1.14 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.15 Section 1. **[144.6502] ELECTRONIC MONITORING IN HEALTH CARE**  
1.16 **FACILITIES.**

1.17 Subdivision 1. **Definitions.** (a) For the purposes of this section, the terms defined in this  
1.18 subdivision have the meanings given.

1.19 (b) "Commissioner" means the commissioner of health.

1.20 (c) "Electronic monitoring device" means a surveillance instrument with a fixed position  
1.21 video camera or an audio recording device that is installed in a resident's room or private  
1.22 living space and broadcasts or records activity or sounds occurring in the room or private  
1.23 living space.

1.24 (d) "Facility" means a facility that is licensed as a nursing home under chapter 144A or  
1.25 as a boarding care home under sections 144.50 to 144.56, or registered as a housing with  
1.26 services establishment under chapter 144D that is also subject to chapter 144G.

2.1 (e) "Legal representative" means a court-appointed guardian or other person with legal  
2.2 authority to make decisions about health care services for the resident, including an individual  
2.3 who is an interested person, as defined in section 626.5572, subdivision 12a.

2.4 (f) "Resident" means a person 18 years of age or older residing in a facility.

2.5 Subd. 2. **Electronic monitoring authorized.** (a) A facility must allow a resident or a  
2.6 resident's legal representative to conduct electronic monitoring of the resident's room or  
2.7 private living space as provided in this section.

2.8 (b) Nothing in this section allows the use of an electronic monitoring device to take still  
2.9 photographs or for the nonconsensual interception of private communications.

2.10 Subd. 3. **Consent to electronic monitoring.** (a) Except as otherwise provided in this  
2.11 subdivision, a resident must consent in writing on a notification and consent form prescribed  
2.12 by the commissioner to electronic monitoring in the resident's room or private living space.  
2.13 If the resident has not affirmatively objected to electronic monitoring and the resident's  
2.14 physician determines that the resident lacks the ability to understand and appreciate the  
2.15 nature and consequences of electronic monitoring, the resident's legal representative may  
2.16 consent on behalf of the resident. For purposes of this subdivision, a resident affirmatively  
2.17 objects when the resident orally, visually, or through the use of auxiliary aids or services  
2.18 declines electronic monitoring. The resident's response must be documented on the  
2.19 notification and consent form.

2.20 (b) Prior to a resident's legal representative consenting on behalf of a resident, the resident  
2.21 must be asked by the resident's legal representative if the resident wants electronic monitoring  
2.22 to be conducted. The resident's legal representative must explain to the resident:

2.23 (1) the type of electronic monitoring device to be used;

2.24 (2) the standard conditions that may be placed on the electronic monitoring device's use,  
2.25 including those listed in subdivision 5;

2.26 (3) with whom the recording may be shared under this section; and

2.27 (4) the resident's ability to decline all recording.

2.28 (c) A resident or roommate may consent to electronic monitoring with any conditions  
2.29 of the resident's or roommate's choosing, including the list of standard conditions provided  
2.30 in subdivision 5. A resident or roommate may request that the electronic monitoring device  
2.31 be turned off or the visual or audio recording component of the electronic monitoring device  
2.32 be blocked at any time.

3.1 (d) Prior to implementing electronic monitoring, a resident must obtain the written  
3.2 consent of any other resident residing in the room or private living space on the notification  
3.3 and consent form prescribed by the commissioner. Except as otherwise provided in this  
3.4 subdivision, a roommate must consent in writing to electronic monitoring in the resident's  
3.5 room or private living space. If the roommate has not affirmatively objected to the electronic  
3.6 monitoring in accordance with this subdivision and the roommate's physician determines  
3.7 that the roommate lacks the ability to understand and appreciate the nature and consequences  
3.8 of electronic monitoring, the roommate's legal representative may consent on behalf of the  
3.9 roommate.

3.10 (e) Any resident conducting electronic monitoring must obtain consent from any new  
3.11 roommate before the resident may resume authorized electronic monitoring. If a new  
3.12 roommate does not consent to electronic monitoring and the resident conducting the electronic  
3.13 monitoring does not remove or disable the electronic monitoring device, the facility must  
3.14 remove the electronic monitoring device.

3.15 **Subd. 4. Withdrawal of consent; refusal of roommate to consent.** (a) Consent may  
3.16 be withdrawn by the resident or roommate at any time and the withdrawal of consent must  
3.17 be documented in the resident's clinical record. If a roommate withdraws consent and the  
3.18 resident conducting the electronic monitoring does not remove or disable the electronic  
3.19 monitoring device, the facility must remove the electronic monitoring device.

3.20 (b) If a resident of a nursing home or boarding care home who is residing in a shared  
3.21 room wants to conduct electronic monitoring and another resident living in or moving into  
3.22 the same shared room refuses to consent to the use of an electronic monitoring device, the  
3.23 facility shall make a reasonable attempt to accommodate the resident who wants to conduct  
3.24 electronic monitoring. A nursing home or boarding care home has met the requirement to  
3.25 make a reasonable attempt to accommodate a resident who wants to conduct electronic  
3.26 monitoring when upon notification that a roommate has not consented to the use of an  
3.27 electronic monitoring device in the resident's room, the nursing home or boarding care home  
3.28 offers to move either resident to another shared room that is available at the time of the  
3.29 request. If a resident chooses to reside in a private room in a nursing home or boarding care  
3.30 home in order to accommodate the use of an electronic monitoring device, the resident must  
3.31 pay the private room rate. If a nursing home or boarding care home is unable to accommodate  
3.32 a resident due to lack of space, the nursing home or boarding care home must reevaluate  
3.33 the request every two weeks until the request is fulfilled. A nursing home or boarding care  
3.34 home is not required to provide a private room or a single-bed room to a resident who is  
3.35 not a private-pay resident.

4.1 Subd. 5. Notice to the facility; form requirements. (a) Electronic monitoring may  
4.2 begin only after the resident who intends to install an electronic monitoring device completes  
4.3 a notification and consent form prescribed by the commissioner and submits the form to  
4.4 the facility.

4.5 (b) The notification and consent form must include, at a minimum, the following  
4.6 information:

4.7 (1) the resident's signed consent to electronic monitoring or the signature of the resident's  
4.8 legal representative, if applicable. If a person other than the resident signs the consent form,  
4.9 the form must document the following:

4.10 (i) the date the resident was asked if the resident wants electronic monitoring to be  
4.11 conducted;

4.12 (ii) who was present when the resident was asked; and

4.13 (iii) an acknowledgment that the resident did not affirmatively object;

4.14 (2) the resident's roommate's signed consent or the signature of the roommate's legal  
4.15 representative, if applicable. If a roommate's legal representative signs the consent form,  
4.16 the form must document the following:

4.17 (i) the date the roommate was asked if the roommate consents to electronic monitoring;

4.18 (ii) who was present when the roommate was asked; and

4.19 (iii) an acknowledgment that the roommate did not affirmatively object;

4.20 (3) the type of electronic monitoring device to be used;

4.21 (4) any installation needs, such as mounting of a device to a wall or ceiling;

4.22 (5) the proposed date of installation for scheduling purposes;

4.23 (6) a list of standard conditions or restrictions that the resident or a roommate may elect  
4.24 to place on the use of the electronic monitoring device, including, but not limited to:

4.25 (i) prohibiting audio recording;

4.26 (ii) prohibiting video recording;

4.27 (iii) prohibiting broadcasting of audio or video;

4.28 (iv) turning off the electronic monitoring device or blocking the visual recording  
4.29 component of the electronic monitoring device for the duration of an exam or procedure by  
4.30 a health care professional;

5.1 (v) turning off the electronic monitoring device or blocking the visual recording  
5.2 component of the electronic monitoring device while dressing or bathing is performed; and

5.3 (vi) turning off the electronic monitoring device for the duration of a visit with a spiritual  
5.4 advisor, ombudsman, attorney, financial planner, intimate partner, or other visitor; and

5.5 (7) any other condition or restriction elected by the resident or roommate on the use of  
5.6 an electronic monitoring device.

