State of Minnesota

HOUSE OF REPRESENTATIVES

NINETY-SECOND SESSION

H. F. No. 4838

04/26/2022 Authored by Hausman The bill was read for the first time and referred to the Committee on Capital Investment

1.1 A bill for an act
1.2 relating to capital investment; appropriating money for state parks, recreation areas,
1.3 and trails; authorizing the sale and issuance of state bonds.

1.4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MINNESOTA:

1.5 Section 1. STATE PARK, RECREATION AREA, AND TRAIL IMPROVEMENTS.

1.6 Subdivision 1. Title. This act shall be titled the "Reinvesting in Minnesota State Parks
1.7 and Trails Act."

1.8 Subd. 2. Appropriation; natural resources asset preservation. \$63,500,000 is
1.9 appropriated from the bond proceeds fund to the commissioner of natural resources for the
1.10 preservation and replacement of state-owned facilities and recreational assets to be spent
1.11 in accordance with Minnesota Statutes, section 84.946; for state parks established under
1.12 Minnesota Statutes, section 85.012; state recreation areas established under Minnesota
1.13 Statutes, section 85.013; and state trails established under Minnesota Statutes, section 85.015.
1.14 This appropriation is for accessibility improvements, water and wastewater system upgrades,
1.15 and road and bridge repairs at Fort Ridgely, Fort Snelling, Itasca, Myre-Big Island,
1.16 Tettegouche, Wild River, William O'Brien State Parks, and other state parks, recreation
1.17 areas, and state trails as determined by the commissioner. For any project listed in this
1.18 subdivision that the commissioner determines is not ready to proceed, the commissioner
1.19 may reallocate that project's money to another project described in this subdivision or other
1.20 state trail, recreation area, or park infrastructure. Notwithstanding Minnesota Statutes,
1.21 section 84.946, the commissioner may use this appropriation to replace buildings if,
1.22 considering the embedded energy in the building, that is the most energy-efficient and
1.23 carbon-reducing method of renovation.

2.1 Subd. 3. **Appropriation; state park campground renovations.** \$16,000,000 is
2.2 appropriated from the bond proceeds fund to the commissioner of natural resources to
2.3 renovate state park campgrounds statewide. This appropriation may be used for the following
2.4 types of projects: replace and upgrade shower and toilet buildings to address Americans
2.5 with Disabilities Act, code, and safety issues; upgrade substandard electrical service, water,
2.6 and wastewater utilities; upgrade sidewalks and parking to meet accessibility code; redesign
2.7 campground layouts to comply with current storm water management best practices and
2.8 regulations; repave campground roads; lengthen campground spurs to accommodate modern
2.9 vehicles while still ensuring adequate screening between sites; and update building lighting
2.10 and heating systems with low energy technologies. This appropriation is for campground
2.11 renovations at Beaver Creek Valley, Frontenac, Itasca, Old Mill, and Sibley State Parks.
2.12 Amounts remaining after completion of those projects may be applied to projects at other
2.13 state park campgrounds. For any project listed in this subdivision that the commissioner
2.14 determines is not ready to proceed, the commissioner may reallocate that project's money
2.15 to another project described in this subdivision or other state park campground infrastructure.

2.16 Subd. 4. **Appropriation; Lake Vermilion-Soudan Underground Mine State**
2.17 **Park.** \$12,000,000 is appropriated from the bond proceeds fund to the commissioner of
2.18 natural resources for development of Lake Vermilion-Soudan Underground Mine State
2.19 Park, including the design and construction of a visitor center, camping facilities, trails, and
2.20 rehabilitation of a fire tower and related infrastructure.

2.21 Subd. 5. **Appropriation; state trail maintenance.** \$4,800,000 is appropriated from the
2.22 bond proceeds fund to the commissioner of natural resources to renovate paved state trails
2.23 established under Minnesota Statutes, section 85.015, according to the commissioner's
2.24 priorities and as provided in Minnesota Statutes, section 84.946. This appropriation is for
2.25 trail repair projects on the Glacial Lakes, Paul Bunyan, and Munger State Trails. Amounts
2.26 remaining after completion of those projects may be applied to other paved state trail projects.
2.27 For any project listed in this subdivision that the commissioner determines is not ready to
2.28 proceed, the commissioner may reallocate that project's money to another state trail project
2.29 described in this subdivision or other state trail infrastructure.

2.30 Subd. 6. **Appropriation; state park and trail land acquisition.** \$4,000,000 is
2.31 appropriated from the bond proceeds fund to the commissioner of natural resources to
2.32 acquire and preserve critical parcels from willing sellers of private lands within the statutory
2.33 boundaries of state parks established under Minnesota Statutes, section 85.012, and to
2.34 acquire land for state trails authorized under Minnesota Statutes, section 85.015.

3.1 Subd. 7. **Bond sale.** To provide the money appropriated in this section from the bond
3.2 proceeds fund, the commissioner of management and budget shall sell and issue bonds of
3.3 the state in an amount up to \$100,300,000 in the manner, upon the terms, and with the effect
3.4 prescribed by Minnesota Statutes, sections 16A.631 to 16A.675, and by the Minnesota
3.5 Constitution, article XI, sections 4 to 7.

3.6 **EFFECTIVE DATE.** This section is effective the day following final enactment.
