Subd. 7. **Pledges.** A pledge made by the commissioner is valid and binding from the time the pledge is made. The money or property pledged and later received by the commissioner is immediately subject to the lien of the pledge without any physical delivery of the property or money or further act, and the lien of the pledge is valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the commissioner, whether or not those parties have notice of the lien or pledge. Neither the order nor any other instrument by which a pledge is created need be recorded.

Subd. 8. **Bonds; purchase and cancellation.** The commissioner, subject to agreements with bondholders that may then exist, may, out of any money available for the purpose, purchase bonds of the commissioner at a price not exceeding (1) if the bonds are then redeemable, the redemption price then applicable plus accrued interest to the next interest payment date thereon, or (2) if the bonds are not redeemable, the redemption price applicable on the first date after the purchase upon which the bonds become subject to redemption plus accrued interest to that date.

Subd. 9. **State pledge against impairment of contracts.** The state pledges and agrees with the holders of any bonds that the state will not limit or alter the rights vested in the commissioner to fulfill the terms of any agreements made with the bondholders, or in any way impair the rights and remedies of the holders until the bonds, together with interest on them, with interest on any unpaid installments of interest, and all costs and expenses in connection with any action or proceeding by or on behalf of the bondholders, are fully met and discharged. The commissioner may include this pledge and agreement of the state in any agreement with the holders of bonds issued under this section.

The employer must also provide one benefit package that is available to all employees at the specific site certified as an affirmative business enterprise.

Sec. 14. **[268A.16] EMPLOYMENT SERVICES FOR PERSONS WHO ARE DEAF, DEAFBLIND, OR HARD-OF-HEARING.**

Subdivision 1. **Deaf, deafblind, and hard-of-hearing grants.** (a) The commissioner shall develop and implement a specialized statewide grant program to provide long-term supported employment services for persons who are deaf, deafblind, and hard-of-hearing. Programs and services eligible for grants under this section must:

(1) assist persons who are deaf, deafblind, and hard-of-hearing in retaining and advancing in employment;

(2) provide services with staff who must possess fluency in all forms of manual communication, including American Sign Language; knowledge of hearing loss and psychosocial implications; sensitivity to cultural issues; familiarity with community services and communication strategies for people who are hard-of-hearing and do not sign; and awareness of adaptive technology options;

Sec. 15. Minnesota Statutes 2012, section 298.28, subdivision 2, is amended to read:

**Subd. 2. City or town where quarried or produced.** (a) 4.5 cents per gross ton of merchantable iron ore concentrate, hereinafter referred to as "taxable ton," plus the amount provided in paragraph (c), must be allocated to the city or town in the county in which the lands from which taconite was mined or quarried were located or within which the concentrate was produced. If the mining, quarrying, and concentration, or different steps in either thereof are carried on in more than one taxing district, the commissioner shall apportion equitably the proceeds of the part of the tax going to cities and towns among such subdivisions upon the basis of attributing 50 percent of the proceeds of the tax to the operation of mining or quarrying the taconite, and the remainder to the concentrating plant and to the processes of concentration, and with respect to each thereof giving due consideration to the relative extent of such operations performed in each such taxing

district. The commissioner's order making such apportionment shall be subject to review by the Tax Court at the instance of any of the interested taxing districts, in the same manner as other orders of the commissioner.

(b) Four cents per taxable ton shall be allocated to cities and organized townships affected by mining because their boundaries are within three miles of a taconite mine pit that has been actively mined in at least one of the prior three years. If a city or town is located near more than one mine meeting these criteria, the city or town is eligible to receive aid calculated from only the mine producing the largest taxable tonnage. When more than one municipality qualifies for aid based on one company's production, the aid must be apportioned among the municipalities in proportion to their populations. Of The amounts distributed under this paragraph to each municipality, ~~one-half~~ must be used for infrastructure improvement projects, ~~and one-half must be used for projects in which two or more municipalities cooperate. Each municipality that receives a distribution under this paragraph must report annually to the Iron Range Resources and Rehabilitation Board and the commissioner of Iron Range resources and rehabilitation on the projects involving cooperation with other municipalities.~~

(c) The amount that would have been computed for the current year under Minnesota Statutes 2008, section 126C.21, subdivision 4, for a school district shall be distributed to the cities and townships within the school district in the proportion that their taxable net tax capacity within the school district bears to the taxable net tax capacity of the school district for property taxes payable in the year prior to distribution.

Sec. 16. Laws 2013, chapter 143, article 11, section 10, is amended to read:

87.10 the governor's authorized representative, may enter into grant agreements with eligible  
87.11 applicants to provide state financial assistance made available as a result of a disaster  
87.12 that satisfies all of the following criteria:

87.13 (1) the state or applicable local government declares a disaster or emergency during  
87.14 the incident period;

87.15 (2) damages suffered and eligible costs incurred are the direct result of the disaster;

87.16 (3) federal disaster assistance is not available to the applicant because the governor  
87.17 did not request a presidential declaration of major disaster, the president denied the  
87.18 governor's request, or the applicant is not eligible for federal disaster assistance because  
87.19 the state or county did not meet the per capita impact indicator under FEMA's Public  
87.20 Assistance Program;

87.21 (4) the applicant incurred eligible damages that, on a per capita basis, equal or

88.1            Subdivision 1. **Eligible costs.** Costs eligible for payment under this chapter are  
88.2 those costs that would be eligible for federal financial assistance under FEMA's Public  
88.3 Assistance Program.

88.4            Subd. 2. **Ineligible costs.** Ineligible costs are all costs not included in subdivision  
88.5 1, including but not limited to:

88.9 source;

88.10           (3) disaster-related costs that should, in the determination of the director, be covered  
88.11 and compensated by insurance; and

88.12           (4) projects and claims totaling less than the minimum FEMA project threshold.

88.13           Sec. 5. **[12B.35] APPLICANT'S SHARE.**

88.14           An applicant's share of eligible costs incurred must not be less than 25 percent. The  
88.15 substantiated value of donated materials, equipment, services, and labor may be used as  
88.16 all or part of the applicant's share of eligible costs, subject to the following:

88.17           (1) all items and sources of donation must be indicated on the application and any  
88.18 supporting documentation submitted to the commissioner;

88.19           (2) the rate for calculating the value of donated, nonprofessional labor is the  
88.20 prevailing federal minimum wage;

88.21           (3) the value of donated equipment may not exceed the highway equipment rates  
88.22 approved by the commissioner of transportation; and

88.23           (4) the value of donated materials and professional services must conform to market  
88.24 rates and be established by invoice.

88.25           Sec. 6. **[12B.40] APPLICATION PROCESS.**

88.26           (a) The director must develop application materials and may update the materials as  
88.27 needed. Application materials must include instructions and requirements for assistance  
88.28 under this chapter.

88.29           (b) An applicant has 30 days from the end of the incident period or the president's  
88.30 official denial of the governor's request for a declaration of a major disaster to provide the  
88.31 director with written notice of intent to apply. The director may deny an application due to  
88.32 a late notice of intent to apply.

(c) Within 60 days after the end of the incident period or the president's official denial of the governor's request for a declaration of a major disaster, the applicant must submit a complete application to the director. A complete application includes the following:

- (1) the cause, location of damage, and incident period;
- (2) documentation of a local, tribal, county, or state disaster or emergency declaration in response to the disaster;
- (3) a description of damages, an initial damage assessment, and the amount of eligible costs incurred by the applicant;
- (4) a statement or evidence that the applicant has the ability to pay for at least 25 percent of total eligible costs incurred from the disaster; and
- (5) a statement or evidence that the local government has incurred damages equal to or exceeding 50 percent of the federal countywide threshold in effect during the incident period.

(d) The director must review the application and supporting documentation for completeness and may return the application with a request for more detailed information. The director may consult with local public officials to ensure the application reflects the extent and magnitude of the damage and to reconcile any differences. The application is not complete until the director receives all requested information.

(e) If the director returns an application with a request for more detailed information or for correction of deficiencies, the applicant must submit all required information within 30 days of the applicant's receipt of the director's request. The applicant's failure to provide the requested information in a timely manner without a reasonable explanation may be cause for denial of the application.

(f) The director has no more than 60 days from the receipt of a complete application to approve or deny the application, or the application is deemed approved. If the director denies an application, the director must send a denial letter. If the director approves an application or the application is automatically deemed approved after 60 days, the director must notify the applicant of the steps necessary to obtain reimbursement of eligible costs, including submission of invoices or other documentation substantiating the costs submitted for reimbursement.

## **Sec. 7. [12B.45] CLAIMS PROCESS.**

**Subdivision 1. Claims; appeal.** (a) An applicant must submit to the director completed claims for payment of actual and eligible costs on forms provided by the director. All eligible costs claimed for payment must be documented and consistent with the eligibility provisions of this chapter.

The appeal must include the applicant's rationale for reversing the director's determination. The commissioner has 30 days from receipt of the appeal to uphold or modify the director's determination and formally respond to the applicant. If, within 30 days of receiving the commissioner's decision, the applicant notifies the commissioner that the applicant intends to contest the commissioner's decision, the Office of Administrative Hearings shall conduct a hearing under the contested case provisions of chapter 14.

**Subd. 2. Final inspection.** Upon completion of all work by an applicant, the director may inspect all work claimed by the applicant. The applicant must provide the director with access to records pertaining to all claimed work and must permit the director to review all records relating to the work.

**Subd. 3. Closeout.** The director must close out an applicant's disaster assistance application after all of the following occur:

- (1) eligible work is complete;
- (2) the applicant receives the final amount due or pays any amount owed under section 12B.50; and
- (3) any extant or scheduled audits are complete.

**Subd. 4. Audit.** (a) An applicant must account for all funds received under this chapter in conformance with generally accepted accounting principles and practices. The applicant must maintain records for five years and make the records available for inspection and audit by the director or the state auditor. The applicant must keep all financial records for five years after the final payment, including but not limited to all invoices and canceled checks or bank statements that support all eligible costs claimed by the applicant.

(b) The director or state auditor may audit all applicant records pertaining to an application or payment under this chapter.

Subd. 78. **Trooper Glen Skalman Memorial Highway.** That segment of signed U.S. Highway 61 from the intersection with signed U.S. Highway 8 in Forest Lake to the intersection with 260th Street in Wyoming is designated as "Trooper Glen Skalman Memorial Highway." Subject to section 161.139, the commissioner shall adopt a suitable design to mark this highway and erect appropriate signs in the vicinity of the location where Trooper Skalman died.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 2. Minnesota Statutes 2012, section 165.15, subdivision 2, is amended to read:

Subd. 2. **Use of funds.** (a) Income derived from the investment of principal in the account may be used by the commissioner of transportation for operations and routine maintenance of the Stillwater lift bridge, including bridge safety inspections and reactive repairs. No money from this account may be used for any purposes except those described in this section, and no money from this account may be transferred to any other account in the state treasury without specific legislative authorization. Any money transferred from the trunk highway fund may only be used for trunk highway purposes. For the purposes of this section:

(1) "Income" is the amount of interest on debt securities and dividends on equity securities. Any gains or losses from the sale of securities must be added to the principal of the account.

(2) "Routine maintenance" means activities that are predictable and repetitive, but not activities that would constitute major repairs or rehabilitation.

(b) Investment management fees incurred by the State Board of Investment are eligible expenses for reimbursement from the account.

(c) The commissioner of transportation has authority to approve or deny expenditures of funds in the account.

Sec. 3. **[168.1299] MINNESOTA GOLF PLATES.**

Subdivision 1. **Issuance.** Notwithstanding section 168.1293, the commissioner shall issue special Minnesota golf plates or a single motorcycle plate to an applicant who:

(1) is a registered owner of a passenger automobile, one-ton pickup truck, motorcycle, or recreational vehicle;

(2) pays a fee of \$10 and any other fees required by this chapter;

(3) contributes a minimum of \$30 annually after January 1, 2017, to the Minnesota Section PGA Foundation account; and

(4) complies with this chapter and rules governing registration of motor vehicles and licensing of drivers.

Subd. 2. **Design.** After consultation with the Minnesota Section PGA and the Minnesota Golf Association, the commissioner shall design the special plate.

Subd. 3. **Plates transfer.** On payment of a fee of \$5, plates issued under this section may be transferred to another passenger automobile, one-ton pickup truck, motorcycle, or other recreational vehicle registered to the individual to whom the special plates were issued.

Subd. 4. **Fees.** Fees collected under subdivision 1, clause (2), and subdivision 3 are credited to the vehicle services operating account in the special revenue fund.

Subd. 5. **Contributions.** Contributions collected under subdivision 1, clause (3), are credited first to the commissioner of public safety for the cost of administering the Minnesota Section PGA Foundation account, which is established in the special revenue fund. After the commissioner's administration costs are paid each year, remaining contributions are credited to the Minnesota Section PGA Foundation account. Money in the account is appropriated to the commissioner of public safety for distribution to the Minnesota Section PGA Foundation, to be used to enhance and promote the game of golf throughout Minnesota.

**EFFECTIVE DATE.** Subdivisions 1 to 4 are effective January 1, 2015, for special Minnesota golf plates issued on or after that date. Subdivision 5 is effective January 1, 2017.

Sec. 4. Minnesota Statutes 2012, section 169.011, is amended by adding a subdivision to read:

121.1            Subd. 95. **Work zone.** "Work zone" means a segment of street or highway for which:  
 121.2            (1) a road authority or its agent is constructing, reconstructing, or maintaining the  
 121.3 physical structure of the roadway, which may include, but is not limited to, shoulders,  
 121.4 features adjacent to the roadway, and utilities and highway appurtenances, whether  
 121.5 underground or overhead; and  
 121.6            (2) any of the following applies:  
 121.7            (i) official traffic-control devices that indicate the segment of street or highway under  
 121.8 construction, reconstruction, or maintenance, are erected;  
 121.9            (ii) one or more lanes of traffic are closed;  
 121.10           (iii) a flagger under section 169.06, subdivision 4a, is present;  
 121.11           (iv) a construction zone speed limit under section 169.14, subdivision 4, is  
 121.12 established; or  
 121.13           (v) a workers present speed limit under section 169.14, subdivision 5d, is in effect.  
 121.14           **EFFECTIVE DATE.** This section is effective August 1, 2014.

121.15           Sec. 5. Minnesota Statutes 2012, section 169.06, subdivision 4, is amended to read:

121.16           Subd. 4. **Obedience to traffic-control signal or ~~flagger~~ authorized persons;**  
 121.17 **presumptions.** (a) The driver of any vehicle shall obey the instructions of any official  
 121.18 traffic-control device applicable thereto placed in accordance with the provisions of this  
 121.19 chapter, unless otherwise directed by a police officer or by a flagger authorized under this  
 121.20 subdivision, subject to the exceptions granted the driver of an authorized emergency  
 121.21 vehicle in this chapter.  
 121.22           (b) No provision of this chapter for which official traffic-control devices are required  
 121.23 shall be enforced against an alleged violator if at the time and place of the alleged  
 121.24 violation an official device is not in proper position and sufficiently legible to be seen by  
 121.25 an ordinarily observant person. Whenever a particular section does not state that official  
 121.26 traffic-control devices are required, such section shall be effective even though no devices  
 121.27 are erected or in place.  
 121.28           (c) Whenever official traffic-control devices are placed in position approximately  
 121.29 conforming to the requirements of this chapter, such devices shall be presumed to have  
 121.30 been so placed by the official act or direction of lawful authority, unless the contrary  
 121.31 shall be established by competent evidence.  
 121.32           (d) Any official traffic-control device placed pursuant to the provisions of this  
 121.33 chapter and purporting to conform to the lawful requirements pertaining to such devices  
 121.34 shall be presumed to comply with the requirements of this chapter, unless the contrary  
 121.35 shall be established by competent evidence.

122.1 ~~(e) A flagger in a designated work zone may stop vehicles and hold vehicles in place~~  
 122.2 ~~until it is safe for the vehicles to proceed. A person operating a motor vehicle that has~~  
 122.3 ~~been stopped by a flagger in a designated work zone may proceed after stopping only on~~  
 122.4 ~~instruction by the flagger.~~

122.5 (f) An overdimensional load escort driver with a certificate issued under section  
 122.6 299D.085, while acting as a flagger escorting a legal overdimensional load, may stop  
 122.7 vehicles and hold vehicles in place until it is safe for the vehicles to proceed. A person  
 122.8 operating a motor vehicle that has been stopped by an escort driver acting as a flagger may  
 122.9 proceed only on instruction by the flagger or a police officer.

122.10 ~~(g)~~ (f) A person may stop and hold vehicles in place until it is safe for the vehicles to  
 122.11 proceed, if the person: (1) holds a motorcycle road guard certificate issued under section  
 122.12 171.60; (2) meets the safety and equipment standards for operating under the certificate;  
 122.13 (3) is acting as a flagger escorting a motorcycle group ride; (4) has notified each statutory  
 122.14 or home rule charter city through which the motorcycle group is proceeding; and (5)  
 122.15 has obtained consent from the chief of police, or the chief's designee, of any city of the  
 122.16 first class through which the group is proceeding. A flagger operating as provided under  
 122.17 this paragraph may direct operators of motorcycles within a motorcycle group ride or  
 122.18 other vehicle traffic, notwithstanding any contrary indication of a traffic-control device,  
 122.19 including stop signs or traffic-control signals. A person operating a vehicle that has been  
 122.20 stopped by a flagger under this paragraph may proceed only on instruction by the flagger  
 122.21 or a police officer.

122.22 **EFFECTIVE DATE.** This section is effective August 1, 2014.

122.23 Sec. 6. Minnesota Statutes 2012, section 169.06, is amended by adding a subdivision  
 122.24 to read:

122.25 Subd. 4a. **Obedience to work zone flagger; violation, penalty.** (a) A flagger in a  
 122.26 work zone may stop vehicles and hold vehicles in place until it is safe for the vehicles to  
 122.27 proceed. A person operating a motor vehicle that has been stopped by a flagger in a work  
 122.28 zone may proceed after stopping only on instruction by the flagger or a police officer.

122.29 (b) A person convicted of operating a motor vehicle in violation of a speed limit  
 122.30 in a work zone, or any other provision of this section while in a work zone, shall be  
 122.31 required to pay a fine of \$300. This fine is in addition to the surcharge under section  
 122.32 357.021, subdivision 6.

122.33 (c) If a motor vehicle is operated in violation of paragraph (a), the owner of the  
 122.34 vehicle, or for a leased motor vehicle the lessee of the vehicle, is guilty of a petty  
 122.35 misdemeanor and is subject to a fine as provided in paragraph (b). The owner or lessee may

123.1 not be fined under this paragraph if (1) another person is convicted for that violation, or (2)  
 123.2 the motor vehicle was stolen at the time of the violation. This paragraph does not apply to a  
 123.3 lessor of a motor vehicle if the lessor keeps a record of the name and address of the lessee.

123.4 (d) Paragraph (c) does not prohibit or limit the prosecution of a motor vehicle  
 123.5 operator for violating paragraph (a).

123.6 (e) A violation under paragraph (c) does not constitute grounds for revocation or  
 123.7 suspension of a driver's license.

123.8 **EFFECTIVE DATE.** This section is effective August 1, 2014, and applies to  
 123.9 violations committed on or after that date.

123.10 Sec. 7. Minnesota Statutes 2012, section 169.14, subdivision 5d, is amended to read:

123.11 Subd. 5d. **Speed zoning limit in work zone; surcharge when workers present.**

123.12 (a) Notwithstanding subdivision 2 and subject to subdivision 3, the speed limit on a  
 123.13 road having an established speed limit of 50 miles per hour or greater is adjusted to 45  
 123.14 miles per hour in a work zone when (1) at least one lane or portion of a lane of traffic is  
 123.15 closed in either direction, and (2) workers are present. A speed in excess of the adjusted  
 123.16 speed limit is unlawful.

123.17 (b) Paragraph (a) does not apply to a segment of road in which:

123.18 (1) positive barriers are placed between workers and the traveled portion of the  
 123.19 highway;

123.20 (2) the work zone is in place for less than 24 hours;

123.21 (3) a different speed limit for the work zone is determined by the road authority  
 123.22 following an engineering and traffic investigation and based on accepted engineering  
 123.23 practice; or

123.24 (4) a different speed limit for the work zone is established by the road authority  
 123.25 under paragraph (c).

123.26 (c) The commissioner, on trunk highways and temporary trunk highways, and  
 123.27 local authorities, on streets and highways under their jurisdiction, may authorize the use  
 123.28 of reduced maximum speed limits in highway work zones. The commissioner or local  
 123.29 authority is not required to conduct when workers are present, without an engineering and  
 123.30 traffic investigation before authorizing a reduced speed limit in a highway work zone  
 123.31 required. The work zone speed limit must not reduce the speed limit on the affected  
 123.32 street or highway by more than:

123.33 (b) The minimum highway work zone speed limit is 20 miles per hour. The work  
 123.34 zone speed limit must not reduce the established speed limit on the affected street or  
 123.35 highway by more than 15 miles per hour, except that the highway work zone speed limit

must not exceed 40 miles per hour. The commissioner or local authority shall post the limits of the work zone. Highway work zone speed limits are effective on erection of appropriate regulatory speed limit signs. The signs must be removed or covered when they are not required. A speed greater than the posted highway work zone speed limit is unlawful.

(e) Notwithstanding paragraph (b), on divided highways the commissioner or local authority may establish a highway work zone speed limit that does not exceed 55 miles per hour.

(d) Notwithstanding paragraph (b), on two-lane highways having one lane for each direction of travel with a posted speed limit of 60 miles per hour or greater, the commissioner or local authority may establish a highway work zone speed limit that does not exceed 40 miles per hour.

(e) For purposes of this subdivision, "highway work zone" means a segment of highway or street where a road authority or its agent is constructing, reconstructing, or maintaining the physical structure of the roadway, its shoulders, or features adjacent to the roadway, including underground and overhead utilities and highway appurtenances, when workers are present.

(f) Notwithstanding section 609.0331 or 609.101 or other law to the contrary, a person who violates a speed limit established under this subdivision, or who violates any other provision of this section while in a highway work zone, is assessed an additional surcharge equal to the amount of the fine imposed for the speed violation, but not less than \$25.

(1) 20 miles per hour on a street or highway having an established speed limit of 55 miles per hour or greater; and

(2) 15 miles per hour on a street or highway having an established speed limit of 50 miles per hour or less.

(d) A work zone speed limit under paragraph (c) is effective on erection of appropriate regulatory speed limit signs. The signs must be removed or covered when they are not required. A speed in excess of the posted work zone speed limit is unlawful.

(e) For any speed limit under this subdivision, a road authority shall erect signs identifying the speed limit and indicating the beginning and end of the speed limit zone.

**EFFECTIVE DATE.** This section is effective August 1, 2014, and applies to violations committed on or after that date.

Sec. 8. Minnesota Statutes 2012, section 169.14, is amended by adding a subdivision to read:

Subd. 6a. **Work zone speed limit violations.** A person convicted of operating a motor vehicle in violation of a speed limit in a work zone, or any other provision of

125.1 this section while in a work zone, shall be required to pay a fine of \$300. This fine is in  
125.2 addition to the surcharge under section 357.021, subdivision 6.

125.3 **EFFECTIVE DATE.** This section is effective August 1, 2014, and applies to  
125.4 violations committed on or after that date.

125.5 Sec. 9. Minnesota Statutes 2012, section 169.305, subdivision 1, is amended to read:

125.6 Subdivision 1. **Entrance and exit; crossover; use regulations; signs; rules.** (a) No  
125.7 person shall drive a vehicle onto or from any controlled-access highway except at such  
125.8 entrances and exits as are established by public authority.

125.9 (b) When special crossovers between the main roadways of a controlled-access  
125.10 highway are provided for emergency vehicles or maintenance equipment and such  
125.11 crossovers are signed to prohibit "U" turns, it shall be unlawful for any vehicle, except  
125.12 an emergency vehicle, maintenance equipment, ~~or~~ construction equipment including  
125.13 contractor's and state-owned equipment when operating within a marked construction  
125.14 zone, or a vehicle operated by a commercial vehicle inspector of the Department of Public  
125.15 Safety, to use such crossover. Vehicles owned and operated by elderly and needy persons  
125.16 under contract with the commissioner of transportation pursuant to section 160.282 for  
125.17 maintenance services on highway rest stop and tourist centers outside the seven-county  
125.18 metropolitan area as defined in section 473.121, may also use these crossovers while those  
125.19 persons are proceeding to or from work in the rest area or tourist center if authorized by the  
125.20 commissioner, and the vehicle carries on its roof a distinctive flag designed and issued by  
125.21 the commissioner. For the purposes of this clause "emergency vehicle" includes a tow truck  
125.22 or towing vehicle if it is on the way to the location of an accident or a disabled vehicle.

125.23 (c) The commissioner of transportation may by order, and any public authority may  
125.24 by ordinance, with respect to any controlled-access highway under their jurisdictions  
125.25 prohibit or regulate the use of any such highway by pedestrians, bicycles, or other  
125.26 nonmotorized traffic, or by motorized bicycles, or by any class or kind of traffic which is  
125.27 found to be incompatible with the normal and safe flow of traffic.

125.28 (d) The commissioner of transportation or the public authority adopting any such  
125.29 prohibitory rules shall erect and maintain official signs on the controlled-access highway  
125.30 on which such rules are applicable and when so erected no person shall disobey the  
125.31 restrictions stated on such signs.

125.32 Sec. 10. Minnesota Statutes 2012, section 169.826, is amended by adding a subdivision  
125.33 to read:

126.1        Subd. 7. **Expiration date.** Upon request of the permit applicant, the expiration  
126.2 date for a permit issued under this section must be the same as the expiration date of the  
126.3 permitted vehicle's registration.

126.4        **EFFECTIVE DATE.** This section is effective November 30, 2016, and applies  
126.5 to permits issued on and after that date.

126.6        Sec. 11. Minnesota Statutes 2012, section 169.8261, is amended by adding a  
126.7 subdivision to read:

126.8        Subd. 3. **Expiration date.** Upon request of the permit applicant, the expiration  
126.9 date for a permit issued under this section must be the same as the expiration date of the  
126.10 permitted vehicle's registration.

126.11       **EFFECTIVE DATE.** This section is effective November 30, 2016, and applies  
126.12 to permits issued on and after that date.

126.13       Sec. 12. Minnesota Statutes 2012, section 169.86, subdivision 5, is amended to read:

126.14       **Subd. 5. Fees; proceeds deposited; appropriation.** The commissioner, with  
126.15 respect to highways under the commissioner's jurisdiction, may charge a fee for each  
126.16 permit issued. The fee for an annual permit that expires by law on the date of the  
126.17 vehicle registration expiration must be based on the proportion of the year that remains  
126.18 until the expiration date. Unless otherwise specified, all fees for permits issued by the  
126.19 commissioner of transportation must be deposited in the state treasury and credited to  
126.20 the trunk highway fund. Except for those annual permits for which the permit fees are  
126.21 specified elsewhere in this chapter, the fees are:

126.22        (a) \$15 for each single trip permit.

126.23        (b) \$36 for each job permit. A job permit may be issued for like loads carried on  
126.24 a specific route for a period not to exceed two months. "Like loads" means loads of the  
126.25 same product, weight, and dimension.

126.26        (c) \$60 for an annual permit to be issued for a period not to exceed 12 consecutive  
126.27 months. Annual permits may be issued for:

126.28        (1) motor vehicles used to alleviate a temporary crisis adversely affecting the safety  
126.29 or well-being of the public;

126.30        (2) motor vehicles that travel on interstate highways and carry loads authorized  
126.31 under subdivision 1a;

126.32        (3) motor vehicles operating with gross weights authorized under section 169.826,  
126.33 subdivision 1a;

(4) special pulpwood vehicles described in section 169.863;

(5) motor vehicles bearing snowplow blades not exceeding ten feet in width;

(6) noncommercial transportation of a boat by the owner or user of the boat;

(7) motor vehicles carrying bales of agricultural products authorized under section 169.862; and

(8) special milk-hauling vehicles authorized under section 169.867.

(d) \$120 for an oversize annual permit to be issued for a period not to exceed 12 consecutive months. Annual permits may be issued for:

(1) mobile cranes;

(2) construction equipment, machinery, and supplies;

(3) manufactured homes and manufactured storage buildings;

(4) implements of husbandry;

(5) double-deck buses;

(6) commercial boat hauling and transporting waterfront structures, including, but not limited to, portable boat docks and boat lifts;

(7) three-vehicle combinations consisting of two empty, newly manufactured trailers for cargo, horses, or livestock, not to exceed 28-1/2 feet per trailer; provided, however, the permit allows the vehicles to be moved from a trailer manufacturer to a trailer dealer only while operating on twin-trailer routes designated under section 169.81, subdivision 3, paragraph (c); and

(8) vehicles operating on that portion of marked Trunk Highway 36 described in section 169.81, subdivision 3, paragraph (e).

(e) For vehicles that have axle weights exceeding the weight limitations of sections 169.823 to 169.829, an additional cost added to the fees listed above. However, this paragraph applies to any vehicle described in section 168.013, subdivision 3, paragraph (b), but only when the vehicle exceeds its gross weight allowance set forth in that paragraph, and then the additional cost is for all weight, including the allowance weight, in excess of the permitted maximum axle weight. The additional cost is equal to the product of the distance traveled times the sum of the overweight axle group cost factors shown in the following chart:

Overweight Axle Group Cost Factors			
Weight (pounds)	Cost Per Mile For Each Group Of:		
exceeding weight limitations on axles	Two consecutive axles spaced within 8 feet or less	Three consecutive axles spaced within 9 feet or less	Four consecutive axles spaced within 14 feet or less
0-2,000	.12	.05	.04

128.1	2,001-4,000	.14	.06	.05
128.2	4,001-6,000	.18	.07	.06
128.3	6,001-8,000	.21	.09	.07
128.4	8,001-10,000	.26	.10	.08

128.8		Not		
128.9	14,001-16,000	permitted	.17	.12
128.10		Not		
128.11	16,001-18,000	permitted	.19	.15
128.12		Not	Not	
128.13	18,001-20,000	permitted	permitted	.16
128.14		Not	Not	
128.15	20,001-22,000	permitted	permitted	.20

128.16 The amounts added are rounded to the nearest cent for each axle or axle group. The  
128.17 additional cost does not apply to paragraph (c), clauses (1) and (3).  
128.18 For a vehicle found to exceed the appropriate maximum permitted weight, a cost-per-mile  
128.19 fee of 22 cents per ton, or fraction of a ton, over the permitted maximum weight is imposed  
128.20 in addition to the normal permit fee. Miles must be calculated based on the distance  
128.21 already traveled in the state plus the distance from the point of detection to a transportation  
128.22 loading site or unloading site within the state or to the point of exit from the state.

