1.2 relating to human services; establishing the Minnesota African American Family
1.3 Preservation Act; creating an African American Child Welfare Oversight Council;
1.4 requiring a report; appropriating money; proposing coding for new law in Minnesota
1.5 Statutes, chapter 260.

1.6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.7 Section 1. [260.61] CITATION.

1.8 Sections 260.61 to 260.68 may be cited as the "Minnesota African American Family
1.9 Preservation Act."

1.10 Sec. 2. [260.62] PURPOSES.

1.11 The purposes of the Minnesota African American Family Preservation Act are to (1)
1.12 protect the best interests of African American children, and (2) promote the stability and
1.13 security of African American families by establishing minimum standards to prevent arbitrary
1.14 and unnecessary removal of African American children from their families.

1.15 Sec. 3. [260.63] DEFINITIONS.

1.16 Subdivision 1. Scope. The definitions in this section apply to sections 260.61 to 260.68.

1.17 Subd. 2. Active efforts. "Active efforts" means a rigorous and concerted level of effort
1.18 that is ongoing throughout the involvement of the local social services agency to continuously
1.19 use culturally appropriate services to preserve the African American child's family and
1.20 prevent out-of-home placement of an African American child and, if placement occurs, to
1.21 return the African American child to the child's family at the earliest possible time that

2.1 return is safe. Active efforts sets a higher standard than reasonable efforts to preserve the  
2.2 family, prevent breakup of the family, and reunify the family. Active efforts includes  
2.3 reasonable efforts as required by Title IV-E of the Social Security Act, United States Code,  
2.4 title 42, sections 670 to 679c.

2.5 Subd. 3. **African American child.** "African American child" is a child of African descent  
2.6 or heritage, including a child of two or more races who has at least one parent of African  
2.7 descent or heritage.

2.8 Subd. 4. **Best interests of the African American child.** "Best interests of the African  
2.9 American child" means compliance with the Minnesota African American Family  
2.10 Preservation Act and other applicable state and federal child protection laws to protect an  
2.11 African American child from harm and to preserve and maintain an African American child's  
2.12 family. The best interests of an African American child support the child's sense of belonging  
2.13 to family, extended family, culture, and community.

2.14 Subd. 5. **Child placement proceeding.** (a) "Child placement proceeding" includes a  
2.15 judicial proceeding which could have a result described in paragraphs (b) to (e).

2.16 (b) "Adoptive placement" means the permanent placement of an African American child  
2.17 for adoption, including an action resulting in a final decree of adoption.

2.18 (c) "Involuntary foster care placement" means an action removing an African American  
2.19 child from the child's parents or persons who have legal custody for temporary placement  
2.20 in a foster home, shelter care, or the home of a guardian, where the parent or person who  
2.21 has legal custody cannot have the child returned upon demand but parental rights have not  
2.22 been terminated.

2.23 (d) "Preadoptive placement" means a family-based placement of a child who is under  
2.24 the guardianship of the commissioner and for whom an adoptive placement agreement  
2.25 (APA) has been signed.

2.26 (e) "Termination of parental rights" means an action resulting in the termination of the  
2.27 parent-child relationship under section 260C.301.

2.28 (f) The terms in this subdivision include a placement based upon a juvenile status offense,  
2.29 but do not include a placement based upon (1) an act which if committed by an adult would  
2.30 be deemed a crime, or (2) an award of custody in a divorce proceeding to one of the parents.

2.31 Subd. 6. **Commissioner.** "Commissioner" means the commissioner of human services.

3.1 Subd. 7. **Family-based services.** "Family-based services" means intensive  
3.2 family-centered services to a family primarily in the family's own home and for a limited  
3.3 time.

3.4 Subd. 8. **Local social services agency.** "Local social services agency" means the local  
3.5 agency under the authority of the county welfare or human services board or county board  
3.6 of commissioners which is responsible for human services and child protection.

3.7 Subd. 9. **Parent.** "Parent" means the biological parent of an African American child or  
3.8 any person who has lawfully adopted an African American child. Parent does not include  
3.9 an unmarried father whose paternity has not been acknowledged or established. Paternity  
3.10 has been acknowledged when an unmarried father takes any action to hold himself out as  
3.11 the biological father of a child.

3.12 Subd. 10. **Relative.** "Relative" means a person related to the child by blood, marriage,  
3.13 or adoption, an individual who is an important friend with whom the child has resided or  
3.14 had significant contact, or a person whom the child and family identify as related.

3.15 Subd. 11. **Sexual abuse.** "Sexual abuse" has the meaning given in section 626.556,  
3.16 subdivision 2, paragraph (n).

3.17 Subd. 12. **Substantial child endangerment.** "Substantial child endangerment" has the  
3.18 meaning given in section 626.556, subdivision 2, paragraph (o).

3.19 Sec. 4. **[260.64] DUTY TO PREVENT OUT-OF-HOME PLACEMENT AND**  
3.20 **PROMOTE FAMILY REUNIFICATION.**

3.21 (a) A local social services agency shall make active efforts to prevent out-of-home  
3.22 placement of an African American child, eliminate the need for a child's removal from the  
3.23 home, and reunify a child and family as soon as practicable.

