1.23 clean water fund must meet or exceed the constitutional requirements to protect, enhance,  
1.24 and restore water quality in lakes, rivers, and streams and to protect groundwater and  
1.25 drinking water from degradation. Priority may be given to projects that meet more than  
1.26 one of these requirements. A project receiving funding from the clean water fund shall  
1.27 include measurable outcomes, as defined in section 3.303, subdivision 10, and a plan for

2.1 (b) Money from the clean water fund shall be expended to balance the benefits  
2.2 across all regions and residents of the state.

2.3 (c) A state agency or other recipient of a direct appropriation from the clean  
2.4 water fund must compile and submit all information for proposed and funded projects  
2.5 or programs, including the proposed measurable outcomes and all other items required  
2.6 under section 3.303, subdivision 10, to the Legislative Coordinating Commission as soon  
2.7 as practicable or by January 15 of the applicable fiscal year, whichever comes first. The

2.10 classified as not public under section 13D.05, subdivision 3, paragraph (d), is not required  
2.11 to be placed on the Web site.

2.12 (d) Grants funded by the clean water fund must be implemented according to section  
2.13 16B.98 and must account for all expenditures. Proposals must specify a process for any  
2.14 regranting envisioned. Priority for grant proposals must be given to proposals involving  
2.15 grants that will be competitively awarded.

2.16 (e) Money from the clean water fund may only be spent on projects that benefit  
2.17 Minnesota waters.

2.18 (f) When practicable, a direct recipient of an appropriation from the clean water fund  
2.19 shall prominently display on the recipient's Web site home page the legacy logo required

2.25 site required under section 3.303, subdivision 10.

2.26 (g) Future eligibility for money from the clean water fund is contingent upon a state  
2.27 agency or other recipient satisfying all applicable requirements in this section, as well as  
2.28 any additional requirements contained in applicable session law.

2.29 (h) Money from the clean water fund may be used to leverage federal funds through  
2.30 execution of formal project partnership agreements with federal agencies consistent with  
2.31 respective federal agency partnership agreement requirements.

2.32 **Sec. 2. [115.84] WASTEWATER LABORATORY CERTIFICATION.**

2.33 **Subdivision 1. Wastewater laboratory certification required.** (a) Laboratories  
2.34 performing wastewater or water analytical laboratory work, the results of which are  
2.35 reported to the agency to determine compliance with a national pollutant discharge

3.1 elimination system (NPDES) permit condition or other regulatory document, must be  
3.2 certified according to this section.

3.3 (b) This section does not apply to:

3.4 (1) laboratories that are private and for-profit;

3.5 (2) laboratories that perform drinking water analyses; or

3.6 (3) laboratories that perform remediation program analyses, such as Superfund or  
3.7 petroleum analytical work.

3.8 (c) Until adoption of rules under subdivision 2, laboratories required to be certified  
3.9 under this section and submitting data to the agency must register by submitting  
3.10 registration information required by the agency or be certified or approved by a recognized  
3.11 certification authority, as required by agency programs.

3.12 Subd 2. **Rules.** The agency may adopt rules to govern certification of laboratories  
3.13 according to this section. Notwithstanding section 16A.1283, the agency may adopt

3.21 (c) Revenue from fees charged by the agency for certification shall be credited to  
3.22 the environmental fund.

3.23 Subd. 4. **Enforcement.** (a) The commissioner may deny, suspend, or revoke

3.25 fraud, failure to follow applicable requirements, failure to respond to documented  
3.26 deficiencies or complete corrective actions necessary to address deficiencies, failure to pay  
3.27 certification fees, or other violations of federal or state law.

3.28 (b) This section and the rules adopted under it may be enforced by any means

4.1 (2) making the statements and certifications easily available to manufacturers,  
4.2 retailers, and members of the public.

4.3 (c) The agency shall annually review the value of the following variables that are  
4.4 part of the formula used to calculate a manufacturer's annual registration fee under section  
4.5 115A.1314, subdivision 1:

4.6 (1) the proportion of sales of video display devices sold to households that  
4.7 manufacturers are required to recycle;

4.8 (2) the estimated per-pound price of recycling covered electronic devices sold to  
4.9 households;

4.10 (3) the base registration fee; and

4.11 (4) the multiplier established for the weight of covered electronic devices collected

4.13 these values must be changed in order to improve the efficiency or effectiveness of the  
4.14 activities regulated under sections 115A.1312 to 115A.1330, the agency shall submit  
4.15 recommended changes and the reasons for them to the chairs of the senate and house of  
4.16 representatives committees with jurisdiction over solid waste policy.

4.17 (d) By January 15 each year, beginning in 2008, the agency shall calculate estimated  
4.18 sales of video display devices sold to households by each manufacturer during the preceding  
4.19 program year, based on national sales data, and forward the estimates to the department.

4.20 (e) The agency shall provide a report to the governor and the legislature on the  
4.21 implementation of sections 115A.1310 to 115A.1330. For each program year, the report  
4.22 must discuss the total weight of covered electronic devices recycled and a summary  
4.23 of information in the reports submitted by manufacturers and recyclers under section  
4.24 115A.1316. The report must also discuss the various collection programs used by  
4.25 manufacturers to collect covered electronic devices; information regarding covered  
4.26 electronic devices that are being collected by persons other than registered manufacturers,  
4.27 collectors, and recyclers; and information about covered electronic devices, if any, being  
4.28 disposed of in landfills in this state. The report must include a description of enforcement  
4.29 actions under sections 115A.1310 to 115A.1330. The agency may include in its report

4.35 (g) The agency shall enforce sections 115A.1310 to 115A.1330 in the manner  
4.36 provided by sections 115.071, subdivisions 1, 3, 4, 5, and 6; and 116.072, except for those

5.1 provisions enforced by the department, as provided in subdivision 2. The agency may  
5.2 revoke a registration of a collector or recycler found to have violated sections 115A.1310  
5.3 to 115A.1330.

5.4 (h) The agency shall facilitate communication between counties, collection and  
5.5 recycling centers, and manufacturers to ensure that manufacturers are aware of video  
5.6 display devices available for recycling.

5.7 (i) The agency shall develop a form retailers must use to report information to  
5.8 manufacturers under section 115A.1318 and post it on the agency's Web site.

5.9 (j) The agency shall post on its Web site the contact information provided by each  
5.10 manufacturer under section 115A.1318, paragraph (e).

5.11 Sec. 4. Minnesota Statutes 2012, section 115B.20, subdivision 6, is amended to read:

5.12 Subd. 6. **Report to legislature.** ~~Each year~~ By January 31 of each odd-numbered  
5.13 year, the commissioner of agriculture and the agency shall submit to the senate Finance

5.20 **EFFECTIVE DATE.** This section is effective July 1, 2013.

5.21 Sec. 5. Minnesota Statutes 2012, section 115B.28, subdivision 1, is amended to read:

5.22 Subdivision 1. **Duties.** In addition to performing duties specified in sections  
5.23 115B.25 to 115B.37 or in other law, and subject to the limitations on disclosure contained

5.25 (1) adopt rules, including rules governing practice and procedure before the agency,  
5.26 the form and procedure for applications for compensation, and procedures for claims  
5.27 investigations;

5.28 (2) publicize the availability of compensation and application procedures on a  
5.29 statewide basis with special emphasis on geographical areas surrounding sites identified  
5.30 by the agency as having releases from a facility where a harmful substance was placed or  
5.31 came to be located prior to July 1, 1983;

5.32 (3) collect, analyze, and make available to the public, in consultation with the  
5.33 Department of Health, the Pollution Control Agency, the University of Minnesota Medical

6.6 by the agency from actual cases, including but not limited to number of cases, actual  
6.7 compensation received by each claimant, types of cases, and types of injuries compensated,

6.13 Subd. 4. **Corrective action.** "Corrective action" means an action taken to minimize,  
6.14 eliminate, or clean up a release to protect the public health and welfare or the environment.

6.15 Corrective action includes institutional controls.

6.16 Sec. 7. Minnesota Statutes 2012, section 115C.02, is amended by adding a subdivision  
6.17 to read:

6.18 Subd. 6b. **Institutional controls.** "Institutional controls" means legally enforceable  
6.19 restrictions, conditions, or controls that are placed on the use of real property, groundwater,  
6.20 or surface water located at or adjacent to property where a corrective action is taken and  
6.21 that are necessary to conduct a corrective action or reasonably required to ensure that the  
6.22 corrective action protects the public health and welfare and the environment. Institutional  
6.23 controls include but are not limited to restrictions, conditions, or controls enforceable by  
6.24 contract, easement, restrictive covenant, statute, ordinance, or rule, including official  
6.25 controls such as zoning, building codes, and official maps. Institutional controls include  
6.26 an affidavit required under section 116.48, subdivision 6, or similar notice of a release  
6.27 recorded with real property records.

6.28 Sec. 8. Minnesota Statutes 2012, section 115C.08, subdivision 4, is amended to read:

6.29 Subd. 4. **Expenditures.** (a) Money in the fund may only be spent:

6.30 (1) to administer the petroleum tank release cleanup program established in this  
6.31 chapter;

7.1 (2) for agency administrative costs under sections 116.46 to 116.50, sections  
7.2 115C.03 to 115C.06, and costs of corrective action taken by the agency under section  
7.3 115C.03, including investigations;

7.4 (3) for costs of recovering expenses of corrective actions under section 115C.04;

7.5 (4) for training, certification, and rulemaking under sections 116.46 to 116.50;

7.6 (5) for agency administrative costs of enforcing rules governing the construction,  
7.7 installation, operation, and closure of aboveground and underground petroleum storage  
7.8 tanks;

7.9 (6) for reimbursement of the environmental response, compensation, and compliance  
7.10 account under subdivision 5 and section 115B.26, subdivision 4;

7.11 (7) for administrative and staff costs as set by the board to administer the petroleum  
7.12 tank release program established in this chapter;

7.13 (8) for corrective action performance audits under section 115C.093;

7.14 (9) for contamination cleanup grants, as provided in paragraph (c);

7.15 (10) to assess and remove abandoned underground storage tanks under section  
7.16 115C.094 and, if a release is discovered, to pay for the specific consultant and contractor  
7.17 services costs necessary to complete the tank removal project, including, but not limited  
7.18 to, excavation soil sampling, groundwater sampling, soil disposal, and completion of  
7.19 an excavation report; and

7.20 (11) ~~for property acquisition by the agency when the agency has determined that~~  
7.21 ~~purchasing a property where a release has occurred is the most appropriate corrective~~  
7.22 ~~action. The~~ to acquire interests in real or personal property, including easements,  
7.23 environmental covenants under chapter 114E, and leases, that the agency determines are  
7.24 necessary for corrective actions or to ensure the protectiveness of corrective actions. A  
7.25 donation of an interest in real property to the agency is not effective until the agency  
7.26 executes a certificate of acceptance. The state is not liable under this chapter solely as a  
7.27 result of acquiring an interest in real property under this clause. Agency approval of an  
7.28 environmental covenant under chapter 114E is sufficient evidence of acceptance of an  
7.29 interest in real property when the agency is expressly identified as a holder in the covenant.  
7.30 Acquisition of all properties real property under this clause, except environmental  
7.31 covenants under chapter 114E, is subject to approval by the board.

7.32 (b) Except as provided in paragraph (c), money in the fund is appropriated to the  
7.33 board to make reimbursements or payments under this section.

7.34 (c) In fiscal years 2010 and 2011, \$3,700,000 is annually appropriated from the fund  
7.35 to the commissioner of employment and economic development for contamination cleanup  
7.36 grants under section 116J.554. Beginning in fiscal year 2012 and each year thereafter,

8.1 \$6,200,000 is annually appropriated from the fund to the commissioner of employment  
8.2 and economic development for contamination cleanup grants under section 116J.554. Of  
8.3 this amount, the commissioner may spend up to \$225,000 annually for administration  
8.4 of the contamination cleanup grant program. The appropriation does not cancel and is  
8.5 available until expended. The appropriation shall not be withdrawn from the fund nor the  
8.6 fund balance reduced until the funds are requested by the commissioner of employment  
8.7 and economic development. The commissioner shall schedule requests for withdrawals  
8.8 from the fund to minimize the necessity to impose the fee authorized by subdivision 2.  
8.9 Unless otherwise provided, the appropriation in this paragraph may be used for:

8.10 (1) project costs at a qualifying site if a portion of the cleanup costs are attributable  
8.11 to petroleum contamination or new and used tar and tar-like substances, including but not  
8.12 limited to bitumen and asphalt, but excluding bituminous or asphalt pavement, that consist  
8.13 primarily of hydrocarbons and are found in natural deposits in the earth or are distillates,  
8.14 fractions, or residues from the processing of petroleum crude or petroleum products as  
8.15 defined in section 296A.01; and

8.16 (2) the costs of performing contamination investigation if there is a reasonable basis  
8.17 to suspect the contamination is attributable to petroleum or new and used tar and tar-like  
8.18 substances, including but not limited to bitumen and asphalt, but excluding bituminous or  
8.19 asphalt pavement, that consist primarily of hydrocarbons and are found in natural deposits  
8.20 in the earth or are distillates, fractions, or residues from the processing of petroleum crude  
8.21 or petroleum products as defined in section 296A.01.

8.22 Sec. 9. Minnesota Statutes 2012, section 115C.08, is amended by adding a subdivision  
8.23 to read:

8.24 **Subd. 6. Disposition of property acquired for corrective action.** (a) If the  
8.25 commissioner determines that real or personal property acquired by the agency for a  
8.26 corrective action is no longer needed for corrective action purposes, the commissioner may:

8.27 (1) request the commissioner of administration to dispose of the property according  
8.28 to sections 16B.281 to 16B.287, subject to conditions the commissioner of the Pollution  
8.29 Control Agency determines necessary to protect the public health and welfare and the  
8.30 environment or to comply with federal law;

8.31 (2) transfer the property to another state agency, a political subdivision, or a special  
8.32 purpose district as provided in paragraph (b); or

8.33 (3) if required by federal law, take actions and dispose of the property according  
8.34 to federal law.

