ARTICLE 1

HEALTH DEPARTMENT

Section 1. **[144A.484] INTEGRATED LICENSURE; HOME AND COMMUNITY-BASED SERVICES DESIGNATION.**

Subdivision 1. **Integrated licensing established.** (a) From January 1, 2014, to June 30, 2015, the commissioner of health shall enforce the home and community-based services standards under chapter 245D for those providers who also have a home care license pursuant to chapter 144A as required under Laws 2013, chapter 108, article 11, section 31, and article 8, section 60.

(b) Beginning July 1, 2015, a home care provider applicant or license holder may apply to the commissioner of health for a home and community-based services designation for the provision of basic home and community-based services identified under section 245D.03, subdivision 1, paragraph (b). The designation allows the license holder to provide basic home and community-based services that would otherwise require licensure under chapter 245D, under the license holder's home care license governed by sections 144A.43 to 144A.481.

Subd. 2. **Application for home and community-based services designation.** An application for a home and community-based services designation must be made on the forms and in the manner prescribed by the commissioner. The commissioner shall provide the applicant with instruction for completing the application and provide information about the requirements of other state agencies that affect the applicant. Application for the home and community-based services designation is subject to the requirements under section 144A.473.

Subd. 3. **Home and community-based services designation fees.** A home care provider applicant or licensee applying for the home and community-based services designation or renewal of a home and community-based services designation must submit a fee in the amount specified in subdivision 8.

Subd. 4. **Applicability of home and community-based services requirements.** A home care provider with a home and community-based services designation must comply with the requirements for home care services governed by this chapter. For the provision of basic home and community-based services, the home care provider must also comply with the following home and community-based services licensing requirements:

(1) person-centered planning requirements in section 245D.07;

(2) protection standards in section 245D.06;

(3) emergency use of manual restraints in section 245D.061; and

3.1 (4) service recipient rights in section 245D.04, subdivision 3, paragraph (a), clauses
 3.2 (5), (7), (8), (12), and (13), and paragraph (b).

3.3 A home care provider with the integrated license-HCBS designation may utilize a bill of
 3.4 rights which incorporates the service recipient rights in section 245D.04, subdivision 3,
 3.5 paragraph (a), clauses (5), (7), (8), (12), and (13), and paragraph (b) with the home care
 3.6 bill of rights in section 144A.44.

3.7 Subd. 5. **Monitoring and enforcement.** (a) The commissioner shall monitor for
 3.8 compliance with the home and community-based services requirements identified in
 3.9 subdivision 5, in accordance with this section and any agreements by the commissioners
 3.10 of health and human services.

3.11 (b) The commissioner shall enforce compliance with applicable home and
 3.12 community-based services licensing requirements as follows:

3.13 (1) the commissioner may deny a home and community-based services designation
 3.14 in accordance with section 144A.473 or 144A.475; and

3.15 (2) if the commissioner finds that the applicant or license holder has failed to comply
 3.16 with the applicable home and community-based services designation requirements the
 3.17 commissioner may issue:

3.18 (i) a correction order in accordance with section 144A.474;

3.19 (ii) an order of conditional license in accordance with section 144A.475;

3.20 (iii) a sanction in accordance with section 144A.475; or

3.21 (iv) any combination of clauses (i) to (iii).

3.22 Subd. 6. **Appeals.** A home care provider applicant that has been denied a temporary
 3.23 license will also be denied their application for the home and community-based services
 3.24 designation. The applicant may request reconsideration in accordance with section
 3.25 144A.473, subdivision 3. A licensed home care provider whose application for a home
 3.26 and community-based services designation has been denied or whose designation has been
 3.27 suspended or revoked may appeal the denial, suspension, revocation, or refusal to renew a
 3.28 home and community-based services designation in accordance with section 144A.475.
 3.29 A license holder may request reconsideration of a correction order in accordance with
 3.30 section 144A.474, subdivision 12.

3.31 Subd. 7. **Agreements.** The commissioners of health and human services shall enter
 3.32 into any agreements necessary to implement this section.

3.33 Subd. 8. **Fees; home and community-based services designation.** (a) The initial
 3.34 fee for a basic home and community-based services designation is \$155. A home care
 3.35 provider who is seeking to renew the provider's home and community-based services
 3.36 designation must pay an annual nonrefundable fee with the annual home care license

4.1 fee according to the following schedule and based on revenues from the home and
 4.2 community-based services:

4.22 **EFFECTIVE DATE.** Minnesota Statutes, section 144A.484, subdivisions 2 to 8,
 4.23 are effective July 1, 2015.

4.24 Sec. 2. Minnesota Statutes 2013 Supplement, section 256B.04, subdivision 21, is
 4.25 amended to read:

4.26 Subd. 21. **Provider enrollment.** (a) If the commissioner or the Centers for
 4.27 Medicare and Medicaid Services determines that a provider is designated "high-risk," the
 4.28 commissioner may withhold payment from providers within that category upon initial
 4.29 enrollment for a 90-day period. The withholding for each provider must begin on the date
 4.30 of the first submission of a claim.

4.31 (b) An enrolled provider that is also licensed by the commissioner under chapter
 4.32 245A or that is licensed by the Department of Health under chapter 144A and has a
 4.33 HCBS designation on the home care license must designate an individual as the entity's
 4.34 compliance officer. The compliance officer must:

4.35 (1) develop policies and procedures to assure adherence to medical assistance laws
 4.36 and regulations and to prevent inappropriate claims submissions;

5.1 (2) train the employees of the provider entity, and any agents or subcontractors of
5.2 the provider entity including billers, on the policies and procedures under clause (1);

5.3 (3) respond to allegations of improper conduct related to the provision or billing of
5.4 medical assistance services, and implement action to remediate any resulting problems;

5.5 (4) use evaluation techniques to monitor compliance with medical assistance laws
5.6 and regulations;

5.7 (5) promptly report to the commissioner any identified violations of medical
5.8 assistance laws or regulations; and

5.9 (6) within 60 days of discovery by the provider of a medical assistance
5.10 reimbursement overpayment, report the overpayment to the commissioner and make
5.11 arrangements with the commissioner for the commissioner's recovery of the overpayment.

5.12 The commissioner may require, as a condition of enrollment in medical assistance, that a
5.13 provider within a particular industry sector or category establish a compliance program that
5.14 contains the core elements established by the Centers for Medicare and Medicaid Services.

5.15 (c) The commissioner may revoke the enrollment of an ordering or rendering
5.16 provider for a period of not more than one year, if the provider fails to maintain and, upon
5.17 request from the commissioner, provide access to documentation relating to written orders
5.18 or requests for payment for durable medical equipment, certifications for home health
5.19 services, or referrals for other items or services written or ordered by such provider, when
5.20 the commissioner has identified a pattern of a lack of documentation. A pattern means a
5.21 failure to maintain documentation or provide access to documentation on more than one
5.22 occasion. Nothing in this paragraph limits the authority of the commissioner to sanction a
5.23 provider under the provisions of section 256B.064.

5.24 (d) The commissioner shall terminate or deny the enrollment of any individual or
5.25 entity if the individual or entity has been terminated from participation in Medicare or
5.26 under the Medicaid program or Children's Health Insurance Program of any other state.

5.27 (e) As a condition of enrollment in medical assistance, the commissioner shall
5.28 require that a provider designated "moderate" or "high-risk" by the Centers for Medicare
5.29 and Medicaid Services or the commissioner permit the Centers for Medicare and Medicaid
5.30 Services, its agents, or its designated contractors and the state agency, its agents, or its
5.31 designated contractors to conduct unannounced on-site inspections of any provider location.
5.32 The commissioner shall publish in the Minnesota Health Care Program Provider Manual a
5.33 list of provider types designated "limited," "moderate," or "high-risk," based on the criteria
5.34 and standards used to designate Medicare providers in Code of Federal Regulations, title
5.35 42, section 424.518. The list and criteria are not subject to the requirements of chapter 14.
5.36 The commissioner's designations are not subject to administrative appeal.

6.1 (f) As a condition of enrollment in medical assistance, the commissioner shall
6.2 require that a high-risk provider, or a person with a direct or indirect ownership interest in
6.3 the provider of five percent or higher, consent to criminal background checks, including
6.4 fingerprinting, when required to do so under state law or by a determination by the
6.5 commissioner or the Centers for Medicare and Medicaid Services that a provider is
6.6 designated high-risk for fraud, waste, or abuse.

6.7 (g)(1) Upon initial enrollment, reenrollment, and revalidation, all durable medical
6.8 equipment, prosthetics, orthotics, and supplies (DMEPOS) suppliers operating in
6.9 Minnesota and receiving Medicaid funds must purchase a surety bond that is annually
6.10 renewed and designates the Minnesota Department of Human Services as the obligee, and
6.11 must be submitted in a form approved by the commissioner.

6.12 (2) At the time of initial enrollment or reenrollment, the provider agency must
6.13 purchase a performance bond of \$50,000. If a revalidating provider's Medicaid revenue
6.14 in the previous calendar year is up to and including \$300,000, the provider agency must
6.15 purchase a performance bond of \$50,000. If a revalidating provider's Medicaid revenue
6.16 in the previous calendar year is over \$300,000, the provider agency must purchase a
6.17 performance bond of \$100,000. The performance bond must allow for recovery of costs
6.18 and fees in pursuing a claim on the bond.

6.19 (h) The Department of Human Services may require a provider to purchase a
6.20 performance surety bond as a condition of initial enrollment, reenrollment, reinstatement,
6.21 or continued enrollment if: (1) the provider fails to demonstrate financial viability, (2) the
6.22 department determines there is significant evidence of or potential for fraud and abuse by
6.23 the provider, or (3) the provider or category of providers is designated high-risk pursuant
6.24 to paragraph (a) and as per Code of Federal Regulations, title 42, section 455.450. The
6.25 performance bond must be in an amount of \$100,000 or ten percent of the provider's
6.26 payments from Medicaid during the immediately preceding 12 months, whichever is
6.27 greater. The performance bond must name the Department of Human Services as an
6.28 obligee and must allow for recovery of costs and fees in pursuing a claim on the bond.

6.34 commissioner may enter into a contract with a national organization to match recipient

7.1 third-party liability information and provide coverage and insurance primacy information
 7.2 to the department at no charge to providers and the clearinghouses.

7.3 Sec. 2. Minnesota Statutes 2012, section 256.9685, subdivision 1, is amended to read:

7.4 Subdivision 1. **Authority.** (a) The commissioner shall establish procedures for
 7.5 determining medical assistance ~~and general assistance medical care~~ payment rates under
 7.6 a prospective payment system for inpatient hospital services in hospitals that qualify as
 7.7 vendors of medical assistance. The commissioner shall establish, by rule, procedures for
 7.8 implementing this section and sections 256.9686, 256.969, and 256.9695. Services must
 7.9 meet the requirements of section 256B.04, subdivision 15, ~~or 256D.03, subdivision 7,~~
 7.10 ~~paragraph (b),~~ to be eligible for payment.

7.11 (b) The commissioner may reduce the types of inpatient hospital admissions that
 7.12 are required to be certified as medically necessary after notice in the State Register and a
 7.13 30-day comment period.

7.14 Sec. 3. Minnesota Statutes 2012, section 256.9685, subdivision 1a, is amended to read:

7.15 Subd. 1a. **Administrative reconsideration.** Notwithstanding ~~sections~~ section
 7.16 256B.04, subdivision 15, ~~and 256D.03, subdivision 7,~~ the commissioner shall establish
 7.17 an administrative reconsideration process for appeals of inpatient hospital services
 7.18 determined to be medically unnecessary. A physician or hospital may request a
 7.19 reconsideration of the decision that inpatient hospital services are not medically necessary
 7.20 by submitting a written request for review to the commissioner within 30 days after
 7.21 receiving notice of the decision. The reconsideration process shall take place prior to the
 7.22 procedures of subdivision 1b and shall be conducted by physicians that are independent
 7.23 of the case under reconsideration. A majority decision by the physicians is necessary to
 7.24 make a determination that the services were not medically necessary.

7.25 Sec. 4. Minnesota Statutes 2012, section 256.9686, subdivision 2, is amended to read:

7.26 Subd. 2. **Base year.** "Base year" means a hospital's fiscal year or years that
 7.27 is recognized by the Medicare program or a hospital's fiscal year specified by the
 7.28 commissioner if a hospital is not required to file information by the Medicare program
 7.29 from which cost and statistical data are used to establish medical assistance ~~and general~~
 7.30 ~~assistance medical care~~ payment rates.

