2.40 May 15, 2018

2.41 The Honorable Kurt L. Daudt
 2.42 Speaker of the House of Representatives

2.43 The Honorable Michelle L. Fischbach
 2.44 President of the Senate

2.45 We, the undersigned conferees for H. F. No. 4385 report that we have agreed upon the
 2.46 items in dispute and recommend as follows:

2.47 That the Senate recede from its amendments and that H. F. No. 4385 be further amended
 2.48 as follows:

2.49 Delete everything after the enacting clause and insert:

3.1 "ARTICLE 1

3.2 FEDERAL TAX CONFORMITY

3.3 Section 1. Minnesota Statutes 2017 Supplement, section 270A.03, subdivision 5, is
3.4 amended to read:

3.5 Subd. 5. **Debt.** (a) "Debt" means a legal obligation of a natural person to pay a fixed and
3.6 certain amount of money, which equals or exceeds \$25 and which is due and payable to a
3.7 claimant agency. The term includes criminal fines imposed under section 609.10 or 609.125,
3.8 fines imposed for petty misdemeanors as defined in section 609.02, subdivision 4a, and
3.9 restitution. A debt may arise under a contractual or statutory obligation, a court order, or
3.10 other legal obligation, but need not have been reduced to judgment.

3.11 A debt includes any legal obligation of a current recipient of assistance which is based
3.12 on overpayment of an assistance grant where that payment is based on a client waiver or
3.13 an administrative or judicial finding of an intentional program violation; or where the debt
3.14 is owed to a program wherein the debtor is not a client at the time notification is provided
3.15 to initiate recovery under this chapter and the debtor is not a current recipient of food support,
3.16 transitional child care, or transitional medical assistance.

3.17 (b) A debt does not include any legal obligation to pay a claimant agency for medical
3.18 care, including hospitalization if the income of the debtor at the time when the medical care
3.19 was rendered does not exceed the following amount:

3.20 (1) for an unmarried debtor, an income of ~~\$12,560~~ \$13,180 or less;

3.21 (2) for a debtor with one dependent, an income of ~~\$16,080~~ \$16,878 or less;

3.22 (3) for a debtor with two dependents, an income of ~~\$19,020~~ \$19,959 or less;

3.23 (4) for a debtor with three dependents, an income of ~~\$21,580~~ \$22,643 or less;

3.24 (5) for a debtor with four dependents, an income of ~~\$22,760~~ \$23,887 or less; and

3.25 (6) for a debtor with five or more dependents, an income of ~~\$23,730~~ \$24,900 or less.

3.26 For purposes of this paragraph, "debtor" means the individual whose income, together
3.27 with the income of the individual's spouse, other than a separated spouse, brings the
3.28 individual within the income provisions of this paragraph. For purposes of this paragraph,
3.29 a spouse, other than a separated spouse, shall be considered a dependent.

3.30 (c) The commissioner shall adjust the income amounts in paragraph (b) by the percentage
3.31 determined pursuant to the provisions of section 1(f) of the Internal Revenue Code, except
3.32 that in section 1(f)(3)(B) the word "~~2014~~" "2017" shall be substituted for the word "~~1992~~."

4.1 ~~For 2016, the commissioner shall then determine the percent change from the 12 months~~
 4.2 ~~ending on August 31, 2014, to the 12 months ending on August 31, 2015, and in each~~
 4.3 ~~subsequent year, from the 12 months ending on August 31, 2014, to the 12 months ending~~
 4.4 ~~on August 31 of the year preceding the taxable year. "2016." The determination of the~~
 4.5 commissioner pursuant to this subdivision shall not be considered a "rule" and shall not be
 4.6 subject to the Administrative Procedure Act contained in chapter 14. The income amount
 4.7 as adjusted must be rounded to the nearest \$10 amount. If the amount ends in \$5, the amount
 4.8 is rounded up to the nearest \$10 amount.

4.9 (d) Debt also includes an agreement to pay a MinnesotaCare premium, regardless of the
 4.10 dollar amount of the premium authorized under section 256L.15, subdivision 1a.

4.11 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
 4.12 31, 2017.

4.13 Sec. 2. Minnesota Statutes 2017 Supplement, section 289A.02, subdivision 7, is amended
 4.14 to read:

4.15 Subd. 7. **Internal Revenue Code.** Unless specifically defined otherwise, "Internal
 4.16 Revenue Code" means the Internal Revenue Code of 1986, as amended through ~~December~~
 4.17 ~~16, 2016~~ March 31, 2018.

4.18 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
 4.19 31, 2017.

4.20 Sec. 3. Minnesota Statutes 2016, section 289A.08, subdivision 1, is amended to read:

4.21 Subdivision 1. **Generally; individuals.** (a) A taxpayer must file a return for each taxable
 4.22 year the taxpayer is required to file a return under section 6012 of the Internal Revenue
 4.23 Code or meets the requirements under paragraph (d) to file a return, except that:

4.24 (1) an individual who is not a Minnesota resident for any part of the year is not required
 4.25 to file a Minnesota income tax return if the individual's gross income derived from Minnesota
 4.26 sources as determined under sections 290.081, paragraph (a), and 290.17, is less than the
 4.27 filing requirements for a single individual who is a full year resident of Minnesota; ~~and~~

4.28 (2) an individual who is a Minnesota resident is not required to file a Minnesota income
 4.29 tax return if the individual's gross income derived from Minnesota sources as determined
 4.30 under section 290.17, less the subtractions allowed under section 290.0132, subdivisions
 4.31 12 and 15, is less than the filing requirements for a single individual who is a full-year
 4.32 resident of Minnesota.

5.1 (b) The decedent's final income tax return, and other income tax returns for prior years
5.2 where the decedent had gross income in excess of the minimum amount at which an
5.3 individual is required to file and did not file, must be filed by the decedent's personal
5.4 representative, if any. If there is no personal representative, the return or returns must be
5.5 filed by the transferees, as defined in section 270C.58, subdivision 3, who receive property
5.6 of the decedent.

5.7 (c) The term "gross income," as it is used in this section, has the same meaning given it
5.8 in section 290.01, subdivision 20.

5.9 (d) The commissioner of revenue shall annually determine the gross income levels at
5.10 which individuals are required to file a return for each taxable year based on the amounts
5.11 that may be deducted under section 290.0803 and the personal and dependent exemptions
5.12 under section 290.0138.

5.13 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
5.14 31, 2017.

5.15 Sec. 4. Minnesota Statutes 2016, section 289A.08, subdivision 7, is amended to read:

5.16 Subd. 7. **Composite income tax returns for nonresident partners, shareholders, and**
5.17 **beneficiaries.** (a) The commissioner may allow a partnership with nonresident partners to
5.18 file a composite return and to pay the tax on behalf of nonresident partners who have no
5.19 other Minnesota source income. This composite return must include the names, addresses,
5.20 Social Security numbers, income allocation, and tax liability for the nonresident partners
5.21 electing to be covered by the composite return.

5.22 (b) The computation of a partner's tax liability must be determined by multiplying the
5.23 income allocated to that partner by the highest rate used to determine the tax liability for
5.24 individuals under section 290.06, subdivision 2c. Nonbusiness deductions, standard
5.25 deductions, or personal exemptions are not allowed.

5.26 (c) The partnership must submit a request to use this composite return filing method for
5.27 nonresident partners. The requesting partnership must file a composite return in the form
5.28 prescribed by the commissioner of revenue. The filing of a composite return is considered
5.29 a request to use the composite return filing method.

5.30 (d) The electing partner must not have any Minnesota source income other than the
5.31 income from the partnership and other electing partnerships. If it is determined that the
5.32 electing partner has other Minnesota source income, the inclusion of the income and tax
5.33 liability for that partner under this provision will not constitute a return to satisfy the

6.1 requirements of subdivision 1. The tax paid for the individual as part of the composite return
6.2 is allowed as a payment of the tax by the individual on the date on which the composite
6.3 return payment was made. If the electing nonresident partner has no other Minnesota source
6.4 income, filing of the composite return is a return for purposes of subdivision 1.

6.5 (e) This subdivision does not negate the requirement that an individual pay estimated
6.6 tax if the individual's liability would exceed the requirements set forth in section 289A.25.
6.7 The individual's liability to pay estimated tax is, however, satisfied when the partnership
6.8 pays composite estimated tax in the manner prescribed in section 289A.25.

6.9 (f) If an electing partner's share of the partnership's gross income from Minnesota sources
6.10 is less than the filing requirements for a nonresident under this subdivision, the tax liability
6.11 is zero. However, a statement showing the partner's share of gross income must be included
6.12 as part of the composite return.

6.13 (g) The election provided in this subdivision is only available to a partner who has no
6.14 other Minnesota source income and who is either (1) a full-year nonresident individual or
6.15 (2) a trust or estate that does not claim a deduction under either section 651 or 661 of the
6.16 Internal Revenue Code.

6.17 (h) A corporation defined in section 290.9725 and its nonresident shareholders may
6.18 make an election under this paragraph. The provisions covering the partnership apply to
6.19 the corporation and the provisions applying to the partner apply to the shareholder.

6.20 (i) Estates and trusts distributing current income only and the nonresident individual
6.21 beneficiaries of the estates or trusts may make an election under this paragraph. The
6.22 provisions covering the partnership apply to the estate or trust. The provisions applying to
6.23 the partner apply to the beneficiary.

6.24 (j) For the purposes of this subdivision, "income" means the partner's share of federal
6.25 adjusted gross income from the partnership modified by the additions provided in section
6.26 290.0131, subdivisions 8 to ~~10~~ 10 and 17, and the subtractions provided in: (1) section
6.27 290.0132, subdivision 9, to the extent the amount is assignable or allocable to Minnesota
6.28 under section 290.17; and (2) section 290.0132, subdivision 14. The subtraction allowed
6.29 under section 290.0132, subdivision 9, is only allowed on the composite tax computation
6.30 to the extent the electing partner would have been allowed the subtraction.

6.31 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
6.32 31, 2017.

7.1 Sec. 5. Minnesota Statutes 2017 Supplement, section 289A.12, subdivision 14, is amended
7.2 to read:

7.3 Subd. 14. **Reporting exempt interest and exempt-interest dividends.** (a) A regulated
7.4 investment company paying \$10 or more in exempt-interest dividends to an individual who
7.5 is a resident of Minnesota, or any person receiving \$10 or more of exempt interest or
7.6 exempt-interest dividends and paying as nominee to an individual who is a resident of
7.7 Minnesota, must make a return indicating the amount of the exempt interest or
7.8 exempt-interest dividends, the name, address, and Social Security number of the recipient,
7.9 and any other information that the commissioner specifies. The return must be provided to
7.10 the recipient by February 15 of the year following the year of the payment. The return
7.11 provided to the recipient must include a clear statement, in the form prescribed by the
7.12 commissioner, that the exempt interest or exempt-interest dividends must be included in
7.13 the computation of Minnesota taxable income. By June 1 of each year, the payer must file
7.14 a copy of the return with the commissioner.

7.15 (b) For purposes of this subdivision, the following definitions apply.

7.16 (1) "Exempt-interest dividends" mean exempt-interest dividends as defined in section
7.17 852(b)(5) of the Internal Revenue Code, but does not include the portion of exempt-interest
7.18 dividends that are not required to be added to federal ~~taxable~~ adjusted gross income under
7.19 section 290.0131, subdivision 2, paragraph (b).

7.20 (2) "Regulated investment company" means regulated investment company as defined
7.21 in section 851(a) of the Internal Revenue Code or a fund of the regulated investment company
7.22 as defined in section 851(g) of the Internal Revenue Code.

7.23 (3) "Exempt interest" means income on obligations of any state other than Minnesota,
7.24 or a political or governmental subdivision, municipality, or governmental agency or
7.25 instrumentality of any state other than Minnesota, and exempt from federal income taxes
7.26 under the Internal Revenue Code or any other federal statute.

7.27 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
7.28 31, 2017.

7.29 Sec. 6. Minnesota Statutes 2016, section 289A.20, is amended by adding a subdivision to
7.30 read:

7.31 Subd. 1a. **Tax on deferred foreign income; election to pay in installments.** (a) A
7.32 taxpayer subject to tax under section 290.06, subdivision 1, may elect to pay the net tax
7.33 liability on the deferred foreign income in installments in the same percentages of the net

8.1 tax liability for each taxable year as provided in section 965(h)(1) of the Internal Revenue
 8.2 Code. Payment of an installment for a taxable year is due on the due date, determined without
 8.3 regard to any extensions of time for filing the return, for the tax return for that taxable year.

8.4 (b) If an acceleration of payment applies for federal income tax purposes under section
 8.5 965(h)(3) of the Internal Revenue Code, the unpaid portion of the remaining installments
 8.6 due under chapter 290 must be paid on the same date as the federal tax is due. Assessment
 8.7 of deficiencies must be prorated as provided under section 965(h)(4) of the Internal Revenue
 8.8 Code.

8.9 (c) For purposes of this subdivision, "net tax liability" means the excess of:

8.10 (1) the tax liability, determined under chapter 290, for the taxable year in which the
 8.11 deferred foreign income was includible in federal taxable income; over

8.12 (2) the tax liability, determined under chapter 290, for that taxable year computed after
 8.13 excluding the deferred foreign income under section 965 of the Internal Revenue Code.

8.14 **EFFECTIVE DATE.** This section is effective retroactively for taxable years beginning
 8.15 after December 31, 2016.

23.31 (1) On the first ~~\$35,480~~ \$37,850, ~~5.35~~ 5.25 percent;

24.1 (2) On all over ~~\$35,480~~ \$37,850, but not over ~~\$140,960~~ \$150,380, ~~7.05~~ 6.85 percent;

24.4 Married individuals filing separate returns, estates, and trusts must compute their income
24.5 tax by applying the above rates to their taxable income, except that the income brackets
24.6 will be one-half of the above amounts.

24.7 (b) The income taxes imposed by this chapter upon unmarried individuals must be
24.8 computed by applying to taxable net income the following schedule of rates:

24.9 (1) On the first ~~\$24,270~~ \$25,890, ~~5.35~~ 5.25 percent;

24.13 (c) The income taxes imposed by this chapter upon unmarried individuals qualifying as

24.22 amount determined by the commissioner must be computed in accordance with tables
24.23 prepared and issued by the commissioner of revenue based on income brackets of not more
24.24 than \$100. The amount of tax for each bracket shall be computed at the rates set forth in
24.25 this subdivision, provided that the commissioner may disregard a fractional part of a dollar
24.26 unless it amounts to 50 cents or more, in which case it may be increased to \$1.

24.27 (e) An individual who is not a Minnesota resident for the entire year must compute the
24.28 individual's Minnesota income tax as provided in this subdivision. After the application of
24.29 the nonrefundable credits provided in this chapter, the tax liability must then be multiplied
24.30 by a fraction in which:

25.1 (1) the numerator is the individual's Minnesota source federal adjusted gross income as
 25.2 ~~defined in section 62 of the Internal Revenue Code~~ and increased by the additions required
 25.3 under section 290.0131, subdivisions 2 ~~and~~ 6 to 10, 16, and 17, and reduced by the

 25.6 9, 10, 14, 15, 17, ~~and 18, and 27 to 29~~, after applying the allocation and assignability
 25.7 provisions of section 290.081, clause (a), or 290.17; and

 25.11 290.0132, subdivisions 2, 9, 10, 14, 15, 17, ~~and 18, and 27 to 29~~.

25.12 (f) For taxable years beginning after December 31, 2017, and before January 1, 2020,
 25.13 a rate of 5.3 percent applies instead of the 5.25 percent rate in paragraphs (a) to (c), and a

 25.21 determined under paragraph (b). ~~For the purpose of making the adjustment as provided in~~
 25.22 ~~this subdivision all of the rate brackets provided in subdivision 2c shall be the rate brackets~~
 25.23 ~~as they existed for taxable years beginning after December 31, 2012, and before January 1,~~
 25.24 ~~2014.~~ The rate applicable to any rate bracket must not be changed. The dollar amounts
 25.25 setting forth the tax shall be adjusted to reflect the changes in the rate brackets. The rate
 25.26 brackets as adjusted must be rounded to the nearest \$10 amount. If the rate bracket ends in
 25.27 \$5, it must be rounded up to the nearest \$10 amount.

25.28 (b) The commissioner shall adjust the rate brackets and by the percentage determined
 25.29 pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section
 25.30 1(f)(3)(B) the word "~~2012~~" "2017" shall be substituted for the word "~~1992~~." ~~For 2014, the~~
 25.31 ~~commissioner shall then determine the percent change from the 12 months ending on August~~
 25.32 ~~31, 2012, to the 12 months ending on August 31, 2013, and in each subsequent year, from~~
 25.33 ~~the 12 months ending on August 31, 2012, to the 12 months ending on August 31 of the~~
 25.34 ~~year preceding the taxable year.~~ "2016." The determination of the commissioner pursuant

26.1 to this subdivision shall not be considered a "rule" and shall not be subject to the
26.2 Administrative Procedure Act contained in chapter 14.

26.3 No later than December 15 of each year, the commissioner shall announce the specific
26.4 percentage that will be used to adjust the tax rate brackets.

26.5 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
26.6 31, 2017.

26.7 Sec. 42. Minnesota Statutes 2017 Supplement, section 290.067, subdivision 1, is amended
26.8 to read:

26.9 Subdivision 1. **Amount of credit.** (a) A taxpayer may take as a credit against the tax
26.10 due from the taxpayer and a spouse, if any, under this chapter an amount equal to the
26.11 dependent care credit for which the taxpayer is eligible pursuant to the provisions of section
26.12 21 of the Internal Revenue Code except that in determining whether the child qualified as
26.13 a dependent, income received as a Minnesota family investment program grant or allowance
26.14 to or on behalf of the child must not be taken into account in determining whether the child
26.15 received more than half of the child's support from the taxpayer, and the provisions of
26.16 section 32(b)(1)(D) of the Internal Revenue Code do not apply.

26.17 (b) If a child who has not attained the age of six years at the close of the taxable year is
26.18 cared for at a licensed family day care home operated by the child's parent, the taxpayer is
26.19 deemed to have paid employment-related expenses. If the child is 16 months old or younger
26.20 at the close of the taxable year, the amount of expenses deemed to have been paid equals
26.21 the maximum limit for one qualified individual under section 21(c) and (d) of the Internal
26.22 Revenue Code. If the child is older than 16 months of age but has not attained the age of
26.23 six years at the close of the taxable year, the amount of expenses deemed to have been paid
26.24 equals the amount the licensee would charge for the care of a child of the same age for the
26.25 same number of hours of care.

