Each lead investigative agency shall develop guidelines for 79.27 prioritizing reports for investigation. 79.28

79.29 Sec. 24. Minnesota Statutes 2018, section 626.557, subdivision 9c, is amended to read:

Subd. 9c. Lead investigative agency; notifications, dispositions, determinations. (a)
Upon request of the reporter, the lead investigative agency shall notify the reporter that it
has received the report, and provide information on the initial disposition of the report within

(b) <u>In making the initial disposition, the lead investigative agency may consider previous</u>
 reports of suspected maltreatment and may request and consider public information, records
 <u>maintained by a lead investigative agency or licensed providers, and information from any</u>
 other person who may have knowledge regarding the alleged maltreatment.

- 80.7 (c) Unless the lead investigative agency knows the information would endanger the
 80.8 well-being of the vulnerable adult, during the investigation period the lead investigative
 80.9 agency shall inform the vulnerable adult of the maltreatment allegation, investigation
 80.10 guidelines, time frame, and evidence standards used for determinations. The lead investigative
 80.11 agency must also provide the information to the vulnerable adult's guardian or health care
 80.12 agent if the allegation is applicable to the guardian or health care agent.
- 80.13 (d) During the investigation and in the provision of adult protective services, the lead 80.14 investigative agency may coordinate with entities identified under section 626.557,

subdivision 12b, paragraph (g), and the primary support person to safeguard the welfare

and prevent further maltreatment of the vulnerable adult. The lead investigative agency

80.17 <u>must request and consider the vulnerable adult's choice of a primary support person.</u>

80.18 (e) Upon conclusion of every investigation it conducts, the lead investigative agency 80.19 shall make a final disposition as defined in section 626.5572, subdivision 8.

80.20 (c) (f) When determining whether the facility licensed provider or individual is the 80.21 responsible party for substantiated maltreatment or whether both the facility licensed provider 80.22 and the individual are responsible for substantiated maltreatment, the lead investigative 80.23 agency shall consider at least the following mitigating factors:

(1) whether the actions of the facility licensed provider or the individual earegivers
caregiver were in accordance with, and followed the terms of, an erroneous physician order,
prescription, resident care plan, or directive. This is not a mitigating factor when the facility
licensed provider or individual caregiver is responsible for the issuance of the erroneous
order, prescription, plan, or directive or knows or should have known of the errors and took
no reasonable measures to correct the defect before administering care;

(2) the comparative responsibility between the facility, other caregivers, licensed provider
or individual caregiver and requirements placed upon the employee, including but not limited
to, the facility's licensed provider's compliance with related regulatory standards and factors
such as the adequacy of facility licensed provider's policies and procedures, the adequacy
of facility the licensed provider's training, the adequacy of an individual's participation in

the training, the adequacy of caregiver supervision, the adequacy of <u>facility the licensed</u>
provider's staffing levels, and a consideration of the scope of the individual employee's
authority; and

(3) whether the facility licensed provider, employee, or individual followed professional
 standards in exercising professional judgment.

81.6 (d) (g) When substantiated maltreatment is determined to have been committed by an
81.7 individual who is also the facility license holder, both the individual and the facility licensed
81.8 provider must be determined responsible for the maltreatment, and both the background
81.9 study disqualification standards under section 245C.15, subdivision 4, and the licensing
81.10 actions under section 245A.06 or 245A.07 apply.

(e) (h) The lead investigative agency shall complete its final disposition within 60 81.11 calendar days from the date of the initial disposition for the report. If the lead investigative 81.12 agency is unable to complete its final disposition within 60 calendar days, the lead 81.13 investigative agency shall notify the following persons provided that the notification will 81.14 not endanger the vulnerable adult or hamper the investigation: (1) the vulnerable adult or 81.15 the vulnerable adult's guardian or health care agent, when known, if the lead investigative 81.16 agency knows them to be aware of the investigation; and (2) the facility licensed provider, 81.17 where applicable. The notice shall contain the reason for the delay and the projected 81.18 completion date. If the lead investigative agency is unable to complete its final disposition 81.19 by a subsequent projected completion date, the lead investigative agency shall again notify 81.20 the vulnerable adult or the vulnerable adult's guardian or health care agent, when known if 81.21 the lead investigative agency knows them to be aware of the investigation, and the facility 81.22 licensed provider, where applicable, of the reason for the delay and the revised projected 81.23 completion date provided that the notification will not endanger the vulnerable adult or 81.24 hamper the investigation. The lead investigative agency must notify the health care agent 81.25 of the vulnerable adult only if the health care agent's authority to make health care decisions 81.26 for the vulnerable adult is currently effective under section 145C.06 and not suspended 81.27 under section 524.5-310 and the investigation relates to a duty assigned to the health care 81.28 81.29 agent by the principal. A lead investigative agency's inability to complete the final disposition within 60 calendar days or by any projected completion date does not invalidate the final 81.30 81.31 disposition.

81.32 (f) (i) When the lead investigative agency is the Department of Human Services or the
 81.33 Department of Health, within ten calendar days of completing the final disposition, the lead

 81.35 subdivision 12b, paragraph (b), clause (1), when required to be completed under this section,

to the following persons: (1) the vulnerable adult, or the vulnerable adult's guardian or health 82.1 care agent, if known, when the allegation is applicable to the surrogate's authority, unless 82.2 the lead investigative agency knows that the notification would endanger the well-being of 82.3 the vulnerable adult; (2) the reporter, if the reporter requested notification when making the 82.4 report, provided this notification would not endanger the well-being of the vulnerable adult; 82.5 (3) the alleged perpetrator, if known; (4) the facility licensed provider; and (5) the 82.6 ombudsman for long-term care, or the ombudsman for mental health and developmental 82.7 82.8 disabilities, as appropriate.

82.17 $(\underline{g})(\underline{k})$ If, as a result of a reconsideration, review, or hearing, the lead investigative 82.18 agency changes the final disposition, or if a final disposition is changed on appeal, the lead 82.19 investigative agency shall notify the parties specified in paragraph (f).

82.20 (h) (l) The lead investigative agency shall notify the vulnerable adult who is the subject 82.21 of the report or the vulnerable adult's guardian or health care agent, if known, and any person 82.22 or facility licensed provider determined to have maltreated a vulnerable adult, of their appeal 82.23 or review rights under this section or section 256.021.

(i) (m) The lead investigative agency shall routinely provide investigation memoranda 82.24 for substantiated reports to the appropriate licensing boards. These reports must include the 82.25 82.26 names of substantiated perpetrators. The lead investigative agency may not provide investigative memoranda for inconclusive or false reports to the appropriate licensing boards 82.27 unless the lead investigative agency's investigation gives reason to believe that there may 82.28 have been a violation of the applicable professional practice laws. (j) (n) In order to avoid duplication, licensing boards shall consider the findings of the
 lead investigative agency in their investigations if they choose to investigate. This does not
 preclude licensing boards from considering other information.

- 83.1 (k) (o) The lead investigative agency must provide to the commissioner of human services 83.2 its final dispositions, including the names of all substantiated perpetrators. The commissioner 83.3 of human services shall establish records to retain the names of substantiated perpetrators.

If 83.15 83.16 mailed, the request for reconsideration must be postmarked and sent to the lead investigative agency within 15 calendar days of the individual's or facility's licensed provider's receipt 83.17 of the final disposition. If the request for reconsideration is made by personal service, it 83.18 83.19 must be received by the lead investigative agency within 15 calendar days of the individual's or facility's licensed provider's receipt of the final disposition. An individual who was 83.20 determined to have maltreated a vulnerable adult under this section and who was disqualified 83.21 on the basis of serious or recurring maltreatment under sections 245C.14 and 245C.15, may 83.22 request reconsideration of the maltreatment determination and the disqualification. The 83.23 request for reconsideration of the maltreatment determination and the disqualification must 83.24 be submitted in writing within 30 calendar days of the individual's receipt of the notice of 83.25 disqualification under sections 245C.16 and 245C.17. the request for reconsideration, the person or <u>facility licensed provider</u> entitled to a fair

hearing under section 256.045, may submit to the commissioner of human services a written 84.1 request for a hearing under that statute. The vulnerable adult, or an interested person acting 84.2 84.3 on behalf of the vulnerable adult, may request a review by the Vulnerable Adult Maltreatment Review Panel under section 256.021 if the lead investigative agency denies the request or 84.4 fails to act upon the request, or if the vulnerable adult or interested person contests a 84.5 reconsidered disposition. The Vulnerable Adult Maltreatment Review Panel shall not conduct 84.6 a review if the interested person making the request on behalf of the vulnerable adult is also 84.7 84.8 the alleged perpetrator. The lead investigative agency shall notify persons who request reconsideration of their rights under this paragraph. The request must be submitted in writing 84.9 to the review panel and a copy sent to the lead investigative agency within 30 calendar days 84.10 of receipt of notice of a denial of a request for reconsideration or of a reconsidered 84.11 disposition. The request must specifically identify the aspects of the lead investigative 84.12 agency determination with which the person is dissatisfied. 84.13

84.14 (c) If, as a result of a reconsideration or review, the lead investigative agency changes 84.15 the final disposition, it shall notify the parties specified in subdivision 9c, paragraph (f) (i).

sanction under section 245A.07, the license holder has the right to a contested case hearing
under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. As provided for
under section 245A.08, the scope of the contested case hearing must include the maltreatment

Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment determination or disqualification, but does not appeal the denial of a license or a licensing sanction, reconsideration of the maltreatment determination shall be conducted under sections 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the disqualification shall be conducted under section 245C.22. In such cases, a fair hearing shall also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and 626.557, subdivision 9d.

The commissioner's decision on this reconsideration 85.33 is the final agency action. 85.34

86.1 (1) For purposes of compliance with the data destruction schedule under subdivision
86.2 12b, paragraph (d), when a finding of substantiated maltreatment has been changed as a
86.3 result of a reconsideration under this paragraph, the date of the original finding of a
86.4 substantiated maltreatment must be used to calculate the destruction date.

(2) For purposes of any background studies under chapter 245C, when a determination
of substantiated maltreatment has been changed as a result of a reconsideration under this
paragraph, any prior disqualification of the individual under chapter 245C that was based
on this determination of maltreatment shall be rescinded, and for future background studies
under chapter 245C the commissioner must not use the previous determination of
substantiated maltreatment as a basis for disqualification or as a basis for referring the
individual's maltreatment history to a health-related licensing board under section 245C.31.

(2) that there are no services or other efforts that could be made at the time of the hearing 136.4 136.5 that could safely permit the child to remain home or to return home. When reasonable efforts to prevent placement are required and there are services or other efforts that could be ordered 136.6 which would permit the child to safely return home, the court shall order the child returned 136.7 to the care of the parent or guardian and the services or efforts put in place to ensure the 136.8 child's safety. When the court makes a prima facie determination that one of the 136.9 circumstances under paragraph (g) exists, the court shall determine that reasonable efforts 136.10 to prevent placement and to return the child to the care of the parent or guardian are not 136.11 136.12 required.

136.13 If the court finds the social services agency's preventive or reunification efforts have 136.14 not been reasonable but further preventive or reunification efforts could not permit the child 136.15 to safely remain at home, the court may nevertheless authorize or continue the removal of 136.16 the child.

(f) The court may not order or continue the foster care placement of the child unless the
court makes explicit, individualized findings that continued custody of the child by the
parent or guardian would be contrary to the welfare of the child and that placement is in the
best interest of the child.

(g) At the emergency removal hearing, or at any time during the course of the proceeding,
and upon notice and request of the county attorney, the court shall determine whether a
petition has been filed stating a prima facie case that:

(1) the parent has subjected a child to egregious harm as defined in section 260C.007,subdivision 14;

136.26 (2) the parental rights of the parent to another child have been involuntarily terminated;

(3) the child is an abandoned infant under section 260C.301, subdivision 2, paragraph(a), clause (2);

(4) the parents' custodial rights to another child have been involuntarily transferred to a
relative under Minnesota Statutes 2010, section 260C.201, subdivision 11, paragraph (e),
clause (1); section 260C.515, subdivision 4; or a similar law of another jurisdiction;

(5) the parent has committed sexual abuse as defined in section 626.556, subdivision 2,
against the child or another child of the parent;

(6) the parent has committed an offense that requires registration as a predatory offender
under section 243.166, subdivision 1b, paragraph (a) or (b); or

137.3 (7) the provision of services or further services for the purpose of reunification is futile137.4 and therefore unreasonable.

(h) When a petition to terminate parental rights is required under section 260C.301,
subdivision 4, or 260C.503, subdivision 2, but the county attorney has determined not to
proceed with a termination of parental rights petition, and has instead filed a petition to
transfer permanent legal and physical custody to a relative under section 260C.507, the
court shall schedule a permanency hearing within 30 days of the filing of the petition.

(i) If the county attorney has filed a petition under section 260C.307, the court shall
schedule a trial under section 260C.163 within 90 days of the filing of the petition except
when the county attorney determines that the criminal case shall proceed to trial first under
section 260C.503, subdivision 2, paragraph (c).

(j) If the court determines the child should be ordered into foster care and the child's
parent refuses to give information to the responsible social services agency regarding the
child's father or relatives of the child, the court may order the parent to disclose the names,
addresses, telephone numbers, and other identifying information to the responsible social
services agency for the purpose of complying with sections 260C.151, 260C.212, 260C.215,
and 260C.221.

(k) If a child ordered into foster care has siblings, whether full, half, or step, who are 137.20 also ordered into foster care, the court shall inquire of the responsible social services agency 137.21 of the efforts to place the children together as required by section 260C.212, subdivision 2, 137.22 paragraph (d), if placement together is in each child's best interests, unless a child is in 137.23 placement for treatment or a child is placed with a previously noncustodial parent who is 137.24 not a parent to all siblings. If the children are not placed together at the time of the hearing, 137.25 the court shall inquire at each subsequent hearing of the agency's reasonable efforts to place 137.26 the siblings together, as required under section 260.012. If any sibling is not placed with 137.27 another sibling or siblings, the agency must develop a plan to facilitate visitation or ongoing 137.28 contact among the siblings as required under section 260C.212, subdivision 1, unless it is 137.29 contrary to the safety or well-being of any of the siblings to do so. 137.30

(1) When the court has ordered the child into foster care or into the home of a noncustodial
parent, the court may order a chemical dependency evaluation, mental health evaluation,
medical examination, and parenting assessment for the parent as necessary to support the
development of a plan for reunification required under subdivision 7 and section 260C.212,

Subd. 2. Placement decisions based on best interests of the child. (a) The policy of the state of Minnesota is to ensure that the child's best interests are met by requiring an individualized determination of the needs of the child and of how the selected placement will serve the needs of the child being placed. The authorized child-placing agency shall assess a noncustodial or nonadjudicated parent's capacity and willingness to provide for the day-to-day care of a child pursuant to section 260C.219. Upon assessment, if a noncustodial

143.16 or nonadjudicated parent cannot provide for the day-to-day care of a child, the authorized

well-being of any of the siblings or unless it is not possible after reasonable efforts by the
responsible social services agency. In cases where siblings cannot be placed together, the
agency is required to provide frequent visitation or other ongoing interaction between
siblings unless the agency documents that the interaction would be contrary to the safety

145.14 **EFFECTIVE DATE.** This section is effective August 1, 2019.

