the license, or deny the license.

56.28 (d) The commissioner shall issue a license that contains the home care provider's
 56.29 name, address, license level, expiration date of the license, and unique license number. All
 56.30 licenses are valid for one year from the date of issuance.

56.31 Subd. 2. **Temporary license.** (a) For new license applicants, the commissioner
 56.32 shall issue a temporary license for either the basic or comprehensive home care level. A
 56.33 temporary license is effective for one year from the date of issuance. Temporary licensees
 56.34 must comply with sections 144A.43 to 144A.482.

57.1 (b) During the temporary license year, the commissioner shall survey the temporary
57.2 licensee after the commissioner is notified or has evidence that the temporary licensee
57.3 is providing home care services.

57.4 (c) Within five days of beginning the provision of services, the temporary
57.5 licensee must notify the commissioner that it is serving clients. The notification to the
57.6 commissioner may be mailed or e-mailed to the commissioner at the address provided by
57.7 the commissioner. If the temporary licensee does not provide home care services during
57.8 the temporary license year, then the temporary license expires at the end of the year and
57.9 the applicant must reapply for a temporary home care license.

57.10 (d) A temporary licensee may request a change in the level of licensure prior to
57.11 being surveyed and granted a license by notifying the commissioner in writing and
57.12 providing additional documentation or materials required to update or complete the
57.13 changed temporary license application. The applicant must pay the difference between the
57.14 application fees when changing from the basic to the comprehensive level of licensure.
57.15 No refund will be made if the provider chooses to change the license application to the
57.16 basic level.

57.17 (e) If the temporary licensee notifies the commissioner that the licensee has clients
57.18 within 45 days prior to the temporary license expiration, the commissioner may extend the
57.19 temporary license for up to 60 days in order to allow the commissioner to complete the
57.20 on-site survey required under this section and follow-up survey visits.

57.21 Subd. 3. **Temporary licensee survey.** (a) If the temporary licensee is in substantial
57.22 compliance with the survey, the commissioner shall issue either a basic or comprehensive
57.23 home care license. If the temporary licensee is not in substantial compliance with the
57.24 survey, the commissioner shall not issue a basic or comprehensive license and there will
57.25 be no contested hearing right under chapter 14.

57.26 (b) If the temporary licensee whose basic or comprehensive license has been denied
57.27 disagrees with the conclusions of the commissioner, then the licensee may request a
57.28 reconsideration by the commissioner or commissioner's designee. The reconsideration
57.29 request process will be conducted internally by the commissioner or commissioner's
57.30 designee, and chapter 14 does not apply.

57.31 (c) The temporary licensee requesting reconsideration must make the request in
57.32 writing and must list and describe the reasons why the licensee disagrees with the decision
57.33 to deny the basic or comprehensive home care license.

57.34 (d) A temporary licensee whose license is denied must comply with the requirements
57.35 for notification and transfer of clients in section 144A.475, subdivision 5.

58.1 Sec. 8. **[144A.474] SURVEYS AND INVESTIGATIONS.**

58.2 Subdivision 1. **Surveys.** The commissioner shall conduct surveys of each home care
58.3 provider. Survey frequency may be based on the license level, the provider's compliance
58.4 history, number of clients served, or other factors as determined by the department deemed
58.5 necessary to ensure the health, safety, and welfare of clients and compliance with the law.

58.6 Subd. 2. **Scheduling surveys.** Surveys and investigations shall be conducted
58.7 without advance notice to home care providers. Surveyors may contact the home care
58.8 provider on the day of a survey to arrange for someone to be available at the survey site.
58.9 The contact does not constitute advance notice.

58.10 Subd. 3. **Information provided by home care provider.** The home care provider
58.11 shall provide accurate and truthful information to the department during a survey,
58.12 investigation, or other licensing activities.

58.13 Subd. 4. **Providing client records.** Upon request of a surveyor, home care providers
58.14 shall provide a list of current and past clients or client representatives that includes
58.15 addresses and telephone numbers and any other information requested about the services
58.16 to clients within a reasonable period of time.

58.17 Subd. 5. **Contacting and visiting clients.** Surveyors may contact or visit a home
58.18 care provider's clients to gather information without notice to the home care provider.
58.19 Before visiting a client, a surveyor shall obtain the client's or client's representative's
58.20 permission by telephone, mail, or in person. Surveyors shall inform all clients or client's
58.21 representatives of their right to decline permission for a visit.

58.22 Subd. 6. **Complaint investigations.** Upon receiving information alleging that
58.23 a home care provider has violated or is currently violating a requirement of sections
58.24 144A.43 to 144A.482, 626.556, and 626.557, the commissioner shall investigate the
58.25 complaint according to sections 144A.51 to 144A.54.

58.26 Subd. 7. **Correction orders.** (a) A correction order may be issued whenever the
58.27 commissioner finds upon survey or during a complaint investigation that a home care
58.28 provider, a controlling person, or an employee of the provider is not in compliance with
58.29 sections 144A.43 to 144A.482, 626.556, or 626.557. The correction order shall cite the
58.30 specific rule or statute and document areas of noncompliance and the time allowed for
58.31 correction.

58.32 (b) The commissioner shall mail copies of any correction order to the last known
58.33 address of the home care provider. A copy of each correction order and copies of any
58.34 documentation supplied to the commissioner shall be kept on file by the home care
58.35 provider, and public documents shall be made available for viewing by any person upon
58.36 request. Copies may be kept electronically.

59.1 (c) By the correction order date, the home care provider must document in the
 59.2 provider's records any action taken to comply with the correction order. The commissioner
 59.3 may request a copy of this documentation and the home care provider's action to respond
 59.4 to the correction order in future surveys, upon a complaint investigation, and as otherwise
 59.5 needed.

59.6 Subd. 8. **Reconsideration of survey findings.** (a) If the applicant or licensee
 59.7 believes that the contents of the commissioner's order for correction are in error, the
 59.8 applicant or license holder may ask the commissioner to reconsider the parts of the
 59.9 correction order that are alleged to be in error. The request for reconsideration must be
 59.10 made in writing and must be postmarked and sent to the commissioner within 20 calendar
 59.11 days after receipt of the correction order by the applicant or license holder, and:

59.12 (1) specify the parts of the correction order that are alleged to be in error;

59.13 (2) explain why they are in error; and

59.14 (3) include documentation to support the allegation of error.

59.15 (b) A request for reconsideration does not stay any provisions or requirements of the
 59.16 correction order. The commissioner's disposition of a request for reconsideration is final
 59.17 and not subject to appeal under chapter 14.

59.18 Subd. 9. **Fines.** (a) The commissioner may assess fines according to this subdivision.

59.19 (b) In addition to any enforcement action authorized under this chapter, the
 59.20 commissioner may assess a licensed home care provider a fine from \$1,000 to \$10,000 for
 59.21 any of the following violations:

59.22 (1) failure to report maltreatment of a child under section 626.556 or the
 59.23 maltreatment of a vulnerable adult under section 626.557;

59.24 (2) failure to establish and implement procedures for reporting suspected
 59.25 maltreatment under section 144A.479, subdivision 6, paragraph (a);

59.26 (3) failure to complete and implement an abuse prevention plan under section
 59.27 144.479, subdivision 6, paragraph (b);

59.28 (4) an act, omission, or practice that results in a client's illness, injury, or death or
 59.29 places the client at imminent risk including physical abuse, sexual abuse, questionable or
 59.30 wrongful death, serious unexplained injuries, or serious medical emergency;

59.31 (5) failure to obtain background check clearance or exemption for direct care staff
 59.32 prior to provision of services;

59.33 (6) willful violation of state licensing laws and regulations; and

59.34 (7) violation of employee health status guidance relating to control of infectious
 59.35 diseases such as tuberculosis.

60.1 (c) If the commissioner finds that the applicant or a home care provider required to
60.2 be licensed under sections 144A.43 to 144A.482 has not corrected violations identified
60.3 in a survey or complaint investigation that were specified in the correction order or
60.4 conditional license, the commissioner may impose a fine. A notice of noncompliance with
60.5 a correction order must be mailed to the applicant's or provider's last known address. The
60.6 noncompliance notice must list the violations not corrected.

60.7 (d) Fines under this subdivision may be assessed according to paragraph (b), or
60.8 the commissioner may assess a fine other than those identified in paragraph (b) from
60.9 \$500 to \$2,000 per violation when the provider has failed to correct an order relating to
60.10 violation of state licensing laws.

60.11 (e) The license holder must pay the fines assessed on or before the payment date
60.12 specified. If the license holder fails to fully comply with the order, the commissioner may
60.13 issue a second fine or suspend the license until the license holder complies by paying the
60.14 fine. If the license holder receives state funds, the state, county, or municipal agencies or
60.15 departments responsible for administering the funds shall withhold payments and recover
60.16 any payments made while the license is suspended for failure to pay a fine. A timely
60.17 appeal shall stay payment of the fine until the commissioner issues a final order.