3.24 (b) Prior to removal, a local social services agency must work with the child's family to  
3.25 implement a 60-day in-home safety plan. The child's parent or guardian must actively  
3.26 participate in creating the safety plan with guidance and input from the local social services  
3.27 agency. The safety plan must address the child's basic needs and incorporate familial and  
3.28 community support to ensure the child's safety while keeping the family intact. This  
3.29 paragraph does not apply to cases with allegations of sexual abuse, physical abuse, or  
3.30 egregious harm.

3.31 (c) A court shall not order an out-of-home or permanency placement for an African  
3.32 American child alleged to be in need of protective services unless the court finds that the  
3.33 local social services agency made active efforts to preserve the African American child's

4.1 family. In determining whether the local social services agency made active efforts for  
4.2 purposes of out-of-home placement and permanency, the court shall make findings regarding  
4.3 whether the local social services agency made appropriate and meaningful family-based  
4.4 services available to the family based upon that family's specific needs. If a court determines  
4.5 that the local social services agency did not make active efforts as required under this section,  
4.6 the court shall order the local social services agency to immediately provide appropriate  
4.7 and meaningful in-home family services.

4.8 (d) Unless allegations of sexual abuse, physical abuse, or egregious harm are present, a  
4.9 court shall not order an out-of-home or permanency placement for an African American  
4.10 child alleged to be in need of protective services absent clear and convincing evidence that  
4.11 multiple risk factors are present. Multiple risk factors does not include a risk factor which  
4.12 the local social services agency may resolve with an in-home safety plan.

4.13 **Sec. 5. [260.65] TEMPORARY OUT-OF-HOME PLACEMENT.**

4.14 (a) Prior to an African American child's placement in foster care, the responsible local  
4.15 social services agency must make active efforts to identify and locate the child's relatives  
4.16 and the noncustodial or nonadjudicated parent, notify them of the need for a foster home  
4.17 for the child, and provide them with a list of legal resources. The agency must also inform  
4.18 the relatives and noncustodial or nonadjudicated parent of the option to become a placement  
4.19 resource for the child and the possibility that the child will need a permanent placement. If  
4.20 prior notice is not practicable, the agency must notify identified relatives and the noncustodial  
4.21 or nonadjudicated parent of the need for a foster home for the child within 48 hours of a  
4.22 child's removal from the custodial parent's care. The local social services agency must keep  
4.23 detailed records of its efforts to notify parents and relatives under this section.

4.24 (b) Notwithstanding the provisions of section 260C.219, if a noncustodial or  
4.25 nonadjudicated parent is willing to and capable of providing for the day-to-day care of the  
4.26 African American child temporarily or permanently, the local social services agency shall  
4.27 temporarily place the child with the noncustodial or nonadjudicated parent. Prior to initial  
4.28 placement with a noncustodial or nonadjudicated parent, the local social services agency  
4.29 must conduct an immediate assessment of the parent's ability to care for the child.

4.30 (c) If a noncustodial or nonadjudicated parent is unwilling to or incapable of caring for  
4.31 the child, and the local social services agency has determined that continued placement of  
4.32 the child in the home of either parent would endanger the child's health, safety, or welfare,  
4.33 the local social services agency shall comply with the custodial parent or legal custodian's  
4.34 request to temporarily place the child with a selected relative. Prior to initial placement with

5.1 the relative, the local social services agency must conduct an assessment of the relative's  
5.2 ability to care for the child.

5.3 (d) The local social services agency must provide a reasonable time period to allow a  
5.4 noncustodial and nonadjudicated parent or a selected relative to remedy minor  
5.5 disqualifications.

5.6 (e) If, after conducting an assessment, the local social services agency determines that  
5.7 the child cannot be placed with the relative or the noncustodial or nonadjudicated parent,  
5.8 the local social services agency must provide specific findings of fact, in writing, explaining  
5.9 why the placement is not possible.

5.10 **Sec. 6. [260.66] EMERGENCY REMOVAL HEARING.**

5.11 Notwithstanding section 260C.163, subdivision 3, and the provisions of Minnesota Rules  
5.12 of Juvenile Protection Procedure Rule 25, an African American parent whose child is subject  
5.13 to an emergency protective care hearing pursuant to section 260C.178 and Minnesota Rules  
5.14 of Juvenile Protection Procedure Rule 30 has the right to be represented by counsel. The  
5.15 court must appoint qualified counsel to represent the African American parent if the African  
5.16 American parent meets the eligibility requirements under section 611.17.

5.17 **Sec. 7. [260.67] TERMINATION OF PARENTAL RIGHTS; CHILD PLACEMENT**  
5.18 **PROCEEDINGS.**

5.19 Subdivision 1. **Termination of parental rights not permitted.** (a) A court shall not  
5.20 terminate the parental rights of an African American parent based solely on that parent's  
5.21 failure to complete case plan requirements.

