59.30 demographics, program, case status, and county worker information; or

59.31 (34) between the Department of Human Services and the Metropolitan Council for the
59.32 following purposes:

60.1 (i) to coordinate special transportation service provided under section 473.386 with
 60.2 services for people with disabilities and elderly individuals funded by or through the
 60.3 Department of Human Services; and

60.4 (ii) to provide for reimbursement of special transportation service provided under section

60.6 The data that may be shared under this clause are limited to the individual's first, last, and

60.20 **EFFECTIVE DATE.** This section is effective the day following final enactment.

60.21 Sec. 4. Minnesota Statutes 2018, section 13.72, subdivision 10, is amended to read:

60.22 Subd. 10. **Transportation service data.** (a) Personal, medical, financial, familial, or
 60.23 locational information data pertaining to applicants for or users of services providing
 60.24 transportation for ~~the disabled~~ people with disabilities or elderly individuals are private data
 60.25 on individuals.

60.26 (b) Private transportation service data may be disclosed between the Department of
 60.27 Human Services and the Metropolitan Council for purposes of administering and coordinating
 60.28 human services programs and transportation services for people with disabilities and elderly
 60.29 individuals. The data that may be shared under this paragraph are limited to the individual's
 60.30 first, last, and middle names; date of birth; residential address; and program eligibility status
 60.31 with expiration date for the purposes of informing the other party of program eligibility.

60.32 **EFFECTIVE DATE.** This section is effective the day following final enactment.

61.1 Sec. 5. Minnesota Statutes 2018, section 80E.13, is amended to read:

61.2 **80E.13 UNFAIR PRACTICES BY MANUFACTURERS, DISTRIBUTORS,**
61.3 **FACTORY BRANCHES.**

61.4 It is unlawful and an unfair practice for a manufacturer, distributor, or factory branch
61.5 to engage in any of the following practices:

61.6 (a) delay, refuse, or fail to deliver new motor vehicles or new motor vehicle parts or
61.7 accessories in reasonable time and in reasonable quantity relative to the new motor vehicle
61.8 dealer's facilities and sales potential in the dealer's relevant market area, after having accepted
61.9 an order from a new motor vehicle dealer having a franchise for the retail sale of any new
61.10 motor vehicle sold or distributed by the manufacturer or distributor, if the new motor vehicle
61.11 or new motor vehicle parts or accessories are publicly advertised as being available for
61.12 delivery or actually being delivered. This clause is not violated, however, if the failure is
61.13 caused by acts or causes beyond the control of the manufacturer;

61.14 (b) refuse to disclose to any new motor vehicle dealer handling the same line make, the
61.15 manner and mode of distribution of that line make within the relevant market area;

61.16 (c) obtain money, goods, service, or any other benefit from any other person with whom
61.17 the dealer does business, on account of, or in relation to, the transaction between the dealer
61.18 and the other person, other than for compensation for services rendered, unless the benefit
61.19 is promptly accounted for, and transmitted to, the new motor vehicle dealer;

61.20 (d) increase prices of new motor vehicles which the new motor vehicle dealer had ordered
61.21 for private retail consumers prior to the dealer's receiving the written official price increase
61.22 notification. A sales contract signed by a private retail consumer shall constitute evidence
61.23 of each order if the vehicle is in fact delivered to that customer. In the event of manufacturer
61.24 price reductions, the amount of any reduction received by a dealer shall be passed on to the
61.25 private retail consumer by the dealer if the retail price was negotiated on the basis of the
61.26 previous higher price to the dealer;

61.27 (e) offer any refunds or other types of inducements to any new motor vehicle dealer for
61.28 the purchase of new motor vehicles of a certain line make without making the same offer
61.29 to all other new motor vehicle dealers in the same line make within geographic areas
61.30 reasonably determined by the manufacturer;

61.31 (f) release to any outside party, except under subpoena or in an administrative or judicial
61.32 proceeding involving the manufacturer or dealer, any business, financial, or personal
61.33 information which may be provided by the dealer to the manufacturer, without the express

62.1 written consent of the dealer or unless pertinent to judicial or governmental administrative
62.2 proceedings or to arbitration proceedings of any kind;

62.3 (g) deny any new motor vehicle dealer the right of free association with any other new
62.4 motor vehicle dealer for any lawful purpose;

62.5 (h) unfairly discriminate among its new motor vehicle dealers with respect to warranty
62.6 reimbursement or authority granted its new vehicle dealers to make warranty adjustments
62.7 with retail customers;

62.8 (i) compete with a new motor vehicle dealer in the same line make operating under an
62.9 agreement or franchise from the same manufacturer, distributor, or factory branch. A
62.10 manufacturer, distributor, or factory branch is considered to be competing when it has an
62.11 ownership interest, other than a passive interest held for investment purposes, in a dealership
62.12 of its line make located within the state. A manufacturer, distributor, or factory branch shall
62.13 not, however, be deemed to be competing when operating a dealership, either temporarily
62.14 or for a reasonable period, which is for sale to any qualified independent person at a fair
62.15 and reasonable price, or when involved in a bona fide relationship in which an independent
62.16 person has made a significant investment subject to loss in the dealership and can reasonably
62.17 expect to acquire full ownership and full management and operational control of the
62.18 dealership within a reasonable time on reasonable terms and conditions;

62.19 (j) prevent a new motor vehicle dealer from transferring or assigning a new motor vehicle
62.20 dealership to a qualified transferee. There shall be no transfer, assignment of the franchise,
62.21 or major change in the executive management of the dealership, except as is otherwise
62.22 provided in sections 80E.01 to 80E.17, without consent of the manufacturer, which shall
62.23 not be withheld without good cause. In determining whether good cause exists for
62.24 withholding consent to a transfer or assignment, the manufacturer, distributor, factory
62.25 branch, or importer has the burden of proving that the transferee is a person who is not of
62.26 good moral character or does not meet the franchisor's existing and reasonable capital
62.27 standards and, considering the volume of sales and service of the new motor vehicle dealer,
62.28 reasonable business experience standards in the market area. Denial of the request must be
62.29 in writing and delivered to the new motor vehicle dealer within 60 days after the manufacturer
62.30 receives the completed application customarily used by the manufacturer, distributor, factory
62.31 branch, or importer for dealer appointments. If a denial is not sent within this period, the
62.32 manufacturer shall be deemed to have given its consent to the proposed transfer or change.
62.33 In the event of a proposed sale or transfer of a franchise, the manufacturer, distributor,
62.34 factory branch, or importer shall be permitted to exercise a right of first refusal to acquire
62.35 the franchisee's assets or ownership if:

63.1 (1) the franchise agreement permits the manufacturer, distributor, factory branch, or
63.2 importer to exercise a right of first refusal to acquire the franchisee's assets or ownership
63.3 in the event of a proposed sale or transfer;

63.4 (2) the proposed transfer of the dealership or its assets is of more than 50 percent of the
63.5 ownership or assets;

63.6 (3) the manufacturer, distributor, factory branch, or importer notifies the dealer in writing
63.7 within 60 days of its receipt of the complete written proposal for the proposed sale or transfer
63.8 on forms generally utilized by the manufacturer, distributor, factory branch, or importer for
63.9 such purposes and containing the information required therein and all documents and
63.10 agreements relating to the proposed sale or transfer;

63.11 (4) the exercise of the right of first refusal will result in the dealer and dealer's owners
63.12 receiving the same or greater consideration with equivalent terms of sale as is provided in
63.13 the documents and agreements submitted to the manufacturer, distributor, factory branch,
63.14 or importer under clause (3);

63.15 (5) the proposed change of 50 percent or more of the ownership or of the dealership
63.16 assets does not involve the transfer or sale of assets or the transfer or issuance of stock by
63.17 the dealer or one or more dealer owners to a family member, including a spouse, child,
63.18 stepchild, grandchild, spouse of a child or grandchild, brother, sister, or parent of the dealer
63.19 owner; to a manager who has been employed in the dealership for at least four years and is
63.20 otherwise qualified as a dealer operator; or to a partnership or corporation owned and
63.21 controlled by one or more of such persons; and

63.22 (6) the manufacturer, distributor, factory branch, or importer agrees to pay the reasonable
63.23 expenses, including reasonable attorney fees, which do not exceed the usual customary and
63.24 reasonable fees charged for similar work done for other clients incurred by the proposed
63.25 new owner and transferee before the manufacturer, distributor, factory branch, or importer
63.26 exercises its right of first refusal, in negotiating and implementing the contract for the
63.27 proposed change of ownership or transfer of dealership assets. However, payment of such
63.28 expenses and attorney fees shall not be required if the dealer has not submitted or caused
63.29 to be submitted an accounting of those expenses within 20 days after the dealer's receipt of
63.30 the manufacturer, distributor, factory branch, or importer's written request for such an
63.31 accounting. The manufacturer, distributor, factory branch, or importer may request such an
63.32 accounting before exercising its right of first refusal. The obligation created under this clause
63.33 is enforceable by the transferee;

64.1 (k) threaten to modify or replace or modify or replace a franchise with a succeeding
64.2 franchise that would adversely alter the rights or obligations of a new motor vehicle dealer
64.3 under an existing franchise or that substantially impairs the sales or service obligations or
64.4 investments of the motor vehicle dealer;

64.5 (l) unreasonably deny the right to acquire factory program vehicles to any dealer holding
64.6 a valid franchise from the manufacturer to sell the same line make of vehicles, provided
64.7 that the manufacturer may impose reasonable restrictions and limitations on the purchase
64.8 or resale of program vehicles to be applied equitably to all of its franchised dealers. For the
64.9 purposes of this paragraph, "factory program vehicle" has the meaning given the term in
64.10 section 80E.06, subdivision 2;

64.11 (m) fail or refuse to offer to its same line make franchised dealers all models manufactured
64.12 for that line make, other than alternative fuel vehicles as defined in section 216C.01,
64.13 subdivision 1b. Failure to offer a model is not a violation of this section if the failure is not
64.14 arbitrary and is due to a lack of manufacturing capacity, a strike, labor difficulty, or other
64.15 cause over which the manufacturer, distributor, or factory branch has no control;

64.16 (n) require a dealer to pay an extra fee, or remodel, renovate, or recondition the dealer's
64.17 existing facilities, or purchase unreasonable advertising displays, training, tools, or other
64.18 materials, or to require the dealer to establish exclusive facilities or dedicated personnel as
64.19 a prerequisite to receiving a model or a series of vehicles;

64.20 (o) require a dealer by program, incentive provision, or otherwise to adhere to
64.21 performance standards that are not applied uniformly to other similarly situated dealers.
64.22 A performance standard, sales objective, or program for measuring dealership performance
64.23 that may have a material effect on a dealer, including the dealer's right to payment under
64.24 any incentive or reimbursement program, and the application of the standard or program
64.25 by a manufacturer, distributor, or factory branch must be fair, reasonable, equitable, and
64.26 based on accurate information. Upon written request by any of its franchised dealers located
64.27 within Minnesota, a manufacturer, distributor, or factory branch must provide the method
64.28 or formula used by the manufacturer in establishing the sales volumes for receiving a rebate
64.29 or incentive and the specific calculations for determining the required sales volumes of the
64.30 inquiring dealer and any of the manufacturer's other Minnesota-franchised new motor vehicle
64.31 dealers of the same line-make located within 75 miles of the inquiring dealer. Nothing
64.32 contained in this section requires a manufacturer, distributor, or factory branch to disclose
64.33 confidential business information of any of its franchised dealers or the required numerical
64.34 sales volumes that any of its franchised dealers must attain to receive a rebate or incentive.