5.7 (c) A copy of the completed notification and consent form must be placed in the resident's  
5.8 and any roommate's clinical records and a copy must be provided to the resident and the  
5.9 resident's roommate, if applicable.

5.10 (d) The commissioner shall prescribe the notification and consent form required in this  
5.11 section no later than January 1, 2019, and shall make the form available on the department's  
5.12 Web site.

5.13 (e) Beginning January 1, 2019, facilities must make the notification and consent form  
5.14 available to the residents and inform residents of their option to conduct electronic monitoring  
5.15 of their rooms or private living spaces.

5.16 (f) Any resident, legal representative of a resident, or other person conducting electronic  
5.17 monitoring of a resident's room prior to enactment of this section must comply with the  
5.18 requirements of this section by January 1, 2019.

5.19 Subd. 6. **Cost and installation.** (a) A resident choosing to conduct electronic monitoring  
5.20 must do so at the resident's own expense, including paying purchase, installation,  
5.21 maintenance, and removal costs.

5.22 (b) If a resident chooses to install an electronic monitoring device that uses Internet  
5.23 technology for visual or audio monitoring, that resident may be responsible for contracting  
5.24 with an Internet service provider.

5.25 (c) The facility shall make a reasonable attempt to accommodate the resident's installation  
5.26 needs, including allowing access to the facility's telecommunications or equipment room.  
5.27 A facility has the burden of proving that a requested accommodation is not reasonable.

5.28 (d) All electronic monitoring device installations and supporting services must be  
5.29 UL-listed.

5.30 Subd. 7. **Notice to visitors.** (a) A facility shall post a sign at each facility entrance  
5.31 accessible to visitors that states "Security cameras and audio devices may be present to  
5.32 record persons and activities."

6.1 (b) The facility is responsible for installing and maintaining the signage required in this  
6.2 subdivision.

6.3 Subd. 8. **Obstruction of electronic monitoring devices.** (a) A person must not knowingly  
6.4 hamper, obstruct, tamper with, or destroy an electronic monitoring device installed in a  
6.5 resident's room or private living space without the permission of the resident or the resident's  
6.6 legal representative.

6.7 (b) It is not a violation of this subdivision if a person turns off the electronic monitoring  
6.8 device or blocks the visual recording component of the electronic monitoring device at the  
6.9 direction of the resident or the resident's legal representative, or if consent has been  
6.10 withdrawn.

6.11 Subd. 9. **Dissemination of recordings.** (a) A facility may not access any video or audio  
6.12 recording created through electronic monitoring without the written consent of the resident  
6.13 or the resident's legal representative.

6.14 (b) Except as required under other law, a recording or copy of a recording made as  
6.15 provided in this section may only be disseminated for the purpose of addressing health,  
6.16 safety, or welfare concerns of a resident or residents.

6.17 Subd. 10. **Liability.** (a) A facility is not civilly or criminally liable for the inadvertent  
6.18 or intentional disclosure of a recording by a resident or a resident's legal representative for  
6.19 any purpose not authorized by this section.

6.20 (b) A facility is not civilly or criminally liable for a violation of a resident's right to  
6.21 privacy arising out of any electronic monitoring conducted as provided in this section.

6.22 Subd. 11. **Resident protections.** A facility must not:

6.23 (1) refuse to admit a potential resident or remove a resident because the facility disagrees  
6.24 with the potential resident's or the resident's decisions regarding electronic monitoring;

 14.30 ~~may not request or require a client to surrender any of these rights as a condition of receiving~~  
 14.31 ~~services. This statement of~~ The rights does provided under this section are established for  
 14.32 the benefit of clients who receive home care services, do not replace or diminish other rights

15.1 and liberties that may exist relative to clients receiving home care services, persons providing  
 15.2 home care services, or providers licensed under sections 144A.43 to 144A.482, and may  
 15.3 not be waived. Any oral or written waiver of the rights provided under this section is void  
 15.4 and unenforceable.

15.5 Subd. 3. **Public enforcement of rights.** The commissioner shall enforce this section  
 15.6 and the home care bill of rights requirement against home care providers exempt from  
 15.7 licensure in the same manner as for licensees.

15.8 Subd. 4. **Retaliation prohibited.** (a) A provider must not retaliate against a client,  
 15.9 employee, or interested person who:

15.10 (1) files a complaint or grievance or asserts any rights on behalf of the client or resident  
 15.11 as provided under subdivision 1, paragraph (c), clause (22);

15.12 (2) submits a maltreatment report, whether mandatory or voluntary, on behalf of the  
 15.13 client or resident under section 626.557, subdivision 3, 4, or 4a;

15.14 (3) advocates on behalf of the patient or resident for necessary or improved care and  
 15.15 services or enforcement of rights under this section or other law; or

15.16 (4) contracts to receive services from a service provider of the resident's choice.

15.17 (b) There is a rebuttable presumption that adverse action is retaliatory if taken against  
 15.18 the client, resident, employee, or interested person within 90 days of filing a grievance as  
 15.19 provided in paragraph (a), submitting a maltreatment report, or otherwise advocating on  
 15.20 behalf of a patient or resident.

15.21 (c) For purposes of this section, "adverse action" means actions listed in section 626.557,  
 15.22 subdivision 17, paragraph (c).

15.23 Sec. 10. Minnesota Statutes 2017 Supplement, section 256.045, subdivision 3, is amended  
 15.24 to read:

15.25 Subd. 3. **State agency hearings.** (a) State agency hearings are available for the following:

15.26 (1) any person applying for, receiving or having received public assistance, medical  
 15.27 care, or a program of social services granted by the state agency or a county agency or the  
 15.28 federal Food Stamp Act whose application for assistance is denied, not acted upon with  
 15.29 reasonable promptness, or whose assistance is suspended, reduced, terminated, or claimed  
 15.30 to have been incorrectly paid;

15.31 (2) any patient or relative aggrieved by an order of the commissioner under section  
 15.32 252.27;

- 16.1 (3) a party aggrieved by a ruling of a prepaid health plan;
- 16.2 (4) except as provided under chapter 245C;
- 16.3 (i) any individual or facility determined by a lead investigative agency to have maltreated
- 16.4 a vulnerable adult under section 626.557 after they have exercised their right to administrative
- 16.5 reconsideration under section 626.557; and
- 16.6 (ii) any vulnerable adult who is the subject of a maltreatment investigation under section
- 16.7 626.557 or an interested person as defined in section 626.5572, subdivision 12a, after the
- 16.8 right to administrative reconsideration under section 626.557, subdivision 9d, has been
- 16.9 exercised;
- 16.10 (5) any person whose claim for foster care payment according to a placement of the
- 16.11 child resulting from a child protection assessment under section 626.556 is denied or not
- 16.12 acted upon with reasonable promptness, regardless of funding source;
- 16.13 (6) any person to whom a right of appeal according to this section is given by other
- 16.14 provision of law;
- 16.15 (7) an applicant aggrieved by an adverse decision to an application for a hardship waiver
- 16.16 under section 256B.15;
- 16.17 (8) an applicant aggrieved by an adverse decision to an application or redetermination
- 16.18 for a Medicare Part D prescription drug subsidy under section 256B.04, subdivision 4a;
- 16.19 (9) except as provided under chapter 245A, an individual or facility determined to have
- 16.20 maltreated a minor under section 626.556, after the individual or facility has exercised the
- 16.21 right to administrative reconsideration under section 626.556;
- 16.22 (10) except as provided under chapter 245C, an individual disqualified under sections
- 16.23 245C.14 and 245C.15, following a reconsideration decision issued under section 245C.23,
- 16.24 on the basis of serious or recurring maltreatment; a preponderance of the evidence that the
- 16.25 individual has committed an act or acts that meet the definition of any of the crimes listed
- 16.26 in section 245C.15, subdivisions 1 to 4; or for failing to make reports required under section
- 16.27 626.556, subdivision 3, or 626.557, subdivision 3. Hearings regarding a maltreatment
- 16.28 determination under clause (4) or (9) and a disqualification under this clause in which the
- 16.29 basis for a disqualification is serious or recurring maltreatment, shall be consolidated into
- 16.30 a single fair hearing. In such cases, the scope of review by the human services judge shall
- 16.31 include both the maltreatment determination and the disqualification. The failure to exercise
- 16.32 the right to an administrative reconsideration shall not be a bar to a hearing under this section

