NINETIETH SESSION

03/15/2018 Authored by Baker, Franke and Anselmo The bill was read for the first time and referred to the Committee on Health and Human Services Reform Adoption of Report: Re-referred to the Committee on Health and Human Services Finance 03/26/2018

1.1	A bill for an act
1.2 1.3 1.4 1.5 1.6	relating to health; establishing a grant program to support implementation of electronic prescribing for controlled substances; authorizing the commissioner of health to provide technical assistance and education regarding electronic prescribing; amending Minnesota Statutes 2016, section 62J.497, by adding subdivisions.
1.7	BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:
1.8 1.9	Section 1. Minnesota Statutes 2016, section 62J.497, is amended by adding a subdivision to read:
1.10	Subd. 6. Grant program to support implementation and use of e-prescribing for
1.11	controlled substances. (a) The commissioner of health shall award grants to organizations
1.12	or collaboratives for services to support the implementation and use by prescribers and
1.13	dispensers of e-prescribing, in compliance with subdivisions 2 and 3 and applicable federal
1.14	requirements, for controlled substances. For the purposes of this subdivision, "controlled
1.15	substance" means a substance listed in section 152.02, subdivision 3, 4, 5, or 6.
1.16 1.17	(b) To receive a grant under this subdivision, the organization or collaborative must submit an application to the commissioner of health, in a manner and according to timelines
1.18	established by the commissioner. The commissioner shall review each application to
1.19	determine whether the application is complete and whether the applicant is eligible for a
1.20	grant. The commissioner shall determine the number of grants awarded and the size of each
1.21	grant based on need and estimated costs.
1.22	(c) In evaluating applications, the commissioner shall take into consideration:
1.23	(1) the degree to which the applicant proposes to address unmet needs of prescribers or
1.24	dispensers related to e-prescribing of controlled substances;