145.15 Sec. 47. Minnesota Statutes 2018, section 260C.219, is amended to read:

145.16 260C.219 AGENCY RESPONSIBILITIES FOR PARENTS AND CHILDREN IN 145.17 PLACEMENT.

(a) When a child is in foster care, the responsible social services agency shall make
diligent efforts to identify, locate, and, where appropriate, offer services to both parents of
the child.

(1) The responsible social services agency shall assess whether a noncustodial or 145.21 nonadjudicated parent is willing and capable of providing for the day-to-day care of the 145.22 child temporarily or permanently. An assessment under this clause may include, but is not 145.23 limited to, obtaining information under section 260C.209. If after assessment, the responsible 145.24 social services agency determines that a noncustodial or nonadjudicated parent is willing 145.25 and capable of providing day-to-day care of the child, the responsible social services agency 145.26 may seek authority from the custodial parent or the court to have that parent assume 145.27 day-to-day care of the child. If a parent is not an adjudicated parent, the responsible social 145.28 services agency shall require the nonadjudicated parent to cooperate with paternity 145.29 establishment procedures as part of the case plan. 145.30

(2) If, after assessment, the responsible social services agency determines that the childcannot be in the day-to-day care of either parent, the agency shall:

(i) prepare an out-of-home placement plan addressing the conditions that each parent
must meet before the child can be in that parent's day-to-day care; and

(ii) provide a parent who is the subject of a background study under section 260C.209
146.4 15 days' notice that it intends to use the study to recommend against putting the child with
that parent, and the court shall afford the parent an opportunity to be heard concerning the
study.

The results of a background study of a noncustodial parent shall not be used by the agency to determine that the parent is incapable of providing day-to-day care of the child unless the agency reasonably believes that placement of the child into the home of that parent would endanger the child's health, safety, or welfare.

(3) If, after the provision of services following an out-of-home placement plan under
this section, the child cannot return to the care of the parent from whom the child was
removed or who had legal custody at the time the child was placed in foster care, the agency
may petition on behalf of a noncustodial parent to establish legal custody with that parent
under section 260C.515, subdivision 4. If paternity has not already been established, it may
be established in the same proceeding in the manner provided for under chapter 257.

(4) The responsible social services agency may be relieved of the requirement to locate
and offer services to both parents by the juvenile court upon a finding of good cause after
the filing of a petition under section 260C.141.

(b) The responsible social services agency shall give notice to the parent or guardian of
each child in foster care, other than a child in voluntary foster care for treatment under
chapter 260D, of the following information:

(1) that the child's placement in foster care may result in termination of parental rights
or an order permanently placing the child out of the custody of the parent, but only after
notice and a hearing as required under this chapter and the juvenile court rules;

(2) time limits on the length of placement and of reunification services, including the
date on which the child is expected to be returned to and safely maintained in the home of
the parent or parents or placed for adoption or otherwise permanently removed from the
care of the parent by court order;

146.30 (3) the nature of the services available to the parent;

(4) the consequences to the parent and the child if the parent fails or is unable to useservices to correct the circumstances that led to the child's placement;

146.33 (5) the first consideration for placement with relatives;

ACS/HR

147.1 (6) the benefit to the child in getting the child out of foster care as soon as possible,

preferably by returning the child home, but if that is not possible, through a permanent legalplacement of the child away from the parent;

147.4 (7) when safe for the child, the benefits to the child and the parent of maintaining

147.5 visitation with the child as soon as possible in the course of the case and, in any event,

147.6 according to the visitation plan under this section; and

(8) the financial responsibilities and obligations, if any, of the parent or parents for thesupport of the child during the period the child is in foster care.

(c) The responsible social services agency shall inform a parent considering voluntary
placement of a child under section 260C.227 of the following information:

(1) the parent and the child each has a right to separate legal counsel before signing a
voluntary placement agreement, but not to counsel appointed at public expense;

(2) the parent is not required to agree to the voluntary placement, and a parent who enters
a voluntary placement agreement may at any time request that the agency return the child.
If the parent so requests, the child must be returned within 24 hours of the receipt of the
request;

(3) evidence gathered during the time the child is voluntarily placed may be used at a
later time as the basis for a petition alleging that the child is in need of protection or services
or as the basis for a petition seeking termination of parental rights or other permanent
placement of the child away from the parent;

(4) if the responsible social services agency files a petition alleging that the child is in need of protection or services or a petition seeking the termination of parental rights or other permanent placement of the child away from the parent, the parent would have the right to appointment of separate legal counsel and the child would have a right to the appointment of counsel and a guardian ad litem as provided by law, and that counsel will be appointed at public expense if they are unable to afford counsel; and

(5) the timelines and procedures for review of voluntary placements under section
260C.212, subdivision 3, and the effect the time spent in voluntary placement on the
scheduling of a permanent placement determination hearing under sections 260C.503 to
260C.521.

(d) When an agency accepts a child for placement, the agency shall determine whether
the child has had a physical examination by or under the direction of a licensed physician
within the 12 months immediately preceding the date when the child came into the agency's

148.1 care. If there is documentation that the child has had an examination within the last 12 148.2 months, the agency is responsible for seeing that the child has another physical examination 148.3 within one year of the documented examination and annually in subsequent years. If the 148.4 agency determines that the child has not had a physical examination within the 12 months 148.5 immediately preceding placement, the agency shall ensure that the child has an examination 148.6 within 30 days of coming into the agency's care and once a year in subsequent years.

(1) shall conduct an investigation on reports involving sexual abuse <u>according to</u>
 <u>subdivision 3e</u> or substantial child endangerment <u>according to subdivision 3c</u>, paragraph

assessment response, it determines that there is reason to believe that sexual abuse or
substantial child endangerment or a serious threat to the child's safety exists;

(3) may conduct a family assessment for reports that do not allege sexual abuse or
substantial child endangerment. In determining that a family assessment is appropriate, the
local welfare agency may consider issues of child safety, parental cooperation, and the need
for an immediate response;

(4) may conduct a family assessment on a report that was initially screened and assigned
for an investigation. In determining that a complete investigation is not required, the local
welfare agency must document the reason for terminating the investigation and notify the
local law enforcement agency if the local law enforcement agency is conducting a joint
investigation; and

(5) shall provide immediate notice, according to section 260.761, subdivision 2, to an
Indian child's tribe when the agency has reason to believe the family assessment or
investigation may involve an Indian child. For purposes of this clause, "immediate notice"
means notice provided within 24 hours.

180.23 If the report alleges neglect, physical abuse, or sexual abuse by a parent, guardian, or individual functioning within the family unit as a person responsible for the child's care, or 180.24 sexual abuse by a person with a significant relationship to the child when that person resides 180.25 in the child's household or by a sibling, the local welfare agency shall immediately conduct 180 26 a family assessment or investigation as identified in clauses (1) to (4). investigation and assessment efforts to avoid a duplication of fact-finding efforts and multiple 181.1 interviews. Each agency shall prepare a separate report of the results of its investigation or 181.2 assessment. In cases of alleged child maltreatment resulting in death, the local agency may 181.3 rely on the fact-finding efforts of a law enforcement investigation to make a determination 181.4 of whether or not maltreatment occurred. When necessary the local welfare agency shall 181.5 seek authority to remove the child from the custody of a parent, guardian, or adult with 181.6 whom the child is living. In performing any of these duties, the local welfare agency shall 181.7 181.8 maintain appropriate records.

If the family assessment or investigation indicates there is a potential for abuse of alcohol
or other drugs by the parent, guardian, or person responsible for the child's care, the local
welfare agency shall conduct a chemical use assessment pursuant to Minnesota Rules, part
9530.6615.

(c) (d) When a local agency receives a report or otherwise has information indicating 181.13 that a child who is a client, as defined in section 245.91, has been the subject of physical 181.14 abuse, sexual abuse, or neglect at an agency, facility, or program as defined in section 181.15 245.91, it shall, in addition to its other duties under this section, immediately inform the 181.16 ombudsman established under sections 245.91 to 245.97. The commissioner of education 181.17 shall inform the ombudsman established under sections 245.91 to 245.97 of reports regarding 181 18 a child defined as a client in section 245.91 that maltreatment occurred at a school as defined 181.19 in section 120A.05, subdivisions 9, 11, and 13, and chapter 124E. 181.20

181.21 (d) (e) Authority of the local welfare agency responsible for assessing or investigating the child abuse or neglect report, the agency responsible for assessing or investigating the 181.22 report, and of the local law enforcement agency for investigating the alleged abuse or neglect 181 23 includes, but is not limited to, authority to interview, without parental consent, the alleged 181.24 victim and any other minors who currently reside with or who have resided with the alleged 181.25 offender. The interview may take place at school or at any facility or other place where the 181.26 alleged victim or other minors might be found or the child may be transported to, and the 181.27 interview conducted at, a place appropriate for the interview of a child designated by the 181.28 local welfare agency or law enforcement agency. The interview may take place outside the 181.29 presence of the alleged offender or parent, legal custodian, guardian, or school official. For 181.30 family assessments, it is the preferred practice to request a parent or guardian's permission 181.31 to interview the child prior to conducting the child interview, unless doing so would 181.32 compromise the safety assessment. Except as provided in this paragraph, the parent, legal 181.33 custodian, or guardian shall be notified by the responsible local welfare or law enforcement 181.34 agency no later than the conclusion of the investigation or assessment that this interview 181.35

has occurred. Notwithstanding rule 32 of the Minnesota Rules of Procedure for Juvenile 182.1 Courts, the juvenile court may, after hearing on an exparte motion by the local welfare 182.2 182.3 agency, order that, where reasonable cause exists, the agency withhold notification of this interview from the parent, legal custodian, or guardian. If the interview took place or is to 182.4 take place on school property, the order shall specify that school officials may not disclose 182.5 to the parent, legal custodian, or guardian the contents of the notification of intent to interview 182.6 the child on school property, as provided under this paragraph, and any other related 182.7 182.8 information regarding the interview that may be a part of the child's school record. A copy of the order shall be sent by the local welfare or law enforcement agency to the appropriate 182.9 school official. 182.10

(e) (f) When the local welfare, local law enforcement agency, or the agency responsible 182.11 for assessing or investigating a report of maltreatment determines that an interview should 182.12 take place on school property, written notification of intent to interview the child on school 182.13 property must be received by school officials prior to the interview. The notification shall 182.14 include the name of the child to be interviewed, the purpose of the interview, and a reference 182.15 to the statutory authority to conduct an interview on school property. For interviews 182.16 conducted by the local welfare agency, the notification shall be signed by the chair of the 182.17 local social services agency or the chair's designee. The notification shall be private data 182.18 on individuals subject to the provisions of this paragraph. School officials may not disclose 182.19 to the parent, legal custodian, or guardian the contents of the notification or any other related 182.20 information regarding the interview until notified in writing by the local welfare or law 182.21 enforcement agency that the investigation or assessment has been concluded, unless a school 182.22 employee or agent is alleged to have maltreated the child. Until that time, the local welfare 182.23 or law enforcement agency or the agency responsible for assessing or investigating a report 182.24 of maltreatment shall be solely responsible for any disclosures regarding the nature of the 182.25 assessment or investigation. 182.26

(g) Except where the alleged offender is believed to be a school official or employee, 182.27 the time and place, and manner of the interview on school premises shall be within the 182.28 discretion of school officials, but the local welfare or law enforcement agency shall have 182.29 the exclusive authority to determine who may attend the interview. The conditions as to 182.30 time, place, and manner of the interview set by the school officials shall be reasonable and 182.31 the interview shall be conducted not more than 24 hours after the receipt of the notification 182.32 unless another time is considered necessary by agreement between the school officials and 182.33 the local welfare or law enforcement agency. Where the school fails to comply with the 182.34 provisions of this paragraph, the juvenile court may order the school to comply. Every effort 182.35

must be made to reduce the disruption of the educational program of the child, other students,or school staff when an interview is conducted on school premises.

(f) (h) Where the alleged offender or a person responsible for the care of the alleged
victim or other minor prevents access to the victim or other minor by the local welfare
agency, the juvenile court may order the parents, legal custodian, or guardian to produce
the alleged victim or other minor for questioning by the local welfare agency or the local
law enforcement agency outside the presence of the alleged offender or any person
responsible for the child's care at reasonable places and times as specified by court order.

(g) (i) Before making an order under paragraph (f) (h), the court shall issue an order toshow cause, either upon its own motion or upon a verified petition, specifying the basis forthe requested interviews and fixing the time and place of the hearing. The order to showcause shall be served personally and shall be heard in the same manner as provided in othercases in the juvenile court. The court shall consider the need for appointment of a guardianad litem to protect the best interests of the child. If appointed, the guardian ad litem shallbe present at the hearing on the order to show cause.

(h) (j) The commissioner of human services, the ombudsman for mental health and 183.16 developmental disabilities, the local welfare agencies responsible for investigating reports, 183.17 the commissioner of education, and the local law enforcement agencies have the right to 183.18 enter facilities as defined in subdivision 2 and to inspect and copy the facility's records, 183.19 including medical records, as part of the investigation. Notwithstanding the provisions of 183.20 chapter 13, they also have the right to inform the facility under investigation that they are 183.21 conducting an investigation, to disclose to the facility the names of the individuals under 183.22 investigation for abusing or neglecting a child, and to provide the facility with a copy of 183 23 the report and the investigative findings. 183.24

(i) (k) The local welfare agency responsible for conducting a family assessment or 183.25 investigation shall collect available and relevant information to determine child safety, risk 183.26 of subsequent child maltreatment, and family strengths and needs and share not public 183.27 information, including the name of the reporter of child maltreatment and any other 183.28 information collected under this subdivision, with an Indian's tribal social services agency 183.29 without violating any law of the state that may otherwise impose duties of confidentiality 183.30 on the local welfare agency in order to implement the tribal state agreement. The local 183.31 welfare agency or the agency responsible for investigating the report shall collect available 183.32 and relevant information to ascertain whether maltreatment occurred and whether protective 183.33 services are needed. Information collected includes, when relevant, information with regard 183 34 to the person reporting the alleged maltreatment, including the nature of the reporter's 183.35

relationship to the child and to the alleged offender, and the basis of the reporter's knowledge
for the report; the child allegedly being maltreated; the alleged offender; the child's caretaker;
and other collateral sources having relevant information related to the alleged maltreatment.
The local welfare agency or the agency responsible for investigating the report may make
a determination of no maltreatment early in an investigation, and close the case and retain
immunity, if the collected information shows no basis for a full investigation.

