11.11 (c) The tribal plan and update must contain information that has been established by the
 11.12 commissioner and the ~~commissioner~~ commissioners of human services and children, youth,
 11.13 and families for the tribal employment and training service program.

11.14 (d) The commissioner may recommend to the ~~commissioner~~ commissioners of human
 11.15 services and children, youth, and families withholding the distribution of employment and
 11.16 training money from a tribe whose plan or update is disapproved by the commissioner or a
 11.17 tribe that does not submit a plan or update by the date established in this section.

11.18 Sec. 10. Minnesota Statutes 2024, section 125A.15, is amended to read:

11.19 **125A.15 PLACEMENT IN ANOTHER DISTRICT; RESPONSIBILITY.**

11.20 The responsibility for special instruction and services for a child with a disability
 11.21 temporarily placed in another district for care and treatment shall be determined in the
 11.22 following manner:

11.23 (a) The district of residence of a child shall be the district in which the child's parent
 11.24 resides, if living, or the child's guardian. If there is a dispute between school districts
 11.25 regarding residency, the district of residence is the district designated by the commissioner.

11.26 (b) If a district other than the resident district places a pupil for care and treatment, the
 11.27 district placing the pupil must notify and give the resident district an opportunity to participate
 11.28 in the placement decision. When an immediate emergency placement of a pupil is necessary
 11.29 and time constraints foreclose a resident district from participating in the emergency
 11.30 placement decision, the district in which the pupil is temporarily placed must notify the
 11.31 resident district of the emergency placement within 15 days. The resident district has up to
 11.32 five business days after receiving notice of the emergency placement to request an

12.1 opportunity to participate in the placement decision, which the placing district must then
12.2 provide.

12.3 (c) When a child is temporarily placed for care and treatment in a day program located
12.4 in another district and the child continues to live within the district of residence during the
12.5 care and treatment, the district of residence is responsible for providing transportation to
12.6 and from the care and treatment program and an appropriate educational program for the
12.7 child. The resident district may establish reasonable restrictions on transportation, except
12.8 if a Minnesota court or agency orders the child placed at a day care and treatment program
12.9 and the resident district receives a copy of the order, then the resident district must provide
12.10 transportation to and from the program unless the court or agency orders otherwise.
12.11 Transportation shall only be provided by the resident district during regular operating hours
12.12 of the resident district. The resident district may provide the educational program at a school
12.13 within the district of residence, at the child's residence, or in the district in which the day
12.14 treatment center is located by paying tuition to that district. If a child's district of residence,
12.15 district of open enrollment under section 124D.03, or charter school of enrollment under
12.16 section 124E.11 is authorized to provide online learning instruction under state statutes, the
12.17 child's district of residence may utilize that online learning program in fulfilling its
12.18 educational program responsibility under this section if the child, or the child's parent or
12.19 guardian for a pupil under the age of 18, agrees to that form of instruction.

12.20 (d) When a child is temporarily placed in a residential program for care and treatment,
12.21 the nonresident district in which the child is placed is responsible for providing an appropriate
12.22 educational program for the child and necessary transportation while the child is attending
12.23 the educational program; and must bill the district of the child's residence for the actual cost
12.24 of providing the program, as outlined in section 125A.11, except as provided in paragraph
12.25 (e). However, the board, lodging, and treatment costs incurred in behalf of a child with a
12.26 disability placed outside of the school district of residence by the commissioner of human
12.27 services; the commissioner of children, youth, and families; or the commissioner of
12.28 corrections or their agents; for reasons other than providing for the child's special educational
12.29 needs must not become the responsibility of either the district providing the instruction or
12.30 the district of the child's residence. For the purposes of this section, the state correctional
12.31 facilities operated on a fee-for-service basis are considered to be residential programs for
12.32 care and treatment. If a child's district of residence, district of open enrollment under section
12.33 124D.03, or charter school of enrollment under section 124E.11 is authorized to provide
12.34 online learning instruction under state statutes, the nonresident district may utilize that
12.35 online learning program in fulfilling its educational program responsibility under this section

13.1 if the child, or the child's parent or guardian for a pupil under the age of 18, agrees to that
13.2 form of instruction.

13.3 (e) A privately owned and operated residential facility may enter into a contract to obtain
13.4 appropriate educational programs for special education children and services with a joint
13.5 powers entity. The entity with which the private facility contracts for special education
13.6 services shall be the district responsible for providing students placed in that facility an
13.7 appropriate educational program in place of the district in which the facility is located. If a
13.8 privately owned and operated residential facility does not enter into a contract under this
13.9 paragraph, then paragraph (d) applies.

13.10 (f) The district of residence shall pay tuition and other program costs, not including
13.11 transportation costs, to the district providing the instruction and services. The district of
13.12 residence may claim general education aid for the child as provided by law. Transportation
13.13 costs must be paid by the district responsible for providing the transportation and the state
13.14 must pay transportation aid to that district.

13.15 Sec. 11. Minnesota Statutes 2024, section 125A.744, subdivision 2, is amended to read:

13.16 Subd. 2. **Statewide data management system.** The commissioner of education, in
13.17 cooperation with the ~~commissioner~~ commissioners of human services and children, youth,
13.18 and families, shall develop a statewide data management system using the educational data
13.19 reporting system or other existing data management system for school districts and
13.20 cooperative units to use to maximize medical assistance reimbursement for health and
13.21 health-related services provided under individualized education programs and individual
13.22 family service plans. The system must be appropriately integrated with state and local
13.23 existing and developing human services and education data systems. The statewide data
13.24 management system must enable school district and cooperative unit staff to:

13.25 (1) establish medical assistance billing systems or improve existing systems;

13.26 (2) understand the appropriate medical assistance billing codes for services provided
13.27 under individualized education programs and individual family service plans;

33.5 history data obtained by the commissioner of human services; and

33.6 (2) data regarding whether the person has been a perpetrator of substantiated maltreatment
33.7 of a minor or a vulnerable adult. If the study subject has been determined by the Department
33.8 of Human Services; the Department of Children, Youth, and Families; or the Department
33.9 of Health to be the perpetrator of substantiated maltreatment of a minor or a vulnerable
33.10 adult in a licensed facility, the response must include a copy of the public portion of the
33.11 investigation memorandum under section 260E.30 or the public portion of the investigation
33.12 memorandum under section 626.557, subdivision 12b. When the background study shows
33.13 that the subject has been determined by a county adult protection or child protection agency
33.14 to have been responsible for maltreatment, the court shall be informed of the county, the
33.15 date of the finding, and the nature of the maltreatment that was substantiated.

33.16 (b) For checks of records under paragraph (a), clauses (1) and (2), the commissioner
33.17 shall provide the records within 15 working days of receiving the request. The information
33.18 obtained under sections 245C.05 and 245C.08 from a national criminal history records
33.19 check shall be provided within three working days of the commissioner's receipt of the data.