7.31 Sec. 5. Minnesota Statutes 2012, section 256.969, subdivision 1, is amended to read:

8.1 Subdivision 1. **Hospital cost index.** (a) The hospital cost index shall be the change
 8.2 in the Consumer Price Index-All Items (United States city average) (CPI-U) forecasted
 8.3 by Data Resources, Inc. The commissioner shall use the indices as forecasted in the
 8.4 third quarter of the calendar year prior to the rate year. The hospital cost index may be
 8.5 used to adjust the base year operating payment rate through the rate year on an annually
 8.6 compounded basis.

8.7 (b) ~~For fiscal years beginning on or after July 1, 1993, the commissioner of human~~
 8.8 ~~services shall not provide automatic annual inflation adjustments for hospital payment~~
 8.9 ~~rates under medical assistance, nor under general assistance medical care, except that~~
 8.10 ~~the inflation adjustments under paragraph (a) for medical assistance, excluding general~~
 8.11 ~~assistance medical care, shall apply through calendar year 2001. The index for calendar~~
 8.12 ~~year 2000 shall be reduced 2.5 percentage points to recover overprojections of the index~~
 8.13 ~~from 1994 to 1996. The commissioner of management and budget shall include as a~~
 8.14 ~~budget change request in each biennial detailed expenditure budget submitted to the~~
 8.15 ~~legislature under section 16A.11 annual adjustments in hospital payment rates under~~
 8.16 ~~medical assistance and general assistance medical care, based upon the hospital cost index.~~

8.17 Sec. 6. Minnesota Statutes 2012, section 256.969, subdivision 2, is amended to read:

8.18 Subd. 2. **Diagnostic categories.** The commissioner shall use to the extent possible
 8.19 existing diagnostic classification systems, including the system ~~used by the Medicare~~
 8.20 ~~program created by 3M for all patient refined diagnosis-related groups (APR-DRGs)~~ to
 8.21 determine the relative values of inpatient services and case mix indices. The commissioner
 8.22 may combine diagnostic classifications into diagnostic categories and may establish
 8.23 separate categories and numbers of categories based on ~~program eligibility or hospital~~
 8.24 ~~peer group. Relative values shall be recalculated when the base year is changed. Relative~~
 8.25 ~~value determinations shall include paid claims for admissions during each hospital's base~~
 8.26 ~~year. The commissioner may extend the time period forward to obtain sufficiently valid~~
 8.27 ~~information to establish relative values~~ supplement the APR-DRG data with national
 8.28 averages. Relative value determinations shall not include property cost data, Medicare
 8.29 crossover data, and data on admissions that are paid a per day transfer rate under
 8.30 subdivision 14. The computation of the base year cost per admission must include identified
 8.31 outlier cases and their weighted costs up to the point that they become outlier cases, but
 8.32 must exclude costs recognized in outlier payments beyond that point. The commissioner
 8.33 may recategorize the diagnostic classifications and recalculate relative values and case mix
 8.34 indices to reflect actual hospital practices, the specific character of specialty hospitals, or
 8.35 to reduce variances within the diagnostic categories after notice in the State Register ~~and a~~

9.1 ~~30-day comment period. The commissioner shall recategorize the diagnostic classifications~~
 9.2 ~~and recalculate relative values and case mix indices based on the two-year schedule in~~
 9.3 ~~effect prior to January 1, 2013, reflected in subdivision 2b. The first recategorization shall~~
 9.4 ~~occur January 1, 2013, and shall occur every two years after. When rates are not rebased~~
 9.5 ~~under subdivision 2b, the commissioner may establish relative values and case mix indices~~
 9.6 ~~based on charge data and may update the base year to the most recent data available.~~

9.7 Sec. 7. Minnesota Statutes 2012, section 256.969, subdivision 2b, is amended to read:

9.8 Subd. 2b. **Operating payment rates.** ~~In determining operating payment rates for~~
 9.9 ~~admissions occurring on or after the rate year beginning January 1, 1991, and every two~~
 9.10 ~~years after, or more frequently as determined by the commissioner, the commissioner shall~~
 9.11 ~~obtain operating data from an updated base year and establish operating payment rates~~
 9.12 ~~per admission for each hospital based on the cost-finding methods and allowable costs of~~
 9.13 ~~the Medicare program in effect during the base year. Rates under the general assistance~~
 9.14 ~~medical care, medical assistance, and MinnesotaCare programs shall not be rebased to~~
 9.15 ~~more current data on January 1, 1997, January 1, 2005, for the first 24 months of the~~
 9.16 ~~rebased period beginning January 1, 2009. For the rebased period beginning January 1,~~
 9.17 ~~2011, rates shall not be rebased, except that a Minnesota long-term hospital shall be~~
 9.18 ~~rebased effective January 1, 2011, based on its most recent Medicare cost report ending on~~
 9.19 ~~or before September 1, 2008, with the provisions under subdivisions 9 and 23, based on~~
 9.20 ~~the rates in effect on December 31, 2010. For subsequent rate setting periods in which the~~
 9.21 ~~base years are updated, a Minnesota long-term hospital's base year shall remain within~~
 9.22 ~~the same period as other hospitals. Effective January 1, 2013, and after, rates shall not be~~
 9.23 ~~rebased. The base year operating payment rate per admission is standardized by the case~~
 9.24 ~~mix index and adjusted by the hospital cost index, relative values, and disproportionate~~
 9.25 ~~population adjustment. The cost and charge data used to establish operating rates shall~~
 9.26 ~~only reflect inpatient services covered by medical assistance and shall not include property~~
 9.27 ~~cost information and costs recognized in outlier payments. In determining operating~~
 9.28 ~~payment rates for admissions occurring on or after the rate year beginning January 1,~~
 9.29 ~~2011, through December 31, 2012, the operating payment rate per admission must be~~
 9.30 ~~based on the cost-finding methods and allowable costs of the Medicare program in effect~~
 9.31 ~~during the base year or years.~~

9.32 Sec. 8. Minnesota Statutes 2012, section 256.969, subdivision 2c, is amended to read:

9.33 Subd. 2c. **Property payment rates.** ~~For each hospital's first two consecutive~~
 9.34 ~~fiscal years beginning on or after July 1, 1988, the commissioner shall limit the annual~~

10.1 ~~increase in property payment rates for depreciation, rents and leases, and interest expense~~
 10.2 ~~to the annual growth in the hospital cost index derived from the methodology in effect~~
 10.3 ~~on the day before July 1, 1989. When computing budgeted and settlement property~~
 10.4 ~~payment rates, the commissioner shall use the annual increase in the hospital cost index~~
 10.5 ~~forecasted by Data Resources, Inc., consistent with the quarter of the hospital's fiscal year~~
 10.6 ~~end. For admissions occurring on or after the rate year beginning January 1, 1991, the~~
 10.7 ~~commissioner shall obtain property data from an updated base year and establish property~~
 10.8 ~~payment rates per admission for each hospital. Property payment rates shall be derived~~
 10.9 ~~from data from the same base year that is used to establish operating payment rates. The~~
 10.10 ~~property information shall include cost categories not subject to the hospital cost index~~
 10.11 ~~and shall reflect the cost-finding methods and allowable costs of the Medicare program.~~
 10.12 ~~The base year property payment rates shall be adjusted for increases in the property cost~~
 10.13 ~~by increasing the base year property payment rate 85 percent of the percentage change~~
 10.14 ~~from the base year through the year for which a Medicare cost report has been submitted~~
 10.15 ~~to the Medicare program and filed with the department by the October 1 before the rate~~
 10.16 ~~year. The property rates shall only reflect inpatient services covered by medical assistance.~~
 10.17 ~~The commissioner shall adjust rates for the rate year beginning January 1, 1991, to ensure~~
 10.18 ~~that all hospitals are subject to the hospital cost index limitation for two complete years.~~

10.19 Sec. 9. Minnesota Statutes 2012, section 256.969, is amended by adding a subdivision
 10.20 to read:

10.21 Subd. 2d. **Budget neutrality factor.** For the rebased period effective September 1,
 10.22 2014, when rebasing rates under subdivisions 2b and 2c, the commissioner must apply a
 10.23 budget neutrality factor (BNF) to a hospital's conversion factor to ensure that total DRG
 10.24 payments to hospitals do not exceed total DRG payments that would have been made to
 10.25 hospitals if the relative rates and weights had not been recalibrated. For the purposes of
 10.26 this section, BNF equals the percentage change from total aggregate payments calculated
 10.27 under a new payment system to total aggregate payments calculated under the old system.

10.28 Sec. 10. Minnesota Statutes 2012, section 256.969, subdivision 3a, is amended to read:

10.29 Subd. 3a. **Payments.** (a) Acute care hospital billings under the medical
 10.30 assistance program must not be submitted until the recipient is discharged. However,
 10.31 the commissioner shall establish monthly interim payments for inpatient hospitals that
 10.32 have individual patient lengths of stay over 30 days regardless of diagnostic category.
 10.33 Except as provided in section 256.9693, medical assistance reimbursement for treatment
 10.34 of mental illness shall be reimbursed based on diagnostic classifications. Individual

11.1 hospital payments established under this section and sections 256.9685, 256.9686, and
11.2 256.9695, in addition to third-party and recipient liability, for discharges occurring during
11.3 the rate year shall not exceed, in aggregate, the charges for the medical assistance covered
11.4 inpatient services paid for the same period of time to the hospital. ~~This payment limitation~~
11.5 ~~shall be calculated separately for medical assistance and general assistance medical~~
11.6 ~~care services. The limitation on general assistance medical care shall be effective for~~
11.7 ~~admissions occurring on or after July 1, 1991.~~ Services that have rates established under
11.8 subdivision 11 or 12, must be limited separately from other services. After consulting with
11.9 the affected hospitals, the commissioner may consider related hospitals one entity and may
11.10 merge the payment rates while maintaining separate provider numbers. The operating and
11.11 property base rates per admission or per day shall be derived from the best Medicare and
11.12 claims data available when rates are established. The commissioner shall determine the
11.13 best Medicare and claims data, taking into consideration variables of recency of the data,
11.14 audit disposition, settlement status, and the ability to set rates in a timely manner. The
11.15 commissioner shall notify hospitals of payment rates ~~by December 1 of the year preceding~~
11.16 ~~the rate year~~ 30 days prior to implementation. The rate setting data must reflect the
11.17 admissions data used to establish relative values. ~~Base year changes from 1981 to the base~~
11.18 ~~year established for the rate year beginning January 1, 1991, and for subsequent rate years,~~
11.19 ~~shall not be limited to the limits ending June 30, 1987, on the maximum rate of increase~~
11.20 ~~under subdivision 1.~~ The commissioner may adjust base year cost, relative value, and case
11.21 mix index data to exclude the costs of services that have been discontinued by the October
11.22 1 of the year preceding the rate year or that are paid separately from inpatient services.
11.23 Inpatient stays that encompass portions of two or more rate years shall have payments
11.24 established based on payment rates in effect at the time of admission unless the date of
11.25 admission preceded the rate year in effect by six months or more. In this case, operating
11.26 payment rates for services rendered during the rate year in effect and established based on
11.27 the date of admission shall be adjusted to the rate year in effect by the hospital cost index.