26.26 (c) If a married couple:

26.27 (1) has a child who has not attained the age of one year at the close of the taxable year;

26.28 (2) files a joint tax return for the taxable year; and

26.29 (3) does not participate in a dependent care assistance program as defined in section 129
26.30 of the Internal Revenue Code, in lieu of the actual employment related expenses paid for
26.31 that child under paragraph (a) or the deemed amount under paragraph (b), the lesser of (i)
26.32 the combined earned income of the couple or (ii) the amount of the maximum limit for one
26.33 qualified individual under section 21(c) and (d) of the Internal Revenue Code will be deemed

27.1 to be the employment related expense paid for that child. The earned income limitation of
27.2 section 21(d) of the Internal Revenue Code shall not apply to this deemed amount. These
27.3 deemed amounts apply regardless of whether any employment-related expenses have been
27.4 paid.

27.5 (d) If the taxpayer is not required and does not file a federal individual income tax return
27.6 for the tax year, no credit is allowed for any amount paid to any person unless:

27.7 (1) the name, address, and taxpayer identification number of the person are included on
27.8 the return claiming the credit; or

27.9 (2) if the person is an organization described in section 501(c)(3) of the Internal Revenue
27.10 Code and exempt from tax under section 501(a) of the Internal Revenue Code, the name
27.11 and address of the person are included on the return claiming the credit.

27.12 In the case of a failure to provide the information required under the preceding sentence,
27.13 the preceding sentence does not apply if it is shown that the taxpayer exercised due diligence
27.14 in attempting to provide the information required.

27.15 (e) In the case of a nonresident, part-year resident, or a person who has earned income
27.16 not subject to tax under this chapter including earned income excluded pursuant to section
27.17 290.0132, subdivision 10, the credit determined under section 21 of the Internal Revenue
27.18 Code must be allocated based on the ratio by which the earned income of the claimant and
27.19 the claimant's spouse from Minnesota sources bears to the total earned income of the claimant
27.20 and the claimant's spouse.

27.21 (f) For residents of Minnesota, the subtractions for military pay under section 290.0132,
27.22 subdivisions 11 and 12, are not considered "earned income not subject to tax under this
27.23 chapter."

27.24 (g) For residents of Minnesota, the exclusion of combat pay under section 112 of the
27.25 Internal Revenue Code is not considered "earned income not subject to tax under this
27.26 chapter."

27.27 (h) For taxpayers with federal adjusted gross income in excess of ~~\$50,000~~ \$50,990, the
27.28 credit is equal to the lesser of the credit otherwise calculated under this subdivision, or the
27.29 amount equal to \$600 minus five percent of federal adjusted gross income in excess of
27.30 ~~\$50,000~~ \$50,990 for taxpayers with one qualified individual, or \$1,200 minus five percent
27.31 of federal adjusted gross income in excess of ~~\$50,000~~ \$50,990 for taxpayers with two or
27.32 more qualified individuals, but in no case is the credit less than zero.

28.1 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
 28.2 31, 2017.

28.3 Sec. 43. Minnesota Statutes 2017 Supplement, section 290.067, subdivision 2b, is amended
 28.4 to read:

28.5 Subd. 2b. **Inflation adjustment.** The commissioner shall adjust the dollar amount of
 28.6 the income threshold at which the maximum credit begins to be reduced under subdivision
 28.7 1 by the percentage determined pursuant to the provisions of section 1(f) of the Internal
 28.8 Revenue Code, except that in section 1(f)(3)(B) the word "~~2016~~" "2017" shall be substituted
 28.9 for the word "~~1992~~." ~~For 2018, the commissioner shall then determine the percent change~~
 28.10 ~~from the 12 months ending on August 31, 2016, to the 12 months ending on August 31,~~
 28.11 ~~2017, and in each subsequent year, from the 12 months ending on August 31, 2016, to the~~
 28.12 ~~12 months ending on August 31 of the year preceding the taxable year.~~ "2016." The
 28.13 determination of the commissioner pursuant to this subdivision must not be considered a
 28.14 "rule" and is not subject to the Administrative Procedure Act contained in chapter 14. The
 28.15 threshold amount as adjusted must be rounded to the nearest \$10 amount. If the amount
 28.16 ends in \$5, the amount is rounded up to the nearest \$10 amount.

28.17 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
 28.18 31, 2017.

28.19 Sec. 44. Minnesota Statutes 2017 Supplement, section 290.0671, subdivision 1, is amended
 28.20 to read:

28.21 Subdivision 1. **Credit allowed.** (a) An individual who is a resident of Minnesota is
 28.22 allowed a credit against the tax imposed by this chapter equal to a percentage of earned
 28.23 income. To receive a credit, a taxpayer must be eligible for a credit under section 32 of the
 28.24 Internal Revenue Code, except that a taxpayer with no qualifying children who has attained
 28.25 the age of 21, but not attained age 65 before the close of the taxable year and is otherwise
 28.26 eligible for a credit under section 32 of the Internal Revenue Code may also receive a credit.

28.27 (b) For individuals with no qualifying children, the credit equals 2.10 percent of the first
 28.28 ~~\$6,180~~ \$6,480 of earned income. The credit is reduced by 2.01 percent of earned income
 28.29 or adjusted gross income, whichever is greater, in excess of ~~\$8,130~~ \$8,530, but in no case
 28.30 is the credit less than zero.

28.31 (c) For individuals with one qualifying child, the credit equals 9.35 percent of the first
 28.32 ~~\$11,120~~ \$11,670 of earned income. The credit is reduced by 6.02 percent of earned income

29.1 or adjusted gross income, whichever is greater, in excess of ~~\$21,190~~ \$22,340, but in no case
 29.2 is the credit less than zero.

29.3 (d) For individuals with two or more qualifying children, the credit equals 11 percent
 29.4 of the first ~~\$18,240~~ \$19,130 of earned income. The credit is reduced by 10.82 percent of
 29.5 earned income or adjusted gross income, whichever is greater, in excess of ~~\$25,130~~ \$26,360,
 29.6 but in no case is the credit less than zero.

29.7 (e) For a part-year resident, the credit must be allocated based on the percentage calculated
 29.8 under section 290.06, subdivision 2c, paragraph (e).

29.9 (f) For a person who was a resident for the entire tax year and has earned income not
 29.10 subject to tax under this chapter, including income excluded under section 290.0132,
 29.11 subdivision 10, the credit must be allocated based on the ratio of federal adjusted gross
 29.12 income reduced by the earned income not subject to tax under this chapter over federal
 29.13 adjusted gross income. For purposes of this paragraph, the following clauses are not
 29.14 considered "earned income not subject to tax under this chapter":

29.15 (1) the subtractions for military pay under section 290.0132, subdivisions 11 and 12;

29.16 (2) the exclusion of combat pay under section 112 of the Internal Revenue Code; and

 29.20 (b), the ~~\$21,190~~ \$22,340 in paragraph (c), and the ~~\$25,130~~ \$26,360 in paragraph (d), after
 29.21 being adjusted for inflation under subdivision 7, are each increased by ~~\$5,000~~ \$5,700 for
 29.22 married taxpayers filing joint returns. For tax years beginning after December 31, ~~2013~~
 29.23 2018, the commissioner shall annually adjust the ~~\$5,000~~ \$5,700 by the percentage determined
 29.24 pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section
 29.25 1(f)(3)(B), the word "~~2008~~" "2017" shall be substituted for the word "~~1992~~." ~~For 2014, the~~
 29.26 ~~commissioner shall then determine the percent change from the 12 months ending on August~~
 29.27 ~~31, 2008, to the 12 months ending on August 31, 2013, and in each subsequent year, from~~
 29.28 ~~the 12 months ending on August 31, 2008, to the 12 months ending on August 31 of the~~
 29.29 ~~year preceding the taxable year.~~ "2016." The earned income thresholds as adjusted for
 29.30 inflation must be rounded to the nearest \$10. If the amount ends in \$5, the amount is rounded
 29.31 up to the nearest \$10. The determination of the commissioner under this subdivision is not
 29.32 a rule under the Administrative Procedure Act.

30.1 (h) The commissioner shall construct tables showing the amount of the credit at various
 30.2 income levels and make them available to taxpayers. The tables shall follow the schedule
 30.3 contained in this subdivision, except that the commissioner may graduate the transition
 30.4 between income brackets.

30.5 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December

30.8 Subd. 7. **Inflation adjustment.** The earned income amounts used to calculate the credit
 30.9 and the income thresholds at which the maximum credit begins to be reduced in subdivision
 30.10 1 must be adjusted for inflation. The commissioner shall adjust by the percentage determined
 30.11 pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section
 30.12 1(f)(3)(B) the word "~~2013~~" "2017" shall be substituted for the word "~~1992~~." ~~For 2015, the~~
 30.13 ~~commissioner shall then determine the percent change from the 12 months ending on August~~
 30.14 ~~31, 2013, to the 12 months ending on August 31, 2014, and in each subsequent year, from~~
 30.15 ~~the 12 months ending on August 31, 2013, to the 12 months ending on August 31 of the~~
 30.16 ~~year preceding the taxable year.~~ "2016." The earned income thresholds as adjusted for
 30.17 inflation must be rounded to the nearest \$10 amount. If the amount ends in \$5, the amount
 30.18 is rounded up to the nearest \$10 amount. The determination of the commissioner under this
 30.19 subdivision is not a rule under the Administrative Procedure Act.

33.4 offset costs associated with personnel and administrative expenses related to administering
33.5 the credit and preparing the economic impact report in subdivision 9. Application fees are

34.6 application or must issue a grant to the recipient designated in the application. The credit
34.7 certificate must state the amount of the credit.

34.8 (2) The credit amount equals the federal credit allowed for the project.

34.9 (3) The grant amount equals 90 percent of the federal credit allowed for the project.

34.10 (b) The recipient of a credit certificate may assign the certificate to another taxpayer
34.11 before the first one-fifth payment is claimed, which is then allowed the credit under this
34.12 section or section 297I.20, subdivision 3. An assignment is not valid unless the assignee
34.13 notifies the commissioner within 30 days of the date that the assignment is made. The
34.14 commissioner shall prescribe the forms necessary for notifying the commissioner of the
34.15 assignment of a credit certificate and for claiming a credit by assignment.

34.28 (b) The amount of the credit allowed equals 50 percent of contributions for the taxable

34.30 case is the credit less than zero.

34.31 (c) For individual filers, the maximum credit is reduced by two percent of adjusted gross
34.32 income in excess of ~~\$75,000~~ \$76,490.

35.1 (d) For married couples filing a joint return, the maximum credit is phased out as follows:

35.2 (1) for married couples with adjusted gross income in excess of ~~\$75,000~~ \$76,490, but

 35.6 not more than ~~\$135,000~~ \$137,680, the maximum credit is \$250; and

35.7 (3) for married couples with adjusted gross income in excess of ~~\$135,000~~ \$137,680, the
 35.8 maximum credit is \$250, reduced by one percent of adjusted gross income in excess of
 35.9 ~~\$135,000~~ \$137,680.

35.10 (e) The income thresholds in paragraphs (c) and (d) used to calculate the maximum
 35.11 credit must be adjusted for inflation. The commissioner shall adjust the income thresholds
 35.12 by the percentage determined under the provisions of section 1(f) of the Internal Revenue
 35.13 Code, except that in section 1(f)(3)(B) the word "~~2016~~" "2017" is substituted for the word
 35.14 "~~1992~~." ~~For 2018, the commissioner shall then determine the percent change from the 12~~
 35.15 ~~months ending on August 31, 2016, to the 12 months ending on August 31, 2017, and in~~
 35.16 ~~each subsequent year, from the 12 months ending on August 31, 2016, to the 12 months~~
 35.17 ~~ending on August 31 of the year preceding the taxable year. "2016."~~ The income thresholds
 35.18 as adjusted for inflation must be rounded to the nearest \$10 amount. If the amount ends in
 35.19 \$5, the amount is rounded up to the nearest \$10 amount. The determination of the

35.24 Subd. 2. **Subtraction.** (a) A qualified individual is allowed a subtraction from federal
 35.25 ~~taxable~~ adjusted gross income of the individual's subtraction base amount. The excess of
 35.26 the subtraction base amount over the taxable net income computed without regard to the
 35.27 subtraction for the elderly or disabled under section 290.0132, subdivision 5, may be used
 35.28 to reduce the amount of a lump sum distribution subject to tax under section 290.032.

35.29 (b)(1) The initial subtraction base amount equals

35.30 (i) \$12,000 for a married taxpayer filing a joint return if a spouse is a qualified individual,

35.31 (ii) \$9,600 for a single taxpayer, and

35.32 (iii) \$6,000 for a married taxpayer filing a separate federal return.

36.1 (2) The qualified individual's initial subtraction base amount, then, must be reduced by
 36.2 the sum of nontaxable retirement and disability benefits and one-half of the amount of
 36.3 adjusted gross income in excess of the following thresholds:

36.4 (i) \$18,000 for a married taxpayer filing a joint return if both spouses are qualified
 36.5 individuals,

36.9 (3) In the case of a qualified individual who is under the age of 65, the maximum amount
 36.10 of the subtraction base may not exceed the taxpayer's disability income.

36.11 (4) The resulting amount is the subtraction base amount.

36.12 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
 36.13 31, 2017.

36.14 Sec. 54. **[290.0803] STANDARD OR ITEMIZED DEDUCTION.**

36.15 **Subdivision 1. Election.** An individual may elect to claim a state standard deduction in
 36.16 lieu of state itemized deductions. In the case of a married individual filing a separate return,
 36.17 if one spouse elects to claim state itemized deductions, the other spouse is not allowed a
 36.18 state standard deduction.

36.19 **Subd. 2. Subtraction.** Based on the election under subdivision 1, individuals are allowed
 36.20 to subtract from federal adjusted gross income the state standard deduction or the state
 36.21 itemized deduction.

36.22 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December
 36.23 31, 2017.

 63.10 determined by excluding property and payroll in the zone from the computations of the fee
 63.11 or by exempting the entity under section 290.0922, subdivision 2, clause (7).

63.12 ~~(b) (d)~~ No subtraction is allowed under this section in excess of 20 percent of the sum

64.5 Section 1. Minnesota Statutes 2016, section 116J.8737, subdivision 5, is amended to read:

64.6 Subd. 5. **Credit allowed.** (a)(1) A qualified investor or qualified fund is eligible for a
 64.7 credit equal to 25 percent of the qualified investment in a qualified small business.

64.8 Investments made by a pass-through entity qualify for a credit only if the entity is a qualified
 64.9 fund. The commissioner must not allocate more than ~~\$15,000,000~~ \$5,000,000 in credits to
 64.10 qualified investors or qualified funds for taxable years beginning after December 31, ~~2013~~
 64.11 2017, and before January 1, ~~2017~~, ~~and must not allocate more than \$10,000,000 in credits~~
 64.12 ~~to qualified investors or qualified funds for taxable years beginning after December 31,~~
 64.13 ~~2016, and before January 1, 2018~~ 2019; and

64.14 ~~(2) for taxable years beginning after December 31, 2014, and before January 1, 2018;~~
 64.15 50 percent must be allocated to credits for qualifying investments in qualified greater
 64.16 Minnesota businesses and minority- or women-owned qualified small businesses in
 64.17 Minnesota. Any portion of a taxable year's credits that is reserved for qualifying investments
 64.18 in greater Minnesota businesses and minority- or women-owned qualified small businesses
 64.19 in Minnesota that is not allocated by September 30 of the taxable year is available for
 64.20 allocation to other credit applications beginning on October 1. Any portion of a taxable
 64.21 year's credits that is not allocated by the commissioner does not cancel and may be carried
 64.22 forward to subsequent taxable years until all credits have been allocated.

64.23 (b) The commissioner may not allocate more than a total maximum amount in credits
 64.24 for a taxable year to a qualified investor for the investor's cumulative qualified investments
 64.25 as an individual qualified investor and as an investor in a qualified fund; for married couples
 64.26 filing joint returns the maximum is \$250,000, and for all other filers the maximum is
 64.27 \$125,000. The commissioner may not allocate more than a total of \$1,000,000 in credits
 64.28 over all taxable years for qualified investments in any one qualified small business.

64.29 (c) The commissioner may not allocate a credit to a qualified investor either as an
 64.30 individual qualified investor or as an investor in a qualified fund if, at the time the investment
 64.31 is proposed:

64.32 (1) the investor is an officer or principal of the qualified small business; or

65.1 (2) the investor, either individually or in combination with one or more members of the
65.2 investor's family, owns, controls, or holds the power to vote 20 percent or more of the
65.3 outstanding securities of the qualified small business.

65.4 A member of the family of an individual disqualified by this paragraph is not eligible for a
65.5 credit under this section. For a married couple filing a joint return, the limitations in this
65.6 paragraph apply collectively to the investor and spouse. For purposes of determining the
65.7 ownership interest of an investor under this paragraph, the rules under section 267(c) and
65.8 267(e) of the Internal Revenue Code apply.

65.9 (d) Applications for tax credits ~~for 2010~~ must be made available on the department's
65.10 Web site by ~~September 1, 2010, and the department must begin accepting applications by~~
65.11 ~~September 1, 2010. Applications for subsequent years must be made available by~~ November
65.12 1 of the preceding year.

65.13 (e) Qualified investors and qualified funds must apply to the commissioner for tax credits.
65.14 Tax credits must be allocated to qualified investors or qualified funds in the order that the
65.15 tax credit request applications are filed with the department. The commissioner must approve
65.16 or reject tax credit request applications within 15 days of receiving the application. The
65.17 investment specified in the application must be made within 60 days of the allocation of
65.18 the credits. If the investment is not made within 60 days, the credit allocation is canceled
65.19 and available for reallocation. A qualified investor or qualified fund that fails to invest as
65.20 specified in the application, within 60 days of allocation of the credits, must notify the
65.21 commissioner of the failure to invest within five business days of the expiration of the
65.22 60-day investment period.