65.1 An inquiring dealer may file a civil action as provided in section 80E.17 without a showing
65.2 of injury if a manufacturer, distributor, or factory branch fails to make the disclosure required
65.3 by this section.

65.4 A manufacturer, distributor, or factory branch has the burden of proving that the performance
65.5 standard, sales objective, or program for measuring dealership performance is fair, reasonable,
65.6 and uniformly applied under this section;

65.7 (p) assign or change a dealer's area of sales effectiveness arbitrarily or without due regard
65.8 to the present pattern of motor vehicle sales and registrations within the dealer's market.

65.9 The manufacturer, distributor, or factory branch must provide at least 90 days' notice of the
65.10 proposed change. The change may not take effect if the dealer commences a civil action
65.11 within the 90 days' notice period to determine whether the manufacturer, distributor, or
65.12 factory branch met its obligations under this section. The burden of proof in such an action
65.13 shall be on the manufacturer or distributor. In determining at the evidentiary hearing whether
65.14 a manufacturer, distributor, or factory branch has assigned or changed the dealer's area of
65.15 sales effectiveness or is proposing to assign or change the dealer's area of sales effectiveness
65.16 arbitrarily or without due regard to the present pattern of motor vehicle sales and registrations
65.17 within the dealer's market, the court may take into consideration the relevant circumstances,
65.18 including, but not limited to:

65.19 (1) the traffic patterns between consumers and the same line-make franchised dealers
65.20 of the affected manufacturer, distributor, or factory branch who are located within the
65.21 market;

65.22 (2) the pattern of new vehicle sales and registrations of the affected manufacturer,
65.23 distributor, or factory branch within various portions of the area of sales effectiveness and
65.24 within the market as a whole;

65.25 (3) the growth or decline in population, density of population, and new car registrations
65.26 in the market;

65.27 (4) the presence or absence of natural geographical obstacles or boundaries, such as
65.28 rivers;

65.29 (5) the proximity of census tracts or other geographic units used by the affected
65.30 manufacturer, factory branch, distributor, or distributor branch in determining the same
65.31 line-make dealers' respective areas of sales effectiveness; and

66.1 (6) the reasonableness of the change or proposed change to the dealer's area of sales
 66.2 effectiveness, considering the benefits and harm to the petitioning dealer, other same
 66.3 line-make dealers, and the manufacturer, distributor, or factory branch;

66.4 (q) to charge back, withhold payment, deny vehicle allocation, or take any other adverse
 66.5 action against a dealer when a new vehicle sold by the dealer has been exported to a foreign
 66.6 country, unless the manufacturer, distributor, or factory branch can show that at the time
 66.7 of sale, the customer's information was listed on a known or suspected exporter list made
 66.8 available to the dealer, or the dealer knew or reasonably should have known of the purchaser's
 66.9 intention to export or resell the motor vehicle in violation of the manufacturer's export
 66.10 policy. There is a rebuttable presumption that the dealer did not know or should not have
 66.11 reasonably known that the vehicle would be exported or resold in violation of the
 66.12 manufacturer's export policy if the vehicle is titled and registered in any state of the United
 66.13 States; ~~or~~

66.14 (r) to implement a charge back or withhold payment to a dealer that is solely due to an
 66.15 unreasonable delay by the registrar, as defined in section 168.002, subdivision 29, in the
 66.16 transfer or registration of a new motor vehicle. The dealer must give the manufacturer notice
 66.17 of the state's delay in writing. Within 30 days of any notice of a charge back, withholding
 66.18 of payments, or denial of a claim, the dealer must transmit to the manufacturer: (1)
 66.19 documentation to demonstrate the vehicle sale and delivery as reported; and (2) a written
 66.20 attestation signed by the dealer operator or general manager stating that the delay is
 66.21 attributable to the state. This clause expires on June 30, 2022; or

66.22 ~~(s)~~ (s) to require a dealer or prospective dealer by program, incentive provision, or
 66.23 otherwise to construct improvements to its or a predecessor's facilities or to install new signs
 66.24 or other franchisor image elements that replace or substantially alter improvements, signs,
 66.25 or franchisor image elements completed within the preceding ten years that were required
 66.26 and approved by the manufacturer, distributor, or factory branch, including any such
 66.27 improvements, signs, or franchisor image elements that were required as a condition of the
 66.28 dealer or predecessor dealer receiving an incentive or other compensation from the
 66.29 manufacturer, distributor, or factory branch.

66.30 This paragraph shall not apply to a program or agreement that provides lump sum payments
 66.31 to assist dealers in making facility improvements or to pay for signs or franchisor image
 66.32 elements when such payments are not dependent on the dealer selling or purchasing specific
 66.33 numbers of new vehicles and shall not apply to a program that is in effect with more than
 66.34 one Minnesota dealer on August 1, 2018, nor to any renewal of such program, nor to a

67.1 modification that is not a substantial modification of a material term or condition of such
67.2 program.

70.7 work, and without advertising for bids or otherwise complying with the requirements of

70.9 contract or contracts on any single project does not exceed ~~\$150,000~~ \$250,000. All quotations
70.10 obtained shall be kept on file for a period of at least one year after receipt of the quotation.

70.11 Sec. 19. Minnesota Statutes 2018, section 168.013, subdivision 1a, is amended to read:

70.12 Subd. 1a. **Passenger automobile; hearse.** (a) On passenger automobiles as defined in
70.13 section 168.002, subdivision 24, and hearses, except as otherwise provided, the tax is \$10
70.14 plus an additional tax equal to 1.25 percent of the base value.

70.15 (b) Subject to the classification provisions herein, "base value" means the manufacturer's
70.16 suggested retail price of the vehicle including destination charge using list price information
70.17 published by the manufacturer or determined by the registrar if no suggested retail price
70.18 exists, and shall not include the cost of each accessory or item of optional equipment
70.19 separately added to the vehicle and the suggested retail price. In the case of the first
70.20 registration of a new vehicle sold or leased by a licensed dealer, the dealer may elect to
70.21 individually determine the base value of the vehicle using suggested retail price information
70.22 provided by the manufacturer. The registrar must use the base value determined by the
70.23 dealer to properly classify the vehicle. A dealer that elects to make the determination must
70.24 retain a copy of the suggested retail price label or other supporting documentation with the
70.25 vehicle transaction records maintained under Minnesota Rules, part 7400.5200.

70.26 (c) If the manufacturer's list price information contains a single vehicle identification
70.27 number followed by various descriptions and suggested retail prices, the registrar shall
70.28 select from those listings only the lowest price for determining base value.

70.29 (d) If unable to determine the base value because the vehicle is specially constructed,
70.30 or for any other reason, the registrar may establish such value upon the cost price to the
70.31 purchaser or owner as evidenced by a certificate of cost but not including Minnesota sales
70.32 or use tax or any local sales or other local tax.

71.1 (e) The registrar shall classify every vehicle in its proper base value class as follows:

71.2	FROM	TO
71.3	\$ 0	\$ 199.99
71.4	\$ 200	\$ 399.99

71.5 and thereafter a series of classes successively set in brackets having a spread of \$200
71.6 consisting of such number of classes as will permit classification of all vehicles.

71.7 (f) The base value for purposes of this section shall be the middle point between the
71.8 extremes of its class.

71.9 (g) The registrar shall establish the base value, when new, of every passenger automobile
71.10 and hearse registered prior to the effective date of Extra Session Laws 1971, chapter 31,
71.11 using list price information published by the manufacturer or any nationally recognized
71.12 firm or association compiling such data for the automotive industry. If unable to ascertain
71.13 the base value of any registered vehicle in the foregoing manner, the registrar may use any
71.14 other available source or method. The registrar shall calculate tax using base value
71.15 information available to dealers and deputy registrars at the time the application for
71.16 registration is submitted. The tax on all previously registered vehicles shall be computed
71.17 upon the base value thus determined taking into account the depreciation provisions of
71.18 paragraph (h).

71.19 (h) The annual additional tax must be computed upon a percentage of the base value as
71.20 follows: during the first year of vehicle life, upon 100 percent of the base value; for the
71.21 second year, 90 percent of such value; for the third year, 80 percent of such value; for the
71.22 fourth year, 70 percent of such value; for the fifth year, 60 percent of such value; for the
71.23 sixth year, 50 percent of such value; for the seventh year, 40 percent of such value; for the
71.24 eighth year, 30 percent of such value; for the ninth year, 20 percent of such value; for the
71.25 tenth year, ten percent of such value; for the 11th and each succeeding year, the sum of \$25.

71.26 (i) In no event shall the annual additional tax be less than \$25.

71.27 (j) For any vehicle previously registered in Minnesota and regardless of prior ownership,
71.28 the total amount due under this subdivision and subdivision 1m must not exceed the smallest
71.29 total amount previously paid or due on the vehicle.

71.30 **EFFECTIVE DATE.** The change in this section is effective July 1, 2019, and expires
71.31 June 30, 2022.

72.1 Sec. 20. Minnesota Statutes 2018, section 168.013, subdivision 3, is amended to read:

72.2 Subd. 3. **Application; cancellation; excessive gross weight forbidden.** (a) The applicant
72.3 for all licenses based on gross weight shall state the unloaded weight of the motor vehicle,
72.4 trailer, or semitrailer and the maximum load the applicant proposes to carry on it, the sum
72.5 of which constitutes the gross weight upon which the license tax must be paid. However,
72.6 the declared gross weight upon which the tax is paid must not be less than 1-1/4 times the
72.7 declared unloaded weight of the motor vehicle, trailer, or semitrailer to be registered, except
72.8 recreational vehicles taxed under subdivision 1g, school buses taxed under subdivision 18,
72.9 and tow trucks or towing vehicles defined in section 168B.011, subdivision 12a. The gross
72.10 weight of a tow truck or towing vehicle is the actual weight of the tow truck or towing
72.11 vehicle fully equipped, but does not include the weight of a wrecked or disabled vehicle
72.12 towed or drawn by the tow truck or towing vehicle.

72.13 (b) Except as provided by special permit issued under section 169.86, the gross weight
72.14 of a motor vehicle, trailer, or semitrailer must not exceed the gross weight upon which the
72.15 license tax has been paid by more than four percent or 1,000 pounds, whichever is greater;
72.16 provided that, a vehicle transporting unfinished forest products on a highway, other than a
72.17 highway that is part of the system of interstate and defense highways, unless a federal
72.18 exemption is granted, in accordance with paragraph (d)(3):

72.19 (1) shall not exceed its gross vehicle weight upon which the license tax has been paid,
72.20 or gross axle weight on any axle, by more than five percent and, notwithstanding other law
72.21 to the contrary, is not subject to any fee, fine, or other assessment or penalty for exceeding
72.22 a gross vehicle or axle weight by up to five percent. This clause applies year round to
72.23 suppliers of unfinished forest products to mills; and

72.24 (2) ~~between the dates set by the commissioner in accordance with section 169.826,~~
72.25 ~~subdivision 1,~~ is not subject to any provision of paragraph (d) or chapter 169 limiting the
72.26 gross axle weight of any individual axle unless the entire vehicle also exceeds its gross
72.27 vehicle weight plus its weight allowance allowed in clause (1) and plus any weight allowance
72.28 permitted under section 169.826 or 169.8261, in which case the vehicle is subject to all
72.29 applicable penalties for excess weight violations.

72.30 (c) The gross weight of the motor vehicle, trailer, or semitrailer for which the license
72.31 tax is paid must be indicated by a distinctive character on the license plate or plates except
72.32 as provided in subdivision 12 or section 169.86, subdivision 5a, as applicable, and the plate
72.33 or plates must be kept clean and clearly visible at all times.