184.7 Information relevant to the assessment or investigation must be asked for, and may184.8 include:

(1) the child's sex and age; prior reports of maltreatment, including any maltreatment
reports that were screened out and not accepted for assessment or investigation; information
relating to developmental functioning; credibility of the child's statement; and whether the
information provided under this clause is consistent with other information collected during
the course of the assessment or investigation;

(2) the alleged offender's age, a record check for prior reports of maltreatment, and
criminal charges and convictions. The local welfare agency or the agency responsible for
assessing or investigating the report must provide the alleged offender with an opportunity
to make a statement. The alleged offender may submit supporting documentation relevant
to the assessment or investigation;

(3) collateral source information regarding the alleged maltreatment and care of the 184.19 child. Collateral information includes, when relevant: (i) a medical examination of the child; 184.20 (ii) prior medical records relating to the alleged maltreatment or the care of the child 184.21 maintained by any facility, clinic, or health care professional and an interview with the 184.22 treating professionals; and (iii) interviews with the child's caretakers, including the child's 184.23 parent, guardian, foster parent, child care provider, teachers, counselors, family members, 184.24 relatives, and other persons who may have knowledge regarding the alleged maltreatment 184.25 and the care of the child; and 184.26

(4) information on the existence of domestic abuse and violence in the home of the child,and substance abuse.

Nothing in this paragraph precludes the local welfare agency, the local law enforcement agency, or the agency responsible for assessing or investigating the report from collecting other relevant information necessary to conduct the assessment or investigation.

184.32 Notwithstanding sections 13.384 or 144.291 to 144.298, the local welfare agency has access

- 184.33 to medical data and records for purposes of clause (3). Notwithstanding the data's
- 184.34 classification in the possession of any other agency, data acquired by the local welfare

agency or the agency responsible for assessing or investigating the report during the course
of the assessment or investigation are private data on individuals and must be maintained
in accordance with subdivision 11. Data of the commissioner of education collected or
maintained during and for the purpose of an investigation of alleged maltreatment in a school
are governed by this section, notwithstanding the data's classification as educational,
licensing, or personnel data under chapter 13.

In conducting an assessment or investigation involving a school facility as defined in subdivision 2, paragraph (c), the commissioner of education shall collect investigative reports and data that are relevant to a report of maltreatment and are from local law enforcement and the school facility.

185.11 (i) Upon receipt of a report made under subdivision 7, paragraph (a), the local welfare agency shall conduct a face-to-face contact with the child reported to be maltreated and 185.12 with the child's primary caregiver sufficient to complete a safety assessment and ensure the 185.13 immediate safety of the child. A safety plan is developed, when required, after a safety 185.14 assessment. The face-to-face contact with the child and primary caregiver shall occur 185.15 immediately if sexual abuse or substantial child endangerment is alleged and within five 185.16 calendar days for all other reports. If the alleged offender was not already interviewed as 185.17 the primary caregiver, the local welfare agency shall also conduct a face-to-face interview 185.18 with the alleged offender in the early stages of the assessment or investigation. At the initial 185.19 contact, the local child welfare agency or the agency responsible for assessing or investigating 185.20 the report must inform the alleged offender of the complaints or allegations made against 185.21 the individual in a manner consistent with laws protecting the rights of the person who made 185.22 the report or the person who provided information under subdivision 7, paragraph (b). The 185.23 interview with the alleged offender may be postponed if it would jeopardize an active law 185.24 enforcement investigation. 185.25

 $\frac{(k)(m)}{(m)}$ When conducting an investigation, the local welfare agency shall use a question and answer interviewing format with questioning as nondirective as possible to elicit spontaneous responses. For investigations only, the following interviewing methods and procedures must be used whenever possible when collecting information:

185.30 (1) audio recordings of all interviews with witnesses and collateral sources; and

(2) in cases of alleged sexual abuse, audio-video recordings of each interview with thealleged victim and child witnesses.

 $\frac{(1)(n)}{(n)}$ In conducting an assessment or investigation involving a school facility as defined in subdivision 2, paragraph (c), the commissioner of education shall collect available and

relevant information and use the procedures in paragraphs (j) (l) and (k) (m), and subdivision 3d, except that the requirement for face-to-face observation of the child and face-to-face interview of the alleged offender is to occur in the initial stages of the assessment or investigation provided that the commissioner may also base the assessment or investigation on investigative reports and data received from the school facility and local law enforcement, to the extent those investigations satisfy the requirements of paragraphs (j) (l) and (k) (m), and subdivision 3d.

186.8 **EFFECTIVE DATE.** This section is effective August 1, 2019.

186.9 Sec. 72. Minnesota Statutes 2018, section 626.556, subdivision 10a, is amended to read:

Subd. 10a. Law enforcement agency responsibility for investigation; welfare agency 186.10 186.11 reliance on law enforcement fact-finding; welfare agency offer of services. (a) If the report alleges neglect, physical abuse, or sexual abuse by a person who is not a parent, 186.12 guardian, sibling, person responsible for the child's care functioning within the family unit, 186.13 or a person who lives in the child's household and who has a significant relationship to the 186.14 child, in a setting other than a facility as defined in subdivision 2, the local welfare agency 186.15 186.16 shall immediately notify the appropriate law enforcement agency, which shall conduct an investigation of the alleged abuse or neglect if a violation of a criminal statute is alleged. 186.17 If the report alleges known or suspected child sex trafficking by any person, both the local 186.18 child welfare agency and the appropriate law enforcement agency shall conduct an 186.19 investigation. 186.20

(b) The local agency may rely on the fact-finding efforts of the law enforcement
investigation conducted under this subdivision to make a determination whether or not
threatened injury or other maltreatment has occurred under subdivision 2 if an alleged
offender has minor children or lives with minors.

(c) If a child is the victim of an alleged crime under paragraph (a), the law enforcement
agency shall immediately notify the local welfare agency, which shall offer appropriate
social services for the purpose of safeguarding and enhancing the welfare of the abused or
neglected minor.

Sec. 73. Minnesota Statutes 2018, section 626.556, subdivision 10b, is amended to read:
Subd. 10b. Duties of commissioner; neglect or abuse in facility. (a) This section applies
to the commissioners of human services, health, and education. The commissioner of the

agency responsible for assessing or investigating the report shall immediately assess orinvestigate if the report alleges that:

(1) a child who is in the care of a facility as defined in subdivision 2 is neglected,

individual in that facility, or has been so neglected or abused, or been the victim of
maltreatment in a facility by an individual in that facility within the three years preceding
the report; or

187.19 (b) Prior to any interview, the commissioner of the agency responsible for assessing or investigating the report or local welfare agency shall notify the parent, guardian, or legal 187.20 custodian of a child who will be interviewed in the manner provided for in subdivision 10d, 187.21 paragraph (a). If reasonable efforts to reach the parent, guardian, or legal custodian of a 187.22 child in an out-of-home placement have failed, the child may be interviewed if there is 187.23 reason to believe the interview is necessary to protect the child or other children in the 187.24 facility. The commissioner of the agency responsible for assessing or investigating the report 187.25 or local agency must provide the information required in this subdivision to the parent, 187.26 guardian, or legal custodian of a child interviewed without parental notification as soon as 187.27 possible after the interview. 188.11 Subd. 10d. Notification of neglect or abuse in facility. (a) When a report is received that alleges neglect, physical abuse, sexual abuse, or maltreatment of a child while in the 188.12 188.13 care of a licensed or unlicensed day care facility, residential facility, agency, hospital, sanitarium, or other facility or institution required to be licensed or certified according to 188.14 sections 144.50 to 144.58; 241.021; or 245A.01 to 245A.16; or chapter 144H, 245D, or 188.15 188.16 245H, or a school as defined in section 120A.05, subdivisions 9, 11, and 13; and chapter 124E; or a nonlicensed personal care provider organization as defined in section 256B.0625, 188.17 subdivision 19a, the commissioner of the agency responsible for assessing or investigating 188.18 the report or local welfare agency investigating the report shall provide the following 188.19 information to the parent, guardian, or legal custodian of a child alleged to have been 188.20 neglected, physically abused, sexually abused, or the victim of maltreatment of a child in 188.21 the facility: the name of the facility; the fact that a report alleging neglect, physical abuse, 188.22 sexual abuse, or maltreatment of a child in the facility has been received; the nature of the 188.23 alleged neglect, physical abuse, sexual abuse, or maltreatment of a child in the facility; that 188.24 the agency is conducting an assessment or investigation; any protective or corrective measures 188.25 being taken pending the outcome of the investigation; and that a written memorandum will 188.26 be provided when the investigation is completed. 188.27

(b) The commissioner of the agency responsible for assessing or investigating the report or local welfare agency may also provide the information in paragraph (a) to the parent, guardian, or legal custodian of any other child in the facility if the investigative agency knows or has reason to believe the alleged neglect, physical abuse, sexual abuse, or maltreatment of a child in the facility has occurred. abuse, sexual abuse, or maltreatment of a child in the facility; the number of children
allegedly neglected, physically abused, sexually abused, or victims of maltreatment of a
child in the facility; the number of alleged perpetrators; and the length of the investigation.
The facility shall be notified whenever this discretion is exercised.

(c) When the commissioner of the agency responsible for assessing or investigating the 189.5 report or local welfare agency has completed its investigation, every parent, guardian, or 189.6 legal custodian previously notified of the investigation by the commissioner or local welfare 189.7 189.8 agency shall be provided with the following information in a written memorandum: the name of the facility investigated; the nature of the alleged neglect, physical abuse, sexual 189.9 abuse, or maltreatment of a child in the facility; the investigator's name; a summary of the 189.10 investigation findings; a statement whether maltreatment was found; and the protective or 189.11 corrective measures that are being or will be taken. The memorandum shall be written in a 189.12 manner that protects the identity of the reporter and the child and shall not contain the name, 189.13 or to the extent possible, reveal the identity of the alleged perpetrator or of those interviewed 189.14 during the investigation. If maltreatment is determined to exist, the commissioner or local 189.15 welfare agency shall also provide the written memorandum to the parent, guardian, or legal 189.16 custodian of each child in the facility who had contact with the individual responsible for 189.17 the maltreatment. When the facility is the responsible party for maltreatment, the 189.18 commissioner or local welfare agency shall also provide the written memorandum to the 189.19 parent, guardian, or legal custodian of each child who received services in the population 189.20 of the facility where the maltreatment occurred. This notification must be provided to the 189.21 parent, guardian, or legal custodian of each child receiving services from the time the 189.22 maltreatment occurred until either the individual responsible for maltreatment is no longer 189.23 in contact with a child or children in the facility or the conclusion of the investigation. In 189.24 the case of maltreatment within a school facility, as defined in section 120A.05, subdivisions 189.25 9, 11, and 13, and chapter 124E, the commissioner of education need not provide notification 189.26 to parents, guardians, or legal custodians of each child in the facility, but shall, within ten 189.27 days after the investigation is completed, provide written notification to the parent, guardian, 189.28 or legal custodian of any student alleged to have been maltreated. The commissioner of 189.29 education may notify the parent, guardian, or legal custodian of any student involved as a 189.30 witness to alleged maltreatment. 189.31

189.32 **EFFECTIVE DATE.** This section is effective August 1, 2019.

190.1 Sec. 75. Minnesota Statutes 2018, section 626.556, subdivision 10e, is amended to read:

Subd. 10e. **Determinations.** (a) The local welfare agency shall conclude the family assessment or the investigation within 45 days of the receipt of a report. The conclusion of the assessment or investigation may be extended to permit the completion of a criminal investigation or the receipt of expert information requested within 45 days of the receipt of the report.

(b) After conducting a family assessment, the local welfare agency shall determine
whether services are needed to address the safety of the child and other family members
and the risk of subsequent maltreatment.

(c) After conducting an investigation, the local welfare agency shall make two
determinations: first, whether maltreatment has occurred; and second, whether child
protective services are needed. No determination of maltreatment shall be made when the
alleged perpetrator is a child under the age of ten.

(d) If the commissioner of education conducts an assessment or investigation, the 190.14 commissioner shall determine whether maltreatment occurred and what corrective or 190 15 protective action was taken by the school facility. If a determination is made that 190.16 maltreatment has occurred, the commissioner shall report to the employer, the school board, 190.17 and any appropriate licensing entity the determination that maltreatment occurred and what 190.18 corrective or protective action was taken by the school facility. In all other cases, the 190.19 commissioner shall inform the school board or employer that a report was received, the 190.20 subject of the report, the date of the initial report, the category of maltreatment alleged as 190.21 defined in paragraph (f), the fact that maltreatment was not determined, and a summary of 190.22 the specific reasons for the determination. 190.23

(e) When maltreatment is determined in an investigation involving a facility, the
investigating agency shall also determine whether the facility or individual was responsible,
or whether both the facility and the individual were responsible for the maltreatment using
the mitigating factors in paragraph (i). Determinations under this subdivision must be made
based on a preponderance of the evidence and are private data on individuals or nonpublic
data as maintained by the commissioner of education.

(f) For the purposes of this subdivision, "maltreatment" means any of the following actsor omissions:

190.32 (1) physical abuse as defined in subdivision 2, paragraph (k);

190.33 (2) neglect as defined in subdivision 2, paragraph (g);

191.1 (3) sexual abuse as defined in subdivision 2, paragraph (n) (p);

191.2 (4) mental injury as defined in subdivision 2, paragraph (f); or

191.3 (5) maltreatment of a child in a facility as defined in subdivision 2, paragraph (c).

(g) For the purposes of this subdivision, a determination that child protective services
are needed means that the local welfare agency has documented conditions during the
assessment or investigation sufficient to cause a child protection worker, as defined in
section 626.559, subdivision 1, to conclude that a child is at significant risk of maltreatment
if protective intervention is not provided and that the individuals responsible for the child's
care have not taken or are not likely to take actions to protect the child from maltreatment
or risk of maltreatment.

(h) This subdivision does not mean that maltreatment has occurred solely because the
child's parent, guardian, or other person responsible for the child's care in good faith selects
and depends upon spiritual means or prayer for treatment or care of disease or remedial care
of the child, in lieu of medical care. However, if lack of medical care may result in serious
danger to the child's health, the local welfare agency may ensure that necessary medical
services are provided to the child.