9.1 (b) If the commissioner determines that real or personal property acquired by  
9.2 the agency for a corrective action must be operated, maintained, or monitored after  
9.3 completion of other phases of the corrective action, the commissioner may transfer  
9.4 ownership of the property to another state agency, a political subdivision, or a special  
9.5 purpose district that agrees to accept the property. A state agency, political subdivision,  
9.6 or special purpose district may accept and implement terms and conditions of a transfer  
9.7 under this paragraph. The commissioner may set terms and conditions for the transfer  
9.8 that the commissioner considers reasonable and necessary to ensure proper operation,  
9.9 maintenance, and monitoring of corrective actions; protect the public health and welfare  
9.10 and the environment; and comply with applicable federal and state laws and regulations.  
9.11 The state agency, political subdivision, or special purpose district to which the property is  
9.12 transferred is not liable under this chapter solely as a result of acquiring the property or  
9.13 acting in accordance with the terms and conditions of transfer.

9.14 (c) The proceeds of a sale or other transfer of property under this subdivision  
9.15 by the commissioner or by the commissioner of administration shall be deposited in  
9.16 the petroleum tank fund or other appropriate fund. Any share of the proceeds that the  
9.17 agency is required by federal law or regulation to reimburse to the federal government is  
9.18 appropriated from the fund to the agency for the purpose. Section 16B.287, subdivision 1,  
9.19 does not apply to real property that is sold by the commissioner of administration and that  
9.20 was acquired under subdivision 4, clause (11).

9.21 Sec. 10. Minnesota Statutes 2012, section 115D.10, is amended to read:

9.22 **115D.10 TOXIC POLLUTION PREVENTION EVALUATION REPORT.**

9.23 The commissioner, in cooperation with the commission, shall report to  
9.24 the Environment and Natural Resources Committees of the senate and house of  
9.25 representatives, the Finance Division of the senate Committee on Environment and  
9.26 Natural Resources, and the house of representatives Committee on Environment and  
9.27 Natural Resources Finance on progress being made in achieving the objectives of sections  
9.28 115D.01 to 115D.12. The report must be submitted by February 1 of each even-numbered  
9.29 year done in conjunction with the report required under section 115A.121.

9.30 Sec. 11. Minnesota Statutes 2012, section 116.48, subdivision 6, is amended to read:

9.31 Subd. 6. **Affidavit.** (a) Before transferring ownership of property that the owner  
9.32 knows contains an underground or aboveground storage tank or contained an underground  
9.33 or aboveground storage tank that had a release for which no corrective action was taken or  
9.34 if required by the agency as a condition of a corrective action under chapter 115C, the

10.1 owner shall record with the county recorder or registrar of titles of the county in which the  
 10.2 property is located an affidavit containing:

10.3 (1) a legal description of the property where the tank is located;

10.4 (2) a description of the tank, of the location of the tank, and of any known release  
 10.5 from the tank of a regulated substance to the full extent known or reasonably ascertainable;

10.6 (3) a description of any restrictions currently in force on the use of the property  
 10.7 resulting from any release; and

10.8 (4) the name of the owner.

10.9 (b) The county recorder shall record the affidavits in a manner that will insure  
 10.10 their disclosure in the ordinary course of a title search of the subject property. Before  
 10.11 transferring ownership of property that the owner knows contains an underground or  
 10.12 aboveground storage tank, the owner shall deliver to the purchaser a copy of the affidavit  
 10.13 and any additional information necessary to make the facts in the affidavit accurate as of  
 10.14 the date of transfer of ownership.

10.15 (c) Failure to record an affidavit as provided in this subdivision does not affect or  
 10.16 prevent any transfer of ownership of the property.

15.1       Sec. 6. [442A.04] SANITARY DISTRICT CREATION.

15.2             Subdivision 1. Sanitary district creation. (a) A sanitary district may be created  
15.3     under this chapter for any territory embracing an area or a group of two or more adjacent  
15.4     areas, whether contiguous or separate, but not situated entirely within the limits of a  
15.5     single municipality. The proposed sanitary district must promote the public health and  
15.6     welfare by providing an adequate and efficient system and means of collecting, conveying,  
15.7     pumping, treating, and disposing of domestic sewage and garbage and industrial wastes  
15.8     within the district. When the chief administrative law judge or the Minnesota Pollution  
15.9     Control Agency finds that there is need throughout the territory for the accomplishment  
15.10    of these purposes; that these purposes can be effectively accomplished on an equitable  
15.11    basis by a district if created; and that the creation and maintenance of a district will be  
15.12    administratively feasible and in furtherance of the public health, safety, and welfare, the  
15.13    chief administrative law judge shall make an order creating the sanitary district.

15.14            (b) Notwithstanding paragraph (a), no district shall be created within 25 miles of the  
15.15    boundary of any city of the first class without the approval of the governing body thereof  
15.16    and the approval of the governing body of each and every municipality in the proposed  
15.17    district by resolution filed with the chief administrative law judge.

15.18            (c) If the chief administrative law judge and the Minnesota Pollution Control Agency  
15.19    disagree on the need to create a sanitary district, they must determine whether not allowing  
15.20    the sanitary district formation will have a detrimental effect on the environment. If it is  
15.21    determined that the sanitary district formation will prevent environmental harm, the sanitary  
15.22    district creation or connection to an existing wastewater treatment system must occur.

15.23            Subd. 2. Proceeding to create sanitary district. (a) A proceeding for the creation  
15.24    of a district may be initiated by a petition to the chief administrative law judge containing  
15.25    the following:

15.26            (1) a request for creation of the proposed district;

15.27            (2) the name proposed for the district, to include the words "sanitary district";

15.28            (3) a legal description of the territory of the proposed district, including justification  
15.29    for inclusion or exclusion for all parcels;

15.30            (4) addresses of every property owner within the proposed district boundaries as  
15.31    provided by the county auditor, with certification from the county auditor; two sets of  
15.32    address labels for said owners; and a list of e-mail addresses for said owners, if available;

15.33            (5) a statement showing the existence in the territory of the conditions requisite for  
15.34    creation of a district as prescribed in subdivision 1;

15.35            (6) a statement of the territorial units represented by and the qualifications of the  
15.36    respective signers; and

16.1 (7) the post office address of each signer, given under the signer's signature.

16.2 A petition may consist of separate writings of like effect, each signed by one or more  
16.3 qualified persons, and all such writings, when filed, shall be considered together as a  
16.4 single petition.

16.5 (b) Petitioners must conduct and pay for a public meeting to inform citizens of the  
16.6 proposed creation of the district. At the meeting, information must be provided, including  
16.7 a description of the district's proposed structure, bylaws, territory, ordinances, budget, and  
16.8 charges and a description of the territory of the proposed district, including justification  
16.9 for inclusion or exclusion for all parcels. Notice of the meeting must be published for two  
16.10 successive weeks in a qualified newspaper, as defined under chapter 331A, published  
16.11 within the territory of the proposed district or, if there is no qualified newspaper published  
16.12 within the territory, in a qualified newspaper of general circulation in the territory, and  
16.13 must be posted for two weeks in each territorial unit of the proposed district and on the  
16.14 Web site of the proposed district, if one exists. Notice of the meeting must be mailed or  
16.15 e-mailed at least three weeks prior to the meeting to all property tax billing addresses for  
16.16 all parcels included in the proposed district. The following must be submitted to the chief  
16.17 administrative law judge with the petition:

16.18 (1) a record of the meeting, including copies of all information provided at the  
16.19 meeting;

16.20 (2) a copy of the mailing list provided by the county auditor and used to notify  
16.21 property owners of the meeting;

16.22 (3) a copy of the e-mail list used to notify property owners of the meeting;

16.23 (4) the printer's affidavit of publication of public meeting notice;

16.24 (5) an affidavit of posting the public meeting notice with information on dates and  
16.25 locations of posting; and

16.26 (6) the minutes or other record of the public meeting documenting that the following  
16.27 topics were discussed: printer's affidavit of publication of each resolution, with a copy  
16.28 of the resolution from the newspaper attached; and the affidavit of resolution posting  
16.29 on the town or proposed district Web site.

16.30 (c) Every petition must be signed as follows:

16.31 (1) for each municipality wherein there is a territorial unit of the proposed district,  
16.32 by an authorized officer pursuant to a resolution of the municipal governing body;

16.34 by an authorized officer pursuant to a resolution of the town board;

17.1 (3) for each county wherein there is a territorial unit of the proposed district consisting  
17.2 of an unorganized area, by an authorized officer pursuant to a resolution of the county  
17.3 board or by at least 20 percent of the voters residing and owning land within the unit.

17.4 (d) Each resolution must be published in the official newspaper of the governing  
17.5 body adopting it and becomes effective 40 days after publication, unless within said  
17.6 period there shall be filed with the governing body a petition signed by qualified electors  
17.7 of a territorial unit of the proposed district, equal in number to five percent of the number  
17.8 of electors voting at the last preceding election of the governing body, requesting a  
17.9 referendum on the resolution, in which case the resolution may not become effective until  
17.10 approved by a majority of the qualified electors voting at a regular election or special  
17.11 election that the governing body may call. The notice of an election and the ballot to be  
17.12 used must contain the text of the resolution followed by the question: "Shall the above  
17.13 resolution be approved?"

17.14 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to  
17.15 the signer's landowner status as shown by the county auditor's tax assessment records,  
17.16 certified by the auditor, shall be attached to or endorsed upon the petition.

17.17 (f) At any time before publication of the public notice required in subdivision 3,  
17.18 additional signatures may be added to the petition or amendments of the petition may  
17.19 be made to correct or remedy any error or defect in signature or otherwise except a  
17.20 material error or defect in the description of the territory of the proposed district. If the  
17.21 qualifications of any signer of a petition are challenged, the chief administrative law judge  
17.22 shall determine the challenge forthwith on the allegations of the petition, the county  
17.23 auditor's certificate of land ownership, and such other evidence as may be received.

17.24 Subd. 3. **Notice of intent to create sanitary district.** (a) Upon receipt of a petition  
17.25 and the record of the public meeting required under subdivision 2, the chief administrative  
17.26 law judge shall publish a notice of intent to create the proposed sanitary district in the State  
17.27 Register and mail or e-mail information of that publication to each property owner in the  
17.28 affected territory at the owner's address as given by the county auditor. The information  
17.29 must state the date that the notice will appear in the State Register and give the Web site  
17.30 location for the State Register. The notice must:

17.31 (1) describe the petition for creation of the district;

17.32 (2) describe the territory affected by the petition;

17.33 (3) allow 30 days for submission of written comments on the petition;

17.34 (4) state that a person who objects to the petition may submit a written request for  
17.35 hearing to the chief administrative law judge within 30 days of the publication of the  
17.36 notice in the State Register; and

18.1 (5) state that if a timely request for hearing is not received, the chief administrative  
18.2 law judge may make a decision on the petition.

18.3 (b) If 50 or more individual timely requests for hearing are received, the chief  
18.4 administrative law judge must hold a hearing on the petition according to the contested  
18.5 case provisions of chapter 14. The sanitary district proposers are responsible for paying all  
18.6 costs involved in publicizing and holding a hearing on the petition.

18.7 Subd. 4. **Hearing time, place.** If a hearing is required pursuant to subdivision 3, the  
18.8 chief administrative law judge shall designate a time and place for a hearing according  
18.9 to section 442A.13.

18.10 Subd. 5. **Relevant factors.** (a) In arriving at a decision, the chief administrative law  
18.11 judge shall consider the following factors:

18.12 (1) administrative feasibility;

18.13 (2) public health, safety, and welfare impacts;

18.14 (3) alternatives for managing the public health impacts;

18.15 (4) equities of the petition proposal;

18.16 (5) contours of the petition proposal; and

18.17 (6) public notification of and interaction on the petition proposal.

18.18 (b) Based on the factors in paragraph (a), the chief administrative law judge may  
18.19 order the sanitary district creation on finding that:

18.20 (1) the proposed district is administratively feasible;

18.21 (2) the proposed district provides a long-term, equitable solution to pollution  
18.22 problems affecting public health, safety, and welfare;

18.23 (3) property owners within the proposed district were provided notice of the  
18.24 proposed district and opportunity to comment on the petition proposal; and

18.25 (4) the petition complied with the requirements of all applicable statutes and rules  
18.26 pertaining to sanitary district creation.

18.27 (c) The chief administrative law judge may alter the boundaries of the proposed  
18.28 sanitary district by increasing or decreasing the area to be included or may exclude  
18.29 property that may be better served by another unit of government. The chief administrative  
18.30 law judge may also alter the boundaries of the proposed district so as to follow visible,  
18.31 clearly recognizable physical features for municipal boundaries.

18.32 (d) The chief administrative law judge may deny sanitary district creation if the area,  
18.33 or a part thereof, would be better served by an alternative method.

18.34 (e) In all cases, the chief administrative law judge shall set forth the factors that are  
18.35 the basis for the decision.

19.1 Subd. 6. **Findings; order.** After the public notice period or the public hearing, if  
19.2 required under subdivision 3, and based on the petition, any public comments received,  
19.3 and, if a hearing was held, the hearing record, the chief administrative law judge shall  
19.4 make findings of fact and conclusions determining whether the conditions requisite for the  
19.5 creation of a district exist in the territory described in the petition. If the chief administrative  
19.6 law judge finds that the conditions exist, the judge may make an order creating a district  
19.7 for the territory described in that petition under the name proposed in the petition or such  
19.8 other name, including the words "sanitary district," as the judge deems appropriate.

19.9 Subd. 7. **Denial of petition.** If the chief administrative law judge, after conclusion  
19.10 of the public notice period or holding a hearing, if required, determines that the creation of  
19.11 a district in the territory described in the petition is not warranted, the judge shall make  
19.12 an order denying the petition. The chief administrative law judge shall give notice of the  
19.13 denial by mail or e-mail to each signer of the petition. No petition for the creation of a  
19.14 district consisting of the same territory shall be entertained within a year after the date of  
19.15 an order under this subdivision. Nothing in this subdivision precludes action on a petition  
19.16 for the creation of a district embracing part of the territory with or without other territory.

19.17 Subd. 8. **Notice of order creating sanitary district.** The chief administrative law  
19.18 judge shall publish a notice in the State Register of the final order creating a sanitary  
19.19 district, referring to the date of the order and describing the territory of the district, and  
19.20 shall mail or e-mail information of the publication to each property owner in the affected  
19.21 territory at the owner's address as given by the county auditor. The information must state  
19.22 the date that the notice will appear in the State Register and give the Web site location  
19.23 for the State Register. The notice must:

- 19.24 (1) describe the petition for creation of the district;  
19.25 (2) describe the territory affected by the petition; and  
19.26 (3) state that a certified copy of the order shall be delivered to the secretary of state  
19.27 for filing ten days after public notice of the order in the State Register.