73.1 (d) The owner, driver, or user of a motor vehicle, trailer, or semitrailer, upon conviction
73.2 for transporting a gross weight in excess of the gross weight for which it was registered or
73.3 for operating a vehicle with an axle weight exceeding the maximum lawful axle load weight,
73.4 is guilty of a misdemeanor and subject to increased registration or reregistration according
73.5 to the following schedule:

73.6 (1) Upon conviction for transporting a gross weight in excess of the gross weight for
73.7 which a motor vehicle, trailer, or semitrailer is registered by more than the allowance set
73.8 forth in paragraph (b) but less than 25 percent, or for operating or using a motor vehicle,
73.9 trailer, or semitrailer with an axle weight exceeding the maximum lawful axle load as
73.10 provided in sections 169.822 to 169.829 by more than the allowance set forth in paragraph
73.11 (b) but less than 25 percent, the owner, driver, or user of the motor vehicle, trailer, or
73.12 semitrailer used to commit the violation, in addition to any penalty imposed for the
73.13 misdemeanor, shall apply to the registrar to increase the authorized gross weight to be carried
73.14 on the vehicle to a weight equal to or greater than the gross weight the owner, driver, or
73.15 user was convicted of carrying. The increase is computed for the balance of the calendar
73.16 year on the basis of 1/12 of the annual tax for each month remaining in the calendar year
73.17 beginning with the first day of the month in which the violation occurred. If the additional
73.18 registration tax computed upon that weight, plus the tax already paid, amounts to more than
73.19 the regular tax for the maximum gross weight permitted for the vehicle under sections
73.20 169.822 to 169.829, that additional amount must nevertheless be paid into the highway
73.21 fund, but the additional tax thus paid does not authorize or permit any person to operate the
73.22 vehicle with a gross weight in excess of the maximum legal weight as provided by sections
73.23 169.822 to 169.829. Unless the owner within 30 days after a conviction applies to increase
73.24 the authorized weight and pays the additional tax as provided in this section, the registrar
73.25 shall revoke the registration on the vehicle and demand the return of the registration card
73.26 and plates issued on that registration.

73.27 (2) Upon conviction of an owner, driver, or user of a motor vehicle, trailer, or semitrailer
73.28 for transporting a gross weight in excess of the gross weight for which the motor vehicle,
73.29 trailer, or semitrailer was registered by 25 percent or more or for operating or using the
73.30 vehicle or trailer with an axle weight exceeding the maximum lawful axle load as provided
73.31 in sections 169.822 to 169.829 by 25 percent or more, and in addition to any penalty imposed
73.32 for the misdemeanor, the registrar shall either (i) cancel the reciprocity privileges on the
73.33 vehicle involved if the vehicle is being operated under reciprocity or (ii) if the vehicle is
73.34 not being operated under reciprocity, cancel the certificate of registration on the vehicle
73.35 operated and demand the return of the registration certificate and registration plates. The

74.1 registrar may not cancel the registration or reciprocity privileges for any vehicle found in
74.2 violation of seasonal load restrictions imposed under section 169.87 unless the axle weight
74.3 exceeds the year-round weight limit for the highway on which the violation occurred. The
74.4 registrar may investigate any allegation of gross weight violations and demand that the
74.5 operator show cause why all future operating privileges in the state should not be revoked
74.6 unless the additional tax assessed is paid.

74.7 (3) Clause (1) does not apply to the first haul of unprocessed or raw farm products or
74.8 unfinished forest products, when the registered gross weight is not exceeded by more than
74.9 ten percent. For purposes of this clause, "first haul" means (i) the first, continuous
74.10 transportation of unprocessed or raw farm products from the place of production or on-farm
74.11 storage site to any other location within 100 miles of the place of production or on-farm
74.12 storage site, or (ii) the continuous or noncontinuous transportation of unfinished forest
74.13 products from the place of production to the place of final processing or manufacture located
74.14 within 200 miles of the place of production.

74.15 (4) When the registration on a motor vehicle, trailer, or semitrailer is revoked by the
74.16 registrar according to this section, the vehicle must not be operated on the highways of the
74.17 state until it is registered or reregistered, as the case may be, and new plates issued, and the
74.18 registration fee is the annual tax for the total gross weight of the vehicle at the time of
74.19 violation. The reregistration pursuant to this subdivision of any vehicle operating under
74.20 reciprocity agreements pursuant to section 168.181 or 168.187 must be at the full annual
74.21 registration fee without regard to the percentage of vehicle miles traveled in this state.

74.22 Sec. 21. Minnesota Statutes 2018, section 168.10, subdivision 1h, is amended to read:

74.23 Subd. 1h. **Collector military vehicle.** (a) A motor vehicle, including a truck, shall be
74.24 listed and registered under this section if it meets the following conditions:

74.25 (1) it is at least 20 years old;

74.26 (2) its first owner following its manufacture was a branch of the armed forces of the
74.27 United States and it presently conforms to the vehicle specifications required during the
74.28 time of military ownership, or it has been restored and presently conforms to the
74.29 specifications required by a branch of the armed forces for the model year that the restored
74.30 vehicle could have been owned by that branch of the armed forces; and

74.31 (3) it is owned by a nonprofit organization and operated solely as a collector's vehicle.
74.32 For purposes of this subdivision, "nonprofit organization" means a corporation, society,
74.33 association, foundation, or institution organized and operated exclusively for historical or

75.1 educational purposes, no part of the net earnings of which inures to the benefit of a private
75.2 individual.

75.3 (b) The owner of the vehicle shall execute an affidavit stating the name and address of
75.4 the person from whom purchased and of the new owner; the make, year, and model number
75.5 of the motor vehicle; the manufacturer's identification number; and the collector military
75.6 vehicle identification number, if any, located on the exterior of the vehicle. The affidavit
75.7 must affirm that the vehicle is owned by a nonprofit organization and is operated solely as
75.8 a collector's item and not for general transportation purposes. If the commissioner is satisfied
75.9 that the affidavit is true and correct and the owner pays a \$25 tax and the plate fee authorized
75.10 under section 168.12, the commissioner shall list the vehicle for taxation and registration
75.11 and shall issue number plates. The number plates shall bear the inscriptions "Collector" and
75.12 "Minnesota" and the registration number, but no date. The number plates are valid without
75.13 renewal as long as the vehicle is in existence in Minnesota. The commissioner may revoke
75.14 the plates for failure to comply with this subdivision.

75.15 (c) Notwithstanding section 168.09, 168.12, or other law to the contrary, the owner of
75.16 a registered collector military vehicle is not required to display registration plates on the
75.17 exterior of the vehicle if the vehicle has an exterior number identification that conforms to
75.18 the identifying system for military vehicles in effect when the vehicle was last owned by
75.19 the branch of the armed forces of the United States or in effect in the year to which the
75.20 collector military vehicle has been restored. However, the state registration plates must be
75.21 carried in or on the collector military vehicle at all times.

75.22 (d) The owner of a registered collector military vehicle that is not required to display
75.23 registration plates under paragraph (c) may tow a registered trailer behind it. The trailer is
75.24 not required to display registration plates if the trailer:

75.25 (1) does not exceed a gross weight of 15,000 pounds;

75.26 (2) otherwise conforms to registration, licensing, and safety laws and specifications;

75.27 (3) conforms to military specifications for appearance and identification;

75.28 (4) is intended to represent and does represent a military trailer; and

75.29 (5) carries registration plates on or in the trailer or the collector military vehicle towing
75.30 the trailer.

75.31 (e) This subdivision does not apply to a decommissioned military vehicle that (1) was
75.32 also manufactured and sold as a comparable civilian vehicle, and (2) has the same size
75.33 dimensions and vehicle weight as the comparable civilian vehicle. A decommissioned

76.1 military vehicle under this paragraph is eligible for a motor vehicle title under chapter 168A
76.2 and is subject to the same registration, insurance, equipment, and operating requirements
76.3 as a motor vehicle.

76.4 Sec. 22. Minnesota Statutes 2018, section 168.1294, subdivision 6, is amended to read:

76.5 Subd. 6. **Contributions; memorial account; appropriation.** Contributions collected
76.6 under subdivision 1, clause (4), must be deposited in the Minnesota law enforcement
76.7 memorial account, which is established in the special revenue fund. Money in the account
76.8 is appropriated to the commissioner of public safety. This appropriation is first for the annual
76.9 cost of administering the account funds, and the remaining funds are for distribution to the
76.10 Minnesota Law Enforcement Memorial Association, to be used. By August 15 of each year,
76.11 the commissioner must distribute all funds remaining to the association. The association
76.12 must use the funds to further the mission of the association in assisting the families and
76.13 home agencies of Minnesota law enforcement officers who have died in the line of duty.
76.14 By January 15 of each year, the association must submit a report to the commissioner of
76.15 public safety and to the chairs and ranking minority members of the legislative committees
76.16 with jurisdiction over transportation policy and finance. The report must include an itemized
76.17 list of each expenditure the association made with the funds received under this section for
76.18 the previous calendar year.

76.19 Sec. 23. Minnesota Statutes 2018, section 168.27, is amended by adding a subdivision to
76.20 read:

76.21 Subd. 32. **Multiple licenses.** If a single legal entity holds more than one new or used
76.22 vehicle dealer license, new and used vehicles owned by the entity may be held and offered
76.23 for sale at any of the licensed dealership locations without assigning vehicle ownership or
76.24 title from one licensee to another. This subdivision does not authorize the sale or offering
76.25 for sale of new vehicles by a licensee that is not authorized by the manufacturer to sell that
76.26 make of new vehicles.

76.27 Sec. 24. Minnesota Statutes 2018, section 168.27, is amended by adding a subdivision to
76.28 read:

76.30 by name and provide contact information for one or more registrar employees as needed to
76.31 (1) promptly and effectively respond to questions from licensed dealers, and (2) troubleshoot
76.32 dealer issues related to vehicle titling and registration.

77.1 Sec. 25. Minnesota Statutes 2018, section 168.33, subdivision 8a, is amended to read:

77.2 Subd. 8a. **Electronic transmission.** (a) If the commissioner accepts electronic
 77.3 transmission of a motor vehicle transfer and registration by a new or used motor vehicle
 77.4 dealer, a deputy registrar who is equipped with electronic transmission technology and
 77.5 trained in its use shall receive the filing fee provided for in subdivision 7 and review the
 77.6 transfer of each new or used motor vehicle to determine its genuineness and regularity
 77.7 before issuance of a certificate of title, and shall receive and retain the filing fee under
 77.8 subdivision 7, paragraph (a), clause ~~(ii)~~ (2).

77.9 (b) The commissioner must establish reasonable performance, security, technical, and
 77.10 financial standards to approve companies that provide computer software and services to
 77.11 motor vehicle dealers to electronically transmit vehicle title transfer and registration
 77.12 information. An approved company must be offered access to department facilities, staff,
 77.13 and technology on a fair and reasonable basis.

77.14 **EFFECTIVE DATE.** This section is effective upon full implementation of the
 77.15 replacement vehicle services information system.

77.16 Sec. 26. Minnesota Statutes 2018, section 168.346, subdivision 1, is amended to read:

77.17 Subdivision 1. **Vehicle registration data; federal compliance.** (a) Data on an individual
 77.18 provided to register a vehicle shall be treated as provided by United States Code, title 18,
 77.19 section 2721, as in effect on May 23, 2005, and shall be disclosed as required or permitted
 77.20 by that section. Licensed dealers may obtain data for uses as permitted by United States
 77.21 Code, title 18, section 2721, subsections (b)(2), for use in connection with matters of motor
 77.22 vehicle or driver safety and theft, motor vehicle emissions, or motor vehicle product
 77.23 alterations, recalls, or advisories, (3), and (13). The commissioner shall disclose the data in
 77.24 bulk form to an authorized recipient upon request for any of the permissible uses described
 77.25 in United States Code, title 18, section 2721.