(i) When determining whether the facility or individual is the responsible party, or
whether both the facility and the individual are responsible for determined maltreatment in
a facility, the investigating agency shall consider at least the following mitigating factors:

(1) whether the actions of the facility or the individual caregivers were according to,
and followed the terms of, an erroneous physician order, prescription, individual care plan,
or directive; however, this is not a mitigating factor when the facility or caregiver was
responsible for the issuance of the erroneous order, prescription, individual care plan, or
directive or knew or should have known of the errors and took no reasonable measures to
correct the defect before administering care;

(2) comparative responsibility between the facility, other caregivers, and requirements
placed upon an employee, including the facility's compliance with related regulatory standards
and the adequacy of facility policies and procedures, facility training, an individual's
participation in the training, the caregiver's supervision, and facility staffing levels and the
scope of the individual employee's authority and discretion; and

(3) whether the facility or individual followed professional standards in exercisingprofessional judgment.

The evaluation of the facility's responsibility under clause (2) must not be based on the
completeness of the risk assessment or risk reduction plan required under section 245A.66,
but must be based on the facility's compliance with the regulatory standards for policies
and procedures, training, and supervision as cited in Minnesota Statutes and Minnesota

192.5 Rules.

(j) Notwithstanding paragraph (i), when maltreatment is determined to have been
committed by an individual who is also the facility license or certification holder, both the
individual and the facility must be determined responsible for the maltreatment, and both
the background study disqualification standards under section 245C.15, subdivision 4, and
the licensing or certification actions under section 245A.06, 245A.07, 245H.06, or 245H.07
apply.

192.12 **EFFECTIVE DATE.** This section is effective August 1, 2019.

192.13 Sec. 76. Minnesota Statutes 2018, section 626.556, subdivision 10f, is amended to read:

Subd. 10f. Notice of determinations. Within ten working days of the conclusion of a 192.14 family assessment, the local welfare agency shall notify the parent or guardian of the child 192.15 192.16 of the need for services to address child safety concerns or significant risk of subsequent child maltreatment. The local welfare agency and the family may also jointly agree that 192.17 family support and family preservation services are needed. Within ten working days of the 192.18 conclusion of an investigation, the local welfare agency or agency responsible for 192.19 investigating the report shall notify the parent or guardian of the child, the person determined 192.20 to be maltreating the child, and, if applicable, the director of the facility, of the determination 192.21 and a summary of the specific reasons for the determination. When the investigation involves 192.22 a child foster care setting that is monitored by a private licensing agency under section 192.23 245A.16, the local welfare agency responsible for investigating the report shall notify the 192.24 private licensing agency of the determination and shall provide a summary of the specific 192.25 reasons for the determination. The notice to the private licensing agency must include 192.26 identifying private data, but not the identity of the reporter of maltreatment. The notice must 192.27 192.28 also include a certification that the information collection procedures under subdivision 10, paragraphs (h)(j), (i)(k), and (j)(l), were followed and a notice of the right of a data subject 192.29 to obtain access to other private data on the subject collected, created, or maintained under 192.30 this section. In addition, the notice shall include the length of time that the records will be 192.31 kept under subdivision 11c. When the investigation involves a nonlicensed personal care 192.32 provider agency as defined in section 256B.0659, regardless of the relationship of the victim 192.33 to the nonlicensed personal care attendant, the local welfare agency responsible for 192.34

The notice to 193.2 193.3 the personal care provider agency must include identifying private data, but cannot identify the reporter of maltreatment. The notice must also include a certification that the procedures 193.4 under subdivision 10, paragraphs (i), (j), and (k), were followed and a notice of the right of 193.5 a data subject to obtain access to other private data on the subject collected, created, or 193.6 maintained under this section. In addition, the notice shall include the length of time that 193.7 the records will be kept according to subdivision 11c. The investigating agency shall notify 193.8 the parent or guardian of the child who is the subject of the report, and any person or facility 193.9 determined to have maltreated a child, of their appeal or review rights under this section. 193.10 The notice must also state that a finding of maltreatment may result in denial of a license 193.11 or certification application or background study disqualification under chapter 245C related 193.12 to employment or services that are licensed or certified by the Department of Human Services 193.13 under chapter 245A or 245H, the Department of Health under chapter 144 or 144A, the 193.14 Department of Corrections under section 241.021, and from providing services related to 193.15

216.17 **EFFECTIVE DATE.** This section is effective January 1, 2020.

216.18 Sec. 19. [245A.043] LICENSE APPLICATION AFTER A CHANGE OF 216.19 OWNERSHIP.

216.20 Subdivision 1. Transfer prohibited. A license issued under this chapter is only valid

216.23 Subd. 2. Change in ownership. (a) If the commissioner determines that there is a change

216.24 in ownership, the commissioner shall require submission of a new license application. This

216.25 subdivision does not apply to a licensed program or service located in a home where the

216.26 license holder resides. A change in ownership occurs when:

216.27 (1) the license holder sells or transfers 100 percent of the property, stock, or assets;

- 216.28 (2) the license holder merges with another organization;
- 216.29 (3) the license holder consolidates with two or more organizations, resulting in the
- 216.30 creation of a new organization;

217.1	(4) there is a change in the federal tax identification number associated with the license
217.2	holder; or
217.3	(5) all controlling individuals associated with the original application have changed.
217.4	(b) Notwithstanding paragraph (a), clauses (1) and (5), no change in ownership has
217.5	occurred if at least one controlling individual has been listed as a controlling individual for
217.6	the license for at least the previous 12 months.
217.7	Subd. 3. Change of ownership process. (a) When a change in ownership is proposed
217.8	and the party intends to assume operation without an interruption in service longer than 60
217.9	days after acquiring the program or service, the license holder must provide the commissioner
217.10	with written notice of the proposed change on a form provided by the commissioner at least
217.11	60 days before the anticipated date of the change in ownership. For purposes of this
217.12	subdivision and subdivision 4, "party" means the party that intends to operate the service
217.13	or program.
217.14	(b) The party must submit a license application under this chapter on the form and in
217.15	the manner prescribed by the commissioner at least 30 days before the change in ownership
217.16	is complete, and must include documentation to support the upcoming change. The party
217.17	must comply with background study requirements under chapter 245C and shall pay the
217.18	application fee required under section 245A.10. A party that intends to assume operation
217.19	without an interruption in service longer than 60 days after acquiring the program or service
217.20	is exempt from the requirements of Minnesota Rules, part 9530.6800.
217.21	(c) The commissioner may streamline application procedures when the party is an existing
217.22	license holder under this chapter and is acquiring a program licensed under this chapter or
217.23	service in the same service class as one or more licensed programs or services the party
217.24	operates and those licenses are in substantial compliance. For purposes of this subdivision,
217.25	"substantial compliance" means within the previous 12 months the commissioner did not
217.26	(1) issue a sanction under section 245A.07 against a license held by the party, or (2) make
217.27	a license held by the party conditional according to section 245A.06.
217.28	(d) Except when a temporary change in ownership license is issued pursuant to
217.29	subdivision 4, the existing license holder is solely responsible for operating the program
217.30	according to applicable laws and rules until a license under this chapter is issued to the
217.31	party.
217.32	(e) If a licensing inspection of the program or service was conducted within the previous
217.33	12 months and the existing license holder's record demonstrates substantial compliance with
217.34	the applicable licensing requirements, the commissioner may waive the party's inspection

02/28/19

ACS/HR

218.1	required by section 245A.04, subdivision 4. The party must submit to the commissioner (1)
218.2	proof that the premises was inspected by a fire marshal or that the fire marshal deemed an
218.3	inspection was not warranted, and (2) proof that the premises was inspected for compliance
218.4	with the building code or no inspection was deemed warranted.
218.5	(f) If the party is seeking a license for a program or service that has an outstanding action
218.6	under section 245A.06 or 245A.07, the party must submit a letter as part of the application
218.7	process identifying how the party has or will come into full compliance with the licensing
218.8	requirements.
218.9	(g) The commissioner shall evaluate the party's application according to section 245A.04,
218.10	subdivision 6. If the commissioner determines that the party has remedied or demonstrates
218.11	the ability to remedy the outstanding actions under section 245A.06 or 245A.07 and has
218.12	determined that the program otherwise complies with all applicable laws and rules, the
218.13	commissioner shall issue a license or conditional license under this chapter. The conditional
218.14	license remains in effect until the commissioner determines that the grounds for the action
218.15	are corrected or no longer exist.
218.16	(h) The commissioner may deny an application as provided in section 245A.05. An
218.17	applicant whose application was denied by the commissioner may appeal the denial according
218.18	to section 245A.05.
218.19	(i) This subdivision does not apply to a licensed program or service located in a home
218.20	where the license holder resides.
218.21	Subd. 4. Temporary change in ownership license. (a) After receiving the party's
218.22	application pursuant to subdivision 3, upon the written request of the existing license holder
218.23	and the party, the commissioner may issue a temporary change in ownership license to the
218.24	party while the commissioner evaluates the party's application. Until a decision is made to
218.25	grant or deny a license under this chapter, the existing license holder and the party shall
218.26	both be responsible for operating the program or service according to applicable laws and
218.27	rules, and the sale or transfer of the existing license holder's ownership interest in the licensed
218.28	program or service does not terminate the existing license.
218.29	(b) The commissioner may issue a temporary change in ownership license when a license
218.30	holder's death, divorce, or other event affects the ownership of the program and an applicant
218.31	seeks to assume operation of the program or service to ensure continuity of the program or
218.32	service while a license application is evaluated.
218.33	(c) This subdivision applies to any program or service licensed under this chapter.

A hearing must be conducted by an administrative law judge within 30 calendar 222.26 days of the request for assignment, unless an extension is requested by either party and 222.27 granted by the administrative law judge for good cause. The commissioner shall issue a 222.28 notice of hearing by certified mail or personal service at least ten working days before the 222.29 hearing. The scope of the hearing shall be limited solely to the issue of whether the temporary 222.30 immediate suspension should remain in effect pending the commissioner's final order under 222.31 section 245A.08, regarding a licensing sanction issued under subdivision 3 following the 222.32 immediate suspension. For suspensions under subdivision 2, paragraph (a), clause (1), the 222.33 burden of proof in expedited hearings under this subdivision shall be limited to the 222.34

REVISOR

commissioner's demonstration that reasonable cause exists to believe that the license holder's 223.1 actions or failure to comply with applicable law or rule poses, or the actions of other 223.2 223.3 individuals or conditions in the program poses an imminent risk of harm to the health, safety, or rights of persons served by the program. "Reasonable cause" means there exist specific 223.4 articulable facts or circumstances which provide the commissioner with a reasonable 223.5 suspicion that there is an imminent risk of harm to the health, safety, or rights of persons 223.6 served by the program. When the commissioner has determined there is reasonable cause 223.7 223.8 to order the temporary immediate suspension of a license based on a violation of safe sleep requirements, as defined in section 245A.1435, the commissioner is not required to 223.9 demonstrate that an infant died or was injured as a result of the safe sleep violations. For 223.10 suspensions under subdivision 2, paragraph (a), clause (2), the burden of proof in expedited 223.11 hearings under this subdivision shall be limited to the commissioner's demonstration by a 223.12 preponderance of evidence that, since the license was revoked, the license holder committed 223.13 additional violations of law or rule which may adversely affect the health or safety of persons 223.14 223.15 served by the program.

(b) The administrative law judge shall issue findings of fact, conclusions, and a 223 16 recommendation within ten working days from the date of hearing. The parties shall have 223.17 ten calendar days to submit exceptions to the administrative law judge's report. The record 223.18 shall close at the end of the ten-day period for submission of exceptions. The commissioner's 223.19 223.20 final order shall be issued within ten working days from the close of the record. When an appeal of a temporary immediate suspension is withdrawn or dismissed, the commissioner 223.21 shall issue a final order affirming the temporary immediate suspension within ten calendar 223.22 days of the commissioner's receipt of the withdrawal or dismissal. Within 90 calendar days 223.23 after a final order affirming an immediate suspension, the commissioner shall make a 223.24 determination regarding whether a final licensing sanction shall be issued under subdivision 223.25 3. The license holder shall continue to be prohibited from operation of the program during 223.26 this 90-day period. 223 27

(c) When the final order under paragraph (b) affirms an immediate suspension, and a
final licensing sanction is issued under subdivision 3 and the license holder appeals that
sanction, the license holder continues to be prohibited from operation of the program pending
a final commissioner's order under section 245A.08, subdivision 5, regarding the final
licensing sanction.

(d) For suspensions under subdivision 2, paragraph (a), clause (3), the burden of proof
 in expedited hearings under this subdivision shall be limited to the commissioner's
 demonstration by a preponderance of evidence that a criminal complaint and warrant or

summons was issued for the license holder that was not dismissed, and that the criminal

224.2 charge is an offense that involves fraud or theft against a program administered by the224.3 commissioner.

224.4 Sec. 25. Minnesota Statutes 2018, section 245A.07, subdivision 3, is amended to read:

Subd. 3. License suspension, revocation, or fine. (a) The commissioner may suspend
or revoke a license, or impose a fine if:

(1) a license holder fails to comply fully with applicable laws or rules <u>including but not</u>
limited to the requirements of this chapter and chapter 245C;

(2) a license holder, a controlling individual, or an individual living in the household
where the licensed services are provided or is otherwise subject to a background study has
<u>a been disqualified and the disqualification which has was not been set aside under section</u>
<u>24.12</u> <u>245C.22</u> and no variance has been granted;

(3) a license holder knowingly withholds relevant information from or gives false or
misleading information to the commissioner in connection with an application for a license,
in connection with the background study status of an individual, during an investigation,
or regarding compliance with applicable laws or rules; or

(4) after July 1, 2012, and upon request by the commissioner, a license holder fails to
submit the information required of an applicant under section 245A.04, subdivision 1,
paragraph (f) or (g): a license holder is excluded from any program administered by the
commissioner under section 245.095; or

(5) revocation is required under section 245A.04, subdivision 7, paragraph (d).

A license holder who has had a license <u>issued under this chapter</u> suspended, revoked, or has been ordered to pay a fine must be given notice of the action by certified mail or personal service. If mailed, the notice must be mailed to the address shown on the application or the last known address of the license holder. The notice must state in plain language the reasons the license was suspended or revoked, or a fine was ordered.

