ARTICLE 1

FEDERAL UPDATE

Section 1. Minnesota Statutes 2020, section 289A.02, subdivision 7, is amended to read:

2.1 EFFECTIVE DATE. This section is effective the day following final enactment, except the changes incorporated by federal changes are effective retroactively at the same time the changes were effective for federal purposes, but are subject to the application of Minnesota Statutes, section 290.993, subdivision 2.

Sec. 2. Minnesota Statutes 2021 Supplement, section 289A.08, subdivision 7, is amended to read:

Subd. 7. Composite income tax returns for nonresident partners, shareholders, and beneficiaries. (a) The commissioner may allow a partnership with nonresident partners to file a composite return and to pay the tax on behalf of nonresident partners who have no other Minnesota source income. This composite return must include the names, addresses, Social Security numbers, income allocation, and tax liability for the nonresident partners electing to be covered by the composite return.

(b) The computation of a partner's tax liability must be determined by multiplying the income allocated to that partner by the highest rate used to determine the tax liability for individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard deductions, or personal exemptions are not allowed.

(c) The partnership must submit a request to use this composite return filing method for nonresident partners. The requesting partnership must file a composite return in the form prescribed by the commissioner of revenue. The filing of a composite return is considered a request to use the composite return filing method.

(d) The electing partner must not have any Minnesota source income other than the income from the partnership, other electing partnerships, and other qualifying entities electing to file and pay the pass-through entity tax under subdivision 7a. If it is determined that the electing partner has other Minnesota source income, the inclusion of the income and tax liability for that partner under this provision will not constitute a return to satisfy the requirements of subdivision 1. The tax paid for the individual as part of the composite return is allowed as a payment of the tax by the individual on the date on which the composite return payment was made. If the electing nonresident partner has no other Minnesota source income, filing of the composite return is a return for purposes of subdivision 1.

(e) This subdivision does not negate the requirement that an individual pay estimated tax if the individual's liability would exceed the requirements set forth in section 289A.25. The individual's liability to pay estimated tax is, however, satisfied when the partnership pays composite estimated tax in the manner prescribed in section 289A.25.
(f) If an electing partner's share of the partnership's gross income from Minnesota sources is less than the filing requirements for a nonresident under this subdivision, the tax liability is zero. However, a statement showing the partner's share of gross income must be included as part of the composite return.

(g) The election provided in this subdivision is only available to a partner who has no other Minnesota source income and who is either (1) a full-year nonresident individual or (2) a trust or estate that does not claim a deduction under either section 651 or 661 of the Internal Revenue Code.

(h) A corporation defined in section 290.9725 and its nonresident shareholders may make an election under this paragraph. The provisions covering the partnership apply to the corporation and the provisions applying to the partner apply to the shareholder.

(i) Estates and trusts distributing current income only and the nonresident individual beneficiaries of the estates or trusts may make an election under this paragraph. The provisions covering the partnership apply to the estate or trust. The provisions applying to the partner apply to the beneficiary.

(j) For the purposes of this subdivision, "income" means the partner's share of federal adjusted gross income from the partnership modified by the additions provided in section 290.0131, subdivisions 8 to 10, 16, and 17, 19, and 20, and the subtractions provided in: (1) section 290.0132, subdivisions 9, 27, and 28, to the extent the amount is assignable or allocable to Minnesota under section 290.17; and (2) section 290.0132, subdivision 14, 31, and 32. The subtraction allowed under section 290.0132, subdivision 9, is only allowed on the composite tax computation to the extent the electing partner would have been allowed the subtraction.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2021.

Sec. 3. Minnesota Statutes 2021 Supplement, section 290.01, subdivision 19, is amended to read:

Subd. 19. Net income. (a) For a trust or estate taxable under section 290.03, and a corporation taxable under section 290.02, the term "net income" means the federal taxable income, as defined in section 63 of the Internal Revenue Code of 1986, as amended through the date named in this subdivision, incorporating the federal effective dates of changes to the Internal Revenue Code and any elections made by the taxpayer in accordance with the

c) In the case of a regulated investment company or a fund thereof, as defined in section 851(a) or 851(g) of the Internal Revenue Code, federal taxable income means investment company taxable income as defined in section 852(b)(2) of the Internal Revenue Code, except that:

1) the exclusion of net capital gain provided in section 852(b)(2)(A) of the Internal Revenue Code does not apply;

2) the deduction for dividends paid under section 852(b)(2)(D) of the Internal Revenue Code must be applied by allowing a deduction for capital gain dividends and exempt-interest dividends as defined in sections 852(b)(3)(C) and 852(b)(5) of the Internal Revenue Code; and

3) the deduction for dividends paid must also be applied in the amount of any undistributed capital gains which the regulated investment company elects to have treated as provided in section 852(b)(3)(D) of the Internal Revenue Code.

d) The net income of a real estate investment trust as defined and limited by section 856(a), (b), and (c) of the Internal Revenue Code means the real estate investment trust taxable income as defined in section 857(b)(2) of the Internal Revenue Code.

e) The net income of a designated settlement fund as defined in section 468B(d) of the Internal Revenue Code means the gross income as defined in section 468B(b) of the Internal Revenue Code.

This section is effective the day following final enactment, except the changes incorporated by federal changes are effective retroactively at the same time the changes were effective for federal purposes, but are subject to the application of Minnesota Statutes, section 290.993, subdivision 2.
Sec. 4. Minnesota Statutes 2021 Supplement, section 290.01, subdivision 31, is amended to read:

For estates and trusts, the net operating loss carryback or carryover to the next consecutive taxable year shall be the net operating loss carryback or carryover as calculated in clause (b) less the amount applied in the earlier taxable year(s). No additional net operating loss carryback or carryover shall be allowed to estates and trusts if the entire amount has been used to offset Minnesota income in a year earlier than was possible on the federal return. However, if a net operating loss carryback or carryover was allowed to offset federal income in a year earlier than was possible on the Minnesota return, an estate or trust shall still be allowed to offset Minnesota income but only if the loss was assignable to Minnesota in the year the loss occurred.

c) This paragraph does not apply to eligible small businesses that make a valid election to carry back their losses for federal purposes under section 172(b)(1)(H) of the Internal Revenue Code as amended through March 31, 2009.

(1) A net operating loss of an individual, estate, or trust that is allowed under this subdivision and for which the taxpayer elects to carry back for more than two years under section 172(b)(1)(H) of the Internal Revenue Code is a net operating loss carryback to each of the two taxable years preceding the loss, and unused portions may be carried forward for 20 taxable years after the loss.

(2) The entire amount of the net operating loss for any taxable year must be carried to the earliest of the taxable years to which the loss may be carried. The portion of the loss which may be carried to each of the other taxable years is the excess, if any, of the amount of the loss over the greater of the taxable net income or alternative minimum taxable income for each of the taxable years to which the loss may be carried.
(d) For net operating loss carryovers or carrybacks arising in taxable years beginning after December 31, 2017, and before December 31, 2020, a net operating loss carryover or carryback is allowed as provided in the Internal Revenue Code as amended through December 31, 2018, as follows:

1. The entire amount of the net operating loss, to the extent not already deducted, must be carried to the earliest taxable year and any unused portion may be carried forward for 20 taxable years after the loss; and
2. The portion of the loss which may be carried to each of the other taxable years is the excess, if any, of the amount of the loss over the greater of the taxable net income or alternative minimum taxable income for each of the taxable years to which the loss may be carried.

EFFECTIVE DATE. This section is effective retroactively for losses arising in taxable years beginning after December 31, 2017, and before December 31, 2020.

Sec. 20. Minnesota Statutes 2021 Supplement, section 290.993, is amended to read:

"290.993 SPECIAL LIMITED ADJUSTMENT.

Subdivision 1. Tax year 2018. (a) For an individual, estate, or trust, or a partnership that elects to file a composite return under section 289A.08, subdivision 7, for taxable years beginning after December 31, 2017, and before January 1, 2019, the following special rules apply:

1. An individual income taxpayer may: (i) take the standard deduction; or (ii) make an election under section 63(e) of the Internal Revenue Code to itemize, for Minnesota individual income tax purposes, regardless of the choice made on their federal return; and
2. There is an adjustment to tax equal to the difference between the tax calculated under this chapter using the Internal Revenue Code as amended through December 16, 2016, and the tax calculated under this chapter using the Internal Revenue Code amended through December 31, 2018, before the application of credits. The end result must be zero additional tax due or refund.

