2.1 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

2.2 **ARTICLE 1**

2.3 **DISABILITY SERVICES**

2.4 Section 1. Minnesota Statutes 2022, section 177.24, is amended by adding a subdivision
2.5 to read:

2.6 Subd. 6. **Special certificate prohibition.** (a) On or after August 1, 2026, employers
2.7 must not hire any new employee with a disability at a wage that is less than the highest
2.8 applicable minimum wage, regardless of whether the employer holds a special certificate
2.9 from the United States Department of Labor under section 14(c) of the federal Fair Labor
2.10 Standards Act.

2.11 (b) On or after August 1, 2028, an employer must not pay an employee with a disability
2.12 less than the highest applicable minimum wage, regardless of whether the employer holds
2.13 a special certificate from the United States Department of Labor under section 14(c) of the
2.14 federal Fair Labor Standards Act.

2.15 Sec. 2. Minnesota Statutes 2022, section 179A.54, is amended by adding a subdivision to
2.16 read:

2.17 Subd. 11. **Home Care Orientation Trust.** (a) The state and an exclusive representative
2.18 certified pursuant to this section may establish a joint labor and management trust, referred
2.19 to as the Home Care Orientation Trust, for the exclusive purpose of rendering voluntary
2.20 orientation training to individual providers of direct support services who are represented
2.21 by the exclusive representative.

2.22 (b) Financial contributions made by the state to the Home Care Orientation Trust shall
2.23 be made pursuant to a collective bargaining agreement negotiated under this section. All
2.24 such financial contributions made by the state shall be held in trust for the purpose of paying
2.25 from principle, from interest, or from both, the costs associated with developing, delivering,
2.26 and promoting voluntary orientation training for individual providers of direct support
2.27 services working under a collective bargaining agreement and providing services through
2.28 a covered program under section 256B.0711. The Home Care Orientation Trust shall be
2.29 administered, managed, and otherwise controlled jointly by a board of trustees composed
2.30 of an equal number of trustees appointed by the state and trustees appointed by the exclusive
2.31 representative under this section. The trust shall not be an agent of either the state or the
2.32 exclusive representative.

3.1 (c) Trust administrative, management, legal, and financial services may be provided by
3.2 the board of trustees by a third-party administrator, financial management institution, or
3.3 other appropriate entity, as designated by the board of trustees from time to time, and those
3.4 services shall be paid from the money held in trust and created by the state's financial
3.5 contributions to the Home Care Orientation Trust.

3.6 (d) The state is authorized to purchase liability insurance for members of the board of
3.7 trustees appointed by the state.

3.8 (e) Financial contributions to, and participation in, the administration and management
3.9 of the Home Care Orientation Trust shall not be considered an unfair labor practice under
3.10 section 179A.13, or a violation of Minnesota law.

3.11 Sec. 3. Minnesota Statutes 2022, section 245A.03, subdivision 7, is amended to read:

3.12 Subd. 7. **Licensing moratorium.** (a) The commissioner shall not issue an initial license
3.13 for child foster care licensed under Minnesota Rules, parts 2960.3000 to 2960.3340, or adult
3.14 foster care licensed under Minnesota Rules, parts 9555.5105 to 9555.6265, under this chapter
3.15 for a physical location that will not be the primary residence of the license holder for the
3.16 entire period of licensure. If a family child foster care home or family adult foster care home
3.17 license is issued during this moratorium, and the license holder changes the license holder's
3.18 primary residence away from the physical location of the foster care license, the
3.19 commissioner shall revoke the license according to section 245A.07. The commissioner
3.20 shall not issue an initial license for a community residential setting licensed under chapter
3.21 245D. When approving an exception under this paragraph, the commissioner shall consider
3.22 the resource need determination process in paragraph (h), the availability of foster care
3.23 licensed beds in the geographic area in which the licensee seeks to operate, the results of a
3.24 person's choices during their annual assessment and service plan review, and the
3.25 recommendation of the local county board. The determination by the commissioner is final
3.26 and not subject to appeal. Exceptions to the moratorium include:

3.27 (1) foster care settings where at least 80 percent of the residents are 55 years of age or
3.28 older;

3.29 (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or
3.30 community residential setting licenses replacing adult foster care licenses in existence on
3.31 December 31, 2013, and determined to be needed by the commissioner under paragraph
3.32 (b);

4.1 (3) new foster care licenses or community residential setting licenses determined to be
4.2 needed by the commissioner under paragraph (b) for the closure of a nursing facility, ICF/DD,
4.3 or regional treatment center; restructuring of state-operated services that limits the capacity
4.4 of state-operated facilities; or allowing movement to the community for people who no
4.5 longer require the level of care provided in state-operated facilities as provided under section
4.6 256B.092, subdivision 13, or 256B.49, subdivision 24;

4.7 (4) new foster care licenses or community residential setting licenses determined to be
4.8 needed by the commissioner under paragraph (b) for persons requiring hospital-level care;
4.9 or

