289A.08 FILING REQUIREMENTS FOR INDIVIDUAL INCOME, FIDUCIARY INCOME, CORPORATE FRANCHISE, MINING COMPANY, AND ENTERTAINMENT TAXES.

Subdivision 1. **Generally; individuals.** (a) A taxpayer must file a return for each taxable year the taxpayer is required to file a return under section 6012 of the Internal Revenue Code or meets the requirements under paragraph (d) to file a return, except that:

(1) an individual who is not a Minnesota resident for any part of the year is not required to file a Minnesota income tax return if the individual's gross income derived from Minnesota sources as determined under sections 290.081, paragraph (a), and 290.17, is less than the filing requirements for a single individual who is a full year resident of Minnesota;

(2) an individual who is a Minnesota resident is not required to file a Minnesota income tax return if the individual's gross income derived from Minnesota sources as determined under section 290.17, less the subtractions allowed under section 290.0132, subdivisions 12 and 15, is less than the filing requirements for a single individual who is a full-year resident of Minnesota.

(b) The decedent's final income tax return, and other income tax returns for prior years where the decedent had gross income in excess of the minimum amount at which an individual is required to file and did not file, must be filed by the decedent's personal representative, if any. If there is no personal representative, the return or returns must be filed by the transferees, as defined in section 270C.58, subdivision 3, who receive property of the decedent.

(c) The term "gross income," as it is used in this section, has the same meaning given it in section 290.01, subdivision 20.

(d) The commissioner of revenue must annually determine the gross income levels at which individuals are required to file a return for each taxable year based on the amounts allowed as a deduction under section 290.0123.

Subd. 2. **Returns filed by fiduciaries.** (a) The trustee or other fiduciary of property held in trust must file a return with respect to the taxable net income of the trust or estate if it exceeds an amount determined by the commissioner and if the trust belongs to the class of taxable persons.

(b) The receivers, trustees in bankruptcy, or assignees operating the business or property of a taxpayer must file a return with respect to the taxable net income of the taxpayer if a return is required.

Subd. 3. **Corporations.** (a) A corporation that is subject to the state's jurisdiction to tax under section 290.014, subdivision 5, must file a return.

(b) Members of a unitary business that are required to file a combined report on one return must designate a member of the unitary business to be responsible for tax matters, including the filing of returns, the payment of taxes, additions to tax, penalties, interest, or any other payment, and for the receipt of refunds of taxes or interest paid in excess of taxes lawfully due. The designated member must be a member of the unitary business that is filing the single combined report and either:

(1) a corporation that is subject to the taxes imposed by chapter 290; or

(2) a corporation that is not subject to the taxes imposed by chapter 290:

(i) Such corporation consents by filing the return as a designated member under this clause to remit taxes, penalties, interest, or additions to tax due from the members of the unitary business subject to tax, and receive refunds or other payments on behalf of other members of the unitary business. The member designated under this clause is a "taxpayer" for the purposes of this chapter and chapter 270C, and is liable for any liability imposed on the unitary business under this chapter and chapter 290.

(ii) If the state does not otherwise have the jurisdiction to tax the member designated under this clause, consenting to be the designated member does not create the jurisdiction to impose tax on the designated member, other than as described in item (i).

(iii) The member designated under this clause must apply for a business tax account identification number.

(c) The commissioner shall adopt rules for the filing of one return on behalf of the members of an affiliated group of corporations that are required to file a combined report. All members of an

APPENDIX
Repealed Minnesota Statutes: 22-05087

affiliated group that are required to file a combined report must file one return on behalf of the members of the group under rules adopted by the commissioner.

(d) If a corporation claims on a return that it has paid tax in excess of the amount of taxes lawfully due, that corporation must include on that return information necessary for payment of the tax in excess of the amount lawfully due by electronic means.

Subd. 4. Exempt organizations; unrelated business income. An exempt organization that is subject to tax on unrelated business income under section 290.05, subdivision 3, must file a return for each taxable year in which the organization is required to file a return under section 6012 of the Internal Revenue Code because of the receipt of unrelated business income. If an organization is required to file a return under federal law but has no federal tax liability for the taxable year, the commissioner may provide that the filing requirement under this paragraph is satisfied by filing a copy of the taxpayer's federal return.

Subd. 5. Annual return; exceptions. A return under this section must cover a 12-month period, except in the following cases:

(1) A return made by or for a taxpayer in existence for less than the whole of a taxable year must cover the part of the taxable year the taxpayer was in existence;

(2) A taxpayer who, in keeping books, regularly computes income on the basis of an annual period that varies from 52 to 53 weeks and ends always on the same day of the week, and ends always (i) on the date that day of the week last occurs in a calendar month or (ii) on the date that day of the week falls that is nearest to the last day of a calendar month, may compute the taxpayer's net income and taxable net income on the basis of that annual period in accordance with rules prescribed by the commissioner. If the effective date or the applicability of a provision of this chapter or chapter 290 is expressed in terms of taxable years beginning or ending with reference to a named date that is the first or last day of a month, a taxable year must be treated as beginning with the first day of the calendar month beginning nearest to the first day of that taxable year, or as ending with the last day of the calendar month ending nearest to the last day of that taxable year, as the case may be;

(3) A taxpayer who changes from one taxable year to another must make a return for the fractional parts of the year, under section 290.32.

Subd. 6. Returns of married persons. Individuals who are married to each other must file a joint Minnesota income tax return if they filed a joint federal income tax return. If the spouses have elected to file separate federal income tax returns, they must file separate Minnesota income tax returns. This election to file a joint or separate return must be changed if they change their election for federal purposes. In the event taxpayers desire to change their election, the change must be done in the manner and on the form prescribed by the commissioner.

The determination of whether an individual is married shall be made under the provisions of section 7703 of the Internal Revenue Code.

Subd. 7. Composite income tax returns for nonresident partners, shareholders, and beneficiaries. (a) The commissioner may allow a partnership with nonresident partners to file a composite return and to pay the tax on behalf of nonresident partners who have no other Minnesota source income. This composite return must include the names, addresses, Social Security numbers, income allocation, and tax liability for the nonresident partners electing to be covered by the composite return.

(b) The computation of a partner's tax liability must be determined by multiplying the income allocated to that partner by the highest rate used to determine the tax liability for individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard deductions, or personal exemptions are not allowed.

(c) The partnership must submit a request to use this composite return filing method for nonresident partners. The requesting partnership must file a composite return in the form prescribed by the commissioner of revenue. The filing of a composite return is considered a request to use the composite return filing method.

(d) The electing partner must not have any Minnesota source income other than the income from the partnership, other electing partnerships, and other qualifying entities electing to file and pay the pass-through entity tax under subdivision 7a. If it is determined that the electing partner has other Minnesota source income, the inclusion of the income and tax liability for that partner under this provision will not constitute a return to satisfy the requirements of subdivision 1. The

APPENDIX
Repealed Minnesota Statutes: 22-05087

tax paid for the individual as part of the composite return is allowed as a payment of the tax by the individual on the date on which the composite return payment was made. If the electing nonresident partner has no other Minnesota source income, filing of the composite return is a return for purposes of subdivision 1.

(e) This subdivision does not negate the requirement that an individual pay estimated tax if the individual's liability would exceed the requirements set forth in section 289A.25. The individual's liability to pay estimated tax is, however, satisfied when the partnership pays composite estimated tax in the manner prescribed in section 289A.25.

(f) If an electing partner's share of the partnership's gross income from Minnesota sources is less than the filing requirements for a nonresident under this subdivision, the tax liability is zero. However, a statement showing the partner's share of gross income must be included as part of the composite return.

(g) The election provided in this subdivision is only available to a partner who has no other Minnesota source income and who is either (1) a full-year nonresident individual or (2) a trust or estate that does not claim a deduction under either section 651 or 661 of the Internal Revenue Code.

(h) A corporation defined in section 290.9725 and its nonresident shareholders may make an election under this paragraph. The provisions covering the partnership apply to the corporation and the provisions applying to the partner apply to the shareholder.

(i) Estates and trusts distributing current income only and the nonresident individual beneficiaries of the estates or trusts may make an election under this paragraph. The provisions covering the partnership apply to the estate or trust. The provisions applying to the partner apply to the beneficiary.

(j) For the purposes of this subdivision, "income" means the partner's share of federal adjusted gross income from the partnership modified by the additions provided in section 290.0131, subdivisions 8 to 10, 16, and 17, and the subtractions provided in: (1) section 290.0132, subdivisions 9, 27, and 28, to the extent the amount is assignable or allocable to Minnesota under section 290.17; and (2) section 290.0132, subdivision 14. The subtraction allowed under section 290.0132, subdivision 9, is only allowed on the composite tax computation to the extent the electing partner would have been allowed the subtraction.

Subd. 8. Returns of entertainment entities. An entertainment entity subject to the tax imposed by section 290.9201 shall file an annual return for the calendar year with the commissioner.

Subd. 10. Filing of proper return. The return must specifically set forth the items of gross income, deductions, credits against the tax, and any other data necessary for computing the amount of any item required for determining the amount of the net income tax liability. The return must be filed in the form and manner the commissioner prescribes. The filing of a return required under this section is considered an assessment. The return must be signed by the taxpayer in the case of an individual's return, by both spouses in the case of a joint return, by someone designated by the corporation, partnership, entertainment entity, or mining company in the case of a corporate, composite income, entertainment, or occupation tax return, and by the trustee, receiver, or other fiduciary in the case of a fiduciary's return.

Subd. 11. Information included in income tax return. (a) The return must state:

(1) the name of the taxpayer, or taxpayers, if the return is a joint return, and the address of the taxpayer in the same name or names and same address as the taxpayer has used in making the taxpayer's income tax return to the United States;

(2) the date or dates of birth of the taxpayer or taxpayers;

(3) the Social Security number of the taxpayer, or taxpayers, if a Social Security number has been issued by the United States with respect to the taxpayers; and

(4) the amount of the taxable income of the taxpayer as it appears on the federal return for the taxable year to which the Minnesota state return applies.

(b) The taxpayer must attach to the taxpayer's Minnesota state income tax return a copy of the federal income tax return that the taxpayer has filed or is about to file for the period.

Subd. 13. Long and short forms; local use tax instructions. The commissioner shall provide a long form individual income tax return and may provide a short form individual income tax return. The returns shall be in a form that is consistent with the provisions of chapter 290, notwithstanding any other law to the contrary. The nongame wildlife checkoff provided in section 290.431 and the

dependent care credit provided in section 290.067 must be included on the short form. The commissioner must provide information on local use taxes in the individual income tax instruction booklet. The commissioner must provide this information in the same section of the booklet that provides information on the state use tax.

Subd. 14. **Voter registration form.** The commissioner shall insert securely in the individual income tax return form or instruction booklet distributed for an odd-numbered year a voter registration form, returnable to the secretary of state. The form shall be designed according to rules adopted by the secretary of state. This requirement applies to forms and booklets supplied to post offices, banks, and other outlets, as well as to those mailed directly to taxpayers.

Subd. 15. **Mining companies.** A mining company must file an annual return.

Subd. 16. **Tax refund or return preparers; electronic filing; paper filing fee imposed.** (a) A "tax preparer" or "preparer," as defined in section 270C.445, subdivision 2, who is a tax return preparer for purposes of section 6011(e) of the Internal Revenue Code, and who reasonably expects to prepare more than ten Minnesota individual income, corporate franchise, S corporation, partnership, or fiduciary income tax returns for the prior year must file all Minnesota individual income, corporate franchise, S corporation, partnership, or fiduciary income tax returns prepared for that year by electronic means.

(b) Paragraph (a) does not apply to a return if the taxpayer has indicated on the return that the taxpayer did not want the return filed by electronic means.

(c) For each return that is not filed electronically by a tax preparer or preparer under this subdivision, including returns filed under paragraph (b), a paper filing fee of \$5 is imposed upon the preparer. The fee is collected from the preparer in the same manner as income tax. The fee does not apply to returns that the commissioner requires to be filed in paper form.

Subd. 17. **Format.** The commissioner shall prescribe the content, format, and manner of the returns and other documents pursuant to section 270C.30. This does not authorize the commissioner to require individual income taxpayers to file individual income tax returns electronically.

Subd. 2. **Withholding statement.** (a) A person required to deduct and withhold from an employee a tax under section 290.92, subdivision 2a or 3, or 290.923, subdivision 2, or who would have been required to deduct and withhold a tax under section 290.92, subdivision 2a or 3, or persons required to withhold tax under section 290.923, subdivision 2, determined without regard to section 290.92, subdivision 19, if the employee or payee had claimed no more than one withholding allowance, or who paid wages or made payments not subject to withholding under section 290.92, subdivision 2a or 3, or 290.923, subdivision 2, to an employee or person receiving royalty payments in excess of \$600, or who has entered into a voluntary withholding agreement with a payee under section 290.92, subdivision 20, must give every employee or person receiving royalty payments in respect to the remuneration paid by the person to the employee or person receiving royalty payments during

- (b) The statement required to be furnished by paragraph (a) with respect to any remuneration must be furnished at those times, must contain the information required, and must be in the form the commissioner prescribes.
- (c) The commissioner may prescribe rules providing for reasonable extensions of time, not in excess of 30 days, to employers or payers required to give the statements to their employees or payees under this subdivision.
- (d) A duplicate of any statement made under this subdivision and in accordance with rules prescribed by the commissioner must be filed with the commissioner on or before January 31 of the year after the payments were made.
- (e) If an employer cancels the employer's Minnesota withholding account number required by section 290.92, subdivision 24, the information required by paragraph (d), must be filed with the commissioner within 30 days of the end of the quarter in which the employer cancels its account number.
- (f) The employer must submit the statements required to be sent to the commissioner. The commissioner shall prescribe the content, format, and manner of the statement pursuant to section 270C.30.
- (g) A "third-party bulk filer" as defined in section 290.92, subdivision 30, paragraph (a), clause (2), must submit the returns required by this subdivision and subdivision 1, paragraph (a), with the commissioner by electronic means.

Subd. 3. Federal annuities; tax withholding request. The commissioner of revenue shall participate with the United States Office of Personnel Management in a program of voluntary state income tax withholding on the federal annuities of retired federal employees. Upon the request of the taxpayer to the commissioner of revenue, and only on request of the taxpayer, the commissioner shall provide for state income tax withholding on federal annuities paid to the taxpayer.

289A.25 PAYMENT OF ESTIMATED TAX BY INDIVIDUALS, TRUSTS, S CORPORATIONS, OR PARTNERSHIPS.

Subdivision 1. Requirements to pay. An individual, trust, S corporation, or partnership must, when prescribed in subdivision 3, paragraph (b), make payments of estimated tax. For individuals, the term "estimated tax" means the amount the taxpayer estimates is the sum of the taxes imposed by chapter 290 for the taxable year. For trusts, S corporations, and partnerships, the term estimated tax means the amount the taxpayer estimates is the sum of the taxes for the taxable year imposed by chapter 290 and the composite income tax imposed by section 289A.08, subdivision 7. If the individual is an infant or incompetent person, the payments must be made by the individual's guardian. If joint payments on estimated tax are made but a joint return is not made for the taxable year, the estimated tax for that year may be treated as the estimated tax of either spouse or may be divided between them.

Subd. 2. Additions to tax for underpayment. (a) In the case of any underpayment of estimated tax by a taxpayer, except as provided in subdivision 6 or 7, there must be added to and become a part of the taxes imposed by chapter 290, for the taxable year an amount determined at the rate specified in section 270C.40 upon the amount of the underpayment for the period of the underpayment.

APPENDIX
Repealed Minnesota Statutes: 22-05087

- (b) For purposes of paragraph (a), the amount of underpayment shall be the excess of
- (1) the amount of the installment required to be paid, over
 - (2) the amount, if any, of the installment paid on or before the last day prescribed for the payment.

Subd. 3. **Period of underpayment.** (a) The period of the underpayment shall run from the date the installment was required to be paid to the earlier of the following dates:

- (1) The 15th day of the fourth month following the close of the taxable year.
- (2) With respect to any part of the underpayment, the date on which that part is paid. For purposes of this clause, a payment of estimated tax on any installment date is considered a payment of any unpaid required installments in the order in which the installments are required to be paid.

(b) For purposes of this subdivision, there shall be four required installments for a taxable year. The times for payment of installments shall be:

For the following required installments:	The due date is:
1st	April 15
2nd	June 15
3rd	September 15
4th	January 15 of the following taxable year

Subd. 4. **No addition to tax where tax is small.** No addition to tax is imposed under subdivision 2 for a taxable year if the tax shown on the return for the taxable year (or, if no return is filed, the tax) reduced by the credits allowable is less than \$500.

Subd. 5. **Amount of required installment.** The amount of any installment required to be paid shall be 25 percent of the required annual payment except as provided in clause (3). The term "required annual payment" means the lesser of

- (1) 90 percent of the tax shown on the return for the taxable year or 90 percent of the tax for the year if no return is filed; or
- (2) the total tax liability shown on the return of the taxpayer for the preceding taxable year, if a return showing a liability for the taxes was filed by the taxpayer for the preceding taxable year of 12 months. If the adjusted gross income shown on the return of the taxpayer for the preceding taxable year exceeds \$150,000, this clause shall be applied by substituting "110 percent of the total tax liability" for "the total tax liability"

(i) for an individual who is not a Minnesota resident for the entire year, the term "adjusted gross income" means the Minnesota share of that income apportioned to Minnesota under section 290.06, subdivision 2c, paragraph (e), or

(ii) for a trust the term "adjusted gross income" means the income assigned to Minnesota under section 290.17; or

(3) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income and alternative minimum taxable income for the months in the taxable year ending before the month in which the installment is required to be paid. The applicable percentage of the tax is 22.5 percent in the case of the first installment, 45 percent for the second installment, 67.5 percent for the third installment, and 90 percent for the fourth installment. For purposes of this clause, the taxable income and alternative minimum taxable income shall be placed on an annualized basis by

(i) multiplying by 12 (or in the case of a taxable year of less than 12 months, the number of months in the taxable year) the taxable income and alternative minimum taxable income computed for the months in the taxable year ending before the month in which the installment is required to be paid; and

(ii) dividing the resulting amount by the number of months in the taxable year ending before the month in which the installment date falls.

A reduction in an installment under clause (3) must be recaptured by increasing the amount of the next required installment by the amount of the reduction.

Subd. 6. Exception to addition to tax. (a) For individuals, no addition to the tax is imposed under this section for any taxable year if:

- (1) the taxpayer did not have liability for tax for the preceding taxable year,
- (2) the preceding taxable year was a taxable year of 12 months, and
- (3) the individual was a resident of Minnesota throughout the preceding taxable year.

(b) For trusts, S corporations, and partnerships, if in any previous taxable year the entity was subject to taxation under chapter 290 or composite income tax is elected under section 289A.08, subdivision 7, then an addition to the tax is imposed under this section. In all other taxable years, no addition to tax is imposed under this section.

Subd. 7. Waiver of addition to tax. No addition to the tax is imposed under this section with respect to an underpayment to the extent the commissioner determines that the provisions of section 6654(e)(3) of the Internal Revenue Code apply.

Subd. 8. Application of section; tax withheld on wages. For purposes of this section, the estimated tax must be computed without reduction for the amount that the taxpayer estimates as the taxpayer's credit under section 290.92, subdivision 12 (relating to tax withheld at source on wages), and any other refundable credits allowed against income tax liability, and the amount of those credits for the taxable year is considered a payment of estimated tax, and an equal part of those amounts is considered paid on the installment date, determined under subdivision 3, paragraph (b), for that taxable year, unless the taxpayer establishes the dates on which the amounts were actually withheld, in which case the amounts so withheld are considered payments of estimated tax on the dates on which the amounts were actually withheld.

Subd. 9. Special rule for return filed on or before January 31. If, on or before January 31 of the following taxable year, the taxpayer files a return for the taxable year and pays in full the amount computed on the return as payable, then no addition to tax is imposed under subdivision 2 with respect to any underpayment of the fourth required installment for the taxable year.

Subd. 10. Special rule for farmers and fishermen. For purposes of this section, if an individual is a farmer or fisherman as defined in section 6654(i)(2) of the Internal Revenue Code for a taxable year, only one installment is required for the taxable year, the due date of which is January 15 of the following taxable year, the amount of which is equal to the required annual payment determined under subdivision 5 by substituting "66-2/3 percent" for "90 percent," and subdivision 9 shall be applied by substituting "March 1" for "January 31," and by treating the required installment described as the fourth required installment.

Subd. 11. Fiscal year taxpayer. The application of this section to taxable years beginning other than January 1 must be made by substituting, for the months named in this section, the months that correspond. This section must be applied to taxable years of less than 12 months, under rules issued by the commissioner.

Subd. 12. Estates. The provisions of this section do not apply to an estate.

Subd. 13. Overpayment of estimated tax installment. If an installment payment of estimated tax exceeds the correct amount of the installment payment, the overpayment must be credited against the unpaid installments, if any.

Subd. 14. Short taxable year. (a) A trust, S corporation, or partnership with a short taxable year of less than 12 months, but at least four months, must pay estimated tax in equal installments on or before the 15th day of the third, sixth, ninth, and final month of the short taxable year, to the extent applicable based on the number of months in the short taxable year.

(b) A trust, S corporation, or partnership is not required to make estimated tax payments for a short taxable year unless its tax liability before the first day of the last month of the taxable year can reasonably be expected to exceed \$500.

(c) No payment is required by a trust, S corporation, or partnership for a short taxable year of less than four months.

289A.26 PAYMENT OF ESTIMATED TAX BY CORPORATIONS.

Subdivision 1. Minimum liability. A corporation subject to taxation under chapter 290 (excluding section 290.92 and an S corporation under section 290.9725) or an entity subject to taxation under section 290.05, subdivision 3, must make payment of estimated tax for the taxable year if its tax liability so computed can reasonably be expected to exceed \$500, or in accordance

APPENDIX
Repealed Minnesota Statutes: 22-05087

with rules prescribed by the commissioner for an affiliated group of corporations filing one return under section 289A.08, subdivision 3.

Subd. 2. **Amount and time for payment of installments.** The estimated tax payment required under subdivision 1 must be paid in four equal installments on or before the 15th day of the third, sixth, ninth, and 12th month of the taxable year.

Subd. 2a. **Electronic payments.** If the aggregate amount of estimated tax payments made is \$10,000 or more in a fiscal year ending June 30, all estimated tax payments in all subsequent calendar years must be paid by electronic means.

Subd. 3. **Short taxable year.** (a) A corporation or an entity with a short taxable year of less than 12 months, but at least four months, must pay estimated tax in equal installments on or before the 15th day of the third, sixth, ninth, and final month of the short taxable year, to the extent applicable based on the number of months in the short taxable year.

(b) A corporation or an entity is not required to make estimated tax payments for a short taxable year unless its tax liability before the first day of the last month of the taxable year can reasonably be expected to exceed \$500.

(c) No payment is required for a short taxable year of less than four months.

Subd. 4. **Underpayment of estimated tax.** If there is an underpayment of estimated tax by a corporation or an entity, there shall be added to the tax for the taxable year an amount determined at the rate in section 270C.40 on the amount of the underpayment, determined under subdivision 5, for the period of the underpayment determined under subdivision 6. This subdivision does not apply in the first taxable year that a corporation is subject to the tax imposed under section 290.02 or an entity is subject to the tax imposed under section 290.05, subdivision 3.

Subd. 5. **Amount of underpayment.** For purposes of subdivision 4, the amount of the underpayment is the excess of

(1) the required installment, over

(2) the amount, if any, of the installment paid on or before the last date prescribed for payment.

Subd. 6. **Period of underpayment.** The period of the underpayment runs from the date the installment was required to be paid to the earlier of the following dates:

(1) the 15th day of the third month following the close of the taxable year for corporations, and the 15th day of the fifth month following the close of the taxable year for entities subject to tax under section 290.05, subdivision 3; or

(2) with respect to any part of the underpayment, the date on which that part is paid. For purposes of this clause, a payment of estimated tax shall be credited against unpaid required installments in the order in which those installments are required to be paid.