33.20 (c) Notwithstanding section 260E.30 or 626.557, subdivision 12b, if the commissioner
33.21 or county lead agency or lead investigative agency has information that a person of whom
33.22 a background study was previously completed under this section has been determined to
33.23 be a perpetrator of maltreatment of a minor or vulnerable adult, the commissioner or the
33.24 county may provide this information to the court that requested the background study.

33.25 Sec. 42. Minnesota Statutes 2024, section 245C.033, subdivision 2, is amended to read:

33.26 Subd. 2. **State licensing agency data.** (a) Requests for state licensing agency data
33.27 submitted pursuant to section 524.5-118 must include information from a check of state
33.28 licensing agency records.

33.29 (b) The commissioner shall provide the court with licensing agency data for licenses
33.30 directly related to the responsibilities of a guardian or conservator if the guardian or
33.31 conservator has a current or prior affiliation with the:

33.32 (1) Lawyers Responsibility Board;

- 34.1 (2) State Board of Accountancy;
- 34.2 (3) Board of Social Work;
- 34.3 (4) Board of Psychology;
- 34.4 (5) Board of Nursing;
- 34.5 (6) Board of Medical Practice;
- 34.6 (7) Department of Education;
- 34.7 (8) Department of Commerce;
- 34.8 (9) Board of Chiropractic Examiners;
- 34.9 (10) Board of Dentistry;
- 34.10 (11) Board of Marriage and Family Therapy;
- 34.11 (12) Department of Human Services;
- 34.12 (13) Department of Children, Youth, and Families;
- 34.13 ~~(13)~~ (14) Peace Officer Standards and Training (POST) Board; or
- 34.14 ~~(14)~~ (15) Professional Educator Licensing and Standards Board.

34.15 (c) The commissioner shall provide to the court the electronically available data

34.16 maintained in the agency's database, including whether the guardian or conservator is or

34.17 has been licensed by the agency and whether a disciplinary action or a sanction against the

34.18 individual's license, including a condition, suspension, revocation, or cancellation, is in the

34.19 licensing agency's database.

34.20 Sec. 43. Minnesota Statutes 2024, section 245C.05, subdivision 7, is amended to read:

34.21 Subd. 7. **Probation officer and corrections agent.** (a) A probation officer or corrections

34.22 agent shall notify the commissioner of an individual's conviction if the individual:

34.23 (1) has been affiliated with a program or facility regulated by the Department of Human

34.24 Services; Department of Children, Youth, and Families; or Department of Health, a facility

34.25 serving children or youth licensed by the Department of Corrections, or any type of home

34.26 care agency or provider of personal care assistance services within the preceding year; and

34.27 (2) has been convicted of a crime constituting a disqualification under section 245C.14.

34.28 (b) For the purpose of this subdivision, "conviction" has the meaning given it in section

34.29 609.02, subdivision 5.

35.1 (c) The commissioner, in consultation with the commissioner of corrections, shall develop
 35.2 forms and information necessary to implement this subdivision and shall provide the forms
 35.3 and information to the commissioner of corrections for distribution to local probation officers
 35.4 and corrections agents.

35.5 (d) The commissioner shall inform individuals subject to a background study that criminal
 35.6 convictions for disqualifying crimes shall be reported to the commissioner by the corrections
 35.7 system.

35.8 (e) A probation officer, corrections agent, or corrections agency is not civilly or criminally
 35.9 liable for disclosing or failing to disclose the information required by this subdivision.

35.10 (f) Upon receipt of disqualifying information, the commissioner shall provide the notice
 35.11 required under section 245C.17, as appropriate, to agencies on record as having initiated a
 35.12 background study or making a request for documentation of the background study status
 35.13 of the individual.

35.14 (g) This subdivision does not apply to family child care programs or legal nonlicensed
 35.15 child care programs for individuals whose background study was completed in NETStudy
 35.16 2.0.

35.17 Sec. 44. Minnesota Statutes 2024, section 245C.07, is amended to read:

35.18 **245C.07 STUDY SUBJECT AFFILIATED WITH MULTIPLE FACILITIES.**

35.19 (a) Subject to the conditions in paragraph (d), when a license holder, applicant, or other
 35.20 entity owns multiple programs or services that are licensed by the Department of Human
 35.21 Services; Department of Children, Youth, and Families; Department of Health; or
 35.22 Department of Corrections, only one background study is required for an individual who
 35.23 provides direct contact services in one or more of the licensed programs or services if:

35.24 (1) the license holder designates one individual with one address and telephone number
 35.25 as the person to receive sensitive background study information for the multiple licensed
 35.26 programs or services that depend on the same background study; and

35.27 (2) the individual designated to receive the sensitive background study information is
 35.28 capable of determining, upon request of the department, whether a background study subject
 35.29 is providing direct contact services in one or more of the license holder's programs or services
 35.30 and, if so, at which location or locations.

35.31 (b) When a license holder maintains background study compliance for multiple licensed
 35.32 programs according to paragraph (a), and one or more of the licensed programs closes, the

36.1 license holder shall immediately notify the commissioner which staff must be transferred
36.2 to an active license so that the background studies can be electronically paired with the
36.3 license holder's active program.

36.4 (c) When a background study is being initiated by a licensed program or service or a
36.5 foster care provider that is also licensed under chapter 144G, a study subject affiliated with
36.6 multiple licensed programs or services may attach to the background study form a cover
36.7 letter indicating the additional names of the programs or services, addresses, and background
36.8 study identification numbers.

36.9 When the commissioner receives a notice, the commissioner shall notify each program
36.10 or service identified by the background study subject of the study results.

36.11 The background study notice the commissioner sends to the subsequent agencies shall
36.12 satisfy those programs' or services' responsibilities for initiating a background study on that
36.13 individual.

36.14 (d) If a background study was conducted on an individual related to child foster care
36.15 and the requirements under paragraph (a) are met, the background study is transferable
36.16 across all licensed programs. If a background study was conducted on an individual under
36.17 a license other than child foster care and the requirements under paragraph (a) are met, the
36.18 background study is transferable to all licensed programs except child foster care.

36.19 (e) The provisions of this section that allow a single background study in one or more
36.20 licensed programs or services do not apply to background studies submitted by adoption
36.21 agencies, supplemental nursing services agencies, personnel pool agencies, educational
36.22 programs, professional services agencies, temporary personnel agencies, and unlicensed
36.23 personal care provider organizations.

36.24 (f) For an entity operating under NETStudy 2.0, the entity's active roster must be the
36.25 system used to document when a background study subject is affiliated with multiple entities.
36.26 For a background study to be transferable:

36.27 (1) the background study subject must be on and moving to a roster for which the person
36.28 designated to receive sensitive background study information is the same; and

36.29 (2) the same entity must own or legally control both the roster from which the transfer
36.30 is occurring and the roster to which the transfer is occurring. For an entity that holds or
36.31 controls multiple licenses, or unlicensed personal care provider organizations, there must
36.32 be a common highest level entity that has a legally identifiable structure that can be verified
36.33 through records available from the secretary of state.