77.26 (b) The registered owner of a vehicle who is an individual may consent in writing to the
 77.27 commissioner to disclose the individual's personal information exempted by United States
 77.28 Code, title 18, section 2721, to any person who makes a written request for the personal
 77.29 information. If the registered owner is an individual and so authorizes disclosure, the
 77.30 commissioner shall implement the request.

77.31 (c) If authorized by the registered owner as indicated in paragraph (b), the registered
 77.32 owner's personal information may be used, rented, or sold solely for bulk distribution by
 77.33 organizations for business purposes including surveys, marketing, or solicitation.

78.1 Sec. 27. Minnesota Statutes 2018, section 168A.02, subdivision 1, is amended to read:

78.2 Subdivision 1. **Application for certificate of title.** (a) Except as provided in section
 78.3 168A.03, every owner of a vehicle which is in this state and for which no currently effective
 78.4 certificate of title has been issued in this state ~~shall make application~~ must apply to the
 78.5 department for a certificate of title of the vehicle, pursuant to rules adopted by the department
 78.6 under section 168A.24, subdivision 2, clause 3 (3).

78.7 (b) A decommissioned military vehicle that (1) was also manufactured and sold as a
 78.8 comparable civilian vehicle, and (2) has the same size dimensions and vehicle weight as
 78.9 the comparable civilian vehicle, is eligible for a certificate of title under this chapter.

78.10 Sec. 28. Minnesota Statutes 2018, section 168A.085, is amended by adding a subdivision
 78.11 to read:

78.12 Subd. 3. **Consular identification card.** A valid and unexpired consular identification
 78.13 card issued to the applicant by the recognized consulate of a jurisdiction other than the
 78.14 United States is a primary document for purposes of Minnesota Rules, part 7410.0400, and
 78.15 successor rules, when the applicant is an individual who is applying as the owner for a
 78.16 vehicle title or registration.

78.17 **EFFECTIVE DATE.** This section is effective the day following final enactment and
 78.18 applies retroactively to motor vehicle title applications and registrations submitted on or
 78.19 after October 1, 2018.

78.20 Sec. 29. Minnesota Statutes 2018, section 168A.12, subdivision 2, is amended to read:

78.21 Subd. 2. **Owner's interest terminated or vehicle sold by secured party.** If the interest
 78.22 of the owner is terminated or the vehicle is sold under a security agreement by a secured
 78.23 party named in the certificate of title or an assignee of the secured party, the transferee shall
 78.24 promptly mail or deliver to the department the last certificate of title, if available, an
 78.25 application for a new certificate in the format the department prescribes, and an affidavit
 78.26 made by or on behalf of the secured party or assignee that the interest of the owner was
 78.27 lawfully terminated or the vehicle sold pursuant to the terms of the security agreement. If
 78.28 the secured party or assignee succeeds to the interest of the owner and holds the vehicle for
 78.29 resale, the secured party or assignee need not secure a new certificate of title provided that
 78.30 a notice thereof in a format designated by the department is mailed or delivered by the
 78.31 secured party or assignee to the department in duplicate within 48 hours, but upon transfer
 78.32 to another person the secured party or assignee shall promptly execute assignment and
 78.33 warranty of title and mail or deliver to the transferee or the department the certificate, if

79.1 available, the affidavit, and other documents required to be sent to the department by the
79.2 transferee.

79.3 Sec. 30. Minnesota Statutes 2018, section 168A.17, is amended by adding a subdivision
79.4 to read:

79.5 Subd. 4. **Notice of perfection by dealer.** When a security interest in a vehicle sold by
79.6 a dealer licensed under section 168.27 is perfected under subdivision 2, the dealer may
79.7 provide a statement of perfection to the secured party on a form provided by the department.
79.8 The statement must certify compliance with subdivision 2 and contain the date of delivery
79.9 to the department. The information provided in the dealer's statement is considered prima
79.10 facie evidence of the facts contained in it.

79.11 Sec. 31. Minnesota Statutes 2018, section 169.011, is amended by adding a subdivision
79.12 to read:

79.13 Subd. 54b. **Platooning system.** "Platooning system" means driver-assisted
79.14 vehicle-to-vehicle technology that integrates electronic communications between and among
79.15 multiple vehicles to synchronize speed, acceleration, and braking while leaving system
79.16 monitoring and intervention in the control of each vehicle's human operator.

79.17 Sec. 32. Minnesota Statutes 2018, section 169.011, subdivision 64, is amended to read:

79.18 Subd. 64. **Residential roadway.** "Residential roadway" means a city street or town road
79.19 that is either (1) less than one-half mile in total length, or (2) in an area zoned exclusively
79.20 for housing that is not a collector or arterial street.

79.21 Sec. 33. Minnesota Statutes 2018, section 169.011, is amended by adding a subdivision
79.22 to read:

79.23 Subd. 92a. **Vehicle platoon.** "Vehicle platoon" means a group of commercial vehicles
79.24 traveling in a unified manner through use of a platooning system or systems. A vehicle
79.25 platoon consists of a lead vehicle and following vehicles. A vehicle platoon is not a
79.26 combination vehicle under this chapter.

79.27 Sec. 34. Minnesota Statutes 2018, section 169.14, subdivision 5, is amended to read:

79.28 Subd. 5. **Zoning within local area.** When local authorities believe that the existing
79.29 speed limit upon any street or highway, or part thereof, within their respective jurisdictions
79.30 and not a part of the trunk highway system is greater or less than is reasonable or safe under

80.1 existing conditions, they may request the commissioner to authorize, upon the basis of an
 80.2 engineering and traffic investigation, the erection of appropriate signs designating what
 80.3 speed is reasonable and safe, and the commissioner may authorize the erection of appropriate
 80.4 signs designating a reasonable and safe speed limit thereat, which speed limit shall be
 80.5 effective when such signs are erected. Any speeds in excess of these speed limits shall be
 80.6 prima facie evidence that the speed is not reasonable or prudent and that it is unlawful;
 80.7 except that any speed limit within any municipality shall be a maximum limit and any speed
 80.8 in excess thereof shall be unlawful. Alteration of speed limits on streets and highways shall
 80.9 be made only upon authority of the commissioner except as provided ~~in subdivision 5a~~ by
 80.10 law.

80.11 Sec. 35. Minnesota Statutes 2018, section 169.14, is amended by adding a subdivision to
 80.12 read:

80.13 Subd. 5h. **Speed limits on city streets.** A city may establish speed limits for city streets
 80.14 under the city's jurisdiction other than the limits provided in subdivision 2 without conducting
 80.15 an engineering and traffic investigation. This subdivision does not apply to town roads,
 80.16 county highways, or trunk highways in the city. A city that establishes speed limits pursuant
 80.17 to this section must implement speed limit changes in a consistent and understandable
 80.18 manner. The city must erect appropriate signs to display the speed limit. A city that uses
 80.19 the authority under this subdivision must develop procedures to set speed limits based on
 80.20 the city's safety, engineering, and traffic analysis. At a minimum, the safety, engineering,
 80.21 and traffic analysis must consider national urban speed limit guidance and studies, local
 80.22 traffic crashes, and methods to effectively communicate the change to the public.

80.23 Sec. 36. Minnesota Statutes 2018, section 169.18, subdivision 1, is amended to read:

80.24 Subdivision 1. **Keep to the right.** Upon all roadways of sufficient width a vehicle shall
 80.25 be driven upon the right half of the roadway, except as follows:

80.26 (1) when overtaking and passing another vehicle proceeding in the same direction under
 80.27 the rules governing such movement;

80.28 (2) when the right half of a roadway is closed to traffic while under construction or
 80.29 repair;

80.30 (3) upon a roadway divided into three marked lanes for traffic under the rules applicable
 80.31 thereon;

- 81.1 (4) upon a roadway designated and signposted for one-way traffic as a one-way roadway;
- 81.2 or
- 81.3 (5) as necessary to comply with subdivision 11 when approaching an authorized
- 81.4 ~~emergency~~ vehicle parked or stopped on the roadway; ~~or~~
- 81.5 ~~(6) as necessary to comply with subdivision 12 when approaching a road maintenance~~
- 81.6 ~~or construction vehicle parked or stopped on the roadway.~~
- 81.7 **EFFECTIVE DATE.** This section is effective the day following final enactment.
- 81.8 Sec. 37. Minnesota Statutes 2018, section 169.18, subdivision 7, is amended to read:
- 81.9 Subd. 7. **Laned highway.** When any roadway has been divided into two or more clearly
- 81.10 marked lanes for traffic, the following rules, in addition to all others consistent ~~herewith,~~
- 81.11 ~~shall~~ with this subdivision, apply:
- 81.12 ~~(a)~~ (1) a vehicle shall be driven as nearly as practicable entirely within a single lane and
- 81.13 shall not be moved from ~~such~~ the lane until the driver has first ascertained that ~~such~~ the
- 81.14 movement can be made with safety;₂
- 81.15 ~~(b)~~ (2) upon a roadway which is not a one-way roadway and which is divided into three
- 81.16 lanes, a vehicle shall not be driven in the center lane except when overtaking and passing
- 81.17 another vehicle where the roadway is clearly visible and ~~such~~ the center lane is clear of
- 81.18 traffic within a safe distance, or in preparation for a left turn or where ~~such~~ the center lane
- 81.19 is at the time allocated exclusively to traffic moving in the direction the vehicle is proceeding,
- 81.20 and is signposted to give notice of ~~such~~ the allocation. The left lane of a three-lane roadway
- 81.21 which is not a one-way roadway shall not be used for overtaking and passing another vehicle;₂
- 81.22 ~~(c)~~ (3) official signs may be erected directing slow-moving traffic to use a designated
- 81.23 lane or allocating specified lanes to traffic moving in the same direction, and drivers of
- 81.24 vehicles shall obey the ~~directions of every such~~ sign;₂
- 81.25 ~~(d)~~ (4) whenever a bicycle lane has been established on a roadway, any person operating
- 81.26 a motor vehicle on ~~such~~ the roadway shall not drive in the bicycle lane except to perform
- 81.27 parking maneuvers in order to park where parking is permitted, to enter or leave the highway,
- 81.28 to prepare for a turn as provided in section 169.19, subdivision 1, or to stop a school bus
- 81.29 for the purpose of receiving or discharging any person provided the school bus is equipped
- 81.30 and identified as provided in sections 169.441 and 169.442, subdivision 1, and the flashing
- 81.31 red signals are activated and stop-signal arm is extended; and

82.1 (5) notwithstanding clause (1), the operator of a vehicle with a total length in excess of
 82.2 40 feet, a total width in excess of ten feet, or any combination of vehicles may, with due
 82.3 regard for all other traffic, deviate from the lane in which the operator is driving to the extent
 82.4 necessary to approach and drive through a roundabout.

82.5 Sec. 38. Minnesota Statutes 2018, section 169.18, subdivision 8, is amended to read:

82.6 Subd. 8. **Following vehicle too closely.** (a) The driver of a motor vehicle shall not follow
 82.7 another vehicle more closely than is reasonable and prudent, having due regard for the speed
 82.8 of such vehicles and the traffic upon and the conditions of the highway.