60.18 (f) A license holder shall promptly notify the commissioner in writing, including
60.19 by e-mail, when a violation specified in the order to forfeit a fine is corrected. If upon
60.20 reinspection the commissioner determines that a violation has not been corrected as
60.21 indicated by the order to forfeit a fine, the commissioner may issue a second fine. The
60.22 commissioner shall notify the license holder by mail to the last known address in the
60.23 licensing record that a second fine has been assessed. The license holder may appeal the
60.24 second fine as provided under this subdivision.

60.25 (g) A home care provider that has been assessed a fine under this subdivision has a
60.26 right to a hearing under this section and chapter 14.

60.27 (h) When a fine has been assessed, the license holder may not avoid payment by
60.28 closing, selling, or otherwise transferring the licensed program to a third party. In such an
60.29 event, the license holder shall be personally liable for payment of the fine. In the case
60.30 of a corporation, each controlling individual is personally and jointly liable for payment
60.31 of the fine.

60.32 (i) In addition to any fine imposed under this section, the commissioner may assess
60.33 costs related to an investigation that results in a final order assessing a fine or other
60.34 enforcement action authorized by this chapter.

60.35 (j) Fines collected under this subdivision shall be deposited in the state government
60.36 special revenue fund and credited to an account separate from the revenue collected under

61.1 section 144A.472. Subject to an appropriation by the legislature, the revenue from the
 61.2 finances collected may be used by the commissioner for special projects to improve home care
 61.3 regulations as recommended by the advisory council established in section 144A.4799.

61.4 **Sec. 9. [144A.475] ENFORCEMENT.**

61.5 **Subdivision 1. Conditions.** (a) The commissioner may refuse to grant a temporary
 61.6 license, renew a license, suspend or revoke a license, or impose a conditional license if the
 61.7 home care provider or owner or managerial official of the home care provider:

61.8 (1) is in violation of, or during the term of the license has violated, any of the
 61.9 requirements in sections 144A.471 to 144A.482;

61.10 (2) permits, aids, or abets the commission of any illegal act in the provision of
 61.11 home care;

61.12 (3) performs any act detrimental to the health, safety, and welfare of a client;

61.13 (4) obtains the license by fraud or misrepresentation;

61.14 (5) knowingly made or makes a false statement of a material fact in the application
 61.15 for a license or in any other record or report required by this chapter;

61.16 (6) denies representatives of the department access to any part of the home care
 61.17 provider's books, records, files, or employees;

61.18 (7) interferes with or impedes a representative of the department in contacting the
 61.19 home care provider's clients;

61.20 (8) interferes with or impedes a representative of the department in the enforcement
 61.21 of this chapter or has failed to fully cooperate with an inspection, survey, or investigation
 61.22 by the department;

61.23 (9) destroys or makes unavailable any records or other evidence relating to the home
 61.24 care provider's compliance with this chapter;

61.25 (10) refuses to initiate a background study under section 144.057 or 245A.04;

61.26 (11) fails to timely pay any fines assessed by the department;

61.27 (12) violates any local, city, or township ordinance relating to home care services;

61.28 (13) has repeated incidents of personnel performing services beyond their
 61.29 competency level; or

61.30 (14) has operated beyond the scope of the home care provider's license level.

61.31 (b) A violation by a contractor providing the home care services of the home care
 61.32 provider is a violation by the home care provider.

61.33 **Subd. 2. Terms to suspension or conditional license.** A suspension or conditional
 61.34 license designation may include terms that must be completed or met before a suspension
 61.35 or conditional license designation is lifted. A conditional license designation may include

62.1 restrictions or conditions that are imposed on the provider. Terms for a suspension or
 62.2 conditional license may include one or more of the following and the scope of each will be
 62.3 determined by the commissioner:

62.4 (1) requiring a consultant to review, evaluate, and make recommended changes to
 62.5 the home care provider's practices and submit reports to the commissioner at the cost of
 62.6 the home care provider;

62.7 (2) requiring supervision of the home care provider or staff practices at the cost
 62.8 of the home care provider by an unrelated person who has sufficient knowledge and
 62.9 qualifications to oversee the practices and who will submit reports to the commissioner;

62.10 (3) requiring the home care provider or employees to obtain training at the cost of
 62.11 the home care provider;

62.12 (4) requiring the home care provider to submit reports to the commissioner;

62.13 (5) prohibiting the home care provider from taking any new clients for a period
 62.14 of time; or

62.15 (6) any other action reasonably required to accomplish the purpose of this
 62.16 subdivision and section 144A.45, subdivision 2.

62.17 Subd. 3. **Notice.** Prior to any suspension, revocation, or refusal to renew a license,
 62.18 the home care provider shall be entitled to notice and a hearing as provided by sections
 62.19 14.57 to 14.69. In addition to any other remedy provided by law, the commissioner may,
 62.20 without a prior contested case hearing, temporarily suspend a license or prohibit delivery
 62.21 of services by a provider for not more than 90 days if the commissioner determines that
 62.22 the health or safety of a consumer is in imminent danger, provided:

62.23 (1) advance notice is given to the home care provider;

62.24 (2) after notice, the home care provider fails to correct the problem;

62.25 (3) the commissioner has reason to believe that other administrative remedies are not
 62.26 likely to be effective; and

62.27 (4) there is an opportunity for a contested case hearing within the 90 days.

62.28 Subd. 4. **Time limits for appeals.** To appeal the assessment of civil penalties
 62.29 under section 144A.45, subdivision 2, clause (5), and an action against a license under
 62.30 this section, a provider must request a hearing no later than 15 days after the provider
 62.31 receives notice of the action.

62.32 Subd. 5. **Plan required.** (a) The process of suspending or revoking a license
 62.33 must include a plan for transferring affected clients to other providers by the home care
 62.34 provider, which will be monitored by the commissioner. Within three business days of
 62.35 being notified of the final revocation or suspension action, the home care provider shall

63.1 provide the commissioner, the lead agencies as defined in section 256B.0911, and the
 63.2 ombudsman for long-term care with the following information:

63.3 (1) a list of all clients, including full names and all contact information on file;

63.4 (2) a list of each client's representative or emergency contact person, including full
 63.5 names and all contact information on file;

63.6 (3) the location or current residence of each client;

63.7 (4) the payor sources for each client, including payor source identification numbers;

63.8 and

63.9 (5) for each client, a copy of the client's service plan, and a list of the types of
 63.10 services being provided.

63.11 (b) The revocation or suspension notification requirement is satisfied by mailing the
 63.12 notice to the address in the license record. The home care provider shall cooperate with
 63.13 the commissioner and the lead agencies during the process of transferring care of clients to
 63.14 qualified providers. Within three business days of being notified of the final revocation or
 63.15 suspension action, the home care provider must notify and disclose to each of the home
 63.16 care provider's clients, or the client's representative or emergency contact persons, that
 63.17 the commissioner is taking action against the home care provider's license by providing a
 63.18 copy of the revocation or suspension notice issued by the commissioner.

63.19 Subd. 6. **Owners and managerial officials; refusal to grant license.** (a) The
 63.20 owner and managerial officials of a home care provider whose Minnesota license has not
 63.21 been renewed or that has been revoked because of noncompliance with applicable laws or
 63.22 rules shall not be eligible to apply for nor will be granted a home care license, including
 63.23 other licenses under this chapter, or be given status as an enrolled personal care assistance
 63.24 provider agency or personal care assistant by the Department of Human Services under
 63.25 section 256B.0659 for five years following the effective date of the nonrenewal or
 63.26 revocation. If the owner and managerial officials already have enrollment status, their
 63.27 enrollment will be terminated by the Department of Human Services.

63.28 (b) The commissioner shall not issue a license to a home care provider for five
 63.29 years following the effective date of license nonrenewal or revocation if the owner or
 63.30 managerial official, including any individual who was an owner or managerial official
 63.31 of another home care provider, had a Minnesota license that was not renewed or was
 63.32 revoked as described in paragraph (a).

63.33 (c) Notwithstanding subdivision 1, the commissioner shall not renew, or shall
 63.34 suspend or revoke, the license of any home care provider that includes any individual
 63.35 as an owner or managerial official who was an owner or managerial official of a home

64.1 care provider whose Minnesota license was not renewed or was revoked as described in
64.2 paragraph (a) for five years following the effective date of the nonrenewal or revocation.

64.3 (d) The commissioner shall notify the home care provider 30 days in advance of
64.4 the date of nonrenewal, suspension, or revocation of the license. Within ten days after
64.5 the receipt of the notification, the home care provider may request, in writing, that the
64.6 commissioner stay the nonrenewal, revocation, or suspension of the license. The home
64.7 care provider shall specify the reasons for requesting the stay; the steps that will be taken
64.8 to attain or maintain compliance with the licensure laws and regulations; any limits on the
64.9 authority or responsibility of the owners or managerial officials whose actions resulted in
64.10 the notice of nonrenewal, revocation, or suspension; and any other information to establish
64.11 that the continuing affiliation with these individuals will not jeopardize client health, safety,
64.12 or well-being. The commissioner shall determine whether the stay will be granted within
64.13 30 days of receiving the provider's request. The commissioner may propose additional
64.14 restrictions or limitations on the provider's license and require that the granting of the stay
64.15 be contingent upon compliance with those provisions. The commissioner shall take into
64.16 consideration the following factors when determining whether the stay should be granted:

64.17 (1) the threat that continued involvement of the owners and managerial officials with
64.18 the home care provider poses to client health, safety, and well-being;

64.19 (2) the compliance history of the home care provider; and

64.20 (3) the appropriateness of any limits suggested by the home care provider.