37.1 Sec. 45. Minnesota Statutes 2024, section 256.88, is amended to read:

37.2 **256.88 SOCIAL WELFARE FUND ESTABLISHED.**

37.3 Except as otherwise expressly provided, all moneys and funds held by the commissioner
37.4 of human services; the commissioner of children, youth, and families; the Direct Care and
37.5 Treatment executive board; and the local social services agencies of the several counties
37.6 in trust or for the benefit of children with a disability and children who are dependent,
37.7 neglected, or delinquent; children born to mothers who were not married to the children's
37.8 fathers at the times of the conception nor at the births of the children; persons determined
37.9 to have developmental disability, mental illness, or substance use disorder; or other wards
37.10 or beneficiaries, under any law, shall be kept in a single fund to be known as the "social
37.11 welfare fund" which shall be deposited at interest, held, or disbursed as provided in sections
37.12 256.89 to 256.92.

37.13 Sec. 46. Minnesota Statutes 2024, section 256.89, is amended to read:

37.14 **256.89 FUND DEPOSITED IN STATE TREASURY.**

37.15 The social welfare fund and all accretions thereto shall be deposited in the state treasury,
37.16 as a separate and distinct fund, to the credit of the commissioner of human services; the
37.17 commissioner of children, youth, and families; and the Direct Care and Treatment executive
37.18 board as trustees for their respective beneficiaries in proportion to the beneficiaries' several
37.19 interests. The commissioner of management and budget shall be responsible only to the
37.20 commissioner of human services; the commissioner of children, youth, and families; and
37.21 the Direct Care and Treatment executive board for the sum total of the fund, and shall have
37.22 no duties nor direct obligations toward the beneficiaries thereof individually. Subject to the
37.23 applicable rules of the commissioner of human services; the commissioner of children,
37.24 youth, and families; or the Direct Care and Treatment executive board, money so received
37.25 by a local social services agency may be deposited by the executive secretary of the local
37.26 social services agency in a local bank carrying federal deposit insurance, designated by the
37.27 local social services agency for this purpose. The amount of such deposit in each such bank
37.28 at any one time shall not exceed the amount protected by federal deposit insurance.

37.29 Sec. 47. Minnesota Statutes 2024, section 256.90, is amended to read:

37.30 **256.90 SOCIAL WELFARE FUND; USE; DISPOSITION; DEPOSITORIES.**

37.31 The commissioner of human services, in consultation with the commissioner of children,
37.32 youth, and families and the Direct Care and Treatment executive board, at least 30 days
37.33 before the first day of January and the first day of July in each year shall file with the

38.1 commissioner of management and budget an estimate of the amount of the social welfare
 38.2 fund to be held in the treasury during the succeeding six-month period, subject to current
 38.3 disbursement. Such portion of the remainder thereof as may be at any time designated by
 38.4 the request of the commissioner of human services may be invested by the commissioner
 38.5 of management and budget in bonds in which the permanent trust funds of the state of
 38.6 Minnesota may be invested, upon approval by the State Board of Investment. The portion
 38.7 of such remainder not so invested shall be placed by the commissioner of management and
 38.8 budget at interest for the period of six months, or when directed by the commissioner of
 38.9 human services, for the period of 12 months thereafter at the highest rate of interest obtainable
 38.10 in a bank, or banks, designated by the board of deposit as a suitable depository therefor. All
 38.11 the provisions of law relative to the designation and qualification of depositories of other
 38.12 state funds shall be applicable to sections 256.88 to 256.92, except as herein otherwise
 38.13 provided. Any bond given, or collateral assigned or both, to secure a deposit hereunder may
 38.14 be continuous in character to provide for the repayment of any moneys belonging to the
 38.15 fund theretofore or thereafter at any time deposited in such bank until its designation as
 38.16 such depository is revoked and the security thereof shall be not impaired by any subsequent
 38.17 agreement or understanding as to the rate of interest to be paid upon such deposit, or as to
 38.18 time for its repayment. The amount of money belonging to the fund deposited in any bank,
 38.19 including other state deposits, shall not at any time exceed the amount of the capital stock
 38.20 thereof. In the event of the closing of the bank any sum deposited therein shall immediately
 38.21 become due and payable.

38.22 Sec. 48. Minnesota Statutes 2024, section 256.91, is amended to read:

38.23 **256.91 PURPOSES.**

38.24 From that part of the social welfare fund held in the state treasury subject to disbursement
 38.25 as provided in section 256.90, the commissioner of human services; the commissioner of
 38.26 children, youth, and families; or the Direct Care and Treatment executive board at any time
 38.27 may pay out such amounts as the commissioner or executive board deems proper for the
 38.28 support, maintenance, or other legal benefit of any of the children with a disability and
 38.29 children who are dependent, neglected, or delinquent; children born to mothers who were
 38.30 not married to the children's fathers at the times of the conception nor at the births of the
 38.31 children; persons with developmental disability, substance use disorder, or mental illness;
 38.32 or other wards or persons entitled thereto, not exceeding in the aggregate to or for any person
 38.33 the principal amount previously received for the benefit of the person, together with the
 38.34 increase in it from an equitable apportionment of interest realized from the social welfare
 38.35 fund.

39.1 When any such person dies or is finally discharged from the guardianship, care, custody,
 39.2 and control of the commissioner of human services; the commissioner of children, youth,
 39.3 and families; or the Direct Care and Treatment executive board, the amount then remaining
 39.4 subject to use for the benefit of the person shall be paid as soon as may be from the social
 39.5 welfare fund to the persons thereto entitled by law.

39.6 Sec. 49. Minnesota Statutes 2024, section 256.92, is amended to read:

39.7 **~~256.92 COMMISSIONER OF HUMAN SERVICES AND DIRECT CARE AND~~**
 39.8 **~~TREATMENT COMMISSIONERS AND EXECUTIVE BOARD, ACCOUNTS.~~**

39.9 It shall be the duty of the commissioner of human services; the commissioner of children,
 39.10 youth, and families; the Direct Care and Treatment executive board; and the local social
 39.11 services agencies of the several counties of this state to cause to be deposited with the
 39.12 commissioner of management and budget all moneys and funds in their possession or under
 39.13 their control and designated by section 256.91 as and for the social welfare fund; and all
 39.14 such moneys and funds shall be so deposited in the state treasury as soon as received. The
 39.15 commissioner of human services, in consultation with the commissioner of children, youth,
 39.16 and families and the Direct Care and Treatment executive board, shall keep books of account
 39.17 or other records showing separately the principal amount received and deposited in the
 39.18 social welfare fund for the benefit of any person, together with the name of such person,
 39.19 and the name and address, if known to the commissioner of human services; the
 39.20 commissioner of children, youth, and families; or the Direct Care and Treatment executive
 39.21 board, of the person from whom such money was received; and, at least once every two
 39.22 years, the amount of interest, if any, which the money has earned in the social welfare fund
 39.23 shall be apportioned thereto and posted in the books of account or records to the credit of
 39.24 such beneficiary.