19.28 Subd. 9. **Filing.** Ten days after public notice of the order in the State Register, the  
19.29 chief administrative law judge shall deliver a certified copy of the order to the secretary  
19.30 of state for filing. Thereupon, the creation of the district is deemed complete, and it  
19.31 shall be conclusively presumed that all requirements of law relating thereto have been  
19.32 complied with. The chief administrative law judge shall also transmit a certified copy of  
19.33 the order for filing to the county auditor of each county and the clerk or recorder of each  
19.34 municipality and organized town wherein any part of the territory of the district is situated  
19.35 and to the secretary of the district board when elected.

20.1       Sec. 7. **[442A.05] SANITARY DISTRICT ANNEXATION.**

20.2             Subdivision 1. **Annexation.** (a) A sanitary district annexation may occur under  
20.3 this chapter for any area adjacent to an existing district upon a petition to the chief  
20.4 administrative law judge stating the grounds therefor as provided in this section.

20.5             (b) The proposed annexation area must embrace an area or a group of two or more  
20.6 adjacent areas, whether contiguous or separate, but not situated entirely within the limits  
20.7 of a single municipality. The proposed annexation must promote public health and  
20.8 welfare by providing an adequate and efficient system and means of collecting, conveying,  
20.9 pumping, treating, and disposing of domestic sewage and garbage and industrial wastes  
20.10 within the district. When the chief administrative law judge or the Minnesota Pollution  
20.11 Control Agency finds that there is need throughout the territory for the accomplishment of  
20.12 these purposes, that these purposes can be effectively accomplished on an equitable basis  
20.13 by annexation to a district, and that the creation and maintenance of such annexation will  
20.14 be administratively feasible and in furtherance of the public health, safety, and welfare,  
20.15 the chief administrative law judge shall make an order for sanitary district annexation.

20.16             (c) Notwithstanding paragraph (b), no annexation to a district shall be approved  
20.17 within 25 miles of the boundary of any city of the first class without the approval  
20.18 of the governing body thereof and the approval of the governing body of each and  
20.19 every municipality in the proposed annexation area by resolution filed with the chief  
20.20 administrative law judge.

20.21             (d) If the chief administrative law judge and the Minnesota Pollution Control Agency  
20.22 disagree on the need for a sanitary district annexation, they must determine whether not  
20.23 allowing the sanitary district annexation will have a detrimental effect on the environment.  
20.24 If it is determined that the sanitary district annexation will prevent environmental harm,  
20.25 the sanitary district annexation or connection to an existing wastewater treatment system  
20.26 must occur.

20.27             Subd. 2. **Proceeding for annexation.** (a) A proceeding for sanitary district  
20.28 annexation may be initiated by a petition to the chief administrative law judge containing  
20.29 the following:

20.30             (1) a request for proposed annexation to a sanitary district;

20.31             (2) a legal description of the territory of the proposed annexation, including  
20.32 justification for inclusion or exclusion for all parcels;

20.33             (3) addresses of every property owner within the existing sanitary district and  
20.34 proposed annexation area boundaries as provided by the county auditor, with certification  
20.35 from the county auditor; two sets of address labels for said owners; and a list of e-mail  
20.36 addresses for said owners, if available;

21.1 (4) a statement showing the existence in such territory of the conditions requisite  
21.2 for annexation to a district as prescribed in subdivision 1;

21.3 (5) a statement of the territorial units represented by and qualifications of the  
21.4 respective signers; and

21.5 (6) the post office address of each signer, given under the signer's signature.

21.6 A petition may consist of separate writings of like effect, each signed by one or more  
21.7 qualified persons, and all such writings, when filed, shall be considered together as a  
21.8 single petition.

21.9 (b) Petitioners must conduct and pay for a public meeting to inform citizens of the  
21.10 proposed annexation to a sanitary district. At the meeting, information must be provided,  
21.11 including a description of the existing sanitary district's structure, bylaws, territory,  
21.12 ordinances, budget, and charges; a description of the existing sanitary district's territory;  
21.13 and a description of the territory of the proposed annexation area, including justification  
21.14 for inclusion or exclusion for all parcels for the annexation area. Notice of the meeting  
21.15 must be published for two successive weeks in a qualified newspaper, as defined under  
21.16 chapter 331A, published within the territories of the existing sanitary district and proposed  
21.17 annexation area or, if there is no qualified newspaper published within those territories, in  
21.18 a qualified newspaper of general circulation in the territories, and must be posted for two  
21.19 weeks in each territorial unit of the existing sanitary district and proposed annexation area  
21.20 and on the Web site of the existing sanitary district, if one exists. Notice of the meeting  
21.21 must be mailed or e-mailed at least three weeks prior to the meeting to all property tax  
21.22 billing addresses for all parcels included in the existing sanitary district and proposed  
21.23 annexation area. The following must be submitted to the chief administrative law judge  
21.24 with the petition:

21.25 (1) a record of the meeting, including copies of all information provided at the  
21.26 meeting;

21.27 (2) a copy of the mailing list provided by the county auditor and used to notify  
21.28 property owners of the meeting;

21.29 (3) a copy of the e-mail list used to notify property owners of the meeting;

21.30 (4) the printer's affidavit of publication of the public meeting notice;

21.31 (5) an affidavit of posting the public meeting notice with information on dates and  
21.32 locations of posting; and

21.33 (6) the minutes or other record of the public meeting documenting that the following  
21.34 topics were discussed: printer's affidavit of publication of each resolution, with copy  
21.35 of resolution from newspaper attached; and affidavit of resolution posting on town or  
21.36 existing sanitary district Web site.

22.1 (c) Every petition must be signed as follows:

22.2 (1) by an authorized officer of the existing sanitary district pursuant to a resolution  
22.3 of the board;

22.4 (2) for each municipality wherein there is a territorial unit of the proposed annexation  
22.5 area, by an authorized officer pursuant to a resolution of the municipal governing body;

22.6 (3) for each organized town wherein there is a territorial unit of the proposed  
22.7 annexation area, by an authorized officer pursuant to a resolution of the town board; and

22.8 (4) for each county wherein there is a territorial unit of the proposed annexation area  
22.9 consisting of an unorganized area, by an authorized officer pursuant to a resolution of the  
22.10 county board or by at least 20 percent of the voters residing and owning land within the unit.

22.11 (d) Each resolution must be published in the official newspaper of the governing  
22.12 body adopting it and becomes effective 40 days after publication, unless within said  
22.13 period there shall be filed with the governing body a petition signed by qualified electors  
22.14 of a territorial unit of the proposed annexation area, equal in number to five percent of the  
22.15 number of electors voting at the last preceding election of the governing body, requesting  
22.16 a referendum on the resolution, in which case the resolution may not become effective  
22.17 until approved by a majority of the qualified electors voting at a regular election or special  
22.18 election that the governing body may call. The notice of an election and the ballot to be  
22.19 used must contain the text of the resolution followed by the question: "Shall the above  
22.20 resolution be approved?"

22.21 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to  
22.22 the signer's landowner status as shown by the county auditor's tax assessment records,  
22.23 certified by the auditor, shall be attached to or endorsed upon the petition.

22.24 (f) At any time before publication of the public notice required in subdivision 4,  
22.25 additional signatures may be added to the petition or amendments of the petition may be  
22.26 made to correct or remedy any error or defect in signature or otherwise except a material  
22.27 error or defect in the description of the territory of the proposed annexation area. If the  
22.28 qualifications of any signer of a petition are challenged, the chief administrative law judge  
22.29 shall determine the challenge forthwith on the allegations of the petition, the county  
22.30 auditor's certificate of land ownership, and such other evidence as may be received.

22.31 Subd. 3. **Joint petition.** Different areas may be annexed to a district in a single  
22.32 proceeding upon a joint petition therefor and upon compliance with the provisions of  
22.33 subdivisions 1 and 2 with respect to the area affected so far as applicable.

22.34 Subd. 4. **Notice of intent for sanitary district annexation.** (a) Upon receipt  
22.35 of a petition and the record of public meeting required under subdivision 2, the chief  
22.36 administrative law judge shall publish a notice of intent for sanitary district annexation

23.1 in the State Register and mail or e-mail information of the publication to each property  
 23.2 owner in the affected territory at the owner's address as given by the county auditor. The  
 23.3 information must state the date that the notice will appear in the State Register and give  
 23.4 the Web site location for the State Register. The notice must:

23.5 (1) describe the petition for sanitary district annexation;

23.6 (2) describe the territory affected by the petition;

23.7 (3) allow 30 days for submission of written comments on the petition;

23.8 (4) state that a person who objects to the petition may submit a written request for  
 23.9 hearing to the chief administrative law judge within 30 days of the publication of the  
 23.10 notice in the State Register; and

23.11 (5) state that if a timely request for hearing is not received, the chief administrative  
 23.12 law judge may make a decision on the petition.

23.13 (b) If 50 or more individual timely requests for hearing are received, the chief  
 23.14 administrative law judge must hold a hearing on the petition according to the contested case  
 23.15 provisions of chapter 14. The sanitary district or annexation area proposers are responsible  
 23.16 for paying all costs involved in publicizing and holding a hearing on the petition.

23.17 Subd. 5. **Hearing time, place.** If a hearing is required under subdivision 4, the  
 23.18 chief administrative law judge shall designate a time and place for a hearing according  
 23.19 to section 442A.13.

23.20 Subd. 6. **Relevant factors.** (a) In arriving at a decision, the chief administrative law  
 23.21 judge shall consider the following factors:

23.22 (1) administrative feasibility;

23.23 (2) public health, safety, and welfare impacts;

23.24 (3) alternatives for managing the public health impacts;

23.25 (4) equities of the petition proposal;

23.26 (5) contours of the petition proposal; and

23.27 (6) public notification of and interaction on the petition proposal.

23.28 (b) Based upon these factors, the chief administrative law judge may order the  
 23.29 annexation to the sanitary district on finding that:

23.30 (1) the sanitary district is knowledgeable and experienced in delivering sanitary sewer  
 23.31 services to ratepayers and has provided quality service in a fair and cost-effective manner;

23.32 (2) the proposed annexation provides a long-term, equitable solution to pollution  
 23.33 problems affecting public health, safety, and welfare;

23.34 (3) property owners within the existing sanitary district and proposed annexation  
 23.35 area were provided notice of the proposed district and opportunity to comment on the  
 23.36 petition proposal; and

24.1 (4) the petition complied with the requirements of all applicable statutes and rules  
24.2 pertaining to sanitary district annexation.

24.3 (c) The chief administrative law judge may alter the boundaries of the proposed  
24.4 annexation area by increasing or decreasing the area to be included or may exclude  
24.5 property that may be better served by another unit of government. The chief administrative  
24.6 law judge may also alter the boundaries of the proposed annexation area so as to follow  
24.7 visible, clearly recognizable physical features for municipal boundaries.

24.8 (d) The chief administrative law judge may deny sanitary district annexation if the  
24.9 area, or a part thereof, would be better served by an alternative method.

24.10 (e) In all cases, the chief administrative law judge shall set forth the factors that are  
24.11 the basis for the decision.

24.12 Subd. 7. **Findings; order.** (a) After the public notice period or the public hearing, if  
24.13 required under subdivision 4, and based on the petition, any public comments received,  
24.14 and, if a hearing was held, the hearing record, the chief administrative law judge shall  
24.15 make findings of fact and conclusions determining whether the conditions requisite for  
24.16 the sanitary district annexation exist in the territory described in the petition. If the chief  
24.17 administrative law judge finds that conditions exist, the judge may make an order for  
24.18 sanitary district annexation for the territory described in the petition.

24.19 (b) All taxable property within the annexed area shall be subject to taxation for  
24.20 any existing bonded indebtedness or other indebtedness of the district for the cost of  
24.21 acquisition, construction, or improvement of any disposal system or other works or  
24.22 facilities beneficial to the annexed area to such extent as the chief administrative law judge  
24.23 may determine to be just and equitable, to be specified in the order for annexation. The  
24.24 proper officers shall levy further taxes on such property accordingly.

24.25 Subd. 8. **Denial of petition.** If the chief administrative law judge, after conclusion  
24.26 of the public notice period or holding a hearing, if required, determines that the sanitary  
24.27 district annexation in the territory described in the petition is not warranted, the judge shall  
24.28 make an order denying the petition. The chief administrative law judge shall give notice  
24.29 of the denial by mail or e-mail to each signer of the petition. No petition for a sanitary  
24.30 district annexation consisting of the same territory shall be entertained within a year  
24.31 after the date of an order under this subdivision. Nothing in this subdivision precludes  
24.32 action on a petition for a sanitary district annexation embracing part of the territory with  
24.33 or without other territory.

24.34 Subd. 9. **Notice of order for sanitary district annexation.** The chief administrative  
24.35 law judge shall publish in the State Register a notice of the final order for sanitary district  
24.36 annexation, referring to the date of the order and describing the territory of the annexation

25.1 area, and shall mail or e-mail information of the publication to each property owner in the  
25.2 affected territory at the owner's address as given by the county auditor. The information  
25.3 must state the date that the notice will appear in the State Register and give the Web site  
25.4 location for the State Register. The notice must:

- 25.5 (1) describe the petition for annexation to the district;  
25.6 (2) describe the territory affected by the petition; and  
25.7 (3) state that a certified copy of the order shall be delivered to the secretary of state  
25.8 for filing ten days after public notice of the order in the State Register.

25.9 Subd. 10. **Filing.** Ten days after public notice of the order in the State Register, the  
25.10 chief administrative law judge shall deliver a certified copy of the order to the secretary  
25.11 of state for filing. Thereupon, the sanitary district annexation is deemed complete, and it  
25.12 shall be conclusively presumed that all requirements of law relating thereto have been  
25.13 complied with. The chief administrative law judge shall also transmit a certified copy of  
25.14 the order for filing to the county auditor of each county and the clerk or recorder of each  
25.15 municipality and organized town wherein any part of the territory of the district, including  
25.16 the newly annexed area, is situated and to the secretary of the district board.

