Subd. 7. **Grant of license; license extension.** (a) If the commissioner determines that the program complies with all applicable rules and laws, the commissioner shall issue a license. At minimum, the license shall state:

(1) the name of the license holder;

(2) the address of the program;

(3) the effective date and expiration date of the license;

(4) the type of license;

(5) the maximum number and ages of persons that may receive services from the program; and

7.1 (6) any special conditions of licensure.

7.2 (b) The commissioner may issue an initial license for a period not to exceed two years
7.3 if:

7.4 (1) the commissioner is unable to conduct the evaluation or observation required by
7.5 subdivision 4, paragraph (a), clauses (3) and (4), because the program is not yet operational;

7.6 (2) certain records and documents are not available because persons are not yet receiving
7.7 services from the program; and

7.8 (3) the applicant complies with applicable laws and rules in all other respects.

7.9 (c) A decision by the commissioner to issue a license does not guarantee that any person
7.10 or persons will be placed or cared for in the licensed program. A license shall not be
7.11 transferable to another individual, corporation, partnership, voluntary association, other
7.12 organization, or controlling individual or to another location-, unless:

7.13 (1) the license or certification is for mental health centers or clinics under section 245.69,
7.14 residential programs under section 256B.0622 or 256B.0624, or substance use disorder
7.15 treatment programs under chapter 245G;

7.16 (2) the transfer is being made to a provider entity that is incorporated as a Minnesota
7.17 nonprofit corporation under chapter 317A; and

7.18 (3) the transfer is being made to a provider entity that currently holds at least one license
7.19 or certification that is the same type as the license or certification being transferred.

7.20 (d) A license holder must notify the commissioner and obtain the commissioner's approval
7.21 before making any changes that would alter the license information listed under paragraph
7.22 (a).

7.23 (e) Except as provided in paragraphs (g) and (h), the commissioner shall not issue or
7.24 reissue a license if the applicant, license holder, or controlling individual has:

7.25 (1) been disqualified and the disqualification was not set aside and no variance has been
7.26 granted;

7.27 (2) been denied a license within the past two years;

7.28 (3) had a license revoked within the past five years;

7.29 (4) an outstanding debt related to a license fee, licensing fine, or settlement agreement

8.3 When a license is revoked under clause (1) or (3), the license holder and controlling
8.4 individual may not hold any license under chapter 245A or 245D for five years following
8.5 the revocation, and other licenses held by the applicant, license holder, or controlling
8.6 individual shall also be revoked.

8.7 (f) The commissioner shall not issue or reissue a license if an individual living in the
8.8 household where the licensed services will be provided as specified under section 245C.03,
8.9 subdivision 1, has been disqualified and the disqualification has not been set aside and no
8.10 variance has been granted.

8.11 (g) Pursuant to section 245A.07, subdivision 1, paragraph (b), when a license has been
8.12 suspended or revoked and the suspension or revocation is under appeal, the program may
8.13 continue to operate pending a final order from the commissioner. If the license under
8.14 suspension or revocation will expire before a final order is issued, a temporary provisional
8.15 license may be issued provided any applicable license fee is paid before the temporary
8.16 provisional license is issued.

8.17 (h) Notwithstanding paragraph (g), when a revocation is based on the disqualification
8.18 of a controlling individual or license holder, and the controlling individual or license holder
8.19 is ordered under section 245C.17 to be immediately removed from direct contact with
8.20 persons receiving services or is ordered to be under continuous, direct supervision when
8.21 providing direct contact services, the program may continue to operate only if the program
8.22 complies with the order and submits documentation demonstrating compliance with the
8.23 order. If the disqualified individual fails to submit a timely request for reconsideration, or
8.24 if the disqualification is not set aside and no variance is granted, the order to immediately
8.25 remove the individual from direct contact or to be under continuous, direct supervision
8.26 remains in effect pending the outcome of a hearing and final order from the commissioner.

8.27 (i) For purposes of reimbursement for meals only, under the Child and Adult Care Food
8.28 Program, Code of Federal Regulations, title 7, subtitle B, chapter II, subchapter A, part 226,
8.29 relocation within the same county by a licensed family day care provider, shall be considered
8.30 an extension of the license for a period of no more than 30 calendar days or until the new
8.31 license is issued, whichever occurs first, provided the county agency has determined the
8.32 family day care provider meets licensure requirements at the new location.

8.33 (j) Unless otherwise specified by statute, all licenses expire at 12:01 a.m. on the day
8.34 after the expiration date stated on the license. A license holder must apply for and be granted

9.1 a new license to operate the program or the program must not be operated after the expiration
9.2 date.

9.3 (k) The commissioner shall not issue or reissue a license if it has been determined that
9.4 a tribal licensing authority has established jurisdiction to license the program or service.

9.5 Sec. 3. Minnesota Statutes 2017 Supplement, section 245G.03, is amended by adding a
9.6 subdivision to read:

9.8 Rules, parts 9530.6800 to 9530.6810, is not applicable to programs licensed under this
9.9 chapter. However, the commissioner may deny issuance of a license to an applicant if the
9.10 commissioner determines that the services currently available in the local area are sufficient
9.11 to meet local need and that the addition of new services would be detrimental to individuals
9.12 seeking these services.

9.26 be appropriate is eligible for the transition to community initiative upon the commissioner's
9.27 approval.

9.28 Subd. 2. **Transition grants.** The commissioner shall make available ~~home and~~
9.29 ~~community-based services~~ transition to community initiative grants to serve individuals