39.25 The provisions of sections 256.88 to 256.92 shall not apply to any fund or money now
 39.26 or hereafter deposited or otherwise disposed of pursuant to the lawful orders, decrees,
 39.27 judgments, or other directions of any district court having jurisdiction thereof.

39.28 Sec. 50. Minnesota Statutes 2024, section 256G.01, subdivision 1, is amended to read:

39.29 Subdivision 1. **Applicability.** This chapter governs the Minnesota human services system.
 39.30 The system includes the Department of Human Services; the Department of Children,
 39.31 Youth, and Families; Direct Care and Treatment; local social services agencies; county
 39.32 welfare agencies; human service boards; community mental health center boards; state

40.1 hospitals; state nursing homes; and persons, agencies, institutions, organizations, and other
40.2 entities under contract to any of those agencies to the extent specified in the contract.

40.3 Sec. 51. Minnesota Statutes 2024, section 256G.01, subdivision 3, is amended to read:

40.4 Subd. 3. **Program coverage.** This chapter applies to all social service programs
40.5 administered by the commissioner of human services; the commissioner of children, youth,
40.6 and families; or the Direct Care and Treatment executive board in which residence is the
40.7 determining factor in establishing financial responsibility. These include, but are not limited
40.8 to: commitment proceedings, including voluntary admissions; emergency holds; poor relief
40.9 funded wholly through local agencies; social services, including title XX, IV-E and section
40.10 256K.10; social services programs funded wholly through the resources of county agencies;
40.11 social services provided under the Minnesota Indian Family Preservation Act, sections
40.12 260.751 to 260.781; costs for delinquency confinement under section 393.07, subdivision
40.13 2; service responsibility for these programs; and housing support under chapter 256I.

40.14 Sec. 52. Minnesota Statutes 2024, section 256G.03, subdivision 2, is amended to read:

40.15 Subd. 2. **No durational test.** Except as otherwise provided in sections 142G.12; 142G.78;
40.16 256B.056, subdivision 1; and 256D.02, subdivision 12a for purposes of this chapter, no
40.17 waiting period is required before securing county or state residence. A person cannot,
40.18 however, gain residence while physically present in an excluded time facility unless otherwise
40.19 specified in this chapter or in a federal regulation controlling a federally funded human
40.20 service; children, youth, and families; or direct care and treatment program. Interstate
40.21 migrants who enter a shelter for battered women directly from another state can gain
40.22 residency while in the facility provided the person can provide documentation that the person
40.23 is a victim of domestic abuse and the county determines that the placement is appropriate.

40.24 Sec. 53. Minnesota Statutes 2024, section 256G.04, subdivision 2, is amended to read:

40.25 Subd. 2. **Moving out of state.** (a) A person retains county and state residence so long
40.26 as the person's absence from Minnesota is viewed as a temporary absence within the context
40.27 of the affected program.

40.28 (b) Direct entry into a facility in another state does not end Minnesota residence for
40.29 purposes of this chapter. Financial responsibility does not continue, however, unless
40.30 placement was initiated by a human service; children, youth, and families; or direct care
40.31 and treatment agency or another governmental entity that has statutory authority to bind the
40.32 human service; children, youth, and families; or direct care and treatment agency and is

41.1 based on a formal, written plan of treatment, or unless federal regulations require payment
41.2 for an out-of-state resident.

41.3 Sec. 54. Minnesota Statutes 2024, section 256G.09, subdivision 2, is amended to read:

41.4 Subd. 2. **Financial disputes.** (a) If the county receiving the transmittal does not believe
41.5 it is financially responsible, it should provide to the commissioner of human services and
41.6 the initially responsible county a statement of all facts and documents necessary for the
41.7 commissioner to make the requested determination of financial responsibility. The submission
41.8 must clearly state the program area in dispute and must state the specific basis upon which
41.9 the submitting county is denying financial responsibility.

41.10 (b) The initially responsible county then has 15 calendar days to submit its position and
41.11 any supporting evidence to the commissioner of human services. The absence of a submission
41.12 by the initially responsible county does not limit the right of the commissioner of human
41.13 services; the commissioner of children, youth, and families; or Direct Care and Treatment
41.14 executive board to issue a binding opinion based on the evidence actually submitted.

41.15 (c) A case must not be submitted until the local agency taking the application or making
41.16 the commitment has made an initial determination about eligibility and financial
41.17 responsibility, and services have been initiated. This paragraph does not prohibit the
41.18 submission of closed cases that otherwise meet the applicable statute of limitations.

41.19 Sec. 55. Minnesota Statutes 2024, section 256G.09, subdivision 3, is amended to read:

41.20 Subd. 3. **Commissioner of human services obligations.** (a) Except as provided in
41.21 paragraph (b) for matters solely under the jurisdiction of the Direct Care and Treatment
41.22 executive board or the commissioner of children, youth, and families, the commissioner of
41.23 human services shall then promptly decide any question of financial responsibility as outlined
41.24 in this chapter and make an order referring the application to the local agency of the proper
41.25 county for further action. Further action may include reimbursement by that county of
41.26 assistance that another county has provided to the applicant under this subdivision. The
41.27 commissioner shall decide disputes within 60 days of the last county evidentiary submission
41.28 and shall issue an immediate opinion.

41.29 (b) For disputes regarding financial responsibility relating to matters solely under the
41.30 jurisdiction of the Direct Care and Treatment executive board or the commissioner of
41.31 children, youth, and families, the commissioner of human services shall promptly issue an
41.32 advisory opinion on any question of financial responsibility as outlined in this chapter and
41.33 recommend to the executive board or commissioner of children, youth, and families an

42.1 order referring the application to the local agency of the proper county for further action.
42.2 Further action may include reimbursement by that county of assistance that another county
42.3 has provided to the applicant under this subdivision. The commissioner of human services
42.4 shall provide an advisory opinion and recommended order to the executive board or
42.5 commissioner of children, youth, and families within 30 days of the last county evidentiary
42.6 submission. The executive board or commissioner of children, youth, and families shall
42.7 decide to accept or reject the commissioner's advisory opinion and recommended order
42.8 within 60 days of the last county evidentiary submission and shall issue an immediate
42.9 opinion stating the reasons for accepting or rejecting the ~~commissioner's~~ recommendation
42.10 of the commissioner of human services.

42.11 (c) The commissioner of human services may make any investigation it considers proper
42.12 before making a decision or a recommendation to the executive board or commissioner of
42.13 children, youth, and families. The commissioner of human services may prescribe rules it
42.14 considers necessary to carry out this subdivision except that the commissioner of human
42.15 services must not create rules purporting to bind the ~~executive board's~~ decision of the
42.16 executive board or commissioner of children, youth, and families on any advisory opinion
42.17 or recommended order under paragraph (b).

42.18 (d) Except as provided in paragraph (e) for matters solely under the jurisdiction of the
42.19 executive board or the commissioner of children, youth, and families, the order of the
42.20 commissioner of human services binds the local agency involved and the applicant or
42.21 recipient. That agency shall comply with the order unless reversed on appeal as provided
42.22 in section 256.045, subdivision 7. The agency shall comply with the order pending the
42.23 appeal.