65.23 (f) All tax credit request applications filed with the department on the same day must
65.24 be treated as having been filed contemporaneously. If two or more qualified investors or
65.25 qualified funds file tax credit request applications on the same day, and the aggregate amount
65.26 of credit allocation claims exceeds the aggregate limit of credits under this section or the
65.27 lesser amount of credits that remain unallocated on that day, then the credits must be allocated
65.28 among the qualified investors or qualified funds who filed on that day on a pro rata basis
65.29 with respect to the amounts claimed. The pro rata allocation for any one qualified investor
65.30 or qualified fund is the product obtained by multiplying a fraction, the numerator of which
65.31 is the amount of the credit allocation claim filed on behalf of a qualified investor and the
65.32 denominator of which is the total of all credit allocation claims filed on behalf of all
65.33 applicants on that day, by the amount of credits that remain unallocated on that day for the
65.34 taxable year.

66.1 (g) A qualified investor or qualified fund, or a qualified small business acting on their
 66.2 behalf, must notify the commissioner when an investment for which credits were allocated

 66.4 must also provide the commissioner with a statement indicating the amount invested by
 66.5 each investor in the qualified fund based on each investor's share of the assets of the qualified
 66.6 fund at the time of the qualified investment. After receiving notification that the investment
 66.7 was made, the commissioner must issue credit certificates for the taxable year in which the
 66.8 investment was made to the qualified investor or, for an investment made by a qualified
 66.9 fund, to each qualified investor who is an investor in the fund. The certificate must state
 66.10 that the credit is subject to revocation if the qualified investor or qualified fund does not
 66.11 hold the investment in the qualified small business for at least three years, consisting of the
 66.12 calendar year in which the investment was made and the two following years. The three-year
 66.13 holding period does not apply if:

66.14 (1) the investment by the qualified investor or qualified fund becomes worthless before
 66.15 the end of the three-year period;

66.16 (2) 80 percent or more of the assets of the qualified small business is sold before the end

 66.20 before the end of the three-year period; or

66.21 (5) the qualified investor dies before the end of the three-year period.

66.22 (h) The commissioner must notify the commissioner of revenue of credit certificates
 66.23 issued under this section.

 70.22 to read:

70.23 Subd. 1a. **Definitions.** (a) For purposes of this section, the following terms have the
 70.24 meanings given, unless the context clearly indicates otherwise.

 70.27 state or country a similar certificate issued under that state's or country's law that documents
 70.28 that the still birth occurred.

 71.4 certificate of birth resulting in stillbirth; or

71.7 (d) "Stillbirth" means a birth for which a fetal death report would be required under
 71.8 section 144.222, subdivision 1, if the birth occurred in this state.

71.9 **EFFECTIVE DATE.** This section is effective retroactively for taxable years beginning
 71.10 after December 31, 2015.

71.11 Sec. 10. Minnesota Statutes 2017 Supplement, section 290.17, subdivision 4, is amended
 71.12 to read:

71.13 Subd. 4. **Unitary business principle.** (a) If a trade or business conducted wholly within
 71.14 this state or partly within and partly without this state is part of a unitary business, the entire
 71.15 income of the unitary business is subject to apportionment pursuant to section 290.191.
 71.16 Notwithstanding subdivision 2, paragraph (c), none of the income of a unitary business is
 71.17 considered to be derived from any particular source and none may be allocated to a particular
 71.18 place except as provided by the applicable apportionment formula. The provisions of this
 71.19 subdivision do not apply to business income subject to subdivision 5, income of an insurance
 71.20 company, or income of an investment company determined under section 290.36.

71.21 (b) The term "unitary business" means business activities or operations which result in
 71.22 a flow of value between them. The term may be applied within a single legal entity or
 71.23 between multiple entities and without regard to whether each entity is a sole proprietorship,
 71.24 a corporation, a partnership or a trust.

71.25 (c) Unity is presumed whenever there is unity of ownership, operation, and use, evidenced
 71.26 by centralized management or executive force, centralized purchasing, advertising,
 71.27 accounting, or other controlled interaction, but the absence of these centralized activities
 71.28 will not necessarily evidence a nonunitary business. Unity is also presumed when business
 71.29 activities or operations are of mutual benefit, dependent upon or contributory to one another,
 71.30 either individually or as a group.

71.31 (d) Where a business operation conducted in Minnesota is owned by a business entity
 71.32 that carries on business activity outside the state different in kind from that conducted within
 71.33 this state, and the other business is conducted entirely outside the state, it is presumed that

72.1 the two business operations are unitary in nature, interrelated, connected, and interdependent
72.2 unless it can be shown to the contrary.

72.3 (e) Unity of ownership does not exist when two or more corporations are involved unless
72.4 more than 50 percent of the voting stock of each corporation is directly or indirectly owned
72.5 by a common owner or by common owners, either corporate or noncorporate, or by one or
72.6 more of the member corporations of the group. For this purpose, the term "voting stock"
72.7 shall include membership interests of mutual insurance holding companies formed under
72.8 section 66A.40.

72.9 (f) The net income and apportionment factors under section 290.191 or 290.20 of foreign
72.10 corporations and other foreign entities, but excluding a disqualified captive insurance
72.11 company, which are part of a unitary business shall not be included in the net income or
72.12 the apportionment factors of the unitary business; except that the income and apportionment
72.13 factors of a foreign entity, other than an entity treated as a C corporation for federal income
72.14 tax purposes, that are included in the federal taxable income, as defined in section 63 of the
72.15 Internal Revenue Code as amended through the date named in section 290.01, subdivision
72.16 19, of a domestic corporation, domestic entity, or individual must be included in determining
72.17 net income and the factors to be used in the apportionment of net income pursuant to section
72.18 290.191 or 290.20. A foreign corporation or other foreign entity which is not included on
72.19 a combined report and which is required to file a return under this chapter shall file on a
72.20 separate return basis.

72.21 (g) For purposes of determining the net income of a unitary business and the factors to
72.22 be used in the apportionment of net income pursuant to section 290.191 or 290.20, there
72.23 must be included only the income and apportionment factors of domestic corporations or
72.24 other domestic entities that are determined to be part of the unitary business pursuant to this
72.25 subdivision, notwithstanding that foreign corporations or other foreign entities might be
72.26 included in the unitary business; except that the income and apportionment factors of a
72.27 foreign entity, other than an entity treated as a C corporation for federal income tax purposes,
72.28 that is included in the federal taxable income, as defined in section 63 of the Internal Revenue
72.29 Code as amended through the date named in section 290.01, subdivision 19, of a domestic
72.30 corporation, domestic entity, or individual must be included in determining net income and
72.31 the factors to be used in the apportionment of net income pursuant to section 290.191 or
72.32 290.20.

72.33 (h) Each corporation or other entity, except a sole proprietorship, that is part of a unitary
72.34 business must file combined reports as the commissioner determines. On the reports, all
72.35 intercompany transactions between entities included pursuant to paragraph (g) must be

73.1 eliminated and the entire net income of the unitary business determined in accordance with
 73.2 this subdivision is apportioned among the entities by using each entity's Minnesota factors
 73.3 for apportionment purposes in the numerators of the apportionment formula and the total
 73.4 factors for apportionment purposes of all entities included pursuant to paragraph (g) in the
 73.5 denominators of the apportionment formula. Except as otherwise provided by paragraph
 73.6 (f), all sales of the unitary business made within this state pursuant to section 290.191 or
 73.7 290.20 must be included on the combined report of a corporation or other entity that is a
 73.8 member of the unitary business and is subject to the jurisdiction of this state to impose tax
 73.9 under this chapter.

73.10 (i) If a corporation has been divested from a unitary business and is included in a
 73.11 combined report for a fractional part of the common accounting period of the combined
 73.12 report:

73.13 (1) its income includable in the combined report is its income incurred for that part of
 73.14 the year determined by proration or separate accounting; and

73.15 (2) its sales, property, and payroll included in the apportionment formula must be prorated
 73.16 or accounted for separately.

73.17 (j) For purposes of this subdivision, "insurance company" means an insurance company,
 73.18 as defined in section 290.01, subdivision 5b, that is:

73.19 ~~(1) licensed to engage in the business of insurance in Minnesota pursuant to chapter~~
 73.20 ~~60A; or~~

73.21 ~~(2) domiciled and licensed to engage in the business of insurance in another state or~~
 73.22 ~~country that imposes retaliatory taxes, fines, deposits, penalties, licenses, or fees and that~~
 73.23 ~~does not grant, on a reciprocal basis, exemption from such retaliatory taxes to insurance~~
 73.24 ~~companies or their agents domiciled in Minnesota.~~

73.25 ~~(k) For purposes of this subdivision, "retaliatory taxes" means taxes imposed on insurance~~
 73.26 ~~companies organized in another state or country that result from the fact that an insurance~~
 73.27 ~~company organized in the taxing jurisdiction and doing business in the other jurisdiction is~~
 73.28 ~~subject to taxes, fines, deposits, penalties, licenses, or fees in an amount exceeding that~~
 73.29 ~~imposed by the taxing jurisdiction upon an insurance company organized in the other state~~
 73.30 ~~or country and doing business to the same extent in the taxing jurisdiction not a disqualified~~
 73.31 ~~captive insurance company.~~

73.32 **EFFECTIVE DATE.** This section is effective retroactively for taxable years beginning
 73.33 after December 31, 2016.

74.1 Sec. 11. Minnesota Statutes 2016, section 291.03, subdivision 8, is amended to read:

74.5 Internal Revenue Code, or a trust whose present beneficiaries are all family members as
74.6 defined in section 2032A(e)(2) of the Internal Revenue Code.

74.7 (c) "Qualified heir" means a family member who acquired qualified property upon the
74.8 death of the decedent and satisfies the requirement under subdivision 9, clause ~~(7)~~ (8), or
74.9 subdivision 10, clause (5), for the property.

74.10 (d) "Qualified property" means qualified small business property under subdivision 9
74.11 and qualified farm property under subdivision 10.

74.12 **EFFECTIVE DATE.** This section is effective the day following final enactment.

74.13 Sec. 12. Minnesota Statutes 2017 Supplement, section 291.03, subdivision 9, is amended
74.14 to read:

74.15 Subd. 9. **Qualified small business property.** Property satisfying all of the following
74.16 requirements is qualified small business property:

74.17 (1) The value of the property was included in the federal adjusted taxable estate.

74.18 (2) The property consists of the assets of a trade or business or shares of stock or other
74.19 ownership interests in a corporation or other entity engaged in a trade or business. Shares
74.20 of stock in a corporation or an ownership interest in another type of entity do not qualify
74.21 under this subdivision if the shares or ownership interests are traded on a public stock
74.22 exchange at any time during the three-year period ending on the decedent's date of death.
74.23 For purposes of this subdivision, an ownership interest includes the interest the decedent is
74.24 deemed to own under ~~sections~~ section 2036, 2037, ~~and~~ 2038, 2040, or 2044 of the Internal
74.25 Revenue Code.

74.26 (3) During the taxable year that ended before the decedent's death, the trade or business
74.27 must not have been a passive activity within the meaning of section 469(c) of the Internal

74.29 in the trade or business within the meaning of section 469(h) of the Internal Revenue Code,
74.30 excluding section 469(h)(3) of the Internal Revenue Code and any other provision provided
74.31 by United States Treasury Department regulation that substitutes material participation in

75.1 prior taxable years for material participation in the taxable year that ended before the
75.2 decedent's death.

75.3 (4) The gross annual sales of the trade or business were \$10,000,000 or less for the last
75.4 taxable year that ended before the date of the death of the decedent.

75.5 (5) The property does not include:

75.6 (i) cash;

75.7 (ii) cash equivalents;

75.10 (6) For property consisting of shares of stock or other ownership interests in an entity,
75.11 the value of items described in clause (5) must be excluded in the valuation of the decedent's
75.12 interest in the entity.

75.13 (7) The decedent or the decedent's spouse continuously owned the property, or an
75.14 undivided or joint interest in the property, including property the decedent or the decedent's
75.15 spouse is deemed to own under ~~sections~~ section 2036, 2037, and 2038, 2040, or 2044 of
75.16 the Internal Revenue Code, or under subdivision 1d, for the three-year period ending on the
75.17 date of death of the decedent. In the case of a sole proprietor, if the property replaced similar
75.18 property within the three-year period, the replacement property will be treated as having
75.19 been owned for the three-year period ending on the date of death of the decedent. For the
75.20 purposes of the three-year holding period under this clause, any ownership by the decedent's
75.21 spouse, whether the spouse predeceases or survives the decedent, is attributed to the decedent.

75.22 (8) For three years following the date of death of the decedent, the trade or business is
75.23 not a passive activity within the meaning of section 469(c) of the Internal Revenue Code,
75.24 and a family member materially participates in the operation of the trade or business within
75.25 the meaning of section 469(h) of the Internal Revenue Code, excluding section 469(h)(3)
75.26 of the Internal Revenue Code and any other provision provided by United States Treasury
75.27 Department regulation that substitutes material participation in prior taxable years for
75.28 material participation in the three years following the date of death of the decedent.

75.29 (9) The estate and the qualified heir elect to treat the property as qualified small business
75.30 property and agree, in the form prescribed by the commissioner, to pay the recapture tax
75.31 under subdivision 11, if applicable.

76.1 **EFFECTIVE DATE.** This section is effective retroactively for estates of decedents

88.14 residing on it; or

 89.13 tier homestead classification rate on any remaining market value in the first homestead class
 89.14 tier that is in excess of the market value of the shareholder's, member's, or partner's class 2
 89.15 agricultural homestead property, if the owner, or someone acting on the owner's behalf
 89.16 notifies the county assessor by July 1 that the property may be eligible under this paragraph
 89.17 for the current assessment year, for taxes payable in the following year. As used in this
 89.18 paragraph, "agricultural property" means property classified as 2a under section 273.13,

90.3 Homesteads initially classified as class 2a under the provisions of this paragraph shall
 90.4 remain classified as class 2a, irrespective of subsequent changes in the use of adjoining
 90.5 properties, as long as the homestead remains under the same ownership, the owner owns a
 90.6 noncontiguous parcel of agricultural land that is at least 20 acres, and the agricultural use
 90.7 value qualifies under clause (4). Homestead classification under this paragraph is limited
 90.8 to property that qualified under this paragraph for the 1998 assessment.

90.9 (b)(i) Agricultural property shall be classified as the owner's homestead, to the same
 90.10 extent as other agricultural homestead property, if all of the following criteria are met:

 90.21 in Minnesota; and

90.22 (5) neither the owner nor the person actively farming the agricultural property lives
 90.23 farther than four townships or cities, or a combination of four townships or cities, from the
 90.24 agricultural property, except that if the owner or the owner's spouse is required to live in
 90.25 employer-provided housing, the owner or owner's spouse, whichever is actively farming
 90.26 the agricultural property, may live more than four townships or cities, or combination of

 91.9 land is located in the same township or city, or not farther than four townships or cities or
 91.10 combination thereof from the homestead. Any taxpayer of these noncontiguous lands must
 91.11 notify the county assessor that the noncontiguous land is part of the taxpayer's homestead,
 91.12 and, if the homestead is located in another county, the taxpayer must also notify the assessor
 91.13 of the other county.

91.14 (d) Agricultural land used for purposes of a homestead and actively farmed by a person
 91.15 holding a vested remainder interest in it must be classified as a homestead under section
 91.16 273.13, subdivision 23, paragraph (a). If agricultural land is classified class 2a, any other
 91.17 dwellings on the land used for purposes of a homestead by persons holding vested remainder

91.28 (3) the agricultural land and buildings remain under the same ownership for the current
 91.29 assessment year as existed for the 1997 assessment year and continue to be used for
 91.30 agricultural purposes;

91.31 (4) the dwelling occupied by the owner is located in Minnesota and is within 30 miles
 91.32 of one of the parcels of agricultural land that is owned by the taxpayer; and

92.1 (5) the owner notifies the county assessor that the relocation was due to the 1997 floods,
92.2 and the owner furnishes the assessor any information deemed necessary by the assessor in
92.3 verifying the change in dwelling. Further notifications to the assessor are not required if the
92.4 property continues to meet all the requirements in this paragraph and any dwellings on the
92.5 agricultural land remain uninhabited.

92.6 (f) Agricultural land and buildings that were class 2a homestead property under section
92.7 273.13, subdivision 23, paragraph (a), for the 1998 assessment shall remain classified

92.18 1998, tornado, and the owner furnishes the assessor any information deemed necessary by
92.19 the assessor in verifying the change in homestead dwelling. For taxes payable in 1999, the
92.20 owner must notify the assessor by December 1, 1998. Further notifications to the assessor
92.21 are not required if the property continues to meet all the requirements in this paragraph and
92.22 any dwellings on the agricultural land remain uninhabited.

92.23 (g) Agricultural property of a family farm corporation, joint family farm venture, family
92.24 farm limited liability company, or partnership operating a family farm as described under
92.25 subdivision 8 shall be classified homestead, to the same extent as other agricultural homestead
92.26 property, if all of the following criteria are met:

93.9 owns the land, provided that both business entities have the same owners. For purposes of
93.10 this paragraph, "business entity" means a corporation, joint venture, partnership, or limited
93.11 liability company within the meaning of subdivision 8, paragraph (a).

93.28 since the initial application.

93.29 The owners and any persons who are actively farming the property must include the
93.30 appropriate Social Security numbers, and sign and date the application. If any of the specified
93.31 information has changed since the full application was filed, the owner must notify the
93.32 assessor, and must complete a new application to determine if the property continues to

94.1 qualify for the special agricultural homestead. The commissioner of revenue shall prepare
94.2 a standard reapplication form for use by the assessors.

94.3 (i) Agricultural land and buildings that were class 2a homestead property under section
94.4 273.13, subdivision 23, paragraph (a), for the 2007 assessment shall remain classified

94.13 one of the parcels of agricultural land that is owned by the taxpayer; and

94.14 (5) the owner notifies the county assessor that the relocation was due to the August 2007
94.15 floods, and the owner furnishes the assessor any information deemed necessary by the
94.16 assessor in verifying the change in homestead dwelling. For taxes payable in 2009, the
94.17 owner must notify the assessor by December 1, 2008. Further notifications to the assessor

94.19 any dwellings on the agricultural land remain uninhabited.

94.20 (j) Agricultural land and buildings that were class 2a homestead property under section
94.21 273.13, subdivision 23, paragraph (a), for the 2008 assessment shall remain classified as

 95.2 property continues to meet all the requirements in this paragraph and any dwellings on the
 95.3 agricultural land remain uninhabited.

