4.14 Sec. 3. Minnesota Statutes 2022, section 297A.99, subdivision 3, is amended to read:

4.15 Subd. 3. **Legislative authority required before voter approval; requirements for**
4.16 **adoption, use, termination.** (a) A political subdivision must receive legislative authority
4.17 to impose or modify a local sales tax before submitting the tax for approval by voters of the
4.18 political subdivision. Imposition or modification of a local sales tax is subject to approval
4.19 by voters of the political subdivision at a general election. The election must be conducted
4.20 ~~at a general election~~ on the first Tuesday after the first Monday in November within the
4.21 two-year period after the governing body of the political subdivision has received authority
4.22 to impose or modify the tax. If the authorizing legislation ~~allows~~ authorizes or modifies the
4.23 tax ~~to be imposed~~ for more than one project, ~~there must be~~ the political subdivision is not
4.24 required to present each project separately on the ballot. The political subdivision may
4.25 present a separate question approving the use of the tax revenue for each project. Regardless
4.26 of whether the ballot presents a separate question for each project, the question must state
4.27 the project or projects proposed to be funded with the tax, the amount for each project
4.28 proposed to be funded with the tax, and the estimated length of time the tax will be in effect.
4.29 Notwithstanding the authorizing legislation or special law modifying the tax, a project that
4.30 is not approved by the voters may not be funded with the local sales tax revenue and the
4.31 termination date of the tax set in the authorizing legislation or special law modifying the
4.32 tax must be reduced proportionately based on the share of that project's cost to the total
4.33 costs of all projects included in the authorizing legislation or special law modifying the tax.

(b) The proceeds of the tax must be dedicated exclusively to payment of the construction and rehabilitation costs and associated bonding costs related to the specific capital improvement projects that were approved by the voters under paragraph (a).

(c) The tax must terminate after the revenues raised are sufficient to fund the projects approved by the voters under paragraph (a).

(d) After a sales tax imposed by a political subdivision has expired or been terminated, the political subdivision is prohibited from imposing a local sales tax for a period of one year.

(e) Notwithstanding paragraph (a), if a political subdivision received voter approval to seek authority for a local sales tax at the November 6, 2018, general election and is granted authority to impose a local sales tax before January 1, 2021, the tax may be imposed without an additional referendum provided that it meets the requirements of subdivision 2 and the list of specific projects contained in the resolution does not conflict with the projects listed in the approving referendum.

(f) If a tax is terminated because sufficient revenues have been raised, any amount of tax collected under subdivision 9, after sufficient revenues have been raised and before the quarterly termination required under subdivision 12, paragraph (a), that is greater than the average quarterly revenues collected over the immediately preceding 12 calendar months must be retained by the commissioner for deposit in the general fund.

EFFECTIVE DATE. This section is effective the day following final enactment.