11.28 ~~(b) For fee-for-service admissions occurring on or after July 1, 2002, the total~~
11.29 ~~payment, before third-party liability and spenddown, made to hospitals for inpatient~~
11.30 ~~services is reduced by .5 percent from the current statutory rates.~~

11.31 ~~(c) In addition to the reduction in paragraph (b), the total payment for fee-for-service~~
11.32 ~~admissions occurring on or after July 1, 2003, made to hospitals for inpatient services~~
11.33 ~~before third-party liability and spenddown, is reduced five percent from the current~~
11.34 ~~statutory rates. Mental health services within diagnosis related groups 424 to 432, and~~
11.35 ~~facilities defined under subdivision 16 are excluded from this paragraph.~~

12.1 ~~(d) In addition to the reduction in paragraphs (b) and (c), the total payment for~~
12.2 ~~fee-for-service admissions occurring on or after August 1, 2005, made to hospitals for~~
12.3 ~~inpatient services before third-party liability and spenddown, is reduced 6.0 percent~~
12.4 ~~from the current statutory rates. Mental health services within diagnosis related groups~~
12.5 ~~424 to 432 and facilities defined under subdivision 16 are excluded from this paragraph.~~
12.6 ~~Notwithstanding section 256.9686, subdivision 7, for purposes of this paragraph, medical~~
12.7 ~~assistance does not include general assistance medical care. Payments made to managed~~
12.8 ~~care plans shall be reduced for services provided on or after January 1, 2006, to reflect~~
12.9 ~~this reduction.~~

12.10 ~~(e) In addition to the reductions in paragraphs (b), (c), and (d), the total payment for~~
12.11 ~~fee-for-service admissions occurring on or after July 1, 2008, through June 30, 2009, made~~
12.12 ~~to hospitals for inpatient services before third-party liability and spenddown, is reduced~~
12.13 ~~3.46 percent from the current statutory rates. Mental health services with diagnosis related~~
12.14 ~~groups 424 to 432 and facilities defined under subdivision 16 are excluded from this~~
12.15 ~~paragraph. Payments made to managed care plans shall be reduced for services provided~~
12.16 ~~on or after January 1, 2009, through June 30, 2009, to reflect this reduction.~~

12.17 ~~(f) In addition to the reductions in paragraphs (b), (c), and (d), the total payment for~~
12.18 ~~fee-for-service admissions occurring on or after July 1, 2009, through June 30, 2011, made~~
12.19 ~~to hospitals for inpatient services before third-party liability and spenddown, is reduced~~
12.20 ~~1.9 percent from the current statutory rates. Mental health services with diagnosis related~~
12.21 ~~groups 424 to 432 and facilities defined under subdivision 16 are excluded from this~~
12.22 ~~paragraph. Payments made to managed care plans shall be reduced for services provided~~
12.23 ~~on or after July 1, 2009, through June 30, 2011, to reflect this reduction.~~

12.24 ~~(g) In addition to the reductions in paragraphs (b), (c), and (d), the total payment~~
12.25 ~~for fee-for-service admissions occurring on or after July 1, 2011, made to hospitals for~~
12.26 ~~inpatient services before third-party liability and spenddown, is reduced 1.79 percent~~
12.27 ~~from the current statutory rates. Mental health services with diagnosis related groups~~
12.28 ~~424 to 432 and facilities defined under subdivision 16 are excluded from this paragraph.~~
12.29 ~~Payments made to managed care plans shall be reduced for services provided on or after~~
12.30 ~~July 1, 2011, to reflect this reduction.~~

12.31 ~~(h) In addition to the reductions in paragraphs (b), (c), (d), (f), and (g), the total~~
12.32 ~~payment for fee-for-service admissions occurring on or after July 1, 2009, made to~~
12.33 ~~hospitals for inpatient services before third-party liability and spenddown, is reduced~~
12.34 ~~one percent from the current statutory rates. Facilities defined under subdivision 16 are~~
12.35 ~~excluded from this paragraph. Payments made to managed care plans shall be reduced for~~
12.36 ~~services provided on or after October 1, 2009, to reflect this reduction.~~

13.1 ~~(i) In addition to the reductions in paragraphs (b), (c), (d), (g), and (h), the total~~
 13.2 ~~payment for fee-for-service admissions occurring on or after July 1, 2011, made to~~
 13.3 ~~hospitals for inpatient services before third-party liability and spenddown, is reduced~~
 13.4 ~~1.96 percent from the current statutory rates. Facilities defined under subdivision 16 are~~
 13.5 ~~excluded from this paragraph. Payments made to managed care plans shall be reduced for~~
 13.6 ~~services provided on or after January 1, 2011, to reflect this reduction.~~

13.7 Sec. 11. Minnesota Statutes 2012, section 256.969, subdivision 3b, is amended to read:

13.8 Subd. 3b. **Nonpayment for hospital-acquired conditions and for certain**
 13.9 **treatments.** (a) The commissioner must not make medical assistance payments to a
 13.10 hospital for any costs of care that result from a condition listed in paragraph (c), if the
 13.11 condition was hospital acquired.

13.12 (b) For purposes of this subdivision, a condition is hospital acquired if it is not
 13.13 identified by the hospital as present on admission. For purposes of this subdivision,
 13.14 medical assistance includes ~~general assistance medical care and MinnesotaCare.~~

13.15 (c) The prohibition in paragraph (a) applies to payment for each hospital-acquired
 13.16 condition listed in this paragraph that is represented by an ~~ICD-9-CM~~ ICD-10-CM
 13.17 ~~diagnosis code and is designated as a complicating condition or a major complicating~~
 13.18 ~~condition.~~ The list of conditions is defined by the Centers for Medicare and Medicaid
 13.19 Services on an annual basis with the hospital-acquired conditions (HAC) list:

- 13.20 (1) foreign object retained after surgery (~~ICD-9-CM codes 998.4 or 998.7~~);

 13.24 (5) falls and trauma, including fracture, dislocation, intracranial injury, crushing
 13.25 injury, burn, and electric shock (~~ICD-9-CM codes with these ranges on the complicating~~
 13.26 ~~condition and major complicating condition list: 800-829; 830-839; 850-854; 925-929;~~
 13.27 ~~940-949; and 991-994~~);
 13.28 (6) catheter-associated urinary tract infection (~~ICD-9-CM code 996.64~~);
 13.29 (7) vascular catheter-associated infection (~~ICD-9-CM code 999.31~~);
 13.30 (8) manifestations of poor glycemic control (~~ICD-9-CM codes 249.10; 249.11;~~

 13.32 ~~251.0~~);
 13.33 (9) surgical site infection (~~ICD-9-CM codes 996.67 or 998.59~~) following certain
 13.34 orthopedic procedures (~~procedure codes 81.01; 81.02; 81.03; 81.04; 81.05; 81.06; 81.07;~~

 14.2 ~~81.85);~~

14.3 (10) surgical site infection (~~ICD-9-CM code 998.59~~) following bariatric surgery
 14.4 (~~procedure codes 44.38; 44.39; or 44.95~~) for a principal diagnosis of morbid obesity
 14.5 (~~ICD-9-CM code 278.01~~);

14.6 (11) surgical site infection, mediastinitis (~~ICD-9-CM code 519.2~~) following coronary

14.12 (d) The prohibition in paragraph (a) applies to any additional payments that result
 14.13 from a hospital-acquired condition listed in paragraph (c), including, but not limited to,
 14.14 additional treatment or procedures, readmission to the facility after discharge, increased
 14.15 length of stay, change to a higher diagnostic category, or transfer to another hospital. In
 14.16 the event of a transfer to another hospital, the hospital where the condition listed under
 14.17 paragraph (c) was acquired is responsible for any costs incurred at the hospital to which
 14.18 the patient is transferred.

14.19 (e) A hospital shall not bill a recipient of services for any payment disallowed under
 14.20 this subdivision.

14.21 Sec. 12. Minnesota Statutes 2012, section 256.969, is amended by adding a subdivision
 14.22 to read:

14.23 Subd. 4b. **Medical assistance cost reports for services.** (a) A hospital that meets
 14.24 one of the following criteria must annually file medical assistance cost reports within six
 14.25 months of the end of the hospital's fiscal year:

14.26 (1) a hospital designated as a critical access hospital that receives medical assistance
 14.27 payments; or

14.28 (2) a Minnesota hospital or out-of-state hospital located within a Minnesota local
 14.29 trade area that receives a disproportionate population adjustment under subdivision 9.

14.30 For purposes of this subdivision, local trade area has the meaning given in
 14.31 subdivision 17.

14.32 (b) The Department of Human Services must suspend payments to any hospital that
 14.33 fails to file a report required under this subdivision. Payments must remain suspended
 14.34 until the report has been filed with and accepted by the Department of Human Services
 14.35 inpatient rates unit.

15.1 Sec. 13. Minnesota Statutes 2012, section 256.969, subdivision 6a, is amended to read:

15.2 Subd. 6a. **Special considerations.** In determining the payment rates, the
15.3 commissioner shall consider whether the circumstances in subdivisions 7 8 to 14 exist.

15.4 Sec. 14. Minnesota Statutes 2012, section 256.969, is amended by adding a subdivision
15.5 to read:

15.6 Subd. 8c. **Hospital residents.** Payments for hospital residents shall be made
15.7 as follows:

15.8 (1) payments for the first 180 days of inpatient care shall be the APR-DRG payment
15.9 plus any appropriate outliers; and

15.10 (2) payment for all medically necessary patient care subsequent to 180 days shall
15.11 be reimbursed at a rate computed by multiplying the statewide average cost-to-charge
15.12 ratio by the usual and customary charges.

15.13 Sec. 15. Minnesota Statutes 2012, section 256.969, subdivision 9, is amended to read:

15.14 Subd. 9. **Disproportionate numbers of low-income patients served.** (a) For
15.15 admissions occurring on or after October 1, 1992, through December 31, 1992, the
15.16 medical assistance disproportionate population adjustment shall comply with federal law
15.17 and shall be paid to a hospital, excluding regional treatment centers and facilities of the
15.18 federal Indian Health Service, with a medical assistance inpatient utilization rate in excess
15.19 of the arithmetic mean. The adjustment must be determined as follows:

15.20 (1) for a hospital with a medical assistance inpatient utilization rate above the
15.21 arithmetic mean for all hospitals excluding regional treatment centers and facilities of the
15.22 federal Indian Health Service but less than or equal to one standard deviation above the
15.23 mean, the adjustment must be determined by multiplying the total of the operating and
15.24 property payment rates by the difference between the hospital's actual medical assistance
15.25 inpatient utilization rate and the arithmetic mean for all hospitals excluding regional
15.26 treatment centers and facilities of the federal Indian Health Service; and

15.27 (2) for a hospital with a medical assistance inpatient utilization rate above one
15.28 standard deviation above the mean, the adjustment must be determined by multiplying
15.29 the adjustment that would be determined under clause (1) for that hospital by 1.1. If
15.30 federal matching funds are not available for all adjustments under this subdivision, the
15.31 commissioner shall reduce payments on a pro rata basis so that all adjustments qualify for
15.32 federal match. ~~The commissioner may establish a separate disproportionate population~~
15.33 ~~operating payment rate adjustment under the general assistance medical care program.~~
15.34 ~~For purposes of this subdivision medical assistance does not include general assistance~~

16.1 ~~medical care.~~ The commissioner shall report annually on the number of hospitals likely to
 16.2 receive the adjustment authorized by this paragraph. The commissioner shall specifically
 16.3 report on the adjustments received by public hospitals and public hospital corporations
 16.4 located in cities of the first class.

16.5 (b) For admissions occurring on or after July 1, 1993, the medical assistance
 16.6 disproportionate population adjustment shall comply with federal law and shall be paid to
 16.7 a hospital, excluding regional treatment centers, critical access hospitals, and facilities of
 16.8 the federal Indian Health Service, with a medical assistance inpatient utilization rate in
 16.9 excess of the arithmetic mean. The adjustment must be determined as follows:

16.10 (1) for a hospital with a medical assistance inpatient utilization rate above the
 16.11 arithmetic mean for all hospitals excluding regional treatment centers, critical access
 16.12 hospitals, and facilities of the federal Indian Health Service but less than or equal to one
 16.13 standard deviation above the mean, the adjustment must be determined by multiplying the
 16.14 total of the operating and property payment rates by the difference between the hospital's
 16.15 actual medical assistance inpatient utilization rate and the arithmetic mean for all hospitals
 16.16 excluding regional treatment centers and facilities of the federal Indian Health Service; and

16.17 (2) for a hospital with a medical assistance inpatient utilization rate above one
 16.18 standard deviation above the mean, the adjustment must be determined by multiplying
 16.19 the adjustment that would be determined under clause (1) for that hospital by 1.1. ~~The~~
 16.20 ~~commissioner may establish a separate disproportionate population operating payment~~
 16.21 ~~rate adjustment under the general assistance medical care program. For purposes of this~~
 16.22 ~~subdivision, medical assistance does not include general assistance medical care.~~ The
 16.23 commissioner shall report annually on the number of hospitals likely to receive the
 16.24 adjustment authorized by this paragraph. The commissioner shall specifically report on
 16.25 the adjustments received by public hospitals and public hospital corporations located in
 16.26 cities of the first class;

16.27 (3) ~~for a hospital that had medical assistance fee-for-service payment volume during~~
 16.28 ~~calendar year 1991 in excess of 13 percent of total medical assistance fee-for-service~~
 16.29 ~~payment volume, a medical assistance disproportionate population adjustment shall be~~
 16.30 ~~paid in addition to any other disproportionate payment due under this subdivision as~~
 16.31 ~~follows: \$1,515,000 due on the 15th of each month after noon, beginning July 15, 1995.~~
 16.32 ~~For a hospital that had medical assistance fee-for-service payment volume during calendar~~
 16.33 ~~year 1991 in excess of eight percent of total medical assistance fee-for-service payment~~
 16.34 ~~volume and was the primary hospital affiliated with the University of Minnesota, a~~
 16.35 ~~medical assistance disproportionate population adjustment shall be paid in addition to any~~