128.23 (f) As an alternative to paragraph (e), an annual permit may be issued for overweight,  
128.24 or oversize and overweight, mobile cranes; construction equipment, machinery, and  
128.25 supplies; implements of husbandry; and commercial boat hauling. The fees for the permit  
128.26 are as follows:

128.27	Gross Weight (pounds) of Vehicle	Annual Permit Fee
128.28	90,000 or less	\$200
128.29	90,001 - 100,000	\$300
128.30	100,001 - 110,000	\$400
128.31	110,001 - 120,000	\$500
128.32	120,001 - 130,000	\$600
128.33	130,001 - 140,000	\$700
128.34	140,001 - 145,000	\$800
128.35	145,001 - 155,000	\$900

128.36 If the gross weight of the vehicle is more than 155,000 pounds the permit fee is determined  
128.37 under paragraph (e).

128.38 (g) For vehicles which exceed the width limitations set forth in section 169.80 by  
128.39 more than 72 inches, an additional cost equal to \$120 added to the amount in paragraph (a)  
128.40 when the permit is issued while seasonal load restrictions pursuant to section 169.87 are

161.27 the commissioner may award compensation from the pesticide regulatory account. If the

161.29 in a manner inconsistent with the product's label or labeling, the commissioner may  
161.30 collect a penalty from the pesticide applicator sufficient to compensate the bee owner  
161.31 for the fair market value of the dead bees and bee colonies losses, and must award the  
161.32 money to the bee owner.

161.33           (b) If the commissioner denies compensation claimed by a bee owner under this  
161.34 section, the commissioner must issue a written decision based upon the available evidence.  
161.35 The decision must include specification of the facts upon which the decision is based and

162.1 the conclusions on the material issues of the claim. The commissioner must mail a copy  
 162.2 of the decision to the bee owner.

 162.6 appealed as in other civil cases. Review in court may be obtained by filing a petition for  
 162.7 review with the administrator of the court within 60 days following receipt of a decision  
 162.8 under this section. Upon the filing of a petition, the administrator must mail a copy to the  
 162.9 commissioner and set a time for hearing within 90 days of the filing.

162.10 Subd. 6. **Deduction from payment.** The commissioner must reduce payments  
 162.11 made under this section by any compensation received by the bee owner for dead bees and  
 162.12 bee colonies losses as proceeds from an insurance policy or from another source.

162.13 Subd. 7. **Appropriation.** The amount necessary to pay claims under this section,  
 162.14 not to exceed \$150,000 per fiscal year, is appropriated from the pesticide regulatory  
 162.15 account in section 18B.05.

167.32 by the commissioner in accordance with the following schedule of fees for each water use  
167.33 permit in force at any time during the year:

(e) Failure to pay the fee is sufficient cause for revoking a permit. A penalty of ~~two~~ ten percent per month calculated from the original due date must be imposed on the unpaid balance of fees remaining 30 days after the sending of a second notice of fees due. A fee may not be imposed on an agency, as defined in section 16B.01, subdivision 2, or federal governmental agency holding a water appropriation permit.

(f) The minimum water use processing fee for a permit issued for irrigation of agricultural land is \$20 for years in which:

(g) The commissioner shall waive the water use permit fee for installations and projects that use storm water runoff or where public entities are diverting water to treat a water quality issue and returning the water to its source without using the water for any other purpose, unless the commissioner determines that the proposed use adversely affects surface water or groundwater.

~~(g)~~ (h) A surcharge of \$30 per million gallons in addition to the fee prescribed in paragraph (a) shall be applied to the volume of water used in each of the months of June, July, and August that exceeds the volume of water used in January for municipal water use, irrigation of golf courses, and landscape irrigation. Sec. 22. Minnesota Statutes 2012, section 103G.281, is amended by adding a subdivision to read:

Subd. 4. **Penalty for noncompliant reporting.** The commissioner may assess penalties for noncompliant reporting of water use information as provided in this section. The penalty is ten percent of the annual water use permit processing fee.

Sec. 23. **[103G.299] ADMINISTRATIVE PENALTIES.**

Subdivision 1. **Authority to issue penalty orders.** (a) As provided in paragraph (b), the commissioner may issue an order requiring violations to be corrected and administratively assessing monetary penalties for violations of sections 103G.271 and 103G.275, and any rules adopted under those sections.

(b) An order under this section may be issued to a person for water appropriation activities without a required permit.

(c) The order must be issued as provided in this section and in accordance with the plan prepared under subdivision 12.

Subd. 2. **Amount of penalty; considerations.** (a) The commissioner may issue orders assessing administrative penalties based on potential for harm and deviation from compliance. For a violation that presents: (1) a minor potential for harm and deviation from compliance, the penalty will be no more than \$1,000; (2) a moderate potential for harm and deviation from compliance, the penalty will be no more than \$10,000; and (3) a severe potential for harm and deviation from compliance, the penalty will be no more than \$20,000.

(b) In determining the amount of a penalty the commissioner may consider:

(1) the gravity of the violation, including potential for, or real, damage to the public interest or natural resources of the state;

(2) the history of past violations;

(3) the number of violations;

(4) the economic benefit gained by the person by allowing or committing the violation based on data from local or state bureaus or educational institutions; and

(5) other factors as justice may require, if the commissioner specifically identifies the additional factors in the commissioner's order.

(c) For a violation after an initial violation, including a continuation of the initial violation, the commissioner must, in determining the amount of a penalty, consider the factors in paragraph (b) and the:

(1) similarity of the most recent previous violation and the violation to be penalized;

(2) time elapsed since the last violation;

(3) number of previous violations; and

(4) response of the person to the most recent previous violation identified.

Subd. 3. **Contents of order.** An order assessing an administrative penalty under this section must include:

(1) a concise statement of the facts alleged to constitute a violation;

(2) a reference to the section of the statute, rule, order, or term or condition of a permit that has been violated;

(3) a statement of the amount of the administrative penalty to be imposed and the factors upon which the penalty is based; and

(4) a statement of the person's right to review of the order.

Subd. 4. **Corrective order.** (a) The commissioner may issue an order assessing a penalty and requiring the violations cited in the order to be corrected within a time period specified by the commissioner.

(b) The person to whom the order was issued must provide information to the commissioner before the 31st day after the order was received demonstrating that the violation has been corrected or that appropriate steps toward correcting the violation have been taken.

(c) The commissioner must determine whether the violation has been corrected and notify the person subject to the order of the commissioner's determination.

Subd. 5. **Penalty.** (a) Unless the person requests review of the order under subdivision 6 or 7 before the penalty is due, the penalty in the order is due and payable:

(1) on the 31st day after the order was received, if the person subject to the order fails to provide information to the commissioner showing that the violation has been corrected or that appropriate steps have been taken toward correcting the violation; or

(2) on the 20th day after the person receives the commissioner's determination under subdivision 4, paragraph (c), if the person subject to the order has provided information to the commissioner that the commissioner determines is not sufficient to show that the violation has been corrected or that appropriate steps have been taken toward correcting the violation.

(b) The penalty is due by 31 days after the order was received, unless review of the order under subdivision 6 or 7 has been sought.

(c) Interest at the rate established in section 549.09 begins to accrue on penalties under this subdivision on the 31st day after the order with the penalty was received.

Subd. 6. **Expedited administrative hearing.** (a) Within 30 days after receiving an order or within 20 days after receiving notice that the commissioner has determined that a violation has not been corrected or appropriate steps have not been taken, the

person subject to an order under this section may request an expedited hearing, using the procedures under Minnesota Rules, parts 1400.8510 to 1400.8612, to review the commissioner's determination. The hearing request must specifically state the reasons for seeking review of the order. The person to whom the order is directed and the commissioner are the parties to the expedited hearing. The commissioner must notify the person to whom the order is directed of the time and place of the hearing at least 20 days before the hearing. The expedited hearing must be held within 30 days after a request for hearing has been filed with the commissioner unless the parties agree to a later date.

(b) All written arguments must be submitted within ten days following the close of the hearing. The hearing must be conducted under Minnesota Rules, parts 1400.8510 to 1400.8612, as modified by this subdivision.

(c) The administrative law judge must issue a report making recommendations about the commissioner's action to the commissioner within 30 days following the close of the record. The administrative law judge may not recommend a change in the amount of the proposed penalty unless the administrative law judge determines that, based on the factors in subdivision 2, the amount of the penalty is unreasonable.

(d) If the administrative law judge makes a finding that the hearing was requested solely for purposes of delay or that the hearing request was frivolous, the commissioner may add to the amount of the penalty the costs charged to the department by the Office of Administrative Hearings for the hearing.

(e) If a hearing has been held, the commissioner may not issue a final order until at least five days after receipt of the report of the administrative law judge. The person to whom an order is issued may, within those five days, comment to the commissioner on the recommendations, and the commissioner must consider the comments. The final order may be appealed in the manner provided in sections 14.63 to 14.69.

(f) If a hearing has been held and a final order issued by the commissioner, the penalty must be paid by 30 days after the date the final order is received unless review of the final order is requested under sections 14.63 to 14.69. If review is not requested or the order is reviewed and upheld, the amount due is the penalty, together with interest accruing from 31 days after the original order was received at the rate established in section 549.09.

**Subd. 7. Mediation.** In addition to review under subdivision 6, the commissioner may enter into mediation concerning an order issued under this section if the commissioner and the person to whom the order is issued both agree to mediation.

**Subd. 8. Penalties due and payable.** The commissioner may enforce penalties that are due and payable under this section in any manner provided by law for the collection of debts.

Subd. 9. **Revocation and suspension of permit.** If a person fails to pay a penalty owed under this section, the commissioner has grounds to revoke a permit or to refuse to amend a permit or issue a new permit.

Subd. 10. **Cumulative remedy.** The authority of the commissioner to issue a corrective order assessing penalties is in addition to other remedies available under statutory or common law, except that the state may not seek civil penalties under any other provision of law for the violations covered by the administrative penalty order. The payment of a penalty does not preclude the use of other enforcement provisions, under which penalties are not assessed, in connection with the violation for which the penalty was assessed.

Subd. 11. **Deposit of fees.** Fees collected under this section must be credited to the water management account in the natural resources fund.

Subd. 12. **Plan for use of administrative penalties.** The commissioner must prepare a plan for using the administrative penalty authority in this section. The plan must include explanations for how the commissioner will determine whether violations are minor, moderate, or severe. The commissioner must provide a 30-day period for public comment on the plan. The plan must be finalized within six months after the effective date of this section.

**EFFECTIVE DATE.** Subdivisions 1 to 11 of this section are effective January 1, 2015. Subdivision 12 of this section is effective July 1, 2014.

181.29 unneutered males, except for breeding purposes;

181.30 (4) animals must be provided daily enrichment and must be provided positive physical  
181.31 contact with human beings and compatible animals at least twice daily unless a veterinarian  
181.32 determines such activities would adversely affect the health or well-being of the animal;

181.33 (5) animals must not be sold, traded, or given away before the age of eight weeks  
181.34 unless a veterinarian determines it would be in the best interests of the health or well-being  
181.35 of the animal;

(6) the commercial breeder must provide identification and tracking for each animal, which is not transferable to another animal; and

(7) the commercial breeder must provide adequate staff to maintain the facility and observe each animal daily to monitor each animal's health and well-being, and to properly care for the animals.

(e) A United States Department of Agriculture (USDA) licensed breeder or dealer who is in compliance with the minimum USDA regulations governing the license holder as they relate to animal confinement areas as of the effective date of this section does not have to comply with the minimum confinement area measurements under section 346.39, subdivision 4, for existing confinement areas in each facility the breeder or dealer owns. If a USDA-licensed breeder or dealer builds a new confinement area after the effective date of this section, those minimum standards must meet or exceed the minimum specifications as they relate to confinement area size under section 346.39, subdivision 4.

The correction order must state the deficiencies that constitute the violation; the specific statute, rule, or regulation violated; and when the violation must be corrected.

(b) A commercial breeder may ask the board to reconsider any portion of the correction order that the commercial breeder believes is in error. The request for

reconsideration must be made in writing by certified mail or electronically in a method approved by the board within seven days after receipt of the correction order. The request for reconsideration does not stay the correction order. The board must respond to the request for reconsideration within 15 days after receiving a request. The board's disposition of a request for reconsideration is final. The board may extend the time for complying with a correction order after receiving a request for reconsideration if necessary.

(c) The board must reinspect the facility within 15 days after the time for correcting the violation has passed to determine whether the violation has been corrected. If the violation has been corrected, the board must notify the commercial breeder in writing that the commercial breeder is in compliance with the correction order. The board may charge a reinspection fee to determine if a previous violation has been corrected.

**Subd. 2. Administrative penalty orders.** After the inspection required under subdivision 1, paragraph (c), the board may issue an order requiring violations to be corrected and administratively assessing monetary penalties for violations. The administrative penalty order must include a citation of the statute, rule, or regulation violated; a description of the violation; and the amount of the penalty for each violation. A single correction order may assess a maximum administrative penalty of \$5,000.

**Subd. 3. Injunctive relief.** In addition to any other remedy provided by law, the board may bring an action for injunctive relief in the district court in Ramsey County or in the county in which a violation of the statutes, rules, or regulations governing the breeding of cats and dogs occurred to enjoin the violation.

**Subd. 4. Cease and desist.** The board must issue an order to cease a practice if its continuation would result in an immediate risk to animal welfare or public health. An order issued under this subdivision is effective for a maximum of 72 hours. The board or its designated agent must seek an injunction or take other administrative action authorized by law to restrain a practice beyond 72 hours. The issuance of a cease-and-desist order does not preclude other enforcement action by the board.

**Subd. 5. Refusal to reissue license; license suspension or revocation.** (a) The board may suspend, revoke, or refuse to renew a license as follows:

- (1) for failure to comply with a correction order;
- (2) for failure to pay an administrative penalty;
- (3) for failure to meet the requirements of section 347.58 or 347.59; or
- (4) for falsifying information requested by the board.

A license suspension, revocation, or nonrenewal may be appealed through the Office of Administrative Hearings. A notice of intent to appeal must be filed in writing with the board within 20 days after receipt of the notice of suspension, revocation, or nonrenewal.

(b) The board must revoke a license if a commercial breeder has been convicted of cruelty to animals under Minnesota law or a substantially similar animal cruelty law of another jurisdiction, or for the denial, revocation, or suspension of a similar license by another federal or state authority. A license revocation under this subdivision may be appealed through the Office of Administrative Hearings. A notice of intent to appeal must be filed in writing with the board within 20 days after receipt of the notice of revocation.

(c) A commercial breeder whose license is revoked may not reapply for licensure for two years after the date of revocation. The license is permanently revoked if the basis for the revocation was a gross misdemeanor or felony conviction for animal cruelty.

(d) A commercial breeder whose license is suspended or revoked two times is permanently barred from licensure.

**Subd. 6.  206.6 or reduce the increased revenue amount under paragraph (c), must abbreviate the term  
 206.7 "per adjusted pupil unit" as "per pupil." The notice required under section 275.60 may  
 206.8 be modified to read, in cases of renewing existing levies at the same amount per pupil  
 206.9 as in the previous year:

206.10 "BY VOTING "YES" ON THIS BALLOT QUESTION, YOU ARE VOTING  
 206.11 TO EXTEND AN EXISTING PROPERTY TAX REFERENDUM THAT IS  
 206.12 SCHEDULED TO EXPIRE."

206.13 The ballot may contain a textual portion with the information required in this  
 206.14 subdivision and a question stating substantially the following:

206.15 "Shall the increase in the revenue proposed by (petition to) the board of .....,  
 206.16 School District No. ..., be approved?"

206.17 If approved, an amount equal to the approved revenue per adjusted pupil unit times  
 206.18 the adjusted pupil units for the school year beginning in the year after the levy is certified  
 206.19 shall be authorized for certification for the number of years approved, if applicable, or  
 206.20 until revoked or reduced by the voters of the district at a subsequent referendum.

206.21 (b) The board must prepare and deliver by first class mail at least 15 days but no more  
 206.22 than 30 days before the day of the referendum to each taxpayer a notice of the referendum  
 206.23 and the proposed revenue increase. The board need not mail more than one notice to any  
 206.24 taxpayer. For the purpose of giving mailed notice under this subdivision, owners must be  
 206.25 those shown to be owners on the records of the county auditor or, in any county where  
 206.26 tax statements are mailed by the county treasurer, on the records of the county treasurer.  
 206.27 Every property owner whose name does not appear on the records of the county auditor  
 206.28 or the county treasurer is deemed to have waived this mailed notice unless the owner  
 206.29 has requested in writing that the county auditor or county treasurer, as the case may be,  
 206.30 include the name on the records for this purpose. The notice must project the anticipated  
 206.31 amount of tax increase in annual dollars for typical residential homesteads, agricultural  
 206.32 homesteads, apartments, and commercial-industrial property within the school district.

206.33 The notice for a referendum may state that an existing referendum levy is expiring  
 206.34 and project the anticipated amount of increase over the existing referendum levy in  
 206.35 the first year, if any, in annual dollars for typical residential homesteads, agricultural  
 206.36 homesteads, apartments, and commercial-industrial property within the district.

The notice must include the following statement: "Passage of this referendum will result in an increase in your property taxes." However, in cases of renewing existing levies, the notice may include the following statement: "Passage of this referendum extends an existing operating referendum at the same amount per pupil as in the previous year."

(c) A referendum on the question of revoking or reducing the increased revenue amount authorized pursuant to paragraph (a) may be called by the board. A referendum to revoke or reduce the revenue amount must state the amount per ~~resident marginal cost~~ adjusted pupil unit by which the authority is to be reduced. Revenue authority approved by the voters of the district pursuant to paragraph (a) must be available to the school district at least once before it is subject to a referendum on its revocation or reduction for subsequent years. Only one revocation or reduction referendum may be held to revoke or reduce referendum revenue for any specific year and for years thereafter.

(d) The approval of 50 percent plus one of those voting on the question is required to pass a referendum authorized by this subdivision.

(e) At least 15 days before the day of the referendum, the district must submit a copy of the notice required under paragraph (b) to the commissioner and to the county auditor of each county in which the district is located. 211.4 Subd. 7. **Alternative attendance programs.** (a) The general education aid and

211.7 adjustments must be made according to this subdivision.

211.8 (b) For purposes of this subdivision, the "unreimbursed cost of providing special  
211.9 education and services" means the difference between: (1) the actual cost of providing  
211.10 special instruction and services, including special transportation and unreimbursed  
211.11 building lease and debt service costs for facilities used primarily for special education, for  
211.12 a pupil with a disability, as defined in section 125A.02, or a pupil, as defined in section  
211.13 125A.51, who is enrolled in a program listed in this subdivision, minus (2) if the pupil  
211.14 receives special instruction and services outside the regular classroom for more than  
211.15 60 percent of the school day, the amount of general education revenue and referendum  
211.16 equalization aid as defined in section 125A.11, subdivision 1, paragraph (c), attributable  
211.17 to that pupil for the portion of time the pupil receives special instruction and services  
211.18 outside of the regular classroom, excluding portions attributable to district and school  
211.19 administration, district support services, operations and maintenance, capital expenditures,  
211.20 and pupil transportation, minus (3) special education aid under section 125A.76  
211.21 attributable to that pupil, that is received by the district providing special instruction and  
211.22 services. For purposes of this paragraph, general education revenue and referendum  
211.23 equalization aid attributable to a pupil must be calculated using the serving district's

211.25 (c) For fiscal year 2015 and later, special education aid paid to a resident district  
211.26 must be reduced by an amount equal to 90 percent of the unreimbursed cost of providing  
211.27 special education and services.

211.28 (d) Notwithstanding paragraph (c), special education aid paid to a resident district  
211.29 must be reduced by an amount equal to 100 percent of the unreimbursed cost of special

211.32 least 70 percent of the charter school's total enrollment.

211.33 (e) Special education aid paid to the district or cooperative providing special  
211.34 instruction and services for the pupil, or to the fiscal agent district for a cooperative,  
211.35 must be increased by the amount of the reduction in the aid paid to the resident district

212.1 under paragraphs (c) and (d). If the resident district's special education aid is insufficient  
 212.2 to make the full adjustment, the remaining adjustment shall be made to other state aids  
 212.3 due to the district.

212.4 (f) An area learning center operated by a service cooperative, intermediate district,  
 212.5 education district, or a joint powers cooperative may elect through the action of the  
 212.6 constituent boards to charge the resident district tuition for pupils rather than to have the  
 212.7 general education revenue paid to a fiscal agent school district. Except as provided in  
 212.8 paragraph (e), the district of residence must pay tuition equal to at least 90 and no more  
 212.9 than 100 percent of the district average general education revenue per pupil unit minus

215.31 school district or charter school private personnel data on a current or former employee  
215.32 related to acts of violence toward or sexual contact with a student, if:

(2) the employee resigned while a complaint or charge involving the allegations was pending, the allegations involved acts of sexual contact with a student, and the employer informed the employee in writing, before the employee resigned, that if the employee resigns while the complaint or charge is still pending, the employer must release private personnel data about the employee's alleged sexual contact with a student to a school district or charter school requesting the data after the employee applies for employment with that school district or charter school and the data remain classified as provided in chapter 13.

Data that are released under this subdivision must not include data on the student.

Sec. 2. Minnesota Statutes 2012, section 122A.40, subdivision 13, is amended to read:

(3) failure without justifiable cause to teach without first securing the written release of the school board;

(4) gross inefficiency which the teacher has failed to correct after reasonable written notice;

For purposes of this paragraph, conduct unbecoming a teacher includes an unfair discriminatory practice described in section 363A.13.

Prior to discharging a teacher under this paragraph, the board must notify the teacher in writing and state its ground for the proposed discharge in reasonable detail. Within ten days after receipt of this notification the teacher may make a written request for a hearing before the board and it shall be granted before final action is taken. The board may suspend a teacher with pay pending the conclusion of the hearing and determination of the issues raised in the hearing after charges have been filed which constitute ground for discharge. If a teacher has been charged with a felony and the underlying conduct that is the subject of the felony charge is a ground for a proposed immediate discharge, the

suspension pending the conclusion of the hearing and determination of the issues may be without pay. If a hearing under this paragraph is held, the board must reimburse the teacher for any salary or compensation withheld if the final decision of the board or the arbitrator does not result in a penalty to or suspension, termination, or discharge of the teacher.

(b) A board must discharge a continuing-contract teacher, effective immediately, upon receipt of notice under section 122A.20, subdivision 1, paragraph (b), that the teacher's license has been revoked due to a conviction for child abuse or sexual abuse.

Information received by the Board of Teaching or the licensing division at the department under this paragraph is governed by section 13.41 or other applicable law governing data of the receiving entity. In addition to the background check required under section 123B.03, a school board or other school hiring authority must contact the Board of Teaching and the department to determine whether the teacher's license has been suspended or revoked, consistent with the discharge and final maltreatment determinations identified in this paragraph. Unless restricted by federal or state data practices law or by the terms of a collective bargaining agreement, the responsible authority for a school district must disseminate to another school district private personnel data on a current or former teacher employee or contractor of the district, including the results of background investigations, if the requesting school district seeks the information because the subject of the data has applied for employment with the requesting school district.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2012, section 122A.41, subdivision 6, is amended to read:

Information received by the Board of Teaching or the licensing division at the department under this paragraph is governed by section 13.41 or other applicable law governing data of the receiving entity. In addition to the background check required under section 123B.03, a school board or other school hiring authority must contact the Board of Teaching and the department to determine whether the teacher's license has been suspended or revoked, consistent with the discharge and final maltreatment determinations identified in this paragraph. ### 227.20 SPECIAL EDUCATION

227.21 Section 1. Minnesota Statutes 2013 Supplement, section 125A.0942, is amended to read:

#### 227.22 125A.0942 STANDARDS FOR RESTRICTIVE PROCEDURES.

227.23 Subdivision 1. **Restrictive procedures plan.** (a) Schools that intend to use  
227.24 restrictive procedures shall maintain and make publicly accessible in an electronic format  
227.25 on a school or district Web site or make a paper copy available upon request describing a  
227.26 restrictive procedures plan for children with disabilities that at least:

227.27 (1) lists the restrictive procedures the school intends to use;

227.28 (2) describes how the school will implement a range of positive behavior strategies  
227.29 and provide links to mental health services;

227.30 (3) describes how the school will provide training on de-escalation techniques,  
227.31 consistent with section 122A.09, subdivision 4, paragraph (k);

228.1 (4) describes how the school will monitor and review the use of restrictive  
228.2 procedures, including:

228.3 (i) conducting post-use debriefings, consistent with subdivision 3, paragraph (a),  
228.4 clause (5); and

228.5 (ii) convening an oversight committee to undertake a quarterly review of the use  
228.6 of restrictive procedures based on patterns or problems indicated by similarities in the  
228.7 time of day, day of the week, duration of the use of a procedure, the individuals involved,  
228.8 or other factors associated with the use of restrictive procedures; the number of times a  
228.9 restrictive procedure is used schoolwide and for individual children; the number and types  
228.10 of injuries, if any, resulting from the use of restrictive procedures; whether restrictive  
228.11 procedures are used in nonemergency situations; the need for additional staff training; and  
228.12 proposed actions to minimize the use of restrictive procedures; and

228.13 ~~(4)~~ (5) includes a written description and documentation of the training staff  
228.14 completed under subdivision 5.

228.15 (b) Schools annually must publicly identify oversight committee members who  
228.16 must at least include:

228.17 (1) a mental health professional, school psychologist, or school social worker;

228.18 (2) an expert in positive behavior strategies;

228.19 (3) a special education administrator; and

228.20 (4) a general education administrator.

228.21 Subd. 2. **Restrictive procedures.** (a) Restrictive procedures may be used only  
228.22 by a licensed special education teacher, school social worker, school psychologist,  
228.23 behavior analyst certified by the National Behavior Analyst Certification Board, a person  
228.24 with a master's degree in behavior analysis, other licensed education professional,  
228.25 paraprofessional under section 120B.363, or mental health professional under section  
228.26 245.4871, subdivision 27, who has completed the training program under subdivision 5.

228.27 (b) A school shall make reasonable efforts to notify the parent on the same day a  
228.28 restrictive procedure is used on the child, or if the school is unable to provide same-day  
228.29 notice, notice is sent within two days by written or electronic means or as otherwise  
228.30 indicated by the child's parent under paragraph ~~(d)~~ (f).

228.31 (c) The district must hold a meeting of the individualized education program team,  
228.32 conduct or review a functional behavioral analysis, review data, consider developing  
228.33 additional or revised positive behavioral interventions and supports, consider actions to  
228.34 reduce the use of restrictive procedures, and modify the individualized education program  
228.35 or behavior intervention plan as appropriate. The district must hold the meeting: within  
228.36 ten calendar days after district staff use restrictive procedures on two separate school

229.1 days within 30 calendar days or a pattern of use emerges and the child's individualized  
 229.2 education program or behavior intervention plan does not provide for using restrictive  
 229.3 procedures in an emergency; or at the request of a parent or the district after restrictive  
 229.4 procedures are used. The district must review use of restrictive procedures at a child's  
 229.5 annual individualized education program meeting when the child's individualized  
 229.6 education program provides for using restrictive procedures in an emergency.

229.7 (d) If the individualized education program team under paragraph (c) determines  
 229.8 that existing interventions and supports are ineffective in reducing the use of restrictive  
 229.9 procedures or the district uses restrictive procedures on a child on ten or more school days  
 229.10 during the same school year, the team, as appropriate, either must consult with other  
 229.11 professionals working with the child; consult with experts in behavior analysis, mental  
 229.12 health, communication, or autism; consult with culturally competent professionals;  
 229.13 review existing evaluations, resources, and successful strategies; or consider whether to  
 229.14 reevaluate the child.

229.15 (e) At the individualized education program meeting under paragraph (c), the team  
 229.16 must review any known medical or psychological limitations, including any medical  
 229.17 information the parent provides voluntarily, that contraindicate the use of a restrictive  
 229.18 procedure, consider whether to prohibit that restrictive procedure, and document any  
 229.19 prohibition in the individualized education program or behavior intervention plan.

229.20 (f) An individualized education program team may plan for using restrictive  
 229.21 procedures and may include these procedures in a child's individualized education  
 229.22 program or behavior intervention plan; however, the restrictive procedures may be used  
 229.23 only in response to behavior that constitutes an emergency, consistent with this section.  
 229.24 The individualized education program or behavior intervention plan shall indicate how the  
 229.25 parent wants to be notified when a restrictive procedure is used.

