2.31 tribal child care services. ~~Funding to support services under section 119B.03 may be~~
2.32 ~~transferred to the federally recognized Indian tribe with a reservation in Minnesota from~~
2.33 ~~allocations available to counties in which reservation boundaries lie. When funding is~~

 5.32 payments to a county until the county has an approved plan. Counties are to maintain services
 5.33 despite any ~~reduction in their allocation~~ withholding of administrative payments due to
 5.34 plans not being approved.

Subd. 20a. **Transition year extension families.** "Transition year extension families" means families who have completed their transition year of child care assistance under this subdivision and who are eligible for, but on a waiting list for, services under section 119B.03. For purposes of sections 119B.03, subdivision 3, and 119B.05, subdivision 1, clause (2), families participating in extended transition year shall not be considered transition year families. Notwithstanding Minnesota Rules, parts 3400.0040, subpart 10, and 3400.0090, subpart 2, transition year extension child care may be used to support employment, approved education or training programs, or a job search that meets the requirements of section 119B.10 for the length of time necessary for families to be moved from the basic sliding fee waiting list into the basic sliding fee program.

119B.03 BASIC SLIDING FEE PROGRAM.

Subdivision 1. **Notice of allocation.** By October 1 of each year, the commissioner shall notify all counties of their final child care fund program allocation.

Subd. 2. **Waiting list.** Each county that receives funds under this section must keep a written record and report to the commissioner the number of eligible families who have applied for a child care subsidy or have requested child care assistance. Counties shall perform a preliminary determination of eligibility when a family requests child care assistance. At a minimum, a county must make a preliminary determination of eligibility based on family size, income, and authorized activity. A family seeking child care assistance must provide the required information to the county. A family that appears to be eligible must be put on a waiting list if funds are not immediately available. The waiting list must identify students in need of child care. Counties must review and update their waiting list at least every six months.

Subd. 4. **Funding priority.** (a) First priority for child care assistance under the basic sliding fee program must be given to eligible non-MFIP families who do not have a high school diploma or commissioner of education-selected high school equivalency certification or who need remedial and basic skill courses in order to pursue employment or to pursue education leading to employment and who need child care assistance to participate in the education program. This includes student parents as defined under section 119B.011, subdivision 19b. Within this priority, the following subpriorities must be used:

- (1) child care needs of minor parents;
- (2) child care needs of parents under 21 years of age; and
- (3) child care needs of other parents within the priority group described in this paragraph.

(b) Second priority must be given to parents who have completed their MFIP or DWP transition year, or parents who are no longer receiving or eligible for diversionary work program supports.

(c) Third priority must be given to families who are eligible for portable basic sliding fee assistance through the portability pool under subdivision 9.

(d) Fourth priority must be given to families in which at least one parent is a veteran as defined under section 197.447.

(e) Families under paragraph (b) must be added to the basic sliding fee waiting list on the date they begin the transition year under section 119B.011, subdivision 20, and must be moved into the basic sliding fee program as soon as possible after they complete their transition year.

Subd. 5. **Review of use of funds; reallocation.** (a) After each quarter, the commissioner shall review the use of basic sliding fee program allocations by county. The commissioner may reallocate unexpended or unencumbered money among those counties who have expended their full allocation or may allow a county to expend up to ten percent of its allocation in the subsequent allocation period.

(b) Any unexpended state and federal appropriations from the first year of the biennium may be carried forward to the second year of the biennium.

Subd. 6. **Allocation formula.** The basic sliding fee state and federal funds shall be allocated on a calendar year basis. Funds shall be allocated first in amounts equal to each county's guaranteed floor according to subdivision 8, with any remaining available funds allocated according to the following formula:

APPENDIX
Repealed Minnesota Statutes: HF3897-0

(a) One-fourth of the funds shall be allocated in proportion to each county's total expenditures for the basic sliding fee child care program reported during the most recent fiscal year completed at the time of the notice of allocation.

(b) Up to one-fourth of the funds shall be allocated in proportion to the number of families participating in the transition year child care program as reported during and averaged over the most recent six months completed at the time of the notice of allocation. Funds in excess of the amount necessary to serve all families in this category shall be allocated according to paragraph (f).