(b) There is an adjustment to net income equal to the difference between the amount
calculated and reported under this chapter incorporating the Internal Revenue Code as
amended through Minnesota Laws 2021, First Special Session chapter 14, and the amount
calculated under this chapter incorporating the Internal Revenue Code as amended through
November 15, 2021. This adjustment is only allowed as provided in paragraph (c) and to
the extent the taxpayer reported a related nonconformity adjustment on their return for
taxable years beginning after December 31, 2016, and before January 1, 2022. This
adjustment does not include the changes due to the:

(1) Taxpayer Certainty and Disaster Relief Act of 2020, Public Law 116-260, section

through Minnesota Laws 2021, First Special Session chapter 14, and the amount calculated
under this chapter incorporating the Internal Revenue Code as amended through November
15, 2021, but does not include impacts to state tax credits. The nonconformity adjustment
is an addition or subtraction to net income but does not include the following federal law
changes:

Except partners, shareholders, or beneficiaries who file their returns on a calendar year basis, and who received an addition or subtraction from a pass-through entity filing their return on a fiscal year basis, must make the addition or subtraction in the taxable year it is received as required for federal income tax purposes. For purposes of this subdivision, a pass-through entity is defined as an entity that is not subject to the tax imposed under section 290.02, including but not limited to S corporations, partnerships, estates, and trusts other than grantor trusts.

18.9 EFFECTIVE DATE. This section is effective retroactively for taxable years beginning after December 31, 2016, and before January 1, 2024.

18.11 Sec. 21. Minnesota Statutes 2020, section 290A.03, subdivision 15, is amended to read:

Subd. 15. **Internal Revenue Code.** "Internal Revenue Code" means the Internal Revenue Code of 1986, as amended through December 31, 2018.

**EFFECTIVE DATE.** This section is effective for property tax refunds based on property taxes payable in 2022 and rent paid in 2021 and thereafter.

18.16 Sec. 22. Minnesota Statutes 2020, section 291.005, subdivision 1, is amended to read:

**Subdivision 1. Scope.** Unless the context otherwise clearly requires, the following terms used in this chapter shall have the following meanings:

(1) "Commissioner" means the commissioner of revenue or any person to whom the commissioner has delegated functions under this chapter.

(2) "Federal gross estate" means the gross estate of a decedent as required to be valued and otherwise determined for federal estate tax purposes under the Internal Revenue Code, increased by the value of any property in which the decedent had a qualifying income interest for life and for which an election was made under section 291.03, subdivision 1d, for Minnesota estate tax purposes, but was not made for federal estate tax purposes.

(3) "Internal Revenue Code" means the United States Internal Revenue Code of 1986, as amended through December 31, 2018.

(4) "Minnesota gross estate" means the federal gross estate of a decedent after (a) excluding therefrom any property included in the estate which has its situs outside Minnesota, and (b) including any property omitted from the federal gross estate which is includable in the estate, has its situs in Minnesota, and was not disclosed to federal taxing authorities.
(5) "Nonresident decedent" means an individual whose domicile at the time of death was not in Minnesota.

(6) "Personal representative" means the executor, administrator or other person appointed by the court to administer and dispose of the property of the decedent. If there is no executor, administrator or other person appointed, qualified, and acting within this state, then any person in actual or constructive possession of any property having a situs in this state which is included in the federal gross estate of the decedent shall be deemed to be a personal representative to the extent of the property and the Minnesota estate tax due with respect to the property.

(7) "Resident decedent" means an individual whose domicile at the time of death was in Minnesota. The provisions of section 290.01, subdivision 7, paragraphs (c) and (d), apply to determinations of domicile under this chapter.

(8) "Situs of property" means, with respect to:

(i) real property, the state or country in which it is located;

(ii) tangible personal property, the state or country in which it was normally kept or located at the time of the decedent's death or for a gift of tangible personal property within three years of death, the state or country in which it was normally kept or located when the gift was executed;

(iii) a qualified work of art, as defined in section 2503(g)(2) of the Internal Revenue Code, owned by a nonresident decedent and that is normally kept or located in this state because it is on loan to an organization, qualifying as exempt from taxation under section 501(c)(3) of the Internal Revenue Code, that is located in Minnesota, the situs of the art is deemed to be outside of Minnesota, notwithstanding the provisions of item (ii); and

(iv) intangible personal property, the state or country in which the decedent was domiciled at death or for a gift of intangible personal property within three years of death, the state or country in which the decedent was domiciled when the gift was executed.

For a nonresident decedent with an ownership interest in a pass-through entity with assets that include real or tangible personal property, situs of the real or tangible personal property, including qualified works of art, is determined as if the pass-through entity does not exist and the real or tangible personal property is personally owned by the decedent. If the pass-through entity is owned by a person or persons in addition to the decedent, ownership of the property is attributed to the decedent in proportion to the decedent's capital ownership share of the pass-through entity.
(9) "Pass-through entity" includes the following:

(i) an entity electing S corporation status under section 1362 of the Internal Revenue Code;

(ii) an entity taxed as a partnership under subchapter K of the Internal Revenue Code;

but excludes

(v) an entity whose ownership interest securities are traded on an exchange regulated by the Securities and Exchange Commission as a national securities exchange under section 6 of the Securities Exchange Act, United States Code, title 15, section 78f.

ARTICLE 2

INDIVIDUAL INCOME AND CORPORATE FRANCHISE TAXES

Subd. 5. Credit allowed. (a) A qualified investor or qualified fund is eligible for a credit equal to 25 percent of the qualified investment in a qualified small business. Investments made by a pass-through entity qualify for a credit only if the entity is a qualified fund. The commissioner must not allocate to qualified investors or qualified funds more than the dollar amount in credits allowed for the taxable years listed in paragraph (i). For each taxable year, 50 percent must be allocated to credits for qualified investments in qualified greater Minnesota businesses and minority-owned, women-owned, or veteran-owned qualified small businesses in Minnesota. Any portion of a taxable year's credits that is reserved for qualified investments in greater Minnesota businesses and minority-owned, women-owned, or veteran-owned qualified small businesses in Minnesota that is not allocated by September 30 of the taxable year is available for allocation to other credit applications beginning on October 1. Any portion of a taxable year's credits that is not allocated by the commissioner
21.1 does not cancel and may be carried forward to subsequent taxable years until all credits
21.2 have been allocated.

21.3 (b) The commissioner may not allocate more than a total maximum amount in credits
21.4 for a taxable year to a qualified investor for the investor's cumulative qualified investments
21.5 as an individual qualified investor and as an investor in a qualified fund; for married couples
21.6 filing joint returns the maximum is $250,000, and for all other filers the maximum is
21.7 $125,000. The commissioner may not allocate more than a total of $1,000,000 in credits
21.8 over all taxable years for qualified investments in any one qualified small business.

21.9 (c) The commissioner may not allocate a credit to a qualified investor either as an
21.10 individual qualified investor or as an investor in a qualified fund if, at the time the investment
21.11 is proposed:

21.12 (1) the investor is an officer or principal of the qualified small business; or
21.13 (2) the investor, either individually or in combination with one or more members of the
21.14 investor's family, owns, controls, or holds the power to vote 20 percent or more of the
21.15 outstanding securities of the qualified small business.

21.16 A member of the family of an individual disqualified by this paragraph is not eligible for a
21.17 credit under this section. For a married couple filing a joint return, the limitations in this
21.18 paragraph apply collectively to the investor and spouse. For purposes of determining the
21.19 ownership interest of an investor under this paragraph, the rules under section 267(c) and
21.20 267(e) of the Internal Revenue Code apply.

21.21 (d) Applications for tax credits must be made available on the department's website by
21.22 November 1 of the preceding year.

21.23 (e) Qualified investors and qualified funds must apply to the commissioner for tax credits.
21.24 Tax credits must be allocated to qualified investors or qualified funds in the order that the
21.25 tax credit request applications are filed with the department. The commissioner must approve
21.26 or reject tax credit request applications within 15 days of receiving the application. The
21.27 investment specified in the application must be made within 60 days of the allocation of
21.28 the credits. If the investment is not made within 60 days, the credit allocation is canceled
21.29 and available for reallocation. A qualified investor or qualified fund that fails to invest as
21.30 specified in the application, within 60 days of allocation of the credits, must notify the
21.31 commissioner of the failure to invest within five business days of the expiration of the
21.32 60-day investment period.
(f) All tax credit request applications filed with the department on the same day must be treated as having been filed contemporaneously. If two or more qualified investors or qualified funds file tax credit request applications on the same day, and the aggregate amount of credit allocation claims exceeds the aggregate limit of credits under this section or the lesser amount of credits that remain unallocated on that day, then the credits must be allocated among the qualified investors or qualified funds who filed on that day on a pro rata basis with respect to the amounts claimed. The pro rata allocation for any one qualified investor or qualified fund is the product obtained by multiplying a fraction, the numerator of which is the amount of the credit allocation claim filed on behalf of a qualified investor and the denominator of which is the total of all credit allocation claims filed on behalf of all applicants on that day, by the amount of credits that remain unallocated on that day for the taxable year.