229.26 Subd. 3. **Physical holding or seclusion.** (a) Physical holding or seclusion may be  
 229.27 used only in an emergency. A school that uses physical holding or seclusion shall meet the  
 229.28 following requirements:

229.29 (1) physical holding or seclusion is the least intrusive intervention that effectively  
 229.30 responds to the emergency;

229.31 (2) physical holding or seclusion is not used to discipline a noncompliant child;

229.32 (3) physical holding or seclusion ends when the threat of harm ends and the staff  
 229.33 determines the child can safely return to the classroom or activity;

229.34 (4) staff directly observes the child while physical holding or seclusion is being used;

(5) each time physical holding or seclusion is used, the staff person who implements or oversees the physical holding or seclusion documents, as soon as possible after the incident concludes, the following information:

(i) a description of the incident that led to the physical holding or seclusion;

(ii) why a less restrictive measure failed or was determined by staff to be inappropriate or impractical;

(iii) the time the physical holding or seclusion began and the time the child was released; and

(iv) a brief record of the child's behavioral and physical status;

(6) the room used for seclusion must:

(i) be at least six feet by five feet;

(ii) be well lit, well ventilated, adequately heated, and clean;

(iii) have a window that allows staff to directly observe a child in seclusion;

(iv) have tamperproof fixtures, electrical switches located immediately outside the door, and secure ceilings;

(v) have doors that open out and are unlocked, locked with keyless locks that have immediate release mechanisms, or locked with locks that have immediate release mechanisms connected with a fire and emergency system; and

(vi) not contain objects that a child may use to injure the child or others;

(7) before using a room for seclusion, a school must:

(i) receive written notice from local authorities that the room and the locking mechanisms comply with applicable building, fire, and safety codes; and

(ii) register the room with the commissioner, who may view that room; and

(8) until August 1, 2015, a school district may use prone restraints with children age five or older if:

(i) the district has provided to the department a list of staff who have had specific training on the use of prone restraints;

(ii) the district provides information on the type of training that was provided and by whom;

(iii) only staff who received specific training use prone restraints;

(iv) each incident of the use of prone restraints is reported to the department within five working days on a form provided by the department; and

(v) the district, before using prone restraints, must review any known medical or psychological limitations that contraindicate the use of prone restraints.

The department must collect data on districts' use of prone restraints and publish the data in a readily accessible format on the department's Web site on a quarterly basis.

231.1 (b) By ~~March 1, 2014~~ February 1, 2015, and annually thereafter, stakeholders must  
 231.2 recommend to the commissioner specific and measurable implementation and outcome  
 231.3 goals for reducing the use of restrictive procedures and the commissioner must submit to  
 231.4 the legislature a report on districts' progress in reducing the use of restrictive procedures  
 231.5 that recommends how to further reduce these procedures and eliminate the use of prone  
 231.6 restraints. The statewide plan includes the following components: measurable goals; the  
 231.7 resources, training, technical assistance, mental health services, and collaborative efforts  
 231.8 needed to significantly reduce districts' use of prone restraints; and recommendations  
 231.9 to clarify and improve the law governing districts' use of restrictive procedures. The  
 231.10 commissioner must consult with interested stakeholders when preparing the report,  
 231.11 including representatives of advocacy organizations, special education directors, teachers,  
 231.12 paraprofessionals, intermediate school districts, school boards, day treatment providers,  
 231.13 county social services, state human services department staff, mental health professionals,  
 231.14 and autism experts. By June 30 each year, districts must report summary data on their  
 231.15 use of restrictive procedures to the department, in a form and manner determined by the  
 231.16 commissioner. The summary data must include information about the use of restrictive  
 231.17 procedures, including use of reasonable force under section 121A.582.

231.18 Subd. 4. **Prohibitions.** The following actions or procedures are prohibited:

231.19 (1) engaging in conduct prohibited under section 121A.58;

231.20 (2) requiring a child to assume and maintain a specified physical position, activity,  
 231.21 or posture that induces physical pain;

231.22 (3) totally or partially restricting a child's senses as punishment;

231.23 (4) presenting an intense sound, light, or other sensory stimuli using smell, taste,  
 231.24 substance, or spray as punishment;

231.25 (5) denying or restricting a child's access to equipment and devices such as walkers,  
 231.26 wheelchairs, hearing aids, and communication boards that facilitate the child's functioning,  
 231.27 except when temporarily removing the equipment or device is needed to prevent injury  
 231.28 to the child or others or serious damage to the equipment or device, in which case the  
 231.29 equipment or device shall be returned to the child as soon as possible;

231.30 (6) interacting with a child in a manner that constitutes sexual abuse, neglect, or  
 231.31 physical abuse under section 626.556;

231.32 (7) withholding regularly scheduled meals or water;

231.33 (8) denying access to bathroom facilities; and

231.34 (9) physical holding that restricts or impairs a child's ability to breathe, restricts or  
 231.35 impairs a child's ability to communicate distress, places pressure or weight on a child's

232.1 head, throat, neck, chest, lungs, sternum, diaphragm, back, or abdomen, or results in  
232.2 straddling a child's torso.

232.3 Subd. 5. **Training for staff.** (a) To meet the requirements of subdivision 1, staff  
232.4 who use restrictive procedures, including paraprofessionals, shall complete training in  
232.5 the following skills and knowledge areas:

- 232.13 (7) obtaining emergency medical assistance;
- 232.14 (8) the physiological and psychological impact of physical holding and seclusion;

232.22 (b) The commissioner, after consulting with the commissioner of human services,  
232.23 must develop and maintain a list of training programs that satisfy the requirements of

232.25 help individualized education program teams reduce the use of restrictive procedures.  
232.26 The district shall maintain records of staff who have been trained and the organization  
232.27 or professional that conducted the training. The district may collaborate with children's  
232.28 community mental health providers to coordinate trainings.

232.29 Subd. 6. **Behavior supports; reasonable force.** (a) School districts are encouraged  
232.30 to establish effective schoolwide systems of positive behavior interventions and supports.

232.31 (b) Nothing in this section or section 125A.0941 precludes the use of reasonable  
232.32 force under sections 121A.582; 609.06, subdivision 1; and 609.379. For the 2014-2015  
232.33 school year and later, districts must collect and submit to the commissioner summary  
232.34 data, consistent with subdivision 3, paragraph (b), on district use of reasonable force  
232.35 that is consistent with the definition of physical holding or seclusion for a child with a  
232.36 disability under this section.

233.1 **EFFECTIVE DATE.** This section is effective the day following final enactment.

233.2 Sec. 2. Minnesota Statutes 2013 Supplement, section 125A.11, subdivision 1, is  
233.3 amended to read:

233.4 Subdivision 1. **Nonresident tuition rate; other costs.** (a) For fiscal year 2015 and  
233.5 later, when a school district provides special instruction and services for a pupil with  
233.6 a disability as defined in section 125A.02 outside the district of residence, excluding  
233.7 a pupil for whom an adjustment to special education aid is calculated according to  
233.8 section 127A.47, subdivision 7, paragraphs (b) to (d), special education aid paid to the  
233.9 resident district must be reduced by an amount equal to (1) the actual cost of providing  
233.10 special instruction and services to the pupil, including a proportionate amount for special  
233.11 transportation and unreimbursed building lease and debt service costs for facilities used  
233.12 primarily for special education, plus (2) the amount of general education revenue and  
233.13 referendum equalization aid attributable to that pupil, calculated using the resident district's  
233.14 average general education revenue and referendum equalization aid per adjusted pupil  
233.15 unit excluding basic skills revenue, elementary sparsity revenue and secondary sparsity  
233.16 revenue, minus (3) the amount of special education aid for children with a disability  
233.17 under section 125A.76 received on behalf of that child, minus (4) if the pupil receives  
233.18 special instruction and services outside the regular classroom for more than 60 percent  
233.19 of the school day, the amount of general education revenue and referendum equalization  
233.20 aid, excluding portions attributable to district and school administration, district support  
233.21 services, operations and maintenance, capital expenditures, and pupil transportation,  
233.22 attributable to that pupil for the portion of time the pupil receives special instruction  
233.23 and services outside of the regular classroom, calculated using the resident district's  
233.24 average general education revenue and referendum equalization aid per adjusted pupil unit  
233.25 excluding basic skills revenue, elementary sparsity revenue and secondary sparsity revenue  
233.26 and the serving district's basic skills revenue, elementary sparsity revenue and secondary

233.28 served by a cooperative unit without a fiscal agent school district, the general education  
233.29 revenue and referendum equalization aid attributable to a pupil must be calculated using  
233.30 the resident district's average general education revenue and referendum equalization aid  
233.31 excluding compensatory revenue, elementary sparsity revenue, and secondary sparsity  
233.32 revenue. Special education aid paid to the district or cooperative providing special  
233.33 instruction and services for the pupil must be increased by the amount of the reduction in  
233.34 the aid paid to the resident district. Amounts paid to cooperatives under this subdivision  
233.35 and section 127A.47, subdivision 7, shall be recognized and reported as revenues and

expenditures on the resident school district's books of account under sections 123B.75 and 123B.76. If the resident district's special education aid is insufficient to make the full adjustment, the remaining adjustment shall be made to other state aid due to the district.

(b) Notwithstanding paragraph (a) and section 127A.47, subdivision 7, paragraphs (b) to (d), a charter school where more than 30 percent of enrolled students receive special education and related services, a site approved under section 125A.515, an intermediate district, a special education cooperative, or a school district that served as the applicant agency for a group of school districts for federal special education aids for fiscal year 2006 may apply to the commissioner for authority to charge the resident district an additional amount to recover any remaining unreimbursed costs of serving pupils with a disability. The application must include a description of the costs and the calculations used to determine the unreimbursed portion to be charged to the resident district. Amounts approved by the commissioner under this paragraph must be included in the tuition billings or aid adjustments under paragraph (a), or section 127A.47, subdivision 7, paragraphs (b) to (d), as applicable.

(c) For purposes of this subdivision and section 127A.47, subdivision 7, ~~paragraphs (d) and (e)~~ paragraph (b), "general education revenue and referendum equalization aid" means the sum of the general education revenue according to section 126C.10, subdivision 1, excluding the local optional levy according to section 126C.10, subdivision 2e, paragraph (c), plus the referendum equalization aid according to section 126C.17, subdivision 7.

**EFFECTIVE DATE.** This section is effective for revenue for fiscal year 2015 and later.

235.8 125A.24, 125A.259 to 125A.48, and 125A.65 as submitted by the district and approved by

(3) for special instruction and services provided to any pupil by contracting with public, private, or voluntary agencies other than school districts, in place of special instruction and services provided by the district, 52 percent of the difference between the amount of the contract and the general education revenue, excluding basic skills revenue and alternative teacher compensation revenue, and referendum equalization aid attributable to a pupil, calculated using the resident district's average general education revenue and referendum equalization aid per adjusted pupil unit for the fraction of the school day the pupil receives services under the contract. This includes children who are residents of the state, receive services under this subdivision and subdivision 1, and are placed in a care and treatment facility by court action in a state that does not have a reciprocity agreement with the commissioner under section 125A.155 as provided for in section 125A.79, subdivision 8;

Subd. 8. **Special education paperwork cost savings.** (a) For the contract to customize a statewide online reporting system and effect special education paperwork cost savings:

\$ 1,763,000 ..... 2014

For a transfer to MNIT. This appropriation is available in fiscal year 2015 ~~if not~~ and must be expended according to this subdivision for online due process reporting.

(b) To ensure a strong focus on outcomes for children with disabilities informs federal and state compliance and accountability requirements and to increase opportunities for special educators and related-services providers to focus on teaching children with disabilities, the commissioner must customize a streamlined, user-friendly statewide online system, with a single model online form, for effectively and efficiently collecting and reporting required special education-related data to individuals with a legitimate educational interest and who are authorized by law to access the data.

(c) The commissioner must consult with qualified experts, including information technology specialists, licensed special education teachers and directors of special education, related-services providers, third-party vendors, a designee of the commissioner of human services, parents of children with disabilities, representatives of advocacy groups representing children with disabilities, and representatives of school districts and special

242.1 education cooperatives on integrating, field testing, customizing, and sustaining this simple,  
 242.2 easily accessible, efficient, and effective online data system for uniform statewide reporting  
 242.3 of required due process compliance data. Among other outcomes, the system must:  
 242.4 (1) reduce special education teachers' paperwork burden and thereby increase the  
 242.5 teachers' opportunities to focus on teaching children;  
 242.6 (2) to the extent authorized by chapter 13 or other applicable state or federal law  
 242.7 governing access to and dissemination of educational records, provide for efficiently  
 242.8 and effectively transmitting the records of all transferring children with disabilities,  
 242.9 including highly mobile and homeless children with disabilities, among others, and avoid  
 242.10 fragmented service delivery;  
 242.11 (3) address language and other barriers and disparities that prevent parents from  
 242.12 understanding and communicating information about the needs of their children with  
 242.13 disabilities; and  
 242.14 (4) help continuously improve the interface among the online systems serving  
 242.15 children with disabilities in order to maintain and reinforce the children's ability to learn.  
 242.16 (d) The commissioner must use the federal Office of Special Education Programs  
 242.17 model forms for the (1) individualized education program, (2) notice of procedural  
 242.18 safeguards, and (3) prior written notice that are consistent with Part B of IDEA to integrate  
 242.19 and customize a state-sponsored universal special education online case management  
 242.20 system, consistent with the requirements of state law and this subdivision for customizing  
 242.21 a statewide online reporting system. The commissioner must use a request for proposal  
 242.22 process to contract for the technology and software needed for customizing the online  
 242.23 system in order for the system to be fully functional, consistent with the requirements of  
 242.24 this subdivision. This online system must be made available to school districts without  
 242.25 charge beginning in the 2015-2016 school year. For the 2015-2016 through 2017-2018  
 242.26 school years, school districts may use this online system or may contract with an outside  
 242.27 vendor for compliance reporting. Beginning in the 2018-2019 school year and later,  
 242.28 school districts must use this online system for compliance reporting.  
 242.29 (e) All data on individuals maintained in the statewide reporting system are  
 242.30 classified as provided in chapter 13 or other applicable state or federal law. An authorized  
 242.31 individual's ability to enter, update, or access data must be limited through the use of  
 242.32 role-based access codes corresponding to that individual's official duties or training level,  
 242.33 and the statutory authorization that grants access for a particular purpose. Any action  
 242.34 in which data in the system are entered, updated, accessed, or shared or disseminated  
 242.35 outside of the system must be recorded in an audit trail. The audit trail must identify the  
 242.36 specific user responsible for the action, the date and time the action occurred, and the

purpose for the action. Data contained in the audit trail maintain the same classification as the underlying data affected by the action, provided the responsible authority makes the data available to a student or the student's parent upon request, and the responsible authority may access the data to audit the system's user activity and security safeguards. Before entering data on a student, the responsible authority must provide the student or the student's parent written notice of the data practices rights and responsibilities required by this subdivision and a reasonable opportunity to refuse consent to have the student's data included in the system. Upon receiving the student or the student's parent written refusal to consent, the school district must not enter data on that student into the system and must delete any existing data on that student currently in the system.

(f) Consistent with this subdivision, the commissioner must establish a public Internet Web interface to provide information to educators, parents, and the public about the form and content of required special education reports, to respond to queries from educators, parents, and the public about specific aspects of special education reports and reporting, and to use the information garnered from the interface to streamline and revise special education reporting on the online system under this subdivision. The public Internet Web interface must have a prominently-linked page describing the rights and responsibilities of students and parents whose data are included in the statewide reporting system, and include information on the data practices rights of students and parents provided by this subdivision and a form students or parents may use to refuse consent to have a student's data included in the system. The public Internet Web interface must not provide access to the educational records of any individual child.

(g) The commissioner annually by February 1 must submit to the legislature a report on the status, recent changes, and sustainability of the online system under this subdivision.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

## Sec. 12. **RULEMAKING AUTHORITY; SPECIAL EDUCATION TASK FORCE RECOMMENDATIONS.**

The commissioner of education must use the expedited rulemaking process under Minnesota Statutes, section 14.389, including subdivision 5, to make the specific rule changes recommended by the Special Education Case Load and Rule Alignment Task Force in its 2014 report entitled "Recommendations for Special Education Case Load and Rule Alignment" submitted to the legislature on February 15, 2014.

**EFFECTIVE DATE.** This section is effective the day following final enactment.

244.1      **Sec. 13. APPROPRIATION.**

244.2 Subdivision 1. **Department of Education.** The sums indicated in this section are  
244.3 appropriated from the general fund to the Department of Education for the fiscal years  
244.4 designated.

244.5 Subd. 2. **Department assistance.** For the commissioner of education to assist  
244.6 school districts in meeting the needs of children who have experienced a high use of prone  
244.7 restraints, consistent with Minnesota Statutes 2013 Supplement, section 125A.0942:

244.8                      \$                      250,000                      .....                      2015

244.9           The commissioners of education and human services, or their designees, must  
244.10 discuss coordinating use of funds and personnel available for this purpose within their  
244.11 respective departments. This is a onetime appropriation.

244.13 **FACILITIES**

244.14 Section 1. ~~123A.482~~ **JOINT POWERS COOPERATIVE FACILITY.**

244.15        Subdivision 1. **Schools may be jointly operated.** Two or more school districts may  
244.16 agree to jointly operate a secondary facility. The districts may choose to operate the  
244.17 facility according to a joint powers agreement under section 123A.78 or 471.59.

244.18 Subd. 2. **Expanded program offerings.** A jointly operated secondary program  
244.19 seeking funding under section 123A.485 must demonstrate to the commissioner's  
244.20 satisfaction that the jointly operated program provides enhanced learning opportunities and  
244.21 broadier curriculum offerings to the students attending that program. The commissioner  
244.22 must approve or disapprove a cooperative secondary program within 60 days of receipt of  
244.23 an application.

244.24 Subd. 3. **Transfer of employees.** If an employee is transferred between two  
244.25 employer members of the joint powers agreement under this section, the employee's  
244.26 length of service under section 122A.40, subdivision 5, remains uninterrupted. The  
244.27 employee shall receive credit on the receiving district's salary schedule for the employee's  
244.28 educational attainment and years of continuous service in the sending district, or shall  
244.29 receive a comparable salary, whichever is greater. The employee shall receive credit for  
244.30 accrued sick leave and rights to severance benefits as if the employee had been employed  
244.31 by the receiving district during the employee's years of employment in the sending district.

244.32 Subd. 4. **Revenue.** An approved program that is jointly operated under this section  
244.33 is eligible for aid under section 123A.485 and qualifies for a facilities grant under sections  
244.34 123A.44 to 123A.446.

Subd. 5. **Duty to maintain elementary and secondary schools met.** A school district operating a joint facility under this section meets the requirements of section 123A.64.

Subd. 6. **Estimated market value limit exclusion.** Bonds for a cooperative facility operated under this section issued by a member school district are not subject to the net debt limit under section 475.53, subdivision 4.

Subd. 7. **Allocation of levy authority for joint facility.** For purposes of determining each member district's school levy, a jointly operated secondary program may allocate program costs to each member district according to the joint powers agreement and each member district may include those costs in its tax levy. The joint powers agreement may choose to allocate costs on any basis adopted as part of the joint powers agreement.

Subd. 8. **Effect of consolidation.** The joint powers agreement may allow member school districts that choose to consolidate to continue to certify levies separately based on each component district's characteristics.

Subd. 9. **Bonds.** A joint powers district formed under this section may issue bonds according to section 123A.78 or its member districts may issue bonds individually after complying with this subdivision. The joint powers board must submit the project for review and comment under section 123B.71. The joint powers board must hold a hearing on the proposal. If the bonds are not issued under section 123A.78, each member district of the joint powers district must submit the question of authorizing borrowing of funds for the project to the voters of the district at a special election. The question submitted shall state the total amount of funding needed from that district. The member district may issue the bonds according to chapter 475 and certify the levy required by section 475.61 only if a majority of those voting on the question in that district vote in the affirmative and only after the board has adopted a resolution pledging the full faith and credit of that unit. The resolution must irrevocably commit that unit to pay an agreed-upon share of any debt levy shortages that, together with other funds available, would allow the member school board to pay the principal and interest on the obligations. The clerk of the joint powers board must certify the vote of any bond elections to the commissioner. Bonds issued under this section first qualify for debt service equalization aid in fiscal year 2018.

Subd. 10. **Election.** A district entering into a joint powers agreement under this section may conduct a referendum seeking approval for a new facility. This election may be held separately or at the same time as a bond election under subdivision 9. If the election is held at the same time, the questions may be asked separately or as a conjunctive question. The question must be approved by a majority of those voting on the question.

246.1 If asked separately and the question fails, a district may not proceed with the sale of  
246.2 bonds according to subdivision 9.

246.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

246.4 Sec. 2. Minnesota Statutes 2012, section 123A.64, is amended to read:

(2) the district's eligible debt service revenue under section 123B.53.

**Subd. 4. Equalized natural disaster debt service levy.** A district's equalized natural disaster debt service levy equals the district's natural disaster debt service equalization revenue times the lesser of one or the ratio of:

(1) the quotient derived by dividing the adjusted net tax capacity of the district for the year before the year the levy is certified by the adjusted pupil units in the district for the school year ending in the year prior to the year the levy is certified; to

249.1           (2) 300 percent of the statewide adjusted net tax capacity equalizing factor.

249.2           Subd. 5. **Natural disaster debt service equalization aid.** A district's natural  
249.3 disaster debt service equalization aid equals the difference between the district's natural

 253.28 installed or modified for a project subject to this section must provide a filtration system  
 253.29 with a current ASHRAE standard.

253.30 **EFFECTIVE DATE.** This section is effective July 1, 2014.

253.31 Sec. 12. Minnesota Statutes 2013 Supplement, section 126C.10, subdivision 2d,  
 253.32 is amended to read:

254.1 Subd. 2d. **Declining enrollment revenue.** (a) A school district's declining

 254.3 formula allowance for that year and (2) the difference between the adjusted pupil units for  
 254.4 the preceding year and the adjusted pupil units for the current year.

254.5 (b) Notwithstanding paragraph (a), for fiscal years 2015, 2016, and 2017 only, a pupil  
 254.6 enrolled at the Crosswinds school shall not generate declining enrollment revenue for the  
 254.7 district or charter school in which the pupil was last counted in average daily membership.

254.8 **EFFECTIVE DATE.** This section is effective July 1, 2014, if but only if the

254.11 Sec. 13. Minnesota Statutes 2013 Supplement, section 126C.40, subdivision 1, is  
 254.12 amended to read:

254.13 Subdivision 1. **To lease building or land.** (a) When an independent or a special  
 254.14 school district or a group of independent or special school districts finds it economically  
 254.15 advantageous to rent or lease a building or land for any instructional purposes or for  
 254.16 school storage or furniture repair, and it determines that the operating capital revenue  
 254.17 authorized under section 126C.10, subdivision 13, is insufficient for this purpose, it may  
 254.18 apply to the commissioner for permission to make an additional capital expenditure levy  
 254.19 for this purpose. An application for permission to levy under this subdivision must contain  
 254.20 financial justification for the proposed levy, the terms and conditions of the proposed  
 254.21 lease, and a description of the space to be leased and its proposed use.

254.22 (b) The criteria for approval of applications to levy under this subdivision must  
 254.23 include: the reasonableness of the price, the appropriateness of the space to the proposed  
 254.24 activity, the feasibility of transporting pupils to the leased building or land, conformity  
 254.25 of the lease to the laws and rules of the state of Minnesota, and the appropriateness of  
 254.26 the proposed lease to the space needs and the financial condition of the district. The  
 254.27 commissioner must not authorize a levy under this subdivision in an amount greater than  
 254.28 the cost to the district of renting or leasing a building or land for approved purposes.  
 254.29 The proceeds of this levy must not be used for custodial or other maintenance services.  
 254.30 A district may not levy under this subdivision for the purpose of leasing or renting a  
 254.31 district-owned building or site to itself.

254.32 (c) For agreements finalized after July 1, 1997, a district may not levy under this  
 254.33 subdivision for the purpose of leasing: (1) a newly constructed building used primarily  
 254.34 for regular kindergarten, elementary, or secondary instruction; or (2) a newly constructed  
 254.35 building addition or additions used primarily for regular kindergarten, elementary, or

255.1 secondary instruction that contains more than 20 percent of the square footage of the  
 255.2 previously existing building.

255.3 (d) Notwithstanding paragraph (b), a district may levy under this subdivision for the  
 255.4 purpose of leasing or renting a district-owned building or site to itself only if the amount  
 255.5 is needed by the district to make payments required by a lease purchase agreement,  
 255.6 installment purchase agreement, or other deferred payments agreement authorized by law,  
 255.7 and the levy meets the requirements of paragraph (c). A levy authorized for a district by  
 255.8 the commissioner under this paragraph may be in the amount needed by the district to  
 255.9 make payments required by a lease purchase agreement, installment purchase agreement,  
 255.10 or other deferred payments agreement authorized by law, provided that any agreement  
 255.11 include a provision giving the school districts the right to terminate the agreement  
 255.12 annually without penalty.

255.13 (e) The total levy under this subdivision for a district for any year must not exceed  
 255.14 ~~\$162~~ \$212 times the adjusted pupil units for the fiscal year to which the levy is attributable.

255.15 (f) For agreements for which a review and comment have been submitted to the  
 255.16 Department of Education after April 1, 1998, the term "instructional purpose" as used in  
 255.17 this subdivision excludes expenditures on stadiums.

255.18 (g) The commissioner of education may authorize a school district to exceed the  
 255.19 limit in paragraph (e) if the school district petitions the commissioner for approval. The  
 255.20 commissioner shall grant approval to a school district to exceed the limit in paragraph (e)  
 255.21 for not more than five years if the district meets the following criteria:

255.22 (1) the school district has been experiencing pupil enrollment growth in the  
 255.23 preceding five years;

255.24 (2) the purpose of the increased levy is in the long-term public interest;

255.25 (3) the purpose of the increased levy promotes colocation of government services; and

255.26 (4) the purpose of the increased levy is in the long-term interest of the district by  
 255.27 avoiding over construction of school facilities.

255.28 (h) A school district that is a member of an intermediate school district may include  
 255.29 in its authority under this section the costs associated with leases of administrative and  
 255.30 classroom space for intermediate school district programs. This authority must not exceed  
 255.31 ~~\$46~~ \$65 times the adjusted pupil units of the member districts. This authority is in addition  
 255.32 to any other authority authorized under this section.

255.33 (i) In addition to the allowable capital levies in paragraph (a), for taxes payable in  
 255.34 2012 to 2023, a district that is a member of the "Technology and Information Education  
 255.35 Systems" data processing joint board, that finds it economically advantageous to enter into  
 255.36 a lease agreement to finance improvements to a building and land for a group of school

districts or special school districts for staff development purposes, may levy for its portion of lease costs attributed to the district within the total levy limit in paragraph (e). The total levy authority under this paragraph shall not exceed \$632,000.

(j) Notwithstanding paragraph (a), a district may levy under this subdivision for the purpose of leasing administrative space if the district can demonstrate to the satisfaction of the commissioner that the lease cost for the administrative space is no greater than the lease cost for instructional space that the district would otherwise lease. The commissioner must deny this levy authority unless the district passes a resolution stating its intent to lease instructional space under this section if the commissioner does not grant authority under this paragraph. The resolution must also certify that the lease cost for administrative space under this paragraph is no greater than the lease cost for the district's proposed instructional lease.

**EFFECTIVE DATE.** This section is effective for taxes payable in 2015 and later.

Sec. 14. Minnesota Statutes 2013 Supplement, section 126C.48, subdivision 8, is amended to read:

Subd. 8. **Taconite payment and other reductions.** (1) Reductions in levies pursuant to subdivision 1 must be made prior to the reductions in clause (2).

(2) Notwithstanding any other law to the contrary, districts that have revenue pursuant to sections 298.018; 298.225; 298.24 to 298.28, except an amount distributed under sections 298.26; 298.28, subdivision 4, paragraphs (c), clause (ii), and (d); 298.34 to 298.39; 298.391 to 298.396; 298.405; 477A.15; and any law imposing a tax upon severed mineral values must reduce the levies authorized by this chapter and chapters 120B, 122A, 123A, 123B, 124A, 124D, 125A, and 127A by 95 percent of the sum of the previous year's revenue specified under this clause and the amount attributable to the same production year distributed to the cities and townships within the school district under section 298.28, subdivision 2, paragraph (c).

(3) The amount of any voter approved referendum, facilities down payment, and debt levies shall not be reduced by more than 50 percent under this subdivision, except that payments under section 298.28, subdivision 7a, may reduce the debt service levy by more than 50 percent. In administering this paragraph, the commissioner shall first reduce the nonvoter approved levies of a district; then, if any payments, severed mineral value tax revenue or recognized revenue under paragraph (2) remains, the commissioner shall reduce any voter approved referendum levies authorized under section 126C.17; then, if any payments, severed mineral value tax revenue or recognized revenue under paragraph (2) remains, the commissioner shall reduce any voter approved facilities down payment

levies authorized under section 123B.63 and then, if any payments, severed mineral value tax revenue or recognized revenue under paragraph (2) remains, the commissioner shall reduce any voter approved debt levies.

(4) Before computing the reduction pursuant to this subdivision of the health and safety levy authorized by sections 123B.57 and 126C.40, subdivision 5, the commissioner shall ascertain from each affected school district the amount it proposes to levy under each section or subdivision. The reduction shall be computed on the basis of the amount so ascertained.

(5) To the extent the levy reduction calculated under paragraph (2) exceeds the limitation in paragraph (3), an amount equal to the excess must be distributed from the school district's distribution under sections 298.225, 298.28, and 477A.15 in the following year to the cities and townships within the school district in the proportion that their taxable net tax capacity within the school district bears to the taxable net tax capacity of the school district for property taxes payable in the year prior to distribution. No city or township shall receive a distribution greater than its levy for taxes payable in the year prior to distribution. The commissioner of revenue shall certify the distributions of cities and towns under this paragraph to the county auditor by September 30 of the year preceding distribution. The county auditor shall reduce the proposed and final levies of cities and towns receiving distributions by the amount of their distribution. Distributions to the cities and towns shall be made at the times provided under section 298.27.

