1.8 Subd. 4. **License and rules.** (a) The board must adopt rules to license public school
1.9 teachers and interns subject to chapter 14.

1.10 (b) The board must adopt rules requiring a person to ~~pass a skills examination in~~
1.11 ~~reading, writing, and mathematics as a requirement~~ demonstrate levels of proficiency
1.12 on career and college readiness tests under section 120B.30, subdivision 1, that are

1.14 program or to attain an equivalent composite score composed of the average of the scores in
1.15 English and writing, reading, and mathematics on the ACT Plus Writing, or an equivalent
1.16 composite score composed of the average of the scores in critical reading, mathematics,
1.17 and writing on the SAT, for initial teacher licensure, except that the board may issue up to

1.19 who has not yet ~~passed the skills exam~~ demonstrated the requisite levels of proficiency on
1.20 state career and college readiness tests or attained the requisite composite score on the

1.23 who did not ~~achieve a qualifying score on the skills examination~~ attain the requisite
1.24 composite score on the ACT Plus Writing or SAT, including those for whom English is a

2.4 college or university shows the person received credit for courses in mathematics and
2.5 writing; and the school administrator who supervised the person during that two-year
2.6 period transmits a signed letter to the board stating that the person is able to perform basic
2.7 job responsibilities requiring reading, writing, and mathematics skills. The requirement to
2.8 demonstrate the requisite levels of proficiency on state career and college readiness tests
2.9 or attain the requisite composite score on the ACT Plus Writing or SAT does not apply to
2.10 non-native English speakers, as verified by qualified Minnesota school district personnel
2.11 or Minnesota higher education faculty, who, after meeting the content and pedagogy
2.12 requirements under this subdivision, apply for a teaching license to provide direct
2.13 instruction in their native language or world language instruction under section 120B.022,
2.14 subdivision 1. A teacher candidate's official ACT Plus Writing or SAT composite score
2.15 report to the board must not be more than ten years old at the time of licensure.

2.16 (c) The board must adopt rules to approve teacher preparation programs. The board,
2.17 upon the request of a postsecondary student preparing for teacher licensure or a licensed
2.18 graduate of a teacher preparation program, shall assist in resolving a dispute between the
2.19 person and a postsecondary institution providing a teacher preparation program when the
2.20 dispute involves an institution's recommendation for licensure affecting the person or the
2.21 person's credentials. At the board's discretion, assistance may include the application
2.22 of chapter 14.

2.23 (d) The board must provide the leadership and adopt rules for the redesign of teacher
2.24 education programs to implement a research based, results-oriented curriculum that
2.25 focuses on the skills teachers need in order to be effective. The board shall implement new
2.26 systems of teacher preparation program evaluation to assure program effectiveness based
2.27 on proficiency of graduates in demonstrating attainment of program outcomes. Teacher
2.28 preparation programs including alternative teacher preparation programs under section
2.29 122A.245, among other programs, must include a content-specific, board-approved,
2.30 performance-based assessment that measures teacher candidates in three areas: planning
2.31 for instruction and assessment; engaging students and supporting learning; and assessing
2.32 student learning. The board's redesign rules must include creating flexible, specialized
2.33 teaching licenses, credentials, and other endorsement forms to increase students'
2.34 participation in language immersion programs, world language instruction, career
2.35 development opportunities, work-based learning, early college courses and careers, career

3.4 examination of general pedagogical knowledge and examinations of licensure-specific
3.5 teaching skills. The rules shall be effective by September 1, 2001. The rules under this
3.6 paragraph also must require candidates for initial licenses to teach prekindergarten or
3.7 elementary students to pass, as part of the examination of licensure-specific teaching
3.8 skills, test items assessing the candidates' knowledge, skill, and ability in comprehensive,
3.9 scientifically based reading instruction under section 122A.06, subdivision 4, and their
3.10 knowledge and understanding of the foundations of reading development, the development
3.11 of reading comprehension, and reading assessment and instruction, and their ability to
3.12 integrate that knowledge and understanding.

3.13 (f) The board must adopt rules requiring teacher educators to work directly with
3.14 elementary or secondary school teachers in elementary or secondary schools to obtain
3.15 periodic exposure to the elementary or secondary teaching environment.

3.16 (g) The board must grant licenses to interns and to candidates for initial licenses
3.17 based on appropriate professional competencies that are aligned with the board's licensing
3.18 system and students' diverse learning needs. The board must include these licenses in a
3.19 statewide differentiated licensing system that creates new leadership roles for successful
3.20 experienced teachers premised on a collaborative professional culture dedicated to meeting
3.21 students' diverse learning needs in the 21st century and formalizes mentoring and induction
3.22 for newly licensed teachers that is provided through a teacher support framework.

3.23 (h) The board must design and implement an assessment system which requires a
3.24 candidate for an initial license and first continuing license to demonstrate the abilities
3.25 necessary to perform selected, representative teaching tasks at appropriate levels.

3.26 (i) The board must receive recommendations from local committees as established
3.27 by the board for the renewal of teaching licenses.

3.32 their continuing license to include in their renewal requirements further preparation in
3.33 the areas of using positive behavior interventions and in accommodating, modifying, and
3.34 adapting curricula, materials, and strategies to appropriately meet the needs of individual
3.35 students and ensure adequate progress toward the state's graduation rule.

4.1 (l) In adopting rules to license public school teachers who provide health-related
 4.2 services for disabled children, the board shall adopt rules consistent with license or
 4.3 registration requirements of the commissioner of health and the health-related boards who
 4.4 license personnel who perform similar services outside of the school.

4.5 (m) The board must adopt rules that require all licensed teachers who are renewing
 4.6 their continuing license to include in their renewal requirements further reading
 4.7 preparation, consistent with section 122A.06, subdivision 4. The rules do not take effect