Subd. 7. **Required installments.** (a) Except as otherwise provided in this subdivision, the amount of a required installment is 25 percent of the required annual payment.

(b) Except as otherwise provided in this subdivision, the term "required annual payment" means the lesser of:

(1) 100 percent of the tax shown on the return for the taxable year, or, if no return is filed, 100 percent of the tax for that year; or

(2) 100 percent of the tax shown on the return of the corporation or entity for the preceding taxable year provided the return was for a full 12-month period, showed a liability, and was filed by the corporation or entity.

(c) Except for determining the first required installment for any taxable year, paragraph (b), clause (2), does not apply in the case of a large corporation. The term "large corporation" means a corporation or any predecessor corporation that had taxable net income of \$1,000,000 or more for any taxable year during the testing period. The term "testing period" means the three taxable years immediately preceding the taxable year involved. A reduction allowed to a large corporation for the first installment that is allowed by applying paragraph (b), clause (2), must be recaptured by increasing the next required installment by the amount of the reduction.

(d) In the case of a required installment, if the corporation or entity establishes that the annualized income installment is less than the amount determined in paragraph (a), the amount of the required installment is the annualized income installment and the recapture of previous quarters' reductions

APPENDIX
Repealed Minnesota Statutes: 22-05087

allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.

(e) The "annualized income installment" is the excess, if any, of:

(1) an amount equal to the applicable percentage of the tax for the taxable year computed by placing on an annualized basis the taxable income:

(i) for the first two months of the taxable year, in the case of the first required installment;

(ii) for the first two months or for the first five months of the taxable year, in the case of the second required installment;

(iii) for the first six months or for the first eight months of the taxable year, in the case of the third required installment; and

(iv) for the first nine months or for the first 11 months of the taxable year, in the case of the fourth required installment, over

(2) the aggregate amount of any prior required installments for the taxable year.

(3) For the purpose of this paragraph, the annualized income shall be computed by placing on an annualized basis the taxable income for the year up to the end of the month preceding the due date for the quarterly payment multiplied by 12 and dividing the resulting amount by the number of months in the taxable year (2, 5, 6, 8, 9, or 11 as the case may be) referred to in clause (1).

(4) The "applicable percentage" used in clause (1) is:

For the following required installments:	The applicable percentage is:
1st	25
2nd	50
3rd	75
4th	100

(f)(1) If this paragraph applies, the amount determined for any installment must be determined in the following manner:

(i) take the taxable income for the months during the taxable year preceding the filing month;

(ii) divide that amount by the base period percentage for the months during the taxable year preceding the filing month;

(iii) determine the tax on the amount determined under item (ii); and

(iv) multiply the tax computed under item (iii) by the base period percentage for the filing month and the months during the taxable year preceding the filing month.

(2) For purposes of this paragraph:

(i) the "base period percentage" for a period of months is the average percent that the taxable income for the corresponding months in each of the three preceding taxable years bears to the taxable income for the three preceding taxable years;

(ii) the term "filing month" means the month in which the installment is required to be paid;

(iii) this paragraph only applies if the base period percentage for any six consecutive months of the taxable year equals or exceeds 70 percent; and

(iv) the commissioner may provide by rule for the determination of the base period percentage in the case of reorganizations, new corporations or entities, and other similar circumstances.

(3) In the case of a required installment determined under this paragraph, if the corporation or entity determines that the installment is less than the amount determined in paragraph (a), the amount of the required installment is the amount determined under this paragraph and the recapture of previous quarters' reductions allowed by this paragraph must be recovered by increasing later required installments to the extent the reductions have not previously been recovered.

Subd. 8. **Definition of tax.** The term "tax" as used in this section means the tax imposed by chapter 290.

Subd. 9. **Failure to file an estimate.** In the case of a corporation or an entity that fails to file an estimated tax for a taxable year when one is required, the period of the underpayment runs from the four installment dates in subdivision 2 or 3, whichever applies, to the earlier of the periods in subdivision 6, clauses (1) and (2).

Subd. 10. **Payment on account.** Payment of the estimated tax or any installment of it shall be considered payment on account of the taxes imposed by chapter 290, for the taxable year.

Subd. 11. **Overpayment of estimated tax installment.** If the amount of an installment payment of estimated tax exceeds the amount determined to be the correct amount of the installment payment, the overpayment must be credited against the unpaid installments, if any.

289A.30 EXTENSIONS FOR PAYING TAX.

Subdivision 1. **Fiduciary income, corporate franchise tax.** Where good cause exists, the commissioner may extend the time for payment of the amount determined as a fiduciary income tax or corporate franchise tax by the taxpayer, or an amount determined as a deficiency, for a period of not more than six months from the date prescribed for the payment of the tax.

289A.31 LIABILITY FOR PAYMENT OF TAX.

Subdivision 1. **Individual income, fiduciary income, mining company, corporate franchise, and entertainment taxes.** (a) Individual income, fiduciary income, mining company, and corporate franchise taxes, and interest and penalties, must be paid by the taxpayer upon whom the tax is imposed, except in the following cases:

(1) the tax due from a decedent for that part of the taxable year in which the decedent died during which the decedent was alive and the taxes, interest, and penalty due for the prior years must be paid by the decedent's personal representative, if any. If there is no personal representative, the taxes, interest, and penalty must be paid by the transferees, as defined in section 270C.58, subdivision 3, to the extent they receive property from the decedent;

(2) the tax due from an infant or other incompetent person must be paid by the person's guardian or other person authorized or permitted by law to act for the person;

(3) the tax due from the estate of a decedent must be paid by the estate's personal representative;

(4) the tax due from a trust, including those within the definition of a corporation, as defined in section 290.01, subdivision 4, must be paid by a trustee; and

(5) the tax due from a taxpayer whose business or property is in charge of a receiver, trustee in bankruptcy, assignee, or other conservator, must be paid by the person in charge of the business or property so far as the tax is due to the income from the business or property.

(b) Entertainment taxes are the joint and several liability of the entertainer and the entertainment entity. The payor is liable to the state for the payment of the tax required to be deducted and withheld under section 290.9201, subdivision 7, and is not liable to the entertainer for the amount of the payment.

(c) The taxes imposed under sections 289A.35, paragraph (b), 289A.382, subdivision 3, and 290.0922 on partnerships are the joint and several liability of the partnership and the general partners.

Subd. 2. **Joint income tax returns.** (a) If a joint income tax return is made by spouses, the liability for the tax is joint and several. A spouse who qualifies for relief from a liability attributable to an underpayment under section 6015 subsection (b) of the Internal Revenue Code, or determined by the commissioner of internal revenue for relief under section 6015 subsection (f) of the Internal Revenue Code, is relieved of the state income tax liability on the underpayment.

(b) In the case of individuals who were married as determined in section 7703 of the Internal Revenue Code prior to the dissolution of their marriage or their legal separation, or prior to the death of one of the individuals, for tax liabilities reported on a joint or combined return, the liability of each person is limited to the proportion of the tax due on the return that equals that person's proportion of the total tax due if each spouse filed separate returns for the taxable year. This provision is effective only when the commissioner receives written notice of the marriage dissolution, legal separation, or death of a spouse from the surviving spouse. No refund may be claimed by an ex-spouse, legally separated or widowed spouse for any taxes paid more than 60 days before receipt by the commissioner of the written notice.

(c) The commissioner is not required to calculate separate liability pursuant to paragraph (b) if the remaining unpaid liability for which recalculation is requested is \$100 or less.

Subd. 5. Withholding tax, withholding from payments to out-of-state contractors, and withholding by partnerships and small business corporations. (a) Except as provided in paragraph (b), an employer or person withholding tax under section 290.92 or 290.923, subdivision 2, who fails to pay to or deposit with the commissioner a sum or sums required by those sections to be deducted, withheld, and paid, is personally and individually liable to the state for the sum or sums, and added penalties and interest, and is not liable to another person for that payment or payments. The sum or sums deducted and withheld under section 290.92, subdivision 2a or 3, or 290.923, subdivision 2, must be held as a special fund in trust for the state of Minnesota.

(b) If the employer or person withholding tax under section 290.92 or 290.923, subdivision 2, fails to deduct and withhold the tax in violation of those sections, and later the taxes against which the tax may be credited are paid, the tax required to be deducted and withheld will not be collected from the employer. This does not, however, relieve the employer from liability for any penalties and interest otherwise applicable for failure to deduct and withhold. This paragraph does not apply to an employer subject to paragraph (g).

(c) Liability for payment of withholding taxes includes a responsible person or entity described in the personal liability provisions of section 270C.56.

(d) Liability for payment of withholding taxes includes a third-party lender or surety described in section 270C.59.

(e) A partnership or S corporation required to withhold and remit tax under section 290.92, subdivisions 4b and 4c, is liable for payment of the tax to the commissioner, and a person having control of or responsibility for the withholding of the tax or the filing of returns due in connection with the tax is personally liable for the tax due.

(f) A payor of sums required to be withheld under section 290.9705, subdivision 1, is liable to the state for the amount required to be deducted, and is not liable to an out-of-state contractor for the amount of the payment.

(g) If an employer fails to withhold tax from the wages of an employee when required to do so under section 290.92, subdivision 2a, by reason of treating such employee as not being an employee, then the liability for tax is equal to three percent of the wages paid to the employee. The liability for tax of an employee is not affected by the assessment or collection of tax under this paragraph. The employer is not entitled to recover from the employee any tax determined under this paragraph.

Subd. 8. Liability of vendor for repayment of refund. If an individual income tax refund resulting from claiming an education credit under section 290.0674 is paid by means of directly depositing the proceeds of the refund into a bank account controlled by the vendor of the product or service upon which the education credit is based, and the commissioner subsequently disallows the credit, the commissioner may seek repayment of the refund from the vendor. The amount of the repayment must be assessed and collected in the same time and manner as an erroneous refund under section 289A.37, subdivision 2.

289A.35 ASSESSMENTS ON RETURNS.

(a) The commissioner may audit and adjust the taxpayer's computation of federal adjusted gross income, federal taxable income, items of federal tax preferences, or federal credit amounts to make them conform with the provisions of chapter 290 or section 298.01. If a return has been filed, the commissioner shall enter the liability reported on the return and may make any audit or investigation that is considered necessary.

(b) Upon petition by a taxpayer, and when the commissioner determines that it is in the best interest of the state, the commissioner may allow S corporations and partnerships to receive orders of assessment issued under section 270C.33, subdivision 4, on behalf of their owners, and to pay liabilities shown on such orders. In such cases, the owners' liability must be calculated using the method provided in section 289A.08, subdivision 7, paragraph (b).

(c) A taxpayer may petition the commissioner for the use of the method described in paragraph (b) after the taxpayer is notified that an audit has been initiated and before an order of assessment has been issued.

(d) A determination of the commissioner under paragraph (b) to grant or deny the petition of a taxpayer cannot be appealed to the Tax Court or any other court.

(e) The commissioner may audit and adjust the taxpayer's computation of tax under chapter 291. In the case of a return filed pursuant to section 289A.10, the commissioner shall notify the estate no later than nine months after the filing date, as provided by section 289A.38, subdivision 2, whether the return is under examination or the return has been processed as filed.

289A.37 ASSESSMENTS; ERRONEOUS REFUNDS; JOINT INCOME TAX RETURNS.

Subd. 2. **Erroneous refunds.** (a) Except as provided in paragraph (b), an erroneous refund occurs when the commissioner issues a payment to a person that exceeds the amount the person is entitled to receive under law. An erroneous refund is considered an underpayment of tax on the date issued.

(b) To the extent that the amount paid does not exceed the amount claimed by the taxpayer, an erroneous refund does not include the following:

(1) any amount of a refund or credit paid pursuant to a claim for refund filed by a taxpayer, including but not limited to refunds of claims made under section 290.06, subdivision 23; 290.067; 290.0671; 290.0672; 290.0674; 290.0675; 290.0677; 290.068; 290.0681; or 290.0692; or chapter 290A; or

(2) any amount paid pursuant to a claim for refund of an overpayment of tax filed by a taxpayer.

(c) The commissioner may make an assessment to recover an erroneous refund at any time within two years from the issuance of the erroneous refund. If all or part of the erroneous refund was induced by fraud or misrepresentation of a material fact, the assessment may be made at any time.

(d) Assessments of amounts that are not erroneous refunds under paragraph (b) must be conducted under sections 289A.38 to 289A.382.

Subd. 6. **Order of assessment if joint income tax return.** If a joint income tax return is filed by spouses, an order of assessment may be a single joint notice. If the commissioner has been notified by either spouse that that spouse's address has changed and if that spouse requests it, then, instead of the single joint notice mailed to the last known address of the spouses, a duplicate or original of the joint notice must be sent to the requesting spouse at the address designated by the requesting spouse. The other joint notice must be mailed to the other spouse at that spouse's last known address. An assessment is not invalid for failure to send it to a spouse if the spouse actually receives the notice in the same period as if it had been mailed to that spouse at the correct address or if the spouse has failed to provide an address to the commissioner other than the last known address.

289A.42 CONSENT TO EXTEND STATUTE.

Subd. 2. **Federal extensions.** When a taxpayer consents to an extension of time for the assessment of federal withholding or income taxes, the period in which the commissioner may recompute the tax is also extended, notwithstanding any period of limitations to the contrary, as follows:

(1) for the periods provided in sections 289A.38, subdivisions 8 and 9, and 289A.382, subdivisions 2 and 3;

(2) for six months following the expiration of the extended federal period of limitations when no change is made by the federal authority. If no change is made by the federal authority, and, but for this subdivision, the commissioner's time period to adjust the tax has expired, and if the commissioner has completed a field audit of the taxpayer, no additional changes resulting in additional tax due or a refund may be made. For purposes of this subdivision, "field audit" has the meaning given in section 289A.38, subdivision 9.

289A.50 CLAIMS FOR REFUNDS.

Subd. 3. **Withholding tax and entertainer withholding tax refunds.** When there is an overpayment of withholding tax by an employer or a person making royalty payments, or an overpayment of entertainer withholding tax by the payor, a refund allowable under this section is limited to the amount of the overpayment that was not deducted and withheld from employee wages or from the royalty payments, or from the compensation of an entertainer.

289A.56 INTEREST ON OVERPAYMENTS.

Subd. 2. **Corporate franchise, mining company, individual and fiduciary income, and entertainer tax overpayments.** Interest must be paid on an overpayment refunded or credited to the taxpayer from the date of payment of the tax until the date the refund is paid or credited. For

purposes of this subdivision, the prepayment of tax made by withholding of tax at the source or payment of estimated tax before the due date is considered paid on the last day prescribed by law for the payment of the tax by the taxpayer. A return filed before the due date is considered as filed on the due date.

When the amount of tax withheld at the source or paid as estimated tax or allowable as other refundable credits, or withheld from compensation of entertainers, exceeds the tax shown on the original return by \$10, the amount refunded bears interest from 90 days after (1) the due date of the return of the taxpayer, or (2) the date on which the original return is filed, whichever is later, until the date the refund is paid to the taxpayer. Where the amount to be refunded is less than \$10, no interest is paid. However, to the extent that the basis for the refund is a net operating loss carryback, interest is computed only from the end of the taxable year in which the loss occurs.

290.0135 BASIS MODIFICATIONS AFFECTING GAIN OR LOSS ON DISPOSITION OF PROPERTY.

(a) For individuals, estates, and trusts, the basis of property is its adjusted basis for federal income tax purposes except as set forth in paragraphs (e) and (f). For corporations, the basis of property is its adjusted basis for federal income tax purposes, without regard to the time when the property became subject to tax under this chapter or to whether out-of-state losses or items of tax preference with respect to the property were not deductible under this chapter, except that the modifications to the basis for federal income tax purposes set forth in paragraphs (b) to (i) are allowed to corporations, and the resulting modifications to federal taxable income must be made in the year in which gain or loss on the sale or other disposition of property is recognized.

(b) The basis of property shall not be reduced to reflect federal investment tax credit.

(c) For property acquired before January 1, 1933, the basis for computing a gain is the fair market value of the property as of that date. The basis for determining a loss is the cost of the property to the taxpayer less any depreciation, amortization, or depletion, actually sustained before that date. If the adjusted cost exceeds the fair market value of the property, then the basis is the adjusted cost regardless of whether there is a gain or loss.

(d) The basis is reduced by the allowance for amortization of bond premium if an election to amortize was made pursuant to Minnesota Statutes 1986, section 290.09, subdivision 13, and the allowance could have been deducted by the taxpayer under this chapter during the period of the taxpayer's ownership of the property.

(e) For assets placed in service before January 1, 1987, corporations, partnerships, or individuals engaged in the business of mining ores other than iron ore or taconite concentrates subject to the occupation tax under chapter 298 must use the occupation tax basis of property used in that business.

(g) In applying the provisions of sections 301(c)(3)(B), 312(f) and (g), and 316(a)(1) of the Internal Revenue Code, the dates December 31, 1932, and January 1, 1933, shall be substituted for February 28, 1913, and March 1, 1913, respectively.

(h) In applying the provisions of section 362(a) and (c) of the Internal Revenue Code, the date December 31, 1956, shall be substituted for June 22, 1954.

(i) The basis of property shall be increased by the amount of intangible drilling costs not previously allowed due to differences between this chapter and the Internal Revenue Code.

(j) The adjusted basis of any corporate partner's interest in a partnership is the same as the adjusted basis for federal income tax purposes modified as required to reflect the basis modifications set forth in paragraphs (b) to (i). The adjusted basis of a partnership in which the partner is an individual, estate, or trust is the same as the adjusted basis for federal income tax purposes modified as required to reflect the basis modifications set forth in paragraphs (e) and (f).

(k) The modifications contained in paragraphs (b) to (i) also apply to the basis of property that is determined by reference to the basis of the same property in the hands of a different taxpayer or by reference to the basis of different property.

290.0136 CERTAIN PREFERRED STOCK LOSSES.

A taxpayer must compute net income by treating losses from the sale or transfer of certain preferred stock, which the taxpayer treated as ordinary losses pursuant to Division A, title III, section 301 of Public Law 110-343, as capital losses. The amount of net income under section 290.01, subdivision 19; taxable net income under section 290.01, subdivision 22; taxable income under section 290.01, subdivision 29; the numerator and denominator in section 290.06, subdivision 2c, paragraph (e); individual alternative minimum taxable income under section 290.091, subdivision 2; corporate alternative minimum taxable income under section 290.0921, subdivision 3; and net operating losses under section 290.095 must be computed for each taxable year as if those losses had been treated by the taxpayer as capital losses under the Internal Revenue Code, including the limitations under section 1211 of the Internal Revenue Code.

290.0137 ACCELERATED RECOGNITION OF CERTAIN INSTALLMENT SALE GAINS.

(a) In the case of a nonresident individual or a person who becomes a nonresident individual during the tax year, taxable net income shall include the amount realized upon a sale of the assets of, or any interest in, an S corporation or partnership that operated in Minnesota during the year of sale, including any income or gain to be recognized in future years pursuant to an installment sale method of reporting under the Internal Revenue Code.

(1) For the purposes of this paragraph, an individual who becomes a nonresident of Minnesota in any year after an installment sale is required to recognize the full amount of any income or gain described in this paragraph on the individual's final Minnesota resident tax return to the extent that such income has not been recognized in a prior year.

(2) For the purposes of this section, "realized" has the meaning given in section 1001(b) of the Internal Revenue Code.

(3) For the purposes of this section, "installment sale" means any installment sale under section 453 of the Internal Revenue Code and any other sale that is reported utilizing a method of accounting authorized under subchapter E of the Internal Revenue Code that allows taxpayers to delay reporting or recognizing a realized gain until a future year.

(b) Notwithstanding paragraph (a), nonresident taxpayers may elect to defer recognizing unrecognized installment sale gains by making an election under this paragraph. The election must be filed on a form to be determined or prescribed by the commissioner and must be filed by the due date of the individual income tax return, including any extension. Electing taxpayers must make an irrevocable agreement to:

(1) file Minnesota tax returns in all subsequent years when gains from the installment sales are recognized and reported to the Internal Revenue Service;

APPENDIX
Repealed Minnesota Statutes: 22-05087

(2) allocate gains to the state of Minnesota as though the gains were realized in the year of sale under section 290.17, 290.191, or 290.20; and

(3) include all relevant federal tax documents reporting the installment sale with subsequent Minnesota tax returns.

(c) Income or gain recognized for Minnesota purposes pursuant to paragraph (a) must be excluded from taxable net income in any future year that the taxpayer files a Minnesota tax return to the extent that the income or gain has already been subject to tax pursuant to paragraph (a).

(b) The purchase of tangible personal property or intangible property or services by a person that conducts a trade or business with the principal place of business outside of Minnesota, referred to as the "non-Minnesota person", from a person within Minnesota shall not be taken into account in determining whether the non-Minnesota person is subject to the taxes imposed by this chapter, except for services involving either the direct solicitation of Minnesota customers or relationships with Minnesota customers after sales are made. This paragraph is subject to the limitations contained in subdivision 3, paragraph (b), clauses (4) to (6).

(c) Contact with any Minnesota financial institution by any financial institution with its principal place of business outside Minnesota with respect to transactions described in subdivision 3, or with respect to deposits received from or by a Minnesota financial institution, shall not be taken into account in determining whether such a financial institution is subject to the taxes imposed by this chapter. Participation by a Minnesota financial institution in a transaction which also involves a borrower and a financial institution that conducts a trade or business with its principal place of business outside of Minnesota shall not be a factor in determining whether such financial institution is subject to the taxes imposed by this chapter. This paragraph does not apply to transactions between or among members of the same unitary business.

Subd. 5. **Determination at entity level.** Determinations under this section with respect to trades or businesses conducted by a partnership, trust, estate, or corporation treated as an "S" corporation under section 290.9725, or any other entity, the income of which is or may be taxed to its owners or beneficiaries must be made with respect to the entity carrying on the trade or business and not with respect to owners or beneficiaries of the trade or business, the taxability of which under this chapter must be determined under section 290.014.

290.02 FRANCHISE TAX ON CORPORATIONS MEASURED BY NET INCOME.

An annual franchise tax on the exercise of the corporate franchise to engage in contacts with this state that produce gross income attributable to sources within this state is imposed upon every corporation that so exercises its franchise during the taxable year.

Contacts within this state do not include transportation in interstate or foreign commerce, or both, by means of ships navigating within or through waters that are made international for navigation purposes by any treaty or agreement to which the United States is a party.

The tax so imposed is measured by the corporations' taxable income and alternative minimum taxable income for the taxable year for which the tax is imposed, and computed in the manner and at the rates provided in this chapter.

290.03 INCOME TAX; IMPOSITION, CLASSES OF TAXPAYERS.

An annual tax for each taxable year, computed in the manner and at the rates hereinafter provided, is hereby imposed upon the taxable income for such year of the following classes of taxpayers:

- (1) Resident and nonresident individuals;
- (2) Estates of decedents, dying domiciled within or without this state;
- (3) Trusts (except those taxable as corporations) however created by residents or nonresidents or by domestic or foreign corporations.

290.032 LUMP-SUM DISTRIBUTION TAX.

Subdivision 1. **Imposition.** There is hereby imposed as an addition to the annual income tax for a taxable year of a taxpayer in the classes described in section 290.03 a tax with respect to any distribution received by such taxpayer that is treated as a lump-sum distribution under section 1401(c)(2) of the Small Business Job Protection Act, Public Law 104-188 and that is subject to tax for such taxable year under section 1401(c)(2) of the Small Business Job Protection Act, Public Law 104-188.

Subd. 2. **Computation.** The amount of tax imposed by subdivision 1 shall be computed in the same way as the tax imposed under section 402(d) of the Internal Revenue Code of 1986, as amended through December 31, 1995, except that the initial separate tax shall be an amount equal to five times the tax which would be imposed by section 290.06, subdivision 2c, if the recipient was an unmarried individual, and the taxable net income was an amount equal to one-fifth of the excess of

- (i) the total taxable amount of the lump-sum distribution for the year, over
- (ii) the minimum distribution allowance, and except that references in section 402(d) of the Internal Revenue Code of 1986, as amended through December 31, 1995, to paragraph (1)(A) thereof shall instead be references to subdivision 1, and the excess, if any, of the subtraction base amount over taxable net income for a qualified individual as provided under section 290.0802, subdivision 2.