(b) If the license was suspended or revoked, the notice must inform the license holder
of the right to a contested case hearing under chapter 14 and Minnesota Rules, parts
1400.8505 to 1400.8612. The license holder may appeal an order suspending or revoking
a license. The appeal of an order suspending or revoking a license must be made in writing
by certified mail or personal service. If mailed, the appeal must be postmarked and sent to
the commissioner within ten calendar days after the license holder receives notice that the
license has been suspended or revoked. If a request is made by personal service, it must be

received by the commissioner within ten calendar days after the license holder received the order. Except as provided in subdivision 2a, paragraph (c), if a license holder submits a timely appeal of an order suspending or revoking a license, the license holder may continue to operate the program as provided in section 245A.04, subdivision 7, paragraphs (g)(f)and (h)(g), until the commissioner issues a final order on the suspension or revocation.

(c)(1) If the license holder was ordered to pay a fine, the notice must inform the license 225.6 holder of the responsibility for payment of fines and the right to a contested case hearing 225.7 under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. The appeal of an 225.8 order to pay a fine must be made in writing by certified mail or personal service. If mailed, 225.9 the appeal must be postmarked and sent to the commissioner within ten calendar days after 225.10 the license holder receives notice that the fine has been ordered. If a request is made by 225.11 personal service, it must be received by the commissioner within ten calendar days after 225.12 the license holder received the order. 225.13

(2) The license holder shall pay the fines assessed on or before the payment date specified.
If the license holder fails to fully comply with the order, the commissioner may issue a
second fine or suspend the license until the license holder complies. If the license holder
receives state funds, the state, county, or municipal agencies or departments responsible for
administering the funds shall withhold payments and recover any payments made while the
license is suspended for failure to pay a fine. A timely appeal shall stay payment of the fine
until the commissioner issues a final order.

(3) A license holder shall promptly notify the commissioner of human services, in writing,
when a violation specified in the order to forfeit a fine is corrected. If upon reinspection the
commissioner determines that a violation has not been corrected as indicated by the order
to forfeit a fine, the commissioner may issue a second fine. The commissioner shall notify
the license holder by certified mail or personal service that a second fine has been assessed.
The license holder may appeal the second fine as provided under this subdivision.

225.27 (4) Fines shall be assessed as follows:

(i) the license holder shall forfeit \$1,000 for each determination of maltreatment of a
child under section 626.556 or the maltreatment of a vulnerable adult under section 626.557
for which the license holder is determined responsible for the maltreatment under section
626.556, subdivision 10e, paragraph (i), or 626.557, subdivision 9c, paragraph (c);

(ii) if the commissioner determines that a determination of maltreatment for which thelicense holder is responsible is the result of maltreatment that meets the definition of serious

maltreatment as defined in section 245C.02, subdivision 18, the license holder shall forfeit\$5,000;

(iii) for a program that operates out of the license holder's home and a program licensed
under Minnesota Rules, parts 9502.0300 to 9502.0495 9502.0445, the fine assessed against
the license holder shall not exceed \$1,000 for each determination of maltreatment;

(iv) the license holder shall forfeit \$200 for each occurrence of a violation of law or rule
governing matters of health, safety, or supervision, including but not limited to the provision
of adequate staff-to-child or adult ratios, and failure to comply with background study
requirements under chapter 245C; and

(v) the license holder shall forfeit \$100 for each occurrence of a violation of law or rule
other than those subject to a \$5,000, \$1,000, or \$200 fine in items (i) to (iv).

For purposes of this section, "occurrence" means each violation identified in the commissioner's fine order. Fines assessed against a license holder that holds a license to provide home and community-based services, as identified in section 245D.03, subdivision 1, and a community residential setting or day services facility license under chapter 245D where the services are provided, may be assessed against both licenses for the same occurrence, but the combined amount of the fines shall not exceed the amount specified in this clause for that occurrence.

(5) When a fine has been assessed, the license holder may not avoid payment by closing,
selling, or otherwise transferring the licensed program to a third party. In such an event, the
license holder will be personally liable for payment. In the case of a corporation, each
controlling individual is personally and jointly liable for payment.

226.23 (d) Except for background study violations involving the failure to comply with an order to immediately remove an individual or an order to provide continuous, direct supervision, 226.24 the commissioner shall not issue a fine under paragraph (c) relating to a background study 226.25 violation to a license holder who self-corrects a background study violation before the 226.26 commissioner discovers the violation. A license holder who has previously exercised the 226.27 provisions of this paragraph to avoid a fine for a background study violation may not avoid 226.28 a fine for a subsequent background study violation unless at least 365 days have passed 226.29 since the license holder self-corrected the earlier background study violation. 226.30

226.31 **EFFECTIVE DATE.** This section is effective January 1, 2020.

of the propriety of the county's child protection determination or child placement decision.

(e) The scope of hearings under paragraph (a), clauses (12) and (14), shall be limited to 231.23 whether the proposed termination of services is authorized under section 245D.10, 231.24 subdivision 3a, paragraph (b), or 245A.11, subdivision 11, and whether the requirements 231.25 of section 245D.10, subdivision 3a, paragraphs (c) to (e), or 245A.11, subdivision 2a 11, 231.26 paragraphs (d) to (f) (g), were met. If the appeal includes a request for a temporary stay of 231.27 termination of services, the scope of the hearing shall also include whether the case 231.28 management provider has finalized arrangements for a residential facility, a program, or 231.29 services that will meet the assessed needs of the recipient by the effective date of the service 231.30 termination. 231.31

(f) A vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor
under contract with a county agency to provide social services is not a party and may not
request a hearing under this section, except if assisting a recipient as provided in subdivision
4.

(g) An applicant or recipient is not entitled to receive social services beyond the services
prescribed under chapter 256M or other social services the person is eligible for under state
law.

(h) The commissioner may summarily affirm the county or state agency's proposed
action without a hearing when the sole issue is an automatic change due to a change in state
or federal law.

(i) Unless federal or Minnesota law specifies a different time frame or method in which 232.7 to file an appeal, an individual or organization specified in this section may contest the 232.8 specified action, decision, or final disposition before the state agency by submitting a written 232.9 request for a hearing to the state agency within 30 90 days after receiving from the date of 232.10 the written notice of the action, decision, or final disposition, or within 90 days of such 232.11 written notice if the applicant, recipient, patient, or relative shows good cause, as defined 232.12 in section 256.0451, subdivision 13, why the request was not submitted within the 30-day 232.13 time limit. The individual filing the appeal has the burden of proving good cause by a 232.14 preponderance of the evidence. 232.15

(j) Notwithstanding paragraph (i), a hearing request to contest the imposition of a medical
 assistance lien under section 514.981 must be submitted within 30 days after receiving
 written notice of the agency's lien rights.

232.19 Sec. 31. Minnesota Statutes 2018, section 256.045, subdivision 4, is amended to read:

Subd. 4. Conduct of hearings. (a) All hearings held pursuant to subdivision 3, 3a, 3b, 232.20 or 4a shall be conducted according to the provisions of the federal Social Security Act and 232.21 the regulations implemented in accordance with that act to enable this state to qualify for 232.22 federal grants-in-aid, and according to the rules and written policies of the commissioner 232.23 of human services. County agencies shall install equipment necessary to conduct telephone 232.24 hearings. A state human services judge The Appeals Division may schedule a telephone 232.25 conference hearing when the distance or time required to travel to the county agency offices 232.26 will cause a delay in the issuance of an order, or to promote efficiency, or at the mutual 232.27 request of the parties. Hearings may be conducted by telephone conferences unless the 232.28 applicant, recipient, former recipient, person, or facility contesting maltreatment objects. 232.29 232.30 A human services judge The Appeals Division may grant a request for a hearing in person by holding the hearing by interactive video technology or in person. The human services 232.31 judge must hear the case in person if the person asserts that either the person or a witness 232.32 has a physical or mental disability that would impair the person's or witness's ability to fully 232.33 participate in a hearing held by interactive video technology. The hearing shall not be held 232.34

earlier than five days after filing of the required notice with the county or state agency. The 233.1 state human services judge The Appeals Division shall notify all interested persons of the 233.2 233.3 time, date, and location of the hearing at least five days before the date of the hearing. Interested persons may be represented by legal counsel or other representative of their 233.4 choice, including a provider of therapy services, at the hearing and may appear personally, 233.5 testify and offer evidence, and examine and cross-examine witnesses. The applicant, recipient, 233.6 former recipient, person, or facility contesting maltreatment shall have the opportunity to 233.7 233.8 examine the contents of the case file and all documents and records to be used by the county or state agency at the hearing at a reasonable time before the date of the hearing and during 233.9 the hearing. In hearings under subdivision 3, paragraph (a), clauses (4), (9), and (10), either 233 10 party may subpoen the private data relating to the investigation prepared by the agency 233.11 under section 626.556 or 626.557 that is not otherwise accessible under section 13.04, 233.12 provided the identity of the reporter may not be disclosed. 233.13

(b) The private data obtained by subpoena in a hearing under subdivision 3, paragraph 233.14 (a), clause (4), (9), or (10), must be subject to a protective order which prohibits its disclosure 233.15 for any other purpose outside the hearing provided for in this section without prior order of 233.16 the district court. Disclosure without court order is punishable by a sentence of not more 233.17 than 90 days imprisonment or a fine of not more than \$1,000, or both. These restrictions on 233.18 the use of private data do not prohibit access to the data under section 13.03, subdivision 233.19 6. Except for appeals under subdivision 3, paragraph (a), clauses (4), (5), (9), and (10), upon 233.20 request, the county agency shall provide reimbursement for transportation, child care, 233.21 photocopying, medical assessment, witness fee, and other necessary and reasonable costs 233.22 incurred by the applicant, recipient, or former recipient in connection with the appeal. All 233.23 evidence, except that privileged by law, commonly accepted by reasonable people in the 233.24 conduct of their affairs as having probative value with respect to the issues shall be submitted 233.25 at the hearing and such hearing shall not be "a contested case" within the meaning of section 233.26 14.02, subdivision 3. The agency must present its evidence prior to or at the hearing, and 233.27 may not submit evidence after the hearing except by agreement of the parties at the hearing, 233.28 233.29 provided the petitioner has the opportunity to respond. A party shall not submit evidence after the hearing except: (1) by agreement at the hearing between the appellant, the agency, 233.30 and the human services judge; (2) in response to new evidence; or (3) when the human 233.31 services judge determines that additional evidence is needed to sufficiently complete the 233.32 appeal file and make a fair and accurate decision. If a party submits evidence after the 233.33 hearing, consistent with an exception, the other party must be allowed sufficient opportunity 233.34

233.35 to respond to the evidence.

(c) In hearings under subdivision 3, paragraph (a), clauses (4), (9), and (10), involving
determinations of maltreatment or disqualification made by more than one county agency,
by a county agency and a state agency, or by more than one state agency, the hearings may
be consolidated into a single fair hearing upon the consent of all parties and the state human
services judge.

(d) For hearings under subdivision 3, paragraph (a), clause (4) or (10), involving a 234.6 vulnerable adult, the human services judge Appeals Division shall notify the vulnerable 234.7 adult who is the subject of the maltreatment determination and, if known, a guardian of the 234.8 vulnerable adult appointed under section 524.5-310, or a health care agent designated by 234.9 the vulnerable adult in a health care directive that is currently effective under section 145C.06 234.10 and whose authority to make health care decisions is not suspended under section 524.5-310, 234.11 of the hearing. The notice must be sent by certified mail and inform the vulnerable adult of 234.12 the right to file a signed written statement in the proceedings. A guardian or health care 234.13 agent who prepares or files a written statement for the vulnerable adult must indicate in the 234 14 statement that the person is the vulnerable adult's guardian or health care agent and sign the 234.15 statement in that capacity. The vulnerable adult, the guardian, or the health care agent may 234.16 file a written statement with the human services judge hearing the case Appeals Division 234.17 no later than five business days before commencement of the hearing. The human services 234.18 judge shall include the written statement in the hearing record and consider the statement 234.19 in deciding the appeal. This subdivision does not limit, prevent, or excuse the vulnerable 234.20 adult from being called as a witness testifying at the hearing or grant the vulnerable adult, 234.21 the guardian, or health care agent a right to participate in the proceedings or appeal the 234.22 human services judge's commissioner's decision in the case. The lead investigative agency 234.23 must consider including the vulnerable adult victim of maltreatment as a witness in the 234.24 hearing. If the lead investigative agency determines that participation in the hearing would 234.25 endanger the well-being of the vulnerable adult or not be in the best interests of the vulnerable 234.26 adult, the lead investigative agency shall inform the human services judge of the basis for 234.27 this determination, which must be included in the final order. If the human services judge 234 28 Appeals Division is not reasonably able to determine the address of the vulnerable adult, 234.29 the guardian, or the health care agent, the human services judge Appeals Division is not 234.30 required to send a hearing notice under this subdivision. 234.31

234.32 Sec. 32. Minnesota Statutes 2018, section 256.045, subdivision 5, is amended to read:

Subd. 5. Orders of the commissioner of human services. (a) A state human services judge shall conduct a hearing on the appeal and shall recommend an order to the commissioner of human services. The recommended order must be based on all relevant REVISOR

19-0019

evidence and must not be limited to a review of the propriety of the state or county agency's 235.1 action. A human services judge may take official notice of adjudicative facts. The 235.2 235.3 commissioner of human services may accept the recommended order of a state human services judge and issue the order to the county agency and the applicant, recipient, former 235.4 recipient, or prepaid health plan. The commissioner on refusing to accept the recommended 235.5 order of the state human services judge, shall notify the petitioner, the agency, or prepaid 235.6 health plan of that fact and shall state reasons therefor and shall allow each party at least 235.7 235.8 ten days' time to submit additional written argument on the matter. After the expiration of the ten-day comment period, the commissioner shall issue an order on the matter to the 235.9 petitioner, the agency, or prepaid health plan. 235.10

(b) A party aggrieved by an order of the commissioner may appeal under subdivision 235.11 7, or request reconsideration by the commissioner within 30 days after the date the 235.12 commissioner issues the order. The commissioner may reconsider an order upon request of 235.13 any party or on the commissioner's own motion. A request for reconsideration does not stay 235.14 implementation of the commissioner's order. The person seeking reconsideration has the 235.15 burden to demonstrate why the matter should be reconsidered. The request for reconsideration 235.16 may include legal argument and proposed additional evidence supporting the request. If 235.17 proposed additional evidence is submitted, the person must explain why the proposed 235.18 additional evidence was not provided at the time of the hearing. If reconsideration is granted, 235.19 the other participants must be sent a copy of all material submitted in support of the request 235.20 for reconsideration and must be given at least ten days to respond. Upon reconsideration, 235.21 the commissioner may issue an amended order or an order affirming the original order. 235.22

(c) Any order of the commissioner issued under this subdivision shall be conclusive
upon the parties unless appeal is taken in the manner provided by subdivision 7. Any order
of the commissioner is binding on the parties and must be implemented by the state agency,
a county agency, or a prepaid health plan according to subdivision 3a, until the order is
reversed by the district court, or unless the commissioner or a district court orders monthly
assistance or aid or services paid or provided under subdivision 10.

