2.5 prescribed by the commissioner. The application must specifically identify the land meeting  
2.6 the requirements of this section. Once an application has been made for land to receive a  
2.7 credit under this section, no further applications for the land to receive the credit are required,  
2.8 provided that the owner must notify the auditor if there has been any change in the status  
2.9 of the land relative to the eligibility requirements under subdivision 2.

2.10 (b) An application must be received prior to April 1 in order for the credit to be in effect

2.18 which the credit is being claimed.

2.19 (b) By August 1 of each year, the Board of Water and Soil Resources, and the local  
2.20 water management authority as defined under section 103F.48, subdivision 1, must notify

2.29 certified on the abstracts of tax lists. The commissioner shall review the certifications for  
2.30 accuracy, and may make such changes as are deemed necessary or return the certification  
2.31 to the county auditor for correction. The credit under this section must be used to

 3.6 shall be issued in one installment each year on December 26.

3.7 (b) The commissioner of revenue shall certify the total of the tax reductions granted  
 3.8 under this section for each taxes payable year within each school district to the commissioner