17.1 ~~other disproportionate payment due under this subdivision as follows: \$505,000 due on~~
17.2 ~~the 15th of each month after noon, beginning July 15, 1995; and~~

17.3 ~~(4) effective August 1, 2005, the payments in paragraph (b), clause (3), shall be~~
17.4 ~~reduced to zero.~~

17.5 ~~(e) The commissioner shall adjust rates paid to a health maintenance organization~~
17.6 ~~under contract with the commissioner to reflect rate increases provided in paragraph (b),~~
17.7 ~~clauses (1) and (2), on a nondiscounted hospital-specific basis but shall not adjust those~~
17.8 ~~rates to reflect payments provided in clause (3).~~

17.9 ~~(d) If federal matching funds are not available for all adjustments under paragraph~~
17.10 ~~(b), the commissioner shall reduce payments under paragraph (b), clauses (1) and (2), on a~~
17.11 ~~pro rata basis so that all adjustments under paragraph (b) qualify for federal match.~~

17.12 ~~(e) For purposes of this subdivision, medical assistance does not include general~~
17.13 ~~assistance medical care.~~

17.14 ~~(f) For hospital services occurring on or after July 1, 2005, to June 30, 2007:~~

17.15 ~~(1) general assistance medical care expenditures for fee-for-service inpatient and~~
17.16 ~~outpatient hospital payments made by the department shall be considered Medicaid~~
17.17 ~~disproportionate share hospital payments, except as limited below:~~

17.18 ~~(i) only the portion of Minnesota's disproportionate share hospital allotment under~~
17.19 ~~section 1923(f) of the Social Security Act that is not spent on the disproportionate~~
17.20 ~~population adjustments in paragraph (b), clauses (1) and (2), may be used for general~~
17.21 ~~assistance medical care expenditures;~~

17.22 ~~(ii) only those general assistance medical care expenditures made to hospitals that~~
17.23 ~~qualify for disproportionate share payments under section 1923 of the Social Security Act~~
17.24 ~~and the Medicaid state plan may be considered disproportionate share hospital payments;~~

17.25 ~~(iii) only those general assistance medical care expenditures made to an individual~~
17.26 ~~hospital that would not cause the hospital to exceed its individual hospital limits under~~
17.27 ~~section 1923 of the Social Security Act may be considered; and~~

17.28 ~~(iv) general assistance medical care expenditures may be considered only to the~~
17.29 ~~extent of Minnesota's aggregate allotment under section 1923 of the Social Security Act.~~

17.30 ~~All hospitals and prepaid health plans participating in general assistance medical care~~
17.31 ~~must provide any necessary expenditure, cost, and revenue information required by the~~
17.32 ~~commissioner as necessary for purposes of obtaining federal Medicaid matching funds for~~
17.33 ~~general assistance medical care expenditures; and~~

17.34 ~~(2) (c) Certified public expenditures made by Hennepin County Medical Center shall~~
17.35 ~~be considered Medicaid disproportionate share hospital payments. Hennepin County~~
17.36 ~~and Hennepin County Medical Center shall report by June 15, 2007, on payments made~~

18.1 beginning July 1, 2005, or another date specified by the commissioner, that may qualify
 18.2 for reimbursement under federal law. Based on these reports, the commissioner shall
 18.3 apply for federal matching funds.

18.4 ~~(g)~~ (d) Upon federal approval of the related state plan amendment, paragraph ~~(f)~~ (c)
 18.5 is effective retroactively from July 1, 2005, or the earliest effective date approved by the
 18.6 Centers for Medicare and Medicaid Services.

18.7 Sec. 16. Minnesota Statutes 2012, section 256.969, subdivision 10, is amended to read:

18.8 Subd. 10. **Separate billing by certified registered nurse anesthetists.** Hospitals
 18.9 ~~may~~ must exclude certified registered nurse anesthetist costs from the operating payment
 18.10 rate ~~as allowed by section 256B.0625, subdivision 11. To be eligible, a hospital must~~
 18.11 ~~notify the commissioner in writing by October 1 of even-numbered years to exclude~~
 18.12 ~~certified registered nurse anesthetist costs. The hospital must agree that all hospital~~
 18.13 ~~claims for the cost and charges of certified registered nurse anesthetist services will not~~
 18.14 ~~be included as part of the rates for inpatient services provided during the rate year. In~~
 18.15 ~~this case, the operating payment rate shall be adjusted to exclude the cost of certified~~
 18.16 ~~registered nurse anesthetist services.~~

18.17 ~~For admissions occurring on or after July 1, 1991, and until the expiration date of~~
 18.18 ~~section 256.9695, subdivision 3, services of certified registered nurse anesthetists provided~~
 18.19 ~~on an inpatient basis may be paid as allowed by section 256B.0625, subdivision 11, when~~
 18.20 ~~the hospital's base year did not include the cost of these services. To be eligible, a hospital~~
 18.21 ~~must notify the commissioner in writing by July 1, 1991, of the request and must comply~~
 18.22 ~~with all other requirements of this subdivision.~~

34.12 custodians sign the agreement.

34.13 (3) The income of the relative custodian or custodians or adoptive parent or parents
34.14 must not be taken into consideration when determining eligibility for guardianship

34.27 ~~renegotiation of the guardianship assistance or adoption assistance agreement under~~
34.28 ~~subdivision 3 to include a monthly payment, if the caregiver has written documentation~~
34.29 ~~from a qualified expert that the potential disability upon which eligibility for the agreement~~

34.31 ~~evidence deemed appropriate by the commissioner.~~

34.32 (c) For guardianship assistance agreements:

34.33 (1) the initial amount of the monthly guardianship assistance payment must be

34.35 offsets under section 256N.26, subdivision 11, or a lesser negotiated amount if agreed to
34.36 by the prospective relative custodian and specified in that agreement, unless ~~the child is~~

35.1 ~~identified as at-risk or~~ the guardianship assistance agreement is entered into when a child
35.2 is under the age of six; and

35.3 ~~(2) an at-risk child must be assigned level A as outlined in section 256N.26 and~~
35.4 ~~receive the special at-risk monthly payment under section 256N.26, subdivision 7, unless~~
35.5 ~~and until the potential disability manifests itself, as documented by a qualified expert, and~~
35.6 ~~the commissioner authorizes commencement of payment by modifying the agreement~~
35.7 ~~accordingly; and~~

35.8 ~~(3) (2)~~ the amount of the monthly payment for a guardianship assistance agreement
35.9 for a child, ~~other than an at-risk child,~~ who is under the age of six must be as specified in
35.10 section 256N.26, subdivision 5.

35.11 (d) For adoption assistance agreements:

35.12 (1) for a child in foster care with the prospective adoptive parent immediately prior
35.13 to adoptive placement, the initial amount of the monthly adoption assistance payment
35.14 must be equivalent to the foster care rate in effect at the time that the agreement is signed
35.15 less any offsets in section 256N.26, subdivision 11, or a lesser negotiated amount if agreed
35.16 to by the prospective adoptive parents and specified in that agreement, unless the child is
35.17 identified as at-risk or the adoption assistance agreement is entered into when a child is
35.18 under the age of six;

35.19 (2) for an at-risk child who must be assigned level A as outlined in section
35.20 256N.26 ~~and receive the special at-risk monthly payment under section 256N.26,~~
35.21 ~~subdivision 7, no payment will be made~~ unless and until the potential disability manifests
35.22 itself, as documented by an appropriate professional, and the commissioner authorizes
35.23 commencement of payment by modifying the agreement accordingly;

35.24 (3) the amount of the monthly payment for an adoption assistance agreement for
35.25 a child under the age of six, other than an at-risk child, must be as specified in section
35.26 256N.26, subdivision 5;

35.27 (4) for a child who is in the guardianship assistance program immediately prior
35.28 to adoptive placement, the initial amount of the adoption assistance payment must be
35.29 equivalent to the guardianship assistance payment in effect at the time that the adoption
35.30 assistance agreement is signed or a lesser amount if agreed to by the prospective adoptive
35.31 parent and specified in that agreement, unless the child is identified as an at-risk child; and

35.32 (5) for a child who is not in foster care placement or the guardianship assistance
35.33 program immediately prior to adoptive placement or negotiation of the adoption assistance
35.34 agreement, the initial amount of the adoption assistance agreement must be determined
35.35 using the assessment tool and process in this section and the corresponding payment
35.36 amount outlined in section 256N.26.

36.1 Sec. 18. Minnesota Statutes 2013 Supplement, section 256N.25, subdivision 3, is
36.2 amended to read:

36.3 Subd. 3. **Renegotiation of agreement.** (a) A relative custodian or adoptive
36.4 parent of a child with a guardianship assistance or adoption assistance agreement may
36.5 request renegotiation of the agreement when there is a change in the needs of the child
36.6 or in the family's circumstances. When a relative custodian or adoptive parent requests
36.7 renegotiation of the agreement, a reassessment of the child must be completed consistent
36.8 with section 256N.24, subdivisions 9 and 10. If the reassessment indicates that the
36.9 child's level has changed, the financially responsible agency or, if there is no financially
36.10 responsible agency, the agency designated by the commissioner or the commissioner's
36.11 designee, and the caregiver must renegotiate the agreement to include a payment with
36.12 the level determined through the reassessment process. The agreement must not be
36.13 renegotiated unless the commissioner, the financially responsible agency, and the caregiver
36.14 mutually agree to the changes. The effective date of any renegotiated agreement must be
36.15 determined by the commissioner.

36.16 (b) ~~A relative custodian or~~ An adoptive parent of an at-risk child with a ~~guardianship~~
36.17 ~~assistance or an~~ adoption assistance agreement may request renegotiation of the agreement
36.18 to include a monthly payment ~~higher than the special at-risk monthly payment~~ under
36.19 section 256N.26, ~~subdivision 7,~~ if the caregiver has written documentation from a
36.20 qualified expert that the potential disability upon which eligibility for the agreement
36.21 was based has manifested itself. Documentation of the disability must be limited to
36.22 evidence deemed appropriate by the commissioner. Prior to renegotiating the agreement, a
36.23 reassessment of the child must be conducted as outlined in section 256N.24, subdivision
36.24 9. The reassessment must be used to renegotiate the agreement to include an appropriate
36.25 monthly payment. The agreement must not be renegotiated unless the commissioner, the
36.26 financially responsible agency, and the caregiver mutually agree to the changes. The
36.27 effective date of any renegotiated agreement must be determined by the commissioner.

36.28 (c) Renegotiation of a guardianship assistance or adoption assistance agreement is
36.29 required when one of the circumstances outlined in section 256N.26, subdivision 13,
36.30 occurs.

36.31 Sec. 19. Minnesota Statutes 2013 Supplement, section 256N.26, subdivision 1, is
36.32 amended to read:

36.33 Subdivision 1. **Benefits.** (a) There are three benefits under Northstar Care for
36.34 Children: medical assistance, basic payment, and supplemental difficulty of care payment.

36.35 (b) A child is eligible for medical assistance under subdivision 2.

37.1 (c) A child is eligible for the basic payment under subdivision 3, except for a child
37.2 assigned level A under section 256N.24, subdivision 1, because the child is determined to
37.3 be an at-risk child receiving ~~guardianship assistance~~ or adoption assistance.

37.4 (d) A child, including a foster child age 18 to 21, is eligible for an additional
37.5 supplemental difficulty of care payment under subdivision 4, as determined by the
37.6 assessment under section 256N.24.

37.7 (e) An eligible child entering guardianship assistance or adoption assistance under
37.8 the age of six receives a basic payment and supplemental difficulty of care payment as
37.9 specified in subdivision 5.

37.10 (f) A child transitioning in from a pre-Northstar Care for Children program under
37.11 section 256N.28, subdivision 7, shall receive basic and difficulty of care supplemental
37.12 payments according to those provisions.

37.13 Sec. 20. Minnesota Statutes 2013 Supplement, section 256N.27, subdivision 4, is
37.14 amended to read:

37.15 Subd. 4. **Nonfederal share.** (a) The commissioner shall establish a percentage share
37.16 of the maintenance payments, reduced by federal reimbursements under title IV-E of the
37.17 Social Security Act, to be paid by the state and to be paid by the financially responsible
37.18 agency.

37.19 (b) These state and local shares must initially be calculated based on the ratio of the
37.20 average appropriate expenditures made by the state and all financially responsible agencies
37.21 during calendar years 2011, 2012, 2013, and 2014. For purposes of this calculation,
37.22 appropriate expenditures for the financially responsible agencies must include basic and
37.23 difficulty of care payments for foster care reduced by federal reimbursements, but not
37.24 including any initial clothing allowance, administrative payments to child care agencies
37.25 specified in section 317A.907, child care, or other support or ancillary expenditures. For
37.26 purposes of this calculation, appropriate expenditures for the state shall include adoption
37.27 assistance and relative custody assistance, reduced by federal reimbursements.