25.17 **Sec. 8. [442A.06] SANITARY DISTRICT DETACHMENT.**

25.18 Subdivision 1. **Detachment.** (a) A sanitary district detachment may occur under this  
25.19 chapter for any area within an existing district upon a petition to the chief administrative  
25.20 law judge stating the grounds therefor as provided in this section.

25.21 (b) The proposed detachment must not have any negative environmental impact  
25.22 on the proposed detachment area.

25.23 (c) If the chief administrative law judge and the Minnesota Pollution Control  
25.24 Agency disagree on the need for a sanitary district detachment, they must determine  
25.25 whether not allowing the sanitary district detachment will have a detrimental effect on  
25.26 the environment. If it is determined that the sanitary district detachment will cause  
25.27 environmental harm, the sanitary district detachment is not allowed unless the detached  
25.28 area is immediately connected to an existing wastewater treatment system.

25.29 Subd. 2. **Proceeding for detachment.** (a) A proceeding for sanitary district  
25.30 detachment may be initiated by a petition to the chief administrative law judge containing  
25.31 the following:

- 25.32 (1) a request for proposed detachment from a sanitary district;  
25.33 (2) a statement that the requisite conditions for inclusion in a district no longer exist  
25.34 in the proposed detachment area;

26.1 (3) a legal description of the territory of the proposed detachment, including  
26.2 justification for inclusion or exclusion for all parcels;

26.3 (4) addresses of every property owner within the sanitary district and proposed  
26.4 detachment area boundaries as provided by the county auditor, with certification from the  
26.5 county auditor; two sets of address labels for said owners; and a list of e-mail addresses  
26.6 for said owners, if available;

26.7 (5) a statement of the territorial units represented by and qualifications of the  
26.8 respective signers; and

26.9 (6) the post office address of each signer, given under the signer's signature.

26.10 A petition may consist of separate writings of like effect, each signed by one or more  
26.11 qualified persons, and all such writings, when filed, shall be considered together as a  
26.12 single petition.

26.13 (b) Petitioners must conduct and pay for a public meeting to inform citizens of  
26.14 the proposed detachment from a sanitary district. At the meeting, information must be  
26.15 provided, including a description of the existing district's territory and a description of the  
26.16 territory of the proposed detachment area, including justification for inclusion or exclusion  
26.17 for all parcels for the detachment area. Notice of the meeting must be published for two  
26.18 successive weeks in a qualified newspaper, as defined under chapter 331A, published  
26.19 within the territories of the existing sanitary district and proposed detachment area or, if  
26.20 there is no qualified newspaper published within those territories, in a qualified newspaper  
26.21 of general circulation in the territories, and must be posted for two weeks in each territorial  
26.22 unit of the existing sanitary district and proposed detachment area and on the Web site  
26.23 of the existing sanitary district, if one exists. Notice of the meeting must be mailed or  
26.24 e-mailed at least three weeks prior to the meeting to all property tax billing addresses for  
26.25 all parcels included in the sanitary district. The following must be submitted to the chief  
26.26 administrative law judge with the petition:

26.27 (1) a record of the meeting, including copies of all information provided at the  
26.28 meeting;

26.29 (2) a copy of the mailing list provided by the county auditor and used to notify  
26.30 property owners of the meeting;

26.31 (3) a copy of the e-mail list used to notify property owners of the meeting;

26.32 (4) the printer's affidavit of publication of public meeting notice;

26.33 (5) an affidavit of posting the public meeting notice with information on dates and  
26.34 locations of posting; and

26.35 (6) minutes or other record of the public meeting documenting that the following  
26.36 topics were discussed: printer's affidavit of publication of each resolution, with copy

27.1 of resolution from newspaper attached; and affidavit of resolution posting on town or  
27.2 existing sanitary district Web site.

27.3 (c) Every petition must be signed as follows:

27.4 (1) by an authorized officer of the existing sanitary district pursuant to a resolution  
27.5 of the board;

27.6 (2) for each municipality wherein there is a territorial unit of the proposed detachment  
27.7 area, by an authorized officer pursuant to a resolution of the municipal governing body;

27.8 (3) for each organized town wherein there is a territorial unit of the proposed  
27.9 detachment area, by an authorized officer pursuant to a resolution of the town board; and

27.10 (4) for each county wherein there is a territorial unit of the proposed detachment area  
27.11 consisting of an unorganized area, by an authorized officer pursuant to a resolution of the  
27.12 county board or by at least 20 percent of the voters residing and owning land within the unit.

27.13 (d) Each resolution must be published in the official newspaper of the governing  
27.14 body adopting it and becomes effective 40 days after publication, unless within said period  
27.15 there shall be filed with the governing body a petition signed by qualified electors of a  
27.16 territorial unit of the proposed detachment area, equal in number to five percent of the  
27.17 number of electors voting at the last preceding election of the governing body, requesting  
27.18 a referendum on the resolution, in which case the resolution may not become effective  
27.19 until approved by a majority of the qualified electors voting at a regular election or special  
27.20 election that the governing body may call. The notice of an election and the ballot to be  
27.21 used must contain the text of the resolution followed by the question: "Shall the above  
27.22 resolution be approved?"

27.23 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to  
27.24 the signer's landowner status as shown by the county auditor's tax assessment records,  
27.25 certified by the auditor, shall be attached to or endorsed upon the petition.

27.26 (f) At any time before publication of the public notice required in subdivision 4,  
27.27 additional signatures may be added to the petition or amendments of the petition may be  
27.28 made to correct or remedy any error or defect in signature or otherwise except a material  
27.29 error or defect in the description of the territory of the proposed detachment area. If the  
27.30 qualifications of any signer of a petition are challenged, the chief administrative law judge  
27.31 shall determine the challenge forthwith on the allegations of the petition, the county  
27.32 auditor's certificate of land ownership, and such other evidence as may be received.

27.33 Subd. 3. **Joint petition.** Different areas may be detached from a district in a single  
27.34 proceeding upon a joint petition therefor and upon compliance with the provisions of  
27.35 subdivisions 1 and 2 with respect to the area affected so far as applicable.

28.1 Subd. 4. **Notice of intent for sanitary district detachment.** (a) Upon receipt  
28.2 of a petition and record of public meeting required under subdivision 2, the chief  
28.3 administrative law judge shall publish a notice of intent for sanitary district detachment  
28.4 in the State Register and mail or e-mail information of the publication to each property  
28.5 owner in the affected territory at the owner's address as given by the county auditor. The  
28.6 information must state the date that the notice will appear in the State Register and give  
28.7 the Web site location for the State Register. The notice must:

28.8 (1) describe the petition for sanitary district detachment;

28.9 (2) describe the territory affected by the petition;

28.10 (3) allow 30 days for submission of written comments on the petition;

28.11 (4) state that a person who objects to the petition may submit a written request for  
28.12 hearing to the chief administrative law judge within 30 days of the publication of the  
28.13 notice in the State Register; and

28.14 (5) state that if a timely request for hearing is not received, the chief administrative  
28.15 law judge may make a decision on the petition.

28.16 (b) If 50 or more individual timely requests for hearing are received, the chief  
28.17 administrative law judge must hold a hearing on the petition according to the contested case  
28.18 provisions of chapter 14. The sanitary district or detachment area proposers are responsible  
28.19 for paying all costs involved in publicizing and holding a hearing on the petition.

28.20 Subd. 5. **Hearing time, place.** If a hearing is required under subdivision 4, the  
28.21 chief administrative law judge shall designate a time and place for a hearing according  
28.22 to section 442A.13.

28.23 Subd. 6. **Relevant factors.** (a) In arriving at a decision, the chief administrative law  
28.24 judge shall consider the following factors:

28.25 (1) public health, safety, and welfare impacts for the proposed detachment area;

28.26 (2) alternatives for managing the public health impacts for the proposed detachment  
28.27 area;

28.28 (3) equities of the petition proposal;

28.29 (4) contours of the petition proposal; and

28.30 (5) public notification of and interaction on the petition proposal.

28.31 (b) Based upon these factors, the chief administrative law judge may order the  
28.32 detachment from the sanitary district on finding that:

28.33 (1) the proposed detachment area has adequate alternatives for managing public  
28.34 health impacts due to the detachment;

29.1 (2) the proposed detachment area is not necessary for the district to provide a  
29.2 long-term, equitable solution to pollution problems affecting public health, safety, and  
29.3 welfare;

29.4 (3) property owners within the existing sanitary district and proposed detachment  
29.5 area were provided notice of the proposed detachment and opportunity to comment on  
29.6 the petition proposal; and

29.7 (4) the petition complied with the requirements of all applicable statutes and rules  
29.8 pertaining to sanitary district detachment.

29.9 (c) The chief administrative law judge may alter the boundaries of the proposed  
29.10 detachment area by increasing or decreasing the area to be included or may exclude  
29.11 property that may be better served by another unit of government. The chief administrative  
29.12 law judge may also alter the boundaries of the proposed detachment area so as to follow  
29.13 visible, clearly recognizable physical features for municipal boundaries.

29.14 (d) The chief administrative law judge may deny sanitary district detachment if the  
29.15 area, or a part thereof, would be better served by an alternative method.

29.16 (e) In all cases, the chief administrative law judge shall set forth the factors that are  
29.17 the basis for the decision.

29.18 Subd. 7. **Findings; order.** (a) After the public notice period or the public hearing, if  
29.19 required under subdivision 4, and based on the petition, any public comments received,  
29.20 and, if a hearing was held, the hearing record, the chief administrative law judge shall  
29.21 make findings of fact and conclusions determining whether the conditions requisite for  
29.22 the sanitary district detachment exist in the territory described in the petition. If the chief  
29.23 administrative law judge finds that conditions exist, the judge may make an order for  
29.24 sanitary district detachment for the territory described in the petition.

29.25 (b) All taxable property within the detached area shall remain subject to taxation  
29.26 for any existing bonded indebtedness of the district to such extent as it would have been  
29.27 subject thereto if not detached and shall also remain subject to taxation for any other  
29.28 existing indebtedness of the district incurred for any purpose beneficial to such area to  
29.29 such extent as the chief administrative law judge may determine to be just and equitable,  
29.30 to be specified in the order for detachment. The proper officers shall levy further taxes on  
29.31 such property accordingly.

29.32 Subd. 8. **Denial of petition.** If the chief administrative law judge, after conclusion  
29.33 of the public notice period or holding a hearing, if required, determines that the sanitary  
29.34 district detachment in the territory described in the petition is not warranted, the judge  
29.35 shall make an order denying the petition. The chief administrative law judge shall give  
29.36 notice of the denial by mail or e-mail to each signer of the petition. No petition for a

30.1 detachment from a district consisting of the same territory shall be entertained within a  
30.2 year after the date of an order under this subdivision. Nothing in this subdivision precludes  
30.3 action on a petition for a detachment from a district embracing part of the territory with  
30.4 or without other territory.

30.5 Subd. 9. **Notice of order for sanitary district detachment.** The chief  
30.6 administrative law judge shall publish in the State Register a notice of the final order  
30.7 for sanitary district detachment, referring to the date of the order and describing the  
30.8 territory of the detached area and shall mail or e-mail information of the publication  
30.9 to each property owner in the affected territory at the owner's address as given by the  
30.10 county auditor. The information must state the date that the notice will appear in the State  
30.11 Register and give the Web site location for the State Register. The notice must:

30.12 (1) describe the petition for detachment from the district;

30.13 (2) describe the territory affected by the petition; and

30.14 (3) state that a certified copy of the order shall be delivered to the secretary of state  
30.15 for filing ten days after public notice of the order in the State Register.

30.16 Subd. 10. **Filing.** Ten days after public notice of the order in the State Register, the  
30.17 chief administrative law judge shall deliver a certified copy of the order to the secretary of  
30.18 state for filing. Thereupon, the sanitary district detachment is deemed complete, and it  
30.19 shall be conclusively presumed that all requirements of law relating thereto have been  
30.20 complied with. The chief administrative law judge shall also transmit a certified copy of  
30.21 the order for filing to the county auditor of each county and the clerk or recorder of each  
30.22 municipality and organized town wherein any part of the territory of the district, including  
30.23 the newly detached area, is situated and to the secretary of the district board.

30.24 Sec. 9. **[442A.07] SANITARY DISTRICT DISSOLUTION.**

30.25 Subdivision 1. **Dissolution.** (a) An existing sanitary district may be dissolved under  
30.26 this chapter upon a petition to the chief administrative law judge stating the grounds  
30.27 therefor as provided in this section.

30.28 (b) The proposed dissolution must not have any negative environmental impact on  
30.29 the existing sanitary district area.

30.30 (c) If the chief administrative law judge and the Minnesota Pollution Control  
30.31 Agency disagree on the need to dissolve a sanitary district, they must determine whether  
30.32 not dissolving the sanitary district will have a detrimental effect on the environment. If  
30.33 it is determined that the sanitary district dissolution will cause environmental harm, the  
30.34 sanitary district dissolution is not allowed unless the existing sanitary district area is  
30.35 immediately connected to an existing wastewater treatment system.

31.1 Subd. 2. Proceeding for dissolution. (a) A proceeding for sanitary district  
31.2 dissolution may be initiated by a petition to the chief administrative law judge containing  
31.3 the following:

31.4 (1) a request for proposed sanitary district dissolution;

31.5 (2) a statement that the requisite conditions for a sanitary district no longer exist  
31.6 in the district area;

31.7 (3) a proposal for distribution of the remaining funds of the district, if any, among  
31.8 the related governmental subdivisions;

31.9 (4) a legal description of the territory of the proposed dissolution;

31.10 (5) addresses of every property owner within the sanitary district boundaries as  
31.11 provided by the county auditor, with certification from the county auditor; two sets of  
31.12 address labels for said owners; and a list of e-mail addresses for said owners, if available;

31.13 (6) a statement of the territorial units represented by and the qualifications of the  
31.14 respective signers; and

31.15 (7) the post office address of each signer, given under the signer's signature.

31.16 A petition may consist of separate writings of like effect, each signed by one or more  
31.17 qualified persons, and all such writings, when filed, shall be considered together as a  
31.18 single petition.