(g) A qualified investor or qualified fund, or a qualified small business acting on their behalf, must notify the commissioner when an investment for which credits were allocated has been made, and the taxable year in which the investment was made. A qualified fund must also provide the commissioner with a statement indicating the amount invested by each investor in the qualified fund based on each investor's share of the assets of the qualified fund at the time of the qualified investment. After receiving notification that the investment was made, the commissioner must issue credit certificates for the taxable year in which the investment was made to the qualified investor or, for an investment made by a qualified fund, to each qualified investor who is an investor in the fund. The certificate must state that the credit is subject to revocation if the qualified investor or qualified fund does not hold the investment in the qualified small business for at least three years, consisting of the calendar year in which the investment was made and the two following years. The three-year holding period does not apply if:

(1) the investment by the qualified investor or qualified fund becomes worthless before the end of the three-year period;

(2) 80 percent or more of the assets of the qualified small business is sold before the end of the three-year period;

(3) the qualified small business is sold before the end of the three-year period;

(4) the qualified small business's common stock begins trading on a public exchange before the end of the three-year period; or

(5) the qualified investor dies before the end of the three-year period.
The commissioner must notify the commissioner of revenue of credit certificates issued under this section.

(i) The credit allowed under this subdivision is effective as follows:

(1) $10,000,000 for taxable years beginning after December 31, 2020, and before January 1, 2022; and

(2) $5,000,000 for taxable years beginning after December 31, 2021, and before January 1, 2023; and

(3) $5,000,000 per year for taxable years beginning after December 31, 2022, and before January 1, 2031.

EFFECTIVE DATE. This section is effective retroactively for taxable years beginning after December 31, 2021.

Sec. 2. Minnesota Statutes 2021 Supplement, section 116J.8737, subdivision 12, is amended to read:

Subd. 12. Sunset. This section expires for taxable years beginning after December 31, 2022, except that reporting requirements under subdivision 6 and revocation of credits under subdivision 7 remain in effect through 2024 for qualified investors and qualified funds, and through 2026 for qualified small businesses, reporting requirements under subdivision 9 remain in effect through 2022, and the appropriation in subdivision 11 remains in effect through 2026.

EFFECTIVE DATE. This section is effective the day following final enactment.

Sec. 3. Minnesota Statutes 2020, section 290.067, subdivision 1, is amended to read:

Subdivision 1. Amount of credit. (a) A taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to the dependent care credit for which the taxpayer is eligible pursuant to the provisions of section 21 of the Internal Revenue Code except that in determining whether the child qualified as a dependent, income received as a Minnesota family investment program grant or allowance to or on behalf of the child must not be taken into account in determining whether the child received more than half of the child's support from the taxpayer.

(b) If a child who has not attained the age of six years at the close of the taxable year is cared for at a licensed family day care home operated by the child's parent, the taxpayer is deemed to have paid employment-related expenses. If the child is 16 months old or younger...
at the close of the taxable year, the amount of expenses deemed to have been paid equals
the maximum limit for one qualified individual under section 21(c) and (d) of the Internal
Revenue Code. If the child is older than 16 months of age but has not attained the age of
six years at the close of the taxable year, the amount of expenses deemed to have been paid
equals the amount the licensee would charge for the care of a child of the same age for the
same number of hours of care.

(c) If a married couple, taxpayer

(1) has a child who has not attained the age of one year at the close of the taxable year;
(2) files a joint tax return for the taxable year; and

(3) does not participate in a dependent care assistance program as defined in section 129
of the Internal Revenue Code, in lieu of the actual employment related expenses paid for
that child under paragraph (a) or the deemed amount under paragraph (b), the deemed
employment-related expenses will be:

(1) for married individuals filing joint returns, the lesser of (i) the combined earned
income of the couple spouses, or (ii) the amount of the maximum limit for one qualified
individual under section 21(c) and (d) of the Internal Revenue Code will be deemed to be
the employment related expense paid for that child. The earned income limitation of section
21(d) of the Internal Revenue Code shall not apply to this deemed amount; and

(2) for all other filers, excluding married individuals filing separately, the lesser of (i)
the earned income of the taxpayer, or (ii) the amount of the maximum limit for one qualified
individual under section 21(c) and (d) of the Internal Revenue Code.

These deemed amounts apply regardless of whether any employment-related expenses have
been paid.

(d) If the taxpayer is not required and does not file a federal individual income tax return
for the tax year, no credit is allowed for any amount paid to any person unless:

(1) the name, address, and taxpayer identification number of the person are included on
the return claiming the credit; or

(2) if the person is an organization described in section 501(c)(3) of the Internal Revenue
Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name
and address of the person are included on the return claiming the credit.
In the case of a failure to provide the information required under the preceding sentence, the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence in attempting to provide the information required.

(e) In the case of a nonresident, part-year resident, or a person who has earned income not subject to tax under this chapter including earned income excluded pursuant to section 290.0132, subdivision 10, the credit determined under section 21 of the Internal Revenue Code must be allocated based on the ratio by which the earned income of the claimant and the claimant's spouse from Minnesota sources bears to the total earned income of the claimant and the claimant's spouse.

(f) For residents of Minnesota, the subtractions for military pay under section 290.0132, subdivisions 11 and 12, are not considered "earned income not subject to tax under this chapter."

(g) For residents of Minnesota, the exclusion of combat pay under section 112 of the Internal Revenue Code is not considered "earned income not subject to tax under this chapter."

(h) For taxpayers with federal adjusted gross income in excess of $52,230, the credit is equal to the lesser of the credit otherwise calculated under this subdivision, or the amount equal to $600 minus five percent of federal adjusted gross income in excess of $52,230 for taxpayers with one qualified individual, or $1,200 minus five percent of federal adjusted gross income in excess of $52,230 for taxpayers with two or more qualified individuals, but in no case is the credit less than zero.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2021.

Sec. 4. Minnesota Statutes 2020, section 290.067, subdivision 2b, is amended to read:

Subd. 2b. Inflation adjustment. The commissioner shall annually adjust the dollar amount of the income threshold at which the maximum credit begins to be reduced under subdivision 1 as provided in section 270C.22. The statutory year is taxable year 2019-2022.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2021.
Sec. 5. Minnesota Statutes 2020, section 290.067, is amended by adding a subdivision to read:

Subd. 7. Special rule for 2022 and 2023. (a) In any taxable year beginning after December 31, 2021, and before January 1, 2024, a taxpayer may take as a credit against the tax due from the taxpayer and a spouse, if any, under this chapter an amount equal to 130 percent of the dependent care credit for which the taxpayer is eligible under this section. For taxpayers with federal adjusted gross income in excess of $70,000, the credit is equal to the lesser of the credit otherwise calculated under this section, or the amount equal to $780 minus five percent of federal adjusted gross income in excess of $70,000 for taxpayers with one qualified individual, or $1,560 minus five percent of federal adjusted gross income in excess of $70,000 for taxpayers with two or more qualified individuals, but in no case is the credit less than zero. The provisions of subdivision 1, paragraph (h), do not apply to this subdivision.

(b) This subdivision expires for taxable years beginning after December 31, 2023.

EFFECTIVE DATE. This section is effective for taxable years beginning after December 31, 2021, and before January 1, 2024.

Sec. 6. Minnesota Statutes 2021 Supplement, section 290.0671, subdivision 1, is amended to read:

Subdivision 1. Credit allowed. (a) An individual who is a resident of Minnesota is allowed a credit against the tax imposed by this chapter equal to a percentage of earned income. To receive a credit, a taxpayer must be eligible for a credit under section 32 of the Internal Revenue Code, except that:

(1) a taxpayer with no qualifying children who has attained the age of 19, but not attained age 65 before the close of the taxable year and is otherwise eligible for a credit under section 32 of the Internal Revenue Code may also receive a credit; and

(2) a taxpayer who is otherwise eligible for a credit under section 32 of the Internal Revenue Code remains eligible for the credit even if the taxpayer's earned income or adjusted gross income exceeds the income limitation under section 32 of the Internal Revenue Code; and

(3) the requirements of section 32(m) of the Internal Revenue Code do not apply.

(b) For individuals with no qualifying children, the credit equals 3.9 percent of the first $7,150 of earned income. The credit is reduced by 2.0 percent of earned income or adjusted
gross income, whichever is greater, in excess of the phaseout threshold, but in no case is
the credit less than zero.