(d) A vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor
under contract with a county agency to provide social services is not a party and may not
request a hearing or seek judicial review of an order issued under this section, unless assisting
a recipient as provided in subdivision 4. A prepaid health plan is a party to an appeal under
subdivision 3a, but cannot seek judicial review of an order issued under this section.

236.1 Sec. 33. Minnesota Statutes 2018, section 256.045, subdivision 6, is amended to read:

Subd. 6. Additional powers of commissioner; subpoenas. (a) The commissioner of 236.2 human services, or the commissioner of health for matters within the commissioner's 236.3 jurisdiction under subdivision 3b, may initiate a review of any action or decision of a county 236.4 agency and direct that the matter be presented to a state human services judge for a hearing 236.5 held under subdivision 3, 3a, 3b, or 4a. In all matters dealing with human services committed 236.6 by law to the discretion of the county agency, the commissioner's judgment may be 236.7 substituted for that of the county agency. The commissioner may order an independent 236.8 examination when appropriate. 236.9

(b) Any party to a hearing held pursuant to subdivision 3, 3a, 3b, or 4a may request that the commissioner issue a subpoena to compel the attendance of witnesses and the production of records at the hearing. A local agency may request that the commissioner issue a subpoena to compel the release of information from third parties prior to a request for a hearing under section 256.046 upon a showing of relevance to such a proceeding. The issuance, service, and enforcement of subpoenas under this subdivision is governed by section 357.22 and the Minnesota Rules of Civil Procedure.

(c) The commissioner may issue a temporary order staying a proposed demission by a
 residential facility licensed under chapter 245A:

236.19 (1) while an appeal by a recipient under subdivision 3 is pending;

(2) for the period of time necessary for the case management provider to implement thecommissioner's order; or

(3) for appeals under subdivision 3, paragraph (a), <u>elause clauses</u> (12) and (14), when the individual is seeking a temporary stay of demission on the basis that the county has not yet finalized an alternative arrangement for a residential facility, a program, or services that will meet the assessed needs of the individual by the effective date of the service termination, a temporary stay of demission may be issued for no more than 30 calendar days to allow for such arrangements to be finalized.

236.28 Sec. 34. Minnesota Statutes 2018, section 256.045, subdivision 10, is amended to read:

Subd. 10. **Payments pending appeal.** If the commissioner of human services or district court orders monthly assistance or aid or services paid or provided in any proceeding under this section, it shall be paid or provided pending appeal to the commissioner of human services, district court, court of appeals, or supreme court. The human services judge commissioner may order the local human services agency to reduce or terminate medical REVISOR

19-0019

assistance to a recipient before a final order is issued under this section if: (1) the human 237.1 services judge determines at the hearing that the sole issue on appeal is one of a change in 237.2 state or federal law; and (2) the commissioner or the local agency notifies the recipient 237.3 before the action. The state or county agency has a claim for food stamps, food support, 237.4 cash payments, medical assistance, and MinnesotaCare program payments made to or on 237.5 behalf of a recipient or former recipient while an appeal is pending if the recipient or former 237.6 recipient is determined ineligible for the food stamps, food support, cash payments, medical 237.7 237.8 assistance, or MinnesotaCare as a result of the appeal, except for medical assistance made on behalf of a recipient pursuant to a court order. In enforcing a claim on MinnesotaCare 237.9 program payments, the state or county agency shall reduce the claim amount by the value 237.10 of any premium payments made by a recipient or former recipient during the period for 237.11 which the recipient or former recipient has been determined to be ineligible. Provision of 237.12 a health care service by the state agency under medical assistance or MinnesotaCare pending 237.13 appeal shall not render moot the state agency's position in a court of law. 237.14

237.15 Sec. 35. Minnesota Statutes 2018, section 256.0451, subdivision 1, is amended to read:

Subd. 3. Agency appeal summary. (a) Except in fair hearings and appeals under section 238.4 256.045, subdivision 3, paragraph (a), clauses (4), (9), and (10), (12), (14), and (15), the 238.5 agency involved in an appeal must prepare a state agency appeal summary for each fair 238.6 238.7 hearing appeal. The state agency appeal summary shall be mailed or otherwise delivered to the person who is involved in the appeal at least three working days before the date of 238.8 the hearing. The state agency appeal summary must also be mailed or otherwise delivered 238.9 to the department's Appeals Office Division at least three working days before the date of 238.10 the fair hearing appeal. 238.11

(b) In addition, the human services judge shall confirm that the state agency appeal summary is mailed or otherwise delivered to the person involved in the appeal as required under paragraph (a). The person involved in the fair hearing should be provided, through the state agency appeal summary or other reasonable methods, appropriate information about the procedures for the fair hearing and an adequate opportunity to prepare. These requirements apply equally to the state agency or an entity under contract when involved in the appeal.

(c) The contents of the state agency appeal summary must be adequate to inform the
person involved in the appeal of the evidence on which the agency relies and the legal basis
for the agency's action or determination.

238.22 Sec. 37. Minnesota Statutes 2018, section 256.0451, subdivision 5, is amended to read:

Subd. 5. **Prehearing conferences.** (a) The human services judge prior to <u>Before</u> a fair hearing appeal, the Appeals Division may hold a prehearing conference to further the interests of justice or efficiency and must include the person involved in the appeal. A person involved in a fair hearing appeal or the agency may request a prehearing conference. The prehearing conference may be conducted by telephone, in person, or in writing. The prehearing conference may address the following:

Article 7 Sec. 37.

(b) The human services judge <u>Appeals Division</u> shall make a record or otherwise
contemporaneously summarize the prehearing conference in writing, which shall be sent
to both the person involved in the hearing, the person's attorney or authorized representative,
and the agency. A human services judge may make and issue rulings and orders while the
appeal is pending. During the pendency of the appeal, these rulings and orders are not subject
to a request for reconsideration or appeal. These rulings and orders are subject to review
under subdivision 24 and section 256.045, subdivision 7.

239.10 Sec. 38. Minnesota Statutes 2018, section 256.0451, subdivision 6, is amended to read:

239.11 Subd. 6. Appeal request for emergency assistance or urgent matter. (a) When an appeal involves an application for emergency assistance, the agency involved shall mail or 239.12 otherwise deliver the state agency appeal summary to the department's Appeals Office 239.13 Division within two working days of receiving the request for an appeal. A person may also 239.14 request that a fair hearing be held on an emergency basis when the issue requires an 239.15 immediate resolution. The human services judge Appeals Division shall schedule the fair 239.16 hearing on the earliest available date according to the urgency of the issue involved. Issuance 239.17 of the recommended decision after an emergency hearing shall be expedited. 239.18

(b) The commissioner shall issue a written decision within five working days of receiving
the recommended decision, shall immediately inform the parties of the outcome by telephone,
and shall mail send the decision to each party no later than two working days following the
date of the decision.

239.23 Sec. 39. Minnesota Statutes 2018, section 256.0451, subdivision 7, is amended to read:

Subd. 7. Continuance, rescheduling, or adjourning a hearing. (a) A person involved in a fair hearing, or the agency, may request a continuance, a rescheduling, or an adjournment of a hearing for a reasonable period of time. The grounds for granting a request for a continuance, a rescheduling, or adjournment of a hearing include, but are not limited to, the following:

(1) to reasonably accommodate the appearance of a witness;

(2) to ensure that the person <u>or agency</u> has adequate opportunity for preparation and for
 presentation of evidence and argument;

(3) to ensure that the person or the agency has adequate opportunity to review, evaluate,

and respond to new evidence, or where appropriate, to require that the person or agency
review, evaluate, and respond to new evidence;

(4) to permit the person involved and the agency to negotiate toward resolution of someor all of the issues where both agree that additional time is needed;

240.6 (5) to permit the agency to reconsider a previous action or determination;

240.7 (6) to permit or to require the performance of actions not previously taken; and

240.8 (7) to accommodate a person's or agency's conflict of previously scheduled appointments;

240.9 (8) to accommodate a person's physical or mental illness;

240.10 (9) to accommodate an interpreter, translator, or other service when necessary to

240.11 accommodate a person with a disability; or

 $\frac{(7)(10)}{(10)}$ to provide additional time or to permit or require additional activity by the person or agency as the interests of fairness may require.

(b) Requests for continuances or for rescheduling may be made orally or in writing. The 240.14 person or agency requesting the continuance or rescheduling must first make reasonable 240.15 efforts to contact the other participants in the hearing or their representatives and seek to 240.16 obtain an agreement on the request. Requests for continuance or rescheduling should be 240.17 made no later than three working days before the scheduled date of the hearing, unless there 240.18 is a good cause as specified in subdivision 13. When a request to reschedule a hearing is 240.19 received less than five calendar days before the scheduled hearing date, the requesting party 240.20 must attempt to notify the other party of the request and provide the other party an opportunity 240.21 to object. When a request to reschedule a hearing is received less than 24 hours before the 240.22 scheduled hearing date, the Appeals Division must consider the potential prejudicial effect 240.23 and burdens on the parties in reviewing the request. Unless the Appeals Division makes a 240.24 written determination that a request to reschedule a hearing was made to unnecessarily delay 240.25 the proceeding or that a party's objection and the reason for the objection outweighs the 240.26 need to reschedule, the hearing must be rescheduled for good cause. Granting a continuance 240.27 or rescheduling may be conditioned upon a waiver by the requester of applicable time limits 240.28 but should not cause unreasonable delay. 240.29

240.30 Sec. 40. Minnesota Statutes 2018, section 256.0451, subdivision 9, is amended to read:

Subd. 9. No ex parte contact. The human services judge shall not have ex parte contact on substantive issues with the agency or with any person or witness in a fair hearing appeal.

No employee of the department or agency shall review, interfere with, change, or attempt to influence the recommended decision of the human services judge in any fair hearing appeal, except through the procedure allowed in subdivision 18. The limitations in this subdivision do not affect the commissioner's authority to: (1) review or reconsider decisions or make final decisions; (2) establish policies and procedures to process and administer fair hearing appeals; or (3) require human services judges to address deficiencies in

241.7 <u>recommended decisions.</u>

Sec. 41. Minnesota Statutes 2018, section 256.0451, subdivision 10, is amended to read: 241.8 Subd. 10. Telephone or face-to-face hearing. A fair hearing appeal may be conducted 241.9 by telephone, by other electronic media, or by an in-person, face-to-face hearing. At the 241.10 request of the person involved in a fair hearing appeal or their representative, a face-to-face 241.11 hearing shall be conducted with all participants personally present before the human services 241.12 judge. A human services judge may satisfy a request for an in-person hearing by holding 241.13 241.14 the hearing using interactive video technology or in person. However, the human services judge must hold an in-person hearing if a party asserts that either the party or a witness has 241.15 a physical or mental disability that would impair the party's or witness's ability to fully 241.16 participate in a hearing held using interactive video technology. 241.17

241.18 Sec. 42. Minnesota Statutes 2018, section 256.0451, subdivision 11, is amended to read:

Subd. 11. Hearing facilities and equipment. (a) If an in-person hearing is held, the 241.19 human services judge shall conduct the hearing in the county where the person involved 241.20 resides, unless an alternate location is mutually agreed upon before the hearing, or unless 241.21 the person has agreed to a hearing by telephone. In-person hearings under section 256.045, 241.22 subdivision 3, paragraph (a), clauses (4), (9), and (10), must be conducted in the county 241.23 where the determination was made, unless an alternate location is mutually agreed upon 241.24 241.25 before the hearing. The hearing room used for an in-person hearing shall be of sufficient size and layout to adequately accommodate both the number of individuals participating in 241.26 the hearing and any identified special needs of any individual participating in the hearing. 241.27

(b) The human services judge shall ensure that all communication and recording
equipment that is necessary to conduct the hearing and to create an adequate record is present
and functioning properly. If any necessary communication or recording equipment fails or
ceases to operate effectively, the human services judge shall take any steps necessary,
including stopping or adjourning the hearing, until the necessary equipment is present and

REVISOR

functioning properly. All reasonable efforts shall be undertaken to prevent and avoid anydelay in the hearing process caused by defective communication or recording equipment.

242.3 Sec. 43. Minnesota Statutes 2018, section 256.0451, subdivision 12, is amended to read:

Subd. 12. Interpreter and translation services. The human services judge has a duty 242.4 to inquire and to determine whether any participant in the hearing needs the services of an 242.5 interpreter or translator in order to participate in or to understand the hearing process. 242.6 242.7 Necessary interpreter or translation services must be provided by the agency taking the action in the appeal at no charge to the person involved in the hearing. If it appears that 242.8 interpreter or translation services are needed but are not available for the scheduled hearing, 242.9 the human services judge shall continue or postpone the hearing until appropriate services 242.10 can be provided. 242.11

242.12 Sec. 44. Minnesota Statutes 2018, section 256.0451, subdivision 13, is amended to read:

Subd. 13. Failure to appear; <u>withdrawal; good cause. (a)</u> If a person involved in a fair hearing appeal fails to appear at the hearing, the human services judge may dismiss the appeal. The human services judge may also dismiss the appeal if the person clearly indicates, orally or in writing, the person's wish to withdraw the appeal.

(b) The human services judge <u>Appeals Division</u> may reopen the appeal if within ten working <u>30</u> days after the date of the dismissal the person files information in writing with the <u>human services judge <u>Appeals Division</u> to show good cause for <u>withdrawing or not</u> appearing. Good cause can be shown when there is:</u>

242.21 (1) a death or serious illness in the person's family;

(2) a personal injury or illness which reasonably prevents the person from attending thehearing;

(3) an emergency, crisis, or unforeseen event which reasonably prevents the person fromattending the hearing;

(4) an obligation or responsibility of the person which a reasonable person, in the conduct
of one's affairs, could reasonably determine takes precedence over attending the hearing;

(5) lack of or failure to receive timely notice of the hearing in the preferred language ofthe person involved in the hearing; and

242.30 (6) erroneous belief that the matter on appeal had been resolved in the person's favor;
242.31 and

243.1 (6) (7) excusable neglect, excusable inadvertence, excusable mistake, or other good
 243.2 cause as determined by the human services judge <u>Appeals Division</u>.