31.19 (b) Petitioners must conduct and pay for a public meeting to inform citizens of the  
31.20 proposed dissolution of a sanitary district. At the meeting, information must be provided,  
31.21 including a description of the existing district's territory. Notice of the meeting must be  
31.22 published for two successive weeks in a qualified newspaper, as defined under chapter  
31.23 331A, published within the territory of the sanitary district or, if there is no qualified  
31.24 newspaper published within that territory, in a qualified newspaper of general circulation  
31.25 in the territory and must be posted for two weeks in each territorial unit of the sanitary  
31.26 district and on the Web site of the existing sanitary district, if one exists. Notice of the  
31.27 meeting must be mailed or e-mailed at least three weeks prior to the meeting to all property  
31.28 tax billing addresses for all parcels included in the sanitary district. The following must be  
31.29 submitted to the chief administrative law judge with the petition:

31.30 (1) a record of the meeting, including copies of all information provided at the  
31.31 meeting;

31.32 (2) a copy of the mailing list provided by the county auditor and used to notify  
31.33 property owners of the meeting;

31.34 (3) a copy of the e-mail list used to notify property owners of the meeting;

31.35 (4) the printer's affidavit of publication of public meeting notice;

32.1 (5) an affidavit of posting the public meeting notice with information on dates and  
32.2 locations of posting; and

32.3 (6) minutes or other record of the public meeting documenting that the following  
32.4 topics were discussed: printer's affidavit of publication of each resolution, with copy  
32.5 of resolution from newspaper attached; and affidavit of resolution posting on town or  
32.6 existing sanitary district Web site.

32.7 (c) Every petition must be signed as follows:

32.8 (1) by an authorized officer of the existing sanitary district pursuant to a resolution  
32.9 of the board;

32.10 (2) for each municipality wherein there is a territorial unit of the existing sanitary  
32.11 district, by an authorized officer pursuant to a resolution of the municipal governing body;

32.12 (3) for each organized town wherein there is a territorial unit of the existing sanitary  
32.13 district, by an authorized officer pursuant to a resolution of the town board; and

32.14 (4) for each county wherein there is a territorial unit of the existing sanitary district  
32.15 consisting of an unorganized area, by an authorized officer pursuant to a resolution of the  
32.16 county board or by at least 20 percent of the voters residing and owning land within the unit.

32.17 (d) Each resolution must be published in the official newspaper of the governing body  
32.18 adopting it and becomes effective 40 days after publication, unless within said period there  
32.19 shall be filed with the governing body a petition signed by qualified electors of a territorial  
32.20 unit of the district, equal in number to five percent of the number of electors voting at the  
32.21 last preceding election of the governing body, requesting a referendum on the resolution,  
32.22 in which case the resolution may not become effective until approved by a majority of the  
32.23 qualified electors voting at a regular election or special election that the governing body  
32.24 may call. The notice of an election and the ballot to be used must contain the text of the  
32.25 resolution followed by the question: "Shall the above resolution be approved?"

32.26 (e) If any signer is alleged to be a landowner in a territorial unit, a statement as to  
32.27 the signer's landowner status as shown by the county auditor's tax assessment records,  
32.28 certified by the auditor, shall be attached to or endorsed upon the petition.

32.29 (f) At any time before publication of the public notice required in subdivision 3,  
32.30 additional signatures may be added to the petition or amendments of the petition may be  
32.31 made to correct or remedy any error or defect in signature or otherwise except a material  
32.32 error or defect in the description of the territory of the proposed dissolution area. If the  
32.33 qualifications of any signer of a petition are challenged, the chief administrative law judge  
32.34 shall determine the challenge forthwith on the allegations of the petition, the county  
32.35 auditor's certificate of land ownership, and such other evidence as may be received.

33.1 Subd. 3. **Notice of intent for sanitary district dissolution.** (a) Upon receipt  
 33.2 of a petition and record of the public meeting required under subdivision 2, the chief  
 33.3 administrative law judge shall publish a notice of intent of sanitary district dissolution  
 33.4 in the State Register and mail or e-mail information of the publication to each property  
 33.5 owner in the affected territory at the owner's address as given by the county auditor. The  
 33.6 information must state the date that the notice will appear in the State Register and give  
 33.7 the Web site location for the State Register. The notice must:

33.8 (1) describe the petition for sanitary district dissolution;

33.9 (2) describe the territory affected by the petition;

33.10 (3) allow 30 days for submission of written comments on the petition;

33.11 (4) state that a person who objects to the petition may submit a written request for  
 33.12 hearing to the chief administrative law judge within 30 days of the publication of the  
 33.13 notice in the State Register; and

33.14 (5) state that if a timely request for hearing is not received, the chief administrative  
 33.15 law judge may make a decision on the petition.

33.16 (b) If 50 or more individual timely requests for hearing are received, the chief  
 33.17 administrative law judge must hold a hearing on the petition according to the contested  
 33.18 case provisions of chapter 14. The sanitary district dissolution proposers are responsible  
 33.19 for paying all costs involved in publicizing and holding a hearing on the petition.

33.20 Subd. 4. **Hearing time, place.** If a hearing is required under subdivision 3, the  
 33.21 chief administrative law judge shall designate a time and place for a hearing according  
 33.22 to section 442A.13.

33.23 Subd. 5. **Relevant factors.** (a) In arriving at a decision, the chief administrative law  
 33.24 judge shall consider the following factors:

33.25 (1) public health, safety, and welfare impacts for the proposed dissolution;

33.26 (2) alternatives for managing the public health impacts for the proposed dissolution;

33.27 (3) equities of the petition proposal;

33.28 (4) contours of the petition proposal; and

33.29 (5) public notification of and interaction on the petition proposal.

33.30 (b) Based upon these factors, the chief administrative law judge may order the  
 33.31 dissolution of the sanitary district on finding that:

33.32 (1) the proposed dissolution area has adequate alternatives for managing public  
 33.33 health impacts due to the dissolution;

33.34 (2) the sanitary district is not necessary to provide a long-term, equitable solution to  
 33.35 pollution problems affecting public health, safety, and welfare;

34.1 (3) property owners within the sanitary district were provided notice of the proposed  
34.2 dissolution and opportunity to comment on the petition proposal; and

34.3 (4) the petition complied with the requirements of all applicable statutes and rules  
34.4 pertaining to sanitary district dissolution.

34.5 (c) The chief administrative law judge may alter the boundaries of the proposed  
34.6 dissolution area by increasing or decreasing the area to be included or may exclude  
34.7 property that may be better served by another unit of government. The chief administrative  
34.8 law judge may also alter the boundaries of the proposed dissolution area so as to follow  
34.9 visible, clearly recognizable physical features for municipal boundaries.

34.10 (d) The chief administrative law judge may deny sanitary district dissolution if the  
34.11 area, or a part thereof, would be better served by an alternative method.

34.12 (e) In all cases, the chief administrative law judge shall set forth the factors that are  
34.13 the basis for the decision.

34.14 Subd. 6. **Findings; order.** (a) After the public notice period or the public hearing, if  
34.15 required under subdivision 3, and based on the petition, any public comments received,  
34.16 and, if a hearing was held, the hearing record, the chief administrative law judge shall  
34.17 make findings of fact and conclusions determining whether the conditions requisite for  
34.18 the sanitary district dissolution exist in the territory described in the petition. If the chief  
34.19 administrative law judge finds that conditions exist, the judge may make an order for  
34.20 sanitary district dissolution for the territory described in the petition.

34.21 (b) If the chief administrative law judge determines that the conditions requisite for  
34.22 the creation of the district no longer exist therein, that all indebtedness of the district has  
34.23 been paid, and that all property of the district except funds has been disposed of, the judge  
34.24 may make an order dissolving the district and directing the distribution of its remaining  
34.25 funds, if any, among the related governmental subdivisions on such basis as the chief  
34.26 administrative law judge determines to be just and equitable, to be specified in the order.

34.27 Subd. 7. **Denial of petition.** If the chief administrative law judge, after conclusion  
34.28 of the public notice period or holding a hearing, if required, determines that the sanitary  
34.29 district dissolution in the territory described in the petition is not warranted, the judge  
34.30 shall make an order denying the petition. The chief administrative law judge shall give  
34.31 notice of the denial by mail or e-mail to each signer of the petition. No petition for the  
34.32 dissolution of a district consisting of the same territory shall be entertained within a year  
34.33 after the date of an order under this subdivision.

34.34 Subd. 8. **Notice of order for sanitary district dissolution.** The chief administrative  
34.35 law judge shall publish in the State Register a notice of the final order for sanitary  
34.36 district dissolution, referring to the date of the order and describing the territory of the

35.1 dissolved district and shall mail or e-mail information of the publication to each property  
 35.2 owner in the affected territory at the owner's address as given by the county auditor. The  
 35.3 information must state the date that the notice will appear in the State Register and give  
 35.4 the Web site location of the State Register. The notice must:

35.5 (1) describe the petition for dissolution of the district;  
 35.6 (2) describe the territory affected by the petition; and  
 35.7 (3) state that a certified copy of the order shall be delivered to the secretary of state  
 35.8 for filing ten days after public notice of the order in the State Register.

35.9 Subd. 9. **Filing.** (a) Ten days after public notice of the order in the State Register,  
 35.10 the chief administrative law judge shall deliver a certified copy of the order to the secretary  
 35.11 of state for filing. Thereupon, the sanitary district dissolution is deemed complete, and it  
 35.12 shall be conclusively presumed that all requirements of law relating thereto have been  
 35.13 complied with. The chief administrative law judge shall also transmit a certified copy of  
 35.14 the order for filing to the county auditor of each county and the clerk or recorder of each  
 35.15 municipality and organized town wherein any part of the territory of the dissolved district  
 35.16 is situated and to the secretary of the district board.

35.17 (b) The chief administrative law judge shall also transmit a certified copy of the order  
 35.18 to the treasurer of the district, who must thereupon distribute the remaining funds of the  
 35.19 district as directed by the order and who is responsible for the funds until so distributed.

35.20 Sec. 10. **[442A.08] JOINT PUBLIC INFORMATIONAL MEETING.**

35.21 There must be a joint public informational meeting of the local governments of any  
 35.22 proposed sanitary district creation, annexation, detachment, or dissolution. The joint public  
 35.23 informational meeting must be held after the final mediation meeting or the final meeting  
 35.24 held according to section 442A.02, subdivision 8, if any, and before the hearing on the  
 35.25 matter is held. If no mediation meetings are held, the joint public informational meeting  
 35.26 must be held after the initiating documents have been filed and before the hearing on the  
 35.27 matter. The time, date, and place of the public informational meeting must be determined  
 35.28 jointly by the local governments in the proposed creation, annexation, detachment, or  
 35.29 dissolution areas and by the sanitary district, if one exists. The chair of the sanitary district,  
 35.30 if one exists, and the responsible official for one of the local governments represented at  
 35.31 the meeting must serve as the co-chairs for the informational meeting. Notice of the time,  
 35.32 date, place, and purpose of the informational meeting must be posted by the sanitary  
 35.33 district, if one exists, and local governments in designated places for posting notices. The  
 35.34 sanitary district, if one exists, and represented local governments must also publish, at their  
 35.35 own expense, notice in their respective official newspapers. If the same official newspaper

36.1 is used by multiple local government representatives or the sanitary district, a joint notice  
 36.2 may be published and the costs evenly divided. All notice required by this section must  
 36.3 be provided at least ten days before the date for the public informational meeting. At the  
 36.4 public informational meeting, all persons appearing must have an opportunity to be heard,  
 36.5 but the co-chairs may, by mutual agreement, establish the amount of time allowed for each  
 36.6 speaker. The sanitary district board, the local government representatives, and any resident  
 36.7 or affected property owner may be represented by counsel and may place into the record of  
 36.8 the informational meeting documents, expert opinions, or other materials supporting their  
 36.9 positions on issues raised by the proposed proceeding. The secretary of the sanitary district,  
 36.10 if one exists, or a person appointed by the chair must record minutes of the proceedings of  
 36.11 the informational meeting and must make an audio recording of the informational meeting.  
 36.12 The sanitary district, if one exists, or a person appointed by the chair must provide the  
 36.13 chief administrative law judge and the represented local governments with a copy of the  
 36.14 printed minutes and must provide the chief administrative law judge and the represented  
 36.15 local governments with a copy of the audio recording. The record of the informational  
 36.16 meeting for a proceeding under section 442A.04, 442A.05, 442A.06, or 442A.07 is  
 36.17 admissible in any proceeding under this chapter and shall be taken into consideration by  
 36.18 the chief administrative law judge or the chief administrative law judge's designee.

36.19       Sec. 11. **[442A.09] ANNEXATION BY ORDER OF POLLUTION CONTROL**  
 36.20 **AGENCY.**

36.21       Subdivision 1. **Annexation by ordinance alternative.** If a determination or order  
 36.22 by the Minnesota Pollution Control Agency under section 115.49 or other similar statute is  
 36.23 made that cooperation by contract is necessary and feasible between a sanitary district and  
 36.24 an unincorporated area located outside the existing corporate limits of the sanitary district,  
 36.25 the sanitary district required to provide or extend through a contract a governmental  
 36.26 service to an unincorporated area, during the statutory 90-day period provided in section  
 36.27 115.49 to formulate a contract, may in the alternative to formulating a service contract to  
 36.28 provide or extend the service, declare the unincorporated area described in the Minnesota  
 36.29 Pollution Control Agency's determination letter or order annexed to the sanitary district by  
 36.30 adopting an ordinance and submitting it to the chief administrative law judge.

36.31       Subd. 2. **Chief administrative law judge's role.** The chief administrative law  
 36.32 judge may review and comment on the ordinance but shall approve the ordinance within  
 36.33 30 days of receipt. The ordinance is final and the annexation is effective on the date the  
 36.34 chief administrative law judge approves the ordinance.

37.1 Sec. 12. **[442A.10] PETITIONERS TO PAY EXPENSES.**

37.2 Expenses of the preparation and submission of petitions in the proceedings under  
37.3 sections 442A.04 to 442A.09 shall be paid by the petitioners. Notwithstanding section  
37.4 16A.1283, the Office of Administrative Hearings may adopt rules according to section  
37.5 14.386 to establish fees necessary to support the preparation and submission of petitions  
37.6 in proceedings under sections 442A.04 to 442A.09. The fees collected by the Office of  
37.7 Administrative Hearings shall be deposited in the environmental fund.