(c) For individuals with one qualifying child, the credit equals 9.35 percent of the first
$11,950 of earned income. The credit is reduced by 6.0 percent of earned income or adjusted
gross income, whichever is greater, in excess of the phaseout threshold, but in no case is
the credit less than zero.

(d) For individuals with two qualifying children, the credit equals 11 percent of the first
$19,600 of earned income. The credit is reduced by 10.5 percent of earned income or adjusted
gross income, whichever is greater, in excess of the phaseout threshold, but in no case is
the credit less than zero.

(e) For individuals with three or more qualifying children, the credit equals 12.5 percent
of the first $20,000 of earned income. The credit is reduced by 10.5 percent of earned income
or adjusted gross income, whichever is greater, in excess of the phaseout threshold, but in
no case is the credit less than zero.

(f) For a part-year resident, the credit must be allocated based on the percentage calculated
under section 290.06, subdivision 2c, paragraph (e).

(g) For a person who was a resident for the entire tax year and has earned income not
subject to tax under this chapter, including income excluded under section 290.0132,
subdivision 10, the credit must be allocated based on the ratio of federal adjusted gross
income reduced by the earned income not subject to tax under this chapter over federal
adjusted gross income. For purposes of this paragraph, the following clauses are not
considered "earned income not subject to tax under this chapter":

(1) the subtractions for military pay under section 290.0132, subdivisions 11 and 12;
(2) the exclusion of combat pay under section 112 of the Internal Revenue Code; and
(3) income derived from an Indian reservation by an enrolled member of the reservation
while living on the reservation.

PROPERTY TAXES

Section 1. Minnesota Statutes 2020, section 273.124, subdivision 6, is amended to read:

Subd. 6. Leasehold cooperatives. When one or more dwellings or one or more buildings
which each contain several dwelling units is owned by a nonprofit corporation subject to
the provisions of chapter 317A and qualifying under section 501(c)(3) or 501(c)(4) of the
Internal Revenue Code, or a limited partnership which corporation or partnership operates
the property in conjunction with a cooperative association, and has received public financing,
homestead treatment may be claimed by the cooperative association on behalf of the members
of the cooperative for each dwelling unit occupied by a member of the cooperative. The
cooperative association must provide the assessor with the Social Security numbers or
individual tax identification numbers of those members. To qualify for the treatment provided
by this subdivision, the following conditions must be met:

(a) the cooperative association must be organized under chapter 308A or 308B and all
voting members of the board of directors must be resident tenants of the cooperative and
must be elected by the resident tenants of the cooperative;

(b) the cooperative association must have a lease for occupancy of the property for a
term of at least 20 years, which permits the cooperative association, while not in default on

participation in establishing budgets, setting rent levels, and hiring and supervising a
management agent;

(c) to the extent permitted under state or federal law, the cooperative association must
have a right under a written agreement with the owner to purchase the property if the owner
proposes to sell it; if the cooperative association does not purchase the property it is offered
for sale, the owner may not subsequently sell the property to another purchaser at a price
lower than the price at which it was offered for sale to the cooperative association unless
the cooperative association approves the sale;

(d) a minimum of 40 percent of the cooperative association's members must have incomes
at or less than 60 percent of area median gross income as determined by the United States
Secretary of Housing and Urban Development under section 142(d)(2)(B) of the Internal
Revenue Code. For purposes of this clause, "member income" means the income of a member
existing at the time the member acquires cooperative membership;

(e) if a limited partnership owns the property, it must include as the managing general
partner a nonprofit organization operating under the provisions of chapter 317A and
qualifying under section 501(c)(3) or 501(c)(4) of the Internal Revenue Code and the limited
partnership agreement must provide that the managing general partner have sufficient powers
so that it materially participates in the management and control of the limited partnership;

(f) prior to becoming a member of a leasehold cooperative described in this subdivision,
a person must have received notice that (1) describes leasehold cooperative property in plain
language, including but not limited to the effects of classification under this subdivision on
rents, property taxes and tax credits or refunds, and operating expenses, and (2) states that
copies of the articles of incorporation and bylaws of the cooperative association, the lease
between the owner and the cooperative association, a sample sublease between the
cooperative association and a tenant, and, if the owner is a partnership, a copy of the limited
partnership agreement, can be obtained upon written request at no charge from the owner,
and the owner must send or deliver the materials within seven days after receiving any
request;

(g) if a dwelling unit of a building was occupied on the 60th day prior to the date on
which the unit became leasehold cooperative property described in this subdivision, the
notice described in paragraph (f) must have been sent by first class mail to the occupant of
the unit at least 60 days prior to the date on which the unit became leasehold cooperative
property. For purposes of the notice under this paragraph, the copies of the documents
referred to in paragraph (f) may be in proposed version, provided that any subsequent
material alteration of those documents made after the occupant has requested a copy shall
be disclosed to any occupant who has requested a copy of the document. Copies of the
articles of incorporation and certificate of limited partnership shall be filed with the secretary
of state after the expiration of the 60-day period unless the change to leasehold cooperative
status does not proceed;

(h) the county attorney of the county in which the property is located must certify to the
assessor that the property meets the requirements of this subdivision;

(i) the public financing received must be from at least one of the following sources:

(1) tax increment financing proceeds used for the acquisition or rehabilitation of the
building or interest rate write-downs relating to the acquisition of the building;

(2) government issued bonds exempt from taxes under section 103 of the Internal Revenue
Code, the proceeds of which are used for the acquisition or rehabilitation of the building;

(3) programs under section 221(d)(3), 202, or 236, of Title II of the National Housing
Act;

(5) low-income housing credit under section 42 of the Internal Revenue Code;

(6) public financing provided by a local government used for the acquisition or rehabilitation of the building, including grants or loans from (i) federal community development block grants; (ii) HOME block grants; or (iii) residential rental bonds issued under chapter 474A; or

(7) other rental housing program funds provided by the Minnesota Housing Finance Agency for the acquisition or rehabilitation of the building;

(j) at the time of the initial request for homestead classification or of any transfer of ownership of the property, the governing body of the municipality in which the property is located must hold a public hearing and make the following findings:

(1) that the granting of the homestead treatment of the apartment's units will facilitate safe, clean, affordable housing for the cooperative members that would otherwise not be available absent the homestead designation;

(2) that the owner has presented information satisfactory to the governing body showing that the savings garnered from the homestead designation of the units will be used to reduce tenant's rents or provide a level of furnishing or maintenance not possible absent the designation; and

(3) that the requirements of paragraphs (b), (d), and (i) have been met.

Homestead treatment must be afforded to units occupied by members of the cooperative association and the units must be assessed as provided in subdivision 3, provided that any unit not so occupied shall be classified and assessed pursuant to the appropriate class. No more than three acres of land may, for assessment purposes, be included with each dwelling unit that qualifies for homestead treatment under this subdivision.

When dwelling units no longer qualify under this subdivision, the current owner must notify the assessor within 60 days. Failure to notify the assessor within 60 days shall result in the loss of benefits under this subdivision for taxes payable in the year that the failure is discovered. For these purposes, "benefits under this subdivision" means the difference in the net tax capacity of the units which no longer qualify as computed under this subdivision and as computed under the otherwise applicable law, times the local tax rate applicable to

Article 4 Section 1.
the building for that taxes payable year. Upon discovery of a failure to notify, the assessor shall inform the auditor of the difference in net tax capacity for the building or buildings in which units no longer qualify, and the auditor shall calculate the benefits under this subdivision. Such amount, plus a penalty equal to 100 percent of that amount, shall then be demanded of the building's owner. The property owner may appeal the county's determination by serving copies of a petition for review with county officials as provided in section 278.01 and filing a proof of service as provided in section 278.01 with the Minnesota Tax Court within 60 days of the date of the notice from the county. The appeal shall be governed by the Tax Court procedures provided in chapter 271, for cases relating to the tax laws as defined in section 271.01, subdivision 5; disregarding sections 273.125, subdivision 5, and 278.03, but including section 278.05, subdivision 2. If the amount of the benefits under this subdivision and penalty are not paid within 60 days, and if no appeal has been filed, the county auditor shall certify the amount of the benefit and penalty to the succeeding year's tax list to be collected as part of the property taxes on the affected buildings.

**EFFECTIVE DATE.** This section is effective retroactively for homestead applications filed in 2022 and thereafter.

Sec. 2. Minnesota Statutes 2021 Supplement, section 273.124, subdivision 13, is amended to read:

Subd. 13. **Homestead application.** (a) A person who meets the homestead requirements under subdivision 1 must file a homestead application with the county assessor to initially obtain homestead classification.

(b) The commissioner shall prescribe the content, format, and manner of the homestead application required to be filed under this chapter pursuant to section 270C.30. The application must clearly inform the taxpayer that this application must be signed by all owners who occupy the property or by the qualifying relative and returned to the county assessor in order for the property to receive homestead treatment.