64.21 If the commissioner grants the stay, the order shall include any restrictions or
64.22 limitation on the provider's license. The failure of the provider to comply with any
64.23 restrictions or limitations shall result in the immediate removal of the stay and the
64.24 commissioner shall take immediate action to suspend, revoke, or not renew the license.

64.25 Subd. 7. **Request for hearing.** A request for a hearing must be in writing and must:

64.26 (1) be mailed or delivered to the department or the commissioner's designee;

64.27 (2) contain a brief and plain statement describing every matter or issue contested; and

64.28 (3) contain a brief and plain statement of any new matter that the applicant or home
64.29 care provider believes constitutes a defense or mitigating factor.

64.30 Subd. 8. **Informal conference.** At any time, the applicant or home care provider
64.31 and the commissioner may hold an informal conference to exchange information, clarify
64.32 issues, or resolve issues.

64.33 Subd. 9. **Injunctive relief.** In addition to any other remedy provided by law, the
64.34 commissioner may bring an action in district court to enjoin a person who is involved in
64.35 the management, operation, or control of a home care provider or an employee of the
64.36 home care provider from illegally engaging in activities regulated by sections 144A.43 to

65.1 144A.482. The commissioner may bring an action under this subdivision in the district
 65.2 court in Ramsey County or in the district in which a home care provider is providing
 65.3 services. The court may grant a temporary restraining order in the proceeding if continued
 65.4 activity by the person who is involved in the management, operation, or control of a home
 65.5 care provider, or by an employee of the home care provider, would create an imminent
 65.6 risk of harm to a recipient of home care services.

65.7 Subd. 10. **Subpoena.** In matters pending before the commissioner under sections
 65.8 144A.43 to 144A.482, the commissioner may issue subpoenas and compel the attendance
 65.9 of witnesses and the production of all necessary papers, books, records, documents, and
 65.10 other evidentiary material. If a person fails or refuses to comply with a subpoena or
 65.11 order of the commissioner to appear or testify regarding any matter about which the
 65.12 person may be lawfully questioned or to produce any papers, books, records, documents,
 65.13 or evidentiary materials in the matter to be heard, the commissioner may apply to the
 65.14 district court in any district, and the court shall order the person to comply with the
 65.15 commissioner's order or subpoena. The commissioner of health may administer oaths to
 65.16 witnesses or take their affirmation. Depositions may be taken in or outside the state in the
 65.17 manner provided by law for the taking of depositions in civil actions. A subpoena or other
 65.18 process or paper may be served on a named person anywhere in the state by an officer
 65.19 authorized to serve subpoenas in civil actions, with the same fees and mileage and in the
 65.20 same manner as prescribed by law for a process issued out of a district court. A person
 65.21 subpoenaed under this subdivision shall receive the same fees, mileage, and other costs
 65.22 that are paid in proceedings in district court.

65.23 Sec. 10. **[144A.476] BACKGROUND STUDIES.**

65.24 Subdivision 1. **Prior criminal convictions; owner and managerial officials.** (a)
 65.25 Before the commissioner issues a temporary license or renews a license, an owner or
 65.26 managerial official is required to complete a background study under section 144.057. No
 65.27 person may be involved in the management, operation, or control of a home care provider
 65.28 if the person has been disqualified under chapter 245C. If an individual is disqualified
 65.29 under section 144.056 or chapter 245C, the individual may request reconsideration of
 65.30 the disqualification. If the individual requests reconsideration and the commissioner
 65.31 sets aside or rescinds the disqualification, the individual is eligible to be involved in the
 65.32 management, operation, or control of the provider. If an individual has a disqualification
 65.33 under section 245C.15, subdivision 1, and the disqualification is affirmed, the individual's
 65.34 disqualification is barred from a set aside, and the individual must not be involved in the
 65.35 management, operation, or control of the provider.

66.1 (b) For purposes of this section, owners of a home care provider subject to the
 66.2 background check requirement are those individuals whose ownership interest provides
 66.3 sufficient authority or control to affect or change decisions related to the operation of the
 66.4 home care provider. An owner includes a sole proprietor, a general partner, or any other
 66.5 individual whose individual ownership interest can affect the management and direction
 66.6 of the policies of the home care provider.

66.7 (c) For the purposes of this section, managerial officials subject to the background
 66.8 check requirement are individuals who provide direct contact as defined in section 245C.02,
 66.9 subdivision 11, or individuals who have the responsibility for the ongoing management or
 66.10 direction of the policies, services, or employees of the home care provider. Data collected
 66.11 under this subdivision shall be classified as private data under section 13.02, subdivision 12.

66.12 (d) The department shall not issue any license if the applicant or owner or managerial
 66.13 official has been unsuccessful in having a background study disqualification set aside
 66.14 under section 144.057 and chapter 245C; if the owner or managerial official, as an owner
 66.15 or managerial official of another home care provider, was substantially responsible for
 66.16 the other home care provider's failure to substantially comply with sections 144A.43 to
 66.17 144A.482; or if an owner that has ceased doing business, either individually or as an
 66.18 owner of a home care provider, was issued a correction order for failing to assist clients in
 66.19 violation of this chapter.

66.20 Subd. 2. **Employees, contractors, and volunteers.** (a) Employees, contractors,
 66.21 and volunteers of a home care provider are subject to the background study required by
 66.22 section 144.057, and may be disqualified under chapter 245C. Nothing in this section shall
 66.23 be construed to prohibit a home care provider from requiring self-disclosure of criminal
 66.24 conviction information.

66.25 (b) Termination of an employee in good faith reliance on information or records
 66.26 obtained under paragraph (a) or subdivision 1, regarding a confirmed conviction does not
 66.27 subject the home care provider to civil liability or liability for unemployment benefits.

66.28 Sec. 11. **[144A.477] COMPLIANCE.**

66.29 Subdivision 1. **Medicare-certified providers; coordination of surveys.** If feasible,
 66.30 the commissioner shall survey licensees to determine compliance with this chapter at the
 66.31 same time as surveys for certification for Medicare if Medicare certification is based on
 66.32 compliance with the federal conditions of participation and on survey and enforcement
 66.33 by the Department of Health as agent for the United States Department of Health and
 66.34 Human Services.

67.1 Subd. 2. Medicare-certified providers; equivalent requirements. For home care
 67.2 providers licensed to provide comprehensive home care services that are also certified for
 67.3 participation in Medicare as a home health agency under Code of Federal Regulations,
 67.4 title 42, part 484, the following state licensure regulations are considered equivalent to
 67.5 the federal requirements:

- 67.6 (1) quality management, section 144A.479, subdivision 3;
 67.7 (2) personnel records, section 144A.479, subdivision 7;
 67.8 (3) acceptance of clients, section 144A.4791, subdivision 4;
 67.9 (4) referrals, section 144A.4791, subdivision 5;
 67.10 (5) client assessment, sections 144A.4791, subdivision 8, and 144A.4792,
 67.11 subdivisions 2 and 3;
 67.12 (6) individualized monitoring and reassessment, sections 144A.4791, subdivision
 67.13 8, and 144A.4792, subdivisions 2 and 3;
 67.14 (7) individualized service plan, sections 144A.4791, subdivision 9, 144A.4792,
 67.15 subdivision 5, and 144A.4793, subdivision 3;
 67.16 (8) client complaint and investigation process, section 144A.4791, subdivision 11;
 67.17 (9) prescription orders, section 144A.4792, subdivisions 13 to 16;
 67.18 (10) client records, section 144A.4794, subdivisions 1 to 3;
 67.19 (11) qualifications for unlicensed personnel performing delegated tasks, section
 67.20 144A.4795;
 67.21 (12) training and competency staff, section 144A.4795;
 67.22 (13) training and competency for unlicensed personnel, section 144A.4795,
 67.23 subdivision 7;
 67.24 (14) delegation of home care services, section 144A.4795, subdivision 4;
 67.25 (15) availability of contact person, section 144A.4797, subdivision 1; and
 67.26 (16) supervision of staff, section 144A.4797, subdivisions 2 and 3.

67.27 Violations of requirements in clauses (1) to (16) may lead to enforcement actions
 67.28 under section 144A.474.

67.29 **Sec. 12. [144A.478] INNOVATION VARIANCE.**

67.30 Subdivision 1. Definition. For purposes of this section, "innovation variance"
 67.31 means a specified alternative to a requirement of this chapter. An innovation variance
 67.32 may be granted to allow a home care provider to offer home care services of a type or
 67.33 in a manner that is innovative, will not impair the services provided, will not adversely
 67.34 affect the health, safety, or welfare of the clients, and is likely to improve the services

68.1 provided. The innovative variance cannot change any of the client's rights under section
 68.2 144A.44, home care bill of rights.

68.3 Subd. 2. **Conditions.** The commissioner may impose conditions on the granting of
 68.4 an innovation variance that the commissioner considers necessary.