Subd. 3. **Nonapplication.** The tax imposed by this section shall not be applicable to a nonresident individual.

290.04 LIABILITY FOR TAX.

Subdivision 1. **Accrual.** The liability for the tax imposed by section 290.02 shall arise upon the first day of the taxable year upon which a domestic corporation exercises any of the privileges specified in section 290.02 or exists as a corporation, or on which a foreign corporation is possessed of the privilege for the grant to it of the privilege of transacting or for the actual transaction by it of any local business within this state during any part of its taxable year, in corporate or organized form. The liability for the tax imposed by section 290.03 shall arise concurrently with the receipt or accrual of income during the taxable year. The provisions shall in no way affect the determination of the amount of such taxes, the time for making returns, and the time for paying such taxes.

Subd. 2. **Fiduciary relationship not to affect.** The liability of any taxpayer shall remain unaffected by the fact that such taxpayer, or the title, possession, custody, or control of the taxpayer's business or property, is in the care of a guardian, trustee, receiver, conservator, or any other person acting in any fiduciary capacity for such taxpayer or in reference to the taxpayer's business or property, unless the taxes imposed by this chapter are specifically imposed by this chapter upon any such guardian, trustee, receiver, conservator, or fiduciary.

290.05 EXEMPT INDIVIDUALS, ORGANIZATIONS, ESTATES, TRUSTS.

Subdivision 1. **Exempt entities.** The following corporations, individuals, estates, trusts, and organizations shall be exempted from taxation under this chapter, provided that every such person or corporation claiming exemption under this chapter, in whole or in part, must establish to the satisfaction of the commissioner the taxable status of any income or activity:

- (a) corporations, individuals, estates, and trusts engaged in the business of mining or producing iron ore and mining, producing, or refining other ores, metals, and minerals, the mining, production,

or refining of which is subject to the occupation tax imposed by section 298.01; but if any such corporation, individual, estate, or trust engages in any other business or activity or has income from any property not used in such business it shall be subject to this tax computed on the net income from such property or such other business or activity. Royalty shall not be considered as income from the business of mining or producing iron ore within the meaning of this section;

(b) the United States of America, the state of Minnesota or any political subdivision of either agencies or instrumentalities, whether engaged in the discharge of governmental or proprietary functions; and

(c) any insurance company, other than a disqualified captive insurance company.

Subd. 2. Entities taxable unless exempt under Subchapter F of Internal Revenue Code. Except as provided in subdivisions 1 and 3, organizations, including specifically nonprofit health service plan corporations, as defined in chapter 62C, are subject to taxation under this chapter unless they are exempt from income taxation pursuant to Subchapter F of the Internal Revenue Code.

Subd. 3. Taxes imposed on exempt entities. (a) An organization exempt from taxation under subdivision 2 shall, nevertheless, be subject to tax under this chapter to the extent provided in the following provisions of the Internal Revenue Code:

- (1) section 527 (dealing with political organizations);
- (2) section 528 (dealing with certain homeowners associations);
- (3) sections 511 to 515 (dealing with unrelated business income);
- (4) section 521 (dealing with farmers' cooperatives); and

(5) section 6033(e)(2) (dealing with lobbying expense); but notwithstanding this subdivision, shall be considered an organization exempt from income tax for the purposes of any law which refers to organizations exempt from income taxes.

(b) The tax shall be imposed on the taxable income of political organizations or homeowner associations or the unrelated business taxable income, as defined in section 512 of the Internal Revenue Code, of organizations defined in section 511 of the Internal Revenue Code, provided that the tax is not imposed on:

(1) advertising revenues from a newspaper published by an organization described in section 501(c)(4) of the Internal Revenue Code;

(2) revenues from lawful gambling authorized under chapter 349 that are expended for purposes that qualify for the deduction for charitable contributions under section 170 of the Internal Revenue Code, disregarding the limitation under section 170(b)(2), but only to the extent the contributions are not deductible in computing federal taxable income; or

(3) amounts included in unrelated business taxable income under section 512(a)(7) of the Internal Revenue Code.

The tax shall be at the corporate rates. The tax shall only be imposed on income and deductions assignable to this state under sections 290.17 to 290.20. To the extent deducted in computing federal taxable income, the deductions contained in section 290.21 shall not be allowed in computing Minnesota taxable net income.

(c) The tax shall be imposed on organizations subject to federal tax under section 6033(e)(2) of the Internal Revenue Code, in an amount equal to the corporate tax rate multiplied by the amount of lobbying expenses taxed under section 6033(e)(2) which are attributable to lobbying the Minnesota state government.

(d) In calculating unrelated business taxable income under section 512 of the Internal Revenue Code, the amount of any net operating loss deduction claimed under section 172 of the Internal Revenue Code is an addition. Taxpayers making an addition under this paragraph may deduct a net operating loss for the taxable year in the same manner as a corporation under section 290.095, in a form and manner prescribed by the commissioner, and may calculate the loss without the application of the limitation provided for under section 512(a)(6) of the Internal Revenue Code.

Subd. 4. Notification to commissioner of federal action. (a) If the Internal Revenue Service revokes, cancels or suspends, in whole or part, the exempt status of any corporation, individual, estate, trust or organization, or if the amount of gross income, deductions, credits, items of tax

preference or taxable income is changed or corrected by either the taxpayer or the Internal Revenue Service, or if the taxpayer consents to any extension of time for assessment of federal income taxes, the corporation, individual, estate, trust or organization shall notify the commissioner in writing of the action within 90 days after that date.

(b) The periods of limitations contained in section 289A.42, subdivision 2, apply when there has been any action referred to in paragraph (a), notwithstanding any period of limitations to the contrary.

Subd. 8. **Authority to revoke exemption for failure to comply with federal law.** The commissioner may examine or investigate an entity claiming exemption under this section and subpart F of the Internal Revenue Code. The commissioner may revoke the exemption under this section for violations of federal law that would permit the commissioner of internal revenue or the secretary of the treasury to revoke the exemption under federal law, regardless of whether such action has been taken under federal law. A revocation under this subdivision is subject to administrative review under section 270C.35.

290.06 RATES OF TAX; CREDITS.

Subdivision 1. **Computation, corporations.** The franchise tax imposed upon corporations shall be computed by applying to their taxable income the rate of 9.8 percent.

Subd. 2c. **Schedules of rates for individuals, estates, and trusts.** (a) The income taxes imposed by this chapter upon married individuals filing joint returns and surviving spouses as defined in section 2(a) of the Internal Revenue Code must be computed by applying to their taxable net income the following schedule of rates:

- (1) On the first \$38,770, 5.35 percent;
- (2) On all over \$38,770, but not over \$154,020, 6.8 percent;
- (3) On all over \$154,020, but not over \$269,010, 7.85 percent;
- (4) On all over \$269,010, 9.85 percent.

Married individuals filing separate returns, estates, and trusts must compute their income tax by applying the above rates to their taxable income, except that the income brackets will be one-half of the above amounts after the adjustment required in subdivision 2d.

(b) The income taxes imposed by this chapter upon unmarried individuals must be computed by applying to taxable net income the following schedule of rates:

- (1) On the first \$26,520, 5.35 percent;
- (2) On all over \$26,520, but not over \$87,110, 6.8 percent;
- (3) On all over \$87,110, but not over \$161,720, 7.85 percent;
- (4) On all over \$161,720, 9.85 percent.

(c) The income taxes imposed by this chapter upon unmarried individuals qualifying as a head of household as defined in section 2(b) of the Internal Revenue Code must be computed by applying to taxable net income the following schedule of rates:

- (1) On the first \$32,650, 5.35 percent;
- (2) On all over \$32,650, but not over \$131,190, 6.8 percent;
- (3) On all over \$131,190, but not over \$214,980, 7.85 percent;
- (4) On all over \$214,980, 9.85 percent.

(d) In lieu of a tax computed according to the rates set forth in this subdivision, the tax of any individual taxpayer whose taxable net income for the taxable year is less than an amount determined by the commissioner must be computed in accordance with tables prepared and issued by the commissioner of revenue based on income brackets of not more than \$100. The amount of tax for each bracket shall be computed at the rates set forth in this subdivision, provided that the commissioner may disregard a fractional part of a dollar unless it amounts to 50 cents or more, in which case it may be increased to \$1.

(e) An individual who is not a Minnesota resident for the entire year must compute the individual's Minnesota income tax as provided in this subdivision. After the application of the

APPENDIX
Repealed Minnesota Statutes: 22-05087

nonrefundable credits provided in this chapter, the tax liability must then be multiplied by a fraction in which:

(1) the numerator is the individual's Minnesota source federal adjusted gross income as defined in section 62 of the Internal Revenue Code and increased by:

(i) the additions required under sections 290.0131, subdivisions 2, 6, 8 to 10, 16, and 17, and 290.0137, paragraph (a); and reduced by

(ii) the Minnesota assignable portion of the subtraction for United States government interest under section 290.0132, subdivision 2, the subtractions under sections 290.0132, subdivisions 9, 10, 14, 15, 17, 18, and 27, and 290.0137, paragraph (c), after applying the allocation and assignability provisions of section 290.081, clause (a), or 290.17; and

(2) the denominator is the individual's federal adjusted gross income as defined in section 62 of the Internal Revenue Code, increased by:

(i) the additions required under sections 290.0131, subdivisions 2, 6, 8 to 10, 16, and 17, and 290.0137, paragraph (a); and reduced by

(ii) the subtractions under sections 290.0132, subdivisions 2, 9, 10, 14, 15, 17, 18, and 27, and 290.0137, paragraph (c).

(f) If an individual who is not a Minnesota resident for the entire year is a qualifying owner of a qualifying entity that elects to pay tax as provided in section 289A.08, subdivision 7a, paragraph (b), the individual must compute the individual's Minnesota income tax as provided in paragraph (e), and also must include, to the extent attributed to the electing qualifying entity:

(1) in paragraph (e), clause (1), item (i), and paragraph (e), clause (2), item (i), the addition under section 290.0131, subdivision 5; and

(2) in paragraph (e), clause (1), item (ii), and paragraph (e), clause (2), item (ii), the subtraction under section 290.0132, subdivision 3.

Subd. 2d. Inflation adjustment of brackets. The commissioner shall annually adjust the minimum and maximum dollar amounts for each rate bracket for which a tax is imposed in subdivision 2c as provided in section 270C.22. The statutory year is taxable year 2019. The rate applicable to any rate bracket must not be changed. The dollar amounts setting forth the tax shall be adjusted to reflect the changes in the rate brackets. The rate brackets as adjusted must be rounded to the nearest \$10 amount. If the rate bracket ends in \$5, it must be rounded up to the nearest \$10 amount. The commissioner shall determine the rate bracket for married filing separate returns after this adjustment is done. The rate bracket for married filing separate must be one-half of the rate bracket for married filing joint.

Subd. 2g. First-time home buyer savings account. (a) For purposes of this subdivision, the terms defined in section 462D.02 have the meanings given in that section.

(b) In addition to the tax computed under subdivision 2c, an additional amount of tax applies equal to the additional tax computed for the taxable year for the account holder of a first-time home buyer account under section 462D.06, subdivision 3.

Subd. 2h. Section 529 plan recapture. (a) For the purposes of this subdivision:

(1) the definitions under section 290.0684 apply;

(2) "account owner" means an individual who owns one or more qualified accounts;

(3) "credit ratio" means the ratio of (i) two times the total amount of credits that an account owner claimed under section 290.0684 for contributions to the account owner's qualified accounts to (ii) the total contributions in all taxable years to the account owner's qualified accounts;

(4) "qualified higher education expenses" has the meaning given in section 529(e)(3) of the Internal Revenue Code, except section 529(c)(7) does not apply; and

(5) "subtraction ratio" means the ratio of (i) the total amount of subtractions that an account owner claimed under section 290.0132, subdivision 23, for contributions to the account owner's qualified accounts to (ii) the total contributions in all taxable years to the account owner's qualified accounts.

(b) If a distribution from a qualified account is used for a purpose other than to pay for qualified higher education expenses, the account owner must pay an additional tax equal to:

APPENDIX
Repealed Minnesota Statutes: 22-05087

- (1) 50 percent of the product of the credit ratio and the amount of the distribution; plus
- (2) ten percent of the product of the subtraction ratio and the amount of the distribution.

(c) The additional tax under this subdivision does not apply to any portion of a distribution that is subject to the additional tax under section 529(c)(6) of the Internal Revenue Code.

Subd. 22. Credit for taxes paid to another state. (a) A taxpayer who is liable for taxes based on net income to another state, as provided in paragraphs (b) through (f), upon income allocated or apportioned to Minnesota, is entitled to a credit for the tax paid to another state if the tax is actually paid in the taxable year or a subsequent taxable year. A taxpayer who is a resident of this state pursuant to section 290.01, subdivision 7, paragraph (b), and who is subject to income tax as a resident in the state of the individual's domicile is not allowed this credit unless the state of domicile does not allow a similar credit.

(b) For an individual, estate, or trust, the credit is determined by multiplying the tax payable under this chapter by the ratio derived by dividing the income subject to tax in the other state that is also subject to tax in Minnesota while a resident of Minnesota by the taxpayer's federal adjusted gross income, as defined in section 62 of the Internal Revenue Code, modified by the addition required by section 290.0131, subdivision 2, and the subtraction allowed by section 290.0132, subdivision 2, to the extent the income is allocated or assigned to Minnesota under sections 290.081 and 290.17.

(c) If the taxpayer is an athletic team that apportions all of its income under section 290.17, subdivision 5, the credit is determined by multiplying the tax payable under this chapter by the ratio derived from dividing the total net income subject to tax in the other state by the taxpayer's Minnesota taxable income.

(d)(1) The credit determined under paragraph (b) or (c) shall not exceed the amount of tax so paid to the other state on the gross income earned within the other state subject to tax under this chapter; and

(2) the allowance of the credit does not reduce the taxes paid under this chapter to an amount less than what would be assessed if the gross income earned within the other state were excluded from taxable net income.

(e) In the case of the tax assessed on a lump-sum distribution under section 290.032, the credit allowed under paragraph (a) is the tax assessed by the other state on the lump-sum distribution that is also subject to tax under section 290.032, and shall not exceed the tax assessed under section 290.032. To the extent the total lump-sum distribution defined in section 290.032, subdivision 1, includes lump-sum distributions received in prior years or is all or in part an annuity contract, the reduction to the tax on the lump-sum distribution allowed under section 290.032, subdivision 2, includes tax paid to another state that is properly apportioned to that distribution.

(f) If a Minnesota resident reported an item of income to Minnesota and is assessed tax in such other state on that same income after the Minnesota statute of limitations has expired, the taxpayer shall receive a credit for that year under paragraph (a), notwithstanding any statute of limitations to the contrary. The claim for the credit must be submitted within one year from the date the taxes were paid to the other state. The taxpayer must submit sufficient proof to show entitlement to a credit.

(g) For the purposes of this subdivision, a resident shareholder of a corporation treated as an "S" corporation under section 290.9725, must be considered to have paid a tax imposed on the shareholder in an amount equal to the shareholder's pro rata share of any net income tax paid by the S corporation to another state. For the purposes of the preceding sentence, the term "net income tax" means any tax imposed on or measured by a corporation's net income.

(h) For the purposes of this subdivision, a resident partner of an entity taxed as a partnership under the Internal Revenue Code must be considered to have paid a tax imposed on the partner in an amount equal to the partner's pro rata share of any net income tax paid by the partnership to another state. For purposes of the preceding sentence, the term "net income" tax means any tax imposed on or measured by a partnership's net income. For purposes of this paragraph, "partnership" includes a limited liability company and "partner" includes a member of a limited liability company.

(i) For the purposes of this subdivision, "another state":

(1) includes:

(i) the District of Columbia; and

APPENDIX
Repealed Minnesota Statutes: 22-05087

(ii) a province or territory of Canada; but

(2) excludes Puerto Rico and the several territories organized by Congress.

(j) The limitations on the credit in paragraphs (b), (c), and (d), are imposed on a state by state basis.

(k) For a tax imposed by a province or territory of Canada, the tax for purposes of this subdivision is the excess of the tax over the amount of the foreign tax credit allowed under section 27 of the Internal Revenue Code. In determining the amount of the foreign tax credit allowed, the net income taxes imposed by Canada on the income are deducted first. Any remaining amount of the allowable foreign tax credit reduces the provincial or territorial tax that qualifies for the credit under this subdivision.

(l)(1) The credit allowed to a qualifying individual under this section for tax paid to a qualifying state equals the credit calculated under paragraphs (b) and (d), plus the amount calculated by multiplying:

(i) the difference between the preliminary credit and the credit calculated under paragraphs (b) and (d), by

(ii) the ratio derived by dividing the income subject to tax in the qualifying state that consists of compensation for performance of personal or professional services by the total amount of income subject to tax in the qualifying state.

(2) If the amount of the credit that a qualifying individual is eligible to receive under clause (1) for tax paid to a qualifying state exceeds the tax due under this chapter before the application of the credit calculated under clause (1), the commissioner shall refund the excess to the qualifying individual. An amount sufficient to pay the refunds required by this subdivision is appropriated to the commissioner from the general fund.

(3) For purposes of this paragraph, "preliminary credit" means the credit that a qualifying individual is eligible to receive under paragraphs (b) and (d) for tax paid to a qualifying state without regard to the limitation in paragraph (d), clause (2); "qualifying individual" means a Minnesota resident under section 290.01, subdivision 7, paragraph (a), who received compensation during the taxable year for the performance of personal or professional services within a qualifying state; and "qualifying state" means a state with which an agreement under section 290.081 is not in effect for the taxable year but was in effect for a taxable year beginning before January 1, 2010.

Subd. 23. Refund of contributions to political parties and candidates. (a) A taxpayer may claim a refund equal to the amount of the taxpayer's contributions made in the calendar year to candidates and to a political party. The maximum refund for an individual must not exceed \$50 and for a married couple, filing jointly, must not exceed \$100. A refund of a contribution is allowed only if the taxpayer files a form required by the commissioner and attaches to the form a copy of an official refund receipt form issued by the candidate or party and signed by the candidate, the treasurer of the candidate's principal campaign committee, or the chair or treasurer of the party unit, after the contribution was received. The receipt forms must be numbered, and the data on the receipt that are not public must be made available to the campaign finance and public disclosure board upon its request. A claim must be filed with the commissioner no sooner than January 1 of the calendar year in which the contribution was made and no later than April 15 of the calendar year following the calendar year in which the contribution was made. A taxpayer may file only one claim per calendar year. Amounts paid by the commissioner after June 15 of the calendar year following the calendar year in which the contribution was made must include interest at the rate specified in section 270C.405.

(b) No refund is allowed under this subdivision for a contribution to a candidate unless the candidate:

(1) has signed an agreement to limit campaign expenditures as provided in section 10A.322;

(2) is seeking an office for which voluntary spending limits are specified in section 10A.25; and

(3) has designated a principal campaign committee.

This subdivision does not limit the campaign expenditures of a candidate who does not sign an agreement but accepts a contribution for which the contributor improperly claims a refund.

APPENDIX
Repealed Minnesota Statutes: 22-05087

(c) For purposes of this subdivision, "political party" means a major political party as defined in section 200.02, subdivision 7, or a minor political party qualifying for inclusion on the income tax or property tax refund form under section 10A.31, subdivision 3a.

A "major party" or "minor party" includes the aggregate of that party's organization within each house of the legislature, the state party organization, and the party organization within congressional districts, counties, legislative districts, municipalities, and precincts.

"Candidate" means a candidate as defined in section 10A.01, subdivision 10, except a candidate for judicial office.

"Contribution" means a gift of money.

(d) The commissioner shall make copies of the form available to the public and candidates upon request.

(e) The following data collected or maintained by the commissioner under this subdivision are private: the identities of individuals claiming a refund, the identities of candidates to whom those individuals have made contributions, and the amount of each contribution.

(f) The commissioner shall report to the campaign finance and public disclosure board by each August 1 a summary showing the total number and aggregate amount of political contribution refunds made on behalf of each candidate and each political party. These data are public.

(g) The amount necessary to pay claims for the refund provided in this section is appropriated from the general fund to the commissioner of revenue.

(h) For a taxpayer who files a claim for refund via the Internet or other electronic means, the commissioner may accept the number on the official receipt as documentation that a contribution was made rather than the actual receipt as required by paragraph (a).

Subd. 27. Tax paid to another state; corporations. (a) A credit is allowed against the tax imposed under subdivision 1 for tax paid to another state based on net income. The credit must be claimed in a manner prescribed by the commissioner.

(b) The amount of the credit equals the amount of qualifying tax paid to the other state for the taxable year, multiplied by the taxpayer's apportionment percentage under section 290.191. If the item of income or gain is assigned to Minnesota as nonbusiness income, the entire amount of the qualifying tax is allowed as a credit. The maximum amount of the credit is limited to the tax liability under subdivision 1 for the taxable year and, in no case, may the credit exceed the reduction in the amount of tax under subdivision 1 if the item of income or gain were excluded from net income.

(c) For purposes of this subdivision, "qualifying tax" means the amount of tax paid to another state on an item of income or gain for the taxable year, if:

(1) the law of another state requires and the taxpayer assigns the entire amount of the income or gain to one other state; and

(2) the income or gain is included in the measure of the exercise of the corporate franchise that is taxable under subdivision 1.

(d) The amount of tax paid to another state on an item of income or gain is the difference between the tax paid to the state and the amount of tax that would have been paid to the state if the item of income or gain had not been included in the net income of that state.

(e) The taxpayer must report to the commissioner of revenue any change in tax in the other state, the change in qualifying tax, and a copy of the final determination of the tax by the taxing authority of the other state. A taxpayer who claims the credit consents to extend the period of limitation for the commissioner to recompute the credit and reassess the tax due, including a refund, for a period of one year following a report by the taxpayer of a final determination of tax by the state in which the entire amount of income or gain is reported, notwithstanding any period of limitations to the contrary, or within any applicable period of limitations, whichever is longer. If a taxpayer fails to report as required by this paragraph, the commissioner may recompute the tax, including a refund, based on the information available to the commissioner. The tax may be recomputed within six years after the report should have been filed, notwithstanding any period of limitations to the contrary.

Subd. 28. Credit for transit passes. A taxpayer may take a credit against the tax due under this chapter equal to 30 percent of the expense incurred by the taxpayer to provide transit passes, for use in Minnesota, to employees of the taxpayer. As used in this subdivision, "transit pass" has

APPENDIX
Repealed Minnesota Statutes: 22-05087

the meaning given in section 132(f)(5)(A) of the Internal Revenue Code. If the taxpayer purchases the transit passes from the transit system operator, and resells them to the employees, the credit is based on the amount of the difference between the price paid for the passes by the employer and the amount charged to employees.

Subd. 29. **Job opportunity building zone job credit.** A taxpayer that is a qualified business, as defined in section 469.310, subdivision 11, is allowed a credit as determined under section 469.318 against the tax imposed by this chapter.

Subd. 33. **Bovine testing credit.** (a) An owner of cattle in Minnesota may take a credit against the tax due under this chapter for an amount equal to: (1) for corporate filers, including shareholders of an S corporation under section 290.9725, 25 percent of the expenses incurred during the taxable year to conduct tuberculosis testing on those cattle; and (2) for all other filers, one-half the expenses incurred during the taxable year to conduct tuberculosis testing on those cattle.

(b) If the amount of credit which the taxpayer is eligible to receive under this subdivision exceeds the taxpayer's tax liability under this chapter, the commissioner of revenue shall refund the excess to the taxpayer.

(c) The amount necessary to pay claims for the refund provided in this subdivision is appropriated from the general fund to the commissioner of revenue.

(d) Expenses incurred in a calendar year in which tuberculosis testing of cattle in Minnesota is not federally required are not allowed in claiming the credit under paragraph (a).