(c) Every property owner applying for homestead classification must furnish to the county assessor the Social Security number or individual tax identification number of each occupant who is listed as an owner of the property on the deed of record, the name and address of each owner who does not occupy the property, and the name and Social Security number or individual tax identification number of the spouse of each occupying owner. The application must be signed by each owner who occupies the property and by each owner's spouse who occupies the property, or, in the case of property that qualifies as a homestead under subdivision 1, paragraph (c), by the qualifying relative.

Article 4 Sec. 2.
If a property owner occupies a homestead, the property owner's spouse may not claim another property as a homestead unless the property owner and the property owner's spouse file with the assessor an affidavit or other proof required by the assessor stating that the property qualifies as a homestead under subdivision 1, paragraph (e).

Owners or spouses occupying residences owned by their spouses and previously occupied with the other spouse, either of whom fail to include the other spouse's name and Social Security number or individual tax identification number on the homestead application or provide the affidavits or other proof requested, will be deemed to have elected to receive only partial homestead treatment of their residence. The remainder of the residence will be classified as nonhomestead residential. When an owner or spouse's name and Social Security number or individual tax identification number appear on homestead applications for two separate residences and only one application is signed, the owner or spouse will be deemed to have elected to homestead the residence for which the application was signed.

(d) If residential real estate is occupied and used for purposes of a homestead by a relative of the owner and qualifies for a homestead under subdivision 1, paragraph (c), in order for the property to receive homestead status, a homestead application must be filed with the assessor. The Social Security number or individual tax identification number of each relative occupying the property and the name and Social Security number or individual tax identification number of the spouse of a relative occupying the property shall be required on the homestead application filed under this subdivision. If a different relative of the owner subsequently occupies the property, the owner of the property must notify the assessor within 30 days of the change in occupancy. The Social Security number or individual tax identification number of a relative occupying the property or the spouse of a relative occupying the property is private data on individuals as defined by section 13.02, subdivision 12, but may be disclosed to the commissioner of revenue, or, for the purposes of proceeding under the Revenue Recapture Act to recover personal property taxes owing, to the county treasurer.

(e) The homestead application shall also notify the property owners that if the property is granted homestead status for any assessment year, that same property shall remain classified as homestead until the property is sold or transferred to another person, or the owners, the spouse of the owner, or the relatives no longer use the property as their homestead. Upon the sale or transfer of the homestead property, a certificate of value must be timely filed with the county auditor as provided under section 272.115. Failure to notify the assessor within 30 days that the property has been sold, transferred, or that the owner, the spouse of the owner, or the relative is no longer occupying the property as a homestead,
shall result in the penalty provided under this subdivision and the property will lose its current homestead status.

(f) If a homestead application has not been filed with the county by December 31, the assessor shall classify the property as nonhomestead for the current assessment year for taxes payable in the following year, provided that the owner may be entitled to receive the homestead classification by proper application under section 375.192.

**EFFECTIVE DATE.** This section is effective retroactively for homestead applications filed in 2022 and thereafter.

Sec. 3. Minnesota Statutes 2020, section 273.124, subdivision 13a, is amended to read:

Subd. 13a. *Occupant list.* At the request of the commissioner, each county must give the commissioner a list that includes the name and Social Security number or individual tax identification number of each occupant of homestead property who is the property owner, property owner's spouse, qualifying relative of a property owner, or a spouse of a qualifying relative. The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

**EFFECTIVE DATE.** This section is effective retroactively for homestead applications filed in 2022 and thereafter.

Sec. 4. Minnesota Statutes 2020, section 273.124, subdivision 13c, is amended to read:

Subd. 13c. *Property lists.* In addition to lists of homestead properties, the commissioner may ask the counties to furnish lists of all properties and the record owners. The Social Security numbers, individual tax identification numbers, and federal identification numbers that are maintained by a county or city assessor for property tax administration purposes, and that may appear on the lists retain their classification as private or nonpublic data; but may be viewed, accessed, and used by the county auditor or treasurer of the same county for the limited purpose of assisting the commissioner in the preparation of microdata samples under section 270C.12. The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

**EFFECTIVE DATE.** This section is effective retroactively for homestead applications filed in 2022 and thereafter.
Sec. 5. Minnesota Statutes 2020, section 273.124, subdivision 13d, is amended to read:

(1) the property identification number assigned to the parcel for purposes of taxes payable in the current year;

(2) the name and Social Security number or individual tax identification number of each occupant of homestead property who is the property owner or qualifying relative of a property owner, and the spouse of the property owner who occupies homestead property or spouse of a qualifying relative of a property owner who occupies homestead property;

(3) the classification of the property under section 273.13 for taxes payable in the current year and in the prior year;

(4) an indication of whether the property was classified as a homestead for taxes payable in the current year because of occupancy by a relative of the owner or by a spouse of a relative;

(5) the property taxes payable as defined in section 290A.03, subdivision 13, for the current year and the prior year;

(6) the market value of improvements to the property first assessed for tax purposes for taxes payable in the current year;

(7) the assessor’s estimated market value assigned to the property for taxes payable in the current year and the prior year;

(8) the taxable market value assigned to the property for taxes payable in the current year and the prior year;

(9) whether there are delinquent property taxes owing on the homestead;

(10) the unique taxing district in which the property is located; and

(11) such other information as the commissioner decides is necessary.

The commissioner shall use the information provided on the lists as appropriate under the law, including for the detection of improper claims by owners, or relatives of owners, under chapter 290A.

EFFECTIVE DATE. This section is effective retroactively for homestead applications filed in 2022 and thereafter.
Sec. 6. Minnesota Statutes 2021 Supplement, section 273.124, subdivision 14, is amended to read:

Subd. 14. Agricultural homesteads; special provisions. (a) Real estate of less than ten acres that is the homestead of its owner must be classified as class 2a under section 273.13, subdivision 23, paragraph (a), if:

(2) its owner also owns a noncontiguous parcel of agricultural land that is at least 20 acres;

(3) the noncontiguous land is located not farther than four townships or cities, or a combination of townships or cities from the homestead; and

(4) the agricultural use value of the noncontiguous land and farm buildings is equal to at least 50 percent of the market value of the house, garage, and one acre of land.

Homesteads initially classified as class 2a under the provisions of this paragraph shall remain classified as class 2a, irrespective of subsequent changes in the use of adjoining properties, as long as the homestead remains under the same ownership, the owner owns a noncontiguous parcel of agricultural land that is at least 20 acres, and the agricultural use value qualifies under clause (4). Homestead classification under this paragraph is limited to property that qualified under this paragraph for the 1998 assessment.

(b)(i) Agricultural property shall be classified as the owner's homestead, to the same extent as other agricultural homestead property, if all of the following criteria are met:

(1) the agricultural property consists of at least 40 acres including undivided government lots and correctional 40's;

(2) the owner, the owner's spouse, or a grandchild, child, sibling, or parent of the owner or of the owner's spouse, is actively farming the agricultural property, either on the person's own behalf as an individual or on behalf of a partnership operating a family farm, family farm corporation, joint family farm venture, or limited liability company of which the person is a partner, shareholder, or member;

(3) both the owner of the agricultural property and the person who is actively farming the agricultural property under clause (2), are Minnesota residents;
(4) neither the owner nor the spouse of the owner claims another agricultural homestead in Minnesota; and

(5) neither the owner nor the person actively farming the agricultural property lives farther than four townships or cities, or a combination of four townships or cities, from the agricultural property, except that if the owner or the owner's spouse is required to live in employer-provided housing, the owner or owner's spouse, whichever is actively farming the agricultural property, may live more than four townships or cities, or combination of four townships or cities from the agricultural property.

The relationship under this paragraph may be either by blood or marriage.

(ii) Property containing the residence of an owner who owns qualified property under clause (i) shall be classified as part of the owner's agricultural homestead, if that property is also used for noncommercial storage or drying of agricultural crops.

(iii) As used in this paragraph, "agricultural property" means class 2a property and any class 2b property that is contiguous to and under the same ownership as the class 2a property.

(c) Noncontiguous land shall be included as part of a homestead under section 273.13, subdivision 23, paragraph (a), only if the homestead is classified as class 2a and the detached land is located in the same township or city, or not farther than four townships or cities or combination thereof from the homestead. Any taxpayer of these noncontiguous lands must notify the county assessor that the noncontiguous land is part of the taxpayer's homestead, and, if the homestead is located in another county, the taxpayer must also notify the assessor of the other county.