68.5 Subd. 3. **Duration and renewal.** The commissioner may limit the duration of any
 68.6 innovation variance and may renew a limited innovation variance.

68.7 Subd. 4. **Applications; innovation variance.** An application for innovation
 68.8 variance from the requirements of this chapter may be made at any time, must be made in
 68.9 writing to the commissioner, and must specify the following:

68.10 (1) the statute or law from which the innovation variance is requested;

68.11 (2) the time period for which the innovation variance is requested;

68.12 (3) the specific alternative action that the licensee proposes;

68.13 (4) the reasons for the request; and

68.14 (5) justification that an innovation variance will not impair the services provided,
 68.15 will not adversely affect the health, safety, or welfare of clients, and is likely to improve
 68.16 the services provided.

68.17 The commissioner may require additional information from the home care provider before
 68.18 acting on the request.

68.19 Subd. 5. **Grants and denials.** The commissioner shall grant or deny each request
 68.20 for an innovation variance in writing within 45 days of receipt of a complete request.
 68.21 Notice of a denial shall contain the reasons for the denial. The terms of a requested
 68.22 innovation variance may be modified upon agreement between the commissioner and
 68.23 the home care provider.

68.24 Subd. 6. **Violation of innovation variances.** A failure to comply with the terms of
 68.25 an innovation variance shall be deemed to be a violation of this chapter.

68.26 Subd. 7. **Revocation or denial of renewal.** The commissioner shall revoke or
 68.27 deny renewal of an innovation variance if:

68.28 (1) it is determined that the innovation variance is adversely affecting the health,
 68.29 safety, or welfare of the licensee's clients;

68.30 (2) the home care provider has failed to comply with the terms of the innovation
 68.31 variance;

68.32 (3) the home care provider notifies the commissioner in writing that it wishes to
 68.33 relinquish the innovation variance and be subject to the statute previously varied; or

68.34 (4) the revocation or denial is required by a change in law.

69.1 Sec. 13. **[144A.479] HOME CARE PROVIDER RESPONSIBILITIES;**
 69.2 **BUSINESS OPERATION.**

69.3 Subdivision 1. **Display of license.** The original current license must be displayed
 69.4 in the home care providers' principal business office and copies must be displayed in
 69.5 any branch office. The home care provider must provide a copy of the license to any
 69.6 person who requests it.

69.7 Subd. 2. **Advertising.** Home care providers shall not use false, fraudulent,
 69.8 or misleading advertising in the marketing of services. For purposes of this section,
 69.9 advertising includes any verbal, written, or electronic means of communicating to
 69.10 potential clients about the availability, nature, or terms of home care services.

69.11 Subd. 3. **Quality management.** The home care provider shall engage in quality
 69.12 management appropriate to the size of the home care provider and relevant to the type
 69.13 of services the home care provider provides. The quality management activity means
 69.14 evaluating the quality of care by periodically reviewing client services, complaints made,
 69.15 and other issues that have occurred and determining whether changes in services, staffing,
 69.16 or other procedures need to be made in order to ensure safe and competent services to
 69.17 clients. Documentation about quality management activity must be available for two
 69.18 years. Information about quality management must be available to the commissioner at
 69.19 the time of the survey, investigation, or renewal.

69.20 Subd. 4. **Provider restrictions.** (a) This subdivision does not apply to licensees
 69.21 that are Minnesota counties or other units of government.

69.22 (b) A home care provider or staff cannot accept powers-of-attorney from clients for
 69.23 any purpose, and may not accept appointments as guardians or conservators of clients.

69.24 (c) A home care provider cannot serve as a client's representative.

69.25 Subd. 5. **Handling of client's finances and property.** (a) A home care provider
 69.26 may assist clients with household budgeting, including paying bills and purchasing
 69.27 household goods, but may not otherwise manage a client's property. A home care provider
 69.28 must provide a client with receipts for all transactions and purchases paid with the clients'
 69.29 funds. When receipts are not available, the transaction or purchase must be documented.
 69.30 A home care provider must maintain records of all such transactions.

69.31 (b) A home care provider or staff may not borrow a client's funds or personal or
 69.32 real property, nor in any way convert a client's property to the home care provider's or
 69.33 staff's possession.

69.34 (c) Nothing in this section precludes a home care provider or staff from accepting
 69.35 gifts of minimal value, or precludes the acceptance of donations or bequests made to a

70.1 home care provider that are exempt from income tax under section 501(c) of the Internal
70.2 Revenue Code of 1986.

70.3 Subd. 6. **Reporting maltreatment of vulnerable adults and minors.** (a) All
70.4 home care providers must comply with requirements for the reporting of maltreatment
70.5 of minors in section 626.556 and the requirements for the reporting of maltreatment
70.6 of vulnerable adults in section 626.557. Home care providers must report suspected
70.7 maltreatment of minors and vulnerable adults to the common entry point. Each home
70.8 care provider must establish and implement a written procedure to ensure that all cases
70.9 of suspected maltreatment are reported.

70.10 (b) Each home care provider must develop and implement an individual abuse
70.11 prevention plan for each vulnerable minor or adult for whom home care services are
70.12 provided by a home care provider. The plan shall contain an individualized review or
70.13 assessment of the person's susceptibility to abuse by another individual, including other
70.14 vulnerable adults or minors; the person's risk of abusing other vulnerable adults or minors;
70.15 and statements of the specific measures to be taken to minimize the risk of abuse to that
70.16 person and other vulnerable adults or minors. For purposes of the abuse prevention plan,
70.17 the term abuse includes self-abuse.

70.18 Subd. 7. **Employee records.** The home care provider must maintain current records
70.19 of each paid employee, regularly scheduled volunteers providing home care services, and
70.20 of each individual contractor providing home care services. The records must include
70.21 the following information:

70.22 (1) evidence of current professional licensure, registration, or certification, if
70.23 licensure, registration, or certification is required by this statute, or other rules;

70.24 (2) records of orientation, required annual training and infection control training,
70.25 and competency evaluations;

70.26 (3) current job description, including qualifications, responsibilities, and
70.27 identification of staff providing supervision;

70.28 (4) documentation of annual performance reviews which identify areas of
70.29 improvement needed and training needs;

70.30 (5) for individuals providing home care services, verification that required health
70.31 screenings under section 144A.4798 have taken place and the dates of those screenings; and

70.32 (6) documentation of the background study as required under section 144.057.

70.33 Each employee record must be retained for at least three years after a paid employee,
70.34 home care volunteer, or contractor ceases to be employed by or under contract with the
70.35 home care provider. If a home care provider ceases operation, employee records must be
70.36 maintained for three years.

71.1 Sec. 14. [144A.4791] HOME CARE PROVIDER RESPONSIBILITIES WITH
71.2 RESPECT TO CLIENTS.

71.3 Subdivision 1. Home care bill of rights; notification to client. (a) The home
71.4 care provider shall provide the client or the client's representative a written notice of the
71.5 rights under section 144A.44 in a language that the client or the client's representative
71.6 can understand before the initiation of services to that client. If a written version is not
71.7 available, the home care bill of rights must be communicated to the client or client's
71.8 representative in a language they can understand.

71.9 (b) In addition to the text of the home care bill of rights in section 144A.44,
71.10 subdivision 1, the notice shall also contain the following statement describing how to file
71.11 a complaint with these offices.

71.12 "If you have a complaint about the provider or the person providing your
71.13 home care services, you may call, write, or visit the Office of Health Facility
71.14 Complaints, Minnesota Department of Health. You may also contact the Office of
71.15 Ombudsman for Long-Term Care or the Office of Ombudsman for Mental Health
71.16 and Developmental Disabilities."

71.17 The statement should include the telephone number, Web site address, e-mail
71.18 address, mailing address, and street address of the Office of Health Facility Complaints at
71.19 the Minnesota Department of Health, the Office of the Ombudsman for Long-Term Care,
71.20 and the Office of the Ombudsman for Mental Health and Developmental Disabilities. The
71.21 statement should also include the home care provider's name, address, e-mail, telephone
71.22 number, and name or title of the person at the provider to whom problems or complaints
71.23 may be directed. It must also include a statement that the home care provider will not
71.24 retaliate because of a complaint.

71.25 (c) The home care provider shall obtain written acknowledgment of the client's
71.26 receipt of the home care bill of rights or shall document why an acknowledgment cannot
71.27 be obtained. The acknowledgment may be obtained from the client or the client's
71.28 representative. Acknowledgment of receipt shall be retained in the client's record.

71.29 Subd. 2. Notice of services for dementia, Alzheimer's disease, or related
71.30 disorders. The home care provider that provides services to clients with dementia shall
71.31 provide in written or electronic form, to clients and families or other persons who request
71.32 it, a description of the training program and related training it provides, including the
71.33 categories of employees trained, the frequency of training, and the basic topics covered.
71.34 This information satisfies the disclosure requirements in section 325F.72, subdivision
71.35 2, clause (4).

72.1 Subd. 3. **Statement of home care services.** Prior to the initiation of services,
72.2 a home care provider must provide to the client or the client's representative a written
72.3 statement which identifies if they have a basic or comprehensive home care license, the
72.4 services they are authorized to provide, and which services they cannot provide under the
72.5 scope of their license. The home care provider shall obtain written acknowledgment
72.6 from the clients that they have provided the statement or must document why they could
72.7 not obtain the acknowledgment.