Subd. 2. **Abatements.** Whenever by virtue of chapter 278, sections 270C.86, 375.192, or otherwise, the net tax capacity or referendum market value of any district for any taxable year is changed after the taxes for that year have been spread by the county auditor and the local tax rate as determined by the county auditor based upon the original net tax capacity is applied upon the changed net tax capacities, the county auditor shall, prior to February 1 of each year, certify to the commissioner of education the amount of any resulting net revenue loss that accrued to the district during the preceding year. Each year, the commissioner shall pay an abatement adjustment to the district in an amount calculated according to the provisions of this subdivision. This amount shall be deducted from the amount of the levy authorized by section 126C.46. The amount of the abatement adjustment must be the product of:

EARLY EDUCATION, COMMUNITY EDUCATION, SELF-SUFFICIENCY  
AND LIFELONG LEARNING

Section 1. Minnesota Statutes 2012, section 124D.13, subdivision 2, as amended by Laws 2014, chapter 272, article 1, section 31, is amended to read:

Subd. 2. **Program requirements.** (a) Early childhood family education programs are programs for children in the period of life from birth to kindergarten, for the parents and other relatives of these children, and for expectant parents. To the extent that funds are insufficient to provide programs for all children, early childhood family education programs should emphasize programming for a child from birth to age three and encourage parents and other relatives to involve four- and five-year-old children in school readiness programs, and other public and nonpublic early learning programs. A district may not limit participation to school district residents. Early childhood family education programs must provide:

- (1) programs to educate parents and other relatives about the physical, ~~mental,~~ cognitive, social, and emotional development of children and to enhance the skills of parents and other relatives in providing for their children's learning and development;
- (2) structured learning activities requiring interaction between children and their parents or relatives;
- (3) structured learning activities for children that promote children's development and positive interaction with peers, which are held while parents or relatives attend parent education classes;
- (4) information on related community resources;
- (5) information, materials, and activities that support the safety of children, including prevention of child abuse and neglect; ~~and~~
- (6) a community ~~outreach plan to ensure participation by families who reflect the racial, cultural, linguistic, and economic diversity of the school district.~~ needs assessment that identifies new and underserved populations, identifies child and family risk factors, particularly those that impact children's learning and development, and assesses family and parenting education needs in the community;

(7) programming and services that are tailored to the needs of families and parents prioritized in the community needs assessment; and

(8) provide information about and, if needed, assist in making arrangements for an early childhood health and developmental screening under sections 121A.16 and 121A.17, when the child nears the third birthday.

Early childhood family education programs should prioritize programming and services for families and parents identified in the community needs assessment, particularly those families and parents with children with the most risk factors birth to age three.

Early childhood family education programs are encouraged to provide parents of English learners with translated oral and written information to monitor the program's impact on their children's English language development, to know whether their children are progressing in developing their English and native language proficiency, and to actively engage with and support their children in developing their English and native language proficiency.

The programs must include learning experiences for children, parents, and other relatives that promote children's early literacy and, where practicable, their native language skills and activities for children that require substantial involvement of the children's parents or other relatives. The program may provide parenting education programming or services to anyone identified in the community needs assessment. Providers must review the program periodically to assure the instruction and materials are not racially, culturally, or sexually biased. The commissioner may designate a predetermined number of scholarship slots for that program and notify the program of that number. Beginning July 1, 2016, a school district or Head Start program qualifying under this paragraph may

273.1 use its established registration process to enroll scholarship recipients and may verify a  
273.2 scholarship recipient's family income in the same manner as for other program participants.

273.3 (d) A scholarship is awarded for a 12-month period. If the scholarship recipient has  
273.4 not been accepted and subsequently enrolled in a rated program within ten months of the  
273.5 awarding of the scholarship, the scholarship cancels and the recipient must reapply in  
273.6 order to be eligible for another scholarship. A child may not be awarded more than one  
273.7 scholarship in a 12-month period.

273.8 (e) A child who receives a scholarship who has not completed development  
273.9 screening under sections 121A.16 to 121A.19 must complete that screening within 90

273.23 (2) beginning July 1, 2016, have a three- or four-star rating in the quality rating  
273.24 and improvement system.

273.25 (b) Any program accepting scholarships must use the revenue to supplement and not  
273.26 supplant federal funding.

273.27 (c) Notwithstanding paragraph (a), all Minnesota early learning foundation  
273.28 scholarship program pilot sites are eligible to accept an early learning scholarship under

 274.9 section 124D.521, may make grants to nonprofit organizations to provide services that  
 274.10 are not offered by a district adult basic education program or that are supplemental to  
 274.11 either the statewide adult basic education program, or a district's adult basic education  
 274.12 program. The commissioner may make grants for: staff development for adult basic

274.21 (b) The commissioner must establish eligibility criteria and grant application  
 274.22 procedures. Grants under this section must support services throughout the state, focus on

 274.24 adult basic education programs. Beginning in fiscal year 2002, the commissioner may

 274.29 delivery. A grant to a single organization cannot exceed ~~20~~ 40 percent of the total  
 274.30 supplemental services aid. Nothing in this section prevents an approved adult basic  
 274.31 education program from using state or federal aid to purchase supplemental services.

(1) the provider is a nonprofit organization not affiliated with a hospital or medical group that offers free or reduced-cost oral health care to low-income patients under the age of 21 with family incomes below 275 percent of the federal poverty guidelines who do not have insurance coverage for oral health care services;

(2) the provider is eligible for critical access dental provider payments under section 256B.76, subdivision 4; and

(3) more than 80 percent of the dental provider's patient encounters per year are with patients who are uninsured or covered by medical assistance or MinnesotaCare.

(b) Grants shall be distributed by the commissioner of health to each eligible provider based on the proportion of that provider's number of low-income uninsured patients under the age of 21 served in the reporting year to the total number of low-income uninsured patients under the age of 21 served by all eligible providers, except that no single eligible provider shall receive less than two percent or more than 30 percent of the total appropriation provided under this subdivision. If the number of eligible providers is such that the minimum of two percent cannot be provided to each eligible provider, the commissioner shall limit eligibility for the subsidy to the top 20 eligible oral health providers.

Subd. 2. **Community mental health programs.** A community mental health program is eligible for a grant under this section if it is a community mental health center established under section 245.62, or a nonprofit community mental health clinic that is designated as an essential community provider under section 62Q.19, and the center or clinic offers free or reduced-cost mental health care to low-income patients under the age of 21 with family incomes below 275 percent of the federal poverty guidelines who do not have health insurance coverage. (b) Hospitals seeking a grant from this program must submit an application that includes the number and dollar amount of hospital claims for emergency medical assistance in excess of \$50,000 to the commissioner in a form prescribed by the commissioner. Claims for inpatient hospital, outpatient services, and hospital emergency department services shall be considered when determining the value of the grants.

Subd. 4. **Grant process.** The commissioner of health may use data submitted by organizations seeking a grant under this section, without further verification, for purposes of determining eligibility for a grant and allocating grant money among eligible organizations. The chief executive or chief financial officer must certify that the data submitted is accurate and that no changes were made in the organization's accounting and record-keeping practices or policies for providing free or reduced-cost care to uninsured patients for the purpose of creating eligibility or increasing the organization's allocation. The commissioner may audit or verify the data submitted. Grant funds must be used to defray the organization's costs of providing care and services to uninsured patients as identified under subdivision 1, 2, or 3. An organization must not receive more than one grant under subdivision 1, 2, or 3, even though the organization is potentially eligible for a grant under two or more subdivisions. Organizations eligible for a grant under this section may join together to submit a combined application provided the data submitted is certified by each individual organization.

Sec. 8. Minnesota Statutes 2013 Supplement, section 256B.04, subdivision 21, is amended to read:

**Subd. 21. **Provider enrollment.**** (a) If the commissioner or the Centers for Medicare and Medicaid Services determines that a provider is designated "high-risk," the commissioner may withhold payment from providers within that category upon initial enrollment for a 90-day period. The withholding for each provider must begin on the date of the first submission of a claim.

(b) An enrolled provider that is also licensed by the commissioner under chapter 245A, or is licensed as a home care provider by the Department of Health under chapter 144A and has a home and community-based services designation on the home care license under section 144A.484, must designate an individual as the entity's compliance officer. The compliance officer must:

303.12 reimbursement overpayment, report the overpayment to the commissioner and make  
303.13 arrangements with the commissioner for the commissioner's recovery of the overpayment.

303.14 The commissioner may require, as a condition of enrollment in medical assistance, that a  
303.15 provider within a particular industry sector or category establish a compliance program that  
303.16 contains the core elements established by the Centers for Medicare and Medicaid Services.

303.17 (c) The commissioner may revoke the enrollment of an ordering or rendering  
303.18 provider for a period of not more than one year, if the provider fails to maintain and, upon  
303.19 request from the commissioner, provide access to documentation relating to written orders  
303.20 or requests for payment for durable medical equipment, certifications for home health  
303.21 services, or referrals for other items or services written or ordered by such provider, when  
303.22 the commissioner has identified a pattern of a lack of documentation. A pattern means a  
303.23 failure to maintain documentation or provide access to documentation on more than one  
303.24 occasion. Nothing in this paragraph limits the authority of the commissioner to sanction a  
303.25 provider under the provisions of section 256B.064.

303.26 (d) The commissioner shall terminate or deny the enrollment of any individual or  
303.27 entity if the individual or entity has been terminated from participation in Medicare or

303.29 (e) As a condition of enrollment in medical assistance, the commissioner shall  
303.30 require that a provider designated "moderate" or "high-risk" by the Centers for Medicare

303.32 Services, its agents, or its designated contractors and the state agency, its agents, or its  
303.33 designated contractors to conduct unannounced on-site inspections of any provider location.  
303.34 The commissioner shall publish in the Minnesota Health Care Program Provider Manual a  
303.35 list of provider types designated "limited," "moderate," or "high-risk," based on the criteria  
303.36 and standards used to designate Medicare providers in Code of Federal Regulations, title

42, section 424.518. The list and criteria are not subject to the requirements of chapter 14. The commissioner's designations are not subject to administrative appeal.

(f) As a condition of enrollment in medical assistance, the commissioner shall require that a high-risk provider, or a person with a direct or indirect ownership interest in the provider of five percent or higher, consent to criminal background checks, including fingerprinting, when required to do so under state law or by a determination by the commissioner or the Centers for Medicare and Medicaid Services that a provider is designated high-risk for fraud, waste, or abuse.

(g)(1) Upon initial enrollment, reenrollment, and revalidation, all durable medical equipment, prosthetics, orthotics, and supplies (DMEPOS) suppliers operating in Minnesota and receiving Medicaid funds must purchase a surety bond that is annually renewed and designates the Minnesota Department of Human Services as the obligee, and must be submitted in a form approved by the commissioner.

(2) At the time of initial enrollment or reenrollment, the provider agency must purchase a performance bond of \$50,000. If a revalidating provider's Medicaid revenue in the previous calendar year is up to and including \$300,000, the provider agency must purchase a performance bond of \$50,000. If a revalidating provider's Medicaid revenue in the previous calendar year is over \$300,000, the provider agency must purchase a performance bond of \$100,000. The performance bond must allow for recovery of costs and fees in pursuing a claim on the bond.

(h) The Department of Human Services may require a provider to purchase a performance surety bond as a condition of initial enrollment, reenrollment, reinstatement, or continued enrollment if: (1) the provider fails to demonstrate financial viability, (2) the department determines there is significant evidence of or potential for fraud and abuse by the provider, or (3) the provider or category of providers is designated high-risk pursuant to paragraph (a) and as per Code of Federal Regulations, title 42, section 455.450. The performance bond must be in an amount of \$100,000 or ten percent of the provider's payments from Medicaid during the immediately preceding 12 months, whichever is greater. The performance bond must name the Department of Human Services as an obligee and must allow for recovery of costs and fees in pursuing a claim on the bond.

A majority decision by the physicians is necessary to make a determination that the services were not medically necessary.

Sec. 5. Minnesota Statutes 2012, section 256.9686, subdivision 2, is amended to read:

Subd. 2. **Base year.** "Base year" means a hospital's fiscal year or years that is recognized by the Medicare program or a hospital's fiscal year specified by the commissioner if a hospital is not required to file information by the Medicare program from which cost and statistical data are used to establish medical assistance ~~and general assistance medical care~~ payment rates.

Sec. 6. Minnesota Statutes 2012, section 256.969, subdivision 1, is amended to read:

Subdivision 1. **Hospital cost index.** (a) The hospital cost index shall be the change in the Consumer Price Index-All Items (United States city average) (CPI-U) forecasted by Data Resources, Inc. The commissioner shall use the indices as forecasted in the third quarter of the calendar year prior to the rate year. The hospital cost index may be used to adjust the base year operating payment rate through the rate year on an annually compounded basis.

(b) For fiscal years beginning on or after July 1, 1993, the commissioner of human services shall not provide automatic annual inflation adjustments for hospital payment rates under medical assistance, ~~nor under general assistance medical care, except that the inflation adjustments under paragraph (a) for medical assistance, excluding general assistance medical care, shall apply through calendar year 2001. The index for calendar year 2000 shall be reduced 2.5 percentage points to recover overprojections of the index from 1994 to 1996.~~ The commissioner of management and budget shall include as a budget change request in each biennial detailed expenditure budget submitted to the legislature under section 16A.11 annual adjustments in hospital payment rates under medical assistance ~~and general assistance medical care~~, based upon the hospital cost index.

Sec. 7. Minnesota Statutes 2012, section 256.969, subdivision 2, is amended to read:

Subd. 2. **Diagnostic categories.** The commissioner shall use to the extent possible existing diagnostic classification systems, including such as the system used by the Medicare program all patient-refined diagnosis-related groups (APR-DRGs) or other similar classification programs to determine the relative values of inpatient services

310.1 and case mix indices. The commissioner may combine diagnostic classifications into  
 310.2 diagnostic categories and may establish separate categories and numbers of categories  
 310.3 based on ~~program eligibility or hospital peer group~~. Relative values shall be ~~reecaleulated~~  
 310.4 recalibrated when the base year is changed. Relative value determinations shall include  
 310.5 paid claims for admissions during each hospital's base year. The commissioner may  
 310.6 ~~extend the time period forward to obtain suffieiently valid information to establish relative~~  
 310.7 ~~values~~ supplement the diagnostic classification systems data with national averages.  
 310.8 Relative value determinations shall not include ~~property cost data~~, Medicare crossover  
 310.9 data, and data on admissions that are paid a per day transfer rate under subdivision 14. The  
 310.10 computation of the base year cost per admission must include identified outlier cases and  
 310.11 their weighted costs up to the point that they become outlier cases, but must exclude costs  
 310.12 recognized in outlier payments beyond that point. The commissioner may recategorize the  
 310.13 diagnostic classifications and ~~reecaleulate~~ recalibrate relative values and case mix indices  
 310.14 to reflect actual hospital practices, the specific character of specialty hospitals, or to reduce  
 310.15 variances within the diagnostic categories after notice in the State Register and a 30-day  
 310.16 comment period. ~~The commissioner shall recategorize the diagnostic classifications and~~  
 310.17 ~~reecaleulate relative values and case mix indices based on the two-year schedule in effect~~  
 310.18 ~~prior to January 1, 2013, reflected in subdivision 2b. The first recategorization shall occur~~  
 310.19 ~~January 1, 2013, and shall occur every two years after. When rates are not rebased under~~  
 310.20 ~~subdivision 2b, the commissioner may establish relative values and case mix indices based~~  
 310.21 ~~on charge data and may update the base year to the most recent data available.~~

310.22 Sec. 8. Minnesota Statutes 2012, section 256.969, subdivision 2b, is amended to read:

310.23 Subd. 2b. **Operating Hospital payment rates.** ~~In determining operating payment~~  
 310.24 ~~rates for admissions occurring on or after the rate year beginning January 1, 1991,~~  
 310.25 ~~and every two years after, or more frequently as determined by the commissioner,~~  
 310.26 ~~the commissioner shall obtain operating data from an updated base year and establish~~  
 310.27 ~~operating payment rates per admission for each hospital based on the cost-finding methods~~  
 310.28 ~~and allowable costs of the Medicare program in effect during the base year. Rates under~~  
 310.29 ~~the general assistance medical care, medical assistance, and MinnesotaCare programs shall~~  
 310.30 ~~not be rebased to more current data on January 1, 1997, January 1, 2005, for the first 24~~  
 310.31 ~~months of the rebased period beginning January 1, 2009~~ (a) For discharges occurring on  
 310.32 or after November 1, 2014, hospital inpatient services for hospitals located in Minnesota  
 310.33 shall be paid according to the following:

310.34 (1) critical access hospitals as defined by Medicare shall be paid using a cost-based  
 310.35 methodology;

311.1 (2) long-term hospitals as defined by Medicare shall be paid on a per diem  
 311.2 methodology under subdivision 25;

311.3 (3) rehabilitation hospitals or units of hospitals that are recognized as rehabilitation  
 311.4 distinct parts as defined by Medicare shall be paid according to the methodology under  
 311.5 subdivision 12; and

311.6 (4) all other hospitals shall be paid on a diagnosis-related group (DRG) methodology.

311.7 (b) For the rebased period beginning January 1, 2011, through October 31, 2014,  
 311.8 rates shall not be rebased, except that a Minnesota long-term hospital shall be rebased  
 311.9 effective January 1, 2011, based on its most recent Medicare cost report ending on or  
 311.10 before September 1, 2008, with the provisions under subdivisions 9 and 23, based on the  
 311.11 rates in effect on December 31, 2010. For subsequent rate setting periods after November  
 311.12 1, 2014, in which the base years are updated, a Minnesota long-term hospital's base year  
 311.13 shall remain within the same period as other hospitals. Effective January 1, 2013, and  
 311.14 after, rates shall not be rebased.

311.15 (c) Effective for discharges occurring on and after November 1, 2014, payment rates  
 311.16 for hospital inpatient services provided by hospitals located in Minnesota or the local trade  
 311.17 area, except for the hospitals paid under the methodologies described in paragraph (a),  
 311.18 clauses (2) and (3), shall be rebased, incorporating cost and payment methodologies in a  
 311.19 manner similar to Medicare. The base year for the rates effective November 1, 2014, shall  
 311.20 be calendar year 2012. The rebasing under this paragraph shall be budget neutral, ensuring  
 311.21 that the total aggregate payments under the rebased system are equal to the total aggregate  
 311.22 payments that were made for the same number and types of services in the base year.  
 311.23 Separate budget neutrality calculations shall be determined for payments made to critical  
 311.24 access hospitals and payments made to hospitals paid under the DRG system. Only the rate  
 311.25 increases or decreases under subdivision 3a or 3c that applied to the hospitals being rebased  
 311.26 during the entire base period shall be incorporated into the budget neutrality calculation.

311.27 (d) For discharges occurring on or after November 1, 2014, through June 30, 2016,  
 311.28 the rebased rates under paragraph (c) shall include adjustments to the projected rates that  
 311.29 result in no greater than a five percent increase or decrease from the base year payments  
 311.30 for any hospital. Any adjustments to the rates made by the commissioner under this  
 311.31 paragraph and paragraph (e) shall maintain budget neutrality as described in paragraph (c).

311.32 (e) For discharges occurring on or after November 1, 2014, through June 30, 2016,  
 311.33 the commissioner may make additional adjustments to the rebased rates, and when  
 311.34 evaluating whether additional adjustments should be made, the commissioner shall  
 311.35 consider the impact of the rates on the following:

311.36 (1) pediatric services;

312.1 (2) behavioral health services;  
 312.2 (3) trauma services as defined by the National Uniform Billing Committee;  
 312.3 (4) transplant services;  
 312.4 (5) obstetric services, newborn services, and behavioral health services provided  
 312.5 by hospitals outside the seven-county metropolitan area;  
 312.6 (6) outlier admissions;  
 312.7 (7) low-volume providers; and  
 312.8 (8) services provided by small rural hospitals that are not critical access hospitals.  
 312.9 (f) Hospital payment rates established under paragraph (c) must incorporate the  
 312.10 following:  
 312.11 (1) for hospitals paid under the DRG methodology, the base year operating payment  
 312.12 rate per admission is standardized by the ease mix index and adjusted by the hospital cost  
 312.13 index, relative values, and disproportionate population adjustment. applicable Medicare  
 312.14 wage index and adjusted by the hospital's disproportionate population adjustment;  
 312.15 (2) for critical access hospitals, interim per diem payment rates shall be based on the  
 312.16 ratio of cost and charges reported on the base year Medicare cost report or reports and  
 312.17 applied to medical assistance utilization data. Final settlement payments for a state fiscal  
 312.18 year must be determined based on a review of the medical assistance cost report required  
 312.19 under subdivision 4b for the applicable state fiscal year;  
 312.20 (3) the cost and charge data used to establish operating hospital payment rates shall  
 312.21 must only reflect inpatient services covered by medical assistance and shall not include  
 312.22 property cost information and costs recognized in outlier payments; and  
 312.23 (4) in determining hospital payment rates for discharges occurring on or after the  
 312.24 rate year beginning January 1, 2011, through December 31, 2012, the hospital payment  
 312.25 rate per discharge shall be based on the cost-finding methods and allowable costs of the  
 312.26 Medicare program in effect during the base year or years.  
 312.27 (g) The commissioner shall validate the rates effective November 1, 2014, by  
 312.28 applying the rates established under paragraph (c), and any adjustments made to the rates  
 312.29 under paragraph (d) or (e), to hospital claims paid in calendar year 2013 to determine  
 312.30 whether the total aggregate payments for the same number and types of services under the  
 312.31 rebased rates are equal to the total aggregate payments made during calendar year 2013.  
 312.32 (h) Effective for discharges occurring on or after July 1, 2017, and every two  
 312.33 years thereafter, payment rates under this section shall be rebased to reflect only those  
 312.34 changes in hospital costs between the existing base year and the next base year. The  
 312.35 commissioner shall establish the base year for each rebasing period considering the most  
 312.36 recent year for which filed Medicare cost reports are available. The estimated change in

313.1 the average payment per hospital discharge resulting from a scheduled rebasing must be  
313.2 calculated and made available to the legislature by January 15 of each year in which  
313.3 rebasings is scheduled to occur, and must include by hospital the differential in payment  
313.4 rates compared to the individual hospital's costs.

313.5 Sec. 9. Minnesota Statutes 2012, section 256.969, is amended by adding a subdivision  
313.6 to read:

313.7 Subd. 2d. **Interim payments.** Notwithstanding subdivision 2b, paragraph (c),  
313.8 for discharges occurring on or after November 1, 2014, through June 30, 2015, the  
313.9 commissioner may implement an interim payment process to pay hospitals, including  
313.10 payments based on each hospital's average payments per claim for state fiscal years  
313.11 2011 and 2012. These interim payments may be used to pay hospitals if the rebasing  
313.12 under subdivision 2b, paragraph (c), is not implemented by November 1, 2014. Claims  
313.13 paid at interim payment rates shall be reprocessed and paid at the rates established under  
313.14 subdivision 2b, paragraphs (c) and (d), upon implementation of the rebased rates.

313.15 Sec. 10. Minnesota Statutes 2012, section 256.969, is amended by adding a subdivision  
313.16 to read:

313.17 Subd. 2e. **Report required.** (a) The commissioner shall report to the legislature by  
313.18 March 1, 2015, and by March 1, 2016, on the financial impacts by hospital and policy  
313.19 ramifications, if any, resulting from payment methodology changes implemented after  
313.20 October 31, 2014, and before December 15, 2015.

313.21 (b) The commissioner shall report, at a minimum, the following information:

313.22 (1) case-mix adjusted calculations of net payment impacts for each hospital resulting  
313.23 from the difference between the payments each hospital would have received under the  
313.24 payment methodology for discharges before October 31, 2014, and the payments each  
313.25 hospital has received or is expected to receive for the same number and types of services  
313.26 under the payment methodology implemented effective November 1, 2014;

313.27 (2) any adjustments that the commissioner made and the impacts of those  
313.28 adjustments for each hospital;

313.29 (3) any difference in total aggregate payments resulting from the validation process  
313.30 under calendar year 2013 claims; and

313.31 (4) recommendations for further refinement or improvement of the hospital inpatient  
313.32 payment system or methodologies.

313.33 Sec. 11. Minnesota Statutes 2012, section 256.969, subdivision 3a, is amended to read:

314.1 Subd. 3a. **Payments.** (a) Acute care hospital billings under the medical  
314.2 assistance program must not be submitted until the recipient is discharged. However,  
314.3 the commissioner shall establish monthly interim payments for inpatient hospitals that  
314.4 have individual patient lengths of stay over 30 days regardless of diagnostic category.  
314.5 Except as provided in section 256.9693, medical assistance reimbursement for treatment  
314.6 of mental illness shall be reimbursed based on diagnostic classifications. Individual  
314.7 hospital payments established under this section and sections 256.9685, 256.9686, and  
314.8 256.9695, in addition to third-party and recipient liability, for discharges occurring during  
314.9 the rate year shall not exceed, in aggregate, the charges for the medical assistance covered  
314.10 inpatient services paid for the same period of time to the hospital. ~~This payment limitation~~  
314.11 ~~shall be calculated separately for medical assistance and general assistance medical~~  
314.12 ~~care services. The limitation on general assistance medical care shall be effective for~~  
314.13 ~~admissions occurring on or after July 1, 1991.~~ Services that have rates established under  
314.14 subdivision 11 or 12, must be limited separately from other services. After consulting with  
314.15 the affected hospitals, the commissioner may consider related hospitals one entity and may  
314.16 merge the payment rates while maintaining separate provider numbers. The operating and  
314.17 property base rates per admission or per day shall be derived from the best Medicare and  
314.18 claims data available when rates are established. The commissioner shall determine the  
314.19 best Medicare and claims data, taking into consideration variables of recency of the data,  
314.20 audit disposition, settlement status, and the ability to set rates in a timely manner. The  
314.21 commissioner shall notify hospitals of payment rates ~~by December 1 of the year preceding~~  
314.22 ~~the rate year~~ 30 days prior to implementation. The rate setting data must reflect the  
314.23 admissions data used to establish relative values. ~~Base year changes from 1981 to the base~~  
314.24 ~~year established for the rate year beginning January 1, 1991, and for subsequent rate years,~~  
314.25 ~~shall not be limited to the limits ending June 30, 1987, on the maximum rate of increase~~  
314.26 ~~under subdivision 1.~~ The commissioner may adjust base year cost, relative value, and case  
314.27 mix index data to exclude the costs of services that have been discontinued by the October  
314.28 1 of the year preceding the rate year or that are paid separately from inpatient services.  
314.29 Inpatient stays that encompass portions of two or more rate years shall have payments  
314.30 established based on payment rates in effect at the time of admission unless the date of  
314.31 admission preceded the rate year in effect by six months or more. In this case, operating  
314.32 payment rates for services rendered during the rate year in effect and established based on  
314.33 the date of admission shall be adjusted to the rate year in effect by the hospital cost index.

314.34 (b) For fee-for-service admissions occurring on or after July 1, 2002, the total  
314.35 payment, before third-party liability and spenddown, made to hospitals for inpatient  
314.36 services is reduced by .5 percent from the current statutory rates.

315.1 (c) In addition to the reduction in paragraph (b), the total payment for fee-for-service  
 315.2 admissions occurring on or after July 1, 2003, made to hospitals for inpatient services before  
 315.3 third-party liability and spenddown, is reduced five percent from the current statutory  
 315.4 rates. Mental health services within diagnosis related groups 424 to 432 or corresponding  
 315.5 APR-DRGs, and facilities defined under subdivision 16 are excluded from this paragraph.

315.6 (d) In addition to the reduction in paragraphs (b) and (c), the total payment for  
 315.7 fee-for-service admissions occurring on or after August 1, 2005, made to hospitals for  
 315.8 inpatient services before third-party liability and spenddown, is reduced 6.0 percent from  
 315.9 the current statutory rates. Mental health services within diagnosis related groups 424  
 315.10 to 432 or corresponding APR-DRGs, and facilities defined under subdivision 16 are  
 315.11 excluded from this paragraph. ~~Notwithstanding section 256.9686, subdivision 7, for~~  
 315.12 ~~purposes of this paragraph, medical assistance does not include general assistance medical~~  
 315.13 ~~care.~~ Payments made to managed care plans shall be reduced for services provided on or  
 315.14 after January 1, 2006, to reflect this reduction.

315.15 (e) In addition to the reductions in paragraphs (b), (c), and (d), the total payment for  
 315.16 fee-for-service admissions occurring on or after July 1, 2008, through June 30, 2009, made  
 315.17 to hospitals for inpatient services before third-party liability and spenddown, is reduced  
 315.18 3.46 percent from the current statutory rates. Mental health services with diagnosis  
 315.19 related groups 424 to 432 or corresponding APR-DRGs, and facilities defined under  
 315.20 subdivision 16 are excluded from this paragraph. Payments made to managed care plans  
 315.21 shall be reduced for services provided on or after January 1, 2009, through June 30, 2009,  
 315.22 to reflect this reduction.

315.23 (f) In addition to the reductions in paragraphs (b), (c), and (d), the total payment  
 315.24 for fee-for-service admissions occurring on or after July 1, 2009, through June 30, 2011,  
 315.25 made to hospitals for inpatient services before third-party liability and spenddown, is  
 315.26 reduced 1.9 percent from the current statutory rates. Mental health services with diagnosis  
 315.27 related groups 424 to 432 or corresponding APR-DRGs, and facilities defined under  
 315.28 subdivision 16 are excluded from this paragraph. Payments made to managed care plans  
 315.29 shall be reduced for services provided on or after July 1, 2009, through June 30, 2011,  
 315.30 to reflect this reduction.

315.31 (g) In addition to the reductions in paragraphs (b), (c), and (d), the total payment  
 315.32 for fee-for-service admissions occurring on or after July 1, 2011, made to hospitals for  
 315.33 inpatient services before third-party liability and spenddown, is reduced 1.79 percent from  
 315.34 the current statutory rates. Mental health services with diagnosis related groups 424 to 432  
 315.35 or corresponding APR-DRGs, and facilities defined under subdivision 16 are excluded

from this paragraph. Payments made to managed care plans shall be reduced for services provided on or after July 1, 2011, to reflect this reduction.

(h) In addition to the reductions in paragraphs (b), (c), (d), (f), and (g), the total payment for fee-for-service admissions occurring on or after July 1, 2009, made to hospitals for inpatient services before third-party liability and spenddown, is reduced one percent from the current statutory rates. Facilities defined under subdivision 16 are excluded from this paragraph. Payments made to managed care plans shall be reduced for services provided on or after October 1, 2009, to reflect this reduction.

(i) In addition to the reductions in paragraphs (b), (c), (d), (g), and (h), the total payment for fee-for-service admissions occurring on or after July 1, 2011, made to hospitals for inpatient services before third-party liability and spenddown, is reduced 1.96 percent from the current statutory rates. Facilities defined under subdivision 16 are excluded from this paragraph. Payments made to managed care plans shall be reduced for services provided on or after January 1, 2011, to reflect this reduction.