17.1 if federal law provides an individual the right to a hearing to dispute a finding of  
17.2 maltreatment;

17.3 (11) any person with an outstanding debt resulting from receipt of public assistance,  
17.4 medical care, or the federal Food Stamp Act who is contesting a setoff claim by the  
17.5 Department of Human Services or a county agency. The scope of the appeal is the validity  
17.6 of the claimant agency's intention to request a setoff of a refund under chapter 270A against  
17.7 the debt;

17.8 (12) a person issued a notice of service termination under section 245D.10, subdivision  
17.9 3a, from residential supports and services as defined in section 245D.03, subdivision 1,  
17.10 paragraph (c), clause (3), that is not otherwise subject to appeal under subdivision 4a;

17.11 (13) an individual disability waiver recipient based on a denial of a request for a rate  
17.12 exception under section 256B.4914; or

17.13 (14) a person issued a notice of service termination under section 245A.11, subdivision  
17.14 11, that is not otherwise subject to appeal under subdivision 4a.

17.15 (b) The hearing for an individual or facility under paragraph (a), clause (4), (9), or (10),  
17.16 is the only administrative appeal to the final agency determination specifically, including  
17.17 a challenge to the accuracy and completeness of data under section 13.04. Hearings requested  
17.18 under paragraph (a), clause (4), apply only to incidents of maltreatment that occur on or  
17.19 after October 1, 1995. Hearings requested by nursing assistants in nursing homes alleged  
17.20 to have maltreated a resident prior to October 1, 1995, shall be held as a contested case  
17.21 proceeding under the provisions of chapter 14. Hearings requested under paragraph (a),  
17.22 clause (9), apply only to incidents of maltreatment that occur on or after July 1, 1997. A  
17.23 hearing for an individual or facility under paragraph (a), clauses (4), (9), and (10), is only  
17.24 available when there is no district court action pending. If such action is filed in district  
17.25 court while an administrative review is pending that arises out of some or all of the events  
17.26 or circumstances on which the appeal is based, the administrative review must be suspended  
17.27 until the judicial actions are completed. If the district court proceedings are completed,  
17.28 dismissed, or overturned, the matter may be considered in an administrative hearing.

17.29 (c) For purposes of this section, bargaining unit grievance procedures are not an  
17.30 administrative appeal.

17.31 (d) The scope of hearings involving claims to foster care payments under paragraph (a),  
17.32 clause (5), shall be limited to the issue of whether the county is legally responsible for a  
17.33 child's placement under court order or voluntary placement agreement and, if so, the correct

18.1 amount of foster care payment to be made on the child's behalf and shall not include review  
18.2 of the propriety of the county's child protection determination or child placement decision.

18.3 (e) The scope of hearings under paragraph (a), clauses (12) and (14), shall be limited to  
18.4 whether the proposed termination of services is authorized under section 245D.10,  
18.5 subdivision 3a, paragraph (b), or 245A.11, subdivision 11, and whether the requirements  
18.6 of section 245D.10, subdivision 3a, paragraphs (c) to (e), or 245A.11, subdivision 2a,  
18.7 paragraphs (d) to (f), were met. If the appeal includes a request for a temporary stay of  
18.8 termination of services, the scope of the hearing shall also include whether the case  
18.9 management provider has finalized arrangements for a residential facility, a program, or  
18.10 services that will meet the assessed needs of the recipient by the effective date of the service  
18.11 termination.

18.12 (f) A vendor of medical care as defined in section 256B.02, subdivision 7, or a vendor  
18.13 under contract with a county agency to provide social services is not a party and may not  
18.14 request a hearing under this section, except if assisting a recipient as provided in subdivision  
18.15 4.

18.16 (g) An applicant or recipient is not entitled to receive social services beyond the services  
18.17 prescribed under chapter 256M or other social services the person is eligible for under state  
18.18 law.

18.19 (h) The commissioner may summarily affirm the county or state agency's proposed  
18.20 action without a hearing when the sole issue is an automatic change due to a change in state  
18.21 or federal law.

18.22 (i) Unless federal or Minnesota law specifies a different time frame in which to file an  
18.23 appeal, an individual or organization specified in this section may contest the specified  
18.24 action, decision, or final disposition before the state agency by submitting a written request  
18.25 for a hearing to the state agency within 30 days after receiving written notice of the action,  
18.26 decision, or final disposition, or within 90 days of such written notice if the applicant,  
18.27 recipient, patient, or relative shows good cause, as defined in section 256.0451, subdivision  
18.28 13, why the request was not submitted within the 30-day time limit. The individual filing  
18.29 the appeal has the burden of proving good cause by a preponderance of the evidence.

18.30 Sec. 11. Minnesota Statutes 2017 Supplement, section 256.045, subdivision 4, is amended  
18.31 to read:

18.32 Subd. 4. **Conduct of hearings.** (a) All hearings held pursuant to subdivision 3, 3a, 3b,  
18.33 or 4a shall be conducted according to the provisions of the federal Social Security Act and

19.1 the regulations implemented in accordance with that act to enable this state to qualify for  
19.2 federal grants-in-aid, and according to the rules and written policies of the commissioner  
19.3 of human services. County agencies shall install equipment necessary to conduct telephone  
19.4 hearings. A state human services judge may schedule a telephone conference hearing when  
19.5 the distance or time required to travel to the county agency offices will cause a delay in the  
19.6 issuance of an order, or to promote efficiency, or at the mutual request of the parties. Hearings  
19.7 may be conducted by telephone conferences unless the applicant, recipient, former recipient,  
19.8 person, or facility contesting maltreatment objects. A human services judge may grant a  
19.9 request for a hearing in person by holding the hearing by interactive video technology or  
19.10 in person. The human services judge must hear the case in person if the person asserts that  
19.11 either the person or a witness has a physical or mental disability that would impair the  
19.12 person's or witness's ability to fully participate in a hearing held by interactive video  
19.13 technology. The hearing shall not be held earlier than five days after filing of the required  
19.14 notice with the county or state agency. The state human services judge shall notify all  
19.15 interested persons of the time, date, and location of the hearing at least five days before the  
19.16 date of the hearing. Interested persons may be represented by legal counsel or other  
19.17 representative of their choice, including a provider of therapy services, at the hearing and  
19.18 may appear personally, testify and offer evidence, and examine and cross-examine witnesses.  
19.19 The applicant, recipient, former recipient, person, or facility contesting maltreatment shall  
19.20 have the opportunity to examine the contents of the case file and all documents and records  
19.21 to be used by the county or state agency at the hearing at a reasonable time before the date  
19.22 of the hearing and during the hearing. In hearings under subdivision 3, paragraph (a), clauses  
19.23 (4), (9), and (10), either party may subpoena the private data relating to the investigation  
19.24 prepared by the agency under section 626.556 or 626.557 that is not otherwise accessible  
19.25 under section 13.04, provided the identity of the reporter may not be disclosed.