4.10 (5) new foster care licenses or community residential setting licenses for people receiving
4.11 customized living or 24-hour customized living services under the brain injury or community
4.12 access for disability inclusion waiver plans under section 256B.49 or elderly waiver plan
4.13 under chapter 256S and residing in the customized living setting ~~before July 1, 2022~~, for
4.14 which a license is required. A customized living service provider subject to this exception
4.15 may rebut the presumption that a license is required by seeking a reconsideration of the
4.16 commissioner's determination. The commissioner's disposition of a request for
4.17 reconsideration is final and not subject to appeal under chapter 14. The exception is available
4.18 until ~~June 30~~ December 31, 2023. This exception is available when:

4.19 (i) the person's customized living services are provided in a customized living service
4.20 setting serving four or fewer people ~~under the brain injury or community access for disability~~
4.21 ~~inclusion waiver plans under section 256B.49~~ in a single-family home operational on or
4.22 before June 30, 2021. Operational is defined in section 256B.49, subdivision 28;

4.23 (ii) the person's case manager provided the person with information about the choice of
4.24 service, service provider, and location of service, including in the person's home, to help
4.25 the person make an informed choice; and

4.26 (iii) the person's services provided in the licensed foster care or community residential
4.27 setting are less than or equal to the cost of the person's services delivered in the customized
4.28 living setting as determined by the lead agency.

4.29 (b) The commissioner shall determine the need for newly licensed foster care homes or
4.30 community residential settings as defined under this subdivision. As part of the determination,
4.31 the commissioner shall consider the availability of foster care capacity in the area in which
4.32 the licensee seeks to operate, and the recommendation of the local county board. The
4.33 determination by the commissioner must be final. A determination of need is not required
4.34 for a change in ownership at the same address.

5.1 (c) When an adult resident served by the program moves out of a foster home that is not
5.2 the primary residence of the license holder according to section 256B.49, subdivision 15,
5.3 paragraph (f), or the adult community residential setting, the county shall immediately
5.4 inform the Department of Human Services Licensing Division. The department may decrease
5.5 the statewide licensed capacity for adult foster care settings.

5.6 (d) Residential settings that would otherwise be subject to the decreased license capacity
5.7 established in paragraph (c) shall be exempt if the license holder's beds are occupied by
5.8 residents whose primary diagnosis is mental illness and the license holder is certified under
5.9 the requirements in subdivision 6a or section 245D.33.

5.10 (e) A resource need determination process, managed at the state level, using the available
5.11 data required by section 144A.351, and other data and information shall be used to determine
5.12 where the reduced capacity determined under section 256B.493 will be implemented. The
5.13 commissioner shall consult with the stakeholders described in section 144A.351, and employ
5.14 a variety of methods to improve the state's capacity to meet the informed decisions of those
5.15 people who want to move out of corporate foster care or community residential settings,
5.16 long-term service needs within budgetary limits, including seeking proposals from service
5.17 providers or lead agencies to change service type, capacity, or location to improve services,
5.18 increase the independence of residents, and better meet needs identified by the long-term
5.19 services and supports reports and statewide data and information.

5.20 (f) At the time of application and reapplication for licensure, the applicant and the license
5.21 holder that are subject to the moratorium or an exclusion established in paragraph (a) are
5.22 required to inform the commissioner whether the physical location where the foster care
5.23 will be provided is or will be the primary residence of the license holder for the entire period
5.24 of licensure. If the primary residence of the applicant or license holder changes, the applicant
5.25 or license holder must notify the commissioner immediately. The commissioner shall print
5.26 on the foster care license certificate whether or not the physical location is the primary
5.27 residence of the license holder.

5.28 (g) License holders of foster care homes identified under paragraph (f) that are not the
5.29 primary residence of the license holder and that also provide services in the foster care home
5.30 that are covered by a federally approved home and community-based services waiver, as
5.31 authorized under chapter 256S or section 256B.092 or 256B.49, must inform the human
5.32 services licensing division that the license holder provides or intends to provide these
5.33 waiver-funded services.

6.1 (h) The commissioner may adjust capacity to address needs identified in section
6.2 144A.351. Under this authority, the commissioner may approve new licensed settings or
6.3 delicense existing settings. Delicensing of settings will be accomplished through a process
6.4 identified in section 256B.493.

6.5 (i) The commissioner must notify a license holder when its corporate foster care or
6.6 community residential setting licensed beds are reduced under this section. The notice of
6.7 reduction of licensed beds must be in writing and delivered to the license holder by certified
6.8 mail or personal service. The notice must state why the licensed beds are reduced and must
6.9 inform the license holder of its right to request reconsideration by the commissioner. The
6.10 license holder's request for reconsideration must be in writing. If mailed, the request for
6.11 reconsideration must be postmarked and sent to the commissioner within 20 calendar days
6.12 after the license holder's receipt of the notice of reduction of licensed beds. If a request for
6.13 reconsideration is made by personal service, it must be received by the commissioner within
6.14 20 calendar days after the license holder's receipt of the notice of reduction of licensed beds.