82.9 (b) The driver of any motor vehicle drawing another vehicle, or the driver of any motor
 82.10 truck or bus, when traveling upon a roadway outside of a business or residence district, shall
 82.11 not follow within 500 feet of another vehicle. The provisions of this paragraph shall not be
 82.12 construed to prevent overtaking and passing nor shall the same apply upon any lane specially
 82.13 designated for use by motor trucks. This paragraph does not apply to following vehicles in
 82.14 a vehicle platoon if the operator has an approved plan in compliance with section 169.881.

82.15 (c) The driver of a motor vehicle shall not follow within 500 feet of an authorized
 82.16 emergency vehicle that is traveling in response to an emergency.

82.17 Sec. 39. Minnesota Statutes 2018, section 169.18, subdivision 10, is amended to read:

82.18 Subd. 10. ~~Slow-moving vehicle~~ **Slower vehicles.** (a) ~~Upon all roadways any vehicle~~
 82.19 ~~proceeding at less than the normal speed of traffic at the time and place and under the~~
 82.20 ~~conditions then existing shall be driven in the right-hand lane then available for traffic, or~~
 82.21 a roadway with one lane in the direction of travel, a person proceeding at a speed that is
 82.22 sufficiently low as to create a traffic hazard must operate the vehicle as close as practicable
 82.23 to the right-hand curb or edge of the roadway, except.

82.24 (b) Upon a roadway with more than one lane in the same direction of travel, a person
 82.25 must move out of the left-most lane to allow another vehicle to pass, when practicable under
 82.26 existing conditions. A left-most lane under this paragraph is the lane adjacent to one
 82.27 designated and posted for a specific type of traffic, including as provided under section
 82.28 160.93. This paragraph does not apply when:

82.29 (1) overtaking and passing another vehicle proceeding in the same direction, or when;

82.30 (2) preparing for a left turn at an intersection or into a private road or driveway, or when
 82.31 a specific;

82.32 (3) preparing to exit a controlled-access highway on the left side of the road;

83.1 (4) the lane is designated and posted for a specific type of traffic; or

83.2 (5) the vehicle is an authorized emergency vehicle.

83.3 **EFFECTIVE DATE.** This section is effective August 1, 2019, and applies to violations
83.4 committed on or after that date.

83.5 Sec. 40. Minnesota Statutes 2018, section 169.20, subdivision 7, is amended to read:

83.6 Subd. 7. **Transit bus; school bus.** (a) The driver of a vehicle traveling in the right-hand
83.7 lane of traffic shall yield the right-of-way to any transit bus attempting to enter that lane
83.8 from a bus stop or shoulder, as indicated by a flashing left turn signal.

83.9 (b) The driver of a vehicle traveling in the right-hand lane of traffic shall yield the
83.10 right-of-way to any school bus attempting to enter that lane from a shoulder, right-turn lane,
83.11 or other location where the school bus has stopped to load or unload passengers. The school
83.12 bus must indicate the intent to enter the right-hand lane of traffic by activating a flashing
83.13 left turn signal.

83.14 Sec. 41. Minnesota Statutes 2018, section 169.20, is amended by adding a subdivision to
83.15 read:

83.16 Subd. 8. **Roundabouts.** If two vehicles with a total length in excess of 40 feet, a total
83.17 width in excess of ten feet, or any combination of vehicles, approach or drive through a
83.18 roundabout at approximately the same time or so closely as to constitute a hazard of collision,
83.19 the operator of the vehicle or combination of vehicles on the right must yield the right-of-way
83.20 to the vehicle or combination of vehicles on the left and, if necessary, must reduce speed
83.21 or stop in order to so yield.

83.22 Sec. 42. Minnesota Statutes 2018, section 169.26, subdivision 1, is amended to read:

83.23 Subdivision 1. **Requirements.** (a) Except as provided in section 169.28, subdivision 1,
83.24 when any person driving a vehicle approaches a railroad grade crossing under any of the
83.25 circumstances stated in this paragraph, the driver shall stop the vehicle not less than ten feet
83.26 from the nearest railroad track and shall not proceed until safe to do so and until the roadway
83.27 is clear of traffic so that the vehicle can proceed without stopping until the rear of the vehicle
83.28 is at least ten feet past the farthest railroad track. These requirements apply when:

83.29 (1) a clearly visible electric or mechanical signal device warns of the immediate approach
83.30 of a railroad train or other on-track equipment; or

84.1 (2) an approaching railroad train or other on-track equipment is plainly visible and is in
84.2 hazardous proximity.

84.3 (b) The fact that a moving railroad train or other on-track equipment approaching a
84.4 railroad grade crossing is visible from the crossing is prima facie evidence that it is not safe
84.5 to proceed.

84.6 (c) The driver of a vehicle shall stop and remain stopped and not traverse the grade
84.7 crossing when (1) a human flagger signals the approach or passage of a railroad train or
84.8 other on-track equipment, or when (2) a crossing gate is lowered warning of the immediate
84.9 approach or passage of a railroad train or other on-track equipment. No person may drive
84.10 a vehicle past a flagger at a railroad crossing until the flagger signals that the way is clear
84.11 to proceed or drive a vehicle past a lowered crossing gate.

84.12 Sec. 43. Minnesota Statutes 2018, section 169.26, subdivision 4, is amended to read:

84.13 Subd. 4. **Pedestrians; penalty.** (a) A pedestrian shall not pass through, around, over,
84.14 or under any crossing gate or barrier at a railroad grade crossing while the gate or barrier
84.15 is closed or is being opened or closed.

84.16 (b) A pedestrian shall not enter, remain upon, or traverse over a railroad track, grade
84.17 crossing, or pedestrian walkway crossing a railroad track when an audible bell or clearly
84.18 visible electric or mechanical signal device is operational and warning of the presence,
84.19 approach, passage, or departure of a railroad train or other on-track equipment.

84.20 (c) A person who violates this subdivision is subject to a fine of up to \$100.

84.21 Sec. 44. Minnesota Statutes 2018, section 169.28, is amended to read:

84.22 **169.28 CERTAIN VEHICLES TO STOP AT RAILROAD CROSSING.**

84.23 Subdivision 1. **Requirements.** (a) The driver of any motor vehicle carrying passengers
84.24 for hire, or of any school bus whether carrying passengers or not, or of any Head Start bus
84.25 whether carrying passengers or not, or of any vehicle that is required to stop at railroad
84.26 grade crossings under Code of Federal Regulations, title 49, section 392.10, before crossing
84.27 at grade any track or tracks of a railroad, shall stop the vehicle not less than 15 feet nor more
84.28 than 50 feet from the nearest rail of the railroad and while so stopped shall listen and look
84.29 in both directions along the track for any approaching railroad train or other on-track
84.30 equipment, and for signals indicating the approach of a railroad train or other on-track
84.31 equipment, except as ~~hereinafter~~ otherwise provided, and shall in this section. The driver
84.32 must not proceed until safe to do so and until the roadway is clear of traffic so that the

85.1 vehicle can proceed without stopping until the rear of the vehicle is at least ten feet past the
85.2 farthest railroad track. The driver must not shift gears while crossing the railroad tracks.

85.3 (b) A school bus or Head Start bus shall not be flagged across railroad grade crossings
85.4 except at those railroad grade crossings that the local school administrative officer may
85.5 designate.

85.6 (c) A type III vehicle, as defined in section 169.011, is exempt from the requirement of
85.7 school buses to stop at railroad grade crossings.

85.8 (d) The requirements of this subdivision do not apply to the crossing of light rail vehicle
85.9 track or tracks that are located in a public street when:

85.10 (1) the crossing occurs within the intersection of two or more public streets;

85.11 (2) the intersection is controlled by a traffic-control signal; and

85.12 (3) the intersection is marked with signs indicating to drivers that the requirements of
85.13 this subdivision do not apply. Notwithstanding any other provision of law, the owner or
85.14 operator of the track or tracks is authorized to place, maintain, and display the signs upon
85.15 and in the view of the public street or streets.

85.16 Subd. 2. **Exempt crossing.** (a) The commissioner may designate a crossing as an exempt
85.17 crossing:

85.18 (1) if the crossing is on a rail line on which service has been abandoned;

85.19 (2) if the crossing is on a rail line that carries fewer than five railroad trains each year,
85.20 traveling at speeds of ten miles per hour or less; or

85.21 (3) as agreed to by the operating railroad and the Department of Transportation, following
85.22 a diagnostic review of the crossing.

85.23 (b) The commissioner shall direct the railroad to erect at the crossing signs bearing the
85.24 word "Exempt" that conform to section 169.06. The installation or presence of an exempt
85.25 sign does not relieve a driver of the duty to use due care.

85.26 (c) A railroad train or other on-track equipment must not proceed across an exempt
85.27 crossing unless a police officer is present to direct traffic or a railroad employee is on the
85.28 ground to warn traffic until the railroad train enters the crossing.

85.29 ~~(e)~~ (d) A vehicle that must stop at grade crossings under subdivision 1 is not required
85.30 to stop at a marked exempt crossing unless directed otherwise by a police officer or a railroad

 112.13 to acquire, by purchase, gift, devise, lease, condemnation proceedings, or otherwise, property,
 112.14 real or personal, for the purpose of establishing and constructing restricted landing areas
 112.15 and other air navigation facilities and to acquire in like manner, own, control, establish,
 112.16 construct, enlarge, improve, maintain, equip, operate, regulate, and police such restricted
 112.17 landing areas and other air navigation facilities, either within or without this state; and to
 112.18 make, prior to any such acquisition, investigations, surveys, and plans. The commissioner
 112.19 may maintain, equip, operate, regulate, and police airports, either within or without this
 112.20 state. The operation and maintenance of airports is an essential public service. The
 112.21 commissioner may maintain at such airports facilities for the servicing of aircraft and for
 112.22 the comfort and accommodation of air travelers. The commissioner may dispose of any
 112.23 such property, airport, restricted landing area, or any other air navigation facility, by sale,
 112.24 lease, or otherwise, in accordance with the laws of this state governing the disposition of

 112.30 and air navigation facilities connected therewith. The commissioner shall not expend money
 112.31 for land acquisition, or for the construction, improvement, or maintenance of airports, or
 112.32 for air navigation facilities for an airport, unless the ~~governmental unit~~ municipality, county,
 112.33 or joint airport zoning board involved has or is establishing a zoning authority for that
 112.34 airport, and the authority has made a good-faith showing that it is in the process of and will
 112.35 complete with due diligence, an airport zoning ordinance in accordance with sections 360.061

113.1 to 360.074. The commissioner may provide funds to support airport safety projects that
 113.2 maintain existing infrastructure, regardless of a zoning authority's efforts to complete a
 113.3 zoning regulation. The commissioner may withhold funding from only the airport subject
 113.4 to the proposed zoning ordinance. Notwithstanding the foregoing prohibition, the
 113.5 commissioner may continue to maintain the state-owned airport at Pine Creek.

113.6 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 113.7 applies to airport sponsors that make or plan to make changes to runway lengths or

 113.11 and (3) are not required to update airport safety zoning ordinances.

113.12 Sec. 92. Minnesota Statutes 2018, section 360.024, is amended to read:

113.13 **360.024 AIR TRANSPORTATION SERVICE CHARGE.**

113.14 Subdivision 1. Charges. (a) The commissioner ~~shall~~ must charge users of air
 113.15 transportation services provided by the commissioner for direct operating costs, ~~excluding~~
 113.16 pilot salary and ~~as allowed by federal aviation regulations.~~

113.17 (b) The commissioner must charge users for a portion of aircraft acquisition, replacement,
 113.18 or leasing costs. ~~All receipts for these services shall be deposited in the air transportation~~
 113.19 ~~services account in the state airports fund and are appropriated to the commissioner to pay~~
 113.20 ~~these direct air service operating costs.~~

113.21 Subd. 2. Accounts; appropriation. (a) An air transportation services account is
 113.22 established in the state airports fund. The account consists of collections under subdivision
 113.23 1, paragraph (a), and any other money donated, allotted, transferred, or otherwise provided
 113.24 to the account. Money in the account is annually appropriated to the commissioner to pay
 113.25 air service operating costs.

