Subd. 4. Eligible use of grant money. Grant proceeds may be used for business operations, payroll, rent or mortgage, utilities, and other business-related expenses including those necessary to comply with social distancing requirements such as HVAC systems, plexiglass barriers, and other health and safety equipment required to operate safely.

Subd. 5. License fee refund. In addition to a grant under subdivision 3, a Minnesota-registered business in good standing or Minnesota-registered nonprofit in good standing that is directly engaged in the procurement, promotion, production, or presentation of live entertainment events to an in-person audience may apply to the commissioner of employment and economic development for reimbursement of any on-sale intoxicating liquor license fee paid to a city, county, or state agency in 2020 under Minnesota Statutes, chapter 340A.