95.4 **EFFECTIVE DATE.** This section is effective beginning for property taxes payable in
 95.5 2019.

95.6 Sec. 7. Minnesota Statutes 2016, section 273.124, subdivision 21, is amended to read:

95.7 Subd. 21. **Trust property; homestead.** Real or personal property, including agricultural
 95.8 property, held by a trustee under a trust is eligible for classification as homestead property
 95.9 if the property satisfies the requirements of paragraph (a), (b), (c), ~~(d)~~, or (e).

95.10 (a) The grantor or surviving spouse of the grantor of the trust occupies and uses the
 95.11 property as a homestead.

95.12 (b) A relative or surviving relative of the grantor who meets the requirements of
 95.13 subdivision 1, paragraph (c), in the case of residential real estate; or subdivision 1, paragraph

95.23 (d) A person who has received homestead classification for property taxes payable in
 95.24 2000 on the basis of an unqualified legal right under the terms of the trust agreement to
 95.25 occupy the property as that person's homestead and who continues to use the property as a
 95.26 homestead; or, a person who received the homestead classification for taxes payable in 2005
 95.27 under paragraph (c) who does not qualify under paragraph (c) for taxes payable in 2006 or
 95.28 thereafter but who continues to qualify under paragraph (c) as it existed for taxes payable
 95.29 in 2005.

95.30 (e) The qualifications under subdivision 14, paragraph (b), clause (i), are met. For
 95.31 purposes of this paragraph, "owner" means the grantor of the trust or the surviving spouse

95.33 (f) For purposes of this subdivision, the following terms have the meanings given them:

96.1 (1) "agricultural property" means the house, garage, other farm buildings and structures,
 96.2 and agricultural land;

96.3 (2) "agricultural land" has the meaning given in section 273.13, subdivision 23, except

 96.5 subdivision mean and include contiguous tax parcels owned by:

96.6 (i) an individual and a trust of which the individual, the individual's spouse, or the
 96.7 individual's deceased spouse is the grantor; or

 96.14 subdivision, only if the homestead is classified as class 2a, as defined in section 273.13,
 96.15 subdivision 23, and the detached land is located in the same township or city, or not farther
 96.16 than four townships or cities or combination thereof from the homestead. Any taxpayer of
 96.17 these noncontiguous agricultural lands must notify the county assessor by December 15 for
 96.18 taxes payable in the following year that the noncontiguous agricultural land is part of the

 96.24 read:

96.25 Subd. 23. **Fractional homesteads.** In the case of property that is classified as part
 96.26 homestead and part nonhomestead solely because not all the owners occupy or farm the
 96.27 property, not all the owners have qualifying relatives occupying or farming the property,
 96.28 or not all the spouses of owners occupy the property, the portions of property classified as
 96.29 part homestead and part nonhomestead must correspond to the ownership percentages that
 96.30 each owner has in the property, as determined by the land records in the county recorder's
 96.31 office or registrar of titles. If the ownership percentages of each owner cannot be determined
 96.32 by reference to the land records, the portions of property classified as part homestead and

97.1 part nonhomestead must correspond to the ownership percentages each owner would have
 97.2 if they each owned an equal share of the property.

97.3 **EFFECTIVE DATE.** This section is effective for assessments beginning in 2018.

97.4 Sec. 9. Minnesota Statutes 2016, section 273.1245, subdivision 2, is amended to read:

97.14 Sec. 10. Minnesota Statutes 2017 Supplement, section 273.13, subdivision 22, is amended
 97.15 to read:

97.16 Subd. 22. **Class 1.** (a) Except as provided in subdivision 23 and in paragraphs (b) and
 97.17 (c), real estate which is residential and used for homestead purposes is class 1a. In the case
 97.18 of a duplex or triplex in which one of the units is used for homestead purposes, the entire
 97.19 property is deemed to be used for homestead purposes. The market value of class 1a property
 97.20 must be determined based upon the value of the house, garage, and land.

97.21 The first \$500,000 of market value of class 1a property has a net classification rate of
 97.22 one percent of its market value; and the market value of class 1a property that exceeds
 97.23 \$500,000 has a classification rate of 1.25 percent of its market value.

97.24 (b) Class 1b property includes homestead real estate or homestead manufactured homes
 97.25 used for the purposes of a homestead by:

97.26 (1) any person who is blind as defined in section 256D.35, or the blind person and the
 97.27 blind person's spouse;

97.28 (2) any person who is permanently and totally disabled or by the disabled person and
 97.29 the disabled person's spouse; or

97.30 (3) the surviving spouse of a permanently and totally disabled veteran homesteading a
 97.31 property classified under this paragraph for taxes payable in 2008.

98.1 Property is classified and assessed under clause (2) only if the government agency or
 98.2 income-providing source certifies, upon the request of the homestead occupant, that the
 98.3 homestead occupant satisfies the disability requirements of this paragraph, and that the
 98.4 property is not eligible for the valuation exclusion under subdivision 34.

98.5 Property is classified and assessed under paragraph (b) only if the commissioner of
 98.6 revenue or the county assessor certifies that the homestead occupant satisfies the requirements
 98.7 of this paragraph.

98.8 Permanently and totally disabled for the purpose of this subdivision means a condition
 98.9 which is permanent in nature and totally incapacitates the person from working at an
 98.10 occupation which brings the person an income. The first \$50,000 market value of class 1b
 98.11 property has a net classification rate of .45 percent of its market value. The remaining market
 98.12 value of class 1b property is classified as class 1a or class 2a property, whichever is
 98.13 appropriate.

98.14 (c) Class 1c property is commercial use real and personal property that abuts public
 98.15 water as defined in section 103G.005, subdivision 15, or abuts a state trail administered by
 98.16 the Department of Natural Resources, and is devoted to temporary and seasonal residential
 98.17 occupancy for recreational purposes but not devoted to commercial purposes for more than
 98.18 250 days in the year preceding the year of assessment, and that includes a portion used as
 98.19 a homestead by the owner, which includes a dwelling occupied as a homestead by a
 98.20 shareholder of a corporation that owns the resort, a partner in a partnership that owns the
 98.21 resort, or a member of a limited liability company that owns the resort ~~even if, whether the~~
 98.22 title to the homestead is held by the corporation, partnership, or limited liability company,
 98.23 or by a shareholder of a corporation that owns the resort, a partner in a partnership that owns
 98.24 the resort, or a member of a limited liability company that owns the resort. For purposes of
 98.25 this paragraph, property is devoted to a commercial purpose on a specific day if any portion
 98.26 of the property, excluding the portion used exclusively as a homestead, is used for residential
 98.27 occupancy and a fee is charged for residential occupancy. Class 1c property must contain
 98.28 three or more rental units. A "rental unit" is defined as a cabin, condominium, townhouse,
 98.29 sleeping room, or individual camping site equipped with water and electrical hookups for
 98.30 recreational vehicles. Class 1c property must provide recreational activities such as the
 98.31 rental of ice fishing houses, boats and motors, snowmobiles, downhill or cross-country ski
 98.32 equipment; provide marina services, launch services, or guide services; or sell bait and
 98.33 fishing tackle. Any unit in which the right to use the property is transferred to an individual
 98.34 or entity by deeded interest, or the sale of shares or stock, no longer qualifies for class 1c
 98.35 even though it may remain available for rent. A camping pad offered for rent by a property

99.1 that otherwise qualifies for class 1c is also class 1c, regardless of the term of the rental
99.2 agreement, as long as the use of the camping pad does not exceed 250 days. If the same
99.3 owner owns two separate parcels that are located in the same township, and one of those
99.4 properties is classified as a class 1c property and the other would be eligible to be classified
99.5 as a class 1c property if it was used as the homestead of the owner, both properties will be
99.6 assessed as a single class 1c property; for purposes of this sentence, properties are deemed
99.7 to be owned by the same owner if each of them is owned by a limited liability company,
99.8 and both limited liability companies have the same membership. The portion of the property
99.9 used as a homestead is class 1a property under paragraph (a). The remainder of the property
99.10 is classified as follows: the first \$600,000 of market value is tier I, the next \$1,700,000 of
99.11 market value is tier II, and any remaining market value is tier III. The classification rates
99.12 for class 1c are: tier I, 0.50 percent; tier II, 1.0 percent; and tier III, 1.25 percent. Owners
99.13 of real and personal property devoted to temporary and seasonal residential occupancy for
99.14 recreation purposes in which all or a portion of the property was devoted to commercial
99.15 purposes for not more than 250 days in the year preceding the year of assessment desiring
99.16 classification as class 1c, must, by January 15 of the assessment year, submit a declaration
99.17 to the assessor designating: (1) the cabins or units occupied for 250 days or less in the year
99.18 preceding the year of assessment by January 15 of the assessment year; and (2) the portion
99.19 of the resort used as a homestead and the owner of the homestead under the title. Those
99.20 cabins or units and a proportionate share of the land on which they are located must be
99.21 designated as class 1c as otherwise provided. The remainder of the cabins or units and a
99.22 proportionate share of the land on which they are located must be designated as class 3a
99.23 commercial. The owner of property desiring designation as class 1c property must provide
99.24 guest registers or other records demonstrating that the units for which class 1c designation
99.25 is sought were not occupied for more than 250 days in the year preceding the assessment
99.26 if so requested. The portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop,
99.27 (4) conference center or meeting room, and (5) other nonresidential facility operated on a
99.28 commercial basis not directly related to temporary and seasonal residential occupancy for
99.29 recreation purposes does not qualify for class 1c.

99.30 (d) Class 1d property includes structures that meet all of the following criteria:

99.31 (1) the structure is located on property that is classified as agricultural property under
99.32 section 273.13, subdivision 23;

99.33 (2) the structure is occupied exclusively by seasonal farm workers during the time when
99.34 they work on that farm, and the occupants are not charged rent for the privilege of occupying

100.1 the property, provided that use of the structure for storage of farm equipment and produce
 100.2 does not disqualify the property from classification under this paragraph;

100.3 (3) the structure meets all applicable health and safety requirements for the appropriate
 100.4 season; and

100.5 (4) the structure is not salable as residential property because it does not comply with
 100.6 local ordinances relating to location in relation to streets or roads.

100.7 The market value of class 1d property has the same classification rates as class 1a property
 100.8 under paragraph (a).

100.9 **EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2020.

100.10 Sec. 11. Minnesota Statutes 2017 Supplement, section 273.13, subdivision 23, is amended
 100.11 to read:

100.12 Subd. 23. **Class 2.** (a) An agricultural homestead consists of class 2a agricultural land
 100.13 that is homesteaded, along with any class 2b rural vacant land that is contiguous to the class
 100.14 2a land under the same ownership. The market value of the house and garage and immediately
 100.15 surrounding one acre of land has the same classification rates as class 1a or 1b property
 100.16 under subdivision 22. The value of the remaining land including improvements up to the
 100.17 first tier valuation limit of agricultural homestead property has a classification rate of 0.5
 100.18 percent of market value. The remaining property over the first tier has a classification rate
 100.19 of one percent of market value. For purposes of this subdivision, the "first tier valuation
 100.20 limit of agricultural homestead property" and "first tier" means the limit certified under
 100.21 section 273.11, subdivision 23.

100.22 (b) Class 2a agricultural land consists of parcels of property, or portions thereof, that
 100.23 are agricultural land and buildings. Class 2a property has a classification rate of one percent
 100.24 of market value, unless it is part of an agricultural homestead under paragraph (a). Class 2a
 100.25 property must also include any property that would otherwise be classified as 2b, but is
 100.26 interspersed with class 2a property, including but not limited to sloughs, wooded wind
 100.27 shelters, acreage abutting ditches, ravines, rock piles, land subject to a setback requirement,
 100.28 and other similar land that is impractical for the assessor to value separately from the rest
 100.29 of the property or that is unlikely to be able to be sold separately from the rest of the property.

100.30 An assessor may classify the part of a parcel described in this subdivision that is used
 100.31 for agricultural purposes as class 2a and the remainder in the class appropriate to its use.

100.32 (c) Class 2b rural vacant land consists of parcels of property, or portions thereof, that
 100.33 are unplatted real estate, rural in character and not used for agricultural purposes, including

101.1 land used for growing trees for timber, lumber, and wood and wood products, that is not
 101.2 improved with a structure. The presence of a minor, ancillary nonresidential structure as
 101.3 defined by the commissioner of revenue does not disqualify the property from classification
 101.4 under this paragraph. Any parcel of 20 acres or more improved with a structure that is not
 101.5 a minor, ancillary nonresidential structure must be split-classified, and ten acres must be
 101.6 assigned to the split parcel containing the structure. Class 2b property has a classification
 101.7 rate of one percent of market value unless it is part of an agricultural homestead under
 101.8 paragraph (a), or qualifies as class 2c under paragraph (d).

101.9 (d) Class 2c managed forest land consists of no less than 20 and no more than 1,920
 101.10 acres statewide per taxpayer that is being managed under a forest management plan that
 101.11 meets the requirements of chapter 290C, but is not enrolled in the sustainable forest resource
 101.12 management incentive program. It has a classification rate of .65 percent, provided that the
 101.13 owner of the property must apply to the assessor in order for the property to initially qualify
 101.14 for the reduced rate and provide the information required by the assessor to verify that the
 101.15 property qualifies for the reduced rate. If the assessor receives the application and information
 101.16 before May 1 in an assessment year, the property qualifies beginning with that assessment
 101.17 year. If the assessor receives the application and information after April 30 in an assessment
 101.18 year, the property may not qualify until the next assessment year. The commissioner of
 101.19 natural resources must concur that the land is qualified. The commissioner of natural
 101.20 resources shall annually provide county assessors verification information on a timely basis.
 101.21 The presence of a minor, ancillary nonresidential structure as defined by the commissioner
 101.22 of revenue does not disqualify the property from classification under this paragraph.

101.23 (e) Agricultural land as used in this section means:

101.24 (1) contiguous acreage of ten acres or more, used during the preceding year for
 101.25 agricultural purposes; or

101.26 (2) contiguous acreage used during the preceding year for an intensive livestock or
 101.27 poultry confinement operation, provided that land used only for pasturing or grazing does
 101.28 not qualify under this clause.

101.29 "Agricultural purposes" as used in this section means the raising, cultivation, drying, or
 101.30 storage of agricultural products for sale, or the storage of machinery or equipment used in
 101.31 support of agricultural production by the same farm entity. For a property to be classified
 101.32 as agricultural based only on the drying or storage of agricultural products, the products
 101.33 being dried or stored must have been produced by the same farm entity as the entity operating
 101.34 the drying or storage facility. "Agricultural purposes" also includes (i) enrollment in a local

102.1 conservation program or the Reinvest in Minnesota program under sections 103F.501 to
102.2 103F.535 or the federal Conservation Reserve Program as contained in Public Law 99-198
102.3 or a similar state or federal conservation program if the property was classified as agricultural
102.4 ~~(i)~~ (A) under this subdivision for taxes payable in 2003 because of its enrollment in a
102.5 qualifying program and the land remains enrolled or ~~(ii)~~ (B) in the year prior to its enrollment,
102.6 or (ii) use of land, not to exceed the greater of three acres or ten percent of the total land
102.7 area, to provide environmental benefits such as buffer strips, old growth forest restoration
102.8 or retention, or retention ponds to prevent soil erosion. For the purposes of item (ii), "total
102.9 land area" means contiguous parcels under common ownership. For purposes of this section,
102.10 a "local conservation program" means a program administered by a town, statutory or home
102.11 rule charter city, or county, including a watershed district, water management organization,
102.12 or soil and water conservation district, in which landowners voluntarily enroll land and
102.13 receive incentive payments equal to at least \$50 per acre in exchange for use or other
102.14 restrictions placed on the land. In order for property to qualify under the local conservation
102.15 program provision, a taxpayer must apply to the assessor by February 1 of the assessment
102.16 year and must submit the information required by the assessor, including but not limited to
102.17 a copy of the program requirements, the specific agreement between the land owner and
102.18 the local agency, if applicable, and a map of the conservation area. Agricultural classification
102.19 shall not be based upon the market value of any residential structures on the parcel or
102.20 contiguous parcels under the same ownership.

102.21 "Agricultural purposes" also includes land consisting of a holding pond designed to
102.22 prevent runoff onto a divided four-lane expressway that is located at least 150 feet above
102.23 the expressway, as certified by the local soil and water conservation district in accordance
102.24 with USDA Field Office Technical Guide conservation practice standards, provided that
102.25 the land is located outside the metropolitan area as defined in section 473.121, and was
102.26 classified as agricultural in assessment year 2017.

102.27 "Contiguous acreage," for purposes of this paragraph, means all of, or a contiguous
102.28 portion of, a tax parcel as described in section 272.193, or all of, or a contiguous portion
102.29 of, a set of contiguous tax parcels under that section that are owned by the same person.

102.30 (f) Agricultural land under this section also includes:

102.31 (1) contiguous acreage that is less than ten acres in size and exclusively used in the
102.32 preceding year for raising or cultivating agricultural products; or

103.1 (2) contiguous acreage that contains a residence and is less than 11 acres in size, if the
103.2 contiguous acreage exclusive of the house, garage, and surrounding one acre of land was
103.3 used in the preceding year for one or more of the following three uses:

103.4 (i) for an intensive grain drying or storage operation, or for intensive machinery or
103.5 equipment storage activities used to support agricultural activities on other parcels of property
103.6 operated by the same farming entity;

103.7 (ii) as a nursery, provided that only those acres used intensively to produce nursery stock
103.8 are considered agricultural land; or

103.9 (iii) for intensive market farming; for purposes of this paragraph, "market farming"
103.10 means the cultivation of one or more fruits or vegetables or production of animal or other
103.11 agricultural products for sale to local markets by the farmer or an organization with which
103.12 the farmer is affiliated.

103.13 "Contiguous acreage," for purposes of this paragraph, means all of a tax parcel as
103.14 described in section 272.193, or all of a set of contiguous tax parcels under that section that
103.15 are owned by the same person.

103.16 (g) Land shall be classified as agricultural even if all or a portion of the agricultural use
103.17 of that property is the leasing to, or use by another person for agricultural purposes.

103.18 Classification under this subdivision is not determinative for qualifying under section
103.19 273.111.

103.20 (h) The property classification under this section supersedes, for property tax purposes
103.21 only, any locally administered agricultural policies or land use restrictions that define
103.22 minimum or maximum farm acreage.