(j) Effective for discharges on and after November 1, 2014, from hospitals paid under subdivision 2b, paragraph (a), clauses (1) and (4), the rate adjustments in this subdivision must be incorporated into the rebased rates established under subdivision 2b, paragraph (c), and must not be applied to each claim.

Sec. 12. Minnesota Statutes 2012, section 256.969, subdivision 3b, is amended to read:

 317.23 ~~by the Centers for Medicare and Medicaid Services on an annual basis.~~  
 317.24 (d) The prohibition in paragraph (a) applies to any additional payments that result

 317.26 limited to, additional treatment or procedures, readmission to the facility after discharge,  
 317.27 increased length of stay, change to a higher diagnostic category, or transfer to another  
 317.28 hospital. In the event of a transfer to another hospital, the hospital where the condition  
 317.29 ~~listed~~ identified under paragraph (c) was acquired is responsible for any costs incurred at  
 317.30 the hospital to which the patient is transferred.  
 317.31 (e) A hospital shall not bill a recipient of services for any payment disallowed under  
 317.32 this subdivision.

 318.7 after, the commissioner shall calculate a ~~regional~~ readmission rate for admissions to all  
 318.8 hospitals occurring within 30 days of a previous discharge using data from the Reducing  
 318.9 Avoidable Readmissions Effectively (RARE) campaign. The commissioner may adjust  
 318.10 the readmission rate taking into account factors such as the medical relationship,  
 318.11 complicating conditions, and sequencing of treatment between the initial admission and  
 318.12 subsequent readmissions.

318.13 (c) Effective for payments to all hospitals on or after July 1, 2013, through ~~June 30,~~  
 318.14 ~~2015~~ October 31, 2014, the reduction in paragraph (a) is reduced one percentage point for  
 318.15 every percentage point reduction in the overall readmissions rate between the two previous  
 318.16 calendar years to a maximum of five percent.

318.17 (d) The exclusion from the rate reduction in paragraph (a) shall apply to a hospital  
 318.18 located in Hennepin County with a licensed capacity of 1,700 beds as of September 1,  
 318.19 2011, for admissions of children under 18 years of age occurring on or after September 1,  
 318.20 2011, through August 31, 2013, but shall not apply to payments for admissions occurring  
 318.21 on or after September 1, 2013, through October 31, 2014.

318.22 (e) Effective for discharges on or after November 1, 2014, from hospitals paid under  
 318.23 subdivision 2b, paragraph (a), clauses (1) and (4), the rate adjustments in this subdivision  
 318.24 must be incorporated into the rebased rates established under subdivision 2b, paragraph  
 318.25 (c), and must not be applied to each claim.

318.26 **EFFECTIVE DATE.** Paragraph (d) is effective retroactively from September 1,  
 318.27 2011, and applies to admissions on or after that date.

318.28 Sec. 14. Minnesota Statutes 2012, section 256.969, is amended by adding a subdivision

 318.32 cost reports within six months of the end of the hospital's fiscal year:

318.33 (1) a hospital designated as a critical access hospital that receives medical assistance  
 318.34 payments; or

319.1           (2) a Minnesota hospital or out-of-state hospital located within a Minnesota local  
319.2 trade area that receives a disproportionate population adjustment under subdivision 9.

319.3           For purposes of this subdivision, local trade area has the meaning given in  
319.4 subdivision 17.

319.5           (b) The commissioner shall suspend payments to any hospital that fails to submit a  
319.6 report required under this subdivision. Payments must remain suspended until the report  
319.7 has been filed with and accepted by the commissioner.

319.8           Sec. 15. Minnesota Statutes 2012, section 256.969, subdivision 6a, is amended to read:

319.12          Subd. 8. **Unusual length of stay experience.** (a) The commissioner shall establish  
319.13 day outlier thresholds for each diagnostic category established under subdivision 2 at  
319.14 two standard deviations beyond the mean length of stay. Payment for the days beyond  
319.15 the outlier threshold shall be in addition to the operating and property payment rates per  
319.16 admission established under subdivisions 2; and 2b; and 2e. Payment for outliers shall  
319.17 be at 70 percent of the allowable operating cost, after adjustment by the case mix index,  
319.18 hospital cost index, relative values and the disproportionate population adjustment. The  
319.19 outlier threshold for neonatal and burn diagnostic categories shall be established at one  
319.20 standard deviation beyond the mean length of stay, and payment shall be at 90 percent  
319.21 of allowable operating cost calculated in the same manner as other outliers. A hospital  
319.22 may choose an alternative to the 70 percent outlier payment that is at a minimum of 60  
319.23 percent and a maximum of 80 percent if the commissioner is notified in writing of the  
319.24 request by October 1 of the year preceding the rate year. The chosen percentage applies  
319.25 to all diagnostic categories except burns and neonates. The percentage of allowable cost  
319.26 that is unrecognized by the outlier payment shall be added back to the base year operating  
319.27 payment rate per admission.

319.28          (b) Effective for transfers occurring on and after November 1, 2014, the commissioner

319.33 determined as follows and shall be included in the base year for rate setting purposes:

~~(1) for an admission that is categorized to a neonatal diagnostic related group in which the length of stay is less than 50 percent of the average length of stay for the category in the base year and the patient at admission is equal to or greater than the age of one, payments shall be established according to the methods of subdivision 14;~~

(2) For an admission that is categorized to a diagnostic category that includes neonatal respiratory distress syndrome, the hospital must have a level II or level III nursery and the patient must receive treatment in that unit or payment will be made without regard to the syndrome condition.

**EFFECTIVE DATE.** This section is effective November 1, 2014.

Sec. 18. Minnesota Statutes 2012, section 256.969, is amended by adding a subdivision to read:

(2) payment for all medically necessary patient care subsequent to the first 180 days shall be reimbursed at a rate computed by multiplying the statewide average cost-to-charge ratio by the usual and customary charges.

Sec. 19. Minnesota Statutes 2012, section 256.969, subdivision 9, is amended to read:

**Subd. 9. Disproportionate numbers of low-income patients served.** (a) For admissions occurring on or after October 1, 1992, through December 31, 1992, the medical assistance disproportionate population adjustment shall comply with federal law and shall be paid to a hospital, excluding regional treatment centers and facilities of the federal Indian Health Service, with a medical assistance inpatient utilization rate in excess of the arithmetic mean. The adjustment must be determined as follows:

(1) for a hospital with a medical assistance inpatient utilization rate above the arithmetic mean for all hospitals excluding regional treatment centers and facilities of the federal Indian Health Service but less than or equal to one standard deviation above the mean, the adjustment must be determined by multiplying the total of the operating and property payment rates by the difference between the hospital's actual medical assistance inpatient utilization rate and the arithmetic mean for all hospitals excluding regional treatment centers and facilities of the federal Indian Health Service; and

(2) for a hospital with a medical assistance inpatient utilization rate above one standard deviation above the mean, the adjustment must be determined by multiplying

the adjustment that would be determined under clause (1) for that hospital by 1.1. If federal matching funds are not available for all adjustments under this subdivision, the commissioner shall reduce payments on a pro rata basis so that all adjustments qualify for federal match. ~~The commissioner may establish a separate disproportionate population operating payment rate adjustment under the general assistance medical care program. For purposes of this subdivision medical assistance does not include general assistance medical care.~~ The commissioner shall report annually on the number of hospitals likely to receive the adjustment authorized by this paragraph. The commissioner shall specifically report on the adjustments received by public hospitals and public hospital corporations located in cities of the first class.

(b) For admissions occurring on or after July 1, 1993, the medical assistance disproportionate population adjustment shall comply with federal law and shall be paid to a hospital, excluding regional treatment centers and facilities of the federal Indian Health Service, with a medical assistance inpatient utilization rate in excess of the arithmetic mean. The adjustment must be determined as follows:

(1) for a hospital with a medical assistance inpatient utilization rate above the arithmetic mean for all hospitals excluding regional treatment centers and facilities of the federal Indian Health Service but less than or equal to one standard deviation above the mean, the adjustment must be determined by multiplying the total of the operating and property payment rates by the difference between the hospital's actual medical assistance inpatient utilization rate and the arithmetic mean for all hospitals excluding regional treatment centers and facilities of the federal Indian Health Service; and

(2) for a hospital with a medical assistance inpatient utilization rate above one standard deviation above the mean, the adjustment must be determined by multiplying the adjustment that would be determined under clause (1) for that hospital by 1.1. The commissioner may establish a separate disproportionate population ~~operating~~ payment rate adjustment ~~under the general assistance medical care program. For purposes of this subdivision, medical assistance does not include general assistance medical care~~ for critical access hospitals. The commissioner shall report annually on the number of hospitals likely to receive the adjustment authorized by this paragraph. The commissioner shall specifically report on the adjustments received by public hospitals and public hospital corporations located in cities of the first class; and

~~(3) for a hospital that had medical assistance fee-for-service payment volume during calendar year 1991 in excess of 13 percent of total medical assistance fee-for-service payment volume, a medical assistance disproportionate population adjustment shall be paid in addition to any other disproportionate payment due under this subdivision as~~

322.1 follows: ~~\$1,515,000 due on the 15th of each month after noon, beginning July 15, 1995.~~  
 322.2 For a hospital that had medical assistance fee-for-service payment volume during calendar  
 322.3 year 1991 in excess of eight percent of total medical assistance fee-for-service payment  
 322.4 volume and was the primary hospital affiliated with the University of Minnesota, a  
 322.5 medical assistance disproportionate population adjustment shall be paid in addition to any  
 322.6 other disproportionate payment due under this subdivision as follows: ~~\$505,000 due on~~  
 322.7 ~~the 15th of each month after noon, beginning July 15, 1995; and~~

322.8 (4) effective August 1, 2005, the payments in paragraph (b), clause (3), shall be  
 322.9 reduced to zero.

322.10 (e) The commissioner shall adjust rates paid to a health maintenance organization  
 322.11 under contract with the commissioner to reflect rate increases provided in paragraph (b),  
 322.12 clauses (1) and (2), on a nondiscounted hospital-specific basis but shall not adjust those  
 322.13 rates to reflect payments provided in clause (3).

322.14 (d) If federal matching funds are not available for all adjustments under paragraph  
 322.15 (b), the commissioner shall reduce payments under paragraph (b), clauses (1) and (2), on a  
 322.16 pro rata basis so that all adjustments under paragraph (b) qualify for federal match.

322.17 (e) For purposes of this subdivision, medical assistance does not include general  
 322.18 assistance medical care.

322.19 (f) For hospital services occurring on or after July 1, 2005, to June 30, 2007:

322.20 (1) general assistance medical care expenditures for fee-for-service inpatient and  
 322.21 outpatient hospital payments made by the department shall be considered Medicaid  
 322.22 disproportionate share hospital payments, except as limited below:

322.23 (i) only the portion of Minnesota's disproportionate share hospital allotment under  
 322.24 section 1923(f) of the Social Security Act that is not spent on the disproportionate  
 322.25 population adjustments in paragraph (b), clauses (1) and (2), may be used for general  
 322.26 assistance medical care expenditures;

322.27 (ii) only those general assistance medical care expenditures made to hospitals that  
 322.28 qualify for disproportionate share payments under section 1923 of the Social Security Act  
 322.29 and the Medicaid state plan may be considered disproportionate share hospital payments;

322.30 (iii) only those general assistance medical care expenditures made to an individual  
 322.31 hospital that would not cause the hospital to exceed its individual hospital limits under  
 322.32 section 1923 of the Social Security Act may be considered; and

322.33 (iv) general assistance medical care expenditures may be considered only to the  
 322.34 extent of Minnesota's aggregate allotment under section 1923 of the Social Security Act.

322.35 All hospitals and prepaid health plans participating in general assistance medical care  
 322.36 must provide any necessary expenditure, cost, and revenue information required by the

323.1 ~~commissioner as necessary for purposes of obtaining federal Medicaid matching funds for~~  
323.2 ~~general assistance medical care expenditures; and~~

323.3       (2) ~~(c)~~ Certified public expenditures made by Hennepin County Medical Center shall  
323.4 be considered Medicaid disproportionate share hospital payments. Hennepin County  
323.5 and Hennepin County Medical Center shall report by June 15, 2007, on payments made  
323.6 beginning July 1, 2005, or another date specified by the commissioner, that may qualify  
323.7 for reimbursement under federal law. Based on these reports, the commissioner shall  
323.8 apply for federal matching funds.

323.9       ~~(g)~~ ~~(d)~~ Upon federal approval of the related state plan amendment, paragraph ~~(f)~~ ~~(c)~~  
323.10 is effective retroactively from July 1, 2005, or the earliest effective date approved by the  
323.11 Centers for Medicare and Medicaid Services.

323.12       Sec. 20. Minnesota Statutes 2012, section 256.969, subdivision 10, is amended to read:

323.13       Subd. 10. **Separate billing by certified registered nurse anesthetists.** Hospitals  
323.14 ~~may~~ must exclude certified registered nurse anesthetist costs from the operating payment  
323.15 rate ~~as allowed by section 256B.0625, subdivision 11. To be eligible, a hospital must~~  
323.16 ~~notify the commissioner in writing by October 1 of even-numbered years to exclude~~  
323.17 ~~certified registered nurse anesthetist costs. The hospital must agree that all hospital~~  
323.18 ~~claims for the cost and charges of certified registered nurse anesthetist services will not~~  
323.19 ~~be included as part of the rates for inpatient services provided during the rate year. In~~  
323.20 ~~this case, the operating payment rate shall be adjusted to exclude the cost of certified~~  
323.21 ~~registered nurse anesthetist services.~~

323.22       ~~For admissions occurring on or after July 1, 1991, and until the expiration date of~~  
323.23 ~~section 256.9695, subdivision 3, services of certified registered nurse anesthetists provided~~  
323.24 ~~on an inpatient basis may be paid as allowed by section 256B.0625, subdivision 11, when~~  
323.25 ~~the hospital's base year did not include the cost of these services. To be eligible, a hospital~~  
323.26 ~~must notify the commissioner in writing by July 1, 1991, of the request and must comply~~  
323.27 ~~with all other requirements of this subdivision.~~

323.28       Sec. 21. Minnesota Statutes 2012, section 256.969, subdivision 12, is amended to read:

323.29       Subd. 12. **Rehabilitation hospitals and distinct parts.** ~~(a)~~ Units of hospitals that  
323.30 are recognized as rehabilitation distinct parts by the Medicare program shall have separate  
323.31 provider numbers under the medical assistance program for rate establishment and billing  
323.32 purposes only. These units shall also have operating ~~and property~~ payment rates and the  
323.33 disproportionate population adjustment, if allowed by federal law, established separately  
323.34 from other inpatient hospital services.

324.1 (b) The commissioner ~~may~~ shall establish separate relative values under subdivision  
 324.2 2 for rehabilitation hospitals and distinct parts as defined by the Medicare program.  
 324.3 Effective for discharges occurring on and after November 1, 2014, the commissioner, to  
 324.4 the extent possible, shall replicate the existing payment rate methodology under the new  
 324.5 diagnostic classification system. The result must be budget neutral, ensuring that the total  
 324.6 aggregate payments under the new system are equal to the total aggregate payments made  
 324.7 for the same number and types of services in the base year, calendar year 2012.

324.8 (c) For individual hospitals that did not have separate medical assistance  
 324.9 rehabilitation provider numbers or rehabilitation distinct parts in the base year, hospitals  
 324.10 shall provide the information needed to separate rehabilitation distinct part cost and claims  
 324.11 data from other inpatient service data.

324.12 Sec. 22. Minnesota Statutes 2012, section 256.969, subdivision 14, is amended to read:

324.13 Subd. 14. **Transfers.** ~~Except as provided in subdivisions 11 and 13,~~ (a) Operating  
 324.14 and property payment rates for admissions that result in transfers and transfers shall be  
 324.15 established on a per day payment system. The per day payment rate shall be the sum of  
 324.16 the adjusted operating and property payment rates determined under this subdivision and  
 324.17 subdivisions 2, 2b, ~~2e~~, 3a, 4a, 5a, and ~~7~~ 8 to 12, divided by the arithmetic mean length  
 324.18 of stay for the diagnostic category. Each admission that results in a transfer and each  
 324.19 transfer is considered a separate admission to each hospital, and the total of the admission  
 324.20 and transfer payments to each hospital must not exceed the total per admission payment  
 324.21 that would otherwise be made to each hospital under this subdivision and subdivisions  
 324.22 2, 2b, ~~2e~~, 3a, 4a, 5a, and ~~7 to 13~~ 8 to 12.

324.23 (b) Effective for transfers occurring on and after November 1, 2014, the commissioner

 324.29 that apply to Minnesota hospitals. For this subdivision and subdivision 18, local trade area  
 324.30 means a county contiguous to Minnesota and located in a metropolitan statistical area as  
 324.31 determined by Medicare for October 1 prior to the most current rebased rate year. Hospitals  
 324.32 that are not required by law to file information in a format necessary to establish rates shall  
 324.33 have rates established based on the commissioner's estimates of the information. Relative  
 324.34 values of the diagnostic categories shall not be redetermined under this subdivision until

325.1 required by ~~rule~~ statute. Hospitals affected by this subdivision shall then be included in  
 325.2 determining relative values. However, hospitals that have rates established based upon  
 325.3 the commissioner's estimates of information shall not be included in determining relative  
 325.4 values. This subdivision is effective for hospital fiscal years beginning on or after July  
 325.5 1, 1988. A hospital shall provide the information necessary to establish rates under this  
 325.6 subdivision at least 90 days before the start of the hospital's fiscal year.

 325.13 subdivision. Payments, including third-party and recipient liability, established under this  
 325.14 subdivision may not exceed the charges on a claim specific basis for inpatient services that  
 325.15 are covered by medical assistance.

325.16 Sec. 25. Minnesota Statutes 2012, section 256.969, subdivision 25, is amended to read:

325.17 Subd. 25. **Long-term hospital rates.** (a) Long-term hospitals shall be paid on a  
 325.18 per diem basis.

325.19 (b) For admissions occurring on or after April 1, 1995, a long-term hospital as  
 325.20 designated by Medicare that does not have admissions in the base year shall have  
 325.21 inpatient rates established at the average of other hospitals with the same designation. For  
 325.22 subsequent rate-setting periods in which base years are updated, the hospital's base year  
 325.23 shall be the first Medicare cost report filed with the long-term hospital designation and  
 325.24 shall remain in effect until it falls within the same period as other hospitals.

 325.28 excluding disproportionate population adjustment, for the following diagnosis-related  
 325.29 groups, as they fall within the diagnostic APR-DRG categories: (1) ~~371 cesarean section~~  
 325.30 ~~without complicating diagnosis~~ 5601, 5602, 5603, 5604 vaginal delivery; and (2) 372  
 325.31 ~~vaginal delivery with complicating diagnosis; and (3) 373 vaginal delivery without~~  
 325.32 ~~complicating diagnosis~~ 5401, 5402, 5403, 5404 cesarean section, shall be no greater  
 325.33 than \$3,528.

326.1 (b) The rates described in this subdivision do not include newborn care.

326.2 (c) Payments to managed care and county-based purchasing plans under section  
326.3 256B.69, 256B.692, or 256L.12 shall be reduced for services provided on or after October

326.5 (d) Prior authorization shall not be required before reimbursement is paid for a  
326.6 cesarean section delivery.

326.7 Sec. 27. Minnesota Statutes 2012, section 256B.04, is amended by adding a  
326.8 subdivision to read:

326.12 state plan amendment, and a summary of and explanation of the need for the request, on  
326.13 the agency's Web site and provide a 30-day public comment period. The commissioner  
326.14 shall notify the public of the availability of this information through the agency's electronic  
326.15 subscription service. The commissioner shall consider public comments when preparing  
326.16 the final waiver request or state plan amendment that is to be submitted to the federal  
326.17 government for approval. The commissioner shall also publish on the agency's Web site  
326.18 notice of any federal decision related to the state request for approval, within 30 days of  
326.19 the decision. This notice must describe any modifications to the state request that have  
326.20 been agreed to by the commissioner as a condition of receiving federal approval.

In making these adjustments, the commissioner's goal shall be to make these state and local expenditures other than the appropriations for Northstar Care for Children to be the same as they would have been had Northstar Care for Children not been implemented, or if that is not possible, proportionally higher or lower, as appropriate. (8) W home care rating requires seven to eight dependencies in ADLs and Level I behavior and qualifies one for 20 service units;

(9) Z home care rating requires seven to eight dependencies in ADLs and a complex health-related need and qualifies one for 30 service units; and

Additional units may be authorized when a ~~recipient's~~ participant's assessment indicates a need for two staff to perform activities. Additional time is limited to 16 service units per day.

(f) Additional service units are provided through the assessment and identification of the following:

(1) 30 additional minutes per day for a dependency in each critical activity of daily living as defined in subdivision 2, paragraph ~~(h)~~ (j);

(2) 30 additional minutes per day for each complex health-related function as defined in subdivision 2, paragraph ~~(e)~~ (f); and

Background study data on an individual who is the subject of a background study under chapter 245C for a licensed service for which the commissioner of human services is the license holder may be shared with the commissioner and the commissioner's delegate by the licensing division. Unless otherwise specified in this chapter, the identity of a reporter of alleged maltreatment or licensing violations may not be disclosed.

(j) In addition to the notice of determinations required under section 626.556, subdivision 10f, if the commissioner or the local social services agency has determined that an individual is a substantiated perpetrator of maltreatment of a child based on sexual abuse, as defined in section 626.556, subdivision 2, and the commissioner or local social services agency knows that the individual is a person responsible for a child's care in another facility, the commissioner or local social services agency shall notify the head of that facility of this determination. The notification must include an explanation of the individual's available appeal rights and the status of any appeal. If a notice is given under this paragraph, the government entity making the notification shall provide a copy of the notice to the individual who is the subject of the notice.

(k) All not public data collected, maintained, used, or disseminated under this subdivision and subdivision 3 may be exchanged between the Department of Human Services, Licensing Division, and the Department of Corrections for purposes of regulating services for which the Department of Human Services and the Department of Corrections have regulatory authority.

(a) Beginning January 1, 2012, resident reimbursement classifications shall be based on the minimum data set, version 3.0 assessment instrument, or its successor version mandated by the Centers for Medicare and Medicaid Services that nursing facilities are required to complete for all residents. The commissioner of health shall establish resident classifications according to the RUG-IV, 48 group, resource utilization groups. Resident classification must be established based on the individual items on the minimum data set, which must be completed according to the Long Term Care Facility Resident Assessment Instrument User's Manual Version 3.0 or its successor issued by the Centers for Medicare and Medicaid Services.

(b) Each resident must be classified based on the information from the minimum data set according to general categories as defined in the Case Mix Classification Manual for Nursing Facilities issued by the Minnesota Department of Health.

Subd. 4. **Resident assessment schedule.** (a) A facility must conduct and electronically submit to the commissioner of health MDS assessments that conform with the assessment schedule defined by Code of Federal Regulations, title 42, section 483.20, and published by the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services, in the Long Term Care Assessment Instrument User's Manual, version 3.0, and subsequent updates when issued by the Centers for Medicare and Medicaid Services. The commissioner of health may substitute successor manuals or question and answer documents published by the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services, to replace or supplement the current version of the manual or document.

(b) The assessments used to determine a case mix classification for reimbursement include the following:

(1) a new admission assessment;

(2) an annual assessment which must have an assessment reference date (ARD) within 92 days of the previous assessment and within 366 days of the ARD of the previous comprehensive assessment;

(3) a significant change in status assessment must be completed within 14 days of the identification of a significant change;

(4) all quarterly assessments must have an assessment reference date (ARD) within 92 days of the ARD of the previous assessment;

(5) any significant correction to a prior comprehensive assessment, if the assessment being corrected is the current one being used for RUG classification; and

(6) any significant correction to a prior quarterly assessment, if the assessment being corrected is the current one being used for RUG classification.

(c) In addition to the assessments listed in paragraph (b), the assessments used to determine nursing facility level of care include the following:

(1) preadmission screening completed under section 256B.0911, subdivision 4a, ~~by a county, tribe, or managed care organization under contract with the Department of Human Services;~~ and

(2) a face-to-face long-term care consultation assessment completed under section ~~256B.0911, subdivision 3a, 3b, or 4d~~ 256.975, subdivisions 7a to 7c, by a county, tribe, or managed care organization under contract with the Department of Human Services.

Subd. 5. **Short stays.** (a) A facility must submit to the commissioner of health an admission assessment for all residents who stay in the facility 14 days or less.

(b) Notwithstanding the admission assessment requirements of paragraph (a), a facility may elect to accept a short stay rate with a case mix index of 1.0 for all facility residents who stay 14 days or less in lieu of submitting an admission assessment. Facilities shall make this election annually.

(c) Nursing facilities must elect one of the options described in paragraphs (a) and (b) by reporting to the commissioner of health, as prescribed by the commissioner. The election is effective on July 1 each year.

Subd. 6. **Penalties for late or nonsubmission.** (a) A facility that fails to complete or submit an assessment according to subdivisions 4 and 5 for a RUG-IV classification within seven days of the time requirements listed in the Long-Term Care Facility Resident Assessment Instrument User's Manual is subject to a reduced rate for that resident. The reduced rate shall be the lowest rate for that facility. The reduced rate is effective on the day of admission for new admission assessments, on the ARD for significant change in status assessments, or on the day that the assessment was due for all other assessments and continues in effect until the first day of the month following the date of submission and acceptance of the resident's assessment.

(b) If loss of revenue due to penalties incurred by a facility for any period of 92 days are equal to or greater than 1.0 percent of the total operating costs on the facility's most recent annual statistical and cost report, a facility may apply to the commissioner of human services for a reduction in the total penalty amount. The commissioner of human services, in consultation with the commissioner of health, may, at the sole discretion of the commissioner of human services, limit the penalty for residents covered by medical assistance to 15 days.

410.1           Subd. 7. **Notice of resident reimbursement classification.** (a) The commissioner  
 410.2 of health shall provide to a nursing facility a notice for each resident of the reimbursement  
 410.3 classification established under subdivision 1. The notice must inform the resident of the  
 410.4 classification that was assigned, the opportunity to review the documentation supporting  
 410.5 the classification, the opportunity to obtain clarification from the commissioner, and the  
 410.6 opportunity to request a reconsideration of the classification and the address and telephone  
 410.7 number of the Office of Ombudsman for Long-Term Care. The commissioner must  
 410.8 transmit the notice of resident classification by electronic means to the nursing facility.  
 410.9 A nursing facility is responsible for the distribution of the notice to each resident, to the  
 410.10 person responsible for the payment of the resident's nursing home expenses, or to another  
 410.11 person designated by the resident. This notice must be distributed within three working  
 410.12 days after the facility's receipt of the electronic file of notice of case mix classifications  
 410.13 from the commissioner of health.

410.14           (b) If a facility submits a modification to the most recent assessment used to establish  
 410.15 a case mix classification conducted under subdivision 3 that results in a change in case  
 410.16 mix classification, the facility shall give written notice to the resident or the resident's  
 410.17 representative about the item that was modified and the reason for the modification. The  
 410.18 notice of modified assessment may be provided at the same time that the resident or  
 410.19 resident's representative is provided the resident's modified notice of classification.

410.20           Subd. 8. **Request for reconsideration of resident classifications.** (a) The resident,  
 410.21 or resident's representative, or the nursing facility or boarding care home may request that  
 410.22 the commissioner of health reconsider the assigned reimbursement classification. The  
 410.23 request for reconsideration must be submitted in writing to the commissioner within  
 410.24 30 days of the day the resident or the resident's representative receives the resident  
 410.25 classification notice. The request for reconsideration must include the name of the  
 410.26 resident, the name and address of the facility in which the resident resides, the reasons  
 410.27 for the reconsideration, and documentation supporting the request. The documentation  
 410.28 accompanying the reconsideration request is limited to a copy of the MDS that determined  
 410.29 the classification and other documents that would support or change the MDS findings.

410.30           (b) Upon request, the nursing facility must give the resident or the resident's  
 410.31 representative a copy of the assessment form and the other documentation that was given  
 410.32 to the commissioner of health to support the assessment findings. The nursing facility  
 410.33 shall also provide access to and a copy of other information from the resident's record that  
 410.34 has been requested by or on behalf of the resident to support a resident's reconsideration  
 410.35 request. A copy of any requested material must be provided within three working days of  
 410.36 receipt of a written request for the information. Notwithstanding any law to the contrary,

411.1 the facility may not charge a fee for providing copies of the requested documentation.

411.2 If a facility fails to provide the material within this time, it is subject to the issuance  
411.3 of a correction order and penalty assessment under sections 144.653 and 144A.10.

411.4 Notwithstanding those sections, any correction order issued under this subdivision must  
411.5 require that the nursing facility immediately comply with the request for information and  
411.6 that as of the date of the issuance of the correction order, the facility shall forfeit to the  
411.7 state a \$100 fine for the first day of noncompliance, and an increase in the \$100 fine by  
411.8 \$50 increments for each day the noncompliance continues.

411.9 (c) In addition to the information required under paragraphs (a) and (b), a  
411.10 reconsideration request from a nursing facility must contain the following information: (i)  
411.11 the date the reimbursement classification notices were received by the facility; (ii) the date  
411.12 the classification notices were distributed to the resident or the resident's representative;  
411.13 and (iii) a copy of a notice sent to the resident or to the resident's representative. This  
411.14 notice must inform the resident or the resident's representative that a reconsideration  
411.15 of the resident's classification is being requested, the reason for the request, that the  
411.16 resident's rate will change if the request is approved by the commissioner, the extent of the  
411.17 change, that copies of the facility's request and supporting documentation are available  
411.18 for review, and that the resident also has the right to request a reconsideration. If the  
411.19 facility fails to provide the required information listed in item (iii) with the reconsideration  
411.20 request, the commissioner may request that the facility provide the information within 14  
411.21 calendar days. The reconsideration request must be denied if the information is then not  
411.22 provided, and the facility may not make further reconsideration requests on that specific  
411.23 reimbursement classification.