Subd. 35. **Seed capital investment credit.** (a) An individual, estate, or trust is allowed a credit against the tax imposed by this chapter for investments in a qualifying business certified under section 116J.8732, subdivision 3. The credit equals 45 percent of the amount invested by the taxpayer in qualified businesses during the taxable year. The credit must not exceed \$112,500 for each taxable year.

(b) A pass-through entity that invests in a qualified business must be considered to be the taxpayer for purposes of the investment limitations in this subdivision and the amount of the credit allowed with respect to a pass-through entity's investment in a qualified business must be determined at the pass-through entity level. The amount of the total credit determined at the pass-through entity level must be allowed to the members in proportion to their respective interests in the pass-through entity.

(c) An investment made in a qualified business from the assets of a retirement plan is deemed to be the retirement plan participant's investment for the purpose of this subdivision if a separate account is maintained for the plan participant and the participant directly controls where the account assets are invested.

(d) The investment must be made on or after the certification effective date and must be at risk in the business to be eligible for the tax credit under this subdivision. An investment for which a credit is received under this subdivision must remain in the qualified business for at least three years. Investments placed in escrow do not qualify for the credit.

(e) The entire amount of an investment for which a credit is claimed under this subdivision must be expended by the qualified business for plant, equipment, research and development, marketing and sales activity, or working capital for the qualified business.

(f) A taxpayer who owns a controlling interest in the qualified business or who receives more than 50 percent of the taxpayer's gross annual income from the qualified business is not entitled to a credit under this subdivision. A member of the immediate family of a taxpayer disqualified by this subdivision is not entitled to the credit under this subdivision. For purposes of this subdivision, "immediate family" means the taxpayer's spouse, parent, sibling, or child or the spouse of any such person.

(g) The commissioner may disallow any credit otherwise allowed under this subdivision if any representation by a business in the application for certification as a qualified business proves to be false or if the taxpayer or qualified business fails to satisfy any conditions under this subdivision or section 116J.8732 or any conditions consistent with those requirements otherwise determined by the commissioner. The commissioner has four years after the due date of the return or after the return was filed, whichever period expires later, to audit the credit and assess additional tax that may be found due to failure to comply with the provisions of this subdivision and section 116J.8732. The amount of any credit disallowed by the commissioner that reduced the taxpayer's income tax

liability for any or all applicable tax years, plus penalty and interest as provided under chapter 289A, must be paid by the taxpayer.

(h) If the amount of the credit under this subdivision for any taxable year exceeds the limitations under paragraph (a), the excess is a credit carryover to each of the four succeeding taxable years. The entire amount of the excess unused credit for the taxable year must be carried first to the earliest of the taxable years to which the credit may be carried. The amount of the unused credit that may be added under this paragraph may not exceed the taxpayer's liability for tax, less the credit for the taxable year. Each year, the aggregate amount of seed capital investment tax credit allowed for investments under this subdivision is limited to allocations that a border city has available for tax reductions in border city enterprise zones under section 469.169. The city must annually notify the commissioner of the amount of its section 469.169 allocations that it wishes to use to provide credits under this paragraph and the commissioner, after verifying the available allocation, shall implement the limit under this paragraph. If investments in qualified businesses reported to the commissioner exceed the limit on credits for investments imposed by this subdivision, the credit must be allowed to taxpayers in the chronological order of their investments in qualified businesses as determined from the forms filed under section 116J.8732.

Subd. 37. Beginning farmer incentive credit. (a) A beginning farmer incentive credit is allowed against the tax due under this chapter for the sale or rental of agricultural assets to a beginning farmer according to section 41B.0391, subdivision 2, and is limited to the amount stated on the certificate issued under section 41B.0391, subdivision 4.

(b) The credit may be claimed only after approval and certification by the Rural Finance Authority according to section 41B.0391.

(c) The credit is limited to the liability for tax, as computed under this chapter, for the taxable year. If the amount of the credit determined under this subdivision for any taxable year exceeds this limitation, the excess is a beginning farmer incentive credit carryover to each of the 15 succeeding taxable years. The entire amount of the excess unused credit for the taxable year is carried first to the earliest of the taxable years to which the credit may be carried and then to each successive year to which the credit may be carried. The amount of the unused credit which may be added under this paragraph must not exceed the taxpayer's liability for tax, less the beginning farmer incentive credit for the taxable year.

(d) Credits allowed to a partnership, a limited liability company taxed as a partnership, an S corporation, or multiple owners of property are passed through to the partners, members, shareholders, or owners, respectively, pro rata to each based on the partner's, member's, shareholder's, or owner's share of the entity's assets or as specially allocated in the organizational documents or any other executed agreement, as of the last day of the taxable year.

(e) For a nonresident or part-year resident, the credit under this section must be allocated using the percentage calculated in section 290.06, subdivision 2c, paragraph (e).

(f) Notwithstanding the approval and certification by the Rural Finance Authority under section 41B.0391, the commissioner may utilize any audit and examination powers under chapter 270C or 289A to the extent necessary to verify that the taxpayer is eligible for the credit and to assess for the amount of any improperly claimed credit.

(g) This subdivision expires at the same time and on the same terms as section 41B.0391, except that the expiration of this subdivision does not affect the commissioner of revenue's authority to audit or power of examination and assessment for credits claimed under this subdivision.

Subd. 38. Beginning farmer management credit. (a) A taxpayer who is a beginning farmer may take a credit against the tax due under this chapter for participation in a financial management program according to section 41B.0391, subdivision 3.

(b) The credit may be claimed only after approval and certification by the Rural Finance Authority according to section 41B.0391.

(c) The credit is limited to the liability for tax, as computed under this chapter, for the taxable year. If the amount of the credit determined under this subdivision for any taxable year exceeds this limitation, the excess is a beginning farmer management credit carryover to each of the three succeeding taxable years. The entire amount of the excess unused credit for the taxable year is carried first to the earliest of the taxable years to which the credit may be carried and then to each successive year to which the credit may be carried. The amount of the unused credit which may be added under this paragraph must not exceed the taxpayer's liability for tax, less the beginning farmer management credit for the taxable year.

APPENDIX
Repealed Minnesota Statutes: 22-05087

(d) For a part-year resident, the credit under this section must be allocated using the percentage calculated in section 290.06, subdivision 2c, paragraph (e).

(e) Notwithstanding the approval and certification by the Rural Finance Authority under section 41B.0391, the commissioner may utilize any audit and examination powers under chapter 270C or 289A to the extent necessary to verify that the taxpayer is eligible for the credit and to assess for the amount of any improperly claimed credit.

(f) This subdivision expires at the same time and on the same terms as section 41B.0391, except that the expiration of this subdivision does not affect the commissioner of revenue's authority to audit or power of examination and assessment for credits claimed under this subdivision.

290.067 DEPENDENT CARE CREDIT.

Subdivision 1. **Amount of credit.** (a) A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code except that in determining whether the child qualified as a dependent, income received as a Minnesota family investment program grant or allowance to or on behalf of the child must not be taken into account in determining whether the child received more than half of the child's support from the taxpayer.

(b) If a child who has not attained the age of six years at the close of the taxable year is cared for at a licensed family day care home operated by the child's parent, the taxpayer is deemed to have paid employment-related expenses. If the child is 16 months old or younger at the close of the taxable year, the amount of expenses deemed to have been paid equals the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code. If the child is older than 16 months of age but has not attained the age of six years at the close of the taxable year, the amount of expenses deemed to have been paid equals the amount the licensee would charge for the care of a child of the same age for the same number of hours of care.

(c) If a married couple:

(1) has a child who has not attained the age of one year at the close of the taxable year;

(2) files a joint tax return for the taxable year; and

(3) does not participate in a dependent care assistance program as defined in section 129 of the Internal Revenue Code, in lieu of the actual employment related expenses paid for that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of (i) the combined earned income of the couple or (ii) the amount of the maximum limit for one qualified individual under section 21(c) and (d) of the Internal Revenue Code will be deemed to be the employment related expense paid for that child. The earned income limitation of section 21(d) of the Internal Revenue Code shall not apply to this deemed amount. These deemed amounts apply regardless of whether any employment-related expenses have been paid.

(d) If the taxpayer is not required and does not file a federal individual income tax return for the tax year, no credit is allowed for any amount paid to any person unless:

(1) the name, address, and taxpayer identification number of the person are included on the return claiming the credit; or

(2) if the person is an organization described in section 501(c)(3) of the Internal Revenue Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name and address of the person are included on the return claiming the credit.

In the case of a failure to provide the information required under the preceding sentence, the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence in attempting to provide the information required.

(e) In the case of a nonresident, part-year resident, or a person who has earned income not subject to tax under this chapter including earned income excluded pursuant to section 290.0132, subdivision 10, the credit determined under section 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned income of the claimant and the claimant's spouse from Minnesota sources bears to the total earned income of the claimant and the claimant's spouse.

(f) For residents of Minnesota, the subtractions for military pay under section 290.0132, subdivisions 11 and 12, are not considered "earned income not subject to tax under this chapter."

(g) For residents of Minnesota, the exclusion of combat pay under section 112 of the Internal Revenue Code is not considered "earned income not subject to tax under this chapter."

(h) For taxpayers with federal adjusted gross income in excess of \$52,230, the credit is equal to the lesser of the credit otherwise calculated under this subdivision, or the amount equal to \$600 minus five percent of federal adjusted gross income in excess of \$52,230 for taxpayers with one qualified individual, or \$1,200 minus five percent of federal adjusted gross income in excess of \$52,230 for taxpayers with two or more qualified individuals, but in no case is the credit less than zero.

Subd. 2b. **Inflation adjustment.** The commissioner shall annually adjust the dollar amount of the income threshold at which the maximum credit begins to be reduced under subdivision 1 as provided in section 270C.22. The statutory year is taxable year 2019.

Subd. 3. **Credit to be refundable.** If the amount of credit which a claimant would be eligible to receive pursuant to this subdivision exceeds the claimant's tax liability under chapter 290, the excess amount of the credit shall be refunded to the claimant by the commissioner of revenue.

Subd. 4. **Right to file claim.** The right to file a claim under this section shall be personal to the claimant and shall not survive death, but such right may be exercised on behalf of a claimant by the claimant's legal guardian or attorney-in-fact. When a claimant dies after having filed a timely claim the amount thereof shall be disbursed to another member of the household as determined by the commissioner of revenue. If the claimant was the only member of a household, the claim may be paid to the claimant's personal representative, but if neither is appointed and qualified within two years of the filing of the claim, the amount of the claim shall escheat to the state.

(2) a taxpayer who is otherwise eligible for a credit under section 32 of the Internal Revenue Code remains eligible for the credit even if the taxpayer's earned income or adjusted gross income exceeds the income limitation under section 32 of the Internal Revenue Code.

(b) For individuals with no qualifying children, the credit equals 3.9 percent of the first \$7,150 of earned income. The credit is reduced by 2.0 percent of earned income or adjusted gross income, whichever is greater, in excess of the phaseout threshold, but in no case is the credit less than zero.

(c) For individuals with one qualifying child, the credit equals 9.35 percent of the first \$11,950 of earned income. The credit is reduced by 6.0 percent of earned income or adjusted gross income, whichever is greater, in excess of the phaseout threshold, but in no case is the credit less than zero.

(d) For individuals with two qualifying children, the credit equals 11 percent of the first \$19,600 of earned income. (e) For individuals with three or more qualifying children, the credit equals 12.5 percent of the first \$20,000 of earned income. The credit is reduced by 10.5 percent of earned income or adjusted gross income, whichever is greater, in excess of the phaseout threshold, but in no case is the credit less than zero.

(f) For a part-year resident, the credit must be allocated based on the percentage calculated under section 290.06, subdivision 2c, paragraph (e).

(g) For a person who was a resident for the entire tax year and has earned income not subject to tax under this chapter, including income excluded under section 290.0132, subdivision 10, the credit must be allocated based on the ratio of federal adjusted gross income reduced by the earned income not subject to tax under this chapter over federal adjusted gross income. Subd. 2. **Conditions for assignment.** A qualifying taxpayer may assign all or part of an anticipated refund for the current and future taxable years to a financial institution or a qualifying organization. A financial institution or qualifying organization accepting assignment must pay the amount secured by the assignment to a third-party vendor. The commissioner of education shall, upon request from a third-party vendor, certify that the vendor's products and services qualify for the education credit. A denial of a certification is subject to the contested case procedure under chapter 14. A financial institution or qualifying organization that accepts assignments under this section must verify as part of the assignment documentation that the product or service to be provided

by the third-party vendor has been certified by the commissioner of education as qualifying for the education credit. The amount assigned for the current and future taxable years may not exceed the maximum allowable education credit for the current taxable year. Both the taxpayer and spouse must consent to the assignment of a refund from a joint return.

Subd. 3. **Consent for disclosure.** When the taxpayer applies to the financial institution or the qualifying organization for a loan to be secured by the assignment under subdivision 2, the taxpayer must sign a written consent on a form prescribed by the commissioner. The consent must authorize the commissioner to disclose to the financial institution or qualifying organization the total amount of state taxes owed or revenue recapture claims filed under chapter 270A against the taxpayer, and the total amount of outstanding assignments made by the taxpayer under this section. For a refund from a joint return, the consent must also authorize the disclosure of taxes, revenue recapture claims, and assignments relating to the taxpayer's spouse, and must be signed by the spouse. The financial institution or qualifying organization may request that the taxpayer provide a copy of the taxpayer's previous year's income tax return, if any, and may assist the taxpayer in requesting a copy of the previous year's return from the commissioner.

Subd. 4. **Consumer disclosure.** (a) A third-party vendor that receives payment of the amount secured by an assignment must comply with the requirements of this subdivision.

Subd. 5. **Filing of assignment.** The commissioner shall prescribe the form of and manner for filing an assignment of a refund under this section.

Subd. 6. **Effect of assignment.** The taxpayer may not revoke an assignment after it has been filed. The assignee must notify the commissioner if the loan secured by the assignment has been paid in full, in which case the assignment is canceled. An assignment is in effect until the amount assigned is refunded in full to the assignee, or until the assignee cancels the assignment.

Subd. 7. **Payment of refund.** When a refund assigned under this section is issued by the commissioner, the proceeds of the refund, as defined in subdivision 1, paragraph (c), must be distributed in the following order:

(1) to satisfy any delinquent tax obligations of the taxpayer which are owed to the commissioner;

(2) to claimant agencies to satisfy any revenue recapture claims filed against the taxpayer, in the order of priority of the claims set forth in section 270A.10;

(3) to assignees to satisfy assignments under this section, based on the order in time in which the commissioner received the assignments; and

(4) to the taxpayer.

Subd. 8. **Legal action.** If there is a dispute between the taxpayer and the assignee after the commissioner has remitted the taxpayer's refund to the assignee, the taxpayer's only remedy is to bring an action against the assignee in court to recover the refund. The action must be brought within two years after the commissioner remits the refund to the assignee. The commissioner may not be a party to the proceeding.

(a) "Qualified research expenses" means (i) qualified research expenses and basic research payments as defined in section 41(b) and (e) of the Internal Revenue Code, except it does not include expenses incurred for qualified research or basic research conducted outside the state of Minnesota pursuant to section 41(d) and (e) of the Internal Revenue Code; and (ii) contributions to a nonprofit corporation established and operated pursuant to the provisions of chapter 317A for the purpose of promoting the establishment and expansion of business in this state, provided the contributions are invested by the nonprofit corporation for the purpose of providing funds for small, technologically innovative enterprises in Minnesota during the early stages of their development.

(b) "Qualified research" means qualified research as defined in section 41(d) of the Internal Revenue Code, except that the term does not include qualified research conducted outside the state of Minnesota.

(d) "Liability for tax" means the sum of the tax imposed under section 290.06, subdivisions 1 and 2c, for the taxable year reduced by the sum of the nonrefundable credits allowed under this chapter, on all of the entities required to be included on the combined report of the unitary business.

If the amount of the credit allowed exceeds the liability for tax of the taxpayer, but is allowed as a result of the liability for tax of other members of the unitary group for the taxable year, the taxpayer must allocate the excess as a research credit to another member of the unitary group.

(b) In the case of a corporation which is a partner in a partnership, the credit allowed for the taxable year shall not exceed the lesser of the amount determined under paragraph (a) for the taxable year or an amount (separately computed with respect to the corporation's interest in the trade or business or entity) equal to the amount of tax attributable to that portion of taxable income which is allocable or apportionable to the corporation's interest in the trade or business or entity.

(c) If the amount of the credit determined under this section for any taxable year exceeds the limitation under paragraph (a) or (b), including amounts allocated to other members of the unitary group, the excess shall be a research credit carryover to each of the 15 succeeding taxable years. The entire amount of the excess unused credit for the taxable year shall be carried first to the earliest of the taxable years to which the credit may be carried and then to each successive year to which the credit may be carried. The amount of the unused credit which may be added under this clause shall not exceed the taxpayer's liability for tax less the research credit for the taxable year.

Subd. 4. **Partnerships and S corporations.** In the case of partnerships the credit shall be allocated in the same manner provided by section 41(f)(2) of the Internal Revenue Code.

For shareholders in S corporations the credit must be allocated in the same manner as provided by section 1366(a) of the Internal Revenue Code.

Subd. 6a. **Credit to be refundable.** If the amount of credit allowed in this section for qualified research expenses incurred in taxable years beginning after December 31, 2009, and before January 1, 2013, exceeds the taxpayer's tax liability under this chapter, the commissioner shall refund the excess amount. The credit allowed for qualified research expenses incurred in taxable years beginning after December 31, 2009, and before January 1, 2013, must be used before any research credit earned under subdivision 3.

Subd. 7. **Appropriation.** An amount sufficient to pay the refunds required by this section is appropriated to the commissioner from the general fund.

(4) state the fiscal year in which the credit or grant is allocated, and that the taxpayer or grant recipient is entitled to receive one-fifth of the total amount of either the credit or the grant at the time the project is placed in service, provided that date is within three calendar years following the issuance of the allocation certificate.

APPENDIX
Repealed Minnesota Statutes: 22-05087

The commissioner shall prescribe the forms necessary for notifying the commissioner of the assignment of a credit certificate and for claiming a credit by assignment.

(c) Credits passed through to partners, members, shareholders, or owners pursuant to subdivision 5 are not an assignment of a credit certificate under this subdivision.

(d) A grant agreement between the office and the recipient of a grant may allow the grant to be issued to another individual or entity.

Subd. 5. Partnerships; multiple owners. Credits granted to a partnership, a limited liability company taxed as a partnership, S corporation, or multiple owners of property are passed through to the partners, members, shareholders, or owners, respectively, pro rata to each partner, member, shareholder, or owner based on their share of the entity's assets or as specially allocated in their organizational documents or any other executed agreement, as of the last day of the taxable year.

Subd. 2. **Credit allowed.** A qualified investor is allowed a credit against the tax imposed under this chapter for qualified investments made in a qualified small business for the taxable year. The credit equals the amount and applies to the taxable year indicated on the certificate provided to the qualified investor under section 116J.8737, but the maximum credit in any taxable year is \$250,000 for a married couple filing a joint return, and \$125,000 for all other claimants.

Subd. 4. **Credit refundable.** If the amount of the credit under this section for any taxable year exceeds the claimant's liability for tax under this chapter, the commissioner shall refund the excess to the claimant. An amount sufficient to pay the refunds required by this section is appropriated to the commissioner from the general fund.

Subd. 6. **Sunset.** This section expires at the same time and on the same terms as section 116J.8737, except that the expiration of this section does not affect the commissioner of revenue's authority to audit or power of examination and assessment for credits claimed under this section.

290.07 NET INCOME; COMPUTATION, ACCOUNTING PERIOD.

Subdivision 1. **Annual accounting period.** Net income and taxable net income shall be computed upon the basis of the taxpayer's annual accounting period. If a taxpayer has no annual accounting period, or has one other than a fiscal year, the net income and taxable net income shall be computed on the basis of the calendar year. Taxpayers shall employ the same accounting period on which they report, or would be required to report, their net income under the Internal Revenue Code. The commissioner shall provide by rule for the determination of the accounting period for taxpayers who file a combined report under section 290.17, subdivision 4, when members of the group use different accounting periods for federal income tax purposes.

Subd. 2. **Accounting methods.** Except as specifically provided to the contrary by this chapter, net income and taxable net income shall be computed in accordance with the method of accounting regularly employed in keeping the taxpayer's books. If no such accounting system has been regularly employed, or if that employed does not clearly or fairly reflect income or the income taxable under this chapter, the computation shall be made in accordance with such method as in the opinion of the commissioner does clearly and fairly reflect income and the income taxable under this chapter.

Subd. 4. **Refunded income.** If (a) an item was included in gross income for a prior taxable year (or years) because it appeared that the taxpayer had an unrestricted right to such item, and (b) a deduction is allowable for the taxable year because it was established after the close of such prior taxable year (or years) that the taxpayer did not have an unrestricted right to such item or to a portion of such item, and (c) the amount of such deduction exceeds \$3,000, then the tax imposed by this chapter for the taxable year shall be the lesser of the following: (d) the tax for the taxable year

computed with such deduction; or (e) an amount equal to (1) the tax for the taxable year computed without such deduction, minus (2) the decrease in tax under this chapter for the prior taxable year (or years) which would result solely from the exclusion of such item (or portion thereof) from gross income for such prior taxable year (or years).

If the decrease in tax ascertained under part (e)(2) of the preceding paragraph exceeds the tax imposed by this chapter for the taxable year (computed without the deduction) such excess shall be considered to be a payment of tax on the last day prescribed by law for the payment of tax for the taxable year, and shall be refunded or credited in the same manner as if it were an overpayment for such taxable year. The preceding paragraph does not apply to any deduction allowable with respect to an item which was included in gross income by reason of the sale or other disposition of stock in trade of the taxpayer (or other property of a kind which would properly have been included in the inventory of the taxpayer if on hand at the close of the prior taxable year) or property held by the taxpayer primarily for sale to customers in the ordinary course of the taxpayer's trade or business. This paragraph shall not apply if the deduction arises out of refunds or repayments made by a regulated public utility (as defined in section 7701(a)(33) of the Internal Revenue Code without regard to the limitation contained in the last two sentences thereof) if such refunds or repayments are required to be made by the government, political subdivision, agency, or instrumentality referred to in such section.

Subd. 7. Deductions, credits; time for taking. The deductions and credits provided for in this chapter shall be taken for a taxable year in which "paid or accrued" or "paid and incurred," dependent upon the method of accounting upon the basis of which the net income is computed, unless in order to clearly reflect the income the deductions or credits should be taken as of a different period.

The provisions of sections 461 to 468A of the Internal Revenue Code shall determine the taxable year for which a deduction or credit may be taken.

(d) "Qualified individual" means a qualified individual as defined in section 22(b) of the Internal Revenue Code.

Subd. 2. Subtraction. (a) A qualified individual is allowed a subtraction from federal adjusted gross income of the individual's subtraction base amount. The excess of the subtraction base amount over the taxable net income computed without regard to the subtraction for the elderly or a person with a disability under section 290.0132, subdivision 5, may be used to reduce the amount of a lump sum distribution subject to tax under section 290.032.

(b)(1) The initial subtraction base amount equals

- (i) \$12,000 for a married taxpayer filing a joint return if a spouse is a qualified individual,
- (ii) \$9,600 for a single taxpayer, and
- (iii) \$6,000 for a married taxpayer filing a separate federal return.

(2) The qualified individual's initial subtraction base amount, then, must be reduced by the sum of nontaxable retirement and disability benefits and one-half of the amount of adjusted gross income in excess of the following thresholds:

- (i) \$18,000 for a married taxpayer filing a joint return if both spouses are qualified individuals,

(ii) \$14,500 for a single taxpayer or for a married couple filing a joint return if only one spouse is a qualified individual, and

(iii) \$9,000 for a married taxpayer filing a separate federal return.

(3) In the case of a qualified individual who is under the age of 65, the maximum amount of the subtraction base may not exceed the taxpayer's disability income.

