6.10 (5) 20 percent LIHTC projects; and

6.11 (6) other residential rental projects for which the amount of bonds requested in their  
 6.12 respective applications do not exceed the aggregate bond limitation.

6.13 If an issuer that receives an allocation under this paragraph does not issue obligations equal  
 6.14 to all or a portion of the allocation received within 120 days of the allocation or returns the  
 6.15 allocation to the commissioner, the amount of the allocation is canceled and returned for  
 6.16 reallocation through the housing pool or to the unified pool after July 15.

6.17 (b) After January 1, and through January 15, The Minnesota Housing Finance Agency  
 6.18 may accept applications from cities for single-family housing programs which meet program  
 6.19 requirements as follows:

6.20 (1) the housing program must meet a locally identified housing need and be economically  
 6.21 viable;

6.22 (2) the adjusted income of home buyers may not exceed 80 percent of the greater of  
 6.23 statewide or area median income as published by the Department of Housing and Urban  
 6.24 Development, adjusted for household size;

6.25 (3) house price limits may not exceed the federal price limits established for mortgage  
 6.26 revenue bond programs. Data on the home purchase price amount, mortgage amount, income,  
 6.27 household size, and race of the households served in the previous year's single-family  
 6.28 housing program, if any, must be included in each application; and

6.29 (4) for applicants who choose to have the agency issue bonds on their behalf, an  
 6.30 application fee pursuant to section 474A.03, subdivision 4, and an application deposit equal  
 6.31 to one percent of the requested allocation must be submitted to the Minnesota Housing  
 6.32 Finance Agency before the agency forwards the list specifying the amounts allocated to the

7.1 commissioner under paragraph (d). The agency shall submit the city's application fee and  
7.2 application deposit to the commissioner when requesting an allocation from the housing  
7.3 pool.

7.4 Applications by a consortium shall include the name of each member of the consortium  
7.5 and the amount of allocation requested by each member.

7.6 (c) Any amounts remaining in the housing pool after July 15 are available for  
7.7 single-family housing programs for cities that applied in January and received an allocation  
7.8 under this section in the same calendar year. For a city that chooses to issue bonds on its  
7.9 own behalf or pursuant to a joint powers agreement, the agency must allot available bonding  
7.10 authority based on the formula in paragraphs (d) and (f). Allocations will be made loan by  
7.11 loan, on a first-come, first-served basis among cities on whose behalf the Minnesota Housing  
7.12 Finance Agency issues bonds.

7.13 Any city that received an allocation pursuant to paragraph (f) in the same calendar year  
7.14 that wishes to issue bonds on its own behalf or pursuant to a joint powers agreement for an  
7.15 amount becoming available for single-family housing programs after July 15 shall notify  
7.16 the Minnesota Housing Finance Agency by July 15. The Minnesota Housing Finance Agency  
7.17 shall notify each city making a request of the amount of its allocation within three business  
7.18 days after July 15. The city must comply with paragraph (f).

7.19 For purposes of paragraphs (a) to (h), "city" means a county or a consortium of local  
7.20 government units that agree through a joint powers agreement to apply together for  
7.21 single-family housing programs, and has the meaning given it in section 462C.02, subdivision  
7.22 6. "Agency" means the Minnesota Housing Finance Agency.

7.23 (d) The total amount of allocation for mortgage bonds for one city is limited to the lesser  
7.24 of: (i) the amount requested, or (ii) the product of the total amount available for mortgage  
7.25 bonds from the housing pool, multiplied by the ratio of each applicant's population as  
7.26 determined by the most recent estimate of the city's population released by the state  
7.27 demographer's office to the total of all the applicants' population, except that each applicant  
7.28 shall be allocated a minimum of \$100,000 regardless of the amount requested or the amount  
7.29 determined under the formula in clause (ii). If a city applying for an allocation is located  
7.30 within a county that has also applied for an allocation, the city's population will be deducted  
7.31 from the county's population in calculating the amount of allocations under this paragraph.

7.32 Upon determining the amount of each applicant's allocation, the agency shall forward  
7.33 to the commissioner a list specifying the amounts allotted to each application with all

8.1 application fees and deposits from applicants who choose to have the agency issue bonds  
8.2 on their behalf.

8.3 Total allocations from the housing pool for single-family housing programs may not  
8.4 exceed 31 percent of the adjusted allocation to the housing pool until after July 15.

8.5 (e) The agency may issue bonds on behalf of participating cities. The agency shall request  
8.6 an allocation from the commissioner for all applicants who choose to have the agency issue  
8.7 bonds on their behalf and the commissioner shall allocate the requested amount to the  
8.8 agency. The agency may request an allocation at any time after the second Tuesday in  
8.9 January and through the last Monday in July. After awarding an allocation and receiving a  
8.10 notice of issuance for the mortgage bonds issued on behalf of the participating cities, the  
8.11 commissioner shall transfer the application deposits to the Minnesota Housing Finance  
8.12 Agency to be returned to the participating cities. The Minnesota Housing Finance Agency  
8.13 shall return any application deposit to a city that paid an application deposit under paragraph  
8.14 (b), clause (4), but was not part of the list forwarded to the commissioner under paragraph  
8.15 (d).