113.26 (b) An aircraft capital account is established in the state airports fund. The account
 113.27 consists of collections under subdivision 1, paragraph (b), proceeds from the sale of aircraft
 113.28 under jurisdiction of the department, and any other money donated, allotted, transferred, or
 113.29 otherwise provided to the account. Money in the account must be used for aircraft acquisition,
 113.30 replacement, or leasing costs. Except as provided by law, the commissioner must not transfer
 113.31 money into or out of the account.

114.1 Sec. 93. Minnesota Statutes 2018, section 360.062, is amended to read:

114.2 **360.062 AIRPORT HAZARD PREVENTION; PROTECTING EXISTING**
 114.3 **NEIGHBORHOOD LAND USES.**

114.4 (a) It is hereby found that an airport hazard endangers the lives and property of users of
 114.5 the airport and of occupants of land in its vicinity, and may reduce the size of the area
 114.6 available for the landing, takeoff, and maneuvering of aircraft, thereby impairing the utility
 114.7 of the airport and the public investment therein. It is also found that the social and financial
 114.8 costs of disrupting existing land uses around airports ~~in built-up urban areas, particularly~~
 114.9 ~~established residential neighborhoods~~, often outweigh the benefits of a reduction in airport
 114.10 hazards that might result from the elimination or removal of those uses.

114.11 (b) Accordingly, it is hereby declared: (1) ~~that~~ the creation or establishment of an airport
 114.12 hazard is a public nuisance and an injury to the community served by the airport in question;
 114.13 (2) ~~that~~ it is ~~therefor~~ necessary in the interest of the public health, public safety, and general
 114.14 welfare that the creation or establishment of airport hazards be prevented and that this should
 114.15 be accomplished to the extent legally possible, by exercise of the police power, without
 114.16 compensation; and (3) ~~that~~ the elimination or removal of existing land uses, ~~particularly~~
 114.17 ~~established residential neighborhoods in built-up urban areas~~, or their designation as
 114.18 nonconforming uses is not in the public interest and should be avoided whenever possible
 114.19 consistent with reasonable standards of safety.

114.20 (c) It is further declared that the prevention of the creation or establishment of airport
 114.21 hazards and the elimination, removal, alteration, mitigation, or marking and lighting of
 114.22 existing airport hazards are essential public purposes services for which political subdivisions
 114.23 may raise and expend public funds and acquire land or property interests therein.

114.24 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 114.25 applies to airport sponsors that make or plan to make changes to runway lengths or
 114.26 configurations on or after that date. This section does not apply to airports that: (1) have
 114.27 airport safety zoning ordinances approved by the commissioner in effect on August 1, 2019;
 114.28 (2) have not made and are not planning to make changes to runway lengths or configurations;
 114.29 and (3) are not required to update airport safety zoning ordinances.

114.30 Sec. 94. Minnesota Statutes 2018, section 360.063, subdivision 1, is amended to read:

114.31 Subdivision 1. **Enforcement under police power.** (a) In order to prevent the creation
 114.32 or establishment of airport hazards, every municipality having an airport hazard area within
 114.33 its territorial limits may, unless a joint airport zoning board is permitted under subdivision

115.1 3, adopt, amend from time to time, administer, and enforce, under the police power and in
 115.2 the manner and upon the conditions hereinafter prescribed, airport zoning regulations for
 115.3 such airport hazard area, which regulations may divide such area into zones, and, within
 115.4 such zones, specify the land uses permitted and regulate and restrict the height to which
 115.5 structures and trees may be erected or allowed to grow.

115.6 (b) ~~For the purpose of promoting~~ In order to promote health, safety, order, convenience,
 115.7 prosperity, and general welfare and ~~for conserving to conserve~~ property values and
 115.8 ~~encouraging~~ encourage the most appropriate use of land, the municipality may regulate ~~the~~
 115.9 ~~location, size and use of buildings and the density of population in that portion of an airport~~
 115.10 ~~hazard area under approach zones for a distance not to exceed two miles from the airport~~
 115.11 ~~boundary and in other portions of an~~ in airport hazard area may regulate by land use zoning
 115.12 ~~for a distance not to exceed one mile from the airport boundary, and by height restriction~~
 115.13 ~~zoning for a distance not to exceed 1-1/2 miles from the airport boundary~~ areas: (1) land
 115.14 use; (2) height restrictions; (3) the location, size, and use of buildings; and (4) the density
 115.15 of population.

115.16 (c) The powers granted by this subdivision may be exercised by metropolitan airports
 115.17 commissions in contiguous cities of the first class in and for which they have been created.

115.18 (d) In the case of airports owned or operated by the state of Minnesota such powers shall
 115.19 be exercised by the state airport zoning boards or by the commissioner of transportation as
 115.20 authorized herein.

115.21 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 115.22 applies to airport sponsors that make or plan to make changes to runway lengths or
 115.23 configurations on or after that date. This section does not apply to airports that: (1) have
 115.24 airport safety zoning ordinances approved by the commissioner in effect on August 1, 2019;
 115.25 (2) have not made and are not planning to make changes to runway lengths or configurations;
 115.26 and (3) are not required to update airport safety zoning ordinances.

115.27 Sec. 95. Minnesota Statutes 2018, section 360.063, subdivision 3, is amended to read:

115.28 Subd. 3. **Joint airport zoning board.** (a) Where an airport is owned or controlled by a
 115.29 municipality and an airport hazard area appertaining to the airport is located within the
 115.30 territorial limits of another county or municipality, the municipality owning or controlling
 115.31 the airport may request a county or municipality in which an airport hazard area is located:

116.1 (1) to adopt and enforce airport zoning regulations for the area in question ~~that conform~~
116.2 ~~to standards prescribed by the commissioner pursuant to subdivision 4~~ under sections
116.3 360.0655 and 360.0656; or

116.4 (2) to join in creating a joint airport zoning board pursuant to paragraph (b). The owning
116.5 or controlling municipality shall determine which of these actions it shall request, except
116.6 as provided in paragraph (e) for the Metropolitan Airports Commission. The request shall
116.7 be made by certified mail to the governing body of each county and municipality in which
116.8 an airport hazard area is located.

116.9 (b) Where an airport is owned or controlled by a municipality and an airport hazard area
116.10 appertaining to the airport is located within the territorial limits of another county or
116.11 municipality, the municipality owning or controlling the airport and the county or other
116.12 municipality within which the airport hazard area is located may, by ordinance or resolution
116.13 duly adopted, create a joint airport zoning board, which board shall have the same power
116.14 to adopt, administer, and enforce airport zoning regulations applicable to the airport hazard
116.15 area in question as that vested by subdivision 1 in the municipality within which the area
116.16 is located. A joint board shall have as members two representatives appointed by the
116.17 municipality owning or controlling the airport and two from the county or municipality, or
116.18 in case more than one county or municipality is involved two from each county or
116.19 municipality, in which the airport hazard is located, and in addition a chair elected by a
116.20 majority of the members so appointed. All members shall serve at the pleasure of their
116.21 respective appointing authority. Notwithstanding any other provision of law to the contrary,
116.22 if the owning and controlling municipality is a city of the first class it shall appoint four
116.23 members to the board, and the chair of the board shall be elected from the membership of
116.24 the board.

116.25 (c) If a county or municipality, within 60 days of receiving a request from an owning
116.26 or controlling municipality pursuant to paragraph (a), fails to adopt, or thereafter fails to
116.27 enforce, the zoning regulations or fails to join in creating a joint airport zoning board, the
116.28 owning or controlling municipality, or a joint airport zoning board created without
116.29 participation by the subdivisions which fail to join the board, may itself adopt, administer,
116.30 and enforce airport zoning regulations for the airport hazard area in question. In the event
116.31 of conflict between the regulations and airport zoning regulations adopted by the county or
116.32 municipality within which the airport hazard area is located, section 360.064, subdivision
116.33 2, applies.

116.34 (d) "Owning or controlling municipality," as used in this subdivision, includes:

117.1 (1) a joint airport operating board created pursuant to section 360.042 that has been
 117.2 granted all the powers of a municipality in zoning matters under the agreement creating the
 117.3 board;

117.4 (2) a joint airport operating board created pursuant to section 360.042 that has not been
 117.5 granted zoning powers under the agreement creating the board; provided that the board shall
 117.6 not itself adopt zoning regulations nor shall a joint airport zoning board created at its request
 117.7 adopt zoning regulations unless all municipalities that created the joint operating board join
 117.8 to create the joint zoning board; and

117.9 (3) the Metropolitan Airports Commission established and operated pursuant to chapter
 117.10 473.

117.11 (e) The Metropolitan Airports Commission shall request creation of one joint airport
 117.12 zoning board for each airport operated under its authority.

117.13 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 117.14 applies to airport sponsors that make or plan to make changes to runway lengths or
 117.15 configurations on or after that date. This section does not apply to airports that: (1) have
 117.16 airport safety zoning ordinances approved by the commissioner in effect on August 1, 2019;
 117.17 (2) have not made and are not planning to make changes to runway lengths or configurations;
 117.18 and (3) are not required to update airport safety zoning ordinances.

117.19 Sec. 96. Minnesota Statutes 2018, section 360.064, subdivision 1, is amended to read:

117.20 Subdivision 1. **Comprehensive regulations.** In the event that a municipality has adopted,
 117.21 or hereafter adopts, a comprehensive zoning ordinance regulating, among other things the
 117.22 height of buildings, any airport zoning regulations applicable to the same area or portion
 117.23 thereof ~~may~~ must be incorporated by reference or incorporated in and made a part of such
 117.24 comprehensive zoning regulations and be administered and enforced in connection therewith.

117.25 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 117.26 applies to airport sponsors that make or plan to make changes to runway lengths or
 117.27 configurations on or after that date. This section does not apply to airports that: (1) have
 117.28 airport safety zoning ordinances approved by the commissioner in effect on August 1, 2019;
 117.29 (2) have not made and are not planning to make changes to runway lengths or configurations;
 117.30 and (3) are not required to update airport safety zoning ordinances.

118.1 Sec. 97. Minnesota Statutes 2018, section 360.065, subdivision 1, is amended to read:

118.2 Subdivision 1. **Notice of proposed zoning regulations, hearing.** (a) No airport zoning
 118.3 regulations shall be adopted, amended, or changed under sections 360.011 to 360.076,
 118.4 except by action of the governing body of the municipality or, county in question, or joint
 118.5 airport zoning board under section 360.0655 or 360.0656, or the boards provided for in
 118.6 section 360.063, subdivisions 3 and 7, or by the commissioner as provided in subdivisions
 118.7 6 and 8, after public hearings, at which parties in interest and citizens shall have an
 118.8 opportunity to be heard.

118.9 (b) A public hearing shall must be held on the proposed airport zoning regulations
 118.10 proposed by a municipality, county, or joint airport zoning board before they are submitted
 118.11 for approval to the commissioner and after that approval but before final adoption by the
 118.12 local zoning authority for approval. If any changes that alter the regulations placed on a
 118.13 parcel of land are made to the proposed airport zoning regulations after the initial public
 118.14 hearing, the municipality, county, or joint airport zoning board must hold a second public
 118.15 hearing before final adoption of the regulation. The commissioner may require a second
 118.16 hearing as determined necessary.