(c) Up to one-fourth of the funds shall be allocated in proportion to the average of each county's most recent six months of reported first, second, and third priority waiting list as defined in subdivision 2 and the reinstatement list of those families whose assistance was terminated with the approval of the commissioner under Minnesota Rules, part 3400.0183, subpart 1. Funds in excess of the amount necessary to serve all families in this category shall be allocated according to paragraph (f).

(d) Up to one-fourth of the funds shall be allocated in proportion to the average of each county's most recent six months of reported waiting list as defined in subdivision 2 and the reinstatement list of those families whose assistance was terminated with the approval of the commissioner under Minnesota Rules, part 3400.0183, subpart 1. Funds in excess of the amount necessary to serve all families in this category shall be allocated according to paragraph (f).

(e) The amount necessary to serve all families in paragraphs (b), (c), and (d) shall be calculated based on the basic sliding fee average cost of care per family in the county with the highest cost in the most recently completed calendar year.

(f) Funds in excess of the amount necessary to serve all families in paragraphs (b), (c), and (d) shall be allocated in proportion to each county's total expenditures for the basic sliding fee child care program reported during the most recent fiscal year completed at the time of the notice of allocation.

Subd. 6a. Allocation due to increased funding. When funding increases are implemented within a calendar year, every county must receive an allocation at least equal to its original allocation for the same time period. The remainder of the allocation must be recalculated to reflect the funding increase, according to formulas identified in subdivision 6.

Subd. 6b. Allocation due to decreased funding. When funding decreases are implemented within a calendar year, county allocations must be reduced in an amount proportionate to the reduction in the total allocation for the same time period. This applies when a funding decrease necessitates the revision of an existing calendar year allocation.

Subd. 8. Guaranteed floor. (a) Beginning January 1, 1996, each county's guaranteed floor shall equal 90 percent of the allocation received in the preceding calendar year. For the period January 1, 1999, to December 31, 1999, each county's guaranteed floor must be equal to its original calendar year 1998 allocation or its actual earnings for calendar year 1998, whichever is less.

(b) When the amount of funds available for allocation is less than the amount available in the previous year, each county's previous year allocation shall be reduced in proportion to the reduction in the statewide funding, for the purpose of establishing the guaranteed floor.

119B.09 FINANCIAL ELIGIBILITY.

Subd. 3. Priorities; allocations. If a county projects that its child care allocation is insufficient to meet the needs of all eligible families, it may prioritize among the families that remain to be served after the county has complied with the priority requirements of section 119B.03. Counties that have established a priority for families who are not MFIP participants beyond those established under section 119B.03 must submit the policy in the annual child care fund plan.

3400.0020 DEFINITIONS.

Subp. 8. **Allocation.** "Allocation" means the share of the total state appropriation of child care funds that a county may earn and be reimbursed for in an allocation period. A county's allocation may be raised or lowered during the allocation period when the commissioner redistributes unexpended or unencumbered allocations or when additional funds become available.

3400.0030 NOTICE OF BASIC SLIDING FEE PROGRAM ALLOCATION.

By July 1 of each year, the commissioner shall notify all county and human services boards of their allocation under the basic sliding fee program, including the amount available for payment of administrative expenses.

3400.0060 BASIC SLIDING FEE PROGRAM.

Subp. 2. **Basic sliding fee allocation.** The commissioner shall allocate child care funds for the basic sliding fee program as provided in Minnesota Statutes, section 119B.03, subdivisions 6 to 9.

3400.0060 BASIC SLIDING FEE PROGRAM.

Subp. 4. **Reallocation of unexpended or unencumbered funds.** The commissioner shall reallocate unexpended or unencumbered funds according to items A to D.

A. The commissioner may reallocate unexpended or unencumbered funds following the first, second, and third quarters of the allocation period as provided in Minnesota Statutes, section 119B.03, subdivision 5. Following the fourth quarter of the allocation period, the commissioner shall review county expenditures under the basic sliding fee program and shall reallocate unearned allocations to counties that had direct service earnings in excess of their allocation.

B. The amount reallocated to any county shall be based on direct service earnings in excess of its allocation. The amount reallocated shall not be greater than the direct service earnings in excess of allocation minus the county's fixed local match to be calculated as specified in Minnesota Statutes, section 119B.11, subdivision 1.

C. If the amount of funds available for reallocation is less than total county direct service earnings in excess of allocations, the reallocated funds shall be prorated to each county based on the ratio of the county's direct service earnings in excess of its allocation to the total of all county direct service earnings in excess of their allocation.