37.8 **EFFECTIVE DATE.** This section is effective the day following final enactment.

37.9 Sec. 13. **[442A.11] TIME LIMITS FOR ORDERS; APPEALS.**

37.10 Subdivision 1. **Orders; time limit.** All orders in proceedings under this chapter  
37.11 shall be issued within one year from the date of the first hearing thereon, provided that  
37.12 the time may be extended for a fixed additional period upon consent of all parties of  
37.13 record. Failure to so order shall be deemed to be an order denying the matter. An appeal  
37.14 may be taken from such failure to so order in the same manner as an appeal from an  
37.15 order as provided in subdivision 2.

37.16 Subd. 2. **Grounds for appeal.** (a) Any person aggrieved by an order issued under  
37.17 this chapter may appeal to the district court upon the following grounds:

37.18 (1) the order was issued without jurisdiction to act;

37.19 (2) the order exceeded the jurisdiction of the presiding administrative law judge;

37.20 (3) the order was arbitrary, fraudulent, capricious, or oppressive or in unreasonable  
37.21 disregard of the best interests of the territory affected; or

37.22 (4) the order was based upon an erroneous theory of law.

37.23 (b) The appeal must be taken in the district court in the county in which the majority  
37.24 of the area affected is located. The appeal does not stay the effect of the order. All notices  
37.25 and other documents must be served on both the chief administrative law judge and the  
37.26 attorney general's assistant assigned to the chief administrative law judge for purposes  
37.27 of this chapter.

37.28 (c) If the court determines that the action involved is unlawful or unreasonable or is  
37.29 not warranted by the evidence in case an issue of fact is involved, the court may vacate or  
37.30 suspend the action involved, in whole or in part, as the case requires. The matter shall then  
37.31 be remanded for further action in conformity with the decision of the court.

37.32 (d) To render a review of an order effectual, the aggrieved person shall file with the  
37.33 court administrator of the district court of the county in which the majority of the area is  
37.34 located, within 30 days of the order, an application for review together with the grounds  
37.35 upon which the review is sought.

38.1 (e) An appeal lies from the district court as in other civil cases.

38.2 Sec. 14. **[442A.12] CHIEF ADMINISTRATIVE LAW JUDGE MAY APPEAL**  
38.3 **FROM DISTRICT COURT.**

38.4 An appeal may be taken under the Rules of Civil Appellate Procedure by the chief  
38.5 administrative law judge from a final order or judgment made or rendered by the district  
38.6 court when the chief administrative law judge determines that the final order or judgment  
38.7 adversely affects the public interest.

38.8 Sec. 15. **[442A.13] UNIFORM PROCEDURES.**

38.9 Subdivision 1. **Hearings.** (a) Proceedings initiated by the submission of an initiating  
38.10 document or by the chief administrative law judge shall come on for hearing within 30 to  
38.11 60 days from receipt of the document by the chief administrative law judge or from the  
38.12 date of the chief administrative law judge's action and the person conducting the hearing  
38.13 must submit an order no later than one year from the date of the first hearing.

38.14 (b) The place of the hearing shall be in the county where a majority of the affected  
38.15 territory is situated, and shall be established for the convenience of the parties.

38.16 (c) The chief administrative law judge shall mail notice of the hearing to the  
38.17 following parties: the sanitary district; any township or municipality presently governing  
38.18 the affected territory; any township or municipality abutting the affected territory;  
38.19 the county where the affected territory is situated; and each planning agency that has  
38.20 jurisdiction over the affected area.

38.21 (d) The chief administrative law judge shall see that notice of the hearing is published  
38.22 for two successive weeks in a legal newspaper of general circulation in the affected area.

38.23 (e) When the chief administrative law judge exercises authority to change the  
38.24 boundaries of the affected area so as to increase the quantity of land, the hearing shall  
38.25 be recessed and reconvened upon two weeks' published notice in a legal newspaper of  
38.26 general circulation in the affected area.

38.27 Subd. 2. **Transmittal of order.** The chief administrative law judge shall see that  
38.28 copies of the order are mailed to all parties entitled to mailed notice of hearing under  
38.29 subdivision 1, individual property owners if initiated in that manner, and any other party  
38.30 of record.

38.31 Sec. 16. **[442A.14] DISTRICT BOARD OF MANAGERS.**

38.32 Subdivision 1. **Composition.** The governing body of each district shall be a board  
38.33 of managers of five members, who shall be voters residing in the district and who may

39.1 but need not be officers, members of governing bodies, or employees of the related  
39.2 governmental subdivisions, except that when there are more than five territorial units in  
39.3 a district, there must be one board member for each unit.

39.4 Subd. 2. **Terms.** The terms of the first board members elected after creation of a  
39.5 district shall be so arranged and determined by the electing body as to expire on the first  
39.6 business day in January as follows:

39.7 (1) the terms of two members in the second calendar year after the year in which  
39.8 they were elected;

39.9 (2) the terms of two other members in the third calendar year after the year in which  
39.10 they were elected; and

39.11 (3) the term of the remaining member in the fourth calendar year after the year in  
39.12 which the member was elected. In case a board has more than five members, the additional  
39.13 members shall be assigned to the groups under clauses (1) to (3) to equalize the groups as  
39.14 far as practicable. Thereafter, board members shall be elected successively for regular  
39.15 terms beginning upon expiration of the preceding terms and expiring on the first business  
39.16 day in January of the third calendar year thereafter. Each board member serves until  
39.17 a successor is elected and has qualified.

39.18 Subd. 3. **Election of board.** In a district having only one territorial unit, all the  
39.19 members of the board shall be elected by the related governing body. In a district having  
39.20 more than one territorial unit, the members of the board shall be elected by the members  
39.21 of the related governing bodies in joint session except as otherwise provided. The electing  
39.22 bodies concerned shall meet and elect the first board members of a new district as soon  
39.23 as practicable after creation of the district and shall meet and elect board members for  
39.24 succeeding regular terms as soon as practicable after November 1 next preceding the  
39.25 beginning of the terms to be filled, respectively.

39.26 Subd. 4. **Central related governing body.** Upon the creation of a district  
39.27 having more than one territorial unit, the chief administrative law judge, on the basis of  
39.28 convenience for joint meeting purposes, shall designate one of the related governing  
39.29 bodies as the central related governing body in the order creating the district or in a  
39.30 subsequent special order, of which the chief administrative law judge shall notify the  
39.31 clerks or recorders of all the related governing bodies. Upon receipt of the notification,  
39.32 the clerk or recorder of the central related governing body shall immediately transmit the  
39.33 notification to the presiding officer of the body. The officer shall thereupon call a joint  
39.34 meeting of the members of all the related governing bodies to elect board members, to  
39.35 be held at such time as the officer shall fix at the regular meeting place of the officer's  
39.36 governing body or at such other place in the district as the officer shall determine. The

40.1 clerk or recorder of the body must give at least ten days' notice of the meeting by mail to  
40.2 the clerks or recorders of all the other related governing bodies, who shall immediately  
40.3 transmit the notice to all the members of the related governing bodies, respectively.  
40.4 Subsequent joint meetings to elect board members for regular terms must be called and  
40.5 held in like manner. The presiding officer and the clerk or recorder of the central related  
40.6 governing body shall act respectively as chair and secretary of the joint electing body at  
40.7 any meeting thereof, but in case of the absence or disability of either of them, the body  
40.8 may elect a temporary substitute. A majority of the members of each related governing  
40.9 body is required for a quorum at any meeting of the joint electing body.

40.10 Subd. 5. **Nominations.** Nominations for board members may be made by petitions,  
40.11 each signed by ten or more voters residing and owning land in the district, filed with the  
40.12 clerk, recorder, or secretary of the electing body before the election meeting. No person  
40.13 shall sign more than one petition. The electing body shall give due consideration to all  
40.14 nominations but is not limited thereto.

40.15 Subd. 6. **Election; single governing body.** In the case of an electing body  
40.16 consisting of a single related governing body, a majority vote of all members is required  
40.17 for an election. In the case of a joint electing body, a majority vote of members present is  
40.18 required for an election. In case of lack of a quorum or failure to elect, a meeting of an  
40.19 electing body may be adjourned to a stated time and place without further notice.

40.20 Subd. 7. **Election; multiple governing bodies.** In any district having more than  
40.21 one territorial unit, the related governing bodies, instead of meeting in joint session, may  
40.22 elect a board member by resolutions adopted by all of them separately, concurring in the  
40.23 election of the same person. A majority vote of all members of each related governing  
40.24 body is required for the adoption of any such resolution. The clerks or recorders of the  
40.25 other related governing bodies shall transmit certified copies of the resolutions to the clerk  
40.26 or recorder of the central related governing body. Upon receipt of concurring resolutions  
40.27 from all the related governing bodies, the presiding officer and clerk or recorder of the  
40.28 central related governing body shall certify the results and furnish certificates of election  
40.29 as provided for a joint meeting.

40.30 Subd. 8. **Vacancies.** Any vacancy in the membership of a board must be filled for  
40.31 the unexpired term in like manner as provided for the regular election of board members.

40.32 Subd. 9. **Certification of election; temporary chair.** The presiding and recording  
40.33 officers of the electing body shall certify the results of each election to the county auditor  
40.34 of each county wherein any part of the district is situated and to the clerk or recorder of  
40.35 each related governing body and shall make and transmit to each board member elected  
40.36 a certificate of the board member's election. Upon electing the first board members of a

41.1 district, the presiding officer of the electing body shall designate a member to serve as  
41.2 temporary chair for purposes of initial organization of the board, and the recording  
41.3 officer of the body shall include written notice thereof to all the board members with  
41.4 their certificates of election.

41.5 Sec. 17. **[442A.15] BOARD ORGANIZATION AND PROCEDURES.**

41.6 Subdivision 1. **Initial, annual meetings.** As soon as practicable after the election  
41.7 of the first board members of a district, the board shall meet at the call of the temporary  
41.8 chair to elect officers and take other appropriate action for organization and administration  
41.9 of the district. Each board shall hold a regular annual meeting at the call of the chair or  
41.10 otherwise as the board prescribes on or as soon as practicable after the first business day in  
41.11 January of each year and such other regular and special meetings as the board prescribes.

41.12 Subd. 2. **Officers.** The officers of each district shall be a chair and a vice-chair,  
41.13 who shall be members of the board, and a secretary and a treasurer, who may but need  
41.14 not be members of the board. The board of a new district at its initial meeting or as soon  
41.15 thereafter as practicable shall elect the officers to serve until the first business day in  
41.16 January next following. Thereafter, the board shall elect the officers at each regular annual  
41.17 meeting for terms expiring on the first business day in January next following. Each  
41.18 officer serves until a successor is elected and has qualified.

41.19 Subd. 3. **Meeting place; offices.** The board at its initial meeting or as soon  
41.20 thereafter as practicable shall provide for suitable places for board meetings and for offices  
41.21 of the district officers and may change the same thereafter as the board deems advisable.  
41.22 The meeting place and offices may be the same as those of any related governing body,  
41.23 with the approval of the body. The secretary of the board shall notify the secretary of state,  
41.24 the county auditor of each county wherein any part of the district is situated, and the clerk  
41.25 or recorder of each related governing body of the locations and post office addresses of the  
41.26 meeting place and offices and any changes therein.

41.27 Subd. 4. **Budget.** At any time before the proceeds of the first tax levy in a district  
41.28 become available, the district board may prepare a budget comprising an estimate of the  
41.29 expenses of organizing and administering the district until the proceeds are available, with  
41.30 a proposal for apportionment of the estimated amount among the related governmental  
41.31 subdivisions, and may request the governing bodies thereof to advance funds according to  
41.32 the proposal. The governing bodies may authorize advancement of the requested amounts,  
41.33 or such part thereof as they respectively deem proper, from any funds available in their  
41.34 respective treasuries. The board shall include in its first tax levy after receipt of any such

42.1 advancements a sufficient sum to cover the same and shall cause the same to be repaid,  
42.2 without interest, from the proceeds of taxes as soon as received.

42.3 Sec. 18. **[442A.16] DISTRICT STATUS AND POWERS.**

42.4 Subdivision 1. **Status.** Every district shall be a public corporation and a governmental  
42.5 subdivision of the state and shall be deemed to be a municipality or municipal corporation  
42.6 for the purpose of obtaining federal or state grants or loans or otherwise complying with  
42.7 any provision of federal or state law or for any other purpose relating to the powers and  
42.8 purposes of the district for which such status is now or hereafter required by law.

42.9 Subd. 2. **Powers and purpose.** Every district shall have the powers and purposes  
42.10 prescribed by this chapter and such others as may now or hereafter be prescribed by law.  
42.11 No express grant of power or enumeration of powers herein shall be deemed to limit the  
42.12 generality or scope of any grant of power.

42.13 Subd. 3. **Scope of powers and duties.** Except as otherwise provided, a power or  
42.14 duty vested in or imposed upon a district or any of its officers, agents, or employees shall  
42.15 not be deemed exclusive and shall not supersede or abridge any power or duty vested in or  
42.16 imposed upon any other agency of the state or any governmental subdivision thereof, but  
42.17 shall be supplementary thereto.

42.18 Subd. 4. **Exercise of power.** All the powers of a district shall be exercised by its  
42.19 board of managers except so far as approval of any action by popular vote or by any other  
42.20 authority may be expressly required by law.

42.21 Subd. 5. **Lawsuits; contracts.** A district may sue and be sued and may enter into  
42.22 any contract necessary or proper for the exercise of its powers or the accomplishment  
42.23 of its purposes.

42.24 Subd. 6. **Property acquisition.** A district may acquire by purchase, gift, or  
42.25 condemnation or may lease or rent any real or personal property within or without the  
42.26 district that may be necessary for the exercise of district powers or the accomplishment of  
42.27 district purposes, may hold the property for such purposes, and may lease, rent out, sell, or  
42.28 otherwise dispose of any property not needed for such purposes.

42.29 Subd. 7. **Acceptance of money or property.** A district may accept gifts, grants,  
42.30 or loans of money or other property from the United States, the state, or any person,  
42.31 corporation, or other entity for district purposes; may enter into any agreement required in  
42.32 connection therewith; and may hold, use, and dispose of the money or property according  
42.33 to the terms of the gift, grant, loan, or agreement relating thereto.