19.26 (b) The private data obtained by subpoena in a hearing under subdivision 3, paragraph  
19.27 (a), clause (4), (9), or (10), must be subject to a protective order which prohibits its disclosure  
19.28 for any other purpose outside the hearing provided for in this section without prior order of  
19.29 the district court. Disclosure without court order is punishable by a sentence of not more  
19.30 than 90 days imprisonment or a fine of not more than \$1,000, or both. These restrictions on  
19.31 the use of private data do not prohibit access to the data under section 13.03, subdivision  
19.32 6. Except for appeals under subdivision 3, paragraph (a), clauses (4), (5), (9), and (10), upon  
19.33 request, the county agency shall provide reimbursement for transportation, child care,  
19.34 photocopying, medical assessment, witness fee, and other necessary and reasonable costs  
19.35 incurred by the applicant, recipient, or former recipient in connection with the appeal. All  
19.36 evidence, except that privileged by law, commonly accepted by reasonable people in the

20.1 conduct of their affairs as having probative value with respect to the issues shall be submitted  
20.2 at the hearing and such hearing shall not be "a contested case" within the meaning of section  
20.3 14.02, subdivision 3. The agency must present its evidence prior to or at the hearing, and  
20.4 may not submit evidence after the hearing except by agreement of the parties at the hearing,  
20.5 provided the petitioner has the opportunity to respond.

20.6 (c) In hearings under subdivision 3, paragraph (a), clauses (4), (9), and (10), involving  
20.7 determinations of maltreatment or disqualification made by more than one county agency,  
20.8 by a county agency and a state agency, or by more than one state agency, the hearings may  
20.9 be consolidated into a single fair hearing upon the consent of all parties and the state human  
20.10 services judge.

20.11 (d) For hearings under subdivision 3, paragraph (a), clause (4) or (10), involving a  
20.12 vulnerable adult, the human services judge shall notify the vulnerable adult who is the  
20.13 subject of the maltreatment determination and an interested person, as defined in section  
20.14 626.5572, subdivision 12a, if known, a guardian of the vulnerable adult appointed under  
20.15 section 524.5-310, or a health care agent designated by the vulnerable adult in a health care  
20.16 directive that is currently effective under section 145C.06 and whose authority to make  
20.17 health care decisions is not suspended under section 524.5-310, of the hearing and shall  
20.18 notify the facility or individual who is the alleged perpetrator of maltreatment. The notice  
20.19 must be sent by certified mail and inform the vulnerable adult or the alleged perpetrator of  
20.20 the right to file a signed written statement in the proceedings. A guardian or health care  
20.21 agent who prepares or files a written statement for the vulnerable adult must indicate in the  
20.22 statement that the person is the vulnerable adult's guardian or health care agent and sign the  
20.23 statement in that capacity. The vulnerable adult, the guardian, or the health care agent may  
20.24 file a written statement with the human services judge hearing the case no later than five  
20.25 business days before commencement of the hearing. The human services judge shall include  
20.26 the written statement in the hearing record and consider the statement in deciding the appeal.  
20.27 This subdivision does not limit, prevent, or excuse the vulnerable adult or alleged perpetrator  
20.28 from being called as a witness testifying at the hearing or grant the vulnerable adult, the  
20.29 guardian, or health care agent a right to participate in the proceedings or appeal the human  
20.30 services judge's decision in the case. The lead investigative agency must consider including  
20.31 the vulnerable adult victim of maltreatment as a witness in the hearing. If the lead  
20.32 investigative agency determines that participation in the hearing would endanger the  
20.33 well-being of the vulnerable adult or not be in the best interests of the vulnerable adult, the  
20.34 lead investigative agency shall inform the human services judge of the basis for this  
20.35 determination, which must be included in the final order. If the human services judge is not

21.1 reasonably able to determine the address of the vulnerable adult, the guardian, the alleged  
 21.2 perpetrator, or the health care agent, the human services judge is not required to send a  
 21.3 hearing notice under this subdivision.

21.4 Sec. 12. Minnesota Statutes 2016, section 325F.71, is amended to read:

21.24 (b) In determining whether to impose a civil penalty pursuant to paragraph (a), and the

 22.20 civil action and recover damages, together with costs and disbursements, including costs

22.26 (b) Whoever assaults ~~and inflicts demonstrable bodily harm on~~ a vulnerable adult,  
 22.27 knowing or having reason to know that the person is a vulnerable adult, is guilty of a gross

22.30 Subd. 3. **Timing of report.** (a) A mandated reporter who has reason to believe that a  
 22.31 vulnerable adult is being or has been maltreated, or who has knowledge that a vulnerable  
 22.32 adult has sustained a physical injury which is not reasonably explained shall ~~immediately~~

23.1 report the information to the common entry point as soon as possible but in no event longer  
23.2 than 24 hours. If an individual is a vulnerable adult solely because the individual is admitted  
23.3 to a facility, a mandated reporter is not required to report suspected maltreatment of the  
23.4 individual that occurred prior to admission, unless:

23.5 (1) the individual was admitted to the facility from another facility and the reporter has  
23.6 reason to believe the vulnerable adult was maltreated in the previous facility; or

23.7 (2) the reporter knows or has reason to believe that the individual is a vulnerable adult  
23.8 as defined in section 626.5572, subdivision 21, paragraph (a), clause (4).

23.9 (b) A person not required to report under the provisions of this section may voluntarily  
23.10 report as described above.

23.11 (c) Nothing in this section requires a report of known or suspected maltreatment, if the  
23.12 reporter knows or has reason to know that a report has been made to the common entry  
23.13 point.

23.14 (d) Nothing in this section shall preclude a reporter from also reporting to a law  
23.15 enforcement agency.

23.16 (e) A mandated reporter who knows or has reason to believe that an error under section  
23.17 626.5572, subdivision 17, paragraph (c), clause (5), occurred must make a report under this  
23.18 subdivision. If the reporter or a facility, at any time believes that an investigation by a lead  
23.19 investigative agency will determine or should determine that the reported error was not  
23.20 neglect according to the criteria under section 626.5572, subdivision 17, paragraph (c),  
23.21 clause (5), the reporter or facility may provide to the common entry point or directly to the  
23.22 lead investigative agency information explaining how the event meets the criteria under  
23.23 section 626.5572, subdivision 17, paragraph (c), clause (5). The lead investigative agency  
23.24 shall consider this information when making an initial disposition of the report under  
23.25 subdivision 9c.

23.26 Sec. 15. Minnesota Statutes 2016, section 626.557, subdivision 4, is amended to read:

23.27 Subd. 4. **Reporting.** (a) Except as provided in paragraph (b), a mandated reporter shall  
23.28 immediately make an oral report to the common entry point. The common entry point may  
23.29 accept electronic reports submitted through a Web-based reporting system established by  
23.30 the commissioner. Use of a telecommunications device for the deaf or other similar device  
23.31 shall be considered an oral report. The common entry point may not require written reports.  
23.32 To the extent possible, the report must be of sufficient content to identify the vulnerable  
23.33 adult, the caregiver, the nature and extent of the suspected maltreatment, any evidence of

24.1 previous maltreatment, the name and address of the reporter, the time, date, and location of  
 24.2 the incident, and any other information that the reporter believes might be helpful in  
 24.3 investigating the suspected maltreatment. The common entry point must provide a method  
 24.4 for the reporter to electronically submit evidence to support the maltreatment report, including  
 24.5 but not limited to uploading photographs, videos, or documents. A mandated reporter may  
 24.6 disclose not public data, as defined in section 13.02, and medical records under sections  
 24.7 144.291 to 144.298, to the extent necessary to comply with this subdivision.

