1.6 subdivision to read:

1.7 Subd. 2a. Unemployment insurance tax limits. (a) If the balance in the trust fund

1.22 (c) This subdivision does not apply to employers that were at the maximum
1.23 experience rating for the year, nor to high experience rating industry employers under
1.24 subdivision 5, paragraph (b). Computations under paragraph (a) are not subject to the

2.1 rounding requirement of section 268.034. The refund provisions of section 268.057,
2.2 subdivision 7, do not apply.

2.3 (d) The unemployment tax reduction under this subdivision applies to taxes paid
2.4 between March 1 and December 15 of the year following the December 31 computation
2.5 under paragraph (a).

2.6 (e) The amount equal to the average high cost multiple of 1.0 on December 31,
2.7 2012, must be used for the calculation under paragraph (a) but only for the calculation
2.8 made on December 31, 2015. Notwithstanding paragraph (d), the tax reduction resulting
2.9 from the application of this paragraph applies to unemployment taxes paid between July 1,
2.10 2016, and June 30, 2017.

2.11 **EFFECTIVE DATE.** This section is effective retroactively from December 31,