37.28 (c) For each of the periods January 1, 2015, to June 30, 2016, and fiscal years 2017,
37.29 2018, and 2019, the commissioner shall adjust this initial percentage of state and local
37.30 shares to reflect the relative expenditure trends during calendar years 2011, 2012, 2013, and
37.31 2014, taking into account appropriations for Northstar Care for Children and the turnover
37.32 rates of the components. In making these adjustments, the commissioner's goal shall be to
37.33 make these state and local expenditures other than the appropriations for Northstar Care
37.34 for Children to be the same as they would have been had Northstar Care for Children not
37.35 been implemented, or if that is not possible, proportionally higher or lower, as appropriate.

38.1 Except for adjustments so that the costs of the phase-in are borne by the state, the state and
38.2 local share percentages for fiscal year 2019 must be used for all subsequent years.

 99.12 addressed in a person's coordinated service and support plan addendum as identified in
 99.13 sections 245D.07 and 245D.071. For purposes of this chapter, the requirements of this
 99.14 subdivision supersede the requirements identified in Minnesota Rules, part 9525.2720.

99.15 (b) Physical contact or instructional techniques must use the least restrictive
 99.16 alternative possible to meet the needs of the person and may be used:

99.17 (1) to calm or comfort a person by holding that person with no resistance from
 99.18 that person;

99.19 (2) to protect a person known to be at risk ~~or~~ of injury due to frequent falls as a result
 99.20 of a medical condition;

99.21 (3) to facilitate the person's completion of a task or response when the person does
 99.22 not resist or the person's resistance is minimal in intensity and duration; ~~or~~

99.23 (4) to ~~briefly~~ block or redirect a person's limbs or body without holding the person or
 99.24 limiting the person's movement to interrupt the person's behavior that may result in injury
 99.25 to self or others: with less than 60 seconds of physical contact by staff; or

99.26 (5) to redirect a person's behavior when the behavior does not pose a serious threat
 99.27 to the person or others and the behavior is effectively redirected with less than 60 seconds
 99.28 of physical contact by staff.

99.29 (c) Restraint may be used as an intervention procedure to:

99.30 (1) allow a licensed health care professional to safely conduct a medical examination
 99.31 or to provide medical treatment ordered by a licensed health care professional to a person

100.1 ~~Any use of manual restraint as allowed in this paragraph must comply with the restrictions~~
 100.2 ~~identified in section 245D.061, subdivision 3; or~~

100.3 (3) position a person with physical disabilities in a manner specified in the person's
 100.4 coordinated service and support plan addendum.

100.5 Any use of manual restraint as allowed in this paragraph must comply with the restrictions
 100.6 identified in subdivision 6, paragraph (b).

100.7 (d) Use of adaptive aids or equipment, orthotic devices, or other medical equipment
 100.8 ordered by a licensed health professional to treat a diagnosed medical condition do not in
 100.9 and of themselves constitute the use of mechanical restraint.

100.10 (e) Use of an auxiliary device to ensure a person does not unfasten a seat belt when
 100.11 being transported in a vehicle in accordance with seat belt use requirements in section
 100.12 169.686 does not constitute the use of mechanical restraint.

100.15 Subd. 8. **Positive support transition plan.** (a) License holders must develop
 100.16 a positive support transition plan on the forms and in the manner prescribed by the
 100.17 commissioner for a person who requires intervention in order to maintain safety when
 100.18 it is known that the person's behavior poses an immediate risk of physical harm to self
 100.19 or others. The positive support transition plan forms and instructions will supersede the
 100.20 requirements in Minnesota Rules, parts 9525.2750; 9525.2760; and 9525.2780. The

 100.23 within the following timelines:

100.24 (1) for persons receiving services from the license holder before January 1, 2014,

 100.28 developed and implemented within 30 calendar days of service initiation and phased out
 100.29 no later than 11 months from the date of plan implementation.

100.30 (b) The commissioner has limited authority to grant approval for the emergency use
 100.31 of procedures identified in subdivision 6 that had been part of an approved positive support
 100.32 transition plan when a person is at imminent risk of serious injury as defined in section
 100.33 245.91, subdivision 6, due to self-injurious behavior and the following conditions are met:

100.34 (1) the person's expanded support team approves the emergency use of the
 100.35 procedures; and

101.1 (2) the interim review panel established in section 245.8251, subdivision 4,
 101.2 recommends commissioner approval of the emergency use of the procedures.

101.3 (c) Written requests for the emergency use of the procedures must be developed
 101.4 and submitted to the commissioner by the designated coordinator with input from the
 101.5 person's expanded support team in accordance with the requirements set by the interim
 101.6 review panel, in addition to the following:

101.7 (1) a copy of the person's current positive support transition plan and copies of
 101.8 each positive support transition plan review containing data on the progress of the plan
 101.9 from the previous year;

101.10 (2) documentation of a good faith effort to eliminate the use of the procedures that
 101.11 had been part of an approved positive support transition plan;

101.12 (3) justification for the continued use of the procedures that identifies the imminent
 101.13 risk of serious injury due to the person's self-injurious behavior if the procedures were
 101.14 eliminated;

101.15 (4) documentation of the clinicians consulted in creating and maintaining the
 101.16 positive support transition plan; and

101.17 (5) documentation of the expanded support team's approval and the recommendation

 101.20 final determination on the request must be maintained in the person's service recipient
 101.21 record.

101.22 Sec. 30. Minnesota Statutes 2013 Supplement, section 245D.071, subdivision 3,
 101.23 is amended to read:

130.3 (1) wages and salaries;

130.4 (2) the employer's share of FICA taxes, Medicare taxes, state and federal
 130.5 unemployment taxes, workers' compensation, and mileage reimbursement;

130.6 (3) the employer's share of health and dental insurance, life insurance, disability
 130.7 insurance, long-term care insurance, uniform allowance, pensions, and contributions to
 130.8 employee retirement accounts; and

130.9 (4) other benefits provided and workforce needs, including the recruiting and
 130.10 training of employees as specified in the distribution plan required under paragraph (k).

130.11 (j) For public employees, the increase for wages and benefits for certain staff is
 130.12 available and pay rates must be increased only to the extent that the increases comply with
 130.13 laws governing public employees' collective bargaining. Money received by a provider
 130.14 for pay increases for public employees under this section may be used only for increases
 130.15 implemented within one month of the effective date of the rate increase and must not be
 130.16 used for increases implemented prior to that date.

130.17 (k) A provider that receives a rate adjustment under paragraph (b) that is subject to
 130.18 paragraphs (h) and (i) shall prepare and produce for the commissioner, upon request, a
 130.19 plan that specifies the amount of money the provider expects to receive that is subject to
 130.20 the requirements of paragraphs (h) and (i), as well as how that money will be distributed
 130.21 to increase compensation for employees. The commissioner may recover funds from a
 130.22 facility that fails to comply with this requirement.

130.23 (l) Within six months after the effective date of the rate adjustment, the provider
 130.24 shall post the distribution plan required under paragraph (k) for a period of at least six
 130.25 weeks in an area of the provider's operation to which all eligible employees have access,
 130.26 and shall provide instructions for employees who believe they have not received the
 130.27 wage and other compensation-related increases specified in the distribution plan. These
 130.28 instructions must include a mailing address, e-mail address, and telephone number that
 130.29 an employee may use to contact the commissioner or the commissioner's representative.
 130.30 Providers shall make assurances to the commissioner of compliance with this section
 130.31 using forms prescribed by the commissioner.

 130.34 column A, the revisor of statutes shall delete the word or phrase in column B and insert

131.1 the phrase in column C. The revisor shall also make related grammatical changes and

132.2 **MISCELLANEOUS**

132.3 Section 1. Minnesota Statutes 2012, section 254B.12, is amended to read:

132.4 **254B.12 RATE METHODOLOGY.**

132.5 Subdivision 1. CCDTF rate methodology established. The commissioner shall
 132.6 establish a new rate methodology for the consolidated chemical dependency treatment
 132.7 fund. The new methodology must replace county-negotiated rates with a uniform
 132.8 statewide methodology that must include a graduated reimbursement scale based on the
 132.9 patients' level of acuity and complexity. At least biennially, the commissioner shall review
 132.10 the financial information provided by vendors to determine the need for rate adjustments.

132.11 Subd. 2. Payment methodology for state-operated vendors. (a) Notwithstanding
 132.12 subdivision 1, the commissioner shall seek federal authority to develop a separate
 132.13 payment methodology for chemical dependency treatment services provided under the
 132.14 consolidated chemical dependency treatment fund by a state-operated vendor. This
 132.15 payment methodology is effective for services provided on or after October 1, 2015, or on
 132.16 or after the receipt of federal approval, whichever is later.

132.17 (b) Before implementing an approved payment methodology under paragraph
 132.18 (a), the commissioner must also receive any necessary legislative approval of required
 132.19 changes to state law or funding.

132.20 Sec. 2. Minnesota Statutes 2012, section 256I.05, subdivision 2, is amended to read:

132.21 Subd. 2. Monthly rates; exemptions. ~~The maximum group residential housing rate~~
 132.22 ~~does not apply~~ This subdivision applies to a residence that on August 1, 1984, was licensed
 132.23 by the commissioner of health only as a boarding care home, certified by the commissioner
 132.24 of health as an intermediate care facility, and licensed by the commissioner of human
 132.25 services under Minnesota Rules, parts 9520.0500 to 9520.0690. Notwithstanding the
 132.26 provisions of subdivision 1c, the rate paid to a facility reimbursed under this subdivision
 132.27 shall be determined under section 256B.431, or under section 256B.434 if the facility is
 132.28 accepted by the commissioner for participation in the alternative payment demonstration
 132.29 project. The rate paid to this facility shall also include adjustments to the group residential
 132.30 housing rate according to subdivision 1, and any adjustments applicable to supplemental
 132.31 service rates statewide.

245.825 AVERSIVE AND DEPRIVATION PROCEDURES; LICENSED FACILITIES AND SERVICES.

Subdivision 1. **Rules governing aversive and deprivation procedures.** The commissioner of human services shall by October, 1983, promulgate rules governing the use of aversive and deprivation procedures in all licensed facilities and licensed services serving persons with developmental disabilities, as defined in section 252.27, subdivision 1a. No provision of these rules shall encourage or require the use of aversive and deprivation procedures. The rules shall prohibit: (1) the application of certain aversive and deprivation procedures in facilities except as authorized and monitored by the commissioner; (2) the use of aversive and deprivation procedures that restrict the consumers' normal access to nutritious diet, drinking water, adequate ventilation, necessary medical care, ordinary hygiene facilities, normal sleeping conditions, and necessary clothing; and (3) the use of faradic shock without a court order. The rule shall further specify that consumers may not be denied ordinary access to legal counsel and next of kin. In addition, the rule may specify other prohibited practices and the specific conditions under which permitted practices are to be carried out. For any persons receiving faradic shock, a plan to reduce and eliminate the use of faradic shock shall be in effect upon implementation of the procedure.

Subd. 1b. **Review and approval.** Notwithstanding the provisions of Minnesota Rules, parts 9525.2700 to 9525.2810, the commissioner may designate the county case manager to authorize the use of controlled procedures as defined in Minnesota Rules, parts 9525.2710, subpart 9, and 9525.2740, subparts 1 and 2, after review and approval by the interdisciplinary team and the internal review committee as required in Minnesota Rules, part 9525.2750, subparts 1a and 2. Use of controlled procedures must be reported to the commissioner in accordance with the requirements of Minnesota Rules, part 9525.2750, subpart 2a.

245D.02 DEFINITIONS.

Subd. 2b. **Aversive procedure.** "Aversive procedure" means the application of an aversive stimulus contingent upon the occurrence of a behavior for the purposes of reducing or eliminating the behavior.

Subd. 2c. **Aversive stimulus.** "Aversive stimulus" means an object, event, or situation that is presented immediately following a behavior in an attempt to suppress the behavior. Typically, an aversive stimulus is unpleasant and penalizes or confines.

Subd. 3b. **Chemical restraint.** "Chemical restraint" means the administration of a drug or medication to control the person's behavior or restrict the person's freedom of movement and is not a standard treatment or dosage for the person's medical or psychological condition.