(d) Agricultural land used for purposes of a homestead and actively farmed by a person holding a vested remainder interest in it must be classified as a homestead under section 273.13, subdivision 23, paragraph (a). If agricultural land is classified class 2a, any other dwellings on the land used for purposes of a homestead by persons holding vested remainder interests who are actively engaged in farming the property, and up to one acre of the land surrounding each homestead and reasonably necessary for the use of the dwelling as a home, must also be assessed class 2a.

(e) Agricultural land and buildings that were class 2a homestead property under section 273.13, subdivision 23, paragraph (a), for the 1997 assessment shall remain classified as agricultural homesteads for subsequent assessments if:

(1) the property owner abandoned the homestead dwelling located on the agricultural homestead as a result of the April 1997 floods;
(2) the property is located in the county of Polk, Clay, Kittson, Marshall, Norman, or Wilkin;

(3) the agricultural land and buildings remain under the same ownership for the current assessment year as existed for the 1997 assessment year and continue to be used for agricultural purposes;

(4) the dwelling occupied by the owner is located in Minnesota and is within 30 miles of one of the parcels of agricultural land that is owned by the taxpayer; and

(5) the owner notifies the county assessor that the relocation was due to the 1997 floods, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in dwelling. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

(f) Agricultural land and buildings that were class 2a homestead property under section 273.13, subdivision 23, paragraph (a), for the 1998 assessment shall remain classified agricultural homesteads for subsequent assessments if:

(1) the property owner abandoned the homestead dwelling located on the agricultural homestead as a result of damage caused by a March 29, 1998, tornado;

(2) the property is located in the county of Blue Earth, Brown, Cottonwood, LeSueur, Nicollet, Nobles, or Rice;

(3) the agricultural land and buildings remain under the same ownership for the current assessment year as existed for the 1998 assessment year;

(4) the dwelling occupied by the owner is located in this state and is within 50 miles of one of the parcels of agricultural land that is owned by the taxpayer; and

(5) the owner notifies the county assessor that the relocation was due to a March 29, 1998, tornado, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in homestead dwelling. For taxes payable in 1999, the owner must notify the assessor by December 1, 1998. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

(g) Agricultural property of a family farm corporation, joint family farm venture, family farm limited liability company, or partnership operating a family farm as described under subdivision 8 shall be classified homestead, to the same extent as other agricultural homestead property, if all of the following criteria are met:
(1) the property consists of at least 40 acres including undivided government lots and correctional 40's;

(2) a shareholder, member, or partner of that entity is actively farming the agricultural property;

(3) that shareholder, member, or partner who is actively farming the agricultural property is a Minnesota resident;

(4) neither that shareholder, member, or partner, nor the spouse of that shareholder, member, or partner claims another agricultural homestead in Minnesota; and

(5) that shareholder, member, or partner does not live farther than four townships or cities, or a combination of four townships or cities, from the agricultural property.

Homestead treatment applies under this paragraph even if:

(i) the shareholder, member, or partner of that entity is actively farming the agricultural property on the shareholder's, member's, or partner's own behalf; or

(ii) the family farm is operated by a family farm corporation, joint family farm venture, partnership, or limited liability company other than the family farm corporation, joint family farm venture, partnership, or limited liability company that owns the land, provided that:

(A) the shareholder, member, or partner of the family farm corporation, joint family farm venture, partnership, or limited liability company that owns the land who is actively farming the land is a shareholder, member, or partner of the family farm corporation, joint family farm venture, partnership, or limited liability company that is operating the farm; and

(B) more than half of the shareholders, members, or partners of each family farm corporation, joint family farm venture, partnership, or limited liability company are persons or spouses of persons who are a qualifying relative under section 273.124, subdivision 1, paragraphs (c) and (d).

Homestead treatment applies under this paragraph for property leased to a family farm corporation, joint farm venture, limited liability company, or partnership operating a family farm if legal title to the property is in the name of an individual who is a member, shareholder, or partner in the entity.

(h) To be eligible for the special agricultural homestead under this subdivision, an initial full application must be submitted to the county assessor where the property is located. Owners and the persons who are actively farming the property shall be required to complete
only a one-page abbreviated version of the application in each subsequent year provided
that none of the following items have changed since the initial application:

(1) the day-to-day operation, administration, and financial risks remain the same;

(2) the owners and the persons actively farming the property continue to live within the
four townships or city criteria and are Minnesota residents;

(3) the same operator of the agricultural property is listed with the Farm Service Agency;

(4) a Schedule F or equivalent income tax form was filed for the most recent year;

(5) the property's acreage is unchanged; and

(6) none of the property's acres have been enrolled in a federal or state farm program
since the initial application.

The owners and any persons who are actively farming the property must include the
appropriate Social Security numbers or individual tax identification numbers, and sign and
date the application. If any of the specified information has changed since the full application
was filed, the owner must notify the assessor, and must complete a new application to
determine if the property continues to qualify for the special agricultural homestead. The
commissioner of revenue shall prepare a standard reapplication form for use by the assessors.

(i) Agricultural land and buildings that were class 2a homestead property under section
273.13, subdivision 23, paragraph (a), for the 2007 assessment shall remain classified
agricultural homesteads for subsequent assessments if:

(1) the property owner abandoned the homestead dwelling located on the agricultural
homestead as a result of damage caused by the August 2007 floods;

(2) the property is located in the county of Dodge, Fillmore, Houston, Olmsted, Steele,
Wabasha, or Winona;

(3) the agricultural land and buildings remain under the same ownership for the current
assessment year as existed for the 2007 assessment year;

(4) the dwelling occupied by the owner is located in this state and is within 50 miles of
one of the parcels of agricultural land that is owned by the taxpayer; and

(5) the owner notifies the county assessor that the relocation was due to the August 2007
floods, and the owner furnishes the assessor any information deemed necessary by the
assessor in verifying the change in homestead dwelling. For taxes payable in 2009, the
owner must notify the assessor by December 1, 2008. Further notifications to the assessor
are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

(j) Agricultural land and buildings that were class 2a homestead property under section 273.13, subdivision 23, paragraph (a), for the 2008 assessment shall remain classified as agricultural homesteads for subsequent assessments if:

(1) the property owner abandoned the homestead dwelling located on the agricultural homestead as a result of the March 2009 floods;

(2) the property is located in the county of Marshall;

(3) the agricultural land and buildings remain under the same ownership for the current assessment year as existed for the 2008 assessment year and continue to be used for agricultural purposes;

(4) the dwelling occupied by the owner is located in Minnesota and is within 50 miles of one of the parcels of agricultural land that is owned by the taxpayer; and

(5) the owner notifies the county assessor that the relocation was due to the 2009 floods, and the owner furnishes the assessor any information deemed necessary by the assessor in verifying the change in dwelling. Further notifications to the assessor are not required if the property continues to meet all the requirements in this paragraph and any dwellings on the agricultural land remain uninhabited.

EFFECTIVE DATE. This section is effective retroactively for homestead applications filed in 2022 and thereafter.

Sec. 7. Minnesota Statutes 2020, section 273.1245, subdivision 1, is amended to read:

Subdivision 1. Private or nonpublic data. The following data are private or nonpublic data as defined in section 13.02, subdivisions 9 and 12, when they are submitted to a county or local assessor under section 273.124, 273.13, or another section, to support a claim for the property tax homestead classification under section 273.13, or other property tax classification or benefit:

(1) Social Security numbers;

(2) individual tax identification numbers;

(3) copies of state or federal income tax returns; and

(4) state or federal income tax return information, including the federal income tax schedule F.
EFFECTIVE DATE. This section is effective retroactively for homestead applications filed in 2022 and thereafter.

Sec. 8. Minnesota Statutes 2021 Supplement, section 273.13, subdivision 23, is amended to read:

Subd. 23. Class 2. (a) An agricultural homestead consists of class 2a agricultural land that is homesteaded, along with any class 2b rural vacant land that is contiguous to the class 2a land under the same ownership. The market value of the house and garage and immediately surrounding one acre of land has the same classification rates as class 1a or 1b property under subdivision 22. The value of the remaining land including improvements up to the first tier valuation limit of agricultural homestead property has a classification rate of 0.5 percent of market value. The remaining property over the first tier has a classification rate of one percent of market value. For purposes of this subdivision, the "first tier valuation limit of agricultural homestead property" and "first tier" means the limit certified under section 273.11, subdivision 23.

(b) Class 2a agricultural land consists of parcels of property, or portions thereof, that are agricultural land and buildings. Class 2a property has a classification rate of one percent of market value, unless it is part of an agricultural homestead under paragraph (a). Class 2a property must also include any property that would otherwise be classified as 2b, but is interspersed with class 2a property, including but not limited to sloughs, wooded wind shelters, acreage abutting ditches, ravines, rock piles, land subject to a setback requirement, and other similar land that is impractical for the assessor to value separately from the rest of the property or that is unlikely to be able to be sold separately from the rest of the property. An assessor may classify the part of a parcel described in this subdivision that is used for agricultural purposes as class 2a and the remainder in the class appropriate to its use.