8.16 (f) A city may choose to issue bonds on its own behalf or through a joint powers  
8.17 agreement and may request an allocation from the commissioner by forwarding an application  
8.18 with an application fee pursuant to section 474A.03, subdivision 4, and a one percent  
8.19 application deposit to the commissioner no later than the Monday of the week preceding  
8.20 an allocation. If the total amount requested by all applicants exceeds the amount available  
8.21 in the pool, the city may not receive a greater allocation than the amount it would have  
8.22 received under the list forwarded by the Minnesota Housing Finance Agency to the  
8.23 commissioner. No city may request or receive an allocation from the commissioner until  
8.24 the list under paragraph (d) has been forwarded to the commissioner. A city must request  
8.25 an allocation from the commissioner no later than the last Monday in July. No city may  
8.26 receive an allocation from the housing pool for mortgage bonds which has not first applied  
8.27 to the Minnesota Housing Finance Agency. The commissioner shall allocate the requested  
8.28 amount to the city or cities subject to the limitations under this paragraph.

8.29 If a city issues mortgage bonds from an allocation received under this paragraph, the  
8.30 issuer must provide for the recycling of funds into new loans. If the issuer is not able to  
8.31 provide for recycling, the issuer must notify the commissioner in writing of the reason that  
8.32 recycling was not possible and the reason the issuer elected not to have the Minnesota  
8.33 Housing Finance Agency issue the bonds. "Recycling" means the use of money generated  
8.34 from the repayment and prepayment of loans for further eligible loans or for the redemption  
8.35 of bonds and the issuance of current refunding bonds.

9.1 (g) No entitlement city or county or city in an entitlement county may apply for or be  
 9.2 allocated authority to issue mortgage bonds or use mortgage credit certificates from the  
 9.3 housing pool. No city in an entitlement county may apply for or be allocated authority to  
 9.4 issue residential rental bonds from the housing pool or the unified pool.

9.5 (h) A city that does not use at least 50 percent of its allotment by the date applications  
 9.6 are due for the first allocation that is made from the housing pool for single-family housing  
 9.7 programs in the immediately succeeding calendar year may not apply to the housing pool  
 9.8 for a single-family mortgage bond or mortgage credit certificate program allocation that  
 9.9 exceeds the amount of its allotment for the preceding year that was used by the city in the  
 9.10 immediately preceding year or receive an allotment from the housing pool in the succeeding  
 9.11 calendar year that exceeds the amount of its allotment for the preceding year that was used  
 9.12 in the preceding year. The minimum allotment is \$100,000 for an allocation made prior to  
 9.13 July 15, regardless of the amount used in the preceding calendar year, except that a city  
 9.14 whose allocation in the preceding year was the minimum amount of \$100,000 and who did  
 9.15 not use at least 50 percent of its allocation from the preceding year is ineligible for an  
 9.16 allocation in the immediate succeeding calendar year. Each local government unit in a  
 9.17 consortium must meet the requirements of this paragraph.

9.18 Sec. 12. Minnesota Statutes 2018, section 474A.091, subdivision 2, is amended to read:

9.19 Subd. 2. **Application.** (a) Issuers may apply for an allocation under this section by  
 9.20 submitting to the department an application on forms provided by the department  
 9.21 accompanied by:

9.22 (1) a preliminary resolution;<sub>2</sub>

9.23 (2) a statement of bond counsel that the proposed issue of obligations requires an  
 9.24 allocation under this chapter and the Internal Revenue Code;<sub>2</sub>

9.25 ~~(3) the type of qualified bonds to be issued, (4) an application deposit in the amount of~~  
 9.26 ~~two percent of the requested allocation, (5) a public purpose scoring worksheet for~~  
 9.27 ~~manufacturing and enterprise zone applications, and (6) for residential rental projects, a~~  
 9.28 ~~statement from the applicant or bond counsel as to whether the project preserves existing~~  
 9.29 ~~federally subsidized housing and whether the project is restricted to persons who are 55~~  
 9.30 ~~years of age or older; and~~

9.31 (4) a sworn statement from the applicant identifying the project as either a preservation  
 9.32 project, 30 percent AMI residential rental project, 50 percent AMI residential rental project,  
 9.33 100 percent LIHTC project, 20 percent LIHTC project, or any other residential rental project.

10.1 The issuer must pay the application deposit ~~by check~~ to the Department of Management  
 10.2 and Budget. An entitlement issuer may not apply for an allocation for public facility bonds,  
 10.3 residential rental project bonds, or mortgage bonds under this section unless it has either  
 10.4 permanently issued bonds equal to the amount of its entitlement allocation for the current  
 10.5 year plus any amount carried forward from previous years or returned for reallocation all  
 10.6 of its unused entitlement allocation. For purposes of this subdivision, its entitlement allocation  
 10.7 includes an amount obtained under section 474A.04, subdivision 6.

10.8 (b) Notwithstanding the restrictions imposed on entitlement issuers under this subdivision,  
 10.9 the Minnesota Housing Finance Agency may not receive an allocation for mortgage bonds  
 10.10 under this section prior to the first Monday in October, but may be awarded allocations for  
 10.11 mortgage bonds from the unified pool on or after the first Monday in October. The Minnesota  
 10.12 Housing Finance Agency, the Minnesota Office of Higher Education, and the Minnesota

 11.10 on the number of points awarded a project under section 474A.045 with those projects  
 11.11 receiving the greatest number of points receiving allocation first. If two or more applications  
 11.12 for manufacturing projects receive an equal amount of points, available bonding authority