Subd. 5a. **Deprivation procedure.** "Deprivation procedure" means the removal of a positive reinforcer following a response resulting in, or intended to result in, a decrease in the frequency, duration, or intensity of that response. Oftentimes the positive reinforcer available is goods, services, or activities to which the person is normally entitled. The removal is often in the form of a delay or postponement of the positive reinforcer.

Subd. 8a. **Emergency use of manual restraint.** "Emergency use of manual restraint" means using a manual restraint when a person poses an imminent risk of physical harm to self or others and is the least restrictive intervention that would achieve safety. Property damage, verbal aggression, or a person's refusal to receive or participate in treatment or programming on their own do not constitute an emergency.

Subd. 15a. **Manual restraint.** "Manual restraint" means physical intervention intended to hold a person immobile or limit a person's voluntary movement by using body contact as the only source of physical restraint.

Subd. 15b. **Mechanical restraint.** Except for devices worn by the person that trigger electronic alarms to warn staff that a person is leaving a room or area, which do not, in and of themselves, restrict freedom of movement, or the use of adaptive aids or equipment or orthotic devices ordered by a health care professional used to treat or manage a medical condition, "mechanical restraint" means the use of devices, materials, or equipment attached or adjacent to the person's body, or the use of practices that are intended to restrict freedom of movement or normal access to one's body or body parts, or limits a person's voluntary movement or holds a person immobile as an intervention precipitated by a person's behavior. The term applies to the use of mechanical restraint used to prevent injury with persons who engage in self-injurious behaviors, such as head-banging, gouging, or other actions resulting in tissue damage that have caused or could cause medical problems resulting from the self-injury.

APPENDIX

Repealed Minnesota Statutes: 14-5593

Subd. 23b. **Positive support transition plan.** "Positive support transition plan" means the plan required in section 245D.06, subdivision 5, paragraph (b), to be developed by the expanded support team to implement positive support strategies to:

- (1) eliminate the use of prohibited procedures as identified in section 245D.06, subdivision 5, paragraph (a);
- (2) avoid the emergency use of manual restraint as identified in section 245D.061; and
- (3) prevent the person from physically harming self or others.

Subd. 28. **Restraint.** "Restraint" means manual restraint as defined in subdivision 15a or mechanical restraint as defined in subdivision 15b, or any other form of restraint that results in limiting of the free and normal movement of body or limbs.

Subd. 29. **Seclusion.** "Seclusion" means the placement of a person alone in a room from which exit is prohibited by a staff person or a mechanism such as a lock, a device, or an object positioned to hold the door closed or otherwise prevent the person from leaving the room.

Subd. 34a. **Time out.** "Time out" means removing a person involuntarily from an ongoing activity to a room, either locked or unlocked, or otherwise separating a person from others in a way that prevents social contact and prevents the person from leaving the situation if the person chooses. For the purpose of this chapter, "time out" does not mean voluntary removal or self-removal for the purpose of calming, prevention of escalation, or de-escalation of behavior for a period of up to 15 minutes. "Time out" does not include a person voluntarily moving from an ongoing activity to an unlocked room or otherwise separating from a situation or social contact with others if the person chooses. For the purposes of this definition, "voluntarily" means without being forced, compelled, or coerced.

245D.06 PROTECTION STANDARDS.

Subd. 5. **Prohibited procedures.** The license holder is prohibited from using chemical restraints, mechanical restraints, manual restraints, time out, seclusion, or any other aversive or deprivation procedure, as a substitute for adequate staffing, for a behavioral or therapeutic program to reduce or eliminate behavior, as punishment, or for staff convenience.

Subd. 6. **Restricted procedures.** The following procedures are allowed when the procedures are implemented in compliance with the standards governing their use as identified in clauses (1) to (3). Allowed but restricted procedures include:

- (1) permitted actions and procedures subject to the requirements in subdivision 7;
 - (2) procedures identified in a positive support transition plan subject to the requirements in subdivision 8; or
 - (3) emergency use of manual restraint subject to the requirements in section 245D.061.
- For purposes of this chapter, this section supersedes the requirements identified in Minnesota Rules, part 9525.2740.

Subd. 7. **Permitted actions and procedures.** (a) Use of the instructional techniques and intervention procedures as identified in paragraphs (b) and (c) is permitted when used on an intermittent or continuous basis. When used on a continuous basis, it must be addressed in a person's coordinated service and support plan addendum as identified in sections 245D.07 and 245D.071. For purposes of this chapter, the requirements of this subdivision supersede the requirements identified in Minnesota Rules, part 9525.2720.

(b) Physical contact or instructional techniques must use the least restrictive alternative possible to meet the needs of the person and may be used:

- (1) to calm or comfort a person by holding that person with no resistance from that person;
- (2) to protect a person known to be at risk or injury due to frequent falls as a result of a medical condition;
- (3) to facilitate the person's completion of a task or response when the person does not resist or the person's resistance is minimal in intensity and duration; or
- (4) to briefly block or redirect a person's limbs or body without holding the person or limiting the person's movement to interrupt the person's behavior that may result in injury to self or others.

(c) Restraint may be used as an intervention procedure to:

- (1) allow a licensed health care professional to safely conduct a medical examination or to provide medical treatment ordered by a licensed health care professional to a person necessary to promote healing or recovery from an acute, meaning short-term, medical condition;
- (2) assist in the safe evacuation or redirection of a person in the event of an emergency and the person is at imminent risk of harm.

Any use of manual restraint as allowed in this paragraph must comply with the restrictions identified in section 245D.061, subdivision 3; or

APPENDIX

Repealed Minnesota Statutes: 14-5593

(3) position a person with physical disabilities in a manner specified in the person's coordinated service and support plan addendum.

(d) Use of adaptive aids or equipment, orthotic devices, or other medical equipment ordered by a licensed health professional to treat a diagnosed medical condition do not in and of themselves constitute the use of mechanical restraint.

Subd. 8. Positive support transition plan. License holders must develop a positive support transition plan on the forms and in the manner prescribed by the commissioner for a person who requires intervention in order to maintain safety when it is known that the person's behavior poses an immediate risk of physical harm to self or others. The positive support transition plan forms and instructions will supersede the requirements in Minnesota Rules, parts 9525.2750; 9525.2760; and 9525.2780. The positive support transition plan must phase out any existing plans for the emergency or programmatic use of aversive or deprivation procedures prohibited under this chapter within the following timelines:

(1) for persons receiving services from the license holder before January 1, 2014, the plan must be developed and implemented by February 1, 2014, and phased out no later than December 31, 2014; and

(2) for persons admitted to the program on or after January 1, 2014, the plan must be developed and implemented within 30 calendar days of service initiation and phased out no later than 11 months from the date of plan implementation.

245D.061 EMERGENCY USE OF MANUAL RESTRAINTS.

Subdivision 1. Standards for emergency use of manual restraints. The license holder must ensure that emergency use of manual restraints complies with the requirements of this chapter and the license holder's policy and procedures as required under subdivision 10. For the purposes of persons receiving services governed by this chapter, this section supersedes the requirements identified in Minnesota Rules, part 9525.2770.

Subd. 2. Conditions for emergency use of manual restraint. Emergency use of manual restraint must meet the following conditions:

(1) immediate intervention must be needed to protect the person or others from imminent risk of physical harm; and

(2) the type of manual restraint used must be the least restrictive intervention to eliminate the immediate risk of harm and effectively achieve safety. The manual restraint must end when the threat of harm ends.

Subd. 3. Restrictions when implementing emergency use of manual restraint. (a) Emergency use of manual restraint procedures must not:

(1) be implemented with a child in a manner that constitutes sexual abuse, neglect, physical abuse, or mental injury, as defined in section 626.556, subdivision 2;

(2) be implemented with an adult in a manner that constitutes abuse or neglect as defined in section 626.5572, subdivisions 2 and 17;

(3) be implemented in a manner that violates a person's rights and protections identified in section 245D.04;

(4) restrict a person's normal access to a nutritious diet, drinking water, adequate ventilation, necessary medical care, ordinary hygiene facilities, normal sleeping conditions, or necessary clothing, or to any protection required by state licensing standards and federal regulations governing the program;

(5) deny the person visitation or ordinary contact with legal counsel, a legal representative, or next of kin;

(6) be used as a substitute for adequate staffing, for the convenience of staff, as punishment, or as a consequence if the person refuses to participate in the treatment or services provided by the program; or

(7) use prone restraint. For the purposes of this section, "prone restraint" means use of manual restraint that places a person in a face-down position. This does not include brief physical holding of a person who, during an emergency use of manual restraint, rolls into a prone position, and the person is restored to a standing, sitting, or side-lying position as quickly as possible. Applying back or chest pressure while a person is in the prone or supine position or face-up is prohibited.

Subd. 4. Monitoring emergency use of manual restraint. The license holder shall monitor a person's health and safety during an emergency use of a manual restraint. Staff monitoring the procedure must not be the staff implementing the procedure when possible. The license holder shall complete a monitoring form, approved by the commissioner, for each incident involving the emergency use of a manual restraint.

APPENDIX

Repealed Minnesota Statutes: 14-5593

Subd. 5. Reporting emergency use of manual restraint incident. (a) Within three calendar days after an emergency use of a manual restraint, the staff person who implemented the emergency use must report in writing to the designated coordinator the following information about the emergency use:

(1) the staff and persons receiving services who were involved in the incident leading up to the emergency use of manual restraint;

(2) a description of the physical and social environment, including who was present before and during the incident leading up to the emergency use of manual restraint;

(3) a description of what less restrictive alternative measures were attempted to de-escalate the incident and maintain safety before the manual restraint was implemented that identifies when, how, and how long the alternative measures were attempted before manual restraint was implemented;

(4) a description of the mental, physical, and emotional condition of the person who was restrained, and other persons involved in the incident leading up to, during, and following the manual restraint;

(5) whether there was any injury to the person who was restrained or other persons involved in the incident, including staff, before or as a result of the use of manual restraint;

(6) whether there was a debriefing with the staff, and, if not contraindicated, with the person who was restrained and other persons who were involved in or who witnessed the restraint, following the incident and the outcome of the debriefing. If the debriefing was not conducted at the time the incident report was made, the report should identify whether a debriefing is planned; and

(7) a copy of the report must be maintained in the person's service recipient record.

(b) Each single incident of emergency use of manual restraint must be reported separately. For the purposes of this subdivision, an incident of emergency use of manual restraint is a single incident when the following conditions have been met:

(1) after implementing the manual restraint, staff attempt to release the person at the moment staff believe the person's conduct no longer poses an imminent risk of physical harm to self or others and less restrictive strategies can be implemented to maintain safety;

(2) upon the attempt to release the restraint, the person's behavior immediately re-escalates; and

(3) staff must immediately reimplement the restraint in order to maintain safety.

Subd. 6. Internal review of emergency use of manual restraint. (a) Within five working days of the emergency use of manual restraint, the license holder must complete and document an internal review of each report of emergency use of manual restraint. The review must include an evaluation of whether:

(1) the person's service and support strategies developed according to sections 245D.07 and 245D.071 need to be revised;

(2) related policies and procedures were followed;

(3) the policies and procedures were adequate;

(4) there is a need for additional staff training;

(5) the reported event is similar to past events with the persons, staff, or the services involved; and

(6) there is a need for corrective action by the license holder to protect the health and safety of persons.

(b) Based on the results of the internal review, the license holder must develop, document, and implement a corrective action plan for the program designed to correct current lapses and prevent future lapses in performance by individuals or the license holder, if any. The corrective action plan, if any, must be implemented within 30 days of the internal review being completed.

(c) The license holder must maintain a copy of the internal review and the corrective action plan, if any, in the person's service recipient record.

Subd. 7. Expanded support team review. (a) Within five working days after the completion of the internal review required in subdivision 6, the license holder must consult with the expanded support team following the emergency use of manual restraint to:

(1) discuss the incident reported in subdivision 5, to define the antecedent or event that gave rise to the behavior resulting in the manual restraint and identify the perceived function the behavior served; and

(2) determine whether the person's coordinated service and support plan addendum needs to be revised according to sections 245D.07 and 245D.071 to positively and effectively help the person maintain stability and to reduce or eliminate future occurrences requiring emergency use of manual restraint.

(b) The license holder must maintain a written summary of the expanded support team's discussion and decisions required in paragraph (a) in the person's service recipient record.

APPENDIX

Repealed Minnesota Statutes: 14-5593

Subd. 8. **External review and reporting.** Within five working days of the expanded support team review, the license holder must submit the following to the Department of Human Services, and the Office of the Ombudsman for Mental Health and Developmental Disabilities, as required under section 245.94, subdivision 2a:

- (1) the report required under subdivision 5;
- (2) the internal review and the corrective action plan required under subdivision 6; and
- (3) the summary of the expanded support team review required under subdivision 7.