103.23 (i) The term "agricultural products" as used in this subdivision includes production for
103.24 sale of:

103.25 (1) livestock, dairy animals, dairy products, poultry and poultry products, fur-bearing
103.26 animals, horticultural and nursery stock, fruit of all kinds, vegetables, forage, grains, bees,
103.27 and apiary products by the owner;

103.28 (2) aquacultural products for sale and consumption, as defined under section 17.47, if
103.29 the aquaculture occurs on land zoned for agricultural use;

103.30 (3) the commercial boarding of horses, which may include related horse training and
103.31 riding instruction, if the boarding is done on property that is also used for raising pasture
103.32 to graze horses or raising or cultivating other agricultural products as defined in clause (1);

104.1 (4) property which is owned and operated by nonprofit organizations used for equestrian
104.2 activities, excluding racing;

104.3 (5) game birds and waterfowl bred and raised (i) on a game farm licensed under section
104.4 97A.105, provided that the annual licensing report to the Department of Natural Resources,
104.5 which must be submitted annually by March 30 to the assessor, indicates that at least 500
104.6 birds were raised or used for breeding stock on the property during the preceding year and
104.7 that the owner provides a copy of the owner's most recent schedule F; or (ii) for use on a
104.8 shooting preserve licensed under section 97A.115;

104.9 (6) insects primarily bred to be used as food for animals;

104.10 (7) trees, grown for sale as a crop, including short rotation woody crops, and not sold
104.11 for timber, lumber, wood, or wood products; and

104.12 (8) maple syrup taken from trees grown by a person licensed by the Minnesota
104.13 Department of Agriculture under chapter 28A as a food processor.

104.14 (j) If a parcel used for agricultural purposes is also used for commercial or industrial
104.15 purposes, including but not limited to:

104.16 (1) wholesale and retail sales;

104.17 (2) processing of raw agricultural products or other goods;

104.18 (3) warehousing or storage of processed goods; and

104.19 (4) office facilities for the support of the activities enumerated in clauses (1), (2), and
104.20 (3),

104.21 the assessor shall classify the part of the parcel used for agricultural purposes as class 1b,
104.22 2a, or 2b, whichever is appropriate, and the remainder in the class appropriate to its use.
104.23 The grading, sorting, and packaging of raw agricultural products for first sale is considered
104.24 an agricultural purpose. A greenhouse or other building where horticultural or nursery
104.25 products are grown that is also used for the conduct of retail sales must be classified as
104.26 agricultural if it is primarily used for the growing of horticultural or nursery products from
104.27 seed, cuttings, or roots and occasionally as a showroom for the retail sale of those products.
104.28 Use of a greenhouse or building only for the display of already grown horticultural or nursery
104.29 products does not qualify as an agricultural purpose.

104.30 (k) The assessor shall determine and list separately on the records the market value of
104.31 the homestead dwelling and the one acre of land on which that dwelling is located. If any

105.1 farm buildings or structures are located on this homesteaded acre of land, their market value
105.2 shall not be included in this separate determination.

105.3 (l) Class 2d airport landing area consists of a landing area or public access area of a
105.4 privately owned public use airport. It has a classification rate of one percent of market value.
105.5 To qualify for classification under this paragraph, a privately owned public use airport must
105.6 be licensed as a public airport under section 360.018. For purposes of this paragraph, "landing
105.7 area" means that part of a privately owned public use airport properly cleared, regularly
105.8 maintained, and made available to the public for use by aircraft and includes runways,
105.9 taxiways, aprons, and sites upon which are situated landing or navigational aids. A landing
105.10 area also includes land underlying both the primary surface and the approach surfaces that
105.11 comply with all of the following:

105.12 (i) the land is properly cleared and regularly maintained for the primary purposes of the
105.13 landing, taking off, and taxiing of aircraft; but that portion of the land that contains facilities
105.14 for servicing, repair, or maintenance of aircraft is not included as a landing area;

105.15 (ii) the land is part of the airport property; and

105.16 (iii) the land is not used for commercial or residential purposes.

105.17 The land contained in a landing area under this paragraph must be described and certified
105.18 by the commissioner of transportation. The certification is effective until it is modified, or
105.19 until the airport or landing area no longer meets the requirements of this paragraph. For
105.20 purposes of this paragraph, "public access area" means property used as an aircraft parking
105.21 ramp, apron, or storage hangar, or an arrival and departure building in connection with the
105.22 airport.

105.23 (m) Class 2e consists of land with a commercial aggregate deposit that is not actively
105.24 being mined and is not otherwise classified as class 2a or 2b, provided that the land is not
105.25 located in a county that has elected to opt-out of the aggregate preservation program as
105.26 provided in section 273.1115, subdivision 6. It has a classification rate of one percent of
105.27 market value. To qualify for classification under this paragraph, the property must be at
105.28 least ten contiguous acres in size and the owner of the property must record with the county
105.29 recorder of the county in which the property is located an affidavit containing:

105.30 (1) a legal description of the property;

105.31 (2) a disclosure that the property contains a commercial aggregate deposit that is not
105.32 actively being mined but is present on the entire parcel enrolled;

106.1 (3) documentation that the conditional use under the county or local zoning ordinance
106.2 of this property is for mining; and

106.3 (4) documentation that a permit has been issued by the local unit of government or the
106.4 mining activity is allowed under local ordinance. The disclosure must include a statement
106.5 from a registered professional geologist, engineer, or soil scientist delineating the deposit
106.6 and certifying that it is a commercial aggregate deposit.

106.7 For purposes of this section and section 273.1115, "commercial aggregate deposit"
106.8 means a deposit that will yield crushed stone or sand and gravel that is suitable for use as
106.9 a construction aggregate; and "actively mined" means the removal of top soil and overburden
106.10 in preparation for excavation or excavation of a commercial deposit.

106.11 (n) When any portion of the property under this subdivision or subdivision 22 begins to
106.12 be actively mined, the owner must file a supplemental affidavit within 60 days from the
106.13 day any aggregate is removed stating the number of acres of the property that is actively
106.14 being mined. The acres actively being mined must be (1) valued and classified under
106.15 subdivision 24 in the next subsequent assessment year, and (2) removed from the aggregate
106.16 resource preservation property tax program under section 273.1115, if the land was enrolled
106.17 in that program. Copies of the original affidavit and all supplemental affidavits must be
106.18 filed with the county assessor, the local zoning administrator, and the Department of Natural
106.19 Resources, Division of Land and Minerals. A supplemental affidavit must be filed each
106.20 time a subsequent portion of the property is actively mined, provided that the minimum
106.21 acreage change is five acres, even if the actual mining activity constitutes less than five
106.22 acres.

106.23 (o) The definitions prescribed by the commissioner under paragraphs (c) and (d) are not
106.24 rules and are exempt from the rulemaking provisions of chapter 14, and the provisions in
106.25 section 14.386 concerning exempt rules do not apply.

106.26 **EFFECTIVE DATE.** This section is effective for assessment year 2019 and thereafter.

106.27 Sec. 12. Minnesota Statutes 2017 Supplement, section 273.13, subdivision 25, is amended
106.28 to read:

106.29 Subd. 25. **Class 4.** (a) Class 4a is residential real estate containing four or more units
106.30 and used or held for use by the owner or by the tenants or lessees of the owner as a residence
106.31 for rental periods of 30 days or more, excluding property qualifying for class 4d. Class 4a
106.32 also includes hospitals licensed under sections 144.50 to 144.56, other than hospitals exempt
106.33 under section 272.02, and contiguous property used for hospital purposes, without regard

107.1 to whether the property has been platted or subdivided. The market value of class 4a property
107.2 has a classification rate of 1.25 percent.

107.3 (b) Class 4b includes:

107.4 (1) residential real estate containing less than four units that does not qualify as class
107.5 4bb, other than seasonal residential recreational property;

107.6 (2) manufactured homes not classified under any other provision;

107.7 (3) a dwelling, garage, and surrounding one acre of property on a nonhomestead farm
107.8 classified under subdivision 23, paragraph (b) containing two or three units; and

107.9 (4) unimproved property that is classified residential as determined under subdivision
107.10 33.

107.11 The market value of class 4b property has a classification rate of 1.25 percent.

107.12 (c) Class 4bb includes:

107.13 (1) nonhomestead residential real estate containing one unit, other than seasonal
107.14 residential recreational property;

107.15 (2) a single family dwelling, garage, and surrounding one acre of property on a
107.16 nonhomestead farm classified under subdivision 23, paragraph (b); and

107.17 (3) a condominium-type storage unit having an individual property identification number
107.18 that is not used for a commercial purpose.

107.19 Class 4bb property has the same classification rates as class 1a property under subdivision
107.20 22.

107.21 Property that has been classified as seasonal residential recreational property at any time
107.22 during which it has been owned by the current owner or spouse of the current owner does
107.23 not qualify for class 4bb.

107.24 (d) Class 4c property includes:

107.25 (1) except as provided in subdivision 22, paragraph (c), real and personal property
107.26 devoted to commercial temporary and seasonal residential occupancy for recreation purposes,
107.27 for not more than 250 days in the year preceding the year of assessment. For purposes of
107.28 this clause, property is devoted to a commercial purpose on a specific day if any portion of
107.29 the property is used for residential occupancy, and a fee is charged for residential occupancy.
107.30 Class 4c property under this clause must contain three or more rental units. A "rental unit"
107.31 is defined as a cabin, condominium, townhouse, sleeping room, or individual camping site

108.1 equipped with water and electrical hookups for recreational vehicles. A camping pad offered
108.2 for rent by a property that otherwise qualifies for class 4c under this clause is also class 4c
108.3 under this clause regardless of the term of the rental agreement, as long as the use of the
108.4 camping pad does not exceed 250 days. In order for a property to be classified under this
108.5 clause, either: (i) the business located on the property must provide recreational activities,
108.6 at least 40 percent of the annual gross lodging receipts related to the property must be from
108.7 business conducted during 90 consecutive days, and either (A) at least 60 percent of all paid
108.8 bookings by lodging guests during the year must be for periods of at least two consecutive
108.9 nights; or (B) at least 20 percent of the annual gross receipts must be from charges for
108.10 providing recreational activities; ~~or;~~ (ii) the business must contain 20 or fewer rental units,
108.11 and must be located in a township or a city with a population of 2,500 or less located outside
108.12 the metropolitan area, as defined under section 473.121, subdivision 2, that contains a portion
108.13 of a state trail administered by the Department of Natural Resources; or (iii) the property
108.14 must contain a residential facility containing no more than five sleeping rooms and must
108.15 provide an area or areas to prepare meals and to conduct indoor craft or hobby activities.
108.16 For purposes of item (i)(A), a paid booking of five or more nights shall be counted as two
108.17 bookings. Class 4c property also includes commercial use real property used exclusively
108.18 for recreational purposes in conjunction with other class 4c property classified under this
108.19 clause and devoted to temporary and seasonal residential occupancy for recreational purposes,
108.20 up to a total of two acres, provided the property is not devoted to commercial recreational
108.21 use for more than 250 days in the year preceding the year of assessment and is located within
108.22 two miles of the class 4c property with which it is used. In order for a property to qualify
108.23 for classification under this clause, the owner must submit a declaration to the assessor
108.24 designating the cabins or units occupied for 250 days or less in the year preceding the year
108.25 of assessment by January 15 of the assessment year. Those cabins or units and a proportionate
108.26 share of the land on which they are located must be designated class 4c under this clause
108.27 as otherwise provided. The remainder of the cabins or units and a proportionate share of
108.28 the land on which they are located will be designated as class 3a. The owner of property
108.29 desiring designation as class 4c property under this clause must provide guest registers or
108.30 other records demonstrating that the units for which class 4c designation is sought were not
108.31 occupied for more than 250 days in the year preceding the assessment if so requested. The
108.32 portion of a property operated as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center
108.33 or meeting room, and (5) other nonresidential facility operated on a commercial basis not
108.34 directly related to temporary and seasonal residential occupancy for recreation purposes
108.35 does not qualify for class 4c. For the purposes of this paragraph, "recreational activities"
108.36 means renting ice fishing houses, boats and motors, snowmobiles, downhill or cross-country

109.1 ski equipment; providing marina services, launch services, or guide services; or selling bait
109.2 and fishing tackle;

109.3 (2) qualified property used as a golf course if:

109.4 (i) it is open to the public on a daily fee basis. It may charge membership fees or dues,
109.5 but a membership fee may not be required in order to use the property for golfing, and its
109.6 green fees for golfing must be comparable to green fees typically charged by municipal
109.7 courses; and

109.8 (ii) it meets the requirements of section 273.112, subdivision 3, paragraph (d).

109.9 A structure used as a clubhouse, restaurant, or place of refreshment in conjunction with
109.10 the golf course is classified as class 3a property;

109.11 (3) real property up to a maximum of three acres of land owned and used by a nonprofit
109.12 community service oriented organization and not used for residential purposes on either a
109.13 temporary or permanent basis, provided that:

109.14 (i) the property is not used for a revenue-producing activity for more than six days in
109.15 the calendar year preceding the year of assessment; or

109.16 (ii) the organization makes annual charitable contributions and donations at least equal
109.17 to the property's previous year's property taxes and the property is allowed to be used for
109.18 public and community meetings or events for no charge, as appropriate to the size of the
109.19 facility.

109.20 For purposes of this clause:

109.21 (A) "charitable contributions and donations" has the same meaning as lawful gambling
109.22 purposes under section 349.12, subdivision 25, excluding those purposes relating to the
109.23 payment of taxes, assessments, fees, auditing costs, and utility payments;

109.24 (B) "property taxes" excludes the state general tax;

109.25 (C) a "nonprofit community service oriented organization" means any corporation,
109.26 society, association, foundation, or institution organized and operated exclusively for
109.27 charitable, religious, fraternal, civic, or educational purposes, and which is exempt from
109.28 federal income taxation pursuant to section 501(c)(3), (8), (10), or (19) of the Internal
109.29 Revenue Code; and

109.30 (D) "revenue-producing activities" shall include but not be limited to property or that
109.31 portion of the property that is used as an on-sale intoxicating liquor or 3.2 percent malt

110.1 alley, a retail store, gambling conducted by organizations licensed under chapter 349, an
110.2 insurance business, or office or other space leased or rented to a lessee who conducts a
110.3 for-profit enterprise on the premises.

110.4 Any portion of the property not qualifying under either item (i) or (ii) is class 3a. The
110.5 use of the property for social events open exclusively to members and their guests for periods
110.6 of less than 24 hours, when an admission is not charged nor any revenues are received by
110.7 the organization shall not be considered a revenue-producing activity.

110.8 The organization shall maintain records of its charitable contributions and donations
110.9 and of public meetings and events held on the property and make them available upon
110.10 request any time to the assessor to ensure eligibility. An organization meeting the requirement
110.11 under item (ii) must file an application by May 1 with the assessor for eligibility for the
110.12 current year's assessment. The commissioner shall prescribe a uniform application form
110.13 and instructions;

110.17 miles of the border of a college campus;

110.20 defined in section 327.14, subdivision 3, that are described in section 273.124, subdivision
110.21 3a, and (iii) class I manufactured home parks as defined in section 327C.01, subdivision
110.22 13;

110.23 (6) real property that is actively and exclusively devoted to indoor fitness, health, social,
110.24 recreational, and related uses, is owned and operated by a not-for-profit corporation, and is
110.25 located within the metropolitan area as defined in section 473.121, subdivision 2;

110.26 (7) a leased or privately owned noncommercial aircraft storage hangar not exempt under
110.27 section 272.01, subdivision 2, and the land on which it is located, provided that:

110.28 (i) the land is on an airport owned or operated by a city, town, county, Metropolitan
110.29 Airports Commission, or group thereof; and

110.30 (ii) the land lease, or any ordinance or signed agreement restricting the use of the leased
110.31 premise, prohibits commercial activity performed at the hangar.

111.1 If a hangar classified under this clause is sold after June 30, 2000, a bill of sale must be
111.2 filed by the new owner with the assessor of the county where the property is located within
111.3 60 days of the sale;

111.4 (8) a privately owned noncommercial aircraft storage hangar not exempt under section
111.5 272.01, subdivision 2, and the land on which it is located, provided that:

111.9 hangar; and

111.10 (9) residential real estate, a portion of which is used by the owner for homestead purposes,
111.11 and that is also a place of lodging, if all of the following criteria are met:

111.12 (i) rooms are provided for rent to transient guests that generally stay for periods of 14
111.13 or fewer days;

111.14 (ii) meals are provided to persons who rent rooms, the cost of which is incorporated in
111.15 the basic room rate;

111.16 (iii) meals are not provided to the general public except for special events on fewer than
111.17 seven days in the calendar year preceding the year of the assessment; and

111.18 (iv) the owner is the operator of the property.

111.19 The market value subject to the 4c classification under this clause is limited to five rental
111.20 units. Any rental units on the property in excess of five, must be valued and assessed as
111.21 class 3a. The portion of the property used for purposes of a homestead by the owner must

111.29 qualification under item (ii). The property's primary business must be as a restaurant and
111.30 not as a bar. Gross receipts from gift shop sales located on the premises must be excluded.
111.31 Owners of real property desiring 4c classification under this clause must submit an annual

112.18 rate of 0.75 percent if more than 50 percent of the lots in the park are occupied by
112.19 shareholders in the cooperative corporation or association and a classification rate of one
112.20 percent if 50 percent or less of the lots are so occupied, and class I manufactured home
112.21 parks as defined in section 327C.01, subdivision 13, have a classification rate of 1.0 percent,

112.24 market value, and 1.25 percent for the remaining market value, (iv) the market value of
112.25 property described in clause (4) has a classification rate of one percent, (v) the market value
112.26 of property described in clauses (2), (6), and (10) has a classification rate of 1.25 percent,
112.27 (vi) that portion of the market value of property in clause (9) qualifying for class 4c property

112.33 (e) Class 4d property is qualifying low-income rental housing certified to the assessor
112.34 by the Housing Finance Agency under section 273.128, subdivision 3. If only a portion of
112.35 the units in the building qualify as low-income rental housing units as certified under section

113.1 273.128, subdivision 3, only the proportion of qualifying units to the total number of units
 113.2 in the building qualify for class 4d. The remaining portion of the building shall be classified
 113.3 by the assessor based upon its use. Class 4d also includes the same proportion of land as
 113.4 the qualifying low-income rental housing units are to the total units in the building. For all
 113.5 properties qualifying as class 4d, the market value determined by the assessor must be based
 113.6 on the normal approach to value using normal unrestricted rents.