42.24 (e) For disputes regarding financial responsibility relating to matters solely under the
42.25 jurisdiction of the Direct Care and Treatment executive board or the commissioner of
42.26 children, youth, and families, the order of the executive board or the commissioner of
42.27 children, youth, and families binds the local agency involved and the applicant or recipient.
42.28 That agency shall comply with the order of the executive board or the commissioner of
42.29 children, youth, and families unless the order is reversed on appeal as provided in section
42.30 142A.20, subdivision 5, or 256.045, subdivision 7. The agency shall comply with the order
42.31 of the executive board or the commissioner of children, youth, and families pending the
42.32 appeal.

43.1 Sec. 56. Minnesota Statutes 2024, section 256G.09, subdivision 4, is amended to read:

43.2 Subd. 4. **Appeals.** A local agency that is aggrieved by the order of the ~~department~~
43.3 commissioner of human services, executive board, or commissioner of children, youth, and
43.4 families under subdivision 3, paragraph (e), may appeal the opinion to the district court of
43.5 the county responsible for furnishing assistance or services by serving a written copy of a
43.6 notice of appeal on the commissioner of human services and any adverse party of record
43.7 within 30 days after the date the department issued the opinion, and by filing the original
43.8 notice and proof of service with the court administrator of district court. Service may be
43.9 made personally or by mail. Service by mail is complete upon mailing.

43.10 The commissioner of human services; the commissioner of children, youth, and families;
43.11 or the executive board may elect to become a party to the proceedings in district court. The
43.12 court may consider the matter in or out of chambers and shall take no new or additional
43.13 evidence.

43.14 Sec. 57. Minnesota Statutes 2024, section 256G.09, subdivision 5, is amended to read:

43.15 Subd. 5. **Payment pending appeal.** After the ~~department~~ commissioner of human
43.16 services, executive board, or commissioner of children, youth, and families under subdivision
43.17 3, paragraph (e), issues an opinion in any submission under this section, the service or
43.18 assistance covered by the submission must be provided or paid pending or during an appeal
43.19 to the district court.

43.20 Sec. 58. Minnesota Statutes 2024, section 256G.10, is amended to read:

43.21 **256G.10 DERIVATIVE SETTLEMENT.**

43.22 (a) The residence of the parent of a minor child, with whom that child last lived in a

43.31 interstate compact, or apply to situations involving state wards where the commissioner of
43.32 human services or children, youth, and families is defined by law as the guardian.

44.1 Sec. 59. Minnesota Statutes 2024, section 256G.11, is amended to read:

44.2 **256G.11 NO RETROACTIVE EFFECT.**

44.3 (a) This chapter is not retroactive and does not require redetermination of financial
44.4 responsibility for cases existing on January 1, 1988. This chapter applies only to applications
44.5 and redeterminations of eligibility taken or routinely made after January 1, 1988.

44.6 (b) Notwithstanding this section, existing social services cases shall be treated in the
44.7 same manner as cases for those programs outlined in section 256G.02, subdivision 4,
44.8 paragraph (g), for which an application is taken or a redetermination is made after January
44.9 1, 1988.

44.10 (c) The requirement under section 256G.09, subdivision 3, for the Direct Care and
44.11 Treatment executive board or the commissioner of children, youth, and families to accept
44.12 or reject the recommendation of the commissioner of humans services regarding the county
44.13 of financial responsibility for matters solely under the jurisdiction of the executive board
44.14 or the commissioner of children, youth, and families is not retroactive and does not require
44.15 redetermination of financial responsibility for cases existing prior to the effective date of
44.16 the transfer of all authorities and responsibilities from the Department of Human Services
44.17 to Direct Care and Treatment.

44.18 (d) Notwithstanding paragraph (c), existing cases relating to matters under the jurisdiction
44.19 of the executive board must be treated in the same manner as cases relating to matters under
44.20 the jurisdiction of the executive board opened or redetermined after the effective date of
44.21 the transfer of all authorities and responsibilities from the Department of Human Services
44.22 to Direct Care and Treatment or the Department of Children, Youth, and Families.

44.23 Sec. 60. Minnesota Statutes 2024, section 256G.12, subdivision 1, is amended to read:

44.24 Subdivision 1. **Limitation.** A submission to the commissioner of human services; the
44.25 commissioner of children, youth, and families; or the Direct Care and Treatment executive
44.26 board for a determination of financial responsibility must be made within three years from
44.27 the date of application for the program in question or from the date of admission or
44.28 commitment to state or other institutions.

44.29 Sec. 61. Minnesota Statutes 2024, section 260.762, subdivision 2a, is amended to read:

44.30 Subd. 2a. **Required findings that active efforts were provided.** (a) A court shall not
44.31 order a child placement, termination of parental rights, guardianship to the commissioner
44.32 of children, youth, and families under section 260C.325, or temporary or permanent change

45.1 in custody of an Indian child unless the court finds that the child-placing agency or petitioner
45.2 demonstrated that active efforts were made to preserve the Indian child's family. Active
45.3 efforts to preserve the Indian child's family include efforts to prevent placement of the Indian
45.4 child to correct the conditions that led to the placement by ensuring remedial services and
45.5 rehabilitative programs designed to prevent the breakup of the family were provided in a
45.6 manner consistent with the prevailing social and cultural conditions of the Indian child's
45.7 Tribe and in partnership with the Indian child, the Indian child's parents, the Indian custodian,
45.8 extended family members, and Tribe, and that these efforts have proved unsuccessful.

45.9 (b) The court, in determining whether active efforts were made to preserve the Indian
45.10 child's family for purposes of child placement or permanency, shall ensure the provision of
45.11 active efforts designed to correct the conditions that led to the placement of the Indian child
45.12 and shall make findings regarding whether the following activities were appropriate and
45.13 necessary, and whether the child-placing agency or petitioner ensured appropriate and
45.14 meaningful services were available based upon the family's specific needs, whether listed
45.15 in this paragraph or not:

45.16 (1) whether active efforts were made at the earliest point possible to inquire into the
45.17 child's heritage, to identify any federally recognized Indian Tribe the child may be affiliated
45.18 with, to notify all potential Tribes at the earliest point possible, and to request participation
45.19 of the Indian child's Tribe;

45.20 (2) whether a Tribally designated representative with substantial knowledge of the
45.21 prevailing social and cultural standards and child-rearing practices within the Tribal
45.22 community was provided an opportunity to consult with and be involved in any investigations
45.23 or assessments of the family's circumstances, participate in identifying the family's needs,
45.24 and participate in development of any plan to keep the Indian child safely in the home,
45.25 identify services designed to prevent the breakup of the Indian child's family, and to reunify
45.26 the Indian child's family as soon as safety can be assured if out-of-home placement has
45.27 occurred;