411.24 (d) Reconsideration by the commissioner must be made by individuals not  
411.25 involved in reviewing the assessment, audit, or reconsideration that established the  
411.26 disputed classification. The reconsideration must be based upon the assessment that  
411.27 determined the classification and upon the information provided to the commissioner  
411.28 under paragraphs (a) and (b). If necessary for evaluating the reconsideration request, the  
411.29 commissioner may conduct on-site reviews. Within 15 working days of receiving the  
411.30 request for reconsideration, the commissioner shall affirm or modify the original resident  
411.31 classification. The original classification must be modified if the commissioner determines  
411.32 that the assessment resulting in the classification did not accurately reflect characteristics  
411.33 of the resident at the time of the assessment. The resident and the nursing facility or  
411.34 boarding care home shall be notified within five working days after the decision is made.  
411.35 A decision by the commissioner under this subdivision is the final administrative decision  
411.36 of the agency for the party requesting reconsideration.

412.1 (e) The resident classification established by the commissioner shall be the  
412.2 classification that applies to the resident while the request for reconsideration is pending.  
412.3 If a request for reconsideration applies to an assessment used to determine nursing facility  
412.4 level of care under subdivision 4, paragraph (c), the resident shall continue to be eligible  
412.5 for nursing facility level of care while the request for reconsideration is pending.

412.6 (f) The commissioner may request additional documentation regarding a  
412.7 reconsideration necessary to make an accurate reconsideration determination.

412.8 Subd. 9. **Audit authority.** (a) The commissioner shall audit the accuracy of resident  
412.9 assessments performed under section 256B.438 through any of the following: desk  
412.10 audits; on-site review of residents and their records; and interviews with staff, residents,  
412.11 or residents' families. The commissioner shall reclassify a resident if the commissioner  
412.12 determines that the resident was incorrectly classified.

412.13 (b) The commissioner is authorized to conduct on-site audits on an unannounced  
412.14 basis.

412.15 (c) A facility must grant the commissioner access to examine the medical records  
412.16 relating to the resident assessments selected for audit under this subdivision. The  
412.17 commissioner may also observe and speak to facility staff and residents.

412.18 (d) The commissioner shall consider documentation under the time frames for  
412.19 coding items on the minimum data set as set out in the Long-Term Care Facility Resident  
412.20 Assessment Instrument User's Manual published by the Centers for Medicare and  
412.21 Medicaid Services.

412.22 (e) The commissioner shall develop an audit selection procedure that includes the  
412.23 following factors:

412.24 (1) Each facility shall be audited annually. If a facility has two successive audits in  
412.25 which the percentage of change is five percent or less and the facility has not been the  
412.26 subject of a special audit in the past 36 months, the facility may be audited biannually.  
412.27 A stratified sample of 15 percent, with a minimum of ten assessments, of the most  
412.28 current assessments shall be selected for audit. If more than 20 percent of the RUG-IV  
412.29 classifications are changed as a result of the audit, the audit shall be expanded to a second  
412.30 15 percent sample, with a minimum of ten assessments. If the total change between  
412.31 the first and second samples is 35 percent or greater, the commissioner may expand the  
412.32 audit to all of the remaining assessments.

412.33 (2) If a facility qualifies for an expanded audit, the commissioner may audit the  
412.34 facility again within six months. If a facility has two expanded audits within a 24-month  
412.35 period, that facility will be audited at least every six months for the next 18 months.

(3) The commissioner may conduct special audits if the commissioner determines that circumstances exist that could alter or affect the validity of case mix classifications of residents. These circumstances include, but are not limited to, the following:

- (i) frequent changes in the administration or management of the facility;
- (ii) an unusually high percentage of residents in a specific case mix classification;
- (iii) a high frequency in the number of reconsideration requests received from a facility;
- (iv) frequent adjustments of case mix classifications as the result of reconsiderations or audits;
- (v) a criminal indictment alleging provider fraud;
- (vi) other similar factors that relate to a facility's ability to conduct accurate assessments;
- (vii) an atypical pattern of scoring minimum data set items;
- (viii) nonsubmission of assessments;
- (ix) late submission of assessments; or
- (x) a previous history of audit changes of 35 percent or greater.

(f) Within 15 working days of completing the audit process, the commissioner shall make available electronically the results of the audit to the facility. If the results of the audit reflect a change in the resident's case mix classification, a case mix classification notice will be made available electronically to the facility, using the procedure in subdivision 7, paragraph (a). The notice must contain the resident's classification and a statement informing the resident, the resident's authorized representative, and the facility of their right to review the commissioner's documents supporting the classification and to request a reconsideration of the classification. This notice must also include the address and telephone number of the Office of Ombudsman for Long-Term Care.

Subd. 10. **Transition.** After implementation of this section, reconsiderations requested for classifications made under section 144.0722, subdivision 1, shall be determined under section 144.0722, subdivision 3.

Subd. 11. **Nursing facility level of care.** (a) For purposes of medical assistance payment of long-term care services, a recipient must be determined, using assessments defined in subdivision 4, to meet one of the following nursing facility level of care criteria:

- (1) the person requires formal clinical monitoring at least once per day;
- (2) the person needs the assistance of another person or constant supervision to begin and complete at least four of the following activities of living: bathing, bed mobility, dressing, eating, grooming, toileting, transferring, and walking;

414.1 (3) the person needs the assistance of another person or constant supervision to begin  
414.2 and complete toileting, transferring, or positioning and the assistance cannot be scheduled;

414.4 decision making, or behavioral needs that require intervention;

414.5 (5) the person has had a qualifying nursing facility stay of at least 90 days;

414.6 (6) the person meets the nursing facility level of care criteria determined 90 days  
414.7 after admission or on the first quarterly assessment after admission, whichever is later; or

414.8 (7) the person is determined to be at risk for nursing facility admission or readmission  
414.9 through a face-to-face long-term care consultation assessment as specified in section  
414.10 256B.0911, subdivision 3a, 3b, or 4d, by a county, tribe, or managed care organization  
414.11 under contract with the Department of Human Services. The person is considered at risk  
414.12 under this clause if the person currently lives alone or will live alone upon discharge or be  
414.13 homeless without the person's current housing and also meets one of the following criteria:

414.14 (i) the person has experienced a fall resulting in a fracture;

414.15 (ii) the person has been determined to be at risk of maltreatment or neglect,  
414.16 including self-neglect; or

414.19 (b) The assessment used to establish medical assistance payment for nursing facility  
414.20 services must be the most recent assessment performed under subdivision 4, paragraph  
414.21 (b), that occurred no more than 90 calendar days before the effective date of medical  
414.22 assistance eligibility for payment of long-term care services. In no case shall medical  
414.23 assistance payment for long-term care services occur prior to the date of the determination  
414.24 of nursing facility level of care.

414.25 (c) The assessment used to establish medical assistance payment for long-term care  
414.26 services provided under sections 256B.0915 and 256B.49 and alternative care payment  
414.27 for services provided under section 256B.0913 must be the most recent face-to-face  
414.28 assessment performed under section 256B.0911, subdivision 3a, 3b, or 4d, that occurred  
414.29 no more than 60 calendar days before the effective date of medical assistance eligibility  
414.30 for payment of long-term care services.

414.31 Subd. 12. **Appeal of nursing facility level of care determination.** (a) A resident or  
414.32 prospective resident whose level of care determination results in a denial of long-term care  
414.33 services can appeal the determination as outlined in section 256B.0911, subdivision 3a,  
414.34 paragraph (h), clause (9).

414.35 (b) The commissioner of human services shall ensure that notice of changes in  
414.36 eligibility due to a nursing facility level of care determination is provided to each affected

recipient or the recipient's guardian at least 30 days before the effective date of the change.

The notice shall include the following information:

(1) how to obtain further information on the changes;

(2) how to receive assistance in obtaining other services;

(3) a list of community resources; and

(4) appeal rights.

A recipient who meets the criteria in section 256B.0922, subdivision 2, paragraph (a), clauses (1) and (2), may request continued services pending appeal within the time period allowed to request an appeal under section 256.045, subdivision 3, paragraph (h). This paragraph is in effect for appeals filed between January 1, 2015, and December 31, 2016.

**EFFECTIVE DATE.** This section is effective January 1, 2015.

417.9 this chapter for a physical location that will not be the primary residence of the license  
417.10 holder for the entire period of licensure. If a license is issued during this moratorium, and  
417.11 the license holder changes the license holder's primary residence away from the physical  
417.12 location of the foster care license, the commissioner shall revoke the license according  
417.13 to section 245A.07. The commissioner shall not issue an initial license for a community  
417.14 residential setting licensed under chapter 245D. Exceptions to the moratorium include:

417.15           (1) foster care settings that are required to be registered under chapter 144D;

417.16           (2) foster care licenses replacing foster care licenses in existence on May 15, 2009, or  
417.17 community residential setting licenses replacing adult foster care licenses in existence on  
417.18 December 31, 2013, and determined to be needed by the commissioner under paragraph (b);

417.19           (3) new foster care licenses or community residential setting licenses determined to  
417.20 be needed by the commissioner under paragraph (b) for the closure of a nursing facility,  
417.21 ICF/DD, or regional treatment center; restructuring of state-operated services that limits  
417.22 the capacity of state-operated facilities; or allowing movement to the community for  
417.23 people who no longer require the level of care provided in state-operated facilities as  
417.24 provided under section 256B.092, subdivision 13, or 256B.49, subdivision 24;

417.25           (4) new foster care licenses or community residential setting licenses determined  
417.26 to be needed by the commissioner under paragraph (b) for persons requiring hospital  
417.27 level care; or

417.28           (5) new foster care licenses or community residential setting licenses determined to  
417.29 be needed by the commissioner for the transition of people from personal care assistance  
417.30 to the home and community-based services.

417.31           (b) The commissioner shall determine the need for newly licensed foster care  
417.32 homes or community residential settings as defined under this subdivision. As part of the  
417.33 determination, the commissioner shall consider the availability of foster care capacity in  
417.34 the area in which the licensee seeks to operate, and the recommendation of the local

county board. The determination by the commissioner must be final. A determination of need is not required for a change in ownership at the same address.

(c) When an adult resident served by the program moves out of a foster home that is not the primary residence of the license holder according to section 256B.49, subdivision 15, paragraph (f), or the adult community residential setting, the county shall immediately inform the Department of Human Services Licensing Division. The department shall decrease the statewide licensed capacity for adult foster care settings where the physical location is not the primary residence of the license holder, or for adult community residential settings, if the voluntary changes described in paragraph (e) are not sufficient to meet the savings required by reductions in licensed bed capacity under Laws 2011, First Special Session chapter 9, article 7, sections 1 and 40, paragraph (f), and maintain statewide long-term care residential services capacity within budgetary limits. Implementation of the statewide licensed capacity reduction shall begin on July 1, 2013. The commissioner shall delicense up to 128 beds by June 30, 2014, using the needs determination process. Prior to any involuntary reduction of licensed capacity, the commissioner shall consult with lead agencies and license holders to determine which adult foster care settings, where the physical location is not the primary residence of the license holder, or community residential settings, are licensed for up to five beds, but have operated at less than full capacity for 12 or more months as of March 1, 2014. The settings that meet these criteria must be the first to be considered for an involuntary decrease in statewide licensed capacity, up to a maximum of 35 beds. If more than 35 beds are identified that meet these criteria, the commissioner shall prioritize the selection of those beds to be closed based on the length of time the beds have been vacant. The longer a bed has been vacant, the higher priority it must be given for closure. Under this paragraph, the commissioner has the authority to reduce unused licensed capacity of a current foster care program, or the community residential settings, to accomplish the consolidation or closure of settings. Under this paragraph, the commissioner has the authority to manage statewide capacity, including adjusting the capacity available to each county and adjusting statewide available capacity, to meet the statewide needs identified through the process in paragraph (e). A decreased licensed capacity according to this paragraph is not subject to appeal under this chapter.

(d) Residential settings that would otherwise be subject to the decreased license capacity established in paragraph (c) shall be exempt under the following circumstances:

(1) until August 1, 2013, the license holder's beds occupied by residents whose primary diagnosis is mental illness and the license holder is:

(i) a provider of assertive community treatment (ACT) or adult rehabilitative mental health services (ARMHS) as defined in section 256B.0623;

419.1 (ii) a mental health center certified under Minnesota Rules, parts 9520.0750 to  
419.2 9520.0870;

419.3 (iii) a mental health clinic certified under Minnesota Rules, parts 9520.0750 to  
419.4 9520.0870; or

419.5 (iv) a provider of intensive residential treatment services (IRTS) licensed under  
419.6 Minnesota Rules, parts 9520.0500 to 9520.0670; or

419.7 (2) the license holder's beds occupied by residents whose primary diagnosis is  
419.8 mental illness and the license holder is certified under the requirements in subdivision 6a  
419.9 or section 245D.33.

419.10 (e) A resource need determination process, managed at the state level, using the  
419.11 available reports required by section 144A.351, and other data and information shall  
419.12 be used to determine where the reduced capacity required under paragraph (c) will be  
419.13 implemented. The commissioner shall consult with the stakeholders described in section  
419.14 144A.351, and employ a variety of methods to improve the state's capacity to meet  
419.15 long-term care service needs within budgetary limits, including seeking proposals from  
419.16 service providers or lead agencies to change service type, capacity, or location to improve  
419.17 services, increase the independence of residents, and better meet needs identified by the  
419.18 long-term care services reports and statewide data and information. By February 1, 2013,  
419.19 and August 1, 2014, and each following year, the commissioner shall provide information  
419.20 and data on the overall capacity of licensed long-term care services, actions taken under  
419.21 this subdivision to manage statewide long-term care services and supports resources, and  
419.22 any recommendations for change to the legislative committees with jurisdiction over  
419.23 health and human services budget.

419.24 (f) At the time of application and reapplication for licensure, the applicant and the  
419.25 license holder that are subject to the moratorium or an exclusion established in paragraph  
419.26 (a) are required to inform the commissioner whether the physical location where the foster  
419.27 care will be provided is or will be the primary residence of the license holder for the entire  
419.28 period of licensure. If the primary residence of the applicant or license holder changes, the  
419.29 applicant or license holder must notify the commissioner immediately. The commissioner  
419.30 shall print on the foster care license certificate whether or not the physical location is the  
419.31 primary residence of the license holder.

419.32 (g) License holders of foster care homes identified under paragraph (f) that are not  
419.33 the primary residence of the license holder and that also provide services in the foster care  
419.34 home that are covered by a federally approved home and community-based services  
419.35 waiver, as authorized under section 256B.0915, 256B.092, or 256B.49, must inform the

420.1 human services licensing division that the license holder provides or intends to provide  
420.2 these waiver-funded services.

420.3 Sec. 7. Minnesota Statutes 2013 Supplement, section 245A.042, subdivision 3, is  
420.4 amended to read:

420.5 Subd. 3. **Implementation.** (a) The commissioner shall implement the  
420.6 responsibilities of this chapter according to the timelines in paragraphs (b) and (c)  
420.7 only within the limits of available appropriations or other administrative cost recovery  
420.8 methodology.

420.9 (b) The licensure of home and community-based services according to this section  
420.10 shall be implemented January 1, 2014. License applications shall be received and  
420.11 processed on a phased-in schedule as determined by the commissioner beginning July  
420.12 1, 2013. Licenses will be issued thereafter upon the commissioner's determination that  
420.13 the application is complete according to section 245A.04.

420.14 (c) Within the limits of available appropriations or other administrative cost recovery  
420.15 methodology, implementation of compliance monitoring must be phased in after January  
420.16 1, 2014.

420.17 (1) Applicants who do not currently hold a license issued under chapter 245B must  
420.18 receive an initial compliance monitoring visit after 12 months of the effective date of the  
420.19 initial license for the purpose of providing technical assistance on how to achieve and  
420.20 maintain compliance with the applicable law or rules governing the provision of home and  
420.21 community-based services under chapter 245D. If during the review the commissioner  
420.22 finds that the license holder has failed to achieve compliance with an applicable law or  
420.23 rule and this failure does not imminently endanger the health, safety, or rights of the  
420.24 persons served by the program, the commissioner may issue a licensing review report with  
420.25 recommendations for achieving and maintaining compliance.

420.26 (2) Applicants who do currently hold a license issued under this chapter must receive  
420.27 a compliance monitoring visit after 24 months of the effective date of the initial license.

420.28 (d) Nothing in this subdivision shall be construed to limit the commissioner's  
420.29 authority to suspend or revoke a license or issue a fine at any time under section 245A.07,  
420.30 or issue correction orders and make a license conditional for failure to comply with  
420.31 applicable laws or rules under section 245A.06, based on the nature, chronicity, or severity  
420.32 of the violation of law or rule and the effect of the violation on the health, safety, or  
420.33 rights of persons served by the program.

420.34 (e) License holders governed under chapter 245D must ensure compliance with the  
420.35 following requirements within the stated timelines:

421.1 (1) service initiation and service planning requirements must be met at the next  
421.2 annual meeting of the person's support team or by January 1, 2015, whichever is later,

421.13 were met before January 1, 2014;

421.15 be completed no later than August 31, 2014;

421.19 30 days of development of the required policies and procedures, whichever is earlier; and

421.20 (5) all employees must be informed of the revisions and training must be provided on  
421.21 implementation of the revised policies and procedures as required under section 245D.10,

421.23 the required policies and procedures, whichever is earlier.

Sec. 33. Minnesota Statutes 2013 Supplement, section 245D.06, subdivision 4, is amended to read:

**Subd. 4. Funds and property; legal representative restrictions.** (a) Whenever the license holder assists a person with the safekeeping of funds or other property according to section 245A.04, subdivision 13, the license holder must obtain written authorization to do so from the person or the person's legal representative and the case manager. Authorization must be obtained within five working days of service initiation and renewed annually thereafter. At the time initial authorization is obtained, the license holder must survey, document, and implement the preferences of the person or the person's legal representative and the case manager for frequency of receiving a statement that itemizes receipts and disbursements of funds or other property. The license holder must document changes to these preferences when they are requested.

(b) A license holder or staff person may not accept powers-of-attorney from a person receiving services from the license holder for any purpose. This does not apply to license holders that are Minnesota counties or other units of government or to staff persons employed by license holders who were acting as attorney-in-fact for specific individuals prior to implementation of this chapter. The license holder must maintain documentation of the power-of-attorney in the service recipient record.

(c) A license holder or staff person is restricted from accepting an appointment as a guardian as follows:

(1) under section 524.5-309 of the Uniform Probate Code, any individual or agency that provides residence, custodial care, medical care, employment training, or other care or services for which the individual or agency receives a fee may not be appointed as guardian unless related to the respondent by blood, marriage, or adoption; and

(2) under section 245A.03, subdivision 2, paragraph (a), clause (1), a related individual as defined under section 245A.02, subdivision 13, is excluded from licensure. Services provided by a license holder to a person under the license holder's guardianship are not licensed services.

~~(e)~~ (d) Upon the transfer or death of a person, any funds or other property of the person must be surrendered to the person or the person's legal representative, or given to the executor or administrator of the estate in exchange for an itemized receipt.

Sec. 34. Minnesota Statutes 2013 Supplement, section 245D.06, subdivision 6, is amended to read:

Subd. 6. **Restricted procedures.** (a) The following procedures are allowed when the procedures are implemented in compliance with the standards governing their use as identified in clauses (1) to (3). Allowed but restricted procedures include:

(1) permitted actions and procedures subject to the requirements in subdivision 7;

(2) procedures identified in a positive support transition plan subject to the requirements in subdivision 8; or

(3) emergency use of manual restraint subject to the requirements in section 245D.061.

For purposes of this chapter, this section supersedes the requirements identified in Minnesota Rules, part 9525.2740.

(b) A restricted procedure identified in paragraph (a) must not:

(1) be implemented with a child in a manner that constitutes sexual abuse, neglect, physical abuse, or mental injury, as defined in section 626.556, subdivision 2;

(2) be implemented with an adult in a manner that constitutes abuse or neglect as defined in section 626.5572, subdivision 2 or 17;

(3) be implemented in a manner that violates a person's rights identified in section 245D.04;

(4) restrict a person's normal access to a nutritious diet, drinking water, adequate ventilation, necessary medical care, ordinary hygiene facilities, normal sleeping conditions, necessary clothing, or any protection required by state licensing standards or federal regulations governing the program;

(5) deny the person visitation or ordinary contact with legal counsel, a legal representative, or next of kin;

(6) be used for the convenience of staff, as punishment, as a substitute for adequate staffing, or as a consequence if the person refuses to participate in the treatment or services provided by the program;

(7) use prone restraint. For purposes of this section, "prone restraint" means use of manual restraint that places a person in a face-down position. Prone restraint does not include brief physical holding of a person who, during an emergency use of manual restraint, rolls into a prone position, if the person is restored to a standing, sitting, or side-lying position as quickly as possible;

(8) apply back or chest pressure while a person is in a prone position as identified in clause (7), supine position, or side-lying position; or

442.1 (9) be implemented in a manner that is contraindicated for any of the person's known  
 442.2 medical or psychological limitations.

442.3 Sec. 35. Minnesota Statutes 2013 Supplement, section 245D.06, subdivision 7, is  
 442.4 amended to read:

442.5 Subd. 7. **Permitted actions and procedures.** (a) Use of the instructional techniques  
 442.6 and intervention procedures as identified in paragraphs (b) and (c) is permitted when used  
 442.7 on an intermittent or continuous basis. When used on a continuous basis, it must be  
 442.8 addressed in a person's coordinated service and support plan addendum as identified in  
 442.9 sections 245D.07 and 245D.071. For purposes of this chapter, the requirements of this  
 442.10 subdivision supersede the requirements identified in Minnesota Rules, part 9525.2720.

442.11 (b) Physical contact or instructional techniques must use the least restrictive  
 442.12 alternative possible to meet the needs of the person and may be used:

442.13 (1) to calm or comfort a person by holding that person with no resistance from  
 442.14 that person;

442.15 (2) to protect a person known to be at risk ~~or~~ of injury due to frequent falls as a result  
 442.16 of a medical condition;

442.17 (3) to facilitate the person's completion of a task or response when the person does  
 442.18 not resist or the person's resistance is minimal in intensity and duration; ~~or~~

442.19 (4) to ~~briefly~~ block or redirect a person's limbs or body without holding the person or  
 442.20 limiting the person's movement to interrupt the person's behavior that may result in injury  
 442.21 to self or others: with less than 60 seconds of physical contact by staff; or

442.22 (5) to redirect a person's behavior when the behavior does not pose a serious threat  
 442.23 to the person or others and the behavior is effectively redirected with less than 60 seconds  
 442.24 of physical contact by staff.

442.25 (c) Restraint may be used as an intervention procedure to:

442.26 (1) allow a licensed health care professional to safely conduct a medical examination  
 442.27 or to provide medical treatment ordered by a licensed health care professional to a person  
 442.28 necessary to promote healing or recovery from an acute, meaning short-term, medical  
 442.29 condition;

442.30 (2) assist in the safe evacuation or redirection of a person in the event of an  
 442.31 emergency and the person is at imminent risk of harm; or

442.32 ~~Any use of manual restraint as allowed in this paragraph must comply with the restrictions~~  
 442.33 ~~identified in section 245D.061, subdivision 3; or~~

442.34 (3) position a person with physical disabilities in a manner specified in the person's  
 442.35 coordinated service and support plan addendum.

443.1 Any use of manual restraint as allowed in this paragraph must comply with the restrictions  
443.2 identified in subdivision 6, paragraph (b).

443.3 (d) Use of adaptive aids or equipment, orthotic devices, or other medical equipment  
443.4 ordered by a licensed health professional to treat a diagnosed medical condition do not in  
443.5 and of themselves constitute the use of mechanical restraint.

443.6 Sec. 36. Minnesota Statutes 2013 Supplement, section 245D.06, subdivision 8, is  
443.7 amended to read:

443.8 Subd. 8. **Positive support transition plan.** (a) License holders must develop  
443.9 a positive support transition plan on the forms and in the manner prescribed by the  
443.10 commissioner for a person who requires intervention in order to maintain safety when  
443.11 it is known that the person's behavior poses an immediate risk of physical harm to self  
443.12 or others. The positive support transition plan forms and instructions will supersede the  
443.13 requirements in Minnesota Rules, parts 9525.2750; 9525.2760; and 9525.2780. The  
443.14 positive support transition plan must phase out any existing plans for the emergency  
443.15 or programmatic use of ~~aversive or deprivation procedures~~ restrictive interventions  
443.16 prohibited under this chapter within the following timelines:

443.17 (1) for persons receiving services from the license holder before January 1, 2014,  
443.18 the plan must be developed and implemented by February 1, 2014, and phased out no  
443.19 later than December 31, 2014; and

443.20 (2) for persons admitted to the program on or after January 1, 2014, the plan must be  
443.21 developed and implemented within 30 calendar days of service initiation and phased out  
443.22 no later than 11 months from the date of plan implementation.

443.23 (b) The commissioner has limited authority to grant approval for the emergency use  
443.24 of procedures identified in subdivision 6 that had been part of an approved positive support  
443.25 transition plan when a person is at imminent risk of serious injury as defined in section  
443.26 245.91, subdivision 6, due to self-injurious behavior and the following conditions are met:

443.27 (1) the person's expanded support team approves the emergency use of the  
443.28 procedures; and

443.29 (2) the interim review panel established in section 245.8251, subdivision 4,  
443.30 recommends commissioner approval of the emergency use of the procedures.

443.31 (c) Written requests for the emergency use of the procedures must be developed  
443.32 and submitted to the commissioner by the designated coordinator with input from the  
443.33 person's expanded support team in accordance with the requirements set by the interim  
443.34 review panel, in addition to the following:

444.1           (1) a copy of the person's current positive support transition plan and copies of  
444.2 each positive support transition plan review containing data on the progress of the plan  
444.3 from the previous year;

444.4           (2) documentation of a good faith effort to eliminate the use of the procedures that  
444.5 had been part of an approved positive support transition plan;

444.6           (3) justification for the continued use of the procedures that identifies the imminent  
444.7 risk of serious injury due to the person's self-injurious behavior if the procedures were  
444.8 eliminated;

444.9           (4) documentation of the clinicians consulted in creating and maintaining the  
444.10 positive support transition plan; and

444.11           (5) documentation of the expanded support team's approval and the recommendation  
444.12 from the interim panel required under paragraph (b).

444.13           (d) A copy of the written request, supporting documentation, and the commissioner's  
444.14 final determination on the request must be maintained in the person's service recipient  
444.15 record.

444.16       Sec. 37. Minnesota Statutes 2013 Supplement, section 245D.071, subdivision 3,  
444.17 is amended to read:

444.18       Subd. 3. **Assessment and initial service planning.** (a) Within 15 days of service  
444.19 initiation the license holder must complete a preliminary coordinated service and support  
444.20 plan addendum based on the coordinated service and support plan.

444.34 ~~chapter serving the same person to ensure continuity of care for the person.~~

~~(e) Within the scope of services, the license holder must, at a minimum, assess the following areas:~~

~~(1) the person's ability to self-manage health and medical needs to maintain or improve physical, mental, and emotional well-being, including, when applicable, allergies, seizures, choking, special dietary needs, chronic medical conditions, self-administration of medication or treatment orders, preventative screening, and medical and dental appointments;~~

Assessments must produce information about the person that describes the person's overall strengths, functional skills and abilities, and behaviors or symptoms. Assessments must be based on the person's status within the last 12 months at the time of service initiation. Assessments based on older information must be documented and justified. Assessments must be conducted annually at a minimum or within 30 days of a written request from the

person or the person's legal representative or case manager. The results must be reviewed by the support team or expanded support team as part of a service plan review.

(c) Within 45 days of service initiation, the license holder must meet with the person, the person's legal representative, the case manager, and other members of the support team or expanded support team to determine the following based on information obtained from the assessments identified in paragraph (b), the person's identified needs in the coordinated service and support plan, and the requirements in subdivision 4 and section 245D.07, subdivision 1a:

458.10 Subd. 2a. **Contribution amount.** (a) The natural or adoptive parents of a minor  
458.11 child, including a child determined eligible for medical assistance without consideration of  
458.12 parental income, must contribute to the cost of services used by making monthly payments  
458.13 on a sliding scale based on income, unless the child is married or has been married, parental  
458.14 rights have been terminated, or the child's adoption is subsidized according to chapter  
458.15 259A or through title IV-E of the Social Security Act. The parental contribution is a partial  
458.16 or full payment for medical services provided for diagnostic, therapeutic, curing, treating,  
458.17 mitigating, rehabilitation, maintenance, and personal care services as defined in United  
458.18 States Code, title 26, section 213, needed by the child with a chronic illness or disability.

458.19 (b) For households with adjusted gross income equal to or greater than 275 percent  
458.20 of federal poverty guidelines, the parental contribution shall be computed by applying the  
458.21 following schedule of rates to the adjusted gross income of the natural or adoptive parents:

458.22 (1) if the adjusted gross income is equal to or greater than 275 percent of federal  
458.23 poverty guidelines and less than or equal to 545 percent of federal poverty guidelines,  
458.24 the parental contribution shall be determined using a sliding fee scale established by the  
458.25 commissioner of human services which begins at ~~2.76~~ 2.48 percent of adjusted gross  
458.26 income at 275 percent of federal poverty guidelines and increases to ~~7.5~~ 6.75 percent of  
458.27 adjusted gross income for those with adjusted gross income up to 545 percent of federal  
458.28 poverty guidelines;

458.29 (2) if the adjusted gross income is greater than 545 percent of federal poverty  
458.30 guidelines and less than 675 percent of federal poverty guidelines, the parental  
458.31 contribution shall be ~~7.5~~ 6.75 percent of adjusted gross income;

458.32 (3) if the adjusted gross income is equal to or greater than 675 percent of federal  
458.33 poverty guidelines and less than 975 percent of federal poverty guidelines, the parental  
458.34 contribution shall be determined using a sliding fee scale established by the commissioner  
458.35 of human services which begins at ~~7.5~~ 6.75 percent of adjusted gross income at 675 percent

459.1 of federal poverty guidelines and increases to ~~ten~~ nine percent of adjusted gross income  
 459.2 for those with adjusted gross income up to 975 percent of federal poverty guidelines; and

459.3 (4) if the adjusted gross income is equal to or greater than 975 percent of federal  
 459.4 poverty guidelines, the parental contribution shall be ~~12.5~~ 11.25 percent of adjusted  
 459.5 gross income.