5.22 (b) A court shall not terminate the parental rights of an African American parent in child  
5.23 placement proceedings that do not involve alleged: sexual abuse; egregious harm as defined  
5.24 in section 260C.007, subdivision 14; murder in the first, second, or third degree under section  
5.25 609.185, 609.19, or 609.195; manslaughter in the first or second degree under section 609.20  
5.26 or 609.205; assault in the first, second, or third degree under section 609.221, 609.222, or  
5.27 609.223; solicitation, inducement, and promotion of prostitution under section 609.322;  
5.28 criminal sexual conduct under sections 609.342 to 609.3451; solicitation of children to  
5.29 engage in sexual conduct under section 609.352; malicious punishment or neglect or  
5.30 endangerment of a child under section 609.377 or 609.378; use of a minor in sexual  
5.31 performance under section 617.246; or failing to protect a child from an overt act or condition  
5.32 that constitutes egregious harm. The court shall, if possible, transfer permanent legal and

6.1 physical custody to a fit and willing relative or third party, if the court determines that there  
 6.2 is continued need for out-of-home placement of the child.

6.3 Subd. 2. **Appeals.** Notwithstanding the provisions of Minnesota Rules of Juvenile  
 6.4 Protection Procedure Rule 47.02, subdivision 2, an African American parent whose parental  
 6.5 rights have been terminated may appeal the decision within 120 days of the service of notice  
 6.6 by the court administrator of the filing of the court's order.

6.7 Subd. 3. **Family reunification and reinstatement of parental rights.** (a) The provisions  
 6.8 of section 260C.329, subdivisions 3, 5, and 8, shall not apply to African American families.

6.9 (b) An African American parent, an African American child who is ten years of age or  
 6.10 older, a local social services agency, or a guardian ad litem may file a petition for the  
 6.11 reestablishment of the legal parent and child relationship. A petition for reestablishment of  
 6.12 the legal parent and child relationship may be filed regardless of the age of the child or how  
 6.13 long the child has been in foster care. An African American parent filing a petition or who  
 6.14 is the subject of a petition under this subdivision has the right to be represented by counsel.  
 6.15 Notwithstanding section 260C.329, subdivision 10, the court shall appoint a qualified  
 6.16 attorney to represent the African American parent if the parent meets the eligibility  
 6.17 requirements under section 611.17.

6.18 (c) The court may grant the petition ordering the reestablishment of the legal parent and  
 6.19 child relationship only if it finds by clear and convincing evidence that:

6.20 (1) reestablishment of the legal parent and child relationship is in the best interests of  
 6.21 the African American child;

6.22 (2) the child has not been adopted;

6.23 (3) the parent has corrected the conditions that led to an order terminating parental rights;  
 6.24 and

6.25 (4) the parent is willing and has the capability to provide day-to-day care and maintain  
 6.26 the health, safety, and welfare of the child.

6.27 **Sec. 8. ~~[260.68]~~ LOCAL WELFARE AGENCY CONDUCT.**

6.28 (a) A local social services agency employee who has duties related to child protection  
 6.29 shall not knowingly:

6.30 (1) make untrue statements about any case involving a child alleged to be in need of  
 6.31 protection or services;

7.1 (2) withhold any information that may be material to a case involving a child alleged to  
7.2 be in need of protection or services; or

7.3 (3) fabricate or falsify any documentation or evidence relating to a case involving a child  
7.4 alleged to be in need of protection or services.

7.5 (b) A local social services agency employee who has duties related to child protection  
7.6 who commits any of the acts in paragraph (a) shall be guilty of a felony and may be sentenced  
7.7 to imprisonment for not more than two years or to payment of a fine of not more than \$4,000,  
7.8 or both.

7.9 (c) When a local social services agency screens in a report alleging maltreatment of an  
7.10 African American child or places a child in an involuntary out-of-home placement, the  
7.11 agency shall, within seven days after screening in the report or initiating the out-of-home  
7.12 placement, notify the African American Child Well-Being Department of the report or  
7.13 placement and of the steps taken to investigate and remedy the conditions that led to the  
7.14 report or placement. At all stages of a case involving an African American child, the local  
7.15 social services agency shall, upon request, fully cooperate with the African American Child  
7.16 Well-Being Department and the African American Child Welfare Oversight Council, and  
7.17 provide access to all relevant case files.

7.18 (d) In any involuntary adoptive or preadoptive placement proceeding involving an  
7.19 African American child, the local social services agency shall notify the African American  
7.20 Child Well-Being Department by registered mail with return receipt requested of the pending  
7.21 proceeding and of the right of intervention. No preadoptive or adoptive placement proceeding  
7.22 may be held until at least 30 days after receipt of the notice by the African American Child  
7.23 Well-Being Department. Upon request, the African American Child Well-Being Department  
7.24 must be granted up to 30 additional days to prepare for the proceeding. The agency or  
7.25 notifying party shall include in the notice the identity of the birth parents and child. In cases  
7.26 where an agency or party to an adoptive placement knows or has reason to believe that a  
7.27 child is or may be an African American child, proof of service upon the African American  
7.28 Child Well-Being Department must be filed with the adoption petition.

7.29 (e) Any local social services agency that is found to be out of compliance with the  
7.30 provisions of this chapter will be subject to a fine to be determined by the commissioner.