(c) Class 2b rural vacant land consists of parcels of property, or portions thereof, that are unplatted real estate, rural in character and not used for agricultural purposes, including land used for growing trees for timber, lumber, and wood and wood products, that is not improved with a structure. The presence of a minor, ancillary nonresidential structure as defined by the commissioner of revenue does not disqualify the property from classification under this paragraph. Any parcel of 20 acres or more improved with a structure that is not a minor, ancillary nonresidential structure must be split-classified, and ten acres must be assigned to the split parcel containing the structure. If a parcel of 20 acres or more is enrolled in the sustainable forest management incentive program under chapter 290C, the number of acres assigned to the split parcel improved with a structure that is not a minor, ancillary
nonresidential structure must equal three acres or the number of acres excluded from the sustainable forest incentive act covenant due to the structure, whichever is greater. Class 2b property has a classification rate of one percent of market value unless it is part of an agricultural homestead under paragraph (a), or qualifies as class 2c under paragraph (d).

(d) Class 2c managed forest land consists of no less than 20 and no more than 1,920 acres statewide per taxpayer that is being managed under a forest management plan that meets the requirements of chapter 290C, but is not enrolled in the sustainable forest resource management incentive program. It has a classification rate of .65 percent, provided that the owner of the property must apply to the assessor in order for the property to initially qualify for the reduced rate and provide the information required by the assessor to verify that the property qualifies for the reduced rate. If the assessor receives the application and information before May 1 in an assessment year, the property qualifies beginning with that assessment year. If the assessor receives the application and information after April 30 in an assessment year, the property may not qualify until the next assessment year. The commissioner of natural resources must concur that the land is qualified. The commissioner of natural resources shall annually provide county assessors verification information on a timely basis. The presence of a minor, ancillary nonresidential structure as defined by the commissioner of revenue does not disqualify the property from classification under this paragraph.

(e) Agricultural land as used in this section means:

1) contiguous acreage of ten acres or more, used during the preceding year for agricultural purposes; or

2) contiguous acreage used during the preceding year for an intensive livestock or poultry confinement operation, provided that land used only for pasturing or grazing does not qualify under this clause.

"Agricultural purposes" as used in this section means the raising, cultivation, drying, or storage of agricultural products for sale, or the storage of machinery or equipment used in support of agricultural production by the same farm entity. For a property to be classified as agricultural based only on the drying or storage of agricultural products, the products being dried or stored must have been produced by the same farm entity as the entity operating the drying or storage facility. "Agricultural purposes" also includes (i) enrollment in a local conservation program or the Reinvest in Minnesota program under sections 103F.501 to 103F.535 or the federal Conservation Reserve Program as contained in Public Law 99-198 or a similar state or federal conservation program if the property was classified as agricultural (A) under this subdivision for taxes payable in 2003 because of its enrollment in a qualifying

Article 4 Sec. 8.
program and the land remains enrolled or (B) in the year prior to its enrollment, or (ii) use of land, not to exceed three acres, to provide environmental benefits such as buffer strips, old growth forest restoration or retention, or retention ponds to prevent soil erosion. For purposes of this section, a "local conservation program" means a program administered by a town, statutory or home rule charter city, or county, including a watershed district, water management organization, or soil and water conservation district, in which landowners voluntarily enroll land and receive incentive payments equal to at least $50 per acre in exchange for use or other restrictions placed on the land. In order for property to qualify under the local conservation program provision, a taxpayer must apply to the assessor by February 1 of the assessment year and must submit the information required by the assessor, including but not limited to a copy of the program requirements, the specific agreement between the land owner and the local agency, if applicable, and a map of the conservation area. Agricultural classification shall not be based upon the market value of any residential structures on the parcel or contiguous parcels under the same ownership.

"Contiguous acreage," for purposes of this paragraph, means all of, or a contiguous portion of, a tax parcel as described in section 272.193, or all of, or a contiguous portion of, a set of contiguous tax parcels under that section that are owned by the same person.

(f) Agricultural land under this section also includes:

1. contiguous acreage that is less than ten acres in size and exclusively used in the preceding year for raising or cultivating agricultural products; or

2. contiguous acreage that contains a residence and is less than 11 acres in size, if the contiguous acreage exclusive of the house, garage, and surrounding one acre of land was used in the preceding year for one or more of the following three uses:

   i. for an intensive grain drying or storage operation, or for intensive machinery or equipment storage activities used to support agricultural activities on other parcels of property operated by the same farming entity;

   ii. as a nursery, provided that only those acres used intensively to produce nursery stock are considered agricultural land; or

   iii. for intensive market farming; for purposes of this paragraph, "market farming" means the cultivation of one or more fruits or vegetables or production of animal or other agricultural products for sale to local markets by the farmer or an organization with which the farmer is affiliated.
"Contiguous acreage," for purposes of this paragraph, means all of a tax parcel as described in section 272.193, or all of a set of contiguous tax parcels under that section that are owned by the same person.

(g) Land shall be classified as agricultural even if all or a portion of the agricultural use of that property is the leasing to, or use by another person for agricultural purposes.

Classification under this subdivision is not determinative for qualifying under section 273.111.

(h) The property classification under this section supersedes, for property tax purposes only, any locally administered agricultural policies or land use restrictions that define minimum or maximum farm acreage.

(i) The term "agricultural products" as used in this subdivision includes production for sale of:

(1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing animals, horticultural and nursery stock, fruit of all kinds, vegetables, forage, grains, bees, and apiary products by the owner;

(2) aquacultural products for sale and consumption, as defined under section 17.47, if the aquaculture occurs on land zoned for agricultural use;

(3) the commercial boarding of horses, which may include related horse training and riding instruction, if the boarding is done on property that is also used for raising pasture to graze horses or raising or cultivating other agricultural products as defined in clause (1);

(4) property which is owned and operated by nonprofit organizations used for equestrian activities, excluding racing;

(5) game birds and waterfowl bred and raised (i) on a game farm licensed under section 97A.105, provided that the annual licensing report to the Department of Natural Resources, which must be submitted annually by March 30 to the assessor, indicates that at least 500 birds were raised or used for breeding stock on the property during the preceding year and that the owner provides a copy of the owner's most recent schedule F; or (ii) for use on a shooting preserve licensed under section 97A.115;

(6) insects primarily bred to be used as food for animals;

(7) trees, grown for sale as a crop, including short rotation woody crops, and not sold for timber, lumber, wood, or wood products;
(8) maple syrup taken from trees grown by a person licensed by the Minnesota Department of Agriculture under chapter 28A as a food processor; and

(9) hemp.

(j) If a parcel used for agricultural purposes is also used for commercial or industrial purposes, including but not limited to:

(1) wholesale and retail sales;

(2) processing of raw agricultural products or other goods;

(3) warehousing or storage of processed goods; and

(4) office facilities for the support of the activities enumerated in clauses (1), (2), and (3), the assessor shall classify the part of the parcel used for agricultural purposes as class 1b, 2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its use.

The grading, sorting, and packaging of raw agricultural products for first sale is considered an agricultural purpose. A greenhouse or other building where horticultural or nursery products are grown that is also used for the conduct of retail sales must be classified as agricultural if it is primarily used for the growing of horticultural or nursery products from seed, cuttings, or roots and occasionally as a showroom for the retail sale of those products.

Use of a greenhouse or building only for the display of already grown horticultural or nursery products does not qualify as an agricultural purpose.

(k) The assessor shall determine and list separately on the records the market value of the homestead dwelling and the one acre of land on which that dwelling is located. If any farm buildings or structures are located on this homesteaded acre of land, their market value shall not be included in this separate determination.

(l) Class 2d airport landing area consists of a landing area or public access area of a privately owned public use airport. It has a classification rate of one percent of market value.

To qualify for classification under this paragraph, a privately owned public use airport must be licensed as a public airport under section 360.018. For purposes of this paragraph, "landing area" means that part of a privately owned public use airport properly cleared, regularly maintained, and made available to the public for use by aircraft and includes runways, taxiways, aprons, and sites upon which are situated landing or navigational aids. A landing area also includes land underlying both the primary surface and the approach surfaces that comply with all of the following:
(i) the land is properly cleared and regularly maintained for the primary purposes of the
landing, taking off, and taxiing of aircraft; but that portion of the land that contains facilities
for servicing, repair, or maintenance of aircraft is not included as a landing area;

(ii) the land is part of the airport property; and

(iii) the land is not used for commercial or residential purposes.