6.15 (j) The commissioner shall not issue an initial license for children's residential treatment
6.16 services licensed under Minnesota Rules, parts 2960.0580 to 2960.0700, under this chapter
6.17 for a program that Centers for Medicare and Medicaid Services would consider an institution
6.18 for mental diseases. Facilities that serve only private pay clients are exempt from the
6.19 moratorium described in this paragraph. The commissioner has the authority to manage
6.20 existing statewide capacity for children's residential treatment services subject to the
6.21 moratorium under this paragraph and may issue an initial license for such facilities if the
6.22 initial license would not increase the statewide capacity for children's residential treatment
6.23 services subject to the moratorium under this paragraph.

6.24 **EFFECTIVE DATE.** This section is effective the day following final enactment.

6.25 Sec. 4. Minnesota Statutes 2022, section 245A.10, subdivision 3, is amended to read:

6.26 Subd. 3. **Application fee for initial license or certification.** (a) For fees required under
6.27 subdivision 1, an applicant for an initial license or certification issued by the commissioner
6.28 shall submit a \$500 application fee with each new application required under this subdivision.
6.29 An applicant for an initial day services facility license under chapter 245D shall submit a
6.30 \$250 application fee with each new application. The application fee shall not be prorated,
6.31 is nonrefundable, and is in lieu of the annual license or certification fee that expires on
6.32 December 31. The commissioner shall not process an application until the application fee
6.33 is paid.

7.1 (b) Except as provided in clauses (1) to (3), an applicant shall apply for a license to
7.2 provide services at a specific location.

7.3 (1) For a license to provide home and community-based services to persons with
7.4 disabilities or age 65 and older under chapter 245D, an applicant shall submit an application
7.5 to provide services statewide. ~~Notwithstanding paragraph (a), applications received by the~~
7.6 ~~commissioner between July 1, 2013, and December 31, 2013, for licensure of services~~
7.7 ~~provided under chapter 245D must include an application fee that is equal to the annual~~
7.8 ~~license renewal fee under subdivision 4, paragraph (b), or \$500, whichever is less.~~
7.9 ~~Applications received by the commissioner after January 1, 2014, must include the application~~
7.10 ~~fee required under paragraph (a). Applicants who meet the modified application criteria~~
7.11 ~~identified in section 245A.042, subdivision 2, are exempt from paying an application fee.~~

7.12 (2) For a license to provide independent living assistance for youth under section 245A.22,
7.13 an applicant shall submit a single application to provide services statewide.

7.14 (3) For a license for a private agency to provide foster care or adoption services under
7.15 Minnesota Rules, parts 9545.0755 to 9545.0845, an applicant shall submit a single application
7.16 to provide services statewide.

7.17 (c) The initial application fee charged under this subdivision does not include the
7.18 temporary license surcharge under section 16E.22.

7.19 Sec. 5. Minnesota Statutes 2022, section 245A.11, subdivision 7, is amended to read:

7.20 Subd. 7. **Adult foster care; variance for alternate overnight supervision.** (a) The
7.21 commissioner may grant a variance under section 245A.04, subdivision 9, to rule parts
7.22 requiring a caregiver to be present in an adult foster care home during normal sleeping hours
7.23 to allow for alternative methods of overnight supervision. The commissioner may grant the
7.24 variance if the local county licensing agency recommends the variance and the county
7.25 recommendation includes documentation verifying that:

7.26 (1) the county has approved the license holder's plan for alternative methods of providing
7.27 overnight supervision and determined the plan protects the residents' health, safety, and
7.28 rights;

7.29 (2) the license holder has obtained written and signed informed consent from each
7.30 resident or each resident's legal representative documenting the resident's or legal
7.31 representative's agreement with the alternative method of overnight supervision; and

7.32 (3) the alternative method of providing overnight supervision, which may include the
7.33 use of technology, is specified for each resident in the resident's: (i) individualized plan of

8.1 care; (ii) individual service plan under section 256B.092, subdivision 1b, if required; or (iii)
8.2 individual resident placement agreement under Minnesota Rules, part 9555.5105, subpart
8.3 19, if required.

8.4 (b) To be eligible for a variance under paragraph (a), the adult foster care license holder
8.5 must not have had a conditional license issued under section 245A.06, or any other licensing
8.6 sanction issued under section 245A.07 during the prior 24 months based on failure to provide
8.7 adequate supervision, health care services, or resident safety in the adult foster care home.

8.8 (c) A license holder requesting a variance under this subdivision to utilize technology
8.9 as a component of a plan for alternative overnight supervision may request the commissioner's
8.10 review in the absence of a county recommendation. Upon receipt of such a request from a
8.11 license holder, the commissioner shall review the variance request with the county.

8.12 (d) ~~A variance granted by the commissioner according to this subdivision before January~~
8.13 ~~1, 2014, to a license holder for an adult foster care home must transfer with the license when~~
8.14 ~~the license converts to a community residential setting license under chapter 245D. The~~
8.15 ~~terms and conditions of the variance remain in effect as approved at the time the variance~~
8.16 ~~was granted~~ The variance requirements under this subdivision for alternative overnight
8.17 supervision do not apply to community residential settings licensed under chapter 245D.

8.18 **EFFECTIVE DATE.** This section is effective January 1, 2024.