24.8 (b) A boarding care home that is licensed under sections 144.50 to 144.58 and certified  
 24.9 under Title 19 of the Social Security Act, a nursing home that is licensed under section  
 24.10 144A.02 and certified under Title 18 or Title 19 of the Social Security Act, or a hospital  
 24.11 that is licensed under sections 144.50 to 144.58 and has swing beds certified under Code  
 24.12 of Federal Regulations, title 42, section 482.66, may submit a report electronically to the  
 24.13 common entry point instead of submitting an oral report. ~~The report may be a duplicate of~~  
 24.14 ~~the initial report the facility submits electronically to the commissioner of health to comply~~  
 24.15 ~~with the reporting requirements under Code of Federal Regulations, title 42, section 483.13.~~  
 24.16 The commissioner of health may modify these reporting requirements to include items  
 24.17 required under paragraph (a) that are not currently included in the electronic reporting form.

24.18 (c) All reports must be directed to the common entry point, including reports from  
 24.19 federally licensed facilities, vulnerable adults, and interested persons.

24.20 Sec. 16. Minnesota Statutes 2016, section 626.557, subdivision 9, is amended to read:

24.21 Subd. 9. **Common entry point designation.** (a) Each county board shall designate a  
 24.22 common entry point for reports of suspected maltreatment, for use until the commissioner  
 24.23 of human services establishes a common entry point. Two or more county boards may  
 24.24 jointly designate a single common entry point. The commissioner of human services shall  
 24.25 establish a common entry point effective July 1, 2015. The common entry point is the unit  
 24.26 responsible for receiving the report of suspected maltreatment under this section.

24.27 (b) The common entry point must be available 24 hours per day to take calls from  
 24.28 reporters of suspected maltreatment. The common entry point staff must receive training  
 24.29 on how to screen and dispatch reports efficiently and in accordance with this section. The  
 24.30 common entry point shall use a standard intake form that includes:

24.31 (1) the time and date of the report;

24.32 (2) the name, address, and telephone number of the person reporting;

24.33 (3) the time, date, and location of the incident;

25.1 (4) the names of the persons involved, including but not limited to, perpetrators, alleged  
25.2 victims, and witnesses;

25.3 (5) whether there was a risk of imminent danger to the alleged victim;

25.4 (6) a description of the suspected maltreatment;

25.5 (7) the disability, if any, of the alleged victim;

25.6 (8) the relationship of the alleged perpetrator to the alleged victim;

25.7 (9) whether a facility was involved and, if so, which agency licenses the facility;

25.8 (10) any action taken by the common entry point;

25.9 (11) whether law enforcement has been notified;

25.10 (12) whether the reporter wishes to receive notification of the initial and final reports;

25.11 and

25.12 (13) if the report is from a facility with an internal reporting procedure, the name, mailing  
25.13 address, and telephone number of the person who initiated the report internally.

25.14 (c) The common entry point is not required to complete each item on the form prior to  
25.15 dispatching the report to the appropriate lead investigative agency.

25.16 (d) The common entry point shall immediately report to a law enforcement agency any  
25.17 incident in which there is reason to believe a crime has been committed.

25.18 (e) If a report is initially made to a law enforcement agency or a lead investigative agency,  
25.19 those agencies shall take the report on the appropriate common entry point intake forms  
25.20 and immediately forward a copy to the common entry point.

25.21 (f) The common entry point staff must ~~receive training on how to screen and dispatch~~  
25.22 ~~reports efficiently and in accordance with this section~~ cross-reference multiple complaints  
25.23 to the lead investigative agency concerning:

25.24 (1) the same alleged perpetrator, facility, or licensee;

25.25 (2) the same vulnerable adult; or

25.26 (3) the same incident.

25.27 (g) The commissioner of human services shall maintain a centralized database for the  
25.28 collection of common entry point data, lead investigative agency data including maltreatment  
25.29 report disposition, and appeals data. The common entry point shall have access to the

26.1 centralized database and must log the reports into the database and immediately identify  
 26.2 and locate prior reports of abuse, neglect, or exploitation.

26.3 (h) When appropriate, the common entry point staff must refer calls that do not allege  
 26.4 the abuse, neglect, or exploitation of a vulnerable adult to other organizations that might  
 26.5 resolve the reporter's concerns.

26.6 (i) A common entry point must be operated in a manner that enables the commissioner  
 26.7 of human services to:

26.8 (1) track critical steps in the reporting, evaluation, referral, response, disposition, and  
 26.9 investigative process to ensure compliance with all requirements for all reports;

26.10 (2) maintain data to facilitate the production of aggregate statistical reports for monitoring  
 26.11 patterns of abuse, neglect, or exploitation;

26.12 (3) serve as a resource for the evaluation, management, and planning of preventative  
 26.13 and remedial services for vulnerable adults who have been subject to abuse, neglect, or  
 26.14 exploitation;

26.15 (4) set standards, priorities, and policies to maximize the efficiency and effectiveness  
 26.16 of the common entry point; and

26.17 (5) track and manage consumer complaints related to the common entry point, including  
 26.18 tracking and cross-referencing multiple complaints concerning:

26.19 (i) the same alleged perpetrator, facility, or licensee;

26.20 (ii) the same vulnerable adult; and

26.21 (iii) the same incident.

26.22 (j) The commissioners of human services and health shall collaborate on the creation of  
 26.23 a system for referring reports to the lead investigative agencies. This system shall enable  
 26.24 the commissioner of human services to track critical steps in the reporting, evaluation,  
 26.25 referral, response, disposition, investigation, notification, determination, and appeal processes.

26.26 Sec. 17. Minnesota Statutes 2016, section 626.557, subdivision 9a, is amended to read:

26.27 Subd. 9a. **Evaluation and referral of reports made to common entry point.** (a) The  
 26.28 common entry point must screen the reports of alleged or suspected maltreatment for  
 26.29 immediate risk and make all necessary referrals as follows:

27.1 (1) if the common entry point determines that there is an immediate need for emergency  
 27.2 adult protective services, the common entry point agency shall immediately notify the  
 27.3 appropriate county agency;

27.4 (2) if the common entry point determines an immediate need exists for response by law  
 27.5 enforcement, including the urgent need to secure a crime scene, interview witnesses, remove  
 27.6 the alleged perpetrator, or safeguard the vulnerable adult's property, or if the report contains  
 27.7 suspected criminal activity against a vulnerable adult, the common entry point shall  
 27.8 immediately notify the appropriate law enforcement agency;

27.9 (3) the common entry point shall refer all reports of alleged or suspected maltreatment  
 27.10 to the appropriate lead investigative agency as soon as possible, but in any event no longer  
 27.11 than two working days;

27.12 (4) if the report contains information about a suspicious death, the common entry point  
 27.13 shall immediately notify the appropriate law enforcement agencies, the local medical  
 27.14 examiner, and the ombudsman for mental health and developmental disabilities established  
 27.15 under section 245.92. Law enforcement agencies shall coordinate with the local medical  
 27.16 examiner and the ombudsman as provided by law; and

27.17 (5) for reports involving multiple locations or changing circumstances, the common  
 27.18 entry point shall determine the county agency responsible for emergency adult protective  
 27.19 services and the county responsible as the lead investigative agency, using referral guidelines  
 27.20 established by the commissioner.