Subd. 9. **Emergency use of manual restraints policy and procedures.** The license holder must develop, document, and implement a policy and procedures that promote service recipient rights and protect health and safety during the emergency use of manual restraints. The policy and procedures must comply with the requirements of this section and must specify the following:

(1) a description of the positive support strategies and techniques staff must use to attempt to de-escalate a person's behavior before it poses an imminent risk of physical harm to self or others;

(2) a description of the types of manual restraints the license holder allows staff to use on an emergency basis, if any. If the license holder will not allow the emergency use of manual restraint, the policy and procedure must identify the alternative measures the license holder will require staff to use when a person's conduct poses an imminent risk of physical harm to self or others and less restrictive strategies would not achieve safety;

(3) instructions for safe and correct implementation of the allowed manual restraint procedures;

(4) the training that staff must complete and the timelines for completion, before they may implement an emergency use of manual restraint. In addition to the training on this policy and procedure and the orientation and annual training required in section 245D.09, subdivision 4, the training for emergency use of manual restraint must incorporate the following subjects:

(i) alternatives to manual restraint procedures, including techniques to identify events and environmental factors that may escalate conduct that poses an imminent risk of physical harm to self or others;

(ii) de-escalation methods, positive support strategies, and how to avoid power struggles;

(iii) simulated experiences of administering and receiving manual restraint procedures allowed by the license holder on an emergency basis;

(iv) how to properly identify thresholds for implementing and ceasing restrictive procedures;

(v) how to recognize, monitor, and respond to the person's physical signs of distress, including positional asphyxia;

(vi) the physiological and psychological impact on the person and the staff when restrictive procedures are used;

(vii) the communicative intent of behaviors; and

(viii) relationship building;

(5) the procedures and forms to be used to monitor the emergency use of manual restraints, including what must be monitored and the frequency of monitoring per each incident of emergency use of manual restraint, and the person or position who is responsible for monitoring the use;

(6) the instructions, forms, and timelines required for completing and submitting an incident report by the person or persons who implemented the manual restraint; and

(7) the procedures and timelines for conducting the internal review and the expanded support team review, and the person or position responsible for completing the reviews and for ensuring that corrective action is taken or the person's coordinated service and support plan addendum is revised, when determined necessary.

256.969 PAYMENT RATES.

Subd. 8b. **Admissions for persons who apply during hospitalization.** For admissions for individuals under section 256D.03, subdivision 3, paragraph (a), clause (2), that occur before the date of eligibility, payment for the days that the patient is eligible shall be established according to the methods of subdivision 14.

Subd. 9a. **Disproportionate population adjustments until July 1, 1993.** For admissions occurring between January 1, 1993 and June 30, 1993, the adjustment under this subdivision shall be paid to a hospital, excluding regional treatment centers and facilities of the federal Indian Health Service, with a medical assistance inpatient utilization rate in excess of one standard deviation above the arithmetic mean. The adjustment must be determined by multiplying the total of the operating and property payment rates by the difference between the hospital's actual medical assistance inpatient utilization rate and the arithmetic mean for all hospitals excluding

APPENDIX

Repealed Minnesota Statutes: 14-5593

regional treatment centers and facilities of the federal Indian Health Service, and the result must be multiplied by 1.1.

The provisions of this paragraph are effective only if federal matching funds are not available for all adjustments under this subdivision and it is necessary to implement ratable reductions under subdivision 9.

Subd. 9b. **Implementation of ratable reductions.** Notwithstanding the provisions in subdivision 9, any ratable reductions required under that subdivision or subdivision 9a for fiscal year 1993 shall be implemented as follows:

(1) no ratable reductions shall be applied to admissions occurring between October 1, 1992, and December 31, 1992; and

(2) sufficient ratable reductions shall be taken from hospitals receiving a payment under subdivision 9a for admissions occurring between January 1, 1993, and June 30, 1993, to ensure that all state payments under subdivisions 9 and 9a during federal fiscal year 1993 qualify for federal match.

Subd. 11. **Special rates.** The commissioner may establish special rate-setting methodologies, including a per day operating and property payment system, for hospice, ventilator dependent, and other services on a hospital and recipient specific basis taking into consideration such variables as federal designation, program size, and admission from a medical assistance waiver or home care program. The data and rate calculation method shall conform to the requirements of subdivision 13, except that rates shall not be standardized by the case mix index or adjusted by relative values and hospice rates shall not exceed the amount allowed under federal law. Rates and payments established under this subdivision must meet the requirements of section 256.9685, subdivisions 1 and 2. The cost and charges used to establish rates shall only reflect inpatient medical assistance covered services. Hospital and claims data that are used to establish rates under this subdivision shall not be used to establish payments or relative values under subdivisions 2, 2b, 2c, 3a, 4a, 5a, and 7 to 14.

Subd. 13. **Neonatal transfers.** For admissions occurring on or after July 1, 1989, neonatal diagnostic category transfers shall have operating and property payment rates established at receiving hospitals which have neonatal intensive care units on a per day payment system that is based on the cost finding methods and allowable costs of the Medicare program during the base year. Other neonatal diagnostic category transfers shall have rates established according to subdivision 14. The rate per day for the neonatal service setting within the hospital shall be determined by dividing base year neonatal allowable costs by neonatal patient days. The operating payment rate portion of the rate shall be adjusted by the hospital cost index and the disproportionate population adjustment. For admissions occurring after the transition period specified in section 256.9695, subdivision 3, the operating payment rate portion of the rate shall be standardized by the case mix index and adjusted by relative values. The cost and charges used to establish rates shall only reflect inpatient services covered by medical assistance. Hospital and claims data used to establish rates under this subdivision shall not be used to establish rates under subdivisions 2, 2b, 2c, 3a, 4a, 5a, and 7 to 14.

Subd. 20. **Increases in medical assistance inpatient payments; conditions.** (a) Medical assistance inpatient payments shall increase 20 percent for inpatient hospital originally paid admissions, excluding Medicare crossovers, that occurred between July 1, 1988 and December 31, 1990, if:

(1) the hospital had 100 or fewer Minnesota medical assistance annualized paid admissions, excluding Medicare crossovers, that were paid by March 1, 1988, for the period January 1, 1987 to June 30, 1987;

(2) the hospital had 100 or fewer licensed beds on March 1, 1988;

(3) the hospital is located in Minnesota; and

(4) the hospital is not located in a city of the first class as defined in section 410.01.

For purposes of this paragraph, medical assistance does not include general assistance medical care.

(b) Medical assistance inpatient payments shall increase 15 percent for inpatient hospital originally paid admissions, excluding Medicare crossovers, that occurred between July 1, 1988 and December 31, 1990, if:

(1) the hospital had more than 100 but fewer than 250 Minnesota medical assistance annualized paid admissions, excluding Medicare crossovers, that were paid by March 1, 1988, for the period January 1, 1987 to June 30, 1987;

(2) the hospital had 100 or fewer licensed beds on March 1, 1988;

(3) the hospital is located in Minnesota; and

(4) the hospital is not located in a city of the first class as defined in section 410.01.

For purposes of this paragraph, medical assistance does not include general assistance medical care.

APPENDIX

Repealed Minnesota Statutes: 14-5593

(c) Medical assistance inpatient payment rates shall increase 20 percent for inpatient hospital originally paid admissions, excluding Medicare crossovers, that occur on or after October 1, 1992, if:

(1) the hospital had 100 or fewer Minnesota medical assistance annualized paid admissions, excluding Medicare crossovers, that were paid by March 1, 1988, for the period January 1, 1987 to June 30, 1987;

(2) the hospital had 100 or fewer licensed beds on March 1, 1988;

(3) the hospital is located in Minnesota; and

(4) the hospital is not located in a city of the first class as defined in section 410.01.

For a hospital that qualifies for an adjustment under this paragraph and under subdivision 9 or 23, the hospital must be paid the adjustment under subdivisions 9 and 23, as applicable, plus any amount by which the adjustment under this paragraph exceeds the adjustment under those subdivisions. For this paragraph, medical assistance does not include general assistance medical care.

(d) Medical assistance inpatient payment rates shall increase 15 percent for inpatient hospital originally paid admissions, excluding Medicare crossovers, that occur after September 30, 1992, if:

(1) the hospital had more than 100 but fewer than 250 Minnesota medical assistance annualized paid admissions, excluding Medicare crossovers, that were paid by March 1, 1988, for the period January 1, 1987 to June 30, 1987;

(2) the hospital had 100 or fewer licensed beds on March 1, 1988;

(3) the hospital is located in Minnesota; and

(4) the hospital is not located in a city of the first class as defined in section 410.01.

For a hospital that qualifies for an adjustment under this paragraph and under subdivision 9 or 23, the hospital must be paid the adjustment under subdivisions 9 and 23, as applicable, plus any amount by which the adjustment under this paragraph exceeds the adjustment under those subdivisions. For purposes of this paragraph, medical assistance does not include general assistance medical care.

Subd. 21. Mental health or chemical dependency admissions; rates. Admissions under the general assistance medical care program occurring on or after July 1, 1990, and admissions under medical assistance, excluding general assistance medical care, occurring on or after July 1, 1990, and on or before September 30, 1992, that are classified to a diagnostic category of mental health or chemical dependency shall have rates established according to the methods of subdivision 14, except the per day rate shall be multiplied by a factor of 2, provided that the total of the per day rates shall not exceed the per admission rate. This methodology shall also apply when a hold or commitment is ordered by the court for the days that inpatient hospital services are medically necessary. Stays which are medically necessary for inpatient hospital services and covered by medical assistance shall not be billable to any other governmental entity. Medical necessity shall be determined under criteria established to meet the requirements of section 256B.04, subdivision 15, or 256D.03, subdivision 7, paragraph (b).

Subd. 22. Hospital payment adjustment. For admissions occurring from January 1, 1993 until June 30, 1993, the commissioner shall adjust the medical assistance payment paid to a hospital, excluding regional treatment centers and facilities of the federal Indian Health Service, with a medical assistance inpatient utilization rate in excess of the arithmetic mean. The adjustment must be determined as follows:

(1) for a hospital with a medical assistance inpatient utilization rate above the arithmetic mean for all hospitals excluding regional treatment centers and facilities of the federal Indian Health Service, the adjustment must be determined by multiplying the total of the operating and property payment rates by the difference between the hospital's actual medical assistance inpatient utilization rate and the arithmetic mean for all hospitals excluding regional treatment centers and facilities of the federal Indian Health Service; and

(2) for a hospital with a medical assistance inpatient utilization rate above one standard deviation above the mean, the adjustment must be determined by multiplying the adjustment under clause (1) for that hospital by 1.1. Any payment under this clause must be reduced by the amount of any payment received under subdivision 9a. For purposes of this subdivision, medical assistance does not include general assistance medical care.

This subdivision is effective only if federal matching funds are not available for all adjustments under this subdivision and it is necessary to implement ratable reductions under subdivision 9.

Subd. 25. Long-term hospital rates. For admissions occurring on or after April 1, 1995, a long-term hospital as designated by Medicare that does not have admissions in the base year shall have inpatient rates established at the average of other hospitals with the same designation. For

APPENDIX

Repealed Minnesota Statutes: 14-5593

subsequent rate-setting periods in which base years are updated, the hospital's base year shall be the first Medicare cost report filed with the long-term hospital designation and shall remain in effect until it falls within the same period as other hospitals.

Subd. 26. **Greater Minnesota payment adjustment after June 30, 2001.** (a) For admissions occurring after June 30, 2001, the commissioner shall pay fee-for-service inpatient admissions for the diagnosis-related groups specified in paragraph (b) at hospitals located outside of the seven-county metropolitan area at the higher of:

(1) the hospital's current payment rate for the diagnostic category to which the diagnosis-related group belongs, exclusive of disproportionate population adjustments received under subdivision 9 and hospital payment adjustments received under subdivision 23; or

(2) 90 percent of the average payment rate for that diagnostic category for hospitals located within the seven-county metropolitan area, exclusive of disproportionate population adjustments received under subdivision 9 and hospital payment adjustments received under subdivisions 20 and 23.