72.8 Subd. 4. **Acceptance of clients.** No home care provider may accept a person as a
72.9 client unless the home care provider has staff, sufficient in qualifications, competency,
72.10 and numbers, to adequately provide the services agreed to in the service plan and that
72.11 are within the provider's scope of practice.

72.12 Subd. 5. **Referrals.** If a home care provider reasonably believes that a client is in
72.13 need of another medical or health service, including a licensed health professional, or
72.14 social service provider, the home care provider shall:

72.15 (1) determine the client's preferences with respect to obtaining the service; and

72.16 (2) inform the client of resources available, if known, to assist the client in obtaining
72.17 services.

72.18 Subd. 6. **Initiation of services.** When a provider initiates services and the

106.14 Sec. 12. **[149A.54] LICENSE TO OPERATE AN ALKALINE HYDROLYSIS**
 106.15 **FACILITY.**

106.16 Subdivision 1. **License requirement.** Except as provided in section 149A.01,
 106.17 subdivision 3, a place or premise shall not be maintained, managed, or operated which
 106.18 is devoted to or used in the holding and alkaline hydrolysis of a dead human body
 106.19 without possessing a valid license to operate an alkaline hydrolysis facility issued by the
 106.20 commissioner of health.

106.21 Subd. 2. **Requirements for an alkaline hydrolysis facility.** (a) An alkaline
 106.22 hydrolysis facility licensed under this section must consist of:

106.23 (1) a building or structure that complies with applicable local and state building
 106.24 codes, zoning laws and ordinances, wastewater management and environmental standards,
 106.25 containing one or more alkaline hydrolysis vessels for the alkaline hydrolysis of dead
 106.26 human bodies;

106.27 (2) a method approved by the commissioner of health to dry the hydrolyzed remains
 106.28 and which is located within the licensed facility;

106.29 (3) a means approved by the commissioner of health for refrigeration of dead human
 106.30 bodies awaiting alkaline hydrolysis;

106.31 (4) an appropriate means of processing hydrolyzed remains to a granulated
 106.32 appearance appropriate for final disposition; and

106.33 (5) an appropriate holding facility for dead human bodies awaiting alkaline
 106.34 hydrolysis.

107.1 (b) An alkaline hydrolysis facility licensed under this section may also contain a
107.2 display room for funeral goods.

107.3 Subd. 3. **Application procedure; documentation; initial inspection.** An
107.4 application to license and operate an alkaline hydrolysis facility shall be submitted to the
107.5 commissioner of health. A completed application includes:

107.6 (1) a completed application form, as provided by the commissioner;

107.7 (2) proof of business form and ownership;

107.8 (3) proof of liability insurance coverage or other financial documentation, as
107.9 determined by the commissioner, that demonstrates the applicant's ability to respond in
107.10 damages for liability arising from the ownership, maintenance management, or operation
107.11 of an alkaline hydrolysis facility; and

107.12 (4) copies of wastewater and other environmental regulatory permits and
107.13 environmental regulatory licenses necessary to conduct operations.

107.14 Upon receipt of the application and appropriate fee, the commissioner shall review and
107.15 verify all information. Upon completion of the verification process and resolution of any
107.16 deficiencies in the application information, the commissioner shall conduct an initial
107.17 inspection of the premises to be licensed. After the inspection and resolution of any
107.18 deficiencies found and any reinspections as may be necessary, the commissioner shall
107.19 make a determination, based on all the information available, to grant or deny licensure. If
107.20 the commissioner's determination is to grant the license, the applicant shall be notified and
107.21 the license shall issue and remain valid for a period prescribed on the license, but not to
107.22 exceed one calendar year from the date of issuance of the license. If the commissioner's
107.23 determination is to deny the license, the commissioner must notify the applicant in writing
107.24 of the denial and provide the specific reason for denial.

107.25 Subd. 4. **Nontransferability of license.** A license to operate an alkaline hydrolysis
107.26 facility is not assignable or transferable and shall not be valid for any entity other than the
107.27 one named. Each license issued to operate an alkaline hydrolysis facility is valid only for the
107.28 location identified on the license. A 50 percent or more change in ownership or location of
107.29 the alkaline hydrolysis facility automatically terminates the license. Separate licenses shall
107.30 be required of two or more persons or other legal entities operating from the same location.

107.31 Subd. 5. **Display of license.** Each license to operate an alkaline hydrolysis
107.32 facility must be conspicuously displayed in the alkaline hydrolysis facility at all times.
107.33 Conspicuous display means in a location where a member of the general public within the
107.34 alkaline hydrolysis facility will be able to observe and read the license.

108.1 Subd. 6. **Period of licensure.** All licenses to operate an alkaline hydrolysis facility
108.2 issued by the commissioner are valid for a period of one calendar year beginning on July 1
108.3 and ending on June 30, regardless of the date of issuance.

108.4 Subd. 7. **Reporting changes in license information.** Any change of license
108.5 information must be reported to the commissioner, on forms provided by the
108.6 commissioner, no later than 30 calendar days after the change occurs. Failure to report
108.7 changes is grounds for disciplinary action.

108.8 Subd. 8. **Notification to the commissioner.** If the licensee is operating under a
108.9 wastewater or an environmental permit or license that is subsequently revoked, denied,
108.10 or terminated, the licensee shall notify the commissioner.

108.11 Subd. 9. **Application information.** All information submitted to the commissioner
108.12 for a license to operate an alkaline hydrolysis facility is classified as licensing data under
108.13 section 13.41, subdivision 5.

108.14 Sec. 13. **[149A.55] RENEWAL OF LICENSE TO OPERATE AN ALKALINE**
108.15 **HYDROLYSIS FACILITY.**

108.16 Subdivision 1. **Renewal required.** All licenses to operate an alkaline hydrolysis
108.17 facility issued by the commissioner expire on June 30 following the date of issuance of the
108.18 license and must be renewed to remain valid.

108.19 Subd. 2. **Renewal procedure and documentation.** Licensees who wish to renew
108.20 their licenses must submit to the commissioner a completed renewal application no later
108.21 than June 30 following the date the license was issued. A completed renewal application
108.22 includes:

- 108.23 (1) a completed renewal application form, as provided by the commissioner; and
108.24 (2) proof of liability insurance coverage or other financial documentation, as
108.25 determined by the commissioner, that demonstrates the applicant's ability to respond in
108.26 damages for liability arising from the ownership, maintenance, management, or operation
108.27 of an alkaline hydrolysis facility.

108.28 Upon receipt of the completed renewal application, the commissioner shall review and
108.29 verify the information. Upon completion of the verification process and resolution of
108.30 any deficiencies in the renewal application information, the commissioner shall make a
108.31 determination, based on all the information available, to reissue or refuse to reissue the
108.32 license. If the commissioner's determination is to reissue the license, the applicant shall
108.33 be notified and the license shall issue and remain valid for a period prescribed on the
108.34 license, but not to exceed one calendar year from the date of issuance of the license. If

109.1 the commissioner's determination is to refuse to reissue the license, section 149A.09,
 109.2 subdivision 2, applies.

109.3 Subd. 3. **Penalty for late filing.** Renewal applications received after the expiration
 109.4 date of a license will result in the assessment of a late filing penalty. The late filing penalty
 109.5 must be paid before the reissuance of the license and received by the commissioner no
 109.6 later than 31 calendar days after the expiration date of the license.

109.7 Subd. 4. **Lapse of license.** Licenses to operate alkaline hydrolysis facilities
 109.8 shall automatically lapse when a completed renewal application is not received by the
 109.9 commissioner within 31 calendar days after the expiration date of a license, or a late
 109.10 filing penalty assessed under subdivision 3 is not received by the commissioner within 31
 109.11 calendar days after the expiration of a license.

109.12 Subd. 5. **Effect of lapse of license.** Upon the lapse of a license, the person to whom
 109.13 the license was issued is no longer licensed to operate an alkaline hydrolysis facility in
 109.14 Minnesota. The commissioner shall issue a cease and desist order to prevent the lapsed
 109.15 license holder from operating an alkaline hydrolysis facility in Minnesota and may pursue
 109.16 any additional lawful remedies as justified by the case.

109.17 Subd. 6. **Restoration of lapsed license.** The commissioner may restore a lapsed
 109.18 license upon receipt and review of a completed renewal application, receipt of the late
 109.19 filing penalty, and reinspection of the premises, provided that the receipt is made within
 109.20 one calendar year from the expiration date of the lapsed license and the cease and desist
 109.21 order issued by the commissioner has not been violated. If a lapsed license is not restored
 109.22 within one calendar year from the expiration date of the lapsed license, the holder of the
 109.23 lapsed license cannot be relicensed until the requirements in section 149A.54 are met.

109.24 Subd. 7. **Reporting changes in license information.** Any change of license
 109.25 information must be reported to the commissioner, on forms provided by the
 109.26 commissioner, no later than 30 calendar days after the change occurs. Failure to report
 109.27 changes is grounds for disciplinary action.