27.21 (b) If the lead investigative agency receiving a report believes the report was referred  
 27.22 by the common entry point in error, the lead investigative agency shall immediately notify  
 27.23 the common entry point of the error, including the basis for the lead investigative agency's  
 27.24 belief that the referral was made in error. The common entry point shall review the  
 27.25 information submitted by the lead investigative agency and immediately refer the report to  
 27.26 the appropriate lead investigative agency.

27.27 Sec. 18. Minnesota Statutes 2016, section 626.557, subdivision 9b, is amended to read:

27.28 Subd. 9b. **Response to reports.** Law enforcement is the primary agency to conduct  
 27.29 investigations of any incident in which there is reason to believe a crime has been committed.  
 27.30 Law enforcement shall initiate a response immediately. If the common entry point notified  
 27.31 a county agency for emergency adult protective services, law enforcement shall cooperate  
 27.32 with that county agency when both agencies are involved and shall exchange data to the  
 27.33 extent authorized in subdivision 12b, paragraph ~~(g)~~ (k). County adult protection shall initiate

28.1 a response immediately. Each lead investigative agency shall complete the investigative  
28.2 process for reports within its jurisdiction. A lead investigative agency, county, adult protective  
28.3 agency, licensed facility, or law enforcement agency shall cooperate with other agencies in  
28.4 the provision of protective services, coordinating its investigations, and assisting another  
28.5 agency within the limits of its resources and expertise and shall exchange data to the extent  
28.6 authorized in subdivision 12b, paragraph ~~(g)~~ (k). The lead investigative agency shall obtain  
28.7 the results of any investigation conducted by law enforcement officials, and law enforcement  
28.8 shall obtain the results of any investigation conducted by the lead investigative agency to  
28.9 determine if criminal action is warranted. The lead investigative agency has the right to  
28.10 enter facilities and inspect and copy records as part of investigations. The lead investigative  
28.11 agency has access to not public data, as defined in section 13.02, and medical records under  
28.12 sections 144.291 to 144.298, that are maintained by facilities to the extent necessary to  
28.13 conduct its investigation. Each lead investigative agency shall develop guidelines for  
28.14 prioritizing reports for investigation. Nothing in this subdivision alters the duty of the lead  
28.15 investigative agency to serve as the agency responsible for investigating reports made under  
28.16 section 626.557.

28.17 Sec. 19. Minnesota Statutes 2016, section 626.557, subdivision 9c, is amended to read:

28.18 Subd. 9c. **Lead investigative agency; notifications, dispositions, determinations.** (a)  
28.19 ~~Upon request of the reporter,~~ The lead investigative agency shall notify the reporter that it  
28.20 has received the report, and provide information on the initial disposition of the report within  
28.21 five business days of receipt of the report, provided that the notification will not endanger  
28.22 the vulnerable adult or hamper the investigation.

28.23 (b) The lead investigative agency must provide the following information to the vulnerable  
28.24 adult or the vulnerable adult's interested person, if known, within five days of receipt of the  
28.25 report:

28.26 (1) the nature of the maltreatment allegations, including the report of maltreatment as  
28.27 allowed under law;

28.28 (2) the name of the facility or other location at which alleged maltreatment occurred;

28.29 (3) the name of the alleged perpetrator if the lead investigative agency believes disclosure  
28.30 of the name is necessary to protect the vulnerable adult;

28.31 (4) protective measures that may be recommended or taken as a result of the maltreatment  
28.32 report;

29.1 (5) contact information for the investigator or other information as requested and allowed  
29.2 under law; and

29.3 (6) confirmation of whether the facility is investigating the matter and, if so:

29.4 (i) an explanation of the process and estimated timeline for the investigation; and

29.5 (ii) a statement that the lead investigative agency will provide an update on the  
29.6 investigation approximately every three weeks upon request by the vulnerable adult or the  
29.7 vulnerable adult's interested person and a report when the investigation is concluded.

29.8 (c) The lead investigative agency may assign multiple reports of maltreatment for the  
29.9 same or separate incidences related to the same vulnerable adult to the same investigator,  
29.10 as deemed appropriate. Reports related to the same vulnerable adult must, at a minimum,  
29.11 be cross-referenced.

29.12 (d) Upon conclusion of every investigation it conducts, the lead investigative agency  
29.13 shall make a final disposition as defined in section 626.5572, subdivision 8.

29.14 ~~(e)~~ (e) When determining whether the facility or individual is the responsible party for  
29.15 substantiated maltreatment or whether both the facility and the individual are responsible  
29.16 for substantiated maltreatment, the lead investigative agency shall consider at least the  
29.17 following mitigating factors:

29.18 (1) whether the actions of the facility or the individual caregivers were in accordance  
29.19 with, and followed the terms of, an erroneous physician order, prescription, resident care  
29.20 plan, or directive. This is not a mitigating factor when the facility or caregiver is responsible  
29.21 for the issuance of the erroneous order, prescription, plan, or directive or knows or should  
29.22 have known of the errors and took no reasonable measures to correct the defect before  
29.23 administering care;

29.24 (2) the comparative responsibility between the facility, other caregivers, and requirements  
29.25 placed upon the employee, including but not limited to, the facility's compliance with related  
29.26 regulatory standards and factors such as the adequacy of facility policies and procedures,  
29.27 the adequacy of facility training, the adequacy of an individual's participation in the training,  
29.28 the adequacy of caregiver supervision, the adequacy of facility staffing levels, and a  
29.29 consideration of the scope of the individual employee's authority; and

29.30 (3) whether the facility or individual followed professional standards in exercising  
29.31 professional judgment.

29.32 ~~(d)~~ (f) When substantiated maltreatment is determined to have been committed by an  
29.33 individual who is also the facility license holder, both the individual and the facility must

30.1 be determined responsible for the maltreatment, and both the background study  
 30.2 disqualification standards under section 245C.15, subdivision 4, and the licensing actions  
 30.3 under section 245A.06 or 245A.07 apply.

30.4 ~~(e)~~ (g) The lead investigative agency shall complete its final disposition within 60  
 30.5 calendar days. If the lead investigative agency is unable to complete its final disposition  
 30.6 within 60 calendar days, the lead investigative agency shall notify the following persons  
 30.7 provided that the notification will not endanger the vulnerable adult or hamper the  
 30.8 investigation: (1) the vulnerable adult or ~~the vulnerable adult's guardian or health care agent~~  
 30.9 an interested person, when known, if the lead investigative agency knows them to be aware  
 30.10 of the investigation; and (2) the facility, where applicable. The notice shall contain the  
 30.11 reason for the delay and the projected completion date. If the lead investigative agency is  
 30.12 unable to complete its final disposition by a subsequent projected completion date, the lead  
 30.13 investigative agency shall again notify the vulnerable adult or ~~the vulnerable adult's guardian~~  
 30.14 ~~or health care agent~~ an interested person, when known if the lead investigative agency knows  
 30.15 them to be aware of the investigation, and the facility, where applicable, of the reason for  
 30.16 the delay and the revised projected completion date provided that the notification will not  
 30.17 endanger the vulnerable adult or hamper the investigation. The lead investigative agency  
 30.18 must notify the health care agent of the vulnerable adult only if the health care agent's  
 30.19 authority to make health care decisions for the vulnerable adult is currently effective ~~under~~  
 30.20 ~~section 145C.06~~ and not suspended under section 524.5-310 ~~and the investigation relates~~  
 30.21 ~~to a duty assigned to the health care agent by the principal~~. A lead investigative agency's  
 30.22 inability to complete the final disposition within 60 calendar days or by any projected  
 30.23 completion date does not invalidate the final disposition.