243.3 Sec. 45. Minnesota Statutes 2018, section 256.0451, subdivision 19, is amended to read:

Subd. 19. Developing the record. The human services judge shall accept all evidence, 243.4 except evidence privileged by law, that is commonly accepted by reasonable people in the 243.5 conduct of their affairs as having probative value on the issues to be addressed at the hearing. 243.6 Except in fair hearings and appeals under section 256.045, subdivision 3, paragraph (a), 243.7 clauses (4), (9), (10), and (12), (14), and (15), in cases involving medical issues such as a 243.8 diagnosis, a physician's report, or a review team's decision, the human services judge shall 243.9 consider whether it is necessary to have a medical assessment other than that of the individual 243.10 making the original decision. When necessary, the human services judge shall require an 243.11 additional assessment be obtained at agency expense and made part of the hearing record. 243.12 The human services judge shall ensure for all cases that the record is sufficiently complete 243.13 243.14 to make a fair and accurate decision.

Sec. 46. Minnesota Statutes 2018, section 256.0451, subdivision 21, is amended to read: 243.15 Subd. 21. Closing of the record. The agency must present its evidence prior to or at the 243.16 hearing. The agency shall not be permitted to submit evidence after the hearing except by 243.17 agreement at the hearing between the person involved, the agency, and the human services 243.18 judge. If evidence is submitted after the hearing, based on such an agreement, the person 243.19 involved and the agency must be allowed sufficient opportunity to respond to the evidence. 243.20 When necessary, the record shall remain open to permit a person to submit additional 243.21 evidence on the issues presented at the hearing. A party shall not submit evidence after the 243.22 hearing except: (1) by agreement at the hearing between the appellant, the agency, and the 243.23 human services judge; (2) in response to new evidence; or (3) when the human services 243.24 243.25 judge determines that additional evidence is needed to sufficiently complete the appeal record and make a fair and accurate decision. If a party submits evidence after the hearing, 243.26 consistent with an exception, the other party must be allowed sufficient opportunity to 243.27

243.28 respond to the evidence.

Sec. 47. Minnesota Statutes 2018, section 256.0451, subdivision 22, is amended to read: Subd. 22. **Decisions.** A timely, written decision must be issued in every appeal. Each decision must contain a clear ruling on the issues presented in the appeal hearing and should contain a ruling only on questions directly presented by the appeal and the arguments raised in the appeal.

02/28/19

19-0019

(a) A written decision must be issued within 90 days of the date the person involved 244.1 requested the appeal unless a shorter time is required by law. An additional 30 days is 244.2 244.3 provided in those cases where the commissioner refuses to accept the recommended decision. Unless otherwise required by federal or state law, the time to issue the decision is extended 244.4 by the number of days a hearing is continued or the record held open in response to a 244.5 documented request by the person involved, and by the time the appeal is suspended pursuant 244.6 to section 256.045, subdivision 3, paragraph (b). In appeals of maltreatment determinations 244.7 244.8 or disqualifications filed pursuant to section 256.045, subdivision 3, paragraph (a), clause (4), (9), or (10), that also give rise to possible licensing actions, the 90-day period for issuing 244.9 final decisions does not begin until the later of the date that the licensing authority provides 244.10 notice to the appeals division that the authority has made the final determination in the 244.11

244.12 matter or the date the appellant files the last appeal in the consolidated matters.

(b) The decision must contain both findings of fact and conclusions of law, clearly 244.13 separated and identified. The findings of fact must be based on the entire record. Each 244 14 finding of fact made by the human services judge shall be supported by a preponderance 244.15 of the evidence unless a different standard is required under the regulations of a particular 244.16 program. The "preponderance of the evidence" means, in light of the record as a whole, the 244.17 evidence leads the human services judge to believe that the finding of fact is more likely to 244.18 be true than not true. The legal claims or arguments of a participant do not constitute either 244.19 a finding of fact or a conclusion of law, except to the extent the human services judge adopts 244.20 an argument as a finding of fact or conclusion of law. 244.21

244.22 The decision shall contain at least the following:

244.23 (1) a listing of the date and place of the hearing and the participants at the hearing;

(2) a clear and precise statement of the issues, including the dispute under consideration
and the specific points which must be resolved in order to decide the case;

(3) a listing of the material, including exhibits, records, reports, placed into evidence atthe hearing, and upon which the hearing decision is based;

(4) the findings of fact based upon the entire hearing record. The findings of fact must
be adequate to inform the participants and any interested person in the public of the basis
of the decision. If the evidence is in conflict on an issue which must be resolved, the findings
of fact must state the reasoning used in resolving the conflict;

(5) conclusions of law that address the legal authority for the hearing and the ruling, andwhich give appropriate attention to the claims of the participants to the hearing;

(6) a clear and precise statement of the decision made resolving the dispute underconsideration in the hearing; and

(7) written notice of the right to appeal to district court or to request reconsideration,
and of the actions required and the time limits for taking appropriate action to appeal to
district court or to request a reconsideration.

(c) The human services judge shall not independently investigate facts or otherwise rely
on information not presented at the hearing. The human services judge may not contact
other agency personnel, except as provided in subdivision 18. The human services judge's
recommended decision must be based exclusively on the testimony and evidence presented
at the hearing, and legal arguments presented, and the human services judge's research and
knowledge of the law.

245.12 (d) The commissioner will shall review the recommended decision and accept or refuse to accept the decision according to section 256.045, subdivision 5. The commissioner may 245.13 return the recommended decision to the human services judge to address deficiencies before 245.14 accepting or refusing to accept the decision. The commissioner may include a memorandum 245.15 with an accepted decision to clarify or distinguish how the commissioner's findings of fact 245.16 or conclusions of law differ from the recommended decision. If the commissioner refuses 245.17 to accept a human services judge's recommended decision that recommends dismissal of 245.18 the appeal on procedural grounds, the commissioner may remand the case back to the human 245.19 services judge to make a recommended decision on the merits instead of requiring the parties 245.20

245.21 to follow the process described in subdivision 23.

245.22 Sec. 48. Minnesota Statutes 2018, section 256.0451, subdivision 23, is amended to read:

Subd. 23. **Refusal to accept recommended orders.** (a) If the commissioner refuses to accept the recommended order from the human services judge, the person involved, the person's attorney Θr_2 authorized representative, <u>or advocate</u>, and the agency shall be sent a copy of the recommended order, a detailed explanation of the basis for refusing to accept the recommended order, and the proposed modified order.

(b) The person involved and the agency shall have at least ten business days to respond
to the proposed modification of the recommended order. The person involved and the agency
may submit a legal argument concerning the proposed modification, and may propose to
submit additional evidence that relates to the proposed modified order.

Sec. 49. Minnesota Statutes 2018, section 256.0451, subdivision 24, is amended to read:

Subd. 24. Reconsideration. (a) Reconsideration may be requested within 30 days of 246.2 the date of the commissioner's final order. If reconsideration is requested under section 246 3 256.045, subdivision 5, the other participants in the appeal shall be informed of the request. 246.4 The person seeking reconsideration has the burden to demonstrate why the matter should 246.5 be reconsidered. The request for reconsideration may include legal argument and may 246.6 include proposed additional evidence supporting the request. The other participants shall 246.7 246.8 be sent a copy of all material submitted in support of the request for reconsideration and must be given at least ten days to respond. 246.9

(b) When the requesting party raises a question as to the appropriateness of the findings of fact, the commissioner shall review the entire record.

(c) When the requesting party questions the appropriateness of a conclusion of law, the
commissioner shall consider the recommended decision, the decision under reconsideration,
and the material submitted in connection with the reconsideration. The commissioner shall
review the remaining record as necessary to issue a reconsidered decision.

(d) The commissioner shall issue a written decision on reconsideration in a timely fashion.
The decision must clearly inform the parties that this constitutes the final administrative
decision, advise the participants of the right to seek judicial review, and the deadline for
doing so.

246.20 Sec. 50. Minnesota Statutes 2018, section 256.046, subdivision 1, is amended to read:

Subdivision 1. Hearing authority. A local agency must initiate an administrative fraud 246.21 disqualification hearing for individuals, including child care providers caring for children 246.22 receiving child care assistance, accused of wrongfully obtaining assistance or intentional 246.23 program violations, in lieu of a criminal action when it has not been pursued, in the Minnesota 246.24 family investment program and any affiliated program to include the diversionary work 246 25 program and the work participation cash benefit program, child care assistance programs, 246.26 general assistance, family general assistance program formerly codified in section 256D.05, 246.27 subdivision 1, clause (15), Minnesota supplemental aid, food stamp programs, MinnesotaCare 246.28 for adults without children, and upon federal approval, all categories of medical assistance 246.29 and remaining categories of MinnesotaCare except for children through age 18. The 246.30 Department of Human Services, in lieu of a local agency, may initiate an administrative 246.31 fraud disqualification hearing when the state agency is directly responsible for administration 246.32 or investigation of the program for which benefits were wrongfully obtained. 247.12 the medical necessity of a recipient's hospital admission. The tool must be used in conjunction

247.13 with the recipient's medical conditions and records. The commissioner's tool designation is

247.14 not subject to administrative appeal and is not subject to the requirements of chapter 14,

247.15 including section 14.386. This paragraph supersedes any contrary rule or law.

(b) "Vendor of medical care" also includes any person who is credentialed as a health

Subd. 7. Licensing moratorium. (a) The commissioner shall not issue an initial license 269.24 for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, or adult 269.25 foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter 269.26 for a physical location that will not be the primary residence of the license holder for the 269.27 entire period of licensure. If a license is issued during this moratorium, and the license 269.28 holder changes the license holder's primary residence away from the physical location of 269.29 the foster care license, the commissioner shall revoke the license according to section 269.30 245A.07. The commissioner shall not issue an initial license for a community residential 269.31 setting licensed under chapter 245D. When approving an exception under this paragraph, 269.32 the commissioner shall consider the resource need determination process in paragraph (h), 269.33

270.5 (1) foster care settings that are required to be registered under chapter 144D;

(2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or
community residential setting licenses replacing adult foster care licenses in existence on
December 31, 2013, and determined to be needed by the commissioner under paragraph
(b);

(3) new foster care licenses or community residential setting licenses determined to be
needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,
or regional treatment center; restructuring of state-operated services that limits the capacity
of state-operated facilities; or allowing movement to the community for people who no
longer require the level of care provided in state-operated facilities as provided under section
256B.092, subdivision 13, or 256B.49, subdivision 24;

(4) new foster care licenses or community residential setting licenses determined to beneeded by the commissioner under paragraph (b) for persons requiring hospital level care;

(5) new foster care licenses or community residential setting licenses determined to be
 needed by the commissioner for the transition of people from personal care assistance to
 the home and community-based services;

(6) (5) new foster care licenses or community residential setting licenses determined to be needed by the commissioner for the transition of people from the residential care waiver services to foster care services. This exception applies only when:

(i) the person's case manager provided the person with information about the choice of
service, service provider, and location of service to help the person make an informed choice;
and

(ii) the person's foster care services are less than or equal to the cost of the person's
services delivered in the residential care waiver service setting as determined by the lead
agency; or

(7) (6) new foster care licenses or community residential setting licenses for people
receiving services under chapter 245D and residing in an unlicensed setting before May 1,
270.32 2017, and for which a license is required. This exception does not apply to people living in
their own home. For purposes of this clause, there is a presumption that a foster care or

community residential setting license is required for services provided to three or more
people in a dwelling unit when the setting is controlled by the provider. A license holder
subject to this exception may rebut the presumption that a license is required by seeking a
reconsideration of the commissioner's determination. The commissioner's disposition of a
request for reconsideration is final and not subject to appeal under chapter 14. The exception
is available until June 30, 2018. This exception is available when:

(i) the person's case manager provided the person with information about the choice of
service, service provider, and location of service, including in the person's home, to help
the person make an informed choice; and

(ii) the person's services provided in the licensed foster care or community residential
setting are less than or equal to the cost of the person's services delivered in the unlicensed
setting as determined by the lead agency.

(b) The commissioner shall determine the need for newly licensed foster care homes or community residential settings as defined under this subdivision. As part of the determination, the commissioner shall consider the availability of foster care capacity in the area in which the licensee seeks to operate, and the recommendation of the local county board. The determination by the commissioner must be final. A determination of need is not required for a change in ownership at the same address.

(c) When an adult resident served by the program moves out of a foster home that is not
the primary residence of the license holder according to section 256B.49, subdivision 15,
paragraph (f), or the adult community residential setting, the county shall immediately
inform the Department of Human Services Licensing Division. The department may decrease
the statewide licensed capacity for adult foster care settings.

(d) Residential settings that would otherwise be subject to the decreased license capacity
established in paragraph (c) shall be exempt if the license holder's beds are occupied by
residents whose primary diagnosis is mental illness and the license holder is certified under
the requirements in subdivision 6a or section 245D.33.

(e) A resource need determination process, managed at the state level, using the available
reports required by section 144A.351, and other data and information shall be used to
determine where the reduced capacity determined under section 256B.493 will be
implemented. The commissioner shall consult with the stakeholders described in section
144A.351, and employ a variety of methods to improve the state's capacity to meet the
informed decisions of those people who want to move out of corporate foster care or
community residential settings, long-term service needs within budgetary limits, including

seeking proposals from service providers or lead agencies to change service type, capacity,
or location to improve services, increase the independence of residents, and better meet
needs identified by the long-term services and supports reports and statewide data and
information.

(f) At the time of application and reapplication for licensure, the applicant and the license 272.5 holder that are subject to the moratorium or an exclusion established in paragraph (a) are 272.6 required to inform the commissioner whether the physical location where the foster care 272.7 will be provided is or will be the primary residence of the license holder for the entire period 272.8 of licensure. If the primary residence of the applicant or license holder changes, the applicant 272.9 or license holder must notify the commissioner immediately. The commissioner shall print 272.10 on the foster care license certificate whether or not the physical location is the primary 272.11 residence of the license holder. 272.12

(g) License holders of foster care homes identified under paragraph (f) that are not the primary residence of the license holder and that also provide services in the foster care home that are covered by a federally approved home and community-based services waiver, as authorized under section 256B.0915, 256B.092, or 256B.49, must inform the human services licensing division that the license holder provides or intends to provide these waiver-funded services.