D. If the amount of funds available for reallocation is greater than total county direct service earnings in excess of allocations under the basic sliding fee program, the funds remaining after the basic sliding fee reallocation shall be carried forward and added to the funds available for allocation in the next allocation period.

3400.0060 BASIC SLIDING FEE PROGRAM.

Subp. 6. **Basic sliding fee program waiting lists.** Counties must keep a written record of families who have requested child care assistance. When a family requests information about child care assistance, the county shall perform a preliminary determination of eligibility. If it appears that a family is or will be eligible for child care assistance and funds are not immediately available, the family shall be placed on a child care waiting list. The county must determine the highest priority group for which a family qualifies and must notify the family of this determination.

Families who inquire or apply while they are temporarily ineligible shall be placed on the waiting list if it appears they will be eligible for child care assistance. When a family advances to the top of the county's waiting list and is temporarily ineligible for child care assistance, the county shall leave the family at the top of the list according to priority group and serve the applicant who is next on the waiting list unless a different procedure is provided in the county's child care fund plan.

3400.0060 BASIC SLIDING FEE PROGRAM.

Subp. 6a. **Transfer of families from waiting list to basic sliding fee program.** Families on the basic sliding fee waiting list shall be moved into the basic sliding fee program as funding permits according to the priorities listed in Minnesota Statutes, section 119B.03. After the county has complied with the priority requirement in section 119B.03, the county must comply with any priority

requirements adopted under part 3400.0140, subpart 10, to move families on the waiting list into the basic sliding fee program.

3400.0060 BASIC SLIDING FEE PROGRAM.

Subp. 7. Waiting list; transfer of transition year families to the basic sliding fee program.

A. The county shall place transition year families on the county's basic sliding fee program waiting list effective on the date the family became eligible for transition year child care assistance.

B. If a transition year family moves to a new county, the date the family was placed on the basic sliding fee waiting list in the original county shall transfer with the family.

C. Families who are eligible for, but do not use, transition year child care assistance retain their priority status for the basic sliding fee program. Families lose their priority status at the conclusion of their transition year.

D. The county shall manage its basic sliding fee allocation in a way that allows families to move from transition year to the basic sliding fee program without any interruption in services. The county shall not serve families who are a lower priority on the basic sliding fee waiting list than a transition year family unless the county can ensure basic sliding fee program funding for the transition year family at the end of the transition year.

E. When the transition year ends, the county shall move the transition year family into the basic sliding fee program. A transition year family that does not come to the top of the county's basic sliding fee program waiting list before completion of the transition year shall be moved into the basic sliding fee program as funding becomes available according to the priority under Minnesota Statutes, section 119B.03, subdivision 4. Transition year extension child care may be used to support employment or a job search that meets the requirements of Minnesota Statutes, section 119B.10, for the time necessary for the family to be moved from the basic sliding fee waiting list into the basic sliding fee program.

3400.0140 COUNTY RESPONSIBILITIES.

Subp. 10. Eligibility priorities for beginning assistance. If a county's basic sliding fee program allocation for child care is insufficient to fund all applications for child care assistance, the county may prioritize eligibility among the groups that remain to be served after the county has complied with the priority requirements set forth in Minnesota Statutes, section 119B.03, subdivision 4. The county shall include its rationale for the prioritization of eligibility for beginning assistance in its biennial child care fund plan. To the extent of available allocations, no eligible family may be excluded from receiving child care assistance.

3400.0183 TERMINATION OF CHILD CARE ASSISTANCE.

Subpart 1. Conditions for termination of child care assistance.

A. A county may terminate child care assistance for families already receiving assistance when the county receives: (1) a revised allocation from the child care fund that is smaller than the allocation stated in the notice sent to the county under part 3400.0030; and (2) such short notice of a change in its allocation that the county could not have absorbed the difference in the allocation. The county must consult with and obtain approval from the commissioner before terminating assistance under this subpart.

B. If the conditions described in this subpart occur, the county may terminate assistance to families in the order of last on, first off. When funds become available, counties must reinstate families that remain eligible for child care assistance and whose child care assistance was terminated due to insufficient funds before the county accepts new applications. Those families whose child care assistance was most recently terminated due to insufficient funds shall be reinstated first.