The land contained in a landing area under this paragraph must be described and certified
by the commissioner of transportation. The certification is effective until it is modified, or
until the airport or landing area no longer meets the requirements of this paragraph. For
purposes of this paragraph, "public access area" means property used as an aircraft parking
ramp, apron, or storage hangar, or an arrival and departure building in connection with the
airport.

(m) Class 2e consists of land with a commercial aggregate deposit that is not actively
being mined and is not otherwise classified as class 2a or 2b, provided that the land is not
located in a county that has elected to opt-out of the aggregate preservation program as
provided in section 273.1115, subdivision 6. It has a classification rate of one percent of
market value. To qualify for classification under this paragraph, the property must be at
least ten contiguous acres in size and the owner of the property must record with the county
recorder of the county in which the property is located an affidavit containing:

(1) a legal description of the property;

(2) a disclosure that the property contains a commercial aggregate deposit that is not
actively being mined but is present on the entire parcel enrolled;

(3) documentation that the conditional use under the county or local zoning ordinance
of this property is for mining; and

(4) documentation that a permit has been issued by the local unit of government or the
mining activity is allowed under local ordinance. The disclosure must include a statement
from a registered professional geologist, engineer, or soil scientist delineating the deposit
and certifying that it is a commercial aggregate deposit.

For purposes of this section and section 273.1115, "commercial aggregate deposit"
means a deposit that will yield crushed stone or sand and gravel that is suitable for use as
a construction aggregate; and "actively mined" means the removal of top soil and overburden
in preparation for excavation or excavation of a commercial deposit.

(n) When any portion of the property under this subdivision or subdivision 22 begins to
be actively mined, the owner must file a supplemental affidavit within 60 days from the
day any aggregate is removed stating the number of acres of the property that is actively
being mined. The acres actively being mined must be (1) valued and classified under
subdivision 24 in the next subsequent assessment year, and (2) removed from the aggregate
resource preservation property tax program under section 273.1115, if the land was enrolled
in that program. Copies of the original affidavit and all supplemental affidavits must be
filed with the county assessor, the local zoning administrator, and the Department of Natural
Resources, Division of Land and Minerals. A supplemental affidavit must be filed each
time a subsequent portion of the property is actively mined, provided that the minimum
acreage change is five acres, even if the actual mining activity constitutes less than five
acres.

(o) The definitions prescribed by the commissioner under paragraphs (c) and (d) are not
rules and are exempt from the rulemaking provisions of chapter 14, and the provisions in
section 14.386 concerning exempt rules do not apply.

EFFECTIVE DATE. This section is effective for assessment year 2023 and thereafter.

Sec. 9. Minnesota Statutes 2020, section 273.1315, subdivision 2, is amended to read:

Subd. 2. Class 1b homestead declaration 2009 and thereafter. (a) Any property owner
seeking classification and assessment of the owner's homestead as class 1b property pursuant
to section 273.13, subdivision 22, paragraph (b), after October 1, 2008, shall file with the
county assessor a class 1b homestead declaration, on a form prescribed by the commissioner
of revenue. The declaration must contain the following information:

(1) the information necessary to verify that, on or before June 30 of the filing year, the
property owner or the owner's spouse satisfies the requirements of section 273.13, subdivision
22, paragraph (b), for class 1b classification; and

(2) any additional information prescribed by the commissioner.

(b) The declaration must be filed on or before October 1 to be effective for property
taxes payable during the succeeding calendar year. The Social Security numbers, individual
tax identification numbers, and income and medical information received from the property
owner pursuant to this subdivision are private data on individuals as defined in section
13.02. If approved by the assessor, the declaration remains in effect until the property no
longer qualifies under section 273.13, subdivision 22, paragraph (b). Failure to notify the
assessor within 30 days that the property no longer qualifies under that paragraph because
of a sale, change in occupancy, or change in the status or condition of an occupant shall
result in the penalty provided in section 273.124, subdivision 13b, computed on the basis
of the class 1b benefits for the property, and the property shall lose its current class 1b
classification.

**EFFECTIVE DATE.** This section is effective retroactively for homestead applications
filed in 2022 and thereafter.

Sec. 10. Minnesota Statutes 2020, section 290B.03, subdivision 1, is amended to read:

Subdivision 1. **Program qualifications.** The qualifications for the senior citizens'
property tax deferral program are as follows:

1. the property must be owned and occupied as a homestead by a person 65 years of
   age or older. In the case of a married couple, at least one of the spouses must be at least 65
   years old at the time the first property tax deferral is granted, regardless of whether the
   property is titled in the name of one spouse or both spouses, or titled in another way that
   permits the property to have homestead status, and the other spouse must be at least 62 years
   of age;

2. the total household income of the qualifying homeowners, as defined in section
   290A.03, subdivision 5, for the calendar year preceding the year of the initial application
   may not exceed $60,000; $75,000;

3. the homestead must have been owned and occupied as the homestead of at least one
   of the qualifying homeowners for at least 15 years prior to the year the initial application
   is filed;

4. there are no state or federal tax liens or judgment liens on the homesteaded property;

5. there are no mortgages or other liens on the property that secure future advances,
   except for those subject to credit limits that result in compliance with clause (6); and

6. the total unpaid balances of debts secured by mortgages and other liens on the
   property, including unpaid and delinquent special assessments and interest and any delinquent
   property taxes, penalties, and interest, but not including property taxes payable during the
   year or debts secured by a residential PACE lien, as defined in section 216C.435, subdivision
   10d, does not exceed 75 percent of the assessor's estimated market value for the year.

**EFFECTIVE DATE.** This section is effective for applications received for deferral of
taxes payable in 2023 and thereafter.
Sec. 11. Minnesota Statutes 2020, section 290B.04, subdivision 3, is amended to read:

Subd. 3. Excess-income certification by taxpayer. A taxpayer whose initial application has been approved under subdivision 2 shall notify the commissioner of revenue in writing by July 1 if the taxpayer's household income for the preceding calendar year exceeded $60,000 $75,000. The certification must state the homeowner's total household income for the previous calendar year. No property taxes may be deferred under this chapter in any year following the year in which a program participant filed or should have filed an excess-income certification under this subdivision, unless the participant has filed a resumption of eligibility certification as described in subdivision 4.

EFFECTIVE DATE. This section is effective for applications received for deferral of taxes payable in 2023 and thereafter.

Sec. 12. Minnesota Statutes 2020, section 290B.04, subdivision 4, is amended to read:

Subd. 4. Resumption of eligibility certification by taxpayer. A taxpayer who has previously filed an excess-income certification under subdivision 3 may resume program participation if the taxpayer's household income for a subsequent year is $60,000 $75,000 or less. If the taxpayer chooses to resume program participation, the taxpayer must notify the commissioner of revenue in writing by July 1 of the year following a calendar year in which the taxpayer's household income is $60,000 $75,000 or less. The certification must state the taxpayer's total household income for the previous calendar year. Once a taxpayer resumes participation in the program under this subdivision, participation will continue until the taxpayer files a subsequent excess-income certification under subdivision 3 or until participation is terminated under section 290B.08, subdivision 1.

EFFECTIVE DATE. This section is effective for applications received for deferral of taxes payable in 2023 and thereafter.

Sec. 13. Minnesota Statutes 2020, section 290B.05, subdivision 1, is amended to read:

Subdivision 1. Determination by commissioner. The commissioner shall determine each qualifying homeowner's "annual maximum property tax amount" following approval of the homeowner's initial application and following the receipt of a resumption of eligibility certification. The "annual maximum property tax amount" equals three percent of the homeowner's total household income for the year preceding either the initial application or the resumption of eligibility certification, whichever is applicable. Following approval of the initial application, the commissioner shall determine the qualifying homeowner's "maximum allowable deferral." No tax may be deferred relative to the appropriate assessment...
year for any homeowner whose total household income for the previous year exceeds $60,000. No tax shall be deferred in any year in which the homeowner does not meet the program qualifications in section 290B.03. The recovery must be made within the period of limitation for assessing additional tax for 2020 for the person who was paid the direct payment. The assessment may be made on the same order of assessment that adjusts the income tax liability of the direct payment recipient. If a direct payment check or warrant is cashed by someone other than the payee or payees of the check or warrant, and the commissioner of revenue determines that the check has been forged or improperly endorsed, the commissioner may recover the amount of the check or warrant from the endorsee or forger. The recovery may be made using the same procedures used in assessing additional tax under Minnesota Statutes, section 270C.33. The recovery may be made using the same procedures used in assessing additional tax under Minnesota Statutes, section 270C.33. The assessment must be made within two years after the last unauthorized withdrawal.