459.6 If the child lives with the parent, the annual adjusted gross income is reduced by  
 459.7 \$2,400 prior to calculating the parental contribution. If the child resides in an institution  
 459.8 specified in section 256B.35, the parent is responsible for the personal needs allowance  
 459.9 specified under that section in addition to the parental contribution determined under this  
 459.10 section. The parental contribution is reduced by any amount required to be paid directly to  
 459.11 the child pursuant to a court order, but only if actually paid.

459.12 (c) The household size to be used in determining the amount of contribution under  
 459.13 paragraph (b) includes natural and adoptive parents and their dependents, including the  
 459.14 child receiving services. Adjustments in the contribution amount due to annual changes  
 459.15 in the federal poverty guidelines shall be implemented on the first day of July following  
 459.16 publication of the changes.

459.17 (d) For purposes of paragraph (b), "income" means the adjusted gross income of the  
 459.18 natural or adoptive parents determined according to the previous year's federal tax form,  
 459.19 except, effective retroactive to July 1, 2003, taxable capital gains to the extent the funds  
 459.20 have been used to purchase a home shall not be counted as income.

459.21 (e) The contribution shall be explained in writing to the parents at the time eligibility  
 459.22 for services is being determined. The contribution shall be made on a monthly basis  
 459.23 effective with the first month in which the child receives services. Annually upon  
 459.24 redetermination or at termination of eligibility, if the contribution exceeded the cost of  
 459.25 services provided, the local agency or the state shall reimburse that excess amount to  
 459.26 the parents, either by direct reimbursement if the parent is no longer required to pay a  
 459.27 contribution, or by a reduction in or waiver of parental fees until the excess amount is  
 459.28 exhausted. All reimbursements must include a notice that the amount reimbursed may be  
 459.29 taxable income if the parent paid for the parent's fees through an employer's health care  
 459.30 flexible spending account under the Internal Revenue Code, section 125, and that the  
 459.31 parent is responsible for paying the taxes owed on the amount reimbursed.

459.32 (f) The monthly contribution amount must be reviewed at least every 12 months;  
 459.33 when there is a change in household size; and when there is a loss of or gain in income  
 459.34 from one month to another in excess of ten percent. The local agency shall mail a written  
 459.35 notice 30 days in advance of the effective date of a change in the contribution amount.

460.1 A decrease in the contribution amount is effective in the month that the parent verifies a  
 460.2 reduction in income or change in household size.

460.3 (g) Parents of a minor child who do not live with each other shall each pay the  
 460.4 contribution required under paragraph (a). An amount equal to the annual court-ordered  
 460.5 child support payment actually paid on behalf of the child receiving services shall be  
 460.6 deducted from the adjusted gross income of the parent making the payment prior to  
 460.7 calculating the parental contribution under paragraph (b).

460.8 (h) The contribution under paragraph (b) shall be increased by an additional five  
 460.9 percent if the local agency determines that insurance coverage is available but not  
 460.10 obtained for the child. For purposes of this section, "available" means the insurance is a  
 460.11 benefit of employment for a family member at an annual cost of no more than five percent  
 460.12 of the family's annual income. For purposes of this section, "insurance" means health  
 460.13 and accident insurance coverage, enrollment in a nonprofit health service plan, health  
 460.14 maintenance organization, self-insured plan, or preferred provider organization.

460.15 Parents who have more than one child receiving services shall not be required  
 460.16 to pay more than the amount for the child with the highest expenditures. There shall  
 460.17 be no resource contribution from the parents. The parent shall not be required to pay  
 460.18 a contribution in excess of the cost of the services provided to the child, not counting  
 460.19 payments made to school districts for education-related services. Notice of an increase in  
 460.20 fee payment must be given at least 30 days before the increased fee is due.

460.21 (i) The contribution under paragraph (b) shall be reduced by \$300 per fiscal year if,  
 460.22 in the 12 months prior to July 1:

460.23 (1) the parent applied for insurance for the child;

460.24 (2) the insurer denied insurance;

460.25 (3) the parents submitted a complaint or appeal, in writing to the insurer, submitted  
 460.26 a complaint or appeal, in writing, to the commissioner of health or the commissioner of  
 460.27 commerce, or litigated the complaint or appeal; and

460.28 (4) as a result of the dispute, the insurer reversed its decision and granted insurance.

460.29 For purposes of this section, "insurance" has the meaning given in paragraph (h).

460.30 A parent who has requested a reduction in the contribution amount under this  
 460.31 paragraph shall submit proof in the form and manner prescribed by the commissioner or  
 460.32 county agency, including, but not limited to, the insurer's denial of insurance, the written  
 460.33 letter or complaint of the parents, court documents, and the written response of the insurer  
 460.34 approving insurance. The determinations of the commissioner or county agency under this  
 460.35 paragraph are not rules subject to chapter 14.

For purposes of this section, home and community-based services providers are defined as providers of home and community-based services under sections 256B.0625, subdivisions 6a, 7, and 19a; 256B.0913<sub>2</sub>; 256B.0915<sub>2</sub>; 256B.092, and; 256B.49<sub>2</sub>; and 256B.85, and intermediate care facilities for persons with developmental disabilities providers under section 256B.5013. Subd. 2. **Deemed income and assets of sponsor of noncitizens.** (a) If a noncitizen applies for or receives MFIP, the county agency must deem the income and assets of the noncitizen's sponsor and the sponsor's spouse as provided in this paragraph and paragraph (b) or (c), whichever is applicable. 506.8 Subd. 3a. **Rental subsidies; unearned income.** (a) Effective July 1, 2003, the  
506.9 county agency shall count \$50 of the value of public and assisted rental subsidies provided

506.27 where the parental caregiver is an SSI recipient participant.

506.28 Subd. 4. **Self-employment.** ~~Self-employed individuals are those who are~~  
506.29 ~~responsible for their own work schedule and do not have coverage under an employer's~~  
506.30 ~~liability insurance or workers' compensation. Self-employed individuals generally work~~  
506.31 ~~for themselves rather than an employer. However, individuals employed in some types of~~  
506.32 ~~services may be self-employed even if they have an employer or work out of another's~~  
506.33 ~~business location. For example, real estate sales people, individuals who work for~~  
506.34 ~~commission sales, manufacturer's representatives, and independent contractors may be~~  
506.35 ~~self-employed. Self-employed individuals may or may not have FICA deducted from the~~  
506.36 ~~check issued to them by an employer or another party.~~

507.1 Self-employed individuals may own a business singularly or in partnership.  
 507.2 Individuals operating more than one self-employment business may use the loss from  
 507.3 one business to offset self-employment income from another business. A loss from a  
 507.4 self-employment business may not offset income earned under subdivision 3.

507.5 Self-employment has the meaning given in section 256P.01, subdivision 7.

507.6 Subd. 5. **Self-employment earnings.** The county agency must determine  
 507.7 self-employment income according to the following: section 256P.05, subdivision 2.

507.8 (a) ~~Subtract allowable business expenses from total gross receipts. Allowable~~  
 507.9 ~~business expenses include:~~

507.10 (1) ~~interest on mortgages and loans;~~

507.11 (2) ~~employee wages, except for persons who are part of the assistance unit or whose~~  
 507.12 ~~income is deemed to the participant;~~

507.13 (3) ~~FICA funds paid on employees' wages, payment of employee workers'~~  
 507.14 ~~compensation, and unemployment benefits;~~

507.15 (4) ~~livestock and veterinary or breeding fees;~~

507.16 (5) ~~raw material;~~

507.17 (6) ~~seed and fertilizer;~~

507.18 (7) ~~maintenance and repairs that are not capital expenditures;~~

507.19 (8) ~~tax return preparation fees;~~

507.20 (9) ~~license fees, professional fees, franchise fees, and professional dues;~~

507.21 (10) ~~tools and supplies that are not capital expenditures;~~

507.22 (11) ~~fuel and transportation expenses other than fuel costs covered by the flat rate~~  
 507.23 ~~transportation deduction;~~

507.24 (12) ~~advertising costs;~~

507.25 (13) ~~meals eaten when required to be away from the local work site;~~

507.26 (14) ~~property expenses such as rent, insurance, taxes, and utilities;~~

507.27 (15) ~~postage;~~

507.28 (16) ~~purchase cost of inventory at time of sale;~~

507.29 (17) ~~loss from another self-employment business;~~

507.30 (18) ~~attorney fees allowed by the Internal Revenue Service; and~~

507.31 (19) ~~tuition for classes necessary to maintain or improve job skills or required by~~  
 507.32 ~~law to maintain job status or salary as allowed by the Internal Revenue Service.~~

507.33 (b) ~~The county agency shall not allow a deduction for the following expenses:~~

507.34 (1) ~~purchases of capital assets;~~

507.35 (2) ~~payments on the principals of loans for capital assets;~~

507.36 (3) ~~depreciation;~~

- 508.1           ~~(4) amortization;~~
- 508.2           ~~(5) the wholesale costs of items purchased, processed, or manufactured which are~~
- 508.3 ~~unsold inventory;~~
- 508.4           ~~(6) transportation costs that exceed the maximum standard mileage rate allowed for~~
- 508.5 ~~use of a personal car in the Internal Revenue Code;~~
- 508.6           ~~(7) costs, in any amount, for mileage between an applicant's or participant's home~~
- 508.7 ~~and place of employment;~~
- 508.8           ~~(8) salaries and other employment deductions made for members of an assistance~~
- 508.9 ~~unit or persons who live in the household for whom an employer is legally responsible;~~
- 508.10          ~~(9) monthly expenses in excess of \$71 for each roomer;~~
- 508.11          ~~(10) monthly expenses in excess of the Thrifty Food Plan amount for one person for~~
- 508.12 ~~each boarder. For purposes of this clause and clause (11), "Thrifty Food Plan" has the~~
- 508.13 ~~meaning given it in Code of Federal Regulations;~~
- 508.14          ~~(11) monthly expenses in excess of the roomer rate plus the Thrifty Food Plan~~
- 508.15 ~~amount for one person for each roomer-boarder. If there is more than one boarder or~~
- 508.16 ~~roomer-boarder, use the total number of boarders as the unit size to determine the Thrifty~~
- 508.17 ~~Food Plan amount;~~
- 508.18          ~~(12) an amount greater than actual expenses or two percent of the estimated market~~
- 508.19 ~~value on a county tax assessment form, whichever is greater, as a deduction for upkeep~~
- 508.20 ~~and repair against rental income;~~
- 508.21          ~~(13) expenses not allowed by the Internal Revenue Code;~~
- 508.22          ~~(14) expenses in excess of 60 percent of gross receipts for in-home child care unless~~
- 508.23 ~~a higher amount can be documented; and~~
- 508.24          ~~(15) expenses that are reimbursed under the child and adult care food program as~~
- 508.25 ~~authorized under the National School Lunch Act, United States Code, title 42.~~

508.26          Subd. 6. **Self-employment budget period.** ~~The self-employment budget period~~

508.27 ~~begins in the month of application or in the first month of self-employment. Gross receipts~~

508.28 ~~must be budgeted in the month received. Expenses must be budgeted against gross~~

508.29 ~~receipts in the month the expenses are paid, except for paragraphs (a) to (c):~~

508.30          ~~(a) The purchase cost of inventory items, including materials which are processed~~

508.31 ~~or manufactured, must be deducted as an expense at the time payment is received for~~

508.32 ~~the sale of the inventory items.~~

508.33          ~~(b) A 12-month rolling average based on clauses (1) to (3) must be used to budget~~

508.34 ~~monthly income.~~

508.35          ~~(1) For a business in operation for at least 12 months, the county agency shall use~~

508.36 ~~the average monthly self-employment income from the most current income tax report for~~

the 12 months before the month of application. The county agency shall determine a new monthly average by adding in the actual self-employment income and expenses from the previous month and dropping the first month from the averaging period.

(2) For a business in operation for less than 12 months, the county agency shall compute the average for the number of months the business has been in operation to determine a monthly average. When data are available for 12 or more months, average monthly self-employment income is determined under clause (1).

(3) If the business undergoes a major change, the county agency shall compute a new rolling average beginning with the first month of the major change. For the purpose of this clause, major change means a change that affects the nature and scale of the business and is not merely the result of normal business fluctuations.

(e) For seasonal self-employment, the caregiver may choose whether to use actual income in the month of receipt and expenses in the month incurred or the rolling average method of computation. The choice must be made once per year at the time of application or recertification. For the purpose of this paragraph, seasonal means working six or less months per year.

The agency must budget self-employment earned income according to section 256P.05, subdivision 3.

Subd. 7. **Farm income.** Farm income is the difference between gross receipts and operating expenses. The county agency must not allow a deduction for expenses listed in subdivision 5, paragraph (b). Gross receipts include sales, rents, subsidies, soil conservation payments, production derived from livestock, and income from home-produced food. Farm income shall be treated as self-employment income under section 256P.05, subdivision 2. The agency must budget farm income as self-employment earned income according to section 256P.05, subdivision 3.

Subd. 8. **Rental income.** The county agency must treat income from rental property as earned or unearned income. Income from rental property is unearned income unless the assistance unit spends an average of ten hours per week on maintenance or management of the property. When the owner spends more than ten hours per week on maintenance or repairs, the earnings are considered self-employment earnings. An amount must be deducted for upkeep and repairs, as specified in subdivision 5, paragraph (b), clause (12), real estate taxes, insurance, utilities, and interest on principal payments. When the applicant or participant lives on the rental property, expenses for upkeep, taxes, insurance, utilities, and interest must be divided by the number of rooms to determine expense per room and expenses deducted must be deducted only for the number of rooms rented. Rental income is subject to the requirements of section 256P.05.

Subd. 9. **Unearned income.** (a) The county agency must apply unearned income to the MFIP transitional standard of need. When determining the amount of unearned income, the county agency must deduct the costs necessary to secure payments of unearned income. These costs include legal fees, medical fees, and mandatory deductions such as federal and state income taxes.

(b) The county agency must convert unearned income received on a periodic basis to monthly amounts by prorating the income over the number of months represented by the frequency of the payments. The county agency must begin counting the monthly amount in the month the periodic payment is received and budget it according to the assistance unit's budget cycle.

Subd. 10. **Treatment of lump sums.** (a) The county agency must treat lump-sum payments as earned or unearned income. If the lump-sum payment is included in the category of income identified in subdivision 9, it must be treated as unearned income. A lump sum is counted as income in the month received and budgeted either prospectively or retrospectively depending on the budget cycle at the time of receipt. When an individual receives a lump-sum payment, that lump sum must be combined with all other earned and unearned income received in the same budget month, and it must be applied according to paragraphs (a) to (c). A lump sum may not be carried over into subsequent months. Any funds that remain in the third month after the month of receipt are counted in the asset limit.

(b) For a lump sum received by an applicant during the first two months, prospective budgeting is used to determine the payment and the lump sum must be combined with other earned or unearned income received and budgeted in that prospective month.

(c) For a lump sum received by a participant after the first two months of MFIP eligibility, the lump sum must be combined with other income received in that budget month, and the combined amount must be applied retrospectively against the applicable payment month.

(d) When a lump sum, combined with other income under paragraphs (b) and (c), is less than the MFIP transitional standard of need for the appropriate payment month, the assistance payment must be reduced according to the amount of the countable income. When the countable income is greater than the MFIP standard or family wage level, the assistance payment must be suspended for the payment month.

**EFFECTIVE DATE.** The amendments to subdivisions 1, 1a, 1b, and 2 are effective October 1, 2015. The amendments to subdivisions 4, 5, 6, 7, and 8 are effective February 1, 2015. The amendments to subdivisions 9 and 10 are effective January 1, 2015.

Sec. 26. Minnesota Statutes 2012, section 256J.425, subdivision 1, is amended to read:

511.1 Subdivision 1. **Eligibility.** (a) To be eligible for a hardship extension, a participant  
 511.2 in an assistance unit subject to the time limit under section 256J.42, subdivision 1, must  
 511.3 be in compliance in the participant's 60th counted month. For purposes of determining  
 511.4 eligibility for a hardship extension, a participant is in compliance in any month that the  
 511.5 participant has not been sanctioned. In order to maintain eligibility for any of the hardship  
 511.6 extension categories a participant shall develop and comply with either an employment  
 511.7 plan or a family stabilization services plan, whichever is appropriate.

511.8 (b) If one participant in a two-parent assistance unit is determined to be ineligible for  
 511.9 a hardship extension, the county shall give the assistance unit the option of disqualifying  
 511.10 the ineligible participant from MFIP. In that case, the assistance unit shall be treated as a  
 511.11 one-parent assistance unit and the assistance unit's MFIP grant shall be calculated using  
 511.12 the shared household standard under section 256J.08, subdivision 82a.

511.13 (c) Prior to denying an extension, the county must review the sanction status and  
 511.14 determine whether the sanction is appropriate or if good cause exists under section 256J.57.  
 511.15 If the sanction was inappropriately applied or the participant is granted a good cause  
 511.16 exception before the end of month 60, the participant shall be considered for an extension.

511.17 **EFFECTIVE DATE.** This section is effective January 1, 2015.

511.18 Sec. 27. Minnesota Statutes 2012, section 256J.425, subdivision 7, is amended to read:

511.19 Subd. 7. **Status of disqualified participants.** (a) An assistance unit that is  
 511.20 disqualified under subdivision 6, paragraph (a), may be approved for MFIP if the  
 511.21 participant complies with MFIP program requirements and demonstrates compliance for  
 511.22 up to one month. No assistance shall be paid during this period.

511.23 (b) An assistance unit that is disqualified under subdivision 6, paragraph (a), and that  
 511.24 reappears under paragraph (a) is subject to sanction under section 256J.46, subdivision  
 511.25 1, paragraph (c), clause (1), for a first occurrence of noncompliance. A subsequent  
 511.26 occurrence of noncompliance results in a permanent disqualification.

511.27 (c) If one participant in a two-parent assistance unit receiving assistance under a  
 511.28 hardship extension under subdivision 3 or 4 is determined to be out of compliance with  
 511.29 the employment and training services requirements under sections 256J.521 to 256J.57,  
 511.30 the county shall give the assistance unit the option of disqualifying the noncompliant  
 511.31 participant from MFIP. In that case, the assistance unit shall be treated as a one-parent  
 511.32 assistance unit for the purposes of meeting the work requirements under subdivision  
 511.33 4 and the assistance unit's MFIP grant shall be calculated using the shared household  
 511.34 standard under section 256J.08, subdivision 82a. An applicant who is disqualified  
 511.35 from receiving assistance under this paragraph may reapply under paragraph (a). If a

512.1 participant is disqualified from MFIP under this subdivision a second time, the participant  
512.2 is permanently disqualified from MFIP.

512.3 (d) Prior to a disqualification under this subdivision, a county agency must review  
512.4 the participant's case to determine if the employment plan is still appropriate and attempt  
512.5 to meet with the participant face-to-face. If a face-to-face meeting is not conducted, the  
512.6 county agency must send the participant a notice of adverse action as provided in section  
512.7 256J.31. During the face-to-face meeting, the county agency must:

512.8 (1) determine whether the continued noncompliance can be explained and mitigated  
512.9 by providing a needed preemployment activity, as defined in section 256J.49, subdivision  
512.10 13, clause (9);

512.11 (2) determine whether the participant qualifies for a good cause exception under  
512.12 section 256J.57;

512.13 (3) inform the participant of the family violence waiver criteria and make appropriate  
512.14 referrals if the waiver is requested;

512.15 (4) inform the participant of the participant's sanction status and explain the  
512.16 consequences of continuing noncompliance;

512.17 (5) identify other resources that may be available to the participant to meet the  
512.18 needs of the family; and

512.19 (6) inform the participant of the right to appeal under section 256J.40.

512.20 **EFFECTIVE DATE.** This section is effective January 1, 2015.

512.21 Sec. 28. Minnesota Statutes 2012, section 256J.95, subdivision 8, is amended to read:

512.22 Subd. 8. **Verification requirements.** (a) A county agency must only require  
512.23 verification of information necessary to determine DWP eligibility and the amount of  
512.24 the payment. The applicant or participant must document the information required or  
512.25 authorize the county agency to verify the information. The applicant or participant has the  
512.26 burden of providing documentary evidence to verify eligibility. The county agency shall  
512.27 assist the applicant or participant in obtaining required documents when the applicant  
512.28 or participant is unable to do so.

512.29 (b) A county agency must not request information about an applicant or participant  
512.30 that is not a matter of public record from a source other than county agencies, the  
512.31 Department of Human Services, or the United States Department of Health and Human  
512.32 Services without the person's prior written consent. An applicant's signature on an  
512.33 application form constitutes consent for contact with the sources specified on the  
512.34 application. A county agency may use a single consent form to contact a group of similar

513.1 sources, but the sources to be contacted must be identified by the county agency prior to  
513.2 requesting an applicant's consent.

513.3 (c) Factors to be verified shall follow section ~~256J.32~~, subdivision 256P.04,  
513.4 subdivisions 4 and 5. Except for personal needs, family maintenance needs must be  
513.5 verified before the expense can be allowed in the calculation of the DWP grant.

513.6 **EFFECTIVE DATE.** This section is effective February 1, 2015.

513.7 Sec. 29. Minnesota Statutes 2012, section 256J.95, subdivision 9, is amended to read:

513.8 Subd. 9. **Property and income limitations.** The asset limits and exclusions in  
513.9 section ~~256J.20~~ 256P.02 apply to applicants and ~~recipients~~ participants of DWP. All  
513.10 payments, unless excluded in section 256J.21, must be counted as income to determine  
513.11 eligibility for the diversionary work program. The ~~county~~ agency shall treat income as  
513.12 outlined in section 256J.37, except for subdivision 3a. The initial income test and the  
513.13 disregards in section 256J.21, subdivision 3, shall be followed for determining eligibility  
513.14 for the diversionary work program.

513.15 **EFFECTIVE DATE.** This section is effective June 1, 2016.

513.16 Sec. 30. Minnesota Statutes 2012, section 256J.95, subdivision 10, is amended to read:

513.17 Subd. 10. **Diversionary work program grant.** (a) The amount of cash benefits that  
513.18 a family unit is eligible for under the diversionary work program is based on the number  
513.19 of persons in the family unit, the family maintenance needs, personal needs allowance,  
513.20 and countable income. The county agency shall evaluate the income of the family unit  
513.21 that is requesting payments under the diversionary work program. Countable income  
513.22 means gross earned and unearned income not excluded or disregarded under MFIP.  
513.23 The same disregards for earned income that are allowed under MFIP are allowed for  
513.24 the diversionary work program.

513.25 (b) The DWP grant is based on the family maintenance needs for which the DWP  
513.26 family unit is responsible plus a personal needs allowance. Housing and utilities, except  
513.27 for telephone service, shall be vendor paid. Unless otherwise stated in this section, actual  
513.28 housing and utility expenses shall be used when determining the amount of the DWP grant.

513.29 (c) The maximum monthly benefit amount available under the diversionary work  
513.30 program is the difference between the family unit's needs under paragraph (b) and the  
513.31 family unit's countable income not to exceed the cash portion of the MFIP transitional  
513.32 ~~standard of need~~ as defined in ~~section~~ sections 256J.08, subdivision ~~55a~~ 85, and 256J.24,  
513.33 subdivision 5, for the family unit's size.

(d) Once the county has determined a grant amount, the DWP grant amount will not be decreased if the determination is based on the best information available at the time of approval and shall not be decreased because of any additional income to the family unit. The grant must be increased if a participant later verifies an increase in family maintenance needs or family unit size. The minimum cash benefit amount, if income and asset tests are met, is \$10. Benefits of \$10 shall not be vendor paid.

(e) When all criteria are met, including the development of an employment plan as described in subdivision 14 and eligibility exists for the month of application, the amount of benefits for the diversionary work program retroactive to the date of application is as specified in section 256J.35, paragraph (a).

(f) Any month during the four-month DWP period that a person receives a DWP benefit directly or through a vendor payment made on the person's behalf, that person is ineligible for MFIP or any other TANF cash assistance program except for benefits defined in section 256J.626, subdivision 2, clause (1).

If during the four-month period a family unit that receives DWP benefits moves to a county that has not established a diversionary work program, the family unit may be eligible for MFIP the month following the last month of the issuance of the DWP benefit.

**EFFECTIVE DATE.** This section is effective January 1, 2015.

#### Sec. 31. **[256P.001] APPLICABILITY.**

General assistance and Minnesota supplemental aid under chapter 256D and programs governed by chapter 256I or 256J are subject to the requirements of this chapter, unless otherwise specified or exempted.

#### Sec. 32. **[256P.01] DEFINITIONS.**

Subdivision 1. **Scope.** For purposes of this chapter, the terms defined in this section have the meanings given them.

Subd. 2. **Agency.** "Agency" means any county, federally recognized Indian tribe, or multicounty social services collaboratives.

Subd. 3. **Earned income.** "Earned income" means cash or in-kind income earned through the receipt of wages, salary, commissions, profit from employment activities, net profit from self-employment activities, payments made by an employer for regularly accrued vacation or sick leave, and any other profit from activity earned through effort or labor. The income must be in return for, or as a result of, legal activity.

515.1        Subd. 4. **Earned income disregard.** "Earned income disregard" means earned  
515.2 income that is not counted according to section 256P.03 when determining eligibility and  
515.3 calculating the amount of the assistance payment.

515.4        Subd. 5. **Equity value.** "Equity value" means the amount of equity in personal  
515.5 property owned by a person and is determined by subtracting any outstanding  
515.6 encumbrances from the fair market value of the personal property.

515.7        Subd. 6. **Personal property.** "Personal property" means an item of value that  
515.8 is not real property.

515.9        Subd. 7. **Self-employment.** "Self-employment" means employment by an  
515.10 individual who:

515.11        (1) incurs costs in producing income and deducts these costs in order to equate the  
515.12 individual's income with income from sources where there are no production costs; and

515.13        (2) controls the individual's work by working either independently of an employer or  
515.14 freelance, or by running the business; or

515.15        (3) pays self-employment taxes.

515.16        Sec. 33. **[256P.02] PERSONAL PROPERTY LIMITATIONS.**

515.17        Subdivision 1. **Property ownership.** (a) The agency must apply paragraphs (b) to  
515.18 (e) to determine the value of personal property. The agency must use the equity value  
515.19 of legally available personal property to determine whether an applicant or participant  
515.20 is eligible for assistance.

515.21        (b) When personal property is jointly owned by two or more persons, the agency  
515.22 shall assume that each person owns an equal share, except that either person owns  
515.23 the entire sum of a joint personal checking or savings account. When an applicant or  
515.24 participant documents greater or lesser ownership, the agency must use that greater or  
515.25 lesser share to determine the equity value held by the applicant or participant. Other types  
515.26 of ownership must be evaluated according to law.

515.27        (c) Personal property owned by the applicant or participant must be presumed legally  
515.28 available to the applicant or participant unless the applicant or participant documents  
515.29 that the property is not legally available to the applicant or participant. When personal  
515.30 property is not legally available, its equity value must not be applied against the limits of  
515.31 subdivision 2.

515.32        (d) An applicant must disclose whether the applicant has transferred personal  
515.33 property valued in excess of the property limits in subdivision 2 for which reasonable  
515.34 compensation was not received within one year prior to application. A participant must  
515.35 disclose all transfers of property valued in excess of these limits, according to the reporting

requirements in section 256J.30, subdivision 9. When a transfer of personal property without reasonable compensation has occurred:

(1) the person who transferred the property must provide the property's description, information needed to determine the property's equity value, the names of the persons who received the property, and the circumstances of and reasons for the transfer; and

(2) when the transferred property can be reasonably reacquired, or when reasonable compensation can be secured, the property is presumed legally available to the applicant or participant.

(e) A participant may build the equity value of personal property to the limits in subdivision 2.

Subd. 2. **Personal property limitations.** (a) The equity value of an assistance unit's personal property listed in clauses (1) to (4) must not exceed \$10,000 for applicants and participants. For purposes of this subdivision, personal property is limited to:

(1) cash;

(2) bank accounts;

(3) liquid stocks and bonds that can be readily accessed without a financial penalty; and

(4) vehicles not excluded under subdivision 3.

Subd. 3. **Vehicle exception.** One vehicle per assistance unit member age 16 or older shall be excluded when determining the equity value of personal property. If the assistance unit owns more than one vehicle per assistance unit member age 16 or older, the agency shall determine the trade-in values of all additional vehicles and apply the values to the personal property limitations in subdivision 2. To establish the trade-in values of vehicles, an agency must use the National Automobile Dealers Association online car values and car prices guide. When a vehicle is not listed in the online guide, or when the applicant or participant disputes the trade-in value listed in the online guide as unreasonable given the condition of the particular vehicle, the agency may require the applicant or participant to document the trade-in value by securing a written statement from a motor vehicle dealer licensed under section 168.27, stating the amount that the dealer would pay to purchase the vehicle. The agency shall reimburse the applicant or participant for the cost of a written statement that documents a lower loan value.

**EFFECTIVE DATE.** This section is effective June 1, 2016.

Sec. 34. **[256P.03] EARNED INCOME DISREGARD.**

517.1        Subdivision 1. **Exempted programs.** Participants who qualify for Minnesota  
517.2 supplemental aid under chapter 256D and for group residential housing under chapter 256I  
517.3 on the basis of eligibility for Supplemental Security Income are exempt from this section.

517.4        Subd. 2. **Earned income disregard.** The agency shall disregard the first \$65 of  
517.5 earned income plus one-half of the remaining earned income per month.

517.6        **EFFECTIVE DATE.** This section is effective October 1, 2015.

517.7        Sec. 35. **[256P.04] DOCUMENTING, VERIFYING, AND RECERTIFYING**  
517.8 **ELIGIBILITY.**

517.9        Subdivision 1. **Exemption.** Participants who receive Minnesota supplemental aid  
517.10 and who maintain Supplemental Security Income eligibility under chapters 256D and  
517.11 256I are exempt from the reporting requirements of this section, except that the policies  
517.12 and procedures for transfers of assets are those used by the medical assistance program  
517.13 under section 256B.0595.