45.28 (3) whether the Tribal representative was provided with all information available
45.29 regarding the proceeding, and whether it was requested that the Tribal representative assist
45.30 in identifying services designed to prevent the breakup of the Indian child's family and to
45.31 reunify the Indian child's family as soon as safety can be assured if out-of-home placement
45.32 has occurred;

45.33 (4) whether, before making a decision that may affect an Indian child's safety and
45.34 well-being or when contemplating placement of an Indian child, guidance from the Indian

46.1 child's Tribe was sought regarding family structure, how the family can seek help, what
46.2 family and Tribal resources are available, and what barriers the family faces that could
46.3 threaten the family's preservation;

46.4 (5) whether a Tribal representative was consulted to determine and arrange for visitation
46.5 in the most natural setting that ensures the Indian child's safety, when the Indian child's
46.6 safety requires supervised visitation;

46.7 (6) whether early and ongoing efforts occurred to identify, locate, and include extended
46.8 family members as supports for the Indian child and the Indian child's family;

46.9 (7) whether continued active efforts were made to identify and place the Indian child in
46.10 a home that is compliant with the placement preferences in sections 260.751 to 260.835,
46.11 including whether extended family members were consulted to provide support to the Indian
46.12 child and Indian child's parents; to inform the child-placing agency, petitioner, and court
46.13 as to cultural connections and family structure; to assist in identifying appropriate cultural
46.14 services and supports for the Indian child and Indian child's parents; and to identify and
46.15 serve as placement and permanency resources for the Indian child. If there was difficulty
46.16 contacting or engaging extended family members, whether assistance was sought from the
46.17 Tribe; the Department of Human Services; the Department of Children, Youth, and Families;
46.18 or other agencies with expertise in working with Indian families;

46.19 (8) whether services and resources were provided to extended family members who are
46.20 considered the primary placement option for an Indian child, as agreed upon by the
46.21 child-placing agency or petitioner and the Tribe, to overcome licensing and other barriers
46.22 to providing care to an Indian child. The need for services or resources shall not be a basis
46.23 to exclude an extended family member from consideration as a primary placement. Services
46.24 and resources include but are not limited to child care assistance, financial assistance,
46.25 housing resources, emergency resources, and foster care licensing assistance and resources;

46.26 (9) whether concrete services and access to both Tribal and non-Tribal services were
46.27 provided to the Indian child's parents and Indian custodian and, where necessary, members
46.28 of the Indian child's extended family members who provide support to the Indian child and
46.29 the Indian child's parents; and whether these services were provided in an ongoing manner
46.30 throughout the child-placing agency or petitioner's involvement with the Indian family to
46.31 directly assist the Indian family in accessing and utilizing services to maintain the Indian
46.32 family, or to reunify the Indian family as soon as safety can be assured if out-of-home
46.33 placement has occurred. Services include but are not limited to financial assistance, food,

47.1 housing, health care, transportation, in-home services, community support services, and
47.2 specialized services; and

47.3 (10) whether visitation occurred whenever possible in the home of the Indian child's
47.4 parent, Indian custodian, or extended family member or in another noninstitutional setting
47.5 in order to keep the Indian child in close contact with the Indian child's parents, siblings,
47.6 and other relatives regardless of the Indian child's age and to allow the Indian child and
47.7 those with whom the Indian child visits to have natural, unsupervised interaction when
47.8 consistent with protecting the child's safety.

47.9 Sec. 62. Minnesota Statutes 2024, section 260B.171, subdivision 4, is amended to read:

47.14 court and none of the records relating to an appeal from a nonpublic juvenile court
47.15 proceeding, except the written appellate opinion, shall be open to public inspection or their
47.16 contents disclosed except:

47.18 (2) as required by chapter 245C or sections 142B.10, 245A.04, 611A.03, 611A.04,
47.19 611A.06, and 629.73.

47.20 (c) The victim of any alleged delinquent act may, upon the victim's request, obtain the
47.21 following information, unless it reasonably appears that the request is prompted by a desire
47.22 on the part of the requester to engage in unlawful activities:

47.23 (1) the name and age of the juvenile;

47.24 (2) the act for which the juvenile was petitioned and date of the offense; and

47.26 probation and conditions of probation, detention, fines, or restitution.

47.27 (d) The records of juvenile probation officers and county home schools are records of
47.28 the court for the purposes of this subdivision. Court services data relating to delinquent acts
47.29 that are contained in records of the juvenile court may be released as allowed under section
47.30 13.84, subdivision 6. This subdivision applies to all proceedings under this chapter, including
47.31 appeals from orders of the juvenile court, except that this subdivision does not apply to

 48.2 accordance with the provisions of laws relating to adoptions. In juvenile court proceedings
 48.3 any report or social history furnished to the court shall be open to inspection by the attorneys
 48.4 of record and the guardian ad litem a reasonable time before it is used in connection with
 48.5 any proceeding before the court.

48.6 (e) When a judge of a juvenile court, or duly authorized agent of the court, determines
 48.7 under a proceeding under this chapter that a child has violated a state or local law, ordinance,
 48.8 or regulation pertaining to the operation of a motor vehicle on streets and highways, except
 48.9 parking violations, the judge or agent shall immediately report the violation to the
 48.10 commissioner of public safety. The report must be made on a form provided by the
 48.11 Department of Public Safety and must contain the information required under section 169.95.

 48.29 and 245A.01 to 245A.16; or chapter 142B, 142C, 144H, or 245D; or to a nonlicensed
 48.30 personal care provider organization as defined in section 256B.0625, subdivision 19a.

49.1 Sec. 65. Minnesota Statutes 2024, section 260E.30, subdivision 4, is amended to read:

49.2 Subd. 4. **Mitigating factors in investigating facilities.** (a) When determining whether
49.3 the facility or individual is the responsible party or whether both the facility and the individual
49.4 are responsible for determined maltreatment in a facility, the investigating agency shall
49.5 consider at least the following mitigating factors:

49.6 (1) whether the actions of the facility or the individual caregivers were according to,
49.7 and followed the terms of, an erroneous physician order, prescription, individual care plan,
49.8 or directive; however, this is not a mitigating factor when the facility or caregiver was
49.9 responsible for the issuance of the erroneous order, prescription, individual care plan, or
49.10 directive or knew or should have known of the errors and took no reasonable measures to
49.11 correct the defect before administering care;

49.12 (2) comparative responsibility between the facility, other caregivers, and requirements
49.13 placed upon an employee, including the facility's compliance with related regulatory standards
49.14 and the adequacy of facility policies and procedures, facility training, an individual's

49.16 scope of the individual employee's authority and discretion; and

49.17 (3) whether the facility or individual followed professional standards in exercising
49.18 professional judgment.

49.19 (b) The evaluation of the facility's responsibility under paragraph (a), clause (2), must
49.20 not be based on the completeness of the risk assessment or risk reduction plan required
49.21 under section ~~245A.66~~ 142B.54, but must be based on the facility's compliance with the
49.22 regulatory standards for policies and procedures, training, and supervision as cited in
49.23 Minnesota Statutes and Minnesota Rules.

