2.3 fee or percentage is charged. The disclosure must include the additional fee or percentage  
2.4 amount; and

2.5 (2) after a consumer selects items for purchase, but prior to checkout, a delivery platform  
2.6 must display a subtotal page that itemizes the price of the menu items and the additional  
2.7 fee that is included in the total cost.

2.8 (d) A person may charge a reasonable postage or shipping fee that is actually incurred  
2.9 by a consumer who has purchased a good that requires shipping.

2.10 (e) Nothing in this subdivision prevents a person from offering goods or services at a  
2.11 discounted price from the advertised, displayed, or offered price.

2.12 (f) A person offering goods or services in an auction where consumers can place bids  
2.13 on the goods or services and the total cost is indeterminable is compliant with this subdivision  
2.14 if the person discloses in a clear and conspicuous manner any mandatory fees associated  
2.15 with the transaction and that the total cost of the goods or services may vary.

2.16 (g) A person offering services where the total cost of a service is determined by consumer  
2.17 selections and preferences, or where the total cost of the service relates to distance or time,  
2.18 is compliant with this subdivision if the person discloses in a clear and conspicuous manner  
2.19 (1) the factors that determine the total price, (2) any mandatory fees associated with the  
2.20 transaction, and (3) that the total cost of the services may vary.

2.21 (h) A food or beverage service establishment, including a hotel, is compliant with this  
2.22 subdivision if, in every offer or advertisement for the purchase of a good or service that  
2.23 includes pricing information, the total price of the good or service being offered or advertised  
2.24 includes a clear and conspicuous disclosure of the percentage of any automatic and mandatory  
2.25 gratuities charged.