109.28 Subd. 8. **Application information.** All information submitted to the commissioner
 109.29 by an applicant for renewal of licensure to operate an alkaline hydrolysis facility is

110.2 facility must comply with all applicable local and state building codes, zoning laws and
110.3 ordinances, wastewater management regulations, and environmental statutes, rules, and
110.4 standards. An alkaline hydrolysis facility must have, on site, a purpose built human
110.5 alkaline hydrolysis system approved by the commissioner of health, a system approved by
110.6 the commissioner of health for drying the hydrolyzed remains, a motorized mechanical
110.7 device approved by the commissioner of health for processing hydrolyzed remains and
110.8 must have in the building a holding facility approved by the commissioner of health for
110.9 the retention of dead human bodies awaiting alkaline hydrolysis. The holding facility
110.10 must be secure from access by anyone except the authorized personnel of the alkaline
110.11 hydrolysis facility, preserve the dignity of the remains, and protect the health and safety of
110.12 the alkaline hydrolysis facility personnel.

110.13 Subd. 3. **Lighting and ventilation.** The room where the alkaline hydrolysis vessel
110.14 is located and the room where the chemical storage takes place shall be properly lit and
110.15 ventilated with an exhaust fan that provides at least 12 air changes per hour.

110.16 Subd. 4. **Plumbing connections.** All plumbing fixtures, water supply lines,

110.21 alkaline hydrolysis vessel is located and the room where the chemical storage takes place
110.22 shall have nonporous flooring, so that a sanitary condition is provided. The walls and
110.23 ceiling of the room where the alkaline hydrolysis vessel is located and the room where
110.24 the chemical storage takes place shall run from floor to ceiling and be covered with tile,
110.25 or by plaster or sheetrock painted with washable paint or other appropriate material so
110.26 that a sanitary condition is provided. The doors, walls, ceiling, and windows shall be
110.27 constructed to prevent odors from entering any other part of the building. All windows
110.28 or other openings to the outside must be screened and all windows must be treated in a
110.29 manner that prevents viewing into the room where the alkaline hydrolysis vessel is located
110.30 and the room where the chemical storage takes place. A viewing window for authorized
110.31 family members or their designees is not a violation of this subdivision.

110.32 Subd. 6. **Equipment and supplies.** The alkaline hydrolysis facility must have a
110.33 functional emergency eye wash and quick drench shower.

110.34 Subd. 7. **Access and privacy.** (a) The room where the alkaline hydrolysis vessel is
110.35 located and the room where the chemical storage takes place must be private and have no

111.1 general passageway through it. The room shall, at all times, be secure from the entrance of
111.2 unauthorized persons. Authorized persons are:

111.3 (1) licensed morticians;

111.4 (2) registered interns or students as described in section 149A.91, subdivision 6;

111.5 (3) public officials or representatives in the discharge of their official duties;

111.6 (4) trained alkaline hydrolysis facility operators; and

111.7 (5) the person(s) with the right to control the dead human body as defined in section
111.8 149A.80, subdivision 2, and their designees.

111.9 (b) Each door allowing ingress or egress shall carry a sign that indicates that the
111.10 room is private and access is limited. All authorized persons who are present in or enter
111.11 the room where the alkaline hydrolysis vessel is located while a body is being prepared for
111.12 final disposition must be attired according to all applicable state and federal regulations
111.13 regarding the control of infectious disease and occupational and workplace health and
111.14 safety.

111.15 Subd. 8. **Sanitary conditions and permitted use.** The room where the alkaline
111.16 hydrolysis vessel is located and the room where the chemical storage takes place and all
111.17 fixtures, equipment, instruments, receptacles, clothing, and other appliances or supplies
111.18 stored or used in the room must be maintained in a clean and sanitary condition at all times.

111.19 Subd. 9. **Boiler use.** When a boiler is required by the manufacturer of the alkaline
111.20 hydrolysis vessel for its operation, all state and local regulations for that boiler must be
111.21 followed.

111.22 Subd. 10. **Occupational and workplace safety.** All applicable provisions of state
111.23 and federal regulations regarding exposure to workplace hazards and accidents shall be
111.24 followed in order to protect the health and safety of all authorized persons at the alkaline
111.25 hydrolysis facility.

111.26 Subd. 11. **Licensed personnel.** A licensed alkaline hydrolysis facility must employ
111.27 a licensed mortician to carry out the process of alkaline hydrolysis of a dead human body.
111.28 It is the duty of the licensed alkaline hydrolysis facility to provide proper procedures for
111.29 all personnel, and the licensed alkaline hydrolysis facility shall be strictly accountable for
111.30 compliance with this chapter and other applicable state and federal regulations regarding
111.31 occupational and workplace health and safety.

111.32 Subd. 12. **Authorization to hydrolyze required.** No alkaline hydrolysis facility
111.33 shall hydrolyze or cause to be hydrolyzed any dead human body or identifiable body part
111.34 without receiving written authorization to do so from the person or persons who have the
111.35 legal right to control disposition as described in section 149A.80 or the person's legal
111.36 designee. The written authorization must include:

 112.9 authorization to place any hydrolyzed remains that a selected urn or container will not
 112.10 accommodate into a temporary container;
 112.11 (6) acknowledgment that, even with the exercise of reasonable care, it is not possible
 112.12 to recover all particles of the hydrolyzed remains and that some particles may inadvertently
 112.13 become commingled with particles of other hydrolyzed remains that remain in the alkaline
 112.14 hydrolysis vessel or other mechanical devices used to process the hydrolyzed remains;
 112.15 (7) directions for the ultimate disposition of the hydrolyzed remains; and
 112.16 (8) a statement that includes, but is not limited to, the following information:
 112.17 "During the alkaline hydrolysis process, chemical dissolution using heat, water, and an
 112.18 alkaline solution is used to chemically break down the human tissue and the hydrolyzable
 112.19 alkaline hydrolysis container. After the process is complete, the liquid effluent solution
 112.20 contains the chemical by-products of the alkaline hydrolysis process except for the
 112.21 deceased's bone fragments. The solution is cooled and released according to local
 112.22 environmental regulations. A water rinse is applied to the hydrolyzed remains which are
 112.23 then dried and processed to facilitate inurnment or scattering."
 112.24 Subd. 13. **Limitation of liability.** A licensed alkaline hydrolysis facility acting in
 112.25 good faith, with reasonable reliance upon an authorization to hydrolyze, pursuant to an
 112.26 authorization to hydrolyze and in an otherwise lawful manner, shall be held harmless from
 112.27 civil liability and criminal prosecution for any actions taken by the alkaline hydrolysis
 112.28 facility.
 112.29 Subd. 14. **Acceptance of delivery of body.** (a) No dead human body shall be
 112.30 accepted for final disposition by alkaline hydrolysis unless:
 112.31 (1) encased in an appropriate alkaline hydrolysis container;
 112.32 (2) accompanied by a disposition permit issued pursuant to section 149A.93,
 112.33 subdivision 3, including a photocopy of the completed death record or a signed release
 112.34 authorizing alkaline hydrolysis of the body received from the coroner or medical
 112.35 examiner; and

113.1 (3) accompanied by an alkaline hydrolysis authorization that complies with
113.2 subdivision 12.

113.3 (b) An alkaline hydrolysis facility shall refuse to accept delivery of an alkaline
113.4 hydrolysis container where there is:

113.5 (1) evidence of leakage of fluids from the alkaline hydrolysis container;

113.6 (2) a known dispute concerning hydrolysis of the body delivered;

113.7 (3) a reasonable basis for questioning any of the representations made on the written
113.8 authorization to hydrolyze; or

113.9 (4) any other lawful reason.

113.10 Subd. 15. **Bodies awaiting hydrolysis.** A dead human body must be hydrolyzed
113.11 within 24 hours of the alkaline hydrolysis facility accepting legal and physical custody of
113.12 the body.

113.13 Subd. 16. **Handling of alkaline hydrolysis containers for dead human bodies.**

113.14 All alkaline hydrolysis facility employees handling alkaline hydrolysis containers for
113.15 dead human bodies shall use universal precautions and otherwise exercise all reasonable
113.16 precautions to minimize the risk of transmitting any communicable disease from the body.
113.17 No dead human body shall be removed from the container in which it is delivered.

113.18 Subd. 17. **Identification of body.** All licensed alkaline hydrolysis facilities shall
113.19 develop, implement, and maintain an identification procedure whereby dead human
113.20 bodies can be identified from the time the alkaline hydrolysis facility accepts delivery
113.21 of the remains until the hydrolyzed remains are released to an authorized party. After
113.22 hydrolyzation, an identifying disk, tab, or other permanent label shall be placed within the
113.23 hydrolyzed remains container before the hydrolyzed remains are released from the alkaline
113.24 hydrolysis facility. Each identification disk, tab, or label shall have a number that shall
113.25 be recorded on all paperwork regarding the decedent. This procedure shall be designed
113.26 to reasonably ensure that the proper body is hydrolyzed and that the hydrolyzed remains
113.27 are returned to the appropriate party. Loss of all or part of the hydrolyzed remains or the
113.28 inability to individually identify the hydrolyzed remains is a violation of this subdivision.