113.7 (f) The first tier of market value of class 4d property has a classification rate of 0.75
 113.8 percent. The remaining value of class 4d property has a classification rate of 0.25 percent.
 113.9 For the purposes of this paragraph, the "first tier of market value of class 4d property" means
 113.10 the market value of each housing unit up to the first tier limit. For the purposes of this
 113.11 paragraph, all class 4d property value must be assigned to individual housing units. The
 113.12 first tier limit is \$100,000 for assessment year 2014. For subsequent years, the limit is
 113.13 adjusted each year by the average statewide change in estimated market value of property
 113.14 classified as class 4a and 4d under this section for the previous assessment year, excluding
 113.15 valuation change due to new construction, rounded to the nearest \$1,000, provided, however,
 113.16 that the limit may never be less than \$100,000. Beginning with assessment year 2015, the
 113.17 commissioner of revenue must certify the limit for each assessment year by November 1
 113.18 of the previous year.

113.19 **EFFECTIVE DATE.** This section is effective beginning with taxes payable in 2019.

113.20 Sec. 13. Minnesota Statutes 2017 Supplement, section 273.13, subdivision 34, is amended
 113.21 to read:

113.22 Subd. 34. **Homestead of disabled veteran or family caregiver.** (a) All or a portion of
 113.23 the market value of property owned by a veteran and serving as the veteran's homestead
 113.24 under this section is excluded in determining the property's taxable market value if the
 113.25 veteran has a service-connected disability of 70 percent or more as certified by the United
 113.26 States Department of Veterans Affairs. To qualify for exclusion under this subdivision, the
 113.27 veteran must have been honorably discharged from the United States armed forces, as
 113.28 indicated by United States Government Form DD214 or other official military discharge
 113.29 papers.

113.30 (b)(1) For a disability rating of 70 percent or more, \$150,000 of market value is excluded,
 113.31 except as provided in clause (2); and

113.32 (2) for a total (100 percent) and permanent disability, \$300,000 of market value is
 113.33 excluded.

114.1 (c) If a disabled veteran qualifying for a valuation exclusion under paragraph (b), clause
114.2 (2), predeceases the veteran's spouse, and if upon the death of the veteran the spouse holds
114.3 the legal or beneficial title to the homestead and permanently resides there, the exclusion
114.4 shall carry over to the benefit of the veteran's spouse for the current taxes payable year and
114.5 for eight additional taxes payable years or until such time as the spouse remarries, or sells,
114.6 transfers, or otherwise disposes of the property, whichever comes first, except as otherwise
114.7 provided in paragraph (n). Qualification under this paragraph requires an application under
114.8 paragraph (h), and a spouse must notify the assessor if there is a change in the spouse's
114.9 marital status, ownership of the property, or use of the property as a permanent residence.

114.10 (d) If the spouse of a member of any branch or unit of the United States armed forces
114.11 who dies due to a service-connected cause while serving honorably in active service, as
114.12 indicated on United States Government Form DD1300 or DD2064, holds the legal or
114.13 beneficial title to a homestead and permanently resides there, the spouse is entitled to the
114.14 benefit described in paragraph (b), clause (2), for eight taxes payable years, or until such
114.15 time as the spouse remarries or sells, transfers, or otherwise disposes of the property,
114.16 whichever comes first, except as otherwise provided in paragraph (n).

114.17 (e) If a veteran meets the disability criteria of paragraph (a) but does not own property
114.18 classified as homestead in the state of Minnesota, then the homestead of the veteran's primary
114.19 family caregiver, if any, is eligible for the exclusion that the veteran would otherwise qualify
114.20 for under paragraph (b).

114.21 (f) In the case of an agricultural homestead, only the portion of the property consisting
114.22 of the house and garage and immediately surrounding one acre of land qualifies for the
114.23 valuation exclusion under this subdivision.

114.24 (g) A property qualifying for a valuation exclusion under this subdivision is not eligible
114.25 for the market value exclusion under subdivision 35, or classification under subdivision 22,
114.26 paragraph (b).

114.27 (h) To qualify for a valuation exclusion under this subdivision a property owner must
114.28 apply to the assessor by ~~July 1~~ December 15 of the first assessment year for which the
114.29 exclusion is sought. For an application received after ~~July 1~~ December 15, the exclusion
114.30 shall become effective for the following assessment year. Except as provided in paragraph
114.31 (c), the owner of a property that has been accepted for a valuation exclusion must notify
114.32 the assessor if there is a change in ownership of the property or in the use of the property
114.33 as a homestead. When a property qualifying for a market value exclusion under this

115.1 subdivision is sold or transferred, the exclusion must be removed for the current assessment
115.2 year, provided that the new owner may file a claim for an exclusion if eligible.

115.3 (i) A first-time application by a qualifying spouse for the market value exclusion under
115.4 paragraph (d) must be made any time within two years of the death of the service member.

115.5 (j) For purposes of this subdivision:

115.6 (1) "active service" has the meaning given in section 190.05;

115.7 (2) "own" means that the person's name is present as an owner on the property deed;

115.8 (3) "primary family caregiver" means a person who is approved by the secretary of the
115.9 United States Department of Veterans Affairs for assistance as the primary provider of
115.10 personal care services for an eligible veteran under the Program of Comprehensive Assistance
115.11 for Family Caregivers, codified as United States Code, title 38, section 1720G; and

115.12 (4) "veteran" has the meaning given the term in section 197.447.

115.13 (k) If a veteran dying after December 31, 2011, did not apply for or receive the exclusion
115.14 under paragraph (b), clause (2), before dying, the veteran's spouse is entitled to the benefit
115.15 under paragraph (b), clause (2), for eight tax payable years or until the spouse remarries
115.16 or sells, transfers, or otherwise disposes of the property, except as otherwise provided in
115.17 paragraph (n), if:

115.18 (1) the spouse files a first-time application within two years of the death of the service
115.19 member or by June 1, 2019, whichever is later;

115.20 (2) upon the death of the veteran, the spouse holds the legal or beneficial title to the
115.21 homestead and permanently resides there;

115.22 (3) the veteran met the honorable discharge requirements of paragraph (a); and

115.23 (4) the United States Department of Veterans Affairs certifies that:

115.24 (i) the veteran met the total (100 percent) and permanent disability requirement under
115.25 paragraph (b), clause (2); or

115.26 (ii) the spouse has been awarded dependency and indemnity compensation.

115.27 (l) The purpose of this provision of law providing a level of homestead property tax
115.28 relief for gravely disabled veterans, their primary family caregivers, and their surviving
115.29 spouses is to help ease the burdens of war for those among our state's citizens who bear
115.30 those burdens most heavily.

116.1 (m) By July 1, the county veterans service officer must certify the disability rating and
 116.2 permanent address of each veteran receiving the benefit under paragraph (b) to the assessor.

116.3 (n) A spouse who received the benefit in paragraph (c), (d), or (k) but no longer holds
 116.4 the legal or beneficial title to the property may continue to receive the exclusion for a
 116.5 property other than the property for which the exclusion was initially granted until the spouse
 116.6 remarries or sells, transfers, or otherwise disposes of the property, provided that:

116.7 (1) the spouse applies under paragraph (h) for the continuation of the exclusion allowed
 116.8 under this paragraph;

116.9 (2) the spouse holds the legal or beneficial title to the property for which the continuation
 116.10 of the exclusion is sought under this paragraph, and permanently resides there;

116.11 (3) the estimated market value of the property for which the exclusion is sought under
 116.12 this paragraph is less than or equal to the estimated market value of the property that first
 116.13 received the exclusion, based on the value of each property on the date of the sale of the
 116.14 property that first received the exclusion; and

116.15 (4) the spouse has not previously received the benefit under this paragraph for a property
 116.16 other than the property for which the exclusion is sought.

116.17 The exclusion for a spouse under this paragraph and paragraph (c), (d), or (k) may not
 116.18 exceed a total of eight taxes payable years.

116.19 **EFFECTIVE DATE.** This section is effective beginning with assessments in 2018, for
 116.20 taxes payable in 2019.

116.21 Sec. 14. Minnesota Statutes 2016, section 273.13, subdivision 35, is amended to read:

116.22 Subd. 35. **Homestead market value exclusion.** (a) Prior to determining a property's
 116.23 net tax capacity under this section, property classified as class 1a or 1b under subdivision
 116.24 22, and the portion of property classified as class 2a under subdivision 23 consisting of the
 116.25 house, garage, and surrounding one acre of land, shall be eligible for a market value exclusion
 116.26 as determined under paragraph (b).

116.27 (b) For a homestead valued at \$76,000 or less, the exclusion is 40 percent of market
 116.28 value. For a homestead valued between \$76,000 and \$413,800, the exclusion is \$30,400
 116.29 minus nine percent of the valuation over \$76,000. For a homestead valued at \$413,800 or
 116.30 more, there is no valuation exclusion. The valuation exclusion shall be rounded to the nearest
 116.31 whole dollar, and may not be less than zero.

119.35 commissioner of revenue, the county auditor shall return the conveyance to the commissioner.
119.36 If the conveyance is delivered to the licensed closing agent, title insurer, or title insurance

120.1 agent and the closing does not occur within ten days of the request, the licensed closing
 120.2 agent, title insurer, or title insurance agent shall immediately return the conveyance to the
 120.3 county auditor and, upon receipt, the county auditor shall return the conveyance to the

 120.16 and any other state paid property tax credits in any calendar year, and after any refund
 120.17 claimed and allowable under section 290A.04, subdivision 2h, that is first payable in the
 120.18 year that the property tax is payable. In the case of a claimant who makes ground lease
 120.19 payments, "property taxes payable" includes the amount of the payments directly attributable
 120.20 to the property taxes assessed against the parcel on which the house is located. Regardless
 120.21 of the limitations in section 280A(c)(5) of the Internal Revenue Code, "property taxes
 120.22 payable" must be apportioned or reduced for the use of a portion of the claimant's homestead
 120.23 for a business purpose if the claimant deducts any business depreciation expenses for the
 120.24 use of a portion of the homestead or deducts expenses under section 280A of the Internal
 120.25 Revenue Code for a business operated in the claimant's homestead. For homesteads which

 120.30 also include 17 percent of the gross rent paid in the preceding year for the site on which the
 120.31 homestead is located. When a homestead is owned by two or more persons as joint tenants
 120.32 or tenants in common, such tenants shall determine between them which tenant may claim
 120.33 the property taxes payable on the homestead. If they are unable to agree, the matter shall
 120.34 be referred to the commissioner of revenue whose decision shall be final. Property taxes
 120.35 are considered payable in the year prescribed by law for payment of the taxes.

121.1 In the case of a claim relating to "property taxes payable," the claimant must have owned
 121.2 and occupied the homestead on January 2 of the year in which the tax is payable and (i) the
 121.3 property must have been classified as homestead property pursuant to section 273.124, on
 121.4 or before December 15 of the assessment year to which the "property taxes payable" relate;

122.9 deferral and interest under this program, and that any other amounts subject to revenue
122.10 recapture under section 270A.03, subdivision 7, will also be used to offset any deferral and
122.11 interest under this program.

122.12 (b) As part of the initial application process, the commissioner may require the applicant
122.13 to obtain at the applicant's own cost and submit:

122.22 documents filed or recorded more than 40 years prior to the date of the certification or report.
122.23 The certification or report must be as of a date not more than 30 days prior to submission
122.24 of the application.

122.25 The commissioner may also require the county recorder or county registrar of the county
122.26 where the property is located to provide copies of recorded documents related to the applicant
122.27 or the property, for which the recorder or registrar shall not charge a fee. The commissioner

 145.25 for recording. Contract for deeds are subject to recording under section 507.235, subdivision
 145.26 1. Value shall, in the case of any deed not a gift, be the amount of the full actual consideration
 145.27 thereof, paid or to be paid, including the amount of any lien or liens assumed. The items
 145.28 and value of personal property transferred with the real property must be listed and deducted
 145.29 from the sale price. The certificate of value shall include the classification to which the
 145.30 property belongs for the purpose of determining the fair market value of the property, and
 145.31 shall include any proposed change in use of the property known to the person filing the
 145.32 certificate that could change the classification of the property. The certificate shall include
 145.33 financing terms and conditions of the sale which are necessary to determine the actual,
 145.34 present value of the sale price for purposes of the sales ratio study. If the property is being

146.1 acquired as part of a like-kind exchange under section 1031 of the Internal Revenue Code
146.2 of 1986, as amended through December 31, 2006, that must be indicated on the certificate.
146.3 The commissioner of revenue shall promulgate administrative rules specifying the financing
146.4 terms and conditions which must be included on the certificate. The certificate of value
146.5 must include the Social Security number or the federal employer identification number of
146.6 the grantors and grantees. However, a married person who is not an owner of record and
146.7 who is signing a conveyance instrument along with the person's spouse solely to release
146.8 and convey their marital interest, if any, in the real property being conveyed is not a grantor
146.9 for the purpose of the preceding sentence. A statement in the deed that is substantially in
146.10 the following form is sufficient to allow the county auditor to accept a certificate for filing
146.11 without the Social Security number of the named spouse: "(Name) claims no ownership
146.12 interest in the real property being conveyed and is executing this instrument solely to release
146.13 and convey a marital interest, if any, in that real property." The identification numbers of
146.14 the grantors and grantees are private data on individuals or nonpublic data as defined in
146.15 section 13.02, subdivisions 9 and 12, but, notwithstanding that section, the private or
146.16 nonpublic data may be disclosed to the commissioner of revenue for purposes of tax
146.17 administration. The information required to be shown on the certificate of value is limited
146.18 to the information required as of the date of the acknowledgment on the deed or other
146.19 document to be recorded.

146.20 **EFFECTIVE DATE.** This section is effective for certificates of value filed after
146.21 December 31, 2018.

146.22 Sec. 4. Minnesota Statutes 2016, section 287.21, subdivision 1, is amended to read:

146.23 Subdivision 1. **Determination of tax.** (a) A tax is imposed on each deed or instrument
146.24 by which any real property in this state is granted, assigned, transferred, or otherwise
146.25 conveyed. The tax applies against the net consideration. For purposes of the tax, the
146.26 conversion of a corporation to a limited liability company, a limited liability company to a
146.27 corporation, a partnership to a limited partnership, a limited partnership to another limited
146.28 partnership or other entity, or a similar conversion of one entity to another does not grant,
146.29 assign, transfer, or convey real property.

146.30 (b) The tax is determined in the following manner: (1) when transfers are made by
146.31 instruments pursuant to (i) consolidations or mergers, or (ii) designated transfers, the tax is
146.32 \$1.65; (2) when there is no consideration or when the consideration, exclusive of the value
146.33 of any lien or encumbrance remaining thereon at the time of sale, is ~~\$500~~ \$3,000 or less,
146.34 the tax is \$1.65; or (3) when the consideration, exclusive of the value of any lien or

147.1 encumbrance remaining at the time of sale, exceeds ~~\$500~~ \$3,000, the tax is .0033 of the net
147.2 consideration.

147.3 (c) If, within six months from the date of a designated transfer, an ownership interest in
147.4 the grantee entity is transferred by an initial owner to any person or entity with the result
147.5 that the designated transfer would not have been a designated transfer if made to the grantee
147.6 entity with its subsequent ownership, then a tax is imposed at .0033 of the net consideration
147.7 for the designated transfer. If the subsequent transfer of ownership interests was reasonably
147.8 expected at the time of the designated transfer, the applicable penalty under section 287.31,
147.9 subdivision 1, must be paid. The deed tax imposed under this paragraph is due within 30
147.10 days of the subsequent transfer that caused the tax to be imposed under this paragraph.
147.11 Involuntary transfers of ownership shall not be considered transfers of ownership under this
147.12 paragraph. The commissioner may adopt rules defining the types of transfers to be considered
147.13 involuntary.

147.14 (d) The tax is due at the time a taxable deed or instrument is presented for recording,
147.15 except as provided in paragraph (c). The commissioner may require the tax to be documented
147.16 in a manner prescribed by the commissioner, and may require that the documentation be
147.17 attached to and recorded as part of the deed or instrument. The county recorder or registrar
147.18 of titles shall accept the attachment for recording as part of the deed or instrument and may
147.19 not require, as a condition of recording a deed or instrument, evidence that a transfer is a
147.20 designated transfer in addition to that required by the commissioner. Such an attachment
147.21 shall not, however, provide actual or constructive notice of the information contained therein
147.22 for purposes of determining any interest in the real property. The commissioner shall
147.23 prescribe the manner in which the tax due under paragraph (c) is to be paid and may require
147.24 grantees of designated transfers to file with the commissioner subsequent statements verifying
147.25 that the tax provided under paragraph (c) does not apply.

147.26 **EFFECTIVE DATE.** This section is effective for deeds recorded after December 31,
147.27 2018.

147.28 **ARTICLE 8**

147.29 **DEPARTMENT OF REVENUE; MISCELLANEOUS; POLICY CHANGES**

148.15 must issue a permit to each applicant who has complied with section 297A.83, and with
148.16 section 297A.92 if security is required. A person is considered to have a permit if the person
148.17 has a Minnesota tax identification number issued by the commissioner that is currently
148.18 active for taxes imposed by this chapter. A permit is valid until canceled or revoked. It is
148.19 not assignable and is valid only for the person in whose name it is granted and for the
148.20 transaction of business at the places designated on the permit.

148.21 **Subd. 3. Permits not issued.** (a) Except as provided in paragraph (b), the commissioner
148.22 must not issue a permit to an applicant if the applicant is liable for delinquent sales tax.

148.23 (b) The commissioner must issue a permit to an applicant if an appeal period of an order
148.24 assessing sales tax under section 270C.33, subdivision 5, has not ended. The commissioner
148.25 may cancel a permit issued under this paragraph in the manner provided in subdivision 4
148.26 if the applicant owes delinquent sales tax after the appeal period has ended.

148.27 **Subd. 4. Nonconforming permits; cancellation; reissue.** (a) If the commissioner issues

148.29 commissioner may cancel the permit upon notice to the permit holder. The notice must be
148.30 served by first class and certified mail at the permit holder's last known address. The
148.31 cancellation is effective immediately.