49.24 (c) Notwithstanding paragraphs (a) and (b), when maltreatment is determined to have
49.25 been committed by an individual who is also the facility license holder, both the individual
49.26 and the facility must be determined responsible for the maltreatment, and both the background
49.27 study disqualification standards under section 245C.15, subdivision 4, and the licensing or
49.28 certification actions under section 142B.16, 142B.18, 142C.06, 142C.07, 245A.06, or
49.29 245A.07 apply.

49.31 Subd. 6. **Contested case hearing.** If a maltreatment determination or a disqualification

49.33 142B.15 or 245A.05 or a licensing sanction under section 142B.18 or 245A.07, the license

50.1 holder has the right to a contested case hearing under chapter 14 and Minnesota Rules, parts

 50.3 subdivision 2a, the scope of the contested case hearing shall include the maltreatment
 50.4 determination, disqualification, and licensing sanction or denial of a license. In such cases,
 50.5 a fair hearing regarding the maltreatment determination and disqualification shall not be
 50.6 conducted under section 256.045. Except for family child care and child foster care,
 50.7 reconsideration of a maltreatment determination as provided under this subdivision and
 50.8 reconsideration of a disqualification as provided under section 245C.22 shall also not be
 50.9 conducted when:

50.10 (1) a denial of a license under section 142B.15 or 245A.05 or a licensing sanction under
 50.11 section 142B.18 or 245A.07 is based on a determination that the license holder is responsible
 50.12 for maltreatment or the disqualification of a license holder based on serious or recurring
 50.13 maltreatment;

50.14 (2) the denial of a license or licensing sanction is issued at the same time as the
 50.15 maltreatment determination or disqualification; and

50.16 (3) the license holder appeals the maltreatment determination or disqualification and
 50.17 denial of a license or licensing sanction.

50.18 Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment
 50.19 determination or disqualification but does not appeal the denial of a license or a licensing
 50.20 sanction, reconsideration of the maltreatment determination shall be conducted under
 50.21 subdivision 2 and section 626.557, subdivision 9d, and reconsideration of the disqualification
 50.22 shall be conducted under section 245C.22. In such cases, a fair hearing shall also be
 50.23 conducted as provided under subdivision 2 and sections 245C.27 and 626.557, subdivision
 50.24 9d.

50.25 If the disqualified subject is an individual other than the license holder and upon whom
 50.26 a background study must be conducted under chapter 245C, the hearings of all parties may
 50.27 be consolidated into a single contested case hearing upon consent of all parties and the
 50.28 administrative law judge.

58.5 Subd. 2. **Underperforming county; more than one-half of services.** If the ~~commissioner~~
58.6 ~~determines~~ commissioners determine that a county or service delivery authority is deficient
58.7 in achieving minimum performance thresholds for more than one-half of the defined essential
58.8 human services programs, the ~~commissioner~~ commissioners may impose the following
58.9 remedies:

58.10 (1) voluntary incorporation of the administration and operation of essential human
58.11 services programs with an existing service delivery authority or another county. A service
58.12 delivery authority or county incorporating an underperforming county shall not be financially
58.13 liable for the costs associated with remedying performance outcome deficiencies;

58.14 (2) mandatory incorporation of the administration and operation of essential human
58.15 services programs with an existing service delivery authority or another county. A service
58.16 delivery authority or county incorporating an underperforming county shall not be financially
58.17 liable for the costs associated with remedying performance outcome deficiencies; or

58.18 (3) transfer of authority for administration and operation of essential human services
58.19 programs to the commissioner that oversees each program.

58.20 Sec. 81. Minnesota Statutes 2024, section 402A.18, subdivision 3, is amended to read:

58.21 Subd. 3. **Conditions prior to imposing remedies.** (a) The commissioner shall notify a
58.22 county or service delivery authority that it must submit a performance improvement plan
58.23 if:

58.24 (1) the county or service delivery authority does not meet the minimum performance
58.25 threshold for a measure; or

58.26 (2) the county or service delivery authority has a performance disparity for a racial or
58.27 ethnic subgroup, even if the county or service delivery authority met the threshold for the
58.28 overall population. The council shall make recommendations on performance disparities,
58.29 and the commissioner shall make the final determination.

58.30 (b) When the ~~department~~ commissioner determines that a county or service delivery
58.31 authority does not meet the minimum performance threshold for a given measure, the

59.1 commissioner must advise the county or service delivery authority that fiscal penalties may
59.2 result if the performance does not improve. The department must offer technical assistance
59.3 to the county or service delivery authority. Within 30 days of the initial advisement from
59.4 the department, the county or service delivery authority may claim and the department may
59.5 approve an extenuating circumstance that relieves the county or service delivery authority
59.6 of any further remedy. If a county or service delivery authority has a small number of
59.7 participants in an essential human services program such that reliable measurement is not
59.8 possible, the commissioner may approve extenuating circumstances.

59.9 (c) If there are no extenuating circumstances, the county or service delivery authority
59.10 must submit a performance improvement plan to the commissioner within 60 days of the
59.11 initial advisement from the department. The term of the performance improvement plan
59.12 must be two years, starting with the date the plan is approved by the commissioner. This
59.13 plan must include a target level for improvement for each measure that did not meet the
59.14 minimum performance threshold. The commissioner must approve the performance
59.15 improvement plan within 60 days of submittal.

59.16 (d) The department must monitor the performance improvement plan for two years.
59.17 After two years, if the county or service delivery authority meets the minimum performance
59.18 threshold, there is no further remedy. If the county or service delivery authority fails to meet
59.19 the minimum performance threshold, but meets the improvement target in the performance
59.20 improvement plan, the county or service delivery authority shall modify the performance
59.21 improvement plan for further improvement and the department shall continue to monitor
59.22 the plan.

59.23 (e) If, after two years of monitoring, the county or service delivery authority fails to
59.24 meet both the minimum performance threshold and the improvement target identified in
59.25 the performance improvement plan, the next step of the remedies process shall be invoked
59.26 by the commissioner. This phase of the remedies process may include:

59.27 (1) fiscal penalties for the county or service delivery authority that do not exceed one
59.28 percent of the county's human services expenditures and that are negotiated in the
59.29 performance improvement plan, based on what is needed to improve outcomes. Counties
59.30 or service delivery authorities must reinvest the amount of the fiscal penalty into the essential
59.31 human services program that was underperforming. A county or service delivery authority
59.32 shall not be required to pay more than three fiscal penalties in a year; and

59.33 (2) the department's provision of technical assistance to the county or service delivery
59.34 authority that is targeted to address the specific performance issues.

60.1 The commissioner shall continue monitoring the performance improvement plan for a third
60.2 year.

60.3 (f) If, after the third year of monitoring, the county or service delivery authority meets
60.4 the minimum performance threshold, there is no further remedy. If the county or service
60.5 delivery authority fails to meet the minimum performance threshold, but meets the
60.6 improvement target for the performance improvement plan, the county or service delivery
60.7 authority shall modify the performance improvement plan for further improvement and the
60.8 department shall continue to monitor the plan.