8.19 Sec. 6. Minnesota Statutes 2022, section 245A.11, subdivision 7a, is amended to read:

8.20 Subd. 7a. **Alternate overnight supervision technology; adult foster care and**
8.21 **community residential setting licenses.** (a) The commissioner may grant an applicant or
8.22 license holder an adult foster care ~~or community residential setting~~ license for a residence
8.23 that does not have a caregiver in the residence during normal sleeping hours as required
8.24 under Minnesota Rules, part 9555.5105, subpart 37, item B, or section 245D.02, subdivision
8.25 33b, but uses monitoring technology to alert the license holder when an incident occurs that
8.26 may jeopardize the health, safety, or rights of a foster care recipient. The applicant or license
8.27 holder must comply with all other requirements under Minnesota Rules, parts 9555.5105
8.28 to 9555.6265, or applicable requirements under chapter 245D, and the requirements under
8.29 this subdivision. The license printed by the commissioner must state in bold and large font:

8.30 (1) that the facility is under electronic monitoring; and

8.31 (2) the telephone number of the county's common entry point for making reports of
8.32 suspected maltreatment of vulnerable adults under section 626.557, subdivision 9.

9.1 (b) Applications for a license under this section must be submitted directly to the
9.2 Department of Human Services licensing division. The licensing division must immediately
9.3 notify the county licensing agency. The licensing division must collaborate with the county
9.4 licensing agency in the review of the application and the licensing of the program.

9.5 (c) Before a license is issued by the commissioner, and for the duration of the license,
9.6 the applicant or license holder must establish, maintain, and document the implementation
9.7 of written policies and procedures addressing the requirements in paragraphs (d) through
9.8 (f).

9.9 (d) The applicant or license holder must have policies and procedures that:

9.10 (1) establish characteristics of target populations that will be admitted into the home,
9.11 and characteristics of populations that will not be accepted into the home;

9.12 (2) explain the discharge process when a resident served by the program requires
9.13 overnight supervision or other services that cannot be provided by the license holder due
9.14 to the limited hours that the license holder is on site;

9.15 (3) describe the types of events to which the program will respond with a physical
9.16 presence when those events occur in the home during time when staff are not on site, and
9.17 how the license holder's response plan meets the requirements in paragraph (e), clause (1)
9.18 or (2);

9.19 (4) establish a process for documenting a review of the implementation and effectiveness
9.20 of the response protocol for the response required under paragraph (e), clause (1) or (2).
9.21 The documentation must include:

9.22 (i) a description of the triggering incident;

9.23 (ii) the date and time of the triggering incident;

9.24 (iii) the time of the response or responses under paragraph (e), clause (1) or (2);

9.25 (iv) whether the response met the resident's needs;

9.26 (v) whether the existing policies and response protocols were followed; and

9.27 (vi) whether the existing policies and protocols are adequate or need modification.

9.28 When no physical presence response is completed for a three-month period, the license
9.29 holder's written policies and procedures must require a physical presence response drill to
9.30 be conducted for which the effectiveness of the response protocol under paragraph (e),
9.31 clause (1) or (2), will be reviewed and documented as required under this clause; and

10.1 (5) establish that emergency and nonemergency phone numbers are posted in a prominent
10.2 location in a common area of the home where they can be easily observed by a person
10.3 responding to an incident who is not otherwise affiliated with the home.

10.4 (e) The license holder must document and include in the license application which
10.5 response alternative under clause (1) or (2) is in place for responding to situations that
10.6 present a serious risk to the health, safety, or rights of residents served by the program:

10.7 (1) response alternative (1) requires only the technology to provide an electronic
10.8 notification or alert to the license holder that an event is underway that requires a response.
10.9 Under this alternative, no more than ten minutes will pass before the license holder will be
10.10 physically present on site to respond to the situation; or

10.11 (2) response alternative (2) requires the electronic notification and alert system under
10.12 alternative (1), but more than ten minutes may pass before the license holder is present on
10.13 site to respond to the situation. Under alternative (2), all of the following conditions are
10.14 met:

10.15 (i) the license holder has a written description of the interactive technological applications
10.16 that will assist the license holder in communicating with and assessing the needs related to
10.17 the care, health, and safety of the foster care recipients. This interactive technology must
10.18 permit the license holder to remotely assess the well being of the resident served by the
10.19 program without requiring the initiation of the foster care recipient. Requiring the foster
10.20 care recipient to initiate a telephone call does not meet this requirement;

10.21 (ii) the license holder documents how the remote license holder is qualified and capable
10.22 of meeting the needs of the foster care recipients and assessing foster care recipients' needs
10.23 under item (i) during the absence of the license holder on site;

10.24 (iii) the license holder maintains written procedures to dispatch emergency response
10.25 personnel to the site in the event of an identified emergency; and

10.28 or individual resident placement agreement under Minnesota Rules, part 9555.5105, subpart
10.29 19, if required, identifies the maximum response time, which may be greater than ten minutes,
10.30 for the license holder to be on site for that resident.