149.1 (b) If a permit holder shows that a canceled permit was issued in conformance with the
 149.2 requirements of this section and applicable rules, the commissioner must reissue the permit.

149.3 **EFFECTIVE DATE.** This section is effective for permit applications filed after
 149.4 December 31, 2018.

149.5 Sec. 3. Minnesota Statutes 2016, section 297A.85, is amended to read:

149.6 **297A.85 CANCELLATION OF PERMITS.**

149.8 (1) the permit holder has not filed a sales or use tax return for at least one year;

149.9 (2) the permit holder has not reported any sales or use tax liability on the permit holder's
 149.10 returns for at least two years;

149.17 **ARTICLE 9**

149.18 **DEPARTMENT OF REVENUE ASSESSMENT AUTHORITY**

149.19 Section 1. Minnesota Statutes 2017 Supplement, section 270C.445, subdivision 6, is
 149.20 amended to read:

149.21 Subd. 6. **Enforcement; administrative order; penalties; cease and desist.** (a) The
 149.22 commissioner may impose an administrative penalty of not more than \$1,000 per violation
 149.23 of subdivision 3 or 5, or section 270C.4451, provided that a penalty may not be imposed
 149.24 for any conduct for which a tax preparer penalty is imposed under section 289A.60,
 149.25 subdivision 13. The commissioner may terminate a tax preparer's authority to transmit
 149.26 returns electronically to the state, if the commissioner determines the tax preparer engaged
 149.27 in a pattern and practice of violating this section. Imposition of a penalty under this paragraph
 149.28 is subject to the contested case procedure under chapter 14. The commissioner shall collect
 149.29 the penalty in the same manner as the income tax. There is no right to make a claim for
 149.30 refund under section 289A.50 of the penalty imposed under this paragraph. Penalties imposed
 149.31 under this paragraph are public data.

150.1 (b) In addition to the penalty under paragraph (a), if the commissioner determines that
150.2 a tax preparer has violated subdivision 3 or 5, or section 270C.4451, the commissioner may
150.3 issue an administrative order to the tax preparer requiring the tax preparer to cease and
150.4 desist from committing the violation. The administrative order may include an administrative
150.5 penalty provided in paragraph (a).

150.6 (c) If the commissioner issues an administrative order under paragraph (b), the
150.7 commissioner must send the order to the tax preparer addressed to the last known address
150.8 of the tax preparer.

150.9 (d) A cease and desist order under paragraph (b) must:

150.10 (1) describe the act, conduct, or practice committed and include a reference to the law
150.11 that the act, conduct, or practice violates; and

150.12 (2) provide notice that the tax preparer may request a hearing as provided in this
150.13 subdivision.

150.14 (e) Within 30 days after the commissioner issues an administrative order under paragraph
150.15 (b), the tax preparer may request a hearing to review the commissioner's action. The request
150.16 for hearing must be made in writing and must be served on the commissioner at the address
150.17 specified in the order. The hearing request must specifically state the reasons for seeking
150.18 review of the order. The date on which a request for hearing is served by mail is the postmark
150.19 date on the envelope in which the request for hearing is mailed.

150.20 (f) If a tax preparer does not timely request a hearing regarding an administrative order
150.21 issued under paragraph (b), the order becomes a final order of the commissioner and is not
150.22 subject to review by any court or agency.

150.23 (g) If a tax preparer timely requests a hearing regarding an administrative order issued
150.24 under paragraph (b), the hearing must be commenced within ten days after the commissioner
150.25 receives the request for a hearing.

150.26 (h) A hearing timely requested under paragraph (e) is subject to the contested case
150.27 procedure under chapter 14, as modified by this subdivision. The administrative law judge
150.28 must issue a report containing findings of fact, conclusions of law, and a recommended
150.29 order within ten days after the completion of the hearing, the receipt of late-filed exhibits,
150.30 or the submission of written arguments, whichever is later.

150.31 (i) Within five days of the date of the administrative law judge's report issued under
150.32 paragraph (h), any party aggrieved by the administrative law judge's report may submit
150.33 written exceptions and arguments to the commissioner. Within 15 days after receiving the

151.1 administrative law judge's report, the commissioner must issue an order vacating, modifying,
151.2 or making final the administrative order.

151.3 (j) The commissioner and the tax preparer requesting a hearing may by agreement
151.4 lengthen any time periods prescribed in paragraphs (g) to (i).

151.5 (k) An administrative order issued under paragraph (b) is in effect until it is modified
151.6 or vacated by the commissioner or an appellate court. The administrative hearing provided
151.7 by paragraphs (e) to (i) and any appellate judicial review as provided in chapter 14 constitute
151.8 the exclusive remedy for a tax preparer aggrieved by the order.

151.9 (l) The commissioner may impose an administrative penalty, in addition to the penalty
151.10 under paragraph (a), up to \$5,000 per violation of a cease and desist order issued under
151.11 paragraph (b). Imposition of a penalty under this paragraph is subject to the contested case
151.12 procedure under chapter 14. Within 30 days after the commissioner imposes a penalty under
151.13 this paragraph, the tax preparer assessed the penalty may request a hearing to review the
151.14 penalty order. The request for hearing must be made in writing and must be served on the
151.15 commissioner at the address specified in the order. The hearing request must specifically
151.16 state the reasons for seeking review of the order. The cease and desist order issued under
151.17 paragraph (b) is not subject to review in a proceeding to challenge the penalty order under
151.18 this paragraph. The date on which a request for hearing is served by mail is the postmark
151.19 date on the envelope in which the request for hearing is mailed. If the tax preparer does not
151.20 timely request a hearing, the penalty order becomes a final order of the commissioner and
151.21 is not subject to review by any court or agency. A penalty imposed by the commissioner
151.22 under this paragraph may be collected and enforced by the commissioner as an income tax
151.23 liability. There is no right to make a claim for refund under section 289A.50 of the penalty
151.24 imposed under this paragraph. A penalty imposed under this paragraph is public data.

151.25 (m) If a tax preparer violates a cease and desist order issued under paragraph (b), the
151.26 commissioner may terminate the tax preparer's authority to transmit returns electronically
151.27 to the state. Termination under this paragraph is public data.

151.28 (n) A cease and desist order issued under paragraph (b) is public data when it is a final
151.29 order.

151.30 (o) Notwithstanding any other law, the commissioner may impose a penalty or take other
151.31 action under this subdivision against a tax preparer, with respect to a return, within the
151.32 period to assess tax on that return as provided by ~~section~~ sections 289A.38 to 289A.384.

152.1 (p) Notwithstanding any other law, the imposition of a penalty or any other action against
 152.2 a tax preparer under this subdivision, other than with respect to a return, must be taken by
 152.3 the commissioner within five years of the violation of statute.

152.4 **EFFECTIVE DATE.** This section is effective for tax years beginning after December
 152.5 31, 2017.

152.6 Sec. 2. Minnesota Statutes 2017 Supplement, section 289A.37, subdivision 2, is amended
 152.7 to read:

152.8 Subd. 2. **Erroneous refunds.** (a) Except as provided in paragraph (b), an erroneous
 152.9 refund occurs when the commissioner issues a payment to a person that exceeds the amount
 152.10 the person is entitled to receive under law. An erroneous refund is considered an
 152.11 underpayment of tax on the date issued.

152.12 (b) To the extent that the amount paid does not exceed the amount claimed by the
 152.13 taxpayer, an erroneous refund does not include the following:

152.14 (1) any amount of a refund or credit paid pursuant to a claim for refund filed by a
 152.15 taxpayer, including but not limited to refunds of claims made under section 290.06,
 152.16 subdivision 23; 290.067; 290.0671; 290.0672; 290.0674; 290.0675; 290.0677; 290.068;
 152.17 290.0681; or 290.0692; or chapter 290A; or

152.18 (2) any amount paid pursuant to a claim for refund of an overpayment of tax filed by a
 152.19 taxpayer.

152.20 (c) The commissioner may make an assessment to recover an erroneous refund at any
 152.21 time within two years from the issuance of the erroneous refund. If all or part of the erroneous
 152.22 refund was induced by fraud or misrepresentation of a material fact, the assessment may
 152.23 be made at any time.

152.24 (d) Assessments of amounts that are not erroneous refunds under paragraph (b) must be
 152.25 conducted under ~~section~~ sections 289A.38 to 289A.384.

152.26 **EFFECTIVE DATE.** This section is effective for tax years beginning after December
 152.27 31, 2017.

152.28 Sec. 3. Minnesota Statutes 2016, section 289A.38, subdivision 10, is amended to read:

152.29 Subd. 10. **Incorrect determination of federal adjusted gross income.** Notwithstanding
 152.30 any other provision of this chapter, if a taxpayer whose net income is determined under
 152.31 section 290.01, subdivision 19, omits from income an amount that will under the Internal

153.1 Revenue Code extend the statute of limitations for the assessment of federal income taxes,
 153.2 or otherwise incorrectly determines the taxpayer's federal adjusted gross income resulting
 153.3 in adjustments by the Internal Revenue Service, then the period of assessment and
 153.4 determination of tax will be that under the Internal Revenue Code. When a change is made
 153.5 to federal income during the extended time provided under this subdivision, the provisions
 153.6 under ~~subdivisions 7 to 9~~ sections 289A.381 to 289A.384 regarding additional extensions
 153.7 apply.

153.8 **EFFECTIVE DATE.** This section is effective for tax years beginning after December

 153.20 Internal Revenue Service or other competent authority, including a partnership-level audit,
 153.21 or the filing of an amended federal return, federal refund claim, or an administrative
 153.22 adjustment request by the taxpayer.

153.23 Subd. 4. **Federal adjustments report.** "Federal adjustments report" includes a method
 153.24 or form prescribed by the commissioner for use by a taxpayer to report federal adjustments,

153.27 (1) for a federal adjustment arising from an audit by the Internal Revenue Service or
 153.28 other competent authority, the first day on which no federal adjustment arising from that
 153.29 audit remains to be finally determined, whether by agreement, or, if appealed or contested,

158.30 (4) On all over \$250,000, 9.85 percent.

159.1 Married individuals filing separate returns, estates, and trusts must compute their income
159.2 tax by applying the above rates to their taxable income, except that the income brackets
159.3 will be one-half of the above amounts after the adjustment required in subdivision 2d.

159.4 (b) The income taxes imposed by this chapter upon unmarried individuals must be
159.5 computed by applying to taxable net income the following schedule of rates:

159.6 (1) On the first \$24,270, 5.35 percent;

159.19 amount determined by the commissioner must be computed in accordance with tables
159.20 prepared and issued by the commissioner of revenue based on income brackets of not more

159.22 this subdivision, provided that the commissioner may disregard a fractional part of a dollar
159.23 unless it amounts to 50 cents or more, in which case it may be increased to \$1.

159.24 (e) An individual who is not a Minnesota resident for the entire year must compute the
159.25 individual's Minnesota income tax as provided in this subdivision. After the application of
159.26 the nonrefundable credits provided in this chapter, the tax liability must then be multiplied
159.27 by a fraction in which:

159.28 (1) the numerator is the individual's Minnesota source federal adjusted gross income as

160.7 (i) the amounts specified in section additions required under sections 290.0131,
 160.8 subdivisions 2 and 6 to 11, and 290.0137, paragraph (a); and reduced by

160.11 **EFFECTIVE DATE.** The amendment to paragraph (a) is effective for taxable years
 160.12 beginning after December 31, 2017. The amendment to paragraph (e) is effective the day
 160.13 following final enactment.

160.14 Sec. 3. Minnesota Statutes 2016, section 290.06, subdivision 2d, is amended to read:

160.15 Subd. 2d. **Inflation adjustment of brackets.** (a) For taxable years beginning after
 160.16 December 31, 2013, the minimum and maximum dollar amounts for each rate bracket for
 160.17 which a tax is imposed in subdivision 2c shall be adjusted for inflation by the percentage
 160.18 determined under paragraph (b). For the purpose of making the adjustment as provided in
 160.19 this subdivision all of the rate brackets provided in subdivision 2c shall be the rate brackets
 160.20 as they existed for taxable years beginning after December 31, 2012, and before January 1,
 160.21 2014. The rate applicable to any rate bracket must not be changed. The dollar amounts
 160.22 setting forth the tax shall be adjusted to reflect the changes in the rate brackets. The rate
 160.23 brackets as adjusted must be rounded to the nearest \$10 amount. If the rate bracket ends in
 160.24 \$5, it must be rounded up to the nearest \$10 amount.

160.25 (b) The commissioner shall adjust the rate brackets and by the percentage determined
 160.26 pursuant to the provisions of section 1(f) of the Internal Revenue Code, except that in section
 160.27 1(f)(3)(B) the word "2012" shall be substituted for the word "1992." For 2014, the
 160.28 commissioner shall then determine the percent change from the 12 months ending on August
 160.29 31, 2012, to the 12 months ending on August 31, 2013, and in each subsequent year, from
 160.30 the 12 months ending on August 31, 2012, to the 12 months ending on August 31 of the
 160.31 year preceding the taxable year. The commissioner shall determine the rate bracket for
 160.32 married filing separate returns after this adjustment is done. The rate bracket for married
 160.33 filing separate must be one-half of the rate bracket for married filing joint. The determination

161.1 of the commissioner pursuant to this subdivision shall not be considered a "rule" and shall
 161.2 not be subject to the Administrative Procedure Act contained in chapter 14.

161.3 No later than December 15 of each year, the commissioner shall announce the specific
 161.4 percentage that will be used to adjust the tax rate brackets.

161.5 **EFFECTIVE DATE.** This section is effective for taxable years beginning after December

 161.32 than one qualified beneficiary may be designated for an account at any one time. For purposes
 161.33 of the one beneficiary restriction, a married couple qualifies as one beneficiary. Changing

163.13 (d) The tax on purchases imposed under this subdivision must be imposed and collected

175.1 The county assessor or, in Ramsey County, the official designated by the board of county
 175.2 commissioners shall calculate the changes of the assessment lists determined by the county
 175.3 board of equalization, and make corrections accordingly, in the real or personal lists, or
 175.4 both, and shall make ~~duplicate abstracts~~ duplicates of them. One must be filed in the assessor's
 175.5 office, and one must be forwarded to the commissioner of revenue as provided in section
 175.6 270C.89.

175.7 **EFFECTIVE DATE.** This section is effective the day following final enactment.

175.8 Sec. 16. Minnesota Statutes 2017 Supplement, section 275.025, subdivision 1, is amended
 175.9 to read:

175.10 Subdivision 1. **Levy amount.** The state general levy is levied against
 175.11 commercial-industrial property and seasonal residential recreational property, as defined
 175.12 in this section. The state general levy for commercial-industrial property is \$784,590,000
 175.13 for taxes payable in 2018 and thereafter. The state general levy for seasonal-recreational
 175.14 property is \$44,190,000 for taxes payable in 2018 and thereafter. The tax under this section
 175.15 is not treated as a local tax rate under section 469.177 and is not the levy of a governmental
 175.16 unit under chapters 276A and 473F.

175.17 The commissioner shall increase or decrease the preliminary or final rate for a year as
 175.18 necessary to account for errors and tax base changes that affected a preliminary or final rate
 175.19 for either of the two preceding years. Adjustments are allowed to the extent that the necessary
 175.20 information is available to the commissioner at the time the rates for a year must be certified,
 175.21 and for the following reasons:

175.22 (1) an erroneous report of taxable value by a local official;

175.23 (2) an erroneous calculation by the commissioner; and

175.24 (3) an increase or decrease in taxable value for commercial-industrial or seasonal
 175.25 residential recreational property reported ~~on the abstracts of tax lists submitted under section~~
 175.26 ~~275.29 that was not reported on the abstracts of assessment submitted under section 270C.89~~
 175.27 to the commissioner under section 270C.85, subdivision 2, clause (4), for the same year.

175.28 The commissioner may, but need not, make adjustments if the total difference in the tax
 175.29 levied for the year would be less than \$100,000.

175.30 **EFFECTIVE DATE.** This section is effective the day following final enactment.

176.1 Sec. 17. Minnesota Statutes 2016, section 290B.09, subdivision 1, is amended to read:

176.2 Subdivision 1. **Determination; payment.** The county auditor shall determine the total
 176.3 current year's deferred amount of property tax under this chapter in the county, and ~~submit~~
 176.4 report those amounts ~~as part of the abstracts of tax lists submitted by the county auditors~~
 176.5 ~~under section 275.29~~ to the commissioner under section 270C.85, subdivision 2, clause (4).
 176.6 The commissioner may make changes ~~in the abstracts of tax lists~~ as deemed necessary. The
 176.7 commissioner of revenue, after such review, shall pay the deferred amount of property tax
 176.8 to each county treasurer on or before August 31.

176.9 The county treasurer shall distribute as part of the October settlement the funds received
 176.10 as if they had been collected as a part of the property tax.

176.11 **EFFECTIVE DATE.** This section is effective the day following final enactment.

176.12 Sec. 18. Minnesota Statutes 2016, section 469.177, subdivision 1, is amended to read:

176.13 Subdivision 1. **Original net tax capacity.** (a) Upon or after adoption of a tax increment
 176.14 financing plan, the auditor of any county in which the district is situated shall, upon request
 176.15 of the authority, certify the original net tax capacity of the tax increment financing district
 176.16 and that portion of the district overlying any subdistrict as described in the tax increment
 176.17 financing plan and shall certify in each year thereafter the amount by which the original net
 176.18 tax capacity has increased or decreased as a result of a change in tax exempt status of
 176.19 property within the district and any subdistrict, reduction or enlargement of the district or
 176.20 changes pursuant to subdivision 4. The auditor shall certify the amount within 30 days after
 176.21 receipt of the request and sufficient information to identify the parcels included in the district.
 176.22 The certification relates to the taxes payable year as provided in subdivision 6.

176.23 (b) If the classification under section 273.13 of property located in a district changes to
 176.24 a classification that has a different assessment ratio, the original net tax capacity of that
 176.25 property must be redetermined at the time when its use is changed as if the property had
 176.26 originally been classified in the same class in which it is classified after its use is changed.