(h) The commissioner may adjust capacity to address needs identified in section 272.19 144A.351. Under this authority, the commissioner may approve new licensed settings or 272.20 delicense existing settings. Delicensing of settings will be accomplished through a process 272.21 identified in section 256B.493. Annually, by August 1, the commissioner shall provide 272.22 information and data on capacity of licensed long-term services and supports, actions taken 272 23 under the subdivision to manage statewide long-term services and supports resources, and 272.24 any recommendations for change to the legislative committees with jurisdiction over the 272.25 health and human services budget. 272.26

(i) The commissioner must notify a license holder when its corporate foster care or 272.27 community residential setting licensed beds are reduced under this section. The notice of 272.28 reduction of licensed beds must be in writing and delivered to the license holder by certified 272.29 mail or personal service. The notice must state why the licensed beds are reduced and must 272.30 inform the license holder of its right to request reconsideration by the commissioner. The 272.31 license holder's request for reconsideration must be in writing. If mailed, the request for 272.32 reconsideration must be postmarked and sent to the commissioner within 20 calendar days 272.33 after the license holder's receipt of the notice of reduction of licensed beds. If a request for 272.34

reconsideration is made by personal service, it must be received by the commissioner within
273.2 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

(j) The commissioner shall not issue an initial license for children's residential treatment 273.3 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter 273.4 for a program that Centers for Medicare and Medicaid Services would consider an institution 273.5 for mental diseases. Facilities that serve only private pay clients are exempt from the 273.6 moratorium described in this paragraph. The commissioner has the authority to manage 273.7 existing statewide capacity for children's residential treatment services subject to the 273.8 moratorium under this paragraph and may issue an initial license for such facilities if the 273.9 initial license would not increase the statewide capacity for children's residential treatment 273.10 services subject to the moratorium under this paragraph. 273.11

273.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

273.13 Sec. 6. Minnesota Statutes 2018, section 245C.03, subdivision 2, is amended to read:

must submit a completed background study request to the commissioner using the electronic
system known as NETStudy before those individuals begin a position allowing direct contact
with persons served by the organization.

need-based methods for allocating to local agencies the home and community-based waivered
service resources available to support recipients with disabilities in need of the level of care

provided in a nursing facility or a hospital. The commissioner shall allocate resources to
 single counties and county partnerships in a manner that reflects consideration of:

322.3 (1) an incentive-based payment process for achieving outcomes;

322.4 (2) the need for a state-level risk pool;

322.5 (3) the need for retention of management responsibility at the state agency level; and

322.7 (c) Until the allocation methods described in paragraph (b) are implemented, the annual
allowable reimbursement level of home and community-based waiver services shall be the

provider rate increase appropriated for home and community-based services; or

322.13 (2) an amount approved by the commissioner based on the recipient's extraordinary needs that cannot be met within the current allowable reimbursement level. The increased 322.14 reimbursement level must be necessary to allow the recipient to be discharged from an 322.15 institution or to prevent imminent placement in an institution. The additional reimbursement 322.16 may be used to secure environmental modifications; assistive technology and equipment; 322 17 and increased costs for supervision, training, and support services necessary to address the 322.18 recipient's extraordinary needs. The commissioner may approve an increased reimbursement 322 19 level for up to one year of the recipient's relocation from an institution or up to six months 322.20 of a determination that a current waiver recipient is at imminent risk of being placed in an 322.21 institution. 322.22

or licensed practical nurse services under any home and community-based waiver as of
January 1, 2001, shall not be reduced.

(e) Notwithstanding section 252.28, subdivision 3, paragraph (d), if the 2009 legislature adopts a rate reduction that impacts payment to providers of adult foster care services, the commissioner may issue adult foster care licenses that permit a capacity of five adults. The application for a five-bed license must meet the requirements of section 245A.11, subdivision 22.32 2a. Prior to admission of the fifth recipient of adult foster care services, the county must negotiate a revised per diem rate for room and board and waiver services that reflects the

legislated rate reduction and results in an overall average per diem reduction for all foster
care recipients in that home. The revised per diem must allow the provider to maintain, as
much as possible, the level of services or enhanced services provided in the residence, while
mitigating the losses of the legislated rate reduction.

EFFECTIVE DATE. This section is effective as determined by the commissioner of human services following federal approval but not more than two years after federal approval is obtained. The commissioner of human services shall notify the revisor of statutes when federal approval is obtained.

to the populations served, and must be developed with input from external clinical experts 330.1 and stakeholders, including managed care plans, county-based purchasing plans, and 330.2 330.3 providers. The managed care or county-based purchasing plan must demonstrate, to the commissioner's satisfaction, that the data submitted regarding attainment of the performance 330.4 target is accurate. The commissioner shall periodically change the administrative measures 330.5 used as performance targets in order to improve plan performance across a broader range 330.6 of administrative services. The performance targets must include measurement of plan 330.7 330.8 efforts to contain spending on health care services and administrative activities. The commissioner may adopt plan-specific performance targets that take into account factors 330.9 affecting only one plan, including characteristics of the plan's enrollee population. The 330.10 withheld funds must be returned no sooner than July of the following year if performance 330.11 targets in the contract are achieved. The commissioner may exclude special demonstration 330.12 projects under subdivision 23. 330.13

(d) The commissioner shall require that managed care plans use the assessment and

For 2012, the reduction shall be based on 330.23 the health plan's utilization in 2009. To earn the return of the withhold each subsequent 330.24 year, the managed care plan or county-based purchasing plan must achieve a qualifying 330.25 reduction of no less than ten percent of the plan's emergency department utilization rate for 330.26 medical assistance and MinnesotaCare enrollees, excluding enrollees in programs described 330.27 in subdivisions 23 and 28, compared to the previous measurement year until the final 330.28 performance target is reached. When measuring performance, the commissioner must 330.29 consider the difference in health risk in a managed care or county-based purchasing plan's 330.30 membership in the baseline year compared to the measurement year, and work with the 330.31 managed care or county-based purchasing plan to account for differences that they agree 330.32 are significant. 330.33

The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if the managed care plan or county-based purchasing plan

demonstrates to the satisfaction of the commissioner that a reduction in the utilization rate
was achieved. The commissioner shall structure the withhold so that the commissioner
returns a portion of the withheld funds in amounts commensurate with achieved reductions
in utilization less than the targeted amount.

The withhold described in this paragraph shall continue for each consecutive contract period until the plan's emergency room utilization rate for state health care program enrollees is reduced by 25 percent of the plan's emergency room utilization rate for medical assistance and MinnesotaCare enrollees for calendar year 2009. Hospitals shall cooperate with the health plans in meeting this performance target and shall accept payment withholds that may be returned to the hospitals if the performance target is achieved.

The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if the managed care plan or county-based purchasing plan demonstrates to the satisfaction of the commissioner that this reduction in the hospitalization rate was achieved. The commissioner shall structure the withhold so that the commissioner returns a portion of the withheld funds in amounts commensurate with achieved reductions in utilization less than the targeted amount.

The withhold described in this paragraph shall continue until there is a 25 percent reduction in the hospital admission rate compared to the hospital admission rates in calendar year 2011, as determined by the commissioner. The hospital admissions in this performance target do not include the admissions applicable to the subsequent hospital admission performance target under paragraph (g). Hospitals shall cooperate with the plans in meeting this performance target and shall accept payment withholds that may be returned to the hospitals if the performance target is achieved.

To earn the return of the withhold each year, 332.5 the managed care plan or county-based purchasing plan must achieve a qualifying reduction 332.6 of the subsequent hospitalization rate for medical assistance and MinnesotaCare enrollees, 332.7 332.8 excluding enrollees in programs described in subdivisions 23 and 28, of no less than five percent compared to the previous calendar year until the final performance target is reached. 332.9

The withheld funds must be returned no sooner than July 1 and no later than July 31 of the following calendar year if the managed care plan or county-based purchasing plan demonstrates to the satisfaction of the commissioner that a qualifying reduction in the subsequent hospitalization rate was achieved. The commissioner shall structure the withhold so that the commissioner returns a portion of the withheld funds in amounts commensurate with achieved reductions in utilization less than the targeted amount.

The withhold described in this paragraph must continue for each consecutive contract period until the plan's subsequent hospitalization rate for medical assistance and MinnesotaCare enrollees, excluding enrollees in programs described in subdivisions 23 and 28, is reduced by 25 percent of the plan's subsequent hospitalization rate for calendar year 2011. Hospitals shall cooperate with the plans in meeting this performance target and shall accept payment withholds that must be returned to the hospitals if the performance target 332.22 is achieved.

The budgeted appropriation will be adjusted annually to accommodate changes in demand for the consumer support grants.

Subd. 4. **Support grants; criteria and limitations.** (a) A county board may choose to participate in the consumer support grant program. If a county has not chosen to participate by July 1, 2002, the commissioner shall contract with another county or other entity to provide access to residents of the nonparticipating county who choose the consumer support grant option. The commissioner shall notify the county board in a county that has declined to participate of the commissioner's intent to enter into a contract with another county or other entity at least 30 days in advance of entering

into the contract. The local agency shall establish written procedures and criteria to determine the amount and use of support grants. These procedures must include, at least, the availability of respite care, assistance with daily living, and adaptive aids. The local agency may establish monthly or annual maximum amounts for grants and procedures where exceptional resources may be required to meet the health and safety needs of the person on a time-limited basis, however, the total amount awarded to each individual may not exceed the limits established in subdivision 11.

(b) Support grants to a person, a person's legal representative, or other authorized representative will be provided through a monthly subsidy payment and be in the form of cash, voucher, or direct county payment to vendor. Fees assessed to the person or the person's family for health and human services are not reimbursable through the grant.

(d) In approving or denying applications, the local agency shall consider the following factors:

(1) the extent and areas of the person's functional limitations;

(e) At the time of application to the program or screening for other services, the person, a person's legal representative, or other authorized representative shall be provided sufficient information to ensure an informed choice of alternatives by the person, the person's legal representative, or other authorized representative, if any. The application shall be made to the local agency and shall specify the needs of the person or the person's legal representative or other authorized representative, the form and amount of grant requested, the items and services to be reimbursed, and evidence of eligibility for medical assistance.

(f) Upon approval of an application by the local agency and agreement on a support plan for the person or the person's legal representative or other authorized representative, the local agency shall make grants to the person or the person's legal representative or other authorized representative. Liabilities include but are not limited to: workers' compensation liability, the Federal Insurance Contributions Act (FICA), or the Federal Unemployment Tax Act (FUTA). transferred by the commissioner between the family support program account, the medical assistance account, or the consumer support grant account shall be based on each county's participation in transferring persons to the consumer support grant program from those programs and services.

(b) At the beginning of each fiscal year, county allocations for consumer support grants shall be based on:

(1) the number of persons to whom the county board expects to provide consumer supports grants;

(2) their eligibility for current program and services;

(3) the monthly grant levels allowed under subdivision 11; and

(d) The authority to utilize funds transferred to the consumer support grant account for the purposes of implementing and administering the consumer support grant program will not be limited or constrained by the spending authority provided to the program of origination.

(e) The commissioner may use up to five percent of each county's allocation, as adjusted, for payments for administrative expenses, to be paid as a proportionate addition to reported direct service expenditures.

(f) The county allocation for each person or the person's legal representative or other authorized representative cannot exceed the amount allowed under subdivision 11.

(g) The commissioner may recover, suspend, or withhold payments if the county board, local agency, or grantee does not comply with the requirements of this section.

(h) Grant funds unexpended by consumers shall return to the state once a year. The annual return of unexpended grant funds shall occur in the quarter following the end of the state fiscal year.

Subd. 6. **Right to appeal.** Notice, appeal, and hearing procedures shall be conducted in accordance with section 256.045. The denial, suspension, or termination of services under this program may be appealed by a recipient or applicant under section 256.045, subdivision 3. It is an absolute defense to an appeal under this section, if the county board proves that it followed the established written procedures and criteria and determined that the grant could not be provided within the county board's allocation of money for consumer support grants.

Subd. 11. **Consumer support grant program after July 1, 2001.** Effective July 1, 2001, the commissioner shall allocate consumer support grant resources to serve additional individuals based on a review of Medicaid authorization and payment information of persons eligible for a consumer support grant from the most recent fiscal year. The commissioner shall use the following methodology to calculate maximum allowable monthly consumer support grant levels:

(1) For individuals whose program of origination is medical assistance home care under sections 256B.0651, 256B.0653, and 256B.0654, the maximum allowable monthly grant levels are calculated by:

Each 12-month service agreement is divided into two six-month authorization date spans. No more than 75 percent of the total authorized units for a 12-month service agreement may be used in a six-month date span.

(b) Authorization of flexible use occurs during the authorization process under section 256B.0652. The flexible use of authorized hours does not increase the total amount of authorized hours available to a recipient. The commissioner shall not authorize additional personal care assistance services to supplement a service authorization that is exhausted before the end date under a flexible service use plan, unless the assessor determines a change in condition and a need for increased services is established. Authorized hours not used within the six-month period must not be carried over to another time period.

(c) A recipient who has terminated personal care assistance services before the end of the 12-month authorization period must not receive additional hours upon reapplying during the same 12-month authorization period, except if a change in condition is documented. Services must be prorated for the remainder of the 12-month authorization period based on the first six-month assessment.

(e) The personal care assistance provider agency shall monitor the use of personal care assistance services to ensure health and safety needs of the recipient are met throughout both date spans of the authorization period. The commissioner or the commissioner's designee shall provide written notice to the provider and the recipient or responsible party when a recipient is at risk of exceeding the personal care assistance services prior to the end of the six-month period.

(f) Misuse and abuse of the flexible use of personal care assistance services resulting in the overuse of units in a manner where the recipient will not have enough units to meet their needs for assistance and ensure health and safety for the entire six-month date span may lead to an action by the commissioner. The commissioner may take action including, but not limited to: (1) restricting recipients to service authorizations of no more than one month in duration; (2) requiring the recipient to have a responsible party; and (3) requiring a qualified professional to monitor and report services on a monthly basis.

The personal care assistance provider agency shall offer the recipient or the responsible party the option of shared or one-on-one personal care assistance services or a combination of both. The recipient or the responsible party may withdraw from participating in a shared services arrangement at any time.

(g) Authorization for the shared service option must be determined by the commissioner based on the criteria that the shared service is appropriate to meet all of the recipients' needs and their health and safety is maintained. The authorization of shared services is part of the overall authorization of personal care assistance services. Nothing in this subdivision must be construed to reduce the total number of hours authorized for an individual recipient.

(h) A personal care assistant providing shared personal care assistance services must:

These rates apply only when all of the criteria for the shared care personal care assistance service have been met.

Subd. 18. **Personal care assistance choice option; generally.** (a) The commissioner may allow a recipient of personal care assistance services to use a fiscal intermediary to assist the recipient in paying and accounting for medically necessary covered personal care assistance services. Unless otherwise provided in this section, all other statutory and regulatory provisions relating to personal care assistance services apply to a recipient using the personal care assistance choice option.

(b) Personal care assistance choice is an option of the personal care assistance program that allows the recipient who receives personal care assistance services to be responsible for the hiring, training, scheduling, and firing of personal care assistants according to the terms of the written agreement with the personal care assistance choice agency required under subdivision 20, paragraph (a). This program offers greater control and choice for the recipient in who provides the personal care assistance service and when the service is scheduled. The recipient or the recipient's responsible party must choose a personal care assistance choice provider agency as a fiscal intermediary.