(4) The resulting amount is the subtraction base amount.

Subd. 3. **Restrictions; married couples.** Except in the case of spouses who live apart at all times during the taxable year, if the taxpayer is married at the close of the taxable year, the subtraction under subdivision 2 is allowable only if the taxpayers file joint federal and state income tax returns for the taxable year.

290.081 INCOME OF NONRESIDENTS, RECIPROCITY.

(a) The compensation received for the performance of personal or professional services within this state by an individual whose residence, place of abode, and place customarily returned to at least once a month is in another state, shall be excluded from gross income to the extent such compensation is subject to an income tax imposed by the state of residence; provided that such state allows a similar exclusion of compensation received by residents of Minnesota for services performed therein.

(b) When it is deemed to be in the best interests of the people of this state, the commissioner may determine that the provisions of paragraph (a) shall not apply. As long as the provisions of paragraph (a) apply between Minnesota and Wisconsin, the provisions of paragraph (a) shall apply to any individual who is domiciled in Wisconsin.

(c) For the purposes of paragraph (a), whenever the Wisconsin tax on Minnesota residents which would have been paid Wisconsin without paragraph (a) exceeds the Minnesota tax on Wisconsin residents which would have been paid Minnesota without paragraph (a), or vice versa, then the state with the net revenue loss calculated under paragraph (e) shall receive from the other state the amount of such loss.

(d) Payments for amounts calculated under paragraph (c) must equal one-quarter of the estimated annual amount and must be paid at the midpoint of each quarter, on February 15, May 15, August 15, and November 15.

(e)(1) The commissioner of revenue is authorized to enter into agreements with the state of Wisconsin specifying the reciprocity payment due dates, conditions constituting delinquency, interest rates, and a method for computing interest due.

(2) For agreements entered into before August 1, 2018, the annual compensation required under paragraph (c) must equal at least the net revenue loss minus up to \$3,000,000 per fiscal year.

(3) For the purposes of this section, "net revenue loss" means the difference between the amount of Minnesota income taxes Minnesota forgoes by not taxing Wisconsin residents on income subject to reciprocity and the credit Minnesota would have been required to give under section 290.06, subdivision 22, to Minnesota residents working in Wisconsin had there not been reciprocity.

(4) All agreements must include provisions:

(i) providing for a suspension of the agreement if one party to the agreement does not pay in full by a time prescribed in the agreement;

(ii) setting the interest rate that will be applied, and that interest shall run from the date the payment is due until the day the payment is made, except that interest from the reconciliation payments runs from July 1 of the tax year until paid;

(iii) stating a time for annual reconciliation must be completed by October 31 of the year following the tax year, and the time for payment of any amounts to be completed by no later than December 1 of the year following the tax year;

(iv) requiring the parties to jointly conduct updated benchmark studies every five years beginning tax year 2018;

(v) requiring each party to the agreement to require taxpayers who request exemption from withholding in the state where they work to make an annual application and that a list of participants will be exchanged annually; and

(vi) that provide that the sum of the amount of the quarterly payments must be a reasonable estimate of the revenue loss as defined in clause (3).

(f) If an agreement cannot be reached as to the amount of the loss, the commissioner of revenue and the taxing official of the state of Wisconsin shall each appoint a member of a board of arbitration and these members shall appoint the third member of the board. The board shall select one of its members as chair. Such board may administer oaths, take testimony, subpoena witnesses, and require their attendance, require the production of books, papers and documents, and hold hearings at such places as are deemed necessary. The board shall then make a determination as to the amount to be paid the other state which determination shall be final and conclusive.

(g) The commissioner may furnish copies of returns, reports, or other information to the taxing official of the state of Wisconsin, a member of the board of arbitration, or a consultant under joint contract with the states of Minnesota and Wisconsin for the purpose of making a determination as to the amount to be paid the other state under the provisions of this section. Prior to the release of any information under the provisions of this section, the person to whom the information is to be released shall sign an agreement which provides that the person will protect the confidentiality of the returns and information revealed thereby to the extent that it is protected under the laws of the state of Minnesota.

(c) The commissioner shall annually adjust the amounts in paragraph (a) as provided in section 270C.22. The statutory year is taxable year 2019.

Subd. 4. Part year residents; estates and trusts. (a) An individual who is not a Minnesota resident for the entire year must compute alternative minimum tax liability using a regular tax liability determined under section 290.06, subdivision 2c, paragraph (e), without regard to the provision for allocation to Minnesota. The resulting alternative minimum tax liability must be multiplied by the fraction defined in section 290.06, subdivision 2c, paragraph (e).

(b) In the case of an estate or trust, the alternative minimum tax liability must be computed by multiplying alternative minimum taxable income and the exemption amount by a fraction, the numerator of which is the amount of the taxpayer's alternative minimum taxable income allocated to this state pursuant to the provisions of sections 290.17 to 290.20, and the denominator of which is the taxpayer's total alternative minimum taxable income.

Repealed Minnesota Statutes: 22-05087

Subd. 4. Computation and modifications. The following modifications shall be made in computing a net operating loss in any taxable year and also in computing the taxable net income for any taxable year before a net operating loss deduction shall be allowed:

(a) No deduction shall be allowed for or with respect to losses connected with income producing activities if the income therefrom would not be required to be either assignable to this state or included in computing the taxpayer's taxable net income.

(b) A net operating loss deduction shall not be allowed.

(c) The amount deductible on account of losses from sales or exchanges of capital assets shall not exceed the amount includable on account of gains from sales or exchanges of capital assets.

(d) Renegotiation of profits for a prior taxable year under the renegotiation laws of the United States of America, including renegotiation of the profits with a subcontractor, shall not enter into the computation.

(e) Federal income and excess profits taxes shall not be allowed as a deduction.

Subd. 5. Return covering less than 12 months. Wherever, under the provisions of this chapter, any taxpayer is required or permitted to make a return for a period of less than 12 months, such period shall be deemed a taxable year in the application of the provisions of this section.

Subd. 9. Special period of limitation with respect to net operating loss carrybacks. For the purposes of sections 289A.40 and 289A.50 if the claim for refund relates to an overpayment attributable to a net operating loss carryback under this section, in lieu of the period of limitation prescribed in section 289A.40, the period shall be that period which ends with the expiration of the 15th day of the 46th month following the end of the taxable year of the net operating loss which results in such carryback, plus any extension of time granted for filing the return, but only if the return was filed within the extended time.

Subd. 11. Carryback or carryover adjustments. (a) Except as provided in paragraph (c), for individuals, estates, and trusts the amount of a net operating loss that may be carried back or carried over shall be the same dollar amount allowable in the determination of federal taxable income, provided that, notwithstanding any other provision, estates and trusts must apply the following adjustments to the amount of the net operating loss that may be carried back or carried over:

(1) Nonassignable income or losses as required by section 290.17.

(2) Deductions not allocable to Minnesota under section 290.17.

(b) The net operating loss carryback or carryover applied as a deduction in the taxable year to which the net operating loss is carried back or carried over shall be equal to the net operating loss carryback or carryover applied in the taxable year in arriving at federal taxable income provided that trusts and estates must apply the following modifications:

(1) Increase the amount of carryback or carryover applied in the taxable year by the amount of losses and interest, taxes and other expenses not assignable or allowable to Minnesota incurred in the taxable year.

(2) Decrease the amount of carryback or carryover applied in the taxable year by the amount of income not assignable to Minnesota earned in the taxable year. For estates and trusts, the net operating loss carryback or carryover to the next consecutive taxable year shall be the net operating loss carryback or carryover as calculated in clause (b) less the amount applied in the earlier taxable year(s). No additional net operating loss carryback or carryover shall be allowed to estates and trusts if the entire amount has been used to offset Minnesota income in a year earlier than was possible on the federal return. However, if a net operating loss carryback or carryover was allowed to offset federal income in a year earlier than was possible on the Minnesota return, an estate or trust shall still be allowed to offset Minnesota income but only if the loss was assignable to Minnesota in the year the loss occurred.

(c) This paragraph does not apply to eligible small businesses that make a valid election to carry back their losses for federal purposes under section 172(b)(1)(H) of the Internal Revenue Code as amended through March 31, 2009.

(1) A net operating loss of an individual, estate, or trust that is allowed under this subdivision and for which the taxpayer elects to carry back for more than two years under section 172(b)(1)(H) of the Internal Revenue Code is a net operating loss carryback to each of the two taxable years preceding the loss, and unused portions may be carried forward for 20 taxable years after the loss.

(2) The entire amount of the net operating loss for any taxable year must be carried to the earliest of the taxable years to which the loss may be carried. The portion of the loss which may be carried to each of the other taxable years is the excess, if any, of the amount of the loss over the greater of the taxable net income or alternative minimum taxable income for each of the taxable years to which the loss may be carried.

290.10 NONDEDUCTIBLE ITEMS.

Subdivision 1. **Expenses, interest, and taxes.** In computing the net income of a taxpayer no deduction shall in any case be allowed for expenses, interest and taxes connected with or allocable against the production or receipt of all income not included in the measure of the tax imposed by this chapter, except that for corporations engaged in the business of mining or producing iron ore, the mining of which is subject to the occupation tax imposed by section 298.01, subdivision 4, this shall not prevent the deduction of expenses and other items to the extent that the expenses and other items are allowable under this chapter and are not deductible, capitalizable, retainable in basis, or taken into account by allowance or otherwise in computing the occupation tax and do not exceed the amounts taken for federal income tax purposes for that year. Occupation taxes imposed under chapter 298, royalty taxes imposed under chapter 299, or depletion expenses may not be deducted under this subdivision.

290.17 GROSS INCOME, ALLOCATION TO STATE.

Subdivision 1. **Scope of allocation rules.** (a) The income of resident individuals is not subject to allocation outside this state. The allocation rules apply to nonresident individuals, estates, trusts, nonresident partners of partnerships, nonresident shareholders of corporations treated as "S" corporations under section 290.9725, and all corporations not having such an election in effect. If a partnership or corporation would not otherwise be subject to the allocation rules, but conducts a trade or business that is part of a unitary business involving another legal entity that is subject to the allocation rules, the partnership or corporation is subject to the allocation rules.

(b) Expenses, losses, and other deductions (referred to collectively in this paragraph as "deductions") must be allocated along with the item or class of gross income to which they are definitely related for purposes of assignment under this section or apportionment under section 290.191, 290.20, or 290.36. Deductions definitely related to any item of gross income assigned under subdivision 2, paragraph (e), are assigned to the taxpayer's domicile.

(c) In the case of an individual who is a resident for only part of a taxable year, the individual's income, gains, losses, and deductions from the distributive share of a partnership, S corporation, trust, or estate are not subject to allocation outside this state to the extent of the distributive share multiplied by a ratio, the numerator of which is the number of days the individual was a resident of this state during the tax year of the partnership, S corporation, trust, or estate, and the denominator of which is the number of days in the taxable year of the partnership, S corporation, trust, or estate.

Subd. 2. **Income not derived from conduct of a trade or business.** The income of a taxpayer subject to the allocation rules that is not derived from the conduct of a trade or business must be assigned in accordance with paragraphs (a) to (f):

(a)(1) Subject to paragraphs (a)(2) and (a)(3), income from wages as defined in section 3401(a), (f), and (i) of the Internal Revenue Code is assigned to this state if, and to the extent that, the work of the employee is performed within it; all other income from such sources is treated as income from sources without this state.

Severance pay shall be considered income from labor or personal or professional services.

(2) In the case of an individual who is a nonresident of Minnesota and who is an athlete or entertainer, income from compensation for labor or personal services performed within this state shall be determined in the following manner:

(i) the amount of income to be assigned to Minnesota for an individual who is a nonresident salaried athletic team employee shall be determined by using a fraction in which the denominator contains the total number of days in which the individual is under a duty to perform for the employer, and the numerator is the total number of those days spent in Minnesota. For purposes of this paragraph, off-season training activities, unless conducted at the team's facilities as part of a team imposed program, are not included in the total number of duty days. Bonuses earned as a result of play during the regular season or for participation in championship, play-off, or all-star games must be allocated under the formula. Signing bonuses are not subject to allocation under the formula if they are not conditional on playing any games for the team, are payable separately from any other compensation, and are nonrefundable; and

APPENDIX
Repealed Minnesota Statutes: 22-05087

(ii) the amount of income to be assigned to Minnesota for an individual who is a nonresident, and who is an athlete or entertainer not listed in item (i), for that person's athletic or entertainment performance in Minnesota shall be determined by assigning to this state all income from performances or athletic contests in this state.

(3) For purposes of this section, amounts received by a nonresident as "retirement income" as defined in section (b)(1) of the State Income Taxation of Pension Income Act, Public Law 104-95, are not considered income derived from carrying on a trade or business or from wages or other compensation for work an employee performed in Minnesota, and are not taxable under this chapter.

(b) Income or gains from tangible property located in this state that is not employed in the business of the recipient of the income or gains must be assigned to this state.

(c) Income or gains from intangible personal property not employed in the business of the recipient of the income or gains must be assigned to this state if the recipient of the income or gains is a resident of this state or is a resident trust or estate.

Gain on the sale of a partnership interest is allocable to this state in the ratio of the original cost of partnership tangible property in this state to the original cost of partnership tangible property everywhere, determined at the time of the sale. If more than 50 percent of the value of the partnership's assets consists of intangibles, gain or loss from the sale of the partnership interest is allocated to this state in accordance with the sales factor of the partnership for its first full tax period immediately preceding the tax period of the partnership during which the partnership interest was sold.

Gain on the sale of an interest in a single member limited liability company that is disregarded for federal income tax purposes is allocable to this state as if the single member limited liability company did not exist and the assets of the limited liability company are personally owned by the sole member.

Gain on the sale of goodwill or income from a covenant not to compete that is connected with a business operating all or partially in Minnesota is allocated to this state to the extent that the income from the business in the year preceding the year of sale was allocable to Minnesota under subdivision 3.

When an employer pays an employee for a covenant not to compete, the income allocated to this state is in the ratio of the employee's service in Minnesota in the calendar year preceding leaving the employment of the employer over the total services performed by the employee for the employer in that year.

(d) Income from winnings on a bet made by an individual while in Minnesota is assigned to this state. In this paragraph, "bet" has the meaning given in section 609.75, subdivision 2, as limited by section 609.75, subdivision 3, clauses (1), (2), and (3).

(e) All items of gross income not covered in paragraphs (a) to (d) and not part of the taxpayer's income from a trade or business shall be assigned to the taxpayer's domicile.

(f) For the purposes of this section, working as an employee shall not be considered to be conducting a trade or business.

Subd. 3. Trade or business income; general rule. All income of a trade or business is subject to apportionment except nonbusiness income. Income derived from carrying on a trade or business must be assigned to this state if the trade or business is conducted wholly within this state, assigned outside this state if conducted wholly without this state and apportioned between this state and other states and countries under this subdivision if conducted partly within and partly without this state. For purposes of determining whether a trade or business is carried on exclusively within or without this state:

(a) A trade or business physically located exclusively within this state is nevertheless carried on partly within and partly without this state if any of the principles set forth in section 290.191 for the allocation of sales or receipts within or without this state when applied to the taxpayer's situation result in the allocation of any sales or receipts without this state.

(b) A trade or business physically located exclusively without this state is nevertheless carried on partly within and partly without this state if any of the principles set forth in section 290.191 for the allocation of sales or receipts within or without this state when applied to the taxpayer's situation result in the allocation of any sales or receipts within this state. The jurisdiction to tax such a business under this chapter must be determined in accordance with sections 290.014 and 290.015.

APPENDIX
Repealed Minnesota Statutes: 22-05087

Subd. 4. **Unitary business principle.** (a) If a trade or business conducted wholly within this state or partly within and partly without this state is part of a unitary business, the entire income of the unitary business is subject to apportionment pursuant to section 290.191. Notwithstanding subdivision 2, paragraph (c), none of the income of a unitary business is considered to be derived from any particular source and none may be allocated to a particular place except as provided by the applicable apportionment formula. The provisions of this subdivision do not apply to business income subject to subdivision 5, income of an insurance company, or income of an investment company determined under section 290.36.

(b) The term "unitary business" means business activities or operations which result in a flow of value between them. The term may be applied within a single legal entity or between multiple entities and without regard to whether each entity is a sole proprietorship, a corporation, a partnership or a trust.

(c) Unity is presumed whenever there is unity of ownership, operation, and use, evidenced by centralized management or executive force, centralized purchasing, advertising, accounting, or other controlled interaction, but the absence of these centralized activities will not necessarily evidence a nonunitary business. Unity is also presumed when business activities or operations are of mutual benefit, dependent upon or contributory to one another, either individually or as a group.

(d) Where a business operation conducted in Minnesota is owned by a business entity that carries on business activity outside the state different in kind from that conducted within this state, and the other business is conducted entirely outside the state, it is presumed that the two business operations are unitary in nature, interrelated, connected, and interdependent unless it can be shown to the contrary.

(e) Unity of ownership does not exist when two or more corporations are involved unless more than 50 percent of the voting stock of each corporation is directly or indirectly owned by a common owner or by common owners, either corporate or noncorporate, or by one or more of the member corporations of the group. For this purpose, the term "voting stock" shall include membership interests of mutual insurance holding companies formed under section 66A.40.

(f) The net income and apportionment factors under section 290.191 or 290.20 of foreign corporations and other foreign entities, but excluding a disqualified captive insurance company, which are part of a unitary business shall not be included in the net income or the apportionment factors of the unitary business; except that the income and apportionment factors of a foreign entity, other than an entity treated as a C corporation for federal income tax purposes, that are included in the federal taxable income, as defined in section 63 of the Internal Revenue Code as amended through the date named in section 290.01, subdivision 19, of a domestic corporation, domestic entity, or individual must be included in determining net income and the factors to be used in the apportionment of net income pursuant to section 290.191 or 290.20. A foreign corporation or other foreign entity which is not included on a combined report and which is required to file a return under this chapter shall file on a separate return basis.

(g) For purposes of determining the net income of a unitary business and the factors to be used in the apportionment of net income pursuant to section 290.191 or 290.20, there must be included only the income and apportionment factors of domestic corporations or other domestic entities that are determined to be part of the unitary business pursuant to this subdivision, notwithstanding that foreign corporations or other foreign entities might be included in the unitary business; except that the income and apportionment factors of a foreign entity, other than an entity treated as a C corporation for federal income tax purposes, that is included in the federal taxable income, as defined in section 63 of the Internal Revenue Code as amended through the date named in section 290.01, subdivision 19, of a domestic corporation, domestic entity, or individual must be included in determining net income and the factors to be used in the apportionment of net income pursuant to section 290.191 or 290.20.

(h) Each corporation or other entity, except a sole proprietorship, that is part of a unitary business must file combined reports as the commissioner determines. On the reports, all intercompany transactions between entities included pursuant to paragraph (g) must be eliminated and the entire net income of the unitary business determined in accordance with this subdivision is apportioned among the entities by using each entity's Minnesota factors for apportionment purposes in the numerators of the apportionment formula and the total factors for apportionment purposes of all entities included pursuant to paragraph (g) in the denominators of the apportionment formula. Except as otherwise provided by paragraph (f), all sales of the unitary business made within this state pursuant to section 290.191 or 290.20 must be included on the combined report of a corporation

APPENDIX
Repealed Minnesota Statutes: 22-05087

or other entity that is a member of the unitary business and is subject to the jurisdiction of this state to impose tax under this chapter.

(i) If a corporation has been divested from a unitary business and is included in a combined report for a fractional part of the common accounting period of the combined report:

(1) its income includable in the combined report is its income incurred for that part of the year determined by proration or separate accounting; and

(2) its sales, property, and payroll included in the apportionment formula must be prorated or accounted for separately.

(j) For purposes of this subdivision, "insurance company" means an insurance company, as defined in section 290.01, subdivision 5b, that is not a disqualified captive insurance company.

Subd. 5. **Special rule.** Notwithstanding subdivisions 3 and 4, all income from the operation of an athletic team when the visiting team does not share in the gate receipts is assigned to the state in which the team's operation is based.

Subd. 6. **Nonbusiness income.** Nonbusiness income is income of the trade or business that cannot be apportioned by this state because of the United States Constitution or the Constitution of the state of Minnesota and includes income that cannot constitutionally be apportioned to this state because it is derived from a capital transaction that solely serves an investment function. Nonbusiness income must be allocated under subdivision 2.

290.172 COMMISSIONER OF REVENUE.

The commissioner of revenue shall represent the state of Minnesota on the multistate tax commission. The commissioner may be represented on the commission by an alternate designated by the commissioner. The alternate shall be an employee of the Department of Revenue.

290.191 APPORTIONMENT OF NET INCOME.

Subdivision 1. **General rule.** (a) Except as otherwise provided in section 290.17, subdivision 5, the net income from a trade or business carried on partly within and partly without this state must be apportioned to this state as provided in this section.

(b) For purposes of this section, "state" means a state of the United States, the District of Columbia, the commonwealth of Puerto Rico, or any territory or possession of the United States or any foreign country.

Subd. 2. **Apportionment formula of general application.** (a) Except for those trades or businesses required to use a different formula under subdivision 3 or section 290.36, and for those trades or businesses that receive permission to use some other method under section 290.20 or under subdivision 4, a trade or business required to apportion its net income must apportion its income to this state on the basis of the percentage obtained by taking the sum of:

(1) the percent for the sales factor under paragraph (b) of the percentage which the sales made within this state in connection with the trade or business during the tax period are of the total sales wherever made in connection with the trade or business during the tax period;

(2) the percent for the property factor under paragraph (b) of the percentage which the total tangible property used by the taxpayer in this state in connection with the trade or business during the tax period is of the total tangible property, wherever located, used by the taxpayer in connection with the trade or business during the tax period; and

(3) the percent for the payroll factor under paragraph (b) of the percentage which the taxpayer's total payrolls paid or incurred in this state or paid in respect to labor performed in this state in connection with the trade or business during the tax period are of the taxpayer's total payrolls paid or incurred in connection with the trade or business during the tax period.

(b) For purposes of paragraph (a) and subdivision 3, the following percentages apply for the taxable years specified:

Taxable years beginning during calendar year	Sales factor percent	Property factor percent	Payroll factor percent
2007	78	11	11
2008	81	9.5	9.5

APPENDIX

2009	84	8	8
2010	87	6.5	6.5
2011	90	5	5
2012	93	3.5	3.5
2013	96	2	2
2014 and later calendar years	100	0	0

Subd. 3. **Apportionment formula for financial institutions.** Except for an investment company required to apportion its income under section 290.36, a financial institution that is required to apportion its net income must apportion its net income to this state on the basis of the percentage obtained by taking the sum of:

(1) the percent for the sales factor under subdivision 2, paragraph (b), of the percentage which the receipts from within this state in connection with the trade or business during the tax period are of the total receipts in connection with the trade or business during the tax period, from wherever derived;

(2) the percent for the property factor under subdivision 2, paragraph (b), of the percentage which the sum of the total tangible property used by the taxpayer in this state and the intangible property owned by the taxpayer and attributed to this state in connection with the trade or business during the tax period is of the sum of the total tangible property, wherever located, used by the taxpayer and the intangible property owned by the taxpayer and attributed to all states in connection with the trade or business during the tax period; and

(3) the percent for the payroll factor under subdivision 2, paragraph (b), of the percentage which the taxpayer's total payrolls paid or incurred in this state or paid in respect to labor performed in this state in connection with the trade or business during the tax period are of the taxpayer's total payrolls paid or incurred in connection with the trade or business during the tax period.

Subd. 5. **Determination of sales factor.** For purposes of this section, the following rules apply in determining the sales factor.

(a) The sales factor includes all sales, gross earnings, or receipts received in the ordinary course of the business, except that the following types of income are not included in the sales factor:

(1) interest;

(2) dividends;

(3) sales of capital assets as defined in section 1221 of the Internal Revenue Code;

(4) sales of property used in the trade or business, except sales of leased property of a type which is regularly sold as well as leased; and

(5) sales of debt instruments as defined in section 1275(a)(1) of the Internal Revenue Code or sales of stock.