113.29 Subd. 18. **Alkaline hydrolysis vessel for human remains.** A licensed alkaline
113.30 hydrolysis facility shall knowingly hydrolyze only dead human bodies or human remains
113.31 in an alkaline hydrolysis vessel, along with the alkaline hydrolysis container used for
113.32 infectious disease control.

113.33 Subd. 19. **Alkaline hydrolysis procedures; privacy.** The final disposition of
113.34 dead human bodies by alkaline hydrolysis shall be done in privacy. Unless there is
113.35 written authorization from the person with the legal right to control the disposition,
113.36 only authorized alkaline hydrolysis facility personnel shall be permitted in the alkaline

114.1 hydrolysis area while any dead human body is in the alkaline hydrolysis area awaiting
114.2 alkaline hydrolysis, in the alkaline hydrolysis vessel, being removed from the alkaline
114.3 hydrolysis vessel, or being processed and placed in a hydrolyzed remains container.

114.4 **Subd. 20. Alkaline hydrolysis procedures; commingling of hydrolyzed remains**
114.5 **prohibited.** Except with the express written permission of the person with the legal right
114.6 to control the disposition, no alkaline hydrolysis facility shall hydrolyze more than one
114.7 dead human body at the same time and in the same alkaline hydrolysis vessel, or introduce
114.8 a second dead human body into an alkaline hydrolysis vessel until reasonable efforts have
114.9 been employed to remove all fragments of the preceding hydrolyzed remains, or hydrolyze
114.10 a dead human body and other human remains at the same time and in the same alkaline
114.11 hydrolysis vessel. This section does not apply where commingling of human remains
114.12 during alkaline hydrolysis is otherwise provided by law. The fact that there is incidental
114.13 and unavoidable residue in the alkaline hydrolysis vessel used in a prior hydrolyzation is
114.14 not a violation of this subdivision.

114.15 **Subd. 21. Alkaline hydrolysis procedures; removal from alkaline hydrolysis**
114.16 **vessel.** Upon completion of the alkaline hydrolysis process, reasonable efforts shall be
114.17 made to remove from the alkaline hydrolysis vessel all of the recoverable hydrolyzed
114.18 remains and nonhydrolyzed materials or items. Further, all reasonable efforts shall be
114.19 made to separate and recover the nonhydrolyzed materials or items from the hydrolyzed
114.20 human remains and dispose of these materials in a lawful manner, by the alkaline
114.21 hydrolysis facility. The hydrolyzed human remains shall be placed in an appropriate
114.22 container to be transported to the processing area.

114.23 **Subd. 22. Drying device or mechanical processor procedures; commingling of**
114.24 **hydrolyzed remains prohibited.** Except with the express written permission of the
114.25 person with the legal right to control the final disposition or otherwise provided by
114.26 law, no alkaline hydrolysis facility shall dry or mechanically process the hydrolyzed
114.27 human remains of more than one body at a time in the same drying device or mechanical
114.28 processor, or introduce the hydrolyzed human remains of a second body into a drying
114.29 device or mechanical processor until processing of any preceding hydrolyzed human
114.30 remains has been terminated and reasonable efforts have been employed to remove all
114.31 fragments of the preceding hydrolyzed remains. The fact that there is incidental and
114.32 unavoidable residue in the drying device, the mechanical processor, or any container used
114.33 in a prior alkaline hydrolysis process, is not a violation of this provision.

114.34 **Subd. 23. Alkaline hydrolysis procedures; processing hydrolyzed remains.** The
114.35 hydrolyzed human remains shall be dried and then reduced by a motorized mechanical
114.36 device to a granulated appearance appropriate for final disposition and placed in an

115.1 alkaline hydrolysis remains container along with the appropriate identifying disk, tab,
115.2 or permanent label. Processing must take place within the licensed alkaline hydrolysis
115.3 facility. Dental gold, silver or amalgam, jewelry, or mementos, to the extent that they
115.4 can be identified, may be removed prior to processing the hydrolyzed remains, only by
115.5 staff licensed or registered by the commissioner of health; however, any dental gold and
115.6 silver, jewelry, or mementos that are removed shall be returned to the hydrolyzed remains
115.7 container unless otherwise directed by the person or persons having the right to control the
115.8 final disposition. Every person who removes or possesses dental gold or silver, jewelry,
115.9 or mementos from any hydrolyzed remains without specific written permission of the
115.10 person or persons having the right to control those remains is guilty of a misdemeanor.
115.11 The fact that residue and any unavoidable dental gold or dental silver, or other precious
115.12 metals remain in the alkaline hydrolysis vessel or other equipment or any container used
115.13 in a prior hydrolysis is not a violation of this section.

115.14 **Subd. 24. Alkaline hydrolysis procedures; container of insufficient capacity.**

115.15 If a hydrolyzed remains container is of insufficient capacity to accommodate all
115.16 hydrolyzed remains of a given dead human body, subject to directives provided in the
115.17 written authorization to hydrolyze, the alkaline hydrolysis facility shall place the excess
115.18 hydrolyzed remains in a secondary alkaline hydrolysis remains container and attach the
115.19 second container, in a manner so as not to be easily detached through incidental contact, to
115.20 the primary alkaline hydrolysis remains container. The secondary container shall contain a
115.21 duplicate of the identification disk, tab, or permanent label that was placed in the primary
115.22 container and all paperwork regarding the given body shall include a notation that the
115.23 hydrolyzed remains were placed in two containers. Keepsake jewelry or similar miniature
115.24 hydrolyzed remains containers are not subject to the requirements of this subdivision.

115.25 **Subd. 25. Disposition procedures; commingling of hydrolyzed remains**

115.26 **prohibited.** No hydrolyzed remains shall be disposed of or scattered in a manner or in
115.27 a location where the hydrolyzed remains are commingled with those of another person
115.28 without the express written permission of the person with the legal right to control
115.29 disposition or as otherwise provided by law. This subdivision does not apply to the
115.30 scattering or burial of hydrolyzed remains at sea or in a body of water from individual
115.31 containers, to the scattering or burial of hydrolyzed remains in a dedicated cemetery, to
115.32 the disposal in a dedicated cemetery of accumulated residue removed from an alkaline
115.33 hydrolysis vessel or other alkaline hydrolysis equipment, to the inurnment of members
115.34 of the same family in a common container designed for the hydrolyzed remains of more
115.35 than one body, or to the inurnment in a container or interment in a space that has been

116.1 previously designated, at the time of sale or purchase, as being intended for the inurnment
116.2 or interment of the hydrolyzed remains of more than one person.

116.3 **Subd. 26. Alkaline hydrolysis procedures; disposition of accumulated residue.**

116.4 Every alkaline hydrolysis facility shall provide for the removal and disposition in a
116.5 dedicated cemetery of any accumulated residue from any alkaline hydrolysis vessel,
116.6 drying device, mechanical processor, container, or other equipment used in alkaline
116.7 hydrolysis. Disposition of accumulated residue shall be according to the regulations of the
116.8 dedicated cemetery and any applicable local ordinances.

116.9 **Subd. 27. Alkaline hydrolysis procedures; release of hydrolyzed remains.**

116.10 Following completion of the hydrolyzation, the inurned hydrolyzed remains shall be
116.11 released according to the instructions given on the written authorization to hydrolyze. If
116.12 the hydrolyzed remains are to be shipped, they must be securely packaged and transported
116.13 by a method which has an internal tracing system available and which provides for a
116.14 receipt signed by the person accepting delivery. Where there is a dispute over release
116.15 or disposition of the hydrolyzed remains, an alkaline hydrolysis facility may deposit
116.16 the hydrolyzed remains with a court of competent jurisdiction pending resolution of the
116.17 dispute or retain the hydrolyzed remains until the person with the legal right to control
116.18 disposition presents satisfactory indication that the dispute is resolved.

116.19 **Subd. 28. Unclaimed hydrolyzed remains.** If, after 30 calendar days following
116.20 the inurnment, the hydrolyzed remains are not claimed or disposed of according to the
116.21 written authorization to hydrolyze, the alkaline hydrolysis facility or funeral establishment
116.22 may give written notice, by certified mail, to the person with the legal right to control
116.23 the final disposition or a legal designee, that the hydrolyzed remains are unclaimed and
116.24 requesting further release directions. Should the hydrolyzed remains be unclaimed 120
116.25 calendar days following the mailing of the written notification, the alkaline hydrolysis
116.26 facility or funeral establishment may dispose of the hydrolyzed remains in any lawful
116.27 manner deemed appropriate.

116.28 **Subd. 29. Required records.** Every alkaline hydrolysis facility shall create and
116.29 maintain on its premises or other business location in Minnesota an accurate record of
116.30 every hydrolyzation provided. The record shall include all of the following information
116.31 for each hydrolyzation:

116.32 (1) the name of the person or funeral establishment delivering the body for alkaline
116.33 hydrolysis;

116.34 (2) the name of the deceased and the identification number assigned to the body;

116.35 (3) the date of acceptance of delivery;

117.1 (4) the names of the alkaline hydrolysis vessel, drying device, and mechanical
 117.2 processor operator;

117.3 (5) the time and date that the body was placed in and removed from the alkaline
 117.4 hydrolysis vessel;

117.5 (6) the time and date that processing and inurnment of the hydrolyzed remains
 117.6 was completed;

117.7 (7) the time, date, and manner of release of the hydrolyzed remains;

117.8 (8) the name and address of the person who signed the authorization to hydrolyze;

117.9 (9) all supporting documentation, including any transit or disposition permits, a
 117.10 photocopy of the death record, and the authorization to hydrolyze; and

117.11 (10) the type of alkaline hydrolysis container.