30.24 ~~(f)~~ (h) Within ten calendar days of completing the final disposition, the lead investigative  
 30.25 agency shall provide a copy of the public investigation memorandum under subdivision  
 30.26 12b, paragraph ~~(b)~~ (d), ~~clause (1)~~, when required to be completed under this section, to the  
 30.27 following persons:

30.28 (1) the vulnerable adult, or ~~the vulnerable adult's guardian or health care agent~~ an  
 30.29 interested person, if known, unless the lead investigative agency knows that the notification  
 30.30 would endanger the well-being of the vulnerable adult;

30.31 (2) the reporter, ~~if~~ unless the reporter requested ~~notification~~ otherwise when making the  
 30.32 report, provided this notification would not endanger the well-being of the vulnerable adult;

30.33 (3) the alleged perpetrator, if known;

30.34 (4) the facility; ~~and~~

31.1 (5) the ombudsman for long-term care, or the ombudsman for mental health and  
31.2 developmental disabilities, as appropriate;

31.3 (6) law enforcement; and

31.4 (7) the county attorney, as appropriate.

31.5 ~~(g)~~ (i) If, as a result of a reconsideration, review, or hearing, the lead investigative agency  
31.6 changes the final disposition, or if a final disposition is changed on appeal, the lead  
31.7 investigative agency shall notify the parties specified in paragraph ~~(f)~~ (h).

31.8 ~~(h)~~ (j) The lead investigative agency shall notify the vulnerable adult who is the subject  
31.9 of the report or ~~the vulnerable adult's guardian or health care agent~~ an interested person, if  
31.10 known, and any person or facility determined to have maltreated a vulnerable adult, of their  
31.11 appeal or review rights under this section or section ~~256.021~~ 256.045.

31.12 ~~(i)~~ (k) The lead investigative agency shall routinely provide investigation memoranda  
31.13 for substantiated reports to the appropriate licensing boards. These reports must include the  
31.14 names of substantiated perpetrators. The lead investigative agency may not provide  
31.15 investigative memoranda for inconclusive or false reports to the appropriate licensing boards  
31.16 unless the lead investigative agency's investigation gives reason to believe that there may  
31.17 have been a violation of the applicable professional practice laws. If the investigation  
31.18 memorandum is provided to a licensing board, the subject of the investigation memorandum  
31.19 shall be notified and receive a summary of the investigative findings.

31.20 ~~(j)~~ (l) In order to avoid duplication, licensing boards shall consider the findings of the  
31.21 lead investigative agency in their investigations if they choose to investigate. This does not  
31.22 preclude licensing boards from considering other information.

31.23 ~~(k)~~ (m) The lead investigative agency must provide to the commissioner of human  
31.24 services its final dispositions, including the names of all substantiated perpetrators. The  
31.25 commissioner of human services shall establish records to retain the names of substantiated  
31.26 perpetrators.

31.27 Sec. 20. Minnesota Statutes 2016, section 626.557, subdivision 9d, is amended to read:

31.28 Subd. 9d. **Administrative reconsideration; review panel.** (a) Except as provided under  
31.29 paragraph ~~(e)~~ (d), any individual or facility which a lead investigative agency determines  
31.30 has maltreated a vulnerable adult, or the vulnerable adult or an interested person acting on  
31.31 behalf of the vulnerable adult, regardless of the lead investigative agency's determination,  
31.32 who contests the lead investigative agency's final disposition of an allegation of maltreatment,  
31.33 may request the lead investigative agency to reconsider its final disposition. The request

32.1 for reconsideration must be submitted in writing to the lead investigative agency within 15  
32.2 calendar days after receipt of notice of final disposition or, if the request is made by an  
32.3 interested person who is not entitled to notice, within 15 days after receipt of the notice by  
32.4 the vulnerable adult or the vulnerable adult's guardian or health care agent. If mailed, the  
32.5 request for reconsideration must be postmarked and sent to the lead investigative agency  
32.6 within 15 calendar days of the individual's or facility's receipt of the final disposition. If the  
32.7 request for reconsideration is made by personal service, it must be received by the lead  
32.8 investigative agency within 15 calendar days of the individual's or facility's receipt of the  
32.9 final disposition. An individual who was determined to have maltreated a vulnerable adult  
32.10 under this section and who was disqualified on the basis of serious or recurring maltreatment  
32.11 under sections 245C.14 and 245C.15, may request reconsideration of the maltreatment  
32.12 determination and the disqualification. The request for reconsideration of the maltreatment  
32.13 determination and the disqualification must be submitted in writing within 30 calendar days  
32.14 of the individual's receipt of the notice of disqualification under sections 245C.16 and  
32.15 245C.17. If mailed, the request for reconsideration of the maltreatment determination and  
32.16 the disqualification must be postmarked and sent to the lead investigative agency within 30  
32.17 calendar days of the individual's receipt of the notice of disqualification. If the request for  
32.18 reconsideration is made by personal service, it must be received by the lead investigative  
32.19 agency within 30 calendar days after the individual's receipt of the notice of disqualification.

32.20 (b) Except as provided under paragraphs (d) and (e) ~~and (f)~~, if the lead investigative  
32.21 agency denies the request or fails to act upon the request within 15 working days after  
32.22 receiving the request for reconsideration, the person, including the vulnerable adult or an  
32.23 interested person acting on behalf of the vulnerable adult, or facility entitled to a fair hearing  
32.24 under section 256.045, may submit to the commissioner of human services a written request  
32.25 for a hearing under that statute. ~~The vulnerable adult, or an interested person acting on~~  
32.26 ~~behalf of the vulnerable adult, may request a review by the Vulnerable Adult Maltreatment~~  
32.27 ~~Review Panel under section 256.021 if the lead investigative agency denies the request or~~  
32.28 ~~fails to act upon the request, or if the vulnerable adult or interested person contests a~~  
32.29 ~~reconsidered disposition.~~ The lead investigative agency shall notify persons who request  
32.30 reconsideration of their rights under this paragraph. The request must be submitted in writing  
32.31 to the review panel and a copy sent to the lead investigative agency within 30 calendar days  
32.32 of receipt of notice of a denial of a request for reconsideration or of a reconsidered  
32.33 disposition. The request must specifically identify the aspects of the lead investigative  
32.34 agency determination with which the person is dissatisfied.

33.1 (c) If, as a result of a reconsideration or review, the lead investigative agency changes  
 33.2 the final disposition, it shall notify the parties specified in subdivision 9c, paragraph ~~(f)~~ (h).

33.3 ~~(d) For purposes of this subdivision, "interested person acting on behalf of the vulnerable~~  
 33.4 ~~adult" means a person designated in writing by the vulnerable adult to act on behalf of the~~  
 33.5 ~~vulnerable adult, or a legal guardian or conservator or other legal representative, a proxy~~  
 33.6 ~~or health care agent appointed under chapter 145B or 145C, or an individual who is related~~  
 33.7 ~~to the vulnerable adult, as defined in section 245A.02, subdivision 13.~~

33.8 ~~(e)~~ If an individual was disqualified under sections 245C.14 and 245C.15, on the basis  
 33.9 of a determination of maltreatment, which was serious or recurring, and the individual has  
 33.10 requested reconsideration of the maltreatment determination under paragraph (a) and  
 33.11 reconsideration of the disqualification under sections 245C.21 to 245C.27, reconsideration  
 33.12 of the maltreatment determination and requested reconsideration of the disqualification  
 33.13 shall be consolidated into a single reconsideration. If reconsideration of the maltreatment  
 33.14 determination is denied and the individual remains disqualified following a reconsideration  
 33.15 decision, the individual may request a fair hearing under section 256.045. If an individual  
 33.16 requests a fair hearing on the maltreatment determination and the disqualification, the scope  
 33.17 of the fair hearing shall include both the maltreatment determination and the disqualification.