(b) Sales of tangible personal property are made within this state if the property is received by a purchaser at a point within this state, regardless of the f.o.b. point, other conditions of the sale, or the ultimate destination of the property.

(c) Tangible personal property delivered to a common or contract carrier or foreign vessel for delivery to a purchaser in another state or nation is a sale in that state or nation, regardless of f.o.b. point or other conditions of the sale.

(d) Notwithstanding paragraphs (b) and (c), when intoxicating liquor, wine, fermented malt beverages, cigarettes, or tobacco products are sold to a purchaser who is licensed by a state or political subdivision to resell this property only within the state of ultimate destination, the sale is made in that state.

(e) Sales made by or through a corporation that is qualified as a domestic international sales corporation under section 992 of the Internal Revenue Code are not considered to have been made within this state.

(f) Sales, rents, royalties, and other income in connection with real property is attributed to the state in which the property is located.

APPENDIX
Repealed Minnesota Statutes: 22-05087

(g) Receipts from the lease or rental of tangible personal property, including finance leases and true leases, must be attributed to this state if the property is located in this state and to other states if the property is not located in this state. Receipts from the lease or rental of moving property including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are included in the numerator of the receipts factor to the extent that the property is used in this state. The extent of the use of moving property is determined as follows:

(1) A motor vehicle is used wholly in the state in which it is registered.

(2) The extent that rolling stock is used in this state is determined by multiplying the receipts from the lease or rental of the rolling stock by a fraction, the numerator of which is the miles traveled within this state by the leased or rented rolling stock and the denominator of which is the total miles traveled by the leased or rented rolling stock.

(3) The extent that an aircraft is used in this state is determined by multiplying the receipts from the lease or rental of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this state and the denominator of which is the total number of landings of the aircraft.

(4) The extent that a vessel, mobile equipment, or other mobile property is used in the state is determined by multiplying the receipts from the lease or rental of the property by a fraction, the numerator of which is the number of days during the taxable year the property was in this state and the denominator of which is the total days in the taxable year.

(h) Royalties and other income received for the use of or for the privilege of using intangible property, including patents, know-how, formulas, designs, processes, patterns, copyrights, trade names, service names, franchises, licenses, contracts, customer lists, or similar items, must be attributed to the state in which the property is used by the purchaser. If the property is used in more than one state, the royalties or other income must be apportioned to this state pro rata according to the portion of use in this state. If the portion of use in this state cannot be determined, the royalties or other income must be excluded from both the numerator and the denominator. Intangible property is used in this state if the purchaser uses the intangible property or the rights therein in the regular course of its business operations in this state, regardless of the location of the purchaser's customers.

(i) Sales of intangible property are made within the state in which the property is used by the purchaser. If the property is used in more than one state, the sales must be apportioned to this state pro rata according to the portion of use in this state. If the portion of use in this state cannot be determined, the sale must be excluded from both the numerator and the denominator of the sales factor. Intangible property is used in this state if the purchaser used the intangible property in the regular course of its business operations in this state.

(j) Receipts from the performance of services must be attributed to the state where the services are received. For the purposes of this section, receipts from the performance of services provided to a corporation, partnership, or trust may only be attributed to a state where it has a fixed place of doing business. If the state where the services are received is not readily determinable or is a state where the corporation, partnership, or trust receiving the service does not have a fixed place of doing business, the services shall be deemed to be received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering office cannot be determined, the services shall be deemed to be received at the office of the customer to which the services are billed.

(k) For the purposes of this subdivision and subdivision 6, paragraph (l), receipts from management, distribution, or administrative services performed by a person or corporation for a fund of a person or corporation regulated under United States Code, title 15, chapter 2D, subchapter I, must be attributed to the state where the shareholder of the fund resides. Under this paragraph, receipts for services attributed to shareholders are determined on the basis of the ratio of: (1) the average of the outstanding shares in the fund owned by shareholders residing within Minnesota at the beginning and end of each year; and (2) the average of the total number of outstanding shares in the fund at the beginning and end of each year. Residence of the shareholder, in the case of an individual, is determined by the mailing address furnished by the shareholder to the fund. Residence of the shareholder, when the shares are held by an insurance company as a depositor for the insurance company policyholders, is the mailing address of the policyholders. In the case of an insurance company holding the shares as a depositor for the insurance company policyholders, if the mailing address of the policyholders cannot be determined by the taxpayer, the receipts must be excluded from both the numerator and denominator. Residence of other shareholders is the mailing address of the shareholder.

APPENDIX
Repealed Minnesota Statutes: 22-05087

Subd. 6. **Determination of receipts factor for financial institutions.** (a) For purposes of this section, the rules in this subdivision and subdivisions 5, paragraph (k), and 8 apply in determining the receipts factor for financial institutions.

(b) "Receipts" for this purpose means gross income, including net taxable gain on disposition of assets, including securities and money market instruments, when derived from transactions and activities in the regular course of the taxpayer's trade or business.

(c) "Money market instruments" means federal funds sold and securities purchased under agreements to resell, commercial paper, banker's acceptances, and purchased certificates of deposit and similar instruments to the extent that the instruments are reflected as assets under generally accepted accounting principles.

(d) "Securities" means United States Treasury securities, obligations of United States government agencies and corporations, obligations of state and political subdivisions, corporate stock, bonds, and other securities, participations in securities backed by mortgages held by United States or state government agencies, loan-backed securities and similar investments to the extent the investments are reflected as assets under generally accepted accounting principles.

(e) Receipts from the lease or rental of real or tangible personal property, including both finance leases and true leases, must be attributed to this state if the property is located in this state. Receipts from the lease or rental of tangible personal property that is characteristically moving property, including, but not limited to, motor vehicles, rolling stock, aircraft, vessels, or mobile equipment are included in the numerator of the receipts factor to the extent that the property is used in this state. The extent of the use of moving property is determined as follows:

(1) A motor vehicle is used wholly in the state in which it is registered.

(2) The extent that rolling stock is used in this state is determined by multiplying the receipts from the lease or rental of the rolling stock by a fraction, the numerator of which is the miles traveled within this state by the leased or rented rolling stock and the denominator of which is the total miles traveled by the leased or rented rolling stock.

(3) The extent that an aircraft is used in this state is determined by multiplying the receipts from the lease or rental of the aircraft by a fraction, the numerator of which is the number of landings of the aircraft in this state and the denominator of which is the total number of landings of the aircraft.

(4) The extent that a vessel, mobile equipment, or other mobile property is used in the state is determined by multiplying the receipts from the lease or rental of property by a fraction, the numerator of which is the number of days during the taxable year the property was in this state and the denominator of which is the total days in the taxable year.

(f) Interest income and other receipts from assets in the nature of loans that are secured primarily by real estate or tangible personal property must be attributed to this state if the security property is located in this state under the principles stated in paragraph (e).

(g) Interest income and other receipts from consumer loans not secured by real or tangible personal property that are made to residents of this state, whether at a place of business, by traveling loan officer, by mail, by telephone or other electronic means, must be attributed to this state.

(h) Interest income and other receipts from commercial loans and installment obligations that are unsecured by real or tangible personal property or secured by intangible property must be attributed to this state if the proceeds of the loan are to be applied in this state. If it cannot be determined where the funds are to be applied, the income and receipts are attributed to the state in which the office of the borrower from which the application would be made in the regular course of business is located. If this cannot be determined, the transaction is disregarded in the apportionment formula.

(i) Interest income and other receipts from a participating financial institution's portion of participation and syndication loans must be attributed under paragraphs (e) to (h). A participation loan is an arrangement in which a lender makes a loan to a borrower and then sells, assigns, or otherwise transfers all or a part of the loan to a purchasing financial institution. A syndication loan is a loan transaction involving multiple financial institutions in which all the lenders are named as parties to the loan documentation, are known to the borrower, and have privity of contract with the borrower.

(j) Interest income and other receipts including service charges from financial institution credit card and travel and entertainment credit card receivables and credit card holders' fees must be attributed to the state to which the card charges and fees are regularly billed.

APPENDIX
Repealed Minnesota Statutes: 22-05087

(k) Merchant discount income derived from financial institution credit card holder transactions with a merchant must be attributed to the state in which the merchant is located. In the case of merchants located within and outside the state, only receipts from merchant discounts attributable to sales made from locations within the state are attributed to this state. It is presumed, subject to rebuttal, that the location of a merchant is the address shown on the invoice submitted by the merchant to the taxpayer.

(l) Receipts from the performance of fiduciary and other services must be attributed to the state in which the services are received. For the purposes of this section, services provided to a corporation, partnership, or trust must be attributed to a state where it has a fixed place of doing business. If the state where the services are received is not readily determinable or is a state where the corporation, partnership, or trust does not have a fixed place of doing business, the services shall be deemed to be received at the location of the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering office cannot be determined, the services shall be deemed to be received at the office of the customer to which the services are billed.

(m) Receipts from the issuance of travelers checks and money orders must be attributed to the state in which the checks and money orders are purchased.

(n) Receipts from investments of a financial institution in securities and from money market instruments must be apportioned to this state based on the ratio that total deposits from this state, its residents, including any business with an office or other place of business in this state, its political subdivisions, agencies, and instrumentalities bear to the total deposits from all states, their residents, their political subdivisions, agencies, and instrumentalities. In the case of an unregulated financial institution subject to this section, these receipts are apportioned to this state based on the ratio that its gross business income, excluding such receipts, earned from sources within this state bears to gross business income, excluding such receipts, earned from sources within all states. For purposes of this subdivision, deposits made by this state, its residents, its political subdivisions, agencies, and instrumentalities must be attributed to this state, whether or not the deposits are accepted or maintained by the taxpayer at locations within this state.

(o) A financial institution's interest in property described in section 290.015, subdivision 3, paragraph (b), is included in the receipts factor in the same manner as assets in the nature of securities or money market instruments are included in paragraph (n).

Subd. 8. **Deposit; definition.** (a) "Deposit," as used in subdivision 6, paragraph (n), has the meanings in this subdivision.

(b) "Deposit" means the unpaid balance of money or its equivalent received or held by a financial institution in the usual course of business and for which it has given or is obligated to give credit, either conditionally or unconditionally, to a commercial, checking, savings, time, or thrift account whether or not advance notice is required to withdraw the credited funds, or which is evidenced by its certificate of deposit, thrift certificate, investment certificate, or certificate of indebtedness, or other similar name, or a check or draft drawn against a deposit account and certified by the financial institution, or a letter of credit or a traveler's check on which the financial institution is primarily liable. However, without limiting the generality of the term "money or its equivalent," any such account or instrument must be regarded as evidencing the receipt of the equivalent of money when credited or issued in exchange for checks or drafts or for a promissory note upon which the person obtaining the credit or instrument is primarily or secondarily liable, or for a charge against a deposit account, or in settlement of checks, drafts, or other instruments forwarded to the bank for collection.

(c) "Deposit" means trust funds received or held by the financial institution, whether held in the trust department or held or deposited in any other department of the financial institution.

(d) "Deposit" means money received or held by a financial institution, or the credit given for money or its equivalent received or held by a financial institution, in the usual course of business for a special or specific purpose, regardless of the legal relationship so established. Under this paragraph, "deposit" includes, but is not limited to, escrow funds, funds held as security for an obligation due to the financial institution or others, including funds held as dealers reserves, or for securities loaned by the financial institution, funds deposited by a debtor to meet maturing obligations, funds deposited as advance payment on subscriptions to United States government securities, funds held for distribution or purchase of securities, funds held to meet its acceptances or letters of credit, and withheld taxes. It does not include funds received by the financial institution for immediate application to the reduction of an indebtedness to the receiving financial institution, or under condition that the receipt of the funds immediately reduces or extinguishes the indebtedness.

APPENDIX
Repealed Minnesota Statutes: 22-05087

(e) "Deposit" means outstanding drafts, including advice or another such institution, cashier's checks, money orders, or other officer's checks issued in the usual course of business for any purpose, but not including those issued in payment for services, dividends, or purchases or other costs or expenses of the financial institution itself.

(f) "Deposit" means money or its equivalent held as a credit balance by a financial institution on behalf of its customer if the entity is engaged in soliciting and holding such balances in the regular course of its business.

(g) Interinstitution fund transfers are not deposits.

Subd. 9. Determination of property factor; general rules. For all taxpayers, the property factor includes tangible property, real, personal, and mixed, owned or rented, and used by the taxpayer in connection with the trade or business, as set forth in subdivision 10. For financial institutions only, the property factor also includes intangible property, as set forth in subdivision 11. For both tangible and intangible property, the property included in the property factor is the average of the total property used by the taxpayer in connection with its business during the tax period. Such averages must be on a commensurate basis for property within and without the state.

Subd. 10. Property factor; tangible property. (a) Tangible property includes land, buildings, machinery and equipment, inventories, and other tangible personal property actually used by the taxpayer during the taxable year in carrying on the business activities of the taxpayer. Tangible property which is separately allocated under section 290.17 is not includable in the property factor.

(b) Cash on hand or in banks, shares of stock, notes, bonds, accounts receivable, or other evidences of indebtedness, special privileges, franchises, and goodwill, are specifically excluded from the property factor, except as otherwise provided for financial institutions in subdivision 11.

(c) The value of tangible property that is owned by the taxpayer and that is to be used in the apportionment fraction is the original cost adjusted for any later capital additions or improvements and partial disposition by reason of sale, exchange, or abandonment.

(d) For purposes of computing the property factor, United States government property that is used by the taxpayer must be considered owned by the taxpayer.

(e) Property that is rented by the taxpayer is valued at eight times the net annual rental. Net annual rental is the annual rental paid by the taxpayer less any annual rental received by the taxpayer from subrentals. If the subrents taken into account in determining the net annual rental produce a negative or clearly inaccurate value for any item of property, another method that will properly reflect the value of rented property may be required by the commissioner or requested by the taxpayer. In no case, however, shall the value be less than an amount which bears the same ratio to the annual rental paid by the taxpayer for such property as the fair market value of that portion of the property used by the taxpayer bears to the total fair market value of the rented property. Rents paid during the year cannot be averaged.

(f) A person filing a combined report shall use this method of calculating the property factor for all members of the group.

Subd. 11. Financial institutions; property factor. (a) For financial institutions, the property factor includes, as well as tangible property, intangible property as set forth in this subdivision.

(b) Intangible personal property must be included at its tax basis for federal income tax purposes.

(c) Goodwill must not be included in the property factor.

(d) Coin and currency located in this state must be attributed to this state.

(e) Lease financing receivables must be attributed to this state if and to the extent that the property is located within this state.

(f) Assets in the nature of loans that are secured by real or tangible personal property must be attributed to this state if and to the extent that the security property is located within this state.

(g) Assets in the nature of consumer loans and installment obligations that are unsecured or secured by intangible property must be attributed to this state if the loan was made to a resident of this state.

(h) Assets in the nature of commercial loan and installment obligations that are unsecured by real or tangible personal property or secured by intangible property must be attributed to this state if the proceeds of the loan are to be applied in this state. If it cannot be determined where the funds

are to be applied, the assets must be attributed to the state in which there is located the office of the borrower from which the application would be made in the regular course of business. If this cannot be determined, the transaction is disregarded in the apportionment formula.

(i) A participating financial institution's portion of participation and syndication loans must be attributed under paragraphs (e) to (h).

(j) Financial institution credit card and travel and entertainment credit card receivables must be attributed to the state to which the credit card charges and fees are regularly billed.

(k) Receivables arising from merchant discount income derived from financial institution credit card holder transactions with a merchant are attributed to the state in which the merchant is located. In the case of merchants located within and without the state, only receivables from merchant discounts attributable to sales made from locations within the state are attributed to this state. It is presumed, subject to rebuttal, that the location of a merchant is the address shown on the invoice submitted by the merchant to the taxpayer.

(l) Assets in the nature of securities and money market instruments are apportioned to this state based upon the ratio that total deposits from this state, its residents, its political subdivisions, agencies and instrumentalities bear to the total deposits from all states, their residents, their political subdivisions, agencies and instrumentalities. In the case of an unregulated financial institution, the assets are apportioned to this state based upon the ratio that its gross business income earned from sources within this state bears to gross business income earned from sources within all states. For purposes of this paragraph, deposits made by this state, its residents, its political subdivisions, agencies, and instrumentalities are attributed to this state, whether or not the deposits are accepted or maintained by the taxpayer at locations within this state.

(m) A financial institution's interest in any property described in section 290.015, subdivision 3, paragraph (b), is included in the property factor in the same manner as assets in the nature of securities or money market instruments are included under paragraph (1).

Subd. 12. Determination of payroll factor. (a) The payroll factor must be determined in the same way for all taxpayers.

(b) Wages or salaries must be determined to be paid or incurred in this state if the individual with respect to whom the wages or salaries are paid is either employed within this state or is actually engaged in work in the territorial confines of this state, or if working without this state, is identified with or accountable to an office within this state.

(c) The wages or salaries paid to officers and employees working from offices within this state are considered payroll within this state even though the officer's and employee's employment requires them to spend working time without this state. Officers and employees whose employment requires them to work without the state entirely and who are assigned to an office without the state, are not considered employees within the state for the purpose of apportionment even though their salaries are paid from the taxpayer's general offices within the state.

290.20 NET INCOME; ALLOCATION TO STATE.

Subdivision 1. Statutory methods to determine; petition for use of other methods. The methods prescribed by section 290.191 shall be presumed to determine fairly and correctly the taxpayer's taxable net income allocable to this state. If the methods prescribed by section 290.191 do not fairly reflect all or any part of taxable net income allocable to this state, the taxpayer may petition for or the commissioner may require the determination of net income by the use of another method, if that method fairly reflects net income. These other methods may include:

- (1) separate accounting;
- (2) excluding any one or more of the factors;
- (3) including one or more additional factors; or
- (4) some other method.

Subd. 1a. Petition form. A petition within the meaning of this section must be filed by the taxpayer in the form required by the commissioner.

Subd. 2. Nonapplication of statutory methods. The methods prescribed by subdivision 1 shall not be applicable wherever and insofar as the taxpayer's business consists of the mining, producing, smelting, refining, or any combination of these activities of copper and nickel ores.

290.21 DEDUCTIONS ALLOWED TO CORPORATIONS.

Subdivision 1. **Scope and application.** The following deductions shall be allowed only to corporations and shall be deductions from a corporation's taxable net income.

Subd. 4. **Dividends received from another corporation.** (a)(1) Eighty percent of dividends received by a corporation during the taxable year from another corporation, in which the recipient owns 20 percent or more of the stock, by vote and value, not including stock described in section 1504(a)(4) of the Internal Revenue Code when the corporate stock with respect to which dividends are paid does not constitute the stock in trade of the taxpayer or would not be included in the inventory of the taxpayer, or does not constitute property held by the taxpayer primarily for sale to customers in the ordinary course of the taxpayer's trade or business, or when the trade or business of the taxpayer does not consist principally of the holding of the stocks and the collection of the income and gains therefrom; and

(2)(i) the remaining 20 percent of dividends if the dividends received are the stock in an affiliated company transferred in an overall plan of reorganization and the dividend is eliminated in consolidation under Treasury Department Regulation 1.1502-14(a), as amended through December 31, 1989;

(ii) the remaining 20 percent of dividends if the dividends are received from a corporation which is subject to tax under section 290.36 and which is a member of an affiliated group of corporations as defined by the Internal Revenue Code and the dividend is eliminated in consolidation under Treasury Department Regulation 1.1502-14(a), as amended through December 31, 1989, or is deducted under an election under section 243(b) of the Internal Revenue Code; or

(iii) the remaining 20 percent of the dividends if the dividends are received from a property and casualty insurer as defined under section 60A.60, subdivision 8, which is a member of an affiliated group of corporations as defined by the Internal Revenue Code and either: (A) the dividend is eliminated in consolidation under Treasury Regulation 1.1502-14(a), as amended through December 31, 1989; or (B) the dividend is deducted under an election under section 243(b) of the Internal Revenue Code.

(b) Seventy percent of dividends received by a corporation during the taxable year from another corporation in which the recipient owns less than 20 percent of the stock, by vote or value, not including stock described in section 1504(a)(4) of the Internal Revenue Code when the corporate stock with respect to which dividends are paid does not constitute the stock in trade of the taxpayer, or does not constitute property held by the taxpayer primarily for sale to customers in the ordinary course of the taxpayer's trade or business, or when the trade or business of the taxpayer does not consist principally of the holding of the stocks and the collection of income and gain therefrom.

(c) The dividend deduction provided in this subdivision shall be allowed only with respect to dividends that are included in a corporation's Minnesota taxable net income for the taxable year.

The dividend deduction provided in this subdivision does not apply to a dividend from a corporation which, for the taxable year of the corporation in which the distribution is made or for the next preceding taxable year of the corporation, is a corporation exempt from tax under section 501 of the Internal Revenue Code.

The dividend deduction provided in this subdivision does not apply to a dividend received from a real estate investment trust as defined in section 856 of the Internal Revenue Code.

The dividend deduction provided in this subdivision applies to the amount of regulated investment company dividends only to the extent determined under section 854(b) of the Internal Revenue Code.

The dividend deduction provided in this subdivision shall not be allowed with respect to any dividend for which a deduction is not allowed under the provisions of section 246(c) or 246A of the Internal Revenue Code.

(d) If dividends received by a corporation that does not have nexus with Minnesota under the provisions of Public Law 86-272 are included as income on the return of an affiliated corporation permitted or required to file a combined report under section 290.17, subdivision 4, or 290.34, subdivision 2, then for purposes of this subdivision the determination as to whether the trade or business of the corporation consists principally of the holding of stocks and the collection of income and gains therefrom shall be made with reference to the trade or business of the affiliated corporation having a nexus with Minnesota.

(e) The deduction provided by this subdivision does not apply if the dividends are paid by a FSC as defined in section 922 of the Internal Revenue Code.

(f) If one or more of the members of the unitary group whose income is included on the combined report received a dividend, the deduction under this subdivision for each member of the unitary business required to file a return under this chapter is the product of: (1) 100 percent of the dividends received by members of the group; (2) the percentage allowed pursuant to paragraph (a) or (b); and (3) the percentage of the taxpayer's business income apportionable to this state for the taxable year under section 290.191 or 290.20.

Subd. 9. **Controlled foreign corporations.** The net income of a domestic corporation that is included pursuant to section 951 of the Internal Revenue Code is dividend income.

290.22 ESTATES AND TRUSTS, IMPOSITION OF TAX.

The taxes imposed by this chapter upon individuals shall apply to the income of estates or of any kind of property held in trust, including:

(1) income accumulated in trust for the benefit of unborn or unascertained person or persons with contingent interests, and income accumulated or held for future distribution under the terms of the will or trust;

(2) income which is to be distributed currently by the fiduciary to the beneficiaries, and income collected by a guardian of an infant which is to be held or distributed as the court may direct;

(3) income received by estates of deceased persons during the period of administration or settlement of the estate; and

(4) income which, in the discretion of the fiduciary, may be either distributed to the beneficiaries or accumulated.

290.26 EXEMPTION FOR INDIVIDUAL RETIREMENT ACCOUNT.

Subd. 6. **Individual retirement account; exemption.** Any individual retirement account that is exempt from taxation under the provisions of section 408 of the Internal Revenue Code shall also be exempt from taxation under the provisions of this chapter.

290.281 COMMON TRUST FUND.

Subdivision 1. **Not taxed; defined.** A common trust fund shall not be subject to taxation under this chapter and the definitions provided in and the provisions of section 584 of the Internal Revenue Code shall apply.

290.30 FIDUCIARIES, DUTY TO PAY TAX.

Upon notice to the commissioner that any person is acting in a fiduciary capacity, such fiduciary shall assume the powers, rights, duties, and privileges of the taxpayer in respect of a tax imposed by this chapter, except as otherwise specifically provided and except that the tax shall be collected from the estate of the taxpayer, until notice is given that the fiduciary capacity has terminated.

Upon notice to the commissioner that any person is acting in a fiduciary capacity for a person subject to the liability specified in section 270C.58, subdivision 1, the fiduciary shall assume, on behalf of such person, the powers, rights, duties, and privileges of such person under such section, except that the liability shall be collected from the estate of such person, until notice is given that the fiduciary capacity has terminated.