117.12 Subd. 30. **Retention of records.** Records required under subdivision 29 shall be
 117.13 maintained for a period of three calendar years after the release of the hydrolyzed remains.
 117.14 Following this period and subject to any other laws requiring retention of records, the
 117.15 alkaline hydrolysis facility may then place the records in storage or reduce them to
 117.16 microfilm, microfiche, laser disc, or any other method that can produce an accurate
 117.17 reproduction of the original record, for retention for a period of ten calendar years from
 117.18 the date of release of the hydrolyzed remains. At the end of this period and subject to any
 117.19 other laws requiring retention of records, the alkaline hydrolysis facility may destroy
 117.20 the records by shredding, incineration, or any other manner that protects the privacy of
 117.21 the individuals identified.

117.22 Sec. 15. Minnesota Statutes 2012, section 257.75, subdivision 7, is amended to read:

117.23 **Subd. 7. Hospital and Department of Health; recognition form.** Hospitals that
 117.24 provide obstetric services and the state registrar of vital statistics shall distribute the
 117.25 educational materials and recognition of parentage forms prepared by the commissioner of
 117.26 human services to new parents, shall assist parents in understanding the recognition of
 117.27 parentage form, including following the provisions for notice under subdivision 5, shall
 117.28 provide notary services for parents who complete the recognition of parentage form, and
 117.29 shall timely file the completed recognition of parentage form with the Office of the State
 117.30 ~~Registrar of Vital Statistics Records~~ unless otherwise instructed by the Office of the State
 117.31 ~~Registrar of Vital Statistics Records~~. ~~On and after January 1, 1994, hospitals may not~~
 117.32 ~~distribute the declaration of parentage forms.~~

117.33 Sec. 16. Minnesota Statutes 2012, section 260C.635, subdivision 1, is amended to read:

118.1 Subdivision 1. **Legal effect.** (a) Upon adoption, the adopted child becomes the legal
 118.2 child of the adopting parent and the adopting parent becomes the legal parent of the child
 118.3 with all the rights and duties between them of a birth parent and child.

118.4 (b) The child shall inherit from the adoptive parent and the adoptive parent's
 118.5 relatives the same as though the child were the birth child of the parent, and in case of the
 118.6 child's death intestate, the adoptive parent and the adoptive parent's relatives shall inherit
 118.7 the child's estate as if the child had been the adoptive parent's birth child.

118.8 (c) After a decree of adoption is entered, the birth parents or previous legal parents
 118.9 of the child shall be relieved of all parental responsibilities for the child except child
 118.10 support that has accrued to the date of the order for guardianship to the commissioner
 118.11 which continues to be due and owing. The child's birth or previous legal parent shall not
 118.12 exercise or have any rights over the adopted child or the adopted child's property, person,
 118.13 privacy, or reputation.

118.14 (d) The adopted child shall not owe the birth parents or the birth parent's relatives
 118.15 any legal duty nor shall the adopted child inherit from the birth parents or kindred unless
 118.16 otherwise provided for in a will of the birth parent or kindred.

118.17 (e) Upon adoption, the court shall complete a certificate of adoption form and mail
 118.18 the form to the Office of ~~the State Registrar~~ Vital Records at the Minnesota Department
 118.19 of Health. Upon receiving the certificate of adoption, the state registrar shall register a
 118.20 replacement vital record in the new name of the adopted child as required under section
 118.21 144.218.

118.22 Sec. 17. Minnesota Statutes 2012, section 517.001, is amended to read:

118.23 **517.001 DEFINITION.**

118.24 As used in this chapter, "local registrar" ~~has the meaning given in section 144.212,~~
 118.25 ~~subdivision 10~~ means an individual designated by the county board of commissioners to
 118.26 register marriages.

118.27 Sec. 18. **STATE-BASED RISK ADJUSTMENT SYSTEM ASSESSMENT.**

118.28 (a) The commissioners of health, human services, and commerce, and the board of
 118.29 MNsure, shall study whether Minnesota-based risk adjustment of the individual and small
 118.30 group insurance market, using either the federal risk adjustment model or a state-based
 118.31 alternative, can be more cost-effective and perform better than risk adjustment conducted
 118.32 by federal agencies. The study shall assess the policies, infrastructure, and resources
 118.33 necessary to satisfy the requirements of Code of Federal Regulations, title 45, section
 118.34 153, subpart D. The study shall also evaluate the extent to which Minnesota-based risk

119.1 adjustment could meet requirements established in Code of Federal Regulations, title
 119.2 45, section 153.330, including:

119.3 (1) explaining the variation in health care costs of a given population;

119.4 (2) linking risk factors to daily clinical practices and that which is clinically
 119.5 meaningful to providers;

119.6 (3) encouraging favorable behavior among health care market participants and
 119.7 discouraging unfavorable behavior;

119.8 (4) whether risk adjustment factors are relatively easy for stakeholders to understand
 119.9 and participate in;

119.10 (5) providing stable risk scores over time and across health plan products;

119.11 (6) minimizing administrative costs;

119.12 (7) accounting for risk selection across metal levels;

119.13 (8) aligning each of the elements of the methodology; and

119.14 (9) having a per-member cost equal to or lower than the projected cost of the federal
 119.15 risk adjustment model.

119.16 (b) In conducting the study, and notwithstanding Minnesota Rules, chapter 4653,

119.17 and as part of responsibilities under Minnesota Statutes, section 62U.04, subdivision

119.18 4, paragraph (b), the commissioner of health shall collect from health carriers in the

119.19 individual and small group health insurance market, beginning on January 1, 2014, and for

119.20 service dates in calendar year 2014, all data required for conducting risk adjustment with

119.21 standard risk adjusters such as the Adjusted Clinical Groups or the Hierarchical Condition

119.22 Category System, including but not limited to:

119.23 (1) an indicator identifying the health plan product under which an enrollee is covered;

119.24 (2) an indicator identifying whether an enrollee's policy is an individual or small
 119.25 group market policy;

119.26 (3) an indicator identifying, if applicable, the metal level of an enrollee's health plan
 119.27 product, and whether the policy is a catastrophic policy; and

119.28 (4) additional identified demographic data necessary to link individuals' data across
 119.29 carriers and insurance affordability programs with 95 percent accuracy. The commissioner
 119.30 shall not collect more than the last four digits of an individual's Social Security number.

119.31 (c) The commissioner of health shall also assess the extent to which data collected

119.32 under paragraph (b) and under Minnesota Statutes, section 62U.04, subdivision 4,

119.33 paragraph (a), are sufficient for developing and operating a state alternative risk adjustment

119.34 methodology consistent with applicable federal rules by evaluating:

119.35 (1) if the data submitted are adequately complete, accurate, and timely;

120.1 (2) if the data should be further enriched by nontraditional risk adjusters that help
120.2 in better explaining variation in health care costs of a given population and account for
120.3 risk selection across metal levels;

120.4 (3) whether additional data or identifiers have the potential to strengthen a
120.5 Minnesota-based risk adjustment approach; and

120.6 (4) what, if any, changes to the technical infrastructure will be necessary to
120.7 effectively perform state-based risk adjustment.

120.8 For purposes of this paragraph, the commissioner of health shall have the authority to
120.9 use identified data to validate and audit a statistically valid sample of data for each
120.10 health carrier in the individual and small group market. In conducting the study, the
120.11 commissioners shall contract with entities that do not have an economic interest in the
120.12 outcome of Minnesota-based risk adjustment but do have demonstrated expertise in
120.13 actuarial science or health economics and demonstrated experience with designing and
120.14 implementing risk adjustment models.

120.15 (d) The commissioner of human services shall evaluate opportunities to maximize
120.16 federal funding under section 1331 of the federal Patient Protection and Affordable
120.17 Care Act, Public Law 111-148, and further defined through amendments to the act and
120.18 regulations issued under the act. The commissioner of human services shall make
120.19 recommendations on risk adjustment strategies to maximize federal funding to the state
120.20 of Minnesota.

120.21 (e) The commissioners and board of MNsure shall submit to the legislature by March
120.22 15, 2014, an interim report with preliminary findings from the assessment conducted in
120.23 paragraphs (c) and (d). The interim report shall include legislative recommendations
120.24 for any necessary changes to Minnesota Statutes, section 62Q.03. A final report shall
120.25 be submitted by the commissioners and board of MNsure to the legislature by October
120.26 1, 2015. The final report must include findings from the overall assessment and a
120.27 recommendation whether to conduct state-based risk adjustment.

120.28 (f) For purposes of this section, "board of MNsure" means the board established
120.29 under Minnesota Statutes, section 62V.03.