118.17 (c) Notice of a hearing required pursuant to this subdivision shall must be published by
 118.18 the local zoning authority municipality, county, or joint airport zoning board at least three
 118.19 times during the period between 15 days and five days before the hearing in an official
 118.20 newspaper and in a second newspaper designated by that authority which has a wide general
 118.21 circulation in the area affected by the proposed regulations and posted on the municipality's,
 118.22 county's, or joint airport zoning board's website. If there is not a second newspaper of wide
 118.23 general circulation in the area that the municipality, county, or joint airport zoning board
 118.24 can designate for the notice, the municipality, county, or joint airport zoning board is only
 118.25 required to publish the notice once in the official newspaper of the jurisdiction. The notice
 118.26 shall not be published in the legal notice section of a newspaper. The notice must specify
 118.27 the time, location, and purpose of the hearing, and must identify any additional location and
 118.28 time the proposed regulations will be available for public inspection. A copy of the published
 118.29 notice must be added to the record of the proceedings.

118.30 (d) Notice of a hearing shall also be mailed to the governing body of each political
 118.31 subdivision in which property affected by the regulations is located. Notice shall must be
 118.32 given by mail at least 15 ten days before each hearing to any persons in municipalities that
 118.33 own land proposed to be included in safety zone A or B as provided in the rules of the
 118.34 Department of Transportation and landowners where the location or size of a building, or
 118.35 the density of population, will be regulated. Mailed notice must also be provided at least

119.1 ten days before each hearing to persons or municipalities that have previously requested
 119.2 such notice from the ~~authority~~ municipality, county, or joint airport zoning board. The notice
 119.3 must specify the time, location, and purpose of the hearing, and must identify any additional
 119.4 location and time the proposed regulations will be made available for public inspection.
 119.5 Mailed notice must also identify the property affected by the regulations. For the purpose
 119.6 of ~~giving~~ providing mailed notice, the ~~authority~~ municipality, county, or joint airport zoning
 119.7 board may use any appropriate records to determine the names and addresses of owners. A
 119.8 copy of the notice and a list of the owners and addresses to which the notice was sent shall
 119.9 be attested to by the responsible person and shall ~~must~~ be made a part of added to the records
 119.10 of the proceedings. The Failure to ~~give~~ provide mailed notice to individual property owners,
 119.11 or ~~defects~~ a defect in the notice, shall ~~does~~ not invalidate the proceedings; ~~provided~~ if a
 119.12 bona fide attempt to comply with this subdivision ~~has been~~ was made. A notice shall describe
 119.13 the property affected by the proposed regulations and the restrictions to be imposed on the
 119.14 property by the regulations and shall state the place and time at which the proposed
 119.15 regulations are available for public inspection.

119.16 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 119.17 applies to airport sponsors that make or plan to make changes to runway lengths or
 119.18 configurations on or after that date. This section does not apply to airports that: (1) have
 119.19 airport safety zoning ordinances approved by the commissioner in effect on August 1, 2019;
 119.20 (2) have not made and are not planning to make changes to runway lengths or configurations;
 119.21 and (3) are not required to update airport safety zoning ordinances.

119.22 **Sec. 98. [360.0655] AIRPORT ZONING REGULATIONS BASED ON**
 119.23 **COMMISSIONER'S STANDARDS; SUBMISSION PROCESS.**

119.24 Subdivision 1. **Submission to commissioner; review.** (a) Except as provided in section
 119.25 360.0656, prior to adopting zoning regulations, the municipality, county, or joint airport
 119.26 zoning board must submit the proposed regulations to the commissioner for the commissioner
 119.27 to determine whether the regulations conform to the standards prescribed by the
 119.28 commissioner. The municipality, county, or joint airport zoning board may elect to complete
 119.29 custom airport zoning under section 360.0656 instead of using the commissioner's standard,
 119.30 but only after providing written notice to the commissioner.

119.31 (b) Notwithstanding section 15.99, the commissioner must examine the proposed
 119.32 regulations within 90 days of receipt of the regulations and report to the municipality, county,
 119.33 or joint airport zoning board the commissioner's approval or objections, if any. Failure to
 119.34 respond within 90 days is deemed an approval. The commissioner may request additional

120.1 information from the municipality, county, or joint airport zoning board within the 90-day
120.2 review period. If the commissioner requests additional information, the 90-day review period
120.3 is tolled until the commissioner receives information and deems the information satisfactory.

120.4 (c) If the commissioner objects on the grounds that the regulations do not conform to
120.5 the standards prescribed by the commissioner, the municipality, county, or joint airport
120.6 zoning board must make amendments necessary to resolve the objections or provide written
120.7 notice to the commissioner that the municipality, county, or joint airport zoning board will
120.8 proceed with zoning under section 360.0656.

120.9 (d) If the municipality, county, or joint airport zoning board makes revisions to the
120.10 proposed regulations after its initial public hearing, the municipality, county, or joint airport
120.11 zoning board must conduct a second public hearing on the revisions and resubmit the revised
120.12 proposed regulations to the commissioner for review. The commissioner must examine the
120.13 revised proposed regulations within 90 days of receipt to determine whether the revised
120.14 proposed regulations conform to the standards prescribed by the commissioner.

120.15 (e) If, after a second review period, the commissioner determines that the municipality,
120.16 county, or joint airport zoning board failed to submit proposed regulations that conform to
120.17 the commissioner's standards, the commissioner must provide a final written decision to
120.18 the municipality, county, or joint airport zoning board.

120.19 (f) The municipality, county, or joint airport zoning board must not adopt regulations
120.20 or take other action until the proposed regulations are approved by the commissioner.

120.21 (g) The commissioner may approve local zoning ordinances that are more stringent than
120.22 the commissioner's standards.

120.23 (h) If the commissioner approves the proposed regulations, the municipality, county, or
120.24 joint airport zoning board may adopt the regulations.

120.25 (i) A copy of the adopted regulations must be filed with the county recorder in each
120.26 county that contains a zoned area subject to the regulations.

120.27 (j) Substantive rights that existed and had been exercised prior to August 1, 2019, are
120.28 not affected by the filing of the regulations.

120.29 **Subd. 2. Protection of existing land uses.** (a) In order to ensure minimum disruption
120.30 of existing land uses, the commissioner's airport zoning standards and local airport zoning
120.31 ordinances or regulations adopted under this section must distinguish between the creation
120.32 or establishment of a use and the elimination of an existing use, and must avoid the
120.33 elimination, removal, or reclassification of existing uses to the extent consistent with

121.1 reasonable safety standards. The commissioner's standards must include criteria for
 121.2 determining when an existing land use may constitute an airport hazard so severe that public
 121.3 safety considerations outweigh the public interest in preventing disruption to that land use.

121.4 (b) Airport zoning regulations that classify as a nonconforming use or require
 121.5 nonconforming use classification with respect to any existing low-density structure or
 121.6 existing isolated low-density building lots must be adopted under sections 360.061 to
 121.7 360.074.

121.8 (c) A local airport zoning authority may classify a land use described in paragraph (b)
 121.9 as an airport hazard if the authority finds that the classification is justified by public safety
 121.10 considerations and is consistent with the commissioner's airport zoning standards. Any land
 121.11 use described in paragraph (b) that is classified as an airport hazard must be acquired, altered,
 121.12 or removed at public expense.

121.13 (d) This subdivision must not be construed to affect the classification of any land use
 121.14 under any zoning ordinances or regulations not adopted under sections 360.061 to 360.074.

121.15 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 121.16 applies to airport sponsors that make or plan to make changes to runway lengths or
 121.17 configurations on or after that date. This section does not apply to airports that: (1) have
 121.18 airport safety zoning ordinances approved by the commissioner in effect on August 1, 2019;
 121.19 (2) have not made and are not planning to make changes to runway lengths or configurations;
 121.20 and (3) are not required to update airport safety zoning ordinances.

121.21 **Sec. 99. [360.0656] CUSTOM AIRPORT ZONING STANDARDS.**

121.22 Subdivision 1. **Custom airport zoning standards; factors.** (a) Notwithstanding section
 121.23 360.0655, a municipality, county, or joint airport zoning board must provide notice to the
 121.24 commissioner when the municipality, county, or joint airport zoning board intends to establish
 121.25 and adopt custom airport zoning regulations under this section.

121.26 (b) Airport zoning regulations submitted to the commissioner under this subdivision are
 121.27 not subject to the commissioner's zoning regulations under section 360.0655 or Minnesota
 121.28 Rules, part 8800.2400.

121.29 (c) When developing and adopting custom airport zoning regulations under this section,
 121.30 the municipality, county, or joint airport zoning board must include in the record a detailed
 121.31 analysis that explains how the proposed custom airport zoning regulations addressed the
 121.32 following factors to ensure a reasonable level of safety:

- 122.1 (1) the location of the airport, the surrounding land uses, and the character of
122.2 neighborhoods in the vicinity of the airport, including:
- 122.3 (i) the location of vulnerable populations, including schools, hospitals, and nursing
122.4 homes, in the airport hazard area;
- 122.5 (ii) the location of land uses that attract large assemblies of people in the airport hazard
122.6 area;
- 122.7 (iii) the availability of contiguous open spaces in the airport hazard area;
- 122.8 (iv) the location of wildlife attractants in the airport hazard area;
- 122.9 (v) airport ownership or control of the federal Runway Protection Zone and the
122.10 department's Clear Zone;
- 122.11 (vi) land uses that create or cause interference with the operation of radio or electronic
122.12 facilities used by the airport or aircraft;
- 122.13 (vii) land uses that make it difficult for pilots to distinguish between airport lights and
122.14 other lights, result in glare in the eyes of pilots using the airport, or impair visibility in the
122.15 vicinity of the airport;
- 122.16 (viii) land uses that otherwise inhibit a pilot's ability to land, take off, or maneuver the
122.17 aircraft;
- 122.18 (ix) airspace protection to prevent the creation of air navigation hazards in the airport
122.19 hazard area; and
- 122.20 (x) the social and economic costs of restricting land uses;
- 122.21 (2) the airport's type of operations and how the operations affect safety surrounding the
122.22 airport;
- 122.23 (3) the accident rate at the airport compared to a statistically significant sample, including
122.24 an analysis of accident distribution based on the rate with a higher accident incidence;
- 122.25 (4) the planned land uses within an airport hazard area, including any applicable platting,
122.26 zoning, comprehensive plan, or transportation plan; and
- 122.27 (5) any other information relevant to safety or the airport.
- 122.28 Subd. 2. **Submission to commissioner; review.** (a) Except as provided in section
122.29 360.0655, prior to adopting zoning regulations, the municipality, county, or joint airport
122.30 zoning board must submit its proposed regulations and the supporting record to the
122.31 commissioner for review. The commissioner must determine whether the proposed custom

123.1 airport zoning regulations and supporting record (1) evaluate the criteria under subdivision
123.2 1, and (2) provide a reasonable level of safety.

123.3 (b) Notwithstanding section 15.99, the commissioner must examine the proposed
123.4 regulations within 90 days of receipt of the regulations and report to the municipality, county,
123.5 or joint airport zoning board the commissioner's approval or objections, if any. Failure to
123.6 respond within 90 days is deemed an approval. The commissioner may request additional
123.7 information from the municipality, county, or joint airport zoning board within the 90-day
123.8 review period.