Notice under this section shall be given in accordance with rules prescribed by the commissioner.

290.31 PARTNERSHIPS; INDIVIDUAL LIABILITY OF PARTNERS.

Subdivision 1. **Partners, not partnership, subject to tax.** Except as provided under sections 289A.35, paragraph (b), and 289A.382, subdivision 3, a partnership as such shall not be subject to the income tax imposed by this chapter, but is subject to the tax imposed under section 290.0922. Persons carrying on business as partners shall be liable for income tax only in their separate or individual capacities.

Subd. 27. **Allocation of partnership income to state.** The taxable net income of the partnership shall be assigned to this state under sections 290.17 to 290.20.

290.311 PARTNERSHIP GROSS INCOME.

Subdivision 1. **Partners.** (a) Partner's modifications. In determining gross income and Minnesota taxable income of a partner, any modification described in sections 290.0131 to 290.0135, which relates to an item of partnership income, gain, loss or deduction shall be made in accordance with the partner's distributive share, for federal income tax purposes, of the item to which the modification relates.

(b) Character of items. Each item of partnership income, gain, loss, or deduction shall have the same character for a partner under this section which it has for federal income tax purposes. Where an item is not characterized for federal income tax purposes, it shall have the same character for a partner as if realized directly from the source from which realized by the partnership, or incurred in the same manner as incurred by the partnership.

(c) Minnesota tax avoidance or evasion. Where a partner's distributive share of an item of partnership income, gain, loss or deduction is determined for federal income tax purposes by special provision in the partnership agreement with respect to such item, and where the effect of such provision is the avoidance or evasion of tax under this section, the partner's distributive share of such item, and any modifications required with respect thereto shall be determined as if the partnership agreement made no special provision with respect to such item.

290.32 TAXES FOR PART OF YEAR, COMPUTATION.

When under this chapter a taxpayer is permitted or required to make a return for a fractional part of a year, the tax shall be computed in the same manner as if such fractional part of a year were an entire year, except:

(1) A taxpayer who is permitted to change the basis for reporting income from a fiscal to a calendar year shall make a separate return for the period between the close of the taxpayer's last fiscal year and the following December 31st; if the change is from a calendar to a fiscal year, a separate return shall be made for the period between the close of the taxpayer's last calendar year and the date designated as the close of the fiscal year; and if the change is from one fiscal year to another fiscal year, a separate return shall be made for the period between the close of the former fiscal year and the date designated as the close of the new fiscal year. The taxable net income, or for corporations the taxable net income as reduced by the deductions contained in section 290.21, for any such period shall be put on an annual basis by multiplying the amount thereof by 12 and dividing by the number of months included in the period for which such separate return is made; and the tax shall be that part of a tax, computed on the taxable net income put on such annual basis which the number of months in such period bears to 12 months.

(2) Where any of the enumerated changes in accounting period referred to in clause (1) involve a 52-53 week fiscal year and any such change results in a short period of less than seven days, such short period shall be added to and deemed a part of the following taxable year. If the change results in a short period of seven or more days, but less than 359 days, the taxable net income, or for corporations the taxable net income as reduced by the deductions contained in section 290.21, for any such period shall be placed on an annual basis by multiplying such income by 365 and dividing the result by the same number of days in the short period; and the tax shall be that part of a tax, computed on the taxable net income placed on such annual basis which the number of days in such short period bears to 365 days. Where the short period is 359 days or more, the tax shall be computed in the same manner as if such short period were an entire year.

290.34 CORPORATIONS, SPECIAL PROVISIONS.

Subdivision 1. **Business conducted in such a way as to create losses or improper taxable net income.** When any corporation liable to taxation under this chapter conducts its business in such a manner as, directly or indirectly, to benefit its members or stockholders or any person or corporation interested in such business or to reduce the income attributable to this state by selling the commodities or services in which it deals at less than the fair price which might be obtained therefor, or buying such commodities or services at more than the fair price for which they might have been obtained, or when any corporation, a substantial portion of whose shares is owned directly or indirectly by another corporation, deals in the commodities or services of the latter corporation in such a manner as to create a loss or improper net income or to reduce the taxable net income attributable to this state, the commissioner of revenue may determine the amount of its income so as to reflect what would have been its reasonable taxable net income but for the arrangements causing the understatement of its taxable net income or the overstatement of its losses, having regard to the fair profits which, but for any agreement, arrangement, or understanding, might have been or could have been obtained from such business.

Subd. 2. **Affiliated or related corporations, combined report.** When a corporation which is required to file an income tax return is affiliated with or related to any other corporation through stock ownership by the same interests or as parent or subsidiary corporations, or has its income regulated through contract or other arrangement, the commissioner of revenue may permit or require such combined report as, in the commissioner's opinion, is necessary in order to determine the taxable net income of any one of the affiliated or related corporations.

Subd. 5. **Interest limitation.** The interest expense limitation under section 163(j) of the Internal Revenue Code must be computed using the combined report entities included in the unitary group under section 290.17, subdivision 4. The limitation must be aggregated between combined report entities consistent with the application to a consolidated group for federal income tax purposes.

290.36 INVESTMENT COMPANIES; REPORT OF NET INCOME; COMPUTATION OF AMOUNT OF INCOME ALLOCABLE TO STATE.

The taxable net income of investment companies shall be computed as follows:

Each investment company transacting business as such in this state shall report to the commissioner the net income returned by the company for the taxable year to the United States under the provisions of the Internal Revenue Code, less the credits provided therein and subject to the adjustments required by this chapter. The commissioner shall compute therefrom the taxable net income of the investment company by assigning to this state that proportion of such net income, less such credits which the aggregate of the gross payments collected by the company during the taxable year from old and new business upon investment contracts issued by the company and held by residents of this state, bears to the total amount of the gross payments collected during such year by the company from such business upon investment contracts issued by the company and held by persons residing within the state and elsewhere.

As used in this section, the term "investment company" means any person, copartnership, association, or corporation, whether local or foreign, coming within the purview of section 54.26, and who or which is registered under the Investment Company Act of 1940 (United States Code, title 15, section 80a-1 and following), as amended through December 31, 1986, and who or which solicits or receives payments to be made to itself and which issues therefor, or has issued therefor and has or shall have outstanding so-called bonds, shares, coupons, certificates of membership, or other evidences of obligation or agreement or pretended agreement to return to the holders or owners thereof money or anything of value at some future date; and as to whom the gross payments received during the taxable year in question upon outstanding investment contracts, plus interest and dividends earned on investment contracts determined by prorating the total dividends and interest for the taxable year in question in the same proportion that certificate reserves as defined by the Investment Company Act of 1940, as amended through December 31, 1986, is to total assets, shall be at least 50 percent of the company's gross payments upon investment contracts plus gross income from all other sources except dividends from subsidiaries for the taxable year in question. The term "investment contract" shall mean any such so-called bonds, shares, coupons, certificates of membership, or other evidences of obligation or agreement or pretended agreement issued by an investment company.

290.371 NOTICE OF BUSINESS ACTIVITIES REPORT.

Subdivision 1. **Report required.** Every corporation that, during any calendar year or fiscal accounting year beginning after December 31, 1986, obtained any business from within this state as described in section 290.015, subdivision 1, except corporations specifically exempted under subdivision 2, must file a notice of business activities report, as provided in this section. Filing of the report is not a factor in determining whether a corporation is subject to taxation under this chapter.

Subd. 2. **Exemptions.** A corporation is not required to file a notice of business activities report if:

(1) by the end of an accounting period for which it was otherwise required to file a notice of business activities report under this section, it had received a certificate of authority to do business in this state;

(2) a timely return has been filed under section 289A.08;

(3) the corporation is exempt from taxation under this chapter pursuant to section 290.05; or

(4) the corporation's activities in Minnesota, or the interests in property which it owns, consist solely of activities or property exempted from jurisdiction to tax under section 290.015, subdivision 3, paragraph (b).

Subd. 3. **Annual filing.** Every corporation not exempt under subdivision 2 must file annually a notice of business activities report, including such forms as the commissioner may require, with respect to each of its calendar or fiscal accounting years beginning after December 31, 1986, on or before the 15th day of the fourth month after the close of the calendar or fiscal accounting year.

Subd. 4. **Failure to file timely report.** (a) Any corporation required to file a notice of business activities report does not have any cause of action upon which it may bring suit under Minnesota law, except for issues related to its Minnesota tax liability, unless the corporation has filed a notice of business activities report.

(b) The failure of a corporation to file a timely report prevents the use of the courts in this state, except regarding activities and property described in section 290.015, subdivision 3, paragraph (b), for all contracts executed and all causes of action that arose at any time before the end of the last accounting period for which the corporation failed to file a required report.

(c) The court in which the issues arise must excuse the corporation for its failure to file a report when due, and restore the corporation's cause of action under the laws of this state, if the corporation has paid all taxes, interest, and civil penalties due the state for all periods, or provided for payment of them by adequate security or bond approved by the commissioner.

(d) Pursuant to section 270B.14, subdivision 6, the commissioner may acknowledge whether or not a particular corporation has filed with the commissioner reports or returns required by this chapter if the acknowledgment:

- (1) is to a party in a civil action;
- (2) relates to the filing status of another party in the same civil action; and
- (3) is in response to a written request accompanied by a copy of the summons and complaint in the civil action.

290.431 NONGAME WILDLIFE CHECKOFF.

Every individual who files an income tax return or property tax refund claim form may designate on their original return that \$1 or more shall be added to the tax or deducted from the refund that would otherwise be payable by or to that individual and paid into an account to be established for the management of nongame wildlife. The commissioner of revenue shall, on the income tax return and the property tax refund claim form, notify filers of their right to designate that a portion of their tax or refund shall be paid into the nongame wildlife management account. The sum of the amounts so designated to be paid shall be credited to the nongame wildlife management account for use by the nongame program in the Department of Natural Resources. All interest earned on money accrued, gifts to the program, contributions to the program, and reimbursements of expenditures in the nongame wildlife management account shall be credited to the account by the commissioner of management and budget, except that gifts or contributions received directly by the commissioner of natural resources and directed by the contributor for use in specific nongame field projects or geographic areas shall be handled according to section 84.085, subdivision 1.

The state pledges and agrees with all contributors to the nongame wildlife management account to use the funds contributed solely for the management of nongame wildlife projects and further agrees that it will not impose additional conditions or restrictions that will limit or otherwise restrict the ability of the commissioner of natural resources to use the available funds for the most efficient and effective management of nongame wildlife. The commissioner may use funds appropriated for nongame wildlife programs for the purpose of developing, preserving, restoring, and maintaining wintering habitat for neotropical migrant birds in Latin America and the Caribbean under agreement or contract with any nonprofit organization dedicated to the construction, maintenance, and repair of such projects that are acceptable to the governmental agency having jurisdiction over the land and water affected by the projects. Under this authority, the commissioner may execute agreements and contracts if the commissioner determines that the use of the funds will benefit neotropical migrant birds that breed in or migrate through the state.

290.432 CORPORATE NONGAME WILDLIFE CHECKOFF.

A corporation that files an income tax return may designate on its original return that \$1 or more shall be added to the tax or deducted from the refund that would otherwise be payable by or to that corporation and paid into the nongame wildlife management account established by section

290.431 for use by the Department of Natural Resources for its nongame wildlife program. The commissioner of revenue shall, on the corporate tax return, notify filers of their right to designate that a portion of their tax return be paid into the nongame wildlife management account for the protection of endangered natural resources. All interest earned on money accrued, gifts to the program, contributions to the program, and reimbursements of expenditures in the nongame wildlife management account shall be credited to the account by the commissioner of management and budget, except that gifts or contributions received directly by the commissioner of natural resources and directed by the contributor for use in specific nongame field projects or geographic areas shall be handled according to section 84.085, subdivision 1.

The state pledges and agrees with all corporate contributors to the nongame wildlife account to use the funds contributed solely for the nongame wildlife program and further agrees that it will not impose additional conditions or restrictions that will limit or otherwise restrict the ability of the commissioner of natural resources to use the available funds for the most efficient and effective management of those programs.

290.48 LARGE AMOUNTS OF CASH; PRESUMPTION OF JEOPARDY.

Subd. 10. **Presumptions where owner of large amount of cash is not identified.** (a) If the individual who is in physical possession of cash in excess of \$10,000 does not claim such cash, or does not claim it belongs to another person whose identity the commissioner can readily ascertain and who acknowledges ownership of such cash, then, for purposes of section 270C.36, it shall be presumed that the cash represents gross income of a single individual for the taxable year in which the possession occurs, and that the collection of tax will be jeopardized by delay.

(b) In the case of any assessment resulting from the application of clause (a), the entire amount of the cash shall be treated as taxable income for the taxable year in which the possession occurs, such income shall be treated as taxable at an eight percent rate, and except as provided in clause (c), the possessor of the cash shall be treated (solely with respect to the cash) as the taxpayer for purposes of this chapter and the assessment and collection of the tax.

(c) If, after an assessment resulting from the application of clause (a), the assessment is abated and replaced by an assessment against the owner of the cash, the later assessment shall be treated for purposes of all laws relating to lien, levy, and collection as relating back to the date of the original assessment.

(d) For purposes of this subdivision, the definitions contained in section 6867 of the Internal Revenue Code shall apply.

290.491 TAX ON GAIN; DISCHARGE IN BANKRUPTCY.

(a) Any tax due under this chapter on a gain realized on a forced sale pursuant to foreclosure of a mortgage or other security interest in agricultural production property, other real property, or equipment, used in a farm business that was owned and operated by the taxpayer shall be a dischargeable debt in a bankruptcy proceeding under United States Code, title 11, section 727.

(b) Income realized on a sale or exchange of agricultural production property, other real property, or equipment, used in a farm business that was owned and operated by the taxpayer shall be exempt from taxation under this chapter, if the taxpayer was insolvent at the time of the sale and the proceeds of the sale were used solely to discharge indebtedness secured by a mortgage, lien, or other security interest on the property sold. For purposes of this section, "insolvent" means insolvent as defined in section 108(d)(3) of the Internal Revenue Code. This paragraph applies only to the extent that the gain is includable in federal taxable income or in the computation of the alternative minimum taxable income under section 290.091 for purposes of the alternative minimum tax. The amount of the exemption is limited to the excess of the taxpayer's (1) liabilities over (2) the total assets and any exclusion claimed under section 108 of the Internal Revenue Code determined immediately before application of this paragraph.

(c) For purposes of this section, any tax due under this chapter specifically includes, but is not limited to, tax imposed under sections 290.02 and 290.03 on income derived from a sale or exchange, whether constituting gain, discharge of indebtedness or recapture of depreciation deductions, or the alternative minimum tax imposed under section 290.091.

290.62 DISTRIBUTION OF REVENUES.

All revenues derived from the taxes, interest, penalties and charges under this chapter shall, notwithstanding any other provisions of law, be paid into the state treasury and credited to the general fund, and be distributed as follows:

(1) There shall, notwithstanding any other provision of the law, be paid from this general fund all refunds of taxes erroneously collected from taxpayers under this chapter as provided herein;

(2) There is hereby appropriated to the persons entitled to payment herein, from the fund or account in the state treasury to which the money was credited, an amount sufficient to make the refund and payment.

290.92 TAX WITHHELD AT SOURCE UPON WAGES; OTHER PAYMENTS.

Subdivision 1. **Definitions.** (1) **Wages.** For purposes of this section, the term "wages" means the same as that term is defined in section 3401(a), (f), and (i) of the Internal Revenue Code.

(2) **Payroll period.** For purposes of this section the term "payroll period" means a period for which a payment of wages is ordinarily made to the employee by the employee's employer, and the term "miscellaneous payroll period" means a payroll period other than a daily, weekly, biweekly, semimonthly, monthly, quarterly, semiannual, or annual payroll period.

(3) **Employee.** For purposes of this section the term "employee" means any resident individual performing services for an employer, either within or without, or both within and without the state of Minnesota, and every nonresident individual performing services within the state of Minnesota, the performance of which services constitute, establish, and determine the relationship between the parties as that of employer and employee. As used in the preceding sentence, the term "employee" includes an officer of a corporation, and an officer, employee, or elected official of the United States, a state, or any political subdivision thereof, or the District of Columbia, or any agency or instrumentality of any one or more of the foregoing.

(4) **Employer.** For purposes of this section the term "employer" means any person, including individuals, fiduciaries, estates, trusts, partnerships, limited liability companies, and corporations transacting business in or deriving any income from sources within the state of Minnesota for whom an individual performs or performed any service, of whatever nature, as the employee of such person, except that if the person for whom the individual performs or performed the services does not have control of the payment of the wages for such services, the term "employer," except for purposes of paragraph (1), means the person having control of the payment of such wages. As used in the preceding sentence, the term "employer" includes any corporation, individual, estate, trust, or organization which is exempt from taxation under section 290.05 and further includes, but is not limited to, officers of corporations who have control, either individually or jointly with another or others, of the payment of the wages.

(5) **Number of withholding allowances claimed.** For purposes of this section, the term "number of withholding allowances claimed" means the number of withholding allowances claimed in a withholding allowances certificate in effect under subdivision 5, except that if no such certificate is in effect, the number of withholding allowances claimed shall be considered to be zero.

Subd. 2a. **Collection at source.** (1) **Deductions.** Every employer making payment of wages shall deduct and withhold upon such wages a tax as provided in this section.

(2) **Withholding on payroll period.** The employer shall withhold the tax on the basis of each payroll period or as otherwise provided in this section.

(3) **Withholding tables.** Unless the amount of tax to be withheld is determined as provided in subdivision 3, the amount of tax to be withheld for each individual shall be based upon tables to be prepared and distributed by the commissioner. The tables shall be computed for the several permissible withholding periods and shall take account of allowances allowed under this section; and the amounts computed for withholding shall be such that the amount withheld for any individual during the individual's taxable year shall approximate in the aggregate as closely as possible the tax which is levied and imposed under this chapter for that taxable year, upon the individual's salary, wages, or compensation for personal services of any kind for the employer.

(4) **Miscellaneous payroll period.** If wages are paid with respect to a period which is not a payroll period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days, including Sundays and holidays, equal to the number of days in the period with respect to which such wages are paid.

(5) **Miscellaneous payroll period.** (a) In any case in which wages are paid by an employer without regard to any payroll period or other period, the amount to be deducted and withheld shall be that applicable in the case of a miscellaneous payroll period containing a number of days equal to the number of days, including Sundays and holidays, which have elapsed since the date of the last payment of such wages by such employer during the calendar year, or the date of commencement

APPENDIX
Repealed Minnesota Statutes: 22-05087

of employment with such employer during such year, or January 1 of such year, whichever is the later.

(b) In any case in which the period, or the time described in clause (a), in respect of any wages is less than one week, the commissioner, under rules prescribed by the commissioner, may authorize an employer to determine the amount to be deducted and withheld under the tables applicable in the case of a weekly payroll period, in which case the aggregate of the wages paid to the employee during the calendar week shall be considered the weekly wages.

(6) **Wages computed to nearest dollar.** If the wages exceed the highest bracket, in determining the amount to be deducted and withheld under this subdivision, the wages may, at the election of the employer, be computed to the nearest dollar.

(7) **Rules on withholding.** The commissioner may, by rule, authorize employers:

(a) to estimate the wages which will be paid to any employee in any quarter of the calendar year;

(b) to determine the amount to be deducted and withheld upon each payment of wages to such employee during such quarter as if the appropriate average of the wages so estimated constituted the actual wages paid; and

(c) to deduct and withhold upon any payment of wages to such employee during such quarter such amount as may be necessary to adjust the amount actually deducted and withheld upon wages of such employee during such quarter to the amount required to be deducted and withheld during such quarter without regard to this paragraph (7).

(8) **Additional withholding.** The commissioner is authorized to provide by rule for increases or decreases in the amount of withholding otherwise required under this section in cases where the employee requests the changes. Such additional withholding shall for all purposes be considered tax required to be deducted and withheld under this section.

(9) **Tips.** In the case of tips which constitute wages, this subdivision shall be applicable only to such tips as are included in a written statement furnished to the employer pursuant to section 6053 of the Internal Revenue Code and only to the extent that the tax can be deducted and withheld by the employer, at or after the time such statement is so furnished and before the close of the calendar year in which such statement is furnished, from such wages of the employee (excluding tips, but including funds turned over by the employee to the employer for the purpose of such deduction and withholding) as are under the control of the employer; and an employer who is furnished by an employee a written statement of tips (received in a calendar month) pursuant to section 6053 of the Internal Revenue Code to which subdivision 1 is applicable may deduct and withhold the tax with respect to such tips from any wages of the employee (excluding tips) under the employer's control, even though at the time such statement is furnished the total amount of the tips included in statements furnished to the employer as having been received by the employee in such calendar month in the course of employment by such employer is less than \$20. Such tax shall not at any time be deducted and withheld in an amount which exceeds the aggregate of such wages and funds as are under the control of the employer minus any tax required by other provisions of state or federal law to be collected from such wages and funds.

(10) **Vehicle fringe benefits.** An employer shall not deduct and withhold any tax under this section with respect to any vehicle fringe benefit provided to an employee if the employer has so elected for federal purposes and the requirement of and the definition contained in section 3402(s) of the Internal Revenue Code are complied with.

Subd. 3. **Withholding, irregular period.** If payment of wages is made to an employee by an employer

(a) With respect to a payroll period or other period, any part of which is included in a payroll period or other period with respect to which wages are also paid to such employees by such employer, or

(b) Without regard to any payroll period or other period, but on or prior to the expiration of a payroll period or other period with respect to which wages are also paid to such employee by such employer, or

(c) With respect to a period beginning in one and ending in another calendar year, or

(d) Through an agent, fiduciary, or other person who also has the control, receipt, custody, or disposal of or pays, the wages payable by another employer to such employee.

APPENDIX
Repealed Minnesota Statutes: 22-05087

The manner of withholding and the amount to be deducted and withheld under subdivision 2a shall be determined in accordance with rules prescribed by the commissioner under which the withholding allowance allowed to the employee in any calendar year shall approximate the withholding allowance allowable with respect to an annual payroll period, except that if supplemental wages are not paid concurrent with a payroll period the employer shall withhold tax on the supplemental payment at the rate of 6.25 percent as if no allowance had been claimed.

Subd. 4. **Remuneration, when not "wages."** If the remuneration paid by an employer to an employee for services performed during one-half or more of any payroll period of not more than 31 consecutive days constitutes wages, all the remuneration paid by such employer to such employee for such period shall be deemed to be wages; but if the remuneration paid by an employer to an employee for services performed during more than one-half of any such payroll period does not constitute wages, then none of the remuneration paid by such employer to such employee for such period shall be deemed to be wages.

Subd. 4a. **Tax withheld from nonresidents. (1) "Wages" paid to nonresident employees.** For the purposes of this section: The term "wages" means all remuneration taxable under this chapter including all remuneration paid to a nonresident employee for services performed in this state.

(2) **"Employer," "wages" and "employee" concerning nonresidents.** Notwithstanding any other provision of this section, under rules to be prescribed by the commissioner of revenue, for purposes of this section any person having control, receipt, custody, disposal or payment of compensation taxable under this chapter and earned by a nonresident for personal services, shall be deemed an employer, any compensation taxable under this chapter and earned by a nonresident for personal services shall be deemed wages, and a nonresident entitled to compensation taxable under this chapter and earned by the nonresident for personal services shall be deemed an employee.

When compensation for personal services is paid to a corporation in which all or substantially all of the shareholders are individual entertainers, performers or athletes who gave an entertainment or athletic performance in this state for which the compensation was paid, the compensation shall be deemed wages of the individual entertainers, performers or athletes and shall be subject to the provisions of this section. Advance payments of compensation for personal services to be performed in Minnesota shall be deemed wages and subject to the provisions of this section.