517.14        Subd. 2. **Verification of information.** An agency must only require verification of  
517.15 information necessary to determine eligibility and the amount of the assistance payment.  
517.16 If necessary, the agency shall assist the applicant or participant in obtaining verifications  
517.17 and required documents when the applicant or participant is unable to do so.

517.18        Subd. 3. **Documentation.** The applicant or participant must document the  
517.19 information required under subdivisions 4 to 7 or authorize the agency to verify the  
517.20 information. The applicant or participant has the burden of providing documentary  
517.21 evidence to verify eligibility. The agency must accept a signed personal statement from  
517.22 the applicant or participant when determining personal property values under section  
517.23 256P.02. The signed personal statement must include general penalty warnings and a  
517.24 disclaimer that any false or misrepresented information is subject to prosecution for fraud  
517.25 under sections 609.52 and 609.821 and perjury under section 609.48.

517.26        Subd. 4. **Factors to be verified.** (a) The agency shall verify the following at  
517.27 application:

517.28        (1) identity of adults;

517.29        (2) age, if necessary to determine eligibility;

517.30        (3) immigration status;

517.31        (4) income;

517.32        (5) spousal support and child support payments made to persons outside the  
517.33 household;

517.34        (6) vehicles;

517.35        (7) checking and savings accounts;

518.1 (8) inconsistent information, if related to eligibility;

518.2 (9) residence; and

518.3 (10) Social Security number.

518.4 (b) Applicants who are qualified noncitizens and victims of domestic violence as  
 518.5 defined under section 256J.08, subdivision 73, clause (7), are not required to verify the  
 518.6 information in paragraph (a), clause (10). When a Social Security number is not provided  
 518.7 to the agency for verification, this requirement is satisfied when each member of the  
 518.8 assistance unit cooperates with the procedures for verification of Social Security numbers,  
 518.9 issuance of duplicate cards, and issuance of new numbers which have been established  
 518.10 jointly between the Social Security Administration and the commissioner.

518.11 Subd. 5. **MFIP-only verifications.** In addition to subdivision 4, the agency shall  
 518.12 verify the following for programs under chapter 256J:

518.13 (1) the presence of the minor child in the home, if questionable;

518.14 (2) the relationship of a minor child to caregivers in the assistance unit;

518.15 (3) pregnancy, if related to eligibility;

518.16 (4) school attendance, if related to eligibility;

518.17 (5) a claim of family violence, if used as a basis to qualify for the family violence  
 518.18 waiver under chapter 256J; and

518.19 (6) disability, if used as the basis for reducing the hourly participation requirements  
 518.20 under section 256J.55, subdivision 1, or for the type of activity included in an employment  
 518.21 plan under section 256J.521, subdivision 2.

518.22 Subd. 6. **Personal property inconsistent information.** If there is inconsistent  
 518.23 information known to the agency when reporting personal property under section 256P.02,  
 518.24 an agency must require the applicant or participant to document the information required  
 518.25 under section 256P.02 or authorize the county agency to verify the information. The  
 518.26 applicant or participant has the burden of providing documentary evidence to verify  
 518.27 eligibility. The agency shall assist the applicant or participant in obtaining required  
 518.28 documents when the applicant or participant is unable to do so.

518.29 Subd. 7. **Documenting and verifying inconsistent information.** When the  
 518.30 agency verifies inconsistent information under subdivision 4, paragraph (a), clause (8);  
 518.31 subdivision 6; or subdivision 8, clause (3), the reason for verifying the information must  
 518.32 be documented in the financial case record.

518.33 Subd. 8. **Recertification.** The agency shall recertify eligibility in an annual  
 518.34 interview with the participant. The interview may be conducted by telephone, by Internet  
 518.35 telepresence, or face-to-face in the county office or in another location mutually agreed  
 518.36 upon. A participant must be given the option of a telephone interview or Internet

519.1 telepresence to recertify eligibility. During the interview, the agency shall verify the  
 519.2 following:

- 519.3 (1) income, unless excluded, including self-employment earnings;
- 519.4 (2) assets when the value is within \$200 of the asset limit; and
- 519.5 (3) inconsistent information, if related to eligibility.

519.6 Subd. 9. **MFIP-only recertification.** In addition to subdivision 8, the agency shall  
 519.7 verify the following for programs under chapter 256J:

- 519.8 (1) the presence of the minor child in the home, if questionable; and
- 519.9 (2) whether a single-caregiver household meets the requirements in section  
 519.10 256J.575, subdivision 3.

519.11 Subd. 10. **Participant's completion of form for recertification of eligibility.** A  
 519.12 participant must complete forms prescribed by the commissioner which are required  
 519.13 for recertification of eligibility according to subdivisions 8 and 9. An agency must end  
 519.14 benefits when the participant fails to submit the recertification form and verifications  
 519.15 before the end of the certification period. If the participant submits the recertification  
 519.16 form within 30 days of the termination of benefits, benefits must be reinstated and made  
 519.17 available retroactively for the full benefit month.

519.18 Subd. 11. **Participant's completion of household report form.** (a) When a  
 519.19 participant is required to complete a household report form, the following paragraphs apply.

519.20 (b) If the agency receives an incomplete household report form, the agency must  
 519.21 immediately return the incomplete form and clearly state what the participant must do for  
 519.22 the form to be complete.

519.23 (c) The automated eligibility system must send a notice of proposed termination of  
 519.24 assistance to the participant if a complete household report form is not received by the  
 519.25 agency. The automated notice must be mailed to the participant by approximately the 16th  
 519.26 of the month. When a participant submits an incomplete form on or after the date a notice  
 519.27 of proposed termination has been sent, the termination is valid unless the participant  
 519.28 submits a complete form before the end of the month.

519.29 (d) The submission of a household report form is considered to have continued the  
 519.30 participant's application for assistance if a complete household report form is received  
 519.31 within a calendar month after the month in which the form was due. Assistance shall be  
 519.32 paid for the period beginning with the first day of that calendar month.

519.33 (e) An agency must allow good cause exemptions for a participant required to  
 519.34 complete a household report form when any of the following factors cause a participant to  
 519.35 fail to submit a completed household report form before the end of the month in which  
 519.36 the form is due:

- 520.1           (1) an employer delays completion of employment verification;  
520.2           (2) the agency does not help a participant complete the household report form when  
520.3 the participant asks for help;  
520.4           (3) a participant does not receive a household report form due to a mistake on the  
520.5 part of the department or the agency or a reported change in address;  
520.6           (4) a participant is ill or physically or mentally incapacitated; or  
520.7           (5) some other circumstance occurs that a participant could not avoid with reasonable  
520.8 care which prevents the participant from providing a completed household report form  
520.9 before the end of the month in which the form is due.

520.10           Subd. 12. **Contacting third parties.** An agency must not request information  
520.11 about an applicant or participant that is not of public record from a source other than  
520.12 agencies, the department, or the United States Department of Health and Human Services  
520.13 without the applicant's or participant's prior written consent. An applicant's signature  
520.14 on an application form constitutes consent for contact with the sources specified on the  
520.15 application. An agency may use a single consent form to contact a group of similar  
520.16 sources, such as banks or insurance agencies, but the sources to be contacted must be  
520.17 identified by the agency prior to requesting an applicant's consent.

520.18           Subd. 13. **Notice to undocumented persons; release of private data.** Agencies,  
520.19 in consultation with the commissioner of human services, shall provide notification  
520.20 to undocumented persons regarding the release of personal data to the United States  
520.21 Citizenship and Immigration Services and develop protocols regarding the release or  
520.22 sharing of data about undocumented persons with the United States Citizenship and  
520.23 Immigration Services as required under sections 404, 411A, and 434 of the Personal  
520.24 Responsibility and Work Opportunity Reconciliation Act of 1996.

520.25           Subd. 14. **Requirement to report to United States Citizenship and Immigration**  
520.26 **Services.** The commissioner shall comply with the reporting requirements under United  
520.27 States Code, title 42, section 611a, and any federal regulation or guidance adopted under  
520.28 that law.

520.29           Subd. 15. **Personal statement.** The agency may accept a signed personal statement  
520.30 from the applicant or participant explaining the reasons that the documentation requested  
520.31 in subdivision 3 is unavailable as sufficient documentation at the time of application,  
520.32 recertification, or change related to eligibility only for the following factors:

- 520.33           (1) a claim of family violence, if used as a basis to qualify for the family violence  
520.34 waiver;  
520.35           (2) relationship of a minor child to caregivers in the assistance unit;

521.1 (3) citizenship status from a noncitizen who reports to be, or is identified as, a victim  
 521.2 of severe forms of trafficking in persons, if the noncitizen reports that the noncitizen's  
 521.3 immigration documents are being held by an individual or group of individuals against the  
 521.4 noncitizen's will. The noncitizen must follow up with the Office of Refugee Resettlement  
 521.5 (ORR) to pursue certification. If verification that certification is being pursued is  
 521.6 not received within 30 days, the case must be closed and the agency shall pursue  
 521.7 overpayments. The ORR documents certifying the noncitizen's status as a victim of severe  
 521.8 forms of trafficking in persons, or the reason for the delay in processing, must be received  
 521.9 within 90 days, or the case must be closed and the agency shall pursue overpayments; and

521.10 (4) other documentation unavailable for reasons beyond the control of the applicant  
 521.11 or participant. The applicant or participant must have made reasonable attempts to obtain  
 521.12 the documents requested under subdivision 3.

521.13 Subd. 16. **Excluded resources.** Payments of funds made according to litigation and  
 521.14 subsequent appropriation by the United States Congress to compensate members of Indian  
 521.15 tribes for the taking of tribal lands by the federal government are excluded.

521.16 **EFFECTIVE DATE.** This section is effective February 1, 2015.

521.17 Sec. 36. **[256P.05] SELF-EMPLOYMENT EARNINGS.**

521.18 Subdivision 1. **Exempted programs.** Participants who qualify for Minnesota  
 521.19 supplemental aid under chapter 256D and for group residential housing under chapter 256I  
 521.20 on the basis of eligibility for Supplemental Security Income are exempt from this section.

521.21 Subd. 2. **Self-employment income determinations.** An agency must determine  
 521.22 self-employment income, which is either:

521.23 (1) one-half of gross earnings from self-employment; or

521.24 (2) taxable income as determined from an Internal Revenue Service tax form that  
 521.25 has been filed with the Internal Revenue Service within the last year. A 12-month average  
 521.26 using net taxable income shall be used to budget monthly income.

521.27 Subd. 3. **Self-employment budgeting.** (a) The self-employment budget period  
 521.28 begins in the month of application or in the first month of self-employment. Applicants  
 521.29 and participants must choose one of the methods described in subdivision 2 for  
 521.30 determining self-employment earned income.

521.31 (b) Applicants and participants who elect to use taxable income as described in  
 521.32 subdivision 2, clause (2), to determine self-employment income must continue to use this  
 521.33 method until recertification, unless there is an unforeseen significant change in gross  
 521.34 income equaling a decline in gross income of the amount equal to or greater than the

522.1 earned income disregard as defined in section 256P.03 from the income used to determine  
522.2 the benefit for the current month.

522.3 (c) For applicants and participants who elect to use one-half of gross earnings as  
522.4 described in subdivision 2, clause (1), to determine self-employment income, earnings  
522.5 must be counted as income in the month received.

522.6 **EFFECTIVE DATE.** This section is effective February 1, 2015.

522.7 Sec. 37. **REPEALER.**

522.8 (a) Minnesota Statutes 2012, sections 256J.08, subdivisions 55a and 82a; and  
522.9 256J.24, subdivision 9, are repealed effective January 1, 2015.

522.10 (b) Minnesota Statutes 2012, sections 256D.405, subdivisions 1a and 2; 256J.08,  
522.11 subdivision 42; and 256J.32, subdivisions 2, 3, 4, 5a, 6, 7, 7a, and 8, are repealed effective  
522.12 February 1, 2015.

522.13 (c) Minnesota Statutes 2012, section 256D.06, subdivision 1b, is repealed effective  
522.14 October 1, 2015.

522.15 (d) Minnesota Statutes 2013 Supplement, section 256J.08, subdivision 24, is  
522.16 repealed effective October 1, 2015.

522.17 (e) Minnesota Statutes 2012, sections 256D.08, subdivision 2; and 256J.20, are  
522.18 repealed effective June 1, 2016.

## 522.19 **ARTICLE 29**

### 522.20 **CHEMICAL AND MENTAL HEALTH**

522.21 Section 1. Minnesota Statutes 2012, section 245.466, is amended by adding a  
522.22 subdivision to read:

522.23 Subd. 3a. **Transition plan related to termination of contract.** Counties must  
522.24 prepare a transition plan that provides for continuity of care in the event of contract  
522.25 termination with a community mental health center under section 245.715, or a community  
522.26 support services program under section 245.462, subdivision 6. The county shall provide  
522.27 at least 90 days' notice of the termination to the contracted agency and the commissioner  
522.28 of human services. The transition plan must provide information to clients on how to  
522.29 access medical records and how to transfer to other providers.

522.30 Sec. 2. Minnesota Statutes 2012, section 245A.04, is amended by adding a subdivision  
522.31 to read:

522.32 Subd. 15a. **Plan for transfer of clients and records upon closure.** (a) Except for  
522.33 child care providers, an applicant for initial or continuing licensure must submit a written

523.1 plan indicating how the agency will provide for the transfer of clients and records for both  
 523.2 open and closed cases if the agency closes. The plan must provide for managing private  
 523.3 and confidential information concerning agency clients. The plan must also provide  
 523.4 for notifying affected clients of the closure at least 25 days prior to closure, including  
 523.5 information on how to access their medical records. A controlling individual of the agency  
 523.6 must annually review and sign the plan.

523.7 (b) Plans for the transfer of open cases and case records must specify arrangements  
 523.8 the agency will make to transfer clients to another agency or county agency for  
 523.9 continuation of services and to transfer the case record with the client.

523.10 (c) Plans for the transfer of closed case records must be accompanied by a signed  
 523.11 agreement or other documentation indicating that a county or a similarly licensed agency  
 523.12 has agreed to accept and maintain the agency's closed case records and to provide  
 523.13 follow-up services as necessary to affected clients.

523.14 Sec. 3. Minnesota Statutes 2012, section 253B.066, subdivision 1, is amended to read:

523.15 Subdivision 1. **Treatment alternatives.** If the court orders early intervention  
 523.16 under section 253B.065, subdivision 5, the court may include in its order a variety of  
 523.17 treatment alternatives including, but not limited to, day treatment, medication compliance  
 523.18 monitoring, assertive community treatment, crisis assessment and stabilization, partial  
 523.19 hospitalization, and short-term hospitalization not to exceed 21 days.

523.20 If the court orders short-term hospitalization and the proposed patient will not go  
 523.21 voluntarily, the court may direct a health officer, peace officer, or other person to take the  
 523.22 person into custody and transport the person to the hospital.

523.23 Sec. 4. Minnesota Statutes 2012, section 254B.12, is amended to read:

523.24 **254B.12 RATE METHODOLOGY.**

523.25 Subdivision 1. **CCDTF rate methodology established.** The commissioner shall  
 523.26 establish a new rate methodology for the consolidated chemical dependency treatment  
 523.27 fund. The new methodology must replace county-negotiated rates with a uniform  
 523.28 statewide methodology that must include a graduated reimbursement scale based on the  
 523.29 patients' level of acuity and complexity. At least biennially, the commissioner shall review  
 523.30 the financial information provided by vendors to determine the need for rate adjustments.

523.31 Subd. 2. **Payment methodology for highly specialized vendors.** (a)  
 523.32 Notwithstanding subdivision 1, the commissioner shall seek federal authority to develop  
 523.33 separate payment methodologies for chemical dependency treatment services provided

528.6 Sec. 7. Minnesota Statutes 2012, section 256B.0624, subdivision 2, is amended to read:

528.7 Subd. 2. **Definitions.** For purposes of this section, the following terms have the  
528.8 meanings given them.

528.9 (a) "Mental health crisis" is an adult behavioral, emotional, or psychiatric situation  
528.10 which, but for the provision of crisis response services, would likely result in significantly  
528.11 reduced levels of functioning in primary activities of daily living, or in an emergency  
528.12 situation, or in the placement of the recipient in a more restrictive setting, including, but  
528.13 not limited to, inpatient hospitalization.

528.14 (b) "Mental health emergency" is an adult behavioral, emotional, or psychiatric  
528.15 situation which causes an immediate need for mental health services and is consistent  
528.16 with section 62Q.55.

528.17 A mental health crisis or emergency is determined for medical assistance service  
528.18 reimbursement by a physician, a mental health professional, or crisis mental health  
528.19 practitioner with input from the recipient whenever possible.

528.20 (c) "Mental health crisis assessment" means an immediate face-to-face assessment  
528.21 by a physician, a mental health professional, or mental health practitioner under the  
528.22 clinical supervision of a mental health professional, following a screening that suggests  
528.23 that the adult may be experiencing a mental health crisis or mental health emergency  
528.24 situation. It includes, when feasible, assessing whether the person might be willing to  
528.25 voluntarily accept treatment, determining whether the person has an advance directive,  
528.26 and obtaining information and history from involved family members or caretakers.

528.27 (d) "Mental health mobile crisis intervention services" means face-to-face,  
528.28 short-term intensive mental health services initiated during a mental health crisis or mental  
528.29 health emergency to help the recipient cope with immediate stressors, identify and utilize  
528.30 available resources and strengths, engage in voluntary treatment, and begin to return to the  
528.31 recipient's baseline level of functioning. The services, including screening and treatment  
528.32 plan recommendations, must be culturally and linguistically appropriate.

528.33 (1) This service is provided on site by a mobile crisis intervention team outside of  
528.34 an inpatient hospital setting. Mental health mobile crisis intervention services must be  
528.35 available 24 hours a day, seven days a week.

(2) The initial screening must consider other available services to determine which service intervention would best address the recipient's needs and circumstances.

(3) The mobile crisis intervention team must be available to meet promptly face-to-face with a person in mental health crisis or emergency in a community setting or hospital emergency room.

(4) The intervention must consist of a mental health crisis assessment and a crisis treatment plan.

(5) The team must be available to individuals who are experiencing a co-occurring substance use disorder, who do not need the level of care provided in a detoxification facility.

~~(5)~~ (6) The treatment plan must include recommendations for any needed crisis stabilization services for the recipient, including engagement in treatment planning and family psychoeducation.

(e) "Mental health crisis stabilization services" means individualized mental health services provided to a recipient following crisis intervention services which are designed to restore the recipient to the recipient's prior functional level. Mental health crisis stabilization services may be provided in the recipient's home, the home of a family member or friend of the recipient, another community setting, or a short-term supervised, licensed residential program. Mental health crisis stabilization does not include partial hospitalization or day treatment. Mental health crisis stabilization services includes family psychoeducation.

Sec. 8. Minnesota Statutes 2012, section 256B.0624, subdivision 5, is amended to read:

Subd. 5. **Mobile crisis intervention staff qualifications.** For provision of adult mental health mobile crisis intervention services, a mobile crisis intervention team is comprised of at least two mental health professionals as defined in section 245.462, subdivision 18, clauses (1) to (6), or a combination of at least one mental health professional and one mental health practitioner as defined in section 245.462, subdivision 17, with the required mental health crisis training and under the clinical supervision of a mental health professional on the team. The team must have at least two people with at least one member providing on-site crisis intervention services when needed. Team members must be experienced in mental health assessment, crisis intervention techniques, treatment engagement strategies, working with families, and clinical decision-making under emergency conditions and have knowledge of local services and resources.

The team must recommend and coordinate the team's services with appropriate local

530.1 resources such as the county social services agency, mental health services, and local  
530.2 law enforcement when necessary.

530.3 Sec. 9. Minnesota Statutes 2012, section 256B.0624, subdivision 6, is amended to read:

530.4 Subd. 6. **Crisis assessment and mobile intervention treatment planning.** (a)

530.5 Prior to initiating mobile crisis intervention services, a screening of the potential crisis  
530.6 situation must be conducted. The screening may use the resources of crisis assistance  
530.7 and emergency services as defined in sections 245.462, subdivision 6, and 245.469,  
530.8 subdivisions 1 and 2. The screening must gather information, determine whether a crisis  
530.9 situation exists, identify parties involved, and determine an appropriate response.

530.10 (b) If a crisis exists, a crisis assessment must be completed. A crisis assessment  
530.11 evaluates any immediate needs for which emergency services are needed and, as time  
530.12 permits, the recipient's current life situation, sources of stress, mental health problems  
530.13 and symptoms, strengths, cultural considerations, support network, vulnerabilities, current  
530.14 functioning, and the recipient's preferences as communicated directly by the recipient,  
530.15 or as communicated in a health care directive as described in chapters 145C and 253B,  
530.16 the treatment plan described under paragraph (d), a crisis prevention plan, or a wellness  
530.17 recovery action plan.

530.18 (c) If the crisis assessment determines mobile crisis intervention services are needed,  
530.19 the intervention services must be provided promptly. As opportunity presents during the  
530.20 intervention, at least two members of the mobile crisis intervention team must confer  
530.21 directly or by telephone about the assessment, treatment plan, and actions taken and  
530.22 needed. At least one of the team members must be on site providing crisis intervention  
530.23 services. If providing on-site crisis intervention services, a mental health practitioner must  
530.24 seek clinical supervision as required in subdivision 9.

530.25 (d) The mobile crisis intervention team must develop an initial, brief crisis treatment  
530.26 plan as soon as appropriate but no later than 24 hours after the initial face-to-face  
530.27 intervention. The plan must address the needs and problems noted in the crisis assessment  
530.28 and include measurable short-term goals, cultural considerations, and frequency and type  
530.29 of services to be provided to achieve the goals and reduce or eliminate the crisis. The  
530.30 treatment plan must be updated as needed to reflect current goals and services.

530.31 (e) The team must document which short-term goals have been met and when no  
530.32 further crisis intervention services are required.

530.33 (f) If the recipient's crisis is stabilized, but the recipient needs a referral to other  
530.34 services, the team must provide referrals to these services. If the recipient has a case  
530.35 manager, planning for other services must be coordinated with the case manager. If the

531.1 recipient is unable to follow up on the referral, the team must link the recipient to the  
531.2 service and follow up to ensure the recipient is receiving the service.

531.3 (g) If the recipient's crisis is stabilized and the recipient does not have an advance  
531.4 directive, the case manager or crisis team shall offer to work with the recipient to develop  
531.5 one.

531.6 Sec. 10. Minnesota Statutes 2012, section 256B.0624, subdivision 10, is amended to  
531.7 read:

531.8 Subd. 10. **Recipient file.** Providers of mobile crisis intervention or crisis stabilization  
531.9 services must maintain a file for each recipient containing the following information:

531.10 (1) individual crisis treatment plans signed by the recipient, mental health  
531.11 professional, and mental health practitioner who developed the crisis treatment plan, or  
531.12 if the recipient refused to sign the plan, the date and reason stated by the recipient as to  
531.13 why the recipient would not sign the plan;

531.14 (2) signed release forms;

531.15 (3) recipient health information and current medications;

531.16 (4) emergency contacts for the recipient;

531.18 signature of the person providing the service, and the nature, extent, and units of service.

531.19 Direct or telephone contact with the recipient's family or others should be documented;

531.20 (6) required clinical supervision by mental health professionals;

531.21 (7) summary of the recipient's case reviews by staff; ~~and~~

531.22 (8) any written information by the recipient that the recipient wants in the file; and

531.23 (9) an advance directive, if there is one available.

531.24 Documentation in the file must comply with all requirements of the commissioner.

531.25 Sec. 11. Minnesota Statutes 2012, section 256I.05, subdivision 2, is amended to read:

531.26 Subd. 2. **Monthly rates; exemptions.** ~~The maximum group residential housing rate~~  
531.27 ~~does not apply.~~ This subdivision applies to a residence that on August 1, 1984, was licensed  
531.28 by the commissioner of health only as a boarding care home, certified by the commissioner  
531.29 of health as an intermediate care facility, and licensed by the commissioner of human  
531.30 services under Minnesota Rules, parts 9520.0500 to 9520.0690. Notwithstanding the  
531.31 provisions of subdivision 1c, the rate paid to a facility reimbursed under this subdivision  
531.32 shall be determined under section 256B.431, or under section 256B.434 if the facility is  
531.33 accepted by the commissioner for participation in the alternative payment demonstration  
531.34 project. The rate paid to this facility shall also include adjustments to the group residential

532.1 housing rate according to subdivision 1, and any adjustments applicable to supplemental  
 532.2 service rates statewide.

532.3       Sec. 12. **DIRECTION TO COMMISSIONER; REPORT ON PROGRAM**  
 532.4 **WAITING LISTS.**

532.5       In preparing background materials for the 2016-2017 biennium, the commissioner  
 532.6 of human services shall prepare a listing of all of the waiting lists for services that the  
 532.7 department oversees and directs. The listing shall identify the number of persons on those  
 532.8 waiting lists as of October 1, 2014, and an estimate of the cost of serving them based on  
 532.9 current average costs. The commissioner is encouraged to engage postsecondary students  
 532.10 in the assembly, analysis, and reporting of this information. The information shall be  
 532.11 provided to the governor, the chairs and ranking minority members of the legislative  
 532.12 committees with jurisdiction over health and human services policy and finance, and the  
 532.13 Legislative Reference Library in electronic form by December 1, 2014.

532.14       Sec. 13. **MENTALLY ILL OFFENDERS ARRESTED OR SUBJECT TO**  
 532.15 **ARREST; WORKING GROUP.**

532.16       Subdivision 1. **Working group established; study and draft legislation required.**  
 532.17 The commissioner of human services may convene a working group to address issues  
 532.18 related to offenders with mental illness who are arrested or subject to arrest. The working  
 532.19 group shall consider the special needs of these offenders and determine how best to  
 532.20 provide for these needs. Specifically, the group shall consider the efficacy of a facility  
 532.21 that would serve as a central point for accepting, assessing, and addressing the needs of  
 532.22 offenders with mental illness brought in by law enforcement as an alternative to arrest or  
 532.23 following arrest. The facility would consolidate and coordinate existing resources as well  
 532.24 as offer new resources that would provide a continuum of care addressing the immediate,  
 532.25 short-term, and long-term needs of these offenders. The facility would do the following for  
 532.26 these offenders: perform timely, credible, and useful mental health assessments; identify  
 532.27 community placement opportunities; coordinate community care; make recommendations  
 532.28 concerning pretrial release when appropriate; and, in some cases, provide direct services  
 532.29 to offenders at the facility or in nearby jails. The working group shall establish criteria  
 532.30 to determine which offenders may be admitted to the facility. The facility would be  
 532.31 located in the metropolitan region and serve the needs of nearby counties. The facility  
 532.32 would represent a partnership between the state, local units of government, and the private  
 532.33 sector. In addition, the working group may consider how similar facilities could function  
 532.34 in outstate areas. When studying this issue, the working group shall examine what other

533.1 states have done in this area to determine what programs have been successful and use  
 533.2 those programs as models in developing the program in Minnesota. The working group  
 533.3 may also study and make recommendations on other ways to improve the process for  
 533.4 addressing and assisting these offenders. The commissioner shall enter into an agreement  
 533.5 with NAMI Minnesota to carry out the work of the working group.

533.6 Subd. 2. **Membership.** The commissioner shall ensure that the working group  
 533.7 has expertise and a broad range of interests represented, including, but not limited to:  
 533.8 prosecutors; law enforcement, including jail staff; correctional officials; community  
 533.9 corrections staff; probation officials; criminal defense attorneys; judges; county and city  
 533.10 officials; mental health advocates; mental health professionals; and hospital and health  
 533.11 care officials.

533.12 Subd. 3. **Administrative issues.** (a) The commissioner shall convene the first  
 533.13 meeting of the working group by September 1, 2014. NAMI Minnesota shall provide  
 533.14 meeting space and administrative support to the working group. The working group shall  
 533.15 select a chair from among its members.

533.16 (b) The commissioner may solicit in-kind support from work group member  
 533.17 agencies to accomplish its assigned duties.

533.18 Subd. 4. **Report required.** By January 1, 2015, the working group shall submit a  
 533.19 report to the chairs and ranking minority members of the senate and house of representatives  
 533.20 committees and divisions having jurisdiction over human services and public safety. The  
 533.21 report must summarize the working group's activities and include its recommendations  
 533.22 and draft legislation. The recommendations must be specific and include estimates of the  
 533.23 costs involved in implementing the recommendations, including the funding sources that  
 533.24 might be used to pay for it. The working group shall explore potential funding sources  
 533.25 at the federal, local, and private levels, and provide this information in the report. In  
 533.26 addition, the report must include draft legislation to implement the recommendations.

533.27 **EFFECTIVE DATE.** This section is effective the day following final enactment.

533.28 Sec. 14. **DETOXIFICATION SERVICES PLAN.**

533.29 The commissioner of human services shall develop a plan to include detoxification  
 533.30 services as a covered medical assistance benefit and present the plan to the members of the  
 533.31 legislative committees having jurisdiction over health and human services provisions and  
 533.32 funding by December 15, 2014.

534.1       Sec. 15. REPORT ON RATE SETTING METHODOLOGY FOR MENTAL  
534.2       HEALTH SERVICES.

534.3           The commissioner of human services shall provide a report to the chairs of the  
534.4           Health and Human Services Finance Division by February 1, 2015, that assesses the  
534.5           current rate setting methodology for intensive residential treatment services (IRTS), adult  
534.6           crisis, and assertive community treatment (ACT). The report will include an assessment  
534.7           of alternative payment structures consistent with the intent and direction of the federal  
534.8           centers for Medicare and Medicaid services which could provide adequate reimbursement  
534.9           to sustain community-based mental health services regardless of geographic location.  
534.10          Stakeholders will be included in the development of the report and the report will also  
534.11          include concerns regarding payment rates for other mental health services that may  
534.12          require further analysis in the future.
