21.9	accomplishment plan; or (2) restrictions are placed on the land that preclude its use for the
21.10	intended purpose as specified in the appropriation.
21.11	(b) A recipient of funding that acquires an interest in real property subject to this
21.12	subdivision may not alter the intended use of the interest in real property or convey any
21.13	interest in the real property acquired with the appropriation without the prior review and
21.14	approval of the Lessard-Sams Outdoor Heritage Council or its successor. The council
21.15	shall notify the chairs and ranking minority members of the legislative committees and
21.16	divisions with jurisdiction over the outdoor heritage fund at least 15 business days before

21.19	shall allow for the replacement of the interest in real property with another interest in real
21.20	property meeting the following criteria:
21.21	(1) the interest must be at least equal in fair market value, as certified by the
21.22	commissioner of natural resources, to the interest being replaced; and
21.23	(2) the interest must be in a reasonably equivalent location and have a reasonably
21.24	equivalent useful conservation purpose compared to the interest being replaced, taking

21.26	(c) A recipient of funding who acquires an interest in real property under paragraph
21.27	(a) must separately record a notice of funding restrictions in the appropriate local
21.28	government office where the conveyance of the interest in real property is filed. The
21.29	notice of funding agreement must contain:
21.30	(1) a legal description of the interest in real property covered by the funding
21.31	agreement;

21.34	(4) the following statement: "This interest in real property shall be administered in
21.35	accordance with the terms, conditions, and purposes of the grant agreement controlling the
21 36	acquisition of the property. The interest in real property, or any portion of the interest in

22.5	conditions of the grant agreement or accomplishment plan; or (2) restrictions are placed
22.6	on the land that preclude its use for the intended purpose as specified in the appropriation."

22.12	annual reports on the status of the real property to the Lessard-Sams Outdoor Heritage
22.13	Council or its successor in a form determined by the council. If lands are acquired by fee
22.14	with money from the outdoor heritage fund, the real property interest report must include
22.15	a verification of the status of the hunting and fishing management plan for the lands
22.16	acquired by fee. The responsibility for reporting under this subdivision may be transferred
22.17	by the recipient of the appropriation to another person or entity that holds the interest in
22.18	the real property. To complete the transfer of reporting responsibility, the recipient of
22.19	the appropriation must:
22.20	(1) inform the person to whom the responsibility is transferred of that person's
22.21	reporting responsibility;
22.22	(2) inform the person to whom the responsibility is transferred of the property
22.23	restrictions under subdivision 15; and

22.31	appropriated from the outdoor heritage fund for easement monitoring and enforcement
22.32	may be spent only on activities included in an easement monitoring and enforcement
22.33	plan contained within the accomplishment plan. Money received for monitoring and
22.34	enforcement, including earnings on the money received, shall be kept in a monitoring

23.4	enforcement must provide an annual financial report to the Lessard-Sams Outdoor
23.5	Heritage Council on the easement monitoring and enforcement fund as specified in the
23.6	accomplishment plan. Money appropriated from the outdoor heritage fund for monitoring
23.7	and enforcement of easements and earnings on the money appropriated shall revert
23.8	to the state if:
23.9	(1) the easement transfers to the state under subdivision 15;
23.10	(2) the holder of the easement fails to file an annual report and then fails to cure that
23.11	default within 30 days of notification of the default by the state; or
23.12	(3) the holder of the easement fails to comply with the terms of the monitoring and
23.13	enforcement plan contained within the accomplishment plan and fails to cure that default

23.19	name. Continuation of a project with an organization that has undergone a significant
23.20	change in mission, structure, or purpose requires:
23.21	(1) notice to the chairs of the legislative committees and divisions with jurisdiction
23.22	over the outdoor heritage fund; and
23.23	(2) presentation by the council of proposed legislation either ratifying or rejecting
23.24	continued involvement with the new organization.
23.25	Sec. 11. Minnesota Statutes 2010, section 97A.056, is amended by adding a