(3) **Nonresidents, employer's duty.** The employer of any employee domiciled in a state with which Minnesota has reciprocity under section 290.081 is not required to withhold under this chapter from the wages earned by such employee in this state if the employee annually submits to the employer an affidavit of residency in the form prescribed by the commissioner. The affidavit must be submitted by the later of

- (i) 30 days after the employment date or
- (ii) August 31 for calendar year 1987 and February 28 for subsequent calendar years.

Subd. 4b. **Withholding by partnerships.** (a) A partnership shall deduct and withhold a tax as provided in paragraph (b) for nonresident individual partners based on their distributive shares of partnership income for a taxable year of the partnership.

(b) The amount of tax withheld is determined by multiplying the partner's distributive share allocable to Minnesota under section 290.17, paid or credited during the taxable year by the highest rate used to determine the income tax liability for an individual under section 290.06, subdivision 2c, except that the amount of tax withheld may be determined by the commissioner if the partner submits a withholding allowance certificate under subdivision 5.

(c) The commissioner may reduce or abate the tax withheld under this subdivision if the partnership had reasonable cause to believe that no tax was due under this section.

(d) Notwithstanding paragraph (a), a partnership is not required to deduct and withhold tax for a nonresident partner if:

(1) the partner elects to have the tax due paid as part of the partnership's composite return under section 289A.08, subdivision 7;

(2) the partner has Minnesota assignable federal adjusted gross income from the partnership of less than \$1,000; or

(3) the partnership is liquidated or terminated, the income was generated by a transaction related to the termination or liquidation, and no cash or other property was distributed in the current or prior taxable year;

APPENDIX
Repealed Minnesota Statutes: 22-05087

(4) the distributive shares of partnership income are attributable to:

(i) income required to be recognized because of discharge of indebtedness;

(ii) income recognized because of a sale, exchange, or other disposition of real estate, depreciable property, or property described in section 179 of the Internal Revenue Code; or

(iii) income recognized on the sale, exchange, or other disposition of any property that has been the subject of a basis reduction pursuant to section 108, 734, 743, 754, or 1017 of the Internal Revenue Code to the extent that the income does not include cash received or receivable or, if there is cash received or receivable, to the extent that the cash is required to be used to pay indebtedness by the partnership or a secured debt on partnership property;

(5) the partnership is a publicly traded partnership, as defined in section 7704(b) of the Internal Revenue Code; or

(6) the partnership has elected to pay the pass-through entity tax under section 289A.08, subdivision 7a.

(e) For purposes of sections 270C.60, 289A.09, subdivision 2, 289A.20, subdivision 2, paragraph (c), 289A.50, 289A.56, 289A.60, and 289A.63, a partnership is considered an employer.

(f) To the extent that income is exempt from withholding under paragraph (d), clause (4), the commissioner has a lien in an amount up to the amount that would be required to be withheld with respect to the income of the partner attributable to the partnership interest, but for the application of paragraph (d), clause (4). The lien arises under section 270C.63 from the date of assessment of the tax against the partner, and attaches to that partner's share of the profits and any other money due or to become due to that partner in respect of the partnership. Notice of the lien may be sent by mail to the partnership, without the necessity for recording the lien. The notice has the force and effect of a levy under section 270C.67, and is enforceable against the partnership in the manner provided by that section. Upon payment in full of the liability subsequent to the notice of lien, the partnership must be notified that the lien has been satisfied.

Subd. 4c. Withholding by S corporations. (a) A corporation having a valid election in effect under section 290.9725 shall deduct and withhold a tax as provided in paragraph (b) for nonresident individual shareholders their share of the corporation's income for the taxable year.

(b) The amount of tax withheld is determined by multiplying the amount of income allocable to Minnesota under section 290.17 by the highest rate used to determine the income tax liability of an individual under section 290.06, subdivision 2c, except that the amount of tax withheld may be determined by the commissioner if the shareholder submits a withholding allowance certificate under subdivision 5.

(c) Notwithstanding paragraph (a), a corporation is not required to deduct and withhold tax for a nonresident shareholder, if:

(1) the shareholder elects to have the tax due paid as part of the corporation's composite return under section 289A.08, subdivision 7;

(2) the shareholder has Minnesota assignable federal adjusted gross income from the corporation of less than \$1,000;

(3) the corporation is liquidated or terminated, the income was generated by a transaction related to the termination or liquidation, and no cash or other property was distributed in the current or prior taxable year; or

(4) the S corporation has elected to pay the pass-through entity tax under section 289A.08, subdivision 7a.

(d) For purposes of sections 270C.60, 289A.09, subdivision 2, 289A.20, subdivision 2, paragraph (c), 289A.50, 289A.56, 289A.60, and 289A.63, a corporation is considered an employer.

Subd. 5. Allowances. (1) An employee receiving wages shall on any day be entitled to claim withholding allowances in a number not to exceed the number of withholding allowances that the employee claims and that are allowable pursuant to section 3402(f)(1) of the Internal Revenue Code for federal withholding purposes, except:

(i) the standard deduction amount for the purposes of section 3402(f)(1)(E) of the Internal Revenue Code shall be the amount calculated under section 290.0123;

APPENDIX
Repealed Minnesota Statutes: 22-05087

(ii) the allowance amount for the purposes of section 3402(f)(1)(A) of the Internal Revenue Code shall be the amount calculated under section 290.0121, subdivision 1;

(iii) withholding allowances under sections 3402(f)(1)(C) and (D) of the Internal Revenue Code are not allowed;

(iv) estimated itemized deductions allowable under section 290.0122, but only if the employee's spouse does not have in effect a withholding certificate electing this allowance; and

(v) any additional allowances, at the discretion of the commissioner, that are in the best interests of determining the proper amount to withhold for the payment of taxes under this chapter.

(2) **Withholding allowance certificate.** The provisions concerning allowance certificates contained in section 3402(f)(2) and (3) of the Internal Revenue Code shall apply.

(3) **Form of certificate.** Withholding allowance certificates shall be in such form and contain such information as the commissioner may by rule prescribe.

Subd. 5a. **Verification of withholding allowances; appeal.** (a) An employer shall submit to the commissioner a copy of any withholding allowance certificate or any affidavit of residency received from an employee on which the employee claims any of the following:

(1) a total number of withholding allowances in excess of ten or a number prescribed by the commissioner, or

(2) a status that would exempt the employee from Minnesota withholding, including where the employee is a nonresident exempt from withholding under subdivision 4a, clause (3), except where the employer reasonably expects, at the time that the certificate is received, that the employee's wages under subdivision 1 from the employer will not then usually exceed \$200 per week, or

(3) any number of withholding allowances which the employer has reason to believe is in excess of the number to which the employee is entitled.

(b) Copies of allowance certificates and affidavits of residency required to be submitted by paragraph (a) shall be submitted to the commissioner within 30 days after receipt by the employer unless the employer is also required by federal law to submit copies to the Internal Revenue Service, in which case the employer may elect to submit the copies to the commissioner at the same time that the employer is required to submit them to the Internal Revenue Service.

(c) An employer who submits a copy of a withholding allowance certificate in accordance with paragraph (a) shall honor the certificate until notified by the commissioner that the certificate is invalid. The commissioner shall mail a copy of any such notice to the employee. Upon notification that a particular certificate is invalid, the employer shall not honor that certificate or any subsequent certificate unless instructed to do so by the commissioner. The employer shall allow the employee the number of allowances and compute the withholding tax as instructed by the commissioner in accordance with paragraph (d).

(d) The commissioner may require an employee to verify entitlement to the number of allowances or to the exempt status claimed on the withholding allowance certificate or, to verify nonresidency. The employee shall be allowed at least 30 days to submit the verification, after which time the commissioner shall, on the basis of the best information available to the commissioner, determine the employee's status and allow the employee the maximum number of withholding allowances allowable under this chapter. The commissioner shall mail a notice of this determination to the employee at the address listed on the allowance certificate in question or to the last known address of the employee. Pursuant to section 270B.06, the commissioner may notify the employer of this determination and instruct the employer to withhold tax in accordance with the determination.

However, where the commissioner has reasonable grounds for believing that the employee is about to leave the state or that the collection of any tax due under this chapter will be jeopardized by delay, the commissioner may immediately notify the employee and the employer, pursuant to section 270B.06, that the certificate is invalid, and the employer must not honor that certificate or any subsequent certificate unless instructed to do so by the commissioner. The employer shall allow the employee the number of allowances and compute the withholding tax as instructed by the commissioner.

(e) The commissioner's determination under paragraph (d) shall be appealable to Tax Court in accordance with section 271.06, and shall remain in effect for withholding tax purposes pending disposition of any appeal.

Subd. 9. **Determination of tax due.** The commissioner may grant permission to employers, or persons withholding tax under section 290.923, subdivision 2, who do not desire to use the withholding tax tables provided in accordance with paragraph (3) of subdivision 2a, or section 290.923, subdivision 2, to determine the amount of tax to be withheld by use of a method of withholding other than withholding tax tables, provided such method will withhold from each employee or person receiving royalty payments substantially the same amount of tax as would be withheld by use of the withholding tax tables. Employers, or persons withholding tax under section 290.923, subdivision 2, who desire to determine the amount of tax to be withheld by a method other than by use of the withholding tax tables shall obtain permission from the commissioner before the beginning of a payroll period for which the employer, or person withholding tax under section 290.923, subdivision 2, desires to withhold the tax by such other method. Applications to use such other method must be accompanied by evidence establishing the need for the use of such method.

Subd. 10. **Remuneration, not in cash.** In the case of remuneration paid in any medium other than cash for services performed by an individual as a retail salesperson for a person, where the service performed by such individual for such person is ordinarily performed for remuneration solely by way of cash commission an employer shall not be required to deduct or withhold any tax under this section with respect to such remuneration, provided that such employer files with the commissioner such information with respect to such remuneration as the commissioner may by rule prescribe.

Subd. 12. **Withheld amount, credit against tax.** (a) The amount deducted and withheld as tax under subdivision 2a or 3 during a calendar year upon wages shall be allowed as a credit to the recipient of the income against the taxes imposed by this chapter, for a taxable year beginning in such calendar year. If more than one taxable year begins in such calendar year, such amount shall be allowed as a credit against the taxes for the last taxable year so beginning.

(b) The amount deducted and withheld under subdivisions 4b and 4c and under section 290.923, subdivision 2, for partnership, S corporation, or royalty income must be allowed as a credit to the recipient of the income against the taxes imposed by this chapter for the tax year the income is subject to tax under this chapter.

Subd. 16. **Agreement with secretary of treasury.** The commissioner is authorized to enter into an agreement with the secretary of treasury of the United States pursuant to the provisions of United States Code, title 5, section 5517.

Subd. 17. **Reciprocal arrangement with other states.** The commissioner may enter into an agreement with the commissioner or other taxing officials of another state for the interpretation and administration of the acts of their several states providing for the collection of income tax at source on wages for the purpose of promoting fair and equitable administration of such acts and to eliminate duplicate withholding. Pursuant to section 270B.12, subdivision 1, the commissioner may furnish information on a reciprocal basis to the taxing officials of another state in order to implement the purposes set forth above.

Subd. 19. **Employees incurring no income tax liability.** Notwithstanding any other provision of this section, except the provisions of subdivision 5a, an employer is not required to deduct and withhold any tax under this chapter from wages paid to an employee if:

(1) the employee furnished the employer with a withholding allowance certificate that:

(i) certifies the employee incurred no liability for income tax imposed under this chapter for the employee's preceding taxable year;

(ii) certifies the employee anticipates incurring no liability for income tax imposed under this chapter for the current taxable year; and

(iii) is in a form and contains any other information prescribed by the commissioner; or

(2)(i) the employee is not a resident of Minnesota when the wages were paid; and

(ii) the employer reasonably expects that the employer will not pay the employee enough wages assignable to Minnesota under section 290.17, subdivision 2, paragraph (a)(1), to meet the nonresident requirement to file a Minnesota individual income tax return for the taxable year under section 289A.08, subdivision 1, paragraph (a).

Subd. 20. **Miscellaneous withholding arrangements.** (a) For purposes of this section, any payment or distribution to an individual as defined under section 3405(e)(2) or (3) of the Internal Revenue Code shall be treated as if it were a payment of wages by an employer to an employee for a payroll period. Any payment to an individual of sick pay which does not constitute wages,

APPENDIX
Repealed Minnesota Statutes: 22-05087

determined without regard to this subdivision, shall be treated as if it were a payment of wages by an employer to an employee for a payroll period, if, at the time the payment is made a request that such sick pay be subject to withholding under this section is in effect. Sick pay means any amount which:

(1) is paid to an employee pursuant to a plan to which the employer is a party, and

(2) constitutes remuneration or a payment in lieu of remuneration for any period during which the employee is temporarily absent from work on account of sickness or personal injuries.

(b) A request for withholding, the amount withheld, and sick pay paid pursuant to certain collective bargaining agreements shall conform with the provisions of section 3402(o)(3), (4), and (5) of the Internal Revenue Code.

(c) The commissioner is authorized by rules to provide for withholding:

(1) from remuneration for services performed by an employee for the employer which, without regard to this subdivision, does not constitute wages, and

(2) from any other type of payment with respect to which the commissioner finds that withholding would be appropriate under the provisions of this section, if the employer and the employee, or in the case of any other type of payment the person making and the person receiving the payment, agree to such withholding. Such agreement shall be made in such form and manner as the commissioner may by rules provide. For purposes of this section remuneration or other payments with respect to which such agreement is made shall be treated as if they were wages paid by an employer to an employee to the extent that such remuneration is paid or other payments are made during the period for which the agreement is in effect.

(d) An individual receiving a payment or distribution under paragraph (a) may elect to have paragraph (a) not apply to the payment or distribution as follows.

(1) For payments defined under section 3405(e)(2) of the Internal Revenue Code, an election remains in effect until revoked by such individual.

(2) For distributions defined under section 3405(e)(3) of the Internal Revenue Code, the election is on a distribution-by-distribution basis.

Subd. 21. Notice to unemployment benefits claimants. At the time an individual makes a claim for unemployment benefits, the commissioner of employment and economic development must notify the individual that the individual's unemployment benefits may be subject to state income taxes depending on the individual's other income.

Subd. 24. Application for account number. An employer, or person withholding tax under section 290.923, desiring to engage in business in Minnesota shall file with the commissioner an application for a withholding account number on or before the date the employer is required to withhold Minnesota taxes under this section. An application for an account number must be made upon a form prescribed by the commissioner. It must give the name of the employer or payor, the location of the place or places of business, the names, addresses and Social Security numbers of the owners or partners, or if the employer or payor is a corporation of the officers, or if the employer or payor is a trust of the trustees, and other information the commissioner may require. The application must be filed by the owner if the employer or payor is a natural person; by a member or partner if the employer or payor is an association or partnership; by a trustee if the employer or payor be a trust, or by a person authorized to sign the application if the employer or payor is a corporation.

No fee shall be charged for the application.

The account number is not assignable.

Subd. 25. Delegation of duty of employer or payor. The delegation to an agent, fiduciary, or employee of an employer, or person withholding tax under section 290.923, of any duty prescribed for the employer or payor by this section shall not relieve the employer or payor of full compliance with such duty.

Subd. 26. Extension of withholding to certain payments where identifying number not furnished or inaccurate. (a) If, in the case of any reportable payment, (1) the payee fails to furnish the payee's Social Security account number to the payor, (2) the payee is subject to federal backup withholding on the reportable payment under section 3406 of the Internal Revenue Code, or (3) the commissioner notifies the payor that the Social Security account number furnished by the payee is

APPENDIX

(3)(i) Unless the payor elects not to have this clause apply with respect to the payee, paragraph (a), clause (1), shall also apply to any reportable payment made after the close of the period described in clause (1) or (2), as the case may be, and before the 30th day after the close of the period.

(ii) If the payor elects the application of this clause with respect to the payee, paragraph (a) shall also apply to any reportable payment made during the 30-day period described in clause (2).

(iii) The payor may elect a period shorter than the grace period set forth in item (i) or (ii), as the case may be.

(c) The provisions of section 3406 of the Internal Revenue Code shall apply and shall govern when withholding shall be required and the definition of terms. The term "reportable payment" shall include only those payments for personal services. No tax shall be deducted or withheld under this subdivision with respect to any amount for which withholding is otherwise required under this section. For purposes of this section, payments which are subject to withholding under this subdivision shall be treated as if they were wages paid by an employer to an employee and amounts deducted and withheld under this subdivision shall be treated as if deducted and withheld under subdivision 2a.

Any holder of a class A, B, or D license issued by the Minnesota Racing Commission shall deduct and withhold an amount equal to the winnings multiplied by the highest rate used in determining the income tax liability of an individual under section 290.06, subdivision 2c, as Minnesota withholding tax. For purposes of this subdivision, the term "winnings which are subject to withholding" has the meaning given in section 3402(q)(3) of the Internal Revenue Code. For purposes of the provisions of this section, a payment to any person of winnings which are subject to withholding must be treated as if the payment was a wage paid by an employer to an employee. Every individual who is to receive a payment of winnings which are subject to withholding shall furnish the license holder with a statement, made under the penalties of perjury, containing the name, address, and Social Security account number of the person receiving the payment and of each person entitled to any portion of such payment. The license holder is liable for the payment of the tax required to be withheld under this subdivision and subdivision 28 but is not liable to any person for the amount of the payment.

Subd. 28. Payments to horse racing license holders. Effective with payments made after April 1, 1988, any holder of a license issued by the Minnesota Racing Commission who makes a payment for personal or professional services to a holder of a class C license issued by the commission, except an amount paid as a purse, shall deduct from the payment and withhold 6.25 percent of the amount as Minnesota withholding tax when the amount paid to that individual by the same person during the calendar year exceeds \$600. For purposes of this subdivision, the term "winnings which are subject to withholding" has the meaning given in section 3402(q)(3) of the Internal Revenue Code. For purposes of the provisions of this section, a payment to any person of winnings which are subject to withholding must be treated as if the payment was a wage paid by an employer to an employee. Every individual who is to receive a payment of winnings which are subject to withholding shall furnish the State Lottery with a statement, made under the penalties of perjury, containing the name, address, and Social Security account number of the person receiving the payment. The Minnesota State Lottery is liable for the payment of the tax required to be withheld under this subdivision but is not liable to any person for the amount of the payment.

Subd. 30. **Registration; third-party bulk filer.** (a) For purposes of this subdivision, the following terms have the meanings given:

(1) Notwithstanding section 290.01, "person" means an individual, fiduciary, partnership, corporation, limited liability company, association, or other entity organized under the laws of this state or any other jurisdiction.

(2) "Third-party bulk filer" means a person who has custody or control over another employer's funds for the purpose of filing returns and depositing the withheld taxes of the other employer with the commissioner.

(b) A person shall not act as a third-party bulk filer unless the person is registered with the commissioner under this subdivision.

(c) A person may apply to the commissioner, on a form prescribed by the commissioner, for registration as a third-party bulk filer under this subdivision, and the commissioner shall grant the application if the application indicates that the person will comply with this subdivision.

(d) A third-party bulk filer must:

(1) keep client funds held for payment of federal or state withholding taxes or other client obligations in an account separate from the third-party bulk filer's own funds;

(2) permit the commissioner to conduct scheduled or unscheduled audits of the third-party bulk filer's books and records relating to compliance with this subdivision and fully cooperate with the audits or, at the discretion of the commissioner, submit an audit conducted by a certified public accountant;

(3) file returns electronically and make deposits electronically with the commissioner in compliance with the commissioner's requirements for electronic filing and depositing;

(4) provide to the commissioner at least monthly, in the form requested by the commissioner, an updated client list that includes at least the name, address, tax identification number, and federal deposit frequency of each client. The address listed for the client must be the client's actual street or post office box address and not the third-party bulk filer's address;

(5) disclose in writing to prospective clients that:

(i) the third-party bulk filer may invest client funds prior to depositing them with the commissioner and with the Internal Revenue Service and that earnings from those investments will be the property of the third-party bulk filer;

(ii) if the third-party bulk filer incurs losses on those investments or uses the client's funds for other purposes, the third-party bulk filer will still be liable to the client for the amounts withheld but will be able to make required tax deposits on behalf of the client only by using the third-party bulk filer's own funds or other assets to replace the funds lost through the investments or used for other purposes; and

(iii) no state or federal agency monitors or assumes any responsibility for the financial solvency of third-party bulk filers;

(6) timely file all returns and timely make all tax deposits required under its contracts with its clients;

APPENDIX

(7) upon request, provide to the commissioner, within the time specified in the request, a copy of any contract with a client; and

(8) comply with all other requirements of this section or of rules adopted under this section.

(e) When the commissioner sends an order of assessment issued under section 270C.33, in either paper or electronic form, to a third-party bulk filer regarding a client, the commissioner shall also send a paper copy of the order of assessment to the client.

(f) If the commissioner determines that a required deposit appears not to have been made, the commissioner shall send a written notice of the delinquency, in electronic or paper form, to the third-party bulk filer, and a copy to the client as required under paragraph (e).

(g) If the commissioner determines that a required deposit has not been made, and that continued operation of the third-party bulk filer would present a risk of loss to its clients, the commissioner may, upon ten business days' written notice by certified mail to the third-party bulk filer, suspend the registration of the third-party bulk filer for an indefinite period, and notify the third-party bulk filer's clients that the registration has been suspended. A registration may not be suspended if the failure to make a deposit was caused by the client's failure to deposit funds or provide the information necessary to calculate appropriate tax withholding payments. The commissioner shall, upon request, provide the third-party bulk filer with the opportunity for an administrative appeal under section 270C.35, subdivisions 1, 4, and 10, prior to suspension; the hearing, if any, on the administrative appeal must occur within the ten-day period unless the commissioner, in the commissioner's sole discretion, agrees to delay the suspension to permit a later hearing. The 60-day period specified in section 270C.35, subdivision 4, does not apply to a proceeding under this paragraph. Within 30 days after the beginning of a suspension under this paragraph, the commissioner may commence a proceeding to suspend or revoke under paragraph (h); if the commissioner fails to do so, the suspension under this paragraph terminates.

(h) If the commissioner determines, in compliance with paragraph (i), that a third-party bulk filer has violated this section without reasonable cause or is no longer eligible for registration under this subdivision, the commissioner may suspend or revoke the third-party bulk filer's registration or may assess a civil penalty upon the third-party bulk filer, not to exceed \$5,000 per violation. A suspension of registration may be for any period of less than six months and may include conditions for reinstatement. If the commissioner revokes the registration, the third-party bulk filer may not apply for reregistration for six months after the revocation. If the commissioner suspends or revokes a registration, the commissioner shall notify the former registrant's clients that the registration has been suspended or revoked. If the commissioner assesses a civil penalty, the commissioner shall not notify the third-party bulk filer's clients of the assessment.

(i) Prior to a suspension, revocation, or assessment of a civil penalty under paragraph (h), the commissioner shall first provide 30 days' written notice to the third-party bulk filer, specifying the violations and informing the third-party bulk filer that the commissioner intends, based upon those violations, to take action against the third-party bulk filer as permitted under this paragraph and paragraph (h). The notice shall advise the third-party bulk filer of the right to contest the suspension, revocation, or assessment of a civil penalty and of the general procedures for a contested case hearing under chapter 14. The notice may be served personally or by mail in the manner prescribed for service of an order of assessment issued under section 270C.33. A suspension or revocation of registration under this paragraph is effective when the commissioner serves a notice of suspension or revocation upon the third-party bulk filer after 30 days have passed following the date of the notice of intent to suspend or revoke without the third-party bulk filer requesting a hearing. If a hearing is timely requested and held, the suspension or revocation is effective upon service by the commissioner of an order of suspension or revocation under section 14.62, subdivision 1.

(j) A third-party bulk filer may terminate its registration by written notice to the commissioner, but the termination does not affect the commissioner's authority to begin or continue a proceeding to take action permitted under paragraph (h). The commissioner shall notify the third-party bulk filer's clients of a termination of registration under this paragraph.

(k) The commissioner shall remind employers at least annually, through the department's regular informational publications that it sends to employers, that employers may telephone the department to determine whether a required filing or deposit has been made by a third-party bulk filer.