(b) The payment increases provided in paragraph (a) apply to the following diagnosis-related groups, as they fall within the diagnostic categories:

- (1) 370 cesarean section with complicating diagnosis;
- (2) 371 cesarean section without complicating diagnosis;
- (3) 372 vaginal delivery with complicating diagnosis;
- (4) 373 vaginal delivery without complicating diagnosis;
- (5) 386 extreme immaturity and respiratory distress syndrome, neonate;
- (6) 388 full-term neonates with other problems;
- (7) 390 prematurity without major problems;
- (8) 391 normal newborn;
- (9) 385 neonate, died or transferred to another acute care facility;
- (10) 425 acute adjustment reaction and psychosocial dysfunction;
- (11) 430 psychoses;
- (12) 431 childhood mental disorders; and
- (13) 164-167 appendectomy.

Subd. 27. **Quarterly payment adjustment.** (a) In addition to any other payment under this section, the commissioner shall make the following payments effective July 1, 2007:

(1) for a hospital located in Minnesota and not eligible for payments under subdivision 20, with a medical assistance inpatient utilization rate greater than 17.8 percent of total patient days as of the base year in effect on July 1, 2005, a payment equal to 13 percent of the total of the operating and property payment rates;

(2) for a hospital located in Minnesota in a specified urban area outside of the seven-county metropolitan area and not eligible for payments under subdivision 20, with a medical assistance inpatient utilization rate less than or equal to 17.8 percent of total patient days as of the base year in effect on July 1, 2005, a payment equal to ten percent of the total of the operating and property payment rates. For purposes of this clause, the following cities are specified urban areas: Detroit Lakes, Rochester, Willmar, Alexandria, Austin, Cambridge, Brainerd, Hibbing, Mankato, Duluth, St. Cloud, Grand Rapids, Wyoming, Fergus Falls, Albert Lea, Winona, Virginia, Thief River Falls, and Wadena;

(3) for a hospital located in Minnesota but not located in a specified urban area under clause (2), with a medical assistance inpatient utilization rate less than or equal to 17.8 percent of total patient days as of the base year in effect on July 1, 2005, a payment equal to four percent of the total of the operating and property payment rates. A hospital located in Woodbury and not in existence during the base year shall be reimbursed under this clause; and

(4) in addition to any payments under clauses (1) to (3), for a hospital located in Minnesota and not eligible for payments under subdivision 20 with a medical assistance inpatient utilization rate of 17.9 percent of total patient days as of the base year in effect on July 1, 2005, a payment equal to eight percent of the total of the operating and property payment rates, and for a hospital located in Minnesota and not eligible for payments under subdivision 20 with a medical assistance inpatient utilization rate of 59.6 percent of total patient days as of the base year in effect on July 1, 2005, a payment equal to nine percent of the total of the operating and property payment rates. After making any ratable adjustments required under paragraph (b), the commissioner shall proportionately reduce payments under clauses (2) and (3) by an amount needed to make payments under this clause.

(b) The state share of payments under paragraph (a) shall be equal to federal reimbursements to the commissioner to reimburse expenditures reported under section 256B.199, paragraphs (a) to (d). The commissioner shall ratably reduce or increase payments under this subdivision in order to ensure that these payments equal the amount of reimbursement received

APPENDIX

Repealed Minnesota Statutes: 14-5593

by the commissioner under section 256B.199, paragraphs (a) to (d), except that payments shall be ratably reduced by an amount equivalent to the state share of a four percent reduction in MinnesotaCare and medical assistance payments for inpatient hospital services. Effective July 1, 2009, the ratable reduction shall be equivalent to the state share of a three percent reduction in these payments. Effective for federal disproportionate share hospital funds earned on payments reported under section 256B.199, paragraphs (a) to (d), for services rendered on or after April 1, 2010, payments shall not be made under this subdivision or subdivision 28.

(c) The payments under paragraph (a) shall be paid quarterly based on each hospital's operating and property payments from the second previous quarter, beginning on July 15, 2007, or upon federal approval of federal reimbursements under section 256B.199, paragraphs (a) to (d), whichever occurs later.

(d) The commissioner shall not adjust rates paid to a prepaid health plan under contract with the commissioner to reflect payments provided in paragraph (a).

(e) The commissioner shall maximize the use of available federal money for disproportionate share hospital payments and shall maximize payments to qualifying hospitals. In order to accomplish these purposes, the commissioner may, in consultation with the nonstate entities identified in section 256B.199, paragraphs (a) to (d), adjust, on a pro rata basis if feasible, the amounts reported by nonstate entities under section 256B.199, paragraphs (a) to (d), when application for reimbursement is made to the federal government, and otherwise adjust the provisions of this subdivision. The commissioner shall utilize a settlement process based on finalized data to maximize revenue under section 256B.199, paragraphs (a) to (d), and payments under this section.

(f) For purposes of this subdivision, medical assistance does not include general assistance medical care.

Subd. 28. **Temporary rate increase for qualifying hospitals.** For the period from April 1, 2009, to September 30, 2010, for each hospital with a medical assistance utilization rate equal to or greater than 25 percent during the base year, the commissioner shall provide an equal percentage rate increase for each medical assistance admission. The commissioner shall estimate the percentage rate increase using as the state share of the increase the amount available under section 256B.199, paragraph (d). The commissioner shall settle up payments to qualifying hospitals based on actual payments under that section and actual hospital admissions.

256.9695 APPEALS OF RATES; PROHIBITED PRACTICES FOR HOSPITALS; TRANSITION RATES.

Subd. 3. **Transition.** Except as provided in section 256.969, subdivision 8, the commissioner shall establish a transition period for the calculation of payment rates from July 1, 1989, to the implementation date of the upgrade to the Medicaid management information system or July 1, 1992, whichever is earlier.

During the transition period:

(a) Changes resulting from section 256.969, subdivisions 7, 9, 10, 11, and 13, shall not be implemented, except as provided in section 256.969, subdivisions 12 and 20.

(b) The beginning of the 1991 rate year shall be delayed and the rates notification requirement shall not be applicable.

(c) Operating payment rates shall be indexed from the hospital's most recent fiscal year ending prior to January 1, 1991, by prorating the hospital cost index methodology in effect on January 1, 1989. For payments made for admissions occurring on or after June 1, 1990, until the implementation date of the upgrade to the Medicaid management information system the hospital cost index excluding the technology factor shall not exceed five percent. This hospital cost index limitation shall not apply to hospitals that meet the requirements of section 256.969, subdivision 20, paragraphs (a) and (b).

(d) Property and pass-through payment rates shall be maintained at the most recent payment rate effective for June 1, 1990. However, all hospitals are subject to the hospital cost index limitation of subdivision 2c, for two complete fiscal years. Property and pass-through costs shall be retroactively settled through the transition period. The laws in effect on the day before July 1, 1989, apply to the retroactive settlement.

(e) If the upgrade to the Medicaid management information system has not been completed by July 1, 1992, the commissioner shall make adjustments for admissions occurring on or after that date as follows:

(1) provide a ten percent increase to hospitals that meet the requirements of section 256.969, subdivision 20, or, upon written request from the hospital to the commissioner, 50

APPENDIX

Repealed Minnesota Statutes: 14-5593

percent of the rate change that the commissioner estimates will occur after the upgrade to the Medicaid management information system; and

(2) adjust the Minnesota and local trade area rebased payment rates that are established after the upgrade to the Medicaid management information system to compensate for a rebasing effective date of July 1, 1992. The adjustment shall be determined using claim specific payment changes that result from the rebased rates and revised methodology in effect after the systems upgrade. Any adjustment that is greater than zero shall be ratably reduced by 20 percent. In addition, every adjustment shall be reduced for payments under clause (1), and differences in the hospital cost index. Hospitals shall revise claims so that services provided by rehabilitation units of hospitals are reported separately. The adjustment shall be in effect until the amount due to or owed by the hospital is fully paid over a number of admissions that is equal to the number of admissions under adjustment multiplied by 1.5. The adjustment for admissions occurring from July 1, 1992 to December 31, 1992, shall be based on claims paid as of August 1, 1993, and the adjustment shall begin with the effective date of rules governing rebasing. The adjustment for admissions occurring from January 1, 1993, to the effective date of the rules shall be based on claims paid as of February 1, 1994, and shall begin after the first adjustment period is fully paid. For purposes of appeals under subdivision 1, the adjustment shall be considered payment at the time of admission.

Subd. 4. **Study.** The commissioner shall contract for an evaluation of the inpatient and outpatient hospital payment systems. The study shall include recommendations concerning:

- (1) more effective methods of assigning operating and property payment rates to specific services or diagnoses;
- (2) effective methods of cost control and containment;
- (3) fiscal impacts of alternative payment systems;
- (4) the relationships of the use of and payment for inpatient and outpatient hospital services;
- (5) methods to relate reimbursement levels to the efficient provision of services; and
- (6) methods to adjust reimbursement levels to reflect cost differences between geographic areas.

The commissioner shall report the findings to the legislature by January 15, 1991, along with recommendations for implementation.

256N.26 BENEFITS AND PAYMENTS.

Subd. 7. **Special at-risk monthly payment for at-risk children in guardianship assistance and adoption assistance.** A child eligible for guardianship assistance under section 256N.22 or adoption assistance under section 256N.23 who is determined to be an at-risk child shall receive a special at-risk monthly payment of \$1 per month basic, unless and until the potential disability manifests itself and the agreement is renegotiated to include reimbursement. Such an at-risk child shall receive neither a supplemental difficulty of care monthly rate under subdivision 4 nor home and vehicle modifications under subdivision 10, but must be considered for medical assistance under subdivision 2.

9525.2700 PURPOSE AND APPLICABILITY.

Subpart 1. **Purpose.** Parts 9525.2700 to 9525.2810 implement Minnesota Statutes, section 245.825 by setting standards that govern the use of aversive and deprivation procedures with persons who have a developmental disability and who are served by a license holder licensed by the commissioner under Minnesota Statutes, chapter 245A and section 252.28, subdivision 2.

Parts 9525.2700 to 9525.2810 are not intended to encourage or require the use of aversive and deprivation procedures. Rather, parts 9525.2700 to 9525.2810 encourage the use of positive approaches as an alternative to aversive or deprivation procedures and require documentation that positive approaches have been tried and have been unsuccessful as a condition of implementing an aversive or deprivation procedure.

The standards and requirements set by parts 9525.2700 to 9525.2810:

- A. exempt from the requirements of parts 9525.2700 to 9525.2810 any procedures that are positive in approach or are minimally intrusive;
- B. prohibit the use of certain actions and procedures specified in part 9525.2730;
- C. control the use of aversive and deprivation procedures permitted under parts 9525.2700 to 9525.2810 by requiring development of an individual service plan, development of an individual program plan, informed consent from the person or the person's legal representative, and review and approval by the expanded interdisciplinary team and internal review committee;
- D. establish criteria and procedures for emergency use of controlled aversive and deprivation procedures; and
- E. assign a monitoring and technical assistance role to the regional review committees mandated by Minnesota Statutes, section 245.825.

Subp. 2. **Applicability.** Parts 9525.2700 to 9525.2810 govern the use of aversive and deprivation procedures with persons who have a developmental disability when those persons are served by a license holder:

- A. licensed under parts 9525.1500 to 9525.1690 to provide training and habilitation services to adults with a developmental disability;
- B. licensed under parts 9525.0215 to 9525.0355 as a residential program for persons with a developmental disability. If a requirement of parts 9525.0215 to 9525.0355 differs from a requirement in Code of Federal Regulations, title 42, sections 483.400 to 483.480, an intermediate care facility for persons with a developmental disability shall comply with the rule or regulation that sets the more stringent standard;
- C. licensed under parts 9525.2000 to 9525.2140 to provide residential-based habilitation services;
- D. licensed under parts 9503.0005 to 9503.0175 and 9545.0750 to 9545.0855 to provide services to children with a developmental disability;
- E. licensed under parts 9555.9600 to 9555.9730 as an adult day care center;
- F. licensed under parts 9555.5105 to 9555.6265 to provide foster care for adults or under part 9545.0010 to 9545.0260 to provide foster care for children; or
- G. licensed for any other service or program requiring licensure by the commissioner as a residential or nonresidential program serving persons with a developmental disability, as specified in Minnesota Statutes, section 245A.02.

Subp. 3. **Exclusion.** Parts 9525.2700 to 9525.2810 do not apply to:

- A. treatments defined in parts 9515.0200 to 9515.0700 governing the administration of specified therapies to committed patients residing at regional centers; or
- B. residential care or program services licensed under parts 9520.0500 to 9520.0690 to serve persons with mental illness.

9525.2810 PENALTY FOR NONCOMPLIANCE.

If a license holder governed by parts 9525.2700 to 9525.2810 does not comply with parts 9525.2700 to 9525.2810, the commissioner has the authority to take enforcement action pursuant to Minnesota Statutes, chapter 245A and section 252.28, subdivision 2.