42.34 Sec. 19. **[442A.17] SPECIFIC PURPOSES AND POWERS.**

43.1 Subdivision 1. **Pollution prevention.** A district may construct, install, improve,

43.3 required to control and prevent pollution of any waters of the state within its territory.

43.4 Subd. 2. **Sewage disposal.** A district may construct, install, improve, maintain,  
43.5 and operate any system, works, or facilities within or without the district required to  
43.6 provide for, regulate, and control the disposal of sewage, industrial waste, and other waste  
43.7 originating within its territory. The district may require any person upon whose premises  
43.8 there is any source of sewage, industrial waste, or other waste within the district to  
43.9 connect the premises with the disposal system, works, or facilities of the district whenever  
43.10 reasonable opportunity therefor is provided.

43.11 Subd. 3. **Garbage, refuse disposal.** A district may construct, install, improve,  
43.12 maintain, and operate any system, works, or facilities within or without the district required  
43.13 to provide for, regulate, and control the disposal of garbage or refuse originating within the  
43.14 district. The district may require any person upon whose premises any garbage or refuse is  
43.15 produced or accumulated to dispose of the garbage or refuse through the system, works, or  
43.16 facilities of the district whenever reasonable opportunity therefor is provided.

43.17 Subd. 4. **Water supply.** A district may procure supplies of water necessary for any  
43.18 purpose under subdivisions 1 to 3 and may construct, install, improve, maintain, and  
43.19 operate any system, works, or facilities required therefor within or without the district.

43.20 Subd. 5. **Roads.** (a) To maintain the integrity of and facilitate access to district  
43.21 systems, works, or facilities, the district may maintain and repair a road by agreement with  
43.22 the entity that was responsible for the performance of maintenance and repair immediately  
43.23 prior to the agreement. Maintenance and repair includes but is not limited to providing  
43.24 lighting, snow removal, and grass mowing.

43.27 cost of improvement or maintenance of a road under paragraph (a).

43.28 (c) For purposes of this subdivision, a district shall not be construed as a road  
43.29 authority under chapter 160.

43.30 (d) The district and its officers and employees are exempt from liability for any tort  
43.31 claim for injury to person or property arising from travel on a road maintained by the  
43.32 district and related to the road's maintenance or condition.

43.33 **Sec. 20. [442A.18] DISTRICT PROJECTS AND FACILITIES.**

43.34 Subdivision 1. **Public property.** For the purpose of constructing, improving,  
43.35 maintaining, or operating any system, works, or facilities designed or used for any purpose

44.1 under section 442A.17, a district, its officers, agents, employees, and contractors may enter,  
44.2 occupy, excavate, and otherwise operate in, upon, under, through, or along any public

44.4 far as necessary for such work, with the approval of the governing body or other authority  
44.5 in charge of the public property affected and on such terms as may be agreed upon with the  
44.6 governing body or authority respecting interference with public use, restoration of previous  
44.7 conditions, compensation for damages, and other pertinent matters. If an agreement cannot  
44.8 be reached after reasonable opportunity therefor, the district may acquire the necessary  
44.9 rights, easements, or other interests in the public property by condemnation, subject to all  
44.10 applicable provisions of law as in case of taking private property, upon condition that the  
44.11 court shall determine that there is paramount public necessity for the acquisition.

44.12 Subd. 2. **Use of other systems.** A district may, upon such terms as may be  
44.13 agreed upon with the respective governing bodies or authorities concerned, provide for  
44.14 connecting with or using; lease; or acquire and take over any system, works, or facilities  
44.15 for any purpose under section 442A.17 belonging to any other governmental subdivision  
44.16 or other public agency.

44.17 Subd. 3. **Use by other governmental bodies.** A district may, upon such terms  
44.18 as may be agreed upon with the respective governing bodies or authorities concerned,  
44.19 authorize the use by any other governmental subdivision or other public agency of any  
44.20 system, works, or facilities of the district constructed for any purpose under section  
44.21 442A.17 so far as the capacity thereof is sufficient beyond the needs of the district. A  
44.22 district may extend any such system, works, or facilities and permit the use thereof by  
44.23 persons outside the district, so far as the capacity thereof is sufficient beyond the needs of

44.27 public agencies for any purpose under section 442A.17 upon such terms as may be  
44.28 agreed upon between the governing bodies or authorities concerned. Without limiting the  
44.29 effect of the foregoing provision or any other provision of this chapter, a district, with  
44.30 respect to any of said purposes, may act under and be subject to section 471.59, or any

44.34 A district may regulate and control the construction, maintenance, and use of privies,  
44.35 cesspools, septic tanks, toilets, and other facilities and devices for the reception or disposal

45.1 of human or animal excreta or other domestic wastes within its territory so far as necessary  
45.2 to prevent nuisances or pollution or to protect the public health, safety, and welfare  
45.3 and may prohibit the use of any such facilities or devices not connected with a district  
45.4 disposal system, works, or facilities whenever reasonable opportunity for such connection  
45.5 is provided; provided, that the authority of a district under this section does not extend  
45.6 or apply to the construction, maintenance, operation, or use by any person other than the  
45.7 district of any disposal system or part thereof within the district under and in accordance  
45.8 with a valid and existing permit issued by the Minnesota Pollution Control Agency.

45.9 Sec. 22. **[442A.20] DISTRICT PROGRAMS, SURVEYS, AND STUDIES.**

45.10 A district may develop general programs and particular projects within the scope of  
45.11 its powers and purposes and may make all surveys, studies, and investigations necessary  
45.12 for the programs and projects.

45.13 Sec. 23. **[442A.21] GENERAL AND STATUTORY CITY POWERS.**

45.14 A district may do and perform all other acts and things necessary or proper for the  
45.15 effectuation of its powers and the accomplishment of its purposes. Without limiting the  
45.16 effect of the foregoing provision or any other provision of this chapter, a district, with  
45.17 respect to each and all of said powers and purposes, shall have like powers as are vested in  
45.18 statutory cities with respect to any similar purposes. The exercise of such powers by a  
45.19 district and all matters pertaining thereto are governed by the law relating to the exercise  
45.20 of similar powers by statutory cities and matters pertaining thereto, so far as applicable,  
45.21 with like force and effect, except as otherwise provided.

45.22 Sec. 24. **[442A.22] ADVISORY COMMITTEE.**

45.23 A district board of managers may appoint an advisory committee with membership  
45.24 and duties as the board prescribes.

45.25 Sec. 25. **[442A.23] BOARD POWERS.**

45.26 Subdivision 1. **Generally.** The board of managers of every district shall have charge  
45.27 and control of all the funds, property, and affairs of the district. With respect thereto, the  
45.28 board has the same powers and duties as are provided by law for a statutory city council  
45.29 with respect to similar statutory city matters, except as otherwise provided. Except as  
45.30 otherwise provided, the chair, vice-chair, secretary, and treasurer of the district have the  
45.31 same powers and duties, respectively, as the mayor, acting mayor, clerk, and treasurer  
45.32 of a statutory city. Except as otherwise provided, the exercise of the powers and the

46.1 performance of the duties of the board and officers of the district and all other activities,  
46.2 transactions, and procedures of the district or any of its officers, agents, or employees,  
46.3 respectively, are governed by the law relating to similar matters in a statutory city, so far  
46.4 as applicable, with like force and effect.

46.5 Subd. 2. **Regulation of district.** The board may enact ordinances, prescribe  
46.6 regulations, adopt resolutions, and take other appropriate action relating to any matter  
46.7 within the powers and purposes of the district and may do and perform all other acts and  
46.8 things necessary or proper for the effectuation of said powers and the accomplishment  
46.9 of said purposes. The board may provide that violation of a district ordinance is a penal  
46.10 offense and may prescribe penalties for violations, not exceeding those prescribed by law  
46.11 for violation of statutory city ordinances.

46.12 Subd. 3. **Arrest; prosecution.** (a) Violations of district ordinances may be  
46.13 prosecuted before any court having jurisdiction of misdemeanors. Any peace officer may  
46.14 make arrests for violations committed anywhere within the district in the same manner as  
46.15 for violations of city ordinances or for statutory misdemeanors.

46.16 (b) All fines collected shall be deposited in the treasury of the district.

46.17 Sec. 26. **[442A.24] TAX LEVIES, ASSESSMENTS, AND SERVICE CHARGES.**

46.18 Subdivision 1. **Tax levies.** The board may levy taxes for any district purpose on all  
46.19 property taxable within the district.

46.20 Subd. 2. **Particular area.** In the case where a particular area within the district,  
46.21 but not the entire district, is benefited by a system, works, or facilities of the district,  
46.22 the board, after holding a public hearing as provided by law for levying assessments on  
46.23 benefited property, shall by ordinance establish such area as a taxing subdistrict, to be  
46.24 designated by number, and shall levy special taxes on all the taxable property therein, to be  
46.25 accounted for separately and used only for the purpose of paying the cost of construction,  
46.26 improvement, acquisition, maintenance, or operation of such system, works, or facilities,  
46.27 or paying the principal and interest on bonds issued to provide funds therefor and expenses  
46.28 incident thereto. The hearing may be held jointly with a hearing for the purpose of levying  
46.29 assessments on benefited property within the proposed taxing subdistrict.

46.30 Subd. 3. **Benefited property.** The board shall levy assessments on benefited property  
46.31 to provide funds for payment of the cost of construction, improvement, or acquisition of  
46.32 any system, works, or facilities designed or used for any district purpose or for payment of  
46.33 the principal of and interest on any bonds issued therefor and expenses incident thereto.

46.34 Subd. 4. **Service charges.** The board shall prescribe service, use, or rental charges  
46.35 for persons or premises connecting with or making use of any system, works, or facilities

47.1 of the district; prescribe the method of payment and collection of the charges; and provide  
47.2 for the collection thereof for the district by any related governmental subdivision or  
47.3 other public agency on such terms as may be agreed upon with the governing body or  
47.4 other authority thereof.

47.5 Sec. 27. **[442A.25] BORROWING POWERS; BONDS.**

47.6 Subdivision 1. **Borrowing power.** The board may authorize the borrowing of  
47.7 money for any district purpose and provide for the repayment thereof, subject to chapter  
47.8 475. The taxes initially levied by any district according to section 475.61 for the payment  
47.9 of district bonds, upon property within each municipality included in the district, shall be  
47.10 included in computing the levy of the municipality.

47.11 Subd. 2. **Bond issuance.** The board may authorize the issuance of bonds or  
47.12 obligations of the district to provide funds for the construction, improvement, or  
47.13 acquisition of any system, works, or facilities for any district purpose or for refunding  
47.14 any prior bonds or obligations issued for any such purpose and may pledge the full faith  
47.15 and credit of the district; the proceeds of tax levies or assessments; service, use, or  
47.16 rental charges; or any combination thereof to the payment of such bonds or obligations  
47.17 and interest thereon or expenses incident thereto. An election or vote of the people of  
47.18 the district is required to authorize the issuance of any bonds or obligations. Except as  
47.19 otherwise provided in this chapter, the forms and procedures for issuing and selling bonds  
47.20 and provisions for payment thereof must comply with chapter 475.

47.21 Sec. 28. **[442A.26] FUNDS; DISTRICT TREASURY.**

47.22 The proceeds of all tax levies, assessments, service, use, or rental charges, and  
47.23 other income of the district must be deposited in the district treasury and must be held  
47.24 and disposed of as the board may direct for district purposes, subject to any pledges or  
47.25 dedications made by the board for the use of particular funds for the payment of bonds,  
47.26 interest thereon, or expenses incident thereto or for other specific purposes.

47.27 Sec. 29. **[442A.27] EFFECT OF DISTRICT ORDINANCES AND FACILITIES.**

47.28 In any case where an ordinance is enacted or a regulation adopted by a district  
47.29 board relating to the same subject matter and applicable in the same area as an existing  
47.30 ordinance or regulation of a related governmental subdivision for the district, the district  
47.31 ordinance or regulation, to the extent of its application, supersedes the ordinance or  
47.32 regulation of the related governmental subdivision. In any case where an area within a  
47.33 district is served for any district purpose by a system, works, or facilities of the district,

48.1 no system, works, or facilities shall be constructed, maintained, or operated for the same  
48.2 purpose in the same area by any related governmental subdivision or other public agency  
48.3 except as approved by the district board.

**115.19 CREATION; PURPOSE; EXCEPTIONS.**

A sanitary district may be created under the provisions of sections 115.18 to 115.37 for any territory embracing an area or a group of two or more adjacent areas, whether contiguous or separate, but not situated entirely within the limits of a single municipality, for the purpose of promoting the public health and welfare by providing an adequate and efficient system and means of collecting, conveying, pumping, treating and disposing of domestic sewage and garbage and industrial wastes within the district, in any case where the agency finds that there is need throughout the territory for the accomplishment of these purposes, that these purposes can be effectively accomplished on an equitable basis by a district if created, and that the creation and maintenance of such a district will be administratively feasible and in furtherance of the public health, safety, and welfare; but subject to the following exceptions:

No district shall be created within 25 miles of the boundary of any city of the first class without the approval of the governing body thereof and the approval of the governing body of each and every municipality in the proposed district by resolution filed with the agency.

**115.20 PROCEEDING TO CREATE DISTRICT.**

Subdivision 1. **Petition required.** (a) A proceeding for the creation of a district may be initiated by a petition to the agency, filed with its secretary, containing the following:

- (1) a request for creation of the proposed district;
- (2) the name proposed for the district, to include the words "sanitary district";
- (3) a description of the territory of the proposed district;
- (4) a statement showing the existence in such territory of the conditions requisite for creation of a district as prescribed in section 115.19;
- (5) a statement of the territorial units represented by and the qualifications of the respective signers;

(6) the post office address of each signer, given under the signer's signature. A petition may consist of separate writings of like effect, each signed by one or more qualified persons, and all such writings, when filed, shall be considered together as a single petition.

(b) A public meeting must be held to inform citizens of the proposed creation of the district. At the meeting, information must be provided, including a description of the district's proposed structure, bylaws, territory, ordinances, budget, and charges. Notice of the meeting must be published for two successive weeks in a qualified newspaper published within the territory of the proposed district or, if there is no qualified newspaper published within the territory, in a qualified newspaper of general circulation in the territory, and by posting for two weeks in each territorial unit of the proposed district. A record of the meeting must be submitted to the agency with the petition.

