

H. F. No. **4336**

2.1 Sec. 3. **[103C.332] DISTRICT FUNDS, LEVIES, AND CHARGES.**

2.2 Subdivision 1. **District operations fund.** (a) A district must create an operations fund.

2.3 Deposits to the fund include:

2.4 (1) any ad valorem levy under this section;

2.5 (2) revenue received from the county for operation of the district under section 103C.331,
2.6 subdivision 16; and

2.7 (3) revenue collected from charges associated with establishing a soil and water
2.8 management area under section 103C.333.

2.9 (b) The money in the fund must be used for administrative costs, technical assistance,
2.10 projects, and programs that are of common benefit to the district.

2.11 Subd. 2. **Soil and water management fund.** A district may create a soil and water
2.12 management fund or funds. Deposits to the fund include:

2.13 (1) charges levied or to be levied against real property in one or more soil and water
2.14 management areas established under section 103C.333 for implementing special projects
2.15 and programs of the district or to match grants authorized by the district board; and

2.16 (2) revenue received from a county, state, or federal agency for implementing special
2.17 projects and programs of the district or to match grants.

2.18 Subd. 3. **Budget hearing.** (a) Before adopting a budget, the supervisors must hold a
2.19 public hearing on the proposed budget.

2.20 (b) The supervisors must publish a notice of the hearing with a summary of the proposed
2.21 budget in one or more newspapers of general circulation in each county containing part of
2.22 the district. The notice and summary must be published once each week for two successive
2.23 weeks before the hearing. The last publication must be at least two days before the hearing.

2.24 Subd. 4. **Budget adoption.** On or before September 15 each year, the supervisors must
2.25 adopt a budget for the next year and determine the total amount necessary to be raised to
2.26 meet the district's budget from ad valorem tax levies under this section or soil and water
2.27 management charges.

2.28 Subd. 5. **Certification of levy to auditor.** After adopting the budget and no later than
2.29 September 15, the district must certify to the auditor of each county within the district the
2.30 county's share of an authorized tax, which is an amount bearing the same proportion to the
2.31 total tax levy as the net tax capacity of the area of the county within the district bears to the

net tax capacity of the entire district. The maximum amount of a levy may not exceed 0.048 percent of taxable market value or \$1,000,000, whichever is less.

Subd. 6. **Levy.** The auditor of each county in the district must add the amount of an authorized levy made by the supervisors to the other tax levies on the property of the county within the district for collection by the county treasurer with other taxes. The county treasurer must make settlement of the taxes collected with the treasurer of the district in the same manner as other taxes are distributed to the other political subdivisions.

Sec. 4. [103C.333] SOIL AND WATER MANAGEMENT AREA.

Subdivision 1. **Soil and water management area.** A soil and water conservation district may establish, as defined in the district's comprehensive plan, a soil and water management area or areas within its territory for collecting revenues and paying the costs of programs and projects that are consistent with the district's comprehensive plan and authorized under section 103B.301, 103B.801, 103C.331, 103C.501, or 103C.601.

Subd. 2. **Procedure.** A soil and water conservation district may establish a soil and water management area only by board order after public notice and hearings. The proposed order must describe with particularity the territory or the area to be included in the soil and water management area, the purpose of the soil and water management area, the budgeting process, including public notice and hearing, that will be used to set the amount of the necessary charges each year, the methods used to determine charges, and the length of time the soil and water management area will remain in force. After adoption, the order must be filed with the county auditor and county recorder. The soil and water management area may be dissolved by the procedure prescribed for establishing the soil and water management area.

Subd. 3. **Notification.** Ten days before a hearing regarding the programs and projects implemented under this section, the supervisors must provide notice to the cities and counties in the soil and water management area. The cities and counties receiving notice must submit to the supervisors concerns relating to implementation of the programs or projects. The supervisors must consider the concerns of the cities and counties in their decision.

Sec. 6. Minnesota Statutes 2016, section 444.075, is amended by adding a subdivision to read:

Subd. 2b. Collection of charges by soil and water conservation districts. (a) With respect to soil and water conservation districts, charges established under section 103C.333 for district operations and programs and projects authorized under section 103B.301, 103C.331, 103C.501, or 103C.601 may be billed and collected in a manner the district determines, including certification to the counties with territory in the district for collection by the counties. A county may bill and collect the charges in a manner the county board determines or as described in paragraph (b).

(b) On or before October 15 each year, the district or county board may certify to the county auditor all unpaid outstanding charges and a description of the lands against which the charges arose. The county auditor must extend the charges with interest not to exceed the interest rate provided for in section 279.03, subdivision 1, upon the tax rolls of the county for the taxes of the year in which the charge is filed. For each year ending October 15, the charge with interest must be carried into the tax becoming due and payable in January of the following year and must be enforced and collected in the manner provided for enforcing and collecting real property taxes. The charges, if not paid, become delinquent and subject to the same penalties and the same rate of interest as real property taxes.

(c) Any individual may appeal the charges under section 103C.635.