10.31 (f) Each resident's placement agreement, individual service agreement, and plan must

11.7 (1) how any electronic monitoring is incorporated into the alternative supervision system;

11.8 (2) the backup system for any electronic monitoring in times of electrical outages or
11.9 other equipment malfunctions;

11.10 (3) how the caregivers or direct support staff are trained on the use of the technology;

11.11 (4) the event types and license holder response times established under paragraph (e);

11.12 (5) how the license holder protects each resident's privacy related to electronic monitoring
11.13 and related to any electronically recorded data generated by the monitoring system. A

11.17 it is retained; and

11.18 (6) the risks and benefits of the alternative overnight supervision system.

11.19 The written explanations under clauses (1) to (6) may be accomplished through

11.22 (g) Nothing in this section requires the applicant or license holder to develop or maintain
11.23 separate or duplicative policies, procedures, documentation, consent forms, or individual
11.24 plans that may be required for other licensing standards, if the requirements of this section
11.25 are incorporated into those documents.

11.26 (h) The commissioner may grant variances to the requirements of this section according
11.27 to section 245A.04, subdivision 9.

11.29 under section 245A.02, subdivision 9, and additionally includes all staff, volunteers, and

12.2 determine what action the license holder needs to take to protect the well-being of the foster
12.3 care recipient.

12.4 (k) The commissioner shall evaluate license applications using the requirements in

12.11 adult foster care home ~~or community residential setting~~.

12.12 (m) The commissioner shall review an application for an alternative overnight supervision
12.13 license within 60 days of receipt of the application. When the commissioner receives an
12.14 application that is incomplete because the applicant failed to submit required documents or
12.15 that is substantially deficient because the documents submitted do not meet licensing
12.16 requirements, the commissioner shall provide the applicant written notice that the application
12.17 is incomplete or substantially deficient. In the written notice to the applicant, the
12.18 commissioner shall identify documents that are missing or deficient and give the applicant
12.19 45 days to resubmit a second application that is substantially complete. An applicant's failure
12.20 to submit a substantially complete application after receiving notice from the commissioner
12.21 is a basis for license denial under section 245A.05. The commissioner shall complete
12.22 subsequent review within 30 days.

12.23 (n) Once the application is considered complete under paragraph (m), the commissioner
12.24 will approve or deny an application for an alternative overnight supervision license within

25.1 (h) Premium payment is due upon notification from the commissioner of the premium
25.2 amount required. Premiums may be paid in installments at the discretion of the commissioner.

48.2 Subd. 14. **Exceptions.** (a) In a format prescribed by the commissioner, lead agencies
48.3 must identify individuals with exceptional needs that cannot be met under the disability
48.4 waiver rate system. The commissioner shall use that information to evaluate and, if necessary,
48.5 approve an alternative payment rate for those individuals. Whether granted, denied, or
48.6 modified, the commissioner shall respond to all exception requests in writing. The
48.7 commissioner shall include in the written response the basis for the action and provide
48.8 notification of the right to appeal under paragraph (h).

48.9 (b) Lead agencies must act on an exception request within 30 days and notify the initiator
48.10 of the request of their recommendation in writing. A lead agency shall submit all exception
48.11 requests along with its recommendation to the commissioner.

48.12 (c) An application for a rate exception may be submitted for the following criteria:

48.13 (1) an individual has service needs that cannot be met through additional units of service;

48.14 (2) an individual's rate determined under subdivisions 6 to 9a is so insufficient that it
48.15 has resulted in an individual receiving a notice of discharge from the individual's provider;
48.16 or

48.17 (3) an individual's service needs, including behavioral changes, require a level of service
48.18 which necessitates a change in provider or which requires the current provider to propose

48.21 (1) the service needs required by each individual that are not accounted for in subdivisions

48.26 documentation; and

48.27 (4) any contingencies for approval.

48.28 (e) Approved rate exceptions shall be managed within lead agency allocations under
48.29 sections 256B.092 and 256B.49.

48.30 (f) Individual disability waiver recipients, an interested party, or the license holder that
48.31 would receive the rate exception increase may request that a lead agency submit an exception
48.32 request. A lead agency that denies such a request shall notify the individual waiver recipient,

49.4 based on the failure to meet the criteria in paragraph (c).

49.5 (g) The commissioner shall determine whether to approve or deny an exception request
49.6 no more than 30 days after receiving the request. If the commissioner denies the request,
49.7 the commissioner shall notify the lead agency and the individual disability waiver recipient,

49.9 (h) The individual disability waiver recipient may appeal any denial of an exception
49.10 request by either the lead agency or the commissioner, pursuant to sections 256.045 and
49.11 256.0451. When the denial of an exception request results in the proposed demission of a
49.12 waiver recipient from a residential or day habilitation program, the commissioner shall issue
49.13 a temporary stay of demission, when requested by the disability waiver recipient, consistent
49.14 with the provisions of section 256.045, subdivisions 4a and 6, paragraph (c). The temporary
49.15 stay shall remain in effect until the lead agency can provide an informed choice of
49.16 appropriate, alternative services to the disability waiver.