33.18 ~~(f)~~ (e) If a maltreatment determination or a disqualification based on serious or recurring  
 33.19 maltreatment is the basis for a denial of a license under section 245A.05 or a licensing  
 33.20 sanction under section 245A.07, the license holder has the right to a contested case hearing  
 33.21 under chapter 14 and Minnesota Rules, parts 1400.8505 to 1400.8612. As provided for  
 33.22 under section 245A.08, the scope of the contested case hearing must include the maltreatment  
 33.23 determination, disqualification, and licensing sanction or denial of a license. In such cases,  
 33.24 a fair hearing must not be conducted under section 256.045. Except for family child care  
 33.25 and child foster care, reconsideration of a maltreatment determination under this subdivision,  
 33.26 and reconsideration of a disqualification under section 245C.22, must not be conducted  
 33.27 when:

33.28 (1) a denial of a license under section 245A.05, or a licensing sanction under section  
 33.29 245A.07, is based on a determination that the license holder is responsible for maltreatment  
 33.30 or the disqualification of a license holder based on serious or recurring maltreatment;

33.31 (2) the denial of a license or licensing sanction is issued at the same time as the  
 33.32 maltreatment determination or disqualification; and

33.33 (3) the license holder appeals the maltreatment determination or disqualification, and  
 33.34 denial of a license or licensing sanction.

34.1 Notwithstanding clauses (1) to (3), if the license holder appeals the maltreatment  
34.2 determination or disqualification, but does not appeal the denial of a license or a licensing  
34.3 sanction, reconsideration of the maltreatment determination shall be conducted under sections  
34.4 626.556, subdivision 10i, and 626.557, subdivision 9d, and reconsideration of the  
34.5 disqualification shall be conducted under section 245C.22. In such cases, a fair hearing shall  
34.6 also be conducted as provided under sections 245C.27, 626.556, subdivision 10i, and  
34.7 626.557, subdivision 9d.

34.8 If the disqualified subject is an individual other than the license holder and upon whom  
34.9 a background study must be conducted under chapter 245C, the hearings of all parties may  
34.10 be consolidated into a single contested case hearing upon consent of all parties and the  
34.11 administrative law judge.

34.12 ~~(g)~~ (f) Until August 1, 2002, an individual or facility that was determined by the  
34.13 commissioner of human services or the commissioner of health to be responsible for neglect  
34.14 under section 626.5572, subdivision 17, after October 1, 1995, and before August 1, 2001,  
34.15 that believes that the finding of neglect does not meet an amended definition of neglect may  
34.16 request a reconsideration of the determination of neglect. The commissioner of human  
34.17 services or the commissioner of health shall mail a notice to the last known address of  
34.18 individuals who are eligible to seek this reconsideration. The request for reconsideration  
34.19 must state how the established findings no longer meet the elements of the definition of  
34.20 neglect. The commissioner shall review the request for reconsideration and make a  
34.21 determination within 15 calendar days. The commissioner's decision on this reconsideration  
34.22 is the final agency action.

34.23 ~~(+)~~ (g) For purposes of compliance with the data destruction schedule under subdivision  
34.24 12b, paragraph ~~(d)~~ (h), when a finding of substantiated maltreatment has been changed as  
34.25 a result of a reconsideration under this paragraph, the date of the original finding of a  
34.26 substantiated maltreatment must be used to calculate the destruction date.

34.27 ~~(2)~~ (h) For purposes of any background studies under chapter 245C, when a determination  
34.28 of substantiated maltreatment has been changed as a result of a reconsideration under this  
34.29 paragraph, any prior disqualification of the individual under chapter 245C that was based  
34.30 on this determination of maltreatment shall be rescinded, and for future background studies  
34.31 under chapter 245C the commissioner must not use the previous determination of  
34.32 substantiated maltreatment as a basis for disqualification or as a basis for referring the  
34.33 individual's maltreatment history to a health-related licensing board under section 245C.31.

35.1 Sec. 21. Minnesota Statutes 2016, section 626.557, subdivision 9e, is amended to read:

35.18 (b) The commissioner of human services shall conduct an outreach campaign to promote

36.3 agency investigator.

36.4 A lead investigative agency investigator employed when these requirements take effect  
36.5 must complete the program within the first year after training is available or as soon as  
36.6 training is available.

36.7 All lead investigative agency investigators having responsibility for investigation duties  
36.8 under this section must receive a minimum of eight hours of continuing education or  
36.9 in-service training each year specific to their duties under this section.

36.10 (g) The commissioners of health and human services shall develop and maintain written  
36.11 guidance for facilities that explains and illustrates the reporting requirements under this  
36.12 section; the guidance shall also explain and illustrate the reporting requirements under Code  
36.13 of Federal Regulations, title 42, section 483.12(c), for the benefit of facilities subject to  
36.14 those requirements.

36.15 Sec. 22. Minnesota Statutes 2016, section 626.557, subdivision 10b, is amended to read:

36.28 approximately every three weeks during the course of the investigation.

37.1 Sec. 23. Minnesota Statutes 2016, section 626.557, subdivision 12b, is amended to read:

37.2 Subd. 12b. **Data management.** (a) In performing any of the duties of this section as a  
 37.3 lead investigative agency, the county social service agency shall maintain appropriate  
 37.4 records. Data collected by the county social service agency under this section are welfare  
 37.5 data under section 13.46. Notwithstanding section 13.46, subdivision 1, paragraph (a), data

 37.20 provided that data may be shared with the vulnerable adult or an interested person if both

38.20 the consent of the reporter ~~or~~;

38.21 (2) upon a written finding by a court that the report was false and there is evidence that

38.22 the report was made in bad faith; or

38.23 (3) the mandated reporter may disclose that the individual was the reporter to support a

38.24 claim of retaliation that is prohibited under section 144.651, subdivision 34, or 626.557,

38.25 subdivisions 4a and 17, or other law.

38.26 This subdivision does not alter disclosure responsibilities or obligations under the Rules

38.27 of Criminal Procedure, except that where the identity of the reporter is relevant to a criminal

38.28 prosecution, the district court shall do an in-camera review prior to determining whether to

38.29 order disclosure of the identity of the reporter.

39.1 ~~(d)~~ (h) Notwithstanding section 138.163, data maintained under this section by the  
 39.2 commissioners of health and human services must be maintained under the following

 39.15 and the resolution of those investigations. On a biennial basis, the commissioners of health  
 39.16 and human services shall jointly report the following information to the legislature and the

 40.3 collected under this section must be made available to prosecuting authorities and law  
 40.4 enforcement officials, local county agencies, and licensing agencies investigating the alleged  
 40.5 maltreatment under this section. ~~The lead investigative agency shall exchange not public~~  
 40.6 ~~data with the vulnerable adult maltreatment review panel established in section 256.021 if~~  
 40.7 ~~the data are pertinent and necessary for a review requested under that section.~~

 40.17 facility.

40.18 ~~(j)~~ (n) Under any notification provision of this section, where federal law specifically

 40.28 the risk of abuse. The plan shall comply with any rules governing the plan promulgated by  
 40.29 the licensing agency.

40.30 (b) Each facility, including a home health care agency and personal care attendant