Subd. 2. **Signatures; publication.** Every petition shall be signed as follows:

- (1) for each municipality wherein there is a territorial unit of the proposed district, by an authorized officer or officers pursuant to a resolution of the municipal governing body;

APPENDIX

Repealed Minnesota Statutes: H0737-1

(2) for each organized town wherein there is a territorial unit of the proposed district, by an authorized officer or officers pursuant to a resolution of the town board;

(3) for each county wherein there is a territorial unit of the proposed district consisting of an unorganized area, by an authorized officer or officers pursuant to a resolution of the county board, or by at least 20 percent of the voters residing and owning land within the unit.

Each resolution shall be published in the official newspaper of the governing body adopting it and shall become effective 40 days after publication, unless within said period there shall be filed with the governing body a petition signed by qualified electors of a territorial unit of the proposed district, equal in number to five percent of the number of such electors voting at the last preceding election of the governing body, requesting a referendum on the resolution, in which case the resolution may not become effective until approved by a majority of the qualified electors voting at a regular election or special election which the governing body may call. The notice of any election and the ballot to be used shall contain the text of the resolution followed by the question: "Shall the above resolution be approved?"

If any signer is alleged to be a landowner in a territorial unit, a statement as to the signer's landowner status as shown by the county auditor's tax assessment records, certified by the auditor, shall be attached to or endorsed upon the petition.

Subd. 3. **Changes; errors.** At any time before publication of the public notice required in subdivision 4, or before the public hearing, if required under subdivision 4, additional signatures may be added to the petition or amendments of the petition may be made to correct or remedy any error or defect in signature or otherwise except a material error or defect in the description of the territory of the proposed district. No proceeding shall be invalidated on account of any error or defect in the petition unless questioned by an interested party before the reception of evidence begins at the hearing except a material error or defect in the description of the territory of the proposed district. If the qualifications of any signer of a petition are challenged, the agency or its agent shall determine the challenge forthwith on the allegations of the petition, the county auditor's certificate of land ownership, and such other evidence as may be received.

Subd. 4. **State Register; hearing.** (a) Upon receipt of a petition and the record of the public meeting required under subdivision 1, the agency shall publish a notice in the State Register and mail a copy to each property owner in the affected territory at the owner's address as given by the county auditor. The mailed copy must state the date that the notice will appear in the State Register. Copies need not be sent by registered mail. The notice must:

- (1) describe the petition for creation of the district;
- (2) describe the territory affected by the petition;
- (3) allow 30 days for submission of written comments on the petition;
- (4) state that a person who objects to the petition may submit a written request for hearing to the agency within 30 days of the publication of the notice in the State Register; and
- (5) state that if a timely request for hearing is not received, the agency may make a decision on the petition at a future meeting of the agency.

(b) If 25 or more timely requests for hearing are received, the agency must hold a hearing on the petition in accordance with the contested case provisions of chapter 14.

Subd. 5. **Findings; order.** After the public notice period or the public hearing, if required under subdivision 4, and based on the petition, any public comments received, and, if a hearing was held, the hearing record, the agency shall make findings of fact and conclusions determining whether or not the conditions requisite for the creation of a district exist in the territory described in the petition. If the agency finds that conditions exist, it may make an order creating a district for the territory described in the petition under the name proposed in the petition or such other name, including the words "sanitary district," as the agency deems appropriate.

Subd. 6. **Denial of petition.** If the agency, after the conclusion of the public notice period or the holding of a hearing, if required, determines that the creation of a district in the territory described in the petition is not warranted, it shall make an order denying the petition. The secretary of the agency shall give notice of such denial by mail to each signer of the petition. No petition for the creation of a district consisting of the same territory shall be entertained within a year after the date of an order, but this shall not preclude action on a petition for the creation of a district embracing part of the territory with or without other territory.

Subd. 7. **Notice of orders.** Notice of the making of every order of the agency creating a sanitary district, referring to the date of the order and describing the territory of the district, shall be given by the secretary in like manner as for notice of the hearing on the petition for creation of the district.

Subd. 8. **Appeal.** An appeal may be taken from an order of the agency creating or dissolving a district, annexing territory to or detaching territory from a district, or denying a petition for any such action, as now or hereafter provided for appeals from other orders of the agency except that

the giving of notice of the order as provided in subdivision 7 shall be deemed notice thereof to all interested parties, and the time for appeal by any party shall be limited to 30 days after completion of the mailing of copies of the order or after expiration of the prescribed period of posting or publication, whichever is latest. The validity of the creation of a district shall not be otherwise questioned.

Subd. 9. **Filing.** Upon expiration of the time for appeal from an order of the agency creating a district, or, in case of an appeal, upon the taking effect of a final judgment of a court of competent jurisdiction sustaining the order, the secretary of the agency shall deliver a certified copy of the order to the secretary of state for filing. Thereupon the creation of the district shall be deemed complete, and it shall be conclusively presumed that all requirements of law relating thereto have been complied with. The secretary of the agency shall also transmit a certified copy of the order for filing to the county auditor of each county and the clerk or recorder of each municipality and organized town wherein any part of the territory of the district is situated and to the secretary of the district board when elected.

#### **115.21 ANNEXATION, DETACHMENT, AND DISSOLUTION.**

Subdivision 1. **Annexation.** An area adjacent to an existing district may be annexed thereto upon a petition to the agency stating the grounds therefor as hereinafter provided, signed by an authorized officer or officers of the district pursuant to a resolution of the board, also signed with respect to the area proposed for annexation in like manner as provided for a petition for creation of a district. Except as otherwise provided, a proceeding for annexation shall be governed by the provisions now or hereafter in force relating to proceedings for the creation of districts, so far as applicable. For the purpose of giving the required notices the territory involved shall comprise the area proposed for annexation together with the entire territory of the district. If the agency determines that the requisite conditions exist in the area proposed for annexation together with the territory of the district, it may make an order for annexation accordingly. All taxable property within the annexed area shall be subject to taxation for any existing bonded indebtedness or other indebtedness of the district for the cost of acquisition, construction, or improvement of any disposal system or other works or facilities beneficial to the annexed area to such extent as the agency may determine to be just and equitable, to be specified in the order for annexation. The proper officers shall levy further taxes on such property accordingly.

Subd. 2. **Detachment.** An area within a district may be detached therefrom upon a petition to the agency stating the grounds therefor as hereinafter provided, signed by an authorized officer or officers of the district pursuant to a resolution of the board, also signed with respect to the area proposed for detachment in like manner as provided for a petition for creation of a district. Except as otherwise provided, a proceeding for detachment shall be governed by the provisions now or hereafter in force relating to proceedings for the creation of districts, so far as applicable. For the purpose of giving the required notices the territory involved shall comprise the entire territory of the district. If the agency determines that the requisite conditions for inclusion in a district no longer exist in the area proposed for detachment, it may make an order for detachment accordingly. All taxable property within the detached area shall remain subject to taxation for any existing bonded indebtedness of the district to such extent as it would have been subject thereto if not detached, and shall also remain subject to taxation for any other existing indebtedness of the district incurred for any purpose beneficial to such area to such extent as the agency may determine to be just and equitable, to be specified in the order for detachment. The proper officers shall levy further taxes on such property accordingly.

Subd. 3. **Joint petition.** Different areas may be annexed to and detached from a district in a single proceeding upon a joint petition therefor and upon compliance with the provisions of subdivisions 1 and 2 with respect to the area affected so far as applicable.

Subd. 4. **Dissolution.** A district may be dissolved upon a petition to the agency stating the grounds for dissolution as hereinafter provided, signed by an authorized officer or officers of the district pursuant to a resolution of the board, and containing a proposal for distribution of the remaining funds of the district, if any, among the related governmental subdivisions. Except as otherwise provided, a proceeding for dissolution shall be governed by the provisions now or hereafter in force relating to proceedings for the creation of districts, so far as applicable. If the commission determines that the conditions requisite for the creation of the district no longer exist therein, that all indebtedness of the district has been paid, and that all property of the district except funds has been disposed of, it may make an order dissolving the district and directing the distribution of its remaining funds, if any, among the related governmental subdivisions on such basis as the agency determines to be just and equitable, to be specified in the order. Certified copies of the order for dissolution shall be transmitted and filed as provided for an order creating a

district. The secretary of the agency shall also transmit a certified copy of the order to the treasurer of the district, who shall thereupon distribute the remaining funds of the district as directed by the order, and shall be responsible for such funds until so distributed.

**115.22 PETITIONERS TO PAY EXPENSES.**

Expenses of the preparation and submission of petitions in proceedings under sections 115.19 to 115.21 shall be paid by the petitioners. Expenses of hearings therein shall be paid out of any available funds appropriated for the agency.

**115.23 BOARD OF MANAGERS OF DISTRICT.**

Subdivision 1. **Composition.** The governing body of each district shall be a board of managers of five members, who shall be voters residing in the district, and who may but need not be officers, members of governing bodies, or employees of the related governmental subdivisions, except that where there are more than five territorial units in a district there shall be one board member for each unit.

Subd. 2. **Terms.** The terms of the first board members elected after creation of a district shall be so arranged and determined by the electing body as to expire on the first business day in January as follows:

(1) the terms of two members in the second calendar year after the year in which they were elected;

(2) the terms of two other members in the third calendar year after the year in which they were elected;

(3) the term of the remaining member in the fourth calendar year after the year in which the member was elected. In case a board has more than five members the additional members shall be assigned to the groups hereinbefore provided for so as to equalize such groups as far as practicable. Thereafter board members shall be elected successively for regular terms beginning on expiration of the preceding terms and expiring on the first business day in January of the third calendar year thereafter. Each board member shall serve until a successor is elected and has qualified.

Subd. 3. **Election of board.** In a district having only one territorial unit all the members of the board shall be elected by the related governing body. In a district having more than one territorial unit the members of the board shall be elected by the members of the related governing bodies in joint session except as otherwise provided. The electing bodies concerned shall meet and elect the first board members of a new district as soon as practicable after creation of the district, and shall meet and elect board members for succeeding regular terms as soon as practicable after November 1 next preceding the beginning of the terms to be filled, respectively.

Subd. 4. **Central related governing body.** Upon the creation of a district having more than one territorial unit, the agency, on the basis of convenience for joint meeting purposes, shall designate one of the related governing bodies as the central related governing body in the order creating the district or in a subsequent special order, of which the secretary of the agency shall notify the clerks or recorders of all the related governing bodies. Upon receipt of such notification, the clerk or recorder of the central related governing body shall immediately transmit the same to the presiding officer of such body. Such officer shall thereupon call a joint meeting of the members of all the related governing bodies to elect board members, to be held at such time as the officer shall fix at the regular meeting place of the officer's governing body or at such other place in the district as the officer shall determine. At least ten days' notice of the meeting shall be given by mail by the clerk or recorder of such body to the clerks or recorders of all the other related governing bodies, who shall immediately transmit such notice to all the members of such bodies, respectively. Subsequent joint meetings to elect board members for regular terms shall be called and held in like manner. The presiding officer and the clerk or recorder of the central related governing body shall act respectively as chair and secretary of the joint electing body at any meeting thereof, but in case of the absence or disability of either of them such body may elect a temporary substitute. A majority of the members of each related governing body shall be required for a quorum at any meeting of the joint electing body.

Subd. 5. **Nominations.** Nominations for board members may be made by petitions, each signed by ten or more voters residing and owning land in the district, filed with the clerk, recorder, or secretary of the electing body before the election meeting. No person shall sign more than one petition. The electing body shall give due consideration to all such nominations but shall not be limited thereto.

Subd. 6. **Election; single governing body.** In the case of an electing body consisting of a single related governing body, a majority vote of all the members shall be required for an election.

## APPENDIX

Subd. 7. **Election; multiple governing bodies.** In any district having more than one territorial unit, the related governing bodies, instead of meeting in joint session, may elect a board member by resolutions adopted by all of them separately, concurring in the election of the same person. A majority vote of all the members of each related governing body shall be required for the adoption of any such resolution. The clerks or recorders of the other related governing bodies shall transmit certified copies of such resolutions to the clerk or recorder of the central related governing body. Upon receipt of concurring resolutions from all the related governing bodies, the presiding officer and clerk or recorder of the central related governing body shall certify the results and furnish certificates of election as provided for a joint meeting.

Subd. 8. **Vacancies.** Any vacancy in the membership of a board shall be filled for the unexpired term in like manner as provided for the regular election of board members.

Subd. 9. **Certification of election; temporary chair.** The presiding and recording officers of the electing body shall certify the results of each election to the secretary of the agency, to the county auditor of each county wherein any part of the district is situated, and to the clerk or recorder of each related governing body, and shall make and transmit to each board member elected a certificate of the board member's election. Upon electing the first board members of a district, the presiding officer of the electing body shall designate one of them to serve as temporary chair for the purposes of initial organization of the board, and the recording officer of the body shall include written notice thereof to all the board members with their certificates of election.

Subd. 2. **Officers.** The officers of each district shall be a chair and a vice-chair, who shall be members of the board, and a secretary and a treasurer, who may but need not be members of the board. The board of a new district at its initial meeting or as soon thereafter as practicable shall elect the officers to serve until the first business day in January next following. Each officer shall serve until a successor is elected and has qualified.

Such meeting place and offices may be the same as those of any related governing body, with the approval of such body. The secretary of the board shall notify the secretary of state, the secretary of the agency, the county auditor of each county wherein any part of the district is situated, and the clerk or recorder of each related governing body of the locations and post office addresses of such meeting place and offices and any changes therein.

Subd. 4. **Budget.** At any time before the proceeds of the first tax levy in a district become available, the district board may prepare a budget comprising an estimate of the expenses of organizing and administering the district until such proceeds are available, with a proposal for apportionment of the estimated amount among the related governmental subdivisions, and may request the governing bodies thereof to advance funds in accordance with the proposal. Such governing bodies may authorize advancement of the requested amounts, or such part thereof as they respectively deem proper, from any funds available in their respective treasuries. The board shall include in its first tax levy after receipt of any such advancements a sufficient sum to cover the same and shall cause the same to be repaid, without interest, from the proceeds of taxes as soon as received.