49.17 (i) Providers may petition lead agencies to update values that were entered incorrectly
49.18 or erroneously into the rate management system, based on past service level discussions
49.19 and determination in subdivision 4, without applying for a rate exception.

49.20 (j) The starting date for the rate exception will be the later of the date of the recipient's
49.21 change in support or the date of the request to the lead agency for an exception.

49.22 (k) The commissioner shall track all exception requests received and their dispositions.
49.23 The commissioner shall issue quarterly public exceptions statistical reports, including the

49.27 change as defined in paragraph (c).

49.28 (m) Rates determined under subdivision 19 are ineligible for rate exceptions.

125.6 before the commissioner of corrections may grant a license to the facility.

125.7 (b) For juvenile facilities licensed by the commissioner of human services, the
125.8 commissioner may inspect and certify programs based on certification standards set forth
125.9 in Minnesota Rules. For the purpose of this paragraph, "certification" has the meaning given

125.14 license the same aspects of similar types of correctional facilities, although at different
125.15 correctional facilities.

125.16 (d) Nothing in this section shall be construed to limit the commissioner of corrections'
125.17 authority to promulgate rules establishing standards of eligibility for counties to receive
125.18 funds under sections 401.01 to 401.16, or to require counties to comply with operating
125.19 standards the commissioner establishes as a condition precedent for counties to receive that
125.20 funding.

125.21 (e) The department's inspection unit must report directly to a division head outside of

137.1 Sec. 3. Minnesota Statutes 2022, section 256B.0638, subdivision 4, is amended to read:

137.2 Subd. 4. **Program components.** (a) The working group shall recommend to the

137.24 (c) All opioid prescribers who prescribe opioids to Minnesota health care program
137.25 enrollees must participate in the program in accordance with subdivision 5. Any other
137.26 prescriber who prescribes opioids may comply with the components of this program described
137.27 in paragraph (a) on a voluntary basis.

137.28 Sec. 4. Minnesota Statutes 2022, section 256B.0638, subdivision 5, is amended to read:

137.29 Subd. 5. **Program implementation.** (a) The commissioner shall implement the ~~programs~~
137.30 ~~within the Minnesota health care~~ quality improvement program to improve the health of
137.31 and quality of care provided to Minnesota health care program enrollees. The program must

138.1 be designed to support patient-centered care consistent with community standards of care.
138.2 The program must discourage unsafe tapering practices and patient abandonment by
138.3 providers. The commissioner shall annually collect and report to provider groups the sentinel

138.5 to their anonymized peers. Provider groups shall distribute data to their affiliated, contracted,
138.6 or employed opioid prescribers.

138.7 (b) The commissioner shall notify an opioid prescriber and all provider groups with
138.8 which the opioid prescriber is employed or affiliated when the opioid prescriber's prescribing
138.9 pattern exceeds the opioid quality improvement standard thresholds. An opioid prescriber
138.10 and any provider group that receives a notice under this paragraph shall submit to the
138.11 commissioner a quality improvement plan for review and approval by the commissioner

138.21 (c) If, after a year from the commissioner's notice under paragraph (b), the opioid
138.22 prescriber's prescribing practices for treatment of acute or postacute pain do not improve
138.23 so that they are consistent with community standards, the commissioner ~~shall~~ may take one
138.24 or more of the following steps:

138.25 (1) require the prescriber, the provider group, or both, to monitor prescribing practices
138.26 more frequently than annually;

138.27 (2) monitor more aspects of the opioid prescriber's prescribing practices than the sentinel
138.28 measures; or

138.29 (3) require the opioid prescriber to participate in additional quality improvement efforts;
138.30 ~~including but not limited to mandatory use of the prescription monitoring program established~~
138.31 ~~under section 152.126.~~

138.32 (d) Prescribers treating patients who are on chronic, high doses of opioids must meet
138.33 community standards of care, including performing regular assessments and addressing

139.1 unwarranted risks of opioid prescribing, but are not required to show measurable changes
139.2 in chronic pain prescribing thresholds within a certain period.

139.3 (e) The commissioner shall dismiss a prescriber from participating in the opioid
139.4 prescribing quality improvement program on an annual basis when the prescriber

139.10 standards.

139.11 ~~(e)~~ (g) No physician, advanced practice registered nurse, or physician assistant, acting
139.12 in good faith based on the needs of the patient, may be disenrolled by the commissioner of
139.13 human services solely for prescribing a dosage that equates to an upward deviation from
139.14 morphine milligram equivalent dosage recommendations specified in state or federal opioid
139.15 prescribing guidelines or policies, or quality improvement thresholds established under this
139.16 section.