60.9 (g) If, after the third year of monitoring, the county or service delivery authority fails to
60.10 meet the minimum performance threshold and the improvement target identified in the
60.11 performance improvement plan, the Human Services Performance Council shall review the
60.12 situation and recommend a course of action to the commissioner.

60.13 (h) If the commissioner has determined that a program has a balanced set of program
60.14 measures and a county or service delivery authority is subject to fiscal penalties for more
60.15 than one-half of the measures for that program, the commissioner may apply further remedies
60.16 as described in subdivisions 1 and 2.

60.17 Sec. 82. Minnesota Statutes 2024, section 402A.18, is amended by adding a subdivision
60.18 to read:

61.2 regard to population; or

61.3 (iv) one or more tribes with a total combined population of 25,000 or more.

61.4 The council may recommend that the ~~commissioner of human services~~ commissioners
61.5 exempt a single county, tribe, or consortium of counties from the minimum population
61.6 standard if the county, tribe, or consortium of counties can demonstrate that it can otherwise
61.7 meet the requirements of this chapter.

61.8 (b) A service delivery authority shall:

61.9 (1) comply with current state and federal law, including any existing federal or state

61.22 costs for each service delivery authority participating in the service delivery redesign;

61.23 (6) set forth the terms under which a county, tribe, or consortium of counties may
61.24 withdraw from participation. In the case of withdrawal of any or all parties or the dissolution
61.25 of the service delivery authority, the employees shall continue to be represented by the same
61.26 exclusive representative or representatives and continue to be covered by the same collective
61.27 bargaining union agreement until a new agreement is negotiated or the collective bargaining
61.28 agreement term ends; and

61.29 (7) set forth a structure for managing the terms and conditions of employment of the
61.30 employees as provided in section 402A.40.

61.31 (c) Once a county, tribe, or consortium of counties establishes a service delivery authority,
61.32 no county, tribe, or consortium of counties that is a member of the service delivery authority

62.1 may participate as a member of any other service delivery authority. The service delivery
 62.2 authority may allow an additional county, a tribe, or a consortium of counties to join the
 62.3 service delivery authority subject to the approval of the council and the ~~commissioner~~
 62.4 commissioners.

62.5 (d) Nothing in this chapter precludes local governments from using sections 465.81 and

 62.7 voters. Nothing in this chapter limits the authority of a county board or tribal council to

 62.24 stating the county's intent to participate, or in the case of a tribe, a resolution from tribal

For purposes of this section, "state agency" includes prepaid health plans under contract with the commissioner according to sections 256B.69, 256L.01, subdivision 7, 256L.03, subdivision 6, and 256L.12, and Minnesota Statutes 2009 Supplement, section 256D.03, subdivision 4, paragraph (c); children's mental health collaboratives under section 245.493; demonstration projects for persons with disabilities under section 256B.77; nursing homes reimbursed under chapter 256R; and county-based purchasing entities under section 256B.692.

(b) This section does not affect the priority of any attorney's lien. The state agency is not subject to any limitations period referred to in section 514.69 or 514.71 and has one year from the date notice is first received by it under subdivision 4, paragraph (c), even if the notice is untimely, or one year from the date medical bills are first paid by the state agency, whichever is later, to file its verified lien statement. The state agency may commence an action to enforce the lien within one year of (1) the date the notice required by subdivision 4, paragraph (c), is received, or (2) the date the person's cause of action is concluded by judgment, award, settlement, or otherwise, whichever is later.

(c) If the notice required in subdivision 4 is not provided by any of the parties to the claim at any stage of the claim, the state agency will have one year from the date the state agency learns of the lack of notice to commence an action. If amounts on the claim or cause of action are paid and the amount required to be paid to the state agency under subdivision 5 is not paid to the state agency, the state agency may commence an action to recover on the lien against any or all of the parties or entities that have either paid or received the payments.

Subd. 4. **Notice.** (a) The state agency must be given notice of monetary claims against a person, firm, or corporation that may be liable in damages to the injured person when the state agency has paid for or become liable for the cost of medical care or payments related to the injury. - (3) when a claim is concluded by payment, award, judgment, settlement, or otherwise.

(e) Every party involved in any stage of a claim under this subdivision is required to provide notice to the state agency at that stage of the claim. However, when one of the parties to the claim provides notice at that stage, every other party to the claim is deemed to have provided the required notice at that stage of the claim. If the required notice under this paragraph is not provided to the state agency, every party will be deemed to have failed to provide the required notice. A party to a claim includes the injured person or the person's legal representative, the plaintiff, the defendants, or persons alleged to be responsible for compensating the injured person or plaintiff, and any other party to the cause of action or claim, regardless of whether the party knows the state agency has a potential or actual lien claim.

(f) Notice given to the county agency is not sufficient to meet the requirements of paragraphs (c) and (d).

Subd. 5. Costs deducted. Upon any judgment, award, or settlement of a cause of action, or any part of it, upon which the state agency has filed its lien, including compensation for liquidated, unliquidated, or other damages, reasonable costs of collection, including attorney fees, must be deducted first. The full amount of public assistance paid to or on behalf of the person as a result of the injury must be deducted next, and paid to the state agency. The rest must be paid to the public assistance recipient or other plaintiff. The plaintiff, however, must receive at least one-third of the net recovery after attorney fees and other collection costs.

Subd. 6. When effective. The lien created under this section is effective with respect to any public assistance paid on or after August 1, 1987.

Subd. 7. Cooperation with information requests required. (a) Upon the request of the commissioner:

(1) any state agency or third-party payer shall cooperate by furnishing information to help establish a third-party liability, as required by the federal Deficit Reduction Act of 2005, Public Law 109-171;

(2) any employer or third-party payer shall cooperate by furnishing a data file containing information about group health insurance plan or medical benefit plan coverage of its employees or insureds within 60 days of the request. The information in the data file must include at least the following: full name, date of birth, Social Security number if collected and stored in a system routinely used for producing data files by the employer or third-party payer, employer name, policy identification number, group identification number, and plan or coverage type.

(b) For purposes of section 176.191, subdivision 4, the commissioner of labor and industry may allow the commissioner of children, youth, and families and county agencies direct access and data matching on information relating to workers' compensation claims in order to determine whether the claimant has reported the fact of a pending claim and the amount paid to or on behalf of the claimant to the commissioner of human services.

(c) For the purpose of compliance with section 169.09, subdivision 13, and federal requirements under Code of Federal Regulations, title 42, section 433.138(d)(4), the commissioner of public safety shall provide accident data as requested by the commissioner of children, youth, and families. The disclosure shall not violate section 169.09, subdivision 13, paragraph (d).

(d) The commissioner of children, youth, and families and county agencies shall limit its use of information gained from agencies, third-party payers, and employers to purposes directly connected with the administration of its public assistance and child support programs.