123.9 (c) If the commissioner objects on the grounds that the regulations do not provide a
123.10 reasonable level of safety, the municipality, county, or joint airport zoning board must
123.11 review, consider, and provide a detailed explanation demonstrating how it evaluated the
123.12 objections and what action it took or did not take in response to the objections. If the
123.13 municipality, county, or joint airport zoning board submits amended regulations after its
123.14 initial public hearing, the municipality, county, or joint airport zoning board must conduct
123.15 a second public hearing on the revisions and resubmit the revised proposed regulations to
123.16 the commissioner for review. The commissioner must examine the revised proposed
123.17 regulations within 90 days of receipt of the regulations. If the commissioner requests
123.18 additional information, the 90-day review period is tolled until satisfactory information is
123.19 received by the commissioner. Failure to respond within 90 days is deemed an approval.

123.20 (d) If, after the second review period, the commissioner determines that the municipality,
123.21 county, or joint airport zoning board failed to submit proposed regulations that provide a
123.22 reasonable level of safety, the commissioner must provide a final written decision to the
123.23 municipality, county, or joint airport zoning board.

123.24 (e) A municipality, county, or joint airport zoning board is prohibited from adopting
123.25 custom regulations or taking other action until the proposed regulations are approved by
123.26 the commissioner.

123.27 (f) If the commissioner approves the proposed regulations, the municipality, county, or
123.28 joint airport zoning board may adopt the regulations.

123.29 (g) A copy of the adopted regulations must be filed with the county recorder in each
123.30 county that contains a zoned area subject to the regulations.

123.31 (h) Substantive rights that existed and had been exercised prior to August 1, 2019, are
123.32 not affected by the filing of the regulations.

124.1 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 124.2 applies to airport sponsors that make or plan to make changes to runway lengths or
 124.3 configurations on or after that date. This section does not apply to airports that: (1) have
 124.4 airport safety zoning ordinances approved by the commissioner in effect on August 1, 2019;
 124.5 (2) have not made and are not planning to make changes to runway lengths or configurations;
 124.6 and (3) are not required to update airport safety zoning ordinances.

124.7 Sec. 100. Minnesota Statutes 2018, section 360.066, subdivision 1, is amended to read:

124.8 Subdivision 1. **Reasonableness.** ~~Standards of the commissioner~~ Zoning standards defining
 124.9 airport hazard areas and the categories of uses permitted and airport zoning regulations
 124.10 adopted under sections 360.011 to 360.076, shall be reasonable, and none shall impose a
 124.11 requirement or restriction which is not reasonably necessary to effectuate the purposes of
 124.12 sections 360.011 to 360.076. ~~In determining what minimum airport zoning regulations may~~
 124.13 ~~be adopted, the commissioner and a local airport zoning authority shall consider, among~~
 124.14 ~~other things, the character of the flying operations expected to be conducted at the airport,~~
 124.15 ~~the location of the airport, the nature of the terrain within the airport hazard area, the existing~~
 124.16 ~~land uses and character of the neighborhood around the airport, the uses to which the property~~
 124.17 ~~to be zoned are planned and adaptable, and the social and economic costs of restricting land~~
 124.18 ~~uses versus the benefits derived from a strict application of the standards of the commissioner.~~

124.19 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 124.20 applies to airport sponsors that make or plan to make changes to runway lengths or
 124.21 configurations on or after that date. This section does not apply to airports that: (1) have
 124.22 airport safety zoning ordinances approved by the commissioner in effect on August 1, 2019;
 124.23 (2) have not made and are not planning to make changes to runway lengths or configurations;
 124.24 and (3) are not required to update airport safety zoning ordinances.

124.25 Sec. 101. Minnesota Statutes 2018, section 360.067, is amended by adding a subdivision
 124.26 to read:

124.27 Subd. 5. **Federal no hazard determination.** (a) Notwithstanding subdivisions 1 and 2,
 124.28 a municipality, county, or joint airport zoning board may include in its custom airport zoning
 124.29 regulations adopted under section 360.0656 an option to permit construction of a structure,
 124.30 an increase or alteration of the height of a structure, or the growth of an existing tree without
 124.31 a variance from height restrictions if the Federal Aviation Administration has analyzed the
 124.32 proposed construction, alteration, or growth under Code of Federal Regulations, title 14,
 124.33 part 77, and has determined the proposed construction, alteration, or growth does not:

125.1 (1) pose a hazard to air navigation;
 125.2 (2) require changes to airport or aircraft operations; or
 125.3 (3) require any mitigation conditions by the Federal Aviation Administration that cannot
 125.4 be satisfied by the landowner.

125.5 (b) A municipality, county, or joint airport zoning board that permits an exception to
 125.6 height restrictions under this subdivision must require the applicant to file the Federal
 125.7 Aviation Administration's no hazard determination with the applicable zoning administrator.
 125.8 The applicant must obtain written approval of the zoning administrator before construction,
 125.9 alteration, or growth may occur. Failure of the administrator to respond within 60 days to
 125.10 a filing under this subdivision is deemed a denial. The Federal Aviation Administration's
 125.11 no hazard determination does not apply to requests for variation from land use, density, or
 125.12 any other requirement unrelated to the height of structures or the growth of trees.

125.13 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 125.14 applies to airport sponsors that make or plan to make changes to runway lengths or
 125.15 configurations on or after that date. This section does not apply to airports that: (1) have
 125.16 airport safety zoning ordinances approved by the commissioner in effect on August 1, 2019;
 125.17 (2) have not made and are not planning to make changes to runway lengths or configurations;
 125.18 and (3) are not required to update airport safety zoning ordinances.

125.19 Sec. 102. Minnesota Statutes 2018, section 360.071, subdivision 2, is amended to read:

125.20 Subd. 2. **Membership.** (a) Where a zoning board of appeals or adjustment already exists,
 125.21 it may be appointed as the board of adjustment. Otherwise, the board of adjustment shall
 125.22 consist of five members, each to be appointed for a term of three years by the authority
 125.23 adopting the regulations and to be removable by the appointing authority for cause, upon
 125.24 written charges and after public hearing. The length of initial appointments may be staggered.

125.25 (b) In the case of a Metropolitan Airports Commission, five members shall be appointed
 125.26 by the commission chair from the area in and for which the commission was created, any
 125.27 of whom may be members of the commission. In the case of an airport owned or operated
 125.28 by the state of Minnesota, the board of commissioners of the county, or counties, in which
 125.29 the airport hazard area is located shall constitute the airport board of adjustment and shall
 125.30 exercise the powers and duties of such board as provided herein.

125.31 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 125.32 applies to airport sponsors that make or plan to make changes to runway lengths or
 125.33 configurations on or after that date. This section does not apply to airports that: (1) have

126.1 airport safety zoning ordinances approved by the commissioner in effect on August 1, 2019;
 126.2 (2) have not made and are not planning to make changes to runway lengths or configurations;
 126.3 and (3) are not required to update airport safety zoning ordinances.

126.4 Sec. 103. Minnesota Statutes 2018, section 360.305, subdivision 6, is amended to read:

126.5 Subd. 6. **Zoning required.** The commissioner ~~shall~~ must not expend money for planning
 126.6 or land acquisition, or for the construction, improvement, or maintenance of airports, or for
 126.7 air navigation facilities for an airport, unless the ~~governmental unit~~ municipality, county,
 126.8 or joint airport zoning board involved has or is establishing a zoning authority for that
 126.9 airport, and the authority has made a good-faith showing that it is in the process of and will
 126.10 complete with due diligence, an airport zoning ordinance in accordance with sections 360.061
 126.11 to 360.074. The commissioner may provide funds to support airport safety projects that
 126.12 maintain existing infrastructure, regardless of a zoning authority's efforts to complete a
 126.13 zoning regulation. The commissioner ~~shall~~ must make maximum use of zoning and easements
 126.14 to eliminate runway and other potential airport hazards rather than land acquisition in fee.

126.15 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 126.16 applies to airport sponsors that make or plan to make changes to runway lengths or
 126.17 configurations on or after that date. This section does not apply to airports that: (1) have
 126.18 airport safety zoning ordinances approved by the commissioner in effect on August 1, 2019;
 126.19 (2) have not made and are not planning to make changes to runway lengths or configurations;
 126.20 and (3) are not required to update airport safety zoning ordinances.

126.21 Sec. 104. Minnesota Statutes 2018, section 394.22, is amended by adding a subdivision
 126.22 to read:

126.23 Subd. 1a. **Airport safety zone.** "Airport safety zone" means an area subject to land use
 126.24 zoning controls adopted under sections 360.061 to 360.074 if the zoning controls regulate
 126.25 (1) the size or location of buildings, or (2) the density of population.

126.26 **EFFECTIVE DATE; APPLICATION.** This section is effective August 1, 2019, and
 126.27 applies to airport sponsors that make or plan to make changes to runway lengths or
 126.28 configurations on or after that date. This section does not apply to airports that: (1) have
 126.29 airport safety zoning ordinances approved by the commissioner in effect on August 1, 2019;
 126.30 (2) have not made and are not planning to make changes to runway lengths or configurations;
 126.31 and (3) are not required to update airport safety zoning ordinances.

127.1 Sec. 105. Minnesota Statutes 2018, section 394.23, is amended to read:

127.2 **394.23 COMPREHENSIVE PLAN.**

127.3 The board has the power and authority to prepare and adopt by ordinance, a
127.4 comprehensive plan. A comprehensive plan or plans when adopted by ordinance must be

A plan shall indicate the circumstances in which structures or trees are or would be airport hazards, the airport hazard area, and what measures should be taken to eliminate airport hazards. commissioner in order that the commissioner may determine whether it conforms to the standards prescribed by the commissioner. The commissioner shall immediately examine the proposed regulations and report to the municipality, county, or joint airport zoning board the commissioner's approval, or objections, if any. If objections are made by the commissioner on the ground that the regulations do not conform to the standards prescribed by the commissioner for the class of airport involved, the municipality, county, or joint zoning board shall make amendments as are necessary to meet the objections unless it demonstrates that the social and economic costs of restricting land uses in accordance with the standards outweigh the benefits of a strict application of the standards. The governing body of the municipality or county or the joint airport zoning board shall not adopt the regulations or take other action until the proposed regulations are approved by the commissioner. The commissioner may approve local zoning ordinances that are more stringent than the standards. A copy of the regulations as adopted shall be filed with the county recorder in each county in which the zoned area is located.

The standards of the commissioner shall include criteria for determining when an existing land use may constitute an airport hazard so severe that considerations of public safety outweigh the public interest in preventing disruption to that land use.

(b) No airport zoning standards or local airport zoning ordinances or regulations shall be adopted pursuant to sections 360.061 to 360.074 that classify as a nonconforming use or require such classification with respect to any low-density residential structure or isolated low-density residential building lots existing on January 1, 1978, in an established residential neighborhood.

(c) A local airport zoning authority may classify a land use described in paragraph (b) as an airport hazard if that authority finds that this classification is justified by considerations of public safety and is consistent with the airport zoning standards of the commissioner. Any land use described in paragraph (b) which is classified as an airport hazard shall be acquired, altered, or removed at public expense.

(d) The provisions of this subdivision shall not be construed to affect the classification of any land use under any zoning ordinances or regulations not adopted pursuant to sections 360.061 to 360.074.

Subd. 1b. **Amendment of standards.** Within nine months after March 29, 1978, the commissioner shall amend the standards defining airport hazard areas and categories of uses permitted therein to conform with the requirements of Laws 1978, chapter 654. Until the commissioner adopts amended standards as required by this subdivision the unamended standards, insofar as they require classification of any residential property as a nonconforming use contrary to the provisions of subdivision 1a, paragraph (b), shall be without force or effect.