176.27 (c) The amount to be added to the original net tax capacity of the district as a result of
 176.28 previously tax exempt real property within the district becoming taxable equals the net tax
 176.29 capacity of the real property as most recently assessed pursuant to ~~section 273.18~~ information
 176.30 reported to the commissioner under section 270C.85, subdivision 2, clause (4), or, if that
 176.31 assessment was made more than one year prior to the date of title transfer rendering the
 176.32 property taxable, the net tax capacity assessed by the assessor at the time of the transfer. If
 176.33 improvements are made to tax exempt property after the municipality approves the district

177.1 and before the parcel becomes taxable, the assessor shall, at the request of the authority,
177.2 separately assess the estimated market value of the improvements. If the property becomes
177.3 taxable, the county auditor shall add to original net tax capacity, the net tax capacity of the
177.4 parcel, excluding the separately assessed improvements. If substantial taxable improvements
177.5 were made to a parcel after certification of the district and if the property later becomes tax
177.6 exempt, in whole or part, as a result of the authority acquiring the property through
177.7 foreclosure or exercise of remedies under a lease or other revenue agreement or as a result
177.8 of tax forfeiture, the amount to be added to the original net tax capacity of the district as a
177.9 result of the property again becoming taxable is the amount of the parcel's value that was
177.10 included in original net tax capacity when the parcel was first certified. The amount to be
177.11 added to the original net tax capacity of the district as a result of enlargements equals the
177.12 net tax capacity of the added real property as most recently certified by the commissioner
177.13 of revenue as of the date of modification of the tax increment financing plan pursuant to
177.14 section 469.175, subdivision 4.

177.15 (d) If the net tax capacity of a property increases because the property no longer qualifies
177.16 under the Minnesota Agricultural Property Tax Law, section 273.111; the Minnesota Open
177.17 Space Property Tax Law, section 273.112; or the Metropolitan Agricultural Preserves Act,
177.18 chapter 473H, the Rural Preserve Property Tax Program under section 273.114, or because
177.19 platted, unimproved property is improved or market value is increased after approval of the
177.20 plat under section 273.11, subdivision 14a or 14b, the increase in net tax capacity must be
177.21 added to the original net tax capacity. If the net tax capacity of a property increases because
177.22 the property no longer qualifies for the homestead market value exclusion under section
177.23 273.13, subdivision 35, the increase in net tax capacity must be added to original net tax
177.24 capacity if the original construction of the affected home was completed before the date the
177.25 assessor certified the original net tax capacity of the district.

177.26 (e) The amount to be subtracted from the original net tax capacity of the district as a
177.27 result of previously taxable real property within the district becoming tax exempt or
177.28 qualifying in whole or part for an exclusion from taxable market value, or a reduction in
177.29 the geographic area of the district, shall be the amount of original net tax capacity initially
177.30 attributed to the property becoming tax exempt, being excluded from taxable market value,
177.31 or being removed from the district. If the net tax capacity of property located within the tax
177.32 increment financing district is reduced by reason of a court-ordered abatement, stipulation
177.33 agreement, voluntary abatement made by the assessor or auditor or by order of the
177.34 commissioner of revenue, the reduction shall be applied to the original net tax capacity of
177.35 the district when the property upon which the abatement is made has not been improved

178.1 since the date of certification of the district and to the captured net tax capacity of the district
 178.2 in each year thereafter when the abatement relates to improvements made after the date of
 178.3 certification. The county auditor may specify reasonable form and content of the request
 178.4 for certification of the authority and any modification thereof pursuant to section 469.175,
 178.5 subdivision 4.

178.6 (f) If a parcel of property contained a substandard building or improvements described
 178.7 in section 469.174, subdivision 10, paragraph (e), that were demolished or removed and if
 178.8 the authority elects to treat the parcel as occupied by a substandard building under section
 178.9 469.174, subdivision 10, paragraph (b), or by improvements under section 469.174,
 178.10 subdivision 10, paragraph (e), the auditor shall certify the original net tax capacity of the
 178.11 parcel using the greater of (1) the current net tax capacity of the parcel, or (2) the estimated
 178.12 market value of the parcel for the year in which the building or other improvements were
 178.13 demolished or removed, but applying the classification rates for the current year.

178.14 (g) For a redevelopment district qualifying under section 469.174, subdivision 10,
 178.15 paragraph (a), clause (4), as a qualified disaster area, the auditor shall certify the value of
 178.16 the land as the original tax capacity for any parcel in the district that contains a building
 178.17 that suffered substantial damage as a result of the disaster or emergency.

178.18 **EFFECTIVE DATE.** This section is effective the day following final enactment.

178.19 Sec. 19. **REPEALER.**

178.20 Minnesota Statutes 2016, section 275.29, is repealed.

178.21 **EFFECTIVE DATE.** This section is effective the day following final enactment.

178.22 **ARTICLE 14**

178.23 **DEPARTMENT OF REVENUE; MISCELLANEOUS; TECHNICAL CHANGES**

178.24 Section 1. Minnesota Statutes 2016, section 272.02, subdivision 27, is amended to read:

178.25 Subd. 27. **Superior National Forest; recreational property for use by ~~disabled~~**
 178.26 **veterans with a disability.** Real and personal property is exempt if it is located in the
 178.27 Superior National Forest, and owned or leased and operated by a nonprofit organization
 178.28 that is exempt from federal income taxation under section 501(c)(3) of the Internal Revenue
 178.29 Code and primarily used to provide recreational opportunities for ~~disabled~~ veterans with a
 178.30 disability and their families.

178.31 **EFFECTIVE DATE.** This section is effective the day following final enactment.

179.1 Sec. 2. Minnesota Statutes 2016, section 272.02, subdivision 81, is amended to read:

179.2 Subd. 81. **Certain recreational property for ~~disabled~~ veterans with a disability.** Real
179.3 and personal property is exempt if it is located in a county in the metropolitan area with a
179.4 population of less than 500,000 according to the 2000 federal census, and owned or leased
179.5 and operated by a nonprofit organization, and primarily used to provide recreational
179.6 opportunities for ~~disabled~~ veterans with a disability and their families.

179.7 **EFFECTIVE DATE.** This section is effective the day following final enactment.

179.8 Sec. 3. Minnesota Statutes 2016, section 273.032, is amended to read:

179.9 **273.032 MARKET VALUE DEFINITION.**

179.10 (a) Unless otherwise provided, for the purpose of determining any property tax levy
179.11 limitation based on market value or any limit on net debt, the issuance of bonds, certificates
179.12 of indebtedness, or capital notes based on market value, any qualification to receive state
179.13 aid based on market value, or any state aid amount based on market value, the terms "market
179.14 value," "estimated market value," and "market valuation," whether equalized or unequalized,
179.15 mean the estimated market value of taxable property within the local unit of government
179.16 before any of the following or similar adjustments for:

179.17 (1) the market value exclusions under:

179.18 (i) section 273.11, subdivisions 14a and 14c (vacant platted land);

179.19 (ii) section 273.11, subdivision 16 (certain improvements to homestead property);

179.20 (iii) section 273.11, subdivisions 19 and 20 (certain improvements to business properties);

179.21 (iv) section 273.11, subdivision 21 (homestead property damaged by mold);

179.22 (v) section 273.13, subdivision 34 (homestead of a ~~disabled~~ veteran with a disability or
179.23 family caregiver); or

179.24 (vi) section 273.13, subdivision 35 (homestead market value exclusion); or

179.25 (2) the deferment of value under:

179.26 (i) the Minnesota Agricultural Property Tax Law, section 273.111;

179.27 (ii) the Aggregate Resource Preservation Law, section 273.1115;

179.28 (iii) the Minnesota Open Space Property Tax Law, section 273.112;

179.29 (iv) the rural preserves property tax program, section 273.114; or

179.30 (v) the Metropolitan Agricultural Preserves Act, section 473H.10; or

180.1 (3) the adjustments to tax capacity for:

180.2 (i) tax increment financing under sections 469.174 to 469.1794;

180.3 (ii) fiscal disparities under chapter 276A or 473F; or

180.4 (iii) powerline credit under section 273.425.

180.5 (b) Estimated market value under paragraph (a) also includes the market value of
180.6 tax-exempt property if the applicable law specifically provides that the limitation,
180.7 qualification, or aid calculation includes tax-exempt property.

180.8 (c) Unless otherwise provided, "market value," "estimated market value," and "market
180.9 valuation" for purposes of property tax levy limitations and calculation of state aid, refer
180.10 to the estimated market value for the previous assessment year and for purposes of limits
180.11 on net debt, the issuance of bonds, certificates of indebtedness, or capital notes refer to the
180.12 estimated market value as last finally equalized.

180.13 (d) For purposes of a provision of a home rule charter or of any special law that is not
180.14 codified in the statutes and that imposes a levy limitation based on market value or any limit
180.15 on debt, the issuance of bonds, certificates of indebtedness, or capital notes based on market
180.16 value, the terms "market value," "taxable market value," and "market valuation," whether
180.17 equalized or unequalized, mean "estimated market value" as defined in paragraph (a).

180.18 **EFFECTIVE DATE.** This section is effective the day following final enactment.

180.19 Sec. 4. Minnesota Statutes 2017 Supplement, section 273.13, subdivision 22, is amended
180.20 to read:

180.21 Subd. 22. **Class 1.** (a) Except as provided in subdivision 23 and in paragraphs (b) and
180.22 (c), real estate which is residential and used for homestead purposes is class 1a. In the case
180.23 of a duplex or triplex in which one of the units is used for homestead purposes, the entire
180.24 property is deemed to be used for homestead purposes. The market value of class 1a property
180.25 must be determined based upon the value of the house, garage, and land.

180.26 The first \$500,000 of market value of class 1a property has a net classification rate of
180.27 one percent of its market value; and the market value of class 1a property that exceeds
180.28 \$500,000 has a classification rate of 1.25 percent of its market value.

180.29 (b) Class 1b property includes homestead real estate or homestead manufactured homes
180.30 used for the purposes of a homestead by:

180.31 (1) any person who is blind as defined in section 256D.35, or the ~~blind~~ person who is
180.32 blind and the ~~blind person's~~ spouse of the person who is blind;

181.1 (2) any person who is permanently and totally disabled or by the ~~disabled~~ person with
181.2 a disability and the ~~disabled person's~~ spouse of the person with a disability; or

181.3 (3) the surviving spouse of a veteran who was permanently and totally disabled ~~veteran~~
181.4 homesteading a property classified under this paragraph for taxes payable in 2008.

181.5 Property is classified and assessed under clause (2) only if the government agency or
181.6 income-providing source certifies, upon the request of the homestead occupant, that the
181.7 homestead occupant satisfies the disability requirements of this paragraph, and that the
181.8 property is not eligible for the valuation exclusion under subdivision 34.

181.9 Property is classified and assessed under paragraph (b) only if the commissioner of
181.10 revenue or the county assessor certifies that the homestead occupant satisfies the requirements
181.11 of this paragraph.

181.12 Permanently and totally disabled for the purpose of this subdivision means a condition
181.13 which is permanent in nature and totally incapacitates the person from working at an
181.14 occupation which brings the person an income. The first \$50,000 market value of class 1b
181.15 property has a net classification rate of .45 percent of its market value. The remaining market
181.16 value of class 1b property is classified as class 1a or class 2a property, whichever is
181.17 appropriate.

181.18 (c) Class 1c property is commercial use real and personal property that abuts public
181.19 water as defined in section 103G.005, subdivision 15, or abuts a state trail administered by
181.20 the Department of Natural Resources, and is devoted to temporary and seasonal residential
181.21 occupancy for recreational purposes but not devoted to commercial purposes for more than
181.22 250 days in the year preceding the year of assessment, and that includes a portion used as
181.23 a homestead by the owner, which includes a dwelling occupied as a homestead by a
181.24 shareholder of a corporation that owns the resort, a partner in a partnership that owns the
181.25 resort, or a member of a limited liability company that owns the resort even if the title to
181.26 the homestead is held by the corporation, partnership, or limited liability company. For
181.27 purposes of this paragraph, property is devoted to a commercial purpose on a specific day
181.28 if any portion of the property, excluding the portion used exclusively as a homestead, is
181.29 used for residential occupancy and a fee is charged for residential occupancy. Class 1c
181.30 property must contain three or more rental units. A "rental unit" is defined as a cabin,
181.31 condominium, townhouse, sleeping room, or individual camping site equipped with water
181.32 and electrical hookups for recreational vehicles. Class 1c property must provide recreational
181.33 activities such as the rental of ice fishing houses, boats and motors, snowmobiles, downhill
181.34 or cross-country ski equipment; provide marina services, launch services, or guide services;

182.1 or sell bait and fishing tackle. Any unit in which the right to use the property is transferred
182.2 to an individual or entity by deeded interest, or the sale of shares or stock, no longer qualifies
182.3 for class 1c even though it may remain available for rent. A camping pad offered for rent
182.4 by a property that otherwise qualifies for class 1c is also class 1c, regardless of the term of
182.5 the rental agreement, as long as the use of the camping pad does not exceed 250 days. If
182.6 the same owner owns two separate parcels that are located in the same township, and one
182.7 of those properties is classified as a class 1c property and the other would be eligible to be
182.8 classified as a class 1c property if it was used as the homestead of the owner, both properties
182.9 will be assessed as a single class 1c property; for purposes of this sentence, properties are
182.10 deemed to be owned by the same owner if each of them is owned by a limited liability
182.11 company, and both limited liability companies have the same membership. The portion of
182.12 the property used as a homestead is class 1a property under paragraph (a). The remainder
182.13 of the property is classified as follows: the first \$600,000 of market value is tier I, the next
182.14 \$1,700,000 of market value is tier II, and any remaining market value is tier III. The
182.15 classification rates for class 1c are: tier I, 0.50 percent; tier II, 1.0 percent; and tier III, 1.25
182.16 percent. Owners of real and personal property devoted to temporary and seasonal residential
182.17 occupancy for recreation purposes in which all or a portion of the property was devoted to
182.18 commercial purposes for not more than 250 days in the year preceding the year of assessment
182.19 desiring classification as class 1c, must submit a declaration to the assessor designating the
182.20 cabins or units occupied for 250 days or less in the year preceding the year of assessment
182.21 by January 15 of the assessment year. Those cabins or units and a proportionate share of
182.22 the land on which they are located must be designated as class 1c as otherwise provided.
182.23 The remainder of the cabins or units and a proportionate share of the land on which they
182.24 are located must be designated as class 3a commercial. The owner of property desiring
182.25 designation as class 1c property must provide guest registers or other records demonstrating
182.26 that the units for which class 1c designation is sought were not occupied for more than 250
182.27 days in the year preceding the assessment if so requested. The portion of a property operated
182.28 as a (1) restaurant, (2) bar, (3) gift shop, (4) conference center or meeting room, and (5)
182.29 other nonresidential facility operated on a commercial basis not directly related to temporary
182.30 and seasonal residential occupancy for recreation purposes does not qualify for class 1c.

182.31 (d) Class 1d property includes structures that meet all of the following criteria:

182.32 (1) the structure is located on property that is classified as agricultural property under
182.33 section 273.13, subdivision 23;

182.34 (2) the structure is occupied exclusively by seasonal farm workers during the time when
182.35 they work on that farm, and the occupants are not charged rent for the privilege of occupying

183.1 the property, provided that use of the structure for storage of farm equipment and produce
183.2 does not disqualify the property from classification under this paragraph;

183.3 (3) the structure meets all applicable health and safety requirements for the appropriate
183.4 season; and

183.5 (4) the structure is not salable as residential property because it does not comply with
183.6 local ordinances relating to location in relation to streets or roads.

183.7 The market value of class 1d property has the same classification rates as class 1a property
183.8 under paragraph (a).

183.9 **EFFECTIVE DATE.** This section is effective the day following final enactment.

183.10 Sec. 5. Minnesota Statutes 2017 Supplement, section 273.13, subdivision 34, is amended
183.11 to read:

183.12 Subd. 34. **Homestead of ~~disabled~~ veteran with a disability or family caregiver.** (a)

183.13 All or a portion of the market value of property owned by a veteran and serving as the
183.14 veteran's homestead under this section is excluded in determining the property's taxable
183.15 market value if the veteran has a service-connected disability of 70 percent or more as
183.16 certified by the United States Department of Veterans Affairs. To qualify for exclusion
183.17 under this subdivision, the veteran must have been honorably discharged from the United
183.18 States armed forces, as indicated by United States Government Form DD214 or other official
183.19 military discharge papers.

183.20 (b)(1) For a disability rating of 70 percent or more, \$150,000 of market value is excluded,
183.21 except as provided in clause (2); and

183.22 (2) for a total (100 percent) and permanent disability, \$300,000 of market value is
183.23 excluded.

183.24 (c) If a ~~disabled~~ veteran with a disability qualifying for a valuation exclusion under
183.25 paragraph (b), clause (2), predeceases the veteran's spouse, and if upon the death of the
183.26 veteran the spouse holds the legal or beneficial title to the homestead and permanently
183.27 resides there, the exclusion shall carry over to the benefit of the veteran's spouse for the
183.28 current taxes payable year and for eight additional taxes payable years or until such time
183.29 as the spouse remarries, or sells, transfers, or otherwise disposes of the property, whichever
183.30 comes first. Qualification under this paragraph requires an application under paragraph (h),
183.31 and a spouse must notify the assessor if there is a change in the spouse's marital status,
183.32 ownership of the property, or use of the property as a permanent residence.

184.1 (d) If the spouse of a member of any branch or unit of the United States armed forces
184.2 who dies due to a service-connected cause while serving honorably in active service, as
184.3 indicated on United States Government Form DD1300 or DD2064, holds the legal or
184.4 beneficial title to a homestead and permanently resides there, the spouse is entitled to the
184.5 benefit described in paragraph (b), clause (2), for eight taxes payable years, or until such
184.6 time as the spouse remarries or sells, transfers, or otherwise disposes of the property,
184.7 whichever comes first.

184.8 (e) If a veteran meets the disability criteria of paragraph (a) but does not own property
184.9 classified as homestead in the state of Minnesota, then the homestead of the veteran's primary
184.10 family caregiver, if any, is eligible for the exclusion that the veteran would otherwise qualify
184.11 for under paragraph (b).

184.12 (f) In the case of an agricultural homestead, only the portion of the property consisting
184.13 of the house and garage and immediately surrounding one acre of land qualifies for the
184.14 valuation exclusion under this subdivision.

184.15 (g) A property qualifying for a valuation exclusion under this subdivision is not eligible
184.16 for the market value exclusion under subdivision 35, or classification under subdivision 22,
184.17 paragraph (b).

184.18 (h) To qualify for a valuation exclusion under this subdivision a property owner must