139.17 Sec. 5. Minnesota Statutes 2022, section 256B.0638, is amended by adding a subdivision
139.18 to read:

139.19 Subd. 8. **Sanction standards.** (a) Providers enrolled in medical assistance under section
139.20 256B.04, subdivision 21, providing services to persons enrolled in medical assistance or
139.21 MinnesotaCare may be subject to sanctions under section 256B.064 for the following
139.22 practices:

139.23 (1) discontinuing, either abruptly or in the form of a rapid taper, chronic opioid analgesic
139.24 therapy from daily doses greater or equal to 50 morphine milligram equivalents a day without
139.25 providing patient support. Discontinuing without providing patient support includes failing
139.26 to:

139.27 (i) document and communicate to the patient a clinical rationale for the opioid
139.28 discontinuation and for the taper plan or speed;

139.29 (ii) ascertain pregnancy status in women of childbearing age prior to beginning the
139.30 discontinuation;

139.31 (iii) provide adequate follow-up care to the patient during the opioid discontinuation;

139.32 (iv) document a safety and pain management plan prior to or during the discontinuation;

140.1 (v) respond promptly and appropriately to patient-expressed psychological distress,
140.2 including but not limited to suicidal ideation;

140.3 (vi) assess the patient for active, moderate to severe substance use disorder, including
140.4 but not limited to opioid use disorder, and refer or treat the patient as appropriate; or

140.5 (vii) document and address patient harm when it arises. This includes but is not limited
140.6 to known harms reported by the patient, harms evident in a clinical evaluation, or harms
140.7 that should have been known through adequate chart review;

140.8 (2) continuing chronic opioid analgesic therapy without a safety plan when specific red
140.9 flags for opioid use disorder are present. Failure to develop a safety plan includes but is not
140.10 limited to failing to:

140.11 (i) document and address risks related to the condition or patterns of behavior and the
140.12 potential health consequences that an undiagnosed or untreated opioid use disorder poses
140.13 to the patient;

140.14 (ii) pursue a diagnosis when an opioid use disorder is suspected;

140.15 (iii) include a clear explanation of the safety plan in the patient's health record and
140.16 evidence that the plan was communicated to the patient; and

140.17 (iv) document the clinical rationale for continuing therapy despite the presence of red
140.18 flags. Red flags for opioid use disorder that require provider response under this section
140.19 include:

140.20 (A) a history of overdose known to the prescriber or evident from the patient's medical
140.21 record in the past 12 months;

140.22 (B) a history of an episode of opioid withdrawal that is not otherwise explained and is
140.23 known to the prescriber or evident from the patient's medical record in the past 12 months;

140.24 (C) a known history of opioid use disorder. If the opioid use disorder is moderate to
140.25 severe and the diagnosis was made within the past 12 months, a higher degree of
140.26 consideration must be included in the safety plan;

140.27 (D) a history of opioid use resulting in neglect of other aspects of the patient's health
140.28 that may result in serious harm known to the prescriber or evident from the patient's medical
140.29 record in the past 12 months;

140.30 (E) an active alcohol use disorder. If the alcohol use disorder is moderate to severe, a
140.31 higher degree of consideration must be included in the safety plan;

141.1 (F) a close personal contact of the patient expressing credible concern about the practice
141.2 of use or safety of the patient indicating imminent harm to the patient or an opioid use
141.3 disorder diagnosis;

141.4 (G) a pattern of deceptive actions by the patient to obtain opioid prescriptions. Deceptive
141.5 actions may include but are not limited to forging prescriptions, tampering with prescriptions,
141.6 and falsely reporting to medical staff with the intent of obtaining or protecting an opioid
141.7 supply;

141.8 (H) a pattern of behavior by the patient that is indicative of loss of control or continued
141.9 opioid use despite harm. Behaviors indicating a loss of control or continued use include but
141.10 are not limited to a pattern of recurrent lost prescriptions, patient requests to increase dosage
141.11 that are not supported by clinical reasoning, and a pattern of early refill requests without a
141.12 change in clinical condition;

141.13 (3) prescribing greater than 400 morphine milligram equivalents per day without
141.14 assessment of the risk for opioid-induced respiratory depression, without responding to
141.15 evidence of opioid-related harm, and without mitigating the risk of opioid-induced respiratory
141.16 depression. Failure to address risk of opioid-related harm includes but is not limited to
141.17 failure to:

141.18 (i) assess and document the diagnosis or diagnoses to be managed with chronic opioid
141.19 analgesic therapy;

141.20 (ii) assess and document comorbid health conditions that may impact the safety of opioid
141.21 therapy;

141.22 (iii) screen and document a patient-specific, opioid-related risk benefit analysis;

141.23 (iv) respond to evidence of harm within the patient's medical record. Evidence of harm
141.24 includes but is not limited to opioid-related falls, nonfatal overdoses, and appearing sedated
141.25 or with respiratory compromise at clinical visits;

141.26 (v) document clinical decision making if dosage is increased;

141.27 (vi) document discussion of an opioid taper with the patient on at least an annual basis;
141.28 and

141.29 (vii) evaluate the patient in person at least every three months or assess the patient for
141.30 diversion;

141.31 (4) continuing chronic opioid analgesic therapy at the same dosage without a safety plan
141.32 when risk factors for serious opioid-induced respiratory depression are present. Failing to

142.1 develop a safety plan includes failing to document the risk factor as a risk of opioid-induced
142.2 respiratory depression in the patient's health record and failing to document a clear safety
142.3 plan in the patient's health record that addresses actions to reduce the risk for serious
142.4 opioid-induced respiratory depression. Risk factors for serious opioid-induced respiratory
142.5 depression include but are not limited to:

142.6 (i) an active or symptomatic and untreated substance use disorder;

142.7 (ii) a serious mental health condition, including symptomatic, untreated mania;

142.8 symptomatic, untreated psychosis; and symptomatic, untreated suicidality;

142.9 (iii) an emergency department visit with a life-threatening opioid complication in the

142.10 last 12 months;

142.11 (iv) a pattern of inconsistent urine toxicology results, excluding the presence of

142.12 cannabinoids; however, addressing an inconsistent urine toxicology result must not result

142.13 in the overall worsening clinical status of the patient;

142.14 (v) the concurrent prescribing of long-term benzodiazepine therapy to an individual on

142.15 chronic opioid analgesic therapy;

142.16 (vi) a pulmonary disease with respiratory failure or hypoventilation; and

142.17 (vii) a failure to select and dose opioids safely for patients with known renal insufficiency;

142.18 and

142.19 (5) failing to participate in the Opioid Prescribing Improvement program for two

142.20 consecutive years.

142.21 Sec. 6. Minnesota Statutes 2022, section 256B.064, subdivision 1a, is amended to read:

142.22 Subd. 1a. **Grounds for sanctions against vendors.** (a) The commissioner may impose

142.23 sanctions against a vendor of medical care for any of the following: (1) fraud, theft, or abuse

142.24 in connection with the provision of medical care to recipients of public assistance; (2) a

142.25 pattern of presentment of false or duplicate claims or claims for services not medically

142.26 necessary; (3) a pattern of making false statements of material facts for the purpose of

142.27 obtaining greater compensation than that to which the vendor is legally entitled; (4)

142.28 suspension or termination as a Medicare vendor; (5) refusal to grant the state agency access

142.29 during regular business hours to examine all records necessary to disclose the extent of

142.30 services provided to program recipients and appropriateness of claims for payment; (6)

142.31 failure to repay an overpayment or a fine finally established under this section; (7) failure

142.32 to correct errors in the maintenance of health service or financial records for which a fine

143.1 was imposed or after issuance of a warning by the commissioner; and (8) any reason for
 143.2 which a vendor could be excluded from participation in the Medicare program under section
 143.3 1128, 1128A, or 1866(b)(2) of the Social Security Act.

143.4 (b) The commissioner may impose sanctions against a pharmacy provider for failure to
 143.5 respond to a cost of dispensing survey under section 256B.0625, subdivision 13e, paragraph

149.3 (d) Except as provided in paragraphs ~~(f) and (g)~~ (i) and (j), the commissioner shall not
149.4 issue ~~or reissue~~ a license if the applicant, license holder, or an affiliated controlling individual

149.22 individual is operating the program in substantial compliance with applicable laws and rules,
149.23 and (2) the program's continued operation is in the best interests of the community being
149.24 served.

149.25 (f) Notwithstanding paragraph (d), the commissioner may issue a new license in response
149.26 to an application that is affiliated with an applicant, license holder, or controlling individual

150.11 If the license under suspension or revocation will expire before a final order is issued, a

150.13 before the temporary provisional license is issued.

150.14 ~~(g)~~ (j) Notwithstanding paragraph ~~(f)~~ (i), when a revocation is based on the

150.17 contact with persons receiving services or is ordered to be under continuous, direct
150.18 supervision when providing direct contact services, the program may continue to operate
150.19 only if the program complies with the order and submits documentation demonstrating

150.21 reconsideration, or if the disqualification is not set aside and no variance is granted, the
150.22 order to immediately remove the individual from direct contact or to be under continuous,

151.20 service sites operated by the same license holder unless the commissioner has included in
151.21 the order an articulable basis for applying the order to other service sites.

151.22 (b) If the commissioner has issued more than one license to the license holder under this
151.23 chapter, the suspension imposed under this section must be specific to the license for the
151.24 program at which the commissioner determines an order is required under subdivision 2.
151.25 The order must not apply to other licenses held by the same license holder if those programs
151.26 are being operated in substantial compliance with applicable law and rules.

152.5 licensed and, unless exempt from licensure under section 245A.03, subdivision 2, must not
152.6 operate after the expiration date. After a license expires, if the former license holder wishes
152.7 to provide licensed services, the former license holder must submit a new license application
152.8 and application fee under subdivision 3.

152.9 Sec. 5. Minnesota Statutes 2022, section 245A.10, is amended by adding a subdivision to
152.10 read:

152.11 Subd. 9. **License not reissued until outstanding debt is paid.** The commissioner shall
152.12 not reissue a license or certification until the license holder has paid all outstanding debts
152.13 related to a licensing fine or settlement agreement for which payment is delinquent. If the
152.14 payment is past due, the commissioner shall send a past due notice informing the license
152.15 holder that the program license will expire on December 31 unless the outstanding debt is
152.16 paid before December 31. If a license expires, the program is no longer licensed and must
152.17 not operate after the expiration date. After a license expires, if the former license holder
152.18 wishes to provide licensed services, the former license holder must submit a new license
